Littlefield's School Board will
meet "as soon as possible" to
accept formally the resignation of
Dr. Ralph Schilling, superintendent
here the past six years, and to
consider his successor to the
post.

Dr. Schilling has been named
president of Pan American Col-
lege, a four-year school of 1,800
students at Edinburg. Dr. Schilling
received a two-year contract
at \$14,000 a year as president of
the college.

Dr. Albert Perkins, vice-chair-
man of the board, said Wednes-
day that the board will meet just
as soon as its chairman, H. C.
Avins, returns from out of
town. First order of business
will be to accept Dr. Schilling's
resignation. Then, a successor
will be considered, said Dr. Per-
kins.

Dr. Schilling was scheduled to
return to Littlefield Wednesday
night.

DR. RALPH SCHILLING

Vice-president H. A. Hodges has been acting president since Ward's resignation.

Dr. Schilling, 38, came to Littlefield nine years ago as high school principal. He was principal at Crosbyton before the Littlefield post. He received his doctor's degree in school administration from Texas Tech. Active in civic and community affairs here, Dr. Schilling was named Littlefield's "Citizen of the Year" in 1959. He is currently president of the Rotary club, and a member of the Littlefield Stewards of the First.

Special Buys Slated For Appreciation Day

It's another big Littlefield Appreciation Day today and Littlefield Merchants are running all kinds of desirable items on sale for the one day.

This monthly event is sponsored by the Littlefield Chamber of Commerce's retail merchants committee in appreciation of the area's patronage with Littlefield merchants.

A fast tour through the many items reveal the following merchandise on sale:

Dresses, hand cream, dinette sets, paint, shoes, men's slacks, air conditioners, Kleenex, piece goods, socks, bedroom suites, record albums, appliances, a Ford Ranchero, dressed hens, and peaches.

One merchant is giving away coffee cups and saucers... another is advertising electric motor repair to the area farmers.

Other items on sale include: milk shakes and malts, summer sible pumps, ladies ready-to-wear, fishing equipment, men's western suits, men's western straw hats, lee, auto tailor-made seat covers, ladies sportswear, home freezers, hi-fi sets, sewing machines, dressed fryers, bananas, and groceries.

The retail merchants committee will sponsor this event the third Thursday of each month, according to Joe Fenn, chairman.

No Toy For Vicki

3-Year-Old Plays Piano

EARTH - Little blonde-haired Vickie Lynn Watkins was disappointed when she found a toy piano under her Christmas tree. Vickie wanted a "real piano."

But wise old Santa just doesn't usually bring "Real" pianos to 3 year olds.

Vicki, however, is not usual. Daughter of Mr. and Mrs. S. M. Watkins, Vicki got her piano before her third birthday and after six months of lessons from Mrs. Tom Stansell, she can play approximately 15 melodies.

Since she also plays by ear, she has learned to play quite a few songs by herself.

This is somewhat of a relief to her parents since before the lessons, Vicki could only play one song, "Mary Had A Little Lamb." She played it almost continually.

Mrs. Stansell tried to discourage Vicki's parents from starting her piano lessons when she was so young. In self defense, however, they decided on the lessons so there would be more variety in the music in their home. Also, Vicki was very eager to begin her study of music.

Mrs. Stansell gives Vicki two lessons a week in the Watkins home. Each lesson is fifteen minutes long. Mrs. Stansell says that Vicki sits perfectly still during her lessons and is very attentive.

"Now I'm ready for my 'beat-al,'" Vicki said after her first music lesson.

Vicki has been in two recitals (Continued On Page Six)

Hail, Rain Does Heavy Crop Damage In County

Bainer Switch, Spade Hit Hard

Lamb County had all kinds of weather Tuesday evening. Moisture from none up to three inches was reported in various parts of the county.

The areas around Bainer's Switch and south of Spade took the worst beating as heavy rains and large-sized hail ruined the young cotton plants and near ripened wheat.

R. W. "Bob" Wood, who farms one mile east of Bainer, said it rained from 2 to 3 inches in about 30 minutes. He said he would have to replant his entire acreage as his young plants were up about three inches. He said that the hail came in a variety of sizes ranging from marble size to golf ball size and beat the limbs and leaves of all the trees in the area.

He continued that the hail was a foot deep in some of the low places where it could gather.

Mrs. Comer Hall, whose husband farms a mile north of the Wood farm, said they went out to the farm just after the storm had passed through and their fields looked like it had snowed, but found it to be hail standing in the rows.

She said she has some hail in her refrigerator that is the size of pullet eggs that she picked up an hour after the storm.

The trees around their farm have been stripped of all limbs and leaves.

Wood and Mrs. Hall said that many farmers in that immediate area were going to have to replant. Those they knew about were Monroe Ray, Walter Liles, Roy Allen Hutson, Roy McQuarters, J. B. Haire and R. L. West.

The highway leading into Anton was closed for a time due to the high water in that area.

Douglas Walden, who farms 2 1/2 miles south of Spade, said that from 2 to 3 inches of rain fell in about 45 minutes. His eggsize hail wiped out his stand of cotton. He plans to replant soon. He said that the hail broke the wind-

Absentee Vote Begins In Run-Off Election

Absentee voting in the June 4 democratic run-off election got under way this week and by Wednesday morning six persons had cast ballots.

Absentee balloting will continue through May 31 at 5 p. m. according to Charles Jones, county clerk.

Four races will appear on the run-off ballot with State Rep. Jess Osborn of Muleshoe facing Clarence Hamilton, Springlake teacher-farmer, in one of the races drawing the most interest.

Other races include: J. L. (Roy) Yeager against Skipper Smith for precinct 3 county commissioner; C. M. Moss against A. J. Spain for precinct 1 county commissioner; and Lloyd W. Davidson against W. T. McDonald for justice of the state Court of Criminal Appeals.

In the first primary Hamilton led Osborn in Lamb County by 2,963 to 1,211. However, Osborn ran stronger in Bailey, Farmer, Castro, and Deaf Smith counties and held a lead of 5,331 to 4,312 over the 96th District.

Yeager led Smith in the first primary by 1,044 to 899 in the precinct 3 race and Moss was ahead of Spain 477 to 406 in the precinct 1 contest.

In the criminal appeals race McDonald showed a slight lead over Davidson in the first primary in this county.

Jones listed three ways in which voters may cast absentee ballots:

1. By personal appearance and certification that the voter will be out of the county on election day.
2. By mail, if postmarked outside the county.
3. By Physician's certificate of sickness or physical disability which will prevent the voter from appearing at the polls.

Gray Lady Group Sets 3-Day Class

A Gray Lady training class for volunteer hospital workers will be conducted in Littlefield next week, Mrs. Pearl Brandon, Red Cross representative, announced this week.

The three-day session to be held in the First Christian Church will begin Monday and continue through Wednesday from 9 a. m. to 12 noon each day. Mrs. Stan Williams and Mrs. Leo Tech are in charge of the classes.

The Gray Lady chapter was organized in Littlefield last February. Members work a half-day a week at local hospitals.

Gray Ladies are social representatives of the Red Cross, assisting patients and their families.

Anyone interested in joining the class is asked to call Mrs. Raymond Barnes, phone 1030.

Crescent Park Swimming Pool Opens Saturday

The Crescent Park Swimming Pool will open at 1 p. m. this Saturday, Buck Oldham, co-owner announced this week.

Life guards will be on duty at all times and the snack bar also will open Saturday.

Oldham reports that season tickets will be available again this year and the pool will cater to night private swimming parties.

Swimming lessons will be announced later as the city's summer play program gets organized.

The pool, which is located just west of the Crescent Park Motel is built about a year ago and is modern and spacious.

LAMB COUNTY'S DELEGATES to the state Democratic convention June 14 are (left to right) Kenneth Burgess, Sudan; Jim Melton, Sod House; Billy Wayne Clayton, Springlake; Mrs. Sam Williams, Littlefield; and Truitt Sides, Otton. The five were named at the county convention last Saturday when the convention unanimously endorsed support of Lyndon B. Johnson for the Democratic presidential nomination.

can do when he puts "try and imagine me as Mary Laswell."

After a brief introduction concerning American Indians, which was the theme of the breakfast, Mrs. Dudley began her book review by asking the audience to "try and imagine me as Mary Laswell."

"The book is a portrait of Texas — that which lies beneath the first impression," she remarked. "It is about Texas from the inside out."

During her review she pointed out.

"There is no such thing as a typical Texan — only the representative Texan. You will find in Texas what you want to find."

Mrs. Dudley is past state president of Texas Federation of Woman's Clubs. She is now on the General Federation Board as Clubwoman Subscriptions.

Approximately 100 women were present at the breakfast in the Community Center.

Carrying out the Indian motif the stage was decorated as an Indian village with tepees, totem poles and mannequins dressed as Indians. Table favors and decorations were printed Indian version of Twenty-Third Psalm, place mats and miniature totem poles. Mrs. Frank Anzeline loaned pictures for the occasion and Mrs. T. L. Matthews painted murals. In charge of decorations was Mrs. J. L. Murdock.

Mrs. T. L. Dunlap was recognized for 7 years perfect attendance in the club. She is first vice-president of new Caprock District.

Mrs. H. A. Mitchell, Mrs. D. C. Lindley and Mrs. J. R. Fain were recognized for perfect attendance this year.

Guests recognized were Mrs. A. T. Coanougher, Lubbock, past president of 7th District, and Mrs. Mamie Cheshor, past president of Woman's Club of Littlefield.

Mrs. Acery Barton gave the invocation and Mrs. R. C. Burns, president, gave the welcome.

Mrs. Roy McQuatters gave the presentation of a scholarship to Roxie Roberts.

Music for the breakfast was furnished by Jane Hall, Linda Vaughn, Melva Lynn Ross with Janey Blackman as accompanist. Their selections were "Indian Love Call," "Red Wing" and "Kentuckians."

Mrs. C. O. Stone was general chairman for the breakfast.

According to the National Safety Council, a drinking driver is involved in 3 out of 10 fatal motor vehicle accidents.

Linda Cloninger Weds Ronny Westmoreland

Miss Linda Kaye Cloninger became the bride of Ronny Dale Westmoreland Saturday, May 14 at 6 p.m. in the home of the groom's aunt, Mr. and Mrs. Hubert Plunkett, 903 Stephens St., Boaz, Ala.

MRS. RONNY WESTMORELAND

Rev. Corby Yother, Baptist minister, performed the ceremony before an archway of greenery with baskets of gladioli surrounding the altar.

Mrs. Jessie Faye Cloninger, 1101 W. 16th St., Littlefield and Mr. and Mrs. Ray Westmoreland of Route 2, Levelland are parents of the couple.

Given in marriage by the groom's uncle, Hubert Plunkett the bride wore a gown of all over white embroidered organza with three-quarter length sleeves with short white gloves. Styled with a scalloped stand-out portrait neckline, the fitted bodice had self-covered buttons to the waistline.

The all-around pleated skirt fell to a scalloped hemline. Her veil was caught by a small white lace clip. She carried a white Bible topped with a white orchid and stephanotis.

Bronna Plunkett, cousin of the groom, was the maid-of-honor. She wore a gown of blue chiffon designed with a full skirt, scooped neckline and tiny puffed sleeves. Her corsage was of white feathered carnations.

Dwayne Plunkett, cousin of the groom, served as best man.

Pianist Jane Yother played traditional wedding music.

Linda Kilpatrick, cousin of the groom, sang "I Love You Truly" and "The Lord's Prayer."

For something old, the bride wore her mother's engagement ring. Something new was her dress and something borrowed was a bracelet belonging to Dianne Schulze of Levelland. Something blue was a small, blue garter. She carried the traditional penny in her shoe.

Following the ceremony, a reception was held in the home of Mrs. Deleor Kilpatrick, Albertsville, Ala. Covered with a white lace cloth, the bride's table was centered with gladioli and feathered carnations.

Anton WMS Has Banquet For GA

ANTON — The WMS of the First Baptist Church entertained the GA's and their mothers with a banquet Friday May 13 at 7:30 p.m. in Fellowship Hall.

Mrs. H. J. Barker, West Plains Association GA director was guest speaker. She spoke on "Keys that open Doors."

Mrs. Richard Grace, W. M. S. president, welcomed the group. Rev. John Williams gave the invocation and Mrs. Williams, the benediction.

Chevy hums through Chicago traffic to the tune of 21 miles to the gallon!

Working for Bumper and Auto of Illinois, Inc., ten 1960 Chevrolet pickups battle Chicago traffic day after day. Each truck averages about 2,000 miles a month in this wearing stop-and-start delivery service. Mr. Harry Haller, General Manager of S & H Truck Leasing, who leases the trucks to the bumper firm, reports: "We provide full maintenance on the trucks—gas, oil and everything else—so it pays us to know just where we stand on costs. And our records show that the '60 Chevies are giving us as much as 21 miles per gallon... with an average of better than 17 miles per gallon. Mister, these are our kind of trucks!"

Truck owners have good things to say about all Chevy engines. And when they're not talking about Chevrolet performance and economy, they're telling you how great that new Torsion-Spring Ride is. How it soaks up road shock and vibration. Protects fragile loads. Lets you run at faster, safe speeds to get more work done in a day. Drive a torsion-spring Chevy soon. We'll rest our case on that one ride.

Football Saturation Set For Dallas In Fall

By HAROLD V. RATLIFF
 AP Sports Writer

Dallas football fans won't have to leave town to see at least one game each week except in one instance next fall.

The Cotton Bowl turf never before will have taken such a beating. Over a period of five months 22 games will be played there. The State Fair of Texas, which gets 15 per cent rental, should make enough to retire about every bond.

The reason for so much football is the formation of the American Football League and the moving in of a club in the National Football League.

The Dallas Texans are the AFL entry. The Dallas Cowboys represent the NFL.

The first game on the schedule is Aug. 5 when the all-stars of the Texas Coaching School have at it in the big saucer. Aug. 19 the cowboys play the Baltimore Colts in an exhibition and Sept. 2 the Texans engage the Houston Oilers of the AFL. There is a three week skip until the next game - Dallas Cowboys vs. Pittsburgh Steelers Sept. 24. From then on, except for one week in October, there will be at least one game each week.

There are three Friday games, seven Saturday and 11 for Sunday. And there's also one on Monday - the Cotton Bowl Classic, which this time will be on a Monday because Jan. 1 falls on Sunday.

Six college games are sandwiched in between the numerous professional contests. The Texas-Oklahoma game is Oct. 8, Southern Methodist and Rice play Oct. 15, Southern Methodist and Texas A & M Nov. 5, Southern Methodist and Baylor Nov. 19 and Southern Methodist and Texas Christian Nov. 26. The Jan. 2 Cotton Bowl game will, of course, be between two colleges but nobody has any

idea what colleges they will be and won't know until late November.

In September there will be four games in a 9-day period - the Cowboys and Pittsburgh on a Saturday night, the Texans and Los Angeles on Sunday, the Cowboys and Philadelphia Eagles the following Friday and the Texans and New York two days later.

Then take the period Nov. 5 to Nov. 20 when there will be five games.

It looks like football saturation.

Farm Bureau Board To Meet

The regular monthly meeting of the Lamb County Farm Bureau board of directors will be held tonight at 7:30 at Jerry's Cafe.

Among topics to be discussed are the Citizenship Program, Farm Bureau Queen Contest, blood typing service, and the quarterly meeting in July.

Two Jailed On Liquor Law

Sheriff's officers Sunday jailed two persons on charges of violation of the liquor law.

Tony Scott, 31, Amherst, was jailed on a charge of illegal transporting. He went free later on \$1,000 bond after pleading not guilty in county court.

Thelma McClendon, Littlefield, was charged with possession for purpose of sale. She free on \$1,000 bond after pleading not guilty in county court.

In other activity over the weekend, officers jailed 10 persons on gambling charges and one for drunkenness.

City police jailed six drunks over the weekend.

THIS WEEK In Washington

With Clinton Davidson

Congressional farm experts this week are re-writing a long-range farm program which observers rate as the favorite to replace present programs within the next two or three years.

The program was first offered in February by a group of 20 Democratic congressmen representing every section of the country, they called it "The Farm Family Income Act of 1960."

Public hearings before the House Agriculture Committee in March brought out a majority of farm experts generally favorable to the bill, although there was enough criticism to cause the Committee to order their re-writing.

The bills, all identical, place the emphasis just where the true impact, on improving the net income of family-owned and operated farms, these made up four out of every five of the three out of a million farms producing for markets.

Farmer's Choice
 The big legislative item present programs is that the new program would be developed by farmers themselves and then submitted to Washington for approval. It approved by Congress it would be submitted to growers for approval or rejection at a referendum.

The first step would be election of program drafting committees by growers of each commodity, such as wheat, corn and cotton growers, dairymen, hog producers, etc. Each such committee would work out a program for its particular commodity, then submit it to the Senate and House Agriculture committees.

It would then go through the usual congressional procedures of

Justification for larger prices for each commodity is a price ceiling. Such a price ceiling would amount to a tax on the consumer. The average price of a bushel of wheat is 1.25. The objective would be to raise prices to 1.50. This is a price ceiling. It would amount to a tax on the consumer. The average price of a bushel of wheat is 1.25. The objective would be to raise prices to 1.50. This is a price ceiling. It would amount to a tax on the consumer.

Machinery and drainage districts cause but the on farmhand and small building, according to the at State Council, and the arms, rails and buses.

Amherst Senior At Tech Receives Purdue Fellowship

A Texas Tech senior who already has been a Texas Agricultural Experiment Station researcher for three years has received a teaching fellowship in plant breeding at Purdue University.

RUGENE COLEMAN

He is Rugene Coleman of Amherst, a major in agricultural science with an agronomy option. Coleman, who is to be graduated from Tech May 30, has been a West Texas and Eastern New Mexico Cotton Ginners scholarship for three years. His work at the Lubbock experiment station has emphasized studies of physiology. In addition to being president of the Tech Agronomy Club, Coleman has made Phi Kappa Phi national scholastic honor and Alpha Zeta, national honor in agriculture. At Purdue, he will work with Dr. Wayne Keim, widely known in agricultural circles for plant breeding research. Coleman will receive a \$300 National Science Foundation grant this summer to begin his work at Purdue. His fellowship there starts in September. Coleman is married to the former Linda Blair of Amherst. They have a 15-month old son, Bret. Coleman was born and reared at Stamford and was graduated from high school there.

Five Clubs Represented At 4H LC Council Meet

The Lamb County 4H Council meeting made up of the presidents and delegates from each local club in Lamb County, met Saturday in Littlefield. Eleven members from five clubs were present. They were Mike McGaugh, chairman; Cheryl Elliot, Dorece Reast, and Steven Lewis, Littlefield; Annette Dutton and Judy Tapley, Amherst; Nancy Williams and Candy Miller, Spade; Rock Cain and Bill Shurey, Springlake; and Curtis Haul, Oton. Adults present were Mrs. Lady Clare Phillips, home demonstration agent, Mrs. Doyle Tapley, Amherst; Mrs. Blanton Martin; Oton club, and W. H. Helbig, assistant county agent. The group voted to have the regular recreation meetings for the summer months at Amherst, June 13, Littlefield, July 11, and Oton, August 8, with the host club presenting the program. All of these meetings will begin at 8 o'clock p. m. Extensive plans were made for Rally Day, July 4. There will be a cook-out at Littlefield City Park and swimming at Littlefield's Crescent Park. Local presidents will be satisfied late as to the cost for each member attending. Every 4-H boy and girl in the county is urged to attend. Each local president is asked to notify the county office as to the number expected not later than June 27. Mr. Helbig reminded the group of the Leadership Camp to be held on the Fair grounds at Lubbock July 6, 7, and 8. The possibility of forming a county-wide club for high school students was discussed. The next regular meeting will be July 2.

Radio KUCO Now KZZN

R. B. McAlister, co-owner of the Littlefield Radio Station has announced that effective May 15 the call letters have been changed from KUCO to KZZN. This change was made due to the fact that McAlister has sold his Post radio station and is no longer associated with the Kuckoo Network. McAlister has moved to Littlefield from Lubbock and plans to make this his permanent home. He has bought a house at 1402 Cherry Blossom Drive.

Local Masons Are Honored At Annual Barbeque Dinner

Littlefield Eastern Star members honored local Masons Tuesday night at 7:30 with a barbeque dinner at the Community Center.

TEC Office Notes Gains In Employment

Though still behind last year at this time, employment is gaining rapidly in this area, according to T. R. Jewell, manager of the local Texas Employment Commission office.

The first quarter of this year showed a larger amount of seasonal unemployment than in 1959 for nearly all areas of Texas, including Littlefield.

However, the TEC office stated that the unemployment picture is becoming much brighter and "within the next thirty days we will again be experiencing an excellent shortage of qualified workers in this area."

Jewell further stated that the local office located at 101 East 5th has the following jobs open now:

FEMALE - secretaries, typists, exp. sales clerks, waitresses, alternation lady.

MALE - mechanic, mechanic helper, dishwasher combine operators (8th), and salesman.

Anyone interested in these jobs or seeking any kind of employment should come to the office to apply for work, Jewell said.

Jewell also noted that his office is trying to recruit several hundred migrant farm crews from the valley and other parts of Texas to do cotton, chopping, and also work in the cotton harvest.

Pat Boone gave the invocation and Mrs. Mable Puckett, Worthy Matron, gave a short welcome address. She then turned the program over to Mrs. Weldon Findley, program chairman, who led the group in singing two songs and introduced the Tripos, popular local singing group. They are Jane Hill, Melva Lynn Ross, Linda Vaughn and Joyce Blackman, pianist.

A humorous skit was presented by Mrs. Blanche Dodson in the role of a doctor who performed an emergency operation on Wayne Stevety, patient. Nurses were Doree Frey and Betty Smith. Mrs. Pearl Brandon was narrator and Mrs. Tula Taylor played the part of a distraught wife.

Judith E. S. Rowe pronounced benediction.

Approximately 150 attended the affair.

under the supervision of Mrs. Stansell. These recitals were given in the auditorium of the Springlake school.

Vicki's first recital piece was "Mary Had A Little Lamb," the first song she learned to play. Her second recital piece was a waltz entitled, "Fairies and Elves."

This waltz is ten measures long and Vicki used both hands on this number.

Mrs. Stansell says that Vicki has very good use of her hands for a three-year-old. When she colors pictures with crayons, she stays within the outline of the object she is coloring.

Vicki could hum "Mary Ann" when she was 11 months old. By the time she was fifteen months old she could sing parts of some songs.

During a siege of bad weather Vicki cautioned her piano teacher about the icy streets. One night she insisted on escorting Mrs. Stansell to her car.

So Vicki got her piano. Vicki got her lessons. And, perhaps, the world has a great new talent.

Junior-Senior Banquet Held At Whitharral

WHITHARRAL - A tropical decor provided the setting at Leveland recently for the annual junior-senior banquet of the Whitharral High School.

Jerry Brown, president of the junior class was emcee for the evening. High school principal S. H. Russell gave the invocation. Brown welcomed the group with Miss Shirley Edwards giving the response.

The menu included chicken-fried steak, green beans, mashed potatoes, tossed salad, iced tea, hot rolls, and strawberry short-cake.

Miss Barbara Dickerson read the class will.

Joe Barnett, minister of the Cactus Drive Church of Christ, Leveland, was a guest speaker, who spoke on Marriage, citing a number of experiences and examples of others also.

Don Chock gave the benediction.

Present were Brown, Cheek, Butch Glass, Ronny Grant, Jimmy Johnson, Phill Hutson, Don Stafford, Jim Burnett, Larry Williams, Terry Sires, Ronnie Bryant, Charles Denny, Jimmy Brantley, Milton Marrow, Tommy Stockton, Misses Edwards, Dickerson, Rita Ann Dyer, Betty Burnett, Fay Strickland, Melba Raines, June Simpson, Ann Sexton, Janelle Doshier, Bonnie Austin, Sandra Burns, Messers, and Mmes. master General contends that third class mail should cover the costs without subsidy, yet every time the postal losses are discussed, all other classes are earmarked for a raise.

I believe that the Post Office Department should first concentrate on this junk mail and get it up to the level where it is self supporting before tampering with other classes which are more nearly bearing their share of the load.

If a circular is worth sending out, it ought to be worth paying the proper amount of postage for carrying it all over the country. Most of it hits the waste basket without being opened anyway. Why should the taxpayer have to pay for the postage of a private corporation?

Hot weather has come and I'm sure thoughts of cooling off in a nice swimming pool have come to mind. Well, Buck Ockman and A. C. Bridwell have good news... their Crescent Park Swimming Pool opens Saturday at 1 p. m.

We don't believe in news suppression, so I might as well tell on Turner's absence this week. He wasn't satisfied with his flat-footed broad jumping achievements, but went on to attempt championship in foot racing last week.

He found that his neighbor was about to outrun him and he mustered a last surge of speed, lost his balance and literally plowed up the gravel drive-way next door.

Besides getting skinned from one end to the other, he wound up with his right arm in a sling. It's like Jimmie Brittain and I told Turner afterwards, we must all recognize our creeping old age and set our speeds accordingly.

Jess Watts, who lives 6 miles east, 2 1/2 miles north of Littlefield, reported that he watched a small twister hit the E. F. Durham place a mile east of his farm. The twister blew the top off a car shed, took the top off the chicken house, damaged the shingles of Durham's home and did damage to the worker's house on the Durham place.

Sheet metal and other objects from Durham's were scattered in a field north of his home belonging to C. W. Hunt. The twister just missed Hunt's home by a few feet.

Only a small amount of rain and hail fell in this area.

Other areas reporting were: Spade where about an inch and a half of rain fell; Hart Camp, none; Olton, none; Whitharral, one quarter to one half of rain; Springlake, only a small amount of rain and hail around the Springlake school; Amherst, none; Sudan, none; and Littlefield, a trace of rain.

Several of the places reporting no rain or hail did report some high winds and blowing dust.

Sandhills Philosopher

Unanswerable Questions Are Posed By Philosopher

Editor's note: The Sandhills Philosopher on his Johnson grass farm has heard about the spy trouble, but it's hard to see where he sheds any light on it.

Dear editor: I have been thinking long and hard over the big spy question and so far I haven't come to any valuable conclusions, other than it might be better to spy with an atomic-powered submarine instead of an airplane, the kind of sub that just spent three months under water without coming up traveling around the earth. You may not see as much as you did from an airplane, but it's a whole lot safer.

One the other hand, the problem of who owns the sky has been engaging my thoughts, and while it's a hard problem, it's not as hard as farming.

You take my farm out here.

Town and

(Continued From Page Four)

And as for space fourteen miles above, I can see how no country wants another country's airplane flying around up there photographing whatever it can find but how about 200 miles up? 500? With a photographing satellite? You can see if every country owns all the sky above it upward forever, and the earth is spanning through space, somebody is going to have a hard time marking his exact amount of sky and keeping track of it. It's pretty complicated.

I sometimes get the idea the universe is just too big for man to handle. It's all a problem I leave to Washington.

Just looking at the shape of my Johnson grass farm, I figure it's more than I can handle.

Yours faithfully,
J. A.

Police Investigate Two Auto Accidents

Police investigated a two-car accident at Littlefield Drive and Farwell Ave. Monday about 4:45 P. M.

Involved were cars driven by Bobbie Montgomery of Littlefield and Marilyn Kaye Dolle, also of Littlefield.

Damages were estimated at \$75 to the Montgomery car and \$150 to the Dolle car.

A two-car mishap at the intersection of Littlefield and Court House Drive was investigated by city police Saturday just before noon.

Officers said cars driven by Larry H. Medlin of Bula and Norma Nixon of Amherst were in collision. Only damage was \$150 to the Nixon car.

Morton Boy, 3, Dies Tuesday Of Rattler Bite

MORTON - Harold Melvin Sinclair, 3-year-old son of Mr. and Mrs. W. B. Mozer, died Tuesday at 2:25 a. m. of a rattlesnake bite.

The child was bitten about 7:30 p. m. Monday while playing alone in the yard of the family nine miles southeast of Morton.

Former residents of Sudan, the family moved to Morton about 18 months ago.

The Singleton Funeral Home transferred the body to Fort Sumner, N. M., Wednesday. Funeral services will be conducted in Fort Sumner and burial will be in Fort Sumner Cemetery under direction of Julian Funerals.

Mrs. Mozer first learned of the accident when the boy came into the house and showed her what appeared to be a dark bruise on his left knee. Upon investigation, a 17-year-old brother discovered and killed the snake which was described as a "big one with nine rattles."

Summoned from the field where he was working, the boy's stepfather took the child immediately to the Cochran County Hospital in Morton where serum was administered.

The child was born Feb. 25, 1957 in Fort Sumner.

Survivors, in addition to the mother and stepfather, include a brother, Lee Sinclair, a stepbrother, Burl Mozer, and a half-sister, Gloria Jean Mozer, all of the home; maternal grandparents, Mr. and Mrs. G. E. Pickett, Fort Sumner, N. M. and step-grandparents, Mr. and Mrs. I. V. Bozer, Greenville.

stop; Van Ashley, left field and Robert Conley in right field.

Jerry Koller, regular catcher, will be out for another three weeks with an injured leg and Jerry Bridwell, short stop, has gone to Arizona for eight days. Both boys will be back in the lineup by the time district play gets underway June 15.

Littlefield lost an 8-3 decision to Nazareth Saturday afternoon to bring their record to 2-4 for the season.

Nazareth got four runs in the second inning, all on walks given up by Tom Lewis and four more in the bottom of the sixth off of three walks, two errors and two singles. Littlefield got all three of their runs in the seventh inning when they picked up three walks, and two singles.

Robert Conley picked up two singles to become the only Littlefield hitter to get more than one hit. Reese Peterson got the only other hit for Littlefield.

Littlefield will play host to the newly formed American Legion team from Amherst Monday night at 8 p. m.

The National Safety Council says these are the crucial areas of a car that can most easily become infected with "vehicle virus": brakes, headlights, rear lights, turn signals, tires, wheels, horn, rear view mirror, windshield wipers, glass, and exhaust system.

Jud Walker Hurt In Accident Saturday

Jud Walker was dismissed from the Medical Arts Hospital Wednesday morning. He was admitted to the hospital Saturday after suffering a back injury while loading lumber.

Views From Pleasant Valley

A. F. West of Borger, Mr. and Mrs. J. L. Walker of Amarillo were recent house guests of the John W. West.

Mr. and Mrs. Russell Haberer entertained with a breakfast Friday, for their house guests, Al Tucker of El Paso, and Milton Martin of Norton. Others attending were Mrs. Bonnie Haberer and her house guests, Barbara Chiles of Stillwater, Okla., and Pearl Maesta, of Honolulu, Hawaii. The young visitors were members of the Golden Gate Seminary Choir, now touring Midwest and Southwestern States.

The Kings Daughters Sunday School Class of the First Baptist Church of Muleshoe met Friday afternoon at 5 p. m. in the home of Kathryn West. Their teacher Mrs. Mary Taber led the opening prayer and Diane Hoybook gave the devotional. After the meeting was dismissed the girls remained for a weiner roast and pajama party. Games and records were played until late bedtime. Those attending were Diane Hoybook, Linda Timmons, Carolyn Brock, and Terry Lynn Bryant.

Clean Up Count Ends In Census; 15 People Added

The clean-up is over for Littlefield's census count, according to Mrs. Arbie Joplin, head of the Littlefield census drive.

Mrs. Joplin reports that another 15 uncounted persons were discovered in last week's tally, making a total of 7,183 for Littlefield.

This preliminary report will be replaced by an official statement by the census bureau later on, she said.

Like most area towns, Littlefield was disappointed with the 1960 count, and after a clean-up campaign was conducted last week with the help of the Chamber of Commerce, only 15 were found who had not been counted.

Many names were turned in as uncounted by either a husband or wife who thought he or she had not been counted. But investigation found that they had been counted when the other partner was interviewed.

Electric Heating Symposium Set Today In Roswell

Featured speaker for an electric heating symposium to be held Thursday, in Roswell, N. M., will be nationally-known Lyle D. Hundley, vice president of Electric Living of Wichita, Incorporated.

Joe Key, Pecos Valley division manager for Southwestern Public Service Company in Roswell host for the meeting, said, "Those who install electric heating will be vitally interested in the message Mr. Hundley brings." Despite the fact that Hundley's firm operates in an area that has a traditionally colder climate than here, and in a highly competitive marketing arena, his firm has completed over 2,500 electric heating installations in less than four years.

How does it, methods of operation, cost control, marketing practices will be adequately covered by Hundley's presentation."

Hundley has had extensive education and training in the specialized fields of electrical and electronic engineering, as well as in the field of electric home and building heating. He has attended factory schools given by Electronic Corporation of America, Fenwal, Inc., Chromalox, General Electric, Photoswitch, Electric Controls, as well as Massachusetts Institute of Technology.

Howard Horne, manager for the Southwestern Public Service Company here said that between two and three hundred people are expected at the Roswell symposium.

A dinner at 6:30 p. m. at the Hotel Nickson will precede Hundley's presentation.

Neighbors Aid Wade Strickland

WHITHARRAL—Wade Strickland will testify to the fact that "good neighbors" still function in the Whitharral and neighboring communities. Strickland has been a patient at the Littlefield Hospital for several days, being unable to do his field work even before going to the hospital.

Saturday Howard Venable, Edwin Lott, Coy Grant, and Jim Burnett took tractors and machinery to the Strickland farm south of Whitharral and knifed all of his land.

The National Safety Council says 5,000 lives a year could be saved in the United States if seat belts were installed—and used—in every car.

to such payee or payees as the City may desire and find necessary, which said warrant shall be designated as street improvement warrants, 1960, which said warrants shall provide that said warrant or warrants may be redeemed by the City of Littlefield, Texas, at any time upon payment of the principal owing thereon, plus unpaid interest accrued to the date of such redemption by depositing in a bank or bank named therein said sum of money to the credit of the payee or holder or owner of such warrant, and which said warrant or warrants shall further provide that the holder hereof shall never have the right to demand payment of this obligation out of any fund or funds raised or to be raised by taxation, and the notice to issue the warrants hereinabove described and referred to is given pursuant to acts of 1931, 42nd Legislature and the first called session thereof, being Article 2968a of the Revised Civil Statutes of Texas now in force. All persons, firms and corporations who desire to protest, discuss, give evidence for or against the issuance of said warrants are hereby notified to be present at the above time and place to present their protests, evidence of information to the City Council of the City of Littlefield, Texas.

AND NOTICE IS HEREBY GIVEN that hearings will be given and held by and before the City Council of the City of Littlefield, Texas, on the 31st day of May, 1960, at 10:00 o'clock A.M. in the regular meeting place in the City Hall of Littlefield, Texas, to all owning or claiming a property abutting upon said portions of said streets and avenues in said districts or units, and to all holding liens on any of said abutting property, and to all holding liens on any of said abutting property, and to all owning or claiming any interest in any of said abutting property. A separate hearing will be held for each district or unit as above designated, separate from and independent of the hearing on any other district or unit. At said time and place all owning or claiming any such abutting property in any district and all holding liens on any of said property, shall be heard and appear and will be fully heard concerning said improvements, the cost thereof, the amounts to be assessed therefor, the benefits to the respective parcels of abutting property by means of the improvements of said portions of said streets and avenues in any district, and concerning the regularity, validity and sufficiency of all proceedings, including the contract for the work, relating to such improvements and proposed assessments therefor, and also concerning the warrants proposed to be issued in payment therefor, and concerning any matter or thing as to which they are entitled to hearing under the law in force in the City and under the proceedings of the City with reference to said matters. Evidence will be heard on all the matters above mentioned. Following the hearings if evidence justifies, assessments will be levied against abutting property, each district to be considered separately. The assessments will be levied against the abutting property and the owners thereof, and when such assessments are levied same shall be liens on the abutting property and personal obligations and liabilities of the owners thereof shall constitute a first and priority lien upon the property as provided by law and according to the Act of the First called Session of the 40th Legislature of the State of Texas, Chapter 106, being titled Article 1105b of the Revised Statutes of Texas now in force and any amendments thereof. In conducting hearings, in hear evidence and in considering all matters in connection with said improvements and the assessments to be made, each district will be considered separately and independent of any other district as aforesaid, and a separate hearing will be held for each district, and the assessments to be made in any one district will not depend upon the assessments to be made in any other district, and assessments will be made in any particular district according to the benefits arising from such improvements in that particular district and independent of the costs and benefits arising from improvements in any other district. A separate hearing will also be had and held concerning the proposed warrants to be issued in payment for said improvements.

Of all of said matters and things, all owning or claiming any such property or interest therein, as well as lien holders and others in any manner interested or affected, will take due notice.

DONE BY ORDER OF THE City Council of the City of Littlefield, Texas.

If we made Gladiola Flour for Sharpeye, O...

we wouldn't have to work so hard!

...but we make it for you!

Just Texas and a little bit more — that's Gladiola Land. Here live the best home bakers in America — known far and wide for their biscuits, cakes and pies.

Naturally, when it comes to flour, these bakers are hard to please. We have to make Gladiola Flour their way — or else, keeps us on our toes, but it's worth every day, every year, Gladiola beats every other brand.

Bakers in Sharpeye, O., have to be satisfied with something less, but you don't. Gladiola quality is your best bargain in flour. Remember — snow-white Gladiola costs, the average family, only about 1/2¢ a day more than the cheapest flour at your store.

Bake and be Glad — with GLADIOLA FLOUR

best-selling flour in the Southwest

On a clear day, Sharpeye folks can see all the way to Indiana along state highway 502.

"World Federation of Methodist Women" was the topic of study Monday, May 9, at 2:30 p. m. when the Edna Doughty Circle of the Earth WSCS met at the church building in regular session. Presenting the study was Mrs. Sam Cearley and Mrs. H. M. Secord. Mrs. W. C. White was in charge of the devotional prior to the lesson.

Present were Mes. Ida Allen, V. D. Coker, W. C. White, M. O. Carter, Ray Axtell, Jack McCord, Sam Cearley, Jane Beavers, J. L. Hinson, Milt Ott, H. M. Secord, and R. H. Belev.

All three circles of the Women's Society for Christian Service met for a pledge service in the form of a tea Monday, May 15, at 8 p. m. at the church.

Mrs. A. U. Hicks and J. W. Hicks, of Durant, Okla., the mother and brother of Mrs. J. B. Thomas came Thursday, May 12, to spend several days.

Mr. and Mrs. C. D. Rogers of Earth stopped by the Amherst hospital for a visit Wednesday, May 11, with Mrs. Jewel Montgomery, who has been a patient there since Sunday.

Mrs. J. D. Nix of Amherst visited her daughter and family, Mr. and Mrs. R. J. Brock Sunday, May 8.

Mr. and Mrs. G. B. McAlister of Lubbock spent Wednesday, May 11, visiting the R. H. Belevs.

Visiting her sister, Mrs. Curtis Smith last Sunday was Mrs. Glen Robertson and family of Cotton Center. The Robertson's two daughters, Jennifer and Sally spent last Sunday through Thursday with the Smiths.

The Friendship Sunday School Class of the First Methodist Church of Earth met Tuesday, May 10, in the home of Mrs. D. M. Allen. Mrs. H. M. Secord was in charge of a devotional followed by a luncheon.

Ladies attending were Mes. Jack McCord, H. M. Secord, Sam Cearley, V. D. Coker, John Welch, Floyd Burgess, Crill Bills, Clyde Goodwin, J. D. Newton, S. C. Beavers, Jack Hinson, Ada Rudd, Milton Ott, R. H. Belev, F. V. Murrell, and the hostess.

A come and go shower honoring Barbara Ann Baggett, bride-elect of Noel Gilmore, was held from 7 until 9 p. m. Monday, in the home of Mrs. H. N. Ellis.

Mr. and Mrs. Larry (Butch) Elmore of Los Angeles, Calif., arrived Wednesday morning, May 11, for an extended visit with Mr. Elmore's parents, Mr. and Mrs. J. E. Elmore.

Also visiting the J. E. Elmore's last week were his parents, Mr. and Mrs. J. J. Elmore of Boswell, Okla., and Mrs. Charles Morgan and Terry of Lubbock.

Thirty-one ladies were present for Bible study at the Earth Church of Christ last Tuesday. Mrs. Perry Martin taught the lesson which was a review of the Book of Genesis which the group has studied for the past several weeks.

Attending a book review and installation luncheon of the Dimmitt Study Club Wednesday, May 11, at Plainview were Mes. Ronald Cleavinger, Orville Cleavinger, Edd Dawson and Ray Axtell.

The ladies heard Mrs. Jim Cleavinger of Dimmitt review the non-fiction book, "The Preposterous Papa" by Lewis Meyer.

Side Dress Row Crops NOW!

The peak nitrogen use period for most row crops is during late growth stages. Now's the time to supply the extra nitrogen your crops need by side dressing Phillips 66 Ammonium Nitrate with 33.5% nitrogen.

New improved Phillips 66 Ammonium Nitrate prills are specially processed to insure free flowing application and even distribution. This means more uniform crop response. Boost yields and profits on row crops by side dressing Phillips 66 Ammonium Nitrate.
