

# CITY WILL BE HOST TO 5 BANDS AT GRID TILT

## October Deadline For Payment Of Delinquent Taxes Without Penalty

### Tax Collector To Visit Lamb Co. Communities

#### Penalties To Go On Delinquent Taxes After November 1

I. B. Holt, County Tax Assessor-Collector, announced Tuesday that taxpayers may receive a discount for early payment of their State County Taxes, and that in order to give those who desire to take this discount an opportunity to pay their taxes in person, he will visit the following places with all the records of his office, at which time and place taxpayers may secure tax receipts:

- Sudan—Saturday, Oct. 18.
- Fieldton—Monday, Oct. 20.
- Earth—Tuesday, Oct. 21.
- Anton—Thursday, Oct. 23.
- Amherst, Saturday, Oct. 25.
- Littlefield—Monday and Tuesday, Oct. 27 and 28.
- Beck's Gin—Thursday, Oct. 30.
- Spade—Friday, Oct. 31.

Three percent discount will be allowed for payment in October. Mr. Holt also points-out that October is the last month in which taxpayers may pay all their delinquent taxes without any penalty, and that the Penalty remission law, which was passed this year by the Legislature, recites that the law ceases to exist on November 1, 1941. The law remits penalty on all taxes for 1939 and prior years. A large saving can be had by paying delinquent taxes this month as on the first day of the month (November) the following penalties by years will

### Sudan Road Bond Election Called For November 4

#### Petition Being Prepared For Road Bond Issue At Fieldton and Hart Camp

An election was ordered Friday by the Lamb County Commissioners' Court for November 4, on the issuance of \$145,000 bonds in the Sudan road district, Stanley A. Doss, county judge reported this week. Proceeds of the bonds would be used to build farm-to-market roads in the Sudan vicinity. A delegation of Sudan citizens presented a petition to the court, seeking the election.

Judge Doss stated that according to reports, a petition is being prepared in the Fieldton and Hart Camp communities, seeking the creation of a road district. However, the petition has not been circulated. It was announced that the petition would ask for an election on the issuance of bonds, proceeds of which would be used to improve the roads from Hart Camp to Fieldton, and from Fieldton to the Spears Gin.

## Canada Extends Friendly Welcome To Millions Of American Visitors

By Morley B. Drake

It's nice to be home . . . in Littlefield . . . under Texas skies. Travel, as engaged in by great numbers of the American people, is a great institution; it broadens the mind, shrinks the pocketbook, and dents our minds anew with the fact that we are richly favored in living in a land that offers lavishly privileges, joys and opportunities. Piloting an automobile through prairie country, up and down hills, and through all the many varieties of city traffic and cities, leaves us somewhat bewildered as to what we have seen in 5,500 miles of travel. The Leader publisher, accompanied by Mrs. Drake, left Littlefield August 23 and returned home Monday afternoon, October 6, tired . . . which is the right way to end any vacation; it offers a valid excuse for additional rest.

**Immigration Authorities Co-operative** Immediately on our return to Littlefield we learned that a rumor had spread far and wide that we had run into difficulties with the immigration authorities in reentering the United States after a visit in Canada. There was absolutely no truth in the rumor; we entered Canada without difficulty and returned to the United States under the same pleasant conditions. We were treated with friendly courtesy by both Canadian and American immigration and customs authorities. Such officials have their duties to perform and they work under regulations established by the countries they represent. All that is necessary in crossing into Canada, or in returning to the United States, is to observe the rules and regulations and be truthful in statements made to the authorities. Regulations are more

### Hewitt Chevrolet Company Cooperate In Defense School

Last Monday the Government defense School under the supervision of Supt. F. A. Hemphill was reopened after the close for the summer in June. The first course offered is automotive mechanics under the direction of Garland Gennings, mechanic from the Hewitt Chevrolet Garage, which will continue for ten weeks in three hour classes each evening.

L. C. Howitt, owner and manager of Hewitts Chevrolet garage is furnishing projecting machine and films in the theory and overhaul operations of each unit. All expenses of the course will be paid by the government and all boys who are not attending school between the ages of 16 and 25 are eligible for this course. The young men who are enrolled in the course at this time are: Travis Dyer, Bill Willis, Carlyle Akers, C. V. Ray, Rhea Walker, Harold Lattimer, Tommie McKinnon, Millard Hill, Jack Sandow, Tommie Winters, Bermon Cox and Tony Dodd.

### Car Owners Must Secure Title By January 1, 1941

#### Certificate Must Be Presented When 1942 Car License Secured

I. B. Holt, County Tax-Assessor and collector announced Tuesday that automobile and truck owners who have not a Certificate of title, (which is a photostatic copy of application issued by the State Highway Department), must secure Certificate of Title by January 1, 1942; and that the Title must be presented next year before they can secure 1942 License Plates. Mr. Holt also points out that an automobile owner cannot present himself next year, make application for a Title and register his car at the same time, but that the Title must have been issued by the State Highway Department. The Title law went into effect Oct. 1, 1939, and in making application a person is required to produce evidence he was the owner of the vehicle before that date. If he purchased a car since that date, the owner should have a Title. In the event of owners purchasing a car since that date and not having a Title they should take their papers to the office of the Tax Collector's office, and learn what is required of them.

### Disabled Veterans Are Exempted From Paying Poll Tax

#### Must File With Tax Collector Notarized Letter From Physician

As announced by the Tax Assessor and Collector's office, Olton, a recent amendment enacted by the Legislature reads as follows: "Every person who is more than 60 years old, or who is blind, deaf or dumb, or is permanently disabled, or has lost a hand or foot, or who is a disabled Veteran of a foreign war where such disability of forty (40 percent) or more; A disabled veteran of a foreign war who has a 40 per cent disability must file with the Tax Collectors a Notarized letter from the Veterans Bureau, which letter must be signed by the physician in charge, and which will exempt him from payment of a poll tax. In this connection veterans are advised to see the Service Officer of their local American Legion Post, who will assist them in obtaining the letter above mentioned.

### Taxpayers Will Vote Tuesday On Power Plant Issue

#### Second Election Ordered By City Commission Sept. 23

Property taxpayers of Littlefield will vote to the City Hall Tuesday, October 14, and vote on the proposal to establish a municipal light and power plant in this city. In casting their ballots the citizens will vote for or against the issuance of \$275,000 in revenue bonds for the purpose of building the plant. The City Commission ordered the election Tuesday, September 23, after receiving a petition signed by approximately 115 taxpayers, asking that the matter of a municipal light plant be submitted to a vote. On August 5 the same issue was defeated, 233 votes for to 207 against. For the election next Tuesday, the city commission ordered two ballots, one on the bonds and one authorizing the commission to allocate profits from the plant, after bond payments, to other city uses.

### Wildcats Special Guests At Methodist Church Service

The Littlefield Wildcats, high school football squad, and coaches Abe Murphy and C. L. Storrs were special guests at the morning service at the Methodist Church Sunday. Rev. J. H. Sharp brought an inspiring message, telling the story of David killing the giant of the Phillistine army. A large crowd attended the service. The boys, their coaches and their families enjoyed lunch together at the church after the services.

### Lions Club Sponsor Boy Scout Troop 41

Plans were completed this week and registration sent to the Boy Scouts of America for a new Troop, Troop 41, sponsored by the Littlefield Lions Club. R. B. Sparks, Troop committee chairman, announced today. Other Troop committeemen are Dadd Weatherly, Grover Dennis and Durwood Howell. Scouts who will be charter members of the troop are Clyde Edmonds, patrol leader; Jimmie Cockerham, Eldor Trotter, and Eddie Ray Jones, Flying Eagle patrol. The other patrol will consist of Landyn Grissom, patrol leader; James Griffin, Ernest Repass and Jimmy Womack. Meetings are held

### Sudan Hornets To Play Wildcats Friday Night

#### Locals Lose First Game Of Season To Slaton Tigers 6-0

When the Sudan Hornets, Sudan high school football team invade Littlefield Friday night for the annual pigskin feud, special guests at the game will be the high school bands from Muleshoe, Spring Lake, Olton and Anton. The Sudan band is expected to accompany the Hornets.

Accompanying the bands from the surrounding towns will also be faculty members, and members of the football teams and pep squads.

A parade of the bands with the local high school band, has been scheduled for six p. m. on Phelps ave., and the game at Seely Field, and a mass concert will probably be presented.

It has been reported that J. C. Elms will give a demonstration with a loud speaker at the game, and if it is successful, he will probably make this a regular affair at the home games.

Coach Murphy stated Wednesday that he would rely on several of the reserves in the game Friday night, as Babe Hammons has suffered injuries this week, sustained in the Slaton game; Odell Roberson, end, injured a knee in scrimmage, and Floyd Holberg has a butchered mouth, as a result of last Friday night's game.

Buford Bradshaw will take the helm at quarterback, with Buddy Boles as full back. John Porcher and Truett Bores will replace Roberson at end.

Coaches Murphy and C. L. Storrs are putting the Wildcats through strenuous workouts this week, striving to get them in shape for a comeback Friday night, after their loss, the first of the season, to Slaton last week.

Hugo Beyer will be captain Friday night. Elzo Collier, all-district 5-A full-back last year and still a power in Slaton backfield, ran rampant at

(Continued on back Page)

### Nine Men To Leave Next Tuesday For Selective Service

Six men from Lamb county will leave Littlefield next Tuesday morning by special bus to be inducted into the army.

The bus will leave here at 6:15 a. m., enroute to Levelland and other points south where men will leave for the army.

Those scheduled to leave next week are: Troy Allen Hopper, route 1, Anton; Barty Whole Johnson, route 1, Anton; Horace Herbert Neely, route 1, Littlefield; Ralph Frederick Wade, route 2, Littlefield; James Franklin Craig, route 1, Amherst; John Chris Sanders, Littlefield.

Mrs. Dorothy Cobb, clerk of the Lamb county draft board, announced that another call had been received by the local board for November 13, and nine men will be inducted into selective service.

The names of those who will be called for that date will be announced in the near future.

### Baltimore Beam

Various citizens in large numbers Washington, D. C., and other cities along their route, turned out to see the duke and duchess of Windsor as they passed through the U. S. on their way to Alberta, Canada. Here they are spending some time at the duke's Canadian ranch. They are shown smiling broadly from the train after leaving Baltimore.

### Frank L. Turner Address Youth Here Oct. 18-19

### President McMurray College Will Be Guest Speaker At M. E. Rally

Frank L. Turner, president of McMurray College, Abilene, will be guest speaker at the local Methodist Church next Saturday night and Sunday, October 18 and 19, when members of the Methodist Youth League of the Plainview and Rock districts will meet in a district rally here, according to announcement made this week by J. E. Sharp, president of the local organization. Plans for the rally were completed this week, and committee chairmen are making extensive arrangements for the entertainment and programs for the rally. Highlight of the program will be a concert by the McMurray Singers, a group of 30 singers from McMurray College, who will

### Unusually Heavy Rainfall In 1941

Many people in this territory for the past several weeks have been wondering when the first killing freeze would hit this section. E. C. Cundiff, secretary to the Chamber of Commerce, after several persons had told him they feared the freeze would be unusually early because of the more-than-usual rainfall in August and September, checked the records of the past seven years, and made the following report:

Aug. Sept.	First Temp. below freezing
1934-2.99	Nov. 29th-30
1935-2.78	Nov. 5th-27
1936-2.51	Oct. 22nd-31
1937-6.85	Nov. 16th-26
1938-1.56	Nov. 6th-28
1939-3.20	Oct. 30th-21
1940-3.75	Nov. 11th-25
1941-9.58	???.???

Total rainfall to date for 1941 4.85 inches. On this chart, the total rainfall recorded, for the year, before the rains in this section last week. Reports are that last Friday night Littlefield and vicinity received two inches of rainfall, while Olton received five inches. Sunday night Littlefield received at least an inch, and Wednesday afternoon, about one-half inch of rainfall was received.

### Lamb Places Second In South Plains Fall Fair

Last year's first place winner in the county division of the Panhandle South Plains Fair at Lubbock, was placed second this year, and Lamb county placed second in the show. The county exhibit won first place. The Lamb county exhibit was

first last year, with Lynn second. First prize is \$75 and second prize \$60. The exhibit from this county was prepared by V. F. Jones, county agent and H. T. Duke, assistant. The Littlefield vocational agriculture exhibit, directed by Raymond King, placed seventh in the FFA department. Lubbock vocational agriculture exhibit won first prize of \$25. Seventh prize was \$15. Olton exhibit, directed by Truitt Sides, placed fifth. \*Members of the local chapter of the Future Farmers of America will go to the fair today, in a school bus.

THANKS TO COLUMBUS

Since that fall day in 1492 when Christopher Columbus landed his ship at San Salvador and thus opened the door to the discovery of the American continent, America has made rapid strides. When we consider that 450 years ago America wasn't even on the white man's map, it seems almost miraculous that it is now populated by hundreds of millions of educated people who have more luxuries, more riches, more skyscrapers, more automobiles and more of practically everything than any other continent or country in the world.

America is so young that your great-great-great grandfather might have come over on Columbus' ship. Measured in generations, it was only seven full generations ago that Columbus came over and only five generations ago that efforts began to settle this country.

Compared with European countries, which have been going through periods of culture and decay for thousands of years, America stands as a monument to the progress which can be

made under a system of free enterprise.

When Christopher Columbus sailed on his perilous voyage, he came to America looking for riches. With sufficient assistance, he might have found riches of all kinds in our natural resources—our gold, our silver and our other mountains-full of wealth. But it was the Pilgrims who came to America seeking spiritual freedom rather than gold who really discovered the greatest riches offered by America—the opportunity to live as they pleased, to have equal opportunity for all and to found a nation on the principles of equality and freedom.

We can thank Columbus for putting our country on the map, but our greatest thanks should go to those settlers who decided what kind of a nation to build in America. If they had come here to seek material riches and to plunder, we might today be the slaves of a king or a dictator. But fortunately they came here seeking freedom and freedom has always continued to be the foundation stone of our country.

Under THE DOME At Austin

By GORDON K. SHEARER United Press Staff Correspondent

AUSTIN, Tex. Oct. — (UP) — Nearly 50 ninety-day bills of the Texas Legislature, covering subjects from cancer research to carrier pigeons, took effect Oct. 2.

The bills are those for which enforcement begins 90 days after a legislative session ends. The 47th legislature adjourned its regular session last July 3. Emergency bills

which received more than 100 House votes and 12 Senate votes took immediate effect, but all others had a 90-day waiting period.

Among the 90-day bills are the following appropriations:

\$325,000 a year to help municipal junior colleges, allocated on a basis of \$50. per student each year. This is the first state aid for such colleges, and one that is expected to be permanent.

\$500,000 for cancer research and treatment at the state university medical school, Galveston.

\$300,000 a year for fireman's pensions, another new policy for Texas.

\$300,000 extra for the attorney general's department to use in seeking an agreement, by litigation if necessary, with New Mexico over division of the Pecos river water. Many of the bills regulate the

taking of game and fish. One forbids storage of deer carcasses more than six months after the season ends. A special fishing license is prescribed for Lake Worth and Eagle Mountain Lake in Tarrant county, with the revenue to be used for keeping the lakes stocked.

Among local game bills is one re-opening the deer hunting season in Brown county.

It isn't a game bill, but it has to do with birds—that's the new law prescribing a fine for anyone who kills or maims an Antwerp messenger, carrier pigeon.

Several new laws affect schools. One makes a small appropriation to help rebuild two rural schools that were burned down. The one that caused considerable controversy during the legislature's special session was for a "little red schoolhouse", in Eddins Common School District No. 62 of Shelby county, which appropriation several members opposed.

Another law provides that schools shall be provided in all penitentiaries of the state.

The legislature also passed a 90-day law abolishing whipping as punishment in the prison system. The prison board has already ordered such punishment removed, however.

A bill granting permission for establishment of a general farm experiment station, under direction of Texas A. & M. College, in the first (Texarkana) senatorial district also became law. A similar act authorizes a poultry experiment station in Gonzales county.

New regulations took effect on sale of farm and vegetable seeds; sharply limiting roadside advertising around beer taverns; and governing the shipment of corpses by rail.

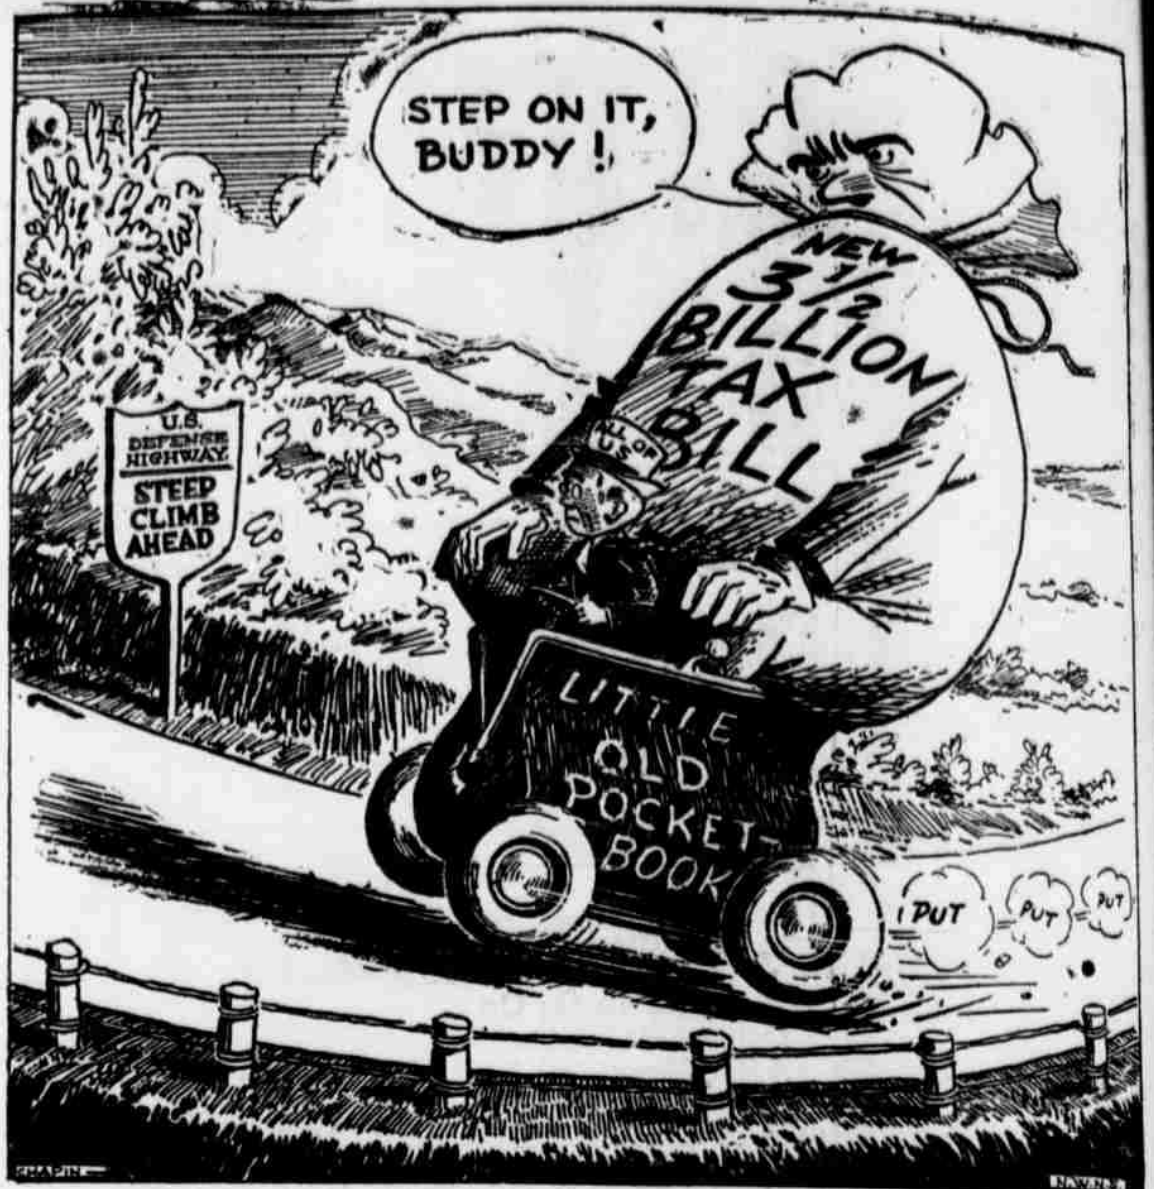

A two-cents per 100 pounds tax on milled rice, to link Texas with Arkansas and Louisiana in research and promotion campaign, also went on the books. It caused a great commotion in the legislature, when Rep. Jimmy Phillips of Angleton, representing a large rice growing section, insisted that his farmers were against it. Nine other representatives from areas that grow rice were for the bill.

Counties hereafter may provide fire-fighting equipment for the rural areas, now protected inadequately or through the generosity of nearby city fire departments.

A long legislative fight ended in success for those seeking to amend Texas' statute forbidding divorces from insane spouses. The new law allows divorce from spouses pronounced "hopelessly and incurably insane" after five years of treatment in a reputable hospital.

Amendments to the newspaper publications act also went into op-

"The Man Who Feeds The People"

# SAPPHIRES and DIAMONDS

by DOROTHY CRIDDLE TROWBRIDGE

## CHAPTER VII

**SYNOPSIS**  
Peggy Horton, whose older sister, Maxine, is a famous star, is ashamed of her sheltered life with her grandmother at Rosewood, so she pretends to Nancy, a visiting schoolmate, that she is secretly engaged. From Harry Wilson whom she met by chance, she borrows a ring to pass as an engagement ring. Nancy, who has recently broken her engagement to Pidge, is much interested in Peggy's story. When Peggy loses it, Maxine tells her grandmother the ring was Nancy's and asks a friend, Stanley Newton, who she says is a detective, to help find it. Maxine likes Stanley and discusses the matter with him.

"Do I see?" Stanley cried. Catching her in his arms he whirled her madly about the small enclosure.

"Well, that's a help. At least it holds out a promise for another name. Don't worry. I won't forget," he assured her. Of course all this was no way for a detective to do anything, and she should be angry, but Peggy realized that she was not meeting his eye because she knew she would laugh with him if she did. And she knew that she would never do.

"Having progressed so rapidly, suppose you describe the aforementioned ring." He took an envelope and a pencil from his pocket and sat forward evidently prepared to write.

"It's a big diamond—a square cut solitaire."

"Oh, I see, a nice juicy square solitaire."

"Yes, no—wait a minute. It isn't just a solitaire. There were some other stones with it—sapphires."

"Yes, I remember there were several sapphires."

He looked at her in surprise. Are you by any chance describing your own engagement ring? Or is something you saw one day as you passed a jeweler's window?"

Peggy did feel foolish. "Don't be ridiculous. I am so upset and worried I can scarcely think."

"Oh, I'm sorry. All right, then, we have it a square cut diamond with some sapphires. How many sapphires?"

"I don't know."

His only reply was a slight raising of his eyebrows which Peggy saw beneath half-lowered lids.

"Were they in any kind of a diamond—just there?"

"Heavens! I don't know. You had any square cut diamond ring with some sapphires in it, and I assure you that will be the ring."

Peggy had jumped to her feet angrily, and was standing at the entrance to the summer house with her back to him.

She heard the rustling of paper as he stuffed the envelope back in his pocket.

"It just doesn't make sense," he announced, joining her. "If I gave a girl a ring like that and she wouldn't describe it any more clearly than she did, I'd know darn well she didn't care anything about it."

"Have you been engaged and married frequently, Mr. Newton?"

"I Oh, no. I know I'm funny that way. I've always felt that I only wanted to propose to one girl, and that would be the girl I was sure I wanted to marry."

"And you haven't found the girl in spite of knowing so well how she would be affected by the ring?"

"Yes, I'm pretty sure that I've found the girl," he replied thoughtfully. "I was getting a little low on the prospect of marriage, but my hopes are getting higher. It may all come out all right after all."

There was a low whistle on the other side of the hedge which neither of them heard.

"But I don't like looking for anything so indefinite as this ring as you describe it. Perhaps it would be better to ask the young man. Probably he could tell me more about it."

Peggy was conscious that Stanley was watching her closely. "Unfortunately, he is out of town," she replied casually.

"When will he be back?"

"Next week."

and at the sight of me beats it. And as for you, instead of rushing to the arms of your lover, you utter a terrified squeal of 'Harry' and look as if you were going to faint. Now I ask you, is that any way for a loving couple to act? Shall I leave? If that is what is embarrassing you—"

"Oh, no, don't," Peggy pleaded. If she were left alone Harry might come back. Then what would she say?

Stanley threw his hands in the air. "It is too much for me," he announced walking back in the summer house.

"You simply have no imagination," Peggy told him. "In spite of all your theories. My—engagement to him is broken and he is coming back for his ring. Naturally he doesn't want to ask for it before strangers, and naturally I don't want to see him until I have the ring to give him. Now do you see?"

There was enough truth in this statement to make Peggy feel almost straight forward.

"Do I see?" Stanley cried. Catching her in his arms, he whirled her madly about the small enclosure.

"Oh, boy, do I? Now we can sit down and talk about ourselves, can't we? Certainly we can." Suddenly he released her.

"No," she shook her head breathlessly. "That's just what we can't do. Don't you see how important it is to find the ring now—right away?"

"Lord, that's right. I had forgotten all about the ring. Haven't you any idea where the darn thing could be? Where did you have it hidden?"

"I didn't have it hidden. I had it on at the train yesterday, but I took it off there and put it in my bag. Both Maxine and Nancy remember that. Last night when I went to get it, it was gone. Really, that's all I know about it. Really, that's every bit of it."

Stanley was looking at her, a hopelessly perplexed expression on his face.

"Woman, I certainly am taking you on faith. You either greet your guest and your sister wearing an engagement ring after you have broken your engagement, which, my dear, just isn't done. Or you greet them properly engaged, then through a process of mental telepathy—Maxine says he hasn't been around and you say he is out of town—you break the engagement. And that, my dear, just can't be done. But you don't look queer," he added judiciously. "You look plain grand. I knew that yesterday when I met you on the road, and I knew it again when I met you in town and I knew—"

He paused. Then his face suddenly brightened. "You promise that once you have the ring you'll give it back to him?"

Peggy nodded quickly.

"You're sure you won't let him talk you into reconsidering the engagement?"

Peggy shook her head vigorously.

"Of course I can't imagine any man ever taking no for an answer after you have once said yes, but I'll have to trust you. Now you run along and get your beauty sleep, or something, since you don't need that. Anyway you come back here at six o'clock and I think you may find that there is a Santa Claus after all."

"You mean you honestly believe you can find the ring this afternoon?" Peggy jumped to her feet with her eyes shining. "Have you any idea where it is? Where will you look?"

He shook his head at her reprovingly. "Don't ask questions. Don't you remember I told your grandmother I had my own method?"

William's small grandson appeared at the entrance before she could answer.

"Dey's done rang de gong for dinner long time ago," he announced. "Mis' Ma'y said for me to come find yo' all. Ah'se been all aroun'."

"Why, are you sure?" Peggy asked in surprise. "We didn't hear any gong."

"No'm, Ah reckon not. But it's done rang. An' yo' can sho' hear dat gong when dey rings it, way off. Ef yo' mine ain't wand'rin'."

Stanley chuckled and threw the boy a piece of silver that made the little darkey's face shine like polished ebony. Peggy ran through the path of the rose garden with Stanley close behind her. The others were still on the back terrace waiting for them.

"I'm sorry," they both began, breathlessly.

"Peggy must have told you a lot," Maxine said, with a mischievous smile.

"She did," Stanley assured her. "I found out a number of things that encourage me immensely."

"Oh," said Mrs. Horton, in satisfaction that her granddaughter had been of some help.

"Oh!" queried Maxine, in a tone that implied "Now what?"

"Oh!" came Nancy's startled tone, and

"Oh!" exclaimed Peggy. While they were at the table Mrs. Horton suggested that she thought it would be much better if Mr. Newton would remain at the house while he was looking for the ring.

"I'll have William drive into town this afternoon and get your bags, if that arrangement suits you," she suggested to her guest.

"You are most kind, Mrs. Horton. I can't tell you what it would mean to me to stay here for a day or two, I believe, however, it would be better for me to go into town and get my things myself. I am afraid I have things pretty much scattered about my room, and as I have my car it won't take me long. I shall be back very shortly."

Maxine and Peggy had exchanged surprised glances at Mrs. Horton's invitation to Stanley. Gran was always hospitable, but she did not ask people to visit in her home unless she genuinely liked them, and counted them her friends.

"What do you want to do this afternoon, Nancy?" Peggy asked gaily. She had forgotten all about having a guest whom she must keep entertained. "Shall we go for a drive?"

"No," Nancy replied. "To tell you the truth, Pidge is coming."

"Pidge?" Mrs. Horton asked.

"Yes, that's the man I am going to marry."

"Well, it seems to me that we must all get busy and find your ring. We can't have you meeting your fiancé without your ring. Don't stay long in town, will you, Mr. Newton?"

"No," he assured her. "I'll be back in a very short time."

Maxine and Peggy exchanged worried glances, and Nancy merely smiled.

"Oh, Nancy, I think that is splendid," Peggy cried as they left the table. "That you all have made up. Did he call you this morning while I was out?"

"You'll learn all about it this afternoon when he comes," Nancy assured her. "I think I'll go upstairs and dress. I don't know just when he'll come. You don't mind, do you?"

"Why of course not. Do whatever you like," Peggy told her.

Maxine followed Peggy on to the terrace, while Gran went upstairs for a little rest. Stanley had already driven off to town. "I wish we could have found that ring before this Pidge person comes. He will arrive bringing Nancy her ring, and how will we look then? I think Nancy only told him to come today to put you on the spot."

### "Wake Up America" To Be Presented By Harley Sadler Saturday Night

Harley Sadler and his Famous Tent Theater will play in Littlefield next Saturday, Oct. 11 for one night only. Showing under the auspices of the Littlefield Fire Department.

HARLEY SADLER

Harley Sadler stage show needs no introduction to the theatre fans of this section as he has been conducting high quality entertainment in West Texas for almost a quarter of a century, and he has never failed to provide his audiences with clean, high quality performances.

The veteran showman and actor predicts that a great deal is in store for his friends in Littlefield this visit. He has secured much new talent which includes singers, dramatic artists, vaudeville headliners all unsurpassed in their respective lines.

One of the main features this visit will be "Wake Up America" a patriotic musical presentation which precedes the play and regular vaudeville.

The doors will open at 7:15. The presentation "Wake Up America" will start promptly at 8:10. The big tent theatre is water proof and comfortable in all kinds of weather. Popular prices will again prevail.

Children 10c — Adults 20c. Special Reserve Seats 10c and 20c extra. Government Tax Included.

Laying mash for hens is a combination of feeds which are high in protein and other ingredients essential for keeping the birds in good health, as well as producing the maximum number of eggs.

Quick frozen cottage cheese will soon be available in many metropolitan markets, following successful experiments in New Jersey.

# FIGHT FIRE

IT'S *National* ★

## FIRE PREVENTION WEEK

### Littlefield Has A Splendid Fire Record

The Fire Department does not have to fight fires very often in Littlefield, and city insurance rates are extremely low, due to the fact that there are not many fires in this town. Yet—

### FIRE—OUR BIGGEST ENEMY

Since time began, fire has been a constant source of comfort—and disaster. It has protected us from the cold—and it has put us out in the cold. It is a helpful thing—and it is a dangerous thing. The lesson National Fire Prevention Week strives to put across is one of respecting fire's ability to destroy. The amount of damage done by fire each year would equip us with the much-talked about Two Ocean Navy. If fire worked only as our friend, hundreds of lives would not be lost and untold misery would be obliterated. But fire respects no laws! Join in the drive against fire.

### This WAS A Home!

### NOW IT'S A HEARTACHE

Instead of a warm, comfortable home to look forward to this winter, this unfortunate family must try to salvage what they can—and start all over. During National Fire Prevention Week, check over your home—make sure it is safe from fire. And, very important, see to it that it is adequately insured by a reputable company.

Those sending gifts were Maxine Stancell and Catherine Wright, Mrs. W. E. Jeffries and Mrs. Ben

A. A. A. Committee To Fix Lint Yield

Determining an average lint yield and premium rate per acre for every cotton farm in Lamb County is the first task to be accomplished under the Cotton crop insurance program...

Until these figures have been approved by the State AAA Committee and Federal Crop Insurance Corporation, applications cannot be accepted...

"We hope to start writing insurance applications in the county later in the fall, however, detail work will not begin until 1942 farm allotments have been determined..."

The 1934-1940 cotton history for a farm will be the basis of determining the average lint yield for a farm. In the event historical data is not available, appraised figures will be used...

Premium rates, which will reflect as nearly as possible the crop insurance risks on the farm, will be taken from losses shown in the base period. By this method, each farm will have an individual rating...

The crop insurance program, under which 50 percent or 75 percent of the average yield may be insured, protects farmers against hail, rain, flood, drought and other factors over which they have no control...

J. C. Penny Co. To Establish Store In Littlefield

According to a report Wednesday, J. C. Penney & Co., are negotiating for the construction of a building on Phelps Ave., and will probably establish a store here about January 1st.

Correction

In a news item in a previous issue of the Lamb County Leader, it was stated that approximately 250 tax-paying property owners were represented in a petition presented to the City Commission...

Since this publication it has been called to our attention that only 115 signers were on the petition presented to the City Commission.

In as much as the Leader endeavors at all times to publish the facts Lyman.

Mrs. Jeffries was assisted in the party by Mrs. Allen Crowley and Miss Athelia Drager.

### Cotton Experts Predict Texas Farmers Will Receive \$300,000,000 From Crop

Austin, Texas. — King Cotton is regaining at least a measure of his former royalty as the American cotton kingdom bids fair to become a billion dollar enterprise this year for the first time since 1929.

Dr. A. B. Cox, University of Texas cotton expert, predicts the nation's cotton crop will fall somewhat short of the present government estimate of 10,710,000 bales, but believes government benefit payments added to current high prices will restore the cotton farmer to pre-depression prosperity.

Texas farmers, he anticipates, will receive \$300,000,000 from their cotton crop, if present prices hold up, or a third more than last year.

Government-owned stocks totaling 6,000,000 bales, he said, added to the current crop, push the free supply of 1941-42 U. S. cotton to 16,000,000 bales of which only a fraction will go to foreign markets. Lend-lease shipments to Great Britain and her allies will take 500,000 to 700,000 bales from the government stockpile, and marketings of free cotton abroad will not exceed 600,000 bales, the business research bureau director estimated.

To bolster wide gaps between foreign prices of foreign-grown cotton and American staple, and aid in "keeping at least a foothold on foreign markets", he reported sentiment is rising for revival of export subsidies.

"Prices in foreign countries of foreign-grown cotton are at about their lowest levels in history compared with prices of American cotton", Mr. Cox said. "Number one Oomra, which is normally about 79 per cent of American middling 7-8 inch, is only about 49 per cent. Sao Paulo, number 5, which is normally about 90 percent of American is only about 53 percent.

In the face of rising prices, farmers are holding well over 50 percent of the cotton now being ginned, he estimated.

### Pipe Unloaded For Deep Test Oil Well Near Muleshoe

Pipe was unloaded last week at the Bill Brisco place near Muleshoe for a deep test oil well. The derrick was being sent out from Midland Wednesday of last week, and drilling will probably start about October 15.

Drilling is to be done by Brodrick Calvert, drilling contractors for George Livermore of Fort Worth, on a 6,000 acre lease. Location of the well is on Labor 24, League 173. The test will be known as Brodrick-Calvert-Haywood No. 1, it was announced Tuesday.

Depth will be 5,500 feet. A rotary rig is to be used to the 42,000 depth before changing to cable tools. A lease of 2,700 acres in the vicinity of the test was made Monday.

### Sudan Wins 7-0 Game From Lubbock Cowhands Friday

Sudan Hornets edged out the Lubbock Cowhands Friday, scoring early in the fourth period to win a closely contested game, 7-0.

It was the fourth straight game in which Sudan had scored one touchdown. The Hornets are undefeated, once tied.

### Mustangs Romp Over Morton For 21-7 Win

Olton's mighty Mustangs teed off in their drive toward a fourth consecutive north Zone District 5-A title at Olton Friday night by lumbering through the rain and mud to beat Morton, 21-7.

Quarterback George Richards inaugurated the Mustang scoring in the initial period with a short dash

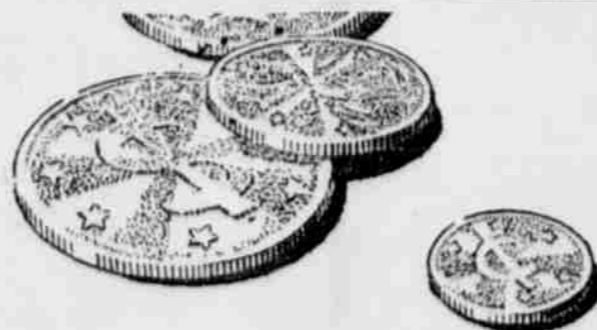

### 'Endless Columns of Prisoners'

From Berlin comes this radiophoto with a description of "endless columns of Soviet prisoners from the encirclement battle at East Kiev, passing wreckage and Soviet trucks." The Nazis have made huge claims as to prisoners taken and Russians killed in the fighting around Kiev.

to climax a steady drive. Morton, rated strongest contender for the crown, the Mustang machine is defending, came back early in the third stanza with a

touchdown to knot the score. But just before halftime, Willard Hedges got loose and romped 65 yards to paydirt. Richards added the clincher in the fourth period, the Hed-

### Spring Lake Gridders Win Over Silverton 39-0 Friday Afternoon

Spring Lake's Wolverines of District 3-B smothered Silverton of District 2-B at Earth Friday afternoon, 39 to 0.

M. Price was Spring Lake's leading ground gainer. He scored two touchdowns, one on a 40-yard run off right tackle. W. Price, Paris, Sigman and Huff also scored touchdowns, and three conversions were successful.

Coach W. J. Fulps played all his reserves as the Wolverines, beaten only by Class A Muleshoe this season, showed they'll be a strong threat for the 3-B crown this season.

Silverton passed frequently, but never could connect for a scoring threat.

Spring Lake will battle with Whitehall Friday afternoon at Whitehall.

Olton and Muleshoe will play Friday at Olton.

### Levelland Cops 13-0 Game From Muleshoe

Levelland's Lobos opened District 5-A conference action Friday night at Levelland with a 13-0 victory over the Muleshoe Yellow Jackets. The game was played in the mud.

Levelland scored in the first quarter. Burl Taylor ran for a touchdown and Billy Green kicked the point. James Chaney, substitute, scampered across for another touchdown in the third.

Muleshoe threatened late in the game. The Yellow Jackets ran 11 first downs to 5 for Levelland. The lineup: Muleshoe—Kenne and Echmitz, ends; Clark and Ko, tackles; Tipton and Walkers, guards; Standifer, center; Thos. Barbour, Riddle and Cox, backs.

Levelland—Tucker and Hofack, ends; Hefner and McLeod, tackles; Scarborough and Christian, guards; Watson, center; Palmer, B. Taylor, Underwood and Green, backs.

## P. T. A. And Band Mothers Plan To Stage Carnival

### Announcement Made At Meeting Held In Auditorium Wednesday

Members of the Littlefield P. T. A. met in regular monthly session in the local high school auditorium at 4 o'clock Wednesday afternoon.

Mrs. L. L. Massingall, President, Presided. The meeting was opened with the song "America" sung by the Assembly, directed by Mr. Camp, band director, with Mrs. T. J. Jones at the piano.

Rev. Jim Sharp led the devotional, after which songs and music were rendered by the Rhythm Band, which is composed of children in Mrs. Wilma Gee's room.

Mrs. W. D. T. Storey made an address, using as her subject "The Homemaker Takes Over."

In a short business session announcement was made by Mrs. H. C. Edmonds that the band Mothers Club and P. T. A. would hold a Hallowe'en Carnival in the ball park, date to be announced later.

Rooms taught by the following teachers received awards of \$1.00 each for attendance—A. L. Mitchell, Mrs. Addie Spikes — of Central School and Miss Margaret Teal, Miss Janel Kirk, Miss Ruth Jordan, Miss Eddythe Walker, and Mrs. Wilma Gee of the Primary school.

## Safety Driving Campaign Sponsored By Civic Clubs

A safety driving program is being planned by local civic clubs, in an effort to avoid serious accidents near the schools, Supt. F. A. Hemphill announced this week.

"We are very fortunate, that no serious accidents have occurred near the schools the past few years," Mr. Hemphill said, "and an effort is being made to avoid accidents happening."

Safety lanes will probably be marked off on the streets for the children, and "Go Slow" signs posted.

### Lions Club—

(Continued From Page 1)

selected as Scoutmaster of Troop 26, sponsored by the Rotary club. Wiley will meet Thursday nights with his troop at the Methodist church, it was announced today.

Rel Stephens, Scoutmaster of Troop 25 and Explorer Troop 25, has announced that Senior Scouts in his Explorer Troop will take up training in the new Emergency Service Corps at their regular weekly meetings on Tuesday night at the Legion Hall. Fifteen year old Scouts are invited.

Jim Douglass, district commissioner of Scouting in Lamb and Bailey counties, announced that a new Negro troop is being registered in Littlefield and that J. C. Coger will be Scoutmaster. Five of the Scouts are reported completing their requirements already.

Dr. M. V. Cobb, Cubmaster of Pack 25, sponsored by the Lions Club, announced that the Cub program is in full swing and that all dens are meeting regularly. Those nine, ten and eleven year old boys wanting to be Cubs are asked to apply to Dr. Cobb for membership.

## Rotary Program Is On Safety

The Littlefield Rotary Club held its regular weekly luncheon in the Methodist Church Basement Thursday with the president, Dr. Ira E. Wood, presiding.

The meeting was opened with the song, "America," led by E. A. Bill, with Miss Maxine Cash at the piano. Supt. Floyd Hemphill, was program chairman and Miss Arlene Sourrier gave a talk on safety practices and E. C. Cundiff discussed the safety program for Littlefield.

During the luncheon several numbers of popular classic music were played by Miss Cash.

### Canada Extends—

(Continued From Page 1)

strict than they were a few years ago, but it must be remembered that Canada is at war and that the United States is actively preparing to enter the conflict at any time such action is deemed the proper step by the authorities in Washington. But Americans need not hesitate in planning a vacation in Canada they are welcomed by the Canadian authorities and the Canadian people.

### Many Americans Visit Canada

We quote from a statement issued by the Canadian Government Travel Bureau, located at Ottawa, the national capital:

"Over 14,000,000 United States citizens visited Canada in 1940. This tremendous number, over 10 per cent of the total U. S. population, does not include the many millions who came to Canada for less than 48 hours; it includes only those who stayed in Canada for more than two days."

And it is our opinion that the number of American visitors in Canada this year will equal and possibly exceed the total for 1940.

We quote again from a Statement issued by the Canadian Government Travel Bureau.

"Don't take our word for the merits of Canadian vacations or for the way we treat you. Ask any one of the 14,000,000 Americans who visited us last year. Perhaps one of them was your next door neighbor. Ask him.

"He will soon tell you how easy it is to cross the border; how courteously you are received everywhere; how free you are to move about; how willingly banks, hotels and stores pay the premium on American currency; how easy it is to leave Canada when you please.

"And he'll tell you about the wonderful vacationland this great north country really is; how cool and bracing, with fine modern highways stretching in all directions, accommodations to suit all budgets and unlimited scope for every kind of holiday.

### Canada Welcomes Americans

"Yes, Canada welcomes you as never before. She offers you the freedom of her towering mountains, untracked forests, sparkling lake-lands, silver seashores, brilliant cities, lovely towns and of all her broad historic countryside."

Continuing, the statement issued by the Canadian Government Travel Bureau reads:

"Your Canadian vacation will do far more than give you a glorious time. It will help the fight for freedom. For the American dollars you spend in Canada will all go back to the United States in payment for war supplies which Canada is buying there in tremendous quantities."

We did not hesitate to quote from the Canadian Government Travel Bureau statement because we know from personal experience and knowledge that it is free from error and exaggeration.

### U. S.-Canada Friendship Growing

We know Canada of other days and we know Canada of today, and we are happy that the friendship between Canada and the United States was never stronger than at this time. Americans in Canada are visiting brothers whom the people of that nation are proud to recognize as kin.

And it is our opinion that our President should receive a liberal portion of the credit for the extremely friendly relations between Canada and the United States. President Roosevelt is held in the highest esteem by the Canadian people; they admire his plain, direct statements, his courage, his outstanding qualifications as a leader of a great nation.

Canadians are interested in everything that takes place in the United States, in our government activities, in our preparedness program, and they listen to radio talks by our President with as much interest as Americans. Sometimes it is difficult for a visitor in Canada to adjust himself to the fact that he is not at home in the United States. This is very largely due to the fact that Canadians and Americans are virtually one people with a common objective: freedom for today, freedom for tomorrow, freedom until the end of time.

(Next week we will tell you more about our trip; there is so much to write about that it is difficult to include everything that we would like to discuss.)

### Dr. Turner—

be presented Saturday night and Sunday morning.

Saturday night, the local group will be hosts to a chuck wagon supper, after registration, which will begin at 4 p. m. Supper will be served promptly at 7:30 and the hosts will be attired in cowboy regalia.

Local committee chairmen for the

entire rally include, registration, Miss Janelle Kirk; homes, Miss Margaret Bandy; program, Mrs. David Anderson; chuck wagon and transportation, J. B. Sharp and Wayne Arnold; menu, Miss Helen Sharp.

### Sudan Hornets—

(Continued From Page 1)

Slaton Friday night, and Slaton's Tigers upset the dope to defeat the Wildcats, 6 to 0, on a muddy slippery gridiron. It was a conference game.

Collier was the leading figure on and scoring the lone touchdown to the field, leading the Slaton attack climax an 80-yard drive in the first period.

Littlefield's Babe Hammons, quarterback, did some outstanding punting, and Holberg, a guard, was a prominent lineman for the losers.

In all, however, the Slaton line outplayed Littlefield's line and this made for the difference.

## Back to Work We Go

THIS is the time of year when radio studios get their annual face-lifting. Summer substitute shows move unobtrusively out, making way for the big parade of returning stars. Headline news on the radio front is the return of George Burns and Gracie Allen (1) with their new madcap series Tuesdays on NBC. After a summer at Lake Placid, Kate Smith (2) lodges up her summer home there preparatory to reuniting her Friday night Variety Hour on CBS. Ready to forsake the holiday comforts of his Hollywood home for the rigors of radio, Jack Benny (3) pictured here with Mary Livingstone, slips back into his Sunday night spot. If you want to go up to Helen Hayes' country home today, you probably wouldn't be apt to find her in her garden as pictured (4). The actress is back in Manhattan, readying her big new dramatic series for CBS Sunday nights. Another CBS Sunday dramatic feature is the famous "Screen Guild Theater" (5). Elinor Rogers, Catala Lombard, Raymond, Margo, Ackerman and Fred Mitchell go to the huddle over plans for the Screen Guild Theater which has started again Sundays over CBS. Eddie Cantor (6) cut his vacation short to appear on his Wednesday night NBC niche and make ready for his return to the Broadway stage. He is shown here with eye assistant J. J. Smith.

## Employers Are Urged To Reinstate Men

Selective Service registrants who are rejected at Army induction centers because they do not meet Army physical standards should be reinstated in their former jobs, General Watt Page, State Selective Service Director, said this week, instructing all local boards to utilize every facility at their disposal to reinstate these men.

Pointing out that the Selective Training and Service Act requires former employers to reinstate men rejected into the Nation's armed forces who satisfactorily complete their military training, General Page maintained that employers likewise have a moral obligation to reinstate former employees who were not actually inducted but who had patriotically answered a call for Service.

"A man who responds to the call for military training is fulfilling his obligation to his country. When, for some reason beyond his control, he cannot be inducted into the Nation's armed forces, he must be considered as having discharged his responsibility under the law and should be protected in doing so. Every effort must be made to prevent hardship in such cases."

General Page emphasized that the mere fact that a selectee has been rejected by the Army does not mean that he is physically unfit for his civilian occupation. Army standards, he pointed out, are very exacting as to requirements of the training program and the possible hospitalization or pensions for those who break down. For those reasons, he reiterated, the percentage of eligibles who can qualify for induction is comparatively small.

While State Selective Service headquarters is advised that most Texas employers are reinstating rejected selectees in their former jobs, the Director said, the Selective Service System wants to make certain that none is treated unjustly. Re-employment Committees affiliated with Texas' 351 local boards, he said, will aid rejected selectees as assiduously as they are assisting returning soldiers to obtain employment.

Texas local boards also have been requested to warn all registrants rejected to report for induction to arrange their affairs so as to prevent undue personal hardship should they be rejected at Army induction centers.

Local boards, he said, should advise registrants that when they are notified of their call they should point out to their employers the possibility that they may not be accepted at the induction center.

"The employer can then be prepared to replace the man if he is accepted," General Page said, "or to continue his employment if he is rejected."

General Page also suggested that any selectee who is rejected by the Army immediately notify his employer of the rejection.

### STATEMENT OF THE OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACTS OF CONGRESS OF AUGUST 24, 1912, AND MARCH 3, 1933

Of Lamb County Leader published at Littlefield, Texas, for October 1, 1941.

State of Texas) )ss.  
County of Lamb)

Before me, a Notary Public in and for the State and county aforesaid, personally appeared Morley B. Drake, who, having been duly sworn according to law, deposes and says that he is the Publisher of the Lamb County Leader and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management, etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, as amended by the Act of March 3, 1933, embodied in section 537, Postal Laws and Regulations, printed on the reverse of this form, to wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers are: Publisher Morley B. Drake Littlefield.

Editor Morley B. Drake Littlefield. Managing Editor Morley B. Drake Littlefield.

Business Manager Ethel M. Drake Littlefield.

2. That the owner is: Morley B. Drake, Littlefield, Texas.

3. That the only mortgagee is Mrs. Ulysses Dalmont, Littlefield, Texas.

Signed: Morley B. Drake

Sworn to and subscribed before me this 7th day of October 1941.

## Giant Bomber Undergoes Tests

Rolled from her hangar for the first time, the Martin XPB-2-M1 bombing plane, built for the U. S. navy, is shown at Baltimore, Md. The giant ship has a 200-foot wingspan. In the foreground is a Culver cadet plane, enabling one to make a comparison of the size. Details of armament and performance expected of the craft in current tests are not released by the navy.

### Mr. and Mrs. R. T. Badger Return From Business Trip

Mr. and Mrs. R. T. Badger returned Thursday from a business trip to Dallas, Austin and Houston. While in Austin they visited for a week with their daughter, Mrs. Aubrey Howard and children, who re-

side in the Badger home there. Mrs. Howard accompanied Mr. Badger to Houston where they remained for a few days during which time parts of the city was in darkness only for candle light caused by the destruction of electric light wires and cables during the recent hurricane. They reported heavy rains over the entire territory.

### Presbyterian Group Enjoys Supper Meeting

The congregation of the Presbyterian Church met in the basement of the Church Sunday evening for a supper and business meeting. A large percent of the membership and friends of the church were present. H. A. Bills acted as chairman. Rev. Jimmie Aiken, pastor of the Presbyterian Church of Hereford and moderator for the local church was present and discussed the building of a manse following a report by Mrs. M. M. Brittain, chairman

### OES To Honor Past Matrons And Past Patrons Fri. Night

Past Matrons and Past Patrons of the local Order of the Eastern Star will be honored at the regular meeting of the OES Friday night at the Masonic Hall. Mrs. W. J. Aldridge, worthy matron, announced. An interesting program has been arranged, and all members are urged to attend. The meeting has been called for 7:30.

## Wondering about the 1942 cars?

Here is Buick's superb solution to the problems posed by making our national defense, as it should be, industrial America's No. 1 job

**BUICK BUILDS FOR DEFENSE**

Our assignment: Building Pratt & Whitney valve-in-head aircraft engines for defense use.

IT WAS no time to duck or dodge the facts. So we didn't try.

Instead we said—these being the materials critical in the defense program, we'll do our planning for 1942 with that foremost in mind.

Not merely for an "acceptable" car—certainly not for any "ersatz" number.

We had to have a real and representative Buick. One we could be proud of. One able enough, active enough, durable enough to serve till annual new models are the rule again.

We resolved on a 1942 automobile of such merit as could carry the Buick reputation without fault until other new Buicks, however far off, could come along to refresh it.

Now we're announcing those 1942 cars.

Why waste words telling you how good they are! You can't put language in the gas tank and learn either how many or how enjoyable are the miles you'll get per gallon.

There's a better answer—you drive these cars themselves. Come on, do that! Put your own yardstick on their quality.

It would be a shame, for you and for us, to have you miss the dreadnaught Buick we've built to stand up successfully to the toughest job in years.

No other car has **ALL THIS FOR YOU IN 'FORTY-TWO**

FIREBALL STRAIGHT-EIGHT VALVE-IN-HEAD ENGINE \* COMPOUND CARBURATION (standard on most models) \* OIL-CUSHIONED CRANKSHAFT PINS AND JOURNALS \* STURDI-LITE CONNECTING RODS \* STEPON PARKING BRAKE \* BROADRIM WHEELS \* FULLY ADJUSTABLE STEERING POST \* BODY BY FISHER \* WEATHERWARREN VENT-HEATER (optional)

# WE ARE GOING TO BE BRUTALLY FRANK

The voters of Littlefield are faced with the serious question of whether they will vote \$275,000.00 bonds to enter into the light and power business. We believe they are going to decide it as a COLD-BLOODED business proposition and not on a basis of any extravagant promises or statements.

In this ad we are going to analyze the statements published by the CITIZENS LIGHT PLANT COMMITTEE in last week's newspapers and show you by THEIR OWN ADMISSIONS that the building of a municipal light plant would not be a good business proposition, even though in doing so we may have to be BRUTALLY FRANK about some of their claims.

### AGAIN THEY STATE IN THEIR ADVERTISEMENT.

"It (the building of a municipal light plant) will mean that RATES will be NO HIGHER, and if lowered, all rates (including household) will be lowered". By that statement they ADMIT in effect that they WILL NOT REDUCE RATES — all they say is that they will be NO HIGHER. We know and you know that the City will be compelled by the bond buyers as Floydada and Crosbyton and other municipal plant towns were, to pass a minimum rate ordinance FREEZING THE RATES at present levels for the next twenty years.

Since, according to their own admissions, the building of the City Light Plant WILL NOT REDUCE RATES and WILL NOT REDUCE TAXES, then WHY do they want you to vote to build it?

## The Only Reason They Give You For Building The Light Plant

is that it will make money, First, to pay the expenses of the City Government, and Second, to provide money to make the improvements they mention.

On the first question, the need of money to run the City Government, let us look at the facts and see whether that should be necessary:

They admit in their advertisement that only \$1.25 of the \$1.50 tax rate is pledged to pay the \$300,000. of bonds. This leaves 25c of the tax rate available for running the City Government, on Littlefield's present tax valuation of \$1,605,205. This amounts to \$4013.00 per year.

They state in their advertisement that the Water Department, after paying all operating expenses, makes a net profit of about \$1,000.00 per month, or \$12,000.00 a year. Therefore, the profits from the Water Department plus the tax mentioned above amounts to \$16,000.00 a year, or more than \$1300.00 a month available to pay the expense of running the City Government.

### NEED OF MONEY TO MAKE IMPROVEMENTS — WILL THE CITY LIGHT PLANT MAKE A PROFIT?

On the question of the need of money to make the improvements they have listed, it would be well to consider whether the plant will make a profit or not.

The Citizens Light Plant Committee in their advertisement argue that it will, but the reason they give for their argument is that because the City Water System is a paying proposition, the City Light Plant also will make a profit.

The Citizens Light Plant Committee also argue that the Municipal Light Plant will make money because they say they have

## STATEMENTS FROM OTHER MUNICIPAL LIGHT PLANT TOWNS,

showing that those towns are making a profit.

We wonder if those statements are like the one about Crosbyton that they so proudly circulated at the beginning of this campaign. That statement had Crosbyton showing a profit, but the statement showed that Crosbyton did not charge against its earnings the INTEREST and SINKING FUND on their revenue bonds, or any DEPRECIATION or maintenance charge, as required by Article 1113 Texas Civil Statutes. When those items were charged the Crosbyton "profit" changed to a LOSS of about \$1200.00 on their year's operation. Consider the Facts.

If you will check up on the statements they say they have, you will find that if a municipal light plant is making a profit, it is either

1. OPERATING WITHOUT COMPETITION, or
2. CHARGING HIGHER RATES THAN THE LITTLEFIELD RATES, or
3. Failing to charge against their earnings the interest and sinking fund and depreciation and maintenance as required by the law.

### THOSE NEEDED IMPROVEMENTS

They say they want to build a light plant to make money so they can make needed improvements. If the Light Plant does not make a profit AND IT WILL NOT, then you cannot make improvements out of non-existent profits, and you have simply increased your expense without benefit to anyone except the engine salesmen and the bond buyers.

The Citizens Light Plant Committee in their own advertisement ADMIT that the building of a municipal light plant WILL NOT REDUCE RATES and WILL NOT REDUCE TAXES, and offer you NO SUBSTANTIAL EVIDENCE that the City Light Plant will make a profit, OPERATING IN COMPETITION AT THE PRESENT LOW RATES.

## VOTE AGAINST THE MUNICIPAL LIGHT PLANT BONDS

# Texas-New Mexico Utilities Co.

(This Advertisement Paid for by Texas-New Mexico Utilities Co.)

We contend in this as in the previous campaign that the building of a municipal light plant WILL NOT REDUCE TAXES and WILL NOT REDUCE RATES and that since it will not do either, it is not a good business proposition.

The Citizens Light Plant Committee in their advertisement stated:

"Today Littlefield collects taxes at \$1.50 on the \$100. valuation. This is the maximum levy under state law. It cannot be raised. But also, \$1.25 of each \$1.50 levied UNDER FEDERAL COURT ORDER MUST BE PAID on bonds voted years ago to build sewer system, pave downtown streets and build the City Hall. Those bonds total approximately \$300,000. ALL OF THE CITY TAX MONEY COLLECTED GOES TO PAY ON THOSE BONDS. MANY YEARS WILL ELAPSE BEFORE THEY WILL BE PAID OUT".

By that statement THEY ADMIT that for MANY YEARS taxes CANNOT BE REDUCED, even if you do vote to build a municipal light plant.

## Why Does The City Water System Make A Profit?

FIRST The City Water System operates WITHOUT COMPETITION, whereas the CITY LIGHT PLANT will have VIGOROUS COMPETITION. WE HAVE A FRANCHISE IN THIS CITY THAT DOES NOT EXPIRE UNTIL FEBRUARY 1ST. 1975. We have a large investment here and we expect to continue in business in Littlefield for the remainder of the life of our franchise and if the City builds a light plant we expect to do our dead level best to get as much of the light and power business as possible.

SECOND: The Citizens Light Plant Committee also failed to tell you that Littlefield has one of the highest water rates of any town of comparable size in West Texas. Four thousand gallons per month is about the average year round consumption by the residential consumer. That quantity of water with your added sewer charge, costs you \$3.15 here as against \$1.65 at Plainview; \$2.00 at Brownfield; \$2.40 at Seymour; \$2.55 at Slaton; \$2.65 at Spur and \$2.75 at Levelland.

SURE, THE WATER PLANT OUGHT TO MAKE MONEY, CHARGING RATES LIKE THAT, but is that any assurance that your Municipal Light Plant will make money OPERATING IN COMPETITION with us and with ELECTRIC RATES AS LOW AS THEY ARE NOW.

## Now As To Brownfield

The Citizens Light Plant Committee also argue that Brownfield has made a profit and, therefore, Littlefield can.

They omit to tell you that Brownfield has, at all times since they started their plant, operated WITHOUT COMPETITION, and that the electric rates at Brownfield are from 30% to 100% higher than Littlefield electric rates.

They also state that Brownfield has lowered its tax rate so they only collect \$13,000.00 in taxes there as against \$24,000.00 assessed here, or a saving of \$11,000.00 per year. That is a saving in Taxes of something less than \$1,000.00 per month. Do you know how much more it would have cost you consumers of electricity, if your September bill had been figured on the Brownfield rate? It would have cost you \$3,672.66 more than the amount you paid us here for your September bills. In other words, to save less than \$1,000.00 per month in taxes you would have had to pay more than three times that amount in electric bills. Is this good business?

Action From Louis-Nova Battle

Here's a bit of action from last week's fight in which Joe Louis successfully defended his heavyweight boxing championship for the nineteenth time by scoring a T.K.O. over Lou Nova after 2 minutes and 59 seconds of the sixth round. Louis has been classified as 1-A under the selective service act and is slated to enter army life.

PHILLIPS "66" SERVICE STATION

ELTON HAWK, Mgr. Phelps Ave. — Littlefield

NOTICE

Again this year you may take a discount for early payment of your State and County Taxes and to give those who desire to take this discount an opportunity to pay their taxes in person I will visit the following places with all the records of my office, at which time and place you may get your Tax Receipts:

- SUDAN ..... Saturday, October 18th
FIELDTON ..... Monday, October 20th
EARTH ..... Tuesday, October 21st
ANTON ..... Thursday, October 23rd
AMHERST ..... Saturday, October 25th
LITTLEFIELD ..... Monday & Tuesday, Oct. 27th & 28th
BECK'S GIN ..... Thursday, October 30th
SPADE ..... Friday, October 31st

3 Percent Discount Will Be Allowed For Payment In October.

I wish to call to the attention of those who have any delinquent taxes that this is the last Month in which you may pay all your delinquent taxes without any penalty, the Penalty Remission Law which was passed this year by the Legislature recites that the Law ceases to exist on November 1, 1941. This law remits penalty on all taxes for 1939 and prior years. A large saving can be had by paying your delinquent taxes this month as on the first day of next Month (November) the following penalties by years will accrue:

Table with 2 columns: Year and Percentage. 1934 and all prior years: 46%; 1935: 40%; 1936: 34%; 1937: 28%; 1938: 22%; 1939: 18.5%

1940 delinquent taxes, which were not affected by the penalty remission law, carry a penalty of 12% this month, this will increase 1/2% each month.

If you have a Certificate of Title (WHICH IS A PHOTO-STATIC COPY OF YOUR APPLICATION ISSUED BY THE STATE HIGHWAY DEPARTMENT) to your Car or Truck and have the Title in your name, you will pay no attention to this reminder to ALL owners of Motor Vehicles that your vehicle must be titled by January 1, 1942; and that the Title must be presented next year before you will be able to get 1942 License Plates. And please take note at this time that a person cannot present himself next year, make application for a Title and register his car at the same time, the Title MUST HAVE BEEN ISSUED by the State Highway Department.

The Title Law in Texas went into effect October 1, 1939; and in making application a person is required to produce evidence he was the owner of the Vehicle before that date. If you have purchased a Car since October 1, 1939, you SHOULD HAVE A TITLE, and in the event you have bought a Car in the last 2 years and do not have a Title bring ALL YOUR PAPERS to Tax Collector's Office and let us tell you what will be required in securing a Title.

A recent amendment enacted by the Legislature reads as follows: "Every person who is more than 60 years old, or who is blind or deaf or dumb, or is permanently disabled, or has lost a hand or foot, or who is disabled Veteran of a foreign war, where such disability is forty (40%) per cent or more, shall be entitled to vote without being required to pay a Poll Tax".

This amendment adds to those previously exempt the disabled Veterans of foreign wars who are disabled 40% or more; if you are a disabled Veteran of a foreign war and have a 40% disability you must file with the Tax Collector a Notarized letter from the Veterans Bureau, which letter must be signed by the physician in charge, which will exempt you from payment of a Poll Tax. In this connection, see the Service Officer of your local American Legion Post, who will assist you in obtaining the letter above mentioned.

### ENROLLMENT AT TEXAS TECH SHOW GREAT INCREASE

LUBBOCK, Oct. 4—ROTC enrollment at Texas Tech increased 8.1 per cent this fall over last year's figure, according to Capt. Bruce D. Rindlaub, head professor. First and second-year basic training groups show increases of 9.3 and 16.9 per cent respectively. First year advanced training enrollment decreased 16.7 while second year advanced increased 7.4 per cent.

A total of 361 registered for the engineering unit military training this year as compared with 334 last year. A 40-piece military band replaces a 30-piece band of last year.

### Franklin Patrick Pledged To Socii Club At Texas Tech

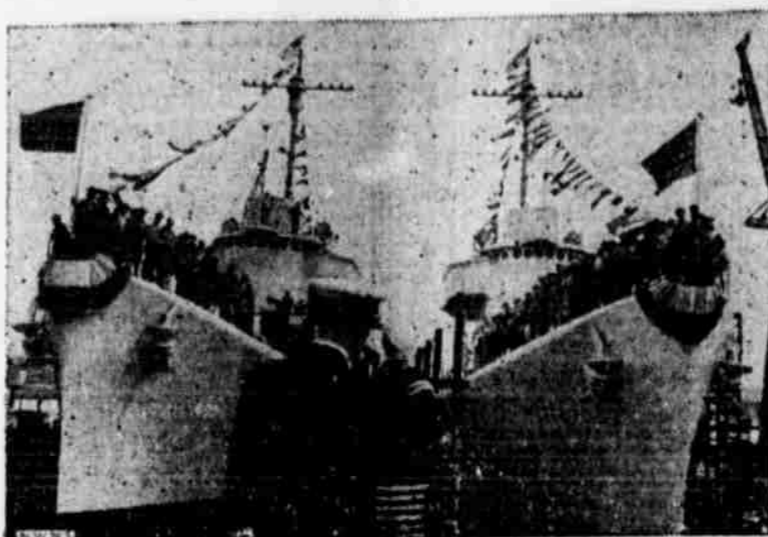

W. Franklin Patrick, son of Mr. and Mrs. Wilburn S. Patrick of Littlefield, has been pledged to Socii club at Texas Technological college, Lubbock. He is enrolled as a freshman pre-medical student.

Names of 70 men students were announced this week as prospective members of the seven men's social organizations on the campus.

Ranchmen can help prevent grass fires by plowing one or more furrows just inside the fence where pastures are near highways.

### Twin Launching of Destroyers

An officer of the U. S. navy stands at attention during the playing of the national anthem in the ceremony preliminary to the launching of the destroyers Hambleton (left) and Rodman (right) at Kearny, N. J. Representing the latest developments in U. S. destroyers, the trim fighting ships were completed in nine months.

### Best Quail Crop In Years Now Predicted For State

Austin, — Here's a little secret that the Executive Secretary of the Game department doesn't want anybody to know anything about, except the people of Texas:

The Lone Star State, he avers, has one of the best quail crops in years, and scattergun addicts are going to have plenty of fun when they take their dogs into the fields this season.

It's a little early to begin talking about quail populations and quail shooting, for the season doesn't open until December 1st, but that is the very reason he brought the subject up last week, the Executive Secretary said.

For dove hunters are in the fields blasting away, and it is not infrequent at all for them to flush a husky covey of quail, or even some ones, and the Game Department head warned sportsmen to lay off the quail until it is legal to shoot them. The season, he repeated, opens December 1st. It will continue thru January 16th., 1942.

Several things have contributed to this year's good quail population. Heading the list is the excellent rainfall that fell almost all over the State in the early months of the year. The rainfall stimulated an abundant growth of quail food plants, and other plants that quail use for cover or shelter. It also provided plenty of drinking water for the birds.

Game managers and field biologists of the Game Department have been at work for months fencing off rather small areas in farmlands or cattle ranges—areas which were plowed and planted to vegetation that would offer both food and cover

for quail. If these steps hadn't been taken, officials pointed out, quail would probably have disappeared from regions where now they are fairly plentiful.

Then the rains came and these fenced areas for bobwhites and other varieties of quail really grew. And the quail that had been depending on them for food and housing very naturally thrived. In fact, some coveys are still being hatched off. A central Texas Game Warden reported the other day that he had flushed a covey of 13 tiny quail. Some sportsmen questioned the veracity of the Warden saying it was too late for quail to be coming off the nest. But the quail experts of the Game Department will tell you that under favorable conditions quail will bring off young ones even as late as October, particularly in South Texas.

A final and very important factor leading to the good quail crop is protection—protection of the quail by the Game Wardens and other field men of the Department. And protection coming also from the hundreds of Texas sportsmen who not only protect their own quail but cooperate with the Game Department in tracking down game law violators who kill quail out of season.

### QUAIL FOOD VARIES

If a quail should unfold his napkin and tell the "chef" to bring him a sample of all the different kinds of food he really likes, he'd have more than 140 dishes around him! He's principally a seed-eating bird, and biologists of Region No. 2 of the Game Department already have counted 140 kinds of seeds taken from a quail stomach gathered in Central and North Texas. And they are still counting.

They've attempted this job so they'll know what kind of vegetation to plant on quail areas or to recommend to landowners.

The food the quail likes best is seed from a variety of plants known as Croton. Seed from panic grass seems to be well established in second place. Doves also eat Croton seed and sunflower seed in large quantities.

And johnson grass at last has a chance to pretend to some dignity. It produces nice, tasty seeds, and both quail and doves simply gorge on them.

## Allene Lynch And R. E. Pentecost Wed Sunday At Morton

Marriage of Miss Allene Lynch, charming daughter of Mr. J. M. Lynch of Morton, Pentecost of Abilene, was held at the home of her parents at 2:40 Sunday afternoon at Morton with the Rev. C. R. Blake, pastor of the First Baptist Church of Morton officiating in the ring ceremony. She was in a gold dress with brown tulle and was given away in white by her father.

Attendants were her brothers, Mr. and Mrs. John Pentecost and their small son, Marion, who was ring bearer. Allene is a graduate of West State Teachers College and Littlefield in 1938 as teacher in the Central High School. She held until 1938 and is very popular among the members and has a host of friends in Littlefield.

Mr. Pentecost is the son of Mr. and Mrs. P. Pentecost of Eastland. He is a graduate of North State Teachers College of Denton and came to Littlefield in 1938 as instructor in manual training and ball coach in the Central High School. He held until last year when he was appointed building inspector in the government department established in Littlefield at that time. He recently came to Littlefield as draftsman at Barkley at Abilene.

They have many friends in Littlefield and is very popular among the members of the schools.

The wedding ceremony was held at 10:30 a. m. and was followed by a reception of punch and wedding cake served after which the

## Miss Dora Smith And Whitlow Wallace Are Wed In Dallas

Miss Dora Smith, charming daughter of Mr. and Mrs. H. C. Smith of Muleshoe and sister to Barton Smith of Littlefield, was married to Whitlow Wallace of Chattanooga, Tennessee, in an Episcopal church in Dallas Friday evening, September 26, at 5:30 o'clock.

The bride wore a suit of victory blue with black accessories and a corsage of orchids. She was given away in marriage by her uncle Tom Green of Wichita Falls.

Miss Smith was formerly of Littlefield having attended school here at which time her father was connected with Renfro's Grocery and Mrs. Smith was at the head of the ready-to-wear department of Replins Dry Goods firm.

The couple will make their home in Dallas where the groom is in the recruiting service for the U. S. Navy.

Mrs. H. C. Smith and Mrs. Barton Smith attended the ceremony.

## Miss Juanita Cotham And Martin Teinert Are Wed Saturday Night

The marriage of Miss Juanita Cotham, daughter of Mr. and Mrs. Dan Cotham, and Martin Teinert, son of Mr. and Mrs. A. C. Teinert of Anton, was solemnized Saturday night at six o'clock at the Lutheran Church in Littlefield. Rev. E. E. Reese, pastor, officiated.

The bride was attractive in a soldier blue dress with black accessories. She wore a wreath of roses in her hair.

Attending the couple were Misses Athalia Drager, Gloria Cotham, and Evelyn Teinert, and Mr. Wilbur Zoth of Farwell.

After the wedding a supper was given in their honor at the home of the bridegroom's parents. Approximately 30 guests attended.

## Miss Raney Is Reporter For Paper At Texas University.

Miss Ethel Claire Raney, daughter of Rev. and Mrs. E. S. Raney of Amherst, was recently elected as one of the reporters from Carothers Dormitory, to serve on the staff of the Daily Texan, a daily campus paper published by students of the Texas University at Austin.

Miss Raney was selected as a reporter by a nominating committee, and was elected as reporter by acclamation.

The couple left immediately for Abilene where they will make their home on 1502 State Street.

Those from Littlefield who attended the wedding were: Mr. and Mrs. F. O. Boles and sons, Truett and Herbert and Miss Mary Ruth Boles.

## Methodist Ladies Meet At Church Monday Afternoon

The Woman's Society of Christian Service of the Methodist church met in regular session in the Fellowship hall at the church Monday afternoon at 3:00 o'clock with the president, Mrs. J. H. Sharp presiding.

The meeting was opened with the song "Faith of Our Fathers" and Mrs. A. G. Hemphill gave the scripture reading followed in prayer by Mrs. W. P. Kirk.

Mrs. H. R. Bildersback, assisted by Mrs. J. H. Lippard, gave the first lesson from the study book on Christian Homes. Those present were: Mesdames, W. P. Kirk, J. H. Sharp, A. G. Hemphill, H. R. Bildersback, Joe Aven, Y. Onstott, D. G. Hobbs, Van Clark and J. H. Lippard.

## Mrs. Ivan Fowler Entertains Thursday Luncheon Club

Mrs. Ivan Fowler was hostess to the Thursday Luncheon Club at the Littlefield Hotel Dining Room at 1:00 o'clock Thursday.

Following the luncheon the guests returned to her home on First street where three tables of bridge were in play. High score went to Mrs. Ed Fowler while Mrs. Pat Boone scored 2nd.

## Mr. and Mrs. L. W. Jordan And Betty Move To Plainview

Mr. and Mrs. L. W. Jordan and daughter, Betty, moved to Plainview last week to make their home. Mr. Jordan has been working there for several months as secretary of the National Farm Loan Association of Hale county. He held a similar position in Muleshoe for three years, prior to the time he was transferred to Plainview.

They have been residents of Littlefield since 1924, moving here from Fort Worth.

The family will be missed by their many friends in Littlefield. They have all been active in church and civic affairs. Mr. Jordan was choir director at the Baptist Church for many years, and Mrs. Jordan taught the Friendship Sunday School class since the organization was formed several years ago. Betty is a junior in high school.

## Mrs. Leon Cowen Honored With Bridal Shower

A lovely party was held in the home of Mrs. H. W. Taylor Sept. 24th, honoring Mrs. Leon Cowen, who before her marriage was Miss Jonell Reece of Sudan.

After several games and contests were enjoyed, the gifts were presented to Mrs. Cowen in a very unique manner following which refreshments of cake, sandwiches and punch were served to the following: Mesdames, Hardy Collins, B. C. Roundtree, Calvin Taylor, Austin Collins, Lillie Mueller, Grandes Eddings, Grace Roberson, Albert Cowen, W. A. Dysart, Siebert Cowen, C. V. Hill, E. Thompson, Wayne Cowen, Dessie Hollis, C. L. Rodgers, Ray Buck, Jim Johnson, P. S. Cowen, S. G. Cowen, H. Auent, George Ann and Billy Nichols, Bruce Gipson, Cuba Cowen, W. Gasdin, James Parson, Ted Royal of California and Misses, Dorothy Frances Farley and Bernice Cowen.

## Sheriff And Mrs. Hutson Visit In Yuma, Arizona

Sheriff and Mrs. Sam Hutson and their niece, little Miss Loretta Jean Brannen, accompanied by Mrs. Hutson's sister, Mrs. Charley Harvey of Bogota, returned home Saturday night after a ten day visit in Yuma, Ariz. They visited Mrs. Hutson's and Mrs. Harvey's brothers, Ernie and D. A. Smith, and their families.

Those present were: Mesdames, J. H. Barnett, L. C. Hewitt, Pat Boone, I. T. Shotwell Sr., Quinton Bellomy, M. M. Brittain, Leon Collins, Dennis Jones, Bob Badger, Bob Lewis, Ed Fowler and Ivan Fowler.

## Junior Study Club Meets At Home Of Miss Naomi Whitaker

Miss Naomi Whitaker was hostess to the Junior Study Club Thursday night at her home in Southmoor addition.

An interesting program on "Spanish Literature" was led by Mrs. J. H. Carl, and roll call was answered by members, "Identifying some historical character of Spain".

Miss Eloise Hanes presented music and discussion and Miss Thelma Davidson sang several Spanish songs accompanied at the piano by Miss Carrie Ivie.

A review of "The Four Horsemen" by Vincente Blasco Ibanez was given by Miss Sybil Wiginton.

After the program the hostess served dainty refreshments.

Those attending were: Misses Farrah Beckner, Maxine Cask, Thelma Davidson, Erna Douglass, Eloise Hanes, Carrie Ivie, Gladys Jones, Janelle Kirk, Sybil Wiginton, Myrtle Woodfin, the hostess, and Mrs. J. H. Carl.

Miss Sybil Wiginton will be hostess to the club at the next meeting, October 16.

## Mrs. Glen Young Hostess To Needle Club Thursday

Mrs. Glen Young was hostess Thursday of last week to the members and guests of the Needle Club. The afternoon was spent socially during which time Mrs. J. B. Davis and Mrs. Iris New were showered with an array of lovely gifts from members and visitors of the club.

Delicious refreshments of pie and coffee was served to members and the following visitors: Mrs. C. F. Brice, Mrs. Wylie Foley and Mrs. J. B. Davis of Muleshoe.

The next meeting will be with Mrs. Amos Swart, Thursday October 9th.

## FASHION for today

PATRICIA DOW

BRA-TOP SLIP

Pattern No. 8995—If you wear any size from 34 to 52, here's a slip which will be grand for your figure. It has panties to match, flat in front with tiny pleats and gathered on an elastic band in back. A clever four gore construction does the job of making this one of the smoothest fitting slips you ever made for yourself. The top is just as simple—yet it goes together as a figure controlling brassiere section.

Pattern 8995 is in sizes 34 to 52. Size 36 takes 3 1-3 yards of 39-inch fabric, 1 yard ribbon for shoulder straps. For built up shoulders, size 36 takes 3 1-2 yards. Panties require 1 1-8 yards.

## JOBS FOR TOMORROW

The chemical laboratories of the petroleum industry are now laying the foundation for industries of the future.

Out of their research are being created new products and more efficient ways of making old ones. Synthetic rubber, plastics, explosives, basic chemicals and scores of other essentials developed in petroleum laboratories are already being made on a commercial scale.

These scientific discoveries of materials vital to peace-time needs, as well as National defense, are opening up new fields of industrial activity.

Texas as the leading oil State is playing an important part in the creation of these new American enterprises. As a result, many young Texans now preparing themselves in our schools and colleges will find places in the industries resulting from this research.

The test tubes of today make the jobs of tomorrow.

- Are You For the City Getting Out of Debt?
- Are You for Water Line Extensions to citizens who are entitled to City water?

IS THERE \$50,000 YEARLY NET PROFIT IN THE ELECTRIC BUSINESS IN THE CITY OF LITTLEFIELD—Why not keep that profit here, and use it for the Good of All of Us?

#### WE GUARANTEE AND PROMISE:

There will be no new Taxes revenue  
The bonds WILL be paid out of Revch year to transfer to the City General  
There will be thousands of dollars easis now transferred from the Water Fund, the same as \$1,000 monthly Plant.

We can transfer it legally — we voted REVENUE bonds to build the water plant, and transfer \$1,000 each month of the profits of that plant.  
Jobs for local men in building the plant; Jobs for local men and women operating the plant.

THE BOND BUYERS TAKE ALL THE RISK — THE CITY HAS EVERYTHING TO GAIN AND NOTHING TO LOSE.

BE SURE—DON'T FORGET—VOTE FOR THE MUNICIPAL LIGHT PLANT BONDS NEXT TUESDAY

## The Flooded Highway In Downtown Littlefield Is One Of The Reasons

Why The Citizens Light Plant Committee has been organized to work for the building of a Home Owned Light Plant.

THE CITY HAS NO MONEY WITH WHICH TO DRAIN THIS HIGHWAY AND IT WILL NOT HAVE MONEY TO DO SO WITH — UNTIL SOME ADDITIONAL FORM OF REVENUE IS FOUND.

The Profits from the Home Owned Light Plant will supply the money for Draining The Oft-Flooded Highway and for many other things needed.

Your Vote For the Bonds Next Tuesday Is Needed To Build Littlefield NOT NEW YORK CITY

## This Is Not A Warning

### IT IS JUST A WORD OF CAUTION!

Prior to the August 14th City Light Plant Bond election, there were many reports that the Utilities Company had many PAID EMPLOYEE-WORKERS Therefore, we caution:

1. They may have those same workers or others, working here again
2. Some of those workers were reported before to have made misstatements of fact—one of which was to the effect that voting the bonds would increase or cause new taxes to be levied—They WOULD NOT and CANNOT NOW. The proof—read the wording of the official election notice in the box just below.

#### Section Two of the Official Election Order: II.

In the event the said bonds are authorized to be issued by a majority vote of the qualified electors of said City, voting at said election, and the same are issued and sold, the holder or holders of such bonds shall never have the right to demand payment thereof out of any funds raised or to be raised by taxation; and each bond issued or executed in pursuance of such election, shall contain this clause:

"The holder hereof shall never have the right to demand payment of this obligation out of any funds raised or to be raised by taxation."

3. Some paid workers might be people that you know, and would never suspicion of being in the pay or employ of anyone.
4. Citizens Light Plant Committee has NO paid workers—each of us is working without thought of pay—for the betterment of our city—yours and ours.

GET THE FACTS ON THE ELECTION FROM ANY MEMBER OF THE COMMITTEE. WHO ARE FOLKS YOU KNOW ARE NOT PAID WORKERS.

## Palace To Present "Dr. Jekyll And Mr. Hyde" Saturday Midnight, Sun. and Mon.

Stars, thrills, drama, all combine to make "Dr. Jekyll and Mr. Hyde" at the Palace Theatre one of the season's most exciting films. Spencer Tracy plays the dual title character, Ingrid Bergman is seen for the first time as a "bad girl", and Lana Turner is cast as Tracy's fiancée.

It is Tracy's delineation of the dual personality of the good Dr. Jekyll and the evil Mr. Hyde which again proves his artistry. He had no need for superfluous horror make-up for Mr. Hyde. His change of facial expression achieved even more than any make-up could have done.

Miss Turner definitely steps into the category of dramatic actresses as Beatrix Emery. She injects a spirited flavor to the role of the Victorian girl who is willing to defy convention for the love of her sweetheart and more than justifies her recent elevation to stardom.

More superlatives may be used to describe the performance of Ingrid Bergman as Ivy Peterson, barroom entertainer ill-fated from the moment her path crosses that of Jekyll. Her scenes of terror before the menacing Hyde will long be remembered.

Director Victor Fleming brilliantly handled the unfolding of the story.

### Miss Nella Casement Conducts Training Course At Bapt. Church

Miss Nella Casement, an approved worker in the Training Union work among Texas artists, led the First Baptist Church in a very helpful week of study from Sept. 29th through Oct. 3. The enrollment in all classes reached a total of 134. The Elementary Department was reorganized. Mrs. Herbert Dunn was elected as Leader with the following workers in this department: Mrs. Tom Matthews and Mrs. Fred Nix, Primary workers; Miss Eyle Byers and Mrs. Norman Renfro, Beginner workers.

A new Union in the Adult Department was organized for the young married people, with twelve charter members. Mr. W. O. Hampton is Director of the Training Union Department, with Mr. Roland Wiley as Associate Director.

A girl, Heilda Elizabeth, to Mr. and Mrs. R. D. Barrett, Oct. 2nd, in the Littlefield Hospital.

### Three-in-One

Gravity, glee and glamour—you don't often get all three in one picture, but here they are. Gravity is supplied by John ("Shipwreck") Kelly, shown arriving in New York with his bride, the former Brenda Frazier, who gives us the glamour. The glee is furnished by an army private who crashed the picture with high society.

### Local Oliver Dealer Attends Dallas Meeting

Mr. and Mrs. Lon Campbell made a business and pleasure trip to Dallas last week.

Mr. Campbell attended a meeting of the dealers of the Oliver Implement & Equipment Company, which was held at the Oliver House, where about 200 or more gathered. He also attended a demonstration of all new machinery on the Slaughter farm east of Dallas.

Climaxing the day's activities, a banquet was given at the White Plaza Hotel, which Mr. and Mrs. Campbell had the pleasure of attending.

George Bodkins, Oliver dealer of Olton, also attended the meeting and banquet.

## Personals

Baybo Davis of Sulphur Springs, who is a student in Texas Tech, was here Wednesday visiting his sister, Miss Mary Ida Davis, who is a teacher in the Littlefield schools.

Mr. and Mrs. L. C. Kelley of Wichita Falls spent the week-end here visiting Mrs. Kelley's parents, Mr. and Mrs. L. C. Scott and sisters, Mrs. Carl Smith and family.

Mrs. J. E. Brazzil, of Gatesville, left Saturday after spending a week in the home of her son and daughter-in-law, Mr. and Mrs. Wilson Brazzil.

Otto Fair underwent an Appendectomy at the Payne Shotwell hospital Thursday night at 8:00 o'clock. He is getting along nicely at this time.

Mr. and Mrs. H. N. Harkey, and Mrs. Harkey's brother, Hub Hyatt, visited in Spur Sunday.

Star Haile left Sunday for San Diego, Calif., where he will visit his son, Barte, who enlisted in the United States Navy recently. Barte will attend school in California.

Odell Pumphrey, son of Mr. and Mrs. Clay Pumphrey, who is attending Texas University as a student in pharmacy, has accepted a job with the Hirsh Drug Co. in Austin.

Mrs. Maude Street is having her house on east 5th street redecorated throughout. The floors will be sanded and polished and the exterior painted. When the work is finished the house will be occupied by Mrs. Ethel Stewart and her mother.

Mr. and Mrs. Leo White are driving a new 1942 Ford V8 purchased Saturday.

Mrs. L. E. Beran and Mrs. Jake Hopping were Lubbock visitors Saturday.

Mrs. H. N. Banks spent the week-end in the home of Mr. and Mrs. Henry Banks.

Mr. and Mrs. Leo White accompanied Mr. and Mrs. Henry White to Lubbock Saturday.

Mr. and Mrs. Geo. Thompson and daughter, Britty Sue, of Lubbock, were guests in the home of Mr. and Mrs. Dennis Jones Sunday.

Mr. and Mrs. Bill Yeary and daughters, Bobbie and Billie spent the week end in Sundown visiting Mr. and Mrs. Raymond Gill.

Mrs. M. G. Keller and daughters, Hazel and Francis, accompanied by Miss Lucy McWade of Earth were Littlefield visitors Saturday.

Mr. and Mrs. Jim Ester and daughter, Ganell, visited Mrs. Ester's parents, Dr. and Mrs. J. D. Davis, of Roby last week.

Mr. and Mrs. Arthur Mueller and children spent Sunday visiting in Lubbock.

## Bert Dow And Son Attend Funeral Of John Dow In Okla.

Bert Dow, accompanied by son, Roy E. Dow of Camp W. near Mineral Wells, left Sunday to attend the final rites of Mr. Dow's sister-in-law, Mrs. John Dow, Guymon, Okla.

They returned home Monday night. Corp. Roy E. Dow is on 10-day furlough, visiting friends and relatives here.

## Attend Reunion Of 36th Division At Fort Worth

Mr. and Mrs. L. B. Holt, Mrs. Cape Hart and Al Brown, all of Olton, and Sheriff and Sam Hutson and Lake Bell, Littlefield, attended the 36th Division Annual Reunion at Fort Worth Saturday and Sunday.

They report an enjoyable time.

### CONDITION IMPROVED

Mrs. Dee Wilks, 34, of Spring is "resting better" at Lubbock hospital. She entered the sanitarium Saturday night for treatment of face, arm and shoulder burn suffered when a pressure cooker exploded Wednesday of last week. Her husband is a farmer.

### TAKE 2 PRISONERS TO HUNTSVILLE

Sheriff Sam Hutson and Deputy Sheriff Sid Hopping delivered prisoners to Bud Russell at Huntsville this week to be taken to the Huntsville Penitentiary. Both are reported to have received two years.

## Miss Harrison And Jake Whisenhunt Wed Saturday Last

The marriage of Miss L. Harrison and Jake Whisenhunt was solemnized at the home of the bride's parents, Mr. and Mrs. Harrison on west 3rd Sunday, Oct. 4, at 9 o'clock in the evening, with Bro. T. L. King, Church of Christ minister, performing the ceremony. Her only attendant was her cousin, Miss DeJames and Robert Dysart.

The bride chose a Copenhagen crepe dress with black accents and the bride's maid wore a Copenhagen blue with contrasting accessories.

Those present at the ceremony were: Mrs. W. A. James and children, Donald and Wynonne; Mrs. A. Bales and daughter, Gladys; Mrs. F. C. Beyer and daughter, Norma; and Mrs. M. S. Wise, Laura Belle Pace, Nichols, W. J. Williams, Miss Williams, Joe Miller, Misses Price, Oneta Ratliff, Dorothy Hayes and Alvin Long, Mr. Mrs. Pick Thomas and daughter Christine; the bride's parents, and Mrs. Cal Harrison and Delbert.

The couple will make their home in Amherst.

## Members Tuesday Night Club Guests Of Mr. And Mrs. Lyman

Mr. and Mrs. Ben Lyman entertained the members of the Tuesday Night Bridge Club in their home west 2nd, street Tuesday evening at 7:30.

Roses and Marigolds decorated entertaining rooms where the tables were in play.

L. C. Hewitt scored high for men, while Mrs. J. H. Barnett high for the ladies.

Refreshments were served to following members: Messrs. Mesdames L. L. Collins, L. C. Hewitt, J. H. Barnett, Sam Batten, Boone and Ben Lyman.

## Local People To Attend Football Game In Dallas

Mrs. A. R. Hendricks, Mrs. Fowler and Mrs. W. J. Chesher will leave Wednesday morning for Dallas where they will visit this week-end. Mrs. Hendricks, Mr. Fowler and Mrs. Chesher will join them Friday, when they will attend the football game between the Texas Longhorns and the Oklahoma University Sooners.

Mr. and Mrs. W. D. Watkins and Mr. and Mrs. Pat Boone will also go to Dallas Friday and attend the game. Mr. and Mrs. Boone will bring their son, Pat, Jr., who is a student at Texas University.

## New Scout Troop Organized This Week At Whitharrel

A new Boy Scout Troop No. 1 was organized at Whitharrel this week, with Lee J. Warren, Scoutmaster Dwight Lindsay as assistant and R. B. Carnos, T. Robertson and B. F. Rutherford, committeemen.

### Shower Given Honoring Martin Teinert Friday

Martin Teinert of Anton, Miss Juanita Cotham was a lovely bridal shower given by the Lutheran church on Friday night.

The number of games and "42" were enjoyed by those present.

Admiring the lovely gifts given to Mrs. Teinert, delicious refreshments were served to Rev. E. H. Riese, Mr. and Mrs. Rumbach and family, Mr. and Mrs. Drager and son, Martin, Mr. Dan Cotham and family, Mrs. Alvin Teinert and Mrs. Pauline Peck, Mr. and Mrs. Birkelbach and son, Lonnie, Mr. and Mrs. Ed Zybura, Gerald, Mr. and Mrs. E. C. family, Mr. Herman Synn and children, Mr. and Mrs. Elliott, Mr. and Mrs. E. B. son, Leroy, Mr. and Mrs. Barbara and Mamie, Mr. and Mrs. Gohlke, and Misses Teinert, Athalia Drager, Synatsch, Ruth Drager, Edith Jane, and Lennie Gene Adeline Schramm of Warda, Ludwig Teinert and Gustav and Clinton Walther Warda, Texas, and the hostess, Mrs. Martin Teinert. Refreshment gifts but were unattended.

### Mrs. Julia Shaw To Return Here

Mrs. Julia Shaw, mother of Gus M. Shaw will return to Littlefield Sunday for a visit in the home of Mr. and Mrs. Shaw.

Mrs. Shaw has passed her 91st birthday and is quiet active and alert. Miss Myrtle Marion Shaw, who is teaching in the Knox City schools, went to Gladewater last week end and brought her grandmother to Hamlin, where she will remain with a nephew until Mr. Shaw goes for her Sunday.

### Mrs. Lawrence Minor Honors Husband At Birthday Supper

Mrs. Lawrence Minor surprised her husband Sept. 29th with a birthday party and supper at their home on west third street.

The guests assembled at the home of his sister and brother-in-law, Mr. and Mrs. M. C. Moody, and they all went in a body to the Minor home. Upon arrival the usual birthday greeting was sung and a huge birthday cake with candles which had been prepared by Mrs. Minor was presented the honoree. Following a delicious meal a large array of gifts were displayed.

Those present were: Mr and Mrs. J. W. Minor, parents of Mr. Minor and Blain and Frederick, brothers, all of Morton; Bill and Preston Thompson, of Lorenzo; Mr. and Mrs. Clyde Chappel, Mr. and Mrs. C. M. Moody, Mrs. Annie Abernathy, Mr. and Mrs. M. C. Moody and children, Dorothy and Joyce, and Miss Verna

### Mrs. Sam Rumbach Hostess To Auxiliary Monday Afternoon

Mrs. Sam Rumbach was hostess to the Ladies Auxiliary of the Presbyterian church Monday afternoon at 3:00 o'clock, with the president, Mrs. G. M. Shaw, presiding.

The meeting was opened with the song "Into My Heart" followed in prayer by Mrs. Douglass. Mrs. Rumbach gave the devotional reading from the 19th. chapter of Matthews. Following the business session a bible quiz was led by Mrs. Douglass.

Refreshments of apple strudel with whipped cream and spiced tea were served to the following ladies: Mesdames, Kate Gimmell, G. M. Shaw, Neal A. Douglass, C. H. Milburn, Selma Yohner, J. D. Hagler, Jimmie Brittain, Mancell Hall, J. S. Hilliard, and Rumbach.

### Billie June Chesher Honoree At Birthday Party Monday Last

Complimenting her daughter, Billie June, on her tenth birthday, Mrs. W. J. Chesher entertained a group of children Monday.

The children were brought to the Palace Theatre by school bus, at 5 o'clock in the afternoon, where they enjoyed the hour comedies, following which they were served refreshments at the Palace Confectionery, including ice cream. Favors were balloons and suckers.

The honoree received a large array of much appreciated gifts.

Those attending the birthday party besides the honoree, were; Ozzie Milligan, Donald Green, Guy Sanders, Donna Richardson, Verna Lichts, Terrell Northcutt, Patsy Sinclair, Joyce Caraway, Joan Gillispie, Forrestine Crowley, Katherine Apperson, Jackie Evans, Juanita Penner, Olga Ansneck, Ellen Webb Massengill, Betty Cowen, Oma D. McCormick, Weldon McCarty, Eugene Edwards, Emma Lou Bolton, Tommy Matthews, Edith Emmons, Dan Jackson, Kenneth Ewins, Peggy June Godal, Donna Joy, Sammy Jern, Gene Jones, Billy Rex Lakey, Georgia Shore, Doretta Wilson.

James B. Johnson, Garry Pass, Dianne Hall, Leland Stone, Chas. Clark.

Others sent gifts who were unable to attend.

Ed Key, Sue Watkins, Kay Hendricks, Donna White, G. L. White, Polly Lou Potter, Connie Ray Hopping, Dianne Kinkler, Joan Thornton, Garland Thornton, Sammy Jane Batton, Catherine Lewis, George Porcher, Billie Marie Hopping, Coke Hopping, Jackie Farr, Billy Orr, Clo Dess Lindley, Connie Ray Loyd.

### Luncheon Club Entertained By Mrs. Grover Dennis

The Tuesday Luncheon club met with Mrs. Grover Dennis in the Delmont apartments Tuesday afternoon at one o'clock.

The entertaining rooms were decorated with roses where, after the luncheon the following members enjoyed an afternoon of bridge: Mesdames F. O. Boles, V. S. Cassel, Hugo Kinkler, Herbert Martin, O. K.

### Tom King Is Advanced To Sergeant

Tom King, who is an instructor in aviation at Shephard Field, Wichita Falls, received his advancement from Corporal to Sergeant last Friday.

He was a student in the Littlefield schools and enlisted in the Air Corps August last year.

Woodall, Stanley Doss, E. B. Luce and Grover Dennis.

**ISSUANCE OF NEW DRIVERS LICENSES TO BE DELAYED**

AUSTIN, (Special to Leader), Oct. 5 — Issuance of long-awaited new drivers licenses in Texas, scheduled to begin Oct. 1, will be delayed a week or ten days, State Police Director Homer Garrison announced this week.

Garrison said paper stock for the printing of applications and other supplies, ordered more than two months ago, have just now been received. "Several days will be required for printing and distributing the applications," he said. "We're going to get started as soon as humanly possible."

Due to be renewed by Dec. 31 are all old licenses numbered from 1 to 450,000. Licenses bearing numbers above 450,000 will be renewable at later periods.

Applications for renewal will be available from Highway Patrol offices, Driver's License Examiners, sheriff and police departments, banks and other public places, or by writing direct to the Department of Public Safety in Austin.

Applications must be executed on a typewriter or printed in ink and mailed to the department in Austin along with a 20-cent money order or cashier's check. Stamps or personal checks will not be accepted. The new licenses, good for two years, will be mailed to applicants from Austin.

Persons renewing licenses will not

**Tidwell Carnival To Be Here Next Week**

One of the largest carnivals in the southwest, sponsored by the Fire Department coming direct from New Mexico State Fair, the T. J. Tidwell long caravan of motor trucks starts arriving in Littlefield early Sunday and by nightfall it is expected all show paraphernalia will be on the grounds north of the Seely Football Field on Highway 7 to be erected for the opening on Monday. There are 30 riding devices and tented theatre attractions carried by this well known and thoroughly well liked carnival manager, Mr. "Tommy" as most of the personnel call him, many of the employees having been on the show for at least ten years.

The Fair association have strived to give the public a real "FUN-ZONE" with every late ride in operation for the thrill-seekers, however the real small youngsters will have plenty to keep them interested also. This great long midway is internationally known, with plenty of girls, dancers, singers and musicians in the many tented attractions, and a dandy old minstrel revue with famous colored entertainers, a huge circus side show with its collection of oddities from all parts of the world, funhouses where you laugh, athletic arena, Hollywood Monkey Circus, Red, Hot and Blue, Miss America, and many other equally fine shows. The Rollo-O-Plane, a 3 way sensation has the young folks lined up for the next ride all the time, the Scooter is usually the last one to quit every night, with lots of folks seeing the sights of breath taking beauty from atop the Twin Ferris wheels, twelve other rides line the beautifully lighted midway. Bob Cox, Fire Chief states this is one of the best carnivals on the road. Speaking of free attractions, the T. J. Tidwell shows are presenting Leo "Suicide" Simon, who dives into a great tank of lighted gasoline, with all his clothing saturated and lighted 150 feet in the air before he leaps. This has been designated as the world's thrilling and death defying act. Then too, "Queenie" one of America's finest trained elephants appears each afternoon and evening, after which she is used to let the children ride on. Plan now to spend several days at the carnival next week, all new this year.

**Mr. and Mrs. O. K. Woodall Return From Washington, D. C**

Mr. and Mrs. O. K. Woodall returned home Thursday from Washington, D. C. where Mr. Woodall attended a conference for superintendents of rural electrification projects. Superintendents attended from Texas, New Mexico, Arizona and California.

Enroute to the National Capital, they enjoyed a sightseeing tour through Nashville, Tenn., where they visited the former home of Andrew Jackson.

The group from Texas, totaling about 50 superintendents and their wives, arrived in Washington, dressed in typical cowboy regalia, and created quite a sensation among the easterners during their entire visit there.

While Mr. Woodall attended the many business conferences and schools of instruction, both day and night, Mrs. Woodall accompanied other women from Texas on sight-seeing trips.

Among the places visited by the group were the Washington Monument, Arlington cemetery, Lincoln Memorial, Ford Museum, Smithsonian Institute, Congressional Library, International Eastern Star Temple, and the Washington Cathedral. They enjoyed a guided tour through the Capitol, sat in the Senate a few hours, and visited the house of Representatives.

Mrs. Woodall saw the Duke and Duchess of Windsor as they rode

have to take an examination unless they have had records for traffic violations or collisions.

**Connally Wins Hard Fight On Tax Legislation**

WASHINGTON, D. C.—Special to Leader—Senator Tom Connally, during the passage of the tax bill, again fought for and triumphed in the elimination from the bill of provisions depriving married couples in the eight community property states, of which Texas is one, of the right to file separate income returns.

Being the lone Senator from a community property State on the Finance Committee, the Texas Senator was out-voted in committee; however Connally carried his fight to the Senate where he was able to muster sufficient votes to force the Finance Committee Chairman to strike the provision from the bill. This action will save the tax-payers of Texas millions of dollars each year.

Connally in his service in both the House and Senate has been an ardent supporter of State rights under the community property law.

**"Dive Bomber" To Be Presented At Ritz This Week End**

On Saturday midnight, Sunday and Monday, the Ritz theatre will present the technicolor all thrill picture "Dive Bomber", co-starring Errol Flynn and Fred McMurray.

"Dive Bomber" is the story of a surgeon who decides to become a flight surgeon, necessitating training as a pilot. With the cooperation

past the house where she and Mr. Woodall stayed while in Washington. The Duke and Duchess were enroute to the British Embassy in the capital.

Both Mr. and Mrs. Woodall visited the new National Airport near Washington, and Mount Vernon.

They returned via Richmond, Va., and Winston Salem, North Carolina, where they enjoyed the R. J. Reynolds Tobacco auction.

**Scout Executive To Visit Texas**

Dr. James E. West, chief Scout Executive of the Boy Scouts of America, New York, will visit Texas for the first time, coming to Lubbock, Texas, Thursday, October 23. Scouts, Cubs and all will be able to hear him that day it was learned this week.

**Mrs. A. S. Bolton Hostess Littlefield H. D. Club Thursday**

The Littlefield Home Demonstration Club enjoyed one of its largest and best meetings of the year, Thursday, Oct. 2, in the home of Mrs. A. S. Bolton.

The Home Demonstration agent, Miss Beatrice McCurdy was present and gave an interesting demonstration on candlewick bedspreads. All club business was attended to and meeting adjourned.

Delicious refreshments were served by the hostess. Members present were: Mesdames W. H. Roberts, L. L. Massengill, W. O. Yeary, Mike Brewer, Bernice Evans, Joe Guthrie, M. J. Wilson, R. L. Byers, W. H. Walston, E. D. Birkelback, A. S. Bolton, T. M. Dorman and A. C. Ates. Visitors were: Connie and Carrol Wilson, Ida Jo Brewer, and Mrs. Emma Bates.

Next meeting will be held, October 16, in the home of Mrs. Vernie Evans and new officers will be elected. All club members are urged to attend.

**DEFENSE SAVINGS STAMPS SALES SHOW INCREASE**

WASHINGTON, D. C.—Sale of \$4,453,748 in Defense Savings Stamps during August showed an increase of 30 per cent over sales for July, the Treasury Department has announced.

of the Army Corps, this film outranks everything in thrills since "Hell's Angels!"

**Entertain Teachers At Walker Home Saturday Night**

Miss Myrtle Woodfin entertained a number of the teachers at the home of W. H. Walker on west 5th street Saturday night at 7:00

o'clock. The evening was spent in rummy and refreshments served to the following teachers: Ruth Jordan, Janelle Kirt Stithe, Lois Riggins, Sybilton, Thelma Davidson, Carleton and Myrtle Woodfin.

*For 1942—a Beautiful New*

**FORD**

**"6" OR "8"**

IN THESE UNUSUAL TIMES we invite you to inspect an unusual new car—new in its beauty, its comfort, its choice of two fine 90 horsepower engines, 6 cylinders or 8.

See it and you sense at once that here is new style that will stay good for years. On a lower, wider chassis, we have designed new long, low, wide and modern lines.

Interior treatment is entirely fresh, distinctive, pleasing. The beauty of this Ford will more than hold its own in any company.

Inside, the car is big—wide across the seats, generous in knee-room, leg-room, elbow-room.

On the road this year you find the "new Ford ride" still further advanced in its softness, quietness, steadiness and all-round comfort.

At the wheel, you will find driving easier than ever. Steering, gear-shifting, action of the big and sure hydraulic brakes have all been made smoother and easier.

In quality, the car is sound to the last detail. Defense requirements have all been met without a single reduction in the basic and lasting goodness of the Ford mechanically. Some new materials have replaced old ones, usually at a greater cost to us, but in every case the new is equal to or better than the old.

If your family needs a new car, go see and drive this Ford. For what it is today and for what it will be through the years ahead, we believe that you will find in it more and better transportation for your money than you have ever found before.
