### Wildcats stay in chase

JERRY TIDWELL  
In their best game of the season, Littlefield Wildcats upstaged Morton 6-2 Friday night to stay in the thick of the district chase.

Morton or Littlefield could be the district champ. Friona stands at 3-1 in district, Dimmitt 2-0-2 and Littlefield 2-1-1. For the Wildcats to win the right to represent the district in the playoffs, Littlefield must beat Dimmitt and Olton must beat Friona. It's that simple.

The Cats defense was superb. Morton never got closer than the 29-yard line. The stubborn defense time and again held on third and short situations. Morton's blazing speed was held in check and the Indian's biggest gain of the night was a 15-yard scamper.

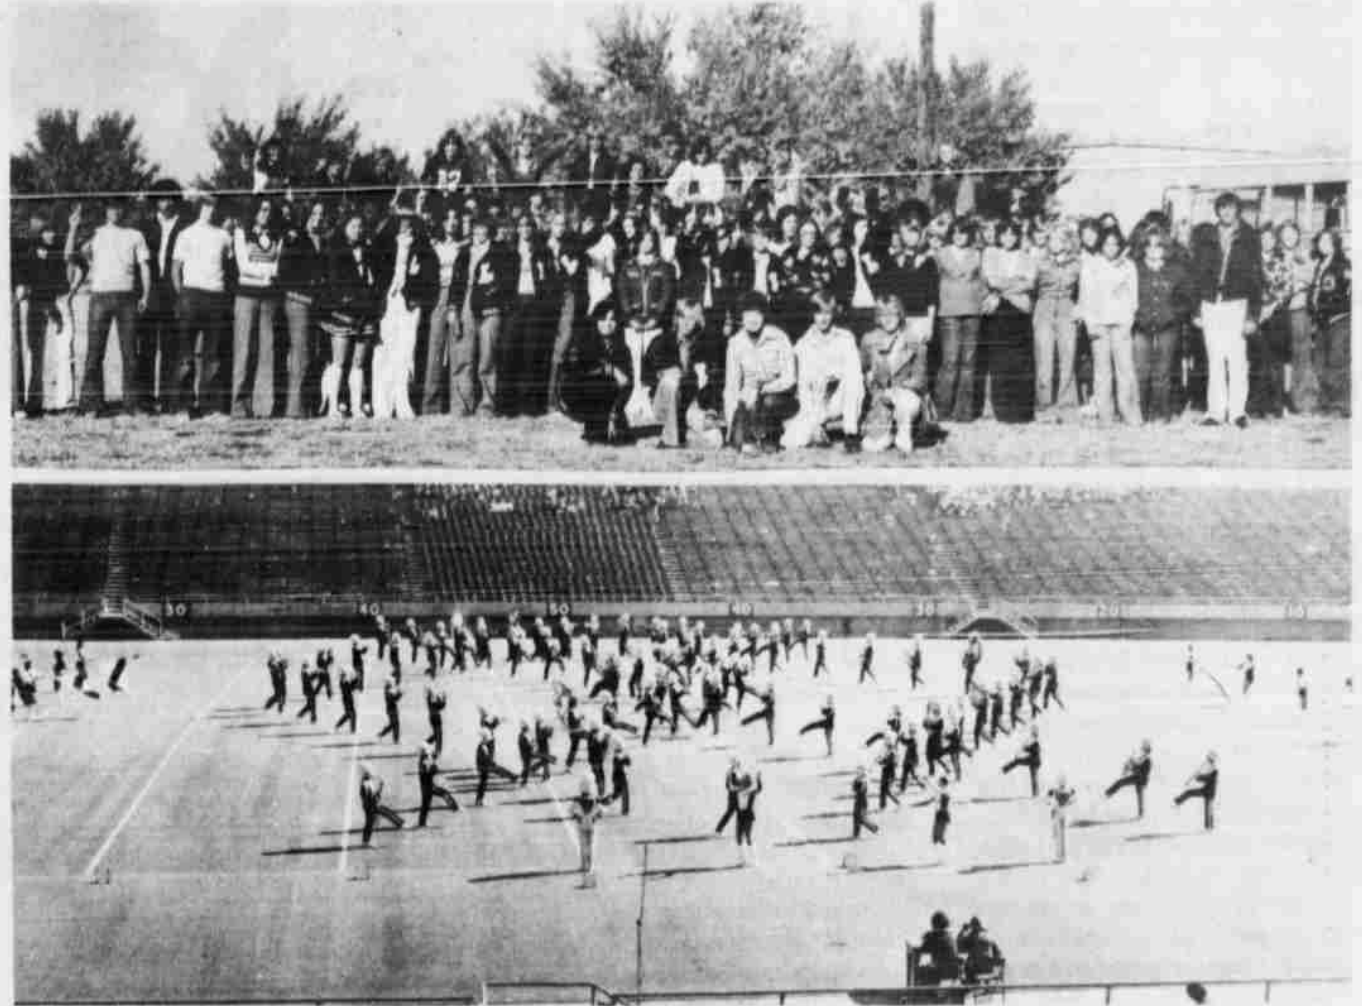

**FIRST QUARTER**  
Morton took the opening kick-off

and picked up a first down before Tom Cribbs punted to the 11-yard line.

Rudy Ayala threw a perfect strike to Rudolph Smith on the Cats 40 but Smith couldn't hang on. A delay of game penalty moved Littlefield back to their six and then Rudy Ayala rolled right, was trapped and was forced out of bounds in the end zone for a safety. Morton led 2-0 with five minutes gone in the game.

The Indians couldn't move again and Cribbs punt was partially blocked by Jack Speck. The 15-yard punt put the Cats in business on their own 39.

### Wildcat Band earns first division

The Wildcat Band earned ones from all three judges at the University Interscholastic League Marching Contest in Jones Stadium on Nov. 3.

All judges were very complimentary of the band's spirit, marching, and playing.

Judges for the contest were Richard Crain from Belton; Jeff Doughton, Pampa; and Bill Dean, Odessa.

Some of the criticisms were "Good slow stride, a fine band. Some little things, but over all a good performance. A good sound, a nice contrast. Congratulations to

your band," said Richard Crain. Judges were also complimentary of the band's slow stride, and the band's overall business-like appearance from start to finish.

Wildcat Band twirlers Karen Carter and Debbi Burks also won firsts on their twirling solos to make a total of five ones and a clean sweep for the Wildcat Band.

"The Band appreciates the many supporters who came to Lubbock to watch and cheer for the band. And also, those who met them on the return home," said Tom SoRelle, director.

The Littlefield Junior High

Marching Band received a second division at their UIL Contest on Nov. 2.

The judges were very complimentary on the band's playing. Some of the comments included, "A very spirited group. Much pride and spirit is evident," said Richard Crain.

Bill Dean said, "The band plays very well."

Olton's band, directed by Bill Nelson, received a III in the contest.

In Class A competition, Springlake-Earth's Band, directed by Richard Roper, received a II rating.

In Class B, Sudan earned a I. The Hornet Band is directed by Bob Bryant. Anton's band, directed by Dan McCasland, earned a II, and Whitharral's band, directed by Margaret Cooper, earned a V.

### School urging parents to check for head lice

Littlefield Schools are continuing to urge all parents to check their children's hair for lice, due to the current outbreak.

According to the school nurse, Mrs. Joyce Oliver, "There has been a national increase in head lice for the last two years—and all parents should check their children every week to determine if lice or nits (egg cases) are in the hair."

She emphasized that lice are "no respecter of persons, and any child can contact lice, regardless of his or her color or cleanliness."

These statements came following Thursday's story about the outbreak, when the word "Anglo" was printed, leaving an impression that lice were only caught from other races. The writer's intent was not this, but only to emphasize to all mothers, regardless of where they live or what race they are, that they should check their child's hair. The word should have been taken out altogether, and the rest of the sentence would have expressed the real intent.

About 20 women met with the school nurse Friday morning to discuss the wording, and Publisher Jerry Tidwell apologized to the group stating "it was a poor choice of words, and it wasn't our intent to make any racial discriminations."

Parents who find lice are asked to contact their family physician for a shampoo prescription, and for a furniture spray to rid the child's environment of nits or lice.

### VFW sponsoring Vet's Day breakfast

The Littlefield Veterans of Foreign Wars are sponsoring a Veteran's Day breakfast Thursday, Nov. 11, the traditional Veteran's Day.

Serving will begin at 6 and continue until 8:30 at the VFW Post 4854 home.

All Women's Auxiliary members and American Legion members and their wives are invited.

### Dr. Chatwell named County Health Officer

Lamb County Commissioners have appointed Dr. J. W. Chatwell as the new county health officer.

Chatwell, who is associated with the South Plains Hospital and Clinic in Amherst, replaces Dr. J. H. Oyer of Medical Arts Hospital

in Littlefield, who is retiring from medical practice.

Commissioners also appointed Arthur Hedges of Amherst to the Lamb County Hospital Authority to replace Dewitt Tiller who resigned for personal reasons.

### Greg Ingham named to city manager's post

In their meeting Thursday night, the Littlefield City Council appointed Greg Ingham as city manager, awarded the low bid for a truck cab and chassis to Garland Motor Company, authorized the expenditures of \$330.50 as the city's share on a radio for the police department, and discussed the traffic problem at intersections of Highway 54 at LFD, XIT and Phelps.

Garland Motor Company offered two bids on trucks, and both were lower than the other bids submitted by Carlisle-Oldham Ford, Inc. and Armes Chevrolet Co. The lowest bid was on a 1976 Dodge, at \$7,338.79, for a truck that could possibly have been sold in Chicago before action was taken on the bid, and the next bid was on a 1977 Dodge at \$7,988.52, with delivery expected within 60 to 90 days.

Armes Chevrolet's bid was \$8,332.39 and Carlisle-Oldham's bid was a net price of \$9,257.06.

SPAG will pay three-fourths of the cost of the new radio for the police department, and the city's share was to be \$330.50.

The council went into executive session to discuss personnel matters, and when the meeting was opened again, the council voted to

hire Greg Ingham, city secretary, as the new city manager. He fills the vacancy left by Jim Blagg, who resigned Oct. 15 to accept the assistant city manager's post at Lubbock.

Councilmen viewed maps of the intersections on 54 at XIT, Phelps and LFD, and decided to contact the property owners about the problem, and the solution which has been recommended by the Texas Highway Department.

## A Woman's View

By Pearl Brandon

I FAILED to get a column written last week, as I was in the hospital suffering from a fall, injuring my ribs and left side.

I was in the Medical Arts Hospital several days and went home at my request, I thought I would be as well off at home, but found I wasn't.

Our son roomed with Dr. J. W. Chatwell of the South Plains Hospital while they were in college. He wanted me to get a complete examination from Dr. Chatwell, so I am writing this from the hospital in Amherst.

IT HAD BEEN more than 13 years since I had been here. I used to come here often while working for county welfare visiting patients. I was never so amazed at the change in a place. It is so new and with new equipment and beautiful colors.

This doesn't mean I have quit my Littlefield doctors. It was only that my son wanted me to come over here and have his friend examine me. I must say he has been very thorough and kind.

I ALSO FOUND friends working here that I have known a long time.

Another thing that has made me happy, is that Dr. Chatwell has agreed with my own doctors in almost everything.

I will be here a few more days, then as always, will be glad to be home again.

WITH SO MUCH sickness and things happening to me, I have been getting tense which has surprised some of my friends and even my family.

It's hard not to worry about things, even though you know things have always come out right in the end.

## Two suits favor defendant, one hung jury verdict

Civil suits involving breach of contracts on sale of corn were heard in district court this week.

One resulted in a hung jury, one was an instructed verdict favoring the defendant and one jury verdict favored the defendant in cases filed by Leo V. Smith.

In a consolidated case with three suits involved styled Leo V. Smith versus Eldon Hill, et al, the jury reported they were helplessly dead locked after about five hours of deliberation.

Jurors serving were Darla Kay Cantrell Boyd, John Harris Fowler, John D. McCarty, Steven Stubbs, Harriett Cummings, W.A. Duncan, Jackie Farr Wood, Mrs. Alfred Allen, Virginia M. Ferrier, Mrs. Clifford Carlisle, Clarence Kelley and Mrs. J. P. Ray. In one of the cases, District Judge Pat Boone Jr. ruled no evidence to support judgement against Hill and that the plaintiff Leo Smith would get nothing against Benton Hill.

In a suit filed by Smith against Dick Hopping, a visiting judge came in to hear the case because Judge Boone and Hopping are related.

The Lord is always there to cling to even if we fail to do it. He is available. I am writing part of this to my self.

I WILL SOON be 74 years old and been confronted by many hard situations in my life and the Lord has never failed me yet. I fail Him many times, mostly by not having enough faith, but I know in my heart He will see me through.

There is so much love and kindness we have only to reach out our hand and some one takes it and leads us through, even mine as lowly as I am.

In Psalms it says, "Be merciful unto me, O God, for my soul trusteth in Thee. Yea, in the shadow of thy wings will I make my refuge until these calamities be past."

It is sad to see so many old people in the hospitals suffering out their last days.

ONCE THEIR BODIES were straight and their minds alert, but all of us must some day reach the end of this life, but our Heavenly Father will take our hands and lead us across into that beautiful life to come.

Many are praying for that time to come.

I hope I can go on unto the last with dignity and go quietly on.

IT SEEMS the older we get, the more love we have to give— and to receive.

It seems about all I can do for the Lord now and try to help people is to write this column for those who read it.

I am very grateful to Mr. Tidwell and to Joella who is so kind to edit it for me.

May God bless you all.

NEVER THOUGHT IT would surprise me so much, nor make me feel so low to see Mr. Carter elected president of our country. Guess he caught a lot of our people asleep.

Now I'm faced with the proposition of trying to get acquainted with him, and trying to understand his thinking. For a couple of years I've spent my time, (or at least some of it) praying that he wasn't successful in his bid for the office.

NOW, HOWEVER, since he's made the bid successful, I'm praying that he has a lapse of memory concerning some of those wild promises he's made! I can, in no way, relish the idea of a Socialistic, Welfare state.

Of course, at my age, it probably won't make so much difference, but when I consider my kids and their offspring, it becomes quite important.

WAS SOMEWHAT encouraged to see much of his cocksureness was gone, at his first press conference. In fact, he seemed quite unsure of himself on some of the questions that the reporters put before him. I'm wondering if, that after the battle is over, the politicking done, and suddenly he's our president-elect, he doesn't

suddenly feel somewhat scared? (I'm sure I would!) So we'll just have to wait and see if, after the fun and games over, and the victory's won, the nation becomes the better for valor. I do believe that he has the ability to make us a truly president, or with the Congress has, he could take us for a ride would make the wildest roller coaster look tame.

MEANWHILE, for the couple of months, guess we have to get along with our president. That is, Mr. Carter can't do anything until inaugurated.

After that, it'll be up to Demos to call the shots, and purty. If the situation gets now, they have no scapegoat to put the blame on. We're waiting.

I'VE BEEN TELLING you that I'll NOT make any remarks about those strange characters that've been appearing on the later sports page. Seems we've sprouted a baby, Dirk West, Jr. I certainly would want to say anything to discourage him.

## Probable arsonist dies from blaze near car

Willie Lee Bowens, 33, was dead on arrival at the Parkland Hospital in Dallas where he was flown following a car fire about two miles southeast of Littlefield about midnight Thursday.

The victim, still burning, was found in a bar ditch by a motorist on the dirt road about a mile south of U.S. 84. Rev. J. W. Ristvedt, pastor of the Emanuel Lutheran Church in Littlefield, was returning home on U.S. 84 and saw the blaze down the dirt road. He called the ambulance and fire department.

Lamb County sheriff's authorities who investigated theorized that the man set fire to the car, and in the process caught his clothing afire. They said the ground was

burned in two places where the man apparently rolled trying to put out the flames that engulfed his back from head to feet.

Officers said gasoline had been poured all over the front of the 1976 Olds Cutlass which was registered in the man's name. Sheriff E. D. McNeese said they found a gallon bucket behind the car which they believed had been used to pour gas over the car, officers said a book of matches was on the back of the car just above the trunk lid.

## TODAY'S THOUGHT

Did you ever put something in the wrong place and wonder where it was? Of course you have. We all have. Sometimes when the thing shows up, we ask the silly question, "How did it get there?" We know the answer. It got there because we put it there.

Similar reasoning can apply, in a way, to religion. People put God in the wrong place. It may sound peculiar, but we can put God in the right place. It can even be said we can put God in His place, if we want to. And this is said without smart alecky semantics.

We know God is in Heaven. But he is elsewhere too. Instead of placing Him in that uncharted area "way up there", why don't we put Him where we can find Him all the time? We go to HIS house of worship on Sunday and then return to OUR home. Why not bring Him along home with us? When we put Him in our home, where most of us need Him most, we always know where He is.

## Itinerant vendors should have permits

Ordinance Number 213 of the City of Littlefield requires door to door salesmen to obtain a permit and to carry a card issued by the city secretary's office.

In the past few months, there has been a great increase in the number of itinerant vendors and peddlers who are operating in the

city of Littlefield," said Greg Ingham, city manager.

"Many of these individuals are not obtaining permits to solicit on a door to door basis. It is not possible for the city to enforce the Itinerant Vendor's Ordinance and thereby protect the citizens of Littlefield without the assistance of the citizenry.

"If there is some doubt as to whether a door to door salesman has been licensed by the City, ask to see the card authorizing that individual to solicit in Littlefield or call the Littlefield Police Department.

"The City needs your cooperation in order to insure the integrity of the salesmen who may knock on your door," Ingham concluded.

**A Banker's Viewpoint...**

It took them 44 years to learn their lesson, but the people in Sweden are finally convinced they can't get something for nothing — even from a socialist government.

They recently voted out of office the Social Democrats who, allied with a small Communist Party, had been in firm control of the nation since 1932.

Socialists everywhere, and many of the leading liberals in this country, long have pointed to Sweden as the perfect example of the welfare state. The Swedes, after all, have cradle to grave security, handout medicine, free education, and all the rest of the "blessings" of socialism.

To pay for this they also have a level of taxation that descends them all into an equality of poverty.

A business man earning \$36,000 a year gets to keep \$13,240. A factory worker's \$10,000 a year pay is reduced by taxes to \$6,200. An author, after the vagaries of the tax law were added up, was charged 102 per cent of her income, and a barber who earned \$6,750 paid \$4,300 of it in taxes.

Yet taxes are not the only reason the Swedes voted out their socialist government.

There also was the arrogance of bureaucrats to contend with — insults by tax-paid agents of the government, plus the fact that Swedish lawmakers gave themselves and their bureaucratic hirelings ever-increasing favored treatment from the government till.

Waste in social welfare programs was a costly irritation. Many lazy folk living on welfare spurned the very idea of work.

The pervasive government continued to expand its activities and its ever-widening intrusion into the daily lives of the people paying the taxes. To say the least, the Swedes were miffed.

If all their complaints seem to parallel what has been happening in our own country, it is not mere coincidence. Sweden's experience and our own are the natural progression of events in a welfare state economy. It only happens that Sweden moved faster down the socialistic path than our country has so far.

Now the Swedes realize their ruin — too late perhaps to reverse the trend.

Unless the majority of Americans, regardless of political leanings, wake up to the perils of welfare stateism the realization also will come to us within a few years — perhaps too late.

We believe in this country and its people. Like the writers of our Constitution, we believe that the strength and the real intelligence of government originates with the people. So we urge all our citizens, here and elsewhere, to do our part—keep up with public issues and send our opinions about them to our elected representatives.

## Anton Future Homemakers visit children's ward

ANTON— Future Homemaker's of America members visited the Children's Ward of Methodist Hospital in Lubbock Monday afternoon.

Twenty-one children in the ward were entertained by thirty-five girls and sponsor's, Mrs. Bonnie Beadles and Mrs. Johnie Harper, Jr. They presented sacks of candy to all but two of the children.

These were diabetics who were given picture books.

Costumed characters, Raggedy Ann and Andy, Dracula and Wife, and Ghost reversed the "trick or treat" idea by giving candy instead of taking it.

The girls visited with the children after presenting the sacks of Halloween candy.

"Come now, and let us reason together, saith the Lord: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool," Isaiah 1:18

The beautiful snow that fell in our area last week surely brought to mind this promise in Isaiah. The gentle falling snow gave everything a clean white appearance.

All the ugly ditches, trash and litter was covered with a white blanket. The air was cleansed from soot and dust—everything was white and clean.

Even so the vilest sinner can have his sins cleansed by accepting the atonement provided by the blood of Jesus Christ, which he shed on the cross of Calvary.

# Seventh graders roll over Roosevelt, 20-0

Littlefield seventh grade team shut out the Roosevelt graders Tuesday in a 20-0 victory. Gallegos scored 18 of the points in the game. The first TD came on a run. The extra point was no good. The second TD for Gallegos was a 35-yard jaunt to the goal line. Yarbrough hit Jerry Rodgers at the end zone for the 20-0 version. The 70-yard TD run was the highlight of the night. The TD run was scored as the extra point was no good. Rodgers praised the offensive line for their blocking.

The win left the Cats record at 3 wins, 3 losses, and 1 tie. The seventh grade is yielding 7 points average to their opponent after seven games. Outside of the 30 points the seventh grade gave up in their first game they would only be giving up a total of 2 points per game average. Listed are games played. ## SECOND QUARTER

Tony Cowan recovered a Morton fumble and the Wildcats had a golden opportunity with the ball on the Indians 35.

Smith scampered for 11. Ayala scrambled for 15 to the nine. Jett West made a driving run, but at the three was nailed and fumbled the ball into the endzone. Morton recovered for a touchback.

The two teams exchanged punts before the Cats took over on their own 11-yard line. West was stacked up for no gain on the first down play.

Smith zipped off right tackle on the cross-back and headed toward Levelland. The Wildcat speedster was finally corralled 80 yards down field at the Indian nine-yard line. Only a diving tackle by Larry Moore prevented the touchdown.

The Wildcats couldn't punch the ball in for the TD and on fourth down Ralph Mendez booted a 25-yard field goal. An illegal procedure penalty wiped out the three-pointer and on fourth down a fake field goal failed. The Indians took over at the 22.

Morton punted to the Littlefield 37 and the Cats began to prowl again. Smith gained eight yards in two runs and Jett West picked up the first down at the 48 on a three-yard run.

Ayala then clicked on three successive passes. He hit Smith for 10, Mendez for 12 and Smith for 17 to put the Cats on the Indians 13-yard line.

A holding penalty moved the Cats back to the 28. Smith gained three. Jay Lee, five and Ayala kept for 10 to the 10-yard line. On

fourth down Mendez kicked a 27-yard field goal and the Cats were finally on the scoreboard with 44 seconds left in the half.

Littlefield carried that 3-2 lead to the lockers.

## THIRD QUARTER

The Maroon Machine was forced to punt after picking up two first downs and then Morton put on their best offensive drive of the night. Tino Sabala, Moore and Jimmy Green took turns toting the pigskin. The Indians marched to the Wildcat 35.

Then the Cats defense turned stubborn. Green managed five yards in two carries. Sabala tried the option for two and that brought fourth down and three with the Indians on the 29.

Morton came out in punt formation, much to the surprise of the Wildcats. Wisely, Littlefield kept its defense up close for any trickery from the Indians. But Cribbs booted the ball out of bounds at the six-yard line. Wildcat fans breathed a sigh of relief as the Indians deepest drive of the evening netted them nothing.

## FOURTH QUARTER

The two teams exchanged punts before the Maroon Machine began to roll against the Indians.

Smith rambled for 18 yards on two carries. Mendez made a fingertip catch of Ayala's aerial for a 14-yard gain to the Morton 34. Ayala then hit Smith with a perfect pass to the 18-yard line.

A personal foul penalty gave the Cats a first down on the seven-yard line. Smith lost four and Ayala netted nothing on two tries. On fourth down Mendez connected on a 28-yard field goal to up the score

to 6-2 with 7:43 to go.

Following the kick-off, Sabala ran for 15 aydrds and a first down to the Littlefield 46. It was the Indians longest run of the night. Moore gained three yards and then Sabala rolled left for four before being stopped by Blake Wood.

Moore was stopped cold by Speck and that brought up fourth and three from the Wildcat 37. Green went up the middle and was met by the entire Wildcat defense and the ball went over.

Littlefield punted and Morton's final offensive possession began with 2:05 left at the Morton 28.

Three running plays netted 10 yards and a holding penalty moved the ball back to the 22. On fourth down Mendez intercepted an Indian pass at the 45 and returned it to the 18.

The Wildcats ran the clock out to take the win.

The Quarterback Club will meet at 7:30 Tuesday night in the Willey Room.

## Three Way Eagles claw Cotton Center Elks, 30-25

The Three Way Eagles hammered away all night long against the Cotton Center Elks, but came up one plank short as the noisy Homecoming crowd saw their Eagles, fall, 30-25.

Three Way laid a solid foundation early in the game and at one time leading 13-6. But the scrappy visitors overcame the Eagles in the final moments of the contest with the help of many crucial penalties and turnovers.

Bill Hodnett, who was injured late in the fourth quarter, put the Eagles out to an early lead when he zipped around right end 18 yards for the touchdown. The first of eight extra point attempts that failed, was bumbled when the snap soared over the head of the holder.

On the next series, Cotton Center tied the contest on a 23-yard pass play from Bobby Martinez to Eric Allen.

The Eagle defense came back to set up the next score when on a fourth and two from the 26, Ernest Cantu broke through the line to block a Cotton Center punt. Following the scramble, Three Way had a first on the Elk 19. A penalty and an incompletd pass set the ball on the 36 where Adam Rodriguez hit Eddie Rodriguez on a split end screen pass-and-run play for the touchdown. Danny Young ran the ball over for the conversion and the Eagles held a 13-6 lead.

From this point, the game turned into a see-saw battle with one team gaining the momentum only to see it slip away on the following series.

David Castilleja put Cotton Center ahead to stay on a 5-yard sweep around right end to cap an eight-play 52-yard drive. The extra

point attempt failed and with left in the third quarter. Cotton Center took control 24-19.

For the Eagles, Hodnett scored again in the third quarter on a 20-yard run, and with 3:45 left in the game, Young burst over the line for a TD. That put Three Way with striking distance. But a final surge in the closing seconds was spoiled when an Eagle fumble was recovered by Cotton Center on the Elk 5.

During the halftime activities, Gloria Sampson was crowned Homecoming queen and Kirby was honored as football king.

Three Way closes the '76 season with a 6-3 record, a respectable mark considering the Eagles have not fielded a winning team since 1973.

Neither team could cross over the others goal line for the remainder of the game as defense powered against defense.

The game puts the plug in the jug for Amherst as they close out their season 3-6 and zone 2-5.

# Sudan dumps Silverton

By EMIL MACHA

Sudan closed their regular season of football with a winning note by dumping the Silverton Owls, down, Craig Pickett bombed to Jeff Withrow for the Hornets second tally of the night with 3:01 left in the first quarter. Williams kicked the extra point. Sudan led, 14-0.

It was a defensive second quarter as neither team was able to move the ball against the other. Although Silverton did score with five seconds left in the half when David Strange completed a 26-yard pass to Jackie Vaughn in the end zone for their only score of the evening. The PAT was to the left.

At intermission, Sudan led over Silverton 14-6.

Penalties highlighted the third quarter as Silverton drew 15 yards a couple of times on Sudan when the Hornets were charged with roughing the kicker or clipping on fourth down situation.

36-6, Friday night at Sudan.

The Hornets, undefeated in district play was paced by Kyle Martin who mustered 20 points for the evening as well as 133 yards rushing in 28 carries.

Sudan took the opening kick off on the 33 and marched downfield to the 12-yard line in eight downs to set the stage for Martin's first score of the game with 8:24 left in the initial period. Jerry Williams booted the extra point to give Sudan a 7-0 lead over Silverton.

Silverton took the kickoff on their 24, gained a first down on the next play and then was stopped on the next series of downs as Roy Don Dudgeon and Lonnie Williams met the offense on the line each time to stop the Owl charge, forcing a punt that was kicked out of bounds on the 21.

The Hornets marched back down field and got to the six-yard line. Sudan drew a penalty and was forced back to the 31. On third

With less than a minute left in the third stanza, Pickett intercepted an Owl pass on the 45 and scampered to the 25 before being knocked out of bounds. Four plays later Martin jumped over from the one for his second score of the night with 26 seconds left in the quarter.

A face mask penalty was called against Silverton as Sudan tried for the extra point. This gave Sudan another chance for the extra and in doing so Martin plowed over on a two-point conversion to make the score, 22-6.

Fumble-itis plagued the last quarter as each team fumbled twice. Silverton fumbled last when James Graves stole the ball on the 36 for Sudan. Martin carried the ball the next two plays for a first down. Joel Williams charged to the 16 and Martin took the ball again and plowed through the line like a bowling ball to score from 16 yards out for Sudan with 5:35 left in the game. The PAT failed.

Sudan's last TD was set up by Matt Hanna when he intercepted an Owl pass on the 50 and ran the ball back to the 16 before being knocked out of bounds. Pickett passed to Joel Williams for a 16-yard pass play and the final score with 37 seconds left in the game. Williams ran the extras to give Sudan the win by a score of 36-6.

## Goose seasons open

First of Texas' goose seasons opened Oct. 30 east of U.S. Hwy. 81 and runs through Nov. 12.

Migratory game bird experts at the Texas Parks and Wildlife Department remind waterfowl hunters this early 14-day season is for so-called light geese only,

which includes snow, blue and Ross' geese.

Season on all species of geese east of U.S. 81 is Nov. 13-Jan. 23.

Texas Parks and Wildlife Department officials say the purpose of the longer season on light geese is to increase hunter opportunity to harvest the more abundant snow and blue geese.

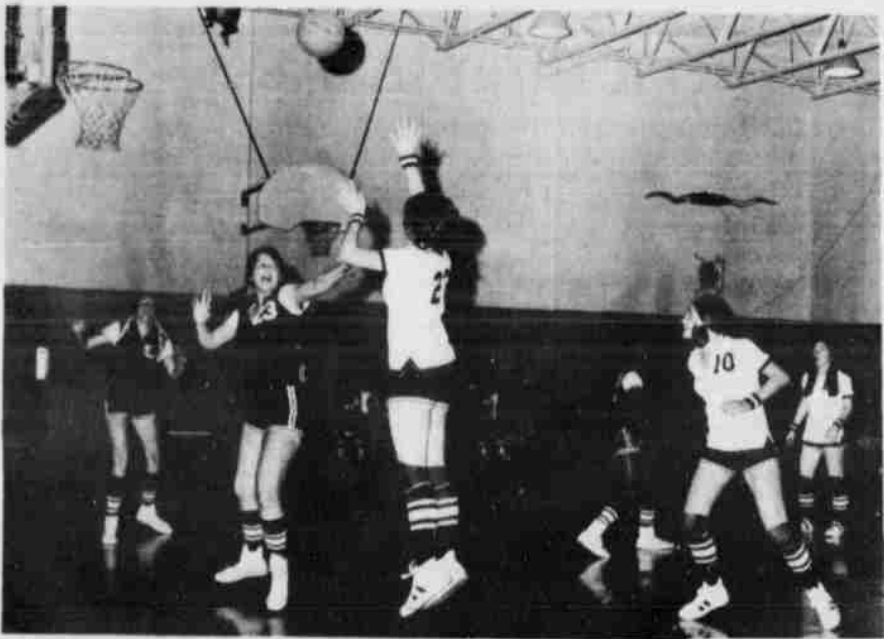

Season on all geese west of U.S. 81 is Nov. 2-Jan. 23.

Oct. 30 also is opening day on sandhill cranes in Zone A— that portion of Texas including the Trans-Pecos, western portion of Permian Basin and western Panhandle. Zone A sandhill crane season runs until Jan. 30. Zone B hunting does not start until Dec. 4.

Sandhill crane hunters in both zones must obtain a free federal permit from the Parks and Wildlife Department. The permits are part of an effort by the U.S. Fish and Wildlife Service to learn more about sandhill crane hunters and the numbers of birds they harvest.

THE THREE WAY Homecoming Queen and her Court were presented to Panther fans Friday night. The young ladies are Beverly Dupler, Belinda Richardson, Homecoming Queen Gloria Simpson and Princress Parkman. [Leader-News Photo]

LEADING THE CHEERS for the Anton Bulldogs, are, from left to right: Demaris Walthall, Barbara Sea, Risa Stone, Nancy Herrin, Lisa Hobgood and Becky Tyson. [Leader-News Photo]

WHOOPS, which way did he go? Littlefield's Rudolph Smith fakes out Morton's Todd Gilliam [26] en route to an 80-yard run scamper. Smith took a counter play off right tackle and then broke back to the middle of the field and sidestepped Gilliam. Smith was finally hauled down at the Indians nine-yard line. # County's sales amount to \$30,942,287 gross

Comptroller Bob Bullock released a computer analysis Tuesday showing there was a total of \$33.9 billion in gross retail sales in Texas during the second quarter of 1976, more than 17 percent over the \$28.9 billion in sales during the same period of 1975.

Lamb County's gross sales were \$30,942,287, which includes all sales, leases, and rentals of tangible personal property and all labor and service charges.

Gross taxable sales in Lamb County were \$14,937,051, the total receipts of all taxable tangible personal property sold, rented, or leased, including those sales for which resale and/or exemption certificates were accepted in lieu of the sales tax.

Deductions were \$8,977,614, which includes total amounts of: taxable sales for which resale and/or exemption certificates were accepted in lieu of the sales tax; bad debts charged off on Federal Income Tax Returns and returned merchandise on which the tax had

already been reported.

Use tax purchases in the county amounted to \$96,148. This included all taxable items and/or merchandise inventory purchased either in or out of the state on which the sales or use tax has not been paid and which are converted to personal or business use.

The total amount subject to tax

in Lamb County was \$6,055,585. This includes the gross taxable sales, less deductions, plus use tax purchases.

Bullock said the 17 percent growth rate for Texas far exceeds every estimate of inflation during the past year and shows the Texas economy continues to improve.

The analysis lists gross sales in

Texas of \$31.5 billion by in-state firms and \$2.4 billion by out-of-state firms during the second quarter of this year, the Comptroller said.

He added that gross sales by in-state firms in Harris County have climbed 11 percent from last year to \$8.2 billion, and in Dallas County by 16 percent to \$5 billion.
