

WILDCATS OPEN FOOTBALL SEASON WITH BANG

Over Dickens
Last Friday To
Tune of 40 to 6

For Training Of Locals
vident Throughout
Contest

fighting Wild Cats of Littlefield school opened the 1931 season with a bang last Friday when they soundly trounced the High school team to the tune of 40 to 6.

The game was evenly matched in the first half but the superior training of the Wildcats was evident in every play. The local team scored two touchdowns during the first half, and after the Dickcissel came back gamely the third quarter saw a touchdown only at the beginning of the quarter, the Wildcats showed a terrific fighting spirit by scoring four touchdowns in rapid succession before the final whistle.

George Powell was the offensive star of the game. His flashy runs were especially appreciated from the spectators standpoint, and the thing that some of the fans possibly failed to notice which is just as important to a great football scoring machine was the efficient interference furnished for these runs by McCarry, Harless, Carter, and Beebe. Bill (Butter) Carter also reeled off some good gains, and the defensive work of McCarry was superb. Harless selected his plays with the precision of a veteran quarterback and we are predicting that his work this season in that position will be without equal in District No. 2. Royce Beebe showed up well for the few minutes that he played and when the passing game is used Coaches Tucker and Duggan will find a real receiver in

Wrazeal and Wemberley took care of the wing positions in great style while Hale and Stevens did equally well at tackle. Glover and Dow, though rather light for the guard positions were in there fighting all the time. Gordon Roberts looks like a real find for the pivot stall, and when he has had a few games in which to develop his stance, he will be hard to take out of there.

Other linemen who showed up well in Friday's game are Red Norman, Glenn Woody, Sam Williams, Lec Foster, "Ox" Reid, Maurice Brantley—in fact the Tucker-Hopping squad all looked good and the fans were loud in their praise of the efficient coaching evident from the results of the first game.

Boost Those Fighting Wildcats!

TWO ARE TAKEN ON ARSON CHARGES, ARRESTS DEVELOPMENT OF LAUNDRY FIRE

COTTON FREIGHT RATE REDUCTION IS ANTICIPATED

RAILWAY COMMISSION EXPECTED TO ACT FAVORABLY

Littlefield was virtually assured of inclusion in the 95 cent cotton rate at the hearing held Monday at Lubbock by the railroad commission of Texas, when O. D. Hudnall, chief rate expert for the commission announced that it "looked favorably" upon an application for inclusion of five of the seven towns in the 95 instead of the 98 cent rate.

Chairman C. V. Terrell opened the hearing Monday morning but left at noon, with Mr. Hudnall in charge. The session lasted until late in the evening and six towns were represented. Only Floydada failed to have a representation.

It was pointed out that the line separating the 95 from the 98 cent rate was only a little over half a mile from the Littlefield depot. In other towns the line is just a little bit farther, the farthest points being Plainview and Floydada where it is 11 miles away. Brownfield, Lockney, Crosbyton and Lamesa are less than two miles from the line.

J. E. Brannen, who formerly lived in McAdoo, spoke for Floydada because he at one time was well acquainted with conditions in that town. Arthur P. Duggan, Littlefield president of the South Plains Rate association, was the principal witness at the morning session aside from D. H. Berry, rate expert for the West Texas Chamber of Commerce. That group is sponsoring the appeal and it was the first rate hearing conducted by the state commission for an application made by the W. T. C. C. traffic bureau.

Besides Mr. Duggan, J. T. Elms spoke for Littlefield, telling of the development of this city and of the heavy losses that would be sustained in the event the appeal was denied.

Mr. Duggan explained that in Littlefield's territory it was believed that not less than 25,000 bales would be lost to other towns in the event the plea for a lower rate was denied. That much cotton that Littlefield expected, could be and very probably would be shipped to other points for shipment by rail to Houston.

Mr. Hudnall at the morning session, with Chairman Terrell nodding approval, made the statement that

Name Committees To Look Into Public Utilities Rates

Reports On El Paso Legion Convention

Last Monday night the Richard New Post American Legion met in regular session in the basement of the Presbyterian church with Commander R. E. Riley in charge of the meeting.

One of the most interesting as well as one of the best attended meetings followed. Following the reading of the minutes and brief discussion on questions of membership in the local Post, R. E. Riley was called upon for a report from the State Legion convention, held in El Paso, Texas, August 23-26.

Many matters of interest were touched upon by Commander Riley, including the Soldiers' Bonus Certificates and the attitude held by Texas legionnaires regarding payment of balance for the ex-service men.

the commission would look favorably on the plea to include Littlefield and four other towns, in the lower cotton territory. It was felt by the commission, he said that owing to the short distance between the towns, and the zone line, that they could be safely included.

Hale County's first bale of cotton was ginned Tuesday, September 8, by the Cotton Center Gin, according to C. V. Harmon of Amherst, owner of the gin.

At Tuesday's mass meeting called by the City Commission for the purpose of discussing public service rates, short talks were made by Mayor Sales, Commissioners Hall and Boone, J. E. Brannen, Prof. B. M. Harrison, J. W. Hale, T. Wade Potter, and others, relative to the rates, what other cities were being charged, and ways and means of having rates reduced.

While Mayor Sales pointed out the City appreciated the cut recently in the power rates to the city and schools, yet this did not benefit the general consumer, the private individual; that he and the commissioners had done all they could to get this reduction for the general consumer but had not been able to secure it; and that the meeting was held for the purpose of the people all getting together and discussing the ways and means of getting it; and that they would need the cooperation of the citizens in order to succeed.

The Mayor announced the appointment of a committee by the chamber of commerce at their luncheon Tuesday noon to represent the chamber of commerce, which committee is composed of Prof. B. M. Harrison, chairman; J. E. Brannen and T. Potter. The duty of this committee will be to make a thorough investigation of public utility rates, and report their findings at an early date.

A municipally owned light plant was discussed.

On account of the small audience

(Continued on Last Page)

County Teachers To Meet Sept. 26 At Hart's Camp

PLAN TO MAKE EVENT COUNTY "GET TOGETHER" AFFAIR

Several important matters were discussed at the weekly luncheon meeting of the Chamber of Commerce Tuesday.

According to J. W. Hale, secretary manager, D. A. Adams, county agent, made a detailed report of the County Fair, which was held at Amherst, Thursday, Friday and Saturday of last week, including the quality and number of exhibits, stating that it exceeded both in quality and number of any fair ever held in the county.

Nineteen different clubs of the county entered exhibits. Mr. Adams reported that an Olton woman won the first prize of \$25 on an exhibit of wearing apparel made at home.

Prof. B. M. Harrison reported that the season's football tickets would be on sale soon, and that there will be a drive put on to sell these tickets.

Another question discussed at the meeting was the matter of reduction of utility rates, and a committee was appointed by the chamber of commerce to work with the city and investigate the utility rates and report their findings to the commission. The following were appointed to serve on this committee: Prof. B. M. Harrison, J. E. Brannen, and T. Wade Potter.

The proposed banquet in celebration of the completion of the Santa Fe depot was then discussed. Rev. J. F. Grizzle reported that 400 tickets had been printed to be sold at 60 cents each. He explained that it was the intention to make the affair

(Continued on Last Page)

Charges Outcome Of Many Months Of Investigation

Alton Lane And Leon Harvey Arrested At Hereford

Alton Lane of Lubbock, and Leon Harvey of Tulla, were arrested at Hereford Saturday afternoon, and have been charged with arson in connection with the fire several months ago at the Bumpass laundry in Littlefield.

The men were arrested by Sheriff Miller of Deaf Smith county, and were brought to Lamb county by Deputy Sheriff Bob Miller, who went to Hereford Sunday.

Lane was placed in Olton jail, while Harvey was lodged in the Littlefield jail.

The complaints of arson were sworn out by the state fire marshal. The men were given an examining trial Wednesday at Olton, before County Judge Simon D. Hay.

The arrest of Lane and Harvey followed several months of investigation which was participated in by detectives for insurance companies and representatives of the state fire marshal's department.

A large number of arrests have been made in the past week by the sheriff's department.

C. A. Flood, a Clovis man, was arrested for Portalis by Deputy Sheriff Miller.

Flood, who was wanted on a charge of possession of a still, was arrested in Littlefield.

Several arrests were made for the theft of poultry and gasoline.

Those arrested for chicken stealing were W. H. Bradley, who lives near Sudan; Bill Brake of Sudan; and Fred Rabe of Amherst. Bradley also is charged with carrying a pistol. The poultry is alleged to have been stolen from a farm in the vicinity of Amherst. A bulldog was shot in connection with the theft of the poultry, according to the sheriff's department. The three were bound over to the grand jury on the poultry theft charges.

Four men, who were charged with the theft of gasoline, were each fined \$32.40. Those fined were Pat Greene and J. W. Schafer, both of Circle Back, in Bailey county, A. J. Serrett of Sudan, and Earl Bennett of Baileyboro. was the plan to make this celebra-

CITY OF LITTLEFIELD OPERATING ON "PAY AS WE GO" SYSTEM

REGULAR ATTENDANCE OF 100 MEN IS SOUGHT FOR DOWNTOWN SUNDAY CLASS; REV. J. F. GRIZZLE, LEADER

Brownfield High To Play Littlefield Friday Afternoon

Brownfield High will play the Littlefield High football team on the local field at 2:30 p. m. Friday.

A booster meeting, in connection with the local football team, will be held at the Ritz theatre at 8 p. m. tonight. A large attendance of business men is particularly urged.

Urges Paying Of Taxes Before Oct. 15

Tax paying time is near. County Tax Collector Gaston Patterson urges that property owners pay their taxes on or before October 15 in order

Mr. Pete Bollinger of Portales, N. M., visited friends in Littlefield last week.

A large attendance of men is urged for the Sunday morning class, which is conducted at the Palace theater by Rev. Joe F. Grizzle.

This is strictly a non-denominational class, and is conducted by Rev. Grizzle as an individual, not as the pastor of the First Baptist church.

The class meets every Sunday morning at 9:45, and is in session for 45 minutes.

The first meeting of the class was held last Sunday morning. Seven were present.

An effort will be made to have a class of 100.

Organization and attendance committees have been appointed. The members of the attendance committee are W. J. (Bill) Chesher, R. W. (Bob) Badger, Dick Johnson. The organization committee consists of J. C. Hilbun, Donald T. Knight and W. J. Harris.

Great improvement has been brought about by the city commissioners in the betterment of the roads, improvement of the City Park and of the water system of Littlefield.

According to Commissioner Homer Hall, the weeds have been cut in the park, particularly from around the elms; and the ground has been plowed and more irrigation given the trees.

The new street leading to the campus on the other side of the railroad has been graded; all the bad places in the streets have been fixed, and the bridges and culverts within the city put in good shape.

Another important feature of improvement in the water works department is that the commissioners have had the old jail torn down, and the material has been used to erect a new concrete block house at the east well.

Commissioner Hall also reports that the sewerage and water rentals are paying the operating expenses of the city, including pumping the water, improvement to the streets, lighting the streets, paying the salaries, etc. He also said "we are operating on a cash basis and paying as we go."

Littlefield Will Play Hubbers

Next Sunday the local baseball club will invade the Hubber stronghold for a one game stand.

With the return of one or two Littlefield men who have been pastiming in the Texas League the past summer and their likely consent and approval being solicited, in all probability the locals should present their strongest bid to win honors next Sunday.

On the other hand the Hubbers, too, are aware that their chances to win are lessened unless they present the best they can recruit for this contest. With continued baseball weather and the question somewhat undecided as to the South Plains champions from a base-ball standpoint, the Littlefield nine feel optimistic regarding next Sunday's game. Having defeated the Hubbers three times to one loss in last four games played is quite an incentive for the coming tussle scheduled.

Local fans should witness two of the strongest semi-pro club's assembled on the Plains in some time. The game is called for 3:30 Sunday afternoon at Merrell Park, Lubbock.

MORLEY B. DRAKE Editor and Publisher

Subscribers who change their addresses, or fail to get their paper, should immediately notify this office, giving both new and old addresses. Communications of local interest are solicited. They should be briefly written, on only one side of the paper, and must reach this office not later than Wednesday noon of each week. The right of revision or rejection is reserved by the publisher.

Advertising that does not show in its text or typography that it is paid for must be marked as an advertisement. All local advertisements remain in this paper for the time specified or until ordered out. All notices of matters not by whom nor for what purpose, if the object is to raise money by admission fee or otherwise, is an advertisement and when sent in for publication must be paid for at the regular advertising rate per line for each issue printed.

Obituaries, cards of thanks, and resolutions of respect will also be charged for at the same rate.

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of the Lamb County Leader will be gladly corrected upon its being brought to the attention of the publisher.

In case of errors or omissions in local or other advertisements, the publisher does not hold himself liable for damage further than the amount received by him for such advertisement.

MILK COWS PLUS HOGS

Hansford County is getting placed on her farms many good Jersey milk cows. Farmers here are seeing the light. Almost a hundred of good blooded cows have been bought by farmers in the last month. This winter they will have plenty of milk and butter for their own use as well as some to sell with which to buy other things. It is good sense and we compliment the farmer.

But we need more hogs in Hansford county. A check-up of the farms over the county reveals a serious shortage of hogs. Many farmers of the county do not have enough hogs for their own meat this winter. This is a bad state of affairs.

Frank Wendt, county agent, says that he is eager to work with farmers on a plan of getting more hogs on Hansford county farms. Now is the time to act. Let's go after those hogs. With plenty of good milk cows, that will afford a quantity of skimmed milk, and cheap wheat to feed this winter, farmers are losing a good bet by not having on hand a good number of porkers.—Spearman Reporter.

Lamb county also should make a special effort to increase the number of hogs on the farms, because hogs are an important unit of a diversified farming program. And diversified farming spells independence and prosperity for the farmers and for the urban residents of any county.

SCHOOL HAS OPENED AGAIN

After a vacation of some months, the boys and girls of Lamb County are back in school. They have had lots of fun, and now they are prepared to do lots of work. There was never a time when it was so imperative that a boy or girl go to school as today. When times were good the boys and girls were all in school, but now that times are hard there will be many that will drop out rather than make the sacrifice necessary to go to school. Surely in this day when education is a necessity this will make a better opportunity for the boy who does go to school.

We would like to urge that boys and girls go to school regardless of the condition of their clothing. They can be clean and neat in the poorest of clothes, and that is all that society has ever demanded of a man. So just keep a level head for we need one when so many people are losing theirs. Boys and girls, let's go! Let's make of the school year 1931-32 the best that we have ever had, despite the fact that "Old Man Depression" seem to be abroad in the land.

MOTORISTS BE CAREFUL

Motorists driving about the school grounds now should be doubly cautious. When in the vicinity of the school, slow down. Many small children scampering about do not know of the dangers of running into the street, matters no how much you drill them about it. Grown-ups must take that responsibility upon themselves. Keep your car under control. When you feel the urge to speed up around the school building, don't do it. If you are in a hurry, better be late than to main or kill a child.

Careless motorists who ignore the warning of officers of the city, should be dealt with severely. Those who persist in reckless driving around the school should be reported. We have no need for scatter-brain carelessness when the lives of children are in danger.

"SUBWAY EXPRESS," MYSTERY THRILLER, WILL BE SHOWN AT PALACE THEATER

Generally speaking it may be said that there are three kinds of detectives. One type, purely fictional, like the famous Sherlock Holmes, depends almost altogether upon deductive reasoning, and solves the most baffling mystery after a few moments of deep thought. Another type might be called that of the stupid cop who jumps at the obvious conclusion and doggedly sticks to it. The third type combines proven police methods and common sense.

Typical examples of these last two types of detectives are seen in "Subway Express," Columbia's all-talking mystery thriller, which will be shown at the Palace theatre Friday and Saturday.

A murder is committed in a jammed New York subway car and Kearney, a plain-clothes man, takes charge of the situation. Soon he is joined by his superior officer, Inspector Killian. All passengers are forbidden to leave the car and the two officers attempt to solve what proves to be an almost baffling mystery.

Time and time again Kearney jumps to what seems to be an obvious solution of the murder. But Inspector Killian is not satisfied. He plods on and on, giving the passengers a rigorous cross-examination, and using practical deductive methods. Finally in a startling denouncement the mass of evidence is so strong against the guilty man that he confesses.

In "Subway Express," Jack Holt plays the part of Inspector Killian, and Aileen Pringle plays opposite in the role of the wife of the murdered man. An exceedingly large cast of well-known stage and screen actors support these two stars. Fred Newmeyer handled the production.

Last Rites Are Held For Beatrice Pearl Pickrell Saturday

Funeral services were conducted Saturday evening about 5:30 by Rev. Bruce Meador, pastor of the First Methodist church here, at the grave in the Littlefield cemetery for Beatrice Pearl Pickrell, aged 19 years, daughter of Mr. and Mrs. C. E. Pickrell of three and one-half miles northeast of Littlefield, who died Friday, September 11, at Wichita Falls, Texas, where she was taking treatment. Burleson & Company, Undertakers, received the body from the 5.28 train, and interment followed immediately.

The deceased had been in poor health for over two years, and had gone to Wichita Falls in an endeavor to improve her health.

She was a Methodist in belief, and was converted about four years ago, but she became ill, and due to that fact had never united with any church, but her desire had always been to become a member of the Methodist church. She had often told her mother she was not afraid to die, which proves her great faith in the Creator.

Besides her parents, the deceased is survived by two brothers, Jim and Roy, both of Littlefield, and a sister Mrs. Iris Hays of Anadarko, Okla.

Littlefield High Freshman Class Elects Officers

The 1931 Freshman class of the Littlefield High school held their first meeting in the High school auditorium, Tuesday, September 15. The following officers were elected:

John R. Tucker—Sponsor.
Leonard Byrd—Assistant Sponsor.
Emery Glass—President.

Ellarene Vause—Secretary and Treasurer.

Gilmer (Cotton) Eagan—Reporter.
Mr. Tucker has been athletic coach and teacher in the High school for the past few years.

Mr. Byrd is a new teacher in High school this year.

LON CAMPBELL

Chevrolet connecting rods are matched in sets of six to within one-quarter ounce, and are individually fitted by hand to the crankshaft. Bearings are of Babbit metal cast into the rods under heavy air pressure and at 800 degrees Fahrenheit.

Possessing the basic goodness of sound design and fine manufacture

CHEVROLET From the selection of raw materials to the completion of the finished Chevrolet product, each process of building, assembling and checking the Chevrolet Six is marked by extreme care and precision. An exhaustive system of test and inspection makes certain that every part meets specified dimensions exactly. Many of these parts are held to limits of one ten-thousandth of an inch. No manufacturer in the industry uses more care or precision in building and testing than Chevrolet.

Just as every part of the car is soundly built, every feature is soundly designed.

In planning the motor, Chevrolet engineers were not content to offer the public anything less than tried and proved design. They knew that the only satisfactory way to get smooth, flexible power in a car is to use at least six cylinders. So they adopted the six-cylinder engine without compromise. And this is what you get in today's Chevrolet Six.

As a result of this sound designing and sound manufacturing, you can buy a Chevrolet and know you are getting a

genuinely good automobile—soundly designed, soundly built, basically and technically right.

Twenty beautiful models, at prices ranging from \$475 to \$675

All prices f. o. b. Flint, Mich., special equipment extra. Low delivered prices and easy G.M.A.C. terms.

Unmeasured Determination

...to Serve Well!

As a pioneer in this territory, the Texas Utilities Company has always pursued the ideal of satisfying customers, large or small, in their every connection with this firm. This ideal is backed by unmeasured determination to serve well. The fulfillment of such a policy cannot be attained 100 per cent, but it is worthwhile striving for. This means keeping customer demands satisfied, not only in new and modern equipment, anticipating future demands, but following through with every detail of service. And whether a person, firm or city, the thing that counts is—

"FRIENDSHIP" THAT ACCUMULATES "FRIENDS"

—and the person, firm or city that has and radiates this personality, backed by the fundamentals that make it worthwhile, is always outstanding.

Texas Utilities Company

Littlefield,

FRUIT GROWING ON THE PLAINS

By L. N. Dalmont
Dalmont Nursery, Plainview

Has fruit growing so far been a success on the Plains? To a great extent it has been a failure, but in time we feel sure that it will be a success, and I wish to explain to the readers of this paper some of the reasons it has been a failure in the past.

We have as good soil for fruit growing—perhaps as good as can be found anywhere, but we have a climate with perhaps as many adverse conditions as any climate. For these reasons people of the Plains need the hardest, latest blooming varieties to be had. Fruit trees need to be

shaped up to suit the climate. It has been a practice to prune fruit trees high. Our reason for this is in order that the orchard may be cultivated close around the body of the trees. This will not do for trees on the Plains because we have too many dry winds and hot sunshine in this country. This is not the case with shade trees as they have rough, tough bark that will stand the drying effects of the sun and winds.

I am sure that high pruning has caused the destruction of more fruit trees than any one thing. Trees do not die of old age, they die for want of necessary conditions, chiefly plant food and moisture. They should be kept free from insect pests and disease.

Preparation of Soil

In order to succeed with an orchard, it is best to thoroughly prepare the soil by deep breaking, and after planting, give the best of cultivation. In time of extreme dry weather, it might help to irrigate if the irrigation is applied as it should be. But I am of the opinion that so far there has been more harm done by irrigation than good.

It is important to commence to shape up trees when you plant them, and should be done with a view of shaping the trees up so that the sun will not shine on the body of the tree, and over the soil that covers the roots. This way they will stand dry weather much better, and the bark will not blister on the southwest side of the tree. If they are pruned high in hot dry weather the bark will blister on the southwest side, then the borers get in and cause the tree to weaken. The result is the destruction of the tree. In order to prevent this, one must start to shape the tree when it is first planted, by leaving the buds and limbs that are inclined to the southwest, and cut the limbs and shave off the buds that are on the north and east side forcing the growth to the south and west. This will protect the tree from the hot dry winds, sun, and hail. We know that fruit has been a failure for the past two years. But I am glad to say that I am demonstrating the fact in my orchard fourteen miles southeast of Plainview, that I have trees that are bearing good crops this year, of plums, cherries and peaches.

I find that people can hardly believe what I am telling, knowing the conditions that we have had the past two years and want to know how I have protected my trees.

These are fruits I have originated myself, by crossing hardy varieties together. The Never Fail plums are a cross between a hardy American plum and a hardy Chicasaw plum. This hardy Chicasaw is called the Wonder, and of good quality. The Never Fail plum blooms from the 15 of April to the 15th of May.

The Sure Shot peach is a cross between the General Lee peach and a hardy Native seedling. It bore last year and this year. I feel that fruits that will do this are pretty sure, and ought to be profitable to grow on the Plains.

We will be glad to have anyone

interested to come at once. We will show them trees that are bearing, but want to say that all our trees are not bearing this way, but have hundreds of trees that are not bearing at all.

Among the hardest of the fruits in general use now is the Hanson varieties, which are crossed between the Rocky Mountain cherry and large plums. The fruits gets its hardness from the Rocky Mountain cherry. Some of these are bearing a partial crop this year.

We feel sure that as time passes there will be more new varieties originated that are hardy, and can be depended on for a crop almost every year.

Urges "Live at Home"

As we are undergoing a great financial change, there will have to be a more economical system established in our way of living. I believe it will have to be brought about by everyone who can, to raise their own living at home, and everyone that does not have a home should try to acquire one, and raise what they need. And if possible raise something to sell. This can be done by raising vegetables, fruits, chickens, hogs, and cattle; so as to furnish at least all the vegetables, fruit, eggs, milk and butter for family use.

Some may think this cannot be done, it has been done, and I think it can be done again if it has to be.

We have learned that fruit and vegetables are the most wholesome foods for man, and there is no reason why on this rich soil of ours, with plenty of water, that we should not be able to raise an abundance of the best of foods.

God in his providence has kept the best country to the last, and we should show our appreciation by sur-

rounding our homes with conveniences and beauties until it will not be necessary to go to California or any other State on a vacation.

Upsets old ideas OF oil stove speed

NEW INVENTION

HIGH-POWER BURNER

No. R-609 New Range in pastel green, ivory and black. Five High-Power Burners.

30% faster . . .
easy to light . . . economical of fuel

BEFORE YOU BUY ANY STOVE

Consider the cost of fuel. Modern kerosene, (coal oil), is the economical fuel . . . convenient, dependable, always easy to get in any quantity.

High-Power Perfection stoves give all the cooking speed of the more costly fuels . . . using the most economical of fuels . . . safe, clean kerosene.

Greatest oil stove improvement in 25 years! All previous burners are now out-of-date. Here's heat to speed the breakfast coffee. Heat to boil the kettle in a hurry. Heat to make a sizzling hot frying pan in less than 2 minutes!

High-Power speed, as fast as a standard city gas burner! All the heat you can ever need for quick roasting, for biscuits and pastry baking, yet easily controlled for custards and angel cake.

Over 30% more speed, with a saving on every fuel dollar! High-Power Perfection

cooking uses less kerosene per meal. Every Perfection has a new dress of modern color. Soft pastel green, dainty ivory and lustrous satin black. Smooth porcelain, lacquer and baked enamel finishes. Sturdy steel construction.

New Perfections in color—from \$18.50 up See the new Perfections at your dealer's. Choose the one you like best, and start this week to enjoy its speed and convenience. No pipes or wires, no chimney connection . . . just place it where it saves most steps . . . and it's ready to cook.

CHURCHES

FRESBYTERIAN LADIES MEET WITH MRS. HODGES
 The Presbyterian ladies auxiliary met in regular session September 14, at the home of Mrs. S. T. Hodges. Meeting was opened by song and prayer. Mrs. A. P. Duggan had charge of the devotional. Mrs. F. W. Wynn gave an interesting lesson. The following members were present: Mesdames A. P. Ament, E. Barber, C. C. Clements, A. P. Duggan, J. S. Hilliard, F. S. Hodges, W. H. Walker, H. W. Wiseman, F. W. Wynn, A. D. Repp and the hostess, Mrs. S. T. Hodges.

CHURCH OF CHRIST LADIES MEET WITH MRS. KIMMEL
 The ladies Bible class met last Monday at 3:30 p. m. with Mrs. T. L. Kimmel.

The lesson began by singing "Savior Like a Shepherd," prayer by Mrs. Kimmel. Lesson study on Matt 26 to 28. Song—An Evening Prayer. Closing prayer by Mrs. Hood. The following ladies were present: Mesdames Mayhew, Mills, Clements, Bigham, Hilbun, Davenport, Pace, Stone, Adams, Vernon, Young, Stewart, Bennet, Smith, Duke, Foust, Hood, Armstrong and Kimmel. The class meets next week with Mrs. B. A. Mills east of town.

FIRST BAPTIST CHURCH
 Sunday, Sept. 20
 Regular services will be held next Sunday.
 Sunday school promptly at 9:45. The pastor has been teaching the men's class for a few months past, but has resigned the class to become teacher of the downtown Bible class. Judge Rowe has been elected to teach this class, and will take up his duties next Sunday morning. Another important change in the Sunday school is that of the intermediate and young people's department changing rooms. The young

people's department will be found on the first floor, where a suit of five rooms will be made ready for their use. This department is rapidly growing, and all young people of the town invited to take part.
 At 11 o'clock the pastor will speak on the subject "Freedom and Truth." All B. Y. P. U.'s will meet promptly at 7:15 p. m.
 Evening worship at 8:15.
 We invite the public to all our services.
 Joe F. Grizzle, Pastor.

ROYAL SERVICE PROGRAM ENJOYED BY FIRST BAPTIST LADIES MONDAY AFTERNOON

One of the most delightful programs of the year was enjoyed by more than thirty ladies Monday afternoon, when the W. M. U. of the Baptist church gathered in the attractive home of Mrs. L. C. Grissom for "Royal Service" study and social hour. The ladies in charge had prepared a most unique program, and every feature was in perfect harmony from the first song "Let the Lower Lights be Burning," to the benediction. Mrs. Heathman conducted the devotional, reading the Biblical story of the conversion of the Ethiopian, then speaking of the great service Africa had rendered to the civilized world, reminding us of the truth that this land cradled the race that gave our Savior birth, and protected him in his infancy, and helped him carry the cross to Calvary. At the conclusion of this pathetic appeal, the other speakers of the evening were introduced, the initial letter of their topic forming an acrostic spelling the word "Africa."

Mrs. Rains spoke of its vast area. It is hard to imagine a country large enough to contain Norway, Sweden, France, Germany, Italy, China, Argentina, India, and the United States, and still have space to spare. Mrs. Miller came next speaking of the peculiar "Folks" of the dark continent, a very interesting subject. Mrs. Mueller followed. Her topic was the three Sunday schools. Mrs. Brannen then gave an interesting humorous talk on recent improvement. Mrs. Pullen

featured the social customs of this strange land and Mrs. McCaskill concluded this part of the program with a characteristic speech on the afflictions of Africa.
 Our church is striving to keep three great lights brightly burning in the benighted land, the light of education, the light of healing, and the light of evangelism. Three ladies represented these lights, using blazing tapers to symbolize our work, while they gave a verbal picture of the Great Light, the Gospel, that is dispelling the gloom in many lands. The missionary program concluded, the ladies enjoyed to the full, the social hour.

We were all eager to learn the real names of our Forget-me-Nots during the last three months. Each lady was told she must imitate the friend whose name she had drawn, and, well, you can imagine the result. These sedate adults were soon as merry and carefree as their own kiddies are during vacation days and folks there was one lone "Lord of Creation," who enjoyed the fun and the delicious refreshments as much as anyone. I will not reveal his name, but Mrs. Joe Grizzle is thoroughly convinced that he richly deserves the title mentioned above.
 A very pleasant time was also enjoyed Tuesday, when the ladies of the other churches of the city were our guests for the afternoon.

METHODIST CHURCH
 Sunday, September 20.

We had a very large crowd at church last Sunday and a very interesting service at the close. We received into the church the following new members:
 Floyd Hemphill, J. V. Eagan, and Mrs. J. V. Eagan, L. F. Hopkins and Mrs. Hopkins. Mr. J. V. Eagan now has charge of the choir and we are having choir practice each Monday evening. Come with us to our services next Sunday and you will hear some splendid music. Preaching at 11 o'clock and 8 p. m. by the pastor. We have a very live Sunday school that meets at 10 o'clock. The young peoples' are now meeting at 7:25. We extend a cordial invitation to all to worship with us.
 —C. B. Meador, Pastor.

Lamb County Singing Convention at Lum's Chapel Next Sunday

The semi-annual Plateau Singing association of Lamb Co., will meet at Lum's Chapel, 5 miles south of Littlefield, Sunday next at 10 a. m. Every citizen of Lamb county who loves singing, is urgently requested to be present and bring a basket well filled. We know there is a depression on, but come and let's sing our troubles away.
 This is a county affair and Lum's Chapel is not expected to bear all the burdens of this convention. Let's all turn out not in the afternoon, but in the morning with baskets well filled with good things to eat, and make this a gala day. Remember the date, next Sunday, all day, with baskets well filled.
 Zed Robinson,
 H. O. Carey,
 Joe Covington,
 Happy Jordan, committee
 NOTE:—The citizenship of Littlefield is especially invited to help Lum's Chapel to entertain this congregation. They are our neighbors, friends and customers. Turn out and show your loyalty in place of coming in the afternoon. Come in the forenoon and bring your baskets well filled.
 J. E. Brannen, Advisory Committee.

Partial List Of Awards At Fair Are Announced

A good attendance is reported at the Lamb County Fair held at Amherst, Thursday, Friday and Saturday of last week. The winners at the Fair, as announced by D. A. Adams, county agent, are as follows:

Mrs. J. H. Arnett Entertains With Delightful Party At Her Home Saturday Last

The beautiful home of Mr. and Mrs. John Arnett at 411 East Eighth street, was the scene of one of the most delightful parties of the season, Thursday, when Mrs. Arnett entertained the members of the Bridge Luncheon club, and a number of other guests.

The color scheme of black and yellow was featured throughout the party in the decorations, cards, tallies, and score pads, and lovely large bowls of golden glow graced the entertaining rooms.

Mrs. C. C. Clements was awarded high score prize; Mrs. Dick Johnson received second high, and Mrs. C. E. Cooper was awarded the guest prize. Those enjoying this social affair were: Mesdames T. Wade Potter, W. C. Cooper, Phelps Walker, C. C. Clements, Everett Whicker, Charles Harrison, Clyde Hilburn, J. W. Poreh, Dick Johnson, and C. E. Cooper, members; and out of town guests were Miss Nell Stogner of Oklahoma City, and Misses Evelyn Phelps and Walter Turner of Fort Worth.

Rev. Marvin Boyd of Cisco, Texas, arrived Tuesday to spend a few days in the home of Rev. and Mrs. E. B. Meador. Rev. Boyd has just finished taking his doctor's degree at the Southern Methodist University, Dallas, and will join the Northwest Texas Conference this fall at Vernon.

MRS. GERTRUDE WILLIAMS IS HOSTESS AT SHOWER

The members of the Methodist missionary society were hostess at a lovely shower complimenting Mrs. Herbert Teal at the home of Mrs. Gertrude Williams at 406 W. Third street, Thursday evening.

A profusion of cut flowers made the entertaining rooms unusually attractive.

Pink and white were the predominant colors featured in the appointments of the party, and later in the refreshments served.

Little Cally Faye Shelton and Billie Lyman, in their sweet and winsome way, presented the gifts to the honoree in a very unique way. This was followed by a splendid program, including several contests, which were enjoyed immensely, and some very clever readings by Mrs. C. W. Igou, entitled "A Kentucky Watermelon," and "How the Jones Family Blew out the Light," and by Mrs. B. L. Cogdill.

At the close of the program delicious refreshments, consisting of fruit punch, cake and nuts were served to the large number present.

MISS NEWGENT ENTERTAINS WITH SLUMBER PARTY

Miss Mary Ruth Newgent was hostess Thursday evening to a number of her friends at a delightful slumber

party at the home of her parents, 709 E. 8th street.

The guests all attended the picture at the Palace Theatre—"The Girl Habit," after which they played games and enjoyed the party until a late hour. The next morning they prepared their breakfast, and returned to their respective homes.

Those enjoying the party were: Misses Irene Hobbs, Fieta Eagan, Maurine Harvey, Mary Duncan, Willie Harrell, Myrtle Shaw, Dorothy Harrison, Prudence Courtney, Olga Henson, and Helen Rumbach.

SLUMBER PARTY IS ENJOYED SATURDAY EVENING

A group of the younger set enjoyed a slumber party at the home of Miss Virgie Mae Smith Saturday evening, when Miss Smith and Mrs. Juanita Mills were joint hostesses.

The first part of the evening was spent in taking in the Fair at Amherst, after which the merry group attended the midnight show at the Palace, seeing Joan Crawford, in "Laughing Sinners." This was followed by a watermelon feast, which continued until an early hour.

In the morning, a sunrise breakfast on the campus was enjoyed, after which all scattered for their respective homes.

The guest list included: Misses Onita Lowe, Olga Henson, Prudence Courtney, Hillrie Luke, Vera Foust, Virginia Staggers, Veneta Seally, Dovey Smith and Vee Jackson of Slaton.

Bowling Alley Is Opened In Littlefield

An important addition to the recreational life of Littlefield is the Wildcat Bowling Alley, which has been opened in the building formerly occupied by the Grocery Guild, just south of the Palace theater.

The new recreational center has been opened by M. D. Carroll and J. B. Hankins, who have both had extensive experience in the operation of bowling alleys.

One of the features of the new amusement center will be the variety of bowling games which will be introduced. It is also planned to have tournaments.

Mr. Carroll and Mr. Hankins announce that they will operate a clean amusement center, free from boisterous language.

The new recreational center is for both men and women at all times, but in courtesy to the women, the management will give them the opportunity to bowl free of charge from 2 to 5 p. m. each Wednesday.

Mrs. Zack Isbell and daughter, Patty Lou, returned Sunday from Waurika, Oklahoma, where they visited Mrs. Isbell's parents, Mr. and Mrs. J. R. Doss. Mr. Isbell met his wife and daughter at Paducah, and returned to Littlefield with them. While on the vacation, Patty Lou had her tonsils removed at Wichita Falls.

BIRTHS

Mr. and Mrs. Horace Smith are the proud parents of a fine baby girl born Sunday, twelve o'clock noon. The little Miss weighs 7 3/4 pounds. Both mother and baby are doing nicely.

Mr. and Mrs. A. M. Fowler of Mansfield are visiting their sons, Beauford and Marvin, of eight miles south east of Littlefield this week.

**American Legion
Auxiliary Elect
Officers For Year**

The local unit of the American Legion auxiliary met in regular session Monday evening in the basement of the First Presbyterian church for the annual election of officers.

Mrs. T. Wade Potter, retiring president, who for the past two years has served the auxiliary in that capacity, and who is to be commended for her executive ability and untiring efforts in the work of the organization, is succeeded by Mrs. Neal A. Douglass. Additional officers elected for the ensuing year are: Mrs. Roy Blessing, vice-president; Mrs. R. E. Riley, secretary and treasurer; Mrs. T. Wade Potter, historian; Miss Nell Evanson, Chaplain; Mrs. C. H. Yeary, sergeant-at-arms; and Mrs. Arbie Joplin, reporter. The executive committee is composed of the officers and Mrs. J. R. Coen, Mrs. Bob Childress and Miss Erna Douglass.

Mrs. Riley, who went as a delegate from the organization to the 13th Annual State Convention of the American Legion and auxiliary, held recently at El Paso, gave an interesting report of the convention, stressing Child Welfare topics, which was among the main features of the Woman's meeting. She also made a report of the recent food sale, which proceeds amounted to \$5.05.

Plans were discussed concerning the poppy sale to be held Saturday preceding Armistice Day. Meetings twice each month will be resumed, with the next meeting being September 28. Mesdames Bob Childress and Neal A. Douglass will be hostesses. At the close of the meeting refreshments of ice cream and cake were served by Mrs. Roy Blessing to the auxiliary and members of the American Legion post.

**Several Cases of
Scarlet Fever and
Diphtheria Reported**

Several cases of Scarlet fever and diphtheria are being reported in this community. The six year old son of J. R. Perry of near Fieldton has been ill with scarlet fever and diphtheria, but according to his physician, Dr. T. B. Duke, he is getting along fine.

The eight year son of Paul Cantrell of seven miles southwest of Littlefield took ill, Tuesday of last week and upon calling medical attention, was found to have scarlet fever. Later on Friday, he showed signs of taking the diphtheria, and toxine was administered him.

Another case is that of Mr. and Mrs. Singer's little six year old son, who live eight miles northeast of town. According to the doctor in attendance, he is showing improvement.

**W. H. Badger Leaves
Monday for Austin**

Mr. W. H. Badger, manager of the Yellow House Land company, who has been attending to business matters here for the past several weeks, left Littlefield Monday for Austin, to be gone until about October 1. En route to Austin he spent a day transacting business in San Angelo.

Rev. Joe F. Grizzle and Mrs. Grizzle attended the Baptist associational meeting at Abernethy day. While the meeting was in progress Mr. Grizzle received a message asking that he officiate at a funeral at Portales Friday afternoon. He immediately left the meeting for Portales, and preached the burial service. The deceased had been a member of the Baptist church for some time while Mr. Grizzle was pastor of the Baptist church of Portales, and Mrs. Grizzle returned the evening to Littlefield.

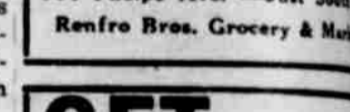

The site for the proposed 800 federal building at Big Spring has been secured.

AMERICA'S ONLY REFINER OF GERM PROCESSED OIL OFFERS ...

\$10,000 IN CASH PRIZES

FOR THE BEST ANSWERS EXPLAINING THE **MYSTERY OF THE "HIDDEN QUART"** AND TELLING HOW THIS QUART BENEFITS MOTORISTS

THE QUESTION
"What becomes of the 'hidden quart' and how does this quart benefit the motorist?"

Ask at any Conoco Station or Conoco Dealer for free entry blank, which contains information about Conoco Germ Processed Motor Oil that may help you win. Conoco Station and Dealer employees will gladly answer your questions. Remember, you do not have to buy anything to enter this contest. . . Any Conoco Station or Conoco Dealer will give you, free of charge, a convenient Official Contest Entry Blank for writing your answer.

Answers written on one side only of any plain white paper will be accepted as accredited entries in the contest. But we recommend that you secure an Official Contest Entry Blank, which gives valuable information about Conoco Germ Processed Motor Oil and its operation in motors—clues about the "hidden quart" that may help you write an answer that will win a prize.

COMPLETE RULES OF CONTEST

- Answers may be any length not exceeding 200 words; length of answers will not determine winners. Write answers on Official Contest Entry Blanks preferably, or on plain white paper. Conoco Stations and Dealers will give you an Official Contest Entry Blank free. Elaborate presentations of answers will not count in your favor.
- Write your answer in plain, simple language. Technical terms or special scientific knowledge will not influence the judges.
- Contest closes midnight, Sept. 28, 1931, and no entries bearing postmarks after midnight, Sept. 28, 1931, will be accepted.
- Contest open to everybody except employees and executives of the Continental Oil Company, Conoco Stations, Conoco Dealers and the Company's advertising agency, and their families.
- In case of tie, both contestants will receive full amount of prize tied for.
- You do not have to use or purchase Conoco Germ Processed Motor Oil or other Conoco products to compete for prizes.
- All entries submitted, whether or not they win prizes, become the property of the Continental Oil Company and may be used in advertising without payment, and none can be returned to senders.

CONTEST CLOSING MIDNIGHT, SEPT. 28, 1931
ADDRESS ALL COMMUNICATIONS TO "CONTEST OFFICIAL"
CONTINENTAL OIL COMPANY, PONCA CITY, OKLAHOMA

29 PRIZES
First Prize \$5,000
Second Prize \$2,000
Third Prize \$1,000
4th and 5th Prizes \$500
6th, 7th, 8th and 9th Prizes \$100
10th, 11th, 12th and 13th Prizes \$50
14th through 29th Prizes \$25

1,800 TAKE PART IN RENFRO BROTHERS SECOND ANNIVERSARY CELEBRATION

According to Raymond Renfro of Renfro Brothers Grocery & Market, more than 1,800 customers attended their second anniversary food sale Saturday last.

Raymond and Norman Renfro, known throughout Littlefield and this section as the "Renfro Twins," established their business on September 11, 1929, and have enjoyed a good business since that date.

On Friday and Saturday last they put on a gigantic food sale as the outstanding feature of their second anniversary, and report that they sold more merchandise on Saturday last

than they have in any one day this year.

Renfro Bros. carried a page advertisement in the Leader last week, and expressed themselves as well satisfied with the results received, saying they had a large number of stranger visitors Friday and Saturday — people who would no doubt return and be steady customers.

Free demonstrations of food products were carried out all day Saturday in connection with the observance of their second anniversary. Porter Giles, representing the Jacob Doid Packing company, served sandwiches. This concern supply Renfro

Bros. with a portion of their meats, and baked ham, minced ham and Bologna, were used in the sandwiches. Mr. Sanford, assisted by Miss Olga Henson, served Maxwell House Coffee and jello on behalf of General Foods; and cookies and crackers were served free by a representative of Brown's Cracker company.

The Renfro Bros. expressed their appreciation to the people of Littlefield and Lamb county for making their anniversary such a success, and assure them that they will always endeavor to give the best in merchandise and service.

UTILITY —P1
(Continued From Page 1)

at the meeting Mr. Brannen suggested that the matter of municipal light plant be taken up with the companies who have put these in other towns, and that all particulars be secured, and another mass meeting held later. He pointed out that different towns who had these plants were making good returns on the investment.

Gas rates were also fully discussed and comparisons made with other cities and towns. It was also pointed out that the recent reduction in gas rates did not benefit the general business or private individual.

Telephone rates were also discussed, but since no details were secured along this line, the matter was referred to the committee to investigate and report on at a later date.

Mayor Sales said in regard to the rates: "There are a lot of things which we could put out, but it is hearsay. We want the facts and figures along with it, and it will be the duty of this commission to go to different towns and investigate their rates. We want the city to keep growing, and we do not want anyone to lose money when they are not entitled to, and that will be the object of this committee to dig into those things and get the matter lined up right. The people living here are paying the same rates as they paid in 1926, 1927, and 1928, when they were making money, and so we cannot blame them for complaining to us about it. We expect to do the very best we can, but we must have

the support of the citizens in order to put it over."

Before the close of the meeting a committee was appointed on behalf of the City Commission to work with the committee appointed earlier in the day, in making an investigation as to rates, who will also report their findings to the commission. Those appointed to serve on this committee were; J. T. Bellomy, chairman, W. E. Jeffries and S. L. Adams.

The members of the different committees met with the city commission Wednesday night for the purpose of securing data that is now on hand with the commissioners in regard to public utility rates.

S. L. Adams announced Wednesday that he will refuse to serve on the committee. He did not attend Tuesday night's meeting at the city hall.

by the citizens of the town.
What do you think?
TIME FOR JOE'S CLASS—9:45 A. M. SUNDAY — PALACE THEATER.

TWO SOULS MADE HAPPY!
We went into the Bob & Will Grocery and Market recently with friend wife who made a purchase of groceries. When the transaction was completed, the Will of the firm remarked:
"Two souls made happy—Bob and Will."

WE THINK—
That the city officials should be commended on the splendid work put on the City Hall lawn recently. It has been planted to Bermuda grass,

and is being watered regularly. By next spring there will be a nice green lawn around the City Hall.
We think that will be something of which we can all be proud.
What do you think?

Don't forget to buy a Paddle Pop — Eagle Drug Store.

Rebekah Service To Be Held At First Baptist

A special Rebekah service will be held Sunday evening at 8:30 at the First Baptist church in observance of the birthday of the founder of the Rebekah lodge, at which time a history of the Rebekah lodge and a talk on fellowship will be given.

Rev. Joe Grizzle will have charge of the service, to which all members of Rebekah lodg No. 61 and other Rebekah lodges are urged to attend. The public is also cordially invited to be present.

WE THINK—
