

C-C Membership Drive Plans Near Completion

Teams composed of the white hats and the bad guys will make a concerted effort to sign up all possible prospects during the week of Oct. 24 through Oct. 28. The Littlefield Chamber of Commerce and Agriculture teams will be headed by Kip Cutshall, and will meet for a kick-off luncheon

with members of the Chamber of Commerce, Lions Clubs, Rotary Club and "We, The Women" Thursday at noon in the Community Center.

Prospect cards and work packets will be distributed to the 20 members of each team, and the point system will be used again this year in determining the winning team.

"We plan to have a lot of fun in

competing against each other as teams," remarked the overall chairman, Rad Richardson and J. L. Marcum.

The Chamber of Commerce membership is open to all reputable businesses, industries and individuals who desire to serve the community as it strives for growth and improvement.

Serving as master of ceremonies for

the kick-off program will be J. L. Marcum, C-C president. Goals and plans for the upcoming year, as well as emphasis on the membership drive will be stressed during the meeting.

During the following week, the "good guys" and the "bad guys" will be competing to their fullest in signing up new members and renewing memberships of present members.

At the close of the drive, the two teams will meet for a steaks and beans dinner—with the losing team being served the beans and the winners the steaks. During that meeting, the high point sales person will receive recognition.

Average business membership dues are \$105 per year per member, and may be paid annually, semi-annually or quarterly.

Individual memberships for farmers and salaried persons are \$36 per year.

The purpose of the Littlefield Chamber of Commerce is to promote the civic, industrial, mercantile, traffic and transportation, agricultural and other interests of the city of Littlefield, and to

co-ordinate the efforts of the citizens of Littlefield for the promotion of the business interests of the citizens and the members of the organization, and the development of all resources of Littlefield and the surrounding area.

The board of directors is comprised of 15 members who are elected by the general membership for three-year terms. Five directors are replaced each year, and directors then elect the president, four vice presidents and the treasurer.

Directors hire the executive vice president to coordinate activities directed by the board. The executive See MEMBERSHIP, Page 4

Absentee voting for the Nov. 5 election started Wednesday in the county clerk's office and will continue through Friday, Nov. 1, according to Mary Beth Willey.

Voting hours are from 9 a.m. through 5 p.m. Monday through Friday, including during the noon hour. Courthouse offices will be closed on Oct. 28 in observance of Veterans Day.

Any qualified voter who expects to be absent from their county on election day may vote absentee by personal appearance in the county clerk's office during the specified hours.

Qualified persons already absent from the county who expect to be absent from the county on election day should make a written request for an application for ballot by mail. After application is made, ballots will be mailed. This applies to servicemen, college students, and those who have permanent disability certificates.

Qualified voters who are confined to their homes, hospitals or nursing homes due to illness or physical disability, may request an absentee ballot by mail.

Students and others who live outside the county who wish to vote absentee in the general election may have a parent

telephone the county clerk's office and give their name and address for a ballot application. This should be done very soon since the applications have to be mailed and received back in the office before the deadline for sending out absentee ballots.

Two hundred and fifty Lamb County voters cast absentee ballots in the May primary. Less than that are expected to ask for absentee ballots for the general election. In the last general election a total of 380 voted by absentee, but this figure is attributed to the presidential election year.

Heart Directors To Meet Today

The board of directors for the Lamb County Division of the American Heart Association will meet today at noon in the Tasty Taco Restaurant on 8th Street.

The regular meeting is open to the public, and anyone interested is urged to attend.

Geodetic Survey Underway In Lamb, Bailey Counties

A geodetic survey of more than 100 miles is being conducted in 30 counties in New Mexico and Texas, including Lamb, Bailey, and other counties.

The survey is an extensive area in Lamb and Bailey Counties. It is being conducted by the National Geodetic Survey, a part of the Commerce Department's National Oceanic and Atmospheric Administration.

The survey is a precise survey of the earth's surface. It is being conducted by the National Geodetic Survey, a part of the Commerce Department's National Oceanic and Atmospheric Administration.

Rotary Club Serves Chili

The Rotary Club is sponsoring a chili dinner on Friday, Oct. 18, prior to the Littlefield football game.

The chili and all the trimmings will be served in the High School cafeteria, 1100 W. 10th, between 5:30

The cost of the tickets is \$1.75 for adults and \$1.00 for children under 12, and is available from any club member or at the door that

is essential to the selection of stable land sites. Geodetic surveys also provide the basis for determining land boundaries and establishing accurate tax apportionment. The measurements take into consideration the curvature of the earth.

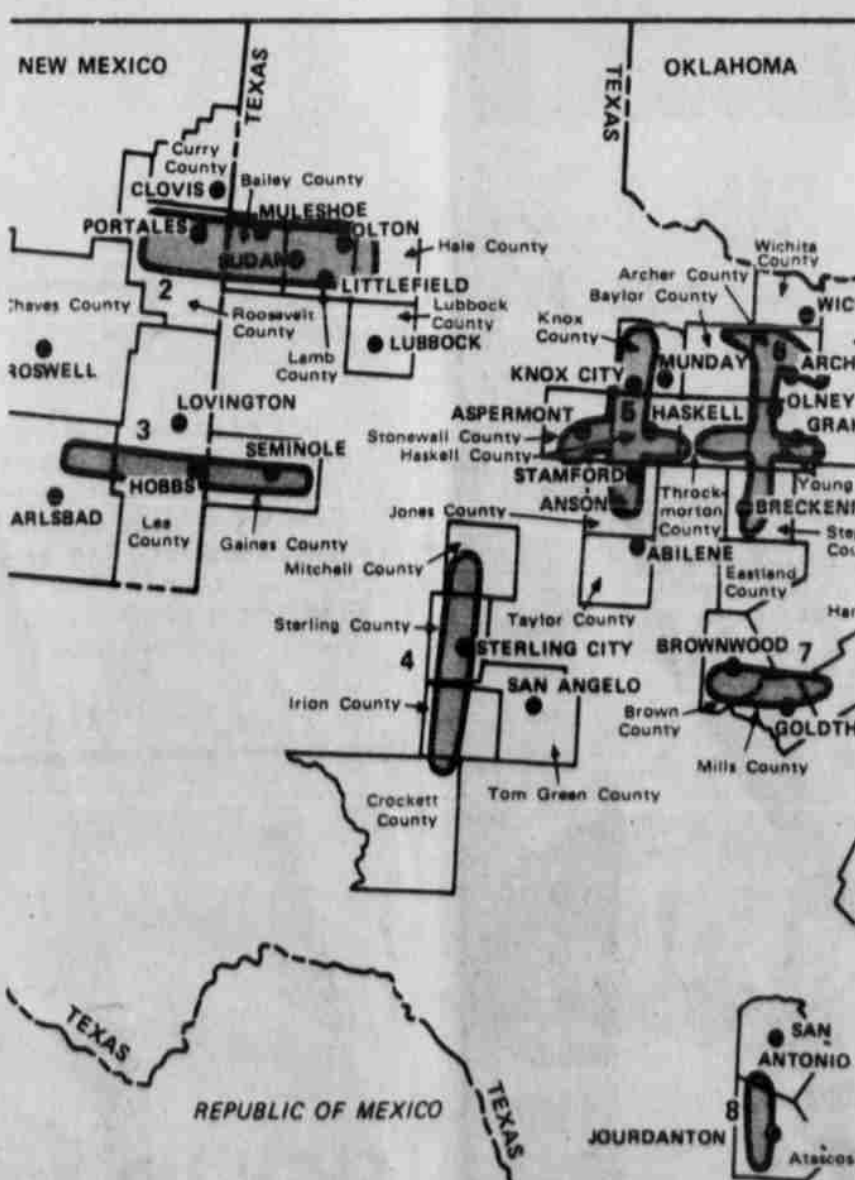

The field parties will conduct the survey in eight different areas of New Mexico and Texas, establishing over 90 geographic positions of latitude and longitude every eight to ten miles.

One 18-man surveying team, headed by Ivan R. Crabbe of Lewiston, Idaho, will work Areas 1 through 4 which will cover portions of Lincoln, Roosevelt, Eddy and Lea Counties, New Mexico, and Bailey, Lamb, Hale, Gains, Mitchell, Sterling, Tom Green, Irion and Crockett Counties, Texas.

The other 20-man field party, headed by James L. Cook of Indianapolis, Indiana, will work Areas 5 through 8 which will cover portions of Knox, Haskell, Jones, Throckmorton, Stonewall, Baylor, Archer, Clay, Jack, Young, Stephens, Eastland, Brown, Mills, Hamilton, Bexar and Atascosa Counties, Texas.

The surveys are designed to fill gaps in the existing national network of distances. This network, along with a similar network of elevations, provides the basis for all accurate land measurements. The surveys will provide geographic positions that will be used as accurate starting data for mapping natural resources for alignment of highways and public utilities and for land boundaries. The networks are maintained by the National Geodetic Survey.

The surveying crews will conduct operations from atop the towers, using high precision instruments, including those employing laser light beams. Accuracy of measurements will be increased by working at night, when atmospheric disturbance is at a minimum. Distance will be determined by computing the time taken by a laser light pulse to travel to a set of mirrors at another site and return.

LAMB COUNTY is included in areas in Texas and New Mexico where geodetic surveys are being made by NOAA's National Geodetic Survey. The surveys are designed to fill gaps in the existing national network of distances. This network, along with a similar network of elevations, provides the basis for all accurate land measurements. Portable steel towers, some rising nine stories high, and laser instruments will be used to insure highly accurate measurements with an error of less than a half-inch in 10 miles. First Ice, Freezing Temperatures Tuesday

Tuesday morning's frost and light freeze wasn't exactly what farmers had ordered.

Grain sorghum and cotton farmers had been holding their breaths in hopes that steadily sliding temperatures would hold high enough to spare their crops from an early frost.

After suffering through a 9-month long withering drought that was followed by field-flooding rains after it was too late to help crops, producers looked at the Oct. 15 nipping of their crops as just another trick in the weatherman's continuing bag of bad surprises this year.

Reports of low temperatures and ice coatings over the county were wide spread. In Littlefield the temperature slid to 33 degrees Tuesday morning. Most of the county reported a 33 degree

reading, but there were some reports of the temperature reaching the freezing mark.

The rain over the weekend and cold weather came when cotton and grain sorghum were desperately in need of dry weather, some warm temperatures, and time to bring the crops to full maturity.

In grain not yet ready for harvest, the freeze will kill the head and stop growth.

Cotton will be stunted and the plant will not mature. In many cases, bolls that were still green will not open. A hard freeze anytime in the near future will be very detrimental to cotton.

This year will probably go down as a year when nothing has gone as ordered and the unexpected has come to be expected.

School Trustee Board Covers Brief Agenda

The Littlefield School Board of Trustees disposed of their agenda in a smooth fashion Monday night as most items were of routine matter.

The board approved the financial statement as presented by school tax assessor-collector Carlton Parker, with Parker stating that the school system did not have to borrow money to meet the September payroll as has been done in the past, due to the earlier release of state monies for this purpose.

Parker also stated that approximately \$44,000 in taxes has been collected so far in this tax year.

The board was presented with the football gate receipts figures for the '74 season with all figures being exact except for the last game with Roosevelt. Total for Littlefield's share was \$6,165.62 from net receipts of \$13,238.71.

Gross receipts from the Cooper game were \$1,976.71, from which \$125.68 was paid to the officials, leaving net receipts

of \$1,851.03. Littlefield's share was \$925.52.

Gross receipts from the Levelland game were \$2,861.50, from which \$149.40 was paid to the officials, leaving net receipts of \$2,712.10. Littlefield's share was \$1,356.05.

Gross receipts from the Slaton game were \$1,656.00, officials were paid \$162.40, leaving net receipts of \$1,493.60 from which Littlefield received a \$746.80 share.

Net receipts from the Muleshoe game were \$1,690.20 after officials were paid \$154.90 from gross receipts of \$1,845. Littlefield's share was \$845.10.

Littlefield's share of the Floydada game was \$1,176.65 came from net receipts of \$2,353.30 after officials were paid \$156.20 from \$2,509.50 in gross receipts.

Estimated gross receipts for the Roosevelt game here were \$2,390. Official See TRUSTEES, Page 4

Commissioners Court Approves 1975 Budget, Buys New Pickup

Lamb County commissioners approved the proposed 1975 budget as submitted in their regular monthly meeting Monday.

Tax assessor-collector Herbert Dunn, District Clerk Ray Lynn Britt, and County Clerk Mary Beth Willey appeared before the commissioners court during the hearing to ask questions concerning the proposed budget for the coming year.

All three officials had requested salary increases for their deputies, and Dunn and Mrs. Willey had asked for increases in their salaries. No provisions were made for any raises in the proposed budget.

Dunn said he had sent questionnaires out to 20 counties of comparable size and evaluation and found that 10 other counties pay their tax assessor-collector an average of \$2,425 more than Lamb County, and Lamb is \$2,155 under the average. He said deputies in other counties average \$662 more than in this county.

"I think the budget should be adjusted, and I don't mean down, either," Dunn said.

Mary Beth Willey pointed out that the salary for deputies in the county clerk's office had been cut \$3,000 below the actual expense incurred last year. She had requested a raise for herself and a \$600 annual pay increase for deputies. Mrs. Britt had requested a \$600 increase for one deputy.

A motion carried to accept the budget as read.

In another matter of business, the court accepted the low bid of \$3,742 on a pickup from Marion Williams Ford in Sudan. Other bids for a pickup for Jack

Peel's precinct were submitted by Carlisle-Oldham Ford, Armes Chevrolet and Garland Motor in Littlefield and by Thompson Chevrolet in Olton.

Commissioners approved the paying of county and precinct bills, monthly reports and the treasurer's quarterly report. The list of ballots for the general election and the 1974 tax roll were approved.

The court allowed Buddy Logsdon \$300 travel expense to attend the National Association of County Agents in Tuscon, Ariz.

The final item of business entered a certified copy of commissioners court minutes from Bailey County into the Lamb County minutes. The entry concerned the Bookmobile costs which are shared by Lamb, Bailey, Cochran and Farmer Counties.

Lewis Is Named SWCD Board Member

Raymond L. Lewis was elected director of the Lamb County Soil and Water Conservation District Tuesday morning. Lewis will represent Zone 1 of the District that includes voting precinct 1 or those who vote at the Olton school in Lamb County.

Lewis was elected at Hamill's Restaurant on Highway 70 in Olton. He will replace Frank Struve on the board of directors. Struve, whose term had expired, was elected to the board in 1969.

Lewis farms west of Olton, and has just recently moved into town. He has farmed in the Olton area for many years on land he owns and operates.

MR. AND MRS. JERRY LYNN McCARY

Glumpler-McCary Vows Exchanged

Miss Debra Jane Glumpler and Jerry Lynn McCary were married Saturday afternoon, Oct. 5, in a double-ring ceremony in St. Phillip's Catholic Church at Pep.

Rev. Kevin Clark, pastor of the parish, officiated.

The bride is the daughter of Mr. and Mrs. James Glumpler of Pep. The bridegroom is the son of Mr. and Mrs. John McCary of Littlefield.

The bride, given in marriage by her father, wore a satin dress styled with an empire waist and cathedral train. It was trimmed with applique lace embroidered with pearls. She carried a bridal bouquet of rose buds, daisies, and deep pink carnations. Her long veil with lace applique was borrowed from Mrs. Wayne Green of Bolivia, South America.

Glenda Green of Pep, cousin of the bride, was maid of honor. Anne Hatla of Pep, cousin of the bride, was bridesmaid. They wore peacock blue velvet dresses trimmed with a white

eyelet yoke and back sash. They carried a spring bouquet of daisies, rosebuds, and blue tipped carnations.

Larry Purdy of Littlefield was the best man and Ron Risinger of Lubbock, formerly of Bula, was groomsmen.

The ushers were David Demel and Robert Glumpler.

The church was decorated with arrangements of gladiolas and daisies and spiral candleabra stood on each side of the altar.

Thomas and John Glumpler, brothers of the bride, served at the mass. The organist was Mrs. Franklin Green.

A reception in the parish hall followed the ceremony. Punch and cake were served by Brenda Kuhler of Pep and Karen Green, who attends Sul Ross at Alpine.

The bride is a 1974 graduate of Pep High School, and the groom is a 1972 graduate of Littlefield High School and attended West Texas State at Canyon.

The couple will reside in Lubbock at 1804, Avenue X.

Couple Planning Dec. 13 Wedding

Mr. and Mrs. E. J. Sterling of Littlefield announce the engagement and approaching marriage of their daughter, Deana J'Ann Sterling, to Linden S. Lundberg, son of Dr. and Mrs. W. W. Lundberg of Lubbock.

A Dec. 13 wedding is planned by the couple in the chapel of Littlefield's First Baptist Church.

The bride-elect is a 1973 graduate of Littlefield High School and attended Texas Tech one year, when she was affiliated with several campus organizations. She is presently employed at Plains National Bank in Lubbock.

The prospective bridegroom is a 1973 graduate of Lubbock High School and attended Texas Tech. He is currently employed with W.D. Medlock Co. of Lubbock.

DEANA STERLING AND LINDEN LUNDBERG

Brother, Sister Named 4-H Record Winners

Brad and Janice Hughes, son and daughter of Mr. and Mrs. Glenn Hughes of Seminole, have been named winners in the state 4-H record book contests by state 4-H officials at Texas A&M University.

They are the grandchildren of Mrs. Celia Sokora of Pep and the nephew and niece of Mr. and Mrs. Clinton Harris of Littlefield and Mr. and Mrs. Jimmy Sokora and Mr. and Mrs. Gaubert Demel of Pep.

Brad was the state winner in the electric program and Janice in the recreation program.

Both will receive an expense-paid trip to National 4-H Congress in Chicago, Dec. 1-5.

Brad is a senior in Seminole High School and a linebacker for the Indian varsity team.

Janice is a sophomore and member of the band.

Both have been in 4-H five years, while holding various offices in their clubs, and on the county council.

Brad is vice-president of District 2 4-H Council.

Medal Orders Due Nov. 1

Though most American are normally not avid collectors, the American Revolution Bicentennial Administration (ARBA) is trying to make sure that everyone is aware of the historical medals it is offering as part of the commemoration of the nation's 200th anniversary.

The series of medals is the only one issued under authority of the Congress of the United States and they are expected to be one of the most popular mementos of the period.

The 1974 Bicentennial medal, available in silver or bronze, is being produced by the United States Mint. Orders must be placed by Nov. 1.

The silver medal is \$15 and the bronze medal is \$3.50.

The 1974 medals can be ordered by sending a check or money order for the number of medals desired to: American Revolution Bicentennial Administration Post Office Box 1976 A San Francisco, California 94101

Checks should be made out to ARBA. Orders must be post-marked on or before Oct. 31, 1974.

Out-Of-Towners Win Weekly Contest Prizes

Last week's first place winner in the football contest is Steve Pollard of Enochs who missed only two of the 16 game winners. Pollard wins the \$5 first place prize for his pigskin predictions.

Monica Pierce of El Paso gets the \$3 second place weekly prize for predicting all but three of the winners.

Lloyd Pollard of Sudan won third place in the weekly guessing game and maintains his lead for the season by winning out over six others who missed four of the contests.

In the Anton-Whiteface and the Nazareth-Amherst district conflicts, Anton was named winner over Whiteface and Nazareth was declared the winner over Amherst even though the games ended in tied scores.

Winners were designated because the games were conference. In determining winners in the contest this week, choosing of Anton and Nazareth were counted as correct choices in the contest.

Pollard's third place weekly win is the

result of the best scores on the tie breakers. He won over Larry Price of Earth, Kevin Hutson of Lubbock, and Brenda Davis, T. W. Bryson and Doug Perrin all of Littlefield.

This contest marked the half-way point in the contest. After six weeks Lloyd Pollard is first with a 69-23 score. Lamar Pollard is second in the season polling with a 67-25 record. T. W. Bryson is third with a 66-26.

Four are tied for fourth place overall with Jeff Birkelbach, Arthur Duggan, Virginia McLelland and Jimmy Randolph all with 65 right to their credit. In fifth place are Kim Hill, Floyce Pierce, Maurice Sexton and John L. Smith with 64 apiece.

Also contending are N. C. Horn, Kevin Hutson and Ray C. Ivey with 63, and Raymond Duvall, Tommy Hood, Mozelle Hutson, Roy Jackson Jr., Walter Liles, and Arthur McLelland, all with 62 thus far.

Three Area Residents Named To Aging Committee

In a meeting of the Board of Directors for the South Plains Association of Governments in Lubbock on Oct. 8, a 36-member Regional Advisory Committee On Aging was named.

Included on the committee are three area citizens: John F. Blackman of Bula, Mrs. Lyle Brandon of Littlefield, and Mrs. Joe Chester of Olton.

This committee, made up of representatives from each of the 15 counties in the South Plains Region and from some social agencies, will meet as a forum to discuss problems common to all older people and to explore and pursue possible solutions to these problems.

The committee will work with the South Plains Regional Office on Aging in building community awareness of problems and concerns of older people, and of already-available and potential programs to serve the needs of the older population.

The first meeting of the committee is set for Tuesday, Oct. 22 at 2:30 p.m. at the Southwestern Public Service Reddy Room, Monterey Center, 50th at Elgin in Lubbock.

The meeting is open to the public and all interested persons are invited to attend.

Pep Preparing For Festival

Pep parishioners have scheduled their 29th Annual Thanksgiving Festival on Thanksgiving Day, Thursday, Nov. 28.

Pep's famous sausage will be served—along with turkey, dressing and all the trimmings—for two meals that day. Serving for the noon meal is to begin at 11 a.m. and continue until 2 p.m. The evening meal will be served from 5 p.m. to 7 p.m.

Tickets are \$3 for adults and \$2 for children under 12.

Preparations are being made for carnival attractions all day long for all age groups, followed by a general auction at 6:30 p.m.

The event will be held in the St. Philip's Parish Hall and educational building in Pep.

Must protect me in transportation and legislative matters, conduct clinics and conferences, build good will, entertain convention delegates. In addition, must accelerate public improvements and improve my living conditions. No vacation. Will pay at least 25 cents per day for right party.

According to C-C executives, Littlefield businessmen already have such a "party" available to them through the Chamber of Commerce.

TRUSTEES

Continued from Page 1
ficials were paid \$159, leaving net receipts of approximately \$2,231. Littlefield's share is approximately \$1,115.50.

The board also voted unanimously to pay \$600 a year toward the lease of an automobile for the superintendent's office. The same figure is now being paid toward the lease of the high school principal's car and the car of the head coach. The system also pays \$300 yearly toward a lease for a pickup to be used by the high school ag class.

In further action, the trustees discussed the feasibility of changing the school hours when Daylight Saving Time is dropped the last of this month, but the trustees expressed the desire to keep the hours as they presently are, considered two sights in the downtown

NATHAN C. ALEXANDER

Funeral services for Nathan C. Alexander, 79, of Littlefield, who died Friday, Oct. 11, of injuries he received in a wreck in Lubbock, were conducted Tuesday afternoon in St. John's Baptist Church where he was a deacon.

Officiating was Rev. Nick Jackson. Burial was in Littlefield Cemetery with McCarty Funeral Home in charge of arrangements.

Alexander was born July 22, 1895 in Grimes County. He married Mary Best in 1963, and was ordained a deacon of St. John's Baptist Church in 1941. He had held many offices in his church.

Surviving are his wife, Mary; two sisters, Fannie Mae Turner and Mrs. Lillie Jones; seven brothers, Noea Alexander, Sherman Alexander, Ernest Alexander, Waymon Alexander, J. W. Alexander, Henry Alexander, and Vernell Alexander; a step daughter, Miss Bessie Robbins of Littlefield; several nieces and nephews; and several step grandchildren.

Pallbearers were Sam Logan, Henry Mann, Henry Tyler, D. C. Stewart, S. L. Roddy and Bill Williams.

ED ARYAIN

Services for Ed Aryain, 77, of Seminole, were conducted Wednesday afternoon at the First United Methodist Church of Seminole, with Rev. Henry Sally, pastor, and Rev. Floyd Haddock, pastor of the First Baptist Church of Seminole, officiating.

Masonic graveside services were conducted with burial arrangements under direction of Singleton Funeral Home.

Born in Damascus, Syria, Aryain immigrated with his family to the United States when he was 15 years old. He was a salesman as a youth, and opened his first d.y goods store in Littlefield in 1925. He opened a second dry goods store in Sudan shortly after that, but lost both during the depression.

He opened his third dry goods store when he moved to Brownfield and sold it seven years later when he moved to Seminole in 1939. He owned and managed his fourth dry goods store in Seminole.

Aryain married the former Etta Elizabeth Stone in Lamesa May 14, 1925. Survivors include his wife Etta, two

CLIPS & TIPS

By JOELLA LOVVERN

IF IT'S A RAINY DAY or your children are looking for something to do, they might enjoy helping you make some Halloween treats—caramel apples and crunchy mallow candy.

Both recipes are simple to prepare, and caramel apples are especially fun. Young cooks will love dipping the bright, fresh apples into the thick caramel mixture and then decorating them with the variety of goodies available. Crushed peanut brittle suggested in this recipe is one of many choices which might include marshmallows, gum drops, raisins, nuts or cereals.

Caramels and apples are available year 'round for making caramel apples. Apples, however, are in greatest abundance during the fall season.

In fact, October is National Apple month. During the fall you'll find 14-oz. bags of caramels in your grocer's produce section as well as on the candy shelves, with wooden sticks tucked right inside the package.

Everything is ready to make autumn the perfect season for "Caramel Apple-ling."

CARAMEL APPLES

49 (14-oz. bag) Kraft Caramels
2 tablespoons water
4 or 5 medium size apples, washed, dried
Wooden sticks

Melt caramels with water in covered double boiler or in saucepan over low heat. Stir occasionally until sauce is smooth. Insert a wooden stick into stem end of each apple. Dip into hot caramel sauce; turn until coated. Scrape off excess sauce from bottom of apples. Place on greased waxed paper; chill until firm. Keep in a cool place.

Variation: Before chilling apples, roll in crushed Kraft Peanut Brittle.

CRUNCHY MALLOW CANDY

26-oz. pkgs. semi-sweet chocolate pieces
1 cup chunk style peanut butter
4 cups Kraft Miniature Marshmallows
Melt chocolate with peanut butter in double boiler or in saucepan over low heat; stir until smooth. Fold in marshmallows. Pour into greased 9-inch square pan; chill until firm. Cut in squares.

HERE'S ONE of the best pie crust recipes to be found. Follow the directions to a tee, and don't cheat on any ingredients, and it shouldn't fail.

BEST PIE CRUST

2 cups flour
1 stick margarine
1/2 stick butter
1/2 tsp. salt

Mix ingredients together with pie crust blender. Blend the juice of 1/2 lemon, 2 egg yolks and 5 Tbsps. of ice water into the flour mixture. Add your favorite pie or cobbler filling and bake in the oven at 425 degrees for 15 minutes or 350 degrees for 30 minutes.

TIPS AND TIDBITS:

THICKENING custards or puddings? Two egg yolks or two egg white have the same thickening power as one whole egg.

HOME-FROZEN main dishes are very beneficial and a time saver to the busy homemaker.

Frozen combination main dishes can add variety to your menu, offer quick meals for unexpected guests and provide appetizing, nutritious foods on busy days.

In spite of the variety of frozen prepared foods on the market, it is usually more economical to make your own. You can cook enough for several meals when you have time and then serve the family favorites even on busy days.

You can freeze all of the prepared food in meal-size packages or serve part of the food immediately and freeze the rest.

Place food to be frozen in the dish in which it is to be cooked, but first line the pan with heat-resistant freezer wrap.

Press the food to the slope of the container to prevent air pockets, and pull the wrap over the food. Put edges of the wrap together and fold several times so the wrap lies directly on top of the food.

Fold end of the freezer wrap and seal with freezer tape. Label with the name of the food, date frozen and last date the food should be used.

MARVELOUS WEATHER for ducks and fish, here lately. And what, with a touch of fall in the air, we're beginning to have thoughts of anti-freeze, long-handles, and the ol' electric blanket.

Hope you've already bought your anti-freeze, as it seems that the old art of "scalping" is coming into play, price-wise. When your wholesaler more than doubles his price on the commodity, you're bound to have to join the crowd.

SOMETIMES THIS thing of free-enterprise can behave in cruel and ungentlemanly ways, but we have to defend it. Anti-freeze, grain or meat—if you don't like the price you don't have to buy. And when you don't buy, the price has to become more attractive.

One encouraging sign, heard of today, the American dollar is showing a little more strength on the foreign market. Now if we could just feed it a little more

Wheaties in our own country, we begin to gain a little ground on the inflation thing.

DID APPRECIATE Turn attention to my recent question figured he knew where to come for the information. Don't believe that he quoted the going price Feeder-Stock the feeder has to start with. This before he told that 54 cents per pound feeding Kind of looks like an extra futility, eh, what?

AS FOR THE crack about his speaking terms with the bull, figure of speech, Ol' friend (I) that book-makers are always information "from the horse's mouth." Just figured that if you want information about cattle you'd talk with the bull.—Er, well—Appreciate

Turn Row COMMENTS

By EMIL MANN

MR. HAMMONS hit it on the nose with his frost prediction. I guess most farmers are relieved. With all the adverse weather and the high cost in making this year's crop, most farmers want to get this crop year behind them and to get started on next year's crop.

From all indication, next year will be another year of plenty. One cannot deny that at present there is an abundant amount of moisture. If only we can get a decent price for our commodities and cost of production will level off, all involved will enjoy a prosperous year next year.

IN MY TRAVELS over the district, our district 3-AA foes seem quite optimistic in their upcoming football games with the Wildcats. They may be right and they also may be in for a big surprise, I really don't know. But all I can say is "get 'em Wildcats! As long as you do the best you can, you are champs in my books!"

FOR YOU BASKETBALL minded people, it has been called to my attention

that Bula is opening their season.

IN CASE you missed the Lamb County Sew It With Cotton Sewing Contest that was held on weekend you can read all about it in Leader-News.

A lot of hard work went into the program and a lot of style and came out of it.

There will be a district style show in Littlefield in a few weeks. Make plans to attend it. It may be your time to see what fashions made from cotton.

IN CASE you like chili, you can enjoy a treat sponsored by Rotary Club tomorrow night. Rotarians put on their annual supper.

A FRIEND is someone who visits you when there is no one in the world you could possibly count on. — Er, well—

TREASURER'S QUARTERLY REPORT

To The Commissioners
 Court of
 Lamb County, Texas

STATE OF TEXAS
 COUNTY OF LAMB

Before me, the undersigned authority, County Clerk of Lamb County, Texas, on this day personally appeared G. T. Sides, County Judge; A. J. Spaul, Commissioner of Precinct No. 1; Jack Paul, Commissioner of Precinct No. 3; and Robert Dykes, Commissioner of Precinct No. 4, constituting the Commissioners' Court of Lamb County, Texas, who, being first by me duly sworn, each upon oath severally stated:

"That they and each of them have fully complied with the Laws of the State of Texas relating to the matters set forth herein; that they and each of them have fully inspected the quarterly report of the County Treasurer of Lamb County, Texas, submitted to them at the Regular Term of the Commissioners' Court, of Lamb County, Texas, held on the 14th day of October, A.D., 1974, which report covers the receipts, disbursements and ending balances of all county funds for the years' quarter ending on the 30th day of September, A. D., 1974; and that they and each of them have actually counted and fully checked the amount of money and other assets in the hands of said treasurer and have found the amounts shown in such report, attached hereto, true and correct."

Cats Open District Play

It'll be down to the nitty-gritty for Coach Jerry Blakely and his Littlefield Wildcats Friday night as they host perhaps the strongest team in District 3-AA in the district opener—the Dimmitt Bobcats.

Coming off of two straight defeats, Blakely stated "we'll just have to forget what has happened in the past. We're going to re-group and get ready to play a tough district schedule."

And it is a tough district schedule indeed as any team is capable of beating another on any given night. The district has two undefeated teams, Dimmitt and Friona, and has compiled an impressive 21-8-1 record in non-district play.

And the Wildcats are expected to have their hands full Friday night as they tackle a team which Blakely describes as "a real good defensive team and a great offensive team."

If one word was to be used to describe the Bobcats, it would be S-P-E-E-D and leading the parade would be senior halfback Robert Mayberry, who has a 9.7 second clocking in the 100-yard dash to his credit. He is considered by Blakely to be the best back the Wildcats would

have to contend with and "he's perhaps the best back in North Texas."

Mayberry, whose younger brother is often in the backfield with him at the other halfback slot, is a threat not only in running but in receiving passes and punts also. In last week's victory over Lockney, Mayberry ran for three TDs while scoring once on a punt return and he also caught a pass for another six points.

Other Bobcat offensive standouts include quarterbacks Ronnie Lawson and Brad Sanders and halfback Gene Veals.

Blakely describes this year's Dimmitt team as the "best I've seen since being in this area."

Probably the strongest aspect of their defensive team is the secondary which is headed up by Mayberry, Veals and Travis Hampton. "They have enough speed and ability in their secondary," Blakely commented, "that they very often have 11 men lined up within two yards of the line of scrimmage. Mayberry plays safety, but by looking

where he lines up, you'd think he was a linebacker."

Blakely summed up Friday night's game by saying "it will be a tremendous challenge for our young football team. Even though Dimmitt will probably be a heavy favorite, we ARE the defending district champions and we are not going to give that title up without a whale of a battle."

The kickoff is set for 7:30 p.m. at Wildcat Stadium.

Summing up the loss to Roosevelt, Blakely said, "we came completely and totally unglued. I thought we were mentally prepared, but we made so many mistakes that we didn't give ourselves a chance to play. I wish I could say that we had been defeated by a great football team, but I can't... they're certainly a good team, but not up to Floydada or Dimmitt. Roosevelt didn't do anything offensively that we didn't expect, but everything they did, they did it well. We had a good effort... nobody let down, but those mistakes killed us."
