Point Values Are Outlined By ODT

Point values that consumers will pay beginning next Monday morning, March 29, for meats, cheeses, fats and oils, and canned fish under the newest and largest wartime food rationing program were released Wednesday by the Office of Price Administration.

Examination of the "official table of consumer point values," which every seller of the newly rationed foods will be required to display in his store, discloses that meat-fats are relatively more liberal than the rations of processed foods.

The weekly allotment of 16 points per person, represented by red stamps in War Ration Book 2, compares with an average weekly allotment of 12 points per person under the canned goods program. On a "per pound" basis, the point values of individual items under the meat-fats program are sharply lower.

Almost all popular meat cuts have point values of eight points a pound and less. Butter is assigned a value of eight points a pound and a similar value is given to all of the rationed cheeses. All canned

Ten months after Pfc. John B. (Johnnie) Lippard, 21, son of Mr. and Mrs. J. H. Lippard of Littlefield, was reported missing from the line of duty in the Manila Bay area when that station capitulated, his parents were notified Monday evening, through the International American Red Cross, that he was alive and a prisoner of war of the Japanese in the Philippine Island-Manila Bay area.

Lippard enlisted at Dallas on Aug. 10, 1939, in the U. S. Marines for a four year term. He was sent to boot camp, San Diego, and was in training there three months, when he was transferred to Washington, where he spent a short time before being assigned to foreign service. He was believed to have spent all his time in the Philippine Islands.

The letter from U. S. Marine Corps Headquarters, Washington, advising Mr. and Mrs. Lippard that their son was alive and a prisoner of war, dated March 17, was received Monday evening, March 22; and is as follows:

"A partial list of American prisoners of war in the Manila Bay area has just been received from the International Red Cross, containing the name of your son, Private First Class John B. Lippard, U. S. Marine Corps, confirming the fact that he is alive and a prisoner of war.

"The report fails to state the place of internment, but you may communicate with him by mail at the following address:

"Private First Class John B. Lippard, U.S.M.C.
"Serial Number 273486
"Prisoner of War,
"Philippine Islands,
"c/o The Japanese Red Cross
"Tokyo, Japan
"Via: New York, N. Y.

"It is requested that you address further inquiries regarding your son's welfare to the Prisoners of War Information Bureau, Office of the Provost Marshal General, War Department, Washington, D. C."

Needless to say, Mr. and Mrs. Lippard are overjoyed at learning their son is alive, even though a prisoner of war.

Last Rites Held For J. A. Jenkins

Funeral services for Joseph A. Jenkins, 69, of the Spade Community, were conducted at the grave in Littlefield Cemetery Saturday afternoon at 2:30 o'clock, with Porter Turner, local Church of Christ Minister, officiating.

Mr. Jenkins passed away Thursday at the South Plains Cooperative Hospital, Amherst, as the result of a heart ailment. He had been confined in the hospital a few days when death came.

Payne Funeral Home, Amherst, was in charge of burial arrangements.

Mr. Jenkins had been a resident of the Spade Community since 1926, moving there from Fannin County, Ga. He was survived by his wife, and two brothers.

LIEUT. CHARLES R. COOK

Lieut. Charles R. Cook, 24, son of Mr. and Mrs. C. L. Cook of 6 1/2 miles northeast of Littlefield, has been awarded the air medal for bravery in "participating in at least five sorties against the enemy in North Africa."

The War Department announced Wednesday of last week citations for awards of the air medal to nine Air Corps men, including Lieut. Cook.

Mrs. Louise Eubanks, sister of Lieut. Cook, of Carlsbad, N. M., who is announcer over the Carlsbad, N. M., station from 10 to 12 daily, had the privilege Wednesday of last week of broadcasting the news of her brother's award.

Lieut. Cook has been in foreign service over a year. He is believed, while stationed in England, to have taken part in many raids over enemy territory, including Germany, before being transferred to North Africa.

Pvt. Allred Is Graduated, Presented Silver Wings

Private Marshall Allred, son of Mr. and Mrs. J. H. Allred, formerly of this district, but now of Plainview, has recently been graduated and presented with the coveted silver crew member wings of a Bomb Spotter and Aerial Photographer at the Deming Airbase, Deming, N. M.

Pvt. Allred is assigned to the 97th Bombardier Training Squadron. Prior to his entrance into the Army on Nov. 5, 1942, at Long Beach, Calif., Pvt. Allred was employed as a metal chipper.

He left Nov. 5 for Fort McArthur, San Pedro, Calif., where he remained until Nov. 8, when he was sent to Deming Field, N. M. He started to a bomb spotters school the first week of January, 1943, and was graduated from this school March 4, and received the Bomb

Cultural War Board Meets At Amherst Friday

Permits To Be Issued
To Livestock Traders,
Butchers In Afternoon

Meeting of the County Agricultural War Board held at the Agent's office at Amherst Friday morning, several important items were discussed, including labor situation, issuance of permits for new machinery, and plans for the calling of a meeting Friday next at the building, Amherst.

Members of the War Board present at Saturday's meeting, including: E. C. Clayton, V. F. Jones, and Otha Key, C. A. and W. P. Houston.

County wide meeting of all farmers and livestock dealers has called to meet at the school in Amherst Friday afternoon, 6 o'clock to discuss regulations governing permits to slaughter livestock for buy and sell livestock for other purposes.

County USDA War Board has assigned the responsibility of issuing permits to butchers and meat dealers who do their slaughtering, to dealers and those who buy and sell livestock for slaughter purposes, and to farmers who sell any amount of dress beef, beef, or mutton. The above must have a permit to operate after April 1. The farmer who slaughters livestock for home consumption and who sells no part of it is not affected by these regulations.

Plan for registering all persons who butcher or who deal in livestock for the purpose of butchering is in line with the meat rationing program to be started on March 29 and is to help safeguard against the "black market" in meats.

Present Members City Commission Run For Election

The City election, which will be held Tuesday, April 6, the present members of the city commission, including Mayor, and Commissioners Ellis Foust and Beaman Phillips have all filed for re-election.

The school election to be held Friday, April 3, Frank Lehman, Dr. Wm. N. Orr, whose terms have expired, have expressed willingness to serve again, and will be candidates for re-election.

Local Man Commissioned Lieut. Saturday Morning

Emuel E. Blessing, 20, son of Mr. and Mrs. E. M. Blessing, of Littlefield, was commissioned Lieutenant and awarded his wings at the Advanced Flying School, Ellington Field, Texas, Saturday morning.

Lieut. Blessing was born at Wingate, Texas, but lived here practically all his life. He obtained his entire education in the local schools, and was graduated from the Littlefield High School about four years ago. He enlisted in the Air Corps at San Jose, Calif.; took his basic training at Chanute Field, Ill.; also took training at Kelly Field, San Antonio, Corsicans, and Waco, before being transferred to Ellington Field for advanced flying.

His wife, who has been making her home near Ellington Field, also attended the graduation ceremony.

"...and you'll always have tobacco in your old tobacco box!"

WHEN I WAS A KID my father used to sing a song that ended up with this refrain:

"Oh, save up your money and put it in your sox
And you'll always have tobacco in your old tobacco box!"

Well, the words stuck with me, but I guess the moral didn't.

No matter how hard I tried . . . no matter how many resolutions I made . . . I always ended up even. If I made more money, I spent more money. Finally, I resigned myself to it—said myself the idea that I was the kind of fellow who never could save up any money.

But it's all different now!

About 10 months ago, I started buying War Bonds on the Pay Roll Savings Plan. Figured it was the least I could do for Uncle Sam . . . to be kilcking in my 10 per cent every month to help pay for the ways and means of licking the Axis.

That's the only way I thought about it . . . until just recently!

Now, all of a sudden, I've discovered that—for the first time in the history of Yours Truly—I'm saving dough. Every month, rain-or-shine, hell-or-high-water, I'm sticking away a War Bond, a bond that'll bring me back \$4 for every \$3 I put in.

Those Bonds are beginning to mount up now. And I'm going to keep them mounting up. For I've discovered what a swell feeling it is to be saving money . . . saving it on a plan that's regular as clockwork and twice as sure.

About the time those Bonds start coming due, my kid'll be ready for college. So you can guess what I'm going to do with the money.

And maybe I'll sing my father's song to myself . . . only changing it a little:

"Oh, save up your War Bonds and put them in your sox
And you'll always have tobacco in your old tobacco box!"

THE 5 McALISTER KIDS HAVE GREAT FUTURES!

Father's patriotism will mean Better world for them

WITH FIVE CHILDREN, Charles McAlister's salary goes quickly . . . all but 14 percent of it, that is.

For he invests that 14 percent in War Bonds through the Pay Roll Savings Plan. And in his of time he encourages other employees who work in the same textile mill to boost their percentages of War Bond investments.

McAlister shows his love for his country through these efforts—and for his children as well. Just when the youngsters' needs are greatest his Bonds will have reached maturity and will go far toward providing for those needs.

Lucky kids, those McAlisters! Perhaps, like Charles McAlister, you too are fighting on the Bond front. But make it a good fight—make it the best fight you can. Boost your Bond buying through the Pay-Roll Savings Plan right now . . . today!

You've done your bit—now do your best!

31% OF HIS SALARY IS NOT TOO MUCH FOR CURTIS SANDERS!

Says it will help shorten the war and prepare for peace

ANY FATHER HATES to see his children grow up in a world at war. Every father wants to hasten the end of the war and hurry a better day for his children.

Curtis Sanders, a weaver in a textile mill, realized that one way he could help shorten the war was to buy War Bonds. And he certainly is doing that!

To the tune of 31 percent of his income!

If everybody follows Curtis Sanders' example and invests every cent they can in War Bonds, it will do a whale of a lot to help shorten the war and prepare for the peace to come.

Perhaps, like Curtis Sanders, you too are fighting on the Bond front. But make it a good fight—make it the best fight you can. Boost your Bond buying through the Pay-Roll Savings Plan, right now . . . today!

You've done your bit—now do your best!

NEWS OF AMHERST

FUNERAL SERVICES HELD SATURDAY FOR MRS. D. C. OZMENT, 62, AMHERST

Funeral services were conducted at 3 o'clock Saturday afternoon at the First Methodist Church, Amherst, for Mrs. D. C. Ozment, 62, who passed away at an Amherst hospital Wednesday evening, March 17.

Rev. R. H. Campbell, pastor, officiated, assisted by Rev. Harrison, pastor of the First Baptist Church, and Bro. J. A. Bristow, minister of the Church of Christ, Amherst.

Mrs. Ozment suddenly took seriously ill Monday, and was only ill 48 hours when she passed away.

Active pallbearers were: Roy Gilbert, H. H. Thompson, C. A. Pigg, Harry Phelps, A. W. Messamore, and R. W. Hendricks.

Honorary pallbearers were: Victor Oxford, David Harmon, Prentice Holland, R. L. May, Mutt Hufstetler, and L. C. Rhodes.

Flower bearers were: Mrs. Manly Brantley, Mrs. Victor Oxford, Mrs. Roy Gilbert, Mrs. H. H. Thompson, Mrs. L. C. Rhodes, Mrs. W. P. Holland, Mrs. C. A. Pigg, Mrs. W. T. Weaver, Mrs. H. L. Phelps, Mrs. Dick Boyd, Mrs. J. J. Sinclair, and Mrs. George Harmon.

Deceased was the daughter of Mr. and Mrs. L. L. Cope, born as Mertie Cope in Collin County July 18, 1880.

At the age of eight, the family moved to Cook County, Texas, and she attended the Mountain Springs School near Pilot Point, Texas.

As Miss Cope, she was married to D. C. Ozment on Oct. 23, 1904, at Burns City, Texas. To this union were born three children, one of whom passed away in infancy, and one when five years of age. The youngest daughter, Mrs. Weldon Criswell, lives near the home of her parents.

Mr. and Mrs. Ozment moved to Manitou, Okla., immediately following their marriage, where Mrs. Ozment was converted in 1911. They located in Amherst in 1924, and in 1925 joined the Methodist Church at that city. The family have taken an active part in church work since that time, and have been very helpful in the various departments of the church.

Sunday, March 14, deceased attended the church services, became ill Monday, and passed away Wednesday.

Besides her husband and one daughter, Mrs. Criswell, deceased is survived by two grandsons, five brothers, one sister, and several nieces and nephews, besides a host of friends to mourn her passing. She was a devoted wife and mother, and a beautiful Christian.

Her brothers are: Chas. Cope of Cippio, Okla.; L. L. Cope, Jr., of

Pilot Point, Texas; J. W. Cope of Jordan, Montana; O. A. Cope of Jermyn, Texas; and S. R. Cope, whose address is not known. Her surviving sister is Mrs. T. N. McKinney of Davidson, Okla., who has been an invalid for several months.

Out-of-town relatives attending the funeral were: O. A. Cope and daughters, Nadive and Mabel of Jermyn, Texas; Mrs. Flossie Manly and son of Bryson, Texas; Mrs. W. A. Peters of Davidson, Okla.; Mr. and Mrs. J. L. Ozment of Manitou, Oklahoma; Mrs. J. C. Arrington and daughter, Electra Carol, of Gainsville, Texas; Mrs. S. J. Harpole and son, James, of Gainsville, Texas.

AMHERST SENIORS TO PRESENT PLAY

The Seniors will present "Demons in the Dark" Friday night, March 26, in a three-act comedy.

Much work has been put into this play, and should prove a big success. Play begins promptly at 8:30. Admission 15 and 25 cents.

CARD OF THANKS

We want our many friends to know we lovingly appreciate every act of kindness and love shown us in our deep bereavement over the loss of our beloved wife and mother. The flowers were beautiful and so typical of her. The music was a solace to our sad hearts. May God make your burdens easy when you face sorrow.

Mr. D. C. Ozment.
Mr. and Mrs. Weldon Criswell.

Mrs. Ann Blythe Named Home Service Chairman At Olton

Mrs. Ann Blythe was this week named Home Service Chairman for the American Red Cross for Olton and surrounding community, Mrs. Lyle Brandon, Lamb County Chairman, announced.

Mrs. Brandon appointed other chairmen in the county several weeks ago. They are: Drew Watkins, Sudan; H. C. Clements, Amherst, and L. W. Jacques, Earth.

OLTON CHILD ILL WITH DIPHTHERIA

Little Miss Sammie Cole, five-year-old daughter of Mr. and Mrs. H. Y. Cole of Olton, is reported to be getting along nicely at the Payne-Shotwell Hospital, after suffering a severe attack of diphtheria. A tracheotomy was performed Saturday night, after the child was admitted to the hospital.

Cadet James Winter Given Silver Wings At Lubbock

Cadet James E. Winter of Amherst was graduated Saturday from the Lubbock Army Flying Field, receiving his silver pilot's wings, and commissioned as second lieutenant.

Mrs. Winter of Amherst, Lieut. Winter's mother, and Mr. and Mrs. Travis Winter, brother and sister-in-law, attended the ceremonies at Lubbock Saturday.

The Army Air Forces added hundreds of new pilots Saturday for the Spring offensive sweeps over Europe and the Pacific, with graduation of Lieut. Winter aviation cadets from the ten advanced flying training schools of the AAF Gulf Coast Training Center.

The graduates formed the Training Center's Class 43-C, or the third turned out thus far in 1943. They will receive further instruction in the types of fighter or bombing planes they will fly in combat, following which they will be ready to take their places on the fighting fronts and carry on in the tradition of Colin Kelley and Buzz Wagner.

FIRST METHODIST CHURCH Amherst, Texas

R. H. Campbell, pastor
Let us remember that we are now in that season of the year when the church puts away radiance and puts on grief because of the sacrifice which Jesus made for the sins of the world.

Be faithful to your church during this period of Lent.

Remember the church with a place and a welcome for everyone. Come, be in your place.

CHURCH OF CHRIST Amherst, Texas

J. A. Bristow, Minister
What is our greatest need?
The rich young ruler did not know his greatest need. Mark 10: 17-22.

Do you know your greatest need?
We need a religious awakening. Paul said: "Awake thou that sleepest, and arise from the dead and Christ will give the light." Eph. 5:14.

Jesus said that Mary had chosen a good part that was needful, and it would not be taken away from her. Luke 10:38-42. Timothy had known the scriptures from his youth which was able to make him wise unto salvation.

Is it not needful for us to teach our children the way of salvation, in whose hands will be the Church, Government and the salvation of the nations?

Sunday, March 28, J. A. Bristow will exchange pulpits with Richard Donley, minister of the Church of Christ of Muleshoe, Texas.

Bible study in classes 10:30 a. m. Preaching, 11:30 a. m. Communion, 12:15. Young People's class, 7:30 p. m. Preaching, 8:30 p. m. You need to be with us, and we need you.

FIRST BAPTIST CHURCH Amherst, Texas

B. P. Harrison, Pastor
We were a little bit below par last Sunday, so won't you please make a special effort to be in Sunday school next Sunday? Let us make a church that we will be proud of, and the only way for us to do that is for us all to do our bit, and be in our place every Sunday.

Sunday School, 10:15 a. m. Preaching service, 11:15 a. m. Training Union, 8 p. m. Preaching service, 8:45 p. m. "I was glad when they said let us go into the House of the Lord."

Navy Man Weds Amherst Girl

Miss Allie Harmon, daughter of Mr. and Mrs. J. T. Harmon of Amherst, became the bride of Jack Durham, first class petty officer of the U. S. Navy and son of Mr. and Mrs. H. T. Durham of Amherst, in a ceremony read at 4:15 p. m. Wednesday of last week at Clovis, N. M. Vows were exchanged at the home of Rev. Walker, Methodist minister, who officiated with the single ring ceremony.

The couple was attended by Miss Ladune Oxford of Littlefield. The bride was attired in a lovely black knit dress with red accessories. She was graduated from the Amherst High School in 1941, and the past year has been manager of the Harmon Drug Company there.

The groom, who arrived home on leave on March 6, has been in the Navy the past four years. Prior to that time he attended school in Sudan. He is an aviation radio operator, and has participated in several major battles in the Pacific. He was a member of the crew of the USS Hornet, aircraft carrier, when she went down somewhere in the Pacific last October. About a year ago he served on the USS Wasp, another aircraft carrier that was re-

ported sunk sometime after transferred to the U. S. Navy. He will return to duty the first part of this month. Miss Harmon will continue to operate the store at Amherst.

AMHERST FIRST BAPTIST WMU MEETS

Luther Cunningham, seaman second class of the U. S. Navy, has been assigned to a destroyer base at San Diego, Calif., according to a notice received by his parents, Mr. and Mrs. W. H. Cunningham, this week. He has been in the Navy since December, and arrived at San Diego on Christmas Day.

His sisters, Misses Edith and Lois Cunningham, are both employed at the Consolidated Airplane Factory

at San Diego, and he has been seeing them almost every week since he arrived there.

Flight Officer Alva J. Spain, son of M. and Mrs. E. R. Spain of Olton, is now stationed in Long Beach, Calif., with the Ferrying Command.

Lieut. Spain graduated with class 43-A at Lubbock Army Flying School on January 14 of this year. He was sent immediately to his present station and has been ferrying planes to all parts of the United States. In a letter to a friend at Littlefield he wrote: "I and another

Flight Officer ferried a plane to San Marcos last week. It's the first time I've been back to Texas since January. The nearest we came to home was Big Springs, and the sand was surely rolling there."

Lieut. Spain has also ferried planes to Florida and to northern New York, near the Canadian border. Here's wishing him luck on all his flights!

Pfc. Owen Thompson, who has served in the Army nine months, recently received an honorable discharge from the Army, and arrived in Littlefield Saturday. He had been in training at Camp Swift, Texas.

Pvt. Ole Nystel also arrived here Saturday. He received his honorable discharge from the Army, after serving six months. He had been stationed at Huntsville.

Naval Aviation Cadet A. B. Taylor, Jr., Littlefield, Texas, has reported to the U. S. Navy Pre-Flight School at Athens, Ga., for training in Naval Aviation.

Each cadet undergoes three months physical conditioning and pre-flight training in academic and military subjects, before being transferred to Navy flight centers for progressive air training preparatory to joining a combat unit.

Taylor, son of A. B. Taylor, Sr., Littlefield, is a former student of Texas Tech, Lubbock, where he completed CAA Primary Training.

Joe B. Rietman, who has been stationed at Sheppard Field, Wichita Falls, for two months, has been promoted to Private First Class.

Pfc. Rietman has been in the Service since October, and is a mechanic in the Air Corps.

He subscribed for the Lamb County Leader, as he is interested in knowing all the latest happenings in his home county.

Sgt. and Mrs. Henry Schmidly of Indio, Calif., left that city Monday morning for Littlefield, where they will visit her mother, Mrs. E. M. Akin and children. Enroute to Littlefield they will visit her sister and brother-in-law, Mr. and Mrs. Joe Oden. They are expected to arrive here Saturday, and will also visit Sgt. Schmidly's parents, Mr. and Mrs. John Schmidly, at Leveland. Sgt. Schmidly is stationed at Camp Young, Calif., and is on a 15 day leave.

Second Lieut. George O. Ross of the U. S. Marine Corps Reserve, son of Mr. and Mrs. Geo. W. Ross of 4 miles southeast of Littlefield, who was graduated from the U. S. Naval Aviation Training Center, Corpus Christi, and commissioned into the Marine Corps March 10, arrived home March 12 on a 15 day furlough.

He left Littlefield Wednesday for Corpus Christi, where he reported for duty as a Flight Instructor in a Twin-Engine Squadron.

Tech Sgt. and Mrs. Leo Duffey returned to Lawton, Okla., Tuesday after a week's visit with his parents, Mr. and Mrs. Fred Duffey, 6 miles southeast of town.

Sgt. Duffey is employed in administrative work in the Medical Corps at Fort Sill, where he has been stationed for the past two years. He and his wife maintain a

home and live at Lawton.

Pvt. Gene Yeager of the Air Corps, stationed at Garden City, Kans., arrived home Tuesday on a three-day leave.

Pvt. Yeager is teaching instrument flying at the Garden City Air Base, where he has been stationed about a month.

He reports below zero weather in Garden City, and plenty of snow.

Nephew Of Mrs. Geo. W. Ross Awarded Purple Heart

Pvt. Euel Taylor, nephew of Mrs. George W. Ross, has been awarded the Purple Heart for bravery in the Southwest Pacific.

He is recuperating in a hospital in New Guinea, according to information received by Mrs. Ross this week.

Mrs. Ross was advised sometime ago that Pvt. Ross had been injured in action.

Mr. and Mrs. Otis Connell and two sons, Jimmie and Johnnie, of Amarillo; Mr. and Mrs. Frank Hicks and children and Miss Betty Jo Gibson, all of Farwell, visited in the home of Mr. and Mrs. J. O. Connell Sunday.

Mr. and Mrs. Donald of Lubbock visited home of Dr. and Mrs. J. O. Connell Sunday. Mr. and Mrs. J. O. Connell have been living near Lubbock Wednesday to Harrell, Texas, where they plan

leading man in "Now, Voyager." A highly talented featured cast is headed by Claude Rains, Conrad Veidt, Sydney Greenstreet and Peter Lorre.

Although the story deals generally with the illicit trade in exit visas, the love story of Humphrey Bogart and Ingrid Bergman figures prominently and is responsible for much of the swift pace of the picture.

Opening in Vichy-controlled Casablanca, the picture goes back, in retrospect, to Paris just prior to the Nazi occupation where Humphrey Bogart and Ingrid Bergman meet and fall in love. Later, they meet again in Casablanca. It is a tender love story with tragic overtures, played against a background of chaos and conflict, but ending on a new note of hope.

Michael Curtiz directed, from the screen play by Julius J. and Philip G. Epstein and Howard Koch, who adapted from the Murray Burnett and Joan Alison play.

"Casablanca" is the latest of 51 productions directed by Michael Curtiz in the 15 years he has been in America. Among his numerous hits are "Captain Blood," "Captains of the Clouds," and "Yankee Doodle Dandy."

Butter And Cooking Fats Are Frozen

Retail sales of butter, lard, margarine, shortening and cooking salad oils—everything in the new rationing program except meat and cheese—were suspended Monday for the rest of the week.

It will not be possible to buy any of these items until the meats-fats rationing program begins next Monday. The individual consumer will be limited to the following average weekly ration: meat, two pounds; butter, not more than four ounces; cheese, about two ounces. There will be no freeze of sales of mayonnaise or other salad oils not included in the rationing program, but sales of canned fish and canned meats—frozen since Feb. 18—will continue suspended until next Monday, too.

Lamb County Leads In 1943 Federal Ins. Applications

Lamb County farmers are leading West Texas in the number of 1943 Federal Crop Insurance Applications signed to date according to Leston F. Bain, secretary.

Last year about \$14,000 was paid in premiums to the Insurance Corporation, however, producers collected approximately \$150,000 in cotton indemnities. These indemnities covered losses on about 115 farms and ranged from \$5 to \$6,000.

Crop insurance written by the government covers either 50 per cent or 75 per cent of the farm's average yield, depending on the choice of the grower. The protection extends until the cotton is weighed in at the gin.

The premiums this year have been reduced and in some cases as much as 50 per cent. Another 1943 feature is a clause which protects the cotton grower against losses incurred due to inability to produce farm machinery, labor, or insecticides.

These premiums may be paid by signing a Commodity Credit note which calls for payment either in cotton or the cash equivalent. They may also be paid from the proceeds of the ACP check.

The closing date for signing applications in Lamb county has been set at April 15, 1943.

HAPPENINGS at WHITHARRAL

The first, second, third and fourth year Home Economics classes have finished their suits, school and all-occasion dresses for this year. They are now looking forward to the style show which will take place Friday afternoon, March 26, in the Whitharral High School Auditorium.

These dresses will be judged by the way they fit and look, also by the workmanship. There will be a dress chosen for first place from each class. The judges will be Mr. W. O. Tipton, superintendent at Whitharral; Mrs. Eaton, teacher at Whitharral, and Mr. Shaw of Ware's Department Store, Littlefield.

Everyone is invited to attend this style review.

The Juniors of Whitharral are sponsoring a "42" party in the Whitharral Gym Friday night, March 26. The admission is 50 cents per couple, and the proceeds go to help support the Juniors' and Seniors' "Hill Billy Banquet." Attend and enjoy yourself and also be helping the Juniors.

R. F. PIERCE AND H. O. HESTER WILL ESTABLISH DAIRY AT HOPPING PROPERTY

Announcement was made Tuesday that R. F. Pierce and D. O. Hester have leased the Hopping Dairy property, and will take possession April 1.

The lease was signed Saturday, and the property, according to Mr. Pierce, will be operated as a dairy.

Work is underway cleaning up the property and improving same. Mr. Hester and family will occupy one of the homes on the property, which will be completely redecorated throughout; and Mr. Pierce and family will live in the larger residence. Both the exterior and interior of the dairy barn will be painted and sprayed throughout; new chicken house erected, and some fencing installed.

The dairy herd has been secured, and according to Mr. Pierce they are having all their cows tested for T. B. and bangs this week end, and undergoing other tests assuring a healthy herd.

Mr. Pierce announced that operations would get underway at the dairy soon after April 1.

Mr. Pierce has been a resident of Lamb County since 1924, and has been farming 3 1/2 miles southeast of town until he sold his property to Herbert Gray in December last.

Mr. Hester has also been a resident of this county for many years, and has been carrying on farm operations.

Mr. and Mrs. R. L. King and daughter visited in Lubbock Saturday.

Auburn Stowers left Monday for Sheppard Field to visit his uncle, Pfc. Gerald C. Jacques, of Earth.

Farm Recruits Scheduled For This Area Go To California

Preparation To Have Labor Camp For Farm Workers Underway

250 Farm Workers Scheduled For South Plains Sent To Harvest California Crops

Announced by W. P. Houston, Rehabilitation Supervisor for Lamb County, the 250 farm laborers recently assigned to the counties on the South Plains were at the "last minute" ready by the United States Employment Service of the Department of Agriculture to California to harvest fruit and vegetable crops.

Houston stated that the work of whom were scheduled to go to Lamb County, were on the way destined for this area, when they were re-loaded on a California train. The reason given for this was that the Department of Agriculture believed a more urgent need in the war effort existed in California, where the fruit and vegetable crops were ready to harvest.

Houston stated also that it is hoped to secure a labor camp in Lamb County, and that an effort now underway towards this project.

GREET MAJOR-GENERAL GERALD C. BRANT

Key staff officers of Lubbock Army Flying School were on hand to greet Major-General Gerald C. Brant, commanding general of Army Air Forces Gulf Coast Training Center with headquarters at Randolph Field, when Gen. Brant landed for his first official visit to LAFS last week.

Highlight of Gen. Brant's visit was his announcement that 39-year-old Col. Ralph E. Holmes, former Kelly Field Cadet Commandant, will assume command of the Lubbock advanced twin-engine bomber pilot school, succeeding Col. Thomas L. Gilbert, a World War I flyer who had been commander since the air base was opened 16 months ago and leaves soon for an undisclosed assignment.

Col. Gilbert, extreme right, presents his staff to the visiting general. In the front row of the LAFS staff, left to right, are: Major James B. French, post surgeon; Major Paul A. Cushman, administrative inspector; Major Norman E. Borden, Jr., aircraft maintenance director; Major Claude L. Prichard, station services director; and Lieut. Col. Howard D. Kenzie, flight training director. In the back row are: Major Henry Wray, commandant of the base headquarters squadron; Major Byron W. Goulding, post adjutant; Major James W. Postlewaite, sub-depot commander; and Lieut. J. Blake Timmons, former Amarillo and Austin news writer who was on hand to greet Army Editor Roy Alexander of "TIME" and "LIFE" magazines, who accompanied Gen. Brant and staff on the inspection tour.

"Lefty" Hamilton New Scoutmaster

J. (Lefty) Hamilton has been named Scoutmaster of Troop No. 26, which group is sponsored by the Rotary Club.

Willie Bradley, Assistant Scoutmaster, has been acting as scoutmaster for the past year. He has enlisted in the Navy, and is awaiting his call.

Troop No. 26 renewed their charter last week; and at a meeting Thursday the Rotary Club appointed the following new Boy Scout Committee: Jack Farr, Dr. Roy E. Hunt, Raymond L. King, and Rev. C. Frank York.

At the last regular meeting of Boy Scout Troop No. 25, which is sponsored by the local unit of the American Legion, with Houston Hoover as Scoutmaster, good interest was manifest, and 15 boys were in attendance. This Troop will renew its charter the latter part of this month.

This gives Littlefield three active Boy Scout Troops and a negro patrol, and plans are underway for a first aid meet and summer camp.

Sgt. King Suffers Major Back Injury In Car-Bus Crash

Sgt. Tom King, 22, of the U. S. Air Corps, stationed at Amarillo for the past three months, and son of Mr. and Mrs. Dock King of Littlefield, was one of several army service men seriously injured in an automobile-bus collision early Thursday morning, March 12, at Amarillo.

Sgt. King sustained a major back injury, and is confined in the Post hospital at Amarillo, where it will be necessary for him to remain in full body cast for six to eight months.

Three other Army men were seriously injured in the accident. Mr. and Mrs. King were notified by wire Sunday, March 14, and immediately left for the Panhandle City, returning here Tuesday.

Sgt. King has been in the service three years; has been on the office personnel at the Amarillo Air Base, but had planned to attend Gunner's school at Las Vegas, Nevada.

He married about three months ago, and his wife is at Amarillo. According to his mother, Sgt. King is getting along nicely. She spent the past week end with him at Amarillo.

Mrs. King said Friday that her son would be pleased to hear from his friends here.

FORGING WEAPONS OF FOOD IS EVERYBODY'S JOB

Plant A Victory Garden

Forging the mightiest weapon in the history of the world is the special task, and the special privilege, of every man, woman, and child in America. FOOD is that weapon and the military annals of all time testify to its effectiveness. In a very real sense our American Armies, our Navy, our Marines, and all our armed forces literally "travel on their stomachs."

When the farmers of this country in 1942, rallying to a cry of "More Food for Freedom," exceeded all previous records by 12 per cent, they demonstrated agriculture's unbeatable ability to adapt a great industry to wartime purposes. Perhaps you haven't thought about farming as one of America's greatest industries, but it is. In fact, it is the biggest war plant in this country. You don't see much of it at any one time, but if the farms were put side-by-side they would make a huge "war plant" of more than a billion acres, manned by more than 30 million workers. From that billion acres in 1943 must come more food than we have ever produced before—more food than any nation ever produced before—in spite of serious shortages of farm labor and farm machinery and equipment.

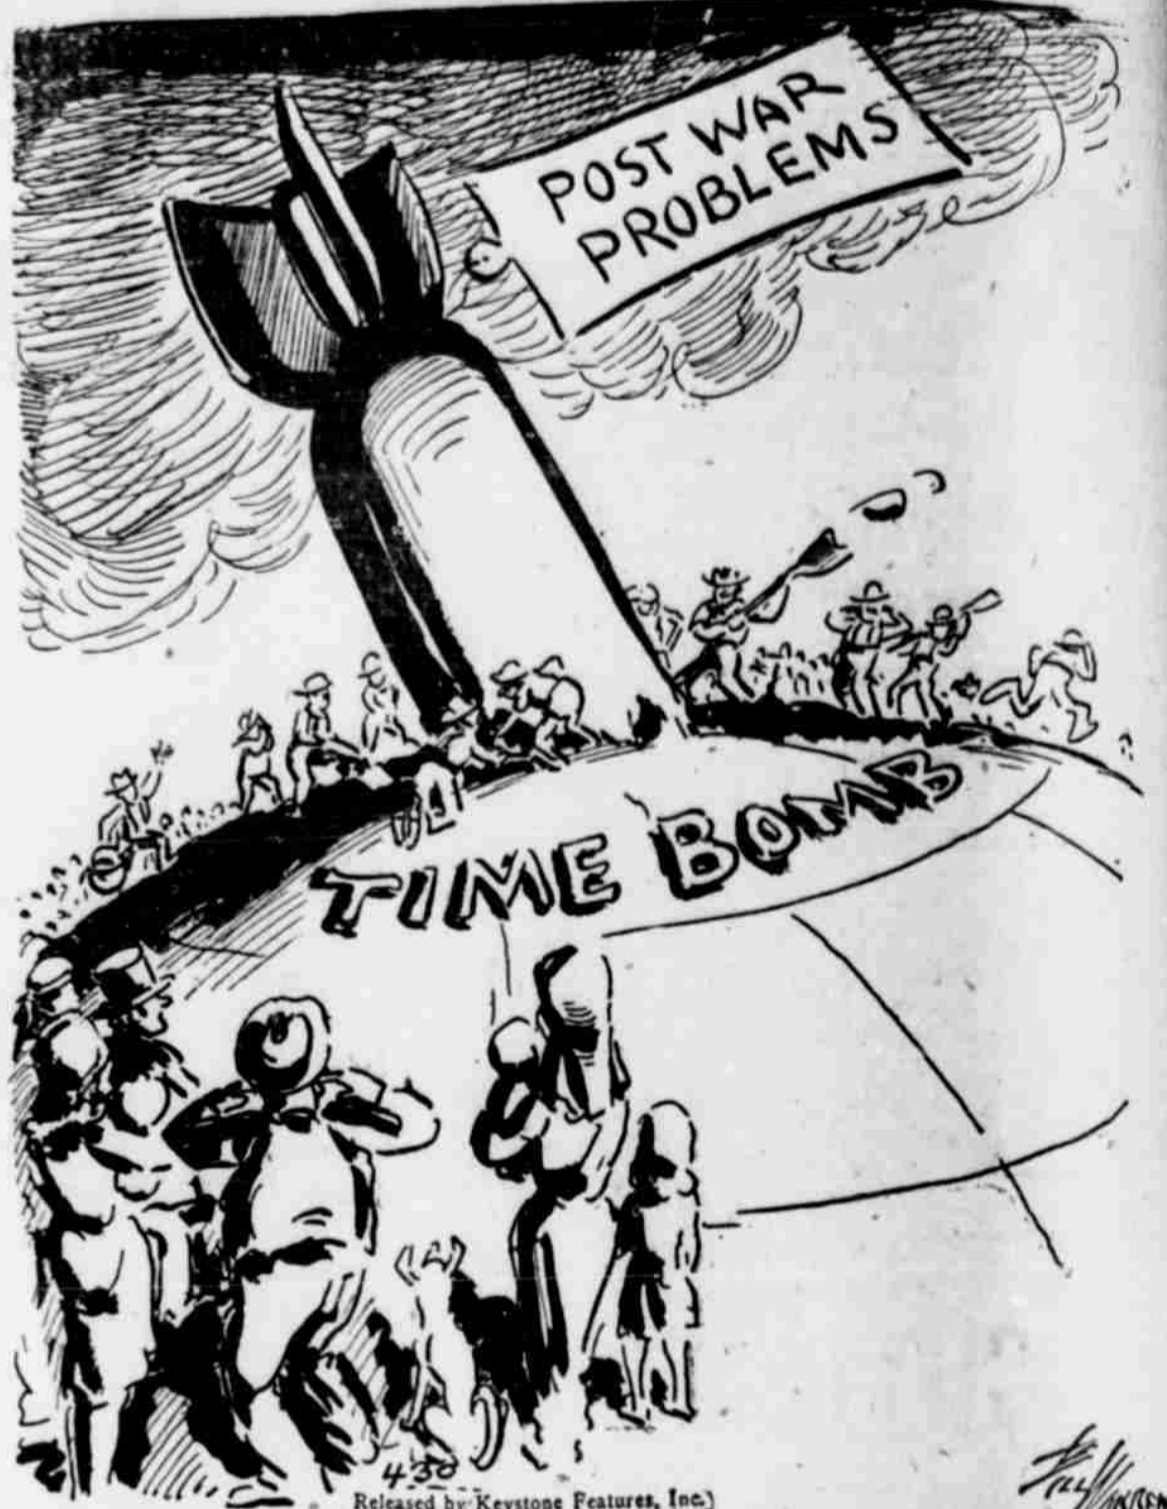

The farmers will do their job—past records prove it. But regardless of the amount of food raised by the agricultural industry, it will be impossible to meet both military and civilian needs without the efficient cooperation of all the people. That means that there is a job for everybody in producing, and

conserving, the foodstuffs we must have to "win the war and write the peace," as Secretary of Agriculture Claude A. Wickard has said.

If you have never thought of yourself as a producer of food, this is the time to do it. In 1943 we shall need more than 18 million home "Victory Gardens," plots of ground varying from a few square feet to several acres, which must be depended upon to supply vegetables for many American homes. It sounds amazing, but it's true that more than \$200,000,000 worth of vegetables, not counting potatoes and sweet potatoes, were grown in farm home gardens in 1939. These 4,800,000 home gardens produced vegetables worth a little more than those grown for sale on 3,000,000 acres. Those figures are vigorous evidence that home-grown vegetables do furnish a substantial part of civilian food requirements and with proper planning can be made to do even more.

Residents of towns and cities, regardless of what you may have heard, can often produce better vegetables than commercial truck gardeners. It is not at all unusual to find a man or woman who has never tried gardening before raising prize-winning vegetables of many kinds—and glorying in the work. For gardening is an avocation that grows on the novice as his first unskilled efforts are translated into the green and red and gold of living plants. With some persons it becomes such a satisfying pastime that they spend all their spare moments digging in the earth—and bragging unashamedly of their new accomplishments.

TOWN AND FARM IN WARTIME

Red Stamp Rationing Reminder
Red Stamps from War Ration Book Two, which are good for the purchase of meats, cheeses, edible fats and oils and canned fish, will become valid and will expire as follows:

Week	Red Stamps	Stamps
Beginning	Bearing Letter	Expire
March 29	A-(16 points)	April 30
April 4	B-(16 points)	April 30
April 11	C-(16 points)	April 30
April 18	D-(16 points)	April 30
April 25	E-(16 points)	(To be announced)

will be good from March 25 through April 30. Stamps A, B, and C will be valid only through March 31. Consequently, between March 25 and March 31, blue stamps A through F may be used to buy rationed canned foods.

Plenty of Canning Supplies

Plenty of metal closures and rubber jar rings will be available for American housewives who will be doing an increased amount of canning this year. The War Production Board has removed all quota restrictions on the manufacture of certain types of metal lids used to seal the jars. Prohibition of the use of zinc is continued.

which shippers may charge for cabbage, spinach, carrots and snap beans produced in the six-state region, and establishes uniform mark-ups for other handlers of these fresh vegetables to all trade levels. The price-action, which became effective March 20, is intended to relieve wholesalers and retailers from a price "squeeze." Maximum prices on lettuce, tomatoes and green peas still are governed by the current temporary price freeze order.

Recap Rules Changed

Farm tractor and implement tires now will be recapped only with a material made almost entirely of reclaimed rubber, and replacements will not be issued for tires that are recappable, OPA announced. A rationing certificate is not necessary in order to have a farm tractor or implement tire recapped with the Grade F camelback.

MODIFICATIONS OF SHOE RATION ORDER

Three modifications of Shoe Ra-

tion Order 17 have been authorized by OPA. They are: (1) An additional ration for "safety" shoes, used for health protection in special work, may be acquired from the local board by any person who has spent a member of his family has an unspent stamp, (2) sandals which can be sold ration-free are re-defined to include all sandals with an open back and a heel height of 1 1/8 inches or less, regardless of the material used in the upper, (3) certain shoes with soles made principally of rope, wood, or other non-strategic materials may be sold ration-free, regardless of the material used in the upper.

HIGHER PRICES FOR CANNING CROPS

A price-support program which assures farmers 20 to 50 per cent higher prices for their canning crops than last year has been announced by the U. S. Department of Agriculture and the OPA. Crops for which support prices are established include tomatoes, sweet corn, snap beans, green peas, lima beans, beets, carrots and cabbage for kraut.

CAN SELL BUTTER BELOW CEILING

There is nothing in any OPA regulation preventing sales of butter or other commodities at lower than ceiling prices set recently at the

creamery and wholesaler levels. Ceilings represent the maximum prices at which this commodity may be sold.

FARM MACHINERY RELEASED

Restrictions on distribution of three types of rationed farm machinery have been lifted by the U. S. Department of Agriculture. The orders permit manufacturers of farm cream separators to release without restriction 80 per cent of their authorized production of separators as allowed by WPB Order L-170 and all remaining stocks produced under L-26. It similarly permits manufacturers of power spray pumps and horse or tractor drawn rod weeders to release 100 per cent of their production under L-170 and all inventory stocks produced under L-26.

BETTER TIRES FOR "B" AND "C" DRIVERS

A driver with a mileage ration of more than 240 miles monthly now can have new casings of the lower qualities—Grade II—when he needs replacements. Motorists with mileage rations between 560 and 1,000 monthly, who have been eligible for new casings in the lower quality bracket only, can now get Grade I tires. The release of these new casings under rationing to "B" and

"C" card holders will be for placement of tires worn beyond the recappable stage.

mon or contract motor car may be required to lease or their vehicles to private car- the Office of Defense Trans- on should deem it advisable ssary to the prosecution of or to the maintenance of al civilian economy or in the interest. An amendment to Order No. 21 recently in- ODT's power to order con- commercial motor vehicles rred from one carrier to an-

ODT division of motor transport, explained. The order as originally written specifically exempted for-hire carriers from being required by ODT to lease or rent their vehicles to persons not engaged in transporting property for compensation.

As in the original order, the amendment provides that unless the interested carriers agree upon the amount of compensation to be paid for the use of any vehicle leased or rented to another carrier at ODT's direction, the amount will be fixed by the ODT.

Essential Motor Vehicle Repairs Given Priority

Essential motor vehicle repairs should be given priority over repairs which may be put off without endangering safe operation or impairing the mechanical life of vehicles, Richard E. Wood, Lubbock Distict Manager, Office of Defense Transportation, division of motor transport, said today. Garages and service establishments in this area have been called upon to voluntarily ration their facilities and mechanics' time so that essential repairs are given preference.

"Automotive maintenance establishments are a vital link in the country's transportation chain," Mr. Wood said. "Today they must shoulder a great portion of the responsibility for keeping our nation's trucks and passenger cars rolling. Garages face critical problems due to shortages of skilled mechanics and scarcity of replacement parts.

"They are doing a splendid job, but in some instances we have had reports from truck operators engaged in essential hauling that they are unable to have vital adjustments and repair made on their vehicles because mechanics are engaged in other work which may be profitable and desirable but is not essential.

"ODT is working closely with the industry in an effort to solve increasing wartime problems. Repre-

EARTH FAMILY MOVE TO SALONA, N. M.

Mr. and Mrs. Ollie Robnett and two sons of near Earth have rented a farm at Salona, N. M., in Harding County, which is northeast of Tucumcari, and moved to their new

home Friday. Mr. Robnett has lived in the Earth section for many years. He operates his own combine doing custom cutting, and has farmed near Earth for about a year.

Two New Loan Plans Outlined

Producers of grain sorghums and barley in Texas will receive higher loan rates this year than they did during 1942.

Under the loan program announced this week by Commodity Credit Corporation through the USDA, loan rates on grain sorghums will be

from 25 to 32 cents higher while barley will be from 15 to 20 cents higher.

Loans on barley and grain sorghums stored on farms will be secured by chattel mortgage and if stored in approved warehouses the security will be warehouse receipts. Loans will mature on demand, but not later than April 30, 1944, for barley, and not later than June 30, 1944, for grain sorghums.

Loan rates for farm stored barley are as follows: No. 1 barley, 75 cents per bushel; No. 2, 73 cents per bushel; No. 3, 70 cents; No. 4, 67 cents; and No. 5, 60 cents. Farm-stored grain sorghum rates have been scheduled at: No. 2 or better,

85 cents per 56-pound bushel; No. 3, 80 cents and No. 4, 70 cents.

Discounts at 2 cents per bushel will apply on both barley and grain sorghums grading mixed.

To be eligible for loans on either crop, farmers must plant at least 90 per cent of their warcrop goals, P. C. Colgin, commodity loan specialist for the AAA in Texas, said. He added that loan rates for warehouse stored grain would be 7 cents less than the farm-stored loan rate.

Mr. and Mrs. Elmer Lewis returned to Littlefield Thursday after a business trip to Tulia, Amarillo, Hereford and Slaton. They were gone several days.

Mrs. Tilden Wright Complimented At Tea At Dr. C. E. Payne Home

One of the most outstanding parties of the Spring season was the tea given Saturday afternoon from 3:30 to 5 at the home of Dr. and Mrs. C. E. Payne, complimenting Mrs. Tilden Wright of Blytheville, Ark.

Mrs. Payne and Mrs. I. T. Shotwell, Jr., were the hostesses of the occasion.

Mrs. Wright, whose husband, Maj. Wright, is in foreign service, arrived about a week ago, and is the house guest of Mrs. Vernie Wright. She will remain here for an extended visit.

Flowers in profusion, including Pink Carnations, Dutch Iris, and White Azealis, made more inviting the attractive entertaining rooms.

The tea table was laid with lovely white embroidered linen cloth, with a centerpiece of calla lilies in a silver bowl, on either side of which were silver candelabra holding yellow candles.

Mrs. G. M. Shaw presided over the silver coffee and tea services, while Mrs. Charles Signor assisted in the serving.

About 25 guests called during the afternoon.

Mrs. Sid Hopping Hostess Wednesday Night Dinner Club

Mrs. Sid Hopping was the gracious hostess to members of the Wednesday Night Dinner Club Friday evening.

Dinner was served at the Batton Hotel Diningroom, where the table, laid in white linen, was centered with varied colored sweetpeas.

Following the dinner bridge was enjoyed at the Hopping home on West Second Street. Scoring high in the games were Mr. and Mrs. Oscar Wilemon, to whom defense stamps were awarded.

Attending this delightful affair were: Mr. and Mrs. Jack Henry,

Compliment Pfc. J. C. Thompson Thursday At Ice Cream Party

Mrs. T. R. Thompson of 4 1/2 miles southeast of Littlefield entertained with an ice cream party Thursday night honoring her son, Pfc. J. C. Thompson, who has been home on a furlough and was stationed at Fort Benning, Georgia.

After refreshments consisting of a large angel food cake with homemade ice cream, were served, the group enjoyed several hours visiting.

Those present were: the honoree, Pfc. J. C. Thompson; Mr. and Mrs. Earlmund Thompson, Mr. and Mrs. Buster Thompson, Mrs. Doyle Price and daughter, Wanda; Miss Neva Jane Thompson, Weaver Thompson, and the host and hostess, Mr. and Mrs. T. R. Thompson.

After being transferred from Fort Benning, Ga., Pfc. J. C. Thompson left Littlefield Friday morning to return to his new camp, Fort Leonard Wood, in Missouri.

Faithful Workers Class To Meet At Coffman Home

Mrs. Allan Hilbun Entertains Club Members Recently

The Clyde Hilbun home in the Duggan Addition was the scene of a delightful bridge party Tuesday afternoon, March 16, when Mrs. Allan Hilbun was hostess to members of the El Martis and Thursday Bridge Clubs.

The entertaining rooms were attractive with bowls and vases of lovely Nasturtiums and Snapdragons.

Three tables of bridge were enjoyed during the afternoon. Scoring high in the games were: Mrs. J. E. Hamilton and Mrs. M. M. Brittain. Delicious refreshments were served following the games to: Mesdames

Dr. and Mrs. Roy E. Hunt, Judge and Mrs. S. A. Doss, Mr. and Mrs. Wilemon, and the hostess, Mrs. Hopping.

Mrs. Rosa Lee Wilson And Enoch B. Brady Wed Here Tuesday

The marriage of Mrs. Rosa Lee Wilson and Enoch Bryan Brady was solemnized here Tuesday morning in a quiet ring ceremony.

Rev. Lee Hemphill, Pastor of the First Baptist Church, Littlefield, performed the ceremony at the Parsonage. The only attendant was Miss Vera Dirickson.

The couple left immediately following the ceremony for a trip to Dallas. On their return they will be at home in Littlefield.

Mr. Brady is employed by the McCormick Brothers as a transport truck driver.

Mr. and Mrs. Brady have been residents of this city for many years.

Entertain Mothers At Birthday Dinner At E. C. Ross Home

Mr. and Mrs. E. C. Ross of Littlefield entertained their respective mothers, Mrs. Mary E. Ross of Hale Center, and Mrs. J. W. Pickens of near Littlefield, Sunday with a birthday dinner.

The guest list included: Mrs. A. Dickson and granddaughter; Mr. and Mrs. Joe Payne, all of Hale Center; Mr. and Mrs. O. L. Castle and children of Morton; Mr. and Mrs. Geo. Ross and family of Littlefield; Lieut. Geo. O. Ross, U.S.M.C.R., who is now stationed at Corpus Christi; Miss Maxine Deardorff of Lubbock; Mr. and Mrs. Dewey Pickens and family of Levelland, and Mrs. Amber Hodges and sons of Littlefield.

A pleasant day was enjoyed by all.

Honored On Wedding Anniversary Saturday Night At Payne Home

Complimenting Dr. and Mrs. C. E. Payne on their eighth wedding anniversary, and Mr. and Mrs. I. T. Shotwell on their 33rd anniversary, friends bringing covered dishes, gathered at the Payne residence in the Duggan Addition Saturday, evening, and a delicious steak dinner was enjoyed.

A beautiful three-tiered white wedding cake, centered with miniature bride and groom, was presented to Dr. and Mrs. Payne.

Present to enjoy the occasion were: Dr. and Mrs. Payne; Dr. and Mrs. I. T. Shotwell; Mr. and Mrs. I. T. Shotwell, Sr.; Mrs. Tilden Wright, Miss Nell Clayton, Cpl. and Mrs. J. D. Armistead, Mr. and Mrs. Charles Signor, and Mrs. E. O. Adams of Sulphur Springs, Texas,

Spade Oversubscribed To Red Cross \$125, Or 65 Per Cent Over Quota

With Mrs. Roy McQuatters as Chairman, Spade Community completed their Red Cross drive Friday with their quota about 65 per cent

over-subscribed, which is very complimentary of this community.

The quota for Spade was \$196, and \$321 collected, or \$125 more subscribed than the quota for this community.

Mrs. McQuatters reported that everyone in Spade Community cooperated splendidly and assisted in the drive. She also commended greatly the school faculty and the students, stating that the High School subscribed 100 per cent, and that the school children themselves subscribed about \$70.

Last Rites Held For Infant Son Of Mr. And Mrs. James

More Cotton Is Needed FOR VICTORY!

Make Cotton A Vital War Crop For Our Great War Offensive

Besides feeding and supplying our own soldiers and war workers, America is sending vast quantities of Milk, Meat and Ammunition to our Allies all over the world.

To supply the increased demand for Meat and Milk production, stockmen need all the COTTONSEED CAKE AND MEAL—America's greatest single source of rich PROTEIN—we can produce.

LITTLEFIELD, TEXAS

With South Plains Men In U. S. Service

Shawnee, Okla., March 16.—Private Hugo F. Beyer, 20, of Littlefield, Texas, son of Mr. and Mrs. F. C. Beyer, Route 2, Littlefield, has arrived at Oklahoma Baptist University for a course of Army Air Force instruction lasting approximately five months prior to his appointment as an Aviation Cadet in

the Army Air Forces. During this period he will take numerous academic courses, as well as elementary flying training. Upon completion of the course he will be classified as a pilot, navigator or bombardier and go on to schools of the Flying Training Command for training in these specialties.

Wayne E. King of Anton, who has seen service as an armorer and mechanic at Elmendorf Field, Alaska, has won his wings in the Air Force at La Junta, Colo. Advanced Flying school. A graduate of Anton High School, Lieut. King was a commercial flyer in civilian life. He is the son of Mr. and Mrs. L. T. King of Anton.

Aviation Cadet Elwin A. Hudson of Whitharral, son of Mr. and Mrs. A. L. Hudson of Wink, recently stepped up to basic flight training after completing his primary course

at Thunderbird Field, Glendale, Arizona. Cadet Hudson is a 1940 graduate of Whitharral High School where he was a baseball and football star. He had been in the U. S. Army Air Force two years before being appointed an aviation cadet recently.

J. O. Brooks of six miles east of Amherst returned Monday after spending since Thursday with his son, Weldon Brooks, 21, Cadet in Army Air Corps training at San Antonio.

Brooks has been in the Service since January 19 last. He has been at classification center, but being transferred to pre-flight training in another division this week. He has passed his test to take training for a pilot.

Mr. and Mrs. W. E. Heathman and Mr. and Mrs. Jim Douglass left early Sunday morning for Wichita Falls, Texas, to visit their sons, Charles Heathman, and Joe Douglass, both in the armed forces stationed at Sheppard Field. They returned to Littlefield Sunday night.

Joe Douglass is confined to the hospital at the camp with an attack of bronchitis, but is reported better.

Pfc. J. C. Thompson left Friday after spending a week with his parents, Mr. and Mrs. T. R. Thompson, and brother, Weaver Thompson, and sister, Miss Neva Thompson, of four miles southeast of Littlefield.

Pfc. Thompson is a Jeep driver in the infantry, and has spent the past three months at school at Fort Benning, Ga., but on leaving here Friday was reporting at Fort Leonard Wood, Mo.

Mrs. R. E. Avery returned home Thursday from a few days' visit with her son, Staff Sgt. Rex Avery of the U. S. Air Corps, stationed at Clovis, N. M.

Staff Sgt. Avery has been in the Armed Forces for nearly two years. He was in a plane crash which occurred in Tucson, Ariz., last summer, when two of the men were killed. Staff Sgt. Avery was confined in a hospital three weeks following the accident.

Marfa, Texas — Richard Joseph Herman, son of Mr. and Mrs. Tom Herman, Ness City, Kans., has been promoted to Tech. Sergeant at the Marfa, Texas, AAF Advanced Flying School. It was announced by Col. Gerald Hoyle, Commanding Officer.

Sgt. James C. King of Chicopee Falls, Mass., son of Mr. and Mrs. Dock King of this city, is on a furlough and visiting his brother, Sgt. Tom King, at the Amarillo Post Hospital, who suffered a major back injury in an automobile accident at Amarillo recently.

Sgt. King is in the Supply Department of the Air Corps, and has only been at the Chicopee Falls Air Base for the past three weeks, go-

ing there from Bedford, Mass. Sgt. King will also visit his parents here before returning to Massachusetts.

Harold Rice, of the Armoured Division of the Infantry, stationed at Camp Cook, Calif., arrived in Littlefield Wednesday evening of last week to see his new son, "Elbert Coy," born Sunday, March 14, at the Payne-Shotwell Hospital, and visit his wife who has been seriously ill. He will remain here until about the last of the month, when he will report to Camp Forrest, Tenn.

Mrs. Rice, in her husband's absence, lives with her father at Ropes, Texas.

The infant son weighed 7 pounds at birth, and is their first child.

Soybean Purchase And Loan Program Are Announced

Texas farmers who answer the nation's call for soybeans under the Food for Freedom program are assured a fair price this year.

The new base loan and purchase rate on No. 2 yellow soybeans with 14 per cent moisture has been announced at \$1.70 per bushel, according to B. F. Vance, administrative officer of the AAA in Texas. Slightly higher than the 1942 base rate of \$1.60 per bushel, the increase is by way of consideration of increased production costs.

Premiums for low moisture content, which was not provided under the 1942 purchase program, and discounts for other quality factors will result in prices from \$1.75 to \$1.97 for green and yellow soybeans of other grades and moisture content.

To be eligible for participation under the purchase program, farmers must plant at least 90 per cent of their war-crop goal while loans will be made only on soybeans which grade No. 4 or better and have a moisture content of not more than 14 per cent.

Loans will be made through Jan. 1, 1944, and will mature on demand but in no event later than April 30, 1944. Consent for the storage of soybeans on farms until July 1, 1944, will be required. A farm storage allowance of seven cents a bushel will be advanced at the time a loan is completed and will be included in the amount of the note. Recognizing that all types of soil in Texas is not adapted to the growing of soybeans, only 70 counties are being asked to participate under

the program in which is 75,000 acres, and 25,000 over last year.

**Age And No
Says OPA**

Rumors of clothing current throughout Lubbock District office of Price Administration today that panic the need for ration there is no prospect of apparel ration-

ing. "National officials of the Office of Price Administration and War Production Board stated recently that there was no shortage of clothing and no machinery had been set up for rationing of clothing," they reminded. War Information Director Elmer Davis stated this week after consulting with WPB Chairman Donald Nelson and Price Administrator Prentiss Brown that "I can say no rationing of clothes is in present prospect."

Howard R. Gholson, District OPA manager, praised West Texas merchants who are helping keep down rationing rumors. He said he hoped all merchants were of the same opinion as a Lubbock merchant who said: "I do not believe clothes will be rationed unless customers continue to purchase more than they need and I do not think it is good business to encourage rationing rumors. I have told clerks in my store not to use apparel rationing rumors in making sales and to discourage such rumors."

War Quality Tire Is Reclassified

Because of seriousness of the rubber situation, the "war quality" tire made of reclaimed rubber has been reclassified to more restricted sales as a grade two rather than the grade three tire, the Lubbock District OPA office announced.

No dealer or consumer may obtain a "war quality" tire on a grade three certificate, even though the certificate was issued prior to March 1, the effective date of the amendment placing the war tire in grade two.

Eligibility for each of the three grades of tires is governed by mileage allowed under the mileage rationing program. Motorists must obtain a certificate from their War Price and Rationing Board before they may purchase a tire.

Simplified Peanut Program Explained

This year's simplified peanut program, operating under a one price system, was laid before state AAA officials and cotton seed crushers at a state-wide meeting in Dallas recently.

Explaining the new program were I. W. Duggan, director of the Southern Division of the Agricultural Adjustment Agency, and W. H. Jasspon, consultant of the Commodity Credit Corporation. Both are from Washington.

Duggan stated the one price system was based on 85 per cent of parity and would include peanuts for the edible trade as well as peanuts produced under this year's Food for Freedom program. At current prices, this approximates \$129 per ton for No. 1 Spanish peanuts.

"I hope every oil mill will handle seed this spring and buy the crops this fall," Duggan said in explaining that plans are underway for establishing seed distribution and purchasing centers in each area of Texas where peanuts are grown.

Representing CCC, the organization designated to handle seed peanuts and purchase this fall's crop, Jasspon explained that mills will have a market risk because of the price supports which already have been announced.

Other highlights of the new program include: (1) elimination of marketing quotas and the \$1.10 per ton AAA payment announced previously; (2) elimination of red tape; (3) a simplified seed distribution program; (4) a cash market in every peanut county; (5) incentive payments of \$30 per acre for each acre over 90 per cent and up to 110 per cent of the farm goal.

Incentive payments, which are proposed on several warcrops to assure maximum production this year, are contingent upon appropriations from Congress.

Under the Food for Freedom program, Texas farmers are being asked to produce 1,300,000 acres as compared to 1,060,000 acres during 1942.

Mrs. E. O. Adams of Sulphur Springs spent the past week end with Cpl. and Mrs. J. D. Armistead here.

Warning Issued Car And Truck Owners

Warning to America's car and truck owners from the Office of Defense Transportation: Are you sure that the anti-freeze now in your car or truck contains no harmful salt or distilled petroleum product? You or your service station attendant can make sure through these simple tests worked out by the U. S. Bureau of Standards:

1. Drain some radiator fluid into a glass of water. If it floats—the water, the base of the mixture is a distilled oil product harmful to hose connections and radiators.

2. Drain a small amount of the radiator solution into a clean tin and boil away all liquid. If a substantial white or crystalline coating remains in the tin, the anti-freeze you are using contains a salt base highly injurious to motors.

Manufacture of such anti-freeze solutions is now prohibited, but some brands are still in circulation. Many motors have been damaged

seriously by anti-freeze mixtures containing salt or oil. Safeguard the life of your car or truck motor by using only anti-freeze definitely labeled as containing a safe alcohol or thylene glycol base.

Listers Move With Equipment

Maximum production for this year was behind the Texas USDA War Board move recently which routes new listers into vicinities where tractors are being sold.

Distributors throughout the state agree with the USDA War Board that it is a better plan for disposing of limited farm machinery because it assures maximum use of both the tractors and the listers.

Tractors included under the new move are those which already have been sold under farm machinery quotas, those sold without equipment, and those tagged for later shipment to specific localities.

With South Plains Men In The Service

Mr. and Mrs. John Cary received an interesting letter from their son, Cpl. Burl Cary, from "Somewhere in New Guinea," dated March 9, and received Sunday, as follows:

"How are all of you by now? Fine I hope. The last mail I got from you was about two weeks ago, but I will be getting a bunch of mail at once when I do get it. That is the way our mail comes—in bunches.

"I am getting along fine, it seems like the time is passing pretty fast, maybe it won't be long until we will be coming home.

"Sometimes it seems like ten years since I left. It does seem like a long time, but here's hoping I will be back there this year sometime. But the main thing we are all looking forward to is getting this war over with.

"Say, I wonder if James and Sunafaye got the cablegram I sent them Xmas. I sent all of them cablegrams at the same time. I don't know why they got there at different times, but there is so much mail coming and going from over here.

I don't see how they keep it as straight as they do.

"I hope you are getting my mail pretty often anyway.

"I sure wish all of you could see these natives over here. Some of the men have two or three wives. They have to buy their women or trade hogs and things for them (ha ha). Sometimes a native and his wife will pass by. The woman will have a large pack of things on her back, and the man will be along behind carrying nothing. They are quite a sight to look at, but the native men have really helped out a lot in building roads and carrying supplies.

"I can't think of much more to write right now, and will write again soon.

"Don't worry about me. I am getting along fine. Tell everyone hello.

"Lots of Love,
"BURL"

Pvt. Leroy McCormick, stationed at Camp Campbell, Ky., is home on a ten-day furlough visiting his parents, Mr. and Mrs. C. F. McCormick. He was accompanied by Mrs. McCormick, who has been living near the Camp. She plans to remain in Littlefield.

Pvt. McCormick has been in the Armed Forces about four months, and is in the Armoured Tank Division.

Pfc. Bill Davis, 20, of the U. S. Marines, son of Mr. and Mrs. L. B. Davis of one mile east of Littlefield, left Tuesday of last week to return to duty after a few days' visit with his parents here.

Pfc. Davis surprised his parents by his visit. His mother reports that Bill is 20 pounds heavier, and an inch taller than when he left here over two years ago.

Pfc. Davis is believed to have seen active service in Guadalcanal, Philippine Islands, Midway and Guam Island.

Lieut. J. E. Chisholm of the Signal Corps, stationed at Drew Field, Fla., on a 15 day furlough arrived in Littlefield Saturday morning for a visit with his parents, Mr. and Mrs. J. E. Chisholm. Lieut. Chisholm will leave here Sunday.

Lieut. J. E. Chisholm, Jr., of the Army Air Forces, who is stationed at Drew Field, Fla., arrived in Littlefield Saturday morning for a visit with his parents, Mr. and Mrs. J. E. Chisholm, Sr., and his sister, Miss Louise Chisholm.

Mrs. Chisholm and Lieut. Chisholm went to Clovis, N. M., Saturday afternoon for a visit with his

sister and brother-in-law, Mr. and Mrs. Jim Mooney and daughter. Mrs. Mooney and daughter accompanied them to Littlefield, and will visit here while Lieut. Chisholm is at home.

Mr. and Mrs. R. R. Morgan of seven miles north of Amherst have two sons serving in the Armed Forces.

Pfc. Aubrey T. Morgan, 24, a mechanic in the Army Air Forces, has been in Australia the past year.

Pvt. Horace Morgan, 21, of the U. S. Army, is employed on the construction of the Canada-to-Alaska highway. He has been in northern Canada since November.

Both of these young men attended school at Sudan.

Mr. and Mrs. Jim Gibson received the following letter from their son, Cpl. R. Lee Gibson of the U. S. Army, who has been overseas since December, 1939, and the past year has been in the vicinity of the South Sea Islands:

"February 26, 1943
"Dearest Family:

"Don't know just when, but your long parted son is coming home! Is that good news? Boy, I can hardly wait. And Mom, I need some fattening up for I got out of the hospital only yesterday, getting over some tropical fever. But, I'm sure a few meals the way you fix them, Mom, will put me on my feet in no time.

"Dad, just hold the fort for a few more weeks. And when that furlough comes around I'll be seeing you. Do you have plenty of home cured sausage? You'd better, for I'm in the mood to do it justice. Heck, I haven't had any that was much good since I left home.

"When I hit the coast I'll wire you. I can hardly wait to be with you all.

"Well, there are lots of things I have to do, so just keep everything under control. I'll be with you soon. Love to you.

"Your Son and Brother,
"R. LEE."

Mr. and Mrs. Gibson and children are eagerly waiting for R. Lee's arrival.

Pvt. Kenneth Manuel, son of Mr. and Mrs. J. L. Manuel of Route 1, Littlefield, who was inducted into the Army February 28, was sent from Fort Sill, Okla., to Fort Knox, Ky., where he is stationed now.

His buddy, Pvt. Lewis Fleming, son of Mr. and Mrs. L. E. Fleming also was sent to Fort Knox, but the boys had not met since their arrival when Pvt. Manuel wrote his parents of his assignment.
