LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, FEBRUARY 17, 1972

FRANK ROGERS, LHS senior, was presented a Certificate of Merit Tuesday for his "high potential for college achievement by distinguished performance in the National Merit Scholarship Program in 1972." He is one of 750 national finalists. Making the presentation is High School Principal Earl Harris.

GROUP NAMES OFFICERS

Anti-Hail Maps Plans

Short was named president of County Better Weather, Inc., at an annual meeting in the district on Monday night. Orville is vice president, Dale Stanley secretary-treasurer and Dwight Faver and Messmore are directors of the group with a goal of hail suppression and less rain from thunder storms, less rainfall and fewer tornadoes.

The 1972 version of the hail suppression plan calls for joining Hale County in a plan that will raise enough funds to furnish two radar bases and four airplanes for seeding hail-filled thunderstorms.

Aim is to break up hail-filled clouds by shooting flares of silver iodide into them. While reducing hail is the primary purpose, side benefits include gentle and increased rain, reduction of insurance claims and premiums and fewer tornadoes.

Hale County is so sold on the program that they plan to finance the program alone, even if other counties do not raise

greater yields and quality of lint cotton per acre by better cultural practice.

Winners will receive cash awards of \$100 for first place, \$50 for second and \$25 for third for both dryland and irrigated production.

The following gins made donations to finance the program: Olton Co-op Gin, Littlefield Farmers Co-op Gin, Embury Gin and Farm Supply, Earth Gin Company, Gage Gin, Lumsden Gin, Circle Gin, Speck Gin, Lamb County Farmers Co-op Gin of Littlefield, Amherst Farmers Co-op Gin, Ellison Gin Co., Earth Co-op Gins and Farmers Co-op Gin of Springlake.

Stock Show Set At Earth

The Annual Junior Livestock Show at Earth will get underway in the 4-H and FFA Show Barn in Earth today, when youngsters from that area will begin getting their project animals in place.

Sifting of the animals will begin at 12:15 Friday, and judging will begin at 5:30. The sale will get underway at 1 p.m. Saturday.

Jack Jenkins from South Plains Junior College at Levelland will serve as judge for the lamb and steer divisions, and Ronnie Wood, assistant county agent in Lynn County, will judge the swine.

At presstime Wednesday, 10 lambs, three calves and a large number of pigs had been entered for competition. The show is being financed by donations from interested people in the community, and all members will be invited to attend the barbecue which is tentatively set for March 27 in the show barn. Buyers of the show animals will also be invited.

Show board members are Thurman Lewis, president; John Bridges, Weldon Barton, Tom Alair, DeWitt Kelley, Jearl James, Kenneth Hinson, Bob Phipps and Tene Templeton.

Farm Fact Day Slated, Farmers To Get Cash

A film that gives a first-hand report on the progress of Cotton Incorporated's million-dollar activities to increase yields and profits for cotton growers will be shown at the Farm Fact Day program in the Willy Room of the REA on Monday.

The annual soil fertility program begins with coffee and registration and ends at 5 p.m. Talks include "What's in Sorghum Diseases and Their Micronutrients and Recent Advances in Soil Testing," "Research Information on Insects and Control of White Grubs," "How to Kill Weeds and Control them," and "Increasing Yields and Profit for Cotton Growers."

The 4-H five-acre cotton program will be announced at the meeting, and winners will present the winners with prizes at the meeting.

The 5-Acre cotton program was started this year by the Lamb County committee, Lamb County ginners and Texas Agricultural Extension.

The Women's Singing Members

The Women's Singing Members, a civic organization affiliated with Littlefield's Chamber of Commerce and Agriculture, is holding a membership drive and is interested in all women who are interested in singing.

People think our organization is a "type of organization, and certainly not true," said the organization's president, Mrs. Janice. Anyone who wishes to work in the organization should contact the organization at 12 noon.

Interested members may attend the noon meeting Tuesday, Feb. 22, in the Reddy Southwestern Public Service Co., at 12 noon.

Cherry Guess Game Offers \$50 Prize

Birthday Bargains Presented Today, Friday, Saturday

How many cherries does it take to fill a huge water bottle?

If you can guess the answer, or come closest to the correct number, you can win \$50.

The cherry guessing game is part of Littlefield's big Washington's Birthday Sale Thursday, Friday and Saturday.

Besides the \$50 cash prize in the cherry game, a host of Littlefield merchants will be offering some of the best buys ever on a varied selection of merchandise. Look through the second section of today's paper to find all the money-saving bargains.

A photo of the cherry-filled bottle appears on this page, but the shrewdest mathematicians will want to come to Littlefield Thursday, Friday and Saturday to get a first-hand look at the problem.

There'll be two places where you can go to see the bottle. One will be on display in the window at 321 Phelps (the vacant building which formerly housed the Fair Store). The other bottle will be in the window at 429 Phelps (the old Knit Shop).

Just go by the display at either place (the number of cherries in each case is the same) and then figure out how many cherries you think the bottle holds.

Then visit the stores sponsoring this event and fill out your estimate on a "Cherry Guess" blank at the store. Visit as many of the stores as you wish and make as many guesses as you desire during the three-day period.

Anyone 16 years of age or older may enter this contest, except employees of the Leader-News and their families. No purchase is required.

The closest guess to the correct number of cherries in the bottle will win the \$50 cash prize. In the event of ties, the money will be divided. The winner or winners will be announced in next Thursday's Leader-News.

The stores where the "Cherry Guess" blanks can be filled out are: A&B Office Supply, Anthony's, Cox Furniture, Fashion House, Littlefield TV Service, Leader-News, Moss Shoes, Norma's, J. C. Penney's, Perry's Variety, Pratt's Jewelry, Roden Drug and Ware's.

HOW MANY pieces of cherry bubble gum does it take to fill a five-gallon water bottle? Come closest to the number of cherries in this jug and you'll win \$50. The cherry guessing game is part of Littlefield's big Washington's Birthday celebration sale today, Friday and Saturday. Debra Donelson, daughter of Mr. and Mrs. Delbert Donelson, 113 E. 19th, tries some of the cherry gum and gets a close-up view of one of the two identical jugs of cherries on display on Phelps. "Cherry Guess" blanks can be filled out at any of the 13 participating businesses.

Stock Brand Deadline Set

According to an act of the Texas Legislature passed during the last session all livestock owners have until February 29, to re-register livestock marks and brands with the County Clerk's office.

As provided by Senate Bill 249, any marks and brands which have not been re-registered during a period of six months beginning on August 30, 1971, through February 29, 1972, will be available for recording on a first-come, first-serve basis.

If an owner has not re-registered his mark and brand since August 30, 1971 and does not re-register it before February 29, 1972, it will be possible for some other owner to record the mark and brand on March 1, 1972, and the first owner of the mark and brand would lose his right to use that particular mark and/or brand.

As of August 30, 1971, each mark and brand must be recorded every 10 years from the date of the original filing.

On March 1, 1972, all records of marks and brands prior to August 30, 1971, now in existence in the County shall no longer have any force or effect. Only the records made after August 30, 1971, shall be examined or considered in recording marks and brands in the county.

It should also be noted that article 6891 designates that each county shall have a county brand. The county brand for Lamb County shall be designated as L.M. Owners of all horses and cattle, in addition to their private brand, may place said county brand upon the neck of all horses and cattle owned by them.

HUMORIST TO SPEAK

Olton Banquet Monday

Don Newbury of Fort Worth, a professional humorist and after dinner speaker, will speak for the Annual Chamber of Commerce and Agriculture Banquet in Olton Monday night, Feb. 21, in the school cafeteria.

Tickets for the 7:30 event are now available at the C-CA office for \$3.50 per person, and will be available at the door. Gene Trotter, president of the C-CA, urges an early purchase so that the proper amount of food may be prepared.

Olton's "Man of the Year" and "Woman of the Year" will be honored, and the new and old president, as well as new and old C-CA officers are to be recognized and honored.

Newbury, has spent more than a decade in college public relations, and prior to that time was sports director of a radio station, sports editor of a daily newspaper and a newspaper correspondent during his years of undergraduate study at Howard Payne College.

He served as assistant director of college information at HPC two years after he graduated, and then spent four years as director of college information and instructor of journalism at Sul Ross State University. He was publicist for the

Mr. And Mrs. Albus Observe Anniversary

MRS. KEN DAVIDSON and Tina of Albuquerque, N. M. arrived Wednesday to visit her parents, Mr. and Mrs. Clois Tomes and Kelly, John Moore, nephew of Mrs. Tomes, will be married Friday night at Clovis, N. M., to Paula Trapp. They all plan to attend the wedding.

MR. AND MRS. Jimmy Humphreys of Amarillo spent the weekend with their parents, the Gene Youngs and Jim Humphreys.

PEP-A Thanksgiving Mass for Mr. and Mrs. Fred W. Albus was held Friday afternoon, Feb. 11, in St. Philip's Catholic Church.

Before an altar of pink roses, they renewed their wedding vows with Rev. Kevin Clarke officiating.

Two of their sons, David and Stanley, were altar boys and Mrs. Franklin Green rendered soft organ music selections, of "Ave Maria," "On This Day" and others honoring Our Lady of Lourdes.

A reception was held at the Parish Hall. Beverley Albus registered the guests, in the Silver Anniversary Book, a gift from their grandchild, Corey. A dinner was served and the anniversary cake was cut by Kathy Decker.

All their children were present: Mr. and Mrs. Al Dueterhaus and son, Corey; Fred Jr., student at Texas Tech, Lubbock; Joyce, student at South Plains College, Levelland; David, Stanley, Jennifer and Anthony, all of the home.

Also attending were Rev. Kevin Clarke, relatives and friends from Amarillo, Hereford, Dimmitt, Nazareth, Littlefield, Levelland, Lubbock, Slaton, Morton and Pep.

The former Rose Fetsch and Fred Albus were married Feb. 11, 1947 in Rhineland.

RESIDENTS of the Hospitality House in Littlefield were honored with a Valentine party Monday at noon. Some of those present for the event were Arthur Williams and Mrs. L. L. Brawley, standing; and Allie Glover, Ada Teal, Lucille Fox and Mrs. Lela Henson, left to right respectively.

Doug Yarbrough Named Investigation Supervisor

Doug Yarbrough, 25, a 1965 graduate of Littlefield High School and a 1969 graduate of the University of Texas at Austin, has been named by the Houston-based engineering firm Lockwood, Andrews, and Newnam to supervise a water pollution investigation project on Central Texas lakes Buchanan and Inks.

The project is being done at the request of the Texas Water Quality Board and the Lower Colorado River Authority.

The engineering firm is investigating all types of water discharge near the lakes, studying soil types and topography of the area, and making technical recommendations to the state as to the suitability of areas near the lakes for further development which might impair the quality of the water.

The Texas Water Quality Board has issued strict limitations on further household

waste discharge near the lakes of the Highland Lakes Chain, and the engineering firm is providing the fieldwork necessary to insure that the Water Quality Board's and the State Health Department's requirements for water pollution control are being met.

Anyone wanting to build either a commercial building or a house within 2,200 ft. of any of the Highland Lakes must apply to the Lower Colorado River Authority so that appropriate tests can be run to insure that the proposed house or building does not pollute the water with waste discharges.

Yarbrough is doing the soil tests and inspections on all new building on lakes Buchanan and Inks.

Doug and his wife, Barbara, and their son, Barry, have moved to Lake Buchanan from Austin, where they have lived the past two years.

Activities

THURSDAY, FEB. 17
STORY HOUR will begin at 10:15 in the Lamb County Library in the basement of the courthouse. All pre-schoolers are invited. The library is now open 3 1/2 hours per week - from 10 a.m. to 5:30 p.m. including the noon hour.

Witness Group To Appear At Local Church

The "Jeremiah People" will be present Friday, Feb. 18, at 8:30 p.m., in the First Baptist Church of Littlefield.

There are six people featured in the contemporary witness group using drama, comedy, and music.

They are on a twelve-month tour of one-night presentations to church-related audiences from coast to coast.

There is no admission charge, and the public is invited to attend.

Mrs. Shine Miller Presents Program

Oklahoma Avenue Home Demonstration Club met Thursday, Feb. 10, in the home of Mrs. Lora Accord, and Mrs. Velma Cooper.

Mrs. Joe Bitner, president, presided over the meeting.

The devotion was given by Mrs. Vena Monor on the fifth chapter of Matthew.

A program was given by Mrs. Shine Miller on "making scarfs". Refreshments were served to 13 members, Mes. Rose Bass, J. W. Bitner, Fred Cook, J. M. Griffin, P. L. Helms, Fred Lichte, Vera Manor, E. T. Miller, H. W. Odom, J. W. Phillips, L. L. Massengill, Velma Cooper and Lora Accord.

The next meeting will be March 2, in the home of Mrs. Vera Manor.

Mrs. Weaver Feted On 88th Birthday

A Littlefield Hospitality House resident, Mrs. A. R. Weaver was feted with a dinner Feb. 12, in honor of her 88th birthday which is today.

Her seven children, several of her 20 grandchildren, 43 great-grandchildren, other relatives and friends were in attendance for the celebration.

Mrs. Weaver says that "talking about my being a great - great - grandmother sounds like I am getting old." Mr. and Mrs. Weaver first came to Lamb County in 1926, and she recalls leaving Vernon at 5 a.m. and arriving in Littlefield at 10:30 p.m. It had rained and the dirt roads were almost impassable. She told someone to unload the bulldog and unhitch the horses she had no intentions of ever going back to where they came from. However, as time went by, they made numerous trips back there.

Weaver was employed a number of years at the old airport before he died in 1946.

Two of the Weaver children now live in Littlefield, Mrs. Bill Jeffries (Fannie) and Jack Weaver. Bill Weaver lives at Amherst; Margie, or Mrs. Van Underwood lives at Petersburg; Sarah, or Mrs. Pat Tooley lives at Vernon; Virgie who married the late Gene Blevins, lives at Ft. Worth; and J. E. Weaver lives at Waco.

We're putting our money where your mouth is.

A lot of people have been shouting at the telephone companies these days. And, in truth, we've had our hands full keeping up with the zooming demand for increased phone service. But General Telephone and, in all fairness, the other phone companies haven't been sitting around counting down.

For some time now, we've been paying a healthy "phone bill" ourselves trying to make our service do everything you expect of it. And a few things you don't expect.

During the next five years we'll be spending millions of dollars in the areas we serve upgrading and expanding every phase of our phone operation. From laying underground cables (an important, if invisible area) to customer contact service (an equally important, but highly visible area).

But no matter how much we spend on equipment and expansion, it's what we do for you in your home or business that counts.

Ladies and gentlemen, we're working as fast as brains, manpower and money can combine to make our service as efficient as possible.

The Annual Conference draws attendance from the top of the Panhandle of Texas, Southern Oklahoma, Eastern New Mexico, and as far South as Odessa and El Paso.

Dr. Roy McClung, president of Wayland Baptist College will welcome the participants in the annual conference.

Sessions will be at 9:30 a.m., 2 p.m., and 7 p.m., Monday and Tuesday. The closing session will adjourn at 9:15 p.m. Tuesday.

Announcing the most complete warranty ever put on a used car.

Covers engine, transmission, rear axle, brake system and electrical system for 30 days or 2000 miles. And you get special savings on all parts and labor for the first 24 months.

USED VEHICLE DEALER WARRANTY

No. _____

This Warranty is issued by the undersigned, an authorized Chevrolet Dealer (hereinafter called the Selling Dealer) to:

Name _____ Address _____
 City _____ State _____

(Hereafter called the Purchaser) in consideration of the purchase of a used motor vehicle (hereinafter called the Vehicle) described as follows:

Year _____ Make _____ Type _____
 Motor No. _____ Serial No. _____ Stock No. _____
 Mileage shown on odometer at delivery _____

STATEMENT OF WARRANTY
 Subject to the provisions and conditions stated below, in the event of mechanical failure of the Vehicle, the Selling Dealer agrees as follows:
 (1) For a period of 30 days, beginning _____ to _____ or 2,000 miles after delivery (whichever occurs first), the Selling Dealer agrees to repair or replace the engine, transmission, rear axle, brake system, or electrical system—without charge—to the extent necessary to keep the Vehicle in serviceable condition under normal use.

PROVISIONS
 (a) Mechanical failures resulting from collision, accident, abuse or lack of maintenance, are expressly excluded from the above warranty.
 (b) Repairs are to be made in the Selling Dealer's Service Facility.
 (c) Such repairs do not qualify under any new vehicle warranty still applicable to the Vehicle.
 (2) Upon the expiration of the warranty period specified in (1) above and for a period ending 24 months from the date the warranty period specified in (1) above commences, the Selling Dealer will allow a discount of _____ off the normal retail charges for parts and labor repair necessary to keep the Vehicle in serviceable condition under normal use.

This Warranty is not valid unless signed by the Selling Dealer's authorized department head and by the Purchaser, who is to retain a copy.

Dealer's Name _____ Signature of Department Head _____
 City _____ State _____ Signature of Purchaser _____

PROVISIONS
 (a) Repairs are to be made in the Service Facility of the Selling Dealer or other participating participating Chevrolet Dealer at such Chevrolet Dealer's regular retail price.
 (b) Expressly excluded from Warranty coverage are damage from rust, theft, accident or abuse, or limited maintenance services such as oil changes, air filter changes, battery service, etc.

GENERAL CONDITIONS
 This Warranty is issued by the Selling Dealer and is not by the manufacturer of the Vehicle.
 This Warranty is expressly in lieu of any other warranties, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose, and any other obligations or liabilities on the Selling Dealer's part and Selling Dealer neither assumes nor authorizes any other person to assume for it any other liability in connection with the sale of the Vehicle.
 This Warranty may be available with the Vehicle at the time of sale, and for any repairs or adjustments, and is not transferable or assignable.
 (Warranty is not valid unless signed by the Selling Dealer's authorized department head and by the Purchaser, who is to retain a copy.)

In witness of all the above provisions, we have attached our signatures this _____ day of _____ 19 _____.

Many Chevrolet dealers are announcing the most complete warranty ever put on a used car. Count your blessings. First, you're protected where it counts most: on the major mechanical parts of the car you buy. And that lasts a healthy 30 days or 2000 miles, whichever comes first. Second, you get special savings on any parts or labor you need. From the day you buy for 24 months. Third, the special savings are good all across the country at most Chevrolet dealers. Say you're on a vacation trip and find you need service. You just get in touch with a participating Chevrolet dealership. All you do is show an OK warranty identification card you receive when you buy your used car. Your Chevrolet dealers' new OK warranty. It takes the guesswork out of used car buying.

STATE CAPITAL Highlights AND Sidelights

By BILL BOYKIN
TEXAS PRESS ASSOCIATION

The complex question of financing May and June primary elections is heading for a final legal test.

Comptroller Robert S. Calvert asked Atty. Gen. Crawford C. Martin for an official opinion on Secretary of State Bob Bullock's plan to pay for the party primaries with state funds.

Bullock forced the issue to a head last week by handing Comptroller Calvert \$73 worth of initial pre-primary bills and asking him to pay them.

Calvert balked and took the matter to Martin for advice.

"I will not pay anything out of the treasury for this unless I have a written opinion from the attorney general or an order of the court," said Calvert. He added he does not think Martin will advise him to pay the bills submitted by Bullock.

"If the vouchers are, for some reason, not approved, I intend to place this question before the Texas Supreme Court at the earliest possible moment so that the entire matter of primary financing can be adequately, equitably and finally resolved," Bullock stated.

He moved with court authority to formulate rules for the primaries after a three-judge federal court Jan. 20 struck down the filing fee law relied on to finance the spring elections. Gov. Preston Smith proposes to transfer to him more than \$1 million for paying primary bills if the plan is finally cleared by legal authorities.

Rep. Rayford Price of Palestine accused Smith and Bullock of pre-empting prerogatives of the legislature, and said the governor should call an immediate special session to give lawmakers another whack at resolving the problem. Reps. Price Daniel Jr. of Liberty and Jim Nugent of Kerrville defended Smith and Bullock and charged Price was trying to further his House speakership campaign.

Daniel and Nugent are also seeking the speakership.

PRIMARIES CROWDED

A total of 55 candidates for statewide office entered the Democratic primary before the Feb. 7 filing deadline. There are contests for every office on the statewide ballot except four judicial places.

Republicans fielded only 10 state office candidates — and seven of them are running for governor.

There are 10 Democratic candidates for governor, five for U. S. Senator, nine for lieutenant governor, three for attorney general, nine for comptroller, seven for treasurer, two for land commissioner, two for agriculture commissioner and four for railroad commissioner.

Republicans have only one candidate each for U. S. Senator (incumbent Sen. John Tower), treasurer and railroad commissioner.

For Sen. Ralph W. Yarborough and Barefoot Sanders of Dallas are the leading Democratic candidates for senator. Governor Smith, Lt. Gov. Ben Barnes, Dolph Briscoe of Uvalde and State Rep. Frances Farenthold of Corpus Christi will stir most of the action in the governor's race. Three state senators and a newspaper executive are battling for a runoff spot for lieutenant governor.

COURTS SPEAK

Texas Supreme Court ordered a district court trial of an Andrews property owner's suit to force his local school board to tax bank stocks.

The High Court also held a 57-year-old woman who received a broken leg after being butted by a "petting zoo" goat cannot collect damages from Six Flags Over Texas.

The State Court of Criminal Appeals reversed convictions of three El Paso men for possessing obscene material (girlie magazines) for purpose of sale.

For the second time, the Court of Criminal Appeals reversed lower courts and ordered a new trial for a man arrested with a truck load (567 cases) of cigarettes which had no state tax stamps.

AG OPINIONS

District clerks are required to report to vote registrars felony convictions where probated sentences are assessed as well as other convictions, the attorney general has held.

So You Got A Ticket?

Maybe you're one of them. Are you one of the people who call me on the telephone or write me a letter to tell me my troopers are stopping motorists and giving them tickets for "no reason at all"? I wouldn't know — you never give your name!

You tell me you're a good citizen and a safe driver just using the highways for what they were intended — speed. And that "dumb cop" gave you a ticket.

You break my heart! I hope next time you're tearing down the road at eighty-five miles an hour that trooper catches you again. I hope he gives you another ticket and a traffic judge takes your license away. I hope he catches you before you smash into a concrete bridge abutment at eighty-five miles and hour and he has to help pry your lifeless body out of that crushed speed machine of yours.

I hope we can teach you a lesson with a ticket so maybe you won't cause a wreck and cost somebody else his or her life.

You really break my heart telling me you don't have time to go to court about that ticket. I wish you could come with me to the scene of a wreck sometime. I wish I could make you stand and watch a man write in the gravel on the shoulder of a highway while he waits for an ambulance that will be there too late to do anything but carry him to the morgue!

I wish I could make you help scrape the bits of bone and flesh of a whole family off the asphalt and into baskets. You'd vomit just like my troopers do; but you'd think differently the next time you climbed into that car of yours and sped away.

You said you were driving safely when the trooper stopped you. The road was clear and there was no harm in edging the speed limit a few miles an hour — you said. I'm really impressed with your ability to judge road conditions. I'm sorry a trooper wasn't at that place a few months ago when a man with a wife and four children had a blowout at over eighty

miles an hour. He might have slowed him down; and his children would still have a father and his wife a husband.

Oh, am I getting you mad again? That man might have been mad if the trooper had stopped him. He might have written me a letter. But he'd be alive.

Your letter doesn't bother me, friend. What bothers me is that you apparently haven't learned your lesson. You're probably going to get back behind the wheel of your car thinking you own the road and nothing can happen to you. You don't think about the other people on the road who want to go on living, just like you do.

And who gave your kid driving lessons? You? Then he's probably gotten a couple of tickets, too. It's no wonder he weaves in and out of traffic, speeds and leaves strips of burned rubber at stoplights.

I hope we catch him, too, mister, before we have to call you and your wife to come identify his body at the morgue. I don't want to watch you crying and wishing you hadn't let him have a car until he learned to drive maturely.

And you say you want my troopers to let you off with a warning. What you really want is for us to stop doing our jobs! You want us to let you go until you meet another guy just like you — head on!

I wish you could come with me to a wreck and see the seared body of a victim after the fire department has finished its job of extinguishing fifteen gallons of flaming gasoline. I wish you could go with me to her home and help me tell her husband that his wife isn't coming home because some idiot ran her off the road WHILE TRYING TO PASS HER. I want you to help him explain why mommy won't be home.

You're mad because you got a ticket, and you have to take time off from work to go to court. You break my heart, mister!

THE ABUNDANT LIFE

From Adversity

ADVERSITY AIDS us in a number of ways, if we respond in the best possible manner.

Of course, if we just give up and quit, we become the victim rather than the victor. We must decide whether we want the impact of adversities to be the challenge by which we grow a little stronger, or the test that we fail.

"ADVERSITY EXASPERATES fools, dejects cowards, draws out the faculties of the wise and industrious, puts the modest to the necessity of trying their skill, awes the opulent, and makes the idle industrious." — Anon.

There is too much of the spirit of defeatism in the thoughts, the words and the actions of too many people. We must never resign ourselves to defeat and loss. There may be temporary stoppage, and even some permanent set-backs; but these conditions must be viewed as nothing more than part of the life challenge.

DISCOURAGEMENT COMES too easy to many persons, and it dissipates their strength. This has the effect of making the obstacles bigger than they are; and enlarging the adversities until they are overpowering.

When we let this happen, we get what we deserve — a life situation that is miserable, inadequate, and unworthy of our origin, our nature and our potential destiny.

WE MUST NOT FEEL HURT, or overly disappointed by adversities. They are the common lot of all people.

There is no just basis for assuming that

we will never be touched by better that we admit to uncertainty, and accept the challenge they present to us. Let this be a normal living experience.

"THE SHARPEST STING of adversity borrows from our own impatience to overcome."

The challenges must be seen as they are, opportunities to sharpen and strengthen our living skills. They are a general challenge, about the same for all responsible persons; but they are special challenges for each one of us.

IT IS TRUE that not all challenges from adversities, but those which come from adversities seem to be the most reluctant to accept. We must remember that satisfaction in living comes from the knowledge that we are honestly doing our best to cope with these.

NO ONE ENJOYS the adversity through which such necessary changes take us, but, when we have passed through we are a little stronger and a little wiser.

WE MUST REMEMBER that we have a choice about how we respond to what happens to us.

If we view adversities as the cover before them, as the test we accept them as challenges, and meet them with a spirit of fortitude and endurance, we will win.

PHILOSOPHER

New Tax

(Editor's note: The Sandhills Philosopher on his Johnson grass farm comes up with a counter tax proposal this week. Its success seems dim.)

Dear editor:

As I understand it, Washington, faced, like you and me, with the problem of having more demands for money than it has, is considering a new kind of tax called the Value-Added Tax.

The way it works, I've been told, is that every time a product is improved, from the iron ore stage through the steel process through manufacturing to the finished automobile or tractor or whatnot, a Value-Added tax is imposed.

When a steel company turns ore into steel it has increased its value so at that point a tax is assessed. The company pays the tax but adds the amount to the price of steel. When the steel is forged into a knife or a car bumper, naturally its value has increased so another tax is assessed there, which that manufacturer pays and then ups his price by that much, and so it goes, every step being taxed and added to the cost of the finished product, which by then is carrying a pretty heavy load which is paid in the end by the consumer.

This is being heralded as a new source of tax revenue, which in political

phraseology means a new way of the same old source, you and me, rest of us.

Now understand I don't object to a tax, anymore than I object to a tax, and after all land and other taxes can stand just so much tax, and has already been reached and, most places, but the consumer is entitled to some small break in a tax proposal, and I have a suggestion.

If he's going to pay a Value-Added tax, the way from iron ore to the finished product ought to be entitled to a Value-Refund every time the finished product is back down on its way to scrap.

Say you pay \$3.50 for a new car, years later when you trade it in, one of the dealer looks in his book and it's worth \$500. Clearly you ought to throw the Value-Added tax and collect a Value-Lowered tax. The same would apply to other television sets, tires, tractors, etc.

I hope you'll call this to the attention of Congress. A dealer just offered me my old car, provided I'd bring it back.

Snow? Sure, you mean you didn't know? You haven't heard? Well, maybe you didn't notice — but it snowed last week! It was really pretty and fun. (Even though there wasn't enough to build snowmen!) Hope for more!

DID YOU hear about Perry? He got Karen a box of Valentine's candy and on the card it said, "To Karen — with all my allowance."

THE LAST basketball games were played this week.

Mrs. Aaron — Ben, what's the matter? Your handwriting gets worse all the time. Ben — If I improve my writing, you'll complain about my spelling.

Solo and Ensemble Contest is getting closer everyday. So practice and bring home some "flashy" metals.

THE DRIVER'S Education class will be starting soon so remember to bring your money and your birth certificate!

Cheryl W. — My horse knows as much as I do.

Cindy H. — Don't tell anybody. You might want to sell it someday.

THERE IS only about one more week left before six-weeks tests come around

again, so you'd better start working on those grades that need to be brought up!

Confucius say: He who throw coin in wishing bucket have pot luck!

Sherry Shotwell — Mrs. Blackmon said we would have a test today, rain or shine. Mrs. Shotwell — Then why are you smiling? Sherry — It's snowing.

Carrie Ware — Why is your dog staring at me so intently while I eat? Glenda Freelove — Maybe it's because your eating out of his plate!

Doug — Were you disappointed?

Hey, we heard that the seventh grade girls really did a lot of twirling last week! Is this the truth? Oh well, so did the others. This week it's your turn, boys. Don't be bashful, she'll say, "yes."

Tommie C. — 9:30???

The eighth-grade open house was held last Friday and we all had fun, even those who came in twice!!!!

Michael Ann S. — Is that a bug??????

Have a good week, be good, and pray for snow!!!

HOMNY GRYS

By CORNBALL BLEVINS

I'M COGNIZANT of the fact that I'm some kind of crackpot, perhaps a throwback of the dark ages. — Shucks, I even have trouble stomachin' long hair on the males of our species!

However, there's one aspect of our present age that I'm becoming downright resentful about — that's our ever-growing welfare program.

I'M WELL AWARE of my responsibility to my unfortunate brothers. Yea, and of my obligations to the widows and the orphans. — Oh, yes, the Holy Writ itself, points me to these duties.

However, as is the case in so many instances, noble aspirations often are taken advantage of, and many good intentions, somehow, go astray!

FOR INSTANCE, in the days of yore, if you gave a hobo a handout, he'd mark your house, pointing you out as an easy mark for his brother "Boes" that followed after him. Soon you'd think that the whole world was beatin' a path to your front door! "Er-Lady, I've got a button here, would you please sew a shirt on it?"

BY REASON OF OUR being so freegoing and easy, we've allowed our welfare program to become a "Frankenstein" that's becoming impossible to cope with. What was formerly a minor expense, has now become one of the largest items in our federal budget, and it's growing by leaps and bounds!

The pity of the situation being, that welfare living has become a career and way of life to many of its recipients. They have no aspirations over and above the working of the program to the point of their receiving the top benefits, as may be allowed.

ADD TO THIS the encouragement of the more dependents, the higher the

benefits" and, yes, we hear of cases where many of the unmarried (and don't want to be) females are building sizable families of illegitimate children, solely for the purpose of increased welfare benefits!

And, what is to become of these children, except that they're taught to follow after the examples of their parent(s)? Where does the snowball stop?

CASE WORKERS FIND that the majority of these "hard-core" beneficiaries, resist upgrading and improvement, much less the opportunities to become self-supporting. In one case, pointed out in Chicago, of the eleven families used as a test case, only ONE family had a resident father!

At the end of one year, little to no improvement was noted in the financial condition of these people and morals and attitude remained practically unchanged! It was estimated that it would take \$300,000 per year to adequately take care of these eleven families, and there are about 4,000 families like them, in that city alone! (I suppose this includes cost of administration, AND, booze.)

(NOTE: Less my math is off, that figures about \$27.00 per family. I should live so well!)

NOW, I DON'T MIND helping the helpless and deserving, BUT when my fellowman throws his hoe away, and sits on the end of the row waiting for a part of MY paycheck in order to keep HIS night life going, THAT'S THE END-GATE!!

SOMETHING NEEDS mixin' and, that pretty bad! — Nor do I feel that I'm being to harsh, or, "Unchristian"

Even, the Apostle Paul admonished the brethren at Tessaonica that, "If any would not work, neither should he eat!" — 2 Thess. 3:10. — What're we tryin' to do? Put the Apostle to shame??

OBITUARIES

SAMYE GEAN JONES

Funeral services for a Littlefield native, Mrs. Samye Gean Jones, 38, of Lubbock, who was dead on arrival at West Texas Hospital Sunday afternoon, Feb. 13, of an apparent heart attack, were held Tuesday afternoon in Canyon Community Church east of Lubbock.

Rev. Curtis Jackson and Rev. Grady Adcock, co-pastors of the church, officiated. Burial was in the Idalou Cemetery with Sanders Funeral Home in charge of arrangements.

Mrs. Jones had been a resident of the Canyon community most of her life.

Surviving are her husband, Fred Jones; two sons, Tim Jones and Richard Jones, both of the home; three brothers, Ruel Weaver of Odessa, Tracy Weaver of Petersburg and Walter Weaver of Fort Worth; and two sisters, Mrs. Kathleen Garrard of Lubbock and Mrs. Mary Boyd of Lorenzo.

Farmers' Tax Returns Due

Farmers who did not file a declaration of estimated tax by Jan. 15 have only a few more weeks to meet the March 1 deadline for filing their 1971 income tax returns, says Buddy C. Logsdon, County Agricultural Agent.

Farmers, ranchers and fishermen fall under the same category. You are considered a farmer if two-thirds of your gross income is from farming, Logsdon explains.

Although you may not have to pay any income tax this year for one reason or another, you still may need to file a Schedule F to report self-employment taxes if you had any income from farming, points out Logsdon.

Single persons with \$1,700 or more and married persons with \$2,300 or more gross income from all sources, including

MRS. W. T. ROSS

Services for Mrs. W. T. Ross Matador, who died Saturday, Feb. 12, in Paducah's Richard Hospital, were conducted Tuesday afternoon in Matador's First Methodist Church.

Rev. Douglas Gossett, pastor of Luther Baker, pastor of United Methodist Church, officiated.

Burial was in the Crowell Cemetery with Sanders Funeral Home in charge of arrangements.

Mrs. Ross moved to Matador years ago from Flomot, where she lived 25 years. She was also a Crowell resident.

Surviving are her husband, Tom Ross of Flomot and James Dallas; two daughters, Mrs. J. L. Olton of Olton and Mrs. John Anderson of Olton; two brothers, Locke Ross of Quanah and Raymond Ross of Andrews; four sisters, Mrs. Hysinger and Mrs. Frank Adams of Olton, Mrs. Jack Murphy of Del Rio, Mrs. John Kenner of Del Rio grandchildren; and 11 grandchildren.

farming, must file an income tax return even though no tax may be due.

However, farmers and fishermen employed persons are required to report and pay self-employment taxes on their net self-employed income.

If self-employment income is \$400, farmers can elect to pay employment tax on two-thirds of gross income up to \$1600 to qualify for security benefits, explains Logsdon.

"The Farmer's Tax Guide" contains detailed information on filing tax returns. Logsdon encourages farmers and ranchers to come by the county office for a copy.

Martha Brown Named Betty Crocker Winner

Martha Brown has been named Littlefield High School's Betty Crocker Homemaker of Tomorrow for 1972. She was chosen on the basis of her score in a written knowledge and attitude examination taken by senior girls Dec. 7, and she will receive a specially designed award charm from General Mills, sponsor of the annual educational program. Additionally, she is now eligible for state and national honors.

The Betty Crocker search, sponsored by General Mills, Inc., is planned to help achieve the following goals: (1) enhance the dignity and prestige of the American home, (2) stimulate interest in homemaking and (3) emphasize the contributions to the home being made by high schools and their teachers and to help with their important work.

The State Homemaker of Tomorrow, to be selected from all school winners in the state in judging which will center on performance in the Dec. 7 test, will be awarded a \$1,500 college scholarship. Her school will receive a complete set of Encyclopedia Britannica from Encyclopedia Britannica, Inc. A scholarship of \$500 will go to the second-ranking girl in the state.

This April, the 51 Betty Crocker Homemakers of Tomorrow representing every state and the District of Columbia — each accompanied by a faculty adviser — will be given an expense-paid educational tour of Colonial Williamsburg, Va., and Washington, D. C. Personal observation and interviews during the tour, added to the earlier state level judging results, will culminate in the announcement of the 1972 Betty Crocker All-American Homemaker of Tomorrow at the conclusion of the tour. Her scholarship will be increased to \$5,000, with those of three runners-up raised to \$4,000, \$3,000 and \$2,000.

In addition to the awards for school, state and national Homemakers of Tomorrow, a special \$1,000 Nutrition Scholarship has been added to the Betty Crocker Search program this year. To earn this award, a girl must be planning a college major in nutrition or a related field, rank among the highest in her state in the overall Search examination and achieve the top score, from those meeting the first two criteria, on the test's nutrition questions.

Martha is involved in several organizations and clubs this year which include secretary of Student Council, vice-president of FTA, band, and NHS. She was also a district state representative in FTA.

Asked about what she thought about receiving the award, Martha commented: "I was surprised because I didn't think I was the Suzy Homemaker type, but seriously, it does make me feel good."

FHA Chapter Gives Show

A Valentine Style Show was presented by LHS FHA girls, Thursday, Feb. 10, at 7:30 p.m. The program began with the children's world which Sharon Beth Williams, Alison Nelson, and Cindy Nelson modeled.

Other divisions of the program were the pantsuits, suits and coats, dresses for all occasions, and formals and at home wear. The narrator for the program was FHA President Carol Chisholm.

Girls modeling for the program were Sharon Bett Williams, Alison Nelson, Cindy Nelson, Mary Jane Estrada, Lynn Bussanmus, Dianne Milligan, Tina Russell, Cindy Wattenbarger, Gail Williams, Annette Henry, Desiree Griffin, Mary Lou Thompson, Irene Moya, Charlotte Jennings, and Judy Cannon.

Lighting for the program was directed by Weldon Culp and Monte Angel.

Program concluded with Judy Cannon modeling a long green and white quilted gown and robe ensemble.

SHEILA HARRELL

Sheila Harrell Interested In Empty Bottle Collecting

By DRUANNE WILKINSON
A bottle collector?
Yes, Sheila Harrell, senior at LHS, has become quite interested in this unusual hobby.

Sheila's sister, Cleo, had begun this collection, then lost interest. Sheila became interested and continued to enlarge the collection.

"I started collecting bottles about three years ago where my sister left off," explains Sheila.

Consisting of about 40 bottles, Sheila's collection is mostly made up of liquor bottles.

"Although I collect these bottles, I don't empty them," laughed Sheila.

There are also bath oil bottles which are very pretty or unique. "I have many shapes, sizes, and colors of bottles. However, the bourbon bottles are the prettiest. There are several different kinds and some are rare," explained Sheila.

Some of the bottles were bought in antique shops or at garage sales. The prices ran from 50 cents up to \$1.50. Also, some were given to her by friends and relatives. Many

were found when Sheila went on vacations. She often picked these up for "little reminders" of her trip.

"Some of my bottles are kept on shelves in the third-floor attic room of my home. However, I have placed some on bookshelves in my room, or used them for decorations," said Sheila.

In giving a concise description of her bottles, Sheila describes them as clear or brown, and some have bamboo

WITH HARRIS FAMILY

Education Ranks High

By CATHY GILES
Education is an important thing in our day and age and it really has its place in the Beryl Harris family.

Every member of the family attends school in one way or another. They keep a busy schedule and yet each still finds time to further his education.

Scouts As a freshman, he also won a sweater award.

Charles Harris, the youngest of the Harris children, is enrolled in the fourth grade of Littlefield Schools. His favorite pastime is athletics. Charles has a deep love for football and baseball. He is also a member of the Boy Scouts.

Beryl Harris, principal of Littlefield High School, received his Master's and Bachelor's Degrees from Texas Tech, where he majored in music and education. He was then a band director for approximately ten years, seven in Littlefield. Harris then served as principal of elementary school for five years and has now been principal of high school for seven years.

Harris is now attending night classes in Psychology and Psycho Analysis at Texas Tech. "I take these courses for my own personal growth," Harris explains.

Among his favorite hobbies are listening to his stereo and watching football games on television.

Harris's wife, George Ann, is also attending Texas Tech. She is majoring in education and has plans to be a social studies teacher. Most of her spare time is devoted to studying and "keeping the rest of the family going."

In the past, George Ann Harris has attended McMurray and South Plains Colleges.

Annelle Harris, a Littlefield senior, is the oldest of the Harris children. She hopes to attend Texas Tech after graduation.

Annelle is a member of the National Honor Society and has won sweater awards in English and Latin. She plays the clarinet in band and her favorite pastime is playing the piano.

Jim Bob Harris, a sophomore at Littlefield High School, likes to occupy his time by playing the guitar. He is also a member of the Wildcat Band and Boy

Rodeo Team Rides Again

Doug Allen, Brad Nace, and Monte Angel competed in the Amarillo High School Rodeo last Friday night. Monte Angel made the only successful ride, scoring a 40 on his bareback bronc.

After crawling on his first bareback horse in actual competition Doug said: "That was the most fun I ever had." Doug, who rode a horse called "Dan," didn't complete his ride.

"That was a bad bull," was Brad Nace's only remark after he got off. Brad couldn't seem to find a "handle" to hang on to finish his ride.

LHS SPEAKS OUT On LHS

This week the question brought before LHS students was "What do you think is good about LHS?"

Many of the boys seemed to like the sports program and the short dresses.

Here are some of the students' opinions:

PAM CROSS (JR.) — The students in the school, because everyone seems to get along well.

ROSALINDA ARIAS (SOPH.) — What I think is good is that we have a lot more privileges than just about any school. We should be proud to be a part of it.

FREDA RUDD (SR.) — Being a senior and taking it easy.

F. GRIFFIN (SR.) — Nothing at all.

RICKY STAMPS (SOPH.) — Rodeo Club.

TINA RUSSELL (JR.) — Talking to my friends, seeing people, some classes, football and basketball games.

LENEARL LEWIS (JR.) — The Coke machine and Mrs. Smith.

FLOYD TREVINHO — That depends whether for the students or for the parents.

GARY GRAND (JR.) — is a good school because the important things and the team.

KEVIN KIRBY (JR.) — Nothing but Mrs. Beryl Harris is the greatest teacher world after 4-0.

BILLIE PIERCE (JR.) — There's no more here really doesn't have restrictions as some.

TERRY BRYSO — Sports program.

BRENT WHITEHEAD — The women's dresses.

VAN RAY (SOPH.) — know anything good about LHS.

PATRICK HENNING (SOPH.) — I don't know good about LHS.

DOROTHY WILLIAMS (JR.) — It's the only high school I have to be proud of should improve it.

JUANITA ECHOLS (SR.) — Working hard and being a senior.

Rodeo Club Added To LHS Activities

The Rodeo Club, newest club in LHS, was started here after four of five years of planning.

"We are thankful that we got the club in the first place," said Brade Nace, president. "And, maybe in time, the school will take more interest in the club and furnish the Rodeo team some traveling money."

First meeting of the new club had a good turnout with 20 people present. Now the club has 19 people on the role.

"The club is now limited to high school, but may be in time, it will expand to junior high," added Monte Angel, vice-president.

The meetings, open to the public, are held the second and fourth Mondays of every month at 8:30 p.m. in the chemistry lab.

Co-sponsors are Miss Debbie Collins, girls' athletics instructor, and Nathan Wilson, chemistry teacher. Miss Collins graduated from Petersburg High. She said she has always been interested in rodeos.

"We have approached or seven boys who will in rodeos this spring," said Marc Payne, secretary.

The year started with the local Rodeo team who missed the first Amarillo Tascos. They went to the New Military Institute at Roswell. Marc Payne Nace were the only ones who participated in the Payne drew a bull.

"Teddy," Payne said, "nearly knocked me off" when he was put the bull rope. Nace called roping and had Nace said he looked like the first reader "on his top of the day, was off his bull, was 'Applejack'."

Seniors Recall The Past . . . And Look To The Future

By WANDA COTTER
JIM CAWTHON
Jim Cawthon serves as president of the Littlefield High School chapter of Vocational Industrial Clubs of America. He is also an active member of the newly-formed Rodeo Club.

Jim lists his favorite color as blue. Steak is his favorite food and his pet peeve is when somebody calls him "Ca Boy." In his spare time, Jim enjoys riding bulls.

Jim's most embarrassing memory at LHS is the day that he came back after running away from home.

"The students knew more about my trip than I did," he laughed.

The thing that Jim really liked about high school was just being with friends and having fun. He says that his most memorable occasion will be the

night that he graduates.

In the future, Jim plans to work for the John Deere company or to be a mechanic. His advice to future students at LHS is simply to graduate.

DON CHESHIER
Don Cheshier is sergeant-at-arms of the LHS chapter of Vocational Industrial Clubs of America. He has also been a member of Industrial Arts and football during his three years at Littlefield High School.

Blue tops the list of Don's favorite colors and steak is one of his favorite foods. During his spare time, he enjoys cycle riding. His pet peeve is people who try to be something they're not.

Graduating will be the thing that Don likes the best about high school. He also thinks that his most memorable occasion will be the night that he graduates from high school.

Don is not sure about his future plans. He will probably go into the Marines after he graduates. His advice to future seniors is to stay in school and try to finish.

CAROL CHISHOLM
Carol Chisholm has been a member of FHA for three years, serving as first vice-president her junior year and president her senior year. She was a varsity cheerleader during her sophomore year. She served as first vice-president of Kat Klub during her junior year and look over the reins as president this year. Carol was an FTA state convention delegate during her junior year and is now FTA secretary. She was in the cast of the 1970-71 all-school play and is editor of the 1971-72 Katalyst. Carol is also a

member of DE and Quill and Scroll.

Blue and yellow are Carol's favorite colors and she enjoys eating a beef file. Trying to get down the sophomore hall is her pet peeve. Several hobbies include sewing, decoupage, and refinishing furniture.

The most embarrassing memory that Carol has of high school was never knowing how to do "Prairie Jump" at the pep rallies when she was a sophomore. Her favorite thing when she was getting to be with friends. Proms and banquets are her most memorable occasions.

Carol plans to get married this summer. Her advice to next year's seniors is to study senior English.

DANNY CHRONISTER
Danny Chronister has been a member of the Wildcat Band for three years, serving as a band captain this year. He has also

been a member of DE and DECA club for two years. He is now employed as a DE student at Brittain's Pharmacy.

Mexican food and the color blue are some of Danny's favorites. People who exclude other people from groups are his pet peeve. Danny enjoys working with ceramics, playing the piano, and driving around.

The thing that Danny liked best about high school was the assemblies. His most embarrassing incident was when he forgot to assign a sophomore to load the plume box when the band went to marching contest. The patriotic band concert and belonging to the sweepstakes band during his junior year are two of his most memorable occasions.

Danny plans to attend Draughon's Business College in Lubbock and study a business management course. He advises next year's seniors to study hard but have fun.

WANDA COTTER
Wanda Cotter has been a twirler with the Wildcat Band for three years. She serves as social director of Student Council, secretary-treasurer of FHA, and associate editor of the Skat. She is also a member of the Wildcat annual staff, Quill and Scroll, and the Katalyst staff. During her sophomore year, Wanda was a member of FTA, Kat Klub, and Spanish Club. She has participated in UIL solo and ensemble contests in twirling for three years and attended student council workshop in the summer before her senior year.

Blue is Wanda's favorite color and she enjoys eating any kind of Italian food. People with closed and prejudiced minds are her pet peeves. She enjoys such hobbies as twirling, talking, and water skiing.

Besides the pep rallies and football games, Wanda's favorite part of high school was

dissecting in biology. Attending TASC workshop in the summer before her senior year was her most memorable occasion. Her most embarrassing memory was the time when her wig flew off during twirling.

Wanda's future plans include attending Stephen F. Austin at Nacogdoches.

"Smile and put up with it," is Wanda's advice to future LHS seniors.

DENNIS COWEN
Dennis Cowen has been involved in the LHS football program for three years. During his junior and senior years, he played on the varsity football team. He has been a member of the golf team for three years. Dennis was in the cast of the 1970-71 all-school play and the UIL one-act play. Another organization to which Dennis belongs is Industrial Arts Club.

Dennis lists blue as his favorite color. His pet peeve is when he has to attend South Plains College, West Texas University, or a college.

To all future seniors says: "Don't get caught anything that you supposed to take somebody who knows

Bula Ousts Spade Bi-District Tilt

Items came from behind an 18-17 lead in the first quarter to a 63-47 win for Bula in the bi-district championship basketball game in Littlefield Tuesday night.

Bula gave Spade the go ahead in the second quarter in 10 minutes of the third quarter after Spade had trailed for almost three quarters.

Bula led the nets for 20 points in the second quarter and held the District 5-B championship by seven points and moved to a 47-27 lead at the end of the third quarter.

Gayla Freeman fouled out for the opening moments of the final quarter. Bula only sank seven more points as Spade went ahead with 16 for a 53-47 bi-district championship win in Littlefield.

The starting department consisted of Bula with 29, Lisa Risinger 26 and Gayla Freeman 12 and Spade with 47.

Bula's better average on the field was 15 out of 24 and Spade sank nine out of 20.

Spade's last five years with Bula on top the previous four times.

In the Spade-Bula battles, Cotton County Bula hopes for a bi-district championship win this year without a Spade victory.

Spade has not advanced to the playoffs since 1961, will play Dell City at 8:15 p.m. in the Dome at South Plains College in Levelland.

SHEILA MEDLIN sinks another Bula two-pointer as Spade's Jan Glazner attempts to block the shot. Lisa Risinger a Bula forward, and Cindy Thompson, a Spade guard, watch the action.

State Coin Club Prexy Here For District Meet

State President of the Texas Numismatic Association (TNA) Lyman Barthee of Austin was guest speaker Sunday afternoon for the TNA District 9 luncheon and joint meeting held in the Lamb County Community Center of Littlefield.

Members of the Lamb County Coin Club, Levelland Stamp and Coin Club and South Plains Coin Club in Lubbock were represented out of District 9.

Lamb County Coin Club President Joe Markham of Sudan introduced officers from the clubs, and District 9 Governor D. O. "Jop" Joplin of Levelland.

A plaque was presented to the Lamb County Coin Club by Joplin for having the most members in attendance at the meeting. He then introduced the guest speaker.

Barthee promoted membership in TNA and suggested ways for local club improvement within the district.

He stated, "clubs are dying on the vine by not having programs, and the majority of the clubs are not as active as a few years ago, as there are not as many people involved."

Two or three ingredients make a successful club, he added.

He suggested that clubs should limit their meeting time to an hour and a half or an hour and forty-five minutes; and definitely not over two hours total — thus having a short business meeting of about ten to 15 minutes. "Say what you have to say in a brief period of time," he emphasized.

"Have an educational program that is worthwhile," he added. "The clubs should plan ahead for their program — one month before, and not the week before the club meeting."

"Take a 15 or 20-minute break for refreshments and visitation, and then get on with the auction, and trade session. Barthee said that people who are interested will then be there for the meeting."

He pointed out what TNA could do for the clubs, and spoke of their book library, film and slide library which are available to clubs to help build their programs and make them a success.

The "TNA News" booklet is available to members of TNA only, having information from President Barthee, news about the 16 districts in TNA, and other helpful and informative information.

Nail Polish Useful For Outdoorsmen

Fingernail polish is finding its way from the cosmetic case to the tackle box.

The brightly-colored stuff has dozens of uses appreciated by the outdoorsman, according to the Texas Parks and Wildlife Department.

The dark red polish can be used to touch up chipped fishing lures, or to add color or patterns to dull-colored lures.

If the silk or nylon winding on a rod begins to unwind, a few drops of either colored or clear polish will stop the damage. Even braided line can be protected by dipping it in polish.

Nail polish also is an excellent sealer for bolts and sews in reels, guns or scopes. Just coat the threads and tighten them down.

It will also waterproof the heads of matches and will burn readily when the match is struck.

Police Investigate Theft, Wreck

City police are investigating the theft of tableware from a kitchen, which was reported Sunday evening.

A citizen reported that a set of stainless steel tableware was taken from her kitchen cabinet drawer sometime between 5:30 and 6:30 Sunday. She resides on West Fifth Street.

Police have investigated one wreck this week.

Monday evening, Betty Emery Kelly of Amherst was driving a 1971 Chevrolet south on Eastside and didn't yield the right of way to a 1964 Honda motorcycle, driven by Robert Lynn Smith of Littlefield, which was going east on Fourth. The Honda struck the Chevrolet in the right front quarter, according to the investigating officer's report.

Arrests Solve Rash Of Thefts, Burglaries

The arrest of a 20-year-old Springlake man and a 20-year-old Olton man on felony theft charges has cleared 16 county thefts and burglaries, according to Sheriff E. D. McNeese.

Cirildo Barrera and Albert Junior Salinas were arrested Monday. The arrest of the pair solved 16 thefts and burglaries of rifles, tape players, tools and batteries from tractors, cars and pickups in the Springlake-Olton areas. Another person named in some of the charges is in custody at Plainview.

Two others were arrested by county authorities this week on misdemeanor check law violations.

Guess The Number Of Cherries
It Takes To Fill A Huge
Water Bottle!
Best Guess Wins \$50

Make Your Guesses At The Following Stores . . .

HERE'S ALL YOU DO:

1. Just go by the display at either location (321 Phelps — old Fair Store or 429 Phelps — old Knit Shop, the number of cherries in the big bottles are the same at either place) and figure out how many cherries you think the bottle holds.
2. Then as you visit the stores listed in the small block ads on this page, fill out a "CHERRY GUESS" and leave your entry at that store. Enter as many times as you wish at any of the stores listed on this page.
3. Anyone 16 years of age or older may enter this contest, except employees of the Leader-News or their families. No purchase is required.
4. The closest guess to the correct number of cherries will win the \$50 cash prize. In the event of a tie, the prize money will be divided.
5. Cherry guesses may be made during regular store hours at the stores listed on this page Thursday, Friday and Saturday. Guesses may be made only on the forms provided, and may be obtained free of charge at these 13 stores.
6. Results will be tabulated Monday, and the winner or winners announced in next day's Leader-News.

FRANK ROGERS, LHS senior, was presented a Certificate of Merit Tuesday for his "high potential for college achievement by distinguished performance in the National Merit Scholarship Program in 1972." He is one of 1,750 national finalists. Making the presentation is High School Principal J. L. Harris.

GROUP NAMES OFFICERS

Anti-Hail Maps Plans

Short was named president of County Better Weather, Inc., at an annual meeting in the district room Monday night. Orville is vice president, Dale Stanley secretary-treasurer and Dwight Faver is president. The group has as its goal a goal of hail suppression and reduction of thunder storms, hail and fewer tornadoes. The 1972 version of the hail suppression program calls for joining Hale County in a program that will raise enough funds to

furnish two radar bases and four airplanes for seeding hail-filled thunderstorms. Aim is to break up hail-filled clouds by shooting flares of silver iodide into them. While reducing hail is the primary purpose, side benefits include gentle and increased rain, reduction of insurance claims and premiums and fewer tornadoes.

Hale County is so sold on the program that they plan to finance the program alone, even if other counties do not raise

Cherry Guess Game Offers \$50 Prize

Birthday Bargains Presented Today, Friday, Saturday

How many cherries does it take to fill a huge water bottle? If you can guess the answer, or come closest to the correct number, you can win \$50.

The cherry guessing game is part of Littlefield's big Washington's Birthday Sale Thursday, Friday and Saturday. Besides the \$50 cash prize in the cherry game, a host of Littlefield merchants will be offering some of the best buys ever on a varied selection of merchandise. Look through the second section of today's paper to find all the money-saving bargains.

A photo of the cherry-filled bottle appears on this page, but the shrewdest mathematicians will want to come to Littlefield Thursday, Friday and Saturday to get a first-hand look at the problem.

There'll be two places where you can go to see the bottle. One will be on display in the window at 321 Phelps (the vacant building which formerly housed the Fair Store). The other bottle will be in the window at 429 Phelps (the old Knit Shop).

Just go by the display at either place (the number of cherries in each case is the same) and then figure out how many cherries you think the bottle holds.

Then visit the stores sponsoring this event and fill out your estimate on a "Cherry Guess" blank at the store. Visit as many of the stores as you wish and make as many guesses as you desire during the three-day period.

Anyone 16 years of age or older may enter this contest, except employees of the Leader-News and their families. No purchase is required.

The closest guess to the correct number of cherries in the bottle will win the \$50 cash prize. In the event of ties, the money will be divided. The winner or winners will be announced in next Thursday's Leader-News.

The stores where the "Cherry Guess" blanks can be filled out are: A&B Office Supply, Anthony's, Cox Furniture, Fashion House, Littlefield TV Service, Leader-News, Moss Shoes, Norma's, J. C. Penney's, Perry's Variety, Pratt's Jewelry, Roden Drug and Ware's.

HOW MANY pieces of cherry bubble gum does it take to fill a five-gallon water bottle? Come closest to the number of cherries in this jug and you'll win \$50. The cherry guessing game is part of Littlefield's big Washington's Birthday celebration sale today, Friday and Saturday. Debra Donelson, daughter of Mr. and Mrs. Delbert Donelson, 113 E. 19th, tries some of the cherry gum and gets a close-up view of one of the two identical jugs of cherries on display on Phelps. "Cherry Guess" blanks can be filled out at any of the 13 participating businesses.

Farm Fact Day Slated, Farmers To Get Cash

A film that gives a first-hand report on the progress of Cotton Incorporated's million-dollar activities to increase income and profits for cotton growers will be shown at the Farm Fact Day program in the Willy Room of the REA building Monday.

The annual soil fertility program begins with coffee and registration and ends at 5 p.m. Talks include "What's in Sorghum Diseases and Their Control," "Micronutrients and Recent Advances in Soil Testing," "Management of Beneficial Insects," "Research Information on Insects and Control of White Grubs," "How to Kill Weeds and Control Soil Erosion," and "Increasing Yields and Profitability for Cotton Growers."

Winners of the 4-H five-acre cotton contest will be announced at the meeting. Winners will present the winners with prizes at the meeting.

The 5-Acre cotton program was started this year by the Lamb County committee, Lamb County ginners and Texas Agricultural Extension Service.

The program is designed to increase cotton farming interests among county youths and to promote

greater yields and quality of lint cotton per acre by better cultural practice.

Winners will receive cash awards of \$100 for first place, \$50 for second and \$25 for third for both dryland and irrigated production.

The following gins made donations to finance the program: Olton Co-op Gin, Littlefield Farmers Co-op Gin, Embury Gin and Farm Supply, Earth Gin Company, Gage Gin, Lumsden Gin, Circle Gin, Speck Gin, Lamb County Farmers Co-op Gin of Littlefield, Amherst Farmers Co-op Gin, Ellison Gin Co., Earth Co-op Gins and Farmers Co-op Gin of Springlake.

Stock Show Set At Earth

The Annual Junior Livestock Show at Earth will get underway in the 4-H and FFA Show Barn in Earth today, when youngsters from that area will begin getting their project animals in place. Sifting of the animals will begin at 12:15 Friday, and judging will begin at 5:30. The sale will get underway at 1 p.m. Saturday.

Jack Jenkins from South Plains Junior College at Levelland will serve as judge for the lamb and steer divisions, and Ronnie Wood, assistant county agent in Lynn County, will judge the swine.

At presstime Wednesday, 10 lambs, three calves and a large number of pigs had been entered for competition.

The show is being financed by donations from interested people in the community, and all members will be invited to attend the barbecue which is tentatively set for March 27 in the show barn. Buyers of the show animals will also be invited.

Show board members are Thurman Lewis, president; John Bridges, Weldon Barton, Tom Alair, DeWitt Kelley, Jearl James, Kenneth Hinson, Bob Phipps and Tene Templeton.

Honorary members are Gene Gaston, the agricultural advisor at Springlake Earth High School; Buddy Logsdon, county agent; and Bobby Brunson, associate county agent.

Interested people may attend the noon luncheon, Feb. 22, in the Reddy building at the southwestern Public Service Co., at 12 noon.

Reservations for the luncheon may be made to Lucy Moreland at 385-3770 by Thursday.

More workers to help us carry out our projects this year," the president concluded.

their share, according to Frank Moore, president of the Hale County group.

The program will cost \$125,000 for three airplanes and one radar base for Hale County. If Lamb County joins Hale in its third year of operation, another plane will be necessary. Last year three airplanes weren't enough to cover Hale County and the other target areas including portions of Lamb and Floyd Counties, and there was some unnecessary damage on several occasions.

If Lamb County enters the program this year, another radar may be located in Littlefield.

Because there wasn't enough money to run the program through the proposed Oct. 10 protection date last year, all money must be paid before March 20 or the program for 1972 will be out.

At the Monday night meeting, Lamb County Better Weather, Inc. officers decided on a county-wide cost of 25 cents per acre for dryland farmers and 50 cents per acre for irrigated farmers. Last year the cost was 32 cents per acre, but this year plans call for seeding for rain in addition to hail suppression.

Hale County farmers are paying 64 cents per acre, with this price split 32 cents for the tenant and 32 paid by the land owner.

Frank Moore, president of the Hale County group, said adjoining counties would strengthen the program because the bigger the area, the more protection there would be.

Moore added that Plainview hadn't had a tornado nor paid a hail damage claim since the hail suppression program started in 1970. "Ten thousand hail damage claims were paid in 1969," Moore added.

"If the people want the program, all they have to do is pay for it," Moore said. "We're going ahead anyway, and we're not forcing it on anyone. We don't have to sell it any more."

Opposition to the hail suppression program for the past two years has been from some dryland farmers who claim that seeding clouds broke up clouds they thought would have brought them needed rain.

The same chemical that breaks up hail storms can cause from 18-20 per cent more rain, too, Atmospherics, Inc. officials claim. Last year there was an organized effort to prevent Atmospherics, Inc. from securing a permit for cloud seeding.

So far this year there has been no organized opposition, possibly because of the added rain stimulation to the program.

Lamb County Better Weather advocates will meet again in the county courtroom Monday night at 7:30 to decide on the mailing of fund-raising letters.

Stock Brand Deadline Set

According to an act of the Texas Legislature passed during the last session all livestock owners have until February 29, to re-register livestock marks and brands with the County Clerk's office.

As provided by Senate Bill 249, any marks and brands which have not been re-registered during a period of six months beginning on August 30, 1971, through February 29, 1972, will be available for recording on a first-come, first-serve basis.

If an owner has not re-registered his mark and brand since August 30, 1971 and does not re-register it before February 29, 1972, it will be possible for some other owner to record the mark and brand on March 1, 1972, and the first owner of the mark and brand would lose his right to use that particular mark and/or brand.

As of August 30, 1971, each mark and brand must be recorded every 10 years from the date of the original filing. On March 1, 1972, all records of marks and brands prior to August 30, 1971, now in existence in the County shall no longer have any force or effect. Only the records made after August 30, 1971, shall be examined or considered in recording marks and brands in the county.

It should also be noted that article 6891 designates that each county shall have a county brand. The county brand for Lamb County shall be designated as L.M. Owners of all horses and cattle, in addition to their private brand, may place said county brand upon the neck of all horses and cattle owned by them.

HUMORIST TO SPEAK

Olton Banquet Monday

Don Newbury of Fort Worth, a professional humorist and after dinner speaker, will speak for the Annual Chamber of Commerce and Agriculture Banquet in Olton Monday night, Feb. 21, in the school cafeteria.

Tickets for the 7:30 event are now available at the C-CA office for \$3.50 per person, and will be available at the door. Gene Trotter, president of the C-CA, urges an early purchase so that the proper amount of food may be prepared.

Olton's "Man of the Year" and "Woman of the Year" will be honored, and the new and old president, as well as new and old C-CA officers are to be recognized and honored.

Newbury, has spent more than a decade in college public relations, and prior to that time was sports director of a radio station, sports editor of a daily newspaper and a newspaper correspondent during his years of undergraduate study at Howard Payne College.

He served as assistant director of college information at HPC two years after he graduated, and then spent four years as director of college information and instructor of journalism at Sul Ross State University. He was publicist for the

Mr. And Mrs. Albus Observe Anniversary

MRS. KEN DAVIDSON and Tina of Albuquerque, N. M. arrived Wednesday to visit her parents, Mr. and Mrs. Clois Tomes and Kelly, John Moore, nephew of Mrs. Tomes, will be married Friday night at Clovis, N. M., to Paula Trapp. They all plan to attend the wedding.

MR. AND MRS. Jimmy Humphreys of Amarillo spent the weekend with their parents, the Gene Youngs and Jim Humphreys.

PEP-A Thanksgiving Mass for Mr. and Mrs. Fred W. Albus was held Friday afternoon, Feb. 11, in St. Philip's Catholic Church.

Before an altar of pink roses, they renewed their wedding vows with Rev. Kevin Clarke officiating.

Two of their sons, David and Stanley, were altar boys and Mrs. Franklin Green rendered soft organ music selections, of "Ave Maria," "On This Day" and others honoring Our Lady of Lourdes.

A reception was held at the Parish Hall. Beverly Albus registered the guests, in the Silver Anniversary Book, a gift from their grandchild, Corey. A dinner was served and the anniversary cake was cut by Kathy Decker.

All their children were present: Mr. and Mrs. Al Duesterhaus and son, Corey; Fred Jr., student at Texas Tech, Lubbock; Joyce, student at South Plains College, Levelland; David, Stanley, Jennifer and Anthony, all of the home.

Also attending were Rev. Kevin Clarke, relatives and friends from Amarillo, Hereford, Dimmitt, Nazareth, Littlefield, Levelland, Lubbock, Slaton, Morton and Pep.

The former Rose Fetsch and Fred Albus were married Feb. 11, 1947 in Rhineland.

RESIDENTS of the Hospitality House in Littlefield were honored with a Valentine party Monday at noon. Some of those present for the event were Arthur Williams and Mrs. L. L. Brawley, standing; and Allie Glover, Ada Teal, Lucille Fox and Mrs. Lela Henson, left to right respectively.

Doug Yarbrough Named Investigation Supervisor

Doug Yarbrough, 25, a 1965 graduate of Littlefield High School and a 1969 graduate of the University of Texas at Austin, has been named by the Houston-based engineering firm Lockwood, Andrews, and Newnam to supervise a water pollution investigation project on Central Texas lakes Buchanan and Inks.

The project is being done at the request of the Texas Water Quality Board and the Lower Colorado River Authority.

The engineering firm is investigating all types of water discharge near the lakes, studying soil types and topography of the area, and making technical recommendations to the state as to the suitability of areas near the lakes for further development which might impair the quality of the water.

The Texas Water Quality Board has issued strict limitations on further household

waste discharge near the lakes of the Highland Lakes Chain, and the engineering firm is providing the fieldwork necessary to insure that the Water Quality Board's and the State Health Department's requirements for water pollution control are being met.

Anyone wanting to build either a commercial building or a house within 2,200 ft. of any of the Highland Lakes must apply to the Lower Colorado River Authority so that appropriate tests can be run to insure that the proposed house or building does not pollute the water with waste discharges.

Yarbrough is doing the soil tests and inspections on all new building on lakes Buchanan and Inks.

Doug and his wife, Barbara, and their son, Barry, have moved to Lake Buchanan from Austin, where they have lived the past two years.

Activities

THURSDAY, FEB. 17
STORY HOUR will begin at 10:15 in the Lamb County Library in the basement of the courthouse. All pre-schoolers are invited. The library is now open 3 1/2 hours per week — from 10 a.m. to 5:30 p.m. including the noon hour.

Witness Group To Appear At Local Church

The "Jeremiah People" will be present Friday, Feb. 18, at 8:30 p.m., in the First Baptist Church of Littlefield.

There are six people featured in the contemporary witness group using drama, comedy, and music.

They are on a twelve-month tour of one-night presentations to church-related audiences from coast to coast.

There is no admission charge, and the public is invited to attend.

Mrs. Shine Miller Presents Program

Oklahoma Avenue Home Demonstration Club met Thursday, Feb. 10, in the home of Mrs. Lora Accord, and Mrs. Velma Cooper.

Mrs. Joe Bitner, president, presided over the meeting. The devotion was given by Mrs. Vena Monor on the fifth chapter of Matthew.

A program was given by Mrs. Shine Miller on "making scarfs".

Refreshments were served to 13 members, Mmes. Rose Bass, J. W. Bitner, Fred Cook, J. M. Griffin, P. L. Helms, Fred Lichte, Vera Manor, E. T. Miller, H. W. Odum, J. W. Phillips, L. L. Massengill, Velma Cooper and Lora Accord.

The next meeting will be March 2, in the home of Mrs. Vena Manor.

Mrs. Weaver Feted On 88th Birthday

A Littlefield Hospitality House resident, Mrs. A. R. Weaver was feted with a dinner Feb. 12, in honor of her 88th birthday which is today.

Her seven children, several of her 20 grandchildren, 43 great-grandchildren, other relatives and friends were in attendance for the celebration.

Mrs. Weaver says that "talking about my being a great - great - grandmother sounds like I am getting old."

Mr. and Mrs. Weaver first came to Lamb County in 1926, and she recalls leaving Vernon at 5 a.m. and arriving in Littlefield at 10:30 p.m. It had rained and the dirt roads were almost impassable. She told someone to unload the bulldog and unhitch the horses she had no intentions of ever going back to where they came from. However, as time went by, they made numerous trips back there.

Weaver was employed a number of years at the old airport before he died in 1946.

Two of the Weaver children now live in Littlefield, Mrs. Bill Jeffries (Fannie) and Jack Weaver. Bill Weaver lives at Amherst; Margie, or Mrs. Van Underwood lives at Petersburg; Sarah, or Mrs. Pat Tooley lives at Vernon; Virgie who married the late Gene Blevins, lives at Ft. Worth; and J. E. Weaver lives at Waco.

Olton Church Has New Pastor

OLTON—Rev. L. D. Smith family have recently returned to Olton from Alba, where he was serving as new pastor. He attended the First Assembly of God in Olton.

Rev. Smith served at the Alba Church for three years. Prior to that he was involved in evangelizing.

He attended elementary junior high school in Alba and graduated from a high school in Alba. He attended Faith Bible College in Tyler.

As well as both being in the church, he plays guitar and she plays piano. The couple have two daughters, Ja Lynn Dawn, and Julie Gayle.

Rated Superior In Contest

Mrs. Joe Embry and Cynthia were in Lubbock Saturday to attend the Lubbock Music Teachers Association Sonatina contest.

Cynthia played Sonatina in F major by Cobb, and received a superior rating for her piece. She is a student of the Catugno Piano School.

FBC Young People Attends Supper

AMHERST—Members of the Young Peoples Department of the First Baptist Church attended a hamburger supper at the Arthur Hedges home, Saturday evening.

The Valentine theme was used in the decor. Arthur Hedges is superintendent of the department.

Mr. and Mrs. Dick McDaniel, Rev. and Mrs. Glenn Willson, Mr. and Mrs. Mike Wiley, Mrs. Lloyd Pryor and Mr. and Mrs. Arthur Hedges and approximately 20 young people attended.

We're putting our money where your mouth is.

A lot of people have been shooting at the telephone companies these days. And, in truth, we've had our hands full keeping up with the zooming demand for increased phone service. But General Telephone and, in all fairness, the other phone companies haven't been sitting around counting money. For some time now, we've been paying a "phone bill" ourselves trying to make our service do everything you expect of it. And a few things you don't expect. During the next five years we'll be spending millions of dollars in the areas we serve upgrading and expanding every phase of our phone operation. From laying underground cables (an important, if invisible area) to customer contact service (an equally important, but highly visible area). But no matter how much we spend on equipment and expansion, it's what we do for you in your home or business that counts. Ladies and gentlemen, we're working as fast as brains, manpower and money can combine to make our service as efficient as possible.

Many Chevrolet dealers are announcing the most complete warranty ever put on a used car. Count your blessings. First, you're protected where it counts most: on the major mechanical parts of the car you buy. And that lasts a healthy 30 days or 2000 miles, whichever comes first. Second, you get special savings on any parts or labor you need. From the day you buy for 24 months. Third, the special savings are good all across the country at most Chevrolet dealers. Say you're on a vacation trip and find you need service. You just get in touch with a participating Chevrolet dealership. All you do is show an OK warranty identification card you receive when you buy your used car.

Your Chevrolet dealers' new OK warranty. It takes the guesswork out of used car buying.

Highlights AND Sidelights

By BILL BOYKIN

TEXAS PRESS ASSOCIATION

The complex question of financing May and June primary elections is heading for a final legal test.

Comptroller Robert S. Calvert asked Atty. Gen. Crawford C. Martin for an official opinion on Secretary of State Bob Bullock's plan to pay for the party primaries with state funds.

Bullock forced the issue to a head last week by handing Comptroller Calvert \$73 worth of initial pre-primary bills and asking him to pay them.

Calvert balked and took the matter to Martin for advice.

"I will not pay anything out of the treasury for this unless I have a written opinion from the attorney general or an order of the court," said Calvert. He added he does not think Martin will advise him to pay the bills submitted by Bullock.

"If the vouchers are, for some reason, not approved, I intend to place this question before the Texas Supreme Court at the earliest possible moment so that the entire matter of primary financing can be adequately, equitably and finally resolved," Bullock stated.

PRIMARIES CROWDED

A total of 55 candidates for statewide office entered the Democratic primary before the Feb. 7 filing deadline. There are contests for every office on the statewide ballot except four judicial places.

Republicans fielded only 10 state office candidates — and seven of them are running for governor.

There are 10 Democratic candidates for governor, five for U. S. Senator, nine for lieutenant governor, three for attorney general, nine for comptroller, seven for treasurer, two for land commissioner, two for agriculture commissioner and four for railroad commissioner.

Republicans have only one candidate each for U. S. Senator (incumbent Sen. John Tower), treasurer and railroad commissioner.

For Sen. Ralph W. Yarborough and Barefoot Sanders of Dallas are the leading Democratic candidates for senator. Governor Smith, Lt. Gov. Ben Barnes, Dolph Briscoe of Uvalde and State Rep. Frances Farenthold of Corpus Christi will stir most of the action in the governor's race. Three state senators and a newspaper executive are battling for a runoff spot for lieutenant governor.

COURTS SPEAK

Texas Supreme Court ordered a district court trial of an Andrews property owner's suit to force his local school board to tax bank stocks.

The High Court also held a 57-year-old woman who received a broken leg after being butted by a "petting zoo" goat cannot collect damages from Six Flags Over Texas.

The State Court of Criminal Appeals reversed convictions of three El Paso men for possessing obscene material (girlie magazines) for purpose of sale.

For the second time, the Court of Criminal Appeals reversed lower courts and ordered a new trial for a man arrested with a truck load (567) cases of cigarettes which had no state tax stamps.

He moved with court authority to formulate rules for the primaries after a three-judge federal court Jan. 20 struck down the filing fee law relied on to finance the spring elections. Gov. Preston Smith proposes to transfer to him more than \$1 million for paying primary bills if the plan is finally cleared by legal authorities.

Rep. Rayford Price of Palestine accused Smith and Bullock of pre-empting prerogatives of the legislature, and said the governor should call an immediate special session to give lawmakers another whack at resolving the problem. Reps. Price Daniel Jr. of Liberty and Jim Nugent of Kerrville defended Smith and Bullock and charged Price was trying to further his House speakership campaign.

Daniel and Nugent are also seeking the speakership.

So You Got A Ticket?

Maybe you're one of them. Are you one of the people who call me on the telephone or write me a letter to tell me my troopers are stopping motorists and giving them tickets for "no reason at all"? I wouldn't know — you never give your name!

You tell me you're a good citizen and a safe driver just using the highways for what they were intended — speed. And that "dumb cop" gave you a ticket.

You break my heart! I hope next time you're tearing down the road at eighty-five miles an hour that trooper catches you again. I hope he gives you another ticket and a traffic judge takes your license away. I hope he catches you before you smash into a concrete bridge abutment at eighty-five miles an hour and he has to help pry your lifeless body out of that crushed speed machine of yours.

I hope we can teach you a lesson with a ticket so maybe you won't cause a wreck and cost somebody else his or her life.

You really break my heart telling me you don't have time to go to court about that ticket. I wish you could come with me to the scene of a wreck sometime. I wish I could make you stand and watch a man write in the gravel on the shoulder of a highway while he waits for an ambulance that will be there too late to do anything but carry him to the morgue!

I wish I could make you help scrape the bits of bone and flesh of a whole family off the asphalt and into baskets. You'd vomit just like my troopers do; but you'd think differently the next time you climbed into that car of yours and sped away.

You said you were driving safely when the trooper stopped you. The road was clear and there was no harm in edging the speed limit a few miles an hour — you said. I'm really impressed with your ability to judge road conditions. I'm sorry a trooper wasn't at that place a few months ago when a man with a wife and four children had a blowout at over eighty

miles an hour. He might have slowed him down, and his children would still have a father and his wife a husband.

Oh, am I getting you mad again? That man might have been mad if the trooper had stopped him. He might have written me a letter. But he'd be alive.

Your letter doesn't bother me, friend. What bothers me is that you apparently haven't learned your lesson. You're probably going to get back behind the wheel of your car thinking you own the road and nothing can happen to you. You don't think about the other people on the road who want to go on living, just like you do.

And who gave your kid driving lessons? You? Then he's probably gotten a couple of tickets, too. It's no wonder he weaves in and out of traffic, speeds and leaves strips of burned rubber at stoplights.

I hope we catch him, too, mister, before we have to call you and your wife to come identify his body at the morgue. I don't want to watch you crying and wishing you hadn't let him have a car until he learned to drive maturely.

And you say you want my troopers to let you off with a warning. What you really want is for us to stop doing our jobs! You want us to let you go until you meet another guy just like you — head on!

I wish you could come with me to a wreck and see the seared body of a victim after the fire department has finished its job of extinguishing fifteen gallons of flaming gasoline. I wish you could go with me to her home and help me tell her husband that his wife isn't coming home because some idiot ran her off the road WHILE TRYING TO PASS HER. I want you to help him explain why mommy won't be home.

You're mad because you got a ticket, and you have to take time off from work to go to court. You break my heart, mister!

From Adversity

ADVERSITY AIDS us in a number of ways, if we respond in the best possible manner.

Of course, if we just give up and quit; we become the victim rather than the victor. We must decide whether we want the impact of adversities to be the challenge by which we grow a little stronger, or the test that we fail.

"ADVERSITY EXASPERATES fools, dejects cowards, draws out the faculties of the wise and industrious, puts the modest to the necessity of trying their skill, awes the opulent, and makes the idle industrious." — Anon.

There is too much of the spirit of defeatism in the thoughts, the words and the actions of too many people. We must never resign ourselves to defeat and loss. There may be temporary stoppage, and even some permanent set-backs; but these conditions must be viewed as nothing more than part of the life challenge.

DISCOURAGEMENT COMES too easy to many persons, and it dissipates their strength. This has the effect of making the obstacles bigger than they are; and enlarging the adversities until they are overpowering.

When we let this happen, we get what we deserve — a life situation that is miserable, inadequate, and unworthy of our origin, our nature and our potential destiny.

WE MUST NOT FEEL HURT, or overly disappointed by adversities. They are the common lot of all people.

There is no just basis for assuming that

we will never be touched by better that we admit to our uncertainty, and accept the challenges they present to us. Let this be a normal living experience.

"THE SHARPEST STING of our borrows from our own impotence." — Horne.

The challenges must be seen as they are, opportunities to startle and strengthen our living skills. They are a general challenge, about which all responsible persons, but there is a special challenge for each one of us.

IT IS TRUE that not all challenges from adversities, but those that from adversities seem to be the most reluctant to accept. We must remember that satisfaction in living comes from knowledge that we are honestly best to cope with these.

NO ONE ENJOYS the cover before them; we will be we accept them as challenges, and them with a spirit of fortitude and endurance; we will win.

WE MUST REMEMBER we have a choice about how we happens to us.

If we view adversities as a cover before them; we will be we accept them as challenges, and them with a spirit of fortitude and endurance; we will win.

PHILOSOPHER

New Tax

(Editor's note: The Sandhills Philosopher on his Johnson grass farm comes up with a counter tax proposal this week. Its success seems dim.)

Dear editor:

As I understand it, Washington, faced, like you and me, with the problem of having more demands for money than it has, is considering a new kind of tax called the Value-Added Tax.

The way it works, I've been told, is that every time a product is improved, from the iron ore stage through the steel process through manufacturing to the finished automobile or tractor or whatnot, a Value-Added tax is imposed.

When a steel company turns ore into steel it has increased its value so at that point a tax is assessed. The company pays the tax but adds the amount to the price of steel. When the steel is forged into a knife or a car bumper, naturally its value has increased so another tax is assessed there, which that manufacturer pays and then ups his price by that much, and so it goes, every step being taxed and added to the cost of the finished product, which by then is carrying a pretty heavy load which is paid in the end by the consumer.

This is being heralded as a new source of tax revenue, which in political

phraseology means a new way of the same old source, you and me, rest of us.

Now understand I don't object to tax, anymore than I object to a tax, and after all land and other can stand just so much tax, and has already been reached and most places, but the consumer is entitled to some small break in tax proposal, and I have a suggestion.

If he's going to pay a Value-Added tax, the way from iron ore to the finished ought to be entitled to a Value-Refund every time the finished back down on its way to scrap.

Say you pay \$3,500 for a new years later when you trade it in one the dealer looks in his book it's worth \$500. Clearly you ought to throw the Value-Added tax and collect a Value-Lowered tax same would apply to retro television sets, tires, tractors, etc.

I hope you'll call this to the Congress. A dealer just offered my old car, provided I'd bring the back.

OBITUARIES

SAMYE GEAN JONES

Funeral services for a Littlefield native, Mrs. Samye Gean Jones, 38, of Lubbock, who was dead on arrival at West Texas Hospital Sunday afternoon, Feb. 13, of an apparent heart attack, were held Tuesday afternoon in Canyon Community Church east of Lubbock.

Mrs. Jones had been a resident of the Canyon community most of her life.

Surviving are her husband, Fred Jones; two sons, Tim Jones and Richard Jones, both of the home; three brothers, Ruel Weaver of Odessa, Tracy Weaver of Petersburg and Walter Weaver of Fort Worth; and two sisters, Mrs. Kathleen Garrard of Lubbock and Mrs. Mary Boyd of Lorenzo.

Farmers' Tax Returns Due

Farmers who did not file a declaration of estimated tax by Jan. 15 have only a few more weeks to meet the March 1 deadline for filing their 1971 income tax returns, says Buddy C. Logsdon, County Agricultural Agent.

Farmers, ranchers and fishermen fall under the same category. You are considered a farmer if two-thirds of your gross income is from farming, Logsdon explains.

Although you may not have to pay any income tax this year for one reason or another, you still may need to file a Schedule F to report self-employment taxes if you had any income from farming, points out Logsdon.

Single persons with \$1,700 or more and married persons with \$2,300 or more gross income from all sources, including

MRS. W. T. ROSS

Services for Mrs. W. T. Ross Matador, who died Saturday at Feb. 12, in Paducah's Richard Hospital, were conducted Tuesday afternoon in Matador's First Methodist Church.

Rev. Douglas Gossett, pastor of Luther Baker, pastor of Littlefield United Methodist Church, officiated. Burial was in the Crowell Cemetery. Seigler Funeral Home in charge of arrangements.

Mrs. Ross moved to Matador years ago from Flomot, where she lived 25 years. She was also a Crowell resident.

Surviving are her husband, Tom Ross of Flomot and James Dallas, two daughters, Locke Ross of Odessa and Mrs. John Anderson of Odessa; two brothers, Locke Ross of Odessa and Raymond Ross of Odessa; four sisters, Mrs. Hysinger and Mrs. Frank Adams of Odessa; Mrs. Jack Murphy of Odessa; Mrs. John Kenner of Odessa; grandchildren; and great-grandchildren.

farming, must file an income tax return even though no tax may be due.

However, farmers and fishermen and employed persons are required to report and pay self-employment taxes on their net self-employed income.

If self-employment income is \$400, farmers can elect to pay employment tax on two-thirds of gross income up to \$1600 to obtain security benefits, explains Logsdon.

"The Farmer's Tax Guide" contains detailed information on filing tax returns. Logsdon encourages farmers and ranchers to come by the county office for a copy.

Snow? Sure, you mean you didn't know? You haven't heard? Well, maybe you didn't notice — but it snowed last week! It was really pretty and fun. (Even though there wasn't enough to build snowmen!) Hope for more!

DID YOU hear about Perry? He got Karen a box of Valentine's candy and on the card it said, "To Karen — with all my allowance."

THE LAST basketball games were played this week.

Mrs. Aaron — Ben, what's the matter? Your handwriting gets worse all the time. Ben — If I improve my writing, you'll complain about my spelling.

Solo and Ensemble Contest is getting closer everyday. So practice and bring home some "flashy" metals.

THE DRIVER'S Education class will be starting soon so remember to bring your money and your birth certificate!

Cheryl W. — My horse knows as much as I do.

Cindy H. — Don't tell anybody. You might want to sell it someday.

THERE IS only about one more week left before six-weeks tests come around

again, so you'd better start working on those grades that need to be brought up!

Confucius say: He who throw coin in wishing bucket have pot luck!

Sherry Shotwell — Mrs. Blackmon said we would have a test today, rain or shine. Mrs. Shotwell — Then why are you smiling? Sherry — It's snowing.

Carrie Ware — Why is your dog staring at me so intently while I eat? Glenda Freelove — Maybe it's because your eating out of his plate!

Doug — Were you disappointed?

Hey, we heard that the seventh grade girls really did a lot of twirling last week! Is this the truth? Oh well, so did the others. This week it's your turn, boys. Don't be bashful, she'll say, "yes."

Tommie C. — 9:30???

The eighth-grade open house was held last Friday and we all had fun, even those who came in twice!!!!

Michael Ann S. — Is that a bug??????

Have a good week, be good, and pray for snow!!!

HOMMY GETS

By CORNBALL BLEVINS

I'M COGNIZANT of the fact that I'm some kind of crackpot, perhaps a throwback of the dark ages. — Shucks, I even have trouble stomachin' long hair on the males of our species!

However, there's one aspect of our present age that I'm becoming downright resentful about — that's our ever-growing welfare program.

I'M WELL AWARE of my responsibility to my unfortunate brothers. Yea, and of my obligations to the widows and the orphans. — Oh, yes, the Holy Writ itself, points me to these duties.

However, as is the case in so many instances, noble aspirations often are taken advantage of, and many good intentions, somehow, go astray!

FOR INSTANCE, in the days of yore, if you gave a hobo a handout, he'd mark your house, pointing you out as an easy mark for his brother "Boes" that followed after him. Soon you'd think that the whole world was beatin' a path to your front door! "Er-Lady, I've got a button here, would you please sew a shirt on it?"

BY REASON OF OUR being so freegoing and easy, we've allowed our welfare program to become a "Frankenstein" that's becoming impossible to cope with. What was formerly a minor expense, has now become one of the largest items in our federal budget, and it's growing by leaps and bounds!

The pity of the situation being, that welfare living has become a career and way of life to many of its recipients. They have no aspirations over and above the working of the program to the point of their receiving the top benefits, as may be allowed.

ADD TO THIS the encouragement of "the more dependents, the higher the

benefits" and, yes, we hear of cases where many of the unmarried (and don't want to be) females are building sizable families of illegitimate children, solely for the purpose of increased welfare benefits!

And, what is to become of these children, except that they're taught to follow after the examples of their parent(s)? Where does the snowball stop?

CASE WORKERS FIND that the majority of these "hard-core" beneficiaries, resist upgrading and improvement, much less the opportunities to become self-supporting. In one case, pointed out in Chicago, of the eleven families used as a test case, only ONE family had a resident father!

At the end of one year, little to no improvement was noted in the financial condition of these people and morals and attitude remained practically unchanged! It was estimated that it would take \$300,000 per year to adequately take care of these eleven families, and there are about 4,000 families like them, in that city alone! (I suppose this includes cost of administration, AND, booze.)

(NOTE: Less my math is off, that figures about \$27.00 per family. I should live so well!)

NOW, I DON'T MIND helping the helpless and deserving, BUT when my fellowman throws his hoe away, and sits on the end of the row waiting for a part of MY paycheck in order to keep HIS night life going, THAT'S THE END-GATE!!

SOMETHING NEEDS mixin' and, that pretty bad! — Nor do I feel that I'm bein' to harsh, or, "Unchristian".

Even, the Apostle Paul admonished the brethren at Tessaonica that, "If any would not work, neither should he eat!" — 2 Thess. 3:10. — What're we tryin' to do? Put the Apostle to shame??

Martha Brown Named Betty Crocker Winner

Martha Brown has been named Littlefield High School's Betty Crocker Homemaker of Tomorrow for 1972. She was chosen on the basis of her score in a written knowledge and attitude examination taken by senior girls Dec. 7, and she will receive a specially designed award charm from General Mills, sponsor of the annual educational program. Additionally, she is now eligible for state and national honors.

The Betty Crocker search, sponsored by General Mills, Inc., is planned to help achieve the following goals: (1) enhance the dignity and prestige of the American home, (2) stimulate interest in homemaking and (3) emphasize the contributions to the home being made by high schools and their teachers and to help with their important work.

The State Homemaker of Tomorrow, to be selected from all school winners in the state in judging which will center on performance in the Dec. 7 test, will be awarded a \$1,500 college scholarship. Her school will receive a complete set of Encyclopedia Britannica from Encyclopedia Britannica, Inc. A scholarship of \$500 will go to the second-ranking girl in the state.

This April, the 51 Betty Crocker Homemakers of Tomorrow representing every state and the District of Columbia — each accompanied by a faculty adviser — will be given an expense-paid educational tour of Colonial Williamsburg, Va., and Washington, D. C. Personal observation and interviews during the tour, added to the earlier state level judging results, will culminate in the announcement of the 1972 Betty Crocker All-American Homemaker of Tomorrow at the conclusion of the tour. Her scholarship will be increased to \$5,000, with those of three runners-up raised to \$4,000, \$3,000 and \$2,000.

In addition to the awards for school, state and national Homemakers of Tomorrow, a special \$1,000 Nutrition Scholarship has been added to the Betty Crocker Search program this year. To earn this award, a girl must be planning a college major in nutrition or a related field, rank among the highest in her state in the overall Search examination and achieve the top score, from those meeting the first two criteria, on the test's nutrition questions.

Martha is involved in several organizations and clubs this year which include secretary of Student Council, vice-president of FTA, band, and NHS. She was also a district state representative in FTA.

Asked about what she thought about receiving the award, Martha commented: "I was surprised because I didn't think I was the Suzy Homemaker type, but seriously, it does make me feel good."

FHA Chapter Gives Show

A Valentine Style Show was presented by LHS FHA girls, Thursday, Feb. 10, at 7:30 p.m. The program began with the children's world which Sharon Beth Williams, Alison Nelson, and Cindy Nelson modeled.

Other divisions of the program were the pantsuits, suits and coats, dresses for all occasions, and formals and at home wear. The narrator for the program was FHA President Carol Chisholm.

Girls modeling for the program were Sharon Beth Williams, Alison Nelson, Cindy Nelson, Mary Jane Estrada, Lynn Bussanmus, Dianne Milligan, Tina Russell, Cindy Wattenbarger, Gail Williams, Annette Henry, Desiree Griffin, Mary Lou Thompson, Irene Moya, Charlotte Jennings, and Judy Cannon.

Lighting for the program was directed by Weldon Culp and Monte Angel.

Program concluded with Judy Cannon modeling a long green and white quilted gown and robe ensemble.

FLASHBACK

In 1962, the Wildcat mascot, a mother cat, captured on the George White Ranch and preserved by a taxidermist, was presented to the LHS student body by Mr. George White.

BETTY CROCKER HOMEMAKER Martha Brown is presented a certificate by homemaking teacher, Mrs. Ray Keeling and Principal Beryl D. Harris.

WITH HARRIS FAMILY

Education Ranks High

By CATHY GILES

Education is an important thing in our day and age and it really has its place in the Beryl Harris family.

Every member of the family attends school in one way or another. They keep a busy schedule and yet each still finds time to further his education.

Beryl Harris, principal of Littlefield High School, received his Master's and Bachelor's Degrees from Texas Tech, where he majored in music and education. He was then a band director for approximately ten years, seven in Littlefield. Harris then served as principal of elementary school for five years and has now been principal of high school for seven years.

Harris is now attending night classes in Psychology and Psycho Analysis at Texas Tech.

"I take these courses for my own personal growth," Harris explains. Among his favorite hobbies are listening to his stereo and watching football games on television.

Harris's wife, George Ann, is also attending Texas Tech. She is majoring in education and has plans to be a social studies teacher. Most of her spare time is devoted to studying and "keeping the rest of the family going."

In the past, George Ann Harris has attended McMurray and South Plains Colleges.

Annelle Harris, a Littlefield senior, is the oldest of the Harris children. She hopes to attend Texas Tech after graduation.

Annelle is a member of the National Honor Society and has won sweater awards in English and Latin. She plays the clarinet in band and her favorite pastime is playing the piano.

Jim Bob Harris, a sophomore at Littlefield High School, likes to occupy his time by playing the guitar. He is also a member of the Wildcat Band and Boy

Scouts. As a freshman, he also won a sweater award.

Charles Harris, the youngest of the Harris children, is enrolled in the fourth grade of

Littlefield Schools. His favorite pastime is athletics. Charles has a deep love for football and baseball. He is also a member of the Boy Scouts.

THE WINNER — Marsha Starnes, winner of the Katylyst Mystery Kat Contest, is presented a trophy by director Duff Wattenbarger. Miss Starnes correctly identified more of the mystery persons than anyone else the first semester.

Rodeo Team Rides Again

Doug Allen, Brad Nace, and Monte Angel competed in the Amarillo High School Rodeo last Friday night. Monte Angel made the only successful ride, scoring a 40 on his bareback bronc.

After crawling on his first bareback horse in actual competition Doug said:

"That was the most fun I ever had." Doug, who rode a horse called "Dan", didn't complete his ride.

"That was a bad bull," was Brad Nace's only remark after he got off. Brad couldn't seem to find a "handle" to hang on to finish his ride.

FLASHBACK
Marcia McBride captured the title of Outstanding Girl for 1966-67.

GOLF TEAM started workouts recently. Left to right are Randy Dayaker, Dennis Cowen, and Glenn Short.

LHS SPEAKS OUT On LHS

This week the question brought before LHS students was "What do you think is good about LHS?"

Many of the boys seemed to like the sports program and the short dresses.

Here are some of the students' opinions:

PAM CROSS (JR.) — The students in the school, because everyone seems to get along well.

ROSA LINDA ARIAS (SOPH.) — What I think is good is that we have a lot more privileges than just about any school. We should be proud to be a part of it.

FREEDA RUDD (SR.) — Being a senior and taking it easy.

F. GRIFFIN (SR.) — Nothing at all.

RICKY STAMPS (SOPH.) — Rodeo Club.

TINA RUSSELL (JR.) — Talking to my friends, seeing people, some classes, football and basketball games.

LENEARL LEWIS (JR.) — The Coke machine and Mrs. Smith.

FLOYD TREVENO — That depends whether for the students or for the parents.

GARY GRAND — is a good school because the important things and the team.

KEVIN KIRBY — Nothing but Mrs. RICK SIBERT — is the greatest school world after 4:00.

BILLIE PIERCE — There's no more really doesn't have restrictions as some TERRY BRYSO — Sports program.

BRENT WHITE — The women dresses.

VAN RAY (SOPH.) — know anything good.

PATRICK HEM — (Soph 1 — I don't know good about LHS.

DOROTHY WILLIAMS — It's the only high school should improve it by can.

JUANITA ECHT — Working in and being a senior.

Rodeo Club Added To LHS Activities

The Rodeo Club, newest club in LHS, was started here after four of five years of planning.

"We are thankful that we got the club in the first place," said Brade Nace, president. "And, maybe in time, the school will take more interest in the club and furnish the Rodeo team some traveling money."

First meeting of the new club had a good turnout with 20 people present. Now the club has 19 people on the role.

"The club is now limited to high school, but may be in time, it will expand to junior high," added Monte Angel, vice-president.

The meetings, open to the public, are held the second and fourth Mondays of every month at 8:30 p.m. in the chemistry lab.

Co-sponsors are Miss Debbie Collins, girls' athletics instructor, and Nathan Wilson, chemistry teacher. Miss Collins graduated from Petersburg High. She said she has always

been interested in rodeos.

"We have approximately seven boys who will be in rodeos this spring. Marc Payne, secretary of the club.

The year started out the local Rodeo team who missed the first Amarillo Tascosa. They went to the New Military Institute in Roswell. Marc Payne Nace were the only who participated in the Payne drew a bull "Teddy". Payne said bull fought the stout "nearly knocked Nace off" when he was pulled the bull rope. Sheila Harrell Interested In Empty Bottle Collecting

By DRUANNE WILKINSON

A bottle collector? Yes, Sheila Harrell, senior at LHS, has become quite interested in this unusual hobby.

Sheila's sister, Cleo, had begun this collection, then lost interest. Sheila became interested and continued to enlarge the collection.

"I started collecting bottles about three years ago where my sister left off," explains Sheila.

Consisting of about 40 bottles, Sheila's collection is mostly made up of liquor bottles.

"Although I collect these bottles, I don't empty them," laughed Sheila.

There are also both oil bottles which are very pretty or unique.

"I have many shapes, sizes, and colors of bottles. However, the bourbon bottles are the prettiest. There are several different kinds and some are rare," explained Sheila.

Some of the bottles were bought in antique shops or at garage sales. The prices ran from 50 cents up to \$1.50. Also, some were given to her by friends and relatives. Many

were found when Sheila went on vacations. She often picked these up for "little reminders" of her trip.

"Some of my bottles are kept on shelves in the third-floor attic room of my home. However, I have placed some on bookshelves in my room, or used them for decorations," said Sheila.

In giving a concise description of her bottles, Sheila describes them as clear or brown, and some have bamboo

Seniors Recall The Past . . . And Look To The Future

By WANDA COTTER

JIM CAWTHON

Jim Cawthon serves as president of the Littlefield High School chapter of Vocational Industrial Clubs of America. He is also an active member of the newly-formed Rodeo Club.

Jim lists his favorite color as blue. Steak is his favorite food and his pet peeve is when somebody calls him "Ca Boy." In his spare time, Jim enjoys riding bulls.

Jim's most embarrassing memory at LHS is the day that he came back after running away from home.

"The students knew more about my trip than I did," he laughed.

The thing that Jim really liked about high school was just being with friends and having fun. He says that his most memorable occasion will be the

night that he graduates.

In the future, Jim plans to work for the John Deere company or to be a mechanic. His advice to future students at LHS is simply to graduate.

DON CHESHIER

Don Cheshier is sergeant-at-arms of the LHS chapter of Vocational Industrial Clubs of America. He has also been a member of Industrial Arts and football during his three years at Littlefield High School.

Blue tops the list of Don's favorite colors and steak is one of his favorite foods. During his spare time, he enjoys cycle riding. His pet peeve is people who try to be something they're not.

Graduating will be the thing that Don likes the best about high school. He also thinks that his most memorable occasion will be the night that he graduates from high school.

Don is not sure about his future plans. He will probably go into the Marines after he graduates. His advice to future seniors is to stay in school and try to finish.

CAROL CHISHOLM

Carol Chisholm has been a member of FHA for three years, serving as first vice-president her junior year and president her senior year. She was a varsity cheerleader during her sophomore year. She served as first vice-president of Kat Klub during her junior year and took over the reins as president this year. Carol was an FTA state convention delegate during her junior year and is now FTA secretary. She was in the cast of the 1970-71 all-school play and is editor of the 1971-72 Katalyst. Carol is also a

member of DE and Quill and Scroll.

Blue and yellow are Carol's favorite colors and she enjoys eating a beef filet. Trying to get down the sophomore hall is her pet peeve. Several hobbies include sewing, decoupage, and refinishing furniture.

The most embarrassing memory that Carol has of high school was never knowing how to do "Prairie Jump" at the pep rallies when she was a sophomore. Her favorite thing about high school was getting to be with friends. Proms and banquets are her most memorable occasions.

Carol plans to get married this summer. Her advice to next year's seniors is to study senior English.

DANNY CHRONISTER

Danny Chronister has been a member of the Wildcat Band for three years, serving as a band captain this year. He has also

been a member of DE and DECA club for two years. He is now employed as a DE student at Brittain's Pharmacy.

Mexican food and the color blue are some of Danny's favorites. People who exclude other people from groups are his pet peeve. Danny enjoys working with ceramics, playing the piano, and driving around.

The thing that Danny liked best about high school was the assemblies. His most embarrassing incident was when he forgot to assign a sophomore to load the plume box when the band went to marching contest. The patriotic band concert and belonging to the sweepstakes band during his junior year are two of his most memorable occasions.

Danny plans to attend Draughon's Business College in Lubbock and study a business management course. He advises next year's seniors to study hard but have fun.

WANDA COTTER

Wanda Cotter has been a twirler with the Wildcat Band for three years. She serves as social director of Student Council, secretary-treasurer of FHA, and associate editor of the Skat. She is also a member of the Wildcat annual staff, Quill and Scroll, and the Katalyst staff. During her sophomore year, Wanda was a member of FTA, Kat Klub, and Spanish Club. She has participated in UIL solo and ensemble contests in twirling for three years and attended student council workshop in the summer before her senior year.

Blue is Wanda's favorite color and she enjoys eating any kind of Italian food. People with closed and prejudiced minds are her pet peeves. She enjoys such hobbies as twirling, talking, and water skiing.

Besides the pep rallies and football games, Wanda's favorite part of high school was

dissecting in biology. Attending TASC workshop in the summer before her senior year was her most memorable occasion. Her most embarrassing memory was the time when her wig flew off during twirling.

Wanda's future plans include attending Stephen F. Austin at Nacogdoches.

"Smile and put up with it," is Wanda's advice to future LHS seniors.

DENNIS COWEN

Dennis Cowen has been involved in the LHS football program for three years. During his junior and senior years, he played on the varsity football team. He has been a member of the golf team for three years. Dennis was in the cast of the 1970-71 all-school play and the UIL one-act play. Another organization to which Dennis belongs is Industrial Arts Club.

Dennis lists blue as his favorite color. His pet peeve is Monday mornings. In his spare time, he enjoys golf, table tennis, and other sports.

The time between leaving school every two things that Dennis liked about LHS is his embarrassing memory time that he got kicked class right in the middle period. Winning the football is his most memorable occasion.

Dennis is not sure about college choice. He will attend South Plains College, West Texas University, or a college.

To all future seniors says: "Don't get caught anything that you supposed to. Take somebody who knows

MR. AND MRS. Bill Dick of Portales, N.M. visited in Enochs last Sunday. They are former residents of this community. Mr. and Mrs. J.D. Bayless received word that one of his nephews, Willis Lee of Tucson, Ariz. had died recently. "OUR community was saddened by the sudden death of R.P. McCall, a long time resident of this area."

LISA RISINGER (23) sinks a two-pointer for Bula during their bid game against Spade Tuesday night. Other Bulldogettes in the action Sheila Medlin (43) and Gwen Pollard. Spade guards Jan Glazier (51), McCoy (10) and Cindy Thompson (51). Bula won the game, 63-47.

Olton Tops Cats, Anton Takes Adrian

Olton and Littlefield closed out their 1971-72 basketball season Tuesday with Olton taking a 64-55 win over Adrian. Olton broke the game open in the first quarter by sinking 22 points and holding the 'Cats to 11. Olton led 41-24 at the half and held the lead for a 16-point win at the final gun.
 J. E. Johnson paced the Wildcats with a dozen points. Steve Stockdale and Tim Givens each bucketed 14 for the winners. Olton ended the season with a 15-14 record. Littlefield was 1-27.
 The Littlefield B boys won over Olton, 45-39 and ended the year with a 14-10 mark.

BULLDOGS WIN PRACTICE

In a practice game Tuesday Anton took a 64-55 win over Adrian prepared for a bi-district game Bledsoe next week.
 Anton had a 10-point first quarter and widened the gap to 15 points dumping the District 1-B champs.
 Leroy Medlock scored 18 for the winners and the losers were paced by Tommy with 25.
 Anton's rival Bledsoe was downed in a practice game.

IT'S TWO POINTS for Spade as Gayla Freeman goes up for a shot. Freda Layton (55), a Bula guard, is not holding her hands up as a symbol of the basket but is attempting to block the shot.

Judy Bowman's Team To Regional

A Littlefield area girl is now making it big in the ranks of basketball coaching. Judy Bowman, daughter of Mr. and Mrs. Doc Bowman of Amherst, saw her district championship team from Hale Center advance to the regional play-offs as they downed Vega, 47-41, for the bi-district title Tuesday night at Amarillo.
 Miss Bowman, a 1962 graduate of Amherst High School and a West Texas State alumna, coached three years at Ralls and won district all three years. In her last year at Ralls, her team advanced to bi-district and regional, where they were beaten by Stratford by a single point.
 As her career continued at Hale Center, Miss Bowman's team won district the last two years.
 The Class A Hale Center team coached by Miss Bowman will play at Lubbock Municipal Coliseum Saturday at 10 a.m.

7th, 8th, 9th Girls Lose Last Encounters

Littlefield freshmen girls put forth their best team effort in their final game of the season Monday night, falling only two points behind Tulia.
 Toni Gardner led the ninth graders with 19 points in Littlefield's 30-28 loss. Previously Tulia won over the ninth by 23 and 29 points. Monday night Littlefield frosh were ahead two points at the end of the first quarter and matched Tulia point for point the last three quarters.
 Tulia eighth grade girls squeezed past the Littlefield seventh 27-24 Monday evening. The Littlefield eighth was ahead by three points at halftime, but scored only nine points to Tulia's 15 in the last half after three Littlefield girls fouled out. Shelly Collins led the scoring with 18 points.
 Toni Gardner and Shelly Collins both passed the 200 mark for the season, with Miss Gardner totaling 240 and Miss Collins racking up 265 for the year.
 Monica Phillips led the seventh grade scoring with 19 points in the seventh grade's 44-24 loss to Tulia's seventh.

Shook, T-Birds Win Little Girls Roundball

The Shook Tire Michelenettes gave Perry Variety Girls their first defeat Tuesday night by turning a 9-6 first quarter lead into a 21-16 victory.
 The Perry girls took the lead away from the Michelenettes twice during the game but were not able to hold the winners in the final quarter in their come-back attempt.
 Shooks' scoring department consisted of Tonya Tunnell with 11 points with five from the free-throw line, Tommy Shaw and Sylvia Cristan made four each and Elaine Elerby hit two.
 Paula Mears scored nine for the losers, Gloria Flores, five, and Sally Hernandez two. The Variety girls were handicapped at the free-throw line making only two of 14 attempts.
 In fifth grade girls' basketball, the Mitchell Ford T-Birds took a 34-10 win over the Renfro Thriftway Raiders.
 The winners racked up 24 points in the first quarter and held the Raiders to four.
 Scoring for the T-Birds were Rhonda Rogers with nine, Sue Pointer, eight, Karla McCantles, seven, Kelli Hampton, six, and Penny Jones, four.
 Jamie Aaron bucketed six to pace the Raiders and Lisa Fowler scored four.
 Tonights' action is between Littlefield

Littlefield Frosh 2nd In District

Littlefield freshmen blazed past the ninth 48-34 there Monday night. The put the Littlefield freshmen in place in the district with their 70-56 victory.
 Abernathy finished first with 42. Tulia wound up third with a 64-39 win over the Renfro Thriftway Raiders.
 Doug McCain was high-punter with 21 points and hit 10 of 14 free-throw line. The team is 10-0 this season.
 Doug McCain is high-punter for the team with 214 points and he rebounded 100 times. Bennie Williams scored 185 points and got 133 rebounds.
 Tommy Batson finished the season with 153 points and 32 rebounds.
 Ricky Hodge has 136 points and 117 rebounds for the year.
 Connie Bowman made 81 points and rebounded 117.

Guess The Number Of Cherries
It Takes To Fill A Huge
Water Bottle!
Best Guess Wins **\$50**

Make Your Guesses At The Following Stores . . .

HERE'S ALL YOU DO:

1. Just go by the display at either location (321 Phelps — old Fair Store or 429 Phelps — old Knit Shop, the number of cherries in the big bottles are the same at either place) and figure out how many cherries you think the bottle holds.
2. Then as you visit the stores listed in the small block ads on this page, fill out a "CHERRY GUESS" and leave your entry at that store. Enter as many times as you wish at as many as you wish of the stores listed on this page.
3. Anyone 16 years of age or older may enter this contest, except employees of the Leader-News or their families. No purchase is required.
4. The closest guess to the correct number of cherries will win the \$50 cash prize. In the event of ties, the prize money will be divided.
5. Cherry guesses may be made during regular store hours at the stores listed on this page on Thursday, Friday and Saturday. Guesses may be made only on the forms provided, and may be obtained free of charge at these 13 stores.
6. Results will be tabulated Monday, and the winner or winners announced in next day's Leader-News.
