Littlefield's Revenue for 1948 Totals \$57,039.62

Taxes Represent \$9,183.70 Of Amount Collected \$7,845.92 Received From Fines And Parking Meters

The City of Littlefield collected \$15,922 from fines and parking meters during 1948, according to City Clerk W.G. Street. This plus \$49,70 in taxes brought the City revenue to \$57,039.62 for the year.

The total in fines \$6,868.17 was docketed fines, which consists of fine other than parking meters. compares with the \$5,416.48 in during 1947 to show a \$1,39 increase.

The parking meters were worth \$76 during the year. The meters brought the City \$305.25 during the time they were in use during 1948.

Taxes were naturally the big item. \$49,183.70 collected through January 25 was about sixty-nine and half per cent of the total roll of \$77,466. This was derived from taxes on city property at a \$2.15 total roll in 1947 with the 1.50 rate amounted to \$45,128.39 at 76 per cent was collected through January 25, 1948. It amounted \$4,260.89.

Extension Course Offered Teachers in this area

Education Extension course will be offered to teachers of Littlefield public schools and surrounding area beginning February 3. The course from Texas Technological College will be a workshop in curriculum and instruction.

The course is Education 4316 and counts 3 semester hours as graduate or undergraduate, High School elementary administration or metropolitan.

Interested persons may notify the Littlefield school system authorities in Littlefield to the class at 7 P.M. February 3.

Two Day Irrigation School to Be Held at Amherst Thursday, Friday

A two day irrigation school, originally scheduled for the week before at Amherst, and called off because of inclement weather has been moved today and tomorrow and will be held at the Amherst School Auditorium.

Part in the school will be: Thurmond of Lubbock, Associate County Agent at large in Irrigation with the Extension Service, Miles Dimmitt, Irrigation Specialist with the Soil Conservation Service, Ed Eaton, County Agent, Dick Perdue, District Conservationist; J.E. Heins, Administrative Officer for the A. Walter Williams, Work

S. A.C. Chesher Expected to arrive home this week

S. A.C. Chesher, who has been a patient in the Neurological building of Presbyterian Hospital in New York City for the past two months, underwent an operation on her leg and is reported to be able to stand walk some, and is expected home this week.

Chesher went by plane Saturday to New York City, and is accompanying his wife on a sleeper D.D.C. train to Dallas, from which point she is expected to come by train. Chesher is expected to arrive home this week.

Chesher is reported to have returned to the operating table eight days ago.

Earl Chesher, brother of the Chesher brothers here, is in charge of the Neurological building of this hospital and is also on the State Board of Presbyterian hospital is said to have given blocks of space.

About 300 farmers Attend Field day

Between 250 and 300 farmers of this area attended the Lamb County Soil Conservation district Field Day Friday at Walter Gray's farm 3 miles east and half mile south of Littlefield.

Demonstrations were given on underground pipe, siphon tubes, splices, canvas hose, soil probe and auger at the Gray farm.

The group left after a luncheon served by the Oklahoma Avenue Home Demonstration Club in a convoy for further demonstrations at the McQuatter, Fowler and Bagwell farms.

They saw demonstrations of hench managed pastures, and contour leveling at these three farms.

With the exception of the mud the field day was termed successful by those attending.

Members of the board of supervisor of the Lamb County Soil Conservation district are C.H. Messer, chairman, A.J. Dutton, secretary; Wallace Gosdin, C.C. Byers, Raymond Cooper.

Remains of Cpl. Chapman scheduled To arrive Feb. 5.

According to information received by J.E. Chisholm, head of the Veterans of Foreign Wars here, the remains of Cpl. John Henry Chapman, of the Marines, who lost his life in World War Two, Oct. 7, 1944, will arrive in Littlefield Saturday, February 5.

The remains will be shipped from Fort Worth February 4. Funeral services are expected to be held the following Sunday.

Two Men Charged With Liquor Law Violation

Sheriff Sid Hopping reported two men, J.C. Moore and Raymond Williams both negroes, have been charged with Liquor Law violation and that each has made bond of \$1,000.

He also said D.H. Barnes, Jr., had paid a \$200 fine in County Court for a traffic violation.

Luther League Holds Meeting At Birklebach Home

The Luther League of the Saint Martin's Lutheran Church met at the home of Emil Lee Birklebach for its regular meeting this week.

The new president, Gilbert Wolf, presided over the topic and discussion meeting. Approximately 20 members and visitors enjoyed the game and lunch served by the hostess.

LOCATION MADE FOR WILDCAT FIVE MILES SOUTHWEST OF CITY

Reports indicate that plans are underway for the drilling of a wildcat five miles southwest of Littlefield.

The location has been reported made by the DeKalb Agricultural Corporation, one mile east of Weeks-Bagwell Gin, and three miles south.

Workers were busy drilling a water well Friday. The oil rig was on the ground, and all preparations underway for the putting up of the equipment.

Federal Savings & Loan Assn. Elect Officers Thursday

At the annual meeting of the Littlefield Federal Savings and Loan Association held at 7:30 P.M. J.C. Hilburn was reelected President of the Association for the coming year. J.T. Elms and Pat Boone were reelected Secretary-Treasurer.

Wolfe Shaw, J.H. Lee and L.C. Hewitt were reelected directors for a term of three years. The other directors are Floyd Coffman and A.P. Duggan, Jr.

Lamb County Far Behind Quota In March of Dimes

With the March of Dimes campaign closing January 31, Lamb County is far behind her quota of \$5000 in this campaign to aid in the combat of the dreaded disease of polio.

Sudan is the only community so far who have raised their quota of \$750. Mrs. L.E. Slate is Chairman of the Sudan Committee, and reports they have raised in excess of the quota.

Littlefield's quota is \$2500.00. Towards this amount there have been contributed to date \$463.15.

Included in this amount are \$332.45 contributions taken up at the Palace and Ritz theatres, \$10.00 from the Do-Si-Dd Club; \$10.00 from Emanuel Lutheran Church, \$10.00 from the Jayettes; \$5.70 from the Rotary Club; \$10.00 from the Sod House Dem. Club, \$10.00 from the Junior Study Club; \$25.00 from Onstead's and smaller amounts from individuals.

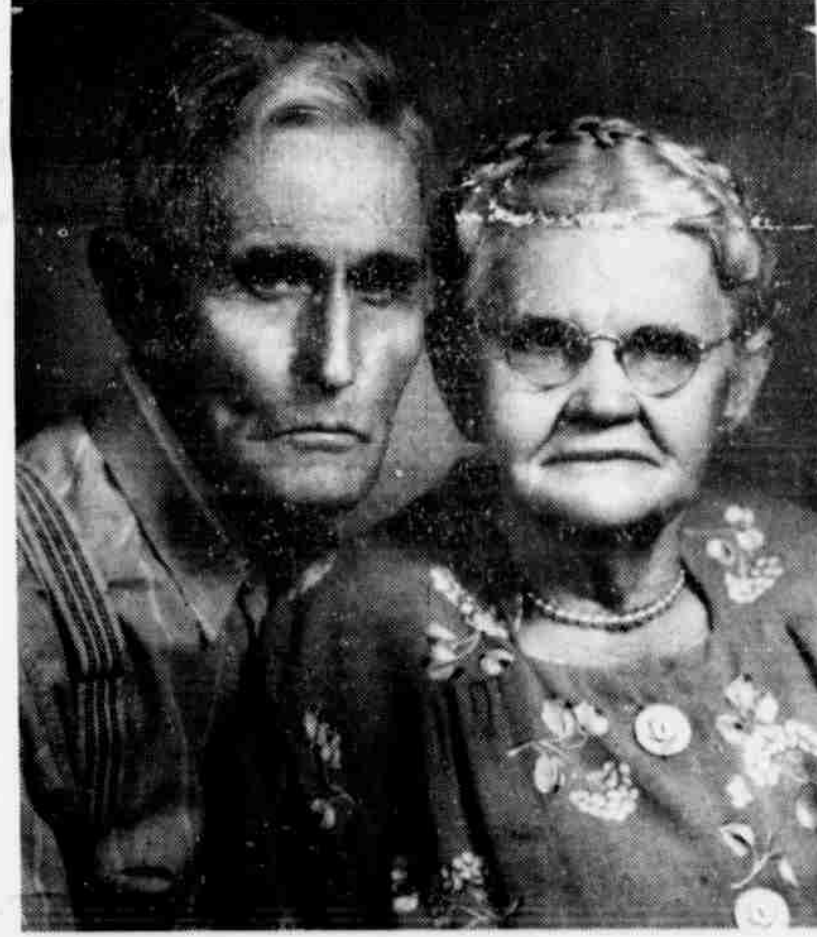

Everyone is urged to get behind this project, and send their contribution to the Chairman of their various communities, or to G.M. Shaw, County Chairman, Littlefield, and Miss Doris Ratliff, Secretary, who may be contacted at Dunlap's.

Committee Submits Holiday Schedule

Douglas Howell was elected chairman of the Retail Merchants committee of the Littlefield Chamber of Commerce by committee members at a meeting Tuesday morning. The committee also adopted a tentative holiday schedule to be submitted to Littlefield businessmen for approval. The four dates are Monday, July 4, Friday, November 11, Thursday, November 24 and Monday, December 26.

The committee is composed of Jim Crump, Weldon Findley, Vernon Hockett, Irving Onstead, Henry Banks and Frank Anzeline.

Observing 60th Wedding Anniversary

Mr. and Mrs. B.A. Michael of Littlefield will observe their 60th wedding anniversary Sunday next at open house, which will be held in the American Legion Hall from 2:30 until 4 P.M.

Mr. and Mrs. Michael, who are 87 and 78 years of age, are the parents of nine children, eight of whom are living, all their children and their families are expected to be present to observe the anniversary.

Their children are: Mrs. R.L. Gray of Wichita Falls, Mrs. H.C. Carr of Littlefield; Mrs. J.A. Talburt of Hart

Camp; Mrs. R.W. Mitchell of Herford, Texas; Mrs. W.C. Parkey of Hart Camp; Mrs. Guy Rhodes of Amherst; and Mrs. L.C. Stephens of Bakersfield, Cal.

Mr. and Mrs. Michael have been residents of Littlefield for the past ten years, previous to which they lived with their daughter and son-in-law, Mr. and Mrs. J.A. Talburt of Hart Camp.

They moved to Amherst in 1928, and lived in this area continuously since that time.

Geophysical Service Crew Arrive Sunday to Work Littlefield Area

A crew of 14 men, employed by the Geophysical Service, Inc. of Dallas working for the Seaboard Oil Company, arrived in Littlefield Sunday for the purpose of testing this area.

Paul Sandusky is Party Chief for the crew. The group expect to be here sometime and to cover this area. This Company sent a crew here about three years ago who did some survey work.

Library Remains Open At Noon Hour

As announced by Miss L.E. Hubbard, the Littlefield Library is remaining open during the noon hour on to give the store clerks and other employees who are not able to visit the Library during work hours, an opportunity to check out books.

On these days the Library is open from 12 to 5:30 P.M. and on Thursdays and Saturdays it is open from 1 to 5:30 P. M.

Attend two day Radio clinic

David Eaton, County Agent, and Miss Dudley Hambright, Home Demonstration Agent, attended a two day radio clinic at Lubbock this week.

The Clinic was underway from Monday until Wednesday.

This event was sponsored by the several radio stations in Lubbock. The Lamb County delegates returned to Amherst Wednesday.

Payment of Poll Taxes Lags Behind Normal

Only 2,205 voters of Lamb County have paid their 1949 poll taxes according to the County Treasurer's office Wednesday. This figure is not even half of those paid last year. Monday is the final day to pay the tax. All qualified voters are urged to pay before the deadline.

Area Receives More Moisture

Cold Weather Due To Ease Saturday

Snow for the ice-coated Panhandle and South Plains territory is the weatherman's prediction for today with no break foreseen until possibly Saturday.

Local temperatures dipped below freezing Monday morning about 6 o'clock, and haven't been back since. The mercury flirted with 16 degrees most of Monday night and finally shot a low of 14 degrees early Tuesday morning, about 4 o'clock to be exact.

As for moisture, the total for January is now 2.86 inches, a gain of .86 inches above the reported 2 inches this time last week.

Lamb County has apparently been lucky in one respect, the full brunt of the storms have not struck here. Sherman and Denison are paralyzed by a heavy coat that at Denison has 30.60 people firmly in its grip. Power lines and poles have snapped all over the city, and at last reports the town was without power and lights.

Dallas city officials say the damage and disruption there is the worst in the history of the metropolitan area.

Automobile and bus travel, what most of Texas, and the Highway Department isconstantly warning motorists to stay off the roads. In most of the state transportation is snarled, po-broken and at least 18 Texas communities are isolated.

Sgt. Pierce to be Reburied Friday

Reburial services will be held for Sgt. V.G. Pierce, Jr. son of Mr. and Mrs. V.G. Pierce, Sr. who was killed in action September 18, 1944 in Holland, Friday afternoon at 2:30 o'clock at the Morton Baptist Church.

Sgt. Pierce was a member of the famous 508 Parachute Infantry Regiment of the 82nd Airborne Division. He and his entire squad was killed by German machine fire while on petrol behind enemy lines. They were killed one day after three Allied Airborne divisions dropped deep into German territory to spearhead the attack into Eastern Holland and across the Rhine river.

He first saw combat when he parachuted into Normandy before D Day. He was captured three times during the rest of that campaign by German forces. Sgt. Pierce had been recommended for a battlefield commission at the time of his death.

His parents lived in Littlefield for several years before moving to Morganshire where they now reside. Survivors other than his parents include four sisters: Mrs. James H. Strawn, New Albany, Miss, Mrs. O.M. Woodard, Tatum, N.M., Mrs. M.D. Henderson, Lubbock and Mrs. A.J. King, Odessa. Two brothers O.H. and Herbert Pierce live in Morton and Littlefield respectively. There are numerous other relatives living in this area.

Sgt. Pierce was 23 at the time he was killed. He was born in Eastland county, Texas. Buaril will be in the Littlefield cemetery.

Sgt. Lloyd Chapman Home on furlough

Sgt. Lloyd Chapman, son of Mr. and Mrs. Dee Chapman, who has been stationed in China for the past year, arrived in San Francisco Sunday, and in Littlefield Tuesday night.

Sgt. Chapman is home on a 15 days' furlough, following which he will return to China.

Johnny Cox, aged 16, son of Mr. and Mrs. R.L. Cox underwent an appendicitis operation at the Lamb County Memorial Hospital Monday of last week, and getting along satisfactorily. He was taken home Saturday.

Jerry Druley, aged about 6, son of Mr. and Mrs. Jesse Druley, underwent an operation for Appendicitis Friday afternoon, at the Payne-Shotwell Hospital, and is doing fine.

Fredie Paswood, student of Wayland College, returned to his home last week and with his parents, Mr. and Mrs. E.L. Paswood.

Mr. and Mrs. Pegten, who have been visiting here for some time, a brick house in Dallas. A home, will move from there to Littlefield into their new residence on February 5.

Miss Evanna Smith, accompanied by her parents, both of whom are students of Wayland College, spent the weekend in the home of her parents, Mr. and Mrs. Bob Smith.

Miss Doris Wilson, daughter of

Mr. and Mrs. G.G. Wilson, was confined to her home the past week end with a cold and swollen glands.

Miss Betty Matthews of Whitbarra and Miss Mary Anna Gray of Littlefield left Saturday for Canyon, where they planned to enter the West Texas College. They were accompanied by Mrs. A.A. Gray.

Mrs. E.F. Pettie of Anton underwent a major operation at the Payne-Shotwell Hospital Saturday, and is getting along nicely.

Mr. and Mrs. Pete Moore of Clovis were week end visitors of Mrs. Tera Pickrell.

Mrs. J.L. Dalton of Littlefield was admitted to the Payne-Shotwell Hospital Thursday for medical treatment. She is much improved. Mrs. Dalton is the mother of Mrs. Francis Lankford.

G.M. Shaw is recuperating favorably at his home after a couple of week's confinement due to an injured back in a fall at his home.

Mrs. Allen Hilbun was admitted to the Payne-Shotwell Hospital Friday for medical treatment.

J.H. Ware of Kerrville has been spending the past week here on business. He was formerly owner of the store now known as Dunlap's.

Mrs. Harvey Hammett of Hale Center underwent a major surgery Saturday at the Payne-Shotwell Hospital, and is getting along nicely.

Mr. and Mrs. Jim McGuire left Sunday for market at Fort Worth and Dallas. They planned to return Tuesday but were Stornbound.

Mr. and Mrs. Jack Nix of Vernon arrived Sunday to visit Mrs. Nix' parents, Mr. and Mrs. Vick Matthews. They returned home Wednesday.

The rich in spirit help the poor in one grand brotherhood, all having the same Principle, or Father; and blessed is that man who seeth his brother's need and supplieeth it, seeking his own in another's good. —Mary Baker Eddy.

SPADE NEWS

Spade enters Amherst Tourney

Spade girls and boys entered the Amherst tournament held last week. Thursday night they both played Muleshoe, and both teams cameout as the winners. The girls won 20-30 while the boys scored.

Friday night the girls and boys also played Anton at Amherst. The boys won pretty easily with a score of 23-16, but the girls had too much competition and came out losers by one point 27-28.

Saturday night was the final play-off. Spade boys and girls played Sudan boys and girls, and Spade lost.

The girls were playing for third place, but lost 22-24. The boys were playing for first place, and lost 15-30. They won a beautiful trophy for winning second place.

The allstar girl of Spade's team was Edwinia Inklebarger. The all star boy was Don Streety.

BACK TO JAPAN . . . Jacob Dushazer, 36, made his first and only trip to Japan early in the morning of April 20, 1942, as a bombardier in General Doolittle's famous raid on Tokyo. He was forced down and spent 40 months in a Jap prison camp. Today, Dushazer and his wife, shown here, and their year-old son are on their way to Japan determined to serve the rest of their lives as missionaries.

OPPORTUNITIES FOR \$\$\$ IN 1949
480 acres, top quality, smooth level irrigated land, 470 acres in cultivation, beautifully located on paved highway about eight miles from Bovina, fair improvements, REA, school bus and mail route, good proven irrigation well one year old, any part of the land can be irrigated from the one well. Will sell half section at \$135.00 per acre, or will take \$125.00 per acre for the three quarters.
320 acres, very little improvements, REA, school bus and mail route, about eight miles from Bovina, 140 acres in summer tilled wheat, 140 acres in row crop stubble, 30 acres extra good grass, possession on purchase, all wheat included at only \$50 per acre. This would be a very attractive proposition for investment purposes.
Also several good improved and unimproved quarter sections, priced from \$50 per acre up. If interested in a good farm or home, drop in and we will look them over. O. W. Rhinehart, next door to Hotel, Bovina, Texas. 42-1tc

WANTED

MAN WANTED—For 1500 family Rawleigh business in City of Littlefield. Permanent if you are a hustler. Write Rawleigh's Dept. TX-280-123., Memphis, Tenn. 42-3tp

Meal of the Week
BY MARY LEE TAYLOR

Braised Pork Chops
Glazed Sweet Potatoes
Creamed Cauliflower
Lettuce Wedges with Salad Dressing
Bread Butter or Margarine
Danish Fruit Pudding

NOTE: Stated items (meal of the week spreads) in ad will make this meal.

Danish Fruit Pudding

Broadcast: January 29, 1949

1 cup Pet Milk	1/2 teaspoon salt
1 envelope unflavored gelatin	1/2 cup finely cut, coarsed, pitted prunes
1/2 cup cold water	1/2 cup drained, canned fruit cocktail
1/2 cup prune juice	1 tablespoon lemon juice
1/2 cup canned fruit cocktail juice	
2 tablespoons sugar	

Chill milk until ice cold. Rub with vegetable oil or rinse with cold water a quart mold. Soften gelatin in water. Heat to boiling a mixture of prune juice, fruit cocktail juice, sugar and salt. Add prunes and fruit cocktail. Chill until slightly thicker than un-beaten egg whites. Whip chilled milk with cold rotary beater, or electric beater at high speed until stiff. Add lemon juice; whip until stiff. Fold into gelatin mixture. Put into mold. Chill until firm. Makes 4 servings.

*Canned, crushed pineapple and juice also can be used.

You Will Need:

Install First Underground Concrete Conduit Irrigation System In Hockley

Roy Taylor of the Whitharral community has installed a concrete underground irrigation system on his farm. This system is really not new, but it is only in recent months that farmers in this area, have begun the use of concrete pipes, according to Artie Forehand, county agricultural agent. Mr. Forehand said that Mr. Taylor completed his main line and sand traps a few weeks ago and that the system would be used on his farm this year. The agent also said that many other farmers of this area were planning on the use of such system.

The cause of the birth of this system in this area is probably due to the growing knowledge of the need of getting the greatest benefits from irrigations water by cutting down on the loss from seepage and evaporation.

Ever since irrigation came into greater use, experiments have been made with conduits of different materials, cast iron, steel and other. From tests made under various conditions, it is the conclusion of those making tests that concrete conduit, made especially for the purpose and meeting certain specifications, appear to be the best carrier from the standpoint of satisfactory service, installation cost, longevity and usefulness.

The kind of materials used seems to be a secondary matter, for regardless of materials, the underground system has many advantages over the open ditch method, especially since the conservation of water resources has become the leading topic of the day.

Advantages pointed out in underground irrigation is that seepage and evaporation is stopped or minimized. This means a conservation from 10 to 50 per cent, and an average of 35 per cent of all the water turned on, over the open ditch system, according to the U.S. Department of Agriculture.

Other benefits received by the underground system are, better control of water, less man labor—one man able to do the work that requires

three or four in open ditches, allow the cultivation of the land formerly used for open ditches—open ditches can't be cultivated by machinery, all areas of the farm can be irrigated—water can be run up hill or down hill. This last is probably the greatest advantage of the underground system, as it permits the "lift" of water from a well located on the lowest point of the farm.

According to agriculture sources another great advantage of this system is that underground irrigation pipe is one of the numerous practice of the Agricultural Conservation association on which the farmers can get reimbursement of expenses, if approval for this practice is gained before the construction is begun.

VERDICT "NOT GUILTY"

The case of State vs Jack Cunningham in which a charge alleging drunken driving was entered, which came up for trial by Jury in County Court last week, the verdict reached by the Jury was "Not Guilty as Charged". F.F. Bozeman was foreman of the Jury.

Tax Collector To Visit Anton

J.R. Reese, Hockley County Tax Assessor and Collector, will be in Anton today and tomorrow, (Thursday and Friday) for the purpose of collecting State and County Taxes. This will give everyone who has not paid their taxes or poll taxes an opportunity to do so.

BUSINESS VISITOR HERE

Mr. and Mrs. S. T. Newson of Earth were attending to business in Littlefield Thursday.

Mr. Newson is high school principal of Spring Lake School. He and his wife were dinner guests Thursday night in the home of Mr. and Mrs. George Poteat here.

Army Announces Plan For Reserve Retirement Pay

The Department of the Army today announced publication of Special Regulations covering the requirements for non-disability retirement pay to members of the Organized Reserve Corps who have satisfactorily completed 20 years of Federal service in accordance with Public Law 810, which was passed by the 80th Congress, according to information reaching T-Sgt Gerald F. Cutshall in charge of the U.S. Army and U.S. Air Force Recruiting Station 310 West 5th St. Littlefield.

These regulations will be the official guide to applicants and will be distributed in all Army installations, Reserve headquarters and Units In-

structors throughout the Country", said Sgt Cutshall. "Applications must be made on National Military Establishment Form 105 and sent to the Department of the Army, (phonetic) and specifications. Application forms may be secured by addressing the Adjutant General, Washington, 25, D.C."

Eligible Reserve personnel approaching their 60th birthday are urged to apply for retirement 90 days prior to reaching that age, so that the Adjutant General may process their papers and retire them on the last day of the month that they reach retirement age. Payment will begin the first of the following month.

OFFICE SUPPLIES At the LEADER OFFICE

SOIL CONSERVATION IRRIGATION SCHOOL TO OPEN AT AMHERST TODAY, THURSDAY

The Soil Conservation Irrigation school scheduled for Amherst Monday and Tuesday of last week was postponed because of bad weather.

The new dates, set for the school in Amherst are today, (Thursday) and Friday, January 27 and 28, and will be held in the Amherst high school auditorium.

A field day was held Friday at the Walker Gray farm, 3 miles east and 3/4 mile south of Littlefield, starting at 10 o'clock in the morning.

Mardell Moore Is Hostess At Shower Party Recently

Miss Mardell Moore entertained a group of her seventh-grade classmates Monday night with a shower party. Those attending were: Allene Griffin, Norma Rae Hufstetter, Norma Woods and Marshall Moore.

The girls were home with Mardell from school Monday afternoon.

The party lasted until late past midnight.

This was a farewell party for Mardell, who is entering Sudan schools Wednesday, and Norma Woods, who is moving to Oilton in a few days.

P. T. A. MEETS

The Amherst PTA meeting was held Thursday afternoon at 8 o'clock in the high school auditorium at Amherst.

The Third Year Homemaking class under the supervision of Miss Charlene Phelps was in charge of the program.

MOVE TO WICHITA FALLS

Mr. and Mrs. P. O. Roberts and son, who have been camping on farm-land near the head of Roberts' dam, four miles northwest of Anton, have moved to Wichita Falls to make their home.

Mr. Roberts now is employed with a local contractor at that city.

They had been in the company of Anton for 15 years.

Hart Camp News

W.P. Baptist Assn. meet at Hart Camp

The regular monthly session of the West Plains Baptist Association Workers Conference, was held at the Hart Camp Baptist Church last Friday. The theme of the meeting was "Doctrine of the Divine Spirit". The song service, led by Reverend Bruce Gile from Earth, started the meeting. Mrs. Hershall Baker was the pianist. The next address was "The Spirit's relation to God," brought by Wayne Perry from Sudan. Following this, Rev. Blaine from Muleshoe, in place of L.A. Dubose, from Maple, gave a talk on "The Spirit's relations to Christ." "The Spirit's relations to Salvation," was given by Bruce Gile from Earth. The announcements, and recognition of ministers was next, followed by the final sermon by Rev. Walter Brian from Lum's Chapel. The lunch, which comprises a big part of any workers conference was served in plentiful amounts. Home-cooked food of nearly every variety was served, and if anyone didn't get all they wanted to eat, it was their own fault. After the quiet lunch hour, business was brought before the house. The executive, and W. M. S. board meetings were held. The final sermon of the day was brought by energetic, Franklin Swanner, District Missionary. At the end of the conference an offering was taken for Brother Ferguson's wife, of Plainview, who is ill with the dread disease, cancer. They have three small children. The next workers conference will be held at the Fieldton Baptist Church, on February 25.

EAST ZONE TRAINING UNION TO MEET AT MULESHOE

On the first Sunday in February, the East Zone Training Union will take a program to Muleshoe for the benefit of the West Zone who didn't seem to be doing well.

BRO. COPELAND PREACHES AT HART CAMP

Brother Copeland from Amherst, preached at the Church of Christ, in Hart Camp, Sunday morning. There was about twenty in attendance.

There wasn't any service at the Baptist Church in Hart Camp Sunday due to the road conditions.

PERSONALS

Mr. and Mrs. J.W. Johnson, Mr. and Mrs. K.W. Mahaffy, of Hart

Camp, Mr. and Mrs. Albert Patterson, who live near Littlefield, and Mrs. and Mrs. Gohene of Amherst, attended the funeral of little Velera Mae Wilemon, the daughter of Mr. Ray Wilemon, who worked as night ginner at the Hart Camp Gin, the past season. She was killed, when the truck, she and two sisters, a brother and her parents, were riding, was hit in the side by a Ford Coupe. The truck overturned, throwing her out of the truck, which then overturned, crushing her. The funeral was held January 18.

The C.E. Timmins family fought our way through the mud, Saturday night to our neighbors, the T.H. Clay family for a little old time fiddle music, that we have the pleasure of enjoying there from time to time.

Bruce Powell from Fort Worth, who preached at the Spade Baptist Sunday, visited with J.W. Johnson and wife Saturday. Powell is a former resident of the Hart Camp area.

Mr. W.A. Humphrey, who has farmed the Alvin Mixon Place Northeast of Hart Camp for the past year, is moving to Amherst.

Your reporter had the pleasure of a visit from Dean Weatherly, Saturday and Sunday, when he dropped in on me from his midsemester vacation at Howard Payne College. The pleasure was cut short as warning of impending bad weather freed him to leave early Sunday evening. He didn't have time to visit all his friends so he asked me to say hello to all of them for him, so here it is.

Olen Ray Mahaffy, who, this year has been attending Texas Tech, College has been home for a few days during mid-semester spare time.

ODDS 'N ENDS

Looks like we are in for a long wet spell, judging from the continued fall of moisture. But with the exception of the muddy roads, the farmers aren't complaining. More moisture, more crops (we hope). Just as long as it's dry enough so that can plow in April they'll be O. K.

We started toward Hart Camp the other day, after the rain fell, but didn't have too much luck, as every time we took a step, we slid back two. So we thought it over, and turned and started back the other way. It didn't take us long to make it then. I'd tell you how we got home but you probably wouldn't believe it.

I am still in the business of accepting checks for renewals and subscriptions for this paper. My address is Carl Timmins, Route 1 Box 169, Littlefield, Texas.

Funeral Services For Oscar Kirby

Last rites for Oscar Orville Kirby, 41, retired farmer who died at about 8 a.m. Saturday in his home near Whitharral was held at 2:30 p. m. Sunday in the Austin Street Church of Christ.

Burial took place in Tech Memorial park, near Lubbock, under direction of Plains Funeral home of Leveland.

Kirby had lived near Whitharral for about five years.

Survivors include his wife, five daughters, Mrs. Martha Johnson, Mrs. Nadine Nichols, and Mrs. Nell Hightower, all of Leveland, Mrs. Edna Ruth Payne of Lubbock, and Mrs. Ruby Lambert of Patterson, Calif., three sons, Orville of Littlefield, and Orby and Billy Joe, both of Leveland, and five sisters.

KILLED . . . Quentin Roosevelt, grandson of President Theodore Roosevelt, was killed recently in the crash of a Chinese DC-4 airliner. Roosevelt was vice-president of a Chinese aviation corporation.

SUDAN NEWS

Sudan Boy Scouts have football game

The Boy Scouts of Sudan had an annual meeting Tuesday night for they had a football game out at the Legion Hut.

Their scout master, Shelby Morris, reported a good crowd out, despite the snowy night, twentyone were present. This was their first night to get so meet in the Legion Hall for they have been having to meet in the annex of the Methodist Church.

A pot luck supper will be served Feb. 8, all the scouts are looking forward to this meeting.

H.M. Markham has been seriously ill the past week at his home with heart trouble.

Mrs. Joe West has been on the list this week.

Sarah Belle woods of Lubbock visited relatives and friends over the

Mrs. Gus Ross of Littlefield and Mrs. Bob Crim shopped in Lubbock week end.

Friday.

Mrs. L.T. Hunt went to Lamesa Saturday to visit her daughter and Son-in-law, Mr. and Mrs. Ray Gentry, also to see her new grandson, Roy David, born Friday in the Lamesa hospital.

Harold Close and Wife spent the week end in Hereford visiting his parents.

Mr. and Mrs. H.A. Close of Herford were in Sudan Thursday of this week.

Bob Salam, Buzzy Caps, and Virgie Bacrus, Tech students, visited their parents over the week end.

Miss Paulette Hay, who teaches in Littlefield Schools, visited her parents Mr. and Mrs. Simon D. Hay over the week end.

Dr. Nelson Nicholes was in Dallas for three days last week, attending a dental clinic.

Miss Nannie Fay Moncrief, receptionist at the Amherst Hospital, spent the week end with her parents, Mr. and Mrs. H.J. Moncrief of the Friendship Community.

Dick Roarke, Tech Student, spent the weekend with his parents, Mr. and Mrs. Olen Roarke.

Miss Ruby McCaghren, receptionist at the Amherst Hospital, the last few years, has resigned his position, and is visiting her parents south of Sudan.

Ralph May is visiting his mother, Mrs. J.O. May, for a few days.

Bula News

PARTY HONORS BILLY JOYCE FOLEY

A party was given Tuesday night, January 4, in the home of Mr. and Mrs. Art Foley, of the Bula Community, with Mr. and Mrs. Foley and daughter, Yuanel, as host and hostesses.

It was given in the honor of their daughter, Billy Joyce, who was celebrating her eighteenth birthday.

After numerous games were played refreshments were served.

Guests attending were: De Verle Parkman, Hazel Thompson, Richard Black, Mr. and Mrs. John Parkman, Mr. and Mrs. Charles Green, Doyle Hasty, Doris Hasty, Jack Clawson, J.D. Vick, Raymond Clevenger, Dorothy Hogue, Alvin Lee Locke, and Jamie Green.

ENJOY EVENING

Sunday night, after attending church, several young people went to the home of Mr. and Mrs. Art Foley. All ate fudge and reported a very nice time.

VISITING IN THOMPSON HOME

Mr. and Mrs. Cal Scott of Amherst were visiting in the home of Mr. and Mrs. Marjion Sunday afternoon. Mrs. Thompson is the daughter of Mrs. Scott.

RETURN TO PLAINVIEW

Miss Betty Adduddel returned to Plainview Sunday afternoon, where she is now living. She is the daughter of Mr. and Mrs. John Adduddel of Bula.

VERNE WEAVER LEAVES FOR KANSAS TO VISIT SICK GRANDMOTHER

Verne Weaver of Bula, received a message Sunday to the effect that his grandmother, Mrs. C.A. Weaver, of Cottonwood Falls, Kans. was in a serious condition with kidney poisoning.

Mr. Weaver, accompanied his father, F.C. Weaver of Fort Sumner, N.M., Mrs. Martin Maxwell and son, Raymond, of Sudan, and Mrs. Earl Smith left Sunday for Cottonwood Falls, Kans.

Mrs. Weaver is 84 years old. Mr. Weaver is a brother of Mrs. Marwell and Mrs. Smith.

HER FIRST NIGHT OUT . . . Princess Elizabeth of England is back in circulation again after her confinement. Here, she is photographed leaving a London theatre after attending a BBC show on her first night out from Buckingham palace following the birth of her son, Prince Charles, more than six weeks previously. The princess attended the show with her husband, the Duke of Edinburgh, Queen Elizabeth and Princess Margaret Rose. A typical family gathering.

Last Rites Held For Mrs. Matthews

Mrs. (Martha) M. Matthews, 65, of 1414 West 1st Street, died at 11:20 a. m. Thursday, January 27, 1944, at her home. She had been ill for several weeks.

Mrs. Matthews had been in poor health for the past year and a half. She had suffered from arthritis and had been unable to walk for some time. Her husband, Mr. M. Matthews, was born in 1879 and was 65 years of age at the time of her death.

Funeral services were held at the First Methodist Church, Littlefield, at 2 p. m. Saturday, January 29, 1944. The Rev. J. H. Brown, pastor of the church, officiated. Burial was in the Littlefield Cemetery.

Survivors include her husband, Mr. M. Matthews; two sons, Mr. W. M. Matthews and Mr. J. M. Matthews; and two daughters, Mrs. M. M. Matthews and Mrs. M. M. Matthews.

Funeral services were held at the Littlefield Home, 1004 West 1st Street, at 11 a. m. Saturday, January 29, 1944. The Rev. J. H. Brown, pastor of the church, officiated. Burial was in the Littlefield Cemetery.

Survivors include her husband, Mr. M. Matthews; two sons, Mr. W. M. Matthews and Mr. J. M. Matthews; and two daughters, Mrs. M. M. Matthews and Mrs. M. M. Matthews.

W. H. Cunningham To Represent Lamb County at Washington

Committee Meeting Scheduled To Come Up Tuesday Farmers Vote For 9 Per Cent Parity At Gathering Saturday

With David Eaton, County Agent, leading, a farmers meeting was held at the Court House, Littlefield, Saturday afternoon, opening at 3 o'clock. The purpose of the meeting was to determine whether or not Lamb County farmers wanted "support prices" for their commodities.

The meaning of this program is explained by David English, Assistant County Agent, in this manner, "If when a farmer harvests a certain commodity, the price is not what it would pay him to market the Government gives him a loan at a certain price, which is set at a certain percentage of parity, and then the farmer may hold his product until a more opportune market time."

Mr. Eaton explained the Bill, which is coming up before Congress soon, the purpose of which would be to hold it up, and thereby help the farmer to get a better price.

A round table discussion took place at a number of points including the following: Mr. Gilbert, Supervisor of Lamb County Production Marketing Administration, and J.W. Quinn, Administrative officer of the County Production Marketing Administration, both discussed the matter. V.M. Peterson and W.H.

Cunningham were among the farmers who made talks. About 100 farmers were present.

It was pointed out that a Committee meeting was scheduled for Tuesday in Washington to discuss this situation, and Mr. Cunningham was appointed as a delegate to represent Lamb County at this session.

The meeting also voted to pay Mr. Cunningham's expenses, and a goodly sum was contributed Saturday afternoon.

The farmers at the meeting Saturday voted unanimously for 90 percent parity, stating they would agree to crop control.

Mr. Cunningham is a large land owner and farmer, and owns and operates the Cunningham Pure Seed Farm. He has always taken an active interest and part in all movements for the betterment of the farmers and the area in which he lives. It is felt that he will represent Lamb County in connection with the above matters in a very fitting manner.

LAST RITES HELD FOR ROSA LEE SCOUTER

Final rites for Rosa Lee Souter, age 17, of Olton, who passed away early Sunday, January 16, at the Lamb County Memorial Hospital, were conducted Monday afternoon, January 17, in the First Methodist Church of Olton. Burial took place in the Olton cemetery under the direction of a Plainview Funeral Home.

Survivors include the parents, Mr. and Mrs. Melvin Souter of Olton; a brother, Archie Wayne Souter of Olton; paternal grandparents, Mr. and Mrs. T. T. Souter and maternal grandmother, Mrs. Beacie Cowart, all of Olton; two aunts and five uncles.

Beard Installed As Council Commander At W. O. W. Ceremonies Thursday Night

Max B. Hurt, national treasurer of woodman of the world, from Murray, Kentucky, acted as installing officer Thursday night in the Littlefield gymnasium as new officers took offices in W. O. W. Camp 3871.

Installation of officers followed the singing of America and Pledging allegiance to the flag led by council commander Troy Howton and a prayer by Reverend Ned Fairbairn church of Christ minister.

Those officers installed were: Troy Howton, past council commander, Murel Beard, council commander, Robert L. Kirk, advisor Lieutenant, L.D. Staniford, banker, W.O. Yeary, Financial secretary, H.C. Sisson, escort, Dr. C. E. Payne, physician, Doyle Dean, watchman, Raymond L. Erwin, sentry and G.E. Moore, Eddie Davis and J.D. Dodgen, authors.

Waymon M. Baker was selected team captain.

Mr. Hurt addressed the group with a short, interesting talk on "Fraternalism" after the installation. George Hines, state manager for northwest Texas from Abilene spoke concerning regarding state management.

Bob Kirk, Lamb County attorney, from Littlefield, who was recently appointed to the National W.O.W. Committee which is composed of twelve members who act as advisors to the National President expressed his appreciation for being appointed to the Committee and welcomed all guests as did various other local Camp members.

Shortly after the installation ceremony a chicken dinner was served to the 250 persons present at the school cafeteria.

Wolfe Shaw To Address P. T. A.

Wolfe Shaw has accepted an invitation by the Littlefield Parent-Teachers Association to address this gathering at the High School Auditorium Tuesday afternoon, February 8, commencing at 4:30 o'clock.

Mr. Shaw will talk on "The American Home."

Teach me to lose my selfish need, And glory in the larger need, Which smooths the road and lights the day, For all who chance to come my way.

—Edgar A. Guest

Jaycees Discuss Convention Plans

Littlefield Jaycees discussed plans at their regular meeting Thursday for attending the State Junior Cham-

ber of Commerce Convention in Galveston the last of March. Five members definitely are planning to make the convention and several more intend to if it is possible for them to get away from their work.

President Rhenard McCary and others who attended the Regional meeting in Lubbock strongly urged members to make the trip and increase Littlefield representation if possible. They promised everyone a good time.

Most of the discussion centered on whether to take the special train which will make up in Lubbock to take all Panhandle Jaycees down, or to drive car through.

Roy Hutson will be in charge of the program at tonight's meeting.

BULL LAKE PHILOSOPHER SAYS RUSSIA WASTING TIME TRYING TO EXPLAIN OUR ECONOMIC SYSTEM

Editor's Note: The Bull Lake Philosopher on his Johnson grass farm on Bull Lake is off on a deep subject this week, which he handles as adequately as he does a simple one, if you get what we mean.

Dear Editor:

I was getting ready to build a fire with a copy of Amarillo Times the other morning, as a sort of anniversary present for my wife, although I understand they ain't no standard procedure and I don't have no intentions of editin' it on a woman's province and buildin' a fire every morning when I raised an interestin' headline and tore that page off and when the room got warm read where Russia had a big meeting last week so its economists and other experts could explain why the United States hasn't had a depression recently.

According to the article, the Russians are baffled over the lack of a depression over here, as their experts had told em we'd have one shortly after the war, and when a Russian official tells something to happen, it has to happen, or what does that make Stalin? But here the U. S. is still boomun, and the Russians is hard-pressed to explain it.

Now it ain't my intention to be of any help to the Russians, but I don't mind sayin' I don't see how on earth they expect to understand our economic system from way over there when we don't even understand it ourselves right here in the middle of it. We got all sorts of experts, and while most of em are pretty good at recognizin' what's already taken place and can explain satisfactorily what happened after it happens, very few of em can tell you any more about what's gonna happen economically in the future, than they can about which way a cat will jump, a woman driver will turn, or a politician will vote after he's elected.

It is possible that the Russians will finally attain the atomic bomb secret, but I doubt they'll ever understand our economic system. It ain't something to be figured out. Just something to be used and enjoyed.

At least, that's the way me and Henry Kaiser and Rockefeller treat it.

Yours faithfully, J. A.

You never know when one or more of these common ailments may come along and interfere with your work or pleasure. So be wise—have a plentiful supply of Alka-Seltzer on hand for the quick relief it offers. Just drop an Alka-Seltzer tablet or two in a glass of water, let it fizz, then drink it. No shaking, no stirring, no trouble at all. At all drug stores.

When Your Tablets Get Down to 4 That's the Time to Buy Some MORE

Only Ten More Days To Pay Poll Tax

By Judge Otha Dent January 31, date of deadline for payment of your poll tax. And the sixty-four dollar question is, will you be a qualified voter as prescribed by our present State Constitution Article IV, Section 2, after that date.

The 51st Legislature is now in session and will, without doubt, be the longest session in the history of our State, going far beyond the 120 days. There will be more money to spend and appropriate by the 51st legislature than any like body that has ever convened in the Capitol City of Texas.

I would not attempt to forecast the weather in West Texas, and have been here too long to be classed as a new comer. And to predict the outcome of the 51st legislature, not even the weather syndicate will express themselves.

So you may place the writer in the category with the "Other" and not a "New-comer" as I would accept Dewey the addi. against Truman, that out of this session of legislature will come some proposed amendments to be voted upon this year as one or more special

elections, these proposals will be declared emergencies.

It is possible that a new framed constitution for our State, may be presented to the people for adoption and ratification.

On January 12, a joint resolution was introduced in the legislature calling for the abolition of the poll tax receipt as a requirement for voting in Texas. If this resolution is adopted by both houses and this election is called, it will probably be held this summer.

Pay your poll tax, in order that you may vote for or against, the payment of poll taxes.

Cerebral Palsy Clinic February 7

A clinic for the examination of children with cerebral palsy (sometimes called spastic paralysis or birth injury) will be held Monday, February 7th, at the Cerebral Palsy Treatment Center, 1317 Tenth Street, Lubbock. Orthopedic specialists from Amarillo and Plainview will be present to examine patients.

Parents planning to bring children to the clinic are requested to register the children at the Center prior to the date of clinic. Information regarding the clinic may be obtained by writing Miss Esther Snell, Director, or calling Lubbock 6541.

DANGER AHEAD! Detour to INSURANCE

"Without my knowledge, some kids hitched their sled to my car. Luckily a friend stopped me. I say "luckily" because it made me realize how something like this can put a driver in a spot—unless he's protected with Public Liability Insurance"

Are you safely insured for such an accident

DAN AND OLTON ENTER TEAMS REGIONAL GOLDEN GLOVES

Regional Golden Gloves tournament at Lubbock, Jan. 31, Feb. 1-2, is expected to be a greater success than according to the latest releases. Boys from Sudan High School entered the tournament and will wear the team trophy in the novice division. A team from Roswell even boxers from Olton High all compete.

When there were four entries in the division from Lubbock, Lamesa, Levelland boys, along with an Olton entry in the novice di-

vision. The additional flood of Golden Gloves blanks brought the probability here to over 70, with still more to be heard from.

Bob Austin of 302 Ave Q, Lubbock a 17-year-old fighter who won the high school welterweight title last year in a bloody slugfest against Bob Ferguson, has again entered the novice division. Austin, at 140 pounds, probably will be in the welter class again.

Novice entries from Sudan came

from Jerry Jones, a 16-year-old 110-pounder with two years of experience, Glen Williams, a 16-year-old 120-pounder with no previous experience; Vendyl Jones, an 18-year-old 140-pounder with two bouts under his belt; Ballard Montgomery, a 17-year-old 155-pounder with three bouts and three victories and Don Cook, a 16-year-old 160-pounder with no official bouts in one year's time.

Olvera Is Entrant

James A. Whited, Jr., a 22-year-old 116-pounder of 214 North Main street, Lamesa, forwarded his entry, the first to be received from that city. Whited indicated that he had no previous experience, but wants to go after the bantamweight crown.

One of the more promising fighters to enter was Ismael G. Olvera of Levelland. Olvera is a 28-year-old 130-pounder who had fought four years. During this time he had 26 bouts and won 23 of them, including Golden Gloves experience at Harlingen.

David E. Weir, of Lubbock Route 3, a 17-year-old 136-pounder with two years of boxing, entered the open division. Weir has had nine or 10 bouts and has.

Germicidal Lamp Installed In Cradleroll Room

A Germicidal light for the Cradleroll room at the First Baptist Church was installed last week.

This lamp, made by General Electric, will kill all germs that come within its rays. Science has established the fact that it will prove 90 per cent efficient in preventing the spread of diseases among children.

If the local church is satisfied with the lamp, others will be installed in the other departments where children meet. This is a new feature which is being installed in many nursery schools.

FIRST BAPTIST PLAN REVIVAL

The First Baptist Church is planning a revival to be underway here from March 20 to April 3, with Dr. Thomas A. Patterson, Pastor of the First Baptist Church of Beaumont, as Evangelist.

Mr. J. R. Stroble, Educational Director of the East Grand Avenue Baptist Church, Dallas, will lead the music.

These two men have worked together considerably, and promise a very interesting and forceful meeting.

Water Rights Must Be Protected

ABILENE, Jan. 25—Every municipality in West Texas this week has been urged to take steps to perpetuate domestic water rights. This follows a meeting at Amarillo of the West Texas Chamber of Commerce water rights committee, which is opposed to the passage of the proposed water code of the Texas Water Conservation Association, which seeks to repeal recovery provisions of the WTCC-Wagstaff-Woodward bill.

Citing lack of rainfall and running streams in West Texas, a letter authorized by the Amarillo committee meeting, which was presided over there by Mayor Lawrence Hagy, gives notice that every effort will be made to defeat any measure without protection of the recovery right of water for domestic uses, over inferior uses, principal of which would be the generation of hydro-electricity.

"****West Texas cannot subscribe to and must forever oppose parts of Sec. 13, as outlined in your**** revision of the surface water code," the letter said. "We refer to the following clause in Sec. 13, 'utilization of such channels and reclaiming of such waters turned into it must not diminish the waters already flowing therein, to which others have acquired rights,'" the letter said.

"Under this clause, as we see it, our West Texas municipalities can wholly be prohibited from obtaining additional water supply. ***"

"Another point of omission we are concerned about in the proposed code is the failure anywhere in the bill to extend the rights to a city to recover water heretofore appropriated for inferior use. This right definitely exists in our present law in Art. 7472. The fact is that in Sec. 160 of your bill this right is definitely and expressly repealed.

"Repealing this provision, together with Sec. 13 provision, makes mockery of any and all provisions you refer to as preserving the traditional rights of domestics to water."

The letter, signed by John D. Mitchell, president, and D. A. Baneen, general manager of WTCC, was authorized by the water rights committee meeting and was addressed to J.

E. Sturrock, general manager of the Texas Water Conservation Assn.

The meeting also authorized committee members to take whatever steps necessary in the organized efforts in Austin and elsewhere to defeat the proposed legislation. At the same time, however, the letter praised

ed other features of the bill as being worthy of passage.

It is one of the most beautiful compensations of this life, that no man can sincerely try to help another without helping himself.—Shakespeare.

THEY TAKE THE BLUE OUT OF MONDAY

A COMPLETE, modern electric home laundry not only takes the "blue" out of Monday, it's apt to take most of the work out of the proverbial "wash day"

With an electric home laundry in your home, you'll find yourself putting clothes to wash and dry, or ironing them whenever it's convenient... you won't be tied down any more by "wash day" or by a pile of ironing.

Washing's done automatically while you go about your other house work. Put the damp clothes in your dryer, and forget about them until you take them out, as dry and clean smelling as if they'd been on a "line" for hours. Then, you'll find it just a few minutes' work to go through an ironing with an efficient electric ironer.

See your appliance dealer soon about the advantages of an electric home laundry of your own.

SEEKS LIGHT PLANE DISTANCE MARK . . . Capt. Bill Odum, veteran round-the-world flyer, poses with his standard-type Beechcraft Bonanza in which he planned to seek non-stop Honolulu to New York flight record. The plane is a stock model, modified only in that wingtip fuel tanks were added to make the 5,010-mile trip possible. Completion of the flight would give the U. S. the world record in light plane distance flying.

Air Force Will Hold Eight Cadet Classes Yearly

The U.S. Air Force is increasing its Aviation Cadet Training Program from three classes to eight classes a year, according to information received by T-Sgt. Gerold F. Cutshall, local recruiter.

Sgt. Cutshall explained that the effect of the change would be to shorten the waiting time between classes for young men who qualify but have not been accepted because a class was filled.

The annual enrollment will be larger than for any previous peacetime year, but the size of each class will be reduced.

The next class, beginning April 4, will initiate the expanded program. It will be limited to approximately 600 Cadets. Classes of similar size will follow at approximately six-week intervals. There were 1300 students enrolled in the October Class—the last under the March-July-October class system.

Men accepted for Air Force Cadet training must be between the ages 20 and 26 and one half years, with two years of college education or the ability to pass an equivalent examination, and must possess a high moral, physical and personal qualifications.

Sgt. Cutshall explained that the Aviation Cadet Program provides 12 months of flying, academic, and military training. Graduates receive pilot's wings, a commission as second Lieutenant in the Air Force Reserve, and assignment to three years of active duty.

Outstanding graduates immediately receive Regular commission in the Air Force. All other graduates have an opportunity while on active duty to qualify for one of the Regular commissions offered each year by the Air Force.

Another base, Las Vegas AFB,

Nevada, will be added in the spring to the seven bases at which Aviation Cadets Training is given.

Goodfellow AFB, San Angelo; Randolph AFB, San Antonio; Fort Worth AFB, Sherman; and Waco AFB, Waco, all in Texas, are used for the eight months of basic pilot training, after which Cadets go to Barksdale AFB, Shreveport, La., and to Enid AFB, Enid, Okla., for advanced twin-engine training; to Williams AFB, Chandler, Ariz., and Las Vegas AFB for advanced single-engine training.

Bus Purchased For Scouts' Use

Transportation problems for all scouts of Littlefield are rapidly coming to an end according to local Scoutmaster Wayne Brown.

Mr. Brown reports that a bus has been purchased for the use of Boy Scouts, Girl Scouts, and Cubs of the Littlefield troops.

The bus, a 60 passenger 1934 model, was purchased from the Spring Lake Boys' Ranch Club. Although it's present condition is not the best, and the engine won't run, as soon as the weather gets better, the bus will be completely overhauled from stem to stern, repaired and appropriately dressed up to represent Littlefield Scouts. The bus will be a great aid to the troops in making district meets, attending local camps, and going on

observation trips. Next month, the Boy Scouts celebrate their annual birthday party and pot-luck on February 10. Final details have been worked out for the occasion but all parents of scouts, and interested in scouting will be invited to attend.

George Mahon Named Chairman of Important Groups in Congress

George Mahon of Colorado City, Lubbock, representative of the 19th congressional district, Saturday was named the head of one of the most important groups in Congress—the committee of the House Appropriations committee which will handle the entire military budget for national defense.

GEORGE MAHON

Appointment as chairman of the main sub-committee was announced Saturday by Chairman Clarence Cannon (D-Mo.) of all House Appropriations committee and marks a definite "move up" in authority in Congressional circles for the Texas congressman. Post is important appointment marks the first time a sub-committee will handle

all appropriations for the entire armed forces. Through Mahon's committee will come the request of President Truman for fifteen billion dollars which is more than one-third of the entire national budget.

Cong. Mahon's appointment puts him in one of the most responsible positions in Congress and through his hands will pass requests for expending of the greatest amount of funds of any one group in Congress.

On the way in which the chairman of the sub-committee conducts hearings, on the questions and answers at those sessions, will largely depend the future trend of planning for this nation's security. The House committee must function before the House and then the Senate can approve any funds spending.

Cong. Mahon started his eighth successive term in Congress this month. He has served on several other important committees in the past.

Other members of the sub-committee which Cong. Mahon will head will be Congressman Sikes, Florida, Harry Sheppard, California, Albert Engel, Michigan, and Charles Plumpley, Vermont.

Another Texan on the Appropriations committee today was given the chairmanship of another sub-committee of importance.

Rep. Albert Thomas, Houston is named chairman of the group to handle independent offices. The big units to come before Thomas' committee are atomic energy, Veterans administration, Maritime commission, Federal Communications commission, Federal Trade commission, which recently has had so much to say about the bal-

ing price system on freight, and the Tennessee Valley authority.

The civil functions of the War department, which includes the spending for rivers, harbors and flood control will come under the deficiency sub-committee and Army Civil function group headed by Rep. John H. Kerr, North Carolina, Rep. Clarence Cannon, Missouri, Rep. Rabaut, Michigan, Rep. John Taber, New York, and Rep. Richard B. Wigglesworth, Massachusetts.

The only southerner is Cong. Kerr and the fact that there is no one on this sub-committee from Texas, Louisiana, or Arkansas may cause this group to be watched with some concern by those who work for rivers and harbors development and flood control in the southwest. It is quite possible, however, that with Cong. Mahon and Cong. Thomas on the committee itself and Rep. Sam Rayburn, of Bonham, the speaker and leader of the House that the situation will be well in hand.

This Kerr sub-committee will have another important job. It will handle the distribution of Marshall Plan funds.

The committee to handle oil and gas matters from the appropriations angle, the same group which will supervise spending in the Interior department and Bureau of Reclamation, will be headed by liberal Democrat, Rep. Mike Kirwan, Youngtown, Ohio. Congressmen Norrell, Arkansas, Jackson, Washington, Jensen, Iowa and Fenton, Pennsylvania are on this group.

Other chairmanships of appropriations sub-committee announced by Cannon included: Agriculture Stigler (D-Okl.) and Haran (R-Wash.), Treasury and Post Office—Hernandez (D-N.M.) and District of Columbia Stockman (R-Ore.).

Peterman and Roberts Attend Meeting

V.M. Peterman, member of the Board of Directors of the Lamb County Fair Association from Amherst, and Jim Roberts, manager of the Littlefield Chamber of Commerce, left Littlefield Wednesday for Dallas to attend a three day meeting of the Texas Association of Fairs and Expositions.

The meeting consists of a general clinic on fair management, with authorities on conducting fairs and expositions conducting lectures. They will return Sunday.

This year's Lamb County Fair will be held in September, during the week preceding the Lubbock Fair.

ATOM OF PEACE . . . Joliot Curie, French high commissioner of atomic energy, has emphasized that France's new nuclear furnace for the creation of atomic energy will produce only for peaceful purposes.

That Nagging Backache

May Warn of Disordered Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter stress acid and other impurities from the life-giving blood. You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidney to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!

Lamb Co. H. D. Club Fleet Committees

Committees to serve in the new fiscal year for the Lamb County Home Demonstration Club were selected last week at a called business meeting of the Council at the Court House.

Mrs. John Nix of the Sod House club was appointed chairman of the Three "E" committee that is Education, Expansion and Exhibit. Other members of that committee are Mrs. W. E. Priddy, Mrs. Floyd Seymore, Mrs. Walter Brantley, Mrs. Lee, Mrs. J. B. Haire, Mrs. H. E. Shaffer, Mrs. Robert Akin, and Mrs. C. E. Jones. Mrs. Buck Ross of Littlefield, was appointed finance chairman. Other members of the finance committee are Mrs. Charlie Landers, Mrs. J. M. Griffin and Mrs. A. A. Royal. Mrs. Jack Brooks is chairman of the year book committee, with Mrs. C. T. Hulse of Olton, assisting.

Mrs. Lee Holtkamp is Recreation chairman with committee members, Mrs. Ernest Gasten and Mrs. Harvey Henson. Mrs. Hubert Sprayberry of Lum's Chapel was appointed parliamentarian, and Mrs. Jack Yarbrough of Amherst, reporter.

New Trucks To Be Registered On Different Basis

Clarence Davis, County Tax-Assessor-Collector, has announced that new trucks will be registered on a different basis from those produced before 1949.

Tax Collectors will register new trucks and truck-tractors according to "Maximum gross vehicle weight," which manufacturers began stamping on the body of the vehicle on January 1st of this year.

Commercial vehicles produced before 1949 will be registered as before, he said.

Chevrolet's 'Balanced Design' Adds Beauty and Comfort

Progressive streamlining of the 1949 Chevrolet is in line. Notable in the roomier, lower cars is a balance emphasis in this view of the Styleline De Luxe four-in design that adds greater comfort and driving ease door sedan against a new Martin 202 passenger air- as well as smart appearance.

NEW 1949 AUTOMOBILES NOW ON DISPLAY AT HEWITT CHEVROLET CO.

The 1949 Chevrolet, completely re-styled, lower, wider, more distinctive and more expensive, went on display at the Hewitt Chevrolet Company's show rooms here Saturday.

There are two series of 1949 Chevrolets, the Fleetline and Styleline. In the Fleetline the roofline extends in all unbroken sweep to the rear, forming a "fastback." The Style line has a "hunch back," where the curvature of the roof meets the rear

deck at the body belt line. A partial rear fender has been retained in both models.

The six-cylinder, valve-in-head engine of previous models has remained substantially the same. The gear shift is new, and the former vacuum-assisted mechanism, with which drivers had some difficulty, has been replaced with a manual shift with an entirely new shift linkage.

The carburetor has been improved and now contains a "fastidle" device to provide better starting performance in cold weather.

A better hydraulic system and weight distribution of the car will improve braking. Wheels are smaller and carry low-pressure.

For the passenger, the riding compartment has been moved forward, lengthened, broadened and lowered and an increase has been made in the window area. The windshield curves inward at the ends to improve forward and side vision. Visibility has been increased by 30 per cent, the Chevrolet people estimate.

The cowl vent has been dispensed with, and fresh air is now drawn into the passenger compartment through

ducts located between the front fender skirts and the radiator. Air can be metered by manually operated knobs on the instrument panel.

All instrument dials are grouped in a circular cluster on the face of the speedometer. Another new feature on the instrument panel is the starter button. The emergency brake is a straight pull lever mounted below the dash at the right of the steering wheel.

Carloadings For Past Week Show Decrease Over 1948

Santa Fe System carloadings for week ending January 15, 1949 were 21,023 compared with 27,489 for same week in 1948. Cars received from connections totaled 9,675 compared with 11,079 for same week in 1948. Total cars moved were 30,698 compared with 38,568 for same week

in 1948. Santa Fe handled a total of 31,347 cars in preceding week year.

CHRISTIAN SCIENCE SERVICES
 "Love" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, January 30.
 The Golden Text is: "How excellent is thy lovingkindness, O God!"

Beware Coughs From Common Colds That HANG ON
 Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.
CREOMULSION
 for Coughs, Chest Colds, Bronchitis

therefore the children of men put their trust under the shadow of thy wings" (Ssalm 36:7).
 Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Beloved, let us love one another: for love is of God; and every one that loveth is born of God, and knoweth God" (1 John 4:7).
 The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and

Health with Key to the Scriptures" by Mary Baker Eddy: "Divine Love is infinite. Therefore all that really exists is in and of God, and manifests His love" (page 340).
 Kind looks, kind words, kind acts, and warm handshakes—these are secondary means of grace when men are in trouble and are fighting their un- seen battles.
 —John Hall

MISS ZANGA OF GREECE SPEAKS TO BAPTIST W. M. S. AND YOUNG PEOPLE

Miss Marina Zanga, who came from Greece to the United States six months ago, spoke to the young people of the First Baptist Church Sunday afternoon and the ladies of the W. M. S. Monday afternoon at 2:15 o'clock.

Miss Zanga is making her home with Mrs. G. R. Kennedy at Lubbock, and will enroll at Texas Tech at the beginning of the second semester.

She is an impressive speaker and gave a vivid picture of conditions and customs in her country.

Ladies of the various circles of the Women's Missionary Society met at the home of Mr. and Mrs. C. O. Griffin for this special feature.

Army and Air Force Get New Pay Card System

The "Supplementary payroll" or the "delayed pay" system will be dropped from the military pay system on July 1 of this year when the new "pay card" system goes into effect, according to information reaching T-Sgt. Gerald F. Cutshall, in charge of the U.S. Army and U.S. Air Force Recruiting Station at 310 West 5th Street, Littlefield.

"The new plan calls for the pay card to follow the soldier to whatever station he may be sent," said Sgt. Cutshall, "making it possible to pay him promptly at his new station, instead of the 'delay method' previously used."

He pointed out that the new system will work to the advantage of both the soldiers and the Finance officers. New pay cards will be issued every six months.

LAST RITES HELD FOR WRECK VICTIM

Funeral services were conducted at Church of Christ, Levelland for Clarence Frank McInroe, 21, Levelland refinery worker who was killed at 1:30 a. m. Thursday when the car he was driving on the Littlefield-Levelland highway overturned six miles south of Littlefield.

Cline R. Drake, minister of the Idalou Church of Christ, officiated at the service, after which the body was taken overland to Idalou for interment in the Idalou cemetery. Plains Funeral home of Levelland directed burial.

Ed Junior Kilpatrick, 19, also a refinery employe, who was riding with McInroe, escaped serious injury. He was taken to Payne-Shotwell hospital in Littlefield, where he is receiving treatment for cuts and bruises.

The accident happened, highway patrolmen said, as McInroe's southbound 1946 Chevrolet coupe approached an old model Chevrolet pickup parked on the highway.

He swerved the car to avoid hitting the pickup, lost control, and the car overturned twice.

McInroe apparently died instantly. At Payne-Shotwell hospital, where he and Kilpatrick were taken by Hammons Funeral home ambulance, doctors said he had suffered a broken neck.

After the accident, Kilpatrick extricated himself from the wrecked car, went to a nearby farm home, and called for the ambulance.

Officers said there were two men in the parked pickup, which had its lights on, when the accident occurred. They were reported to be Henry Freeman Campbell, 59, and Hiram C. Davis, 65, both of Amherst.

McInroe's survivors include his mother, Mrs. A. B. McInroe of Levelland; five brothers, Lowell McInroe of Idalou, A. B. McInroe, Carl McInroe, Billy Ray McInroe, and Wedell McInroe, all of Levelland; three sisters, Mrs. Velma Williams of Levelland, Mrs. Zella Kumbrell of Idalou, and Mrs. Orlene Quinn of Cartel, N. W.; and his grandmothers, Mrs. W. A. Woods of Levelland.

CAPITAL MOVE... She used to be Representative Margaret Chase Smith, but she's a senator now—a member of the "most exclusive gentlemen's club in the world." Miss Smith is first woman to be elected to the senate without benefit of a previous term-fill-out appointment.

Cancer Control Chairman

Karl Hoblitzelle (above) of Dallas has been selected state campaign chairman of the American Cancer Society, Texas Division, for its annual cancer control month in April.

Human nature is the same on every side of the Atlantic, and will be alike influenced by the same causes. The time to guard against corruption and tyranny, is before they shall have gotten hold of us. It is better to keep the wolf out of the fold, than to trust to drawing his teeth and claws after he shall have entered.—Thomas Jefferson.

We Are Not Alone

By A Polio Parent

We who have watched a child go through the agony of polio in its early, dangerous stage—when it defies life itself—know that we are not alone. There have been others and will be others until this mysterious killing and crippling virus can be checked.

It is as though our hearts have broken and gone into all the hospital rooms where a child lies on a different sort of a hospital bed. It has a very firm mattress with a heavy board underneath and a solid board upright at the foot for small feet to stay against, for therein lies hope for legs that once were straight. By the bed is a pack machine—a dispenser of hot packs and consequent relief from pain. The children are a little different from having known pain, they are not happy in their freedom from it. They are happy and secure in their knowledge that all the treatment is to help them, and that tomorrow will be better.

Do you care to come along (verbally) where we have been? We stood at the bedside of a feverish, agonized child who were unable to move or eat or drink. We watched with thankful hearts the gradual improvement as once again they were able to eat and drink—talk and smile. We accepted the new news of muscle involve-

ment, heartbroken but hopeful, and hope is still the keynote throughout the long convalescence that usually accompanies polio's attack. The only basis for our hope is proper treatment guided by long experience and research, and the most likely place to find correct physio-therapy and the best on muscle re-education and excellent nursing is in a foundation authorized hospital. It is bigger than our selfish aspirations and petty pride.

No matter if your preconceived ideas about help from the Foundation were like mine (I thought it was charity) you might eventually be faced to depend on the Foundation for the sake of your child. Please souls and vision have impounded us this truth, The Foundation longs to us all, rich or poor, in hope as long as we help. We use so that our children may be repaid of our means, most sincere gratitude as long as all shall live.
