

3 Percent Tax Increase Will Pay For New School

Littlefield School Board is doing a lot of figuring to take to house the brood it is responsible for. At the beginning of the year that brood added up to 150 in the grade school. That is an increase of 3 percent in seven years. Estimates to increase at 1.83 by the end of the next year.

already packed youngsters into the unsatisfactory basement of Central school and Supt. Halldis Pearce says next year they will have to use the still more unsatisfactory Girl Scout Hut. But for that matter, the whole gradeschool building is unsatisfactory because it has wooden floors and stairs which constitute a fire hazard, its roof leaks, it floods in wet weather, it is poorly lighted and ventilated, and the basement has only one exit.

The school board is undecided about what to do about the situation. They prefer to have the citizens make the decision on what to do. They have prepared some figures to help make such a decision. For instance they say that the additional 500 students expected in the next seven years will need 15 additional classrooms. And Central school needs to be eliminated and replaced, which means another 15 rooms. Since it will be fall of 1955 before a new building can be completed and occupied, and since a pupil increase of 180 is anticipated by that time, there is no point on planning on anything less than a 20 room building immediately—if Central is to be replaced. And if the needs for the next seven years are to be cared for, 30 rooms must be built. At approximately \$11,000 to

the classroom, plus necessary halls, rest rooms, offices, etc., 30 rooms would require a bond issue of \$350,000. Twenty classrooms will cost \$250,000. The larger figure could present a problem in financing. The attorney general ordinarily does not approve a bond issue which will make a school district's debt amount to more than 8 percent of its real estate values. Our debt presently adds up to \$627,000, or approximately 5.3 percent of our assessed valuation. A \$250,000 bond issue would leave us still under the 8 percent level, but \$350,000 would put us over it. An increase of nearly \$1,000,000 would then have to be added to our present assessment of \$11,869,000. The proposed addition of all personal property to the school tax roll will not take care of this because only real estate values are used to calculate this percentage. And the possible increase in property values

from oil development cannot be relied upon either, because oil development will probably bring more children and force still more classrooms to be erected. The only sure way to raise \$350,000 is to increase the assessment percentage on real estate from its present 40 percent market value. No increase in assessment would be required to float the \$250,000 issue, but an increased levy of \$1.80 per thousand would be required to retire the debt and pay interest. This is a 13 percent increase over present school taxes. The \$350,000 issue would require an 18 percent increase in actual taxes collected. The two possibilities above

are based on additional classrooms built on the present school grounds. Since there is a need to have an elementary school on the southeast side of town, some thought has been given to the cost of building all or part of the 20 or 30 classrooms in a new location. Since this would require the purchase of land and the building of cafeteria and auditorium facilities, another \$100,000 would probably have to be spent. This would make the cost of covering our needs through 1957, \$350,000, and the cost of taking care of expansion through 1961, \$450,000. The latter figure would require an increase of \$2,000,000 in assessed real estate values

and a net increase of 22 percent in total school taxes collected. (Editor's Note: The Duggan Estate once offered to sell the school district some land in the Duggan addition at bargain prices but withdrew the offer when they suspected that the district might not use it for school purposes.) The school board has not yet made its position clear as to which of the possibilities it favors. The board has agreed to meet with a Jaycee committee this week and it is probable that the Jaycees will shortly afterward circulate a petition asking for a bond election based upon one or another of the above plans.

Lamb County Leader

VOLUME XXV LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, FEBRUARY 25, 1954. NO. 41

ARE SOME OF THE farmers and agricultural experts who attended the luncheon Tuesday who attended the Soil Fertility Day program at Olton. Among those pictured are standing, Bill Porter, a featured speaker; standing, right, A. K. Hepperley, Burlington Lines agricultural agent and seated second from right, Farm Bureau Service Agent Marvin Carter. (For details on the meeting, see story at right). (Photo by Taylor Studio)

Speakers Agin' 1-crop Farming

By Billye Watson
"Take care of the land and the land will take care of you," was the principal thought in the talk given Tuesday morning at the Soil Fertility Day in Olton by Bill Porter of Cochran county. About 75 Lamb county farmers met in Olton Monday to hear Porter; Bill Coke of Texas A&M; a question and answer period conducted by County Agent David Eaton; Emmett Degnan, vice-president, U. S. National Bank, Denver; and a panel discussion on soil building practices in Lamb county by Doyle Turner and Harry Ingles of Pleasant Valley and A. F. Wedel of Yellowhouse community.

- 12 Steps to Success
Porter listed the following points in successful farming:
1. Start with a contour plan, a leveling plan, and an irrigation plan.
 2. Keep records.
 3. Plan to have several sources of cash income; for example, beef cattle, cotton, fruit, small grains, poultry, eggs, legumes, and custom work.
 4. Have the necessary credit and capital.
 5. Use soil builders, because to build up the soil is to build up a bank account for future use.
 6. If mechanization is to be used the farm unit must justify it.
 7. Improve the standard of living for the laborers and plan to keep them on the farm.
 8. Consider farm storage a necessary improvement.
 9. Fix up your own home.
 10. Plan family nights.
 11. Make more contacts outside the home.
 12. Take an interest in the churches and schools.

'In Our Own Backyards'
He said, "The solutions to our problems are to be found in our own backyards. All we need is to be open minded, take the information, pass it up if it doesn't apply, and if it does, use it. If we join hands with science we'll solve our problems."
Emmet Degnan, afternoon speaker, and vice-president of the U. S. National Bank in Denver, said "There are no credit risks in America better than farmers, ranchers, and dairymen. There is less loss on farm loans than any other type of loan."
He said a stable America cannot be maintained unless we have a high price agriculture. (Continued on Page 3)

Safe - Crackers Steal \$900 From Olton Firms

THIEVES' MARK—Will Locke, owner of the Olton Auto Supply, points to the oil-splattered wall of the building with a 20 pound fragment of the safe door which was blown off with nitroglycerin by thieves who took about \$900 in burglaries at his and two other firms in Olton sometime Sunday night. One part of the blasted safe hit the ceiling with such force it knocked a hole in the roof. The explosion blew oil cans the width of the room and burst several of them. (See story at right). (Photo by Taylor Studio)

County Officers Believe 'Foreign Thugs' Involved Investigation Continues

Sheriff Dick Dyer said Wednesday the safe-crackers who took \$900 in three break-ins at Olton Monday probably were "out-of-county" thugs. Dyer said his office and Texas Rangers W. E. (Razz) Renfrow and Gene Gray of Lubbock still are investigating the thefts. Checks worth \$850, thrown away by the burglars, have been recovered.

No One Heard Blast
The sheriff's office said apparently no one heard the explosions which blasted away in the Olton Auto Supply and Bodkin and Nixon Implement Co. sometime during Sunday night. Also burglarized was the Olton Farm Supply.

Thieves entered the Olton Auto Supply by prying open the front door, knocked the knob off the safe and blew it up. It's believed nitroglycerine was used to blast the safes, and at Olton Auto Supply the blast was so powerful it knocked a hole in the ceiling. The motor firm reported \$230 in cash missing.

Wind Scatters Checks
At Bodkin and Nixon, burglars took about \$500 in cash from the safe after blasting it open. They entered by breaking open the front door.

The Olton Farm Supply Co. safe escaped damage because it had been left open, but thieves tore up the cash register and took \$183.75 in cash. They entered the farm supply company by breaking out a window.

Olton Farm Supply reported \$300 in checks missing. Olton Auto Supply had \$250 in checks stolen and Bodkin and Nixon lost \$300 in checks.

All these checks were recovered, however. The sheriff's office said the thieves threw the checks away behind the implement company. "We found most of them there but a lot of them had blown all over and people were picking them up everywhere."

Subscription Rates of Newspapers Before and After Tuesday, March 9

Until Tuesday, March 9, subscribers residing in Lamb and adjoining counties can secure a subscription to both the County Wide News published Sunday, and The Lamb County Leader published Thursday, for only \$3.50 per year, or two years for \$6. Outside Lamb and adjoining counties, the papers sold together are \$4.50 per year for both, or two years for \$8 until March 9. After March 9, either paper sold alone will be \$4 per year in the trade territory and \$5 outside the local area. The two papers are published as a twice-a-week paper now, each carrying one half of the week's news. Those who receive only one paper should come to the office immediately or contact some of the candidates in the campaign, listed on this page, and see the more than twenty-four pages of news and advertising they are missing each week, and still paying for the same as others. Any unexpired time on either paper can be adjusted on the two papers and the payment extended right on from that date. GET TO THE PHONE THIS MINUTE. AND CALL THE OFFICE, OR ONE OF THE WORKERS LISTED ON THIS PAGE AND SEE WHAT YOU ARE REALLY PAYING FOR AND STILL NOT RECEIVING. IF YOU ACT BEFORE MARCH 9 YOU CAN GET BOTH SUNDAY'S AND THURSDAY'S PAPER FOR 50c LESS THAN YOU WILL BE PAYING FOR ONE AFTER THAT. YOU ARE MISSING ONE HALF OF YOUR NEWS WITH ONLY ONE PAPER.

Hunter Gets 3-Year Term In Turner Beating Case

Tom Hunter, Littlefield laborer, was found guilty Tuesday of assault with intent to murder W. A. Turner, Littlefield apartment house owner severely beaten in a midnight attack at his home last month. The jury assessed Hunter's punishment at 3 years in prison.

The district court jury deliberated five hours before returning the guilty verdict. District Judge E. A. Bills said Hunter will be sentenced "in the next two or three days."

'Owed Me Money'
Hunter, represented by court-appointed attorney W.G. Street Jr., testified he was provoked because Turner owed him some money.

The state was represented by District Attorney Joe Sharp and County Attorney Curtis Wilkinson.

Jurors in the Hunter case were James C. Holland, Leonard Albus, H. H. Harvey, Robert O'Hara, W. V. Struve, J. C. Franks, R. E. Williams, P. E. Jones, Cecil Gipsen, I. R. Boren, Bill Boyles and Cecil Johnson.

Damage Suit Next
Wednesday, Judge Bills and district jurors were hearing evidence in the divorce suit of J. B. Wren versus Dora E. Wren.

The trial Monday of the case of Universal CIT Credit Corp. versus James Hodges, a suit over a note on an automobile, ended in a hung jury. Scheduled for trial Thursday was the damage suit of Josephine G. Wright and children versus the Fieldton Co-Op Gin Co. Mrs. Wright is suing in connection with the death of her husband, Leonard, after a collision between his car and a gin truck. The suit of Thomas Overstreet et al versus Wayne Durrett et al has been dismissed.

CHURCH PLANS READY
Plans have been prepared for the proposed new Sacred Heart Catholic church in Littlefield and now are waiting official approval.

Many Candidates So Closely Bunched On Special Prizes That the Last Subscription May Be The Deciding One — Office Open Until 10 P.M. Tuesday, March 2nd, to Accept Subscriptions for the Candidates

Shorthorn Field Day March 31

The Texas Milking Shorthorn Breeders' annual district field day will be held at the Lamb county fairgrounds at Littlefield March 31. V. M. Peterman of Amherst, state director of TMSB, announced Wednesday. The office will be open each night until 10 o'clock to accept subscriptions for the various candidates, and help subscribers to take advantage of the special rate of both Littlefield newspapers for the price of one. Friends of candidates should realize that it may not be possible to back calls and return all back calls and return to see each one in these closing hours. Subscribers have the privilege to come to the office or phone 26 or 27, up to 10 o'clock next Thursday night and give credit for their subscriptions to their favorite candidate, and still get the advantage of this special rate, regardless of how far their subscription may now be paid in advance. Those who are taking only one paper will have the amount of time they still have. (Continued on Page 3)

The public is invited to the show, which will begin with a demonstration at 10:30 a.m. Future Farmers of America and 4-H livestock judging teams from over the state will compete beginning at 1:30 p.m. Some 30 head of registered Milking Shorthorns will be on display. They'll be shown by Peterman's Sunshine Ranch, Lewis Brothers of Loveland, and Roth-Acre Farm of Dimmitt.

Bill Dixon of Springfield, Mo., a representative of the national Milking Shorthorn Breeders association, will give the demonstration, explaining good points of the fine cattle on display.

A large bronze loving cup will be given to the winning FFA or 4-H judging team. Teams who wish to attend need only to come to the field day, Peterman said. There are no entry formalities.

Last year 17 judging teams from over the state took part. Friona won first place and probably will send a team again this year.

Some 200 persons attended the 1953 field day and at least that many are expected this year.

First in Texas To Reach Membership Quota

Farm Bureau Now Has 911 Members

The Lamb county Farm Bureau—which increased its membership from 500 to nearly 1000 in five days last week was the first in Texas to reach its 1954 membership quota. Service Agent Marvin Carter told membership drive workers at the report meeting Monday night. Team captains reported these results in the membership drives in their communities: Horace Woodward, Amherst, 39. Skipper Smith, Littlefield, 47. Ernest Baker, Springlake, 97. Doyle Tapley, Rocky Ford, 20. Bruce Higgins, Earth, 39 and incomplete. E. J. Stone, Sudan, 34. I. H. Neinaast, Hart Camp, 32. W. O. Stephens, Friendship, 25. (This community got special praise because "those folks down there haven't had a crop for four years—not anywhere near a poor crop even.") Doyle Turner, Pleasant Valley, 20. Kenneth Ray, Olton, 106 and incomplete. Ted Hutchins, Spade, 80. T. R. Royal, Fieldton, 32. (No report has been turned in from Pep. Mrs. Imokey Stephens, office secretary, said altogether 625 new and renewal memberships were turned in during last week's drive, bringing to 911 the number of memberships now in force. The county Farm Bureau expects to top 1,000 soon. Boots were awarded to a drive worker in each community. Workers got one chance on the boots for every five members they signed. Sudan Advances To Second Round In Regional By Downing McLean

District 2-A Champions, the Sudan Hornets, advanced to the second round of the Class A Region 1 Basketball tournament in Canyon last night by downing the District 1-A Champs, the McLean Tigers, 47-39.

The Tigers started the scoring with 3 points at the beginning of the game, but Coach Francis Smith's Lamb county team came back with three quick field goals to take the lead, which they held throughout the exciting game.

Wayne Cunningham

Arian Scott, who won the Littlefield Amateur Invitational tournament, was visiting in Littlefield Sunday.

Arian, who is No. 1 on the Hardin-Simmons golf team, and Border Conference champ last year, was visiting with the "Cowboys for Christ" of Hardin-Simmons at a Baptist church. Arian plans to be a Baptist missionary when he gets out of college.

He left Abilene Sunday morning with Gene Adams (cousin of the boxer, Tom Adams) for Littlefield. We were glad to be able to talk with these fine collegiate athletes while they were visiting the Baptists in Littlefield.

Scott drove out to the Country Club looking for his friend, Melvin Best. Arian said, "He was the most courteous competitor I ever played. Melvin insisted that I take my time and relax several times. Once he gave me a three-foot putt that I knew I couldn't make because I was getting so tired and tense. He gave me a real battle. Seems I felt I could take the tournament after beating him, even though I knew Maxwell was still in."

"Are you coming back this year?" we naturally asked.

"After the wonderful way Littlefield people, Best, Pro Kenneth Wright, the Shelbys, Dr. Still, etc. all treated me, it sure is a temptation. I don't know yet. My girl is transferring from Fort Worth to Hardin-Simmons to study nursing. This will help my missionary work. She'll be in summer school. I have to work and hope I can get my employers to let me off for the tournament. I loved those Littlefield greens. Best I've played on. I'd like to defend the title. I'm not playing so good right now, working, studying and going out, losing sleep on weekend meetings. Maybe I can improve this summer."

I asked if courting helped the game any. He told me that it always helps to have someone really pulling for you and to know it.

Tom Shelby heard Arian was in town and called all over to find him. I learned they finally got together at 10:30 p.m. at Mrs. Dyers' where Tom is boarding since his folks moved to Lubbock. The Shelbys kept Scott during the tournament last summer.

Tom had to stay in Littlefield for the remaining school year, though his folks moved to Lubbock. Here's hoping he and the Littlefield high school boys golf team win the District again this year. They probably start practicing this week. If the sand and "saw" lets up around the Country Club, The new Country Club Pro, Mr. Moore will coach the boys before they enter competition.

Whitharral Plays Friday In District

The Whitharral Panthers won the District 6-B championship in two rounds of basketball and will play the Megargel high school Friday night in Canyon at the district playoff tournament.

Coach Jake McFarran's boys are rated the underdogs in this first play-off affair, not being given much chance against the tall, lanky Megargel bean-poles. However, the Panthers have shown unusual spirit for such a small team and can possibly make a real contest out of their first tournament play-off game.

Whitharral won the first round robin in their district after a struggle from Anton then went on to take the second half, the Anton district tournament, again downing the Anton Bulldogs in the finals there.

Lfd Independents Lose To Olton

The Olton Independents defeated the Littlefield Independents Thursday night 43-28. The score at half-time was 19-17 in favor of Olton.

High point man for Olton was Archie Sauter with 13 points. Lelton Williams and Wayne Ramsey had 15 and 8 points respectively for the losers.

The conference looks tough next year for the basketball Wildcats, but the team looks better from here.

Gardner and Mears will be gone, but look who's coming back. Howard, Vaughn, Davis, and two tall (still growing) Sophomores, Wicker and Clayton, and best of all, Simpson.

PREDICTION: The Wildcats will be stronger, but will be in twice as tough a league. They'll win 18 games, however.

Of course there is tall Orr, and Joe Giddens might give some of these tall boys a run for it on the varsity his senior year next year. Joe is a real ball handler and shooter. He is very progressive. His "B" squad, teammate, Fore, has shown improvement and is perhaps the scrappiest and most aggressive young ball player. Bill never quit. He worked on faking, passing and concentrated on every backboard. Too bad he isn't 6-4.

The Wildcats have truly had the most successful year in basketball remembered here in Littlefield. This statement is still unchallenged. Let me hear from you old-timers.

Candidates should study their list at once and check the name of every subscriber whose subscription is not paid up to the present date, then see them as fast as possible, as they will not receive paper this week unless their remittance is in the office before the paper goes to press. In most instances the subscriber will want their paper.

Candidates who are not using all available time these next three days and fail to win a prize have no one but themselves to blame as everyone is placed even with valuable prizes for these remaining days. If all candidates will only check their list they will see many more people who are not going to receive their papers this week than they can possibly see before the hour arrives.

Candidates who get the best results at this time will be those who let the public know that they are giving their campaign their undivided attention and are really in to win. Everyone likes to help a winner.

He stressed agriculture's need of sa. esmanship, mentioning the need for better selling jobs by cattlemen and informing the American people of the agricultural hazards such as insects and weather conditions.

No Place for Pessimist

"Farmers are dealing with high price labor, high prices and high taxes. Farmers cannot continue unless there is some type of balance on all commodities," Degnan said. He added that "America is the finest country in the world and we should never lose confidence in our land. We should all have faith in God and in our country. There is no place for a pessimist in agriculture or in this country."

Doyle Turner of Pleasant Valley, a member of the discussion panel, explained his method of farming, showing the difference made in the crops where fertilizer was used and in those unfertilized. Harry Ingleking of Pleasant Valley said both legumes and fertilizer are good for farming and suggested crop rotation on various crops.

A. F. Wedel of the Yellow-house community said, "Commercial fertilizer is not the answer to our problem. We need more organic matter in our soil."

Luncheon was served the group, courtesy of Dub Granbery, president of the Olton State Bank, at the Olton school cafeteria. The meeting opened at 10 a. m. with a welcome address by Mayor Lefty Hollingsworth of Olton.

Kenneth Pharris, Missing AF Pilot, Promoted Recently To 1st Lieutenant

Mr. and Mrs. Paul Pharris recently received a letter from Major General John H. McCormick, Director of Military Personnel, stating that their son, Kenneth, missing in action since May 28, 1953 has been promoted to First Lieutenant.

Present air force policy provides that missing personnel be considered for promotion and if promoted, the appointment be formally made.

Lt. Pharris, a 1948 graduate of Littlefield highschool, was on a defense mission over the Japanese Islands when he was reported missing. He was flying an F-94 Jet Interceptor as a USAF all-weather fighter pilot with the 8th Fighter Interceptor Squadron in Japan.

A three-year letterman at Littlefield highschool, he was a junior at Texas Tech, majoring in higher accounting when he volunteered for service in the air force, Jan. 22, 1951. He received his basic training at San Antonio, was stationed at Goodfellow AFB, San Angelo, while waiting for special training at Columbus AFB. After training at Columbus in T-6's he went to Chandler where he flew T-33s and F-80s.

He received his wings and second lieutenant rating Aug. 2, 1952 at Chandler AFB. He received more special training at Moody Field, Ga., and Tindall AFB in Panama City. He left the U.S. Feb. 2, 1953 for Itazuka AFB near Fukuoka on the island of Kyushu, Japan.

Mr. and Mrs. Pharris' older son, Charles Paul, who is stationed at Orlando, Fla., was recently promoted to Airman first class. He is an aerial photographer. Mrs. Charles Paul Pharris is teaching at the Orlando school system.

By Ted Gouddy

FORT WORTH—The nation is in for another beef-eating spree in 1954 on the basis of the report that the cattle population was one per cent higher on Jan. 1 than a year earlier.

The estimate is that there are 47.7 million cattle on farms in the United States. Last year (1953) beef consumption per capita in the nation was at a record level, and about 12 lbs. above the preceding year. Estimates are that this year the nation will eat only a little less beef per capita.

The American Meat Institute says that beef is at an all-time low. The same goes for the price of all meats or the average. They base this figure on the number of labor required to raise a pound of meat.

The Institute's figures reveal that during 1953 it required only 26 minutes of labor to pay for a pound of beef. During the depression it took 35 minutes labor to earn the money to buy a pound of beef.

The average labor required for a pound of "all meats" in 1953 was only 21.2 minutes. During depression it required 30.8 minutes labor to buy a pound of beef.

Hogs were 25 cents higher Monday at Fort Worth. Top was \$26.50 to \$26.75. Sows \$21 to \$24.

The boys from Burnet county furnished the highlight of the Monday sheep trade at Fort Worth. They had shorn fat old crop lambs that brought the day's high to \$19. Most other clipped lambs sold from \$16 to \$18.50, with lower grades \$12 to \$16. Feeder shorn lambs drew \$18.50 down, and some light weight woolled feeds drew \$19.

The year's best price was equalled on new crop milk fat lambs with the toby kinds sold from \$23.25 to \$23.75. Old ewes drew \$7 to \$9, some stocker ewes to \$10 to \$12. Old bucks \$4 to \$5. Aged wethers \$9 to \$12. Yearlings and two-year-olds \$12 to \$16.

County President Jack Yarbrough closed the meeting with a brief outline of current Farm Bureau projects:

1. "We're trying to get light spots in loan classifications. We're asking for light spots to classed 200 points over straight spots and we'll possibly get 150."
2. "We're trying to get a humidifier for the Lubbock classing office. It will increase your staple and we've been asking for it the last two years. They promised they'd get it this year, but they promised that last year, too, and they didn't install it."
3. Grain sorghum allotment's.
4. 90 percent of parity.

Kraut and Frankfurters are Thrift

By Cecily Brownstone
Associated Press Food Editor
Ever think of making a frankfurter-and-sauerkraut stew? It's zesty, thrifty and hearty. Frankfurters are featured in food markets this month, so you may get some good buys.

For another meal, try this Kraut, Frankfurter and Potato Puff. It's different and good; fine to serve the family for supper with crusty French bread, a salad and dessert.

SAUERKRAUT AND FRANKFURTER STEW

Ingredients: 4 chicken bouillon cubes, 3 cups boiling water, one No. 2½ can sauerkraut, 4 medium-sized potatoes (peeled and cut in half), 8 small white onions (peeled), 2 medium-sized carrots (cut in short lengths), 2 medium-sized parsnips (cleaned and coarsely diced), 2 ribs celery (sliced), 3 tablespoons brown sugar, salt and pepper, 8 frankfurters (cut in short length).

Method: Dissolve bouillon cubes in boiling water; add sauerkraut, potatoes, onions, carrots, parsnips, celery and

Two Hurt As School Bus Overtakes

A Lazbuddie school bus carrying 12 children overturned 12 miles northeast of Mulcshoe after it was hit by a car at a county road intersection Tuesday morning. Highway Patrolman Clayton Culp reported.

Two passengers on the bus were injured. Otis Bradshaw, 11, suffered a deep scalp cut and possible fractured shoulder, and Ronnie Gustin, 10, had a tooth knocked out and a cut on his lip.

Culp said the bus, driven by Harold Leonard Morris, and a car driven by Algonzo B. Gutierrez, Tucuman, N. M. collided at a county road intersection.

Gutierrez pleaded guilty Tuesday afternoon to a charge of aggravated assault with a motor vehicle and was sentenced to one month in the Parmer county jail.

Money Costs, Too

Did you ever try to buy money?
This company buys money in the form of bank loans and bonds in the form of stock it sells.
This is the money that is used to extend and expand the telephone systems. This money costs money.
That is why we need a return on our investment—the money we bought—so we can pay the current cost of money in the open market.
During the last five years, we have had to "buy" over \$300,000 of capital to expand and improve the telephone system here in Littlefield.
If we cannot continue to secure the added funds we need, service is jeopardized and growth of the system stops.

Sudan Grain Man Enters Lubbock Jail

O.L. Shannon, Sudan grain elevator operator taken into custody Monday to serve a 5-year federal prison sentence on a charge of converting government-stored grain to his own use, will appeal the sentence to the U. S. supreme court.
The 49-year-old Sudan man was found guilty on 41 counts in district court at Lubbock a year ago. He reported to the deputy U. S. marshal's office in Lubbock Monday at 10 a.m. and was jailed.

At the same time, his attorney announced he was preparing an appeal to the nation's top court.
In addition to his sentence, Shannon was ordered to pay fines totaling \$15,000. The conviction was appealed to the U. S. circuit court in New Orleans, which earlier this year confirmed the sentence.
During his trial, witnesses testified Shannon was "short" 30,831.405 pounds of grain sorghums and 36,696 bushels of wheat stored at his elevator and warehouses in Sudan. Government experts estimated the Commodity Credit Corporation's losses in grain stored there at approximately \$725,000.
Shannon contended the grain sold was his own and that he was owner of the grain after issuance

Bright New Store Gives Double Space, Warehouse

Foust Food will hold a grand opening Friday in the grocery's new building at 601 E. 10th, next door to the firm's former location, E. J. Foust, jr., announced.

Fieldton Club Has Meeting

FIELDTON, (Special) — The Fieldton Community club met Tuesday night in the school building. Plans were made for a Farm Bureau at Fieldton. The Bureau will meet with the Community Club their next meeting and decide then how and when they will meet in the future.

Those attending played 42, and refreshments of sandwiches, coffee and bottled drinks were served to Mr. and Mrs. Don Brestrup, Mr. and Mrs. Ted Royal and Gary, Mr. and Mrs. R. A. Reed, Mr. and Mrs. Buck Fredericson and children, Mr. and Mrs. Bud Thomas, Mr. and Mrs. K. M. Boozer, Mr. and Mrs. J. E. Elliott, Mr. and Mrs. Vernon Qualls, Mr. and Mrs. Basil Jeffrey, Mr. and Mrs. Sherman Rushing and Lalrellis, Mr. and Mrs. James Cook and baby, Mr. and Mrs. Bobby Short, Mr. and Mrs. Clayton Cowen, Claud McCain, Virgil Roberts and Jerry, Marvin Qualls and Gerald Wayne, Mr. and Mrs. S. J. Thorpe.

Shower Held For Mrs. Testerman

FIELDTON, (Special) — A miscellaneous shower was held last Wednesday for Mrs. Jimmie Testerman, a recent bride, at the home of Mrs. Vernon Qualls in Fieldton.

Hostesses were Mrs. Qualls, Mrs. Wayne Cowen, Mrs. Don Brestrup, Mrs. Bernard Nelson, Mrs. Fred Smith and Mrs. G. D. Stewart.

The dining room was decorated with yellow chrysanthemums, and the serving table held lighted candles and a miniature bride and groom. Punch, homemade cookies, mints and nuts were served. Thirty guests attended.

Amherst Freshman Have Class Party

AMHERST (Special) — Mr. and of the freshman class of Amherst high school enjoyed a class party at the Legion Hall Friday night.

Table games were played and a scavenger hunt around town featured the entertainment.

Cold drinks and assorted cookies were served to approximately 28 class members attending and Miss Carol Middleton, class sponsor, Mrs. P. Palvado, Mrs. Jim Edwards and Mrs. J. B. Davis.

There will be 25 sacks of groceries given away during the open house, and several Smokey Bears. Favors will be given everyone who attends.

The new 40x60 building of stucco with a Roman brick front gives "double the space we had," Foust said. It adjoins the previous location, which will be used for warehouse space. The building was built by Mrs. Falls Bennett of Littlefield.

The interior of the building is bright and light. Walls are paneled in natural-colored wood and painted Riviera rose. The asphalt tile floor is clouded beige.

Display gondolas are of the natural wood, and refrigerator cases are white enamel. Among the new equipment is a 22-foot refrigerated showcase for vegetables.

Self-service features have been added and the market now will be semi-self-service. A poultry and fish department has been added, with fresh fish daily. Foust Food will continue to have hot barbecue, made in the market, fresh daily.

The new store also provides Foust with an attractive office. In the new location, Foust Food will continue to be open from 7 a.m. to 9 p.m. seven days a week.

Foust has been in the grocery business in the former location, 603 E. 10th, five years. A Littlefield resident 34 years, he's "been in the meat business all my life."

Foust Food has always specialized in "the choicest meats in town," and will continue to do so, Foust said. Foust and his wife, Nell, and their two children, Phyllis, 15, and Rodney, 14 months, live at 616 W. Second.

The grocery said two new employees probably will be added to the Foust staff.

Employees moving with the firm to the new location are the butcher Bill Zahn; the assistant manager, Sid Bell; Don Wren, Larry Wren, and Mrs. A. McMahan.

LaVelle Caraway P-TA Candidate For Lions Queen

AMHERST, (Special) — The February meeting of the Amherst Parent-Teacher association was held Thursday afternoon, with Mrs. Herman Davis as program leader.

After group singing of "America," Rev. John Rankin spoke on "The P-TA Keeps Faith with America."

Mrs. Weldon Terrell, president, presided in the business session.

LaVelle Caraway, daughter of Mr. and Mrs. Luther Caraway, will be the P-TA candidate for queen in the forthcoming contest being sponsored by the Amherst Lions club.

The freshman class won the award in the room count for attendance.

FAMILY DINNER
This small beef loaf is fine for a family of four.
Oatmeal Loaf* Baked Potatoes
Snap Beans Carrots
Bread and Butter
Chocolate Pudding Beverage

OATMEAL LOAF*
Ingredients: 1 egg, 1/2 cup milk, 1/2 cup quick-cooking rolled oats, 1/2 teaspoon salt, dash of pepper, 1/2 teaspoon prepared mustard, 1 tablespoon chili sauce, 1 tablespoon finely grated onion (pulp and juice), 1 pound ground beef chuck.
Method: Beat egg and milk together enough to combine; add rolled oats and allow to stand about 10 minutes. Mix in salt, pepper, mustard, chili sauce, onion and beef. Press into small loaf pan (about 7 by 4 inches); run spatula around edges and turn out on shallow baking pan or ovenproof platter. Bake in moderate (350F) oven 50 minutes. Makes 4 servings.

GOOD LUNCH
These cheese biscuits have fine flavor.

Cold Roast Beef
Cooked Vegetable Salad
Cheese Biscuits*
Pineapple Beverage
CHEESE BISCUITS*
Ingredients: 2 cups sifted flour, 3 teaspoons baking powder, 1 teaspoon salt, 6 tablespoons butter or margarine, 1 cup grated American cheese, 2-3 cup milk.

Method: Mix and sift flour, baking powder, salt. Cut in butter until it is in tiny particles. Stir in cheese. Add milk all at once. Mix quickly until ingredients are just moistened. Knead a few seconds on lightly floured board. Roll or pat 1/2-inch thick. Cut with floured biscuit cutter; place on cookie sheet. Brush with milk. Bake in very hot (450F) oven 12 to 15 minutes or until golden brown. Makes 20 small biscuits.

COMPANY SUPPER
This is a quick curry because you don't have to fillet the chicken.

Curried Chicken* Steamed Rice
Green Peas Chutney
Salad Hot Rolls
Orange Ambrosia Beverage

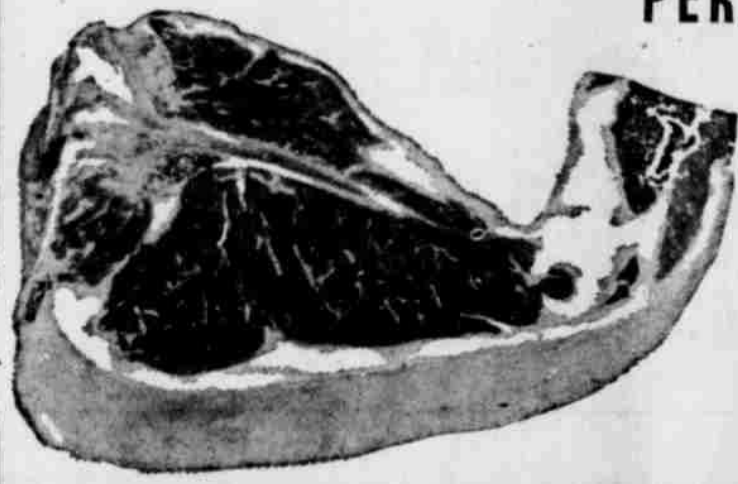

CURRIED CHICKEN*
Ingredients: 1/2 cup butter or margarine, one 2 1/2-pound ready-to-cook weight frying chicken, 1/2 cup coarsely grated onion (lightly packed), 1 medium-sized apple (peeled and coarsely grated), 4 teaspoons curry powder, 1 chicken bouillon cube, salt and pepper, 1 1/2 cups boiling water, 1/2 cup cream.
Method: Brown chicken in butter in 10-inch skillet. Add onion, apple, and curry powder; dissolve bouillon cube in water; add to skillet with salt and pepper to taste. Scrape up browned particles from bottom of pan with wooden spoon. Cover and cook until chicken is tender. Remove chicken pieces; force mixture in pan through fine strainer. Return chicken and steamed mixture to skillet; stir in cream. Reheat but do not boil. Makes 4 servings.

Lemon Pork Chops With Penner-Rice Rings
4 loin, rib or shoulder pork chops (about 1 1/2 pounds)
1/2 teaspoon paprika
1/2 teaspoon salt (for chops)
Dash of pepper
1/2 cup raw rice
1 medium onion
4 thin lemon slices
1 large onion pepper, cut crosswise in 4 thick rings
2 1/2 cups (1 No. 2 can) tomato juice
2 teaspoons chili powder
1 bay leaf, finely crushed
1 teaspoon salt (for tomato juice)
Trim excess fat from chops; slash fat about 1 inch apart. Rub with paprika, salt (for chops) and pepper. Rub heated large skillet with slices of cut-off fat; brown chops slowly on both sides. While chops brown, parboil rice in boiling salted water for 5 minutes; drain; remove for filling penner rings. Cut one slice from center of onion; separate into rings; reserve for garnishing chops. Chop remaining onion; combine with reserved parboiled rice. Add lemon slices and onion rings to chops in skillet. Arrange onion penner rings around chops; fill with rice-onion mixture. Season tomato juice with sugar, chili powder, bay leaf and salt; pour into skillet to depth of 1/2-inch. Steam covered 1 hour or until chops are tender. Add remaining tomato juice as needed to keep liquid 1/2-inch deep during entire cooking time. Arrange chops on heated platter; transfer rice-stuffed penner rings to platter with sauce; turn onion tomato pan gravy over chops and rice.

LYMAN'S
RECIPE OF THE WEEK
By Mary Lee Taylor
Creamy Mince Pie
2 egg yolks 1/2 cup milk
1 egg white 1/2 cup cream
2 slightly beaten eggs 1/2 cup sugar
Break mince meat into pieces, and put into saucepan with water. Cook and stir over medium heat until smooth. Mix rest of ingredients. Stir in hot mince meat mixture. Pour into a 9-inch pie pan lined with unbaked pastry made with pie crust mix. Bake 10 minutes in a very hot oven (450), then reduce heat to moderately slow (350) and bake about 30 minutes, or until firm. Serve warm or cold.
*Bulk or bottled mince meat can be used if water and cooking are omitted. Just stir 1 1/2 cups of such mince meat into egg mixture.

This Recipe Is a Winner of \$7,500

Associated Press Food Editor
By Cecily Brownstone

A good cook gets her reward! Mrs. Joseph E. Terrill of Burlingame, Kan. experimented and achieved what she thought was a perfect recipe for a sweet yeast bread. Judges of Pillsbury's recent 5th National Recipe and Baking Contest agreed, and awarded Mrs. Terrill the second prize of \$7,500 for her recipe.

We pressed our 15-year-old nephew into service when we tried Mrs. Terrill's Cinnamon Nut Crisps. After we had made the dough and cut it into one inch slices as directed, he had a lot of fun placing the slices on a sugared board and rolling them out thin. Naturally, when the Crisps came out of the oven, he was one of our best testers. Older eaters voted these individual coffee cakes especially good for dunking!

This prize-winning recipe will not appear in any other newspaper or magazine column. So if you have a yen to try a recipe that's made culinary history, here's your chance!

CINNAMON NUT CRISPS

Ingredients: 1 cake compressed yeast or 1 package active dry yeast, 1/2 cup lukewarm water, 2 eggs (well beaten), 1 cup lukewarm cream, 3 tablespoons sugar, 1 1/2 teaspoons salt, 1 teaspoon vanilla, 4 1/2 to 5 cups sifted flour, 4 tablespoons butter (melted), 1 cup firmly packed brown sugar, 1 teaspoon cinnamon, 3/4 cup blanched almonds or other nuts (finely chopped), 1-3 cup raisins (chopped), extra sugar.

Method: Soften yeast in water. Mix eggs, cream, 3 tablespoons sugar, salt, vanilla and the softened yeast. Gradually add flour, blending thoroughly after

N. N. Frey Enjoys Helping Her Family Develop Interests And Talent

Billie Watson

N. N. Frey, who is Doris to the Order of Star members since organization uses the members' names rather than surnames, is the matron of the local chapter for the past two years. She has devoted most of her time after caring for her family to the organization.

The chapter's regular meetings are the sending flowers to those who have illness in the family, assisting with meals in the family of those who are recovering from illness, and donating to the organization.

Her family consists of her husband, N. N. Frey, who is an insurance agent, one daughter, Ann, 15, and two sons, Don, 10 and Mikl, 8.

She is the chapter's regular matron and is sending flowers to those who have illness in the family, assisting with meals in the family of those who are recovering from illness, and donating to the organization.

board for the past eight years, and is serving as president of the board this year.

For her personal relaxation she enjoys reading selections from Reader's Digest and Redbook. "There's not a lot of time for reading," she said, "but it will relax me when nothing else will."

"I enjoy cooking and I especially like to try new things. I make buttermilk biscuits every morning for breakfast since Norman likes them," she said.

One of the recipes she recommends as an inexpensive, quick dessert is an orange cake. To make, mix together 1/2 cup

shortening, one cup sugar, one egg, two cups flour, one teaspoon each of nutmeg, cinnamon and soda, one cup buttermilk, one grated orange rind and the grated rind of half a lemon. Bake in a loaf pan. After the cake is cool, pour the following sauce over it: one-fourth cup of lemon juice and 1/2 cup orange juice into which one cup of sugar has been dissolved by stirring. The cake is delicious served with whipped cream.

Later in the spring Mrs. Frey will be honored at the annual worthy matron's party. Her year of service will be concluded the last meeting in May.

Catholic Nuns Will Arrive In Pep For Children's Classes During May

PEP, (Special)—Ladies of the Pep Altar Society of St. Phillip Neri held their monthly meeting Sunday afternoon. Sixteen members were present and one visitor, Mrs. Billy Jungman of Dimmitt.

The president, Mrs. Gaubert Demel, called the meeting to order, and the singing of "America" was led by Mrs. A. Homer. Mrs. Wilbur Rhumefield led the opening prayer. The secretary, Mrs. Syl Diersing, called the roll and the minutes of the previous meeting were read and approved. The treasury report was given by the treasurer, Mrs. V. H. Diersing.

In the business section, Mrs. Jerome Decker volunteered to wash the altar boys' surplices for the next month. Rev. Father Hyland requested that all renew their subscriptions to the Register, and to read the Sunday Visitor. He also announced the last week in February is Catholic Book week, and Catholic Press Month includes all of February.

The nuns will come for two weeks immediately after the close of school in May to teach the children Catholicism. They will stay in the home of Mrs. Lawrence Albus while here. Mrs. Eugene Gerik, Mrs. Gaubert Demel and Mrs. Ed Diersing

were selected to attend the DCCW meeting held in Plainview Tuesday.

Mrs. Lawrence Albus requested that the ladies send old Christmas cards and old clothing to the nuns in Pennsylvania. The meeting was then turned over to the program chairman, Mrs. Ed Diersing. Mrs. Eugene Gerik read on the life of our Blessed Mother.

In the entertainment program of which Mrs. Jerome Decker is chairman, several jokes were read by Mrs. Syl Diersing. In the attendance prize drawing Mrs. Eugene Gerik was the lucky lady. The meeting closed with the singing of "Hail Holy Queen" led by Mrs. A. A. Homer.

her marriage Mrs. Frey telephone agency at her duties included bookkeeping besides her exchange.

In the past two years she has devoted most of her time to the 4-H work. She is the tractor for his father time and helps with the farm animals, the milking.

Mrs. Frey is helping her 6-year-old son learn to care for 130 chickens.

Methodist Girls Present Play

The World Friendship girls of the First Methodist church met at 6 p.m. Sunday in the pastor's study for a business meeting and a play "The King's Vineyard."

After the business meeting the group discussed the problems of the church. In the play cast were Misses Gay Minyard, Gurene Allen, Linda Hoover, Gloria Thomson and Carol Caldwell. Miss Trudy McGee, president, presided over the meeting. Mrs. Dick Edwards met with the group.

Spiced tea and cookies were served during the meeting.

Spade 4-H Girls Get Tips On Fashions And Modelling

SPADE (Special)—Gloria Gray, Ruby Vaught and Betty Byars attended a "Career Scope Fashions for the Modern Teens" Saturday at the Slide Community building in Lubbock county.

Lamb county home demonstration agent Mrs. Hazel Hickman and Mr. and Mrs. C. C. Byars of Spade also attended. Dorothy Foltyn of Littlefield, a student at Texas Tech, was one of the models.

Miss Charlotte Heinzelman, a style expert from New York, was in charge, and Lubbock county 4-H girls modelled home-sewn dresses for every vacation.

Suits with jackets lined to match the blouses were stressed. Miss Heinzelman pointed out that sleeves were all in one with the garments, and no set-in sleeves were modelled.

One of the hits of the show was a black and white print play dress, with a fitted bodice and full gathered skirt. An elastic cinch belt laced with matching material set the dress off. A triangular-shaped stole brought through the shoulder straps and tied in the front, tucked in at the back waistline and shaped at the neck gave the effect of a close-fitted jacket.

In the "workaday washables" and "after-five favorites," the slim skirt with envelope pleats was popular.

Shades of red and pink were perhaps the most outstanding color combinations shown. Red and orange also were used together.

Miss Heinzelman gave the following points on modelling:

1. Stand straight. Shoulders back and tummy in.
2. Head up and back with eyes straight ahead.
3. Personality counts as much as the dress and occasion for which the dress is worn.
4. Walk and stand with arms at ease.
5. Don't wear too much jewelry.
6. Skirts come to mid-calf.

Spade P-TA Gives \$150 For Jackets

The Spade Parent-Teacher association voted at a meeting Thursday evening to donate \$150 to the athletic department to help buy jackets for the boys and girls.

The P-TA members also appointed the following nominating committee—Mrs. Preston Pointer, Mrs. Joe Oden and Mrs. Alvin Tinsley.

A short meditation was given by Rev. Albert McInroe, followed by piano selections by Linda Lockwood, Pasty Wood and LaQuita Elder, all of the third grade.

Mrs. Olin Crump, Misses Ann Adams, Faye Tate, Betty Byars and Ruby Vaught put on a short play in keeping with the Founders Day, which was Feb. 17.

The next regular meeting of the P-TA will be at 8 p.m. on March 11, also in the high school auditorium.

MYF Has Supper Sunday Night

Members of the Methodist Youth Fellowship met at the church Sunday afternoon for a covered dish supper before the regular fellowship meeting. There were 31 members present including the sponsors, Mr. and Mrs. Huston Hoover, and Mrs. Bertha Smythe.

Following the supper Eugene McNeese led the fellowship study.

Mrs. Standridge Honoree At Open House On 84th Birthday Sunday

Mrs. W. L. Standridge of 1223 Park avenue was honoree Sunday at an open house in celebration of her 84th birthday. Hostesses were her daughters, Mrs. Fannie Griffin of Littlefield, and Mrs. W. O. Priest of Vega.

Refreshments of punch and cake were served to about 45 friends and relatives who called. Two granddaughters of Mrs. Standridge, Miss Kathryn Griffin of Midland and Mrs. C. C. Harkey of Lubbock, served the refreshments. Mrs. Standridge's great-grandmother, Barbara Sue Harkey, presided at the guest book.

Mrs. Standridge, who is known by her friends as "Aunt Kate," received pictures of her great-great-granddaughter from California and of her great-great-grandson in Japan among her birthday gifts.

Present from Littlefield were Mr. and Mrs. Jim Carroll, Mr. and Mrs. R. E. Shipp, Mr. and Mrs. J. E. Allen, Mr. and Mrs. S. A. Foust, Mr. and Mrs. C. A. Joplin, Mr. and Mrs. Art Mueller and Mayrlyn, Mr. and Mrs. D. C. DeBusk, Mrs. M. D. Calvert, Mr. and Mrs. L. F. Peel and Miss Minnie Alice Peel.

Out-of-town guests were Elder and Mrs. J. D. Meade, Lubbock; Mrs. Vernon Taylor, Arline, Joyceline and Carl of Antone; Mrs. Ivy Watson, Lubbock; Mr. and Mrs. W. H. Masters, Amherst; Mr. and Mrs. W. O. 'Hondo', Saga Of Western Hero, Will Play Here

With John Wayne starring in the title role, "Hondo," Warner Bros. new 3-D drama which will also serve to introduce Broadway star Geraldine Page, arrives Saturday at the Palace theatre.

Produced by Wayne-Fellows in WarnerColor, "Hondo" adapted from a recent novel by Louis L'Amour, is the story of a man who kills an outlaw and then must travel to tell the man's widow. Filmed on location in the wilds near Camargo, Mexico.

"Hondo" is said to contain at the same time some of the most awe-inspiring scenery and fear-some living conditions ever confronted by a film company. Over 110 degrees temperatures were not uncommon in the land where snakes, Gila monsters and floods were part of everyday life.

With such authentic back grounds, director John Farrow and his stars, Wayne and Geraldine Page, put together a film reported to be the best in a long list of hits for the "Duke," No. 1 U.S. boxoffice star. Grim, two-fisted action is the keynote although romance is present in large part.

**The Law
Texas**

However, in 1933 the Texas Legislature created a system of "Small Claims Courts" which appear to be making progress in that type of cases.

Lawsuits formerly requiring a minimum expenditure in excess of \$10 for court costs may now be tried for a total cost of only \$2, and without the formal pleadings required in other courts. This latter feature results in lower attorney fees when counsel is employed, and cases can be processed without assistance from attorneys.

If the parties so desire, applying to all claims for money debts not exceeding \$50 and for wages not exceeding \$100 the new law provides that the justices of the peace shall sit in their own precincts and counties. Hearings must be informal, with the sole objective of dispensing speedy justice between the parties.

In these new courts legal actions are commenced by the filing of a simple statement under oath, describing the claim

concisely and without technicality. Blank claim forms are supplied by the justice of the peace. Following filing of the sworn claim, citations are issued in the same manner as in any other case in Justice Court, and defendants are directed to appear and answer.

If a defendant fails to appear at the proper time and place on the date specified for the hearing on the claim, the judge will enter judgment for the plaintiff for the amount proved to be due him. If the plaintiff does not ap-

pear, the judge may enter an order dismissing the case.

During the hearing the judge listens to testimony from the plaintiff, the defendant, and from any witnesses produced by either side. He is also empowered to question any witness or party and to summon additional witnesses to the extent necessary "to effect a correct judgment and speedily dispose of such case."

Either party to a suit in Small Claims Court may arrange for trial of the case before a jury

by filing a request with the judge at least one calendar day prior to the date set for the hearing. In such event the requesting party must pay a jury fee of \$3.

Upon concluding the hearing the judge is directed to "render such judgment as the justice of the case shall require." If the judgment is against the defendant and he fails to pay the same forthwith, execution may be levied against his property as in other justice court cases.

Parties dissatisfied with the judgment may appeal to the

County Court where the amount in controversy exceeds \$20. In such event no further pleadings are required, and the appellate court is required to dispose of the appeal "with all convenient speed."

The Small Claims Courts have been in operation only a short time, as the creating statute became effective on August 26, 1933. Reports indicate, however, that these so-called "poor man's courts" are already proving their worth. They have helped many Texans settle pay disputes and collect wages and salaries due them, and have placed speedy justice within the reach of even the lowest of income groups.

Here is a leaf sprayed with Liquid Nitrogen NOT containing Sorbayhyll. Notice how the surface tension of the liquid holds it in tiny droplets covering only a small area of the leaf.

Here is a leaf sprayed with Liquid Nitrogen containing Sorbayhyll. Notice how the solution really covers the leaf. Beesches into every pore and feeds the plant completely. Only Fertylene has Sorbayhyll.

- Cost of Fertylene per acre Approximately
- Don't Gamble
- By using Fertylene, you don't have to spend a penny until you are reasonably sure of a crop. Fertylene is first applied only when plants are 4" to 10" high. Second and last application is recommended after cotton begins fruiting and bolls begin forming.
- No Expensive Equipment To Buy Or Rent
- No special equipment or trained labor is required for applying Fertylene. Improved liquid fertilizer can be applied with your own cotton sprayer.
- Available in Two Forms
- 10-15-5 (10% nitrogen, 15% phos. 5% potash) and 32% light nitrogen.

**We Give Soil Testing Service
Advantages of Fertylene**

- Fertylene will not evaporate.
- is 4 1/2 times as much available as Dry Fertilizer.
- all of Fertylene is immediately available to plant life.
- you can fertilize when and where needed.
- Fertylene can be used on any kind of crop requiring fertilizer.
- Fertylene cannot burn or otherwise harm plant life when used as recommended.
- Fertylene cannot remain in the soil unused.
- Fertylene is easy and convenient to handle.
- Fertylene eliminates hard, wasted labor as in handling 1,600 lbs. of useless filler in each 2,000 lbs. of dry fertilizer.
- Fertylene is more economical because it produces more, influences earlier emergence, better quality, higher yield and shortens the growing season.
- Plant response is fast.
- Fertylene cannot be blown away.
- Fertylene is an ideal starter and booster.
- Fertylene reduces mortality of young plants -- Helps them resist blight.
- Reduces Wilting and Resetting loss. Need not be washed off foliage.
- Fertylene can be used to fertilize seed before planting.
- Keeps plants ahead of weeds.

Hard to Smile

Somewhere back down the line a couple of property owners didn't get together on the sidewalk levels on the east side of Phelps and ever since shoppers have been tripping going south and wrenching their backs going north as they got caught by surprise by the quick change in altitude. The other day a lady from Lubbock was reversing the usual trend and doing some shopping in Littlefield when she tripped on this hump in the sidewalk, ruining her clothes and considerably damaging her leg. Being a pretty nice person she smiled when she threatened to sue the city but it wasn't easy for her to do so, and the next one may not smile.

Socialist Utopia Has Its Drawbacks

An exceptionally vivid picture of life under communism is found in a long article which Life recently featured. It was written by Emmet John Hughes, a veteran foreign correspondent who is now on the magazine's staff. Mr. Hughes applied for a Soviet visa for the purpose of obtaining an interview with Malenkov. To his amazement, the visa was forthcoming. He never got the interview, but he was able to see a good deal of Russia.

There were a few welcome surprises. Taxi service was good and the hotels were comfortable. His baggage was not searched and he was not followed by police. He encountered neither hostility nor curiosity. He found little of the blatant totalitarian propaganda he had expected. And Moscow has its outstanding sights—such as the magnificent ballet at the Bolshoi Theatre, and the unbelievably fabulous subway, with its 39 stations "which are the most fantastic underground structures conceived by modern man."

But, Mr. Hughes found, the pleasant aspect of Moscow is quickly exhausted—"the rest of the scene is painted in different colors."

For instance, as he wryly observed, Moscow "is a city where women have been blessed with literal answers to all imaginable dreams of equality with men." This means that women must work at all kinds of hard manual labor—carpentry, bricklaying, drilling. Gangs of women clean the streets with spades and crude brooms—a colossal task in winter. And, he discovered, beyond all else Moscow is a city of queues. People stand interminably in line for just about everything—especially, food. And the great masses of people are poorly and often inadequately dressed.

Mr. Hughes made a particular effort to learn all he could about the Soviet worker—his wages, diet, and housing. He found that the people are the victims of "an elaborate 'shell game' played with numbers, prices, wages and production figures." He cited the much publicized announcement that meat prices would be reduced 15 per cent and fruit and vegetable prices 50 per cent. The joker soon appeared. Simultaneously, all meat was regraded into 12 categories—and the more edible grades remained high-priced. And the vegetables and fruits could not be found in the state stores.

The state store, he continued, with prices fixed by government decree, "is a socialistically pure institution". And the prices charged—save for subsistence items—would stagger anyone accustomed to America's private and competitive retailing system. The average worker's wage in Moscow is about 650 rubles a month. A coffee pot costs 92 rubles; a rayon shirt 120; a cheap serge suit 1,500. By this kind of price-fixing, the government swiftly and completely siphons off the people's earnings, and makes enormous profits. As an example, the state buys beef for 1.5 rubles a kilo (2.2 pounds) and sells it for 12.5.

The relative few at the top, on the other hand—high military officers, important officials, and industrial executives—leading artists—live extraordinarily well. The highest income tax bracket is only 13 per cent on income above 1,000 rubles—which, as Mr. Hughes observed, is a "dispensation to wealth enjoyed in no capitalist nation of the West." So much for the workers' paradise!

Worth Reprinting

"The key to the American story of success is the simple little word 'Incentive.' Our free, competitive economy is synchronized with human nature."—D. A. Hulcy.

"Sound planning and aggressive enterprise must, of course, be accompanied by the indispensable ingredient—a persistent and reasoned faith in the growth and progress of America, a faith which cannot be shaken by self-appointed peddlers of gloom and doom."—President Eisenhower.

"We have nothing to fear but fear itself."—President Roosevelt.

Highlights And Sidelights From Your State Capitol

By VERN SANFORD
Texas Press Association

AUSTIN—March 15 is tax time in Texas in more ways than one. It's Federal income-tax-paying time. And it marks the opening of a specially called tax assessing session of the Texas state legislature—to raise the pay of teachers.

Members of the legislature will assemble at noon on March 15 for the beginning of what may prove to be a stormy session. Stormy because there are repercussions any time you assess a tax.

Most everyone seems to feel that Texas teachers merit a salary raise . . . so long as somebody else pays for it.

The legislators' job is to put the finger on somebody to foot the bill. That's when the fighting will start.

It will take about \$24 million per year to up the teachers' pay by \$402.

Gov. Allan Shivers said, in calling the special session, that he would recommend a "replacement" tax. By that he would suggest a revenue bill to take the place of one, passed by the last legislature, that was ruled out by the U. S. Supreme Court. It was a gathering tax on gas.

Attorney General John Ben Shepperd prepared three bills that would bring in about \$36 million per year from the natural gas industry.

House Speaker Reuben Senterfitt warned that it will not be easy to pass the tax bills—and some House leaders agreed with him.

Speaking to the legislative council and legislative budget board, Senterfitt said Shivers had put the lawmakers on the spot by calling the session.

"You and I have no choice in the subject matter before us,"

Senterfitt said. "That responsibility rests upon the governor, and you and I can only do our best at the job that is handed us."

As if the teacher pay headache were not enough, the governor had two other propositions to place before the Legislature: providing more funds for building programs at Southwestern Medical Branch at Dallas, the Dental College at Houston, and Texas School for Deaf, Austin; and to set penalties, including death, for Communists.

Absent from the session will be Representative H. A. (Salty) Hull of Ft. Worth, who died after a long illness. A leader in the House, Hull's sharp wit often served to quiet turbulent debate. He was serving his seventh term as a legislator, had been known as an able committee chairman, and last summer was named to the Texas Commission on Higher Education.

San Diego prepared for the bid to blow off of the controversy between George Parr and state and federal authorities.

Attorney General Ben Shepperd said that he and his agents "found what we wanted to find in an investigation of Duval county records."

From those records he took three envelopes of material, which he held for evidence.

Parr said he did not know what was in the envelopes, but that he is ready to answer in court any charges that may be brought against him.

State and federal investigators inquired particularly as to the expenditure of public funds in

Duval county and its two school districts.

Also probing was a Duval county grand jury, dismissal of which was sought by Shepperd on the grounds, he said that Parr can tell seven members what to do because they are obligated to him.

Parr, meanwhile, asked a federal court for protection, alleging that two Texas Rangers want to kill him.

Shepperd quickly announced that he would defend the Rangers, Captain Alfred Allee and how Joe anger veRdge hkBria Ranger Joe Bridge, who have been indicted by a Jim Wells County grand jury on charges of assault to murder Parr.

Parr has hired a famed New York lawyer, Arthur G. Hays, to represent him.

A courthouse brawl was the basis for the indictment, also a conversation between Parr and Allee in San Diego.

Seething developments brought a temporary order, issued by Federal Judge Ben Connally of Houston, restraining two banks from removing their records.

Involved are the San Diego State Bank and the Texas State Bank of Alice. Parr is president of both of them. The order was issued at the request of internal revenue agents.

And State Auditor C. H. Cavness said he found "irregularities in practices, procedures, and items" in the records of Duval county and the San Diego Independent School District.

A case that was related to the Duval county turmoil proceeded in the Texas Supreme Court.

Involved is District Judge C. Woodrow Laughlin of Alice, elected with Parr's support.

Ouster proceedings against Laughlin were brought by 10 attorneys practicing in his district.

Clint Small of Austin, counsel for Laughlin, told the supreme court in a written brief that the proceedings violate the Fourteenth Amendment of the Federal Constitution, which guarantees civil liberties and due process of law.

Small contended that the case should be dismissed.

Oral arguments had previously been heard, and the court gave attorneys time to reply.

Small's contention was considered an indication that if the Texas court rules against Laugh-

lin, the case will be appealed to the U. S. Supreme Court.

Incendiaries caused 50 per cent of forest fires that reached epidemic proportions in Southeast Texas, the Texas Forest Service reported.

More than 20,000 acres of trees have already burned this year, as compared with 25,000 acres for the entire year 1953.

Biggest fire loss, according to A. D. Folweller, director of the forest service, was in Hardin, Tyler, Jasper, Newton and Cass counties.

New laws are needed to protect Texas against insurance evils, says District Judge Charles O. Betts of Austin.

His comment was made in granting a temporary injunction against continued operation of two El Paso companies, United World Life Insurance Company, and United Lloyds Insurance Exchange.

"The public is suffering by reason of the fact that so many companies already are 'receivership,'" Judge Betts said, adding:

"Under various special laws, the public is not properly protected. The insurance commission has no way of maintaining the proper protection."

Quick to agree with the judge was Garland A. Smith, chairman of the State Board of Insurance Commissioners.

Smith blamed some banks for their willingness to help insurance promotion schemes.

As presently written, the laws encourage speculation in which the insured and not the organizers undergo the risks," Smith said.

Secretary of State Howard Carney also is advocating some changes in the laws. His department supervises most insurance stock sales, and he points out that no state agency inspects the securities which insurance companies offer to the public, unless the company voluntarily submits its stock issue for examination.

Senator Wayne Wagonseller of Bowie has been invited to appear before the State Board for Hospitals and Special Schools regarding his demand for an investigation.

Wagonseller has charged that the board let a building contract at Big Spring State Hospital to other than the lowest bidder.

Claud Gilmer, member of the board, suggested that the invitation to Wagonseller be issued so that he might state his case. The board approved Gilmer's suggestion and offered the senator its cooperation in a full investigation.

Dr. Henry A. Holle, a native of Texas and a New York City public health administrator, has been named Texas state health officer to succeed Dr. George W. Cox, 73, who headed the department for 17 years before he resigned last month.

Dr. Holle, a native of Brenham, attended Texas A. and M. College and is a graduate of the Texas Medical School. He will receive \$10,600 a year, but a member of the health board said an increase would be asked to bring the salary up to \$15,000 or more.

Barrick, Littlefield, recently arrived in Leg for duty with U.S. Forest Service.

USFA is engaged in a four-power occupation country with Britain, France, Russia. It has units in Vienna, Salzburg and other cities, as well as the supply port for the Balkans.

Barrick, a member of Transportation Methods Company, entered the service August.

Ford presents two new deep-block engines

THE NEW
130-h.p. Y-block V-8

This new Overhead-Valve V-8 has an extra-deep block which resembles a "Y" in cross-section. This new deep-block design means greater rigidity for smoother, quieter performance . . . longer engine life. Other features which make this engine a long-lived, smooth, savingful performer are: new low-friction (short-stroke) design, Free-Turning Overhead Valves, new 5-bearing crankshaft, and new high-turbulence combustion chambers.

THE NEW
115-h.p. I-block SIX

Like the new Y-block V-8, this engine is Ford's deep-block design for greater rigidity, longer engine life. Also, like V-8, you get Ford's modern manifold low-friction design, high-turbulence combustion chambers, and Ford's Automatic Power Pilot. One advantage of both engines is an amazingly flat "torque curve" which gives you top pick-up power through the whole range of driving speeds.

WHAT METHOD IS IT?

We Believe in Christian Experience

It is the privilege of every redeemed soul to know his sin are forgiven and to be assured, through the co-operating witness of the Holy Spirit with his spirit, that he is a child of God. Reason, like the Law, may be the schoolmaster leading us to Christ. Yet our deepest assurance is not the result of reason but of repentance and faith. Our faith is often and unashamedly nurtured with intense feeling. Yet our assurance rises not out of emotion but out of the radiant certainty of an indwelling Christ, whose mercy has cleansed us, whose love has saved us, and whose presence within our hearts has given us power and victory. The experience of the whole man, embracing Scripture, tradition, and reason, through the vital action of the Holy Spirit, becomes the ultimate witness by its religious certitude.

It's beautiful! It's practical! It's all vinyl!
 This Chevrolet's DELRAY CLUB COUPE with the year's brightest new idea in interiors!
 This Delray Club Coupe combines all the colorful smartness of a sport model with an interior that's designed for everyday family use. Seats, sidewalls, even the headlining, are all of soft, lustrous vinyl in color treatments that harmonizes with the exterior color of your choice.
 And this new interior is just as durable and practical as it is beautiful. The vinyl is easily washable and amazingly resistant to scuffing and wear. You don't have to worry about little feet on the seats or the things that little hands might spill. And for grown-ups, here at last is a coupe that provides all the between-seat knee-room of a 2-door sedan!
 The Delray Club Coupe is only one of the wonderful new Chevrolet models that make up the lowest-priced line in the low-price field. Come in and look them over.
