VOLUME 24

LITTLEFIELD, LAMB CO., TEXAS, THURSDAY, JUNE 13, 1957

NUMBER 3

### Teachers To Receive \$429 Annual Raise From State And Local Funds

#### Starting Pay Set At \$3429

Littlefield teachers are slated to receive an across-the-board increase of \$429.

At a meeting of the Board of Education Monday night, school officials voted the state raise of \$399 by an additional \$30 to be paid from local funds.

Salaries of Littlefield teachers are now \$225 above the state schedule. Under the new pay rate, beginning teachers with a bachelor's degree will receive \$3429 per year.

Other action taken at Monday night's meeting included the accepting of resignations of Mrs. Ruth Parker, third grade teacher, and George Loran, assistant Junior High coach.

Three new teachers hired for the 1957-58 school year were Mrs. Joy Hunscock of Spade, formerly a first grade teacher in Lubbock, who will teach first grade classes in Littlefield, Mrs. Sue Painter, a former high school mathematics teacher, who will teach a sixth grade class, and Mrs. Hugh Elliott, who has taught the past two years at Spade, who will also teach a sixth grade class.

The board called for bids to put

#### Community Center Renovation To Begin June 22

The Board of Directors of the Community Center again reminded Littlefield residents of the "Dead Week" at the center, which is set for June 22 through the 27th.

The center will undergo renovation, repairs, and general improvement.

The board also advised residents that they will be asked to repair the center during these days, and request that they not be asked to do so.

#### County Commissioners Hold Regular Meeting Monday

The Lamb County Commissioners met Monday in regular session.

The commissioners approved all bills and accepted the reports of the employees of the Extension Service, Bill Kimbrough, County Agent, Austin E. Haney, Assistant County Agent, and Lady Clara Phillips, County Home Demonstration Agent.

The salary of Bobby G. Rogers, district court reporter, was approved at \$6312 annually. The commissioners agreed to accept \$186 monthly as Lamb County's portion of the salary.

Ronnie Glover was approved as office deputy of the Sheriff's department. He will serve as radio operator and bookkeeper.

The American Hospital and Life Insurance Co. had advised of a raise in insurance rates for county employees. The commissioners approved the rates as follows: Class A, \$7.10; Class B, \$3.75; and one or more dependents, \$5.25.

The commissioners' meeting was adjourned and the board reorganized as a board of equal-

#### Foods-Nutrition Survey To Be Held This Summer

A foods and nutrition survey will be conducted this summer throughout Lamb County by various committees working through the home demonstration council and county program building committee.

The purpose of this survey, according to Lady Clara Phillips, County Home Demonstration Agent, is to help in planning a long time county wide program in foods and nutrition based on the needs of all the people.

"This survey is confidential as no names are used on the questionnaires and all people can be assured that this survey is to be used only in finding out the situation on foods and nutrition in Lamb County," reports Mrs. Phillips.

The purposes of the survey is to acquaint the people with the need for improving the foods and nutrition program. Also the survey is designed to discover more and better ways to reach the people.

"If you are one of the families who is contacted, would you please help the interviewer fill out a complete report. All you can do will certainly be appreciated," states Mrs. Phillips.

The survey is to be completed by September 1st.

#### Livermore To Drill Smith-1 In City Limits

An application to drill the P. O. Smith No. 1 in Townsite 109 has been filed with the City of Littlefield by Livermore Drilling Co.

The well is on Wicher Street two blocks west of the old football stadium on the school grounds.

Drilling will begin upon issuance of the permit. The George White No. 1 Humble was testing Monday in the San Andres after the well had been plugged back from a depth of 7400 feet. Tests in the Clear Fork gave no show. The drillers were having trouble getting the pucker to hold.

The No. 1 Shells has been plugged and abandoned as a dry hole. It is on the southwest edge of Littlefield on the Thompson farm.

#### Two Mexican Boys Destroy Gum Machine

Two Latin American youths were lodged in Lamb County jail this week for taking two penny machines from the Post Shipley's Service Station, according to County Attorney Curtis Wilkinson.

The machines, which are ordinarily put inside at night, were left out overnight. The boys carried them off, broke them up and disposed of them, taking only a few pennies from each Sheriff's deputies recovered the machines from an out-house, Wilkinson said.

One of the boys was released in view of the fact that it was his first offense. The other youth is still in the Lamb County jail. He had a previous charge against him for car theft.

#### No Regulation . . .

An unexpected guest arrived at the Littlefield Post Office Saturday morning in a mail sack. He was a very young turkey poult, Donnie Howell and Roland Bell were dumping mail from the sack off the train, No. 95, from the East when the young visitor fell from one of the sacks.

"How on earth he ever lived through all of the throwing around these sacks goes through was more than we could figure," Postmaster Arthur Joplin said.

"Since there is no postal regulation covering such an instance, we gave the turkey to Howell's three little boys, and he is still alive," Joplin said.

No one has come up with an explanation of the poult's appearance here.

#### Sewing Materials Lead Local Stores Are Busy Selling Hobby Supplies

Father's Day gift buying took a back seat to the purchase of sewing supplies. Littlefield department stores employees say that the past few weeks has been outstanding from the point of sales on piece goods and sewing supplies.

The variety stores reported that patterns, zippers, lace and other sewing supplies predominated their sales. Straw hat sales came next from this line of stores.

Whether the wet ground, sudden heat, or just the desire to sew, prompted the sewing trend has not been determined. One clerk theorized that more people know how to sew. Another thinks that today's "Simple to Make" patterns could be responsible, while another gives credit to all of the classes that the home-making departments in all of the schools teach to girls and women alike.

Each summer Mrs. Truman Jones of Littlefield High School, and other Home-making instructors in the area have taught adult sewing methods.

The ladies who sell ready-to-wear in the various stores report a good business in the sale of cotton dresses, play clothes, swimming suits, and vacation ap-

parel.

Stores who sell play shoes have enjoyed a good business this month.

Water guns, miniature animals, doll bottles, and construction kits lead the sales to the small fry. Some children have purchased leather tooling kits and tooling supplies, oil paints and water colors.

The auto and hardware stores have sold chamois, sponges, hoses, nozzles for car washing. A number of residents have purchased power lawn mowers, garden hose and all types of garden tools.

Fishing equipment did not lose out completely, however, some merchants report sales of fishing equipment, but as one man said, "Most fishermen keep this equipment from season to season."

The elastic companies who in stall air-conditioners were deluged with calls Monday and Tuesday. Service men went from one job to another, reconnected and connecting the air conditioners so the folks could beat the more than 90 degrees of heat.

And back to Father's Day. Sales men report the usual sport shirts, ties and belts for Dear Old Dad.

Newton entertained his friends Sunday afternoon by taking them boat riding on the lake nine miles south of Littlefield near Whitharral. The rains on Saturday night the level of the lake higher than it had been in many years.

#### Rainfall Hits 14.66"; Close To 1949 Record

Lamb County farmers were fortunate to have sunny and high temperatures to dry the ground this week after Saturday's heavy rainfall and hail. Most of the fields are being replanted that were rained or hailed out.

#### Olton Youth Is Paroled To Parents

A sixteen year old Olton youth was paroled to the custody of his mother for a period of two years for car theft this week, according to Sheriff Dick Dyer.

The boy admitted taking the car and was taken before Judge Robert Kirk Tuesday. Kirk assessed the probation period after the youth's mother had agreed to pay all damages in the car theft and other misdemeanor damages the boy allegedly had committed, the sheriff said.

Presbyterians Set Picnic

There will be a family night picnic on Wednesday night, June 19 at 7 p.m. at the Presbyterian church. The picnic will honor the new members. The program will be based on Christian Education.

Wayne, Billy Don and Jackie Ray, sons of Mr. and Mrs. Donnie Howell, are proud owners of a new pet, a young turkey poult which arrived Saturday at the Littlefield Post Office in a mail sack.

The Littlefield Recreation program got off to a good start with Leta Merle Roberts and Anne Q. Bellomy giving some of the girls instruction in swimming. The announcement had been made that there would be no swimming due to the Girl Scout Day Camp, but arrangements were made to hold classes in the pool this week.

#### Coach Mayfield Is Director

### Recreation Program Draws Record Crowd

The Recreation program, which is sponsored annually by the City of Littlefield, proved to be popular with the small fry between the ages of six and twelve.

One hundred and thirty boys and ninety girls have registered for this year's program and all have attended all three days since the program started on Monday.

Coach Gene Mayfield is general superintendent of the affair.

Coach Gene McCandless, James Poesley, Lita Merle Robert, and Anne Q. Bellomy are his assistants.

The children met at 8:30 A.M. each morning at the Junior High School. One hour has been spent in playing in the gymnasium, the next hour has been spent at supervised play in the park, and one hour at the city swimming pool.

The program has been reversed

for this week only due to the Girl Scout Day Camp.

Children may come to the recreation classes any morning, but the instructors say it is desirable for them to come for the entire program.

Swimming instruction is the most popular with the majority of the children. They all enjoy the ball games and the supervised play.

### Boy Scout Troop Visits Tres Ritos

Twenty-two Littlefield Scouts, members of Troop 41, returned late Saturday from a six-day camping trip in La Junta Canyon near Tres Ritos.

According to Scout Master Jack Brooke, the boys and their leaders really "roughed it" doing their own cooking over open fires and carrying water from a near-by spring.

"Most of the time was spent in just having fun," Brooke said, "although several of the boys worked on their fishing, nature study and hiking merit badges."

During their six-day stay, they visited the Indian Pueblos in Taos and went swimming in Taos another day. The boys took turns in dishwashing, cooking, building fires and carrying water.

Assisting Brooke was Jesse Steffy, Jim Nelson was senior patrol leader, Mickey Montgomery, Jerry Armstrong and Billy Weber supervised the cooking. Billy Halton was bugler.

Assisting the Scout leaders in taking the boys to camp were Summers Bolton, Lloyd White and W. B. Gwyn who remained through Wednesday. Joining the group Thursday were Elmo Jones and Jake Armstrong. Transportation home was provided by Harold Clements, Mickey Greer, Bobby Payne, Alvin Webb, Felix Halton and Earl Robinson who spent Friday night with the group.

Boys attending the encampment are Donnie Allison, Jerry Armstrong, Billy Baniston, Jimmy Hankton, Jack Brooks, Jr., Santos Gonzalez, Billy Halton, Spike Jones, Jerry Jones, Ulen Kenamer, Bobby Manley, Mickey Montgomery, Jim Nelson, Johnny Bernert, Mike Steffy, Eddie Trimmer, Billy Webb, Tim Chambers, Lonnie Cape, Robert Bolton, Charlie Robinson and W. B. Gwyn. The troop is sponsored by the Lions Club.

MRS. DARWIN BAUMANN  
(Formerly Glenna Taylor)

## Miss Glenna Marie Taylor Weds Darwin D. Baumann

Miss Glenna Marie Taylor, daughter of Mr. and Mrs. Otto Taylor, Anton, and Darwin D. Baumann, son of Mr. and Mrs. Ernie Baumann, Pampa, repeated wedding vows in a joyous ceremony Saturday evening at the First Assembly of God Church in Lubbock. The Rev. H. M. Sneets performed the ceremony before a background of white gladioli flanked by greenery and white candleabra.

David Smithers, organist, played the traditional marches and accompanied Max Harrington of Anton as he sang "I Love You Truly," "Whether Thou Goest" and "The Lord's Prayer."

The bride, given in marriage by her father, wore a gown of white embroidered tulle over net and satin fashioned with long petal-point sleeves and a portrait neckline traced with pearl motifs. Steaming from a wide, fitted bodice the skirt terminated in a long train. Her French silk illusion veil fell from a tiara of iridescent sequins and seed pearls. She carried a cascade of white gladioli and stephanotis centered with orchids and highlighted by white veiled braid.

Mrs. Kenneth Grace attended her sister as matron of honor and Miss Joyce Jeanette Braker was maid of honor. Bridesmaids, Miss Phyllis Oakley, Miss Bertha Weige and Miss Nella Rae Ellis, all of Anton, wore pink tulle crystal-ette over taffeta styled with a portrait neckline, elongated bodice and street-length skirt. They also wore tiny veils attached to pink tulle ruffled with seed pearls and carried pink feathered carnations.

Candlelighters were Miss Karen Bishop and Miss Sharon Couch. Paul Baumann served as his brother as best man and groomsmen were Tommy Dunn, Duane Campbell, Edna Polinae, Pampa and H. D. Ladysman of Berger, Bruce Taylor, Buddy Maynard, Morris Alexander and Clifford George, all of Anton, served as ushers.

**Reception in Parlor**  
The parlor of the church was the scene of the following reception. Covered with gathered white organza cloth over pink taffeta, the table was centered with a three-tiered cake and flanked with

greenery and baskets of white gladioli.

Assisting in hospitalities were Miss Betty McLarty, Miss Lillian Hogan, Mrs. Gale Ballard of Shallowater and Mes. Jack Grace, Purdy Braker, W. M. Alexander, Claude Couch and Robert Burdette, all of Anton.

For travel the bride wore a champagne embroidered cotton satin dress with black patent accessories and an orchid corsage.

The couple will be at home in Odessa, where the bridegroom is employed by Frontier Perforators, Inc. The bride is a 1957 graduate of Anton High School. The bridegroom is a graduate of Pampa High School and attended Texas Tech two years.

## Valleyview Club Meets In Miller Home Thursday

Mrs. Buddy Miller was hostess Thursday afternoon to the Valley View Club at her home in the Oklahoma Flatt community.

Mrs. Ray Denny presided. Roll call was answered with a poem or well known saying. The minutes were read and approved. The selling of the community house was discussed.

Refreshments of punch, cheese sandwiches and cake were served to Mesdames H. G. Ferguson and Joe Walden and baby of Littlefield, W. O. Tipton and Aubrey Kirby of Loveland, J. C. Hodges and children of Anton, Ray Denny and Donna Kay, A. B. Robert, Elva T. Crank, Johnnie Miller, Jimmy Starnes and children, Hollis Smith and daughters, Wade Strother and daughters, Robert Strickland and children, Hayes Denny and Ann, Norman Hodges and hostess.

The next meeting will be bridal shower for Miss Dyanne Collins, bride-elect of Warren Cate of Lubbock. It will be held at the home of Mrs. Jimmy Starnes, one mile north of Oklahoma Flatt. Every one is invite to come.

Many people could retire comfortably on what their experience has cost them.

## Miscellaneous Shower Honors Miss Stagner

Miss Gail Stagner, bride-elect of Alvin Messamore was the honoree at a miscellaneous shower given Saturday afternoon in the home of Mrs. Joe Porter on North Main Street of Amherst.

Guests were registered in the bride's book, which was presided over by Mrs. E. L. Black.

A white lace cloth covered the refreshment table which had a beautiful arrangement of Tiffany and Queen Elizabeth roses with a fan shaped background of hellebore. Pink satin streamers were lettered "Gail and Alvin." White tapers in crystal holders completed the arrangement.

Mrs. Barry Bearden served lime float, cake squares with

wedding bell decoration and mints in pastel shades.

Many useful gifts were received by the bride-to-be, including a set of stainless steel cooking ware from the hostess group, Mesdames W. P. Holland, Wallace Gosdin, I. N. Griffing, W. H. Crosby, Jim Nix, Robert Gronewald, Mst Nix, Jr., E. L. Black, D. D. Yantis, Victor Oxford, Bill Workman, Claude Emmons, Melvyn Dutton, E. E. Gee, Emory Blume, W. P. Holland, Jr., Lee Payne, Horace Holt, Lee Roy Baker, N. B. Emory, Aubrey Jones, George Williams, V. A. Hinds, H. L. Phelps, Arlis Humphreys and Joe Porter.

## Stork Shower Honors Mrs. J. B. Harpin

Mesdames J. C. Taylor, Ella Hewitt, Rafe Rodgers, D. C. Thetford, C. E. Throckmorton, Edd Langford and Ben Pointer entertained with a "pink and blue" for Mrs. J. B. Harbin of Loveland, who formerly resided and taught here.

The refreshment table, laid in crochet was centered with an arrangement of roses.

Lime float, cookies and salted nuts were served to the honoree and Mesdames Dean Winthrop and Lee Lewis of Loveland, B. M. Anderson, W. C. Hawks, Wendell McIntroe of Manhattan, Kans, Joel Burns, R. D. Dixon, Richard Horton, J. W. Borders, Jr., Miss Opal Burns and the hostess.

## Housewarming Honors Norman Hodges

Mesdames David Mitchell, Hugh Shackelford, R. E. Watson of the Hodges community, Weldon Newsom, Jimmy Hisaw and H. G. Walden were hostesses for the housewarming for Mr. and Mrs. Norman Hodges at their new home in Whitharral.

A number of lovely and useful gifts were presented.

Coffee, cookies and punch were served to the honorees and Messrs. and Mesdames J. C. Hodges of Anton, Ernest Mills of Littlefield, V. D. Hodges, H. G. Walden, R. E. Watson, Jimmy Hisaw, Mesdames Fred Newsom, Charlie Landers, Jack Milburn, Jeanie Martin of Loveland, B. E. Hayes, Elva T. Crank, Weldon Newsom, Hugh Shackelford, David Mitchell and Messrs. Richard, Robert and Joe Ben Crank.

## Elaine Black Is Honored On Eighth Birthday

Elaine Black celebrated her eighth birthday, Thursday, June 6 and her mother, Mrs. Clarence Black entertained with a party for the occasion.

Several games including ping-pong were played and pictures were made of the guests, the honoree opening her gifts and of the birthday cake.

The cake, home made ice cream and punch were served to Linda Clayton, Barbara Coffey, Kathy Campbell, Sherry Tomes, Vicki Pigg, Donna Gail Gilliland and the honoree.

## Joyce Braker Teaches Baton

Miss Joyce Braker of Anton is instructing summer baton classes every Monday, Wednesday, and Friday in Anton. At present, six girls are enrolled for the instruction.

Classes began Monday, June 10th. Miss Braker hopes to have her more promising students on television the latter part of the summer.

## Miss Kennie Lou Jackson Weds Van Buren Welch

The wedding of Miss Kennie Lou Jackson and Van Buren Welch was solemnized Tuesday evening in the home of the bride's parents, Rt. 2, Anton. Parents of the couple are Mr. and Mrs. Herbert W. Jackson of Anton, and Mr. and Mrs. Martin E. Welch of Odessa.

Baskets of white gladioli interspersed with emerald jade palms and white apers completed the setting for the double ring service read by Rev. O. A. McBrayer of Paducah.

Escorted and given in marriage by her father, the bride was gowned in silk chiffon over taffeta. The bodice featured a linen inset, adorned with clusters of lace petals sprinkled with pearls and rhinestones, banded into belemnite shape by alternate rows of silver beads and iridescent sequins.

Her silk illusion veil was attached to a tiara of lace embroidered with beads and seed pearls. The bride carried a white orchid surrounded by stephanotis and white feathered carnations and placed atop a white Bible.

Wearing a pink street-length dress with matching accessories, Mrs. C. P. Young, Jr., Wolforth, was her niece's matron of honor. She carried a cascade of pink and white carnations.

Candles were lighted by Joe I.

Almost too realistic are the Bob Salems and daughter, Cynthia, pictured above as they posed for photographer in Volendam, Holland in quaint Dutch costumes. The Salems were week end visitors in Holland when the photo was made.

## Bob Salems Are Touring The European Continent

Taking advantage of being stationed with the U. S. Air Force in Paris, France, are Captain and Mrs. Robert (Bob) Salems who are touring a number of European countries while overseas.

The Salems are sharing their experiences with the folk at home in vividly narrated letters of their sojourns and are making movies of places visited.

Bob is the son of Mr. and Mrs. Bob Salems. His wife is the former Miss Lela (Lee) Paxton of Loveland. Bob entered the service in 1953 following his graduation from Southwestern Medical School in Dallas. Lee formerly taught English and Speech in the Loveland and Dallas school systems.

The Salems, with their two daughters, Cynthia, now three, and Shelley, one year of age, flew to Paris last August where he is attached to the Air Force dispensary at Ody Field there.

Belgium, Holland, Germany, Austria, and London are among places visited thus far by the Salems.

During a weekend trip to Holland they viewed the tulip bulb festival at Kukenhoff in Holland and visited Volendam where the inhabitants still wear quaint old Dutch costumes.

They stopped at the Henri-Chanelle American cemetery in Verviers, Belgium where they visited the graveside of his great uncle, Hub Hyatt, killed in the Battle of the Bulge during World War II. Mr. Hyatt was a resident of Sudan at one time and was the brother of Mrs. Nevt Harkey of Littlefield.

While in Germany attending a medical conference Bob and Lee saw such famous places as Hitler's retreat area near Berchtesgaden; the hotel Hitler built for his guests; the remains of his house and a fabulous underground air raid shelter under-

ing home 30 rooms. And though much of the ravages of war have been repaired they reported seeing numerous evidences of the war including "pill boxes" along the French-German border. Highlight of the tour of Germany for Lee was the visit to the dream castle of King Ludwig of Bavaria. She reports that 20 of the approximately 70 room castles were completed before the king's untimely death by drowning at the age of 42. The other fifty rooms were left in a raw state of construction.

An unusual sight for Americans used to modern machinery was the ox and ox cart used by the Germans which the Salems say are more numerous there than tractors.

While in Salzburg, Austria, famous for its music festivals and the birthplace of Mozart, they visited the home of Mozart which contains his original piano. They were informed by the guide that former president Harry Truman visited there last year and played on the piano. Also while in Salzburg they made a trip to the Catcombs where the first Christians of that country hid from their oppressors. They traveled by cable car to the top of a mountain to view a nancien fortress built by the Romans during the invasion

## B.W.C. Meets Monday Night

The Josephine Harris Circle of B.W.C. met in the home of Hulda Henson Monday night at 7:00 p.m. with the president, Mrs. D. C. Lindley, presiding. Due to the absence of Secretary Mrs. C. E. Daniels, the minutes were not read.

Mrs. J. L. Murdock presented the program, "Old Hands." Mrs. Tel McLarty opened the meeting with a prayer. A duet, "Our Best" was sung by Mrs. W. E. Bass and Mrs. Carl Pillion and was accompanied by Mrs. Ita Sewell at the piano. Others taking part on the program were: Clara Jarmon, Opal Pillion, Maude Street, Ella Lindley, and Mrs. Curtis Chisholm. Mrs. Doc Wright sang as a closing number, "Somebody." Mrs. Welden closed with prayer.

Mrs. Henson, assisted by her daughter, Mrs. Sewell, served sandwiches, cookies, and punch to Mrs. D. C. Lindley, Mrs. J. L. Murdock, Mrs. W. E. Bass, Mrs. Carl Pillion, Mrs. Maude Street, Mrs. Curtis Chisholm, Miss Alice Gordon, Mrs. James Garrett, Mrs. G. V. Walden, Miss Clara Jarmon, Mrs. Tom Matthews, Mrs. Doc Wright, and Mrs. Tel McLarty.

of Austria and Germany.

Last, but not least, are their experiences in Paris where they find it an inspiration to attend church services at the American church there. They have become affiliated members of the church which, according to Lee, is a community or union church for all Protestant faiths. She states people of all colors and Protestant faiths worship side by side without prejudice or bigotry.

Since becoming affiliated with the church Bob has been elected to the Board of Deacons.

The church bulletin relates that it is the first American church founded on foreign soil over 100 years ago and is the oldest American institution in Europe.

Bob and Lee were among the congregation recently when Secretary of State John Foster Dulles attended services there.

Proving of benefit to them in their excursions around Paris are French lessons they are taking. They have found it a little awkward, and sometimes a little hilarious, in trying to understand and to be understood on some of their tours in the other countries.

Among historical sights they have seen in Paris are Notre Dame, and the Louvre, an old French palace, which is now a museum containing some of the most priceless and magnificent objects of art in the world.

Determined not to miss anything the Salems have also seen what is known as "Gay Paris," including Moulin Rouge, the Lido, and Pig Alley.

They plan still further adventures this summer while Lee's mother, Mrs. Abbie Paxton of Loveland, is visiting them.

Mr. and Mrs. Robert Lee George

## Couple Exchange Vows Enochs Baptist Church

The First Baptist Church of Enochs was decorated with an arch covered with vines and flowers and highlighted by magnolias for the Saturday, June 1st wedding of Miss Brenda Elaine McCall and Robert Lee George. A double ring ceremony was read at 3:00 p.m. by the Rev. Charles Vanlandingham.

Their parents are Mr. and Mrs. Fredrick N. McCall and Mr. and Mrs. R. R. George.

McCall gave his daughter in marriage as she wore an original creation of Quantilly-type lace over net and satin in blush pink. The bodice featured long sleeves finished by sequin-embroidered satin cuffs and a high neckline framed by a satin collar outlined with lace appliques embroidered with iridescent sequins. A full-length princess panel accented the center front and was held by a pleated satin cummerbund.

Her silk illusion veil descended from a plateau cap of lace embroidered with iridescent sequins and outlined with a small ruffle of pleated tulle. The bride carried a cascade bouquet of gardenias atop a white Bible.

Wearing lime green nylon taffeta dresses styled with high neck-

lines and pleated skirts of ivory, Miss Myranda and the two bridesmaids, Mrs. Dora Dugh of Mesquite, Mrs. Raymond Hall of Mesquite, and Mrs. Loretta Lockyer of Mesquite, wore light blue and white accessories.

Others in the wedding were Joe Earl Deak of Mesquite, Mrs. Ralph George, of the bridegroom, and Austin, others: J. C. Rinebeaver.

White net over blue green the bride held at the christening point of the table was a tiered wedding cake.

Comprising the honeymoon were Misses Sirocas Hat, Tidwell and Janet Stalk, Loretta Lockyer was at the register.

When the newlyweds left wedding trip to Hudson, Clarendon, N. M., she is wearing a light blue and white accessories.

The couple are graduates of High School. They are home in Lubbock where the groom is attending the Business College.

# Don't Tell Anyone, but

A friend of ours, who is a member of the clergy, once told us that when he wanted to get word to someone without telling them himself, he had certain members of his congregation to whom he said, "Don't tell anyone, but..." and it was back to him in twenty-four hours.

Last week when we got the figures on the City of Littlefield since the first of the year. Since we had been out of the bookkeeping racket for a long spell we were thinking in Calendar year, but Vista was giving figures in Fiscal year. So the figures given in Sunday's County Wide News were from the beginning of the Fiscal year of the city which begins October 1, and ran on the calendar year of 1957.

Samba, our boy's English bull dog is dead. Samba had a blood line that most other Englishmen would have envied. Oddly enough cancer took his life. It affected him just like it affects human beings. Samba was ten years old. He was very gentle, good natured, and obedient. His ruggedness appealed to all men who saw him. So again we say, "We'll never have another dog." Three of the boy's dogs, two chows and Samba, have lived a combined total of forty years.

Three women from each of the Federated club in Lamb County met Wednesday in Amherst to make final drafting for the School of Elise and Ed Stone of Lubbock. The fund, so far as it will be a loan fund, interest free, to be used at the Lubbock Christian View College.

It is our sincere hope that everyone who would like to help some worthy boy or girl through school and at the same time honor the memory of two such fine Lamb County citizens will do so

# Whitharral HD Club Holds Regular Meet

Mrs. L. C. Lewis served nut bread, cream cheese sandwiches and cold drinks to 3 visitors Mesdames Gene Yeager of Levelland, Pearl Pace and Ethel Tomlinson of Littlefield 3 new members. Mesdames Ronnie Parker, Leon Slaps, and A. L. Chisholm; and the following members; Mesdames Jordan Lewis Russell Cotton Hawks, Ella Hewitt, B. I. Hicks, Sr., Guy Hughes, B. I. Hicks, Jr., Hub Spraberry and Rafe Rodgers. Textile painting will be taken up later. The sewing class will be held in July.

# Calypso Club Meets In Kirby Home

Mr. and Mrs. Aubrey Kirby were hosts to the Calypso Club Saturday evening at their home on the Morton highway, 2 miles west of Levelland. Sandwiches, coffee and cookies were served to Mesdames and Messdames Johnny Waters and Joe Wade of Levelland, J. C. Hodges of Anton and Jimmy Starres of Whitharral.

# Dress Winners Return From Trip

The first-place winners in the Hockley County Dress Contest sponsored by FHIA and 4H returned Friday from a trip to San Antonio. The contest, which was held March 5, allowed the first-place winners \$25.00 toward the trip. The excursion took a total of three days. The thirteen girls were accompanied by instructors from Anton, Levelland and Whitharral and their husbands.

on they left their coats at home? We heard one of the Phelps Avenue farmers tell his audience this morning, "Now I'll tell you, these boys don't know how to plant in wet ground; I know plant it on the top and very shallow."

Karen is going Society. Girls are just smarter than they use to be. OR it has just rubbed off on her. OR the newspaper racket is an inherent trait, or maybe she is just plain lucky. Anyhow she had some nice Society pages to get her off to a good start.

We started a series of pictures in this paper and plan to run them all summer about how our teachers spend their vacations. We think that these fine people who give so much to our children should be shown some recognition, and we certainly wish them well in any undertaking.

# Presbyterian Women Meet Monday Night at Church

The Women's Association of the Presbyterian Church met Monday at 7:30 p.m. at the church. Mrs. G. M. Shaw gave the devotional based on Responsibility. Miss Lula Hubbard was in charge of the program. # WOW And Jaycees Tangle Tonight

## Batson Tied With Yarbrough Food

Three more home runs were knocked out of the Little League Park Tuesday bringing the total for the year to five in the Littlefield Little League.

Vernon Timmians of the Lions, Tony Estrado of the Jaycees and Gary Schovajsa of the Rotary all put the ball out of the park in Tuesday's action. Kenneth Moore and Terry Gage of the WOW have also got home runs to bring the total for the League to 5.

The most damaging of the home runs for the opposing pitchers was the one Vernon Timmian of the Lions got off to Richard Kimbrough of the WOW. The bases were loaded at the time and the WOW were enjoying a 5-1 lead.

Batson and Yarbrough are tied for the League lead in the Minors while the WOW has a slight edge over the Jaycees in the Major League. The Jaycees and WOW tangle tonight (Thursday) for the game that will decide the present leader.

## Batson Defeats VFW 11-7 In Monday Game

In the opening game Monday evening Batson Motor defeated the VFW team 11-7 with two runs on two hits.

Batson took the lead in the first inning with four runs. One run came in the second, none in the third, and six in the fourth inning.

Terry Hewitt and Jim Pickrell got three runs on two hits, batting three times. Other stars were Dwayne Houk, Steve Lowe, Charles Pickrell, and Phillip Sellers.

The winning pitcher was Pat Abeyta, who was relieved by Charles Pickrell in the fourth inning.

The VFW got seven runs on three hits. Roy Blessing led his team with two runs on one hit at three times at bat. Ed Blessing also got two runs but had no hits.

The losing pitcher was Rickey Miller who pitched all five innings.

## WOW Edges Out 6-5 Win Over Improved Lions

The regular scheduled game between the Lions and WOW was called off Monday night when power failure darkened the entire side of Littlefield. The game was played Tuesday afternoon at 4:00 p.m.

The WOW edged out the Lions by the score of 6-5 with a run in the top half of the fourth inning. The Woodmen took an early 3-1 lead but Vernon Timmian tied the game up with a bases loaded home run over the right field fence. Johnny Weaver scored the other Lions' run in the first inning after being walked.

Roger Morris and Kenneth Moore were the hitting stars for the WOW and Timmian and Spike Jones led the Lions' hitting attack.

Richard Kimbrough, making his first appearance on the mound for the season, got credit for the victory although he needed relief from Jerry McCain and Kenneth

## Bill A. Fore Attends H-SU Summer Session

Bill A. Fore, son of Mr. and Mrs. Jack C. Fore of Littlefield, Texas is among more than 425 students enrolled in the first session of summer school at Hardin-Simmons University.

His home address is 1025 Hall Ave. St. He is a junior student. He is a member of the following H-SU organizations: Cowhands; Life Service Band.

The first six week term of summer school got underway June 5 with registration. Classes, which are one and a half hours in length began June 6 at 7 a.m. Courses of instruction are being offered in 23 major university departments.

Registration for the second summer session will be held July 15. Summery baccalaureate is set for 8 p.m. Aug. 21 and commencement at 8 p.m. Aug. 23.

President Evan Allard Reiff announced that the entire recreational facilities of the university will be open to summer students. They include athletic fields, gymnasium, riding stables, swimming pool and tennis courts. Forty-four H-SU professors will remain on the campus during the summer to teach during the two six-week terms.

## Amherst Seniors Visit Colorado

Members of the senior class of Amherst High School visited Colorado's famed Royal Gorge on their recent tour.

It was a highlight of a trip that included points of scenic and historic interest in and around Denver, Colorado Springs, and Canon City.

At the Royal Gorge, they crossed the world's highest bridge (1,100 feet above the roaring Arkansas river), rode the world's steepest incline railway (100 per cent grade) and viewed some of Colorado's most magnificent scenery.

Sponsors on the tour were Mr. and Mrs. Lamar Kelly, Rev. and Mrs. John Rankin, and Mr. and Mrs. N. B. Embrey.

Students were James Rankin, Donnie Bowman, Bill Adams, Betty McLeLand, Dameris Crosby, Helen Feagly, Lynn Ann Brown, Delores Patterson, Martha McDaniel, Eugene Griffin, Ledford Enloe, Joe Peterson, Joe Embrey, Donnie Gonzales, Keith Huggins, Eddie Foust, and Francis Young.

while Billy Halton got credit for the victory, though he needed help from Bob Conley and Billy Shaw in relief.

Winning Pitcher, Billy Halton (2-0), Losing Pitcher, Don Stephens (0-3).

Benjamin Franklin designed a dollar made of silver, brass and pewter, bearing the motto, "Mind Your Own Business," and minted in 1776.

## Entire Crop Is Hailed Out

# "We're Glad To Be Alive," Says The Brooks Family

"If there is anything else that can happen, let it happen," must be the thinking of Mr. and Mrs. Ernest Brooks who live west of Littlefield.

On Easter Sunday the tornado completely demolished their home, and the home of Brooks' mother, Mrs. Mary Brooks. The older Mrs. Brooks' home was blown thirty feet from its original site and she was pinned beneath the debris.

Mrs. Brooks died Saturday, June 1, after being bedfast since the accident. Funeral services were held on Monday morning in Littlefield and according to her wishes her children accompanied the body to Victory, Oklahoma, for burial. The rain poured all during the funeral services, all of the way to Oklahoma, and all of the way back. The family stood in mud ankle deep at the Victory cemetery and according to her wishes her children accompanied the body to Victory, Oklahoma, for burial. The rain poured all during the funeral services, all of the way to Oklahoma, and all of the way back. The family stood in mud ankle deep at the Victory cemetery and according to her wishes her children accompanied the body to Victory, Oklahoma, for burial.

Last Saturday night Brooks finished planting his cotton. The first that he planted was already sprouting. During the time that he could not work in the fields, Brooks, who is a carpenter, had gotten the walls and roof on the new house that they were building at the site of the one that was blown away.

Saturday afternoon Mr. and Mrs. Brooks and his sisters, Mrs. Mack Johnson of Lubbock and Mrs. G. G. Strickland of El Monte, California, and a son and his wife, Mr. and Mrs. Don Brooks of Lubbock, were working on the new house when the sudden downpour occurred. The downpour was accompanied by heavy hail, and the roof of the new house had thousands of holes beat in it. The crop was wiped out. Hail looked like winter they all agreed.

The group sought refuge in the basement under the house and something caused the water to back log and they found themselves standing in several inches of water.

Brooks said there was a milk bucket hanging in a tree and there was at least six inches of water in the bucket.

The Brooks had lost one milk cow as a result of the tornado, and all of their seed was destroyed. So they had to purchase new seed for the crop that they lost Saturday.

Early Sunday morning, not to be outdone, Brooks began to recover the roof in an effort to stop any further damage. His wife, his sisters, and his brother-in-law, Mack Johnson, all started once again to finish the job that they had begun.

And on the other hand it hasn't all been bad; the Brooks' son Deryl Ler was married to Miss JaNa Sparks on Friday, June 7, and another son, Kent, will receive his wings as a Naval Flier at Corpus Christi in a few weeks.

"We are all thankful to be alive," was the general agreement of the entire family. "Everyone has been wonderful."

So once again the rugged determination and pioneer spirit that brought the Brooks family to Lamb County in 1930, was evident.

The optimist sees things as they should be - not as they are.

## Views From Pleasant Valley

Mr. and Mrs. John Inman and daughters took their eldest daughter, Pat, to Waco last Sunday for her to start her summer term of college. The Inmans returned home on Tuesday.

Mr. and Mrs. Roy Luckelber and son of Crest, Texas spent last Sunday in the Roy Shoemaker home.

Mr. and Mrs. Deryl Lamunyon and small son, and Mrs. E. E. Lamunyon from Laverne, Oklahoma, spent the weekend in the Leroy Hicks home. The D. Lamunyons returned home Sunday but Mrs. E. E. Lamunyon remained to spend the summer in the Hicks home.

Mr. and Mrs. W. D. Lacky and son are in Oklahoma following the harvest.

Mr. and Mrs. John St. Clair and Juanita spent last week-end in Dallas visiting their son and family, the Johnny St. Clairs.

Mrs. Roy Shoemaker and Alma spent two days last week in Lorenzo, Tex. visiting relatives.

Mr. and Mrs. Doyle Turner and family and Mrs. Alice Evans attended the birthday dinner of Mr. J. C. Turner at New Deal Sunday.

Visiting in the home of Mr. and Mrs. C. W. Calhoun and family this week is her mother from Midland, Texas.

The community extends congratulations to Mr. and Mrs. Bob Haney of Littlefield on the recent birth of a daughter.

Mr. and Mrs. Leroy Hicks were in Amherst Monday morning.

Everyone in the Lamb County Farm Bureau is urged to attend the Farm Bureau Fun night at the P.V. Community Center Tuesday night, June 18. Each family is asked to bring a covered dish.

Jack Calhoun took a load of hay to Midland last Wednesday and returned home on Thursday.

Mrs. E. A. Seaton from the Lazbuddie community was visiting her daughters, Mrs. Forrest Greene Saturday.

Business is like oil, it won't mix with anything but business.

## P. Peterman To Be Superintendent Of Cattle Division At South Plains Fair

Lamb County man has been appointed superintendent of the Panhandle South Plains Fair to be held Sept. 23-27 at Lubbock. Fair President Geo. announced this

Peterman, farmer and veterinarian, will be in charge of the Cattle department of the livestock show. Peterman has served as vice president of the Texas Milking Machine Breeders Ass'n., president of the American Milking Machine Society and agricultural committee member of the Chamber of Commerce. He was president of the County Fair for four years and has served on the board of directors of the Plains Fair show the past 16

years. Peterman's ability to take charge of the Purpose Cattle department of the fair, Monday, will feature a band contest which will award \$500 to area high bands. Monday is also free day, expected to draw 25,000 visitors from all over the Plains, Geo. said.

Entertainment at the fair will include evening performances, a new version of the show, and a year packed Fair Park during the 39th annual attractions will include South Plains Twirling Festival, daily aerial shows featuring helicopter-troop act, and the midway, hundreds of national exhibits in all five divisions and rides of the Bill Hames Car. Geo. added.

Peterman, zone chairman of International during 1951-52, has been a resident of Lamb

### WTSC Sets Music Camp August 4-16

Area music students planning to attend West Texas State College's 55th annual Music Camp will be held before June 15. Tuition for the music festival, scheduled August 4-16 on the West Texas campus, normally is \$20 but students who enroll before June 15 can do so for \$15, according to camp director M. J. Newman. All correspondence should be mailed to Box 426, WT Station, Canyon. Students must enclose a \$10 enrollment deposit and pay remaining costs of registration day.

In the past four camps, enrollment has been at capacity and a number of late arrivals have had to be rejected. Size of the camp is determined by the number of dormitory rooms available. Despite the constant increase in dormitory facilities, it has failed to keep up with the demand for accommodations.

Visiting instructors at this year's camp will include Harold Bachman, director of bands at University of Florida; Jack Lee, director of bands at University of Arizona; Miss Sonia Rogers, Western Michigan College and a former national twirling champion; L. N. "Cy" Perkins, professor of music and choral director at Oklahoma A & M; Dr. Joe Hadden, director of bands at Midland High School, and Miss Ann Dorris, Dumas High School and former chief majorette at West Texas State.

West Texas State's men staff of Dr. Houston Belski, W. O. Larson, David Kaplan and Newman also will instruct.

Peterman has been a resident of Lamb County for 50 years. He and his wife Emily live on Sunshine Ranch. Their son Joe is a student at West Texas State College.

## Farmers Reminded Of Wheat Referendum Date

Lamb County farmers are reminded this week of the 1958 wheat referendum on Thursday, June 20. Any person who will have an interest in more than 15 acres of wheat next year will be eligible to vote, says Lamar D. Aten, county ASC manager.

Questions which farmers will be voting on are whether or not there will be price support on the 1958 wheat crop. If quotas are approved county wheat

growers who comply with their allotments will be eligible for price support at \$1.78 per bushel on their entire production. If quotas are not approved, the allotment will remain in effect and wheat producers who comply with their allotment will be eligible for price support at approximately \$1.18 per bushel. In this event, non-complying farmers would have no price support whatsoever.

According to Aten of the Texas Agricultural Stabilization and Conservation Committee, the recent proclamation of marketing quotas for the 1958 crop of wheat conforms with legislative directives. Under the governing legislation, the Secretary of Agriculture must proclaim marketing quotas for the next wheat crop when the available supply is 20 per cent above the normal supply. The estimated supply of 1,825 million bushels available for the 1957-58 marketing year is actually 56 per cent above the normal supply of 1,170 million bushels. The normal supply is based on estimated domestic consumption and exports plus a 20 per cent carryover.

The quotas do not become effective, points out the chairman, unless at least two-thirds of the producers in the nation voting in the referendum favor the quotas. The outcome of the referendum will decide the level of the available price support for the 1958 crop, as well as whether quotas and penalties on "excess" wheat are used for the crop.

All wheat growers are eligible to vote in the June 20 referendum who will share in the 1958 wheat crop from a farm in the commercial wheat area on which the wheat acreage to be harvested, plus any acreage to be placed in the Soil Bank's wheat, Acreage Reserve will be more than 15 acres.

Polls will be open from 7 a.m. to 8 p.m. Aten urges all eligible wheat growers to vote and suggests if they have questions regarding wheat marketing quotas, that they get in touch with their local county ASC office.

### Will Texas Plains Run Short Of Water ? ?

"Will Texas Plains Run Short of Water?" This question is asked by Editor Eugene Butler in the July issue of The Progressive Farmer magazine.

In some parts of the High Plains there has been a serious drop in water level. Sam Reid, breeder of Northern Star cotton at O'Brien, says he was forced to lower his irrigation pump 20 feet two years ago. Recently, he lowered it another 20 feet and it is now down to 140 feet.

In addition to looking at the decline in water level, the underground water supply is being studied by the High Plains Water

Conservation District. It is the thickness of the waterbearing strata in relation to the drop in the water level that counts. For example, the loss in the water level around Plainview is greater than in Lubbock County. But Plainview has a thicker water-bearing stratum. It has lowered its water level more than Lubbock, but it still has more underground water in storage.

Any way you look at it, the Plains is using up its underground water faster than it is being recharged. The best it can do to use what it has to best advantage and be certain not to waste any.

### Littlefield Marine Squad Issues Training Challenge

Eight boys who volunteered for the United States Marines from Littlefield and one from Olton enlisted in the U. S. Marine Corps as the Littlefield Squad at the area recruiting headquarters in Albuquerque last week.

As soon as they were enlisted they issued a challenge to any young men from Lubbock and the surrounding counties to enlist in the Marines and form squads to compete against them during recruit training to see which city can produce the better Marines, according to S-Sgt. Lester Schimmel, of the Lubbock Marine recruiting office.

The nine who issued the challenge are Bennett D. (Tater) Williams, son of Mr. and Mrs. Robert D. Williams; Larry D. Weaver, son of Mr. and Mrs. Cecil D. Weaver; Robert Don Porcher, son of Ben E. Porcher; Lawrence Macha, son of Mr. and Mrs. Joe Macha; Alvin W. Holmes, son of Mr. and Mrs. Y. C. Holmes; Jimmy W. Duke, son of Mr. and Mrs.

James R. Duke; Philip P. Adkins, son of Mr. and Mrs. John Holder; Regional L. Graham Jr., son of Mr. and Mrs. R. L. Graham, Sr.; all of Littlefield and Daniel Lee Wallace, son of Jessie W. Wallace, Olton.

Groups similar to the Littlefield Squad may band together to challenge them provided they are listed by July 5, Sgt. Schimmel said.

Under arrangements made with the Marine Recruit Depot, the training accomplishments of the Littlefield Squad and any challenging group will be carefully charted and recorded by officials during the training period.

Primary emphasis will be placed on rifle marksmanship, obstacle course speed records, physical conditioning program, individual conduct, neatness, and scholastic marks in military subjects.

Each group will remain together during the training period and the winning group will receive appropriate rewards.

## Take Your Polio Shots

Adults are reminded that the season is at hand and that all those under forty should take advantage of polio inoculations which are now available in most parts of the country.

Authorities say that two shots will provide relative immunity against polio and there is still time for many adults to take the two shots. Several weeks must elapse after the first shot before taking the second, but adults can still get in both the shots before the peak of the polio season arrives.

While there was much controversy about polio serum when it was first introduced, it seems to be generally agreed now that the wise thing to do is to be immunized. No flurry of adverse reactions has occurred in some time, and the serum has been generally accepted and is in wide-spread use. Therefore, we suggest to those under forty that they seriously consider taking the first two polio shots in the very near future.

## Father's Day, 1957

Every dog must have his day, so Father's Day comes around once a year and the family gives the devil his due. Seriously, it is good to remember the Old Man once a year, if not more often, and express a little appreciation in any way possible for the man who is the breadwinner in the family, or should be.

A few thought might be in order along this line. The man of the house, in most cases, is the fellow who must finally meet the bills at the end of the month and who must see that his family is fed, housed, clothed and that the tax-collector does not put him in jail. Even so, of the tax-collector puts someone in jail, it is usually Papa, and so—in general—Papa has the blade hanging over his head.

It might be well for wives and children to refrain from discussing the subject of money on Father's Day, since he probably hears that on most of the other days of the week. If this advice is followed, no doubt Father will have a better day this June 16th than on some other days of the year.

It does not matter too much to Dad whether expensive gifts are lavished upon him, since he probably footing the bill, anyhow. Therefore, the best way to observe Father's Day is not through super-commercialization but by the little things—expressions of appreciation and other tokens of esteem, which are the important things in life, in the long run.

In our opinion, the fathers of the United States, as a class, are probably the most deserving in the world. Certainly, they give their families more freedom, a finer standard of living—although the family can always point to another family who is doing a little better—and the security and guidance every family needs.

In general, then, give Pop a pat on the back on Father's Day this year, even if you have to insert the blade on Monday, the 17th. And, even better, use a small blade on the 17th.

## How To Help Your Heart

If you are one of some 5,000,000 Americans who are plagued with high blood pressure, the American Heart Association can tell you how to lessen your chances of heart attacks.

The first thing is to see your doctor regularly and take his advice. The second thing is not to worry, which, if the patient could have done in the first place, he would probably not have the high blood pressure.

Then the Heart Association suggests you take several naps a day, and rest before you become tired. You are supposed to stay out of competitive sports, and watch your weight and keep it normal.

While we think this a good advice, if we could do all of these things, we believe we would wind up in the poor house. However, if we took all this rest, did not get excited and took regular exercises, we could not keep up with business demands. Perhaps this would be better in the long run, and perhaps most people can follow the advice of the American Heart Association.

Unfortunately, however, there are many of us who cannot take a little doze several times a day, avoid all worry and emotional strain, rest before we become tired, and stay out of competitive sports. Some of us will have to run the risk.

Most advice to the contrary, the man who puts off doing things very often finds that he does not have to do them.

Somehow or other, we seem to be unable to make definite contact with all this surplus money we read so much about!

Now that practically every minority in the country has an organization, it might be good idea for the majority to organize.

The freedom of the press is not worth anything unless the journalists of the nation have the courage to exercise it.

There is nothing to be gained by anticipating evils that may not occur; let's wait until we have to meet them face to face.

## Highlights and Sidelights From Your State Capitol

By VERN SANFORD Texas Press Association

AUSTIN, Tex. — Though still four months off, Gov. Daniel's plan for a special legislative session in the fall is already generating lively discussion around the Capitol.

There is sentiment both for and against.

A "memorandum" was reportedly circulated asking persons to write the governor and ask him not to call the special session. It predicted the bills the governor wants would fare no better than those before. A long-time House member was believed to be the author of the memorandum.

But if the session is held, Rep. Tom Kiorioth of Sherman says he hopes the governor will submit small loan legislation as an emergency measure. Kiorioth's "loan sharks" control bill died in committee last session.

NEW "STATES" FORMED — While Texas lawmakers take a break some probable leaders of the future are trying their hands at government in Austin.

They are nearly 1,000 high school students from over Texas who came to the Capital City for Boys State and Girls State. Texas Department of the American Legion and the Legion Auxiliary sponsor the "states" annually as citizenship laboratories for outstanding youngsters.

Participants hear talks by top officials from the governor down, then form political parties, nominate candidates and elect officials of their own.

Aim is to give the students a first-hand understanding of politics and government.

ROAD BUILDING SPEED-UP — is moving swiftly to take advantage of new laws designed to speed up highway construction.

A meeting of the Commission and key personnel was to be held in Houston this week. Objective: to hasten the way when heavy traffic can move safely and smoothly along multi-laned super-highways with no crossroads.

Principal legislative changes are (1) provision for the state to go 50-50 with cities and counties on land buying costs and (2) new authority for the state to obtain land for and have control of super-roads through cities.

Goal for 1970, according to Highway Engineer D. C. Greer, is 500 miles of expressways linking Texas' population centers.

First of the new laws means car and truck owners will pay 10 per cent more for their next license plates. Second means state will set speed limits on state highways through towns — no

local speed traps. But one "speed-up" law failed. Legislature decided against raising present 60-mile-per-hour limit, no matter how good the road.

TOUGHER FOR TEENS — Law enforcement officers will, in effect, have a new hickory stick for teenage troublemakers after Aug. 22.

New laws go into effect then provide: 1. Youngsters 14 and over can be fined \$100 for speeding, DWI or driving without a license.

2. Parents will be liable up to \$300 for property damage by minor children.

3. Drivers licenses for young, teen under 16 will be harder to get. Department of Public Safety, rather than local county judge, will have say-so.

4. A special "license" will be needed for driving motor bikes and scooters.

Taking a more optimistic view of the same subject were the more than 100 expert, educators and parents in Austin for the Texas PTA's youth development workshop.

Today's youth seems to be "sailing along," they opined, but suggested more interest by fathers might help.

AT LEAST IT'S WET — More and more rain and less and less crops in the farm report from many parts of the state.

Besides flood damage, losses are expected to mount from wind, hail, rust and insects. A continued heavy rains have washed out more fields, delayed much needed work in others.

Any more rain will mean complete loss of North Texas grain crops, according to observers. U. S. Dept. of Agriculture reported weather too wet and cool for cotton in all areas but South Texas.

Even so, the stored-up moisture makes farmers generally hopeful. With some clear weather now, some say they might yet get the best crops in years.

For ranchers outlook is even better. Hill Country Hereford Association reported record-breaking sales as grass grows higher, cattle fatter.

BUILDING BOGS DOWN — Continuous rain has brought construction to a "virtual standstill" in many parts of Texas this year.

Building authorizations for the first four months of '57 were one per cent higher than last year, reports the Bureau of Business Research. But actual construction was 4 per cent less due to the weather.

Increase in the authorization totals was attributed to higher

## Cancer Takes Life Of Former City Policeman

Funeral services were held Thursday in Berkeley, California for C. G. (Kid) Richards. Richards was reared in Littlefield and Spade. He and Miss Zelma June Rice, daughter of Mr. and Mrs. C. M. Rice, were married in 1940.

Richards served two and one half years in the Army and spent one year overseas. After his discharge he came to Littlefield and served three years on the police force under the direction of the late J. L. Walraven.

Richards was unaware of the lung cancer, which took his life, until two months ago. He was taken to the Veteran's Hospital in Oakland, California where he died on June 3.

He was buried with full military honors in Berkeley. He was a member of the Army Reserve, the VFW, and the American Legion.

Survivors besides his wife are three children, Gordon, Earl and Carolyn of the home, and one brother, Kenneth, of Campbell, California. Mr. and Mrs. C. M. Rice had just returned from California at the time of Richards' death, so they did not go back for funeral services.

## Sandhills Philosopher Talks To 'Uneconomic' Farmers

Editor's note: The Sandhills Philosopher on his Johnson grass farm discusses inefficiency this week, a matter he may be an undisputed authority on.

I read a copy of a magazine in a barber shop the other day, you may be wondering what I was doing in a barber shop but it's no odder than some people I know visiting a bank, which set out to solve the farm problem.

According to it, the trouble with the farm situation is there are too many "uneconomic" farmers, by which it means farmers trying to make a living on too little land, or land that's too sorry, or because the farmers don't have enough initiative to farm anyway and if they have they don't have enough efficiency.

Therefore, the magazine concluded, these "uneconomic" farmers ought to move to a city and get a job there. The efficient farmers could take over, and the farm problem would end.

Aside from the fact I know some pretty efficient farmers and ranchers who've been having a little trouble the past few years, if borrowing money is any sign, the thing about this proposal that interests me is the idea of solving a problem by moving to the city, where they've already got more problems than they can handle. The last time I was in a city it seemed to me there was already more folks on hand than the city could handle, and a lot of folks there were wishing they had more room. I understand also there are quite a few "uneconomic" people in town already, at least they don't seem to be able to make ends meet.

The thing to do is to have the uneconomic people in the coun-

try move to town and the nomic people in town move country.

While this might not solve farm problem, or the city problem, think how many benefit the moving van boys.

I'll tell you, if you're going to set up the rule that when you can't quite make ends meet you ought to move some place you're going to wind up in the biggest traffic jam in the history of the universe. Uneconomic farmers trying to move to town won't be able to get there. Economic town people try to get to the country. A good part of the population would live in trailer houses, so we all set to move on every the first of the month bills in.

Nope, this big magazine have to try again. It solved the farm problem by ought to keep trying, and hope is that in the interest entertainment nobody lets on the secret there is no end to it.

Yours faithfully, J. A.

# A CHURCH GOING FAMILY IS A HAPPIER FAMILY

## PERFECTION

Once in a while nature produces a perfect example of fruit, like the apple in this picture. Since time began, however, no earthly human has been anything but imperfect. Every person has his shortcomings and knows, within himself that he is not what he ought to be or could have been. This consciousness of failure leads to guilt and anxiety, even to fear. There is a cure for this problem of humanity and the cure is proclaimed by the Church. It is very simple, accept yourself for what you are and accept God for what He is. Do this and you shall live. Go to Church this week and hear the message which alone will give you renewal and forgiveness.

Is something wrong with your life— an inner restless dissatisfaction? The answer to every human problem comes only from God our Maker. He alone can forgive and restore. Through the church God has committed the provision and proclaiming love. Without a church relation no one is securely related to God. Everyone should be in the Church and the Church in everyone!

**ELECTION ORDER**  
THE STATE OF TEXAS  
CITY OF LITTLEFIELD  
COUNTY OF LAMB

ON THIS the 27th day of May, 1957, the City Commission of the City of Littlefield, Texas, convened in special session, at the regular meeting place thereof in the City Hall, there being present and in attendance the following members:

E. J. FOUST, MAYOR  
C. O. GRIFFIN and  
ROBERT T. (BOB) COX, COMMISSIONERS,

and with the following members absent: none, constituting a quorum; at which time the following, among other business was transacted, to-wit:

It was moved by Commissioner Robert T. (Bob) Cox and seconded by Commissioner C. O. Griffin that there be submitted to the qualified voters of the City of Littlefield, Texas, who are property taxpayers herein, and who have duly rendered their property for taxation, the proposition to determine whether or not the City Commission of said City shall be authorized to sell to the highest bidder in the time and manner and on the terms provided for by law the Airfield of the City of Littlefield, Texas, known as "Duggan Field" lying and being situated in Lamb County, Texas, known and described as follows to-wit:

A portion of Labor 9, League 673, State Capitol Lands, Abner Taylor, Original Grantee, in Lamb County, Texas, described by metes and bounds as follows, to-wit:

BEGINNING at the Northwest corner of Labor 9, League 673;

THENCE South 0° 31' West with the West line of said Labor a distance of 1850 feet to a point for the Southwest corner of this tract;

THENCE South 89° 30' East and parallel to the North line of said Labor a distance of 250 feet to a point for the Southeast corner of this tract;

THENCE in a northerly direction at an angle of 73° 25' with the last described course a distance of 1930 feet to a point in the North line of said Labor;

THENCE North 89° 30' West along the North line of said Labor a distance of 800 feet to the PLACE OF BEGINNING, containing 22.30 acres more-or-less; save and except, however, all the oil, gas and other minerals, in, on, under and that may be produced from said land above described heretofore reserved by Alice Duggan Gracy and Arthur P. Duggan, Jr., in deed dated December 19, 1950, and recorded in Volume 140, Page 74 of the Deed Records of Lamb County, Texas, and Labor No. 2, Capitol League No. 673, Abstract No. 348, Original Grantee, Abner Taylor, less however and save and except that portion of said property conveyed for road purposes and subject to any easements and public utilities and save and except 1/2 of all the minerals and mineral rights which were reserved by Alice Duggan Gracy and Arthur P. Duggan, Jr., in deed dated May 24, 1944, recorded in Volume 100, Page 306, of the Deed Records of Lamb County, Texas, and save and except 21.2 acres of said Labor 2, Capitol League No. 673, heretofore sold and conveyed to Arthur P. Duggan, Jr. and Alice Duggan Gracy by deed recorded in Volume 164, Page 171 of the Deed Records of Lamb County, Texas, described by metes and bounds as follows:

BEGINNING at the Southeast corner of Labor 2, League 673 for the Southeast corner of this tract;

THENCE North 89° 30' West with the South line of said labor a distance of 1977.7 feet to a point for corner;

THENCE in a Northeasterly direction at an angle of 73° 25' with the last described course of 510 feet for a point for corner;

THENCE South 89° 30' East and parallel to the South line of said Labor a distance of 1835.7 feet to a point in the East line of said Labor;

THENCE South 0° 31' West with the East line of said labor 2, a distance of 490 feet to the PLACE OF BEGINNING, and containing 21.2 acres more-or-less;

The above motion carried by the following vote:

Mayor Foust and Commissioners Griffin and Cox voting "AYE"; and none voting "NO".

Thereupon, Commissioner Robert T. (Bob) Cox introduced an order calling on electors in the purpose of submitting the proposition to a vote of the qualified property taxpaying voters of said City, and moved the passage and adoption of such order. The motion was seconded by Commissioner C. O. Griffin.

The motion carrying with it the passage and adoption of the election order, prevailed by the following vote:

Mayor Foust and Commissioners Griffin and Cox voting "AYE"; and none voting "NO".

The ELECTION ORDER is as follows:

WHEREAS, the City Commission of the City of Littlefield, Texas, deems it advisable to offer for sale the City of Littlefield Airfield, known as "Duggan Field", and that the proceeds from the sale of said airfield should be reinvested in a new site or location for a new Airfield for the City of Littlefield, Texas, and that said question of the advisability of selling the present City of Littlefield Airfield, as above described, known as "Duggan Field", should be submitted to a vote of the qualified property taxpaying voters of said City, therefore

BE IT ORDERED BY THE CITY COMMISSION OF THE CITY OF LITTLEFIELD, TEXAS:

I.

That an election be held on the 22nd day of June, 1957, which date is not less than fifteen (15) nor more than thirty (30) days from the date of the adoption of this order, at which election the following proposition shall be submitted to the qualified electors who own taxable property in said City, and who have duly rendered the same for taxation:

PROPOSITION

"SHALL the City Commission of the City of Littlefield, Texas, be authorized to sell to the highest bidder in the time and manner and on the terms provided for by law the Airfield of the City of Littlefield, Texas, known as "Duggan Field" lying and being situated in Lamb County, Texas, known and described as follows, to-wit:

A portion of Labor 9, League 673, State Capitol Lands, Abner Taylor, Original Grantee, in Lamb County, Texas, described by metes and bounds as follows, to-wit:

BEGINNING at the Northwest corner of Labor 9, League 673;

THENCE South 89° 30' East parallel to the South line of said Labor a distance of 250 feet to a point for the Southeast corner of this tract;

THENCE in a northerly direction at an angle of 73° 25' with the last described course a distance of 1930 feet to a point in the North line of said Labor;

THENCE North 89° 30' West along the North line of said Labor a distance of 800 feet to the PLACE OF BEGINNING, containing 22.30 acres more-or-less; save and except, however, all the oil, gas and other minerals, in, on, under and that may be produced from said land above described heretofore reserved by Alice Duggan Gracy and Arthur P. Duggan, Jr., in deed dated December 19, 1950, and recorded in Volume 140, Page 74 of the Deed Records of Lamb County, Texas, and Labor No. 2, Capitol League No. 673, Abstract No. 348, Original Grantee, Abner Taylor, less however and save and except that portion of said property conveyed for road purposes and subject to any easements and public utilities and save and except 1/2 of all the minerals and mineral rights which were reserved by Alice Duggan Gracy and Arthur P. Duggan, Jr., in deed dated May 24, 1944, recorded in Volume 100, Page 306, of the Deed Records of Lamb County, Texas, and save and except 21.2 acres of said Labor 2, Capitol League No. 673, heretofore sold and conveyed to Arthur P. Duggan, Jr. and Alice Duggan Gracy by deed recorded in Volume 164, Page 171 of the Deed Records of Lamb County, Texas, described by metes and bounds as follows:

BEGINNING at the Southeast corner of Labor 2, League 673 for the Southeast corner of this tract;

THENCE North 89° 30' West with the South line of said labor a distance of 1977.7 feet to a point for corner;

THENCE in a Northeasterly direction at an angle of 73° 25' with the last described course of 510 feet for a point for corner;

THENCE South 89° 30' East and parallel to the South line of said Labor a distance of 1835.7 feet to a point in the East line of said Labor;

THENCE South 0° 31' West with the East line of said labor 2, a distance of 490 feet to the PLACE OF BEGINNING and containing 21.2 acres more-or-less;

II.

In the event said sale of said Airfield is authorized by a majority of the qualified electors of said City, voting in said election then in which event said Airfield as above described shall be sold after due notice and advertising of such sale, to the highest bidder in the time and manner and on the terms provided by law.

III.

That said election shall be held at the City Hall in the City of Littlefield, Texas, and the entire city shall constitute one election precinct.

IV.

That the following named persons are hereby appointed officers of the election, to-wit:

Arthur Jones, Presiding Judge,  
H. O. Bigham, Judge  
Iris Mae Smith, Clerk, and  
Opal Pierce, Clerk.

V.

That said election shall be held under the provisions of and in accordance with the laws governing the issuance of municipal bonds in Cities, as provided in the General Laws of the State of Texas, and only qualified electors, who own taxable property in the City and who have duly rendered the same for taxation, shall be qualified to vote.

VI.

That the ballots of said election shall have written or printed thereon the following:

"For authorizing the City Commission of the City of Littlefield, Texas, to sell the City of Littlefield Airfield known as "Duggan Field" being located on parts of Labors No. 2 & 9, Capitol League 673, Abner Taylor, Original Grantee lying and being situated in Lamb County, Texas, as described by metes and bounds in the election order calling this election and as submitted in the proposition in said Election Order and in the time and manner and on the terms provided by law."

"Against authorizing the City Commission of the City of Littlefield, Texas, to sell the City of Littlefield Airfield known as "Duggan Field" being located on parts of Labors No. 2 & 9, Capitol League 673, Abner Taylor, Original Grantee lying and being situated in Lamb County, Texas, as described by metes and bounds in the Election Order calling this election and as submitted in the proposition in said Election Order and in the time and manner and on the terms provided by law."

As to the above proposition, each voter shall check in the box to the left of one of the above expressions as indicating his or her vote on the proposition of mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his or her vote on the above proposition all as provided by the laws of the State of Texas, for marking ballots at such elections.

VII.

That a copy of this order, signed by the Mayor of the City of Littlefield, Texas, and attested by the City Secretary or Acting City Secretary, shall serve as proper notice of said election.

VIII.

That notice of said election shall be given by posting and publication of a copy of this order, at the top of which shall appear the words "NOTICE OF ELECTION TO AUTHORIZE THE SALE OF CITY OF LITTLEFIELD AIRFIELD, KNOWN AS "DUGGAN FIELD". Said notice shall be posted at the City Hall and at two other public places in said City, not less than fourteen (14) days prior to the date on which said election is to be held, and be published on the same day in each of two successive weeks in Lamb County Leader, a newspaper of general circulation, published in the City of Littlefield, Texas, the first of said publications to be not less than fourteen (14) days prior to the date set for said election.

PASSED AND APPROVED, this 27th day of May, 1957.

ATTEST:

## Increase of Farm Income and Expansion Of Cotton Market Bill Is Introduced

LUBBOCK, Texas, June 8 — Four bills pertaining to increased farm income and expanded markets for cotton have been introduced recently in Congress. Of primary interest to South Plains cotton producers is the bill introduced by Cong. Paul C. Jones (D. Mo.).

It is the bill that the Plains Cotton Growers, Inc., was instrumental in developing at meetings held last month in Memphis with other groups of the American Cotton Producers Association.

Cong. Thomas Abernathy, (D. Miss.) co-authored the bill in the House and Sen. Stuart Symington, (D. Mo.) is to introduce the bill in the Senate.

Hearings on the bill are to begin June 14 in the House. Geo. W. Pfeiffenberger, Lubbock, Executive Vice-President; William Smith, New Home, Vice-President; and W. L. Edelman, Friona, member, will represent the Plains Cotton Growers at these hearings.

The PCG backed bill calls for five main points:

1. Establishment of National marketing quota of not less than estimated consumption, plus exports.

2. A "domestic percentage" shall be determined by dividing the domestic consumption and exports into the domestic consumption. This percentage shall be applied to each farm to obtain the domestic allotment.

3. Level of price support at 95 percent of average world price as estimated by Secretary of Agriculture.

4. Equalization payments on domestic portion of crop to be made by the first buyer (who would be reimbursed by CCC) in amount equal to difference between average spot market price or support level, which ever is higher, and 90 percent of parity, but, if funds are not available for carrying out this provision, price support would be set in accordance with present variable formula.

5. Producer would be eligible for participation in the Soil Bank only if he reduced acreage below 1957 allotment.

Pfeiffenberger, in explaining the bill, said that it is the general consensus that the national marketing quota would be estimated approximately 9 million bales do-

estic and 5 million bales export.

In point No. 2 the domestic percentage is figured by assuming the domestic estimate to be 9 million bales and the export to be 5 million, total 14 million, the domestic percentage would then be 9-14. Each farmer's allotment would be divided into the domestic allotment of 9-14 of his total and the export allotment would be the remainder. For example if a farm had 140 acres total allotment, there would be 90 acres for domestic and 50 acres for export, he explained.

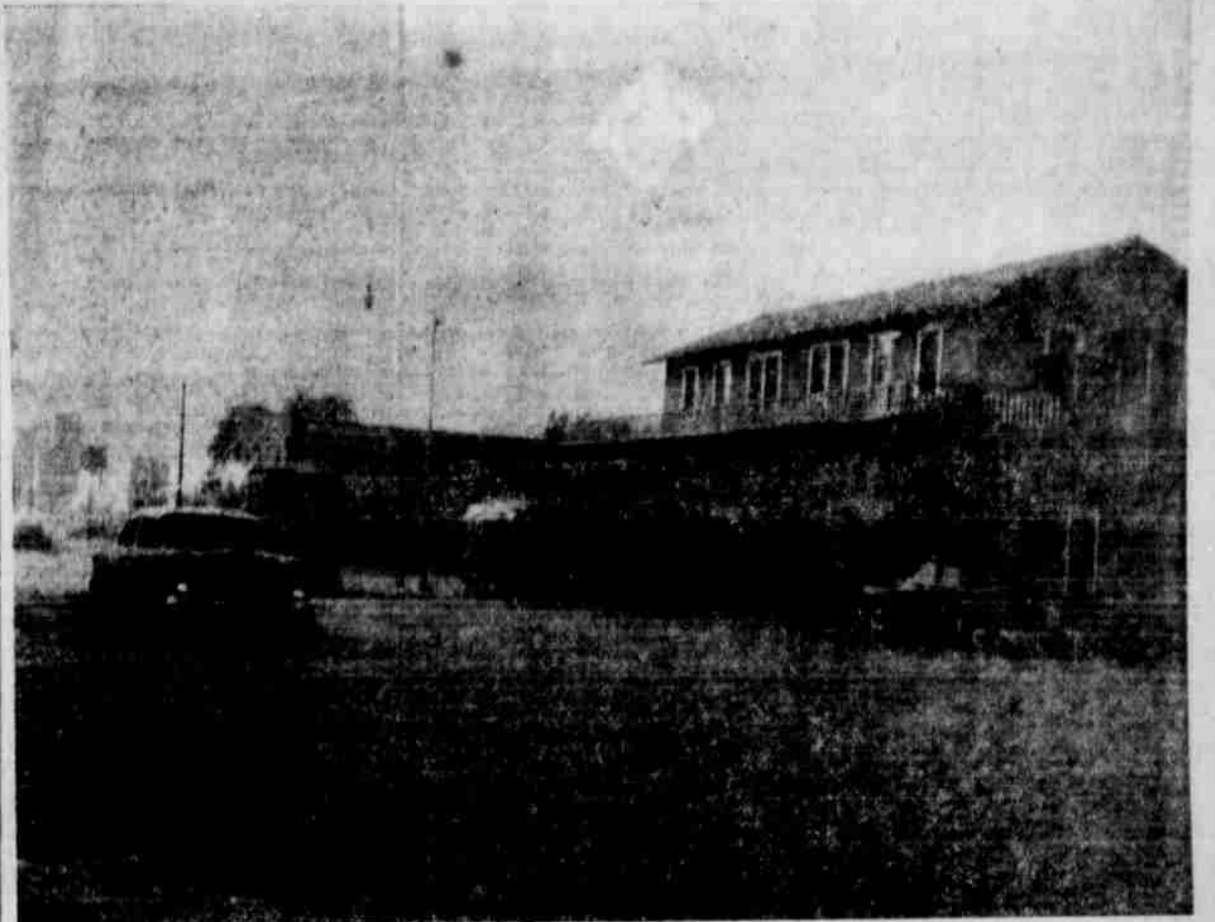

Point No. 3 mentions the level of price support. This would be 5 percent below the world estimated price which is believed to be about 27 or 27 1/2 per pound. This would make the loan at about 26 cents. It is believed this loan will help hold up the world price and also put a floor under the cost of the government," Pfeiffenberger said.

Point No. 4 concerning equalization payments was explained: "In the original bill it was proposed that the government make direct subsidy payments to the farmer.

This was not satisfactory to all groups working on the bill and it was decided that in order to avoid the subsidy payments would be made to the buyer, who will in limitations as much as possible turn make them to the farmer or producer."

Pfeiffenberger said the PCG does not agree with the wording of the bill that adjustments in the subsidy itself are necessary for various quantities and locations, because this would be taken care of by the differences in the market price. He added representatives will oppose this item in preliminary meetings in Washington.

The last point of the bill concerning the Soil Bank was included to take care of commitments of the government on the Soil Bank. It means that anyone participating in increase of acreage would not be permitted to enter the Soil Bank. On the other hand if he so elected farmers could go into the Soil Bank but would not participate in additional acreage through this plan, Pfeiffenberger concluded.

In one hour Saturday afternoon between 3:45 and 4:45 more than one and one-half inches of rain fell in Littlefield. Heaviest fall occurred on Highway 84. The deepest water was where Highways 84 and 51 join. A number of cars were stopped and stalled along 84.

### McMurray To Begin Band Clinic In July

The annual summer band and twirling school of McMurry College, one of the largest band clinics for teenagers in the southwest, will be held on the McMurry campus July 14-27.

McMurry's ninth annual summer band and baton clinic is expected to top last year's record enrollment of 404 students, according to Raymond T. Bynum, general director.

Bynum, professor of music and director of the McMurry Indian Band, said that 261 boys and girls from 32 Texas towns and cities had pre-registered for the band and twirling school through June 7.

Participants will be housed in McMurry dormitories and will take their meals in the McMurry dining hall. Total cost of \$50 for boarding students; \$20 for students living off the campus.

Students will receive instruction in music theory; solo playing, choral music, actual practice with training and concert bands, baton twirling, precision ensemble twirling and marching, and drum ma-

Furr's Super Markets were participants in the 1957 Checker of the Year campaign which has won for Super Market Institute an award for "outstanding achievement in public relations." Roy Furr, president of Furr's Inc., announced today.

The award was made by the American Public Relations Association. The Checker of the Year competition, which drew more than 15,000,000 consumer votes, was designed to honor the women who work in super markets for their contribution to greater shopping efficiency and better service.

Mrs. Pauline Forsyth, was the winning checkout stand employee in the Furr's contest. She lives at Hobbs, New Mexico and is employed in the Furr's Super Market.

Alone of all American Industry,

joring.

Two public concerts, faculty and student recitals, and numerous social and recreational activities are on the band school program.

Bynum said that anyone desiring a registration blank or other information on eligibility, instruction or cost is requested to contact him at the McMurry College Band Hall, Abilene, Texas.

As a man grows older and wiser he talks less and says more.

## Tips Given On Bindweed Control in Cotton CROP

College Station, June—Bindweed can put cotton farmers in a real bind. This rapidly-spreading menace will completely dominate infested field sites with a deep-rooted persistence unless properly treated.

Before you declare war on bindweed, knowledge of a few basic facts are essential. It has arrow-shaped leaves and small, white bell-shaped flowers, making it relatively easy to identify. Sometimes called the "most feared weed in Texas," it is rather common in wheat growing regions. However, it is widely scattered in many other areas.

Fred Elliott, Extension Cotton Specialist, says small spots of bindweed can be controlled in cotton with "Kuron" and kerosene. START IMMEDIATELY, the specialist urges, destroy the crop in bindweed spots if necessary. On 1-4-acre or less spots, apply

1 1/2 to 3 gallons "Kuron" in 100 gallons kerosene to base and crown of bindweed or close to cotton.

Spray below 8 inches pressure, using a 5 pound square-inch pressure of spray surviving plants the day and leave off undisturbed remainder of the season. Any new bindweed at end for two seasons, Elliott says.

The specialist figures 10 percent control from two treatments will cost about \$150 per acre in the spot in season work and \$5 to \$10 in following spring.

Watch for bindweed several years and destroy immediately to prevent re-emergence. Crops many times emerge in treated spots following year.

CAUTION, minor drift near the spot sometimes the first year. Elliott advises a cheaper method for extensive infestations starting with the "Kuron" lure. Your county agent will provide more details.

**OFFICIAL RECORDS**

**BANKRUPTCY**

Bankruptcy came from the Latin "bankus" (a tradesman's shop) and "ruptus" (broken). Under old English law a bankrupt was a trader who hid himself or did other things to defraud creditors. Under the Roman law creditors had cut up the bankrupt's body and each take his due share. Other laws would put the debtor in prison or in chains, allow whipping and hard labor. East Indian laws could sell the debtor and his family into slavery for the Middle Ages a bankrupt was a criminal. Later he got his rights: Though creditors could force him to turn over all his goods, he would escape prison. The basic concepts of our bankruptcy law: (1) Prorate the bankrupt's assets among his creditors, (2) discharge him from most of his debts, and (3) "grubstake" by exempting certain things from the creditor's reach. The English wanted to discourage extravagance, yet they wanted a debtor's misfortune to trap him. So the early bankruptcy laws grudgingly were only for actual tradesmen. Others had to take their medicine. The constitution gives Congress power, first used in 1800, "to establish a Uniform . . . Law on the subject of bankruptcies." After Congress had passed and repealed three laws it passed our present bankruptcy act in 1898. It amended the act in 1938 to provide for liquidation and rehabilitation procedures. The act relieves the debtor through liquidation, or reorganization and rehabilitation. His creditors have always worried about the debtor, but now the law through law has declared the public concern in putting him back on his feet. The Supreme Court has said that the act aims to "relieve the honest debtor from the weight of oppressive indebtedness, and permit him to start afresh, free from the obligations . . . consequent upon business misfortunes." This purpose is ". . . it gives to the honest but unfortunate debtor who surrenders (his property) a new opportunity in life and a new field for future effort . . ." Also the law puts creditors on notice to watch out that their claims do not overextend themselves. (This column, prepared by the State Bar of Texas, is written to inform . . . not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

Scandal is one thing that never goes away from a shop worn by being continually passed around.

for peace of mind . . . Our aim is to always provide funeral services that are beautiful and reverent . . . truly the perfect tribute. Anytime, day or night, our experienced staff is at your call, to help in your hour of need.

**Buddy Hedges New Fieldman For Texas Farm Bureau**

Buddy Hedges, 26, has been employed as field representative for the TFB organization department, according to an announcement by Military Shivers, state organization director. Hedges replaces Joe Ed Sullivan, who resigned several months ago. He assumed his new duties June 1.

Born May 5, 1931, at McLean, Hedges grew up on a farm near Olton. He attended grade school and high school at Olton, where he lettered three years in football and was awarded the Lone Star Farmer degree for his accomplishments in FFA work.

Graduating from high school in 1949, Hedges was employed as high school vocational agriculture teacher at Goree. He moved to Spade to accept a similar position, where he taught one year.

Hedges is married to the former Ann Seymour of Springlake. They have three children, Jane, 5; Mike, 3; and Pat, 18 months. They will make their home in Olton.
