600 Bonus Army Recruits From Texas In Cincinnati

Children And Women Riding With Veterans

Baltimore And Ohio Officials Refuse Further Transportation

BONUS VOTE BLOCKED WASHINGTON (AP)—House democratic leader Rainey Friday blocked an effort to obtain an immediate vote on the Patman bill providing for cash veterans compensation certificates.

CINCINNATI (AP)—Texas men, women and children numbering six to seven hundred arrived here Friday atop box cars, en route to Washington to seek payment of the soldiers' bonus.

Arriving by way of Louisville, the marchers deserted the cars for a short rest here, seeking similar accommodations to proceed to the capital. However, police were ordered to eject the marchers from the railroad yards after Baltimore and Ohio officials refused further transportation.

While the nation at large may consider taxes on imported crude oil and refined products as primarily for revenue purposes the people of the oil country consider it a protective measure first of all.

The only fault they find with the import duty is that it is not 34 cents per barrel instead of 21 cents. That levying of this tax, beginning June 21, will have the effect of lowering imports in general, a negative conclusion. That reduction of import should improve the domestic market appears only natural.

Many citizens may draw the conclusion that protective value of the import duty will be offset by the new tax of one cent per gallon on gasoline made and sold within this country.

It is well, therefore, to take notice of the fact that all gasoline imported draws an additional tax of 2-1/2 cents per gallon.

That ought to be enough to make importation of gasoline unprofitable.

For the week ending May 28, 414,000 barrels of gasoline was imported. The government would have received \$608,580 in revenue if the taxes to be put into effect June 21 had been levied upon it. During the same week 366,000 barrels of crude and 368,000 barrels of fuel oil were imported. These stocks would have brought the government \$201,150 and \$7,380 respectively under the new tariffs. Thus a total revenue of \$887,040 would have been realized. At that rate the treasury would be enriched \$46,136,000 per year.

Prospects of a return of general activity in West Texas still depends upon the future of the East Texas field, which a few days ago reached a grand total of 4,000 wells.

The largest producers and refiners still are putting forth efforts to prevent exploration as well as development of proven properties in West Texas until the East Texas field has reached a stage where they will feel safe in stop drilling there without danger of others coming in and obtaining new production of their own in areas so far not drilled.

Today East Texas is not preventing new development out here because its production is holding total national output above actual demand, or even equal with actual demand. The importers are not bringing in gasoline and crude with no prospect of finding a market in the United States. Thus it is reasonable to assume that domestic demand is somewhat lower than domestic production.

East Texas has not, therefore, hindered the production at home above demand. East Texas is preventing development out here because it thus far is not fully defined and to import duty has until now been levied.

Oil men who keep a pretty good check on the situation as it affects West Texas believe the larger companies will begin drilling out here

87 Per Cent Of Automobiles In Howard County Now Are Paid For; Liquidation Since 1930 Is Heavy

In the weekly bulletin of the Retail Merchants association of Big Spring, Manager L. A. Eubanks asks this question: "We wonder whether we are sighting too high and too far away to see prosperity that is crawling nearer." The question was prompted by facts he had gathered relative to amount of loans Howard county people owe on automobiles now and the amount unpaid on automobiles in 1930. In 1930 90 per cent of the 5,000 automobiles in Howard county had loans against them. On the 5,000 machines approximately \$40 per month was paid, a total of \$200,000 per month, or at the rate of \$2,400,000 per year.

Congressman From This District Holds Perfect Record For Votes Affecting Labor, Says A. F. L. Head

WASHINGTON—The legislative record of Congressman R. T. Thomson of the sixteenth district as regards labor has been 100 per cent, according to a statement issued by William Green, president of the American Federation of Labor which furnishes data on all the congressmen.

On the LaGuardia amendment to the postal bill he voted favorably to labor and he supported the Norris-LaGuardia anti-injunction measure. Other votes on which he was commended by Mr. Green were against certain features of the tax bill, for the Philippine independence measure, for the amendment in the economy bill to increase exemption in wage-cutting from \$1,000 per year to \$2,500 per year, and against the motion to abolish the Saturday half-holiday for government workers.

Summary of the Green report follows: Favorable to labor 100; Paired favorable 0; Unfavorable to labor 0; Paired unfavorable 0; Not voting 0; Answered present 6. In addition to the measures covered by the A. F. L. report, Thomson was the author of the amendment to the highway construction bill, which prevents the employment of any person other than a citizen of the United States on the job provided in the bill. The amendment was adopted by the house.

No. 1 Brindley Well Opened

Old Harding Producer's Output To Be Run To Refinery

Opened a year after being completed the Continental Oil company No. 1 E. C. Brindley well, six miles west and slightly south of Big Spring, flowed several hours Thursday afternoon. The well has never been produced. When completed it was considered a 100-barrel well or better. Hope of landowners in the vicinity, where Continental holds a large block, for development in the near future is being entertained following completion of a line to the Brindley and the No. 1 Harding well, seven-eighths mile south, by the Big Spring Pipe Line company. Oil accumulated in storage to a total of about 25,000 barrels at the Harding well is being run through this line to the Howard County Refinery company's plant here, it is reported. The Brindley production will be run through this new line. Continental's No. 1 J. E. Harding, 120 feet from the south and east lines of section 19, block 33, township 1 south, T. P. Ry. Co. survey, was completed in May 1927. It was produced until last fall, the output being run to storage. It is considered good for about 85 barrels per day.

In Section 18 Continental's No. 1 E. C. Brindley is 660 feet from the south and east lines of section 18, block 33, township 1 south, seven-eighths mile north and one-eighth mile east of No. 1 J. E. Harding. It was completed in June of last year and has not been produced until now. The Harding well topped pay at 3,175 feet. Total depth is 3,228 feet. The pay was shot with 300 quarts. The Brindley well topped pay at 3,150 feet. Total depth is 3,200 feet. It was shot with 90 quarts. Owners of royalty under the Brindley well have been receiving \$100 per month advance royalty for the past year, in consideration for allowing production from the lease to be delayed.

Mr. Brindley, of Fort Worth, for Children in elementary or high school grades may still enroll in the summer public schools here, it was announced Friday. Tuition charges this summer are considerably lower than in past years.

Injunction On Cut-Off Row Denied

Court Finds No Evidence Of Mismanagement Or Fraud

PALO PINTO—Preparations for building the Bankhead Highway cutoff from Weatherford to a point three miles south of Strawa will be resumed immediately, Chairman W. R. Ely of the State Highway Commission said here this afternoon after District Judge Sam Russell had denied an injunction to restrain the road construction. The injunction hearing began Monday morning and was concluded at noon today. Plaintiffs were residents of Palo Pinto County Road District No. 1, who contended that the building of the highway would damage the present Bankhead Highway through loss of traffic. "In this case," Judge Russell said, "we can readily see how protests could be made against the building of this highway. I can further see how the plaintiffs would be injured by the construction of the cutoff or relocation of the highway, or whatever you wanted to call it. It will hurt the plaintiffs, no doubt. But the question for this court to decide is whether or not this highway constitutes fraud, accident or mistake or gross abuse of discretion on the part of the Highway Commission. "The evidence fails to substantiate this. There has been no evidence to show that the charges of fraud against Chairman W. R. Ely are true. "The Highway Commission is a government agency. The Legislature delegated certain authority to it. And with this authority this court can deal except as stated."

Chalk Well Completed; Pure Has Pay

Merrick and Lamb To Start No. Four Chalk In Section 125

One producer, Merrick & Lamb No. 3 Chalk, has been completed; another, Pure Oil Co.'s No. 2 Chalk apparently is in the making and a location has been staked in the north end of the Chalk pool in Howard county.

Merrick & Lamb No. 3 Chalk topped the pay at 1,592 feet, after drilling plug at 1,588 feet, where 6 5/8-inch casing was cemented and drilled to 1,770 feet. On a protraction test Tuesday it pumped a total of 18 barrels of oil the first three hours and a total of 22 barrels the next three hours, a rate during the last three hours of 176 barrels daily. Location is 990 feet from the north and east lines of the northwest quarter of section 125, block 29, Waco & Northwestern Ry. Co. survey.

Pure Oil Co.'s No. 2 Chalk, 1,900 feet east of the Merrick & Lamb well and 990 feet from the north and west lines of the northeast quarter of section 125, block 26, showed a boiler of oil in four hours from 1,651-80 feet and topped the pay at 1,726 feet. When drilled to 1,780 feet it was making three barrels (a little over one barrel) of oil hourly.

The machine at Merrick & Lamb No. 3 Chalk is being dismantled to be moved to a location just staked by the same operators for No. 4 Chalk, 1,650 feet from the north line and 990 feet from the west line of section 125, block 28. This test well is being drilled to a depth of 1,780 feet. It is being drilled by three producers, Merrick & Lamb Nos. 1, 2 and 3 Chalk producers, form a square around the center of the northwest quarter of section 125.

Negro Show This Evening

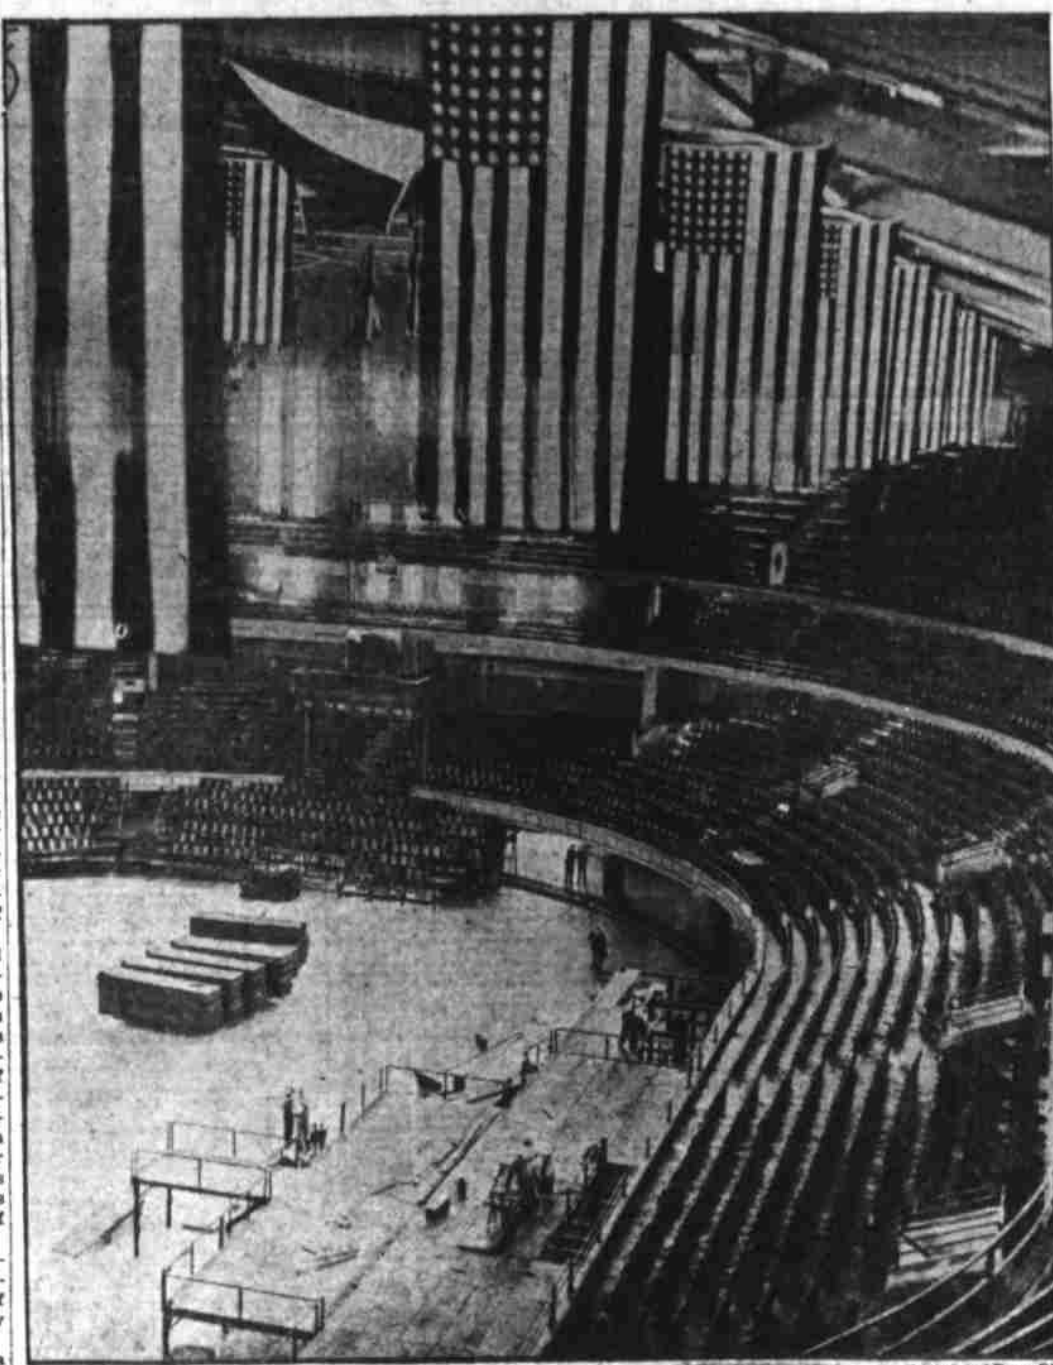

Crack Cast From Abilene To Perform At High School, 8 P. M.

One of the largest crowds ever attracted to that place is expected this evening to witness the Negro Minaret performance by a cast from the Abilene Knights of Pythias lodge, with a group of West Texas' best singers and dancers at high school auditorium. The show, which played three performances at Abilene to packed houses; is being put on here for benefit of aged Pythians. Tickets were on sale downtown Friday but they can be obtained at the ticket office at high school auditorium this evening. Local Knights of Pythias members are unhesitatingly recommending the show to the public on its own merits as amusement and entertainment.

Pupils May Yet Enroll In City Summer School

Children in elementary or high school grades may still enroll in the summer public schools here, it was announced Friday. Tuition charges this summer are considerably lower than in past years.

Lions Soon To Convene Here; Officials Due

International President, District Governor To Be Guests

Members of the Lions club Friday heard an address by Dr. W. B. Hardy and discussed plans for entertaining the convention of this group of the Texas district of Lions international to be held here June 28.

Delegates will represent the clubs at Odessa, Midland, Colorado, Stanton, Sterling City and Big Spring.

International President Julien C. Hyer of Fort Worth will be a guest during the meeting, as will District Governor Sam Braswell of Clarendon.

At Friday's luncheon session at the Settles hotel Dr. Hardy was program leader. Songs were led by R. C. Pysatt. Miss Roberta Gay played several piano numbers.

Freed On Bond Ralph Walling was Friday released on bond pending action of the special district court here in September. Walling, charged with driving an automobile while intoxicated, had bond set by Justice of Peace Cecil Collins at \$500.

Bills For Consideration Of Next Legislature Begin Accumulating

By RAYMOND BROOKS AUSTIN—Bills which have a long way to go before they can become laws of Texas already are accumulating for the special session of the legislature that is imminent for this fall and the four-month regular session which will start next January. Following is a list of bills being sponsored by members, committees, citizens, and industries or organizations affected. They are grouped without regard to possibility of their enactment, as an effort to get as nearly as possible a complete list of known prospective grist for the legislative hopper. Repeal of the Robertson insurance law for compulsory investment by life insurance companies of 75 per cent of reserves on Texas business in Texas securities. Boxing and legalized race track bills. Repeal of the liquor law and tax on all alcoholic beverages. Highway completion program without requiring further county aid; regulations for trucks and buses; amending gasoline tax so that one cent will be applied to assuming county and district road bonds; abolishing the highway patrol; temporary application of the highway fund to balance the general revenue and pension fund; utilization of part of the highway gasoline tax to aid counties in building lateral roads; apportion gas tax one-third to schools, one-third to highways and one-third to general revenue; give one-third motor license fees to highway department, two-thirds to counties; reduction of auto licenses to \$1; entire gas tax to highways, or reduction of gas tax if more collected than needed for highways; elective highway commission; license tax on passenger cars; moratorium on road-building; revise \$3 license of municipal motor vehicles; use hand labor instead of machines on highways. Clyde Horton To Be Buried

Rupture Of Appendix Causes Death On Eve Of Birthday

Funeral services for Clyde Henry Horton, who would have been 24 years of age Saturday, June 11, will be held at 8 p. m. either Saturday or Sunday, final arrangements not having been completed. Rev. J. Richard Sparr, pastor of the First Methodist church, will officiate.

Young Horton, son of Mr. and Mrs. Tom Horton of Big Spring, died in a local hospital at 2:35 a. m. Friday from effects of rupture of appendix, following which an operation was performed in an effort to save his life. Besides his parents, Clyde Horton is survived by two sisters, Miss Viola Horton and Mrs. C. R. Fuglar of Big Spring and two brothers, T. F. and James Horton of Big Spring. An uncle, S. J. Horton, also resides here. Among other survivors are Mrs. J. R. Neill of Coshocton and Mrs. A. M. Felton of Stanton, Okla. Pallbearers will be Harold Homan, Ray Cravens, Milton Yarbrough, Joe Kitt, George Homan, Clint Jenkins, Roy King, Loy Acuff.

Funeral arrangements are in charge of the Charles Ebertz Funeral Home.

Electric Energy Tax Applicable To Domestic Users

WASHINGTON, (UP)—A new three per cent levy on electric energy included in the billion dollar tax bill applies to domestic as well as commercial industrial consumption. The treasury said today it would be levied against the consumer, but collected by the vendor who will remit to the government. Archie Adkins will leave for San Antonio Monday to attend the Citizens Military Training camp.

Letters For Night Plane Being Taken

Special Caches Obtained; Ship To Be Welcomed Wednesday

Letters mailed on the first night ship to carry mail out of Big Spring on Wednesday evening will bear a special cancellation stamp. C. T. Watson, chamber of commerce manager, has received the recently designed stamp which bears the inscription, "First night flight—June 15, 1932—Big Spring, Texas."

The initial plane will arrive in Big Spring from the east at 10:45 p. m. bearing the first cargo of mail and passengers to fly over this route on a night schedule. The craft will remain twenty minutes at the local airport.

Ira M. McConaughy, veteran American Airways pilot, will guide the inaugural plane on the Dallas-Paso hop. He has been flying for the past ten years and set a world's record in 1929 over a five mile course with the first mystery Traveler.

Local committees will greet the ship, passengers and crew when it arrives here Wednesday. Passengers will be feted to a special dinner by the chamber of commerce. Carl Blomsheld will make the welcoming address. A band concert and drum and bugle program will proceed the reception.

Saturday Last Day To Apply For School Aid

Saturday is the last day rural school trustees can apply for special aid from the state department of education. President, secretaries, teachers, and one member of each board must confer with Mrs. Pauline Cantrell Brigham, county superintendent, by tomorrow, she said. Special aid is granted by the state department to rural schools in paying transfer's tuition to high schools in the same county when the grade is not offered in that particular school. Schools seeking special aid in this county are Elway, Moore, Vealmoor, Soash, Caudle, Morgan, Fairview and Richland.

Boy Gives Up At Bellville; Jury Called

Brother Says Lad Hit Sire Because He Choked Mother

SEALY (AP)—Martin Manna, 52, was beaten to death Thursday by his son, Ludwig, 14, at the farm home near here. The youth's brother told authorities that Ludwig struck his father four times with an iron bar when he found his father beating and choking Ludwig's mother.

Ludwig took his mother and sister to the home of a brother five miles north of here, where they spent the night. Friday morning he surrendered at the court house in Bellville. The grand jury convened immediately and took up the case.

# Boston Boy Hurler Loses First Of Year

## Pirates Beat Phils 4 To 3; Wilson Ruins Old Team Mates

BOSTON — Bob Brown, the Boston Braves' 30-year-old pitching sensation, suffered his first defeat of the season Thursday as the St. Louis Cardinals gained their second consecutive victory of the series, 3 to 1.

The veteran Jess Haines held the Braves to five hits.

St. Louis . . . 000 002 000—2 11 2

**PIRATES 4, PHILLIES 3**  
PHILADELPHIA — French's relief pitching, coupled with timely hitting by the Pirates and the failure of the Phils to drive in runs with men on bases, enabled Pittsburgh to defeat the Phillies 4 to 3 Thursday.

The Phils outthrew the Pirates but retired for a pinch hitter in the eighth, Drame, who relieved

Swetonic, allowed two hits, but French replaced him and prevented the Phils scoring.

**DODGERS 3, BRUINS 2**  
BROOKLYN — Hack Wilson virtually ruined his old team mates, the Chicago Cubs, Thursday, driving in all the Brooklyn runs as the Dodgers turned in a 5 to 3 victory.

Wilson hit a home run off Pat Malone with the bases full in the first inning, and singled home Brooklyn's final run in the eighth with Jackie May in the box. The homer was his eleventh of the season.

**GIANTS 3, CINCINNATI 2**  
NEW YORK — Due principally to the home run hitting feats of Melvin Ott, the New York Giants Thursday on their fifth game in seven starts since Bill Terry became manager, turning back the Cincinnati Reds, 3 to 2.

For the second time in three games against the Reds, Ott provided the winning runs by hitting two homers in a game and the pair of four baggers brought his total for the season up to 11.

Three homers were about the only important blows of a tight mound duel between Mooney and Owen Carroll. Mooney, hurling his first complete game of the season, gave only four hits while Carroll allowed one more. Mooney, however, handed out six walks.

The defeat was Cincinnati's eighth in succession.

(We understand one was staged in 1930), and when it was discovered that an individual meet would somewhat interfere with the Midland Invitational affair, the new form of tennis competition was decided upon.

Big Spring will be one of the cities that will determine their representatives by a city tournament, so be held sometime in the near future. But it is probable that the locals will enter two squads. There are four players on the local courts that are very near the same as their ability is concerned, and if it was put to a vote as to which one was the best they would be tied at 1 each. Rather than use a doubles team and then two singles players, a four man squad, two two-man teams will be entered. Without wishing to be pessimistic we venture the prediction that none of them will win anyhow, so it won't matter much.

It must be remembered, however, that anyone free, white, ten years of age and over, and a resident of Big Spring has the right to challenge for a place on this quartet of players. Should any such usurpers appear their bid can be made through Mr. H. B. Dunagan, the big, stern, silent man who guides the fortunes of the Magnolia Petroleum Company in this immediate portion of the state.

**Personal Items:** Fred Stephens, president of the Country Club, is now away on a vacation; Tommy Hutto, the A. and M. freshman, is back in Coahoma for the summer; Frank Mims and Cecil Neel have come in from Texas Tech; Neither are out for the Matador football teams; Brownie Hanshaw is a visitor in the city; Elvin McCrary, one of Midland's tennis cracker, is now living in Big Spring. Not that it matters; Howard Houser has gone back to San Angelo; Obie Bristow went fishing the other day; Shirley Robbins and Theron Hicks were planning to leave for the West Texas golf tournament yesterday; No, Hicks is not Shir-

ley's caddy. He is a golfer in his own right.

Lois C. Madison, who has already been introduced to the readers of Sports on Parade (both of 'em) as the gentleman in charge of the baseball angle of the three day celebration, is recruiting his forces and believes that he will have a capable side with which to combat the Mexican Tigers, the Coahoma Reds and Walkers, and etc. Sammy Salu will probably be at one of the infield posts with Carl Madison at second, Billy Bass at either third or short, and the aforementioned Hicks at first if he can be induced to slight his golfing game for a day or so. In the outfield we predict such players as Paul Madison, the skipper himself, Fred Martin, and Berna Barley will pursue the baseballs clouted off of such hurlers as Larrimore, Payne, and possibly "Rather-walk-than-run" Lefty Baber. In all it resembles a respectable baseball team.

We read that Jack Satterwhite is classed as one of the outstanding entries in the West Texas tournament. The 18-year-old Texan Linkman compiled a brilliant record last season, winning at least two first flight championships and shooting excellent golf in the Texas Open among other tournaments entered. He was the ranking No. 1 on the Texon ladder and the maintainer of a championship club.

This year, however, he seems to have gone back. He has raised himself on the local ladder until he is ranking second, but his success even against players from other cities has been nothing to boast about.

"I notice," a dear reader writes, "where you have started answering sports questions, with some wise crack. I really want to know something. When Vernon Gomez of the New York Yankees reported this spring he was underweight, and in less than a month he is reported to have gained more than twelve pounds. How did he do it?"

He fell off a house and came down plump.

It was the first game the Yanks have lost in 12 starts against the western teams and the triumph put the Tigers a-half game ahead of the defeated Philadelphia Ath-

Want your subscription. You may pay for The Daily Herald by the WEEK or by the MONTH or by the YEAR. During this period of 'depression' we are making it very easy for anyone to read The Herald.

For the 15c weekly rate you get six papers each week. For the 60c monthly rate you get 26 papers per month. And for the yearly rate you about 312 papers.

If you buy your papers on the streets they cost you five cents per copy. That would be twice as much per week as the weekly rate by subscription. Then, too, if you don't buy all of them you may fail to read about just what you really wanted to read.

Always remember that papers bought on the streets cost twice as much and more than they cost the regular subscribers.

Selfishness As A Depression Cause

THERE was a whole lot of sound common sense in the remarks about America's economic system voiced the other day at the final session of the Methodist General conference.

state an obvious truth; how many of us, though, have ever stopped to consider the way in which our individual and collective selfishness has helped to dig the pit in which we are now suffering?

It was unrestricted selfishness that sent stock prices soaring beyond all reason and so led to the crash of October, 1929, and it was selfishness, again, that kept the full force of that crash from being minimized.

It was unrestricted selfishness caused unwise expansion of industrial plants and so led to overproduction; selfishness, too, that kept the millions upon millions of American wage-earners from getting incomes high enough to enable them to absorb that overproduction.

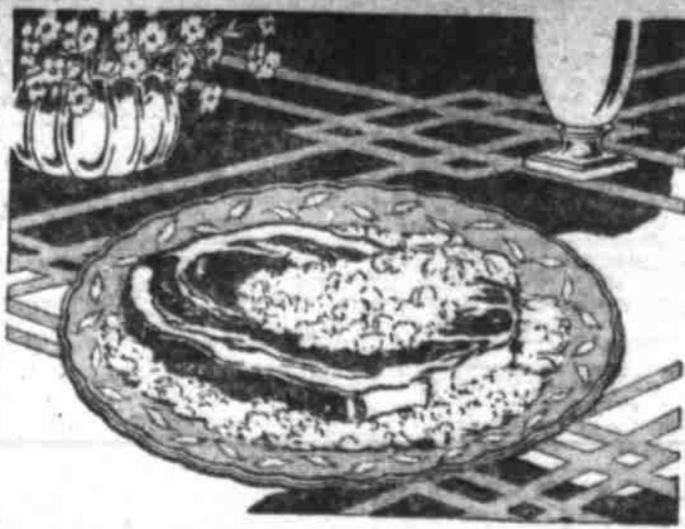

It was, in short, an unintelligent scramble for personal profits, on the part of practically all of us, that led directly to the present trouble.

Sooner or later, of course, we shall have prosperity again. When that time comes, though, it would pay us to reflect that unemployed soldiers as a manufacturing force in our society does not work out very well. We must devise some way of restraining the profit motive.

Chicago Political Conventions Inspire These "Dishes of the Hour"

"Now is the time for all good cooks to come to the aid of the party!" No matter whether your political party displays the emblem of elephant or donkey, your social kind of party will be amusing if you observe the conventions—meaning, by conventions, not traditions, but the kind they are holding in Chicago during June!

Salary Cuts Order Of Day In State Gov't

Game Commission First Department To Make Blanket Cut

AUSTIN—State salary-cutting, which will be much discussed during the next four months in official circles, already has had more than a nominal start.

The game commission was first to make a thorough-going reduction in pay and expenses of its state employees.

The railroad commission sharply cutting down on expense and telephone accounts has offered to join other departments in a voluntary pay-slicing program.

Teacher college regents have invited the board of control to apply such reasonable reductions to the seven colleges under them as may be made on other educational institutions.

The economy-efficiency-consolidation committee will have drastic recommendations dealing with individual pay ready by September.

The state board of education has compiled data which James O. Guleke, Amarillo member, promises will be startling, about educational employees who work for hours to nine hours per week—week, not day—and of classes conducted by high school faculties for a few as three or four students.

Governor Sterling's office is operating without one of the assistant secretaries authorized in the appropriation bill—an assistant whose pay now is as much as the secretary received 10 years ago.

Chairman Nat M. Washer of the state board of education announced here that the teaching-hour and the low-enrollment class report of the board of education will be made to the board in July, by the group of which Mr. Guleke is chairman. Corollary of this is expected to be to abandon numerous courses in many of the teacher colleges and senior colleges; and to shift additional teaching duties on the professors who now work nine hours or less a week, nine months a year, for salaries ranging from \$3500 to \$5000 per year.

The game department early this year, seeing a reduction in its fees from which it is supported, trimmed its salaries and travel accounts \$50,000 a year. Late in May, it reduced the pay of every employe again, for a further saving of from \$30,000 to \$50,000 a year.

It is the only department effecting significant savings on payrolls. The eleemosynary institutions and the prison system, by growing their own feed, producing milk and butter, eggs, chickens and vegetables and in some instances, meats, have cut their buying costs extensively.

Home-Cooked Food Sale The members of the Susannah Wesley Sunday School Class of the First Methodist church will serve coffee and delicious home-baked pies and cakes Saturday at Wilson and Clark's grocery store.

Favorite Sou-dae Roll balls of firm ice cream in shredded cocoanut. Use two for each serving. Place in glass dish, pour on crushed fruit and sprinkle top with additional cocoanut.

Candi-dates Stuff pitted pasteurized dates with a preferred stuffing, or with sautéed nutmeats, and sugar lightly by shaking in a paper bag with granulated sugar.

California Orange Salad 1 pkg. orange gelatine, 1 cup boiling water, 3 tbsps. lemon juice, 3/4 cup cold water, 1 seedless orange 1/2 cup diced celery, 1/4 pkg. pasteurized dates.

White House Potatoes To well-seasoned mashed potatoes add egg yolks or whole eggs, slightly beaten, and canned pineapples finely chopped. Pile lightly in a casserole and place in hot oven to reheat (about 10 minutes).

Split Ticket Rolls 2 cups flour 4 teaspoons baking powder, 1/2 tsp. salt, 4 tbsps. fat, 1/2 cup milk or water, 1/2 pkg. orange peel, 3 tbsps. butter, 5 tbsps. brown sugar.

Play Opens June 20 At Wichita Falls In Public Links Tourney

WICHITA FALLS—The elite of Texas' public links players, as well as entries from the amateur clubs throughout the state, will gather in Wichita Falls June 20 for the start of the second annual Texas Women's Municipal Golf association championship tournament. The event will be played over the Weeks park course, one of the sportiest of Texas' public links, and will be played daily until the 26-hole final Saturday. A sufficient number of flights will be arranged to care for all entries, with consolation in each.

a full week of competitive golf and entertainment is planned for the guest golfers.

White the tournament is the recognized public links championship, participation is not confined to the public course players. All female players members of clubs not affiliated with the Texas Women's Golf association are eligible, as well as non-club members.

Play will start Monday June 20, with an 18-hole qualifying round, in which the low 32 scorers will continue into match play the following day. Eighteen-hole rounds

Radio Party Given By 1st Methodists

Young People Enjoy Annual Banquet And Unique Program

More than seventy-five persons attended the Young Peoples' banquet at the First Methodist church Thursday evening. The program was featured by a "radio" party following three course dinner.

During the dinner the Lions club quartet entertained with two vocal numbers. Messrs. Potter, Cardwell, Bethel, and Keaton made up the personnel of the quartet.

Immediately following the dinner all joined in singing a group song. On the heels of this came the initial announcement over Station KUT-UP, which took the crowd to the First Methodist Church in Big Spring to listen in on the Young Peoples' Banquet.

The stationed announcer introduced the first number, a melo-drama, "Yesterday and Today," with Robert Stripling, Marie Fauson, Jeanette Pickle, and Nell Davis as characters.

"Romeo and Juliet," Shakespearean tragedy, was next. Players were Georgia Belle Fleeman, Jewel Slusser, Florine Rankin, and Mrs. Carl Williams.

As a break in the order of the program, a transatlantic hook-up was effected and the crowd cut in on a saxophone solo in Berlin, Germany. Later listeners were taken to London and heard the ticking of Big Ben in Parliament tower.

Minnie Earl Johnson, Sadie Puckett, Geneva and Junia Slusser gave a light opera presentation of a by-gone popular number, "Thanks for the Buggy Ride."

George Thomas, after an impassioned oration, introduced Bill Thomas who in turn read "Napoleon's Farewell Ode to His Grandmother." Mr. Charles Scroggins favored with two Irish numbers. Doris Smith followed with a reading. Evelyn Jackson, accompanied by Miss Roberta Gay, concluded the program. Others in the program were Messrs. Queureau, Goodrich, Stripling and Pickle.

The radio effect was obtained by means of an amplifier system installed by Queureau and Goodrich. The banquet was sponsored by the young peoples' department of the church.

First Baptist The Rev. E. E. Day, who has been holding revival services at Perryton, has announced that he will return in time to speak at both services at the First Baptist church. All members of the church are urged to attend.

First Christian The pastor, the Rev. D. R. Lindley, who has been away in a revival service at Archer City and attended the state convention of Disciples of Christ at Fort Worth, will return and conduct both services at the First Christian church.

Church of Christ J. Porter Sanders, minister of the church at Christad, N. M., will be the speaker at the Church of Christ and will speak both morning and evening.

First Methodist Jack Hodges, who is considering entering the ministry, will occupy the pulpit at the First Methodist church. His topic will be: "Young People of Our Day."

In the evening W. H. Barnett, superintendent of the Methodist Orphanage of Waco, will present the members of the Orphanage Glee Club and Band in a musical program, commencing at 8:15, which will be the summer hour for evening services.

First Baptist The town of Big Spring as well as Miss Gertrude Davies was honored by the appointment of Miss Davies, daughter of Mr. and Mrs. W. B. Davies as a member of the state board of education of the state of California.

Miss Davies will serve on a special committee with the state director on corrective speech and a state will be to write pantomimes and one-act plays which may be given by seniors in the corrective speech classes.

Corrective speech classes were first established in California in the Lincoln Junior High School where Miss Davies has been teaching for the past ten years or more. Her interest in the work and her knowledge of it has made her one of the prominent figures on the west coast in this line.

Miss Thetus Boyd and True Dunagan Married Miss Thetus Boyd and True Dunagan have just announced their marriage in Clovis, N. M., which took place on May 31.

The bride is the charming daughter of Mr. and Mrs. T. E. Boyd, of Texoma. She has been teaching in the Elbow school for the past three years. She is a graduate of the Plainview high school and of Wayland College.

The groom is the son of H. Dunagan of the Cable community and a prosperous young ranchman of the community. The young couple will make their home on Mr. Dunagan's ranch.

Visitors And Returned Pastors To Occupy The Pulpits Of City Sunday

Bishop Of North Texas To Preside At Episcopal Confirmation Services—Jack Hodges To Speak At First Methodist

Visitors will be the order of the day Sunday morning at the city's various churches. Two pastors who have been holding revival meetings elsewhere will return to occupy their pulpits, while other ministers of the city depart. Dr. J. Richard Spann will go to Prescott, Ariz., to teach a week in the California-Arizona's pastor's training school and from there to Fort Stockton where, for another week he will conduct a course in a teachers' training school.

At St. Mary's Episcopal church the bishop of the district, the Right Rev. Cecil C. Seaman will be the celebrant at the Holy Communion to be held Sunday morning at 7:30 and will deliver an address at morning services at 11 o'clock. All Episcopalians are urged to attend both services and members of other churches are welcomed.

First Methodist Jack Hodges, who is considering entering the ministry, will occupy the pulpit at the First Methodist church. His topic will be: "Young People of Our Day."

Big Spring Girls To Be Dewey's Darlings At Veteran's Meeting

Eight pretty and good looking girls will represent Big Spring at the state convention of the United States Spanish War Veterans at Sweetwater Monday and Tuesday.

They will be, Misses Lennah Rose Black, Louise Rose of Lubbock, Maxine Thomas, Edythe Ford, Flossie Robinson, Veda Robinson, Alta Taylor and Dorothy Frast.

They will be called "Dewey's Darlings," and their official costumes will be white sailor suits.

They have been coached in a series of clever song and dance skills, including "There Will Be a Hot Time in the Old Town Tonight."

Most of the songs will relate to the days when the veterans were fighting men, but an occasional modern song and a yell or two will add to the variety. They will dance and sing whenever called for and do their best to give the visiting veterans a good time in West Texas.

Scottie Party Given By Clever Hostess

Mrs. Harold Lytle entertained the members of the Idle Art Bridge Club with a black and white "Scottie" party Thursday night.

Effective use of Scottie dogs was made by having pictures of the animals posted to the card table covers and by using the black and white colors in every conceivable way.

Miss Fuller made high score for guests and received a set of novelty shiny Scottie dogs. Miss Robinson made high for club members and received a black and white bedspread; and Mrs. McDonald cut for high and received a deck of black and white cards.

The refreshments consisted of chocolate and vanilla brick ice cream served with angel food cake. The members and guests were: Misses Theodosia Fuller, Zillah Mae Ford, Luella Powell of Spur; Margarete Bettie Maxine Thomas, Lena Kyle, Polly Webb, Jamie Barley, Louise Hayes, Lennah Rose

Taxes On Imported Crude Oil And Refined Products And All Gasoline Sales Become Effective June 21

Beginning June 21 the following taxes will be levied on crude oil and refined products under provisions of the federal revenue bill just signed by President Hoover...

Brindley

(CONTINUED FROM PAGE ONE) mery of Big Spring, owned one-half the royalty, Bruce Frazier and Dr. G. T. Hall one-sixteenth, Atlantic Oil Producing company one-fourth, J. E. Farrell one-eighth and E. J. Fyfe one-eighth.

These two wells are about ten miles north and slightly west of nearest production, which is in the Coffee-Phillips sector of the Howard-Glasscock prorate field. All acreage in the vicinity is held by Continental except some of the J. F. Frazier land adjoining the Brindley lease on the south and some of the land owned by Willcox Farms, Inc., a stock company in which ten local men are interested...

Home Town

(CONTINUED FROM PAGE ONE) this year, perhaps by autumn. We had a flurry of new drilling activity days ago and even now activity is considerable more brisk than it has been for two years...

Under terms of the new revenue bill the following taxes would have been collected on imports for the two weeks listed:

Table with 2 columns: Week, Total. Rows for Crude oil, Fuel Oil, Gasoline.

Mr. and Mrs. P. A. Wickley, 900 San Antonio street, are the proud parents of a nine pound boy, born at 7 a. m. Friday.

"ALL-BRAN LIVES UP TO REPUTATION"

Her Constipation Overcome by This Delicious Cereal

If you are troubled with constipation, read Miss Bundy's enthusiastic letter:

"I would like to congratulate the one who discovered ALL-BRAN. I really do live up to its reputation when it is said to 'relieve constipation'."

"I used to feel poor all the time—just down and out—and after reading an advertisement in a magazine about ALL-BRAN I got a box. It has ever since helped me, and it is not hard at all to eat."—Miss Mary Bundy, Bennettsville, S. C.

Laboratory tests show ALL-BRAN frings two things needed to correct common constipation: "Bulk" to exercise the intestines; Vitamin B to help tone the intestinal tract. ALL-BRAN also furnishes iron for the blood.

The "bulk" in ALL-BRAN is much like that of lettuce. Within the body, it forms a soft mass. Gently, it clears the intestines of wastes.

How much safer than taking pills and drugs—so often harmful. ALL-BRAN is not habit-forming. Two tablespoons daily will overcome most types of constipation. If your intestinal trouble is not relieved this way, see your doctor.

Use as a cereal, or in cooking. Recipes on the red-and-green package. At all grocers. Made by Kellogg in Battle Creek.

15-12 Game To Exporters

LONGVIEW—In an old fashioned swatfest the Beaumont Exporters defeated the Longview Cannibals here Thursday 15-12. Six pitchers saw service; four of them for Longview.

Ollie Bejma was the hitting star with four hits which drove in a half dozen runs. The two teams collected 15 hits each. Beaumont... 070 100 502-15 18 4 Longview... 233 010 202-12 18 1 Sullivan, Schulz and Reiber; Conlan, Hyram, Vincent, Taylor and Owens.

INDIANS 4, SPORTS 3

TYLER—San Antonio defeated Tyler 4-3 here Thursday. It was the thirteenth time this season that the Sports dropped a game by an one-run margin.

The Indians won in the tenth inning on a double by Hall and another two-bagger by Zaeffel. The Sports' leftfielder lost Hall's long drive in the sun.

George Sisler, pinch hitting for Pitcher McPhaul in the tenth, doubled to right field, but was thrown out at the plate attempting to score on Frey's single.

George Washington hit a home run for Tyler in the second. Hall and Meador homered in the fourth and seventh innings for San Antonio.

PANTHERS 7, BUFFS 4

FORT WORTH—Aided by Fort Worth errors of omission and commission the Houston Buffs took the second game, 4-3 here Thursday night to divide a double header. The Panthers having won the opening contest, 7-4.

The Panthers hit hard in both frays, their fielding went bad in the second contest when the Buffs scored four unearned runs. McCabe was the winning pitcher in the opening game with Hanson taking the second.

STEERS 2-4, PIRATES 1-3

DALLAS—Ralph Erickson and Lou Garland turned in some fine pitching Thursday night to give Dallas a double victory over Galveston, 2-1, and 6-3. Erickson hurled the first game and allowed six hits. He had to go ten innings to beat Art Seydler ace of the Galveston staff. Lou Garland's blinding fast ball was too much for the Buccaneers in the nightcap.

Cosden Falls Before Tigers

Continuing their dizzy pace, other to their already long list of wins, Cosden Refinery fell victim to Yanes and Lopez 9-8. Yanes, who had twirled fair ball for the Mexicans throughout a see saw contest, was driven from the mound in the eighth inning when Dean sent one of his slants spinning for three bases. He retired in favor of Lopez when Garcia bobbled on Cranfill's grounder. Lopez settled the issue in masterful fashion, allowing only one hit during the remainder of the game.

Why So Many Take BLACK-DRAUGHT

THESE are good reasons why so many people prefer Theodor's Black-Draught—why it is their favorite laxative:

They like its thorough, cleansing action. They like that "better feeling the next morning"—a refreshed feeling after the release of intestinal poisons. And the low cost of Black-Draught is another point in its favor. You are not asked to pay more than you buy Black-Draught, as the sealed container, in which the medicine is sold, costs only a small fraction. Its light weight has saved many a patient's baggage. Black-Draught is packaged, weighed and sealed by machines. It can be used for less than a cent's worth of these savings in your favor. Made at DRUG STORES. Price 25c.

NONE BETTER OR MORE ECONOMICAL FOR CHILDREN—and grown-ups who prefer a liquid—get the new, pleasant-tasting SYRUP of Theodor's Black-Draught; 25c and 50c.
