**MRS. CHARLES SMITH**

A special touch was added to a honored ceremony when Envoy C. Sago, of the Salvation Army, officiated at the marriage vows for Miss Myra Holverson and Charles Smith. The twilight ceremony was broadcast over Radio Station KVOW 13.8.

A last-minute decision by Envoy Sago, the radio marriage was performed as smoothly as if it had been planned for days. The novel ceremony marked three "firsts": it was the first broadcast marriage over radio.

# Farrar Newberry, National President W.O.W. Will Visit Littlefield Camp Friday Night

A special program will be staged Friday, June 27, when Farrar Newberry, national president of the Woodmen of the World, will visit the local lodge. A reception for Mr. Newberry will be held by the Littlefield W. O. W. and visitors on his arrival. A large number of prominent Woodmen from over the Plains area are expected to attend.

All events will take place at the high school, opening with a meeting at 8 o'clock during which a number of members will be initiated into the lodge under the direction of the Littlefield degree team. Candidates from Littlefield and a wide area will be initiated, with Mr. Newberry as guest.

Mayor A. C. Chesher will deliver the welcome address at 9 o'clock, and Bob Kirk, Littlefield attorney and advisor lieutenant, will make the address of welcome on behalf of the local lodge and act as master of ceremonies, following which President Newberry will address the gathering.

**School Band to Play**  
The Littlefield High school band

will play several special numbers, from 8:15 until 9 o'clock.

State Manager George Hine, of Abilene, will be in attendance and deliver an address.

Mr. Newberry was born in Gurdon, Ark., in 1887. When he was seven years old, his family moved to Arkadelphia. He received most of his education there, taking a B.A. degree from Arkadelphia Methodist College. Two years later he received his M.A. degree from Vanderbilt University. While at Vanderbilt, he became a member of Phi Kappa Sigma fraternity.

Following his graduation at Vanderbilt, Mr. Newberry taught for a year in the Union City Training School at Union City, Tennessee, then for two years in his alma mater at Arkadelphia. He was acting professor of history in the University of Arkansas for one year. He completed his law studies in the offices of Calloway and Huie at Arkadelphia and was admitted to the bar.

**Enters Field Work**  
After serving in the Arkansas legislature, he entered field work in Southern Arkansas for the Woodmen

of the World Insurance Society. He was elected head consul of the jurisdiction of Arkansas in 1915, and in 1918 was appointed state manager of the Woodmen of the World in Arkansas, and held that post for 17 years. In 1932 he became a director of the Woodmen of the World, and in the fall of 1935 moved to Omaha, Nebr., where he served in various departments—particularly in field work—and helped to organize several nationwide membership campaigns.

During his long service as a field man and state manager of Arkansas, Mr. Newberry sent to headquarters, under his own contract, approximately 18,000 applications—an outstanding production record.

Both at LittleRock and Omaha, he has served as a steward in the First Methodist Church. He married Lila Lee Thomasson, of Little Rock. They have two sons, Farrar Newberry Jr., of Columbia, S. C., and Nick T. Newberry, of Charlotte, N. C.

**Writes Three Books**  
He has turned out three books, "A Life of Mr. Garland in Arkansas," "The Life of J. C. Root and the Glories of Perfected Woodcraft," and "James K. Jones, the Plumed Knight of Arkansas," and numerous magazine and newspaper articles.

On March 15, 1937, he became sec-

Dr. C. E. Payne is camp physician for the local WOW lodge.

**PAVING PROGRAM IS EXPECTED TO GET UNDERWAY HERE IN TWO WEEKS**

The Littlefield paving program is expected to get underway in about two weeks, according to W. G. Street, secretary, who stated Wednesday a hearing would be held Saturday morning, July 5, at 10 o'clock, the purpose of giving the propo-

ners an opportunity to present the paving assessments, in case so wished to offer any objections.

It is expected by the city to get started on the paving soon after July 5.

About sixty blocks of paving will be done.

A. Partell has the contract for the work.

**Plexico to Preach Here Next Sunday**

Rev. J. L. Plexico will occupy the pulpit at the First Presbyterian church Sunday, June 29.

Rev. Plexico is a son-in-law of Mr. and Mrs. Ben Gann, and he and Mrs. Gann are visiting in her parents' home here.

The public is cordially invited to attend the services.

### Harvesting of W. H. Cunningham Wheat Crop Is Underway

Tall Grain, With 3 Combines Working, Making Large Yield

The 350 acres of beautiful waving wheat 36 inches high being harvested on the W. H. Cunningham farm five and a half miles southwest of Littlefield, made an unusual and interesting picture to a Leader reporter Saturday, inasmuch as the South Plains has always been regarded as a "cotton and feed" country. It also furnishes additional proof to farmers of this area that the soil on the South Plains will grow most anything, provided the weather conditions permit.

This area is fast becoming a diversified section, and it is contended by many that in the not far distant future farmers will all be planning several crops for their land instead of keeping to cotton as in the past.

**Farming 1750 Acres**  
Mr. Cunningham is a pure seed grower and large scale farmer. He is a past president of the Texas Seed Breeders' Association and of the board of directors of the Texas Certified Seed Growers' Association. This year he is farming 1750 acres, with 600 in wheat, 900 in cotton, and the balance in milo feed.

When this reporter visited the Cunningham wheat field Saturday it was a beautiful sight to behold, the best stand it has been our pleasure to see in the South.

**Three Combines At Work**  
Three large combines, two Allis-Chalmers and one Baldwin, all owned by Mr. Cunningham, were in operation, with a truck, a pick-up and two trailers for loading the wheat and taking it to the R. L. Byers elevator. These combines were being operated by Luther Cunningham, son of Mr. and Mrs. W. H. Cunningham, and Herbert Funk and Huston Barker.

**Making 30 Bushels to Acre**  
Mr. Cunningham stated he expected to make 30 bushels to the acre of wheat.

He explained that wheat is not ac-

### Yield Is Enormous; Making From 18 To 50 Bushels to Acre

75 Cars of Wheat Already Shipped; 125 More Ready

With harvesting in full swing, practically all elevators on the South Plains are full to capacity, and awaiting boxcars.

In an interview with P. W. Walker Tuesday, he stated there was more wheat in this part of the country than he had ever seen before. He stated there had been 75 cars of wheat already shipped from her, and about 125 cars are in elevators ready for shipping.

Mr. Walker further estimated that this is about half of what they will get unless some other area gets cars and the grain is shunted off to some other place. He added that the quality was high, the enormous yield running from 19 to 50 bushels an acre, with some yields exceeding that, and the price good—\$1.87 per bushel.

He estimated that about 335,000 bushels of wheat had been handled by the local grain elevators.

Mr. Walker stated he was handling about 30,000 bushels, or 15 cars, daily.

### WOW Head Counsel To Visit City

Included in the group of guests of the Littlefield lodge, W. O. W., on the occasion of the visit of the national president Friday night, will be R. N. Dossman of San Antonio, head counsel of the Texas jurisdiction. Mr. Dossman also is state manager for Southeast Texas.

This will be the first visit of Mr. Dossman to Littlefield and to the Littlefield lodge.

Mr. Dossman has achieved an outstanding record in behalf of the Woodmen of the World, and his section of Texas has the largest membership of the four units in the jurisdiction of Texas.

### NAMED HONORARY CITIZEN OF BOYS TOWN

Dee Chapman, local district manager of the Woodmen of the World, has been made an honorary citizen of Boys Town, Father E. J. Flanagan's famous community for boys. Mr. and Mrs. Chapman visited Boys town when they made a trip to the head office at Omaha, Nebr., several months ago.

### Arthur P. Duggan, Jr., Reports On Rotary Convention Here, Sudan

Arthur P. Duggan Jr., Littlefield delegate to the International Rotary convention at San Francisco, gave his report on the convention at the Rotary luncheon Thursday. At noon Friday, he again reported on the convention to the Rotary club at Sudan.

Mr. Duggan stated that the main purpose of Rotary for the ensuing year is to promote friendship and understanding among the peoples of the world. The theme of the 1947 convention of Rotary International was "Living Together In Friendship and Understanding."

"Only in this way," said Mr. Duggan, "can we hope to enjoy a lasting peace and harmonious agreement among the nations of the world. Two powerful ideologies seek to monopolize the mind of mankind: one of them is Democracy, which attempts to preserve the freedom, spiritual and physical, which is the heritage of men who follow the democratic way of life; the other ideology is a doctrine of fear, dictatorship, and denial of human liberties."

"Realizing this, Rotary stands for a practical idealism—in other words, a strong America—so that we can back up our ideal of peace. There can be friendship and peace, if men want it."

U. S. Attorney General Tom Clark, in a speech at the Rotary convention in San Francisco, said "the real struggle for freedom will largely be fought

by the youth of today." He praised the work of agencies which offer constructive, healthful recreation programs to insure that the youth of America will grow up strong, with a sense of fair play.

### WOW Founded In 1890 At Omaha

The W. O. W. lodge was founded in 1890 by Messrs. Root, Yates, Jewell and Faulkenburg, in very humble surroundings . . . a room 14 by 12 feet in the Paxton hotel, Omaha, Nebr.

Littlefield Camp 3871 was organized June 6, 1936, by C. Henson, Edd Barnes and R. E. Biles.

First officers elected were: Troy Howton, consul commander; M. W. Brewer, advisor lieutenant; O. H. Lichte, banker; R. E. Biles, secretary; W. O. Yeary, escort; Charlie Clark, sentry; and B. W. Smith, watchman.

First auditors were: C. Henson, H. H. Luke, Ross G. Renfro, and the first camp physician was Dr. J. R. Coen.

First district manager for the Littlefield district was R. E. Biles, from 1936 to 1938, followed by C. R. Valentine of Plainview, and later by W. D. Chapman of Littlefield.

The Littlefield camp has at present 451 members.

#### SUFFERS INJURY

Bill Austin was unfortunate enough to sustain injury to his right hand Friday last when it got caught in the fan of a motor at the West Texas Booster Plant, four miles south of Littlefield, and cut a portion of his first finger off, and lacerated his other fingers. The accident happened when the pulley on the motor jerked his and into the fan. Mr. Austin was admitted to the Payne-Shotwell Hospital, where he is getting along nicely.

### Letter To Editor Anent Whisker Crop Shortage

Dear Editor:

While response to the plea for Littlefield males to grow beards to better publicize the second annual Jay-Cee rodeo here July 25-26-27 has been fairly good, there are still too many able-bodied men who are smooth-shaven.

The Jay-Cees are not threatening those who are not growing a crop of whiskers, but merely ASKING that they cooperate in this undertaking as a public-spirited gesture to help put the rodeo over in good old Lamb county fashion.

Surely, most any of our male citizens can grow some kind of beard between now and rodeo time, even if it is nothing more than a thin line of fuzz. You don't have to sprout a beard that will make you look like a grizzly bear. A mustache, sideburns, goatee—or a combination of the three—will do nicely.

This whisker-growing business it not a MUST proposition, but a cooperative, civic-minded, public-spirited gesture. No one can be forced to grow a beard against his will—and rodeo officials certainly don't want it that way at all. But the rodeo promoters and supporters are ASKING you to cooperate in this venture, one that will contribute materially to the successful promotion of our show. Good beard crops will especially be beneficial on our three booster trips that will be made throughout the territory during the week preceding the rodeo.

Beards can do a lot toward helping us publicize the rodeo—and help to make it a successful one.

Yours for more and better beards and mustaches between now and rodeo time.

LITTLEFIELD JAYCEES,  
Wayne (Tramp) Brown,  
President.

### 2,000 Bushels of Wheat Is Destroyed by Fire

Fire that cut a swath across three wheat fields a few miles east of Olton Tuesday afternoon of last week destroyed an estimated 2,000 bushels of grain.

The fire started from a combine exhaust in Wayne Boyd's field and spread from there to the farms of Floyd Coleman, who lost about fifty acres, and to Durwood Copeland's field, where around 25 acres burned off. Boyd said less than an acre burned on his field before the fire crossed to the other farms.

The wheat on the Boyd, Coleman and Copeland farms is making around 25 bushels to the acre.

"It burned like prairie-grass," Boyd said. Listers were used to try to stop the fire, but without success. Oneways then were tried with better results. The fire had gained such headway before plows could be brought to the scene that about the only effective results obtained were in keeping the blazing strip from widening. It stopped the forward progress only when it reached a road.

The fire started from a machine operated by a crew from Hale Center. Boyd was running a combine nearby.

## Miss Louise Lee Becomes Bride of Tom H. Iwen in Church Ceremony Sunday Evening

Miss Louise Lee, daughter of Mr. and Mrs. J. H. Lee, became the bride of Tom H. Iwen, son of Mr. and Mrs. O. Iwen of Lake Mohawk New Jersey, in a beautiful double-ring ceremony at 8 p.m. Tuesday in the First Baptist Church, with Rev. Lee Hempel, pastor, officiating. Tall white candles in five candelabrum lighted the altar, which was decorated with white gladioli and Marconi daisies and palms. James Lee, brother of the bride, and Don Litchfield of Clovis, N. M., lighted the candles and were assisted in ushering by Charles Oglin and Warren Rutledge Jr.

—Picture Courtesy Chisholm & Nail.  
MRS. TOM H. IWEN

Mr. Jack Norman, soloist, sang "Because" and "I Love Thee." He was accompanied by Miss Nina Johnson, organist.

The bride was given in marriage to her father. She was dressed in a crepe, street-length dress, styled with a long torso with draped hip lines. Her off-the-face, white maline was studded with pearls and she wore white mittens. She carried a bouquet of gardenias and lilies-of-the-valley, with white satin ribbon streamers.

Mrs. Kempton Matron of Honor  
Mrs. John Kempton served her sister as matron of honor. She wore a pale blue crepe dress with black accessories, and carried a bouquet of yellow roses and blue delphinium. She did the bridesmaid, Miss Alene Lyman, of Clovis.

Miss Lyman was attired in a grey crepe dress with black accessories. Mr. Charles Ebbetts, of Lake Mohawk, who was a college mate of the groom, served as best man, while Mr. John Kempton, brother-in-law of the bride, attended as groomsman.

Among the out-of-town guests for the wedding were Mr. and Mrs. Iwen, parents of the groom, who arrived with Mr. Ebbetts Friday, and Mrs. Edna Thomas of Luders, who is grandmother of the bride; Mr. and Mrs. L. H. Thomas of Luders; and Mrs. L. C. Thomas, of Port Neches; and Mr. and Mrs. Howard Martin of Clovis.

Graduate of Clovis High  
The bride is a graduate of the Clovis High school and attended the Colorado Women's College of Denver and the New Mexico University at Albuquerque. Since the first of the

year she has been associated with her father in the First National Bank of Littlefield, with duties in the clerical department.

The groom was a student in the Tuft's College in Boston previous to entering the Army Air Corps and, following his discharge last June, he enrolled in the University of Florida at Coral Gables, where he will graduate next term with a business administration degree.

Following the marriage ceremony,

a reception was held at the Lee home at 301 East Eleventh Street for relatives and close friends of the couple. Miss Margaret Coffman and Miss Alene Lyman presided at the beautifully appointed bride's table, from which cake and punch were served. The three-tiered wedding cake was topped with lilies-of-the-valley.

Miss Billie Marie Hopping furnished soft music throughout the reception.

Following the reception the couple left on a wedding trip which will terminate at Lake Mohawk. They will live here until fall, when they will go to Florida, where he will enroll in the University of Florida.

Lovely Rehearsal Given  
Sunday evening, Mr. and Mrs. Lee entertained members of the wedding party, Mrs. Edna Thomas and Miss Billie Marie Hopping, with a lovely rehearsal dinner in the Chimayo Room of the Hilton hotel, Lubbock.

## High School Wins Two This Week

The Firemen came out on top of a four-alarm fracas with the JayCees Friday. Final score was 23 for the fireboys and 14 for the fur-jawed JayCees. On the same night, High School eased in ahead of Morrow Lumber, 14-12.

Monday night, High School did it again—this time to the JayCees, 9-5—while Lavender nosed out American Legion, 5-4.

The Firemen got the low end of the tally Tuesday night when Bridges cleaned up 17 to the firemen's 3. Morrow went down under the VFW attack—final score: 14-11.

And that winds up another chapter in the softball league. Coming up next:

Thursday, June 26, High School vs. Firemen, and Lavender vs. Bridges; Friday, June 27, VFW vs. American Legion, and Morrow vs. JayCees; Monday, June 30, VFW vs. Firemen, and Morrow vs. Bridges; Tuesday, July 1, High School vs. American Legion, and Lavender vs. JayCees.

Newly-born rattlesnakes have no rattle, but develop a joint to their rattle with each succeeding moult. Older joints, however, gradually wear away and are lost, so that the number of joints on the rattle is not necessarily any criterion of a snake's age.

### QUESTIONS AND ANSWERS

Q. What income provision is attached to the pension that I will get as the widow of a soldier who died in a German prison camp?

A. As the widow of a soldier who died in the line of duty, you are pensionable under the law regardless of income.

Q. I divorced my wife on grounds of desertion and would like to know if she can claim part of my pension?

A. The divorce discontinues the marital relationship and your wife could not successfully claim a portion of your pension unless she successfully contests the divorce.

Q. How much is allowed for a child whose father is taking a G.I. college course? We are divorced and he claims that he is receiving only \$65 a month.

A. A veteran going to school under the Servicemen's Readjustment Act (G.I. Bill), if single and without dependents, may receive an allowance of \$65 monthly; if he has a dependent or dependents, he may receive \$90 a month. If the child is dependent on your former husband, he would be entitled to the higher rate.

Q. How long after discharge from armed services is readjustment allowance available to a veterans?

A. Readjustment allowances are

available to an eligible veteran at any time after his discharge or release until two years after the date of his discharge or release or until two years after the official termination of the war, whichever is later.

Q. Can I go to school under the G.I. Bill while I am taking on-the-job training under the Act?

A. Yes, you can go to school under the Servicemen's Readjustment Act (G.I. Bill) while you are taking on-the-job training if the school course is determined to be related to the on-the-job course. The government will pay your tuition.

Q. Will the government pay for tools and other equipment while I am taking on-the-job training under the G.I. Bill?

A. Yes, if the tools and other equipment are necessary for successful pursuit and completion of the course of training and is required by all trainees.

Q. I have been told that my pension will be reduced in 60 days. What can I do to prevent this reduction?

A. You may submit additional evidence to show that the reduction is not warranted.

Q. Must I show that I have had experience in business to get a guaranty of loan for business purposes?

A. The law provides "that ability and experience of the veteran, and the conditions under which he proposes to pursue such business or occupation are such that there is a reasonable likelihood he will be successful."

## Director of Public Relations For Baptist Convention

The selection of Andrew Q. Allen, assistant to the administrator of Baylor University Hospital, to head a newly-created office of director of public relations for the Baptist General Convention of Texas, has been announced by J. Howard Williams, state Baptist leader.

The decision was reached at a meeting of the state executive board of the Convention in Dallas.

Allen is widely known among Baptists of Texas and the South. He has served as business manager and assistant administrator of Baylor Hospital for the past three years, giving much of his time to public relations and personnel problems. Previously he has been assistant State Sunday School secretary for five years, State Sunday School leader in Tennessee for three years and with the Southern Baptist board for six years.

He is a native of Petersburg, Hale county, and hold degrees from the University of Texas, Southwestern Baptist Theological Seminary, Fort Worth, and Peabody College, Nashville, Tenn.

In announcing the creation of the new department, Dr. Williams stated that Mr. Allen would interpret Baptist news through the press, serving as contact representative, and would also interpret the press to Baptists.

A second and vital phase of his

work, the Baptist leader said, will be the creation and production of literature, posters, and other publicity matter for the various departments and branches of the Convention.

COUPLE TO BE MARRIED IN FLOWER GARDEN AT CUNNINGHAM HOME SUNDAY

Wedding of much interest will place Sunday afternoon at 2 o'clock at the home of Mr. and Mrs. H. Cunningham, three and a half miles southwest of Littlefield, when the bride and groom will be exchanged by Miss Ruth Cunningham, daughter of Mr. and Mrs. H. Cunningham, and Mr. James Culp, son of Mr. and Mrs. Henry Muleshoe.

The beautiful ring ceremony will be held in the flower garden of the Cunningham home, before an archway of fern, flanked on either side by large baskets of snapdragons and sweetpeas, with Judge O. F. Dent officiating.

The bride-elect will wear a blue dress with white and brown accessories, and a gardenia corsage. The maid of honor will be Miss Ruth Cunningham, sister of the bride-elect, who will wear a pink dress with corsage of white carnations.

Attending the groom will be Mr. Robert Cunningham, brother of the bride-elect. Immediately following the ceremony, a reception will be held at the home of the bride's parents.

The refreshment table will be laid with white imported Irish linen cloth, and a three-tiered white wedding cake, topped by miniature bride and groom.

Mr. H. F. Walden, aunt of the bride-elect, will preside at the champagne bowl and, after the first piece of cake is cut by the bride and groom, Mrs. W. T. Mauk will cut and serve the cake.

Expected to attend the wedding reception following are the following members of the immediate families and friends: Mr. and Mrs. Robert Culp, Mr. and Mrs. W. H. Cunningham, Mr. and Mrs. H. F. Walden, and Mrs. R. F. Walden and son, and Mrs. L. D. Speers and children, Mr. and Mrs. V. D. Ward and son, Mr. and Mrs. Luther Cunningham and son, Mr. and Mrs. A. F. Hart and daughter, Ms. Sallie Mae, Mrs. Maggie Mauk, Mr. and Mrs. W. T. Mauk and daughter, Miss Powell, and Mr. and Mrs. W. A. Littlefield and children.

Miss Cunningham was graduated from the Littlefield High school with the class of 1946. Mr. Culp attended Armistead, New Mexico, schools. He served three years in the U. S. Army in the transportation division, and was discharged in July.

The couple will leave immediately following the ceremony for Carlsbad, N.M., on a short wedding trip. On their return they will live nine miles from Muleshoe, where Mr. Culp is trying on farming operations.

**CARD OF THANKS**  
Words cannot express our appreciation and thanks to our friends in the field and area for your many acts of kindness and expressions of sympathy extended at the death of our loved one. Your thoughtfulness and friendship did much to help us bear our burden of sorrow.

Especially thank those who contributed to the beautiful floral offering. God bless each and every one who were so kind and thoughtful.

BACK TO THE LAND . . . Wearing the costumes of Russian peasants, these three persons are typical of the "Doukhobor" religious group of 70 which has purchased 140 acres of land amid the wilderness of Vancouver Island, British Columbia. Following a doctrine of "utter love," they are attempting to found a colony managed on a communal, share-all basis with simple peasant austerity.

Miss Robbie Nell Holton and Bob Aubrey Wed In Ceremony at Levelland Friday

Miss Robbie Nell Holton, daughter of Mr. and Mrs. Ross M. Holton of Littlefield became the bride of Bob Aubrey, son of Mr. and Mrs. Burt Aubrey of Levelland, Friday, June 20.

The beautiful ring ceremony was performed by the minister of the Church of Christ, Levelland, in the livingroom at the home of the groom's mother, Mrs. Aubrey, at Levelland, at 9 o'clock Friday evening.

The bride wore a white crepe dress-maker suit with blue accessories, and a corsage of blue daisies.

The couple was attended by Miss Sue Aubrey, sister of the groom, and Charles Holton, brother of the bride. Miss Aubrey wore a pink crepe dress with white accessories, and a corsage of white carnations.

Following the ceremony a reception was held at the home of the groom's mother.

The refreshment table was laid in white cloth, centered with a beautiful white three-tiered wedding cake which, after being cut by the bride and groom, was served with punch to members of the immediate families of the bride and groom.

Those present were the newlyweds, Mr. and Mrs. Bob Aubrey; Mr. and Mrs. Robert M. Holton, of Littlefield; Mrs. Burt Aubrey, Mr. and Mrs. James Latham, Mrs. Marvin Aubrey; and children, Mr. and Mrs. Calvin Aubrey and son, and Miss Aubrey, all of Levelland, and Mr. and Mrs. Ogerty of Anton.

At the time of her marriage, Mrs. Aubrey was a senior in Littlefield High school.

Mr. Aubrey served two years in the Navy, and was discharged about a year ago, after spending some time overseas. He is now employed by an oil company at Levelland, as a member of a seismograph crew, where the couple will make their home.

## Lueck-Coble Wedding Is Solemnized Friday Evening

Marriage vows were exchanged between Miss Lenora Lueck, daughter of Mr. and Mrs. Fred Lueck, and Levi Coble, son of Mr. and Mrs. L. J. Coble, in a formal wedding at the First Baptist Church at 8 p.m. Friday. The Rev. Mr. Carl Schulte of Slaton performed the double-ring ceremony.

The altar was decorated with baskets of pink gladioli and tall white tapers in wrought iron candelabrum. Miss Emma Lou Bolton and Miss Ruth Hill lighted the tapers and Misses Ellen Webb Messengill and Freddalene Johnson served as ushers.

Miss Nina Jo Dunn, organist, and Mrs. Paul Sieburg of Slaton, pianist, played the wedding music and accompanied the Rev. Mr. Paul Sieburg, who sang "The Lord's Prayer."

The groom was attended by Mr. Paul Vaught of Lubbock and Orin Kirk as groomsmen, and Carl Wilson, cousin of the groom, served as his best man.

Bridesmaids attending Miss Lueck were Misses Mary Louise Inman of Elida, N. M., and Dorothy Cobb of San Angelo, former students with her in nurses' training. Miss Inman was a roommate.

Mrs. W. J. Schroeder served as matron of honor. She wore a net full-length dress and carried an arm bouquet of pink carnations. Miss Inman's dress was of yellow chiffon and her bouquet was made up of deep pink carnations, while Miss Todd wore a pink net and carried a bouquet of yellow carnations.

The bride, who was given in marriage by her father, was lovely in a

white formal made of pure Japanese silk, material of which was sent to her by the groom from Japan. Her illusion veil was finger-length, held by a coronet of pearls and orange blossoms. Baby's breath, carnations and orchids made up her arm bouquet which was tied with a large white satin bow.

### Graduates of Local School

The bride and groom are graduates of the same class in the Littlefield High school, following which she entered nurses' training in the Shannon Hospital in San Angelo, where she received her diploma last May. She continued her service at the hospital until recently.

The groom entered the ROTC unit of Texas Tech following his graduation from high school, from which he enlisted in the U. S. Navy. He was released from the service after almost two years of service, most of which time was spent in the Pacific theatre of war.

### Reception Held

Following the ceremony the guests retired to the Fellowship hall of the church, where a reception was held.

The table was covered with a handmade lace cloth sent to the bride by a friend from the Hawaiian Islands, and centered by a three-tiered bride's cake. White candles in crystal holders lighted the table where punch and cake was served.

The bride and groom left on a short wedding trip, following which they are at home on Eighth Street, in Garlington Addition. He is associated with the Piggly Wiggly store here.

## Mrs. Truman Parker Honored at Bridal Shower Thursday

Mrs. Truman Parker, the former Miss Sammie Akin, was the honoree at a lovely bridal shower at the home of Mr. and Mrs. R. V. Armstrong, 517 West Third Street, Littlefield, Thursday afternoon.

Mrs. Armstrong was ably assisted in the entertaining by Mrs. Lester White.

Vases of white and red roses were attractively arranged about the house. As the guests arrived they were presented with corsages of larkspur.

Miss Wanda Armstrong presided over the bride's book and registered the guests.

A beautiful array of gifts were displayed on the dining table.

The program included two songs by Misses Juanita Hamilton and Adalou Rice, accompanied at the piano by Miss Imogene Humphries, which were followed by the magician game, played by Mrs. E. Wallace and Miss Wanda Armstrong.

Mrs. T. A. Yeager also played the piano during the afternoon.

Following the program ice cream and angel food cake were served. Assisting in the serving were: Mrs.

Armstrong, Mrs. White, Miss Wanda Armstrong and Mrs. Sibyl Moore.

Plate favors were miniature rolling pins.

Those attending were: Meses L. B. Davis, Lee Haynes, Geo. A. Stagers, Emma Akin, R. C. Loyd, Sibyl Moore, O. N. Robison, Bob Smith, T. E. Rice, T. A. Yeager, Sam Hutson, J. F. Gibson, Vera Flowers, E. Wallace, Carlyle Russess, S. B. Jackson, T. S. Wright, Mrs. Joe Oden, and Mrs. Chick Schmidly of Levelland; Misses Lanell Richards, Wanda Bea Armstrong, Sara Lou Armstrong, Yvonne Smith, J. O. Smith, Billie White, Juanita Hamilton, Ada Lou Rice, Imogene Humphries, Ardith Ann Yeager, and the hostesses, Mrs. Armstrong and Mrs. White.

Those sending gifts but unable to attend were: Meses C. E. Hoppe, E. L. Winston, Louise Kelly, Bill Dowd, Verna Ferguson, Carl Pillion, H. Crawford, Peyton Reese, Howard Reese, N. T. Dalton, L. L. Harrell, Ben Lyman, W. E. Jeffries, Kate Gimmell, Joy Lewis, Buck Ross, Jack Furr, Don Hayes, Alvin Bagwell, Charles Hall, Rumback, T. S. ### Gov. Jester Signs School Bill 888

As announced by Supt. Joe Hutchinson, Governor Jester signed the much discussed school bill No. 888, which is an amendment to House Bill 295, providing that all school districts having 175 square miles or more, transporting 30 per cent or more of their students, and showing a budgetary need, shall be entitled to receive state aid as provided in House Bill 295.

This means that the Littlefield district is eligible to draw teacher aid and transportation aid, which will mean that the local teachers will get a substantial raise in salaries that is long past due, ranging from approximately \$1700 up to \$2800, depending upon the college training and experience of the individual teacher.

Dr. Wm. N. Orr, as president of the School Board, wishes to express thanks to all those who put forth their efforts to aid in the passing of this bill.

### JayCees' Inaugural To Be In Lubbock

A joint installation banquet and inaugural dance will be held in Lubbock Monday night at 7:30 o'clock for newly-elected JayCee officers of Littlefield and Lubbock. Approximately twenty-five couples from Littlefield will attend the installation ceremonies.

New officers of the Littlefield Junior Chamber of Commerce are:

Nelson Naylor, president; Wayne Brown, first vice-president; Otha Smith, second vice-president; J. B. Kempton, secretary; Alvin Webb, treasurer; Bob Yarbrough, Elmer McKnight, Ray Smith and Jack Alexander, members of the board of directors.

Frank Butler, state president of the JayCees, will preside over the joint inaugural ceremonies.

### RETURNS AFTER FURLOUGH

M/Sgt. D. C. Simons left Sunday morning for Manila, P. I., after having had a furlough of 30 days to be with his wife and infant daughter, Donna Rhea, who was born June 1 at the Littlefield Hospital. Sergeant Simons has been in the service three and a half years, and this is his second trip overseas. If he is not transferred back to the States, when the baby is old enough, Mrs. Simons and daughter will join her husband at Manila.

### C. O. Robbins Stricken With Pneumonia

C. O. Robbins, owner of Robbins' News Stand, was admitted to Payne-Shotwell Hospital Thursday for treatment of a sudden attack of pneumonia. His condition was described as serious and he was placed in an oxygen tent.

Mr. Robbins is reported out of danger and his condition is showing marked improvement.

Besides the above, there were 24 mystery books added to the library.

### Six Named In CC Mail Election

In a Chamber of Commerce election conducted through the mail, six directors replaced six retiring members. Those named were: Frank Bartley, Paul Pharris, Hardy Shelby, Wolfe Shaw, Bob Kirk and Joe Walters. They will fill the unexpired terms of W. B. Little, Fred Miller, Mancil Hall, Buster Owens, Earl Luce and Lowell Short.

At a directors' meeting Thursday night, June 26, the new directors will be installed and will then confer with the other directors to elect a new president, as L. C. Hewitt, efficient president of the Chamber of Commerce during the past year, will finish up his term in office under the by-laws and charter of the organization.

Over eighty per cent of the members of the Chamber of Commerce voted in the directors' election.

### Anton Co-Op Gin To Build Cotton House

The stockholders of the Anton Producers Co-operative Gin were guests of the Anton Lions Club Monday night of last week, and held a business meeting, during which checks totaling nearly \$28,000 were distributed to the members.

The auditor announced that the net profits of the gin for the 1940 ginning season was \$33,686.43. The gin had a season run of 2,932 bales, but one of the main sources of the net profit was a profit of \$24 per ton on the 756 tons of cottonseed sold to the co-operative oil mill at Lubbock.

Clarence Matthews and Sam Newt Twilley were re-elected directors of the Co-op. Preston Lyda, who was recently re-employed by the board of directors, was given a fine record by the auditor.

The Co-op voted to authorize the board to build a cotton house of 500 bale capacity, at a cost of around \$20,000. This house is to be ready for the coming ginning season.

Total assets of the Co-op were listed by the auditor as \$72,000, and indebtedness as \$800.

### New Tourist Court Planned

V. S. Cassell of Littlefield will start construction of a tourist court on a city block of land just west of the intersection of highways 51 and 84, as soon as the plans can be completed.

To be known as Cassell Courts, the new project will include about twelve one- and two-room efficiency cottages. Littlefield contractor Joe Wells will be in charge of construction.

Cassell Courts will be among the most modern in the area and will provide the conveniences and comfort of a fine hotel. Mr. Cassell plans to build a home in connection with the courts.

### Given Four Years In Penitentiary

E. W. Tillman was given a two-year sentence in the Huntsville penitentiary Friday in district court before Judge C. D. Russell, on a charge of robbing a bank by worthless checks. He entered a plea of guilty.

Robert Cawthorn, colored, entered a plea of guilty before Judge Russell Friday on a murder charge. Cawthorn was arrested following a shooting affray in the Flats May 22, in which Mary Ann Williams, colored, and James Worthy, colored, were fatally injured.

Cawthorn was given a two-year sentence on each charge.

Sheriff Hugh Rice will take the prisoners to Huntsville about Saturday or Sunday.

### Miss Wanda Fay Massey, Freddie Zeissel Marry

Mr. and Mrs. A. L. Massey announce the marriage of their daughter, Miss Wanda Fay Massey, to Freddie Zeissel, son of Mr. and Mrs. Fred Zeissel.

The ceremony took place at the home of Rev. Scott Mitchell, pastor of the Assembly of God Church in Lubbock, June 10, at 1:30 a.m.

The attendants were Mr. and Mrs. Joe Pat Hart of Littlefield, and Mr. and Mrs. A. L. Massey, the bride's mother.

The bride was dressed in white with black accessories. She wore an off-the-face white hat, with black veil.

The groom wore a medium blue suit.

The couple are making their home in Clovis, N. M., with the groom's mother.

### Area Visited By Rain and Hail

Scattered thundershowers fell over the South Plains area Thursday night with some hail reported.

In the Littlefield area a total of 32/100 inches is reported by West Texas Cottonoil Mill Company.

Amherst and Sudan received about half an inch of moisture, while the area due north of Speers Gin reports some hail. For a distance of from six miles southwest of town to 14 miles distant hundreds of acres of cotton are reported hailed out. E. J. Foust Jr., who is farming a portion of his father's land, reports his crops on over 300 acres badly damaged. C. E. Purvis and W. W. Bowen were other farmers whose cotton was wiped out by hail.

Other cities which reported showers were Abernathy, Lubbock, LeLeveland, etc.

### Diving Exhibitions AT Littlefield Pool Sunday

Houston Hodges handed a large group of spectators a thrill Sunday afternoon, June 22, when he swam twice the length of the Littlefield swimming pool under water—or a total of 150 feet.

In the diving exhibition, Billy Lyman, Ross Wallace and Jim Hill gave a 15-minute show on how to get into the water from a springboard, demonstrating 15 different dives.

Each Sunday afternoon is show time at the swimming pool. Features and special events will be scheduled at 3:30 p.m.

Because of the crowded condition of the dressing rooms and the lack of space for clothing storage, the management suggests that swimmers change to their bathing suits at home and come to the pool ready to swim.

### Lions Back Purchase Of New Resuscitator

The Littlefield Lions club will sponsor the purchase of a resuscitator for use in cases of drowning, asphyxiation, or any emergency requiring artificial respiration.

An order for the \$500 resuscitator has already been placed and delivery is expected within approximately five weeks. The manufacturers have agreed to send a representative to demonstrate the method of operating the machine.

Upon arrival, the resuscitator will be displayed in some prominent place. It is expected that it will be kept either in the fire department or funeral home, where it will be accessible in emergencies.

Further details of the resuscitator may be obtained from Alvin Webb, secretary of the local Lions club.

### IS NEARING COMPLETION

The new home under construction for Mr. and Mrs. C. W. Smiley is nearing completion, and they hope to move to it by July 1. This large house was moved to a location near the Memorial Hospital, of which Mr. Smiley is manager from Olton some time ago. It has almost all been rebuilt, will be of stucco exterior and will contain when completed seven rooms and three baths.

Texas' poultry industry is one of the state's largest—worth \$200 million dollars.

### W. G. Owen and L. D. Crume Buy Wright's Cleaning Business

Mr. and Mrs. A. F. Wright have announced the sale of Wright's Cleaners to W. G. Owen and L. D. Crume of Hereford, the new owners taking possession Wednesday.

Both of these men have had years of experience in the dry cleaning business. Mr. Owen's father is in this business in Hereford, and Mr. Crume has been connected with a like concern there for some time.

Mrs. Wright will continue in charge of the ladies' wear finishing department for the present.

Mr. and Mrs. Wright wish to thank all their customers over this area for the fine business extended them, and solicit the same kind consideration and cooperation for the new owners.

### To Drill Wildcat On Hilliard Farm

The Sunray Oil Corporation is reported to be making a location for a wildcat on the J. S. Hilliard farm, three and a half miles west of town, near the Bagwell Gin, just west of the farm residence.

Sunray No. 1 Gipson, contracted to 6500 feet, about five miles south of Littlefield, has reached 4,740 feet in San Andras lime, and is drilling ahead. Top of that formation was picked up at 3200 feet.

### DRINK RAT POISON

Three children of Mr. and Mrs. Otto Stephenson, of near Anton, drank rat poison by mistake recently, and perhaps had it not been for the promptness of the parents in rushing them to the Payne-Shotwell Hospital for emergency treatment, the story would have been a different one.

The children ranging in age from seven down to three, were playing in the yard when they found the poison in a trash pile where it had been carelessly discarded by some one. The children were rushed to the hospital where a stomach pump was used to take the deadly poison from the stomachs of the three children. They were able to be taken home in a few hours.

### W. O. W. Head—

(Continued from Page 1, Section 1)

retary of the society succeeding John T. Yates, who had resigned. He was named president on March 22, 1943. Mr. Newberry is a member of various branches of Masonry and several other fraternal organizations.

He is a member of the National Fraternal Congress of America; past president of the Omaha Chamber of Commerce; he is vice-president of the Greater Omaha Association, and a director of the Omaha Community Chest; he is a director of the Covered Wagon Council, Boy Scouts of America; he is a regent of the University of Omaha, and listed in "Who's Who In America."

W. D. Chapman, Littlefield, district manager of the Woodmen of the World Life Insurance Society, will direct the activities of the meeting. The public is cordially invited.

### Between Us STORKS

A son was born to Mr. and Mrs. J. L. Bulen Sunday, June 8, weighing eight pounds. He has been named James Dale. Mrs. Bulen was the former Miss Ruby Thomas of Anton.

Mr. and Mrs. Paul Hyatt are the parents of a fine son born Sunday, June 16, at the Littlefield Hospital. At birth the infant weighed seven and a half pounds, and has been named Terry Paul. Mrs. Hyatt will remain in the hospital until about June 30.

A son was born to Mr. and Mrs. V. H. Diering of Pep at the Littlefield Hospital Sunday, June 16. He has been named Victor H. Jr.

Born to Mr. and Mrs. Wesley Reznik of Yellowhouse Switch, Thursday, June 19, a son, weighing six and a half pounds, at the Littlefield Hospital.

A daughter was born to Mr. and Mrs. O. W. Jenkins Saturday at the Littlefield Hospital, weighing ten pounds.

Mr. and Mrs. Frank Allverson of Corpus Christi, Texas, are the parents of a son born Sunday at a hospital in that city, weighing eight pounds and nine ounces. He has been named Lloyd Alfred. Mrs. Allverson is a daughter of Mr. and Mrs. Dee Chapman of this city. Mrs. Chapman has been with her daughter for the past two weeks and is expected home today.

### Cunningham Wheat—

(Continued from Page 1, Section 1)

ceptable at the elevator if it contains more than 14 per cent moisture, and that until recently his wheat had been varying from 14 to 20 per cent until last week, when weather conditions for harvesting wheat was perfect.

Harvesting got underway at the Cunningham farm Monday of last week, and by Saturday night there were still considerable wheat yet to be cut. It was expected to complete that 350-acre field by the middle of this week.

Mr. Cunningham explained to this reporter that he had been growing a little wheat each year for several years, but increased it to 70 acres last year because of lack of moisture early.

### Three Crops to One Tract

If his plans work out satisfactorily, Mr. Cunningham will have three crops off this one 350-acre tract.

He explained that he had it in mind last year, and that when he cultivated the milo he planted wheat in the same operation by mounting the planters in front of the cultivators and dropping the wheat, at the same time covering it with the cultivators. When he combined the feed the wheat was just coming up in 40-inch rows, and later this wheat pastured about 200 head of cattle in early spring. The cattle were taken off the pasture March 15, and though the tract was "never touched by a plow or anything," said Mr. Cunningham, it is clear of weeds.

### To Plant New Type Milo

In asking Mr. Cunningham what he planned to plant on the tract off which he is harvesting the wheat, he stated he would plant the new combine type 60-day milo, and that he would plant it between the wheat rows, which are 40 inches apart.

Mr. Cunningham has distinction of being the first certified seed grower to put this new combine type 60-day milo on the market.

Mr. and Mrs. Cunningham occupy a new, modern and attractive home on their property, and are widely known for their hospitable reception and entertainment of guests.

### Mrs. Shaw Harvesting 560 Acres of Wheat

Harvesting of wheat got underway at the farm of Mrs. Esta Mae Shaw at Fieldton Tuesday.

Mrs. Shaw has 560 acres of fine wheat, and three combines started Tuesday in the harvesting of same.

Mr. Rubin is farming the place, which contains 1004 acres.

### Radio Wedding—

(Continued from Page 1, Section 1)

KVOW, the first in Littlefield, and the first marriage for Mr. and Mrs. Smith.

Mrs. Smith is the daughter of Mr. Ronald Simard, of Bellflower, California. She was born in Toplin, Alberta, Canada.

For her wedding, the bride wore a pale yellow Ninon dress.

Mr. Smith, a veteran of World War II, is the son of Mr. and Mrs. R. M. Smith, of Littlefield.

"I Love You Truly" was played on studio records, Imogene Humphrey played the wedding marches.

A reception at the home of Mrs. and Mrs. Seago followed the ceremony. Among those who attended were Mr. and Mrs. R. M. Smith, Mr. and Mrs. Viola Dredden, W. F. J. Dredden, Billy and Bobby Smith, nephews of the groom; and Miss Patty Seago.

After a wedding trip to Fellows, Calif., where they will visit the bride's mother, Mr. and Mrs. Smith will reside in Littlefield.

## Fun Rites Held For Replin Friday

Replin, 62, owner of Replin's Dry Goods, and a former resident of Littlefield, passed away at a Denver hospital at 5:30 a.m. Thursday, after a long illness, three months of which he spent in the hospital.

Replin had suffered from heart trouble for many years, and a heart attack is believed to have hastened his death.

Funeral services were conducted at his home in Denver Friday at 10 a.m., with burial in Rose Hill cemetery.

**Born in Russia**  
Replin was born in Russia in November, 1884, and came to the United States in 1908. He came to Littlefield in 1927, and established Replin's Dry Goods, which has since been in operation.

**Operated Store in Lubbock**  
Replin was living at Lubbock three years ago and operated a dry goods store under the style name of Replin's Dry Goods, which was located next to the First National bank. He is said to have owned a store in Lubbock up until about five years ago.

**Lived in Denver**  
Replin had been making his home in Denver for the past six years.

At the time of his death he owned a valuable Denver property. Surviving deceased are: his widow; two daughters and three sons.

Daughters are: Mrs. Dan Berg, Littlefield, Mrs. Mack Hersh, Mrs. Kerklin and Mrs. George Perall of Denver, Colo., and Mrs. Herman of New York City. Sons are Joe, Henry and Morris of Denver.

Replin is survived also by a Mrs. Sarah Scher, of Los Angeles.

Members of the Replin family who attended the last rites with the exception of Mrs. Dan Berg, who had her parents in Denver and was taken back to New York City by her mother when Mr. Replin passed away, and Mrs. Dan Berg of Littlefield, on learning of Mr. Replin's death Thursday, left immediately by airplane for Denver. Mr. Berg returned to Littlefield Friday, but Mrs. Berg stayed for a few days, and is expected to return home this week.

Mrs. Clarence Turner left for Walters, Okla., to visit her mother and enjoy fishing.

## Degree Team of Littlefield Camp, Woodmen of the World

The above picture shows Company L, 112th Regiment of Littlefield Camp No. 3781 of the Woodmen of the World, who attended a week's encampment at Catalena Lake, Couchdale, near Hot Springs, Arkansas, in August of last year, returning to Littlefield Saturday, August 31. Allan McDonough was captain of the group, and W. D. Chapman is district manager. Bottom row (left to right) are L. D. Stanaford, W. I. Banks, Billy Sisson, Bud Young, H. C. Sisson, J. P. Bean, J. D. Dodgen and Vincent Boring. Top row (left to right): John Sisson, Floyd Brown, Jack Sisson, Woodrow Altman, Granville Perkins, Olen Williams, Eddie Davis, R. N. (Slim) Kyzer, Kenneth Montgomery and Allen McDonough. Team members of the local Camp who are not in the above picture are: Doyle Dean, Bobby Hodges, Wilson Sisson, Gene McCanlies, Clint Penn, Floyd Callis, Charlie Altman, Lige Griffin, Billie Joe Weschke, Willard West, Lemuel Sinclair and M. R. Loftis.

## W. D. Chapman, WOW District Manager, Has Long Record of Membership and Service

W. D. Chapman, district manager, Woodmen of the World, with headquarters in Littlefield, has a long record of membership and service in the Woodmen of the World.

First becoming a member of the fraternal order at 18 years of age when he was initiated by the Maypearl lodge, Mr. Chapman was active in that camp until coming to Littlefield 11 years ago. His principal service and interest was in the degree team.

Arriving in Littlefield, Mr. Chapman early associated himself with the local lodge, then a young camp, and has been very active in all affairs of the lodge. He is a past escort of the local lodge.

Five years ago Mr. Chapman became a field man for the W. O. W. and almost three years ago was advanced to district manager.

Mr. Chapman's district consists of

W. D. CHAPMAN

virtually the entire South Plains and part of the Panhandle.

There are approximately 25 camps

in Mr. Chapman's district, and the district manager reports a nice business at all lodges. The latest group to be organized by Mr. Chapman is a camp at Dumas.

### BURNS HAND

John Cook Banks, 14, son of Mr. and Mrs. Henry Banks, suffered a burned left hand Friday last, when gas from a hot water heater caught fire. The jet was apparently turned on a little when John Cook struck a match, and the blaze burned his hand.

### SELLS BUSINESS TO L. E. SULLINS

Frank Rone recently disposed of his Plains Liquefied Gas Company at Sudan to L. E. Sullins of Littlefield.

Mr. Sullins is a well known business man of Littlefield. He has assumed management of his newly-acquired enterprise.

Texans bought \$97 million dollars worth of U. S. Savings Bonds in the first five months of 1947.

## Allan McDonough Named Major of Degree Team

Allan McDonough, who has been serving as team captain of the degree team, has been appointed major of the degree teams of Northwest Texas.

## Land Of Milk

There's no "three-cornered stool" in the dairy business today. Families used to "keep a cow" for the babies, but cows bring in BIG money today for many folks in our area. It's truly a "land of milk and money." Butter, cheese, evaporated milk—and all of the other dairy products that come out of our territory are making money for thousands of farmers.

We have so much confidence in the dairy industry—and all other industries we serve—that we are investing 35 million dollars in a building program. This expansion program in our territory will bring more dependable electric service to home, farm and industry and better living—electrically—to everyone!

Texas Traffic Safety Program

"Well done" was the word given the 58 statewide groups that supported the traffic safety legislative program which the Texas Safety Association sponsored in the 50th Legislature. The commendation was given in a legislative summary issued to the presidents of the groups and to Association members.

Climaxing a two-year effort for traffic control measures, the Association reported the recent session as the "most constructive and beneficial" to the organized traffic safety movement of Texas ever held.

"The Legislature squarely faced the grim reality that heavy appropriations and uniform traffic laws were needed to make our streets and highways safe," said George Clark, managing director. "Its members met that responsibility to the people of Texas in a forthright manner."

"For the first time in its history, the Texas Highway Patrol will have manpower and operating funds with which to do a traffic enforcement job. The driver's license law, a model for the nation, can now be administered, for the first time, with adequate personnel and funds."

"The uniform traffic code brings Texas regulations into conformity with those of 32 states and will aid safe and efficient traffic flow of its almost three million drivers and two million motor vehicles."

"Traffic accident reduction will not be effected overnight. The 200 increase in the patrol is staggered over the next two years. There will be need for intensive public education of the traffic code. The fruition of these legislative acts, however, will be sharply apparent in the years to come."

The legislative report singled out for special praise the appropriation committees headed by Senator James Taylor, Kerens, and Rep. Claude Gilmer,

in addition to commendation of Senator Fred Harris, Dallas, and Rep. Joe Kilgore, McAllen, authors of the uniform traffic code.

The leadership of Governor Beauford Jester was labeled "inspiring and statesman-like."

"Not only in his platform and in his legislative messages did Governor Jester urge these needed measures," the report said, "but in radio and public addresses, Governor Jester has advanced the cause of a safer Texas."

Summary of the traffic safety legislation sponsored by the Association and co-operating groups included: (1) Uniform traffic code; and (2) appropriation measures:

(1) Texas Highway Patrol— Increased strength by 200 men, beginning in December, 1947, and each four months thereafter, a training class of 50 new patrolmen will launch the program which will result in a total increase of 200 men on the highways at the end of the biennium, 1949.

The patrol budget was increased from \$982,000 per year to \$1,550,956 (for the year ending August 31, 1948) and from \$1,865,456 (for that ending August 31, 1949).

(2) Driver License Law Administration— Present income from driver license fees amounts to approximately \$860,000 annually out of which has been appropriated approximately \$600,000 a year for administration.

The new appropriations provide for \$840,772 (for year ending August 31, 1948) and \$786,172 (for that August 31, 1949). This will provide 20 additional examiner-patrolmen, enlargement of the driver improvement section and the accident record section.

(3) School Safety Division. Department of Education— Funds were provided for a director of safety education and staff with operating expenses. Duties will involve direction and co-ordination of driver education and driver training courses, as well as other safety education courses. Some 400 high schools now teach driver education courses to over 40,000 students.

(4) Driver Education Textbooks for High School Use— This bill authorizes the State Board of Education to select driver education textbooks from a multiple-choice list of textbooks provided as many as ten thousand high school students are enrolled throughout Texas for such courses.

BULL LAKE PHILOSOPHER SOMEWHAT AMUSED AT BIG CITY POPULATION FIGHT; HE IS MORE THAN SOMEWHAT SATISFIED WITH LITTLEFIELD

(EDITOR'S NOTE: The Philosopher on his Johnson grass farm on Bull Lake, in a weak moment, is almost complimentary for once, as the following letter reveals.)

Dear Editor: I was out here yesterday wonderin' around and walkin' through my neighbor's garden to see if I could help him out any by maybe drivin' off the jackrabbits or eullin' some of his vines as there ain't no sense in lettin' good vegetables go to waste and he's welcome to help himself in my garden if he can find his way through the weeds and he ought to think as much of me as he does jackrabbits which I doubt and went on down to the lake when I see him comin' and got there just in time to find a copy of the Dallas News floatin' down and since a man needs intellectual

nourishment the same as physical I went to the trouble of stoopin' over and pulled the paper in and sat down in the shade and after I got through readin' where Dallas and Houston is in a big squabble over which is the biggest.

Accordin' to a survey, Houston is still the biggest city in Texas but Dallas is gainin' and may pass it up soon, and this has upset Houston and the Chamber of Commerce is madder'n my neighbor's wife the time the school board passed up her niece and elected a total stranger who boarded some place else, claimin' Dallas is countin' some people twice and goin' outside the city limits to boot.

Now the reason I'm writin' you this ain't that it makes any difference to me whether Houston is bigger than Dallas or Dallas bigger than Houston or the Dallas News exaggerates more than the Houston Chronicle or the Chronicle more than the News and either one can't hold a light to the Lamb County Leader. But what I want to know is, what in thunder difference does it make?

As I see it, the goal of every city in the world is to get bigger, and seems like ain't one of them city folks ever stopped to think there can't be but one biggest city in the world after all and all the rest is doomed to be runners-up and it would be more fun and a lot more practical to set their goals in a different direction. Ain't there no city whose ambition is to get smaller?

You take the situation out here on Bull Lake: Up and down the lake, either way you go, the population ain't increased ten per cent in the last twenty-five years, but I notice the land out here is still considered good enough to tax and ever two years the politicians come through shakin' hands, but I don't know of a soul out here who imagines this area is gonna bust loose and start crawlin' with people or anybody who wants it to. In fact, I've been to Dallas and Houston both and stood on the streets and seen hundreds of people rushin' up and down and I just don't see how anybody gets any satisfaction out of the sight.

Houston and Dallas can have their big figures and swarms of people who is mostly culls from the country. I'll take Bull Lake with a occasional trip into Littlefield, especially on wash days, which is enough city life for me.

Yours faithfully, J. A.

They All Advertise

A hen is not supposed to have much common sense or tact, yet every time she lays an egg she cackles forth the fact. A rooster hasn't got a lot of intelligence to show, but nevertheless most roosters have enough sense to crow. The mule, the most despised of beasts, has a persistent way of letting people know he's around by his persistent bray. The busy little bees they buzz; bulls bellow and cows moo. The watchdog barks, the ganders quack, and doves and pigeons coo; the peacock spreads his tail and squawks; pigs squeal and robins sing, and even serpents know enough to hiss before they sting. But man, the masterpiece that nature could devise will often stop and hesitate before he'll advertise.

In 1850, 9.7 per cent of the people of the United States were foreign born. In 1900 the percentage was 13.65. The first airmail service in United States was begun, experimentally, between Washington and York City on May 15, 1918.

Sheep Dog Act To Be Staged At Cowboy Reunion

The Texas Cowboy Reunion, to be held on July 2, 3 and 4 at Stamford, has billed a specialty act which is expected to attract wide attention this year.

A sheep dog act of trained Border Collies under the direction of Mr. Dewey Jontz of Des Moines, Iowa, will be shown in the South for the first time. The act resembles the field trials of the bird dog fraternity and is a favorite sport in Scotland. The shepherd, working with trained Border Collies and two groups of sheep, puts the dogs through several gaps, hurdles, and chutes. As a concluding feature, either ducks or bantam roosters are substituted for the sheep and are herded by the trained dogs.

Mr. Jontz is superintendent of the Sheep Division of the Iowa State Fair each year. He will be accompanied to Stamford by his wife and nine-year-old son.

**CHRISTIAN SCIENCE SERVICES**  
"Christian Science" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, June 29.

The Golden Text is: "Heal the sick, cleanse the lepers, raise the dead, cast out devils: freely ye have received, freely give" (Matthew 10:8).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Another parable spake he unto them; The kingdom of heaven is like unto leav-

en, which a woman took, and hid in three measures of meal, till the whole was leavened" (Matthew 13:33).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Ages pass, but this leaven of Truth is ever at work. It must destroy the entire mass of error, and so be eternally glorified in man's spiritual freedom" (page 117).

The new home under construction five miles south of Littlefield, on highway 51, for Mr. and Mrs. Jack Walker is nearing completion.

Dr. and Mrs. I. T. Shotwell returned Sunday from a two weeks' vacation trip through the North and into Canada.

Mrs. Herbert Dunn was admitted to the Amherst Hospital Tuesday of last week, and underwent a minor operation. She is getting along nicely.

Roger Sell is spending two or three weeks in San Angelo with his grandparents, Mr. and Mrs. Vince Motl. He will return some time in July.

Miss Ruth Hill spent several days with her friend, Miss Ernestine Sell. Ernest Sell spent a week in San Angelo recently with friends.

Miss Marjorie Claire Joplin spent the past weekend in Lubbock as a day

guest of Miss Elwyn Packwood, who is attending summer session at Tech. Miss Packwood has been attending the Oklahoma Baptist University, and will return to her studies there this fall.

Mr. and Mrs. W. H. Montgomery returned Friday from Hot Springs, N. M., where they went to move their household goods back to Littlefield.

Mr. and Mrs. Montgomery have purchased the Nixon home on the Levelland highway, where they will live.

Mr. and Mrs. Arbie Joplin and son, Mike, spent Sunday at Slaton with Mr. Joplin's sister, Mrs. M. E. Smith.

Mr. and Mrs. A. S. Bolton and family spent the past week end at Stanton, visiting relatives.

Mr. and Mrs. Luther Arnold and son, Marvin, of Odessa, Texas, arrived Saturday to spend until Monday in the home of Mr. and Mrs. W. J. Boykin. Mr. Arnold is a brother of Mrs. Boykin.

R. L. May of Amherst was attending to business in Littlefield Saturday.

Marilyn Wright, 10-year-old daughter of Mr. and Mrs. Jackie Wright of Oklahoma City, who has been visiting her grandparents, Mr. and Mrs. A. F. Wright, for the past two weeks, left Friday for home. Her aunt and grandmother, Mrs. Sallie Strange and Mrs. Wright, accompanied Marilyn to Amarillo, where she boarded a train for Oklahoma City.

## Cotton Meeting To Be Held At Dallas July 16, 17 and 18

"Discovering Cotton" will be the theme of the eighth annual Cotton Research Congress at the Baker hotel in Dallas, July 16-17-18, Burris C. Jackson, Hillsboro, general chairman of the Statewide Cotton Committee of Texas, announces.

This theme will be carried on in five half-day business sessions, a special night program, and extensive exhibits that will be on display throughout the Congress, Jackson said.

Nationally-known authorities in many varied branches of the cotton industry have accepted invitations to participate in the 1947 Congress which will present a complete review of research developments and outlook, production and processing, merchandising cotton and cottonseed products and numerous other timely subjects of interest to cotton growers, business men and others.

Women will be especially interested in a night program of the Congress, July 17, which will feature Hope Skillman, outstanding New York designer of cotton fabrics, the wardrobe of the 1947 "Maid of Cotton" which has been displayed throughout the United States and in Europe but is being shown in Texas for the first time, and other features. This phase of the program is being arranged by the National Cotton Council of America.

Resources for cotton research will be the topic for the opening session of the Congress, Wednesday morning, July 16, and the afternoon session will be devoted to cotton production and preparation discussions with special emphasis on cotton mechanization problems.

Markets for cotton and cottonseed products and the influence of industrialization on cotton will be the subjects stressed in Thursday's sessions, with authorities discussing both American and foreign markets. A luncheon with an outstanding national speaker and the evening session devoted to cotton fiber, fabrics and fashions are scheduled that day.

Cotton in the agricultural economy of the South is the topic of the final session Friday, with speakers from Texas, Mississippi, Georgia and other states participating.

All Congress sessions are open to the public, and invitations are being extended to state and national farm, industry and other leaders to attend and participate in open forum discussions that will be held at the conclusion of addresses at each session.

Carrying out the theme, "Discovering Cotton," the exhibits will include numerous displays of "hidden uses" of cotton and cottonseed products by Texas manufacturers and distributors. This added feature this year is expected to attract wide attention, according to D. T. Killough, College Station, exhibits chairman.

## Miss Crowder Named District Agent

Miss Dyora Crowder, Moore County home demonstration agent, has been appointed district agent on the headquarters staff of the Texas A. and M. College Extension Service.

More than 20 states and several foreign countries are expected to be represented among the cotton growers, ginners, oil millers, merchants, editors, fashion leaders, research and educational leaders and others attending, Jackson said.

## CHRISTIAN SCIENCE SERVICES

In announcing Miss Crowder's appointment, Maurine Hearn, Extension vice director for women and state home demonstration agent, says that the new district agent will join the headquarters staff June 26. She will serve Extension District 10, which includes 18 Central Texas counties.

A native of North Carolina, Miss Crowder is a 1930 graduate of North Texas State Teachers College at Denton, where she received a BS degree. After her graduation she taught in the public schools of Falfurrias, and first entered Extension work in 1933 as home demonstration agent of

Ochiltree county. She has also served as home agent of Tom Green county, leaving there in 1941 to take over her Moore county position. Miss Crowder will be headquartered at College Station.

## WHEAT PRICES SAG HEAVILY, WHILE CORN AND SORGHUMS ADVANCE

Southwest farm markets remained generally firm to strong last week, but easiness cropped up on some classes or classes of nearly all commodities, according to the Production and Market Administration, U. S. Department of Agriculture.

Movement of new crop wheat, oats and barley had gotten well under way and trade sources expected sorghum to join the parade in two to three weeks. Wheat prices sagged last week, and lost about 20 cents per bushel, closing at \$2.25 Friday. Corn and sorghums advanced several cents, while oats and barley changed very little.

Low market stocks of rice consisted mostly of packaged lots in the hands of retailers. Feed markets showed a stronger tone last week, and higher prices for oil seed meals and corn feeds. Southwest alfalfa harvesters had about finished harvesting the first cutting. Most peanut crops enjoyed favorable conditions in the growing crop and for late planting. Texas wool sold from 47 1/2 to 52 cents per pound, grease basis. Cotton scored marked net advances in last week despite late easiness. Spot demand for the better grades brought only scant offerings. In crop areas needed rain.

Low demand for East Texas tomatoes resulted in slightly lower prices. S. No. 1 6 by 6 and larger sizes late in the week at \$3.25 to \$3.50 per lug box. North Texas onions held fairly firm at around \$1.90 to \$2.00 per sack of U. S. No. 1. Shipments of watermelons and cantaloupes increased, with some price declines reported on the Fort Worth and St. Louis markets. Good quality beans from Arkansas and Oklahoma took over the Kansas City market, where first triumph potatoes found a slow sale.

Eggs remained firm last week, while poultry held about steady with prices of the week before. At Dallas and Fort Worth, heavy hens ranged from 22 to 25 cents per pound, light 18 to 21, and fryers 35 to 36. Denver, New Orleans, Houston, Bryan, heavy hens ranged from 20 to 26 cents, light hens 16 to 21, fryers and broilers 30 to 36. Arkansas, Oklahoma, Kansas area heavy hens at 20 to 25, and fryers at 25 to 31 cents.

Cattle sold generally strong to \$1 more higher last week, but easiness developed on lower grade cows in San Antonio, and on lower grades in all classes at Fort Worth. Cows to medium steers and yearlings brought \$14 to \$20 at Houston, while medium to good kinds realized \$19 to \$23.50 at Fort Worth. San Antonio bought medium steers at \$21 to \$23.25. Oklahoma City moved and choice steers at \$24.50 to \$25.

Hogs scored net advances of 25 cents to \$1 or more at most southern terminals last week, but butchers lost mostly 25 cents at Oklahoma City, and sows dropped \$1 at

San Antonio. Bulk of good and choice butchers brought \$24.75 to \$25 at Fort Worth, and \$24.75 to \$25.50 at Denver. Late top was \$24.75 at San Antonio and Oklahoma City.

Some sheep and lamb markets made small to sharp gains, but lambs dropped \$1 to \$3 at Fort Worth, old crop lambs fell at San Antonio, and ewes weakened at some places. Good spring lambs moved at \$20 at San Antonio, while good and choice kinds turned at \$19 to \$23 at Fort Worth; \$24.75 to \$25.25 at Wichita; and \$24.50 to \$26 at Denver.

### WEEKLY WAA Surplus News

A pre-Fourth of July offering for the benefit of World War II veterans will be made at the Red River Arsenal when 450 trailers, trucks, sedans and jeeps are put on the market by the War Assets Administration. Inspection of the vehicles may be made Friday, June 27, and Monday, June 30, with sales during July 1 and 2. Sales will be limited to one vehicle to a veteran, and order of purchase is to be determined by a drawing held at gate three of the arsenal at 9 a.m., July 1. Admission qualifications will be discharge papers or accepted proof of honorable World War II service. WAA location sales officials declare that veterans attending the sales will be able to inspect, complete purchase and drive their vehicle home before the holiday.

The Amvets want preservation of veterans' rights in acquiring war surplus as aggressively opposed to those who want to scrap all priorities, according to Ray Sawyer, national Amvet commander who conferred at Grand Prairie with zone and regional War Assets Administration officials recently. After looking over the Grand Prairie WAA plant and visiting a veterans' sale in the warehouse, the Amvet chief said he was well pleased with reports on WAA's handling of surplus in Texas. "You're doing a good job. Don't let criticism get you down," he said on leaving.

Seven to eight million dollars worth of surplus government owned paints, clear and pigmented lacquers, enamels and related products are being offered at low fixed prices on a national sale through War Assets Administration. These products generally are best suited for use as production or maintenance finishes in the industrial field, it was said. Information on the paints and lacquers is available through the Customer Service Center of the Grand Prairie WAA office.

Wholesalers led all other groups of buyers of surplus property in the

### 4-H Club Round-Up Set for September

The State 4-H Club Round-Up, the biggest event of the year for Texas 4-H clubbers, has been set for September 4-5, on the campus of Texas

Southwest during May, purchasing 42.4 per cent of all goods sold, according to a monthly report analysis released by the Grand Prairie office of War Assets Administration. Total sales of government surplus for May more than doubled those of April in the area.

Five surplus army chapels at the Amarillo Army Air Field are being offered for use as shrines or for religious purposes through the War Assets Administration's regional office at Grand Prairie, Texas. They are placed on the market together with their "presently contained fixtures" subject to removal from the area. Priority purchasers have until July 3 to place bids and the general public until July 23.

A surplus item with the government but which was critical to the German war machine in the last months of the war is represented in bearings now offered through War Assets Administration until June 30. You will recall the effective work of the Eighth Air Force bombers in placing the German bearings works out of commission. Customers' Service Center of the Grand Prairie WAA office has made available ball, rubber, tapered and anti-friction bearings.

Coal-fired and natural gas ranges and baking ovens are among hardware items contained in a sealed bid lot sale by War Assets Administration until June 23. Information is available through Customers' Service Center at the Grand Prairie WAA office.

A. and M. College.

J. W. Potts and Lorene Stevens, 4-H club leaders of the Texas Extension Service, have announced that each county may send to the Round-Up two 4-H boys, two 4-H girls, one woman club leader, and one man leader.

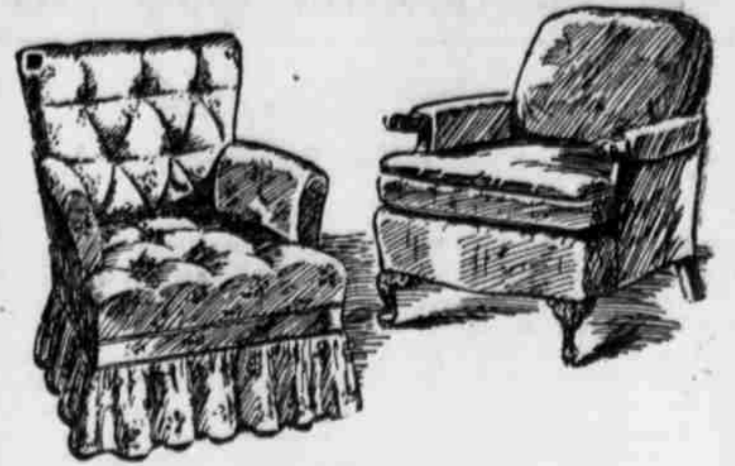

The 1946 Round-Up, first of that type program held in Texas, was planned by and for 4-H'ers, who ran the whole show for three days of entertainment and instruction at Texas A. and M. College. Plans in the making now call for a similar program, with maximum participation scheduled for the youngsters.

Potts and Miss Stevens explain that, in addition to the county attendance quota, 4-H club members who are taking part in the state dress revue, rifle matches, or who are on any other part of the scheduled program will attend the get-together. All boys and girls, however, must be at least 14 years of age to make the Round-up trip.

Paint in large quantities was "tight" in the Dallas region, and was moving slowly in Spokane, Washington. As the result of the cooperation through the Customer Service Center between WAA regions, 70,000 gallons of the paint at Spokane was sold to a Dallas dealer. Items scarce in one region are sometimes plentiful in others. The regions are cooperating through the Customer Service Centers to make merchandise available to purchasers over the nation.

**Crazy Hat Wins Refrigerator!**

One of those "Breakfast in the morning" radio shows came to Capital City last week, and Sarrah Carey won first prize for wearing the craziest hat in the audience. It was a full-sized refrigerator! (The prize, not the hat.)

"Glad them hats of hers paid off at last," says Ed, treating the whole thing like a joke. But you could see he was proud of Sarrah.

From where I sit, there's another thing Ed can be proud of: the way he's put up with those hats of Sarrah's, with never a criticism: just

as she's put up with Ed's pipe and the other little freedoms he enjoys.

They've got that refrigerator home now, stocked with beer; and we're going over tonight to drink a toast—not just to Sarrah's hats taking first prize... but to a happily married couple, who've learned to live with one another's differences in tastes—whether it's a taste for hats or beer!

**Visit of W. O. W. National President Is Outstanding Honor to Local Camp, To Littlefield and The South Plains**

The visit to Littlefield this Friday night of Farrar Newberry, of Omaha, Nebraska, national president of the Woodmen of the World, is regarded as an outstanding honor to the Littlefield lodge, Northwest Texas, and to Littlefield and Lamb county.

Mr. Newberry is making only two stops in Texas. Mineral Wells and Littlefield, in an extensive tour of Woodmen camps.

The national president's visit is the result of the active program of the Littlefield lodge and the high place it occupies in the state and national jurisdictions.

The Littlefield lodge extended the invitation to Mr. Newberry several months ago, and in the face of heavy demands on his time he graciously accepted and expressed his pleasure at the opportunity to visit Woodmen of this section and the city of Littlefield.

The Littlefield lodge is regarded as one of the best lodges in the Texas jurisdiction.

With a membership of around 500 in Littlefield and throughout the county, the local lodge has a fine degree team, an active group of officers, and owns and operates its own bus which is used for trips throughout the district and state.

The local Woodmen sponsor the High school softball team, take an active interest and part in civic progress, and do an immense amount of charity work.

Meeting each first and third Thursday nights, the local lodge enjoys a good attendance of members and maintains an active program of lodge work and other charities.

**Be Not Sick Too Late,  
Nor Well Too Soon!**

That's how Benjamin Franklin expressed it years ago. Today a doctor would probably say: "Get medical attention at the first sign of anything wrong, and take ample time to ensure full recovery." That's sound advice. Any delay when illness strikes may result in serious consequences, so at the very first indication—the first symptom—go to your doctor. He, and he alone, is qualified to perform the diagnosis and prescribe the treatment that may mean the difference between a quick recovery and a long protracted illness.

**How women and girls may get wanted relief from functional periodic pain**

Cardul is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1 Taken like a tonic, it should stimulate appetite, aid digestion,\* thus help build resistance for the "time" to come.
- 2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardul. If it helps, you'll be glad you did.
