

AREA VOTES

Area city and school elections were in progress at press time Saturday, and results will be published in Thursday's edition of the Leader-News. Littlefield's city election will be conducted Tuesday, April 6, in the City Hall.

Council Buys Police Cars

City councilmen accepted the low net bid of \$2,780 for two police patrol cars Monday night during their regular meeting. The bid was submitted by Garland Company, and the cars will be delivered within 40 to 60 days. Chevrolet and Mitchell Ford also submitted bids on the two cars. Councilmen heard representatives from different cable television companies, explained their plans for installing the service in Littlefield is a franchise was presented by Diversified Communications Investors, Inc. of Lubbock, Boyle Justice, A. C. Stone and Joe Bryant. Presenting Commco, Inc. of Austin, Lloyd Coberly and Jake Landrum of

Councilmen decided to have City Attorney Pat Bradley and City Attorney Sansom look into the matter and report their findings at the April 15 meeting.

Other matters of new business, councilmen authorized the city manager to submit a bid for a janitor for city hall. Councilmen discussed and granted a request of the Department of Public Safety for acquisition of the City Hall as a public shelter.

Councilmen decided to consider names of candidates for appointment to the City Taxation Board. Members of the 1970 board were Roy Wade, Stanley Doss, Chisholm and Charles Duval. Councilmen decided to add two fire hydrants to the Cole addition of the city, for better fire protection to that area. Councilmen considered and granted the request of a citizen for reduced partial payment on delinquent taxes.

WATHER GROUP MEETS TUESDAY

Meeting of the Weather Association is 8 p.m. Tuesday night in the Littlefield Community Center. The meeting is for citizens who are interested in the anti-hail program or efforts to prevent hail by seeding clouds.

MRS. L. L. DUNN of Littlefield is one of many Lamb County Social Security beneficiaries who did not find raises in their checks Saturday. Residents will have to wait until June 3 to find a check with the raises included, and later the same month, will receive another with the retroactive increase due from January through April.

Pension Increases Coming In June

Social Security beneficiaries in Lamb County did not receive the 10 percent raise in their checks Saturday, April 3, according to John G. Hutton, district manager of the Social Security office at Lubbock.

Hutton explained that it will be June 3

this year before monthly checks will have the raise reflected in them.

Hutton said the benefit increase will be retroactive to January 1, 1971.

In June, all beneficiaries will expect two social Security checks. The regular check on June 3 will have the 10 percent raise in it. Later in June, a separate check will be issued, covering the retroactive increase due for the months of January through April.

Those receiving special age 72 benefits will receive their raises in the same way.

Hutton also stated that the increase in benefits is automatic. No one need call or come by the Social Security office to get these increases.

thousand for the next 20,000; and 30 cents per thousand for all over 45,000 gallons. The six-months program goes into effect with the April water billing and will continue through the September billing. Cards explaining the summer water rate are now in the mail to all city water customers, and those desiring the rates must sign the card and return it before the rates go into effect.

City Manager Pat Bradley states that the rate is non-cancellable and once a customer signs up for the program, he must continue with it the entire six months.

The box below describes how the consumer could save if he uses more than 15,000 gallons of water—but any less would be costly to him.

Dry Year Continues, More Seen For April

One of Lamb County's driest years in history is being followed by predictions of an even drier year for 1971, especially if the little over one-half inch moisture for the first three months is any indication of what's in store.

Moisture here thus far this year was .40 on February 20th and .15 of an inch on March 2.

This unusually dry winter follows only 10.61 inches of moisture recorded in Littlefield for 1970.

Add to this persistent westerly and southwesterly winds that have whipped up more than a average number of dust storms,

and the picture is pretty gloomy for area farmers and ranchers.

After the last bad dust storm one farmer quipped that all he had left of his farm were the mineral rights. Other farmers claim that the ducks on their farm are carrying their own water bags and the frogs they've seen this year have canteens.

A sense of humor helps, considering the April forecast calls for higher than usual temperatures and less than normal rainfall.

Irrigation motors are humming all over the area with farmers applying pre-plant moisture to dry fields.

Moisture is all but non-existent in dryland areas.

Records show that Lamb County's average rainfall over the past 60 years is 18.85.

Farmers began last year's crop with a good underground season after 25.21 inches of rainfall in 1969. But the first month when more than two inches of precipitation was recorded in 1970 was September, too late for most growing crops. Few cover crops were planted last fall due to the lack of moisture, and this is one of the reasons for worse than usual sandstorms this spring.

Many early settlers compared March sandstorms to dustbowl days of the 1930's. A check of the total rainfall for Lamb County shows that less moisture was received here during 1970 than any of the years since 1933 and 1934, when 10.31 and 9.27 fell.

Prior dry years were 1927 with 9.59 inches, 1924 with 9.45 inches and 1917 with 8.73 inches of moisture recorded.

If it is any consolation, Lamb County and the High Plains aren't the only areas needing rain. The entire state is well below average rainfall, and it is estimated that two million acres of Texas land has sustained wind erosion damage this year.

In any case, the beginning of the year fails to indicate the total precipitation picture for the year to come.

May and June have been the months for this county to receive its largest rains, and a marked increase in shower activity during late spring can be expected according to the 60-year rainfall record. Severe weather can also be looked for along with the thundershowers. By this time most farmers are willing to take the bad along with the good, if there is enough rain.

ASCS Certifies Cotton Count

Lamb County ASCS Manager Lamar Aten said all farmers in Lamb County finished certifying this week, allowing the office to make its official 1970 bale count.

County farmers produced 59,476,894 net pounds after poundage for bagging and ties was subtracted. This lint came off 160,603 acres. Figuring 500-pound net bales, this is 118,953 bales.

"That's 370 pounds of cotton per acre," Aten said, "and that's not very good."

Aten said about 85 per cent of all farms in the county had to be adjusted this year because of the weather situation. "And it certainly lowered the payment rate," he added.

Farmers who plan to participate in one or more of the 1971 set-aside programs have only until Friday, April 9 at 5 p.m. to get signed up in order to be eligible for program benefits in the wheat, cotton or feed grain programs.

Through closing time Friday, about 2,100 county farms had been signed up, and it is estimated about 400 more will be signed up before the deadline.

All wheat acreages should be reported on all farms having a wheat allotment. These allotments must be reported to the ASCS office by May 1 to certify. This holds whether the farm is participating in the wheat program or not. There are about 6,000 acres of wheat in Lamb County, but because of the weather much of this will probably be destroyed and planted to grain sorghum.

Another date farmers are reminded to remember is May 3, the final date for transferring cotton acreage in Lamb County.

400 Members Sought For Lamb Water, Inc.

Plans were outlined for a membership drive at a meeting of the Lamb County Unit of Water, Incorporated Tuesday night, and a goal of 400 county members was set.

Water, Inc. is the vehicle that will import water from the Mississippi River and other places to Texas for irrigation, industrial use, city consumption, recreation and other purposes.

"It's a most urgent need to get 400 members in Lamb County to show the rest of the state that this county is interested in transporting water here," Charlie Duval, county membership chairman said.

"This water plan is ready to be grasped," he continued, "that's why I'm so enthused about it. Feasibility studies show it's possible; and Mississippi Water Authority engineers say there's enough water there to bring it across Texas and not hurt anyone."

Committee members for the drive include Benny Harmon, Franklin Lane, Warren Dayton, Charles Hinds, Alvin

Messamore, Percy Parsons, Elroy Wisian, James Döke, Jerry Kelly and George Stewart.

Minimum dues of \$25 are sought from all county farmers and businessmen. Persons not contacted can see membership committee members in their community or contact Warren Dayton at the Southwestern Public Service Building or Roy Howell at Pioneer Natural Gas in Littlefield.

The Texas Water Plan for importation of water is for the benefit of all Texans. Studies show that the plan could be implemented by 1973. If this becomes a reality, Bull Lake west of Littlefield will be one of the storage sites and would contain three times as much water as is in Lake Meredith.

Lamb County Water, Inc. officers are Alvin Messamore, president; Delbert Ross, vice president; Paul Carmickle, secretary-treasurer; and Duval, membership chairman.

Family Moonlights With Newspaper Job

By NILAH RODGERS
Leader-News Staff Writer

The family that does moonlighting together has more money for playing.

Claud Pope is a field foreman for Amco Production Company, and has been employed by the oil company 20 years. But for the last 15 years he has been oiling the family resources by moonlighting as circulation manager for this newspaper, and the extra money goes for things the Popes feel they couldn't afford if it wasn't for the additional income.

Pope calls his newspaper pay "running around money." The Popes like to boat and ski, and their moonlighting has paid for a boat, motor and camping trailer. "Over the last 15 years those checks have bought many a pair of baseball and football shoes," Pope said. "We use the

money for things we couldn't afford to do otherwise."

Pope is assisted by his wife and boys to make it a real family affair. The oldest Pope boy, Michael, will graduate from Texas Tech this year. "If he is close on press day," Pope said, "he still comes by and helps us."

Fifteen-year-old Chris was just a baby when Pope took the circulation management, and twelve-year-old Tracy and seven-year-old Kerry were born into the business. Now that the two younger boys are big enough to work, Mrs. Pope (Barbara) doesn't help every press day. "We're down to our last one," Mrs. Pope said, indicating Kerry, their third grader. "When he gets out of school we won't be able to do the press work any more. We'll be too old," she laughed.

The Pope's job begins after all other work there is to getting the paper out is finished and the paper is printed. This means some late hours for their three school boys, because the circulation job usually starts around bed time.

So the Popes have an early supper on Wednesday and Saturday, and all the boys are required to go to bed and sleep until the papers arrive back in Littlefield from the printing plant in Hereford.

"The hours are the hardest part about the job," Mrs. Pope said, "and getting the boys awake after they've been sleeping awhile."

"It's a funny thing about this newspaper business," Pope said. "We all hate to come down and get started every time, but when we're through it's a good feeling knowing the fun we'll have with the money."

Kerry, the seven-year-old, finds at least one good thing about working late at night—he learned to use it as an excuse last year when he forgot to study his reading.

"Last year when he goofed up in his reading class, we found out that he would tell his teacher he had to work the press

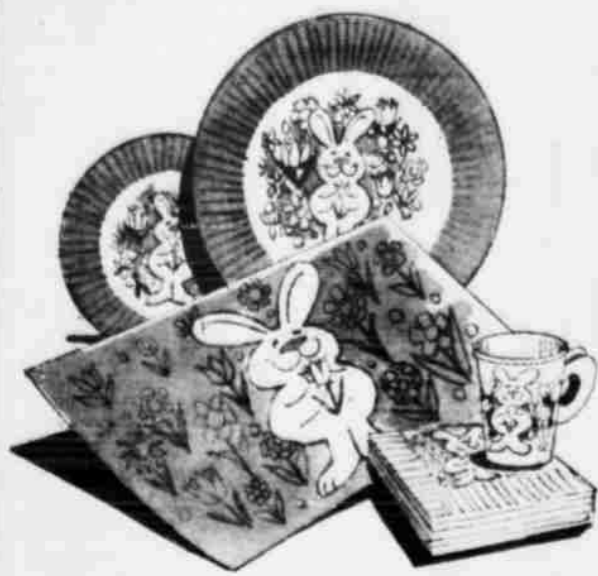

MANAGING THE circulation department of the Leader-News is a family affair for the Claud Pope family. Twelve-year-old Tracy counts out papers and stacks them for Kerry, seven, whose job is to roll out and put rubber bands on papers for older brother Chris' paper route. The Pope family does everything concerned with getting the papers to subscribers, newstands and the carrier boys.

MR. AND MRS. BOB GLENN BROCK

Merrill-Brock Vows Pledged

SPADE—Miss Marcella Linda Merrill of Deming, N. M. and Bob Glenn Brock, formerly of Littlefield were united in marriage Saturday evening, March 6, in the First United Methodist Church at Deming, N. M.

Rev. J. J. Spurlin, officiated for the reading of the double ring wedding vows. Parents of the couple are Mr. and Mrs. Martin Merrill of Deming, N. M., and Mr. and Mrs. Ruben Brock Sr., of Littlefield.

The bride, given in marriage by her father, wore a floor length gown of white peau de soie. Her long sleeves tapered to a point at the wrist. The midriff was beaded to emphasize an Empire line. Soft folds fell from the waist of her circular chapel length train. Her fingertip veil of illusion was held by a tiarra of tulle, enhanced with rows of overlapping silken leaves that were edged with seed pearls. She carried a cascade of miniature white carnations, with a removable blue carnation corsage nestled in the center.

Matron of honor was Shirley Cruz of Phoenix, Ariz., cousin of the bride. She was attired in a floor length gown of dark blue polyester crepe. She carried a Colonial bouquet of white carnations, with a blue satin ribbon.

Attending as bridesmaids were Mrs. Vic Grummert of Fairbury, Nebr., cousin of the bride, and Miss Bonnie Van Peursem of Deming. They wore gowns of light blue polyester crepe, and each carried a bouquet like that of the matron of honor.

Flower girl was Robin Crestman. She was fashioned like the other attendants, and carried a smaller colonial bouquet. Ronnie Cook served as ringbearer.

Large baskets of white gladioli decorated the altar, with white satin ribbons enhancing the candelabras, and marking the family pews. Tall white tapers and greenery adorned each window sill.

Musical selections were presented by Mrs. Fletcher Bowman Jr., organist. Ruben Brock Jr. of Littlefield was his brother's best man. Groomsmen were Vic Grummert of Fairbury, Nebr., cousin of the bride, and Gene Riney of Littlefield, brother-in-law of the groom. Jeff Grummert of Fairbury, was candlelighter.

The bride's mother chose a light cream colored dress, black accessories and a pink carnation corsage for the wedding. The groom's mother wore a light blue dress, black ac-

cessories and a corsage of white carnations.

A reception was held in the Fellowship Hall of the church immediately following the ceremony.

Mrs. Gene Riney, sister of the groom, presided at the punch bowl. Mrs. Fletcher Bowman Jr. and Mrs. Pat Worley served the cake and Mrs. Cathy Brock registered the guests.

Out-of-town guests were Mr. and Mrs. Ruben Brock Sr., Mr. and Mrs. Ruben Brock Jr., Mr. and Mrs. Gene Riney and Ronnie, all of Littlefield; Mr. and Mrs. Vic Grummert and family, Mr. and Mrs. Floyd Hiner, Mr. and Mrs. Roy Palviak and Mr. and Mrs. Fred White, all of Fairbury, Nebr.; Mr. and Mrs. Dave Cruz and Fred Hisle, Phoenix, Ariz.

For their wedding trip to Tombstone, Ariz., the bride wore a two piece blue suit with a long sleeve white blouse and the blue carnation corsage lifted from her bridal bouquet.

BRENDA DRAKE

Engagement Announced

Mr. and Mrs. Robert E. Drake of Sudan announce the engagement and approaching marriage of their daughter, Brenda Joyce to William Dennis Meyer of Houston, son of Mr. and Mrs. W. A. Weems and the late William E. Meyer of Hondo.

The couple plan a July 3 wedding, in the First United Methodist Church of Sudan. Miss Drake is a 1967 graduate of Sudan High School, and is now a senior math major at Texas Tech University. She is presently employed by Smith-Corona Merchant in Lubbock. The prospective bridegroom is a 1963 graduate of Kemper Military School and College in Booneville, Mo. He is a 1969 graduate of Texas Tech University in Lubbock, with a BBA in accounting. Meyer is presently employed as internal auditor for Penzoil-United in Houston.

cluded with a poem, "Lest I Forget" by Lisa Sergio.

Diets of "The Old Cross," and "Burdens of Calvary" were read by Lori Carter and Juanita Helen Mixon, Bessie and Savannah Brantley.

Presented to portray the tomb.

Menu consisted of baked ham and rice, green beans, salads, hot rolls,

cherry icebox pie, tea and coffee.

The serving table was decorated in the Easter theme. It was laid with an off-white linen cloth, centered with a large white tree nestled among green grass and accented with small Easter eggs. Miniature Easter baskets filled with spring flowers hung from the branches of the tree.

Tables where the guests were seated were laid with gold cloths and decorated with centerpiece of large opened Easter eggs, containing baby chicks, nestled atop green grass. Spring colored booklets containing the menu and program, featured the Zodiac signs.

Those attending were Mmes. T. L. Bennett, Bradley, Maurice Brantley, Savannah Brantley, Don Carter, A. O. Dickson, James Holland, Charles Jones, Charles Mixon, Glenn Willson and the hostess.

Sudan Churches Combine Choirs For Cantata

The churches of Sudan have combined their choirs into one large choir, and will be presenting a special Easter program tonight at 7:15 in Sudan's First Baptist Church.

The choirs will present a cantata, "Hallelujah, What A Savior," written by John W. Peterson.

Choir director will be Raymond Harper. Gracie Evins will be featured at the piano, and Tommy Cate at the organ, and narrator Richard Black.

Specials will be presented by Bill Nix, Tommy Evins, Linda Lane, Donny Harper, Rober Beller, Pam Nix, Joan Harper. The public has been invited to hear the cantata.

NOISE CONTROL
Meaningful noise control legislation must be enacted if the steadily rising sound levels common to urban areas are to be kept within reasonable limits.

SPRINGTIME'S GOOD BLOSSOMS

Flowering dogwood is the most welcome in America. When we all know that time has arrived, early in the morning before the leaves are, the blossom is a tiny cluster of flowers surrounded by four leaves that only look like petals.

Whether we are looking for blossoms—it is America's most beautiful sight in early

spring or potted plants always most welcome in the garden, and sending a very special way to say "Get well soon."

DEAR EDITOR

What Our Readers Think

Thanks For Support

Mr. Bill Turner, The officers of the Littlefield Basketball League would like to take this opportunity to thank the people of Littlefield for their interest and support of this basketball program. We have enjoyed this program to the fullest and feel a lot has been accomplished in its first year. We have received all the help and support we have needed for our first year to be successful. We would especially like to thank the coaches who have devoted their time and talent to help these boys, and the referees who have been willing to work each and every game. We would also like to say a special

thanks to Emil Macha and J. B. McShan who have given us the publicity and reporting for the season. Without their help, we might still have had a good program but no one would have known. Our tournament starts Monday evening, April 5, and runs Tuesday, Thursday and Friday nights. We invite one and all to come and see some real good basketball played by Littlefield's young boys. Once again, thanks for all your help.

THE ABUNDANT LIFE

Inner Obstacles

By BOB WEAR

A CALM AND SERENE life is the wish of our Creator for us.

This is not a calmness or serenity realized because there are no disturbances or obstacles, but is the result of the proper development of the God-given capacity for such a state of being.

PEACE OF MIND is the continuing aim of all persons. In fact, psychologists and other authorities tell us that the desire for a sense of well-being is the strongest desire of the individual.

Of course, there are many facets in the composition of one's sense of well-being.

We can agree that this is a very strong and persistent desire, and we also believe that such a state of being is within the realm of possibility for all of us. Yes, even in these days.

THERE ARE MANY obstacles to serenity, and until we know what they are we cannot overcome them.

There is enough, more than enough, trouble and strife in the world to keep us upset, if we choose to let ourselves be upset.

IN SEEKING PEACE of mind, too many of us spend most of our efforts in vain because we direct them against external obstacles.

We seem to think that if we could just overcome these all would be well with us.

There are external obstacles to be considered, and some of them are very disturbing, but the real obstacles to our

sense of well-being are internal.

"BOTH SCIENCE and religion teach us, at last, that the obstacles to serenity, are not external. They lie within ourselves." - Liebman.

These can be conquered when we develop and maintain the proper value structure, and condition our minds for sensible responses to the happenings in our environment.

WE MUST HAVE the right spirit in order to deal successfully with the inner obstacles, and we can have this spirit. This means that we must learn and develop the best possible principles of life. Thus we can overcome these obstacles.

"FEELINGS COME and go, like light troops following the victory of the present; but principles, like troops of the line, are undisturbed and stand fast." - Richter.

Faulty attitudes, inferior values, self-centeredness, prejudice, poor judgment, lack of self-discipline, misconceptions, uncontrolled temper and skepticism are some of the inner obstacles.

All of these can be reduced to harmlessness, and some of them can be eliminated completely. In order to accomplish this, however, we must see them for what they are, and deliberately fight against them.

OUR INNER OBSTACLES are not insuperable, but give way to wise, continuous attack.

THE PHILOSOPHER

A New Look

(Editor's note: The Sandhills Philosopher on his Johnson grass farm gets really international in his letter this week.)

Dear editor: Whenever something is being hotly argued and somebody says there are two sides to it, I start looking for a third side so I can get on it and avoid the cross-fire, but it doesn't always work.

Take the situation in Laos. I have searched every newspaper I could get my hands on and listened carefully to television news and not once have I found anybody who has taken the side of the Laotians in the big squabble over the recent battles fought there.

Laos has no designs on North Vietnam, none on South Vietnam, and yet here the two warring nations are shooting up its countryside and the argument around the world is over whether North or South Vietnam is right, not whether Laos is getting the burnt end of the stick.

I have no way of knowing, but I have a notion the Laotians might agree with an idea I've been promoting.

A while back some government officials were proposing an international conference to ban all instruments of war from the moon, saying that space should be used for peaceful purposes only and any plans

to put weapons on the moon by any nation should be outlawed.

They've got it exactly backwards. Of all the places I can think of, the moon is the perfect spot for a war.

Up there, two countries could fight to their heart's content without hurting anything else. No trees to defoliate, no villages to burn, no farms to over-run, no buildings to be destroyed, no civilians to be hit, no left-over orphans, no borders to violate, no cities to be bombed or shelled, and the lack of much gravity would make it easy to carry the wounded.

Furthermore, after the war was over, the moon would be in no worse-looking shape than it is now. You could hardly tell what had been going on, and as soon as one war was over, start another, without having to re-build or even ask the United States for foreign aid.

Naturally, only one war at a time should be scheduled, as the television expense of covering more than one at a time is too great. Summer would be the best time, so long as the war ended before the professional football season started.

If outer space is good for anything it ought to be good to stage a war in. Ask Laos.

Yours faithfully,
J. A.

HOMNY GRYS

By CORNBALL BLEVINS

WELL, fall have fell and spring has sprung!--Trouble is, that with all this dry weather, not much have sprung from the good ol' mom earth.

Not much, that is to say, except my Dandelions. They're doin' great. Now, if I could just "Gen" up as much ambition and determination as those weeds, I'd have it made!

TROUBLE with our spring is, 'bout the only difference you can tell is, that the wind is gettin' warmer. Main topic of conversation: the drouth. However I had some encouragin' news, a day, or so, back.

"Nearly every bad drouth ends up with a good rain!" So says my informant!

ONE SURE HERALD of the season is the rousing of interest in the good ol' game of baseball. People organizin' here an' there, plans bein' made, teams bin' put together, and, people workin' their heads off to get the season under way. (Who knows, we may even get to play in the Dust Bowl!)

Never, (it seems) is so much done by so few for the benefit of so many, as is done in

this community effort! It's wonderful!

NOT THAT BASEBALL is so great, nor is it so important, but, that so many of our citizenry are banded together in the spirit of good sportsmanship and fellowship, with a common cause in mind. That is, a successful and enjoyable summer program for our kids.

Due to all this activity, I can already see where my dandelions are goin' to have to do considerable gettin' along on their own. I don't think I'm gonna have too much time to fool around with them.

ANYWAY, CAN you think of a plant that's easier to grow? And, the maintenance of these pretty little flowers is next to nothin'. About all you need is ground!

Course, the way my blood keeps thinnin' down, and my pace keeps slowin' I wouldn't offer them much competition anyway. I kept meanin' to get around to runnin' that concrete over them, but, never did!

OH, WELL, see you at the ball park!

EIGHT SCHOOLS were represented for University Interscholastic League Literary Contests in Littlefield Saturday. These students caught during a timed science test.

A WOMAN'S VIEW

Watching Growth

By PEARL BRANDON

THIS MORNING I saw an old man planting a tree in his yard. It takes a great deal of faith to plant a tree after you are old.

"Why should I plant a tree, I'll probably never live to see it grown."

I LIKE TO THINK of the old man watching his tree grow and imagining how it will look there in his yard when it has grown tall enough to make a shade.

When an old man plants a tree he is not only thinking of himself, he is thinking of generations to come. Someday children

will play in the shade of his tree and will nest in it.

THE IMPATIENT youth says, "Look at that tree, how slow it grows. The old man with his years of life has seen it grow, how tall it is, it only yesterday."

THE OLD MAN will sit on his porch watching the tree grow and dream of impatient world rushes by.

Time was when the old man would have joined the mad through chasing dreams, but not now. Life has taught him that "Patient waiting is the highest way of doing God's Collier."

Does not heaven begin that day? When the eager heart can say, Surely God is in this place. I have seen Him face to face. In the loveliness of the flowers. In the service of the showers. And His voice has talked to me. In a lovely sunlit tree.

I WOULD LIKE to thank the editor for planting his tree. I, too, shall expect it to grow.

Man Sought

After Car Taken

A 43-year-old man is sought by authorities on a charge of felony theft of a 1969 Chrysler taken from Garland March 26.

Charges were filed against Gordon Richerson here Thursday. Garland's notified the sheriff's office the check the man gave did not cash.

The car was found parked in the Lubbock residence Friday, one week after the man gave the check.

"I'd be good in the purchasing department if I love to spend money."

last night," Mrs. Pope said, "Whether it was the day the paper was published or not," she added.

Since Pope is in charge of circulation, it is his job to get all the papers addressed, sorted and sacked for mailing. In addition he notifies the carrier boys when the papers are ready so they can come down and count out their papers, roll them and make their city deliveries.

Pope also gets all the poison letters from people who have trouble getting their papers, all the notes from people on the carrier boys' routes who've had a paper chewed up by a dog or lost in a bush. It's all in a night's work for a circulation manager, but worth it when the Popses think about five weeks of camping, boating and skiing.

CHRIS POPE, 15, has regular duties in the circulation department on Wednesday and Saturday press nights, plus being one of four carrier boys for city deliveries. Boonie Smith, another carrier boy waits for his stack of papers. Douglas Allan and Mike Cotter are the other paper boys.

CLAUD POPE, circulation manager of the Leader-News, runs the address-o-graph. Pope has managed the circulation department 15 years in addition to his regular job as an oil company field foreman.

OWN A MONTGOMERY WARD CATALOG STORE FRANCHISE.

How would you like to start your own business... and open the doors with a trusted 96-year reputation the very first day? Now you can! Here's a unique opportunity for you to become your own boss in a bold new business... a business that offers virtually risk free income, from a remarkably small capital investment.

Montgomery Ward is looking for Sales Agents. If you're a stable, ambitious man... or a husband-wife team, with an urge to break out on your own in a catalog store we're looking for you.

We've developed a unique program requiring a very small initial investment in which all the agent immediately supplies is the location—leased or owned—plus a portion of the expenses and his ability and strong desire to sell! We make available everything from store fixtures and display material to free management training and plenty encouragement. We want you to succeed. You'll retain a favorable percentage of the profits, so the size of your earnings is determined by your ability to run an efficient business.

If you're interested, we're interested in you!

WORSHIP IN CHURCH

and get a spiritual lift ✠ for the whole week

To VICTORY

That is the cry of the multitude. Today we join the happy throngs around the earth as we shout together, "Hosanna!" Whatever the nation may hold of suffering today we declare to the world, "Christ has come!" Because we are in His company we know that God ultimately will be stronger than all the world. We are confident that goodness is stronger than evil. We are sure we will triumph over hate. Whatever a Friday of sorrows may bring us, temporary defeat we know it will triumph over death, and the Christian way will triumph itself supremely in the final destiny. Thus Palm Sunday is a day to celebrate and set up our banner of hope. "For right is right as God is right and the day must win." This hope will convert his spiritual defeat into eternal victory.

You In The Church
The Church is You — form a combination for good. Every man, woman and child needs the influence of the church. So, come in and go into the home. Support the program of service to humanity. Be a regular member. A daily Bible study and church service.

AT THE HELM of the Whitharral Lions Club are these new officers elected last night. Left to right are Archie Sims, Don Reding, Roger White, Bobby Ervin Sadler, Robert Avery, Marion Polk, T. C. Wade, Louis McCormack Johnson and Lowell Herring.

Whitharral Lions Name Officers

Whitharral Lions had a special ladies night Thursday when they met in the Lions Club Building to give Rafe and Nilah Rogers a gift shower and hold an election for new officers for the year.

Ed Johnson was named new Lion boss. Louis McCormack is first vice president; Bobby Grant is second vice president, Lowell Herring third vice president, and T.C. Wade is secretary-treasurer. Marion Polk is the tail twister, and Archie Sims is Lion tamer. Don Redding and Roger White were elected directors, F.E. Sadler and Robert Avery are directors with one more year to serve.

The club presented the Rodgers with a pole lamp and individual gifts were given to the couple whose home at Whitharral burned in January.

Sandwiches, chips, dips and desserts were served to Lowell and Kay Herring, Ed and Lenora Johnson, Erwin and Jo Sadler, Don and Pauline Reding, Roger and Glenda White, T.C. and Jimmy Wade, Marion and Johnnie Sue Polk, Bobby and Shirley Grant, Ernest and Frada Kristinek, Coy and Dodie Grant, Clifford and Prissy Throckmorton, Louis and Kay McCormack, H.G. Walden, Archie Sims, Kathy Lynn Williams and Maria Sadler.

Raiders, Hawks Win Cage Races

At the close of the regular season of little league basketball Thursday night, the Raiders of the major league remained undefeated as they downed the Razorbacks, 20-7.

Other major league action was a 22-20 squeaker by the Bears over the Mustangs. The Celtics outpointed the Cougars, 16-4. Bill Healy and Tommy Twitty scored five points each to be high point men for the Raiders in their win over the Razorbacks. Other Raiders that scored were: Emery Jackson and James Kemp with four each and Scott Carter with two.

The Razorbacks were paced by Bruce Harlan with three points. John Jefferies and Greg Lavo got two each.

In the nip-n-tuck game between the Bears and the Mustangs, Paul Harlan and Rudy Ayala each got six points for the winners. Jackie Lobaugh and Greg Bruton assisted with four points each and Greg Moreland got a pair.

Richard Rogers and Blake Wood tied for high point honors in the game by scoring eight each for the losers. Jack Speck hustled through with four.

Larry Whitson took high point honors for the night as he came through with 10 points for the Celtics in their win over the Cougars.

Kyle Walker got four and Ricky Henson hit for two for the winners.

Eddie Elms was the lone scorer for the Cougars with four points.

Next week's little league basketball action will be a week long tournament. The public is invited, and there will be a charge of 25¢ for admission.

THE LITTLEFIELD WILDCATS 3-AA district-winning volleyball team is shown here with trophies won this season. In the front row are Sandra Carter, Mary Wilson (holding the 3-AA District trophy), the coach, Mrs. Pat Tripp (holding the Pep Tournament first place trophy), Manager Kathy Bryson (holding the South Plains Tourney consolation trophy) and Luanne Johnson. In the back row are Joey Batson, Carolyn Gray, Pat Glazner, Doris Ashley, Brenda Feagley, and Sharon Gray.

Local Fems Win 3-AA Volleyball

The Littlefield girls' varsity volleyball team took the loop 3-AA honors Thursday night at the high school gym in Olton by defeating the Dimmitt varsity by scores of 15-0, 15-1.

The win over Dimmitt put the Wildcat team up against the winners of the Lockney-Floydada contest, which was Floydada. The Whirlwinds varsity however forfeited the game to Littlefield leaving the Cats the sole owner of the district championship.

Littlefield now is pitted against Denver City in a bi-district tilt that will send one of the two teams to the Regional Tournament to be held at Texas Tech April 17.

Littlefield will be the host for the Wildcat-Denver City bout, Tuesday night. The game, starting at 7:00, will be a rematch between Littlefield, with a 22-1 record, and the only team to have beaten them this year.

The probable starting lineup for the wildcats will be Carolyn and Sharon Gray, Doris Ashley, Luanne Johnson, Brenda Feagley, and Sandra Carter.

ALL-TOURNEY TROPHIES were awarded to Luanne Johnson and Doris Ashley at the South Plains College volleyball tournament. The two have helped the Wildcats come up with a '71 record of 22 wins and one loss, and aided in winning the district championship Tuesday.

THROUGH THE air without the greatest of ease is Cougar Washam (left) in his attempt to block Larry Whitson's two for the Celtics.

Dr. Wallace On Committee For Children

Dr. Craig C. Wallace, Littlefield optometrist, attended a meeting for the Governor's Advisory Council on Children with Learning Disabilities on March 28 and 29 in Dallas.

Dr. Wallace is a member of the council which is studying the problems of children with learning disabilities and new programs for this child under the new State Plan for Special Education.

Following the council meeting, Dr. Wallace accompanied Dr. Robert Montgomery, assistant commissioner for the Department of Special Education of the Texas Education Agency, and Preston Stephens, director of special education at North East Independent School District in San Antonio, to Sherman Independent School District in Sherman.

The group observed new programs designed to provide services to the learning disabled child's individual needs. Sherman is one of 12 school districts in Texas to use the new developmental program under the state plan this year.

The duty of the Governor's Advisory Council is to advise the Commissioner and Texas Education Agency in the development of programs designed to diagnose and treat the problems of children with learning disabilities.

Hospital Aux. Reports 166 Hours Of Service

Members of the Hospital Auxiliary of Littlefield gave 166 hours of service in March, according to a report given by Mrs. Jeff Perkins, chairman of volunteers, when the official board met at the Littlefield Hospital Thursday morning.

Volunteers worked regular hours at Medical Arts and Littlefield Hospital, and the Hospitality House.

Mrs. J. W. Wisdom, treasurer gave a financial report, and Mrs. Arlen Simpson, chairman of service, stated that "the carts had showed a satisfactory profit in March."

Announcement was made

that Mrs. Pat Hastey and Mrs. Jesse Hofacket of Lubbock would install officers for 1971-72, when the Auxiliary meets for a luncheon Thursday, May 6. Mmes. Charles Hinds, Carl Davis, Ted Samson and Bennett Williams were appointed hostesses for the luncheon. Mrs. Wisdom was appointed to notify the members concerning plans for the luncheon.

Alex Duggan of Plainview, described a health record microfilm card and explained the importance of having that type of card, should an accident occur when traveling. Duggan suggested the sale of this type of card as a money making project for the Auxiliary.

Attending were Mmes. W. M. Davis, president; Charles Hinds, vice-president; Doyle Patton, secretary; Wisdom, Simpson and Perkins; and Kenneth Day, administrator of Littlefield Hospital.

2 Cars Collide South Of Town

A two car collision occurred just outside the city limits south of Littlefield Thursday about 6 p.m. when two south bound vehicles hit at the intersection.

Jimmy Clayton Young of Amherst driving a 1966 Ford pickup attempted to make a left turn off U.S. 385 onto the dirt road there, and was hit by Esequiel G. Mendoza in a 1966 Chevrolet who was attempting to pass the Young pickup.

The right front of the car hit the left side of the pickup, according to Highway Patrolman Weldon Parson who estimated damages of about \$500 to the two vehicles.

Whitharral Reunion Draw Record Crowd

More than 300 persons attended the two reunions held at Whitharral Saturday. A joint meeting date of the Whitharral early settlers and Whitharral ex-students were held in the Lions Club building and new school facilities. Early settlers began arriving early for their annual get-together and a big lunch was spread at noon. Then there was singing, fiddling and reminiscing throughout the afternoon by young and old. In a business session presided over by Mrs. Crockett Thetford, new officers for the 1972 early settler reunion were named. Next year's officers are J. B. Harbin of Muleshoe, president, and Mrs. John Waters of Whitharral, secretary-treasurer. One of the largest crowds yet attended the ex-student banquet in the cafeteria Saturday night. After a catered meal, students from 1926 through the present graduating class met in the new gymnasium for recognition of classes, teachers, election of officers and a speech by State Representative McAlister. The Whitharral junior senior bands under the direction of Charles Addington presented a concert before a large session and election of officers. Officers for the next year scheduled three years from 1971 date are: Robert Yates, president; Danny Grant, secretary-treasurer; Don and Mrs. Jimmie Wade, outgoing president; and secretary for the reunion association.

Book Review Entertains Olton Club

OLTON—Olton Study Club met Monday night in the home of Mrs. J. L. Carson Jr. Members present and visitor, Mrs. Wilton Bodine. Mrs. Barton Prestridge gave a book review on "Another of the House," by Winifred Estes.

Beta Sigma Phi Has Party

Members of Beta Sigma Phi had a costume party, "Your Second Childhood" Monday night in the Reddy Room. Sheryl Jones won the best costume prize for being dressed as a baby. Games of "pin the tail on the donkey" and "crazy bridge" were played. Refreshments of sandwiches, chips, dips, brownies, cold drinks and coffee were served to Janet Houk, Renee Williams, Linda Merrifield, Vada Walker, Paula Schroeder, Jeni 'D' Brunson, Jane Maddox, Carolyn Spies, Joan Johnson, Kathie Fitzgerald, Kathie Eddings, Carol Brooks, Darla Crone, Jamie Bryson, Loretta Winfield, Charlotte Day and Sheryl Jones. Mrs. E. R. Spain, presided for the short meeting. Mrs. Carson served refreshments to members: Mmes. Yates, Raiford, Daniel, Frank, Cornelius, Bailey, Royce, Aikman, Jim Prestridge, H. B. Carson, J. C. Brown, Ray Slater. Their guest, Mrs. Wilton Bodine. Next regular meeting of group will be Monday, April 12, in the home of Mrs. J. C. Bodine. At this meeting, Mrs. Gautier of Lubbock will give "Art."

Mack Vann's Winning Cycle

Mack Vann Wins With Cycle

Mack Vann of Littlefield entered his 1965 Sportster motorcycle in the Third Annual Rod and Custom Show at Lubbock's Municipal Coliseum

March 27 and 28 and won a first place trophy.

This makes his third time to win first place in his division. Vann has been customizing his motorcycle since 1966. The seat and bar exhaust, chrome and paint were planned and designed by him.

Vann's motorcycle was classed in the conservative custom street cycle division.

This year Mack's display of his motorcycle was the scene of the Reaper.

The next custom show will be in October at Ft. Worth.

CAN YOU AFFORD

to have any moisture producing clouds in this 12 county area (shown below) destroyed by artificial means for the 6 month period May 1 to Oct. 31, 1971?

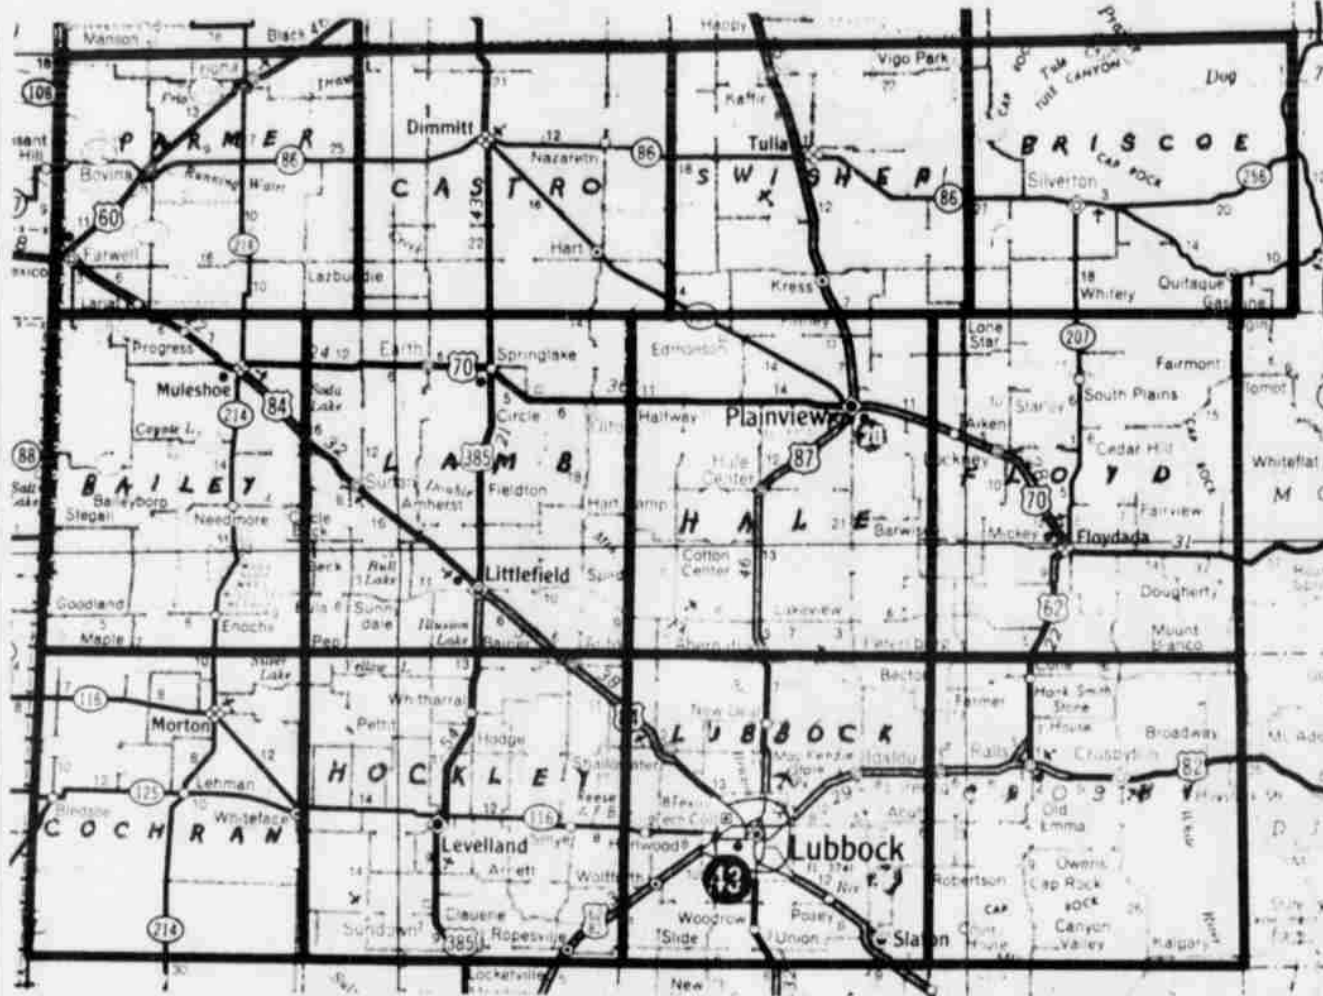

ITEMS TO CONSIDER

1. Rainfall for Littlefield from June 1 to August 31, 1970 was the lowest in 60 years. 1.46 inches compared to average 7.09
2. Drought conditions is lowering the water level in irrigated areas.
3. Acres abandoned due to drought:
Lamb County, 27,000 acres
Bailey County, 7,414.5 acres
Hockley County, 2,331.6 acres
4. Lamb Countys projected yield for cotton in 1970 averaged 436 pounds, crop year 1971 the average dropped to 370 pounds. 65% of the farmers in Bailey County and Hockley County suffered a reduction in their projected yield.

According to Louis J. Battan, Ph. D. in his book "Harvesting The Clouds", Airborne silver iodide seeding of convective clouds has produced mixed results. Seven summers of testing clouds over the Santa Catalina Mountains in southeastern Arizona failed to demonstrate an increase of rainfall. There actually was less rain on seeded days.

A long series of experiments in Missouri by Roscoe R. Braham, Jr., and his colleagues at the University of Chicago have yielded puzzling results. Overall, there was less rainfall on seeded areas and for a distance of more than 100 miles downwind.

If you have not signed a petition do so today, we need to compile these petitions by April 10th

ALL CITIZENS, BUSINESSMEN, FARMERS, RANCHERS who are opposed to this weather modification are urged to attend an area meeting, Tuesday, April 6, at 8 P.M. in the Community Center in Littlefield.

PETITION

TO: THE TEXAS WATER DEVELOPMENT BOARD OR TO WHOM IT MAY CONCERN

WE, the undersigned petitioners, being citizens of Lubbock, Bailey, Parmer, Cochran, Hale, Lamb, Castro, Swisher, Briscoe, Floyd, Hockley and Crosby Counties, Texas, desire to go on record as being opposed to cloud seeding operation by Atmospherics Incorporated or any other individual, group, firm or corporation, that attempts to interfere with the natural development of cloud formations. We firmly believe that the attempts to suppress hail in our area interferes with natural rainfall, and therefore, we the undersigned oppose such attempts to interfere with nature.

We further request that the proper official of the State refuse to issue permits to any individual, group, firm, or corporation who attempts, by artificial methods, to suppress the development and formation of atmospheric cloud formations.

This is virtually the same program you were subject to in 1970.

NOTICE

NOTICE OF INTENTION TO ENGAGE IN WEATHER MODIFICATION ACTIVITIES

Notice is hereby given that Atmospherics Incorporated of 4901 East Dakota, Fresno, California, 93727, who holds License No. 2 of the State of Texas, intends to engage in an operation to change or attempt to change by artificial methods the natural development of any or all atmospheric cloud forms suspected of producing hailstones which occur in the troposphere, for and on behalf of the Plains Weather Improvement Association located at P. O. Box 1627, Plainview, Texas, 79072, and will conduct a program of weather modification designed to decrease hailfall by means of the aerial application of artificial nuclei as follows:

The area over or in which equipment may be operated shall include all or portions of the Counties of Crosby, Floyd, Briscoe, Swisher, Hale, Lubbock, Hockley, Lamb, Castro, Parmer, Bailey and Cochran.

The equipment, materials and methods to be used in conducting an operation within this area of approximately 2,000 sq. miles include a 3 cm radar system, cloud seeding aircraft, and the application of silver iodide ice nuclei, hygroscopic nuclei or other nuclei considered appropriate to the artificial nucleation of clouds or weather systems.

The program will be operational during the period from May 1, 1971 through October 30, 1971.

Any person who feels they may be affected in some adverse way by this program may file a formal complaint to the Texas Water Development Board, P. O. Box 12386, Austin, Texas, 78711.

SCS Announces Dates, Set-Aside Information

Lamb County ASCS office will be designated as the type of set-aside crops are certified this year. When it is determined that the average productivity of the acreage is not equal to the average productivity of land which subject crop is normally grown, a yield shall be determined for the crop by the Committee which is representative of the set-aside

When the total designated set-aside acreage represents more than one commodity, consideration will be given to the set-aside for the individual commodity.
When a farm with an irrigated cotton allotment and a dryland grain sorghum base designates average dryland for all the set-aside, the reduced yield will be determined on the portion of the set-aside, the reduced yield will be deter-

mined on the portion of the set-aside which represents cotton only.

The reduction in payment for below average land designated as set-aside will be as follows: "The difference between the yield determined for set-aside and the established farm yield for the commodity will be multiplied times the following rates: Cotton, 5¢ per bushel; grain sorghum, 29¢ per bushel; corn, 32¢ per bushel; Wheat, 80¢

per bushel. This result will then be multiplied times the set-aside for each individual commodity.
Example A: Grain sorghum base 100 ac., 100 bu. (irrigated) yield. Wheat allotment 50 ac. 15 bu. (dryland) yield. Producer sets aside average dryland. It is determined the set-aside is not equal for grain yield minus 45 equals 55 bu. times 29¢ equals \$15.95 per acre times 20 grain sorghum set-aside acres equals

\$319.00 payment reduction.
Example B: Corn base, 100 ac., 100 bu. yield. Cotton allotment 100 ac. 650 lb. yield (both irrigated yield). Producer sets aside 25 irrigable and 15 dryland acres. If the producer elects corn reduction rate, then the dryland corn yield for 15 acres will be blended with the other 5 irrigable set-aside acres. The weighted yield for the total 20 acres would be subtracted from the projected

corn yield, then times 32¢ to determine the dollar reduction rate for each corn set-aside acre.
Grazing set-aside acreage: Cover crops on set-aside acreage cannot be grazed from May 14 thru October 15, 1971.
April 9th is the last date to make application for measuring service. April 9 is also the last date to sign into cotton and feed grain programs, according to Lamar D. Aten, Jr., county executive director of the Lamb County ASCS.

HART CAMP

MRS. EDWIN OLIVER 262-4247

J. C. MULLER had heart surgery Thursday in the Methodist Hospital in Lubbock. He entered the hospital two weeks earlier following a spell with his heart. His condition is reported serious, but he is gradually improving. The arteries in front and back of his heart had collapsed and arteries were taken from his leg to replace the damaged arteries. Mrs. Muller and other relatives are at his bedside.

MR. AND MRS. Blanton Martin were in Forsan Tuesday to attend the Interscholastic one-act plays. Their daughter, Mrs. Jerry Perry of Bronte was director of the Bronte High School one-act play. Their play was one of eight presented and they won second place.

MR. AND MRS. Dewey Parkey and Mr. and Mrs. Blanton Martin were in Plainview Wednesday to attend revival services at the Second Baptist Church. Rev. Jack Moore, former pastor of Hart Camp Baptist Church was doing the preaching for the revival. They all had lunch together following the services.

MR. AND MRS. Bill Johnson, Mark and Melinda Blessing spent Sunday afternoon in Ropesville with Mrs. Johnson's parents, Mr. and Mrs. J. M. Strugley.

VISITING IN the K. Sorrenson home last week were their granddaughters, Fredda and Jo Anne McElfresh of Lubbock, and Fredda's friend, Donice Tucker of Lubbock. They all attended revival services at the Baptist Church throughout the week. Mr. and Mrs. Sorrenson carried them back to Lubbock Saturday.

SUNDAY DINNER guests of Mr. and Mrs. M. W. Wheeler were their son and family, Mr. and Mrs. Sammie Wheeler and children of Lubbock. Also Rev. Don Cass of Plainview and Rev. and Mrs. John Walker, Roby and Lori.

PAUL HUKILL'S mother, Mrs. C. C. Hukill, of Amherst has been in the Amherst Hospital suffering from blood poisoning in her foot. She is now back in Amherst Manor Rest Home and her condition is fair. Mrs. Hukill celebrated her 94th birthday recently.

FRIDAY NIGHT was youth night at the revival services at the Baptist Church. Following the preaching services, Mr. and Mrs. Dewey Parkey and Rev. and Mrs. John Walker carried all the young people to Littlefield for a bowling party. Nineteen young people and seven adults attended.

TERESA NEELEY, Kathy Langford, Donna Muller and Debbie Oliver were all winners of first, second and third place ribbons in the clothing and cooking division of the FHA entries of the Olton Fat Stock Show.

MR. AND MRS. V. L. Foster and Kimmie were in Amarillo three nights last week to attend the Amarillo National Womens Collegiate Invitational basketball tournament, played in Amarillo Civic Center. The Foster's daughter, Pam played in the tournament on the Temple Junior College team.

MR. AND MRS. H. V. Lynch arrived home Sunday after a stay of several weeks in Phoenix, Ariz. On Monday they visited in Lubbock with Lynch's mother, Mrs. V. T. Lynch.

THE HART CAMP Baptist Church WMS met Monday morning for Bible study. Mrs. L. W. Sullivan was in charge of the study, which was titled, "The Kingdom's Supreme Value." Bible study was from the Book of Matthew. Mrs. Dewey Parkey, Mrs. Edwin Oliver and Mrs. Sullivan had parts on the program.

MRS. V. L. FOSTER carried Foster to the hospital in Littlefield Tuesday afternoon. He is reported to have a severe case of the flu.

REV. DON CASS, pastor of Seth Ward Baptist Church in Plainview, preached for a revival meeting at the Hart Camp Baptist Church last week. Kerwin Oliver was in charge of the music. Debbie Oliver was pianist. Baptismal services were held during the Sunday night services. Visitors throughout the week were from Plainview, Littlefield, Lubbock, Fieldton and Spade.

MRS. JOHN WALKER was a patient in the Littlefield Hospital Monday. She is reported to have the flu. Others in the community having the flu are Mrs. Edwin Oliver, Mrs. Blanton Martin, Lori Walker, Blanton Martin, and V. L. Voster and Cheryl Stewart.

BLANTON MARTIN attended funeral services Sunday afternoon in Olton for James Frank Barrett, a resident of Knights Rest Home in Littlefield. Barrett was a member of the Sunday school class taught each Sunday morning at Knight's Rest Home by Martin. Barrett is a former resident of Plainview.

MR. AND MRS. L. E. BALL visited in Tulia Sunday with Ball's nephew, Edward Alexander, who was in the hospital following an accident in

days in the Littlefield Hospital for treatment of the flu and a virus. She is back in school now.

MR. AND MRS. Bill Johnson visited Saturday at the hospital in Plainview with Johnson's sister, Mrs. Ava Nell Cannon. She had surgery earlier in the week.

MONDAY EVENING visitors in the L. E. Ball home were Mr. and Mrs. Billy Pierce and children of Tulia.

ONE OF SIXTEEN One baby in every 16 born alive comes into the world with a substantial physical, mental or chemical defect, according to the Easter Seal Society for Crippled Children and Adults of Texas.

which he received facial burns when his truck ignited as he primed it. His condition was not believed to be serious. The Balls also visited a daughter and family while in Tulia. Mr. and Mrs. Billy Pierce and children.
