BUMPASS

**ARRESTED ON
ARSON CHARGE**

**OTHERS ALSO ARE
ARRESTED ON ARSON
COUNT**

Three arrests have been made in connection with the fire several weeks ago at the Bumpass laundry in Littlefield.

Charges of arson have been filed against J. F. Bumpass and Alton ... who is a brother-in-law of Bumpass, both of Lubbock, and Leon ... of Tulsa.

The first that charges had been filed against Lane and Harvey was reported in last week's issue of the Leader. Bumpass was arrested after Lane and Harvey were taken into custody.

Lane was arrested in Lubbock, and Harvey was taken into custody at Hereford.

Complaints against the three were sworn out by the state fire marshal.

**Wins Second
Place At Amarillo**

Lamb county won second place at the Tri-State Fair at Amarillo this week, according to a telephone message received from County Agent D. A. Adam. Mr. Adam is at Amarillo with the exhibit.

The Lamb county exhibit scored 929.33 points out of a possible thousand for second place, while Randall county, which won first place, scored 941.17 points.

**THINK
do you think?**

BY M. B. D.

BEAUTIFUL HORSES

Two things in this world are more difficult to come by than the "colyum" is about: horses and dogs. I am proud of the fact.

I visited the Lamb County fair privilege to look over the black and white paint horses by Sheriff Crim. They are fine animals, and needless to say had blue ribbons on their heads.

A good horse flesh, go look at the sheriff's horses. I think it is worth a special trip to see these horses.

What do you think when you see what you think when you look at these animals?

350 SCHOOLS IN BALL LEAGUE

Approximately 350 schools have already signed up for Interscholastic League football this year, according to Roy B. Henderson, athletic director of the University of Texas League Bureau.

Mrs. Jack Page returned Saturday from Elreno, Okla., where she was called on account of the death of her brother, who was fatally injured when a boiler blew up at Longview Tuesday of last week.

HOME DEMONSTRATION ACTIVITIES TO BE VIEWED IN TOUR OF COUNTY TUESDAY

**ATTENDANCE AT
ROTARY MEETING
NEAR 100 PERCENT**

**REPORT IS MADE ON
COTTON RATE
MEETING**

The members of the Littlefield Rotary Club met as usual for their weekly luncheon meeting Thursday in the Methodist Church, with President R. T. Badger presiding, and twenty-eight members present, which was almost 100 percent.

Visitors at the meeting were: J. M. Mabe, President of the Levelland club, and Mrs. Mabe; Mrs. A. P. Duggan, R. A. Box and Miss Helen Rumback.

President Mabe made a short talk, inviting the Littlefield club to attend the Rotary luncheon at Levelland Tuesday, September 22, and put on the program, which invitation was accepted.

A. P. Duggan made a report on the cotton rate meeting at Lubbock on Monday, September 14.

The meeting was then turned over to W. J. Chesher, program chairman, who then called on Clyde Willis, who had charge of the program for the day. Miss Helen Rumback was then introduced, and gave a couple of interesting readings, which was followed by a short talk on Vocational Education by R. A. Box, Vocational Agriculture instructor in the Littlefield High School.

**Protest Limited
Milage Of Proposed
New Railway**

Vigorous objection to the recommendation of Examiner Weed that the interstate commerce commission limit construction of the Texas and Pacific Northern railway in Texas has been made to the commission by chambers of commerce of a group of cities.

**W. H. Badger Soon
To Return Here For
Fall And Winter**

W. H. Badger of Austin, manager of the Yellow House Land company, arrived Tuesday night to spend the next ten days attending to business matters at the local office, after which he plans on taking a few days' trip back to Austin and returning to Littlefield for the fall and winter.

**Oddfellows Confer
Second Degree At
Open Air Meeting**

The second degree was conferred on four candidates at an open air meeting of the Littlefield I. O. O. F. lodge, held Wednesday night at Bull lake. Wednesday night was one of the few times that an open air meeting has been held by the order. Oddfellows were present from many cities in this section.

**W. H. Clark Is Appointed Cotton
Classer For This District Of Co-Op**

W. H. Clark of Dallas, has been appointed cotton classer for this district of the Texas Cotton Co-operative association, and has taken over his duties at the cotton classing office here.

**PARTY OF LOCAL
ROTARIANS VISIT
LEVELLAND CLUB**

**GOOD PROGRAM PRESENTED;
LARGE ATTENDANCE**

Members of the Littlefield Rotary club, together with a party of entertainers, visited the Levelland Rotary club Tuesday.

The trip to Levelland was in the nature of a return visit, the Levelland club having visited the local club recently.

Sixteen members of the Littlefield club made the trip to Levelland. They were: J. H. Ware, R. E. McCaskill, W. J. Chesher, E. A. Bills, Pryor Hammons, J. S. Hilliard, R. T. Badger, C. E. Willis, Sam Rumback, R. E. Riley, J. G. Singer, Herbert S. Brown, J. W. Porcher, Joe W. Hale, Joe F. Grizzle, and Morley B. Drake.

The program was given by the Littlefield club, and was carried out under the direction of W. J. Chesher, chairman of the entertainment committee.

One of the outstanding features of the program was a special number rendered by a quartette, composed of Herbert S. Brown, E. A. Bills, Pryor Hammons and Arthur Mueller. The words were written by Arthur P. Duggan, a member of the Littlefield club, and each verse consisted of humorous reference to members of the Levelland club.

A piano number and a buck and wing dance were given by Blanche Crockett and Maurine Igou gave several readings. These are very clever entertainers.

Several numbers were rendered by the K. M. A. Orchestra, a party of Hawaiian entertainers, who were appearing at the Palace Theatre here.

Judge Jake Mabe, president of the Levelland club, presided, and made a very appropriate talk. A talk also was made by Sam Combs, a member of the Levelland club.

The speakers for the Littlefield club were: R. T. Badger, president, and Mr. Chesher. Both expressed the pleasure of the local Rotarians at the opportunity to visit the Levelland club, and the deep appreciation of the Littlefield group for the splendid manner in which they had been entertained.

The Levelland club voted the program provided by the Littlefield club as the best that has ever been presented for that Levelland organization.

LEASING GRAIN COMPANY

The Doggett Grain Company have leased the buildings formerly occupied by the R. W. Blair Elevator company, and opened for business Monday last. This concern, of which Joe Boothe will be manager, will handle grain of all kinds, and specialize in heads.

Mr. Boothe, who comes here well recommended from Floydada, Texas, has been in the grain business for 15 years.

**Large Numbers Are
Expected To Take
Part In Event**

**Will Bespeak Of The Home
Demonstration Work
In County**

Home demonstration activities in Lamb county will come prominently into the limelight next Tuesday, when the annual tour of inspection will be carried out.

The trip will be participated in by the county commissioners, newspaper editors, large numbers of business men and farmers of the county, and by many of the members of the home demonstration clubs of the county. Miss Ruby Mashburn, home demonstration agent, will be in charge of the tour.

The party will leave Amherst at 9:30 a. m., and will view 4-H pantries, living rooms which have been created as a result of home demonstration work instruction, poultry flocks, and hot beds. The annual inspection of fall gardens will be carried out in connection with the tour.

Miss Mashburn urges that a large number participate in next Tuesday's program.

**Governor Signs
Cotton Acreage
Control Bill**

Governor Ross S. Sterling Tuesday signed the bill reducing Texas cotton acreage next year and in 1933 to about one-half of what it was this year.

The bill was passed by the legislature late Monday. It prevents any farmer from planting to cotton next year or in 1933 more than 30 per cent of the land he had in all crops this year.

Penalties for violation range from \$25 to \$100 an acre, to be paid into the county road and bridge funds. However, proponents of the measure declared their purpose was to prevent the growing of too much cotton, rather than to make the grower pay for that privilege.

Advocates of the measure set forth the argument that approximately 52 percent of the total cultivated area in Texas is planted in cotton this year and a future limitation of cotton planting to 30 per cent of the total area would effect a reduction of 50 per cent in present cotton acreage.

**Tax Rate Of Lamb
85 Cents For 1931**

Tax rate for Lamb County was set at 85 cents on the hundred dollars of valuation by the Commissioner's Court, at their regular session Monday of last week. The rate is the same as last year.

News of Lamb County Cities - - Communities

PEP PARAGRAPHS

The first bale of cotton for the season was ginned here Saturday, it was raised by Mr. C. C. Keith. Cotton is opening fast now due to the drouth of the last few weeks. This drouth has cut the yield of the cotton in this community fully one-third. However cotton is fairly good and pickers are needed. Most of the people are still busy with their feed.

Mrs. George Simonich and son, George, from Munday, were here looking their place over. They made a short stop with Mr. J. V. Glumpler

and family Wednesday.

Mr. J. O. Allison and family had as their guests for Sunday, Mrs. Allison's mother, Mrs. M. E. Travis, Mr. Lewis and Lavada Davis, also Mrs. W. V. Davis and three children, all of Littlefield. Mrs. Allison brought her guests over to the Taxidermist to show them the mounted leopard, and other mountings.

Mr. A. G. Jungman was in Leveland on business Monday.

Messrs. J. V. and V. E. Glumpler were in Littlefield on business Friday, so was Mr. John E. Stengel.

HART'S CAMP

The attendance is falling off, on account of cotton picking. We will probably close school next Friday, in order for the farmers to gather the cotton.

We are glad to learn that Miss Ruth Gray has been released from the hospital, where she recently underwent an operation for appendicitis.

Miss Lillian Hopping visited her parents over the week end.

Most of the farmers are putting up their feed. Some report two tons of maize to the acre.

Mr. Lee Dodson has been on the sick list but is back to our school.

The school and outsiders played Cotton Center a game of Croquet Ball Friday night. Hart's Camp lost both games.

Bro. Howell filled his appointment Sunday afternoon.

Mr. and Mrs. Justice, their daughter Maxine, and mother, Mrs. Justice, from Buckeye, Ariz., are visiting in the home of W. C. Hendrick this

week.

Mrs. Lansford and family are spending the week with their daughter, Mrs. Kirk Chester. They came from Oklahoma City.

Bro. Kirk was a visitor in the school today.

ANTON

The first bale of 1931 cotton was ginned at the Houston Gin Company Saturday, September 12, and was raised by W. D. Chapman northeast of town. Mr. Chapman sold the cotton for 5.25 cents per pound, and received \$14.00 as premium.

A company of Indians will present a program under the auspices of the Athletic Club at the High School at 3 P. M. Friday, September 25. One of the chief features of the program will be an address by Millie Durgan, who was taken captive by the Indians from her Texas home in 1864, and has lived her lifetime with the Indians, and did not know her real name until 1930.

AMHERST

Funeral services were conducted Wednesday afternoon of last week at 4 o'clock at the Church of Christ by Rev. H. E. Garner, Christian minister, for J. A. Britt, aged 68, who died at the family residence here the Monday previous. Interment was made immediately in the Amherst cemetery, with Payne-Prowell, undertakers, in charge.

Besides his widow, he is survived by nine children, seven boys and two girls, all of whom were present at the funeral, with the exception of one daughter.

The first bale of 1931 cotton was brought in town by J. E. Mayfield Friday afternoon of last week and ginned by the Farmers Gin. Mr. Mayfield received \$19.50 as a premium.

While killing cows at the Halsell ranch Friday of last week in preparation for a barbecue, Herehel Tapley, local merchant, had the misfortune of letting the butcher knife slip, badly lacerating his right hand.

JANE'S TABERNACLE

We had with us recently, Rev. W. P. Kirk of Anton and Rev. Woodley of Near Olton. We were glad to have them preach for us.

Mr. T. B. Milam of Austin is visiting in the N. C. Chisholm home.

Put the pullets in their laying pens a few weeks before they are ready to begin laying. They will soon become accustomed to their new surroundings, and then the change will not interfere with egg production.

SUDAN

The Sudan High School Hornets will play the Littlefield High School Wildcats Friday, September 25, at Littlefield.

T. C. Florence and Choc Blanchard leased the Sudan Bakery recently from Dan Lewis.

The first bale of cotton for Sudan this season was brought in by Tom Askew and ginned by the Farmers Gin Tuesday of last week. The bale weighed 425 pounds. A premium of \$45.85 was made up by the Sudan merchants, and presented to Mr. Askew.

At a meeting of Sudan Seed dealers of this section at Plainview last week an executive committee was named. At present there is no local market for sudan seed and it is the aim of the organization to be ready to function in time for this year's crop.

MULESHOE

Muleshoe Public Schools officially opened Monday morning of last week with an enrollment of 324, which is 25 more than the maximum of last year's enrollment.

The first bale of the 1931 season cotton crop arrived in Muleshoe Monday afternoon, being brought in by J. C. Smith of the Baileyboro community. It was ginned by the Edwards gin, and weighed 400 lbs. H. M.

Gable, living 10 miles northeast of Muleshoe brought the second bale of this year's crop to Muleshoe.

At a regular meeting of the commissioners held recently, a reduction of 10 percent in the salaries of all county officials was ordered, excepting the jailor and the janitor at the court house. It was also unanimously voted that the services of a County Farm Agent be retained in Bailey county.

OLTON

Extension of the Olton to Hart route by four miles became effective September 16, according to J. F. Wiles, Olton postmaster. Fred R. Yates is carrier on this route, which will now be approximately 50 miles in length.

W. J. Daniels, who lives 1 1/2 miles west of Olton, brought the first bale of the 1931 season to town Friday, September 11. The grower received

a bonus of \$22.50. J. Arthur Edwards bought the bale, which weighed 424 pounds, paying 5 1/4 cents per lb. W. V. Douglas of Hart's Camp brought in the second bale. It weighed 420 pounds, and he received 5 cents per pound.

Two Olton couples were married at Clovis, N. M., Sunday, September 13, the Pastor of the First Methodist Church officiating. Miss Birdie Kirsh and Mr. Isaac Williams; and Miss Fayrene Tanner and Mr. Dennis Jones were the contracting parties. Mrs. Williams is the daughter of Mr. and Mrs. F. W. Kirsh. Mrs. Jones is the daughter of Mr. and Mrs. L. M. Tanner, and Mr. Jones the son of Mr. and Mrs. L. D. Jones of Olton.

"Why
My Next Car
will be
A FORD"

WHEN you buy a Ford there are two things you never have to worry about. One is reliability. The other is long life.

Here's an interesting letter from a Ford owner in North Carolina:

"My Ford was purchased May 8, 1928, and has been run 121,767 miles. It has never stopped on the road for repairs of any kind whatsoever except punctures.

"The brakes were relined at 101,000 miles. My gas mileage averaged 21 miles to the gallon, and on tires, 19,000 miles per tire. I travel over all kinds of road conditions—mountainous and flat.

"I consider this a wonderful record and I assure you my next car will also be a Ford."

This is just one of many tributes to the reliability and long life of the Ford. A Ford owner in Iowa tells of driving his Ford 73,000 miles in a single year. Another writes of 120,000 miles of good service.

Think ahead when you are considering the purchase of an automobile and consider what it will be like after thousands of miles of driving. Will you still be satisfied? Will you still say "it's a great car"?

If it's a Ford, you know everything will be O. K. It will be taking you there and back in good style, just as it has always done. And you will have saved many important, worth-while dollars in cost of operation and up-keep and low yearly depreciation.

**R. P. Fitzgerald
Is New Manager Of
M-System Store**

R. P. Fitzgerald, formerly manager of an M-System store in Amarillo, has been appointed manager of the local M-System store, and has assumed his duties.

Mr. Fitzgerald succeeds Dwain Kennedy, who has been connected with the local store for several years. Mr. Kennedy was manager of the local store for a short time, but resigned that position, preferring to work as one of the store's personnel, rather than occupy an executive position. Mr. Kennedy will continue with the local store.

Mr. Fitzgerald has many years of experience in the grocery business, chiefly with self-service stores.

**Cows Must Be
Tuberculin Tested**

A movement was started this week by N. V. Wright of this city, toward getting all cows tuberculin tested in accordance with the milk ordinance which was recently passed by the city commission. This ordinance goes into effect the 15th of October, and applies to everyone who sells milk in the city of Littlefield.

Mr. Wright has already secured the names of the owners of approximately thirty head of cows to be tested. A licensed veterinarian will be employed to do the testing.

All persons interested in having their cows tested should get in touch with Mr. Wright, or R. A. Box, teacher of vocational agriculture in the Littlefield High school, so that all cows may be tested when the veterinarian is in the city.

For a short time we are allowing one-third above market price on your eggs, cream and chickens, if applied on either renewal of subscriptions or new subscriptions. Farmers—bring your produce to any of the produce companies in town, and they will give you a receipt, which when brought to the Leader office will entitle you to \$1.50 value for \$1.00 worth of your produce.

**Conoco To Give
\$10,000 In Cash;
Contest Announced**

On another page of this issue of the Lamb County Leader appears an offer of \$10,000 in cash prizes for the best answers explaining "The Mystery of the Hidden Quart," and launching the largest advertising campaign ever sponsored by Continental Oil Co. in the interest of Conoco Germ Processed Motor Oil.

Today's advertisement is appearing in 1,569 newspaper, with a combined circulation of more than 9,000,000. The advertising in connection with this prize contest will constitute one of the largest campaigns ever conducted by an oil company during a similar period of time, according to Wesley I. Nunn, advertising manager of Continental Oil Company.

"During 1931 Continental will spend considerably more than half of its entire advertising budget for newspaper space," said Mr. Nunn. "Despite the general downward trend of business conditions during the early part of this year, Continental decided to increase its advertising budget. The result has been that we have had a very worthwhile increase in volume of business this year, and have definitely proved the wisdom of going after business by a stronger advertising appeal during the so-called depression periods."

The contest announced in this issue of the Leader is one in which motorists are invited to compete for \$10,000 in cash prizes, in telling how the "hidden quart" of Conoco Germ Processed Motor Oil benefits motorists. The question is "What becomes of the 'hidden quart' and how does this quart benefit the motorists?" There are 29 prizes, first prize being \$5,000.

**Down Town Sunday
School Class Is
Growing Rapidly**

This class was started Sunday morning, September 13, with 12 members and one visitor present. Last Sunday the secretary's record showed 28 members and two visitors present. We are greatly pleased with this growth. There is yet a great number of men not attending Sunday School, and this class offers you an invitation to study with us every Sunday morning from nine forty-five to ten forty. We do not want men to leave their Sunday School and attend this class, and will say further that if you are a member of a church in the town we believe it your duty to your church and pastor to attend Sunday School at your church and assist both church and pastor, but if you are not attending we invite you to become a member with us. We are using only the New Testament as literature. Each member will be furnished a testament an dexpected to bring it to class every Sunday morning. Our lesson next Sunday will be John 1:1-34. Golden Text, V. 39. Lesson subject, The Word. Thanks to The Leader for space.

**Funeral Services
Held Saturday For
J. B. Brown, Amherst**

Funeral services were conducted at 4:00 P. M. Sunday at the Church of Christ, Amherst, for J. B. Brown, aged 28 years, 11 months, 24 days, who died at his home 3 miles east of Amherst, at 1:00 P. M. Saturday, following a lengthy illness. The services were conducted by Rev. W. A. Kercheville of Portales, N. M., and interment was made immediately in the Littlefield cemetery. Payne-Prowell, of Amherst, assisted by Hammons Funeral Home, had charge of burial arrangements.

Death was caused from Pneumonia, but deceased had been in bad health for the past two years, part of which time was spent in a Wichita Falls sanitarium.

**Last Rites Held
For J. H. Harrell**

Funeral services were conducted Monday afternoon at 3:30 at the Whitharral Baptist Church for J. H. Harrell, aged 77 years, 11 months and 5 days, who died Sunday, September 20, at 1:40 A. M., at the home of his son, G. P. Harrell, nine miles southeast of Littlefield.

Rev. Frank Booth, Pastor of Lum's Chapel, and Rev. J. B. Watson, Pastor of Whitharral Baptist Church, officiated, and interment was in the Whitharral cemetery. Hammons Funeral Home had charge of burial arrangements.

Death was caused from blood poisoning, resulting from an abscessed tooth.

**Unmeasured
Determination**

...to
**Serve
Well
!**

As a pioneer in this territory, the Texas Utilities Company has always pursued the ideal of satisfying customers, large or small, in their every connection with this firm. This ideal is backed by unmeasured determination to serve well. The fulfillment of such a policy cannot be attained 100 per cent, but it is worthwhile striving for. This means keeping customer demands satisfied, not only in new and modern equipment, anticipating future demands, but following through with every detail of service. And whether a person, firm or city, the thing that counts is—

"FRIENDSHIP" THAT ACCUMULATES "FRIENDS"

—and the person, firm or city that has and radiates this personality, backed by the fundamentals that make it worthwhile, is always outstanding.

Texas Utilities Company

Littlefield,

A. Box Attends Meeting At Lubbock

A two day conference was held between the teachers of Vocational Agriculture on the South Plains and the state supervisors and the teacher-training staff of A & M college at Lubbock, September 7th and 8th. A. A. Box, local teacher of vocational agriculture, was in attendance, and reports a very helpful program.

Individual problems were discussed in the conference. Mr. J. B. Rutland spoke of "Supervised Practice," showing ways of financing projects, and how to choose projects, and supervised practice jobs so that they would give the boy training in the type of farming common to his community.

Mr. J. C. Dykes handled the problem on "Evening Schools," and Mr. F. R. Alexander gave some practical ways of making use of the "Outlook Material" published by the United

States Department of Agriculture. Mr. C. L. Davis, state supervisor was present at the conference.

In the course of the conference, the South Plains teachers elected officers for the coming year. A. R. Bateman of Plainview was chosen to head the group; R. A. Box, Littlefield vice-pres.; J. W. Hulsey, Olton, sec-treasurer; and Taylor White, Tahoka, reporter.

Six weeks meetings will be held by the group during the year. The next meeting will be at Lubbock Saturday September 26.

An instructional booth is being prepared for the Panhandle South Plains Fair at Lubbock by R. A. Box of Littlefield, and R. E. Duckworth, Sudan. This booth is a part of an educational exhibit which will be set up by the teachers of Vocational Agriculture on the South Plains.

The central idea of the exhibit will be the "Live at Home" program showing improved practices in Hog Raising, Poultry Feeding, Dairy Cattle Production, Beef Cattle, and Soil Improvement.

This exhibit will be an attempt to show the public some of the principles taught and applied by teachers of vocational agriculture in their high school and evening school classes.

Parking Space For Cars Is Designated

In an effort to eliminate a great deal of traffic troubles, especially during the heavy fall rush due to harvest, the city has decided on a traffic zone and parking arrangement.

Traffic lines showing the parking space on all of the paved streets, were painted by city employees under the supervision of Chief of Police McDaniel. The work was started at the city hall and continued down Phelps avenue.

Clears In Excess Of \$300 On Patch Of Strawberries

A. L. Porter, Littlefield produce man, has cleared in excess of \$300 from two-fifths of an acre of ever-bearing strawberries.

Mr. Porter said that he had kept a record on the patch, and it is his belief that the two-fifths of an acre produced at the rate of between \$700 and \$800 an acre.

"We have had berries all summer long and there will be berries on the vines until frost comes," Mr. Porter said.

The Porter family has used the strawberry patch to provide them with other fruits for their pantry and for vegetables.

Mrs. F. G. Sadler Undergoes major Operation Thursday

Mrs. F. G. Sadler, who underwent a major operation at the Lubbock Sanitarium Thursday morning, is getting along nicely.

Mr. Sadler accompanied her to Lubbock and stayed until Saturday. Dr. J. T. Kruger performed the operation.

More farmers ought to carry more insurance and better insurance, economists say, particularly insurance against serious damage to growing crops.

PLAN TO ATTEND W. T. C. C. MEETING

Lubbock will be host to the directors of the West Texas Chamber of Commerce in District Two in a district meeting Monday, September 28, to which are also being invited the secretaries and presidents of the local chambers of commerce in the affiliated cities of District Two.

Clifford B. Jones, Spur, District Director, will preside. Vice-President Spencer A. Wells of Lubbock will address the group upon the work program of the regional organization. Manager D. A. Banded of Stamford, and Assistant Manager Maury Hopkins of Plainview will be present, Banded discussing the duties and importance of the local directors, and Hopkins giving a short report of the progress being made upon the work program for the year. District Secretary A. B. Davis of Lubbock is assisting in organizing the meeting.

Arthur P. Duggan, president of the Littlefield chamber of commerce, and J. W. Hale, secretary-manager, have been invited to attend the meeting, and are planning to be present.

SPADE SCHOOL OPENS

The Spade school opened Thursday, September 10, and on the second day there was a total enrollment of 275. There are approximately 30 scholastics in the Spade district. A general assembly was held on the opening day of school, which was attended by parents, the members of the school board, and the faculty.

FOR THE BEST ANSWERS EXPLAINING THE MYSTERY of the "HIDDEN QUART" AND TELLING HOW THIS QUART BENEFITS MOTORISTS

Fact No. 1—Thousands of motorists and service station men have observed that after a car has been given its first fill of Conoco Germ Processed Motor Oil and is driven 200 to 350 miles, a look at the crankcase gauge shows that about one quart of oil is apparently missing . . . but

Fact No. 2—These same people have noticed that on the second and later fillings with Conoco Germ Processed Motor Oil, scarcely a drop of oil will disappear during the first 350 miles, and practically none at 500 and up to 1,000 miles!

The above facts have been checked by actual tests with cars that use six quarts of oil for the crankcase, cars in good mechanical condition and driven at ordinary rates of speed. These facts will also prove true for your car, in proportion to the amount of oil your crankcase usually holds, your car's mechanical condition and the speeds at which you drive.

What becomes of the "hidden quart"? The answer is easy if you study the facts given above and keep in mind the things that only Conoco Germ Processed Motor Oil can do. The explanation of the whereabouts of the "hidden quart" is simple—no technical knowledge of motors or oil is necessary.

Remember—The "hidden quart" of Germ Processed Oil does not escape through leakage . . . does not burn up, wear out nor evaporate. It is "present but unaccounted for." Fact No. 2, given above, proves all this.

After you've found where the "hidden

quart" goes, you can easily see the special benefits it gives the motorist—advantages that no other oil can give.

Ask at any Conoco Station or Conoco Dealer for free Entry Blank which contains information about Conoco Germ Processed Motor Oil that may help you win. Conoco Station and Dealer employees will gladly answer your questions. Remember, you do not have to buy anything to enter this contest.

See Rules of Contest for complete details.

29 PRIZES

- First Prize \$5,000
- Second Prize - - \$2,000
- Third Prize - - - \$1,000
- 4th. and 5th Prizes . . . \$500
- 6th, 7th, 8th and 9th Prizes . . . \$100
- 10th, 11th, 12th and 13th Prizes \$50
- 14th through 29th Prizes . . . \$25

WINNERS WILL BE ANNOUNCED as soon after the contest closes as possible. Announcement of all winners will be made in this newspaper.

THE JUDGES

- DR. W. B. BIZZELL, President University of Oklahoma
- JOHN A. HUNTER, Professor of Mechanical Engineering, University of Colorado
- FRANK L. MARTIN, Asso. Dean School of Journalism, University of Missouri

THE QUESTION

"What becomes of the 'hidden quart' and how does this quart benefit the motorist?"

COMPLETE RULES OF CONTEST

- Answers may be any length not exceeding 200 words, length of answer will not determine winners. Write answers on Official Contest Entry Blank preferably, or on plain white paper. Conoco Stations and Dealers will give you an Official Contest Entry Blank free. Elaborate presentations of answers will not count in your favor.
- Write your answer in plain, simple language. Technical terms or special scientific knowledge will not influence the judges.
- Contest closes midnight, September 28, 1931, and no entries bearing postmarks after midnight, September 28, 1931, will be accepted.
- Contest open to everybody except employees and executives of the Continental Oil Company, Conoco Stations, Conoco Dealers and the Company's advertising agency, and their families.
- In case of tie, both contestants will receive full amount of prize tied for.
- You do not have to use or purchase Conoco Germ Processed Motor Oil or other Conoco products to compete for prizes.
- All entries submitted, whether or not they win prizes, become the property of the Continental Oil Company and may be used in advertising without payment, and none can be returned to senders.

LITTLEFIELD TEAM DEFEATS HUBBERS BY SCORE OF 7-6

Last Sunday the local nine met the Hubbers for the eighth encounter of the year and by handing them a trimming, put both teams on an even basis at four all in wins and losses for the season between each other. The score was 7-6 in favor of the Littlefield team.

TEACHERS TO MEET

The Lamb County Teachers' Association will meet at Hart's Camp, Saturday, September 26, 1931. At 10:40 A. M., Supt. Healy will give the address of welcome, which will be responded to by County Supt. L. D. Rochelle. This will be followed by music, and an address by A. R. Bateman, Coach, Plainview High School, on "How to create a better spirit of sportsmanship in our relations with one another." There will also be a round table discussion led by Supt. O. L. Davis of Sudan.

NAMED SANTA FE PHYSICIAN

Dr. T. B. Duke of this city received advice Saturday from Dr. J. Carter, of Topeka, Kans., Chief Surgeon for the Santa Fe Railway company, to the effect that he has been appointed Surgeon for this division, which extends from Lubbock to Clovis, N. M. In taking over these duties, Dr. Duke succeeds Dr. W. H. Anderson, who served in this capacity until his death some months ago. Dr. Duke has to his credit, a long record of service to the Santa Fe, having previous to coming to Littlefield, served as surgeon in the district in which he lived for seventeen years. Dr. Duke with his family moved here from Wolfe City, Texas, two years ago.

LOOKING AFTER CITY'S UNEMPLOYED—

We are informed that the chamber of Commerce of Midland, Texas, recently established a special employment bureau with the dual purpose of assisting farmers in obtaining cotton pickers and maize headers and to obtain work for the unemployed, with the idea in mind that no outside labor would be considered until all of the unemployed in Midland had been provided for.

We think that Midland should be commended on such a good move, and that it would be a good example for other cities to follow. What do you think?

Revival Being Held At Christian Church

Rev. James Dingman of Phoenix, Ariz., is conducting a revival meeting at the First Christian Church at corner of E. 5th Street. Rev. W. J. Leitz is in charge of the music and song service. Services are held each evening at eight o'clock, and will continue until and including October 4. The public is cordially invited.

PNEUMONIA VICTIM BURIED

Funeral services were held Sunday afternoon at 4 o'clock at the Church of Christ by Rev. T. L. Kimmell for the eighteen months' old daughter of Mr. and Mrs. L. M. Broadum of 10 miles southeast of Littlefield, who died at the Lubbock Sanitarium Friday evening following a few days' illness from Pneumonia and Whooping Cough. Interment was in Littlefield cemetery, Burleson & Company having charge of burial arrangements.

NAMED SCHOOL HEAD

Miss Elizabeth Lupton of Shallowater has been appointed Principal of the Pep schools for this year, succeeding her mother, Mrs. W. P. Lupton. Miss Lupton has been a member of the faculty for three years.

OFFICIAL AAA STATION

The Littlefield Battery & Electric, which is owned and operated by Carl Smith and E. C. (Slim) Sellers, has been named official American Automobile Association service station for Littlefield and district. Members of the AAA enjoy a number of advantages in the way of special service, and the local concern has been designated to render this service.
