ENJOYING AT PIONEER REUNION—A number of the members of the Lamb County Pioneer Association are seen here enjoying each other's activities over the past year and justly socializing following a basket lunch at the 19th annual reunion held Tuesday. Approximately 170 members attended the meeting held at the Littlefield Community Center in Laguna Park. Residence in Lamb County for at least 30 years is required for membership in the organization. The next meeting of the association is set for the fourth Tuesday in August, 1969.

170 ATTEND MEETING

County Pioneers Enjoy Festive 19th Reunion

Spade Man Elected President For '69

A festive atmosphere prevailed at the 19th annual meeting of Lamb County Pioneers in the Littlefield Community Center Tuesday.

The oldesters were visibly enjoying themselves as they swapped memories, renewed old acquaintances and made new ones during the day-long session.

The program got under way at 10:30 a.m. with the registering of all those attending followed by a basket lunch under the Laguna Park trees at 12 noon.

Attendance was down from last year when an estimated 370 registered. This year's total came to approximately 170.

There was no lack of enthusiasm, though, as all activities received maximum participation.

Following the basket lunch, a short business meeting was held beginning at 2 p.m. in which officers for the coming year were elected. Heading the organization as president for the coming year will be Ray Smith of Spade.

Fred Lichte of Littlefield was elected vice president, Lyle Brandon of Littlefield, secretary and Sid Hopping of Littlefield, treasurer.

New directors elected at the meeting included Roy Byers of Springlake, V. M. Peterman of Amherst, Luther Uselton, Amherst, Mrs. Myrtle Clayton of Springlake and Bonnie Haber of Pleasant Valley.

Mrs. Ray Blessing of Amherst was named custodian of the scrapbook for 1968-69.

Henry Miller, Jr. of Olton received the award for the member with the longest residence in the county. He came to Lamb County April 15, 1900, at the age of four.

Mrs. Elwin Mathews was honored as the person traveling farthest to the meeting. She traveled all the way from Everett, Washington, to attend.

Mrs. Mary Davis of Littlefield was honored as the oldest lady attending the meeting. She

Junior, Senior Registration Set

High school and junior high school students will register today and tomorrow in their respective school buildings.

Seniors will register this morning, beginning at 9 a.m.

Juniors register this afternoon at 1 p.m.

Sophomores will meet Friday morning at 9 a.m. for student council orientation.

They are urged to be punctual as the orientation begins promptly at 9 a.m. in the high school auditorium.

Ninth graders meet at the Junior High School building this morning at 9 for registration.

Eighth graders register this afternoon at 1 p.m. at Junior High School.

Seventh graders register Friday at Junior High.

All students will observe Labor Day holiday Monday and begin classes Tuesday, Sept. 3.

Students are asked by school officials to wear acceptable school dress for registration.

ARGES MISUSE OF FUNDS

Ford Speech Blasts White

Sharp blast at state agricultural commissioner John C. White, highlighted a speech by Ford in Hereford Saturday.

Ford, a candidate for state representative from the 72nd district, accused White of using state appropriations to further his own political career.

White ranks 48th among 100 state legislators in proportion to our agricultural production at a time when one-sixth of the farmers have left the farm in the last six years.

While this has been occurring, much of the funding which has been provided the Texas Department of Agriculture has been used to extend and protect the political career of John C. White," Ford stated.

He went on to hit hard at the lag in teachers salaries and the raising of their own salaries by the "one party" legislature.

"Texas ranks 33rd in teachers' salaries at a time when we must be able to hire and retain the best qualified people to teach our youth. Meanwhile, the one-party Legislature has

Sheriff Reports Four Offenses

A variety of offenses and some rather stiff penalties were contained in the Lamb County sheriff's reports earlier this week.

Ramiro M. Esquivel, 25, of Littlefield, was fined \$100 and costs Monday for carrying a prohibited weapon. He was fined in county court by judge T. A. Sides for carrying a .22 caliber revolver. He paid a total of \$151 in fine and costs and was released Monday afternoon.

Ignacio Rendon, 45, of Littlefield, was jailed at 9:45 a.m. Monday on a charge of being drunk. He received a fine of \$100 in justice of the peace court and was released after spending the night in jail.

Walter Lee Johnson, 20, of Littlefield, was jailed at 8:40 a.m. Sunday on a charge of fighting. His assessed fine of \$25 had not been paid by late Tuesday and remained in custody.

Bobby Heffington, 26, also of Littlefield, was fined \$50 on a traffic charge after he was picked up at 9:55 a.m. Tuesday. Following disposition of his case here, he will be released to custody of Hockley county officials who have charges against him the sheriff's office reports.

Thelma Cooper Big Free Money Winner

Thelma Cooper of 611 N. Sunbelt, was the big winner in the free money drawing in downtown Littlefield Saturday.

Merchants participating in the free money program include Huckabey Cafe, A & B Office, C. R. Anthony, Askew Texaco, Bill's Boot Shop, Bill Smith Electric, Brittain's, C & O Cleaners, Corner Cafe, Cox Furniture, Fair Dept. Store, H & M Fabric, Higginbotham, KZZN Radio.

Also Leader New's, Lfd. Cleaners, McAnally Jewelry, Lamb Co. Locker, Nelson's Hardware, Par's Record, J. C. Penney, Piggly Wiggly, Pratt's, Pioneer Mkt., Perry's, Roden Drug, Rodger's, Furniture, Sprouse-Reitz, Stitch In Time.

Also Tasty Cream, Thelma's Fruit, Thornton's Cafe, West Drug, Western Auto, Wright's Drug, Hazel's Beauty, City Shoe, McCormick Oil, McCormick Auto, Retail Merchants Assn., Furr's, Littlefield Frozen Food.

Parsons, 13-year-old boy, was the winner of the drawing which could have netted the \$5 ticket holders of the \$5 ticket three times. The five dollars will be held over for the drawing this coming Saturday.

There is a total of \$80 given each Saturday by downtown merchants participating in the program. The top ticket is worth \$25 and the second is worth \$25 and the third is good for \$5.

There are 42 merchants participating in the free money program.

Purchases are necessary to obtain the tickets which are on request. The draw-

ing apparently placed these problems as less important than their efforts to double their own salaries at every regular session.

"I intend to vote against any increase in salaries for Legislators, and try to help to see that those who are hired to represent the people earn what they are already drawing."

In a later statement, during a visit to Littlefield Monday, Ford pledged that "the people of this district are going to be represented in the state legislature."

Littlefield will be on 4% sales tax October 1st, and already there is talk of 350 million dollars in new spending in Austin. If our Legislators had passed the governor's sales tax bill, Littlefield would have been on 3% and gotten many thousands of dollars more for local spending than under the law that was passed. This could have been done without liquor-by-the-drink, too.

"This tax bill did little or nothing toward funding the impending pay raise for Texas teachers, nor did it provide much needed tax sharing with local government."

"The fact that it did provide, with an item slipped into the spending bill during a secret meeting of the House-Senate Conference Committee, for \$500,000.00 for development of the L.B.J. State Park is evidence enough that we need a two-party system in Austin.

Texasans have had enough of seeing their hard-earned tax money squandered on special privilege legislation."

"The voters of the 72nd District are also going to be heard on the issue of daylight savings time, which was sponsored and passed against their known wishes. It has been a real hardship on school children, mothers, farmers, and many businesses."

Lamb Highway Rehab Planned

A plan to resurface the entire length of Highway 385 in Lamb County has been announced by the Texas Highway Commission.

The commission has approved an expenditure of \$87,800 for the project which will install an asphalt seal coat from the Castro county line north of Springlake to the Hockley county line on the south.

Information from the office of resident highway engineer Rhea Bradley indicates that contract for the work will probably be let early next spring. "This will allow the contractor to pre-place his materials so that the project can start fairly early in the summer."

The project includes all of that portion of the highway that runs through Littlefield. The last reconstruction and resurfacing work done on the highway inside the city limits was in 1961.

The last resurfacing received by the rest of H385 that lies in-

Social Security Payments In County Zoom Upward

According to a recent government report, the number of Lamb County residents who are receiving retirement checks each month, via Social Security, is at an all-time high.

And the amounts they are getting are larger, due to increases voted to Congress last December.

A total of 2,567 former workers and their families are now receiving such returns. They are benefiting from money that was deducted from their pay envelopes over the years and put into the Social Security trust funds for their future needs.

Most of these recipients are retired workers. The remainder are disabled workers, widows, wives, children and other dependents of these contributors.

The rapidity with which the system is expanding in the county is brought out in the current report, which covers the period ending March 1st.

It shows that the number of local residents receiving pension checks is considerably greater than it was five years ago, when the total was 1,935.

Changes made from time to time in the Social Security program, extending its scope and permitting more people to qualify, account for most of this increase.

Equally impressive has been the rise in the dollar amount going to people in Lamb County.

It reflects the bigger benefits provided for in the recent amendments to the Social Security Act. The records show that never, during the last two

Labor Day Will Be Dollar Day

A large majority of Littlefield business houses will remain open on Labor Day, Monday, Sept. 2, which will be "September Dollar Day", it has been announced.

All government offices, including City Hall, will be closed as will all banking institutions.

Dollar Day bargains will be offered by local merchants on the same basis as any other month, despite the holiday, it was announced.

Schools Getting Off To Staggered Start

School activities in Lamb County reached a peak this week with some of the schools registering students and others already holding classes.

Registration in Littlefield got off to a fast start Monday with the registration of primary pupils and those new to the system beginning Monday.

High school and junior high are registering today and Friday and school will officially begin Tuesday morning, Sept. 3.

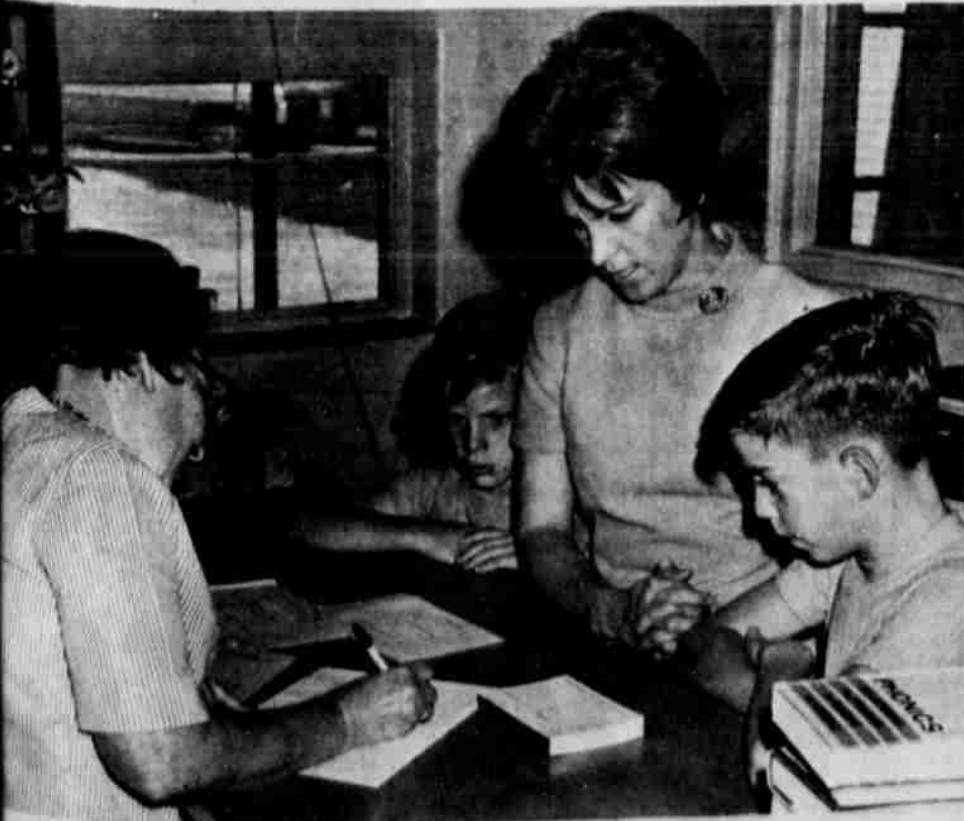

Those schools already in session include Springlake-Earth, Whitharral, Olton and Anton. All began classes on Aug. 26.

Registering this week, with openings set for Sept. 2 are Spade and Bula. Also registering this week, but with opening scheduled for Sept. 3, are Amherst and Sudan in addition to Littlefield.

No substantial change in enrollment from last year was indicated by any of the schools, all of whom expect approximately the same number. Enrollment in all Littlefield schools is expected to reach a total of 1,950.

SUMMER HIGH JINKS—With school just around the corner, the kids are getting all the fun they can out of anything unusual that comes along as these are doing in Laguna Park. "King", a quarterhorse owned by R. V. Armstrong and ridden by his granddaughter Lynn, pulls a group of youngsters on a "joy ride" in a two-wheeled cart borrowed from a friend. The parents are finally forced to picnic in the park, as they couldn't get the kids, who would rather ride than eat, to go home for dinner.

GETTING HIM UP—Young Mike Gregg looks a little apprehensive as he watches office secretary, Mrs. Johnny Greggand, enroll him in third grade Monday. School registration is continuing all this week with the doors sched-

uled to open for classes Sept. 3. Looking on here is Mike's mother, Mrs. Johnny Greggand and his brother Bryan, who will be enrolled next in fifth grade. The Greggs recently moved to Littlefield from Plainview.

JUNIOR AND INTERMEDIATE GAs of Parkview Baptist Church celebrated "Christmas in August" by bringing gifts for Southern Baptist Missionary John V. Hawk, stationed at Baptist Mission Center in Oklahoma City, Okla. Refreshments of ice cream, cake and punch were served by sponsors in the home of Mrs. Russell Durham. Pictured left to right, front row, Glynis Hall, Debbie Stafford, Shelia Jackson, Carol Sanders, Darla Sanderson, Gennie Reast and Judy Figley; back row, left to right, Linda Horn, Ronda Gilley, Mary Tucker, Mrs. Durham, Mrs. Butch Weddle and Ryan Lee Weddle.

Davis-McWilliams Vows Said

Double ring wedding vows were exchanged Friday night in First Baptist Church of Sudan by Dianna McWilliams, daughter of Mr. and Mrs. T. C. McWilliams of Sudan and Alvin Davis, son of Mr. and Mrs. W. A. Davis of Muleshoe. Rev. J. H. McWilliams of Amarillo, uncle of the bride, officiated.

Given in marriage by her father, the bride wore a formal length gown of organza and lace, trimmed in sequins and seed pearls, with traditional petal point sleeves and a shoulder length veil.

Maid of honor was Miss Wilene McNabb of Sudan, and bridesmaids were Miss Patti McWilliams and Miss Toni McWilliams, sisters of the bride. They wore street-length dresses of satin covered with lace cages.

Flower girl was Miss Karen Gresham of Hereford, niece of the bride. Ring bearers were joy Gresham and Doug Gresh-

am of Hereford, niece and nephew of the bride.

Mr. and Mrs. Bill Sowder of Bula announce the engagement and approaching marriage of their daughter, Billie Joyce, to Patrick Lee Risinger, son of Mr. and Mrs. W. C. Risinger of Bula.

Miss Sowder is a 1968 graduate of Bula High School and now attends McBride-Davis School of Hair Design in Lubbock.

Risinger is a 1965 graduate of Bula High School and is a senior student at Texas Tech.

The couple will exchange vows Sept. 14 at 4 p.m. in Littlefield's First Christian Church.

A reception will follow the ceremony in Fellowship Hall of the church and all friends and relatives of the couple are invited to attend.

Jane Albus Is Honoree

PEP - A miscellaneous bridal shower, honoring Miss Jane Albus, bride-elect of Al Williams Dueterhaus, was given in the Parish Hall Sunday afternoon, Aug. 25, with the bride-elect's chosen colors of blue and white carried out in decorations.

Brenda Homer of Lubbock registered the guests.

The serving table was laid with a white lace cloth over blue, highlighted with a miniature bride and groom, and blue candles in crystal candle holders.

Joyce Albus, and Rose Dueterhaus of Canyon, served nuts, mints, cake, and punch, from a crystal and silver service.

Hostesses for the occasion, were Mrs. Ben Kuehler of Morton, Mrs. Clarence Albus, Mrs. Eugene Sakors of Slaton, Mrs. Fidelis Fetsch of Levelland, Mrs. Jerome Decker, Mrs. A. J. Sokora, Mrs. Leonard Albus, Mrs. Evelyn Albus, Mrs. Louis Kuehler of Morton, Mrs. Paul Albus, and Brenda Homer.

The hostess gift was an electric iron, and ironing board. The Albus - Dueterhaus wedding will be Saturday Aug. 31, in St. Philip's Church at Pep.

MR. AND MRS. JERRY MILES

Miles-Carter Vows Exchanged Friday

AMHERST--Judy Kay Carter, daughter of Mr. and Mrs. A. B. Carter and Jerry Miles, son of Mr. and Mrs. E. E. Miles of Friona were married in a double ring ceremony Friday night in the First Baptist Church of Amherst.

The couple exchanged vows before a background of two candleabras, each decorated with three big pink mums with white bows and streamers. Rev. Glenn Wilson officiated.

Given in marriage by her father, the bride wore a street length white silk shantung suit with lace sleeves and picture collar. The shoulder length veil was attached to a pill box hat. She carried a bouquet of two white orchids atop a lace covered Bible.

Mrs. Larry Waite, a sister, attended the bride wearing a pink dress and carried a pink mums.

Best man was Mike Miles, brother of the groom.

Miss Joy Priddy provided the wedding music on the organ.

Following the ceremony a reception was held in the bride's home.

For the wedding trip the bride wore a pink dress with white accessories.

TUESDAY, SEPT. 3
LAMB COUNTY COUNCIL Garden Clubs will meet in Fellowship Hall of First Methodist Church at Amherst for a program on decapage, directed Mrs. Sedell Black of Littlefield.

Lamb 4-Hers Win Judging Contest

A Lamb County 4-H stock judging team placed first in a recent West Texas-wide judging contest at Midland.

Brad Bridges, son of Mr. and Mrs. John Bridges of Earth was high point man in the meet.

The judging contest of Angus breeding cattle, was held on the Joe Mabree ranch a few miles north of Midland and was between 4-H and FFA teams from throughout the West Texas area.

Other team members consisted of Bruce Bridges, 5th high individual; Rodney Logsdon, 6th high individual and Cory Logsdon, 7th high individual. Their aggregate scores, added to Brad's first place, gave the team the first place trophy.

The winning team was trained by Sam Kuykendall, assistant Lamb County agent, who accompanied it to the contest.

Others accompanying the team to the contest were Buddy Logsdon, county agent; John Bridges and the Kirk Pitts family.

This contest gave the team practice and experience for the upcoming district and state meets to be held later in the year. If they should win the state meet, they will have the opportunity to compete on the national level.

Lamb 4-Hers In Contest

Lamb County 4-Hers placed high in a records book judging contest in Lubbock last week.

The twenty-county District 2 contest was held in the Garden and Arts Center in Lubbock to determine the best record books kept in the district in several categories.

The best previously judged books in each of the 20 counties were entered, making the competition especially keen.

Marlana May, of Olton, placed first in the senior category of Texas Sheep and Goat Raisers Award. Her book has been taken to the state competition at College Station and if it wins first place there it will be eligible for competition in the national finals.

Other county entries in the senior division placing high included Russell Tanner of Olton, second in horticulture and Fred Allison of Pleasant Valley placed second in dog care.

Other high placers were Debbie Fields of Sudan, junior leadership and Marietta Carter of Littlefield, in beef.

Ribbon winners for their entries in the junior division included Gale Long of Olton, blue ribbon in beef; Jim Fields of Sudan, blue ribbon in horses; Cory Logsdon of Littlefield, red ribbon in Texas Sheep and Goat Raisers Award; Marlos May of Olton, white ribbon in swine and Dean Walden of Springlake, white ribbon in horticulture.

Virginia Floyd Is Honored With Shower

AMHERST--A bridal shower honored Miss Virginia Floyd in the Church of Christ, Saturday, Aug. 24.

Guests were registered in the bride's book.

The serving table was laid with an ecru linen hand embroidered cut work cloth. The center decoration was an arrangement of yellow and pink roses.

Miss Donna Byrum served pink punch, assorted cookies, mints and nuts.

The useful gifts on display included a set of stainless steel cook ware.

The hostesses were Mmes. George Tooley, C. D. Moates, Luke Swart, Alfred Schroeder, W. P. Stone, Claud Stine, Connie Franks, Eli Young, Dean Carpenter, Mut Hufstедler, Faye Helm, Bo Crosby, Bill McDaniel, E. E. Big Crowd Expected At Rodeo

Four former Littlefield boys will take part in this year's 24th annual Boys' Ranch rodeo. They are Phil Mancuso, Bobby Turner, Dean Turner and Joe Esquivel.

A new attendance record is expected at the rodeo which will be held over the Labor Day weekend.

All of the 348 boys of the Ranch will have a part in the rodeo with nearly 100 riding for awards and honors, and the Ranchers who do not ride will be serving as ushers, helping in the parking area, working at concession stands, or helping around the chutes.

Giant-sized barbeque beef sandwiches will be prepared and served for \$1 by boys who are learning meat cutting and cooking as future vocations, for spectators who arrive early to picnic.

Climax of the rodeo will be naming of the Junior and Senior All-Round Cowboys, two of the highest honors that may be earned by the boys.

Professional rodeo stock will be used in the bull riding and bare-back bronc events, and a special stick horse race will be featured for the four-to-six year old Ranchers.

Tickets for either performance, held at 2:30 p.m. Sunday and Monday, Sept. 1 and 2, are available in advance from the Boys Ranch office, Box 1890, Amarillo. Reserved box seats are \$2.50, general admission is \$1.50, and servicemen's and children's tickets are 75¢.

Rotary Gives Jack Christian Life Membership

Jack Christian was made an honorary member for life in the Rotary club at the regular luncheon meeting last Thursday.

Frank Angeline, Rotary president, presented Christian with a desk set from the members and a lapel pin honoring him for 28 years of perfect attendance at Rotary meetings.

Reasoning that his new duties in Littlefield schools would preclude his regular attendance at the meetings, Jack decided to go inactive when the surprise honor was accorded him.

He is relieved of all attendance requirements but welcome when he can be there and will pay no dues, the certificate states.

THE FARMER'S WIFE

Need A Change!

BY LIBBY MUDGE TT

AFTER READING that only 36% of the people in the United States agreed with the recent trend of decisions made by the Supreme Court, I simply had to find out if we hinterlanders thought in balance percentage-wise with the rest of the country.

We didn't. I phrased my question thusly: "Do you agree in general with the recent rulings of the Supreme Court?"

FIRST PERSON: "Not only no, but ----no!" "Any why not, sir?" "If you don't know, it wouldn't do no good to tell ya."

SECOND PERSON: "I don't agree with them in general or in any other way." "Would you clarify that please?" "They're nuts. All of 'em."

THIRD PERSON: "I can scarcely remember when I did agree with a major decision made by our judiciary arm."

FOURTH PERSON: "No, I do not." "Would you care to add anything else to that?" "No, I would not."

FIFTH PERSON: "Are you kiddin'?" "No, not really. I want your honest opinion." "Well, I used to think they were all Communists."

SIXTH PERSON: "Why do you ask?" "I really want to know what you think." "Well, if you really want to know, I think the Supreme Court, as much as if not more than any other branch of our government, is contributing to the general moral decay of our country."

SEVENTH PERSON: "I don't even wanna talk about 'em." "The decisions or the justices?" "Neither. They should be voted outta there."

THE ABUNDANT LIFE

Sinful Slothfulness

BY BOB WEAR

A LIST of all that is lost because of slothfulness would be shocking. In fact, this may be the greatest avenue of human loss.

The lazy, indolent disposition causes much, perhaps most, of the failure in self-improvement. Then, there is the run-down house; the land grown up in weeds; the accumulated junk; the neglected children; the empty pews in houses of worship; the wasted opportunities; ad infinitum.

Sloth is defined as disinclination to action or labor. It is laziness and indolence. It is indulging in ease or avoiding exertion.

THE SINFULNESS and danger of slothfulness become quite apparent when we realize that everything of value to us, in one way or another, depends upon alertness, effort and diligent labor.

Much of what is dear to all of us, and essential to our well-being has been badly damaged by the failure to be constantly alert, and everlastingly at work. It seems that too many have grown weary in well-doing.

WE ARE PAYING a terrible penalty in distress, anxiety, misgivings and general loss and unhappiness. Slothfulness has been and continues to be the greatest contributing factor to our present predicament.

Jeremy Taylor said, "Many are idly busy. --Domitian was busy, but then it was in catching flies." We are busy; but much of what we do amounts to nothing. It is some type of pleasure, or escape, or self-seeking; and much that needs to be done must be left undone.

BENJAMIN FRANKLIN said, "Sloth makes all things difficult, but industry all easy; and he who rises late must trot all day, and shall scarce overtake his business at night; while laziness travels so slowly that poverty soon overtakes him."

OUR CREATOR has expressed disapproval of slothfulness, and has pointed out its undesirable consequences. "He who is slothful in his work is brother to him who is a great waster." This is very strong disapproval of lazy behavior.

IT IS REGRETTABLE that there is so much in our present social and political climate designed to encourage slothfulness. Inspiration warns us, "By much slothfulness the building decays; and through the idleness of the hands the house leaks."

OPPORTUNITIES and privileges are many, but they are not for the slothful. They can be obtained and used by the diligent and industrious. Regardless of what happens, we must continue to be diligent and energetic in our labors.

THE PHILOSOPHER

Misrepresented

(Editor's note: The Sandhills Philosopher on his Johnson grass farm reviews drawbacks of the Presidency this week.) Dear editor:

There are times, like when my tractor has a flat and my car battery is dead and a neighbor calls and says my cows are in his field and ruining his crops and it's the hottest day of the year and we're four weeks overdue on a rain and the kitchen faucet is leaking and the dog tore a hole in the screen door and insurance rates have gone up and farm prices have come down, when I half-way wish I was doing something else besides farming.

After reading the newspapers for the past few months, especially the last few weeks, I have decided if I ever make a change, it will not be to the Presidency of the United States.

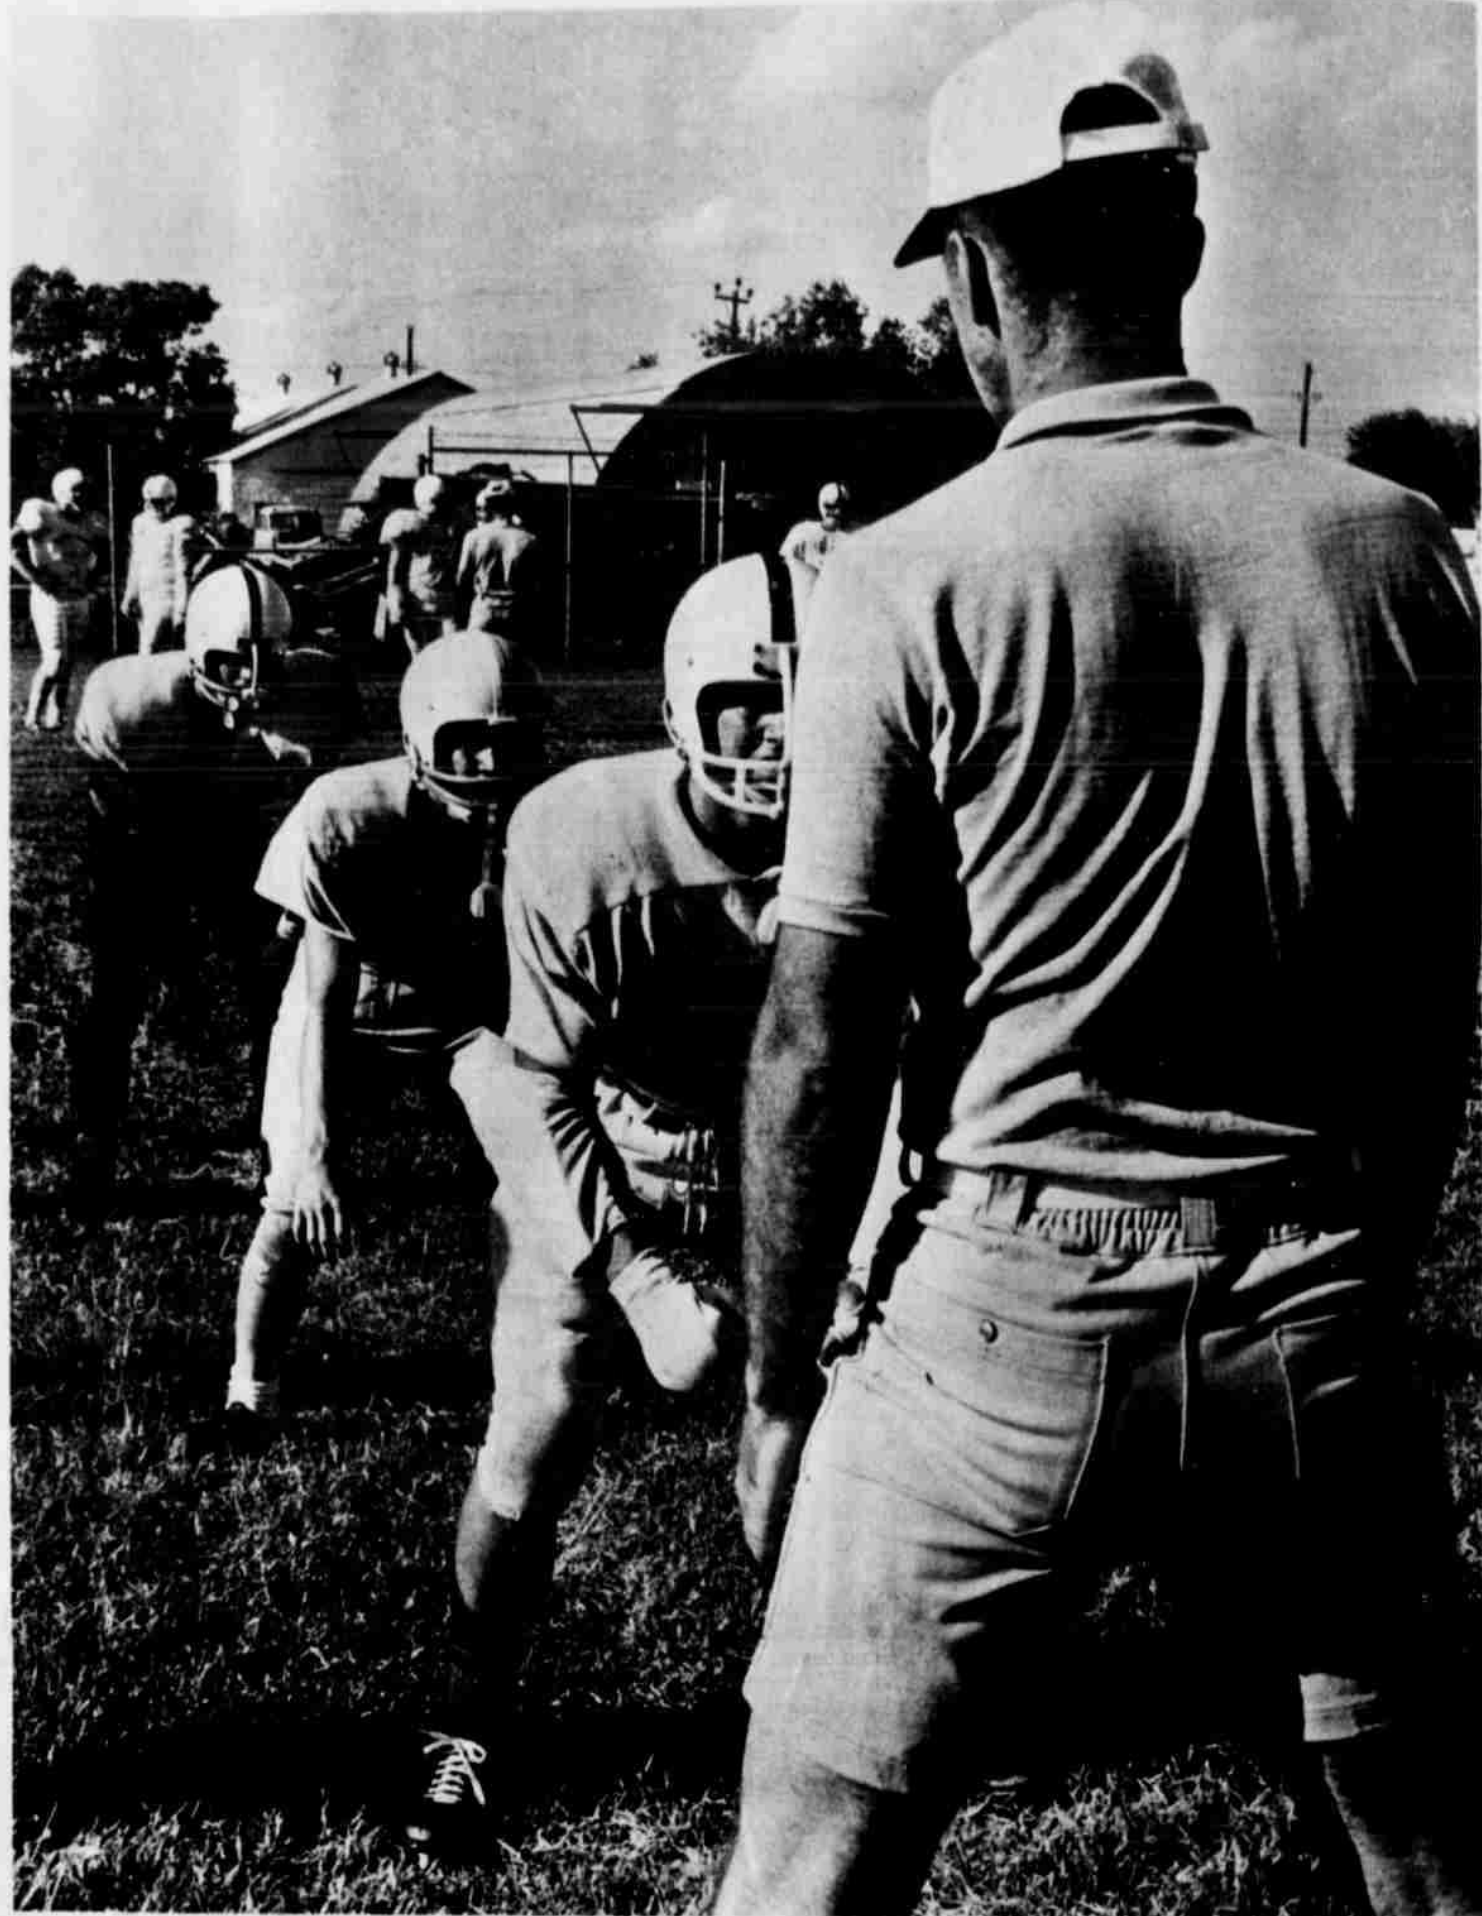

The job has been misrepresented. In farming, when you go to bed at night you can generally count on sleeping pretty good till you wake up the next morning, but

This Is Littlefield

Littlefield is a "football town". Ask anybody. They'll tell you Littlefield is a "football town". A football town is very frustrating to fans of other sports, like baseball, basketball, track, tennis, etc. They've long since given

up hope of ever having a power in any other sport because of football. But Littlefield isn't much different from any community in this vast part of West Texas. Football has long been the sport king of high schools, and some of the state's best teams and individual players have originated from the area.

Well, Littlefield is back in its own. The season is here. Scrimmages start tomorrow at Seminole, follow the next week, and then Sept. 20 in the pigskin war begins for 10 straight weeks of regular schedule. The fans are already getting out their blankets in this "football town". This is Littlefield.

Dear Turnrow Tunkel:

U. C. McBRIDE

CONGRESS RECENTLY passed a bill banning imports of Egyptian cotton, but President Johnson vetoed it. Since Nasser has called the U. S. Egypt's No. 1 enemy, broken diplomatic relations with us and repudiated all debts to America, how do you explain the President's action?

Don't ask me, I quit trying to explain Lyndon's actions after his acceptance speech four years ago, when he yelled: "We shall overcome!"

LABOR DEPT. officials predict a large number of schoolteacher's strikes in the next school year. When you were in school, did the teachers ever strike? Only at the seat of my pants.

I READ THAT on Russian airliners now flying between New York and Moscow, a breakfast of vodka, caviar and cucumbers is served.

If that's a typical Russian breakfast, the U. S. is in trouble. We have been counting on our atomic weapons to protect us, but what effect would an A-bomb have on people who can survive a breakfast like that?

ACCORDING TO A research institute, smokers who switch to a "low tar, low nicotine" cigarette reduce their chances of contracting lung cancer.

Maybe this information will persuade people to switch peacefully, and avoid all those black eyes.

DON'T YOU think Lester Maddox entered the race for the Democratic nomination too late to expect any success?

Yes, if he had announced earlier, I could have suggested the perfect design for a Maddox campaign button--an ax handle crossed on a drumstick.

I READ where Spiro Agnew said he enjoyed the music of Lawrence Welk. What a square!

Maybe, but his statement could also be shrewd politics. There are more "squares" in the U. S. than most people realize. We just don't make as much noise as some of the odd-shaped creatures.

Quotes

BILLIE NORMAN, Brownfield News, Brownfield--More than 3,000 students will be enrolling in the Brownfield Public Schools Aug. 29, according to W. O. Caraway, superintendent.

AL GARDNER, Sun-News, Levelland--Ralph Krebs' wife complained that he thinks so much of his golf game that he doesn't even remember when they were married. He said he did, too. "It was the day I sank that 40-foot putt."

PAUL HARVEY

Going To 'Pot'

YOUNG AMERICANS are hearing many unpaid commercials "advertising" illegal marijuana. Several professors, a few politicians and some clergymen are agitating for legalizing its sale and use. Recently, a Britisher with a quasi-official affiliation lending credibility to his recommendation said he'd rather his own son smoked pot "than get his girl into trouble."

THAT FATHER--imagining his pot-smoking son will be a safer escort--might better send lettuce by a rabbit!

It is a goofy code of behavior which lists a bunch of evils and then recommends one or another as the lesser of them.

It would seem that the goal should instead remain a sober brain and a healthy body and a respectable and respected girlfriend, even though some will always fall short of those objectives.

ABOUT MARIJUANA: the evil inherent in all dissipation is that it compounds itself. It's been said of martinis, "One is not enough; two are too many; three are not nearly enough."

That is the way it works. As the body seeks physiologically to adjust itself to accommodate the intrusion of a toxic, you develop a tolerance and thus require stronger and stronger doses.

NARCOTICS COMMISSIONER Henry Giordana says the consensus of medical men and lawmen is the same; marijuana, if not in itself habit forming, historically leads to the use of other drugs which are.

Officially, our Bureau of Narcotics knows of 62,045 drug addicts in the United States. Admittedly that is a mere fraction of the users.

Judging from the increasing number of arrests, the use of marijuana is borderline

epidemic. At one state university it's estimated that more than 50% of the seniors have tried marijuana and that "most of those have become regular users."

OUR PENTAGON reports 2.5 men per thousand in Vietnam have been "involved in marijuana investigations"; doubtless many more are bringing home the habit.

In Chicago and probably elsewhere a sinister deception; the bad boys who peddle narcotics are spiking their own stuff. Some Old Town Chicago marijuana pushers are slipping a mickey into their cigarettes, "dusting the grass" with heroin. The hero hits the blood stream through the lungs. The purpose, of course, is to get hippie pot puffers hooked on harder stuff.

The crafty hoods who wholesale narcotics are willing to reduce their profits from marijuana sales in order to insure a future market of new addicts.

THE USER, without knowing how it happened, becomes helplessly addicted. Thus, the merchandisers of "Acapulco gold" are intent on enslaving a generation of young Americans.

And a second generation! More than 800 babies were born in New York City last year already addicted to drugs! They were the children of junkies, hooked by the drug taken by their mother!

THERE ARE richer than ever potential rewards for those who abstain. When a large proportion of the population is anesthetized or narcotized, they become less competitive for the others.

More than ever there are advantages in self-discipline.

The more Americans who abuse the body and brain, the more room at the top for those who do not.

Yours faithfully, J. A.

Journey To The Past

BY EVALYN PARROTT SCOTT

Author's note: The following history of the Alexander and Harper families compiled by Edith Alexander Williams, daughter of Mr. C. B. Alexander, Lamb County Pioneer, The Alexander family is quite interesting and no one searched long if proof could be found. Alexander family dates back to the Alexanders who led in the Presbyterian churches in Virginia and Maryland in the part of the 17th century. The Harpers would probably have illustrious a background some of the family line were the Harpers of Harper-Ferry in Northwestern Virginia when in 1859, John Brown and his men, led a small band of abolitionists, attacked the town and seized the Federal Arsenal.

They were sometimes chained to cables until they were ready to go back to work Monday mornings.

Uncle "Coon" and his four boys held jobs in Borger for a number of years. One of the boys, Warren Alexander, helped with the welding and construction of the modern Plant-X at Sudan.

Mary (Vaughn) Alexander also had a previous marriage. She was the mother of a son, John Malone. Uncle John was foreman of the greatest salt works of Texas in Grand Saline. He held this job many years, later, when the "Crazy Crystal" plant opened at Mineral Wells, he was hired there as outside foreman of the plant. He held this position until his health failed in later years.

To Wiley and Mary Alexander were born four children.

Pearl (Alexander) Dodson, is now the only living member of this family. In her middle age, she was stricken with glaucoma and has been blind more than thirty years.

Wiley Jr. was a vegetable grower near Tyler. Otto was depot agent in Keithville, La. about 25 years.

Charley (my father) was the oldest of the three sons. He worked with the railroad in Van Zant and Wood Counties until the passing of his parents in the early 1900s. He "hi-wayed-it" to Newlin in Hall County where he lived and worked with his sister and her husband, W. W. Dodson. It was here that he renewed acquaintances with the "Jeff" Harper family whom he had known in Wood County and found that their oldest daughter, Maude (my mother) had grown into womanhood.

Maude (Harper) Alexander was born Aug. 16, 1892 at Pierces Mill near Glen Allen, Ala. She is the oldest child of William Jefferson "Jeff" and Nancy (Glover) Harper.

"Jeff" Harper was born Oct. 17, 1871 in Marion County, Ala. His father, Josier Harper, was a soldier in the Civil War. "Jeff's" mother, Nancy Harper, (his wife and mother both were named Nancy) was left a widow with children to support during the war. She did her own farming and caring for her family.

One story she related was about the home guards who came through the country during the war. They took her best quilts and cut them up for saddle blankets while she stood back and looked on. Her family was in such poverty that there was, very little to feed her children. After her day's work was finished in the field, she and the children would shell corn. She would take it to the village mill to be ground after dark. Day light hours had more important chores to accomplish.

One night they had no supper until she returned from the mill. She baked a corn pone and awoke the children to eat their supper of molasses and corn bread.

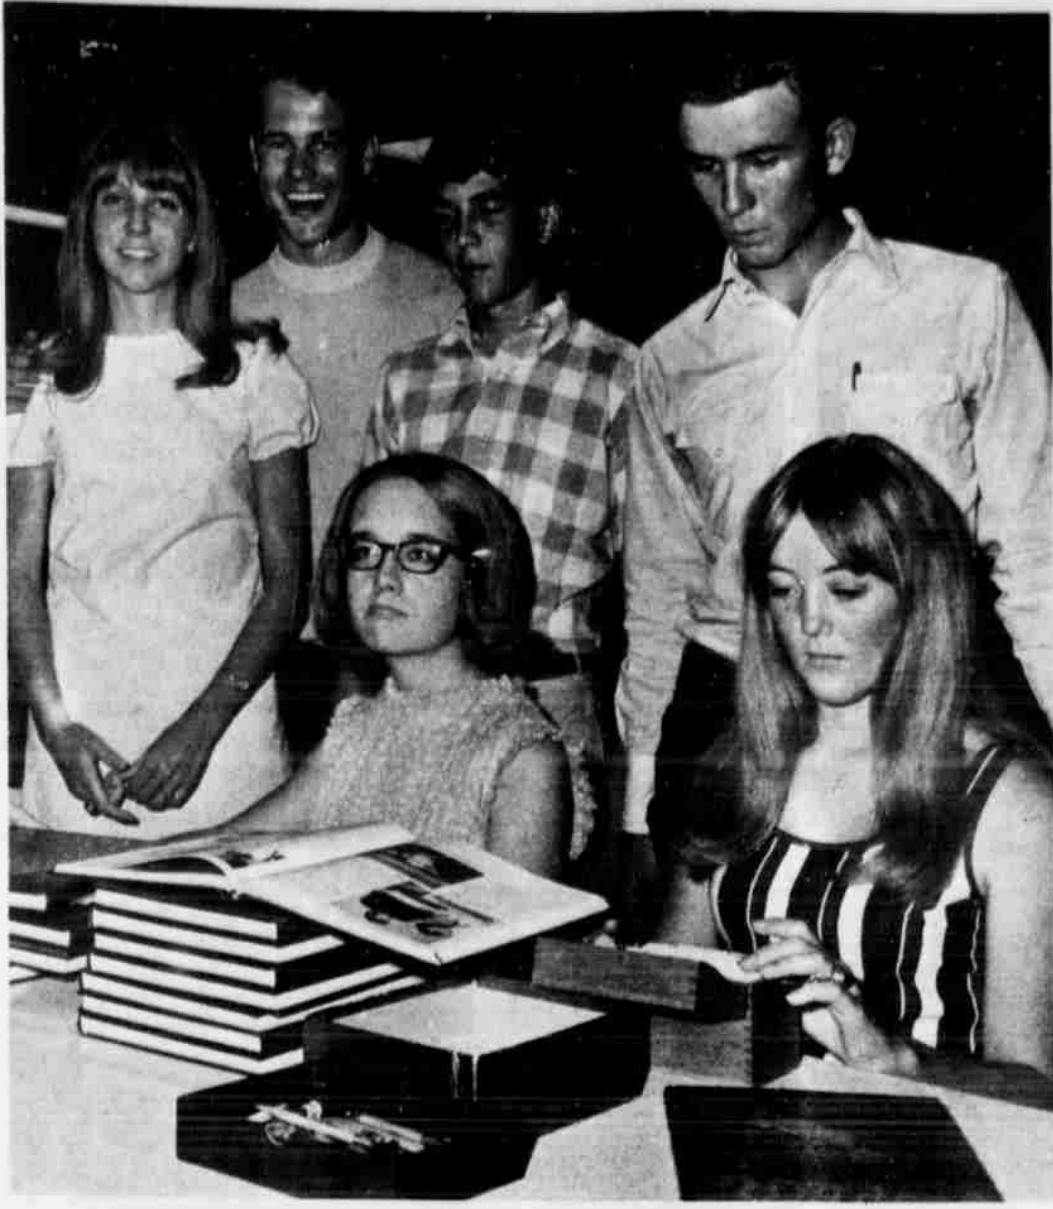

She spun the thread and wove some of the material she used. I shall relate later in my story more about Grandma Harper's life and death.

Nancy (Glover) Harper was born in April 1872 in Jasper County, Ala. William Jefferson and Nancy were united in marriage Oct. 29, 1891.

Harper farmed 25 acres of land with a Georgia - stockplow the first few years of his married life. Later, he and Nancy decided to "go west". He sold the yoke of oxen, that he had accumulated, for \$40 to make the trip. Mama said, "I was just a child, but that was the time I thought Pa was rich. I told my younger brother that Pa had just nearly half of a hundred dollars."

It was about the turn of the century when the Harper family boarded the train. They arrived at their new home in Wood County, and cleared some land for farming. Mrs. Harper said she and the children helped him.

Mama said, "It was here that

1968 "WILDCAT" EDITION was center of attraction for hundreds of Littlefield High School students when they met to pick up their copies and conduct a signing party in the school lunchroom Friday night. Mama said, "It was here that

a sickness of virus hit the country and many people died.

"That is where my oldest little brother, Clovas, died and was buried. When I went back to school I would look at the seat where he sat, and cry. About all of our family got sick.

I was 12 years old but washing had to be done, so Pa would take me and go down to an earth tank, build a fire around the wash pot and break the ice in the tank to get the water we washed with. Washing was done on a rub board and clothes were hung on trees and bushes to freeze dry".

"In 1905 Pa still wanted to go farther west. So along with about ten other families, they formed a wagon train and the wheels started rolling. The days on the road, around 18 of them, was an experience that remains, although many years have gone by rapidly.

The days were spent riding and walking, laughing, and talking, camping and losing the children. The train would start

moving after each stop and people would think their children were with another wagon, when they were not. Search would get under way along the back trail. Sister Dorsey and little brother, Lewis (now of Sudan) stayed at a watering hole when the wagon train moved on. They tried to catch up with the wagons by running and were almost exhausted when they were found. Pallets were made under the wagons at night.

About the most exciting thing that Mama can remember on the trip is the night a strange noise we heard and found it to be a lo-bo wolf eating from the scraps around the camp fire. Pa shook his shoe at it and it ran away.

Later in the night Mama dreamed her heel was hurting and when she awoke, one of the mules was gnawing her heel.

I remember the two little mules who pulled our wagon westward. Their names were "Tone and Joe", stated Mama.

Littlefield Graduate 'Calcomp' President

Lester L. Kilpatrick of Downey, Calif., graduate of Littlefield High School, is president of California Computer Products, Inc., known as Calcomp.

He is son of Nellie B. Kilpatrick, former teacher in Littlefield schools, now of Andrews; and is nephew of K. W. Mahaffey of 401 E. 20th.

Kilpatrick was featured in a recent series of articles being written by a California newspaper on companies picked by California financial analysts as the 10 California companies most likely to succeed in the stock market.

In an interview with Kilpatrick, 44-year-old president of Calcomp, maker of plotting equipment for computers, he predicted sales in the current year ending June 30 would be between \$16 and \$18 million.

Among some of the interesting things the company's computers do are tracing garment patterns, grading them into sizes and producing them in mass quantities.

Not only does the computer reproduce patterns, it sketches blueprints, population charts, 3-D diagrams for scientific study, stock performance charts,

growth patterns of bones, perspective contour graphs, and even competes with artists who sketch and paint.

A quote from the newspaper article says, "It may or may not signal a renaissance in art, but more and more computers are taking up positions at the easel."

"A programmer determines which combination of mathematical formulas for certain geometrical figures (straight line, spiral, parabola, cone, circle) will produce a desired design. "The famed 'Mona Lisa' was reproduced in fine line drawing by a computer to demonstrate that a Calcomp plotter can draw anything, automatically."

California Visitors

MR. AND MRS. Merle Van Pelt of Crystal Cove, Calif., visited Friday and Saturday in the homes of Mr. and Mrs. Henry Cowart and Mrs. Stella Cowart. Mrs. Van Pelt, former Olton resident, is the sister of Henry Cowart. The Van Pelts had been to Dayton, Ohio, where they visited in the home of their daughter and family.

MILYNDA MORRIS, 1969 editor of the "Wildcat" yearbook, displayed the first place trophy her new staff earned at the Tech Yearbook Workshop this summer, during Friday night's 1968 yearbook signing party at the High School Cafeteria. Their dummy layout was recognized as top work among schools with less than 750 students. Bill Nelson, right, is shown helping students with receiving their yearbooks as Milynda sold clear plastic covers.

Frank Ford for State Representative

New Governor, New Speaker, New Legislature
Let's Build For The Future!

Frank and Margie Ford with their four children — Davis, 10, Cindy, 8, Dan, 6, and Susan, 4.

* Served 30 months in the U.S. Army, attaining the rank of Captain in artillery.

* In 1959, served as bill clerk in the Speaker's office, Texas Legislature, and then in the Legal Division, State Board of Water Engineers.

* Has lived in Hereford for the past 8 years, where he has been successful as a farmer, home-builder, and manager of a milling company.

Frank Ford will be a listening Representative when in the District - will work and speak for you when in Austin.

FRANK FORD IS A POLITICAL CONSERVATIVE WHO BELIEVES THAT THERE IS AN EXCESSIVE CONCENTRATION OF POWER IN WASHINGTON, D. C. He has been consistent in his efforts to find solutions at the local and state levels where the people can keep control over their future. Help put Frank Ford to work for you in WATER RESOURCES PLANNING, EDUCATION, SUPPORT FOR LAW ENFORCEMENT and GROWTH and PROGRESS FOR OUR AREA! He will represent the people of Cochran, Lamb, Bailey, Castro, Parmer, and Deaf Smith Counties.

FRANK FORD — the candidate of the PEOPLE OF THE 72nd DISTRICT!!!
Paid Pol. Adv. by Littlefield Area Citizens For Ford-Pat Downs, Chairman

* Raised in the Panhandle-South Plains area where his father served as a County Agricultural Agent.

* Worked his way through Texas A and M, where he was named the outstanding student in the School of Agriculture, Cadet Corps Commander, and Delegate from the A and M Debate Team to national debate meet at West Point.

* While on a summer job during college with the Ag Experiment Station in Lubbock, assisted in early hybrid-sorghum work.

* Worked as assistant to manager of a farm equipment company specializing in irrigation.

As working manager of a business Frank Ford knows that government must be run on a pay-as-you-go basis.

* Active in his church and community, Frank has served as President of the Hereford Migrant Ministry, Vice-President of the Deaf Smith County Chamber of Commerce and United Fund.

* Well known for his work with youth, has been Scoutmaster of Boy Scout Troop 52 for past 7 years.

* Believes that two-party system is essential for the people of Texas to have effective control over their state government.

IN LUXURY—High styling and comfort mark Dodge's line of low-priced cars—the 1969 Monaco model which goes on display at dealerships in September. Monaco 4-door hardtop below has an optional "Super-Lite" mounted in grille.

Model Dodge Trends Told

most improved conventional in the traditional standard medium priced segment of the automobile market. The new brand new starts with B. D. Garland Jr., and Motor Co. said to Dodge Polara and Monaco. Everything changed but the base for the company, Garland said, "including the cargo distance between the wheel housings on station wagons."

There is "integrated total form," "moulded air spoilers," a "tuck under" sill, "hidden windshield wipers," "ventless windows," and "Super-Lite" to package Dodge's new concept in medium priced luxury. "The Dodge Monaco has been making steady progress in the medium priced market and the Polara in the standard priced segment," said Garland. "They were on the plus side of the sales chart in a declining auto sales market during 1967 and they continued their momentum through the 1968 model to show the greatest improvement of any car in their field. "For the 1969 model year the aerodynamic theme of the Polara and Monaco, according to Dodge stylists, is carried out through a "moulded, integrated form" giving a rounded fuselage effect to the overall appearance of the car.

The exterior styling concept of the basic car is completely aerodynamic with a family hint of the highly successful Dodge Charger.

The first steamboat in the Ohio River was launched in 1811.

Dodge Polara and Monaco have been redone completely. New exteriors, high styled interiors, and new options enhance and improve the position these two cars have carved out for themselves in this highly competitive segment of the automobile marketplace."

The dash on both the Polara and Monaco is completely driver oriented with all controls mounted on a panel directly in front of the driver and protected from impact by extended dash padding. The ignition key has been moved to the lower left of the dash to remove it from the area of impact by an unrestrained center front seat passenger.

RECEIVES HIGH AWARD—Army Major Harold W. Byars, son of Mr. and Mrs. C. C. Byars, Spade, received the Distinguished Flying Cross July 10 at Ft. Eustis, Va. Presenting the award is Colonel Joseph P. O'Conner, commander of the 716th Transportation Railway Group at Ft. Eustis. Major Byars received the award for heroism involving aerial flight in action against enemy forces in Vietnam, October 26, 1967. The major entered the Army in July 1958. While serving in Vietnam, he was with the 116th Assault Helicopter Company near Cu Chi. The major holds the Air Medal and the Army Commendation Medal.

His wife, Barbara, is with him at the fort. A 1954 graduate of Spade High School, Major Byars received a B. S. degree in 1958 from Texas A&M.

Anton News

MR. AND MRS. Leland Couch of Durango, Colo., visited Saturday in the home of the Bill Molders.

MR. AND MRS. Foy Mills and children visited last week with her parents, Mr. and Mrs. Earl Baker and Vicki in Smithfield.

BETHEL BAPTIST Vacation Bible School closed Friday night with a program and the showing of the work and crafts done by the children. At noon Friday a picnic was enjoyed at the park. An average of 70 children a day attended classes.

YONNA AND VONDA Woodward of Mason visited Mr. and Mrs. Lindy Barnes and family last week.

CHERYL, ALLEN AND Georgena Womack, children of Mr. and Mrs. Wayne Womack of Arillo, have spent the last two weeks in the home of their grandparents, Mr. and Mrs. Boyd Rea.

New TENDERNESS in beef!

The new found tenderness in Furr's Proten Beef is directly related to delicious tropical fruits, such as pineapple, papaya and figs. Nature's original tenderness agents, already present in beef, are supplemented by pure food protein derivatives of some of these fruits. Minute quantities are used to create new tenderness never before possible. Try Furr's Proten Beef Today.

Pioneers Gather To Reminisce 'Good Old Days'

Reminiscing about old times, gaiety, an abundance of food, and a variety in business session and program activities, highlighted the day Tuesday for Lamb County Pioneers as they attended the 19th Annual Lamb County Pioneers' Reunion in Littlefield's Community Center.

Shown top left are the registration crew, who were kept busy during the session. Seated left to right are Herbert Dunn, official registrar; Lucy Moreland of Littlefield, shown pinning tag on pioneer; Charles Jones, typing out registration tag; and Mrs. Simon D. Hay of Sudan, also completing registration tag.

Center top, are pioneers who have completed registration and are enjoying conversation before entering Community Center for the program.

Shown top right are two groups of pioneers in serious and gay conversation, respectively. To extreme right of photo is Rep. Bill Clayton of Earth.

Relaxing conversation was being enjoyed by pioneers, shown center left, as they were completing the "basket luncheon" underneath the shade of trees in Laguna Park, near the Community Center.

Shown in photo center right, are persons who received gifts. To left, in photo, are Mrs. Mary Davis of Littlefield, 90, oldest woman present; center, Henry Miller of Olton, person residing in Lamb County longest, since 1900; and Mrs. Elwin Matthews of Everett, Wash., person traveling farthest distance to attend. Not pictured was Hugh Gainer of Littlefield, 90, oldest gentleman present.

Shown in lower left photo are an unidentified pioneer who was in conversation; and in center, Mrs. Lester LaGrange of Amherst, a charter officer of the Association and Mrs. Ray Blessing of Amherst are shown looking at the scrapbook. The photo on the scrapbook page was identified as Mrs. LaGrange, but she denies it is her. Mrs. Blessing was later elected as scrapbook custodian.

Lower right photo identifies newly elected officers for the oncoming year. They are, left to right, Ray Smith of Spade, president, who served as vice-president last term; Fred Lichte of Littlefield, vice-president; Mrs. Ray Blessing of Amherst, scrapbook custodian; and Lyle Brandon of Littlefield, secretary. Not shown is Sid Hopping, treasurer, who was unable to attend because of other business duties.

admits to a modest 90 years of age.

Hugh Gainer of Littlefield was recognized for being the oldest man at the meeting, also at 90 years of age. Miller, Mrs. Davis and Gainer are repeaters in their same categories from last year.

A program of entertainment followed the business meeting featuring groups and individuals from various communities in the county.

Mrs. Jackie Hinson was program chairman and introduced performers and numbers.

Mrs. Weldon Findley of Littlefield led off the program with a memorial hymn dedicated to those members who have passed away. She sang "Where We Never Grow Old" and was accompanied on the piano by Mrs. Jean Parkman.

The John Clayton quartet, of Littlefield, accompanied by Mrs. Parkman, sang two religious numbers, "Jericho Road" and "When The Saints Go Marching In".

Romana Clark of Sudan, accompanied on the piano by her mother, Mrs. H. C. Clark, sang a hymn titled "I Need No Mansion Here Below".

Ten-year-old Jan Sisson of Littlefield substituted for a performer who was ill by singing two songs. Accompanied on the piano by Mrs. Parkman, she sang "How Great Thou Art" and "It Is No Secret".

Mrs. James Holland of Amherst gave a humorous reading titled "A Dissertation On Reaching 90", in which she set herself up as "Metricall Rose". As "Rose" she characterized

herself as suffering from the five "B's", Broad, Bifocaled, Bald and Bad Breath.

A group of seven girls from Springlake-Earth High School presented three songs. Accompanied on the piano by Janetta Blackburn, they sang "Moon River", "We Are Climbing Jacob's Ladder" and "This Is My Country." Their numbers concluded the entertainment program.

State Representative Bill Clayton, of Earth, gave the benediction.

With the end of the program, the pioneers adjourned to meet again on the fourth Tuesday in August 1969. Residence in Lamb County for at least 30 years are required for membership in the group.

Deadline For Sales

Tomorrow afternoon is the deadline to wind up the Leader-News "Earn A Bike" promotion.

Subscription salesmen are to turn their subscriptions, money and unused forms into the Leader-News office by 5 p.m.

Youngsters have earned over a dozen bicycles selling subscriptions through the program. Sixty-three are still working toward the goal. Those who do not sell the required number of subscriptions to earn a bike will be paid commissions for each they sell.

Good Dove Population

SAN ANGELO--Game management officers continue to be pleased with the outlook for this year's dove season. The population of doves is good, and there seems to be adequate food to hold the birds in the West Texas area through the September 1 opening day.

Texas Parks and Wildlife Department offices and most license deputies have free maps available for the convenience of the hunters in both North and South Zones, and there is a reminder included that the State is currently on Daylight Saving Time. The starting hour each day will be 1 p.m., until reversion to Central Standard Time on October 27 when it will start at 12 noon.

Bula Optimistic About Season

They've gotten so tired of losing football games at Bula that they've decided to do something about it.

They've made up their minds to win.

New coach Loyd Halbrooks feels that his Bulldogs are in the frame of mind required to overcome Bula's long history of losing. And he has players the size to back up those aspirations.

But for a win over Lubbock Christian High School, which actually had no formal football program last year, Bula has won one game in the last 30 starts. They were winless in 19-65 and 1966.

The Bulldog victory over L. C. H. S. was over a team whose players worked out on their own and had a volunteer coach. Also, it was the team's first eighth-man ball game to play.

But it was a victory, none the less, for the Bulldogs.

Though the team is young... and extremely shorthanded, the players are experienced. Halbrooks has only one senior, quarterback Rodney Claunch, on the team.

Bula has a 10-man roster. Halbrooks isn't a towel-crying coach. The Sul Ross State College product intends to establish a winning record in his profession's freshman season. And he's no newcomer to eighth-man football, hailing from Loop.

"I believe we'll come along pretty good. A lot better than in the past. There is a strong desire to win, and a good school spirit," stated the rookie mentor.

Weight is little problem among the Bulldogs. Two players, Tom Newton and Terry Soudler, tip the scales at 212 and 203, respectively.

Rounding out the squad are Mitchell Autry, 165, sophomore halfback; Dwight McDaniel, 145, junior guard; Ron Risenger, 149, freshman end; Gene Stroud, 183, sophomore center; Wayne Wood, 145, freshman end; Larry Clawson, 108, freshman; and David Wood, 183, junior.

Bula has a couple of scrimmages with Dawson for tuning up in preparation for the Sept. 13 season opener against Southland. The clubs meet at Dawson Friday, and then here the follow-

ing Friday. Both workouts are slated to begin at 6 p.m.

As last year, Coach Halbrooks has four conference games. They are against Whitehall, Smyer, Threeway and Cotton Center.

Sandwiched in the middle of the conference games will be a non-conference tilt against his old school, Loop, on Nov. 1. With their spirit and dedication, but without injury losses and some old nagging of a defeat attitude, the Bula Bulldogs might just come around with Halbrooks' prediction... a 10-0 record.

Partnership Tourney Tees Off Saturday

The team of Glenn Batson and Rhenard McCary will not be defending their title this weekend in the Third Annual Partnership Tournament.

Batson and McCary won the championship club last year, and finished second the year before. But McCary is reportedly out of town on business and will not be here to compete.

However, indications, according to new club pro Dale Weaver, are that the tourney is going to be of record size in numbers entered.

Contestants will shoot their qualifying rounds Friday for flight placings Saturday, Sunday and Monday. Those unable to shoot qualifying rounds can telephone Weaver and declare averages.

Play will be 54 holes lowball medal. Weaver plans each flight to be made up of 16 teams, and will have as many flights as there are entries.

Tea times cannot be announced until Friday evening, when the number of entries is known.

The field will play for low scores Saturday and Sunday. Then, Monday each flight will be cut in half, with the consolation bracket comprising the lower score shooters.

Consolation finalists will retain their two days' scores in shooting for the bracket prizes.

Besides merchandise prizes, Championship Flight contestants will be shooting for a first place trophy.

Merchandise prizes will be the same for all flights. First place will receive sets of three Wilson aluminum shaft woods, second place a Wilson golf bag, and consolation a pair of shoes. Prizes will be awarded in duplication for the partners.

Entry fee will be \$30 per team. Batson and McCary won the Championship Flight last year by a 10-stroke, 199-209, over Neil Duffy of Littlefield and Conard Young of Lubbock.

The score and point spread was exactly the same as that which they lost first place the previous year to Duffy and Weaver.

Alvin Webb and Smiley Monroe wound up in third place last year.

Second Flight prizes went to Charles and Shelly Duval, who defeated runners up Steve Schmidley and Jim Burtner of Levelland.

In the First Flight, Amarillo's Dave Burson and Sam Houchin beat out Walter Hobgood and J. R. Chamberlain for top placing.

SENIOR QUARTERBACK Roy Burk, right, will miss the scrimmage tomorrow against Seminole because of a badly bruised right leg. He is shown here handing off in practice to starting tailback T. J. Morgan. Junior caller Charley Holt will guide the Wildcat in the scrimmage, which is to start at 6:30 p.m. in Littlefield.

Injuries, Dropouts Concern Birchfield

Besides the injury list, Wildcat Coach Raymond Birchfield has a new problem to contend with... dropouts.

His limp list is almost as long as it was this time last year, but not quite as long as his list of those who've either not come out, or have turned in their pads.

Heading the bandage bunch, as he did last year, is senior starting quarterback Roy Burk.

The 'cat signal caller has a deep bruise on his right leg which will keep him out of tomorrow's scrimmage against the Indians down at Seminole, and possibly could linger further into the regular season.

Birchfield figures to go with junior QB Charley Holt, who's grown and greatly improved from his junior varsity days a year ago.

Burk had a badly sprained ankle this time last season, but played the regular schedule with effectiveness, through limping. His bruise has not yet responded favorably to treatment, and

he was to visit the doctor's office yesterday afternoon. Holt will have to go both offensively and defensively on both the first and second teams. And, as Birchfield says, "He'll be a tired young man tomorrow night."

Kenneth Twitty or Travis Danford will be filling in for split end Steve Webb, victim of a sore throat and fever which has kept him out of uniform all this week. The two speedsters usually run at tailback or flankerback.

Varnell Kemp, number two fullback, has a pulled groin muscle and will see limited, if any, action. His place will be taken by Bruce Timman.

Harold Lowery is questionable in starting as offensive center and defensive tackle. He has been fainting in workouts and awaits examination results.

Lowery's understudy at tackle, Jim McCary, is out with a strained foot.

Gerald Haberer, 202-pound guard, and Kim Kloiber, 203-

pound tackle, are both slated down to less than full strength as is Steve Owens.

The dropouts are turning up among the seniors. In fact, it's to such a point that, until some of the juniors are cut back to the Birchfield cannot field a junior varsity squad.

From a turnout of 42 in spring, 20 sophomores came for football this fall. That's a drop from 13, and which only two backs are healthy enough to play.

But the unanswered riddle isn't limited to 10th grade. Twenty sophomores who were all for football this, their junior year, but still remain in maroon and white suits.

A scrimmage had been arranged between the Wildcat for varsity and the Olton varsity for tomorrow afternoon but it has been cancelled. Another school wanted some of the same for next week.

It could be that Littlefield which is already the smallest enrollment member of District 3-AAA (which includes the corners Colorado City and Anton), might have to cancel junior varsity schedule for season.

In fact, it very likely will happen.

The Wildcat bus will leave the field house at 4 p.m. tomorrow for the 6:30 scrimmage. It is expected to be back into Littlefield shortly before midnight.

Two-a-day workouts over, Birchfield said, the team will have only a light workout today, and none tomorrow before the scrimmage. Next school starts.

There will, however, be a workout Monday afternoon 3:30, he said.

Tag Team Match Is Main Event
 A tag team match headlines Saturday night's wrestling matches at the Littlefield Sports Arena, according to operator Chief Little Eagle.

Taking on the Infernos, who are managed by J. C. Dykes, will be Dory Funk Sr. and Alex Perez.

The semi-final match will pit Terry Funk, youngest of the Funk wrestling family, against Hardball Curtis.
