

Wildcats And Lobos Battle To 7-7 Tie

can happen and it usually does—at least in the second half.

The Cats and the Lobos battled in a 0-0 tie through the first half and into the third quarter, until junior tailback Bill Turner exploded through the Levelland defense for 80 yards and a Littlefield

touchdown with 10:40 showing in the third stanza. A Turner extra point kick made it 7-0 and until 8:15 was left in the halfgame, that was the way the score stood.

He took a perfect pass over the Littlefield secondary to score the Lobo's

TD to knot the score and it wasn't until the final three minutes that the action opened and heavy again. But first.....

Littlefield took the opening kickoff on their own 33 yard line. Turner and Rick Hopping combined their running talents to pick up nine yards and nine inches but

the fourth down try by the Cats fell a whisker short and Levelland took over on Littlefield's 43 yard line. The Cat defense held and Levelland was forced to punt. Littlefield took over on their own 30 yard line but was able to move the ball only to the 28 before Turner punted for the first of six times for the night.

on the Lobo's 29 yard line with a second and four situation. Turner almost broke for the touchdown but he was upended on the 12 yard line. Turner then carried the ball to the three to make it second and one but Hopping was stopped on the next play for no gain. Parmer was dropped for a three yard loss to set up a field goal try with 10:24 left in the half but the kick was deflected to the left of the crossbars.

Levelland took the punt on the Cat's 42 yard line and advanced the pigskin down to the 21 before the tough Cat defense held them on a fourth-and-one situation that was aided by a late-hit penalty against the Lobos that gave Littlefield possession on their own 36 yard line. With 1:59 left in the first quarter, Littlefield started its first scoring threat.

This was the signal to get the punting teams out as in the next ten minutes, Levelland was forced to punt three times, Littlefield once and the Cats had to give the ball up once as a fourth down pass fell incomplete.

Turner picked up three yards through the middle and then a five yard penalty against the Lobos put Littlefield in a second and two situation. Quarterback Ronald Parmer kept the ball for the first down. Sammy Schlottman scooted for seven yards on the next play. Turner then picked up 10 yards and as the quarter ended, Hopping went over the middle for six big yards that put the Cats

The first half ended 0-0.

Levelland took the second half kickoff and almost scored on their first play from scrimmage as Gilbert Ramos scampered 49 yards to the Littlefield 16 yard line before Stanley Patterson stopped him.

The Cat defense tightened up and

Commissioners Give Go-Ahead On Ag Center

In a special called meeting Wednesday afternoon, Lamb County Commissioner's Court gave tentative approval to a long-awaited Lamb County Agriculture Center to be located in Littlefield.

The building, which is expected to be a steel, pre-fab structure, will be located directly west of the present County Show Barns. Exact cost of the building is not known, but the court was talking in terms of \$115,000 to \$140,000 for the project with square footage somewhere between 9,600 and 12,000 square feet.

Attending the meeting Wednesday were representatives from the County Extension Office, local and county livestock show boards and the Littlefield Chamber of Commerce and Agriculture.

A six-member committee, consisting of Warren Dayton, Buddy Logsdon, Dorothy Powell, Judge G. T. Sides, commissioner Jack Peel, and Don Carter, was appointed to delve into the details of getting construction started, and they met Friday morning.

The multi-purpose building will be designed to accommodate stock shows, county and community-wide gatherings, chamber banquets, reunions, fairs, square dancing or any type meeting or activity such as those held in present smaller county buildings.

Persons other than those mentioned above who attended the Wednesday meeting include commissioners Buddy Free, Hubert Dykes, and A. J. Spain, plus John Bridges, Carol Black, Rad Richardson, Bill Payne, David Jones and Wade Warren.

In other business Wednesday afternoon, Howard Maddera represented the South Plains Community Action Association. He asked that the commissioners' court authorize SPCAA to provide county manpower training under the Comprehensive Employment and Training Act of 1973 and that the Lamb County Community Action Committee be the advisory committee for the implementation of the proposed program as it relates to Lamb County.

WANT TO KNOW the time and temperature? You can find out by dialing 385-7212, and this machine will tell you. The temperature is accurate to within two degrees, and is sponsored by First National Bank. Shown operating the machine at General Telephone are Frank Dunn, Marvin Dane, James Lee of First National Bank, Kenneth Gore and Eddie Dishman. (Staff Photo)

Buyers Snapping Up Lot Of New '74 Vehicles

AL RODGERS

new car buyers who were about buying a new 1974 model have waited a bit late. According to major automobile dealers, buyers are snapping up the '74 models in Littlefield.

Dealers agree that the price increase for the 1975 models is not for the run on the year-end rather than consumer fear of converters and no-lead

converter is a big word," Carlisle at Carlisle-Oldham said some people are afraid of the new. But I think it's more a price increase than new

Armes at Armes Chevrolet with this viewpoint. "The cars are supposed to give better service, less maintenance and economy," he added.

Armes Olds-Cadillac-Pontiac, salesman Delbert Scott said

people were afraid of the converters at first, and afraid they wouldn't always find no lead gas. "But it was the price increase that capped it off," he added.

Only Garland Motor Company offered much selection in new '74 autos, but only one of a total of 30 1974 models, including pickups and trucks, was a luxury model.

Most Littlefield dealers said the romance with compacts and sub compacts is over, but Garland said there is still a demand among college commuting students and others for the smaller, gas saving models.

Armes said Tuesday that they were completely sold out of new 1974 cars and pickups except for a few small cars.

Dealers here said sales were slow during the first part of the year, because no one knew how the fuel crisis was going to affect automobile buying. But when price increases were announced

Gene Pratt's Services Today

Hammons Funeral Home in charge of See PRATT, Page 4

GENE PRATT

services for C. E. "Gene" Pratt, longtime Littlefield resident, businessman and civic leader, who was killed on arrival at Littlefield on Sept. 13 at 9:30 a.m. Friday, Sept. 13, after an apparent heart attack. Services are scheduled for 2:30 p.m. at the Crescent Park Church of Christ.

Pratt was a native of Oklahoma and lived in Littlefield 30 years. He attended Littlefield schools and played football for the Wildcat football team while in school.

Pratt was the owner of Pratt's Jewelry and was a veteran of the Korean war. He was a member of the Lions Club, Littlefield Chamber of Commerce, Quarterback Club of Littlefield, and the Oklahoma University, the Littlefield Chamber of Commerce, and participated in numerous other civic activities.

Pratt was a member of the 9th Street Baptist Church. Services for the services today will be held at the McCormick, and burial will be in Littlefield Memorial Park with

Cold Weather Not What Cotton Farmers Ordered

Cold temperatures the past two weeks have put the damper on late crops.

Recent rains gave farmers hopes for a better than expected crops if the prolonged wet spell was followed by high temperatures.

But after two weeks of temperatures in the forties and fifties, farmers with late crops are looking down their noses again.

Thursday's and Friday's bone chilling lows followed an unprecedented high of 93 degrees Wednesday. The mercury slid 30 degrees in a matter of minutes after a cold front moved into the area, with a low of 63 Wednesday night.

C-C To Sponsor Cowboy Game Trip

It'll be the Dallas Cowboys hosting the St. Louis Cardinals Sunday, Nov. 3, and area residents can be there in person for the kickoff as a result of a special project of the Littlefield Chamber of Commerce and Agriculture.

The Chamber has chartered a bus, made arrangements to stay at a new luxury motel near the Dallas-Ft. Worth Airport and has tickets in hand for the Cowboy-Cardinal game Sunday afternoon.

Plans are to leave Saturday morning, Nov. 2, and leave Texas Stadium for Littlefield immediately after the game.

Total cost for the trip is \$47.50 per person which includes transportation to and from Irving, motel room Saturday night and the ticket to the game.

For reservations and further details, contact the Chamber of Commerce at 385-4451 or on the second floor of city hall.

Woodworking Class Slated For Adults

An adult woodworking class will begin Monday, Oct. 7 at Littlefield High School.

Persons interested are asked to meet Monday night, Sept. 23, at 7 p.m. in the woodworking shop.

Classes will meet each evening at 7 p.m. for 15 lessons, and a fee of \$25 will be charged per student.

For the 11 days from Labor Day through Friday, six days temperatures hovered in the forties for the low, five of those 11 days the lows were in the fifties and only one of the 11 days did the low move into the low sixties.

These temperatures practically insure cotton farmers of micronaire readings which will fall in the penalty zone, and virtually call a halt to the growing season.

Some corn crop damage was reported Thursday when winds were strong enough to blow some dry corn down in the northern and northeastern part of the county.

These are the official temperatures as recorded by the Pioneer Natural Gas Company in Littlefield for Sept. 2 through the 12th.

City Is Eligible For Subsidized Flood Insurance

Senator Lloyd Bentsen announced Friday morning from his office in Austin that Littlefield has become eligible for subsidized flood insurance from the Department of Housing and Urban Development.

The coverage begins Thursday, Sept. 19, and covers all structures used for residential, business, religious or agricultural purposes, and also covers structures owned by state and local governments and by non-profit organizations.

"Littlefield became qualified for this program", Bentsen said, "when it agreed to adopt land use and control measures that will minimize flood damage to future construction."

Local insurance agents may obtain policies and other information from the Home Insurance Co., 2100 Travis Street, Houston, Tex. 77000.

RAILROAD CROSSING gates at the U.S. 385 highway east of the Littlefield depot went into operation this week. The safety devices were installed following an uproar for additional safeguards following the train-bus accident last February that killed seven Littlefield students. The top photo was taken from atop a pole on the north side of the tracks. The lower photo was made just as an empty school bus was returning from its route. (Staff Photo)

Larry Florence To Teach At Univ. of Calif.

Larry Zack Florence, son of Mr. and Mrs. Willie Z. Florence of Littlefield, has recently been appointed as a teacher of Genetics at the University of California of Davis, near Sacramento.

He will assume duties there September 30. Florence and his wife, Susan, received their B. S. Degrees in 1967 from Texas Tech University; he with a degree in Agronomy, and she with a degree in Food and Nutrition. Soon after graduation they began a three-month training period in Molokai, Hawaii for the Peace Corps, being stationed later in

Western Samoa. While in Samoa, Florence reactivated a research station for tropical plants, and his wife taught English, Nutrition, and Child Development. Naturally, all of this had to be done on the level of the people there. Florence completed his work for a Master's Degree in Forestry Research at Stephen F. Austin State University at Nacogdoches this past spring. Upon graduation, he was awarded a three-month fellowship to the Institute of Forestry Genetics at Placerville, Calif., which he has just completed.

Mr. and Mrs. Willie Florence had the pleasure of having their son Larry, his wife Susan, and their five-year-old daughter Malae in their home this past weekend.

SOCIETY CALENDAR

WEDNESDAY, SEPT. 18
LITTLEFIELD Woman's Club will open its fall season with a luncheon at noon in the home of Mrs. Dewey Hulse. Speaker for the program will be Mrs. Robert N. Tippits of Denver City, first president of Texas Federation of Women's Clubs.

Terry-Carlisle Vows Read

MRS. BILL CARLISLE

Miss Lila Karol Terry became the bride of Bill Carlisle in a candlelight ceremony Friday night, Sept. 13, in the chapel of the First Baptist Church in Littlefield. Parents of the couple are Mr. and Mrs. John G. Terry of Littlefield and Mr. and Mrs. C. L. Carlisle of Lubbock.

The double-ring ceremony was performed by Bob Wear, minister of the Monahans Church of Christ at Monahans. Vows were exchanged before an altar decorated with an array of pink candles flocked with pink and white daisies, baby's breath and greenery. Spiral candelabras entwined with greenery flanked the array. Floral arrangements of daisies and greenery accented the piano and organ. A white memory candle, surrounded by daisies and baby's breath, completed the altar decorations.

The pews were marked with pink bows and greenery. The bride was escorted and given in marriage by her father, John G. Terry. She wore a traditional gown of white silk chiffon and peau-de-ange lace. The moulded empire bodice was fashioned with a high ring neckline, enhanced by appliques of the peau-de-ange, loose and long bishop sleeves that were caught at the wrist by a deep cuff, accented with lace. A scalloped banding of the lace marked the high rise waistline. The semi-circle, softly gathered skirt was cut to floor-length in front, tapering down to create a chapel-length train in back. It featured lines of applied lace from the bodice to the floor, with scattered appliques throughout.

Encircling the entire hemline of the skirt was a wide softly gathered ruffle edged with lace medallion.

Completing her ensemble was a manta of silk illusion, edged with lace medallions, which fell below her waistline. The manta was attached to a peau-de-ange covered profile cap, appliqued and edged with matching lace.

She carried white stephanotis, pink rosebuds, baby's breath and lift-off orchid corsage atop a white Bible.

Her attire was completed with the traditional "something blue", her blue satin garter; "something old", her mother's wedding pearls; "something new", her wedding gown; "something borrowed", her sister's Bible; and wore pennies in her shoe that were minted in the birth years of the couple.

Mrs. Dickie Bailey of Levelland served her sister as matron of honor. Bridesmaids were Shelly Grant of Lubbock, Becky Cook of Canyon, and the junior bridesmaid was Kim Terry of Littlefield.

The attendants wore identical pink and white checked eyelet embroidered gowns featuring puffed sleeves, scoop necklines, empire waistlines with accents of pink, ribbon forming bows at the back, and deep flounces at the hemline.

They wore pink, sheer, soft brimmed hats with matching pink ribbon trim, white short gloves and carried nosegays of pink and white daisies, baby's breath and greenery.

Barney Blair of Lubbock was best man. Groomsmen and ushers were Dewayne Goodson of Lubbock, Billy Gray of Lubbock and Dickie Bailey of Levelland.

Traditional wedding music was provided by Mrs. Raymond Sewell, organist, of Spade. Soloist was Alvis Jones of Littlefield, who sang, "Sunrise, Sunset", "Twelfth of Never", and "The Wedding Song."

Guests were registered in the bride's book by Laquinta Clark. Memory scrolls were distributed by Miss Valerie Moss and Miss Kayla Jones, both of Lubbock. Mrs. Terry, mother of the bride, chose a bright pink chiffon, floor-length gown featuring a softly gathered skirt, and long, full sheer sleeves.

Mrs. Carlisle, the groom's mother, wore a hot pink chiffon gown featuring an empire waistline, long sheer sleeves, and a cluster of pearls to enhance the bodice with a rolled collar.

Following the ceremony, a reception was held in the parlor of the First Baptist Church, with the new bride and groom greeting their friends and relatives.

Mrs. Jack Moss of Lubbock provided piano selections during the reception.

The traditional three-tiered white wedding cake was draped with side garlands and fleur de lis swags of icing and arrangements of pink daisies. The cake, punch, mints and sugared nuts were served to the guests from the bride's table by Miss Tonya Pickrell of Lubbock, Mrs. Ray Bradley of Levelland and Miss Mary Moffett of Amarillo. The bride's table was covered with a white satin and lace cloth. A silver punch bowl and appointments were used, and a centerpiece of pink daisies nestled at the base of a silver candelabra holding pink candles encircled by the bridal and attendants' bouquets completed the table decor.

The bride's costume was a beige dress, accented with her corsage ensemble. Mrs. Carlisle is a graduate of Littlefield School and attended Canyon, where she campus services, associated with Social Sorority.

The groom is a graduate of Monahans School, attended Texas Tech and was graduate of Matrix Computing employed by Carlisle Ford, and is a member of Littlefield Lions Club. The couple is at 825 S. Eastside Ave. in Littlefield.

Bridal Shower Honors Couple

A bridal shower in honor of Miss Karol Terry, bride-elect of Bill Carlisle, was given in the home of Mrs. Billy Tom Grant Tuesday evening, Sept. 10.

Special guests attending were Mrs. C. L. Carlisle, mother of the groom, Mrs. La Vaughn Fox, sister of the groom, Mrs. John G. Terry, mother of the bride, Mrs. Dickie Bailey, sister of the bride, and Mrs. Troy Moss, grandmother of the bride.

The serving table was laid with a white cloth edged in lace and centered with a pink

Miss Elizabeth Midland and Mrs. Godwin of Lubbock, the bride, served tiered chocolate and glazed nuts and groom's table. A brown cloth topped arrangement of pink and fresh gold accents by a blue chain and silver accents completed the table.

Those helping houseparty were Tom Grant, Mike Grant, Charles Kenneth Hank, Coleman and Betty all of Littlefield, Franks of Midland, Jimmy Young and Cook, both of Amarillo, Misses Denise Littlefield, Sherie Fox of Lubbock, rice bags to the guests.

The bride's costume was a beige dress, accented with her corsage ensemble. Mrs. Carlisle is a graduate of Littlefield School and attended Canyon, where she campus services, associated with Social Sorority.

The groom is a graduate of Monahans School, attended Texas Tech and was graduate of Matrix Computing employed by Carlisle Ford, and is a member of Littlefield Lions Club. The couple is at 825 S. Eastside Ave. in Littlefield.

Floral arrangements tapering candles on top. Assisting with responsibilities were Grant and Tonya both of Lubbock. The guests were Linnet of Sudan.

Hostesses for the occasion were Mrs. E. D. Bingham, Mrs. M. J. Cotten, Mrs. Dunlap, Billy Tom Grant, Gene Hanlin, Sr., Ken Largent, E. L. John McAnally, Schroeder, John and T. W. Mackey.

FFA Chapter Elects Officers

RULA—The Rula FFA Chapter recently met and elected a new slate of officers to serve this school term, 74-75.

This was the first year for the Rula chapter to have girls who desired to join with them.

The slate of officers are James Snitker, president;

Women Attend TFWC Meeting

Mrs. T. L. Dunlap and Mrs. D. C. Lindley of Littlefield attended the District Planning Session of the Texas Federation of Women's Clubs recently in Lubbock.

Mrs. Dunlap is Federation counselor. The Caprock District, with which the Littlefield Women's Club is affiliated, had the largest number of representatives of all districts in the state—172.

Primary emphasis in all districts was on yearbooks and the general operation of

the Federation. Theme of the District's presentation session was "Corner Freedom". According to Harold Green, president of Caprock District, collected 122 pages notebook paper and from those who did paper, for the Girlstown, U.S.A. In addition to state education fund for members of the district helping with their supplies.

WE E ONES grandparents are Mrs. W. C. McCaskey and V. Hill, all of Littlefield; maternal grandparent Mr. and Mrs. T. W. Littlefield and the great-grandparents Mr. and Mrs. J. C. Scott and Mr. and Mrs. Harding of Ballinger.

Miss Rodriguez To Study In Rome

Stella Rodriguez, daughter of Mr. and Mrs. Robert E. Rodriguez, will spend the fall semester at the University of Dallas campus in Rome, Italy.

The sophomore semester in Rome is an educational venture that provides the student with an opportunity to travel throughout Italy and all of Europe. It is an opportunity that broadens and enriches through intimate contact with the European culture, the student's view of the world and of himself.

Miss Rodriguez was named a Dallas Scholar and during her freshman year served as president of her dorm, was appointed to the University Inter-Dorm Council, the Freshman Council, and in addition, was treasurer of the Spanish Club, a tutor in the YMCA Tutor Program, and a member of the University's Chamber Ensemble which specializes in Baroque music.

Miss Rodriguez is the granddaughter of Mrs. Edd R. Hernandez of Littlefield.

Area Students Enrolled At LCC

Two Littlefield area residents have enrolled in Lubbock Christian College (LCC) for the fall semester 1974.

Dona Gail Davis, daughter of Mr. and Mrs. James Leroy Davis of Star Route 1 in Littlefield, has enrolled as a freshman liberal arts major.

Miss Davis is a 1974 graduate of Littlefield High School.

Len Lee Richey, son of Mr. and Mrs. Robert M. Richey of 809 Sunset in Littlefield, has enrolled as a freshman business administration major.

Richey is a 1974 graduate of Littlefield High School.

Lubbock Christian College, a fully accredited senior college offering liberal arts and pre-professional programs, has a student body of over 1100. Located on the west side of Lubbock, the College's main campus consists of fourteen modern, permanent buildings and a half-dozen temporary structures.

FULL GOSPEL BUSINESS MEN'S FELLOWSHIP INTERNATIONAL LITTLEFIELD, CHAPTER

INVITES EVERYONE TO ATTEND THE NEXT MEETING

FRIDAY, SEPTEMBER 20, 1974 AT 8:00 P.M.

LAMB COUNTY COMMUNITY CENTER

600 W 3RD STREET

LITTLEFIELD, TEXAS

GUEST SPEAKER, EARL K. MOORE, JR., INTERNATIONAL DIRECTOR FGBMFI, WILL SHARE WITH YOU WHAT GOD IS DOING IN OUR TIME.

MEN, WOMEN AND YOUTH OF ALL DENOMINATIONS INVITED TO ATTEND

OUR PURPOSE

The FGBMFI, by its very nature and dedication, is an international service arm of the entire church, serving all churches and can profit by having their men stirred and inspired for greater Christian service and enriched by Christian fellowship. Since is the nature of its activities and relationship to the church, the FGBMFI supports the church and encourages its members to active in their church affiliation and support. It is in no wise competitive with the church, local, denominational or universal, rather complements the effort of each. It seeks only the advancement of the Cause of Jesus Christ, having no ambition of own other than to promote the work of the Lord.

Muncy-Warren Vows Crowned Recently

Barbara June Muncy and Stephen Warren were crowned wedding vows in a ceremony held last night, Aug. 10, at the First Baptist Church, Littlefield.

The couple are Mrs. Clarence Muncy and Mr. and Mrs. Warren of Cumby. The reading of the vows was by Rev. Royce Burrows, guest minister of the First Baptist Church.

The ceremony was decorated with greenery and white flowers. The bride wore a gown of white silk with a long train and a full skirt. The groom wore a white suit with a red tie.

The wedding band was given in by her father, and the groom's mother chose a baby blue dress with black accessories. They both wore corsages of pink orchids.

Mrs. Tim Mabe, the groom's sister of Cumby, registered the guests.

A reception followed the ceremony in the fellowship hall of the church with Mrs. Mike Stewart of Lone Oak and Mrs. Rodney Warner of Irving presiding at the serving table.

The bride chose a white dress flocked with red strawberries, for her going away outfit. She wore red accessories and lifted her corsage from her bridal bouquet.

The couple will live in Dallas.

MR. AND MRS. JERYL STEPHEN WARREN

Tau Chi Chapter Conducts Meet

A regular meeting of the Tau Chi Chapter of Beta Sigma Phi was held Sept. 9 at the Reddy Room of the Southwestern Public Service Building. The meeting was called to order by President Judy Vaughn.

Plans were made to attend the Hayloft Dinner Theater with husbands as guests on Sept. 21.

The 1974 Sweetheart for Tau Chi Chapter was elected by secret ballot. Kay Kendall will

represent Tau Chi in the International Beta Sigma Phi Sweetheart contest.

Following the business meeting, Judy presented the program for the evening, with group participation, entitled "The Body Beautiful" from the program book of the year entitled "Beauty". Contrasting ancient and modern ideal forms and the relation of mental health to the beautiful body were discussed.

Hostesses, Kaye Kendall and Kyra Cox surprised Judy with a birthday cake and iced pineapple punch. Barbara Starnes presented Judy with a yellow rose plaque. Happiness gifts for each member from Kyra and Kaye were sachets.

Members present were Kaye Kendall, Pat Stubbs, Barbara Starnes, Kyra Cox, Pat Mott, and Judy Vaughn.

BEAUTY
that

surrounds the visitor to our home. This atmosphere of serenity in our environment is a source of inspiration to the bereaved.

HAMMONS FUNERAL HOME

Bula-Enochs Lions Club Honors Wives At Supper

LITTLEFIELD—The Bula-Enochs Lions Club honored their wives and friends Thursday evening, Sept. 5, with a supper in the Bula School lunchroom. Other special guests were the school faculty, cooks and custodians.

Lion James Sinclair, president, acted as emcee for the evening.

Invocation was given by Rev. Eddie Riley, pastor of the Bula Baptist Church, and welcome by Lion J. D. Cox. Introduction of all the school

personnel was made by Sinclair.

Following the meal, entertainment was provided by John McCormack with his puppet, Charlie who gave a ventriloquist act.

Suzanne Layton gave a talk on her recent trip sponsored by the Farm Bureau to a youth citizenship meeting. Several musical numbers were given by J. D. Rowland on the guitar, Mrs. George Tyson on the violin and Mrs. James Sinclair at the Piano.

Epsilon Delta Chapter Of DKG Meets Saturday

Epsilon Delta Chapter of Delta Kappa Gamma held its first meeting for the new year at 10 a.m. Saturday, Sept. 7, at the hospitality room of the Muleshoe State Bank.

The Muleshoe members hosted a brunch consisting of sausage rolls, olive rolls, coffee cake, melon balls, and coffee.

The president, Monarae Cummings of Springlake, was in charge of the meeting which followed. Carmalita Barnett of Olton gave an overview of the programs for the coming year. Nan Ellen Largent led the collect and Ruth Ford led the group in singing the Delta Kappa Gamma song.

Those attending from Littlefield were Addie Abernathy, Elizabeth Ayres, Audie Collins, Harriett Cummings, Sona Donnelly, Ruth Ford, Nettie Belle Hilbun, Gladys Houk, Nan Ellen Largent, Irene Lynn, and Edith Settle.

returned to Littlefield late Thursday and were supper guests of Mrs. Willie Rosson of Sudan. Mrs. James Iveys grandmother. Others present for supper were Lewis Ivey and Karen Hewitt of Littlefield, Mrs. Stella Freeman of Spade, Mr. and Mrs. Tommy Rosson and daughter of Hereford, Mrs. Rosson's daughter, Della and her husband, also of Hereford.

MR. AND MRS. James Ivey and Jason visited friends and relatives in Sudan, Whitharral, and Levelland Friday and attended the Springlake-Amherst football game Friday night with Mr. and Mrs. Ray Ivey of Amherst and the Tom Iveys of Littlefield. Their cousin, Curtis Ivey played on the Amherst team. They went on to Hereford Friday night and spent the night with Mr. and Mrs. Tommy Rosson, then left Saturday for Burlington, Colo. for a weekend with Mrs. Ivey's parents, Mr. and Mrs. Prevaud Wade and her two brothers before returning to their home in Englewood.

Mr., Mrs. Phil Adkins Honored On Anniversary

Mr. and Mrs. Phil Adkins were honored with Open House on their 50th wedding Anniversary, by their children and grandchildren, Sept. 7th, in the home of their daughter, Mrs. Mary Herring, 905 W. 12th.

The hosts were: Mrs. Herring; Mr. and Mrs. Tommy Adkins; Breck and Becky from Conroe; Johnny Adkins, San Antonio; Mrs. Joy Ann Jenkins, Diana and Kelly of Albuquerque, N.M.; Mrs. Vonda Lee Jones and Ladena, Brownwood; Mr. and Mrs. T. J. Reed and Tammy of Littlefield; and Miss Chris Herring, Lubbock.

Other grandchildren and great-grandchildren attending were Mr. and Mrs. Wesley Herring and Thor of Littlefield.

Lola Cox and Phil Adkins were married in The First Baptist Church in Lubbock, Sept. 7, 1924.

They have lived in Littlefield since July 1935, with the exception of two years in Oklahoma and a year in Southern California. Most of their married life has been spent in Lubbock or the Lubbock area.

They were in the produce business from 1935-1951 and have been in the service station business since 1955.

Decorations for the house were gold and brown flowers and gold candles. The table was laid with a gold and beige lace cloth, with a centerpiece of gold and brown roses in a gold vase with gold candles and holders on each side.

A large white cake decorated with gold lettering and wedding bells was served with fruit punch and coffee.

Mac Orsborn To Design Reactor Fuel Elements

Edward Mac Orsborn, son of Mr. and Mrs. L. M. Orsborn of Littlefield, has recently been assigned to the Westinghouse Nuclear Reactor System in Pittsburgh, Pa.

Mr. Orsborn's responsibility will be the design standardization of fuel elements used in reactors which produce electricity.

For the last two years he has been enrolled in the Graduate School of the University of Tennessee at Arlington, where he

has been employed as a teacher and research assistant. While at the University he was engaged in material research and hopes to have a masters degree conferred later this year in material science.

Mac is a 1961 graduate of Littlefield High School, graduated from Texas Tech in 1966 and has two years in the Army and worked for three years for General Dynamics.

is believed to be unlucky to make a gift of ivy, which is thought to break up friendships.

... WILDCATS

Continued From Page 1

forced the Lobos to try a field goal on a 17 and 11 situation. The kick was no good and before a guy could say "the mosquitos aren't as bad as last week", Turner took the handoff from Parmer on the 20 yard line and there was no doubt where this young man was headed as he crossed the goal line ahead of everybody to give the Cats the first score of the game with 10:52 left in the third quarter. Turner's PAT was good and that was the way the game went along until 8:12 was left in the game and then Lobo QB Bobby Smith unloaded a bomb to end Marty Estes for a 52 yard scoring pass. The PAT tied the score at 7-7.

And now...the final three minutes. Levelland received the ball after a Littlefield punt and started their drive on their own 42 yard line. After runs of 3, 15, 7, and 27 yards, the Lobos had it first

and goal to go on the Cat five yard line. The tough Cat defense dropped Richardson for no gain in the first play and then dropped Mike Govan for a nine yard loss on the second play and this set up a third down and fourteen yards to go for the Lobo score. Richardson was again dropped for a loss back to the Levelland 19 yard line.

Levelland lined up in field goal position and the kick was off to the right and went out of bounds on the Wildcat five yard line with 1:04 remaining in the game.

Turner picked up four yards on the first play to move the ball out to the nine. A running play picked up one more yard and with less than a minute left, Levelland intercepted a Parmer pass on the Littlefield 38 yard line.

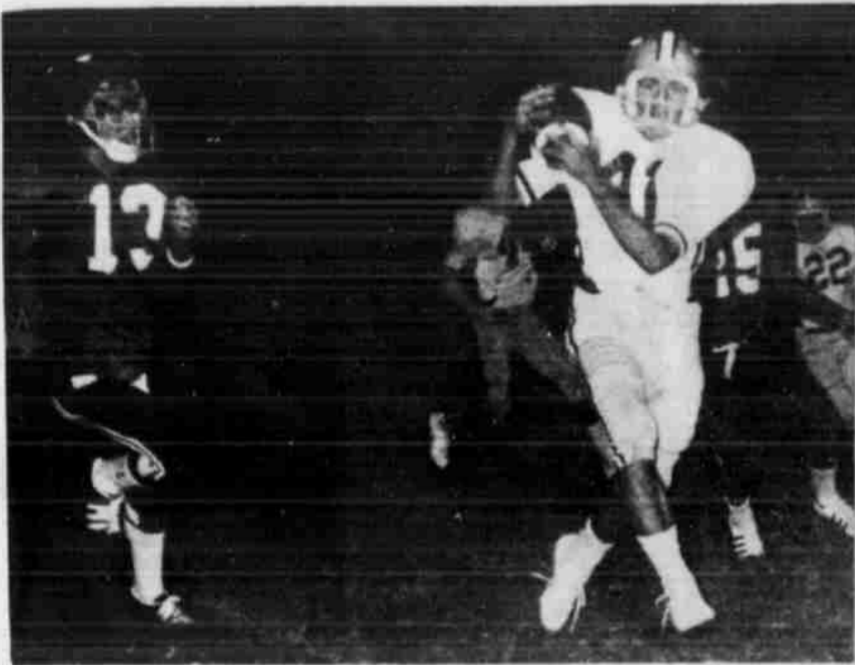

A Lobo pass fell incomplete and Levelland gave Littlefield one more chance as they fumbled with 24 seconds left.

The Cats were unable to move the ball on two running plays and the game ended as it had started...tied!

If there is such a thing as a moral victory, Littlefield was certainly the winner as their play certainly overshadowed that of their Class AAA opponents.

Turner continues to lead all runners as he amassed 302 yards on 34 attempts to give him 368 yards gained in the Cat's two games on 70 attempts for a 5.25 average. Rick Hopping in his first starting role at fullback had 33 yards on 11 carries and Sammy Schlotzman picked up 10 yards on 3 runs.

Next week the Cats host Slaton at Wildcat Stadium.

STANLEY PATTERSON INTERCEPTED a Levelland Lobo pass in the second quarter Friday night and returned it to the Lobo 38 yard line to put the Cats in good field position. The Cats were unable to score however and

Cats Season		Opp Season	
32	111	43	88

6/158 9/281 Punts and Yards			
		5/199	11/368
1/70 8/70 Penalty and Yards			
		5/45	9/85
0	2	2	2

the first half ended shortly thereafter with the score tied 0-0. Final score of the game was Littlefield 7, Levelland 7.

(Staff Photo by Bill Mott)

SUDAN 26

ANTON 0
The Sudan Hornets stung the Anton Bulldogs 26-0 here Friday night in a district game for both teams.

Sudan began just three minutes into the game with Kyle Martin, halfback, scoring from two yards out on a dive play. His kick was good.

At the start of the second quarter, Danny Williams, fullback, went up the middle for a 29-yard run and the score. The kick failed, leaving the score at 13-0 at the half.

The third quarter finished out the scoring for the night with the Hornets reaching six-digit twice.

Three minutes into the half, Richard Pamplin, halfback, ran 11 yards up the middle and Jerry Williams kicked the point after.

Five minutes later, Pamplin scored again on a one-yard dive play with the kick missing its mark.

Sudan amassed 395 yards rushing with Martin gaining 115 yards and Williams going 108.

Sudan leveled its record at 1-1, while Anton dropped to 0-2.

THERE'S STRENGTH in numbers, and Anton Bulldogs get together with Trinidad Rendon (33) to help him move the ball through a swarm of Sudan Hornets Friday night in Hornet Stadium, but the Hornets kept them scoreless. The Hornets won 26-0. Bulldogs aiding the advance are Ronnie Peacock (29), Zane Bufler (10), Timmy Belcher (20) and Sammy Peacock (84). (Staff Photo by Joella Lovvorn)

PLAINS 6

SPRINGLAKE-EARTH 0
After more than three and one-half quarters of scoreless football, the Plains Cowboys scored a touchdown midway in the final frame to win their first game of the season here Friday night against Springlake-Earth 6-0.

Following an intercepted pass, the Cowboys' Ceth Lewis rambled 20 yards for the game's only score. Lewis was the top rusher in the tilt, garnering 88 yards during the defensive battle.

OLTON 28

MULESHOE 8
Two blockbuster first-quarter plays propelled the undefeated Olton Mustangs to a 9-0 win over the winless Muleshoe Mules here Friday night. And Mustang tailback Olton Johnson made them both

Johnson scored on jaunts of 14 and 58 yards in the opening stanza, then added a 1-yard plunge in the second period to lead the winners to a 22-0 halftime advantage.

Johnson, who led all rushers with 166 yards on 15 carries, came back in the third period to toss a 44-yard pass to little brother David to give the Mustangs a commanding 28-0 lead.

Muleshoe scored a TD in the fourth quarter when tailback Hector Posado raced 31 yards to score and Steve Reed backed on the two-point conversion.

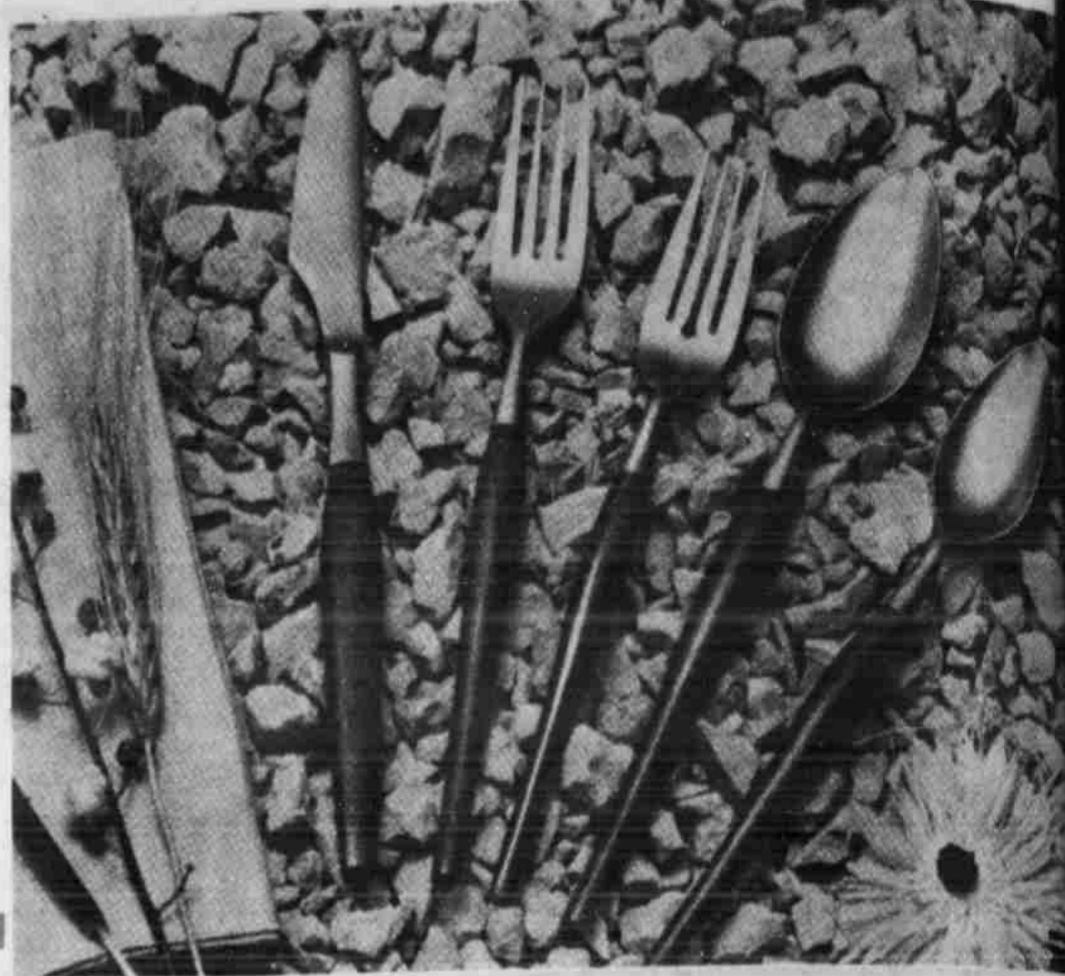

The win gave the Mustangs a 3-0 mark on the early season, while Muleshoe fell to 0-2.

CURTIS IVEY (30) ran 13 yards in a carry for the Amherst Bulldogs Friday night in Bulldog Stadium against the Meadow Broncos. Richard Holly made Amherst's only points when he ran across the goal line for a touchdown in the third quarter. The Broncos won 26 to 6. Coming to Ivey's aid is Frankie Williams (11). (Staff Photo by Joella Lovvorn)

SUDAN HORNET Halfback Kyle Martin (21) gained 115 yards during Friday night's game with the Anton Bulldogs in Hornet Stadium, and aided his team in stinging the Bulldogs 26-0 in a district game for both teams. Shown on the ground is Lonnie Williams (62) after he threw a block for him while an unidentified Hornet delivers a blow to Anton's Greg Couch (81) to slow the action. Hornets Mitch Chester (11) and Craig Harper (64) watch the action. The Hornets won, 26-0. (Staff Photo by Joella Lovvorn)

JUSTICES of the peace from Region X were among more than 73 judges who participated in a 20-hour basic Texas Justice of the Peace Training Center seminar Sept. 3-6 in Amarillo. Judges participating included (front row, left to right) E. T. "Ted" Borum of Precinct 2, Earth, Lamb County; Judge Stanley Doss of Precinct 4, Littlefield, Lamb County; Judge Elzie R. Immel of Precinct 4, Higgins, Lamb County; (back row, left to right) Judge W. T. Vereen of Precinct 4, Place 5, Lamb County and Judge W. G. Finney of Precinct 1, Place 1, Olton, Lamb County. (Seminar Photo)

Texas TOPS No. 102 met in the dining room of Medical Arts Hospital Tuesday night for their regular meeting with 13 members present.

The meeting was called to order by Juanita White. Trudy Bryant called the roll and the minutes were read and approved.

One former member was welcomed back after a long absence.

The meeting will be held on Monday night next week, Sept. 16.

A new treasurer was elected during the business meeting, Violet Holly.

The date set for the Anniversary supper was Nov. 14.

Allene Dirickson read an article "The Secret of Dieting."

Violet Holly was queen for the week and Norma Holtcamp was runner-up.

Secret pal cards and gifts were distributed and the meeting was dismissed.

Methodists Celebrate Anniversary

The Fiftieth Anniversary of the First Methodist Church was celebrated Sunday, Sept. 8.

The charter members W. T. Weaver Sr. (Harmon) and Robert Kress attended. Mr. Charlie Harmon did not attend due to poor health.

Other pastors, Rev. E. R. Ralls, Rev. Patterson of Roscoe, Rev. Roy Baker of Sudan, George Butler of Littlefield and the Rev. Davis of Abilene and their wives attended.

Egger, district superintendent of Abilene

district, delivered the sermon. District Superintendent, Rev. Carlton Thompson of Plainview gave the invocation.

The pastor of the church, Rev. Hazel House, presided and introduced the program. She thanked those for the floral offerings and all those on committees who had planned and worked to make the day a success.

Alvin Messamore directed the songs.

Mrs. Jomeryl Harmon was pianist and Mrs. Larry Edwards accompanied the children's choir and other numbers throughout the day. Mrs. Kyla Harmon sang "God

Walks with Me" and Rev. George Butler read the Scripture for the sermon. All guests were invited to the covered-dish meal in fellowship hall and many accepted.

Rev. James Patterson gave the prayer of thanksgiving for the meal.

In the afternoon session, former pastors and charter members were recognized by Rev. House, Mrs. Egger and Mrs. Mat Nix Jr. of Sudan sang solos.

This special day had been looked forward to by members of the church and was enjoyed by all members and the guests attending.

Operation Peace Of Mind Termed Success In Texas

Operation Peace of Mind, the Houston-based telephone hotline for runaway children, was the topic of intense discussion at Tampa, Fla. Aug. 28 and 29.

Representatives of 26 governors were on hand to

examine ways their states could be linked with the 24-hour service.

It was explained that the hotline was begun by Governor Dolph Briscoe a year ago because of the grisly discovery of the bodies of 27

young men in the Houston area. Hundreds of concerned parents from all over the United States were calling Houston to see if one of their corpses was that of their runaway child. Originally, the operation's costs were defrayed by private contributions with a recent assist by a Criminal Justice Division grant of \$21,000.

Governor Briscoe opened the volunteer staffed service with the idea that if runaways called and their message that they were alive and well was relayed to their parents, then they indeed would have that wanted peace of mind. At that time, no one dreamed how the idea would grow and develop to the status it has received throughout the country.

Over 4,000 runaways from 47 states have called Peace of Mind since last September to let someone they care about know that they are safe. Many

calls have resulted in the runaways voluntarily returning to their homes and families.

The national impetus of the service began to grow when the Florida legislature, in an unprecedented action, appropriated \$20,000 in funds to publicize the Texas hotline number throughout that recreation state, which ranks high in runaways.

Governor Dolph Briscoe observed, "The extraordinary thing about Operation Peace of Mind is that it not only meets a Texas need to help runaway children, but touches every state and every parent's heart whose child is away from home."

Because of the increasing interest on the project from other states, Governor Briscoe and Florida Governor Reubin Askew jointly initiated the Tampa conference to discuss various methods of publicizing the hotline number in all other states to help as many children as possible.

Grace Surguy, director of POM, said "the reason Peace of Mind works is that all calls are confidential. We only relay the message runaways want relayed—no more and no less."

"The runaway calls us on a toll-free number that is not traced and asks us to call someone to say they are okay. They generally call back later to see if there was any reply to their message," she added.

"Most runaways are afraid to call their parents, directly, fearful that they might be rejected. It's a big decision for them to make that first

telephone call," she continued.

"One of the most rewarding aspects of Peace of Mind is that the runaways call to us and the reply from the parents that the child is loved and wanted back home often makes the two contact each other directly and work out a reconciliation based on love and better understanding," Mrs. Surguy concluded.

The conference delegates have returned to their governor's with the details of how to best help the runaway children of America. Most have indicated an immediate willingness to begin implementation of publicity throughout their state of the Peace of Mind hotline number.

With the expected increase

Thoughts

From The Living Bible

Just think! Though I did nothing to deserve it, and though I am the most useless Christian there is, yet I was the one chosen for this special joy of telling the Gentiles the Glad News of the endless treasures available to them in Christ; and to explain to everyone that God is the Savior of the Gentiles too, just as he who made all things had secretly planned from the very beginning.

Ephesians 3:8-11

John C. White, Commissioner

Hay Front Better ... Pastures Growing ... Farmers Recall 1971

THERE'S GOOD news on the hay front, including rains that might have delayed harvest of some crops, rains will help hay meadows. The U.S. Department of Agriculture reports that imports of baling twine is up, domestic production of sisal and of plastic twine increased. Additionally, more jumbo balers are being used to harvest hay, and they require less twine per ton of hay. Further, early tests on the use of aluminum in baling are encouraging, and more tests will be made. Plans for tests were made at a meeting in the offices of the Texas Department of Agriculture which has been concerned some time about the shortage of baling wire and twine. Field tests of aluminum wire showed that it could be used in baling machines, but the wire broke at places where it was made when the bale was handled. On the bad side, the price of baling twine is high, around \$25 per ton compared to around \$9 in 1973, according to USDA. Meanwhile, rains have improved pasture grasses over much of Texas and cattle have a good chance to go into winter in good condition.

Mahon Reports Battle Looming In Congress

Representative George Mahon reports that a battle is looming in Congress and in the Administration over the issue of export controls on farm crops.

He expressed firm opposition to the imposition of such controls. Mahon advises that a number of Members of Congress from non-farm areas are advocating export controls, pointing out that last week there was a vote in the House on an amendment to the Export Administration Act which would have tended to encourage the imposition of export controls on farm commodities.

The amendment was defeated; but Mahon predicts that the proposal is just the

beginning of what promises to be a continuing struggle over this issue.

Mahon stated that the imposition of export controls on farm crops would be a serious blow to farmers already severely pinched by the cost-price squeeze. He said, "The clamor for export controls is the result of the August 12 estimate by the USDA that the production of corn for 1974 will be 12 percent less than last year and that milo production will be 34 percent below last year's figure."

"I think that tampering with export controls is not the answer to the problem. The emphasis must be on more and more production to meet domestic and world needs. If a

drastic situation develops at a later date, that would be the time to consider limited action to protect specific domestic needs."

Mahon emphasized that the imposition of export controls on farm crops would not only be a serious setback to farmers, sharply reducing income, but would tend to reduce the incentive to produce and make it more difficult for farmers to finance farming operations. He agreed that the feeders of poultry and livestock would have to take into account increased feed costs in pricing their production. "However, in the long run," he said, "the imposition of export controls would mean less production

by farmers and higher costs to the consumer."

Mahon believes that the encouragement of greater production is the proper policy for the government to follow.

The Congressman made reference to the vital role of agriculture in supporting stability of the dollar at home and abroad, pointing out that last year would have been a disastrous year for the United States in international trade had it not been for the export of \$19 billion worth of farm commodities.

Trying to lose weight? Start eating six mini-meals a day rather than the traditional three

BULA NEWS

COMPANY for the Gene Bryans Thursday and Thursday night were Mr. and Mrs. Bill Townsend and her brother, Chester Burton from Big Spring.

MR. AND MRS. John Latham attended the Junior Rodeo Sunday afternoon at Post. Their grandsons, Cliff and Chris DeSautell from Stanton, were participants.

RECENT COMPANY for the Gene Pickards and boys were his sister and family, Mr. and Mrs. Jackie Luden and son Ronnie, from Anchorage, Alaska. They visited with relatives in the area for two weeks.

MR. AND MRS. C. L. Cannon drove to Lubbock, Saturday and spent the day with their daughter, Mr. and Mrs. R. E. Martin. They enjoyed seeing slides that their granddaughter, Beverley Martin, had made of her recent stay in Mexico.

MR. AND MRS. John Blackman spent Saturday with their daughter, the Dudley Cash family at Portales.

THE WMU will be meeting each day this week for their

Annie Armstrong State Mission Week of Prayer. Mrs. Richardson is in charge of these meetings.

MRS. JAMES COUDER and boys Steve and Jay from El Paso were guests of her parents, the C. A. Williams, over the weekend.

MRS. GLEN GASTON spent the weekend with her sister and family, the Ray Kennisons at Olton. She is leaving this Friday for her home near Chicago, Ill. She has been staying with her parents the Rogards for several weeks while recuperating from recent surgery.

MR. AND MRS. TRAVIS

Webb of Hobbs were dinner guests Tuesday with the J. L. Lathams. They drove up to be with his father, Lester Webb who had undergone hip surgery at the University Hospital at Lubbock.

MR. AND MRS. V. C. Weaver have been transferred from St. Mary's Hospital at Lubbock, to Quaker Manor Home on 74th and Quaker in Lubbock. They would appreciate hearing from their many friends.

MR. AND MRS. James Fine of Levelland were supper guests Tuesday evening with friends the J. D. Rowlands.

ATTENDING the Texas Farmers Union District 21 meeting in Lubbock Monday evening at Furr's Cafeteria, were Mr. and Mrs. Cecil Jones and Mr. and Mrs. John Hubbard.

STATE CAPITAL Highlights AND Sidelights
by Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN—Rep. Bill Clayton, moving fast to roundup votes over the Labor Day weekend, staked claim last week to more than 100 votes in the House Speaker's race.

With 76 the minimum needed to win, Clayton, a 45-year-old farmer and rancher from Springlake (population about 300) in Lamb County, indeed, appeared to have the speaker's job raked up.

But Rep. Carl Parker, 40, of Port Arthur refused to concede defeat.

Rep. Fred Head of Athens set the stage for Clayton's apparent victory by withdrawing from the contest and throwing 15 votes to the West Texan.

While Parker was still checking the pledge cards, Rep. Jim Nugent of Kerrville also withdrew and announced — along with 14 others — he would back Clayton.

Then, Rep. David Finney of Fort Worth released his five remaining backers to do as they pleased.

Parker claimed the Clayton coalition — which includes staunch conservatives, staunch liberals and down-the-middle moderates — is hastily and insecurely glued together.

He said he still hopes to shake it apart by emphasizing to liberals his own voting record, particularly on House reform, minority, labor, consumer and ecology legislation.

Most legislators appeared to agree with Clayton that: "For all intents and purposes, the ballgame is over."

CRC TO MEET—The 37-member Texas Constitutional Revision Commission plans an October 4 meeting here to

take a look at possible future means of getting a new state constitution.

The January-July Constitutional Convention, with the legislature sitting as delegates, ended in failure. CRC recommended a revision draft to the convention which has drawn wide praise as a sound document.

The blue ribbon commission, which conducted a 10-month study in 1973, is now officially disbanded and must make the trip to Austin at members own expense. Many have proposed that the legislature take the CRC revision draft and other recommendations and try next year to come up with a document which can be submitted to voters.

TYC OVERHAUL ORDERED—U. S. District Judge William Wayne Justice in a 200-page opinion issued in Sherman ordered massive changes in operations of the state agency dealing with youth offenders.

Justice directed that Gatesville State School for Boys and Mountain View maximum security unit near Gatesville must be "phased out" as quickly as possible. He cited records of cruelty to youthful inmates there.

Texas Youth Council members voted to appeal the order because it did not "take into account improvements (during) the past year."

TAX CUT TALKED—Both Governor Dolph Briscoe and Lieutenant Governor Bill Hobby have suggested sales tax rate cuts next year.

Briscoe called for elimination of the four per cent tax on utility bills.

Hobby, in a speech here, said he thinks the projected \$1.5 billion general revenue surplus will lead legislators to consider "very seriously" lowering the state sales levy in 1975.

Briscoe's proposal would take an \$80 million annual load off utility bills.

AG OPINIONS—A law prohibiting membership in labor unions with the right to strike is unconstitutional, Atty. Gen. John Hill held.

In other recent opinions, Hill concluded:

• A justice of the peace may not delegate to any employee exercise of his constitutional or statutory judicial powers.

• Records of State Bar Grievance Committee proceedings are not subject to mandatory public disclosure under the open records act.

• The Workmen's Compensation Second Injury Fund may be deposited in an interest-bearing account.

• Wages must be paid at least semi-monthly and within 15 days after the day earned.

• Certain medical records of county hospitals may be protected from forced disclosure.

BOOK HEARINGS ON—More than a dozen individuals and groups this week presented 484 objections to public school textbooks submitted for state adoption in 1975.

The three-day September hearings — airing objections and answers of publishers — are the first step in the annual adoption process. The State Board of Education will have the final say when it votes on the books November 9. The board will also hold a special public hearing here November 8 to hear objections to specific books and any claims of misconduct or procedural irregularities.

POPULATION BOOMING—Texas population is growing by 30,000 a year due to migrations from other states, and nearly 250,000 new baby Texans are born annually.

But the most important factor in growth and decline of cities, according to a new report by Robert I. Ryan, editor of Texas Business Review at The University of Texas, is not birth rates but job opportunities or lack of them. One hundred and eighty-five of the 254 counties actually lost population through migration in the last decade. The Negro population increased during the sixties at a 55 per cent higher rate than the white population.

STATE JOBS TO INCREASE—State employment will increase substantially during the next half dozen years, according to Texas Research League.

The League, a privately-supported research group, predicted non-educational employees will increase from 58,700 to between 78,000 and 95,000 by the fiscal year 1980. The average cost per employee is estimated by TRL to increase from \$9,174 (a 1972 figure) to more than \$12,000.

SHORT SNORTS
September 16-21 has been designated Voter Registration Week.

Senator Jim Wallace of Houston served as governor-for-a-day Saturday. Senator Peyton McKnight of Tyler was honored Monday at special "McKnight Day" ceremonies in Tyler.

Secretary of State Mark White Jr. certified the general election ballot — without the Socialist Workers Party candidates.

Ten employees of the State Department of Labor and Standards were dismissed. The son of AFL-CIO President Harry Hubbard was promoted to the \$16,000-a-year job of one of those sacked.

Lone Star Gas Company is asking Texas Railroad Commission to approve an 8.6 cent per thousand cubic feet rate increase.

State cigarette tax revenues declined more than a million from August 1973 to August 1974 — from \$24.7 million to \$23.7 million.

BRIGHT STAR IN THE GALAXY OF ELECTRIC HEAT

THE HEAT PUMP

ENERGY EFFICIENT...

We call the heat pump a "Bright Star" because although the idea has been around for some time now... there's a lot more interest in saving energy than ever before... people want to save energy, but they don't have to give up their comfort. With the heat pump, you don't have to give up anything. The heat pump makes wise use of energy because it uses otherwise wasted heat and electricity to heat and cool your home. Electric heat, in any form, is a wise use of precious energy and the heat pump is today's star of the system... more than 100% efficient at the point of use — actually provides more energy than it uses. Call us this week for a free electric heat cost survey of your home... and ask about the heat pump!

RULES

OF THE CONTEST:

All you have to do to be eligible for the weekly cash prizes is to complete the form below and place (or mail) it in the designated box at the Leader-News office. It is the contestant's responsibility to see that the form has been placed in the entry box and the Leader-News assumes no responsibility for blanks lost, or delayed in the mails.

One game is listed in each advertisement. Pick the winner and insert the name of that team in the OFFICIAL ENTRY BLANK below. Then in the "Tie Breaker" section, put the scores you believe each of the teams will make. Weekly judging will be based on the total number guessed correctly. In case of a tie, the tie-breaker will be used to determine the top winners. Decision of the Leader-News scoring judges will be final.

To be eligible for the 2 free tickets to the New Year's Game at the COTTON BOWL, the total number of correct guesses will be totaled through the season.

LIMIT—One entry per contestant per week.

BE SURE to complete the forms by PRINTING plainly your name and complete address and turning in the entry blank only. Contest winners will be announced in each Thursday's issue of the Leader-News.
