Hope that one of the seven arrested for shooting fireworks inside the city was the inconsiderate person who was still exploding firecrackers in Duggan Addition after midnight the morning of the 5th. It's awfully hard to deny one's children the fun of fireworks when the neighbor's children are playing with them, but hard or no we should at least deny them the fun of keeping the neighbors awake at unreasonable hours and see to it they do not explode anything which will endanger the life and property of the neighborhood.

# Area Bank Deposits Show \$3 Million Dip

Deposits in seven trade territory banks, including six in Lamb County, showed a decrease of more than three million dollars in the period from April 11, date of the last call, to June 30, current bank call date. Total assets likewise took a decided drop, showing a decrease of more than \$2 million in the same period of time.

Actual figures taken from the published statement of condition of the seven area banks show that deposits total \$19,735,266.27 and total assets amount to \$22,642,380.53.

Banking observers stated that the decrease in deposits and assets reflect the planting season of farmers in the area, and also the replanting many farmers have had as a result of weather damage to crops already planted.

The two banks in Littlefield left the area in total deposits of \$8,941,360.38. The Oilton State bank was third, with deposits of \$3,647,297.20, and the Amherst First National Bank was fourth with deposits of \$3,405,488.20. In order, the banks at Earth, Anton and Sudan ranked next, based on total deposits reported on their June 30 statement of condition.

Total assets of banks in Lamb county and at Anton are as follows: All figures taken from published statements of condition. Anton Citizens State, \$1,733,962.86; Amherst First National, \$3,654,130.09; First National Sudan, \$1,533,985.58; Oilton State, \$3,964,154.93; Citizens State, Earth, \$1,921,285.50; First National, Littlefield, \$4,986,042.71; Security State, Littlefield, \$4,542,817.83.

Deposits for the same banks were: Anton, \$1,601,209.26; Amherst, \$3,485,488.20; Sudan, \$1,563,579.18; Oilton, \$3,647,247.20; Earth, \$1,776,382.04; First National, \$4,660,330.96; Security State, \$4,272,029.43.

Most agricultural observers feel that the banks are in a generally healthy condition, and that the crop prospects indicate a good harvest season although not quite as large as was anticipated before hail and wind damaged so much of the crops over the county.

Many farmers, hailed out and blown out, have had to replant more than once, and some have finally had to plant feed as a catch crop, because of the lateness of the season.

Banks have consequently loaned more money on crops than they would have had the weather not been so destructive to crops.

## Spade Farm Dinner Tonight To Feature Albert Miller as Emcee

Albert Miller will be master of ceremonies for the Chamber of Commerce sponsored Farm Dinner to be held tonight (Thursday) at 8:30 p.m. in the Spade school cafeteria.

The meal will be prepared and served by the members of the Spade senior Home Demonstration club.

Tickets for the dinner are still available, and may be obtained from members of the agricultural committee, or from the Chamber of Commerce office.

Transportation to and from Spade may also be secured by calling the Chamber office.

Members of the agricultural committee expressed the hope today that a large number of Littlefield business men would attend the dinner to become better acquainted with the farmers of the Spade area.

Miller was named emcee for the dinner after Alvin Webb was called out of town.

## Firemen Reelect Bob Cox Chief In July 5 Meeting

Members of the Littlefield volunteer fire department met July 5 in a business session and reelected Bob Cox as fire chief for the group.

Charlie Brown was reelected assistant chief, and Eugene Johnson was reelected secretary.

New officers elected at the Tuesday night meeting included L. H. Durham, as president; Lindsey Williams, vice president; F. H. Glazener, assistant secretary; Olin B. Graham Jr., treasurer and team captains, Foy Bell and F. A. Glazener.

## Cotton Class Meeting Will Be Held Friday

A public meeting to arrange financial financing of a cotton classing office will be held Friday night at 8 in the county courtroom in Littlefield, according to R. A. Reed, of Fieldton, president of the cotton classing group.

The meeting will be for the purpose of securing pledges of financial assistance to construct a cotton classing office in Littlefield.

Representatives of gins in the area will be present to voice the feelings of their group on the project.

The board has already applied for a charter and has the bylaws drawn up and approved.

## Local School Board Facing Problem of Integration of Negro Students to System Following State Report

Littlefield Independent School District board of trustees has not announced any plans for integration of negro students and teachers into white schools here, following a report from the State Education Board.

School officials said that many items were connected with integration, concerning state aid, employment of colored teachers, room space, and similar items.

Board members have discussed integration on several occasions, giving a Supreme Court decision that all schools begin work toward integration as soon as possible.

Meanwhile, the State Board of Education appointed a committee to study the problem with the purpose of making suggestions to school boards for carrying out the school segregation in the near and midwest.

The report issued Monday suggested that the State would not supply state aid funds regardless of whether or not local schools integrated negro students.

The report further stated that local schools must make their own decision on how their integration program would be carried out, but that advice could be obtained from the State on application requested.

The school board members of the district school officials at sea where they should start their integration movement.

Reference in figuring the amount of state aid would water down the separate negro school system. Based on average attendance in each school, the board receives a certain amount of state aid money. If schools were combined, the amount would be reduced considerably.

## Son of Former Local Resident Dies July 4

Herbert C. Martin, Jr., 30, son of a former Lamb county attorney and district attorney, Judge H. C. Martin, was killed in a fall while mountain climbing near Montrose, Colo., July 4.

Young Martin who was employed as a scientist at Los Alamos, was on a holiday mountain climbing expedition, fell while attempting to climb the 14,426 foot peak of Mt. Wilson, with six others.

His body was brought down from the mountain by pack horse, after a searching party headed by Mayor Homer Reid of Telluride, found him.

Judge Martin moved to Amarillo after serving as an attorney in private practice, and later as county attorney and district attorney in Littlefield and Lamb county.

Funeral services will be at 10 a.m., Friday in Amarillo. The body arrived in Amarillo from Colorado Wednesday night at 7.

## Crew Checks Irrigation Well Permits

## The Weather

Continued warm weather and partly cloudy skies have prevailed during the last three days over the Plains area. No precipitation of any consequence has fallen, leaving week end vacationers with fine weather to enjoy. Temperatures have been lower than normal for this time of year, with the high being 96, and the low a pleasant 70 degrees. Outlook for the next three days is for more partly cloudy skies and warm weather. No rainfall is forecast.

## Funeral Held For Former Sudan Man

SUDAN (Special) — Funeral services for R. E. Waiser, father of Buford Waiser of Sudan, were conducted Friday afternoon in the First Baptist Church in Chillicothe, with the Rev. Durham, pastor of the church, conducting the services.

Waiser died Wednesday afternoon. He was farming near the Chillicothe community at the time of his death.

A former Sudan resident, Mr. Waiser resided on a farm west of town in the 1930s.

Survivors include his wife, three sons, Buford of Sudan, Robert of Livingston, N. J., Lloyd of Littlefield, and one daughter, Mrs. Odessa Kuntz of Livingston, N. J., one stepson, Joe Pendergrass of Wichita Falls and a step daughter, Mrs. Gayland Howard of Dallas; four sisters; and six grandchildren.

Interment was in the Big Valley Cemetery near Chillicothe under the direction of the Ward Funeral home.

## Delegates To Assembly At Cotton Bowl

Ten delegates from the Littlefield congregation of Jehovah's Witnesses are planning to attend an assembly at the Cotton Bowl, Fair Park, Dallas, Texas, July 13 through 17. Loyd Lowery, presiding minister here, who will head the delegation, announced today that a total of 25,000 is expected to attend from the southern United States and Old Mexico.

Mr. Lowery described this assembly as one of a world-sweeping series of eleven Christian conventions. "In 1953," Mr. Lowery pointed out, "we had one international gathering of ministers at Yankee Stadium in New York that drew a peak attendance of 165,829 from 97 lands. This year we hope our combined attendance will double that."

The cities in the United States and Canada named as convention sites are Chicago, Vancouver, B. C., Los Angeles, Dallas and New York. Those in Europe are London, Paris, Rome, Nuremberg, Stockholm and The Hague.

Arrangements are already under way to send over 4,500 delegates from the United States and Canada to the European assemblies. Delegates from Latin America, Africa, Australia and the Far East will also attend in Europe.

## City Receives Okay On Request For Funds To Purchase Two Way Radio, But Federal Funds Still Not Available

The City of Littlefield was notified Saturday that their recent application for federal matching funds to purchase two way radio equipment for city police cars, has been approved.

James Garner, administrative assistant in the division of defense and disaster relief of the executive department notified Mayor Ray Keeling that funds allocated for radio communications equipment is presently oversubscribed, and the Federal Civil Defense Administration cannot approve the application until additional funds are available.

The notification elaborates by stating that funds have been requested, and as soon as they are available, the city will be notified.

The city submitted the application for matching funds several weeks ago under provisions of the Federal defense act, which would permit cities to purchase radio equipment for normal city use as long as it would be available for emergency use during disaster emergencies.

Under this program, the cost of the equipment would be borne equally by the city and the State, allowing the equipment to be purchased at half the cost if bought otherwise.

The City plans to equip both city police cars with two way radio and to establish a base unit in city hall.

Further development of the plan will await allocation of funds to make the purchase of the equipment possible.

## Hiway Group Meet Saturday At Levelland

The Texas Highway 51 Association will hold an important meeting at noon Saturday in the Cal Boykin Hotel in Levelland.

H. C. Kyle, of Seminole, secretary of the Highway 51 Association wired the Littlefield Chamber of Commerce Wednesday, informing manager Jesse Everett of the meeting date.

Kyle said a report on activity of the association and future plans would be heard during the meeting.

Everett announced that members of the development committee of the Chamber would attend the meeting, and that interested business men in this area were welcome to attend also.

## Labor Talks Continue For Phone People

Negotiations between CWA-CIO union representatives and officials of General Telephone Co. were resumed Tuesday afternoon in an effort to settle differences over renewing a contract which expired last week end. No information concerning any progress made in the negotiations was available at press time.

Officials of the National Mediation Board sat in on the labor talks, according to company officials.

Meanwhile, employees in local exchanges continued at work, and there have been no further reports of work stoppages such as those held following the expiration of the contract last week.

## 3 Charged In Violence On Weekend

County sheriff's officers were busy over the holiday weekend, with several persons arrested on various charges.

Sheriff Dyer's office reported two shooting affairs and one cutting scrape over the county, investigated by his office. Ed Haskins, colored, of Littlefield surrendered after shooting C. E. Taylor with a shotgun in the flats Saturday morning early. He was charged with assault with a deadly weapon with intent to murder, and released on \$1,000 bond. Taylor was hospitalized with buckshot wounds.

At Sudan, Harvey Williams was arrested in a cutting scrape and fined and rebased.

## Doris Gray-Rev. Jno. Watt Exchange Vows In Olton

In a ceremony read by the groom's father at the First Baptist church in Olton, Miss Doris Sue Gray was united in marriage with Rev. John Koen Watt of Lovington, N. M. The double ring ceremony was performed at 7:30 in the evening June 28.

Parents of the couple are Mr. and Mrs. Floyd Gray of Olton and Rev. and Mrs. C. G. Watt of Lovington, N. M.

Nuptial music was furnished by Jan Prestridge who sang "Bless This House" accompanied by Mrs. J. Wilkie, who also sang "My Wonderful One" accompanied by Miss Prestridge.

The bride, given in marriage by her father, wore a white ballerina length dress of lace over taffeta. The strapless fitted bodice extended into a bouffant skirt accented with individual lace ruffles. Her bolera jacket buttoned down the front with tiny covered buttons and featured a high collar and long sleeves which terminated in points over the wrist. Her head-dress of rhinestones and pearls was caught with a finger length veil of silk illusion. For something old the bride carried a lace handkerchief belonging to her grandmother, Mrs. H. E. Gray of Olton. Her blue garter was borrowed from her aunt, Mrs. Bill Lancaster of Muleshoe and she wore the traditional penny in her shoe. The veil which Miss Gray wore is a family heirloom, belonging to Mrs. J. Wilkie and will be worn by other members of her family.

Miss Dorothy Gray, twin-sister of the bride, was maid of honor. Bridesmaids were Miss Sue Macon, Miss Barbara Gray, sister of the bride, Miss Linda Franks and Miss Imogene Noland of Floydada. The attendants wore identical dresses of moss and Nile green designed with portrait necklines and fitted bodices. Their matching bandeaus were of rhinestones and pearls. They carried nosegays of white carnations.

Fred Burgess of Olton served the groom as best man. Ushers were Rev. C. C. Morgan of Texico, N. M., and Rev. P. D. Fullington of Borger. Candles were lighted by Jackie Gray of Olton, brother of the bride and Bob Lemon of Slaton, brother-in-law of the bride.

White candelaabra with 48 white tapers flanked by greenery and baskets of white gladioli decorated the altar.

Following the wedding, a reception was given by the bride's parents in the church basement. The table was covered with a white

## Widow Scores In Art At Age 87

By KATHERINE PINKHAM  
on Newsfeatures

SAN FRANCISCO—Instead of boring people with memories of bygone days, 87-year-old Cosmy Hulitar is selling hers for a good round price. She paints them in vivid colors.

World-travelled Mrs. Hulitar began her career as an artist at 81 after the death of her husband Michael, an Austrian embassy attaché. She is now having her third one-man show. The first two were in New York. This one is at the M.H. de Young Museum here.

Nearly 50 tempera paintings in the exhibit bring to brilliant life the romantic world of a young girl of Italian family reared in the lovely Greenk Islands of the Aegean Sea. They are primitives, signed simply "Cosmy", short for the Greek cosmos, meaning world.

Cosmy is self-taught save for early training in floral embroidery design at a French convent. The wealth of detail in her pictures shows an astounding visual memory going back three-quarters of a century.

It is a joyous world she remembers, full of flower festivals, prancing horses, decorated carriages, royalty, sunny fields, white churches, red sunsets and picnics at sea, seen through the rosy haze of a happy childhood and youth. To share it just a little, adults in a tender time pay up to \$250 apiece for Cosmy's paintings.

"I enjoy everything," she says. Her smile is wide and frequent; her brown eyes shine like a delighted child's.

Mrs. Hulitar still finds it a wonderful world. She likes champagne, opera, travel by air, flowery California landscapes, long motor trips into the country, poker, backgammon, beautiful clothes, good food—she is an expert cook—and the company of young-

mother, Mrs. Pearl Chapman.

Mr. and Mrs. R. A. Reed, their daughter, Mrs. Jean Onstott and daughter, Vaneen, visited over the weekend with Mr. Reed's sister at Rush Springs, Okla., and with another sister and husband at Oklahoma City.

Mr. and Mrs. Hendricks and children visited over the weekend with her sister, Mrs. Joel Thomson and family. The Hendricks are from Roswell, N. M.

Mr. and Mrs. Basil Jeffrey, Mr. and Mrs. Mickey Pickrell, spent the weekend at Ruidoso, N. M.

Mr. and Mrs. Sherman Rushing and Mr. and Mrs. Vernon Qualls visited Sunday with Ver-

non's mother, Mrs. H. W. Qualls, at Sedan.

Miss Sue Chumley, from Howe Texas, visited a week with the Cassidy and Adams families here.

Mr. and Mrs. L. H. Cassidy visited last weekend at Howe, with their daughter and family and a son and family. A daughter and her husband from Lubbock accompanied them. A granddaughter, Carol Adams, has also been visiting at Howe.

er people. Her contemporaries she sometimes finds a little dull. But not Grandma Moses, whom she admires greatly.

Most of all she loves her work. She puts in an amazing seven-hour day at it painting without ease on a flat-top desk at the apartment home of her daughter, Mrs. Frederick Pinchen, wife of the San Francisco manager of a British airline.

Occasionally Cosmy paints the present, in which she is keenly interested.

A strange facet of her artistic method is that she can paint successfully only from memory. "I can't get it right if I paint while I'm looking at it," she says.

She used up one set of water colors she was given as a child.

## Over Four Millions Acres Are Irrigated On South Plains

More than 4,000,000 acres of land is being irrigated by 33,537 wells on the High Plains of Texas. This and other facts are presented in the annual irrigation survey by R. V. Thurmond, and Ralph L. Jones of the Texas Agricultural Extension Service.

The reports, made yearly since 1949, show the tremendous expansion of irrigation in the area. The first report showed that 12,478 wells were being used to irrigate 1,711,000 acres on 9,025 farms. By May 1955, the number of irrigated farms stood at 17,099; the number of wells at 33,537 and the irrigated acreage at 4,017,540.

From May 1954 to May 1955, 5,554 wells were added and the acreage irrigated increased by 39,390,425. The greatest increase in the number of wells during the seven year period was the 6,268 added from May 1952 to May 1953. The increase in the area irrigated rose by 598,094 acres.

Hale county with 3,700 wells is the leader in this category. These wells supply the water to irrigate 470,000 acres. The 3,000 wells in Swisher county supply the water for 480,000 acres. The report shows Hockley county with 33,550 wells; Lubbock with 3,300 and Lamb county with 2,800 to rank high in the area.

Butane is used on 15,447 wells while natural gas powers another 11,881 pumping plants. A majority of the wells, 24,779, had a pumping lift of more than 125 feet and 17,592 were shown with a pumping capacity of under 700 gallons per minute.

Grain sorghum, cotton, wheat, alfalfa and sudan, mostly for pasture, were the principal crops irrigated. According to the report, grain sorghum lead cotton in 1955 by almost 400,000 acres.

Thurmond says the report is compiled from figures submitted from the county agricultural agents in the 43-county area.

**"WHAT IS FAITH"**  
By TOMMY WILLIAMS, Minister

Once a little girl was asked, "What is Faith?" Her answer was, "Faith is believing what God says without asking a ny questions."

The searching curiosity of our time which leads us to spend tremendous amounts of time and money to learn the "Why" and "How" of the things connected with our lives is not a bad thing, within itself, but some of its products are certainly not good. Too often the attitude has been adopted that unless and until men can turn up with the scientific answers of the "Why?" and the "How?" of a thing, it just cannot be so.

There was just as much potential power in the uranium deposits before men knew anything about the atom as there is after they have learned. Men could have flashed images on a television screen a thousand years ago just as easily as they can

be done now—if they had possessed the knowledge. The fact that such things were not known generations ago does not destroy the truth that such potential power existed.

How foolish it is, then, for men to refuse to have faith in the Bible merely because they do not have a scientific explanation for all that it confidently sets forth.

Is such faith a blind faith? No, indeed! The truth of the Bible has been demonstrated so definitely on so many of the things we do understand, that we can place our faith without reservation in things for which we do not as yet have the full explanation. What a hopeless world this would be if we had nothing to cling to beyond that which is given to it by human experience, research and reasoning.

Truly, "The word of the Lord ENDURETH FOREVER" (1 Peter 1:25).

## Adult Sewing Classes Begin Monday

The Homemaking department of Littlefield high school will be in charge of sewing classes for adults beginning July 11.

There are to be six class meetings from 3:00 to 5:00 p. m., on Mondays, Wednesdays and Fridays in the air-conditioned high school cafeteria.

Mrs. T. J. Jones will teach the classes showing speed methods in general sewing. A sport shirt, a teenage petticoat and dress, a dress for general wear, and Men's Bermuda shorts will be constructed in the demonstrations.

Any woman in the community is eligible to attend the classes free of charge. PTA members who attend will be given credit for PTA study course work.

Following this course there will be instruction in tailoring, the time to be announced later.

## Birthday Party Fetes Ann Roberts

Miss Ann Roberts, daughter of Mr. and Mrs. Boyd Roberts, celebrated her fourth birthday with a party at her home on west fifth, Monday afternoon at four o'clock.

The young guests, who wore their swimming attire, were pleasantly entertained with a swim in the Robert's backyard tank. Concluding the afternoon, watermelon was served in the backyard.

Children attending the party were Linda Wright, Tommy and Nancy Henson, Marty Mangum and Jo Ann Grissom.

## Jeanette Tucker To Wed Tommy Sisson in August

Mrs. Ethel Tucker of Slide, Texas announces the engagement and approaching marriage of her daughter, Jeanette, to Tommy Sisson, son of Mr. and Mrs. A. J. Sisson of Littlefield.

The wedding will take place August 7 in the home of the bridegroom's parents. Vows will be read by Dr. Weldon Meers, pastor of the Missionary Baptist church.

Miss Elsie Turvaville of Littlefield will attend the bride as maid of honor. Bobby Tucker, brother of the bride, will be best man.

The couple, who attended school in Littlefield, plan to make their home here where Sisson is engaged in farming.

## FHA Group Enjoy Outing

WHITHARRAL (Special)—The member of the Whitharral FHA group enjoyed an outing at Lubbock Tuesday afternoon. Highlights of the occasion were a swim party, a picnic supper in MacKenzie Park and a theater party.

Those present were Mesdames "Jew" Terry and Harold White, Home Ec sponsor and Misses Jane Guthrie of Nolan, Patsy Shedd, Glenda Maner, Lurline and Naydene Pair, Elva Jo and Jonnye Sue Terry, Barbara Stafford, Janice Callis, Frances Brown, Linda Martin, and Joye Bennett.

## WHD Club Sewing Class Meets

WHITHARRAL (Special)—Mrs. W. C. Hawks and Mrs. Rufe Rodgers, members of the Whitharral Home Demonstration club who go to Levelland once each week for the advanced sewing course and return to give the things they have learned to their own group met with the class Wednesday afternoon at the Home Ec cottage. Present were Mesdames Guy Hughes, B. L. Hicks sr., and L. E. McDonald.

Mrs. W. E. Williams returned to her home in San Angelo after a 12 days visit in the home of her sister, Mrs. Lulu Hoover.

MISS EDWINA SCHOVAJSA

## Miss Edwina Schovajsa Will Represent Tech In Jamaica

Miss Edwina Schovajsa, who was chosen as one of eight college students from Texas, left Tuesday for Dallas where she joined other representatives for a seven weeks trip to Jamaica.

The selected group, a total of 28 students from the south, left Dallas Wednesday a. m., via Delta CC and S, for Miami, Fla., where they will attend a two day orientation session. Friday they will fly via Pan-American airlines to Kingston, Jamaica.

Nominated by the Baptist Student Union of Texas Tech, Miss Schovajsa merited this appointment as a result of an autobiography which she submitted, numerous questionnaires and interviews. Expenses for the trip are paid by students throughout Texas.

The work which will be carried on in Jamaica will be under the supervision of a Southern Baptist Missionary, C. W. McCullough, and sponsored by the State

## July 4 Eventful Day At Local Country Club

July 4 activities at the Littlefield Country club began Monday at 3 p. m. with a "Scotch Foursome" in which 36 golfers participated. First place winners ended in a tie between Mrs. J. D. Hagler and Bob Badger and Mrs. Robert Hodges and Tommy Fulbright with a score of 47.

Following the golf, swimming was enjoyed at the club pool which was officially opened Monday.

Hosts for the picnic supper were Mr. and Mrs. J. D. Smith, Mr. and Mrs. Mackey Greer, and Mr. and Mrs. Ernest Connel. The covered dish supper, served buffet style, was attended by 100 club members.

After supper the children had a display of fireworks under the supervision of their fathers.

Department of Student Work, Department of Sunday School in Nashville, Tenn., and Foreign Mission Board in Richmond, Va. Conducting Bible schools and revival services will be the principal projects of the group.

Miss Schovajsa will be a Junior at Tech next year where she is majoring in home economics education. She will be president of Knapp Hall next year.

Among achievements of her sophomore year, Miss Schovajsa was home economics representative to the student council, secretary of Baptist Student Union, and worked in Negro missions in Lubbock. She is also a member of the Tech Band, Phi Upsilon Omicron, and is also president of Alpha Lambda Delta and is on the Junior Council.

## One Thing Men Agree Upon!

It is in the nature of things for men to hold opinions and to argue and dispute.

Football, baseball, politics—guns, golf clubs, breeds in dogs... name a best, and you have an argument.

And so it goes through boats and trains—and horses and tennis and makes of planes.

But when the discussion turns to motor cars, you'll seldom get an argument if you name *CADILLAC* as the car of cars.

That's about as close as men come to universal agreement. And with good reason.

Who could look about him at the various styles in motor cars—and not give the nod to Cadillac for its great dignified silhouette?

Who could take the wheel of this dynamic performer—and not crown it the king of the highway?

Who could relax in its luxurious comfort for a mile or five hundred—and fail to recognize it as the finest riding car on the world's highways?

And who could look back over its illustrious past—or look about him at the people who own it and drive it today—and not acclaim it as the most distinguished car in the whole automotive world?

We feel assured that you, yourself, are aware that Cadillac is the car of cars. But that is but *part* of the wonderful Cadillac story.

There are economy—and value—and dependability. And there are all the other sound, practical reasons for owning a Cadillac.

Come in and see us. Thirty minutes at the wheel... and you'll understand why there's no argument about a Cadillac!

# Area Farmers Hoeing Crops This Week As Threat of Sand Endangers Cotton

**By MRS. JUNIOR MULLER**  
Duane Fields is residing in Sherman now and working in the oil fields there.  
Mrs. M. W. Wheeler accompanied her brother, Olen Latham of Friona to Temple Wednesday to be at the bedside of their brother, H. R. Monroe. Glynn Wayne Monroe returned with them Thursday.

Gary Brittain of Lubbock spent the week with his cousin here, Sammie Wheeler.

**UNDERGOES SURGERY**  
H. R. Monroe's operation was successful. The surgeon declared Wednesday and he will probably be dismissed from the Scott and White foundation in Temple the latter part of the week and will return home when able to travel.  
It was only necessary to remove a part of the fractured disc in his spine and to correct a bruised nerve condition. In addition to his wife, Mrs. H. R. Monroe, his two sons, Clarence and Wayne, and daughter, Mrs. Junior Muller. Other relatives present for the operation were his mother, Mrs. S. H. Latham, of Center, three brothers, Lamar Latham and Hugh Monroe of Center, Olen Latham of Friona and two sisters, Mrs. D. D. Hughes of Center and Mrs. M. W. Wheeler of Hart Camp.

Monroe Brittain of Lubbock and Junior Muller and M. W. Wheeler called on the Olen Lathams near Friona Sunday.

Mr. and Mrs. M. A. Brittain, and children, Mr. and Mrs. Junior Muller, Wayne Monroe and Gene Vanlandingham were guests for lunch Sunday in the M. W. Wheeler home.

**IN HOSPITAL**  
Rev. Charles Vanlandingham was hospitalized part of last week at the Medical Arts Clinic in Littlefield.

Betty Wheeler spent Sunday at Slaton with friends.

Mr. and Mrs. Ivy Thompson went to Midland Sunday to visit the W. O. Hendricks Jr.

Mrs. George Kizzar and children of Austin, recently were guests in the Leonard Sullivan home. She is the daughter of Mrs. Sullivan and formerly resided here.

**FARMERS BUSY**  
Hoeing and cultivating could be seen going on in the farming area here last week and is continuing this week. Many farmers ran sandblasters till late hours last week, after the rain. Tractors with lights were going until the wee morning hours, but the farmers succeeded in thwarting the threat to their crops.

**"FOUND" PASTOR**  
Members of the HC Baptist church gave their pastor, Rev. Charles Vanlandingham and family an old fashioned pounding Wednesday night after prayer meeting. The WMS served refreshments.

Callers in the Jude Muller home last week were the Pools of Portales, N. M., and Freeman's of Houston, both formerly of this area.

Mrs. Homer Worley and daughters, Barbara and Phyllis, spent

DOES RESEARCH ON NERVES

Dr. Donald Duncan, chairman of the Department of Anatomy at the medical branch of the University of Texas at Galveston, is shown in his laboratory with a cat similar to those he has used in his research on nerves. After six years of research he has proved with animals that substitute nerves can take the place of the regular nerves that cause us to breathe. Diseases such as polio and even serious injuries can knock out those regular nerves. Dr. Duncan has discovered that other nerves will grow along the channel of breathing nerves—and do the same job. ## Greeting Card King Makes Gags Pay Off

AP Newsfeatures

CHICAGO—Every time Billy Harris meets a stranger he's asked say something funny.  
"Sometimes I say: 'Well, it isn't easy to say something funny, I can't get anywhere just going around making unny quips. If I have anything to say that's funny, I make a greeting card out of it,'" he says.

As producer of 10 million cartoon-type greeting cards a year, it's one of his biggest problems. Also he must come up with ideas for 200 new cards a year.  
Typical is a Tallulah-like drawing bearing a simple but emphatic message: "Dahling . . . drop dead!"  
"My idea is that folks are tired of the gushy, hearts and flowers

greeting card. I know when I'd want to send anyone a card that's all I could find. So I thought there must be a lot of people who

the Fourth in Lubbock with her mother, Mrs. Zona Guffey.

**WMU WILL MEET**  
The WMU did not meet Monday afternoon due to General Camp and other conflicts but will meet Monday, July 11, at 2:30, at the church as customary.

Mrs. L. W. Sullivan is spending a few days in Albuquerque with her sister.

Rev. Charles Vanlandingham, wife and children spent July 4th attending the General Camp at Floydada, the district camp grounds there.

The J. W. Wells, L. H. Neinst, Wesley Neinsts, Bill Nicholas and others from HC and their friends from Amherst and Oitop had a Fourth of July picnic Monday night at MacKenzie Park in Lubbock.

**IN HOSPITAL**  
Miss June Clayton, daughter of Mrs. H. R. Monroe spent Saturday till Tuesday in the West Plains Hospital at Muleshoe suffering from food poisoning.

thought the same about all the mush," Harris says.  
One of his cards says: "I don't want to seem nosy, but isn't it your birthday again? Many Happy returns." Inside the folded card a cross-eyed character pops out a long nose as the card is opened.

As chief designer and company head, Harris is putting a new look into the 300-million-dollar greeting card industry with his action cards.

His smoking rabbit card dramatizes greetings by a cigarette which is lighted by the receiver. Smoke rings puff from the tiny novelty tag.

A jigsaw puzzle greeting card is signed by the sender and taken apart before it is mailed. The receiver must put the puzzle together before he learns who sent it.

Humor comes easy for Harris, 37. His father was Harry Harris, a song and dance man of the vaudeville circuit.

Harris himself is an amateur entertainer, doing a routine at local benefit shows. It's one he used during his tour in the U. S. Army Air Forces at war bases drives throughout the West, after being drafted while working in a defense plant in Los Angeles.

Discharged in 1946, he returned home to Chicago and obtained an established greeting card firm.

About 75 per cent of the new cards he creates last only a year.

He gets ideas for cards from jokes, daily life and the 10,000 letters a year he receives from contributors. Few of the contributions are utilized, however, although he reads all of them on the chance that one may spark an idea.

Harris gives his ideas for cards to an artist who illustrates them with colorful cartoons. Then he shows the samples to anyone he meets—the truck driver, the man on the street or his secretary.

"If I see it won't do anything for people, I won't produce it, which happens about half the time," he says.

He confidently displays one of his new favorites: "Another birthday? Stop worrying, you'll never get out of this world alive!"

Says Harris, "That will really fracture 'em."

### Local Art Club To Sponsor Exhibit In November

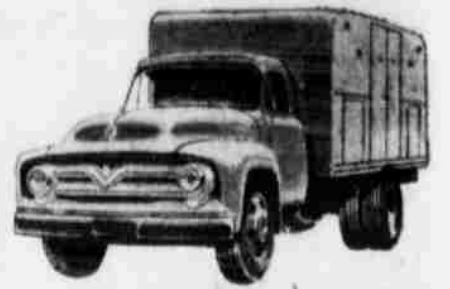

The Art Club of Littlefield is inviting all artists, and dabblers, of Lamb county to participate in an art exhibit in the observance of American Art Week during November.

There will be divisions in all mediums including oils, tempera, water colors, pastels, ink, charcoal, pencil and crayon. Exhibi-

tors in the county fair are eligible to enter their work in this November show.

Mrs. C. O. Stone, president of the Art Club, urges all adults and children in Lamb county who are interested in art to participate in the show. By beginning now, everyone will have sufficient time for preparation. Rules will be published later date.

# All LL Teams To See Action Friday

## Local Little Leaguers Will Play Earth And Amherst Friday

All six of the Littlefield Little League teams will see action on Friday as three games will be played that day, two in Littlefield and one in Amherst.

The Rotary and the Jaycees who play each other Thursday night, will each send a team to Amherst Friday afternoon where at 3:00 o'clock they will take on the Little League team from Amherst. The game will be played on the baseball field south of the high school.

Amherst has no organized Little League this year but has one

team that has been playing out of town teams. Great interest is being shown for the kids of Amherst and they are hoping to have at least three teams when next season rolls around.

The WOW and the VFW will combine forces Friday afternoon to take on a team from Earth at 5:00 at the local field. The Earth team was beaten last Friday night at Earth by a team composed of the Woodmen and the Lions. The score was 13-9.

The Lions and the Smith and Badger teams will then play their regular scheduled game at 8:00.

## Jerry Koller Pitches 1-Hit: Fans Sixteen

Behind the brilliant pitching of Jerry Koller and the base running of De Pierce, the WOW edged out the fighting Lions team Monday night in the closest game of the season 1-0.

Koller had a no-hitter going until the fifth inning when with two men out, little Jimmy Weaver laid down a perfect single over the head of the second baseman. Weaver died on base as Koller struck out Tom Lewis to retire the side. Koller struck out more batters than any pitcher all year, sending 16 men down via the strike out route. He walked a total of eight but managed to get out of the hole each time.

Jack Brooks lead off for the Lions in the top of the first and went down swinging. Koller then issued walks to Dean North, Spike Jones and Johnny Weaver to load the bases but they all died on base as both Tom Lewis and Gene McAlister went down swinging.

Roger Morris started the WOW team off by grounding out and De Pierce followed with a hard hit double. Pierce stole home on two pass balls for the only score of the game. Keith King grounded out. Koller walked but was left standing on second as Tom Morgan went down swinging.

Troy Myer, Jimmy Melton and George Nickelson all were struck out for the Lions in the top of the second.

Ken Moore and Ray McKinny both got on base for the Woodmen in the bottom of the second. Moore was left at third and McKinny at second as George Nickelson fanned both Craig Brestrup and Roger Morris.

Koller walked four men in the top of the third but three were left on base and one was thrown out at home. Koller struck out two more Lions in this inning to get out of the hole he had put himself in.

After the third inning, the only man to reach base for the Lions the rest of the game was Weaver when he ruined Koller's no-hitter in the top of the fifth with his single.

The Woodmen had five base runners the rest of the game but all were left stranded as relief pitcher Tom Lewis began setting the batters down when a runner would get on base.

The WOW team managed to get only three hits out of the two Lions pitchers all off of starter George Nickelson. The brightest part of the game was the fact that neither team made an error.

Final score: WOW ..... 1 Lions ..... 0  
Winning pitcher, Jerry Koller.  
Losing pitcher, George Nickelson.

### ART CLUB TO MEET FRIDAY

The Littlefield Art Club will meet in the home of Mrs. W. H. Terrell, north of town, Friday morning at 10 o'clock for an all-day session.

Members are asked to bring sandwiches.

## VFW Edges by Woodmen 9-8 Tuesday Nite

Max Ball lost his first game of the season Tuesday night after winning three as the VFW edged past the WOW team by the score of 9-8. This was the second time this season that the Veterans has beat the Woodmen. The only team that the WOW has failed to beat in the League.

Ball was touched for three hits and one walk in the bottom of the first as Joe Williams and Ken Baker scored for the VFW to give them a 2-0 lead after one complete inning of play.

Ball managed to reach third base on a triple in the top of the second, but was left there as Joe Huber struck out Tom Morgan, Craig Brestrup and Kenneth Moore to retire the side.

The VFW was up and down in order in the bottom of the second as Lefty Thomson grounded out and Steve Short and Joe Williams struck out.

The WOW went ahead in the top of the third as they got seven runs off of four hits and two walks and two errors by the Veterans to go ahead 7-2. Pierce King and Koller all got doubles and Moore picked up a single.

The VFW closed the gap to 7-5 in the bottom of the third when they got three runs on two hits and two walks and the WOW committed three errors.

The VFW got two more runs in the fourth and two in the fifth to go ahead 9-7 as the WOW came to bat in the top of the sixth. The Woodmen got one score from Kenneth Moore and De Pierce was left on base as Keith King flew out to Dick Thomson to end the game with the score 9-8.

Hitting stars of the night were Joe Huber, who got three hits in

three times at bat for the VFW. Joe Williams also got two for four for the Veterans. De Pierce got three for four for the Woodmen while Keith King got two for four. The Woodmen got a total of seven hits and the Veterans got eight. Joe Huber went all the way for

the win for the Veterans and Ball went the distance for the loss.

Final Score:  
VFW ..... 9  
WOW ..... 8  
Winning pitcher, Joe Huber.  
Losing pitcher, Max Ball.

## HIGHLIGHTS and SIDELIGHTS

AUSTIN, Tex.—School-age children of Texas will be given a second round of polio inoculations before the month ends.

Assurance has been given State Health Officer Henry A. Holke, by the National Foundation for Infantile Paralysis, that manufacturers of the vaccine will have completed production and safety testing of enough vaccine to permit another round of inoculations and booster shots by the end of July.

Fifty five new cases of polio were reported for the latest reporting period, which closed June 25. It brought the state total to 509.

Austin has had 12 cases to date.

### Draft Evader Sentenced

Two years in the federal penitentiary face Fred D. Jackson of Comanche.

He was sentenced by Federal Judge Ben H. Rice, jr., when convicted of draft evasion. Jackson handled his own defense.

Asst. U.S. Dist. Atty. Lonny Zweiner, said that the Jehovah Witness minister refused to work in the Austin State Hospital when ordered to by his draft board—in lieu of military service. Yet he admitted working in a Fourth Worth plant that manufactured military aircraft.

### Adrian Case Delayed

Federal Judge Ben H. Rice, Jr., has postponed until next January a hearing to determine if 75-year-old John Cass Adrian of Austin is "mentally incompetent."

Adrian is a retired Austin mail carrier and Spanish American War veteran.

He is charged with writing a threatening letter to Former Land Commissioner Bascom Giles on May 13, and attempting to extort \$800,000 from Giles.

### Parr Appeals

George B. Parr, "Boss of Duval County" has asked the U.S. 5th Circuit Court of Appeals for permission to file two writs in his fight against charges of income tax evasion.

Parr wants the higher court to vacate an order setting his trial for July 18, and to stop proceedings until the Appeals Court reaches a decision.

Also, he wants the case heard in Laredo. Originally it was scheduled for Corpus Christi; then moved to Austin.

Parr has denied the government's charges that he failed to pay \$85,000 in income taxes for the years 1949, 1950 and 1951.

### Career Ends

Rep. George S. Berry of Lubbock, whose career in public office began 30 years ago, died in Austin last Friday. He was injured in an automobile accident on May 20.

Berry, who was 56, was serving his second term as a member of the Legislature. His first public office was as county attorney of Young County. Later he became assistant district attorney, and for a short time was assistant attorney general.

He was born in Granbury and moved to Lubbock in 1923.

### School Squabble

A 1000-name petition was presented to Dr. J. W. Edgar, State Commissioner of Education, urging him to cancel certificates of the 110 teachers who struck in the recent school row in Irving.

Filing the petition were Clifford J. Moore and Donald O. Starrett, president and director, respectively, of the Council of Public Affairs at Irving.

They were advised by Dr. Edgar to have an attorney file a brief, supporting their contention, and if he decides he has jurisdiction, then each of the teachers involved will be granted individual public hearings.

Irving teachers struck in protest against the firing of Dr. John L. Beard as superintendent of the old Irving school board. When the district was abolished, and a new one created, the new board rehired Beard.

Dr. Edgar ruled earlier that the Irving

## Through A Glass Darkly

By CARROLL POUNCEY

Hold onto your coonskin caps kids. The KOGHE has received vastly alarming intelligence that should put every red blooded, cercal eating youngster right up in arms. It might even arouse a few lethargic adults too, especially in Texas.

This intelligence we speak of, comes in the form of an article published in the staid old Harpers Magazine, than which there is none whicker.

The story is written about the king of the wild frontier, D. Crockett, Esq. and the writer says that Davy ran away from home to become a pioneer juvenile delinquent and to get away from his Pa who was a saloon keeper. He went to school for six months and gave that up to become a backwoods justice of the peace, woefully ignorant of the law. He took to the B-t-t-e, and boasting of having killed 105 bears, was hooted down as a consummate liar by his cronies who knew he couldn't count that high.

The business at the Alamo is touched upon in such a manner as to wrinkle the hides of proud Texans, as the author says the battle of the Alamo was the worst military blunder in American history short of Paerl Harbor. The men were outnumbered, rebellious, tipsy and not too interested in doing much of anything except getting killed, which of course they did.

Now understand this, I am only telling you what the man says in the story. Get yourself a Harpers Magazine if you want to see it written out in more details. As for myself, I am too tender hearted to tell you more. But on the basis of this, I am turning in my coonskin cap and taking my genuine stimulated plastic space helmet out of the washing machine.

After all, somebody has to keep on the lookout for Martian invaders.

We seldom think much about the people who ultimately read this column, if any. In fact, we seldom give much thought to what happens to it after we see a final page proof just before the press run. But one day last week a former resident was back in town and commented that he read the stuff, and he lives in Austin.

When that happens you begin to have the feeling that you are being observed by hundreds of unseen eyes. It's a strange sensation.

In fact, there is a bunch of them now. Over there in the corner, see? They are coming closer. Closer. Closer.

(Publishers Note: The above copy was found in the typewriter along with one partially chewed-up shoe and a few gray hairs. KOGHE ain't been seen since.)

school board did not have proper cause for canceling Dr. Beard's contract as superintendent.

### Scouts Expand Program

Plans are being made for a 40 per cent expansion of the Boy Scout movement in Texas.

Over 100 Scout officials met here to outline a fund drive to be launched Oct. 25. Howard W. Tellepsen of Houston directed the meeting. He is executive vice president of the steering committee.

### Patrolmen-Guards Needed

Two types of openings exist on the state's payroll.

Homer Garrison, head of the Department of Public Safety, needs 200 patrolmen and O. B. Ellis, general manager of the Texas Prison System wants additional guards.

Applicants must be highschool graduates in excellent physical condition. Patrolmen must be between the ages of 21 and 25; guards 21 to 50.

Starting salary for guards is \$2700 a year. Patrolmen are paid \$275 a month during training; \$306 at the end of school; and \$315 after six months employment.

Application blanks may be obtained for the prison jobs by writing the General Manager's Office, Texas Prison System, Huntsville; and for patrol jobs by writing to W. J. Elliott, Chief of the Texas Highway Patrol, Department of Public Safety, Austin, or any Highway Patrol District Office.

SHORT SNORTS. Texas had 397 drawings last year, most of them from failure to take sensible precautions, says Dr. Henry Holke, State health officer. . . . State cigarette tax income in June dropped off \$38,021 and liquor taxes \$32,808, compared with the same month last year, reports State Treasurer Jesse James. . . . May building construction in Austin showed a gain of 15 per cent over April, or more than double the 7 per cent increase shown throughout the 11th Federal Reserve District. . . . Austin construction also showed a gain of 20 per cent over May, 1954.

## AFTER THE BULLDOZER

## DOWN MEMORY LANE

(Reprinted from the Lamb County Leader, July 3, 1930.)  
Littlefield celebrates 2 days, July 4 and 5. Honorable Marvin Jones speaker. Varied and attractive program of events for entire county.

R. C. Crump, former oil man from Wichita Falls, buys the Littlefield Hotel from J. C. Whicker.

Lamb county bankers are to advance \$250,000 to farmers for cattle feeding during the winter months.

Littlefield is city without a cop. The only officer on duty is a night watchman which the state requires.

Lamb county leads plains section in sweet clover. More than 100 farmers have planted this crop. County agent Adams, insists sweet clover is far superior for pastureage to any of the native grasses of this section.

## GLEANINGS . . . From Nearby Newspapers

BE NICE TO BUMS . . . Says Ralls Editor (From The Ralls Banner)

A bum, down on his luck, taps you for 50 cents for a hot meal. You dig down for it, glad to help somebody less fortunate than yourself.

For you have a home, with only a slight mortgage left. You have a car, a television set, money in the bank — and a good job. You're sitting on top of the world, just about ready to turn Republican and proclaim yourself a self-made success in life.

If such is your case, take another look at your hole card. You're in worse shape than the bum you just gave half a buck! Sen. Harry F. Byrd, a man not given an financial untruths, recently told the U.S. Chamber of Commerce annual meeting:

"Today the federal debt is equivalent to the full value of all the land, all the buildings, all the mines, all the machinery, all the livestock—everything of tangible value in the United States."

This is another way of saying that if you were called upon today to pay for the government spending you have been demanding and getting, you would have to sell your house, land, car, television set and work over every dime you have in your pockets. You wouldn't have a nickel left.

But the bum would be 50 cents to the good, and chances are he'd share that hot meal with you! The moral of which is, if you can't be a bum yourself, at least be nice to bums. —Ralls Banner.

## THE FIREWORKS SHOW . . . MEANS A SAFER FOURTH

Monday night's free Fireworks show, which is to be staged by the City of Canadian at City Park, may set a pattern for saner . . . and safer . . . Fourth of July's

for the youngsters.

The fireworks show, which will be a bigger and more spectacular show than of us could afford on a backyard scale, eliminate a lot of the hazards from "the ets' red glare."

This year's free show is the city's way expressing appreciation to the town's youngsters for observing the local ordinances prohibiting the shooting of fireworks within city limits. It's a good idea . . . and we hope that it gets the enthusiastic reception it deserves. —Canadian Rec.

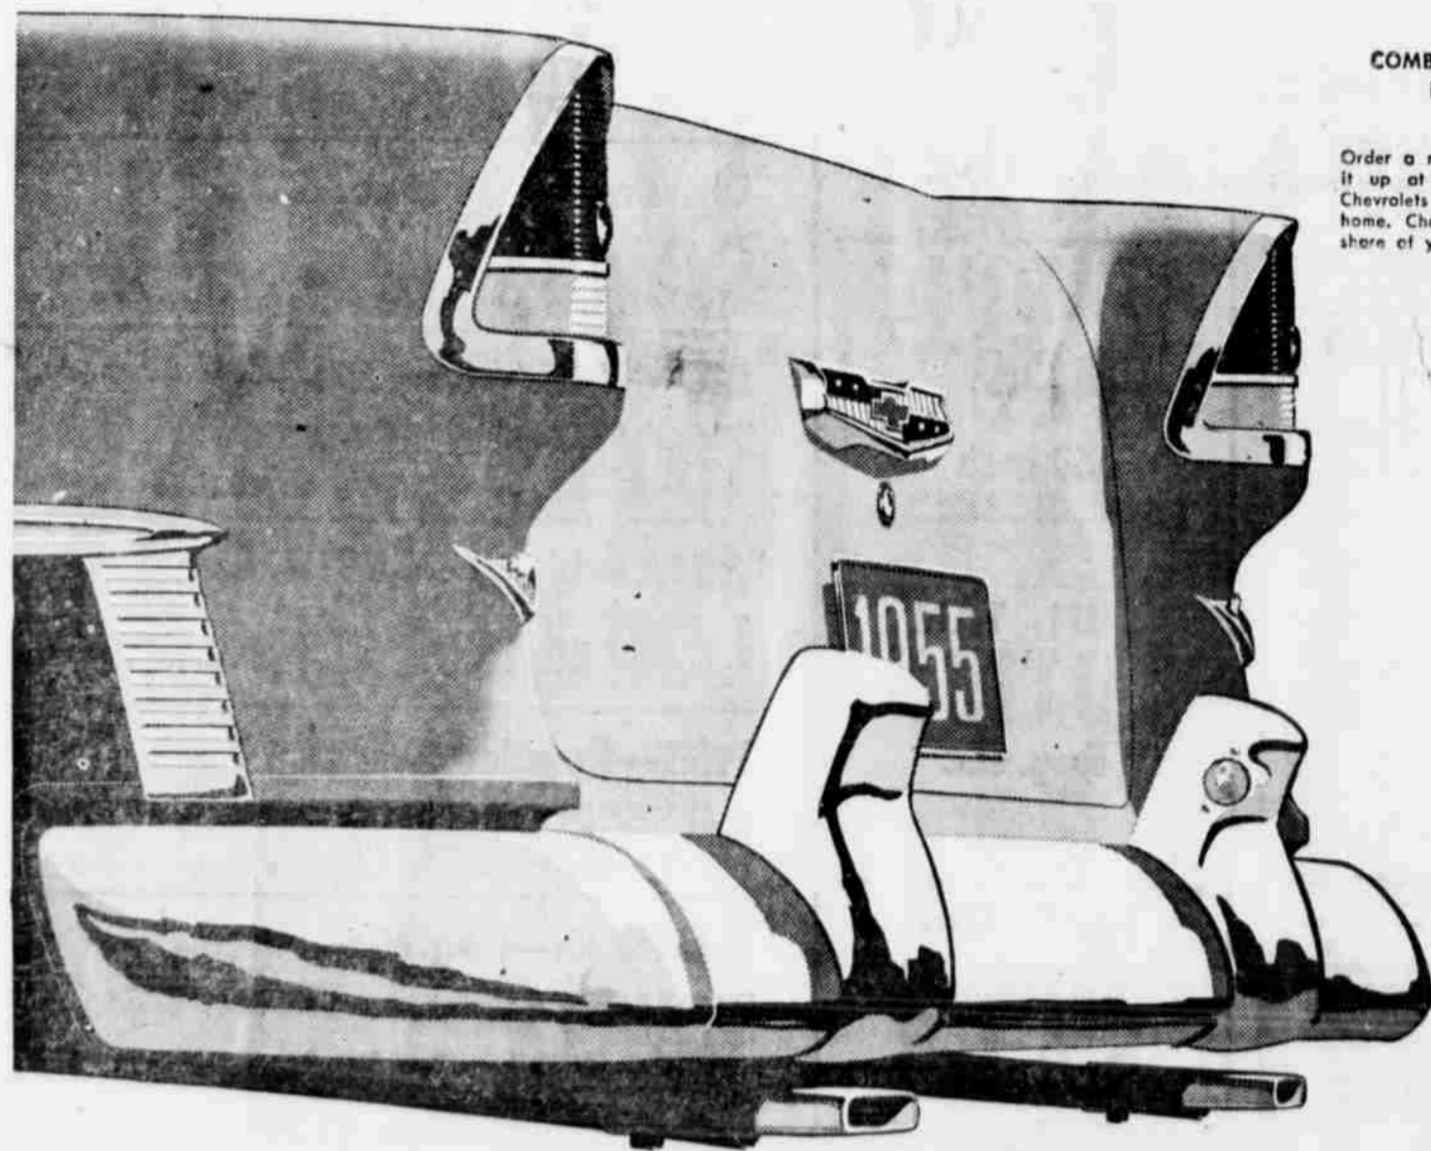

## TEXAS DEMOCRATS NOT CONVINCED

Paul Butler, chairman of the National Democratic Party, didn't convince many Democrats in Texas on his recent tour through state. Instead of healing a breach and attempting to bring Texas Democrats back into fold, he made some of the more staunch Democrats madder than ever at the national party.

Butler makes the mistake common to Northern Democrats in analyzing Texas straying from the fold. He believes that mass of Texas Democrats were wooed the primrose path by Allan Shivers and supporters, and that most Texas Democrats are merely deluded, waiting to be returned to the Democratic party by proper means.

Fact of the matter is that Texas Democrats feel that the party deserted them. The Democratic Party has long ago turned over its control to the CIO element whose only economic illis is more and more socialism, higher taxes and more federal handouts, more federal control of business, education, highways, etc.

This is the reason Texans deserted party in 1952. And until the Democratic Party does some housecleaning on the top, Texans will more than likely stay out. —Ochiltree Co. H.

COMBINE YOUR NEW CHEVROLET PURCHASE WITH YOUR VACATION PLANS!

Order a new Chevrolet through us, then pick it up at the plant in Flint, Michigan, see Chevrolets built, if you like, and drive yours home. Chances are, you'll save a substantial share of your vacation travel costs!

Twin Pipes that play sweet music!

## Chevrolet's "Super Turbo-Fire V8" with 180 hp.

You can spot this one by the twin tail-pipes. No matter what you drive, you're going to see twin-exhaust Chevrolets pulling away—in traffic, on the toughest hills, on the long straightaways.

Unless you have a "Super Turbo-Fire V8" of your own. And then you'll know what it's like to pilot the car that sets the pace for everything else—and doesn't pause to read the price tags!

What makes the Super scater? Chevrolet's superb valve-in-head V8, with the shortest stroke in the industry, the most power per pound, and the only

12-volt electrical system in its field—all this plus a four-barrel carburetor and free-breathing twin exhausts.

Want to sample this silk-lined cyclone? Just give us a call, any day this week, and we'll be proud to show you just how hot a V8 can be.

\*Optional at extra cost. †Station wagon models have single exhaust pipes.

Mrs. J. A. Martens, house mother at the Nurses' Home, had as her guests last week her son, L. H. Martens, his wife and children from Albuquerque, N. M.

Mr. and Mrs. John Nix were here from Texline early this week. Their daughter, Mrs. Don Qualls of Portales, N. M., lost a son, born pre-mature Monday.

Rev. Elton Wyatt, conducted graveside services Wednesday

morning at Littlefield cemetery, beside his grandfather's grave.

## Cooke County Reminiscences Are Published

By MARSHALL COMERER

DALLAS, Tex.—As the reader turns the pages of "The First 100 Years in Cooke County" he gets the feeling that this book is a labor of love for the author, A. Morton Smith.

Smith is managing editor of the Gainesville Daily Register. He says he got the inspiration for his book from the many months he spent gathering information for the 50th Anniversary Edition of the Daily Register published on Sept. 25, 1940, and for the Cooke County Centennial Edition issued Aug. 30, 1948.

Every county should have a published history, he says, and has written of ten facts and legends of the first hundred years of his native county in a way that will provide a useful reference work.

He has also imparted his own enthusiasm for the men and women who made that history.

Cooke County is 560 square miles of sandy Cross Timbers and gentle rolling prairie lying south of the Red River in North Texas. It is named for Frederick G. Cooke, a native of Fredericksburg, Va., who moved to New Orleans and came to Texas to fight in the war for independence from Mexico.

Coronado was probably the first white man to visit Cooke county in 1540 and 1541. But it remained a land of Indians and an occasional white trapper or hunter until the first colonists arrived in late 1845.

Smith tells about the coming of

the Butterfield Stage, which crossed Cooke county on its way from St. Louis to San Francisco, and the first railroads.

There are accounts of Indian raids and forays of outlaws.

He draws on the personal stories of persons who took part in and witnessed the Great Hangings that were touched off by opposition to the draft laws of the Civil War.

There are accounts of the founding of towns, businesses, churches, schools, and civic organizations, including the Gainesville Community Circus, in whose affairs Smith long had a leading role. There are the dates and names of men and families which are of great interest to persons who like to pinpoint the landmarks of local history.

For the general reader there are delightful stories of how people worked and played through the years.

For example, when Valley View was laid out in 1872 every man was to be given a lot who would build a house on it and paint it white.

A Dr. Stamper of Era is given credit for naming the town of Leo. He said Leo refers to a lion which is a very strong animal and he thought it applied to the community because "it is a rather tough place."

There are the accounts of the July 4th barbecues, Saturday night quilting parties, the beef shoots, the family gatherings, the summertime lawn dances, the special trains boys chartered to take their girls to other towns for an evening

of entertainment and the present day trips to Lake Texoma for boat race and fishing.

Interesting are the many photographs and drawings that illustrate the book, especially the photographs of such famous Cooke county citizens as U. S. Senator Joseph Bailey, Congressman Marvin Jones, Congressman and U. S. Judge Robert Ewing Thomson, Frank Buck of "Bring 'Em Back Alive" fame, and the singing cowboy Gene Autrey.

"The First 100 Years in Cooke County" by A. Morton Smith, published by the Naylor Company, San Antonio, Texas. Price \$3.00.

The period of gestation in kangaroos is about three weeks, but the young are very poorly developed at birth, requiring a period in the marsupial pouch before they are capable of much independent movement.

Take your problems to Church this week — millions leave them there!

**A Wonderful Ally**

"On my honor I will do my best:  
To do my duty to God and my country, and to obey the Scout law;  
To help other people at all times;  
To keep myself physically strong, mentally awake, and morally straight."—Boy Scout Oath.

A big order for a boy but a very worthy one. It would be difficult to estimate the value of the Boy Scout movement in building citizens. May the movement live forever.

There are times in many lives when super-human effort is needed to do one's duty to God and Country and to keep morally straight. Sometimes power that is beyond one's best is needed. If a Scout through regular attendance at church has learned how to contact that power—and the church does that for many—he has a strong ally that will help him keep his oath.

### KAY MANER REPORTS ON 4-H TRIP

Misses Kay Maner and Martha Sue Davis, sophomore and freshman students are two of the group of 4-H award winners of Hockley county who returned last Wednesday from a few days vacation at Bandera and San Antonio. The trip was made possible by the Commissioners' Court, which presented each 4-H club Bake Show

trip. Misses Maner and Davis in company with Misses Margaret Dierling, Pep, Janice Pointer, Ropesville, Phyllis Railsback, Karen Schwab, Judy Pool, Mrs. Harvey Pool of Levelland and Mrs. J. C. Pointer of Ropesville left Levelland at 6 o'clock on Saturday, June 25 by car. They arrived at the Jo Leta ranch near Bandera about 4:30 that afternoon. There they made a tour of Bandera and enjoyed horseback riding, swimming and other forms of recreation until Monday afternoon.

The next stop was at San Antonio where they stayed at the Carmen Courts. A four hour tour of San Antonio on Tuesday where they visited the Alamo, the Buckhorn cafe, Sam Houston army headquarters, Breckenridge Park, the Zoo and Sunken Gardens, a number of the old Missions and other buildings and churches of interest.

Arriving home Wednesday at 4:30 p. m., the girls were very appreciative of their trip, the ones who made it possible and especially to Mrs. Pool and Mrs. Pointer, who accompanied them.

# New Gulf No-Nox gives you not just the highest octane but . . . full working octane

because it's super-refined to burn clean

- No gasoline, no matter how high the octane can keep on giving you full power from engine unless it burns clean.
- That's why New Gulf NO-NOX is your gasoline buy. In making new NO-NOX refines out the "dirty-burning tail-end" of the line, the No. 1 troublemaker in today's compression engines.
- As a result, you get a clean-burning line that gives you:
- More complete engine protection that get with so-called "miracle-additive" lines
  - Extra gasoline mileage in the kind of trip, stop-and-go driving motorists do
  - Freedom from vapor lock, stalling, stumbling in hot-weather driving
  - No knock, no surface pre-ignition even in today's high-compression engines

Remember this picture? This is Gulf's famous burner demonstration—proof of what a difference Gulf super-refining makes. Notice that Gulf refines out the "dirty-burning tail-end" of gasoline . . . instead of fighting it, inside your engine, with so-called "miracle-additives." That's why new, clean-burning Gulf NO-NOX can promise you not just highest octane, but full working octane.

Now! For the ultimate in working octane performance, always use Gulf's super-refined gas-oil team...New Gulf NoNox Gasoline and

155-hp Buick SPECIAL 6-Passenger, 4-Door RIVIERA, Model 43

This 4-Door Beauty is the Newest Hit in Hardtops

YOU certainly ought to come in and see for yourself why this new kind of hardtop is headed for the best-seller list.

It's a Buick Riviera, of course.

Which means the low and rakish look of a Convertible—a solid steel roof overhead—and no center posts in the side window areas to obstruct your view.

But that's only the beginning.

Here you get two extra doors. They open to the rear compartment. So no one in the front has to move when someone gets into or out of the rear.

Here you get massive half-pillars on either side on which the front doors latch and the rear doors hinge. (That's why you see no center posts above the door line.)

Here, too, you get wholly new principles in body design and strength that give the extra safety of rock-firm solidity at the top, sides and bottom.

And here—bless those Buick engineers!—you get a lot more room in the rear compartment.

For the 4-Door Riviera gives you over 9 inches more hiproom and 5 inches more legroom—yet with no increase in wheelbase or over-all car length.

So we repeat—you certainly ought to come in and see this stunning new kind of hardtop.

It's the very last word in beauty, comfort, convenience. It's available in Buick's two lowest-priced Series—the SPECIAL and the CENTURY. And it's all Buick—with Buick power, Buick ride, Buick handling—and the spectacular performance of Buick's Variable Pitch Dynaflo.\*

Drop in today—tomorrow at the latest—and learn what Buick's all time record sales year can mean to you in the way of a whopping-big trade-in deal.

\*Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on ROADMASTER, optional at modest extra cost on other Series.

Social Security Representative To Be Here July 13

A representative of the Lubbock Social Security Office will be in Littlefield at 1:30 p. m. July 13, at the Employment Office and will be glad to assist in all matters pertaining to social security.

Many retired workers and their dependent families are not claiming social security benefit payments to which they are entitled.

Recently a 70-year-old lady called at the office and explained that her husband is 71 years old and that he had worked on a job covered by social security from 1937 to 1945. He became ill at that time and has not been able to work because they thought that the benefits represented charity rather than an insurance payment. This couple has lost a few thousand dollars during a period of their lives when it was certainly needed. Their only income is from a small business that she operated. During our interview with this lady we were impressed with the fact that she constantly confused this program with the bridge assistance. She questioned us repeatedly as to whether or not we would be interested in their property and it was difficult to con-

# SWAP DAY

The first Monday of the month usually finds a corner of Ripley, and other Mississippi county seat towns like it, loud and bright with howling dogs, yapping peddlers and hopeful swappers. It's called First Monday. The tradition goes back to the early days of Reconstruction, when money was scarce and folks gathered for swap day—that day usually being county court day. Back then, most shoppers were primarily interested in mules. What with tractors, you seldom see a mule nowadays. Emphasis is on hunting hounds and guns. But there are plenty of other things for barter or sale, ranging from silk stockings to ax handles, bitter-sweet sorghum to auto jacks. Few of the weather-worn farmers buy but they all take a good look. The crowd eddies slowly around the trade area while the tethered dogs, many in full voice, watch mournfully. Here's a First Monday in Ripley.

Ripley's trading area is crowded with farmers and trucks—a good day for swapping and buying.

"WANT A PET, SON?" Oliver Staggs of Hickory Flat, Miss., left, was ready to buy his son, Oliver Doyle, a little lamb, but the youngster apparently prefers having the kid. The Staggs' hound obviously doesn't care one way or the other.

Fred Robertson, second from right, sounds out prospect. He showed up with garden tools and load of guns.

## Late News of Olton . . . Cub Scout Program Ends for Summer Showers Set For Prospective Brides

By MRS. GERALD BIZZELL

The Cub Scouts program here has been discontinued through the summer, but will be ready to go back to work come fall. One of the highspots of the year Cubbing is the weekend trip to the mountains.

Mrs. Carol Brown and daughter Nancy and Renee Givens went to Plainview Tuesday on business and while there the girls went swimming.

J. E. Jones, who has been a patient in the Olton Memorial hospital for some time was transferred Monday to Scott & White Clinic in Temple.

Meridith Crawford Dr., Jim Fite and Cecil Galloway went with him on the ambulance, and Mrs. Crawford and Mrs. Jones went to Temple Tuesday morning.

Mr. and Mrs. Jimmy Goss entertained his parents this weekend.

Mr. and Mrs. S. L. McKenzie and family are going to Las Vegas for the Fourth weekend. They will camp out in the mountains.

OFFICIAL U. S. VISITOR—Burmese Prime Minister U. Nu (right), here for discussions with top U. S. officials, is shown as he called on Vice-President Nixon at the Capitol in Washington, D. C.
