

Program Planned To Observe End Of War With Germany

Conduct Revival Opening Here Sunday

GIPSY SMITH, JR.

Gipsy Smith, Jr., will conduct city-wide revival which opens Sunday, Sept. 10, at the Littlefield First Methodist Church. The opening services will be held at 8 o'clock, with time for morning services to be announced later.

Collector Outlines Schedule

Frank Cummings, tax assessor and collector, Lamb county, has asked the Leader to point out to the taxpayers that the county tax rate this year is the same as last year, but the State has raised their rate from 47 cents to 55 cents.

He also said that all taxing units are urging the taxpayers to keep taxes paid up and off the delinquent tax roll, thereby avoiding payment of penalty and a high rate of interest, which increases each month, and states that he will continue the cooperation of the taxpayers in the matter of meeting the different places in the county to pay their taxes.

Cummings points out that it will be a saving to the taxpayer in time, tires and gasoline. The dates and places where the collector will be are as follows:

Sept. 6 and 7—Earth; Oct. 10—Anton; Oct. 11—Beck's Gin; Oct. 13—Amherst; Oct. 17—Pep; Oct. 18—Fieldton; Oct. 20 and 21—Anton; Oct. 24—Spade; Oct. 25 and 28—Littlefield.

Newton Retrial Set for September 25

The trial of Dr. W. R. Newton of Anton, charged with assault with intent to murder in the shooting of Boy Hunt, Littlefield physician, Oct. 21, 1942, was set at Plainview September 25.

John Rucker Reported Wounded

John Rucker of Anton received a message last week, which informed her that her husband, Cpl. John Rucker of the Marine Corps, had been wounded in action in the Pacific area. It was stated that he had received a bullet wound in the neck.

May Buy Small Bill Of Lumber Without Permit

Farmers who buy lumber in Lamb county now are entitled to buy small amounts of lumber for essential maintenance and repair of improvements and farm service buildings simply signing an application at the lumber yard, according to E. C. Brown, chairman of the Lamb county Agricultural Conservation Committee.

Three hundred board feet is the maximum amount that can be obtained from the dealer without first getting a farmers' lumber certificate, Mr. Clayton said. Any farmer who needs more than three hundred feet of lumber should apply to the County AAA Office at Littlefield for a certificate. The Committee has authority to issue farmers' lumber certificates for essential

At a meeting held Tuesday night at which the heads of many social and civic groups attended, plans were formulated for a patriotic program to be held in Littlefield upon the surrender of Germany to the Allies.

A committee within the committee was formed consisting of Pat Boone as chairman, Supt. Fred Miller as program chairman; J. O. Garlington, O. K. Woodall, Rev. Lee Hemphill, Rev. C. Frank York, G. M. Shaw, Walter Dufraim and Gene Latimer as committee members.

A number of local people were consulted in the arrangements of this program and the consensus of opinion was that the entire program should definitely be quiet and prayerful, no boisterous showing or merry-making. It is felt that inasmuch as this is not the end of the war, and a great number of our fighting men will lose their lives, many of them on this thankful day, that we should pay our respects and thanksgiving in solemn prayer and quiet acknowledgement for the many men who have lost their lives or were injured in the European phase of the war.

A definite outline was made both for the closing of all business stores and for the day's program, on a 24-hour basis.

This program is being planned for Littlefield and for all of its vast trade area. Towns in the area that do not have their own program are asked to attend along with all of the rural people in the area.

It is expected that news of Germany's capitulation will be received on the air as many as three or four hours before any official bulletin is issued. We therefore stress that the program here will not commence until official word has been received, at which time the fire whistle will blow in short blasts for a period of about five minutes. Whistles at the gin, cotton mill and compress will join providing they are operating at that time.

The program for the day will consist first of services at all of the churches, followed by a parade and gathering in front of the post office.

Lt. Frank J. Green Killed In Action

First Lieut. Frank J. Green, 31, son of Mr. and Mrs. F. L. Green of Fieldton, is reported killed in action in France on August 23, by the War Department in a telegram received by his parents Monday, which also stated that "a letter follows."

Mr. and Mrs. Green have been living in Houston, but recently for the benefit of Mr. Green's health, returned to Fieldton to live.

Lieut. Green had been in the service two years, and overseas about a year.

Besides his parents, he has six brothers and a sister. They are: Marvin of Littlefield; Berlin, Luther and Clyde of Antioch, Calif.; and Hardy Green of Teague, Texas; and Otis Lee of Littlefield and the sister is Mrs. Ivey Waters of Houston. Lieut. Green was with the 106th Engineering Corps, and up to the time of the France invasion was stationed in England. He took part in the Normandy invasion.

Previous to entering the service in May, 1942, he had spent six years in Tech College, majoring in Civil Engineering and landscaping. He was graduated, and was engaged in farming with his father at the time of entering the service from Lamb county.

maintenance and repair use and for new construction (other than residences) where the cost is not more than \$1,000 per farm per calendar year. The committee also will issue certificates for lumber needed for emergencies. For construction which must be approved by the War Production Board, the ACA Committee receives farmers' applications and makes recommendations but does not issue certificates.

Farmers' lumber certificates rank as "certified and rated" orders, with ratings as high as any assigned to non-military users, Mr. Clayton stated. Dealers can use the ratings when they place orders. "In fact," Mr. Clayton said, "these ratings offer the only opportunity to keep enough lumber in the county to meet our essential farm needs."

READY FOR OVERSEAS SERVICE

Above is Lieut. Hershel Harrell, first pilot, and his crew on a B-24, who have completed their training for overseas service.

Lieut. Harrell, son of Mr. and Mrs. G. P. Harrell of this city, is the first man, left, in the back row. He recently returned to his base at Chatham Field, Georgia, after spending 14 days visiting relatives here.

Lieut. Harrell has been three years in the service.

On returning to his base after his furlough home, he wrote his parents the following letter:

"Everything seems to be breaking my way at last. I got my crew the other day, and they seem to be a swell bunch of men. I have flown

with them three times and each one of them knows his job pretty well. We have some more training to do yet, but most of our work is through.

"I have some more good news, too. My promotion finally went through from second to first lieutenant. I wear the silver bar now instead of the gold one. I had just about given up hopes of ever getting the promotion. It surprised me.

"I hear from Pete pretty often. I guess you do too. He seems to be doing all right. I don't think he cares much for France though. I wouldn't either under the circumstances.

"It is still hot here and it rains (Continued On Page 2)

Sgt. Oscar J. Bush Killed In Action

T. M. Moore, superintendent of Fieldton schools, was notified by the War Department Thursday last that his nephew, Sgt. Oscar J. Bush, 26, formerly of Fieldton, had been killed in action "somewhere in Italy."

Sgt. Bush had practically been reared by Mr. and Mrs. T. M. Moore, making his home with his aunt and uncle since five years of age.

Sgt. Bush volunteered for the service in March, 1941, and left for overseas in April, 1944. He was in training for sometime at Fort Bliss, Texas, and left for overseas from Camp White, Medford, Ore. He was with a heavy artillery detachment.

Sgt. Bush was the youngest of four sons born to Mr. and Mrs. Joe Bush of Ben Franklin, Texas. Both his parents have preceded him in death.

He is survived by three brothers and a sister. The brothers are: J. P. and Marvin of Lake Creek, Texas, and Morris Bush of Otton. The sister is Mrs. Sid Jackson of Ben Franklin, Texas.

Pfc. Odis Nelson Killed In Action

Mr. and Mrs. W. A. Nelson of southwest of Anton have been informed that their foster son, Pfc. Odis Nelson, was killed in action. He was previously reported missing.

Series Of Meetings Actively Supported By Six Churches

Will Be Held In Methodist Church; Large Crowds Expected

The Gipsy Smith City-Wide Revival will open Sunday night at 8:30 o'clock in the auditorium of the First Methodist Church, when this very prominent evangelist will bring his initial message of two weeks' series of meetings.

Sponsoring this City-Wide revival and actively supporting the movement are six local churches, First Baptist Church, Assembly of God, First Presbyterian Church, First Methodist Church, Foursquare church, and Fundamental Missionary Baptist Church.

Gipsy Smith, Jr., is the son of the world renowned Gipsy Smith. His father was converted as a gypsy boy, travelling with a band of gypsies. He surrendered to preach and from this humble environment forged ahead to a place of international prominence. Gipsy Smith, Jr., is rapidly gaining such distinction for himself, and is being recognized by many as a greater preacher than his illustrious father.

Gipsy Smith, Jr., preaches the Bible. He majors on the great fundamental truths of the Word of God. He has a great passion for the cause of Christ, and greatly magnifies the work of the churches.

Dr. Hereford of Lubbock writes in regard to his work in Lubbock a few weeks ago and says: "Gipsy Smith, Jr., has done more in Lubbock to build an appreciation for the churches than any man who has come to Lubbock since I have been here. He will do much good for the cause of Christ in Littlefield."

Littlefield churches anticipate difficulty in seating the people. In the recent revival in Lubbock no auditorium in the city was sufficient to accommodate the people. Arrangements are being made here to take care of the overflow crowds. People will come from far and near to hear this great preacher of God. It is hoped that all the people in Littlefield will join hands in this concerted effort to strengthen the cause of Christ in this city.

Grown On Farm Of J. W. Emfinger, Four Miles East Of City

Bale Weighed 614 Pounds; Was Sold Tuesday Afternoon

Littlefield and Lamb County received its first bale of 1944 cotton Monday afternoon, when J. W. Emfinger of four miles east of Littlefield on the Lubbock Highway, brought in a bale, which was ginned by the Irvin Gin, and which weighed 614 pounds.

Mr. Emfinger reported that the snap cotton as brought to the gin weighed 2,111 pounds.

According to Mr. Emfinger this early cotton was grown on dry land of which he has about 220 acres in cotton, and has about 25 acres of irrigated land also in the same crop, which is not open yet, but is reported to be of extra good growth.

Mr. Emfinger also stated that there was enough cotton where this first bale came from to make another bale, but that they did not gather it. He said that he came to town and had no trouble in securing 23 Mexicans who gathered his bale of cotton.

The above bale of cotton was auctioned off by Mr. Emfinger Tuesday afternoon at 3 o'clock on Phelps Avenue, and brought 22 cents per pound, or a total of \$135.08 for the bale. The Irvin Gin company bought the bale.

Pfc. Edwards Awarded Purple Heart

PFC. MELVIN B. EDWARDS

Pfc. Melvin B. Edwards, 20, Paratrooper, and son of Mr. and Mrs. Dick Edwards of Littlefield, has been awarded the Purple Heart, according to a telegram received by his parents Thursday from their son, who is a patient in a hospital in Italy, suffering from a back injury received in the invasion of Southern France.

This is the second time that Pfc. Edwards has been injured. When in combat service in Italy he suffered injury to his eyes when a German mine cap exploded. He was a patient in a hospital at that time about three weeks. It was for this wound that he received the Purple Heart.

Certificates Needed To Buy Protein Meal

In order to assure equitable distribution of protein meal supplies, buyers must obtain certificates of need from their County AAA Committee before purchasing protein meal from any processor in Oklahoma, Texas, or New Mexico, effective September 1.

Under an order issued by the War Food Administration on August 7, processors are required to secure certificates of need from each person, including feeders, who buys more than 500 pounds of protein meal within any 30-day period. The certificate is presented prior to, or at the time of purchase. Deliveries can be made of 500 pounds, or less, within any 30-day period, to any purchaser, from any source available, without a certificate.

"This order assures that our supplies of protein meal will be equitably distributed," E. C. Clayton, chairman of the County AAA Committee, said.

E. C. Clayton further stated that the order is expected to be very effective in keeping down any black market activities in protein meal supplies.

Requirements of this order do not apply to deliveries of protein meal required to be set aside by processors for distribution by the War Food Administration through the State AAA Committee to holders of Certificates of Designated Buyers.

GIPSY SMITH, JR., is the son of Gipsy Smith, the world renowned Gipsy Preacher.

GIPSY SMITH, JR., is rapidly gaining such distinction for himself, and is being recognized by many as an even greater Gospel Preacher than his illustrious father.

We anticipate difficulty in seating the people. In a recent meeting in Lubbock, no auditorium in the city was able to accommodate the people. Arrangements are being made here to take care of the overflow crowds.

We Trust All Christians In Littlefield Will Join Hands In This Concerted Effort To Win People To Christ.

"The Pick of the Plains"

Miss Merle Rochelle And Cpl. P. M. Cox, Jr. Wed Friday Evening

Miss Merle Rochelle, daughter of Mr. and Mrs. Reno Rochelle, of 10 miles southeast of Littlefield, became the bride of Cpl. Palmer M. Cox, Jr., son of Mr. P. M. Cox, Sr., of Cotulla, Texas, at the home of the bride's grandmother, Mrs. R. E. Rochelle, at Amherst, Friday evening, Sept. 1, at 9:30 o'clock.

The vows were exchanged in a candlelight ceremony before a mirrored mantle decorated with gladioli, dahlias and fern. Rev. L. S. Jenkins of Wink, Texas, a former pastor of the Baptist Church of Amherst, performed the double-ring ceremony.

The bride, given in marriage by her father, wore a white wool dress suit trimmed with white lace. Her accessories were black. For "something borrowed," she carried a white Bible belonging to Miss Ruth Campbell of Amherst, on which rested a single gladiolus. For "something old" she wore a pin which was worn by the groom's mother at her wedding 27 years ago. A pastel blue handkerchief was "something blue."

The bride's only attendant was her sister, Miss Betty Jo Rochelle. She wore a light blue wool suit. Her corsage was of pink roses.

Lieut. David G. Cadena of Lubbock Army Air Field, uncle of the groom, was best man.

Immediately after the ceremony a reception was held.

A beautiful three-tiered wedding cake, topped with a miniature bride and groom, was served with coffee.

The table was laid with a hand crocheted white cloth, and centered with a crystal bowl of cut flowers. The beautiful wedding cake and the white tapers in crystal candle holders completed the table arrangement.

The bride and groom together cut the first piece of wedding cake, which they shared. Mrs. E. J. Buanamas served the other guests. Mrs. Balford Rochelle poured coffee.

The bride and groom left immediately following the reception for Alamogorda, N. M., where he is stationed at the Air Base. Mrs. Cox wore a light blue tailored suit with black accessories for traveling.

The wedding was attended by only a few close friends and relatives.

Out-of-town relatives of the groom who attended were: his sister, Miss Agnes Cox, of San Antonio, Texas; and Lieut. and Mrs. David G. Cadena and daughter, Francis, of Lubbock.

The bride was graduated from Whitharral High school this past term. She is well known around Amherst and Littlefield, having lived

Thomas Hearing Set For Today

A motion for a new trial for Jim Thomas, convicted and assessed the death penalty by a jury at Plainview Wednesday night of last week in the slaying of Dr. Roy Hunt at Littlefield, was filed in 64th district court Friday by one of his attorneys, George McCarthy, of Amarillo.

The six-page document listed more than a dozen points on which the motion for a new trial was based, among them that the defense motion for continuance was overruled and the defendant went to trial without a material witness, Porter Humphrey, who the defense says, is temporarily absent from the state.

Thomas was returned to the Lubbock jail, where he has been held

Olton Mustangs Work Out Schedule

John Cox arrived at Olton to take over the job of coaching Olton Mustangs, and faced a major problem before he ever handed the Mustangs a football.

Among the prospective gridders for the Mustangs club is a lad that packs plenty of weight in matters—exactly 240 pounds of it. The chief trouble is the lack of equipment with which to prepare the player for the field of battle.

A hasty search has failed to bring to light the equipment needed, and Cox has sent out an SOS for a uniform. Any coach, or school official, with a spare uniform that will fill the bill is urged to contact John Cox at Olton High school.

The Mustangs have a tough schedule ahead of them. It is as follows: Sept. 15—Hereford at Hereford, (night).
Sept. 22—Morton at Olton, (night).
Sept. 29—Lockney at Lockney, (day).

"Billie Jo." Mr. Rogers, formerly superintendent of Amherst schools, is now head of Levelland schools. Friends advise that Supt. Rogers has been suffering from sinus the past few days.

And Mrs. W. J. Chesher Entertain At Barbecue Recently

and Mrs. W. J. (Bill) Chesher entertained at a barbecue and party Wednesday evening, August 30, honoring their daughter, Billy June, who left Monday for Dallas where she entered the Academy for Girls.

At the Cole of Oklahoma City, guest of Mrs. Chesher home, barbecued the meal, which was reported delicious. During the meal, a theatre party at the Palace was enjoyed.

Enjoying the occasion were: Miss Billy June Chesher, Twilla June Mackie Farr, Ellen Webb Massey, Katherine Lewis, Sue Watley Hendricks, Joyce Caraway, W. O. Stogner, mother of Mrs. Chesher, Mr. Cole, and Mr. and Mrs. Chesher.

Family Reunion At Ada, Okla.

and Mrs. L. M. Brandon left for Ada, Okla., to visit relatives. They were joined at Ada by Mrs. Auburn Stowers, S 2-C, who is stationed at McAlester, Okla., on a week end leave.

The family enjoyed a family reunion while there, and Mr. and Mrs. Brandon returned to Littlefield Sunday.

John McCary, small son of Mr. and Mrs. R. W. McCary of Matar, was admitted to the Payne Hospital Saturday for a tonsillectomy.

IS RECENT BRIDE

Mrs. Yantis Wright, who previous to her marriage on Friday evening, August 25, was Miss Della Irene Crim, is the daughter of Mr. and Mrs. W. A. Lindsay, 1919 Avenue Q, Lubbock. Mr. Wright is the son of Mr. and Mrs. A. L. Wright, formerly of Littlefield, now of Lubbock, and the grandson of Mrs. Vernis Wright of this city. The couple are making their home at Sundown, where Mr. Wright is employed by the Walsh Oil Company.

Sudan Service Man Weds In England

Cpl. L. D. Johnson of Sudan, who has been stationed in England for the past 14 months, has been married to Miss Iris Holmes of Burton-on-Trent, England. She is stationed there with the Armed Forces of Britain. The wedding took place in the church in her home town.

From the letters received by Cpl. L. D.'s mother of Sudan, everything was carried out very nicely. The church was packed and the U.S.A. was well represented.

The bride wore all white, as the British girls have the privilege of wearing civilian clothes for special occasions. The dress was of stiff, water-marked taffeta with a long train. The headdress was five white roses piled high. She carried a bouquet of deep pink roses, and trailing ferns. There were two bridesmaids, one in apple green lace and the other in shell pink.

Mrs. Johnson received a generous slice of the wedding cake through the mail. She also received pictures of the wedding ceremony.

The young people plan to make their home in America after the war.

Mr. and Mrs. Buck Elliott have been visiting relatives of Chillicothe and Wichita Falls.

S-Sgt. Burleson Awarded Bronze Service Star

From the Ninth Air Force Bomber Base, European Theatre of Operations, comes the announcement that S-Sgt. Robert E. Burleson, 24, of Star Rte., Goodland, Texas, for his contribution in the European Air offensive, has been presented with a Battle Participation Star. This award, in the form of a bronze star worn on the European Theatre Campaign ribbon, was presented to the personnel of organizations which participated in the

"European Air Offensive." A member of the transportation section, in "Beaty's Raiders," the Ninth Air Force A-20 "Havoc" light bomber group commanded by Lieut. Col. Sherman R. Beaty of Hoquim, Wash., Sgt. Burleson, by the efficient performance of his duties on the ground, rendered a vital contribution to the present program of round-the-clock bombings in close air support of ground forces on the western front which the "Raiders" are now engaged in. A former resident of Littlefield, Texas, where he attended the Littlefield High school, Sgt. Burleson was engaged in farming prior to his enlistment in the Army in August, 1940. His wife, Mrs. Louise Burleson, resides at Star Route, Goodland, Texas.

With South Plains Men In The Armed Forces

Cpl. Harold Pollard, son of Mr. and Mrs. L. E. Pollard of Star Rt. 1, Enochs, stationed in France, writes home some interesting letters. Excerpts from these letters are: Under date of July 21, he says: "I am well and you need not worry for I am in a pretty safe spot at present. "Just heard the news and it sounds very good on all fronts tonight. I don't see how the war can hold out over here more than sometime late this year. What's everyone's opinion there. "Never will the people be able to realize the hell the men over here are going through, and then there's those strikers. At any rate the men who have died in this war have not died in vain, and it cannot be said they did not do their part." On July 28, Cpl. Pollard wrote: "As I sit here tonight I am wondering when this war will ever end. I know that it cannot last too much longer for the enemy is taking a pounding that is taking its toll. When I gaze into the sky and see nothing but our planes from the beginning of morning until late at night I wonder how they think they can win. Never has there ever been anything to compare with our air

force, and I always make the comment I am glad they are on our side. That's the way it goes day in and day out. Four weeks back I was up to the front where shells were close, and when you are in such position, you get to thinking, believe you me. One thing we have in our Battery is a fine Battery Commander in Capt. Miller. He's as good as I always had in mind he would be, and is coming through the same as always, and that is excellent." In Cpl. Pollard's letter of Aug. 11 he writes: "Two weeks ago I was out where the Jerries were firing their artillery over our heads and sending over their planes at night, and I

can say it's not too good a feeling you get from such goings on. Of course, in a fox hole you are considered practically safe, as it takes a direct hit to get you. One thing about it, though, they are getting many more times the shelling and bombings we are, so we can imagine just about how they feel and why so many are ready to give up."

and Mrs. J. A. Rader of near Texas, is in the Air Corps doing sheet metal work. He "somewhere in France." He went from England to France boat. Sgt. Rader has been Army two years and overseas a year. He wrote his mother worry about him, that he make it alright.

Observance Program--
(Continued From Page 1)

official news is received here, unless it is between the hours of 9 p. m. and 6 a. m., official church services are to be conducted 2 hours later, lasting for one hour, at which time they will join to form the parade.

If the whistle blows between the hours of 9 p. m. and 6 a. m. services at the churches will be held at 10 o'clock the next morning, to be followed immediately by the parade and program at the civic center.

The town closing schedule is as follows:
If the news come on Sunday, stores will close all day Monday:
Should the news come before noon on a work day, all business houses will close immediately and remain closed until 12:30 p. m. the following day.

Should word come on Saturday, all business houses will close immediately and remain closed until Monday morning.

If the news is received at noon or after of any work day, business houses will close at once and remain

closed all the following day.
Should the happy news come on a holiday, all business houses will close the following day.

All merchants and business people in Littlefield are asked to display as many flags as possible and to immediately close their place of business.

Services will be conducted in all of Littlefield's churches and all are urged to attend their respective churches. Doors to the churches will be thrown open immediately upon receipt of the official news.

The Victory Parade, immediately following the church services, will form at the north end of XIT Drive in front of the Cameron Lumber Company and line out on the highway thence to Phelps Avenue and will then march down Phelps to the post office.

All groups to form in the parade are asked to have patriotic banners and flags displayed.

Leading the parade will be the band, followed by the Richard New Post of the American Legion and veterans, following them will be the Boy Scouts, the entire school body, social and civic organizations, followed by all who wish to partici-

ate.
The parade on reaching the civic center will remain intact until after they are lead in prayer by the Rev. A. B. Haynes, pastor of the First Presbyterian Church, at which time they will disperse and rally around to join in singing "The Star Spangled Banner."

An impromptu speech in which Pryor Hammons, Jr., and Supt. Fred Miller will try to bring out some interesting facts and experiences. Mr. Hammons has recently received a medical discharge after seeing action in the Southwest Pacific. The jest of their topic will be that the war is not completely won, that many hardships must yet be endured both by those on the fighting fronts and those who remain at home, and a reminder that we must not for a single moment let down the guard that we have maintained during the past war years.

Two appropriate band numbers will be played by a band to be organized at the Littlefield High school under the supervision of A. B. Taylor or someone else.

Judge E. A. Bills will give the address of the day, his topic being, "History of American People." Mr. Bills will bring out the many hardships, joys and sorrows that the people of the United States have endured during our life-time history, and something on what we must face in the post war period.

A fitting tribute to the boys that have given life and limb that we here at home may enjoy a world in which we may worship as we see fit; that we may work and play to our own desires; that the traditions we have carried down through our history may be continued with malice toward no one, by J. Frank York, pastor, First Methodist church.

A community sing, in which everyone is urged to participate, will be led by Charles Signor. The closing song will be "God Bless America."

Immediately following the singing everyone will remain in their places and bow their heads for the closing prayer by Rev. Lee Hemphill.

The crowd will at this time be dismissed and are urged to journey to their or friends' homes to spend the remainder of the day in quiet solemn tribute to our forces still in combat duty.

Gy.-Sgt. Loyd Chapman Home On Furlough

Gunnery-Sergeant Loyd W. Chapman, 27, of the Marine Corps, son of Mr. and Mrs. Dee Chapman of this city, arrived home Tuesday of last week on a 30 day furlough.

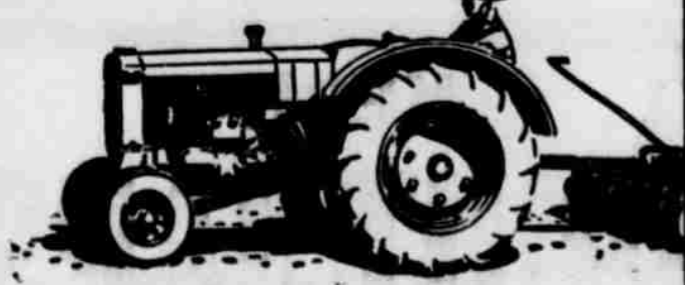

Gy.-Sgt. Chapman has been in the service 7½ years, during which time he was stationed 4 years in China and two years in Alaska. He has not been home since August, 1941.

Demonstration On Spraying Johnson Grass Is Held

As announced by S. L. Garrison, Assistant County Agent, 48 Spade 4-H Club boys, Superintendent Dodson, and three farmers met near the Spade school house Saturday last to observe a Johnson Grass Spraying demonstration.

Two bunches of Johnson grass were sprayed with Atlacide (Sodium Chlorate) and one bunch with Ammate (Ammonium Sulfamate). Ammate and Atlacide are both in a powdered form and are mixed with water at the rate of one pound per gallon of water. The Johnson grass is then sprayed thoroughly, preferably with a pressure spray, when the growth is rank. If the kill is not complete it should be sprayed again about ten days before frost. After spraying the grass should not be disturbed until plowing time the following spring as the chemicals work all winter on the roots. Previous demonstrations have given from 80 per cent to 90 per cent kill after the first spraying.

Atlacide and Ammate are applied at the rate of one gallon of water per 100 square feet.

The demonstration was conducted by the Assistant County Agent, S. L. Garrison, assisted by some Club members.

Littlefield Boys Enlist In Navy

During the month of August the following 17 year old boys volunteered for enlistment in the Navy:

Jan D. Blackwell, Littlefield; Dalton Reed Hammock, Littlefield; Neil Roger Singer, Littlefield; Otis Quinton Criswell, Anton; and Harold Loyd Donaldson, Olton.

Thursday, Ebb Ebeling, son of Mr. and Mrs. F. A. Ebeling, and Oliver L. Roberts, Jr., son of Mr. and Mrs. O. L. Roberts, Sr., both of Littlefield, signed up for the Navy. They reported at the Navy Station at Lubbock Monday for transfer to a naval training center.

Chief H. A. Lambert of the Navy Recruiting Station, Lubbock, Texas, who handled these enlistments, stated that this was only further evidence of the preference and choice of the fighting men in the Littlefield area for the Navy as the branch of the Armed Forces in which to serve. Chief Lambert further stated that since all men 18 to 36 no longer have their choice of service through induction, all 17-year-olds should volunteer in plenty of time before their 18th birthday and take advantage of Navy training rather than wait to be drafted and lose all right of choice of service.

HAND IN HAND WITH THE THREE R'S GOES A FOURTH--

School days again remind us that reader, rite, 'rithmetic could hardly get across so well without another "R" necessary to modern education—Reddy Kilowatt.

From the moment their electric clock gets the youngsters up, Reddy is busy all day for them. The breakfast-table toaster, the corner traffic light, often even the school bell itself, depend on modern electric service. You can think of many more ways Reddy helps.

Lighting is the most important. All study needs it, in school or out. With the coming of shorter days, children will spend more time indoors, more time studying after dark. Here's where Reddy can do his best for students. Good home lighting is inexpensive. It takes little time or effort. It will pay dividends in easier seeing.

Make sure your light is right! Sight is priceless—light is cheap.

PARENTS—Most electrical dealers now have light bulbs in all common home sizes. Fill your empty sockets and follow these few simple rules to secure more light from your bulbs:

- Wipe all light bulbs frequently. Keep reflector bowls and shades clean. Dust and dirt rob you of light!
- Use the RIGHT SIZE bulb in each lamp or fixture.
- A white-lined shade will reflect more light for use. A dark lining absorbs it.
- Move lamps closer to points of use, so they shed light directly on the work.

Miss Grace J. Dromgoole
 bride of Lieut. A. E. Fife

Grace Jean Dromgoole, daughter of Mr. and Mrs. E. B. Dromgoole, Jr., 716 Limestone, Mart, and Lieut. (jg) Aubrey Fife, son of Mr. and Mrs. T. Fife, of five miles south of Sudan, married at the Mart Methodist church Saturday evening, August 6, 9 o'clock. Rev. T. H. Burton, minister of the church, officiated. The bride was escorted by her father, and the groom by his best man, Ensign Joe Allen Duffel of Baltimore, Md. The matron of honor was Mrs. Oscar Dodson of Chillicothe, a cousin of the bride. The maid of honor was Miss Carol Lowe, while the ring-bearer was Aubrey Newman of Sudan, and the flower girl, little Miss Quinell McCaghren.

Following the wedding a reception was held at the home of the bride's parents. Here the dining table was covered with a beautiful hand-drawn linen cloth, centered with white gladioli and fern in a crystal bowl, flanked on either side by crystal candelabra holding white tapers.

Mrs. R. S. Chambers presided at the three-tiered wedding cake. Mrs. J. R. Gillam poured punch and Miss Clara Joyce Jenkins had charge of the bride's book. Others assisting in the dining room were Misses Carol Lowe, Jerry Goodman, Betty Bradford, Fern Aringdale; Mesdames Oscar Dodson and J. C. Jenkins.

The bride is a graduate of Waco academy and had studied pipe organ under Prof. Robert Markham of Baylor university. She also attended the National Business college of Waco. The groom is a graduate of Sudan High school and John Tarleton college, Stephenville.

Mrs. Fife chose for her going-away costume a gold-tinted suit with corsage of purple orchids. Accessories were black. Following a short wedding trip, the couple will be at Jacksonville, Fla., where the groom will be stationed on naval duty.

Mesdames J. R. Gillam and Billy Gillam were charming hostesses to a rehearsal group, preparing for the Fife-Dromgoole wedding, at the home of the former, Friday evening, August 25, following the final rehearsal. Some 25 guests were present and enjoyed delicious cake and punch. Included among the guests were Mr. and Mrs. T. Fife of Sudan, parents of the groom, as well as several other out-of-town relatives and friends of the bridal party.

Out-of-town guests for the Fife-Dromgoole nuptials Saturday evening included: Mr. and Mrs. T. Fife of Sudan, father and mother of the groom; W. O. Fife of Fort Worth; H. C. Fife, Sudan; Haskel Fife of Blackland Army Air Field, Waco; Mrs. T. J. Dromgoole, Waco; Mr. and Mrs. H. F. Saunders, Waco; Mr. and Mrs. O. R. Gillam, Marlin; Miss Novadean Duffel, Houston; Ensign Joe Allen Duffel, Baltimore, Md.; Mr. and Mrs. L. E. Plemons and Gene, Mr. and Mrs. A. P. Petaway, Mrs. Billy Blount and Miss Helen Jean Smyth, all of Waco; Lt. and Mrs. Hugh McFarland of Eagle Pass and Waco; Lt. Edwin Butler, El Paso; Mrs. Felix Butler, Waco; Mr. and Mrs. Quinton McCoghren and daughter, Quinelle, of Sudan; Charles Newman, Sudan; Mr. and Mrs. A. D. Newman, son, Aubrey, Jr., and a daughter, Charlene, of Sudan, and Steve Fife of Ben Hur.

Lieut. Fife, pilot in the Naval Air Corps, has been in service since October 20, 1942. He received his wings March 6, 1943, at Corpus Christi, Texas, and was in combat duty six months, returning to the States on July 21, last.

Lieut. Fife left Thursday for Jacksonville, Fla., where he will serve as instructor for four months, following which he will return overseas with the group he trains.

and outlined with rosettes of seed pearls. The basque bodice joined the full gathered skirt which extended into a sweeping train. The long sleeves terminated in petal points at the wrists. She wore a head-piece of shirred illusion held by rosettes of seed pearls from which fell a two-tiered veil of illusion.

The bride's bouquet of swansonia and orchids was carried upon a New Testament heart shield which the bride had presented the groom last Christmas and which he had carried on all of his many combat missions over enemy territory.

For "something old" the bride wore a beautiful diamond bar pin belonging to her grandmother, Mrs. E. B. Dromgoole, Sr., while for "something borrowed and something blue" she wore a necklace of blue moonstones, recently sent her cousin from India.

The groom, in a full-dress uniform of white, was attended by his father as best man. The other attendant was Ensign Joe Allen Duffel of Baltimore, Md.
