Wildcat Defense Shines In Shutout Win

ck. Reginald Payton, Steve

Cruz, Doug McCain and company
played in the Muleshoe backfield so
much that one Muleshoe fan claimed
they were switching jerseys as they
crossed the line of scrimmage.
The Wildcat scoring came on two field
goals by Bill Turner and a safety
(there's that defense again).

It was a game of "run three plays and
punt" as Littlefield was forced to punt
seven times and the Mules had to give
the ball up via the foot six times. For the
night, the Cats had 164 yards total of-
fense as compared to the Mules 97. First
downs saw the 'Cats out front with 10 as
opposed to four for Muleshoe.

The Mules received the opening
kickoff but it wasn't long till they had to
give it up to Littlefield.

With 10:40 left in the first quarter,
Littlefield took the ball and began one of
the longest drives of the night as Turner
carried the ball seven of the first eight
attempts to move it down to Muleshoe's

17 yard line. Three attempts netted
seven yards and with 6:15 left in the first
quarter, Turner booted the first of two
field goals, this one from the 20 yard
line, to put the Cats ahead 3-0 and if one
were a pigskin prophet, he would've
known that was all the scoring that
Littlefield would need to secure their
second victory in a row.

But based on scores the past two
years, who would've guessed it!

After the field goal, Muleshoe was
unable to move and Littlefield took over
on the Mule's 39 yard line. Three plays
moved the ball to the 30 and from there,
Turner tried a 36 yard field goal that was
off to the right.

The half ended shortly thereafter with
the Turner field goal being the only
score and Littlefield leading 3-0.

The final minutes of the first quarter
were filled with apprehension though as
Rick Hopping, the 'Cats all-district
performer, suffered a knee injury. The

extent of the injury was not immediately
known and it was not known Saturday
whether Hopping would be ready for this
week's encounter with Floydada.

Two Wildcats who had missed action
due to injuries returned to action Friday
and both turned in gritty performances.
Ben Farmer on defense and Buddy
Jungman both saw action after missing
the Levelland and Slaton games.

The Wildcats received the second half
kickoff and started their initial drive of
the second half on their own 28 yard line.
Alternating runs by Jungman and
Turner moved the ball to the Mule's 46
yard line but again a punt was the order
of the day.

Neither the Mules nor the Cats were
able to move on their next couple of
possessions and the third quarter ended
with the Cats on their own 31 yard line
following a Muleshoe kick.

Littlefield was able to move the ball

Lamb County Livestock Judging
Team will go to Kansas City, Mo. Oct. 16-18
to compete nationally at the 1974
Royal 4-H Livestock Judging

Contest. Team members won the right to
represent Lamb County at this contest by winning
the top honors at the state 4-H
Livestock Judging Contest at Texas A&M University.

Pass, Kick Competition Open

Annual Punt, Pass and Kick
Competition will be held in Littlefield
on Oct. 5, and is again being
sponsored by the local Ford dealership,
William Ford.

Participants who are 8 through 13 years
old may register until Friday, Oct. 4, at
the Ford office.

Each person entering must provide
proof of age, and must bring his
own equipment. Seven-year-old par-
ticipants will be eight by Dec. 29
and a 13-year-old who
registers on or before Dec. 29 will not
be eligible.

Each participant's parents or legal
guardian must countersign the official
entry form that is secured from the
Ford office.

Each contestant may enter only once,
and may not participate in more than
one category.

The competition will be staged in three
stages—punting, passing and
kicking. Judges will score one point
for each ball travels on the fly,
and one point for each foot the ball
travels to the right or left of the center
line.

Participants who are 8, 9 and 10 will use a
football, while those 11, 12
and 13 will compete with a regulation-
size football.

Prizes will be given to the top three
contestants in each of the three categories,
and winners will advance to zone
competitions and may go on to district,
state or even national contests.

Team members are Joe Foley, Rodney
Logsdon, Cory Logsdon, and Dean
Walden.

Alternates are Brad Walden and Brian
May.

This team, as well as alternate
members, have compiled several honors
this past year, including:

Howard County College Livestock
Judging Contest. They won first high
team and second team. Rodney Logsdon
won third high overall individual, Brad
Walden won eighth high overall in-
dividual, and Cory Logsdon won 10th
high overall individual.

LCC Livestock Judging Contest. They
took first high team, third high team,
first high team swine, and second high
team swine honors.

Dean Walden won first high overall
individual; Rodney Logsdon won second
high overall individual; Brad Walden
took fourth high overall individual; and
Joe Foley won fifth high overall in-
dividual honors.

Hereford Young Farmers 4-H Judging
Contest. They won first high team, and
Joe Foley took second high overall in-
dividual, Brad Walden, third high
overall individual, and Danny Carter,
fourth high overall individual.

District 2 Eliminations Contest. They
took second high team, and first high
team swine honors.

Reward Offered For Information On Glass Breaks

A collective \$100 reward is being of-
fered by several Littlefield merchants to
anyone who has information leading to
the apprehension and conviction of the
person or persons who broke windows in
eight businesses last weekend.

Anyone knowing anything about the
vandalism is asked to contact the Lit-
tlefield police department, 385-4411.

It's no secret that Lamb County
farmers are going to come up with a far
shorter bale count this year than last.

What's even worse perhaps than the
short crop is the predicted grades and
micronaire which will result in the
cotton selling for low prices.

The ASCS office and the Lamb County
extension office have combined their
predictions this year to forecast a bale
count of 85,000 for the 1974 cotton crop.
An earlier estimate set the count at
95,000.

This is far short of the 150,000 bales
forecast this time last year.

At the present time, Lamb County has
147,384 acres of standing cotton. But of
this acreage the ASCS office estimates
that at least 22,000 acres of dryland
won't make anything. Another 30,000
acres will only make approximately
one-fifth of a bale.

That leaves only an estimated 95,000
acres of fully irrigated cotton land which
is estimated will make approximately
eight-tenths of a bale per acre.

For both the dryland and the irrigated
acreage, this gives an estimated 58
percent of a bale per acre county wide.

On this date last year Lamb County
had 166,507 acres of standing cotton. A
total of 153,000 bales of cotton were
ginned from the 1973 crop.

Comparative figures show that in 1972
Lamb County ginned 106,069 bales of
cotton from 172,000 acres. In 1971 there
were 84,747 bales ginned from 178,100
acres, and the 1970 crop produced
119,963 bales from 199,033 acres.

This year's estimate allows an ap-
proximate yield of three-fourths of a
bale per acre for good irrigated and
from nothing to one-fifth of a bale per
acre for dryland.

It is already known that the mike and
grade will be a big factor when it comes
to price. And an early freeze will rip
everything open.

The county officials' estimate is quite
a bit below the 105,000 bales estimated
by Lubbock statisticians.

Garbage Pickups Back To Normal

Garbage collection inside the Lit-
tlefield city limits will be back to normal
Monday morning, according to Harold
Heller, director of public works.

Because of the rains, last week
residents were asked to place their
garbage in front of their houses. There
were some alley pickups Thursday and
Friday, and normal alley runs will
resume Monday.

Voter Disability Certificates Simplify Balloting Procedure

Voters with permanent disabilities
which keep them from going to the polls
to vote are reminded that they may file a
permanent disability certificate.

After the filing of this certificate, they
may vote in all elections during that
year without any additional forms,
doctors' certificates and signatures.
This law went into effect last Aug. 27.
Once this form is signed by a licensed
physician or chiropractor, the perma-
nent disability certificate is in effect
for a year.

Prior to this legislation, a disabled
person was required to secure a doctor's
statement for each and every election he
voted in, even if there were 10 elections a
year.

Permanent disability certificates may
be obtained from the tax assessor-
collector's office, and must be returned
to the tax office after completion.

A certificate of permanent disability

complying with the requirements
becomes effective for absentee voting in
all elections held on or after the 31st day
after the date the tax assessor-collector
receives it.

This means those who need such
certificates should obtain them and get
them completed and filed by the tax
office this week for eligibility to vote in
the Nov. 5 general election.

When this certificate of permanent
disability is received by the tax office,
the tax office takes the necessary steps
to have the notation of permanent
disability added on the list of registered
voters. This certificate is attached to the
voter's application for registration.

If, after filing a certificate of perma-
nent disability, a voter becomes able
to appear at the polling place, it is the
voter's duty to notify the tax office, and
the certificate will be cancelled.

LYNN BARTON receives congratulations from Houston Hoover at the noon
meeting of the Littlefield Rotarians Thursday. Barton received a Rotary
International undergraduate scholarship to the University of Edinburgh in
Edinburgh, Scotland, for the 1974-75 school year. Hoover now lives in
Friona, but he is a former secretary of the Littlefield club and was in-
strumental in getting Littlefield Rotarians and Barton involved in the in-
ternational scholarship. (Staff Photo)

Friday Is Final Registration Date To Vote On Nov. 5

Friday, Oct. 4, is the final registration
date for persons wishing to be qualified
to vote in the Nov. 5 general election.

Potential voters, including those 18
years of age and older, may register to
vote in the Lamb County tax office.

Registration is no longer closed on any
particular date, and persons may
register after Friday, but those
registering later than Friday of this
week may not vote in the Nov. 5 election.

Absentee voting begins in the county
clerk's office on Oct. 16. Absentee voting
by personal appearance will continue
through the fourth day preceding the
date of election, or through Nov. 1 at 5
p.m.

Anyone who registered last year or the
year before is eligible to vote in the
upcoming election, whether or not they
have voted since they registered. Any
voter who cast a ballot in the past two
years had their voter registration
certificate automatically renewed for a
three-year period.

Persons who have not voted
previously in this state may make ap-
plication for a voter registration cer-
tificate through Oct. 4 to be prepared for
the general election.

Voters who have moved since the last
election should notify the tax office
before Oct. 30 and give their change of
address.

3,500 graduate fellowships and 365 un-
dergraduate scholarships in 150 coun-
tries over the world. It is the intent of
these grants to promote "international
understanding and friendly relations
among peoples of nations through
projects of an educational or charitable
nature."

Barton will be studying for nine
months at the University of Edinburgh
in Edinburgh, Scotland. He will be
taking metaphysics, psychology, and
Biblical studies at this world-renowned
institution which was founded in 1583.

Barton is currently a senior at Texas
A&M University where he is pursuing a
B. S. degree in mathematics. He has
been named a Distinguished Student all
six semesters he has attended A&M and
presently holds a 3.79 grade point ratio.

He was inducted into Phi Eta Sigma
(freshman honor society) in the 1971-
1972 school year and was initiated into
Phi Kappa Phi (top 5 percent of the
junior class and top 10 percent of the
senior class) in the 1973-74 school year.
It is in his plans to return to A&M for one
more year of courses in order to
graduate from there in 1976.

Barton spent his 12 years of public
education in the Littlefield school
system, and graduated as valedictorian
of his class in 1971. He is the son of Mr.
and Mrs. Jack P. Barton of Star Route 1,
Littlefield.

Storm Cellars To Be Located In Survey

Boy Scout Troop Number 641
will begin Tuesday night to take a
survey on the location of storm
cellars and basements in Lit-
tlefield.

The compiled information will
be used in Civil Defense work and
the obtaining of merit badges for
the scouts.

The survey will be taken door-
to-door and will continue for the
next three to four weeks.

Arts And Artists Club Meets For Painting

The Arts and Artists Club met last Wednesday for painting. Presiding was the president, day.

A. D. Gabehart Earns Degree

An Olton man was among 1,096 graduates who were awarded degrees Saturday night, Aug. 17, at the 1974 summer commencement at North Texas State University in Denton. Some 56 doctoral degrees were awarded, along with 422 master's and 618 bachelor's degrees, during ceremonies in the NTSU Coliseum.

Among the summer graduating class was Alan Dale Gabehart, son of Mr. and Mrs. Albert Gabehart, Route 2, Olton. He received the master of library science degree in library science.

Eva McDonald, who discussed hanging paintings, and how often each painting should be changed. The club voted and agreed on both articles.

C. A. Duffy, president of the First National Bank in Amherst extended a welcome to come to the bank and hang paintings. Several members of the club took their paintings to the bank Wednesday and displayed them. The pictures were painted in oils and water color.

After hanging pictures the club had lunch and they decided to go looking at things which pertained to art.

The next meeting date for the club will be Thursday, Oct. 3, at 10 o'clock.

Matthews-Baker Marriage Solemnized Here Saturday

Mary Kay Matthews and Larry Dan Baker exchanged double ring wedding vows in the Littlefield First United Methodist Church at 7:30 Saturday night.

Parents of the bride are Mr. and Mrs. Robert Odell Matthews of 1302 W. 6th. The groom's parents are Mr. and Mrs. Dexter Baker Sr. of Route 2 Sudan.

Rev. Eddie Freeman, pastor of First Baptist Church in Sudan read the vows before the communion table decorated with three large arrangements of pink gladioli with a deeper shade of king asters. Pre-lighted globed candles and globed candle trees and greenery flanked the altar and glowed in the stained glass windows of the church.

The bride was given in marriage by her father. Her formal length gown of silk organza was fashioned with peau d'ange lace band insertion around the high victorian neckline. The trim continued down the side fronts of the bodice and skirt and around the hemline, full bishop sleeves had deep lace cuffs.

She wore a matching lace bordered bridal veil topped with a lace camelot cap and chapel length veil of illusion. For something old, she wore Mrs. Bruce Reagan's original wedding band; something new was her wedding dress. She borrowed pearl earrings from her sister-in-law, Sherry Matthews, and wore the traditional

blue garter. In her shoe were pennies minted in the years of the couple's births.

The bride carried a tapered bouquet of white miniature carnations, stephanotis and English ivy atop her white Rainbow Bible.

Brenda Hopper of Littlefield attended the bride as maid of honor. Kim Wood of Littlefield and Sherry Matthews of Irving were bridesmaids.

The attendants wore floor length gowns in the bride's chosen colors. The skirts of candy pink crepe flared from a fitted empire waistline to wide flowing hemlines. Low square necked bodices were covered with horizontal rows of white lace embroidered with pink roses. This lace was repeated in the full puffed elbow length sleeves. Bows of velvet matched their head pieces. Each carried a bouquet of pink asters and baby's breath entwined with matching satin and English ivy.

Lisa and Leslie Dutton of Las Cruces, N.M. presented wedding guests with pink ribbon-tied memory scrolls and rice bags. Their dresses were identical to those of the maid of honor and bridesmaids.

Patricia Conway of Littlefield registered guests.

Brad West of Sudan was best man. Groomsman were Gary Edwards and Brent Whiteaker of Sudan. Ushers were Reagan Baker of Spearman, cousin of the groom, and Bobby Matthews of Irving,

brother of the bride. Lisa Gariand played traditional wedding selections on the organ and accompanied soloist Jan Sisson who sang "More" and the "Wedding Prayer." The couple knelt before the altar on a satin-covered kneeling bench during the singing of the prayer.

Ushered in by her son, the bride's mother wore a fitted formal length gown of pink on white floral design interwoven with threads of silver. A narrow band of seed pearls and rhinestones accented the neckline and the wrists of long pink chiffon sleeves.

She wore a white orchid and carried a single rose presented as her daughter approached the altar.

The groom's mother chose a blue formal gown. Her corsage and a long stemmed rose were identical to that of the bride's mother.

The three grandmothers wore orchid corsages.

Following the ceremony, Pat Conway was in charge of the reception. Serving were Karen Morton of Littlefield, Liz Harlan of San Angelo, Marcia Payne and Dotty Bailey of Arlington.

Members of the kitchen party were Mmes. Bruce Reagan, Bill Blackman, B. D. Garland, Jr., Robert Kloiber, Billy G. Smith, Harry Woody and Travis Hopper.

Guests were served from a lace covered serving table with crystal and silver appointments. Pink asters decorated the silver candelabra. Greenery and the bridesmaids' bouquets completed the decoration.

A three-tiered wedding cake was topped with miniature bride and groom. The cake was served with pink rosebud mints, nuts, pink punch and coffee.

For a wedding trip to New Mexico, the bride chose a three-piece knit suit of red with navy trim and navy accessories and wore a red glamelia corsage.

The couple will be at home at 306 Temple in Sudan. The groom attended South Plains College and is farming in the Sudan area.

Monty Newton Selected

ANTON— Monty Newton, Anton High School senior, has been selected as Student of the Month for September.

His favorite sport is football, which he has played every year of high school. In football he has been a varsity letterman two

years. He is also one of the Anton varsity football captains this year. His junior year, he was named to the All-district defense.

He has also played basketball two years.

He was vice-president of his class as a sophomore and was selected as junior favorite last year. He is now serving as president of the Senior class.

This is Monty's third year as a member of the National Honor Society and is serving as chapter president this year.

Monty has worked as member of the "Bulldog Bark" staff three years, and on the annual staff two years.

He has participated in UIL in the division of persuasive speaking. He was member of the one-act play cast at Anton which progressed to the state meet with "Our Hearts Were Young and Gay" last year.

He was a member of the FFA one year and was part of the chapter's conducting team his freshman year.

Rotary District Governor To Make Visit

Rotary District Governor Dr. Emil Prohl of Tahoka will make his official visit to the Littlefield Rotary Club, holding a club assembly meeting Oct. 2, Wednesday night, and speaking at the regular Rotary Club meeting Oct. 3, Thursday noon.

Prohl will discuss the program of the coming year for the 46 Rotary clubs in this 573rd District, which covers most of Northwest Texas. Theme for this year is "Renew the Spirit of Rotary."

District Governor Prohl, a retired physician-surgeon, is a native of Port Arthur, and is a 1935 graduate of Baylor University College of Medicine. He built and operated Tahoka Clinic and Hospital, and practiced his profession in this South Plains town from 1937 until retiring in 1972. He is a member of area, state, and national professional societies.

Dr. Prohl has been an active

Rotarian for 37 years, has held most offices, including president, in his home club, and is especially interested in International Service, Rotary Foundation, the Student Exchange Program, and Rotary Information. He has attended 20 Rotary District Conferences and served on various District committees, and has attended 16 Rotary International Conventions.

In other civic work, he has been active in Boy Scout and other youth activities, served on his home school board, in Chamber of Commerce work, and other community affairs. He has long been active in his church, serving as chairman of its board. He is a Mason, a Shriner, and has long been active in Eastern Star and Rainbow for Girls.

Dr. Prohl and his wife, Grace, have one son, Karl, an attorney, Kerrville; one daughter, Martha

Anton's CIA Conducts Meet

ANTON— Anton Community In Action had their regular monthly meeting at the Anton School Cafeteria Sept. 23, with Louise Boothe, president, in charge.

The program concerned community improvement. Special guests who gave information concerning this were Bill Taylor, Hockley County Agent from Levelland; Gary Stanford, assistant county agent; Mrs. Jewel Robinson, Hockley County home demonstration agent and Mrs. Larry Pittman, assistant home demonstration agent. Pittman and Mrs. Stanford were also present.

Mrs. DeWayne White spoke as a representative of the 4-H clubs. She asked for support for the arena that is being planned by the 4-H clubs. Representatives of the Anton Young Farmers were present and reported that they were supporting the Rodeo Arena and would help with the project.

Garland Marshall of the Texas A&M Extension Service will be at a community meeting in Anton Nov. 19th to speak concerning Community improvement. Everyone is urged to attend.

The CIA voted to sponsor the donkey ball game again. The time will be announced at a later date.

HOW TO TIE-IN LIVING ROOMS AND DINING ROOMS

Whether your home has a separate living and dining room, or whether they're together, here's an idea to make the rooms seem different—yet still have harmony with each other.

Whatever colors you have on major items in the living room, use entirely different colors on accessories in that room—and then pick up those different accent colors to use on the major items in the dining room.

In this way, the two rooms would have contrast and still be harmonious, as the secondary color in the living room becomes the primary color in the dining room. Thus, you can draw the two rooms together without taking away from the distinctiveness of each.

You might want to use a different background color in the dining room than you have in the living room, and then you can use the same color that's the background color in one room on a few separate pieces in the other room to give you unity.

When it comes to furniture for the living and dining room, there are so many interesting pieces on the market today, and we'll be happy to show them to you and discuss your particular decorating problems with you. Stop in and talk it over. We think you'll enjoy seeing all the new furnishings and ideas.

Why Unleaded Gas?

If you are thinking about buying one of the new 1975 model cars, it is important to know that most of these cars can only use unleaded gasoline.

Why unleaded gas? It has to do with clean air and the catalytic converter, a device in most 1975 cars for reducing automobile exhaust pollutants.

In a new, free publication, Why Unleaded Gas? the Environmental Protection Agency explains why the grade of gas is critically important to the life of your catalytic converter and discusses the availability of unleaded gas. Single copies are free from Consumer Information, Pueblo, Colo. 81009.

Here are some facts:

"The 1975 catalyst-equipped car is a marked car. In the vicinity of the gas cap and on the dashboard, you will see a label which clearly reads, "unleaded gas only".

"The ability of the catalytic converter to perform is seriously impaired by even small amounts of lead, a common

ingredient in "regular" and "premium" gasoline.

"Most 1975 cars with catalytic converters have a special gas filler pipe which is compatible with—and only with—a special nozzle on all unleaded gas pumps. This is to prevent leaded gas from accidentally being pumped into your car's tank.

"Since July 1, 1974 more than 100,000 gas stations have been selling unleaded gasoline. By the end of December, 1974, about one out of every two stations in the country will be equipped to sell unleaded gas.

Why Unleaded Gas? (free) is one of approximately 250 Federal publications listed in the fall edition of the Consumer Information Index.

Published quarterly by the Consumer Information Center of the General Services Administration, the Index is available free from Consumer Information, Pueblo, Colo. 81009 and at federal information centers located throughout the country.

National 4-H Week

THE WEALTH of a nation can be measured by the intelligence, courage, integrity and compassion of its young people.

In a single blink of history's eye, today's young people will be carrying the torch of responsibility for the security, progress and welfare of the U.S.

NATIONAL 4-H WEEK, to be observed Oct. 6-12 this year, will honor one of the country's outstanding youth guidance and leadership organizations. The theme is "4-H—We Can Make It Happen." Involved in the 4-H program are 500,000 adult and teen-age volunteer leaders and five million members, ranging in age from nine to nineteen. The programs cover a wide range of

skills and knowledge essential to successful living—including individual and family resource management; animals and poultry; energy, machines and equipment; health, personal development and relationships.

THE TRAINING and experiences in 4-H programs have unquestionably proven to be a rich source of satisfaction and help to the more than 33 million "graduates" in building their adult lives.

During its special week in October, and throughout the year, 4-H deserves the support and cooperation of every American. It is helping to build the human resources that represent the nation's future.

Causes Of Death Change Over Past Forty Years

Do people die like they used to?

A check of Lamb County death certificates 40 to 43 years ago show that just as lifestyles have changed since the Thirties, death styles have changed, too.

Both birth records and death records are closed to the public in Lamb County. The birth records are closed to keep persons from prying into illegitimate births, etc. Death records are closed to the public to keep such disclosures as "death due to syphilis—or death due to insanity" from becoming public scandal.

Through the cooperation of the county clerk's office, causes of death—without the disclosure of names—shows that the only present day major death causes of heart disease, or heart failure as it was usually called, and cancer and diabetes mellitus were considered major killers when Lamb County first started recording deaths.

According to the death certificates in the early 1930's, stillborn deaths led the list. Other causes of death as attested to by various doctors in the county at that time include numerous mentions of malnutrition, influenza, diphtheria, whooping cough, typhoid fever, pellagra, undulant fever, scarletina, tuberculosis, gangrene, peritonitis, miscarriage and other reasons for death that are all but obsolete today.

Senility and old age were given as causes of death in many instances.

Whether it was the poor spelling of the clerk who recorded the death certificates or the doctors who supplied the information isn't clear, but the spelling of some of the diseases is so far amiss that some of the causes of death seem ironical.

Several deaths were listed as the result of automobile accidents and three deaths resulted from a plane crash in 1932. And the '30's had their share of suicides, too.

Although several suicides were due to gunshot wounds, there were some bizarre suicides with one poisoned by strychnine. One suicide said death was due to both carbolic acid and a gunshot wound.

Apparently the number of alcoholics was fairly consistent, too. Along with various liver malfunctions, doctors often noted "heavy drinking" as a contributory cause of death.

Nephritis or Bright's disease, consumption, and apoplexy were listed

again and again as causes of death. Bright's disease or nephritis is a kidney inflammation. Apoplexy is a sudden paralysis, usually a result of a hemorrhage, and consumption is a term used interchangeably with tuberculosis.

Other unique entries in the county records show death resulted from general weakness, meningitis, dysentery, improper diet, prematurity, stomach trouble, spina boida, tonsillitis, alcoholic poisoning, age and worry.

In the space for doctors to list attributing causes of death, one doctor wrote "don't know," another wrote "she was dead when I saw her." The cause of death from a miscarriage was listed as "lifting a bucket of coal."

A Woman's View

By PEARL BRANDON

I READ an article a few days ago which said no matter what happens, keep up your courage. Be brave.

Shakespeare profoundly expressed it in these words: "Towards die many times before their death. The valiant never taste death but once."

I THINK all of us have a certain amount of cowardliness about us. We are afraid of what may happen.

Of course there is always a bright side to everything if we will allow ourselves to see it.

When trouble comes, our friends gather around us offering all the courage and strength and help that we can use. I am so grateful for our friends and loved ones.

LIFE IS sacred and time is precious and we shouldn't waste it worrying over what may come.

One man said "a suffering world pictures to us the realities of life."

It does teach us that life must be lived in a world of many troubles and hardships and we all have to meet them in our own way with the help of God.

I READ a little story once of a King riding by in his chariot and passed a stove cutter on the road and said to himself, "Oh, if I could be like that man—no problems, no worries."

Just then the stove cutter looked up and saw the king and said, "Oh, if I

could be like the king riding in that great splendor, no worries of trying to make a living as a poor stone cutter."

THE SUN is shining beautifully today and people are out mowing their lawn and working in the sun. What a relief from all this wet weather as badly as we needed it.

All of us have great problems to face and it pays us to get a hold of ourselves, put our faith in God and go forth to meet them.

THE OTHER day I was waiting in the hospital lobby when an elderly man was in there to see a doctor and he said, laughingly, "you know I think I had rather be old as sick."

People like that give you a lift just to be around them.

THIS WEEK my husband and I have been interviewing elderly people for the "meals on wheels" program again, and we have been in all kinds of homes.

I didn't talk with a one of them that didn't give me a lift. They are all such wonderful people—some of them living on very low incomes and all of them suffering from some kind of illness, but all were cheerful and ready to laugh at any kind of little jokes.

THE LORD said to His people, "I will never leave thee or forsake thee."

When life gets hard, we feel so inadequate for life's problems, and we need to respect this over and over.

Tanner, a freshman at the University of Texas at Arlington, collapsed at Muleshoe City Park and was dead on arrival at West Plains Memorial Hospital at 7:50 p.m. Wednesday. He died of an apparent heart attack.

Born in Littlefield, Tanner had been a resident of Bailey County for the past 13 years. The family moved from Littlefield to Springlake, and from Springlake to Lazbuddie before settling in Muleshoe.

Tanner graduated from Muleshoe High School in 1973. He was a staff member of the high school paper and active in the band program. He was a member of the Future Farmers of America and the Future Teachers of America. He competed in solo and en-

THE ABUNDANT LIFE

Consider Others

ONE OF THE MOST admirable human traits is sensible consideration of other people.

It is admitted that some persons are inconsiderate of their fellowmen; however, it is encouraging to know that there are many people who do "consider others"; in all of the helpful, polite and understanding ways.

POLITENESS is a continuing, and probably the most frequent way we "consider others". Some appearance of politeness may be superficial, but true politeness is a sincere regard for others; and is the oil that lubricates the machinery of our social order.

Politeness is very important to all of us; to our personal and our collective well-being.

"THE ONLY TRUE SOURCE of politeness is consideration; that vigilant moral sense which never loses sight of the rights, the claims, and the sensibilities of others." -Simms.

OVERLOOKING everything we can, in the mistakes of others is one of the justified ways we can "consider others". This includes the things people say, which are oftentimes nothing more than slips of the tongue. It may also include the unkind and critical remarks they make about us.

When others say or do unpleasant things out of their irritation, or disappointment, or misunderstanding; consideration is the better way, consideration that helps us disregard the unpleasantness. As a plus, most of these people will appreciate our understanding.

KINDNESS IS THE BASIC attitude of

mind which causes us to "consider others", because it is the and humaneness of "considering another's welfare". Of course most effective, it will be considered directed by good sense of judgment.

We can surely understand the importance of kindness, in our toward others; because we are very much we appreciate the expressed toward us.

"BE KIND. Remember that you meet is fighting a hard Anon.

A WISE SYMPATHY toward others is one of the important "consider others". We feel we and say and do the indicated strength and sustain them, not always know what is best, try.

We can, at least, let people we care.

"THE ONLY TRUE KNOWLEDGE of our fellowman is that which we feel with him; which gives ear for the heart impulses beating under the mere circumstances and opinion." -Eli

WE LIKE FOR OTHERS to "consider" us, in all of the best ways living would be very, very good. Others did not show any consideration for us. Knowing this, it should for us to "do unto others as we have them do unto us".

In the general associations make up our daily living, it important that we "consider

IN A RECENT ARTICLE, Turn Row suggests that we put all civic funding (Boy Scouts, Girl Scouts, Heart Fund, etc.) under collection by tax.— Rather, being funded through sales taxes.

DO HOPE NO ONE takes him seriously about his brainstorm.— I do think it's illegal, in the first place. In the second place, I'm against anything that might give excuse to raise our already exorbitant taxes, and in the third place, all these things were supposed to be "good works" supported by free-will contributions.

As I recall, the UF bit the dust in our community, simply because the coverage was too great. Some did not want to support some of the organizations supported by the United Fund.

IT WAS UNPOPULAR with some of the people simply because so much pressure was brought to bear on them to contribute.— Almost to the point of taxing.

If Turn Row will just let us know the next time he feels one of these "Storms" coming on, perhaps we could launch some of the weather planes to slow it down. Else, someone might get hurt!

Whitharral Homecoming Scheduled Next Weekend

Whitharral High School will be celebrating homecoming activities this weekend, when all students and teachers are expected to return to renew acquaintances and make new memories.

Homecoming activities will begin with a black light pep rally in the gymnasium Thursday night at 8:15, and followed by a parade at 2:15 p.m. The activities for Friday, another pep rally will be held at 2:45 in the new gym.

Following the game, the Whitharral Lions Club will serve an annual chili supper from 7:30 p.m. in the school cafeteria. Tickets are \$1.50, and will pay for all the chili you eat.

The homecoming game will be at 8 p.m. in Panther Stadium when the Panthers will play the Borden County Coyotes of Gall.

At halftime, the homecoming king and queen will be crowned in a coronation ceremony. Queen candidates are Rhonda Bryant, sophomore, and Sherri Gage and Cynthia Ann Wade, both seniors.

Football hero candidates are Leslie Dockery, junior; Danny Dukatnik, senior; and Michael Grant, senior.

Friday has been designated as black and red day, and everyone is asked to wear something red or black. Also during halftime activities Friday night, special dad's night recognitions will be made, when the fathers of all the football players will be introduced.

Following the game, a reception will be served to all Whitharral exes and the football boys and their parents.

Other events connected with homecoming include a car decoration contest Friday, and a sign contest for all Whitharral students in the elementary, junior high school divisions. The sign contest is being sponsored by the Whitharral Young Homemakers, and all signs are to be up by Wednesday, Oct. 2, for judging.

Hospital Auxiliary Honors Jr. Volunteers

The Hospital Auxiliary of Littlefield honored Junior Volunteers (candy strippers) with a luncheon in the Flame Room of the Pioneer Natural Gas Thursday, Sept. 26.

Fifteen candy strippers worked in the two local hospitals this summer with a total of 913 volunteer hours donated.

They are Sharon Healy, Carol Hobratchk, Peggy Williams, Lesa Berry, Rhonda Hall, Stephanie Benner, Michele Sawyer, Carrie Ware, Pam Parrott, Leigh Kirby, Linda Sanderson, Jan Heller, Lorrie Wilkinson, Debbie Daniel and Kim Daniel.

Stephanie Benner gave a talk on the work of the hospitals and projects (making tray favors for the entire year.) Carol Hobratchk gave a report on the Junior Convention (Texas Association of Hospital Auxiliaries) held in Houston, July 23-25.

Five Junior Volunteers and one counsellor, Mrs. Dixie Hall from Littlefield attended. There was a total attendance of 1,054 from Texas.

Mrs. Ruth Hinds, Junior Volunteer director, presented 50-hour pins to Peggy Williams and Pam Parrott. Kim Daniels was not present to receive hers.

100-hour bars went to Sharon Healy, Carol Hobratchk, Rhonda Hall, Stephanie Benner, Michele Sawyer and Pam Parrott.

Caps were awarded for their first 50 hours to those above, and to Linda Sanderson, Carrie Ware and Kim Daniels, who was not present.

A total of 22 Auxiliaries and candy strippers attended the luncheon.

Mrs. Lois Avery, president, presided for the business session.

Two new members joined the Auxiliary, Mrs. Marilyn Parker and Mrs. Ama Kirk.

MR. AND MRS. Mel Henieken, Albuquerque, N.M., visited in the home of her sister, Mr. and Mrs. J. D. Richards last week. Their mother, Mrs. J. H. Garner who has spent the past several months in the Richards home returned home with them to spend the winter.

A GROUP from Central Baptist Church went to the Hospitality House in Littlefield Sunday afternoon. The pastor, Rev. Harmon Bishop, brought a message and the group sang a number of hymns.

MR. AND MRS. B. Foreman celebrated their 60th wedding anniversary with a dinner in their home Sunday, Sept. 15. The Foremans are the parents of one son and two daughters, all who were present. They are Mrs. Earl Lewis, Englewood, Colo., Mrs. J. W. Jackson, Ropesville, and Vernon Foreman, Anton. They also have 9 grandchildren and 12 great-grandchildren. Others present were Earl Lewis, J. W. Jackson and Mr. and Mrs. Larry Jackson, Lynn, Lane and La Treacia, Ropesville; Mr. and Mrs. Ronnie Karvas, Carla Kelli and Kary, Lubbock, Rhonda and Larry Woods, Anton; Mr. and Mrs. Doug Simpson, Ricky and Robert and Russ, Big Spring; Mr. and Mrs. Tommy Johnson, and Tonya of Paris; Mr. and Mrs. Gus Marr, Shallowater; Mr. and Mrs. O. D. Matthews, Wichita Falls; Mr. and Mrs. Herbert Foreman, Wichita Falls; and Mr. and Mrs. Ace Connor, Snyder.

SPRINGLAKE-EARTH'S Doug Jones (32) makes an advance for the Wolverines Friday night in their close battle with the Sudan Hornets in Hornet Stadium. Coming with Hornet defense is Craig Harper (64) while Cliff Wood (84), right, advances to the point of action to help his teammate. (Staff Photo by Joella Lovvorn)

PETE CASWELL (25) made a four-yard gain for the Anton Bulldogs Friday night in Bulldog Stadium, but found tough going among a mob of Meadow Broncos. Lupe Rivas (63) comes to his aid in the background, but to no avail this time. The game was tied 6 to 6 at the close of the game. (Staff Photo by Joella Lovvorn)

THE SUDAN HORNETS stung the Springlake-Earth Wolverines in a close 16 to 14 game Friday night in Hornet Territory. Here, several Hornets join the referees in touchdown signal after Mitch Chester rolled across the goal line to gain the last touch down of the game for the Hornets. (Staff Photo by Joella Lovvorn)

THIS BLACK BASS was caught by Frank Lane of Sudan last week at Gauymaus, Mexico. Shown with the catch is B. T. Kisner who helped haul it in. Others going on the trip and catching approximately 1,000 pounds of fish were Curtis Wilkinson, Kenneth Harrell and Marvin Bowling.

Frosh, JV Split Wins

The Littlefield Junior Varsity and Freshmen split games with the Frenship Tigers Thursday afternoon as the JVs lost 38-0 and the frosh won by an 18-14 margin.

Coach Eddie Hooper stated that the JVs played hard but Littlefield was simply "out-classed." Littlefield suited up 18 players while Frenship had almost twice that amount, 35, suited up. "This attributed somewhat to our loss, Hooper said, "they just wore us down."

A fumble early in the game set up the visitor's first touchdown and Littlefield was down 18-0 at the end of the first half.

Hooper singled out the play of Jack Speck and Dennis McCain for their efforts in the contest. Coach Buddy Comer's freshman team defeated Frenship by the score of 18-14.

Willie Mason scored the first TD for the fish on a 24-yard run, while Stan Jackson threw a 45-yard pass to Randy Taylor for the second score.

Raymond Baiza scored the final tally to give Littlefield the margin of victory. Comer singled out the play of Baiza, Kevin Wallace, Jeff Birkelbach, Bradley Allan and Kevin Gardner in the contest.

SUDAN 16 WOLVERINES 14

In a real thriller here Friday night the Sudan Hornets took a fourth quarter touchdown to take a 16-14 victory over Springlake-Earth Wolverines. Quarterback Mitch Chester scored the winning tally sneak from a yard out touchdown was set up fumbled punt by the Wolverines who currently are 4-3.

The Wolverines scored when one of their defense members picked up a fumbled punt and ran 17 yards to the end zone.

Sudan's Danny Williams scored on a 6-yard drive in the middle in the second quarter. Richard Tamplin then kicked the PAT, and later in the game he kicked a 20-yard field goal.

Sudan regained the lead in the third quarter when Jake Williams dashed 27 yards for a TD.

Sudan's Williams game yards rushing.

only to their own 47 yardline before another punt was in order and this time the call came in loud and clear from the sidelines as Turner booted a 53 yarder. Muleshoe started their big drive of the night at this point (when they recorded their two first downs of the second half) and moved the ball to the 'Cat 32 before a fourth-down pass fell incomplete. With 4:43 left in the game, Littlefield started on their own 32. Six plays later, Littlefield was again

forced to punt from the mid-field stripe. Turner, with good blocking on the line, again put his foot into the pigskin as he booted a 48 yarder and Muleshoe ran it back to their own 8 yard line.

On the first play of their possession, QB Carey Sudduth was swarmed under by a host of Littlefield Wildcats in the endzone to give the Cats two more points to make it a baseball-like score of 5-0 with 2:21 left in the game. Following the free kick by Muleshoe,

Littlefield had the ball on the Mule's 23 yardline via Turner's 37 yard runback. Three running plays netted two yards and with 40 seconds left to tick off the clock, Turner again connected on a field goal. This one was 38 yards long and Littlefield had all the points on the scoreboard to make the final tally, Muleshoe 0, Littlefield 8.

Next week, the 'Cats will host the Floydada Whirlwinds in a 7:30 p.m. game.

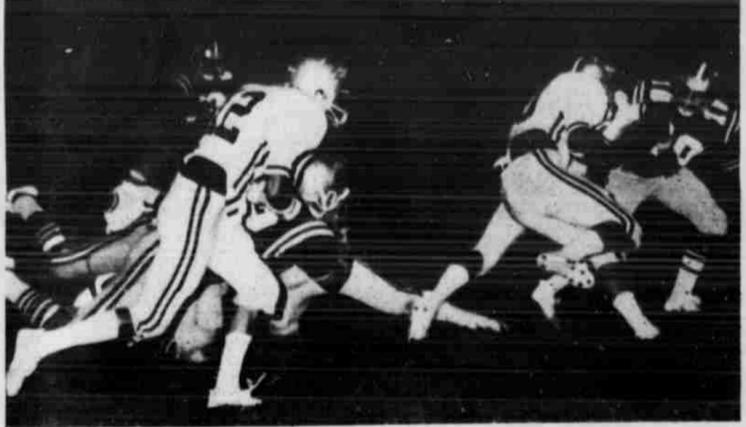

STANLEY PATTERSON snags a Ronald Parmer pass for awell, almost a first down in the closing minutes of the first quarter deep in Muleshoe territory. Littlefield won their second game of the season by shutting out the Mules 8-0 to bring their season mark to 2-1-1. The 'Cats host Floydada next week. (Staff Photo by Wade Warren).

SAMMY SCHLOTTMAN (left side of photo), Steve Cruz and Kip Elms display their pass coverage in Littlefield's win over Muleshoe. Muleshoe threw 8 passes without a completion and the tough 'Cat defense only allowed the

Mules 97 yards on the ground. Littlefield picked up 145 yards on the ground and 19 through the airways.

(Staff Photo)

BILL TURNER takes a handoff from QB Ronald Parmer and picks up three yards enroute to his total yardage of the night of 100 yards on 32 carried. Turner also booted two field goals to lead the Cats to an 8-0 victory over Muleshoe. Buddy Jungman rushed 12 times for 41 yards and Sammy Schlotzman picked up five yards on two carried to aid in the Wildcat offensive effort. (Staff Photo)

WHITHARRAL 18
WELLMAN 14
Bobby Avery uncorked a TD pass here Friday night to lead the Whitharral Panthers an 18-14 win over the Wildcats.
He threw 35 yards to Lee Dockery for one; 82 yards Mike Grant for the second; 16 yards to Gary Hayes for third. All three extra points failed.
Wellman scored on a 7-yard run by Brent Tankersley and a 40-yard pass play, Ken Jenkins to Tankersley. Tom Stunkard ran two extras for 'Cats.

ANTON 6
MEADOW 6
Anton's try for the untieing point was no good in the third period, but Bulldogs went on to post a victory via penetrations in a 2-B zone contest here Friday night. The contest wound up in a 6-all tie, but Anton won by a 4-2 penetration count.
Meadow scored first in the first period when Danny Bingham hit Mitchell McElroy with a 32-yard scoring pass. Meadow went for the 2-pointer but a pass was incomplete.
Anton tied the count in the third period with a 17-yard run by Donald Wills. Randy Spradley's extra-point kick hit the uprights and bounced back.

AMHERST 14
HAPPY 6
The Happy Cowboys aren't smiling as they dropped their fourth consecutive game here Friday night, 14-6, to the Amherst Bulldogs, now 1-3.
The Bulldogs scored two TD's in the second period to take a 14-0 lead into the locker room at the half. The scores came on a 1-yard run by quarterback Richard Holley, and a 15-yard strike from Holley to end Frank Williams.
Happy's scores came in the third period on a 5-yard burst by quarterback Terry McDonald.
