## LITTLEFIELD TRADES DAY WILL BE COMBINED WITH NATIONAL INDEPENDENCE CELEBRATION DAY TO BE HELD ON JULY 1st

Next Littlefield Trades Day will be held on Monday, July 1st, which is a few days ahead of American National Independence day, coming on July 4th, and it is planned to combine the celebration of Trades Day and a National Independence celebration on that day, according to decision of the Chamber of Commerce officials.

## SOUTHLAND GETS A SHOCKING LOSS FROM LITTLEFIELD CATS, SCORE 7-3

A baseball game played here Sunday afternoon between the Southland Littlefield Cats was the most interesting of the season to date. Six innings Ted Neil kept the Southland well in hand and held them scoreless until the seventh. The visitors were breezing with a 3-0 lead which they put up in the fourth and fifth innings.

In the seventh, Alex DeLong, rangy man for the Cats, connected with the first ball pitched for a long left center. Fox was safe when he hit to short who touched second base in an at-temptable play, and beat the ball. Thornton hoisted out to short, but Ratliff walked, filling the bases. Stone struck out, Hanks hit in front of the plate, scoring. There was considerable discussion after the umpire's decision that the runner was safe.

In the eighth Fox hit one left field for four bases. He was shot one over the center and for another four bagger, scoring for the game ended. The Cats still undefeated.

The best crowd of the season given a chance to see six of air tight baseball. It was a case of three up and three down close plays and the visiting edge on things until the end.

Sunday the fans will have an opportunity to see a team in action as Lubbock and Southland are coming here to take the Cats in this team is the fast Tahoka team piloted by the veteran pitcher, who has played professional semi-professional baseball for several years past.

Some boys know they must match with this baseball team, and will certainly need the aid of all local fans.

Hand with the Cats at the next Sunday the 16th.

## WANT TO BE CUT FROM LFD DISTRICT

At a meeting of the Board of Directors, Littlefield Independent School district, held Monday night, it was ordered that some of the territory lying east of Littlefield should be released so as to form a new school district in the Spade community settlement, the action being taken following presentation of a petition largely signed by citizens of that section. At the same time there were presented two other lesser petitions of a negative nature.

Discussing the matter, it was pointed out that the formation of the new district would tend to relieve somewhat the rapidly mounting expense of the Littlefield district, and the release of several pupils to another district would render unnecessary additional expense in enlarging of school buildings in Littlefield which otherwise would have been required to accommodate the increasing number of pupils.

However, it was also stated, that following the action of the Littlefield School Board, the matter would now be referred to the County School Board for decision, after which action would have to be taken upon refunding bonds, trustees elected for the new district, bonds to finance the new proposition issued and a new building erected. All of which would probably take until sometime in March of next year, during which time the children of the newly created district would be without school privileges.

At a later meeting held Wednesday morning, it was agreed that the new district should not take effect until January 1930.

riotic character and big fire works display at night.

The barometer of interest in this combined event is already rising, and prognosticators already declaring a record-breaking attendance will be on hand for that day.

The buying public is urged to not forget to ask for trade tickets given away here by merchants, filling stations, and other business places. It takes only one ticket to get the prize pure bred heifer, hog or pen of chickens. Be sure to get your tickets.

## CITY RENEWS THE GAS FRANCHISE OF WEST TEXAS CO.

At a special meeting of the City Commission held last Thursday night a new contract for gas service in Littlefield was signed with the West Texas Gas Co., of Amarillo, and it is understood that the laying of gas mains in this city will start not later than September 1.

The new franchise provides a charge for domestic use at rate of \$1.50 for the first 1,000 cubic feet or less, and sixty-seven and one-half cents per thousand cubic feet for all gas used in excess of the first 1,000 feet, which rate is somewhat higher than that contained in the first franchise granted about a year ago. In the case of public buildings, churches, hotels and apartments, where considerable larger amounts of gas will be consumed, after the first 49,000 cubic feet over the minimum amount are consumed a rate of 67½ cents per 1,000 feet will be in force; for the next 100,000 cubic feet, 50 cents, and for all gas used in excess of 150,000 cubic feet per month, 40 cents per 1,000 cubic feet.

The gas rate for industrial purposes is \$1.50 for the first 1,000 cubic feet used, larger quantities being as follows, per month:

Next 49,000 cu. ft. per mo.	45¢ per M
Next 150,000 cu. ft. per mo.	35¢ M
Next 300,000 cu. ft. per mo.	30¢ M
Next 500,000 cu. ft. per mo.	25¢ M
Next 10,000,000 cu. ft.	22½¢ per M
Next 20,000,000 cu. ft.	20¢ M
Next 29,000,000 cu. ft.	18¢ per M
Next 60,000,000 cu. ft.	16½¢ per M
All above 120,000,000 cu. ft.	15¢ M

The minimum for industrial gas service is \$25.00 per month.

## SPADE COMMUNITY WANTS TO BE CUT FROM LFD DISTRICT

At a meeting of the Board of Directors, Littlefield Independent School district, held Monday night, it was ordered that some of the territory lying east of Littlefield should be released so as to form a new school district in the Spade community settlement, the action being taken following presentation of a petition largely signed by citizens of that section. At the same time there were presented two other lesser petitions of a negative nature.

Discussing the matter, it was pointed out that the formation of the new district would tend to relieve somewhat the rapidly mounting expense of the Littlefield district, and the release of several pupils to another district would render unnecessary additional expense in enlarging of school buildings in Littlefield which otherwise would have been required to accommodate the increasing number of pupils.

However, it was also stated, that following the action of the Littlefield School Board, the matter would now be referred to the County School Board for decision, after which action would have to be taken upon refunding bonds, trustees elected for the new district, bonds to finance the new proposition issued and a new building erected. All of which would probably take until sometime in March of next year, during which time the children of the newly created district would be without school privileges.

At a later meeting held Wednesday morning, it was agreed that the new district should not take effect until January 1930.

## Dad's Day - One Day When He Gets Something Besides Bills

By Albert T. Reid

## Cold Storage Plant Is Being Installed In Lfd By W. H. Heinen

Littlefield is soon to have its own cold storage and refrigeration system according to W. H. Heinen, who has placed an order for a "Baker" system of refrigeration. In fact, some of the machinery has already arrived and more is expected in the near future, with a completion of the project within the coming 30 days, when he will be ready for service to the public.

This new plant is to be housed in the basement of the brick he owns on State Highway avenue, that building being 38x90 feet. The plant will contain three cooling rooms, each capable of storing more than a carload of commodities, the average storage temperature being around 29 degrees for each of the rooms. Each room will have a separate entrance as well as connecting entrances so they may be used either singly or together.

This new enterprise is something that has long been needed in Littlefield and will be a great accommodation to parties desiring cold storage for turkeys, chickens, eggs, garden products, melons, etc. It will no doubt be a paying investment from the very beginning.

## FOUR TRACTORS AND TWO NEW GRADERS RECENTLY PURCHASED BY COMMISSIONERS PROVIDE FOR BETTER COUNTY HIGHWAYS

Last Saturday the last shipment was received of road working machinery recently purchased by Lamb County Commissioners. Each Commissioner now has a tractor and grader for his precinct.

Recent purchases consisted of three caterpillar 60 h. p. tractors, 1 Bates 80 h. p. tractor and two big Stockton graders for precincts three and four. Adams graders, previously purchased, are being used in precincts one and two.

Heretofore the Commissioners have been seriously handicapped in doing efficient road work owing to the lack of sufficient machinery for each precinct, each Commissioner having to divide time with another in using such equipment as was available, according to Commissioner Ellis Foust, of the Fourth precinct, but now each Commissioner will be able to outline his road work campaign and carry it on without delay or interference.

Commissioner Foust is now working on the highway leading toward Pep, which will be put into condition to the Hockley county line, as will also the road leading to Enochs.

Commissioner Strawn, who last Saturday received equipment for his precinct, began road work in precinct three the first of this week.

## CHECKS STOLEN AND FORGED

Sometime about a week ago a pad of blank Mistletoe Creamery checks were stolen from the Littlefield cream station. There were 67 of them in the pad, machine numbered from 32,733 to 32,800, inclusive.

Some of these checks filled out in sums ranging from \$4.50 to \$16.00, with signatures attached said to be forged, are now showing up, some of which have already been cashed by business men in Littlefield and Amherst.

The public is advised to be watchful of checks on the Mistletoe Creamery Co., Amarillo, bearing the above indicated numbers, as this company and the bank, of Littlefield, will appreciate any information leading to the one who took the blank checks and is fraudulently using them.

## ORDER SIDEWALKS ON MAIN

The City Commission at a special meeting last Thursday issued an order that all sidewalks on each side of Main street from the State highway to the City Park should be put in immediately.

Many of the property owners have already complied with this request during the past 90 days, and it is expected that all others shall do so in the near future.

## Chamber of Commerce Endorses Patriotic Program Trades Day

At the luncheon meeting of the Chamber of Commerce held Tuesday it was ordered that Trades Day program, Monday, July 1 should be combined with the celebration of National Independence day which comes only three days later, and that there should be a program of a patriotic nature as well, including patriotic speeches and fireworks display in the evening.

Several committeemen made interesting reports of their activities during the past week.

J. R. Sikes and J. A. R. Rome, of Dallas, auditors for the Farm Bureau gin department, were present as the guests of J. T. Elms, both making short talks in which they expressed their surprise at the wonderful development of this new section.

J. W. Hale, Colorado City, present as the guest of J. C. Hilburn, gave an interesting address on team-work.

Arthur P. Duggan, former president of West Texas Chamber of Commerce, returning recently from Wichita, Kansas, gave an interesting talk on the value of co-operation.

## SERVING IN COSTA RICA

Dr. W. H. Anderson, this city, is this week in receipt of a letter from his daughter, Miss Dorothy Anderson, supervisor of nurses in Costa Rica, in which she reports the pleasant progress of her work in that country.

Miss Anderson is well known in Littlefield, and before leaving for the tropics was Supervisor of Nurses in New Mexico. She signed with the government of that country for one year's service and will probably renew her contract at the expiration of that period.

She is just recovering from an attack of tropical fever, and in her letter to her father told something of the numerous pitiful human conditions existing there and the great need of such work as is being carried on by her department.

## SHERIFF GETS HIS MAN

Sheriff Len Irvin returned last Saturday night from Salmon City, Idaho, where he went to bring back Jack Vance on a statutory charge in connection with a girl living east of Littlefield. The trip was made without any difficulty.

Irvin states there was plenty of snow up there, three inches falling while he was in the state. "Texas for me" said the Sheriff.

Irvin also arrested T. J. Watson last Sunday, taking him to Seymour, where he is wanted on an alleged charge of swindling.

## BRANNEN TO HEAD COMMERCIAL BODY FOR COMING YEAR

At the annual meeting of the Littlefield Chamber of Commerce held Tuesday night J. E. Brannen was elected president and E. S. Rowe, vice president, being unanimously chosen by the membership. Both men are leading citizens of the town, have lived here for several years and are well acquainted with conditions and needs, and are well qualified for the duties of their respective offices. J. C. Hilburn, president of the First National Bank, was unanimously chosen treasurer of the organization.

On motion of R. E. McCaskill the entire Board of Directors, consisting of nine members, tendered their resignation, which was accepted, and a new board was chosen as follows: Hilliard, Otto Jones, E. A. Bills, T. Mon D. Thaxton, F. G. Sadler, J. S. Wade Potter, Wm. J. Harris, T. S. Sales and R. E. McCaskill. The first three named will serve one year each, the second three two years each, and the third three three years each, there being three new directors to be elected annually from now on.

On motion by E. A. Bills a committee was appointed by President Brannen to revise the present constitution and by-laws. That committee consists of E. A. Bills, T. Wade Potter, E. S. Rowe, Jess Mitchell, W. B. Denton, F. G. Sadler and J. S. Hilliard.

It was also ordered that all funds should be immediately turned over to the new treasurer, that no bills should be allowed without the approval of the Board of Directors, and that all checks issued by the secretary should be countersigned by the treasurer before payment would be given.

It was voted that a mass meeting of the membership would be held each third Tuesday night of the month for discussion of such matters as were of interest to the organization.

A resolution of thanks and appreciation was tendered the retiring officers and directors.

President Brannen expressed his appreciation for the honor conferred upon him and his desire to be of the greatest service possible to the organization. He enumerated a number of important matters which he would urge accomplishing and solicited the hearty co-operation of the entire membership in making the coming fiscal year one of large success.

## CROP PROSPECTS HERE ARE BEST IN STATE SAY CITIZENS

A. G. Hemphill, W. S. Mitchell, Kenneth Hemphill and W. G. Page returned last week from a trip to Oklahoma City, returning via Dallas, and state that nowhere on their trip did they find better crop prospects than here on the South Plains country. Much of the country over which they traveled had suffered from excessive rainfall, in many places the blighted crops still standing in mud and water. Not until they reached the caprock returning, did cotton begin to look real good, they said.

In this connection, J. T. Elms, local Farm Bureau ginner, is in receipt of a report from 44 counties of Texas, which report clearly indicates that crop prospects in Lamb county are better than any of the others reporting. Cotton is now about 95 per cent planted in this section, said Mr. Elms.

Cotton farmers of this section are predicting good prices for the staple this fall.

## New Persian Hat

Persia has adopted a new hat for men following a proclamation of the Shah. President Dardgare of the Persian Parliament is shown wearing the new hat or "Pahlavi".

#### PRESBYTERIAN AUXILIARY

Mrs. T. P. Wright entertained the ladies of the Auxiliary at her home Tuesday afternoon.

The ladies netted \$28.00 in serving the Chamber of Commerce luncheon on the 11th, which was given to the P.-T. A. as their donation.

After the usual business session, Mrs. N. A. Douglass gave a very interesting lesson on Stewardship, followed by general discussion.

The hostess served dainty refreshments to two visitors, Mrs. D. C. Gracy, of Austin, and Mrs. W. H. Badger, also the following members: Mrs. Chas. Barber, Mrs. E. A. Bills, Mrs. Mike Brewer, Mrs. C. C. Clements, Mrs. M. V. Cobb, Mrs. N. A. Douglass, Mrs. A. P. Dugan, Mrs. J. S. Hilliard, Miss Lulu Hubbard, Mrs. Ray Jones, Mrs. Irvin Miller, Mrs. Bob Smith, Mrs. W. G. Street, Mrs. Touchon, Mrs. S. G. Underwood, Mrs. W. H. Ayer, Miss Jimmie White.

The next meeting will be with Mrs. M. V. Cobb.

Roll call will be answered by verse of Scripture beginning with letter V.

#### BAPTIST WORKERS MEETING

The West Plains association Workers meeting met June 10-11 with Pastor Roy A. Kemp and the Baptist church, Littlefield. It was good to have the blessed fellowship of kindred brethren and sisters in Christ. A splendid program was carried out, everyone being present who was assigned. Many churches were represented. Thanks to heroines of the Gospel—those good women who so faithfully prepared a splendid lunch for all.

Last Sunday was a day of marvelous victory. Sunday evening the Holy Spirit subdued every heart. Six candidates were baptized and God saved another soul. We will have another baptizing soon. Come to our Sunday School. If strangers you will be greeted and informed concerning your class. Men's Bible Class meets in the main auditorium. Theme for Sunday evening will be a continuation of the Second Coming of Christ. Come—come praying.—Roy A. Kemp, Pastor.

Repeating scandal is even worse than starting it.

#### TAYLOR-LEWIS

Miss Carmen Taylor and Griffin Lewis were married Sunday afternoon. The bride made her home with her parents east of town and the groom is a barber in the Willis barber shop.

They will make their home in Littlefield.

The production of peanuts in Littlefield will exceed that of 1927 by 7,500,000 pounds or a production of 77,700,000 pounds, compared with 70,200,000 pounds last year.

## MOTOR PERFORMANCE THE MAKER INTENDED

Easy starting; quick get-away on a light throttle; flexibility at all engine speeds; smoothness of operation; power, mileage! This is the motor performance the maker intended you should have in your car. Phillips '66' makes it possible.

Easy starting and quick acceleration is obtained through a scientific Control of Volatility. The well balanced heavier parts insure extra power and extra mileage. The result!—a motor fuel that goes far beyond the needs presented by today's fast and merciless driving of high compression motors—a vigorous, able-bodied gasoline—a Phillips achievement. Worth a premium yet sold at regular prices.

### NOTICE OF CITY HALL BOND ELECTION

THE STATE OF TEXAS  
CITY OF LITTLEFIELD  
COUNTY OF LAMB

NOTICE IS HEREBY GIVEN that an election will be held on the 25th day of June, A. D. 1929, within the City of Littlefield, Texas, at the City Hall in said City, for the purpose of submitting to the qualified voters of the City of Littlefield, Texas, who are property taxpayers therein, the proposition for the issuance of the bonds of said City for the construction of a City Hall in and for said City, as described in an order of the City Commission of said City, passed and adopted on the 20th day of May, A. D. 1929, and which said order is as follows:

**ELECTION ORDER**

WHEREAS, the City Commission of the City of Littlefield, Texas, deems it advisable to issue the bonds of said City for the purpose hereinafter mentioned:

THEREFORE, BE IT ORDERED by the City Commission of the City of Littlefield, Texas, that an election be held on the 25th day of June, A. D. 1929, at which election the following proposition shall be submitted:

"Shall the City Commission of the City of Littlefield, Texas, be authorized to issue the bonds of the City of Littlefield, Texas, in the sum of FIFTY THOUSAND (\$50,000.00) DOLLARS, payable serially or otherwise within forty years from the date thereof, bearing interest at the rate of six per cent (6%) per annum, payable semi-annually, and to levy taxes sufficient to pay the interest on said bonds and create a sinking fund sufficient to pay the bonds at maturity, for the purpose of constructing a CITY HALL in and for said City of Littlefield, Texas, as authorized by the Constitution and General Laws of the State of Texas, particularly Chapters 1 and 7, Title 22, Revised Statutes, 1925?"

The said election shall be held in the City Hall of the City of Littlefield, Texas, and the following named persons are hereby appointed managers of said election, to-wit:

Chas. L. Harless, Presiding Judge,  
Pat Boone, Judge,  
Carl Arnold, Judge,  
Ray B. Jones, Clerk,  
Sid Hopping, Clerk.

THE SAID ELECTION shall be held under the provisions of Chapters 1 and 7, Title 22, Revised Statutes of 1925, and the Constitution and Laws of the State of Texas, and only qualified voters who are property taxpayers of said City shall be allowed to vote.

ALL VOTERS who favor the proposition to issue the bonds shall have written or printed upon their ballots the words:

"FOR THE ISSUANCE OF CITY HALL BONDS."  
And those opposed shall have written or printed upon their ballots the words:  
"AGAINST THE ISSUANCE OF CITY HALL BONDS."

THE MANNER of holding said election shall be governed by the laws of the state regulating general elections.

A COPY of this order, signed by the Mayor of the City of Littlefield, Texas, attested by the City Clerk of said City, shall serve as a proper notice of said election.

THE MAYOR is authorized and directed to cause said notice to the said election to be posted up at the City Hall (the place designated for holding said election), and at two other public places in the City of Littlefield, Texas, all of said notices to be posted for at least thirty (30) full days prior to the date of election.

THE MAYOR is further authorized and directed to have said notice of election published in "THE LAMB COUNTY LEADER", a newspaper of general circulation, published in said City, and which notice shall be published once each week for five (5) weeks, the date of the first publication to be not less than thirty (30) full days prior to the date of the

election.  
UNANIMOUSLY PASSED AND APPROVED, on this the 20th day of May, A. D. 1929.  
OTTO JONES, Mayor, City of Littlefield, Texas.  
ATTEST:  
W. G. STREET, City Clerk, City of Littlefield, Texas.

### Badly Run-Down

"Six years ago, I was very much run-down," says Mrs. Olympia Knight, of Lovett, Ga. "I did not sleep well, and was weak and restless. I dragged around the house with not enough strength to do my daily tasks. I worried a lot, and this disturbed state of mind reacted on my health. I had often read of Cardui, so I thought I would try it. I soon began to improve after I had taken Cardui for a while. It was astonishing how much I picked up. I slept better, my appetite improved, and that awful dragging-down feeling left me. I was so much better that I continued taking Cardui until I felt perfectly well." Cardui has been used by women for over 50 years. For sale by all druggists.

### The Chevrolet Red "O. K. That Counts" Tag Protects Your Used Car Purchase.

Every reconditioned car we offer for sale is identified by means of the Chevrolet red "O.K. that Counts" tag. This tag is the purchaser's assurance that the car to which it is attached has been gone over carefully by expert mechanics—that it has been thoroughly reconditioned—and that the price is based on the car's actual ability to render service.

Due to the overwhelming popularity of the new Chevrolet Six, we have on hand at this time an unusually large group of these "O.K.'d" cars. Come in! You are certain to find the car you want—at a price that will save you money. Make a small down payment and drive your car away!

# LAMB COUNTY LEADER

Published every Thursday afternoon at Littlefield, Texas.  
Subscription: \$1.50 per year; 75 cents for six months.  
Advertising rates given upon application.

No. Entered as second class matter May 24, 1923, at the post office 27 at Littlefield, Texas, under the Act of March 3, 1897.

JESS. MITCHELL,

Editor and Publisher

Subscribers who change their addresses, or fail to get their paper, should immediately notify this office, giving both new and old addresses. Communications of local interest are solicited. They should be briefly written, on only one side of the paper, and must reach this office not later than Wednesday noon of each week. The right of revision or rejection is reserved by the publisher.

Advertising that does not show in its text or typography that it is paid for must be marked as an advertisement. All local advertisements remain in this paper for the time specified or until ordered out. All notices, matters not by whom nor for what purpose, if the object is to raise money by admission fee or otherwise, is an advertisement and when sent in for publication must be paid for at the regular advertising rate per line for each issue printed.

Obituaries, cards of thanks, and resolutions of respect will also be charged for at the same rate.

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of the Littlefield Leader will be gladly corrected upon its being brought to the attention of the publisher.

In case of errors or omissions in local or other advertisements, the publisher does not hold himself liable for damage further than the amount received by him for such advertisement.

## THE COLLEGE IN COMMUNITY BUILDING

Communities like individuals have personality. In the building of a community, personality is expressed in permanent form in the institutional life. The high idealism of the community is crystallized in this way and handed on down to succeeding generations.

The church, the home and the public school are representative of their high ideals so crystallized. The church is causative and lays the foundation for the other two. They are the results. If the church succeeds, the other two will succeed. If the church becomes decadent, the other two will soon or later suffer accordingly.

Both of the other two institutions are interested in the home. It furnishes the raw material of which they are to make a more or less finished product. If the raw material is of poor quality, it lowers the standard and quality of their output. The school takes the raw material, develops it intellectually and prepares it for service to society. Leadership in society is provided by the schools. Through them the power of initiative is developed, the enthusiasm of youth is conserved, and the note of sincerity is strengthened. Men are trained to think and to do. These institutions have for their special interest the determining of purpose of motive and action. It is through them that the reason for being is discovered and developed in the individual.

The standard of these three institutions in a community is representative of the community's highest idealism. They produce leadership within the group over which they exercise an influence. The best of such leadership in turn builds better institutions. Leadership and institutional life act and react on one another. Because of this, each succeeding generation is an improvement on the preceding one and the trend of our civilization is upward.

A psychologist once said, as a man thinks so is he. An authority in a newer age traces character by way of habit and individual act to the cause of the act or thought life of the individual. Though separated by many centuries in time, these authors have arrived at the same point of view.

The philosophy of life is dependent on the view point of the individual, and that view point not infrequently determines the success or failure of the possessor. Correct view points are fundamental to right living, and the character of education given determines largely the future life of the recipient.

The college comprehends, or at least should comprehend the home, the school and the church. For a period of time in the life of a student it becomes responsible for housing him and giving him a proper home-like environment. At the same time it trains him mentally, brings him in touch with the best minds of the past and present, gives him the best method of procedure in his search after truth, and rounds out his development physically and mentally.

Now, all of this has been said in preamble of the fact that Littlefield is an average town, possessed of average people and average institutions, and it has at least an average desire for the best things attainable in its present and coming generation. Especially is it interested in the future welfare of its boys and girls. In proof of this statement it is pointed out that here are located churches of various denominations, all seeking to function as efficiently as possible in their various manners to give spiritual training to the growing youth. Here is a public school system, liberally supported by the tax-payers, attended by some 1,600 youth, equipped with modern buildings and other needed paraphernalia and in charge of competent instructors. Here is a college, to which the citizens of this town and

community donated about \$72,000 recently; because they believed it would form another institutional link in the chain of organizations existing in this city for the creating of high ideals and fostering of nobler lives.

That the citizens of Littlefield have not been disappointed in this their latest investment for noble manhood and pure womanhood is well proven by the character of the organization backing this institution of learning and by the idealism of the individuals having in charge its policies and programs. The recent action of its Board of Directors looking toward the establishing of even higher aims and more comprehensive methods of acquiring them is indeed most laudable, even though these must be accomplished through the rendering of past ties of friendship and association held very dear. Big is the man and sound in his heart sincerity when he follows his convictions in behalf of better future citizenship at the cost of present relations.

A college training is essentially a preparatory school of life. Here, even more than in the public school, are established the ideals and aims of life, and fundamental instructions given for carrying them out successfully. Not only is the mind given a needed training, but there must be a social training as well. Nor should this social training be of a protective nature entirely. It should be directory and calculated to develop the initiative of the individual, for in after life, when the student has stepped outside the walls of learning and guidance he must be able to exercise his own powers of judgement and discretion in the most plausible manner.

College training should partake of the physical, also. A well developed body, capable of the most flexible action and fortified by abounding energy and enthusiasm is highly fundamental to the successful action of the mental and physical faculties. Since a lopsided individual is handicapped by a biased development, a well rounded training is highly essential.

Active life in this world partakes much of competition, and the youth who has some training in this direction while obtaining other necessary teaching is better equipped to cope with its future problems than the one who has not. Literary challenges and competitions, and all kinds of wholesome athletic events calculated to excite the keenest zest and acquire the strongest physical development, always have their reflex beneficial influence in a

mental and spiritual manner, and an educational institution backed by church co-operation would naturally be expected to foster such forms of athletics and athletic competitions as would be calculated to not only bring out the best physical development of the student, but also reflect the high character of the college and do honor to the institution itself. While prosecuting to the highest possible degree of efficiency the mental and spiritual training of the student, it is understood that in the future the Littlefield College will also give greater attention to the needed social and physical training and development of its student body. In this it is to be highly commended, and will receive the loyal co-operation of every local citizen interested in the future welfare of the rising generation, which in turn, means the welfare of the community in general and its contribution to the future of the nation at large.

Littlefield citizens are rightly proud of the men who direct the policies and impart the instruction of the youth attending the College located in our midst. Without doubt they fully realize that the place of the college in community building is that of producing leadership by development of the well rounded character which comprehends a physically and nervously equipped, mentally alert and spiritually awakened manhood.

"That's the guy I'm laying for," said the chicken as the farmer came into the barn yard.

## FATHER'S DAY

June 16th is Father's Day, and we want to urge everyone not to overlook this occasion. For some reason, Mother's Day is much more widely observed than Father's Day. This is understandable in the light of the beautiful sentiments that are aroused by the very word "mother"—yet father need not be neglected, as too often he

seems to be. Father may seem indifferent to such an occasion as Father's Day. Probably, if asked, he would call it "nonsense" and ask his children to "forget it."

Father may seem austere, or too practical to care for such trinkets as you might be moved to purchase for him, or in many cases, it might seem ridiculous to present him with a gift out of his own money.

But remember one thing! A man is only a boy grown up. Your father no matter what his exterior, has hidden away in his heart a little boy. And that little boy will come to the surface and with father will retire to his room as happy about a red pair of suspenders, or the tie, or the box of cigars that you have given him, as any little boy would be about a box of marbles or a baseball glove.

Don't be fooled by your father. He likes little attentions just as much as mother does.

The man who tells his wife she is the eighth wonder of the world had better be careful not to get caught with the other seven.

## BIDDY AND BOSSY

There was once a day in the history of Texas when the farmer regarded the hen and cow hardly more than objects at which to throw rocks when the former got into the garden and the latter jumped into the cornfield, but it's a changed world for biddy and bossy today.

Out here on the South Plains of this state farmers are awaking to the possibilities of developing this pair into real producers for them. More and more our farmers are coming to not only diversifying their crops, but to also dividing their time between their various livestock interests. Flocks and herds are proving as interesting and just as profitable as field crops.

The coming farmer of the South

Plains country who would be successful will be the one who is assured of a pay day every day of the year by having a little of everything, so if one fails he will have something else to fall back on.

The invention this country needs most is a four-wheel brake for quick tempers.

## LISTEN TO THIS

No matter how important the task in hand, we want every one of our readers in and around Littlefield to drop everything and listen.

A dispatch to the daily press from Washington City says the Department of Commerce has turned its attention to the standardizing of men's pajamas. We've got standardized bed slats, bird cages, fence posts and tombstones and now our happiness is to be complete—we're going to have standardized nighties for men!

From now on there should be less complaint about crime problems, and prohibition problems and over-production problems. We may have sharp pains in our stomachs from eating

food that costs us more than we like to pay for it; we may have pains in the head from smoking too many 15c cigars; we may worry because carbon gets into our 8-cylinder car worse than it did in the old two-lunger—but let's forget all that and start living in a new paradise.

Isn't our government going to make it possible for us to sleep in standardized nighties?

## MILK COWS HERE FOR SALE

**WHAT IS DOING IN**  
**WEST TEXAS**  
 Anson is doing a great deal of building. A theatre with a capacity of 450 on the main floor and 100 in the balcony is to be erected by Knox Pittard. The plans call for a modern theatre front, three entrances, the foyer of tile. Floor will be of cement and tile. The dimensions will be 30 by 120 feet.

Hereford celebrated the opening of new \$80,000 Baptist church by starting a revival in it. All precedents in church construction were broken in the decoration, seating and architecture of the distinctive church. One thousand auditorium or theatre chairs are in supply. The rose colored roof, eaves, and circular-topped windows suggest the Spanish motif.

O'Donnell Methodists are spending \$3,500 remodeling their church. Seven Sunday school rooms will be built, besides other improvements. When completed this will be a splendid edifice, and up-to-date in every respect.

Tahoka is to have a new business block. C. A. Hill of Lamesa, has announced that he will erect a brick building 50x125 in size to house a chain grocery store and an automobile agency. The old Howell building, one of the first garages erected in this section will be razed for the new structure.

Silverton's new High School building will cost \$80,000, and will be completed by August 15. The school board will make plans to organize both a Junior and a Senior High School, according to C. D. Wright, president of the board.

Brownfield is rushing its street paving. At a meeting of the city council recently, a Wichita Falls firm was employed as engineers on street paving with instructions to start actual construction as soon as possible. It is thought that the proceeds of the bonds recently voted will provide for the paving of several additional blocks.

Borger, the world's largest carbon black manufacturing center, has ten plants now operating or nearing completion, with 63 units, consuming 315,000,000 cubic feet of residue gas daily. Four hundred and seventy five thousand pounds of carbon black for tires, etc., are made every day.

The Wichita Falls cheese plant is buying 27,000 pounds of milk a day from farmers and dairymen in the area, which means an income of \$600 daily and \$20,000 monthly from a source that was non-existent only a few months ago. Other creameries and purchasers of milk in that city swell the total considerably.

Perryton will soon have a modern three story hotel. It will contain 41 rooms and will supplement another good hotel under construction containing 26 rooms. Paving of 14 1/2 blocks in the business district is under way and a \$50,000 theatre, equipped with vitaphone is nearing completion.

**LFD. HOTEL NOW**  
**MODERN CONCERN**  
**GUEST INVITING**  
 The finishing touches are this week being given to the reconstruction and refinishing of the Littlefield Hotel, the leading hostelry of this city, which will in the future, be able to furnish accommodations to the traveling public equal to the best to be found anywhere in this section.

The hotel has undergone improvements both within and without. New paint, stain and varnish, new floor coverings, new furniture, and all modern conveniences generally found in a first class hotel are now the boast of this establishment. Each guest room has been fully rehabilitated, and, looking forward to the comfort of the guests, Manager J. C. Whicker has installed both hot and cold water conveniences, while each bed is equipped with Simmons springs and modern air spring mattress. More and larger lighting service has been installed both within and without, and the entire building has been piped for gas in anticipation of that service this fall. It is also the plan of the owner to add additional rooms during the fall months, and the entire building will probably be brick veneered.

The Littlefield Hotel occupies a choice location in the city. Situated on a slight rise, just one block off Main street, fronted by concrete walk and street pavement, the large lawn surrounding the building is an added attraction for the pleasure of its patrons. There is probably no nicer nor larger lawn to be found anywhere in Littlefield, the edge of which is surrounded by delightful and restful shade, with here and there spots of beautiful flowers and roses climbing over selected trellises. In the rear are garages for guest's autos, also an orchard, garden, vineyard and chicken yard.

The Littlefield Hotel has always enjoyed a lucrative patronage, and with its new refinements and appointments under the genial management of Mr. and Mrs. J. C. Whicker, will prove even more popular in demand of the traveling public.

**THE RATTLESNAKE'S AGE**  
 According to popular belief a rattlesnake acquires a new ring on its rattle each year and hence its age can be told by the number of rings; but this notion is incorrect, biologists say. The rattlesnake adds from 2 to 4 rings a year, usually 3. Under normal conditions a ring is added each time the skin is shed. Soon after birth the last 7 or 8 vertebrae fuse and form a composite bone called the "shaker," around which the rings are formed. Terminal rings may be broken off because of wear and accidents, so that in time the number of rings has no relation to the age of the snake.

**CLASSIFIED ADVERTISING**  
 Want ads., Rentals, Lost and Found, Exchanges, Lands and Stock, Miscellaneous, etc. RATES: Classified, first insertion, 10c per line; minimum 25c; subsequent insertions, 7 1/2c per line; obituaries, 5c per line; poetry, 10c per line. **WANTED:** General housework, elderly couple without children preferred. Write Viola Overstreet, Littlefield, Texas. 8-2tp

**Have your printing done at home.**

**Whitharral News**  
 The farmers are very busy with their crops now. Most everyone is having to plant over some, but things will grow fast with such a fine season.  
 Whitharral is still growing. A Mr. Neasby bought 4 acres from Mr. Clarence Pendegrass, and is building a house on it.  
 Several of the Whitharral people attended the allday service at Lum's chapel last Sunday. They had a Mother's day and Children's day program in the P. M. and singing in the a. m. A large crowd attended.  
 The Littlefield negro ball team came down and played a game with Whitharral team last Saturday. The colored folks were badly defeated.  
 W.M. Brown from Los Angeles, Calif., is here visiting his daughter, Mrs. Clarence Kenney.  
 Mr. and Mrs. W. T. Hanes left last Saturday for Commerce where they will attend summer school.  
 Mr. and Mrs. C. B. Edgar and son, Verlon, also, Mrs. Fred Lewis left Sunday for Okla., to visit relatives.  
 Willie Roberson is keeping the store for Mr. Edgar while he is away.  
 Mr. and Mrs. Elmer Fagan are entertaining a fine new boy at their home since last Monday.  
 Miss Lucille Alverson had the misfortune to get a kettle of hot water turned over on her, burning one of her feet and a leg real bad.  
 Chas. Hauk and family are owners of a new Chevrolet sedan.  
 Miss Ruby Simmons came home Sunday from Marlin, where she has been attending school.  
 Mrs. Clarence Pendegrass and Mrs. C. B. Kenney went to Levelland, Thursday. Mr. and Mrs. Doss Maner went to Levelland Saturday and purchased a new Ford coupe.  
 Miss Erma Harbin and Miss Juanita Hauk visited Miss Lucille Alverson, Friday evening.  
 Mrs. Chas. Hauk visited Mrs. Nick Grey, Thursday evening.  
 Clarence Davis and family took dinner with Mr. and Mrs. Nick Grey last Sunday.

Mace Herndon and wife are here from Oklahoma City, visiting their daughters, Mrs. O. B. Lewis and Mrs. E. G. Eldson and family.  
 Little Hauley Godwin is real sick this week, hope he soon recovers.  
 There will be Sunday school and church here Sunday. Everybody is invited to attend. Bro. Suttles, from Idalou will be here to preach.  
 A true friend stands by you when you are under a cloud. Swarms of insects surround you when the sun shines.

## NEWS OF TOWNS NEAR HERE

### MORTON

Cochran county is in receipt of a 60 h. p. caterpillar tractor and a two ton Russell combination tractor and road maintainer for use on the county highways.

Dan Allen has sold the South Side filling station to F. C. Crone.

Ivy Fulgham, of Brownsboro, was here last week contemplating opening a bank at the county seat.

The Cochran county fair will be held October 3, 4 and 5.

### MULESHOE

Rainfall in this vicinity during the month of May just past, has exceeded that of any time during this month for the past eight years.

Muleshoe merchants will sponsor a better dairy cow campaign. Several pure bred Jersey cows have already been distributed in the south part of the county.

Frank Johnson, of Lubbock, has taken charge of the Muleshoe hotel, formerly conducted by Mrs. J. H. Montheral.

Ed Huffstедier, of the West Camp, community, last week sold 132 dozen eggs and 15 gallons of cream. This is his average weekly sales.

### SUDAN

A celebration will be held here July 4, 5 and 6, sponsored by the Sudan fire department and Sudan band. It will be in the form of an old settlers picnic, rodeo and carnival attractions. There will be a barbecue, baseball games and other attractions.

Prof. Durwood Crain, of Elida, N. M., has been appointed director of the Sudan band. He is an experienced instructor.

## PERSONAL ITEMS

Miss Dorothy Hopping, of Lubbock, is here this week visiting her sister, Mrs. Pat Boone and brothers, Sidney and Jake Hopping.

Jones Bros. Motor company reports the following sale of Pontiacs and Pontiac; Jack Henry, two door Pontiac; Mrs. J. W. Blalock, two door Pontiac; Jack Henry, two door Pontiac; and Mrs. Payne Wood, two door Oakland.

Mr. and Mrs. S. M. Hilton, after spending the past three weeks here with their daughter, Mrs. Lee Page, were accompanied to their home at Roosevelt, Oklahoma, by their granddaughter, Miss Eula Mae Page, last Thursday.

Jack Brannen, James Anderson, N. E. Harris and Pierce Teeters left Tuesday morning for Denver, Colorado, where they will enter the Fort Logan Military Training camp.

Harry B. Hutson and Arthur B. Gilbert, of Anton, were in Littlefield, Tuesday and were examined by a local physician to enter the Citizens Military Training camp, at El Paso.

Use your stumbling blocks as stepping stones.

### NOTICE OF STREET IMPROVEMENT BOND ELECTION THE STATE OF TEXAS CITY OF LITTLEFIELD COUNTY OF LAMB

NOTICE IS HEREBY GIVEN that an election will be held on the 25th day of June, A. D. 1929, within the City of Littlefield, Texas, at the City Hall in said City, for the purpose of submitting to the qualified voters of the City of Littlefield, Texas, who are property taxpayers therein, the proposition for the issuance of the bonds of said City for the construction of street improvements in and for said City as described in an order of the City Commission of said City, passed and adopted on the 20th day of May, A. D. 1929, and which said order is as follows:

**ELECTION ORDER**  
WHEREAS, the City Commission of the City of Littlefield, Texas, deems it advisable to issue the bonds of the said City for the purpose hereinafter mentioned:

THEREFORE, BE IT ORDERED by the City Commission of the City of Littlefield, Texas, that an election be held on the 25th of June, A. D. 1929, at which election the following proposition shall be submitted:

"Shall the City Commission of the City of Littlefield, Texas, be authorized to issue the bonds of the City of Littlefield, Texas, in the sum of Ten Thousand, (\$10,000.00) Dollars, payable serially or otherwise within forty (40) years from the date thereof, bearing interest at the rate of six per cent (6%) per annum, payable semi-annually, and to levy taxes sufficient to pay the interest on said bonds and create a sinking fund sufficient to pay the bonds at maturity, for the purpose of the construction of street improvements in and for the City of Littlefield, Texas, as authorized by the Constitution and General Laws of the State of Texas, particularly Chapters 1 and 7, Title 22, Revised Statutes, 1925?"

THE SAID ELECTION shall be held in the City Hall of the City of Littlefield, Texas, and the following named persons are hereby appointed managers of said election, to-wit:

Chas. L. Harless, Presiding Judge, Judge, Pat Boone, Judge, Carl Arnold, Judge, Ray B. Jones, Clerk, Sid Hopping, Clerk.

THE SAID ELECTION shall be held under the provisions of Chapters 1 and 7, Title 22, Revised Statutes of 1925, and the Constitution and Laws of the State of Texas, and only qualified voters who are property taxpayers of said City shall be allowed to vote.

ALL VOTERS who favor the proposition to issue the bonds shall have written or printed upon their ballots the words: "FOR THE ISSUANCE OF STREET IMPROVEMENT BONDS."

And those opposed shall have written or printed upon their ballots the words:

"AGAINST THE ISSUANCE OF STREET IMPROVEMENT BONDS."

THE MANNER of holding said election shall be governed by the laws of the State regulating general elections. A COPY of this order, signed by the

Mayor of the City of Littlefield, Texas, attested by the City Clerk of said City, shall serve as a proper notice of said election.

THE MAYOR is authorized and directed to cause said notice of the said election to be posted up at the City Hall (the place designated for holding said election), and at two other public places in the City of Littlefield, Texas, all of said notices to be posted for at least thirty (30) full days prior to the date of election.

THE MAYOR is further authorized and directed to have said notice of election published in THE LAMB COUNTY LEADER, a newspaper of

general circulation, published in said City, and which notice shall be published once each week for five (5) weeks, the date of the first publication not to be less than thirty (30) full days prior to the date of the election.

UNANIMOUSLY PASSED AND APPROVED, on this the 20th day of May, A. D. 1929.

OTTO JONES, Mayor, City of Littlefield, Texas.

ATTEST: W. G. STREET, City Clerk, City of Littlefield, Texas.

(SEAL) May 23, 30, June 6, 13, 20, 1929.

Mrs. Grady Simpson and daughters Onida Mae and Genevieve, visited in the home of Mrs. Mae Shimchat Tuesday afternoon.  
Mrs. J. M. Scheuer and daughters, Lucile, Lena, and Genevieve, called on Mrs. Levi Lewis and mother-in-

law last Tuesday afternoon.  
Mr. and Mrs. George Harms and daughter returned last Thursday from Bell county.  
All neighbors of the Southwest community attended Trades Day in Littlefield, last Monday and enjoyed a pleasant day.  
Mr. and Mrs. Henry O'Mahoney and daughter, Grace Lee, of Lubbock, visited Mrl and Mrs. W. H. Heinen and family Sunday.  
Mrs. Walter Lupton and daughters Mary and Jean, went Canyon, Sunday to attend the summer term at the West Texas State Teachers college.

**A FAIRY TALE**

The accusation often is made that we as a nation are money mad. It is high time some one refuted this gross libel in words that will ring around the world. As a people we are interested only in the higher reaches of thought; our materialistic motives are only those of necessity. Go where you will in the United States and you rarely hear people so forgetful of themselves as to converse on the subject of money or the attainment of material possessions. One seldom sees the dollar sign in the public press. Personally, we have quite forgotten here in Littlefield what it looks like. So let us hear no more of this false indictment. Those who hurl the charge that money is our god utter words as false as they are cruel.

Friendship is the only thing in the world concerning the usefulness of which all mankind is agreed.

**Hints for Motorists**

If you happen to be driving a car with two-wheel brakes, remember that the newer automobiles with four-wheel brakes can stop more suddenly than you can. Keep your distance behind the car ahead.

Maybe, you've found out that it's easier to park on a slippery street. The front wheels turn so easily that you can swing them around even when the car is standing still.

If you don't believe that an under-inflated tire wears out sooner than one properly inflated, run several miles with one tire down and the opposite one at proper pressure. Then get out and feel the tires with your hand. The under-inflated one will be warm, while the other will be cool. The warmth is caused by the excessive flexing of the soft tire's walls, and excessive flexing means excessive wear.

If you want to signal suddenly to the man behind that you are going to stop or turn, and the window by your side is closed against rain or cold, seize the handle of the door and open it a few inches. The man behind may think you are crazy, but he'll wait to see what you are going to do.

Extra lamp bulbs in the car pocket may prove valuable. A headlight may go out at any time, and a one-eyed car on the road at night is dangerous. It may also prove expensive to the

**A Sweeping Success**  
because it offers Big Car Qualities for only \$745

The New Pontiac Big Six is a sweeping success—an even more pronounced success than its famous predecessors. And it owes its success largely to the fact that it offers big car qualities at low prices. Oakland produced this car to enable progressive people to step up in motor car quality without leaving the low-priced field. And the very people for whom it was created have made it an impressive sales success.

Pontiac Big Six, \$745 to \$895, f. o. b. Pontiac, Michigan, plus delivery charges. Bumpers, spring covers and Lovejoy shock absorbers regular equipment at slight extra cost. General Motors Time Payment Plan available at minimum rate.

Consider the delivered price as well as the list price when comparing automobile values. . . . Oakland-Pontiac delivered prices include only reasonable charges for handling and for financing when the Time Payment Plan is used.

**FREE**  
A  
New Model  
**O-Cedar Mop**  
Regular \$1.00 Value  
with Every Purchase of Genuine  
**Certain-teed**  
FLOORTEX Rug or Roll Goods

Here is good news for every housewife—sensational—yes and true. Think of it, a genuine O-Cedar Mop, latest improved model, the pad may be removed, washed or renewed. This mop, regular price \$1.00, is given away with every purchase of a CERTAIN-TEED FloorTex Rug or 14 yards of FloorTex roll goods.

This means a \$1.00 premium—FREE with every purchase of EITHER SIZE RUG.

Here is a really great FREE offer. And the FloorTex rugs in themselves are wonderful values. We want you to know them better, be familiar with the beautiful patterns and colorings, appreciate the CERTAIN-TEED quality which keeps its full luster in spite of hard wear. Beautiful glowing patterns in various shades will brighten up any room in your home—just the thing for Spring. They are sanitary, easy to keep clean, hard to wear out. In fact only after purchasing can you fully appreciate the Certain-teed process of building quality from the felt out—producing with each step in the manufacture the Certain-teed Built-In Finish. The colors are impregnated into the base of the rug where they wear and wear!

**CERTAIN-TEED Quality Known the World Over**

Everyone knows CERTAIN-TEED quality, knows the gigantic organization responsible for all of CERTAIN-TEED products. You are assured complete protection through a guarantee of satisfaction or money refunded.

Here is what you get—just think of it: A beautiful CERTAIN-TEED FloorTex rug—your choice of many alluring patterns—at prices remarkably low, exceptional values in themselves. Then, in addition, you get a genuine O-Cedar Mop, the latest model, complete with handle and metal box to keep the mop in, with a new patent feature which makes it readily renewable—an article which has been inspected and approved by the Good Housekeeping Institute, with standard purchase price of \$1.00 stamped upon it.

Here you have a bright new rug on your floor, one that stays clean easily and can be kept continually clean by an occasional mopping. In addition you have FREE the new O-Cedar Mop that is the only thing you need to keep the rug brightened up and continually renewed.

Don't delay—take advantage of this offer just as soon as you possibly can.

**STORK SPECIALS**

Born to Mr. and Mrs. C. H. Fagan a baby boy, June 3rd. Mr. and Mrs. W. E. Black, a baby girl, June 6th; and Mr. and Mrs. L. A. Holtkamp, a baby girl, June 7th.

**BOY SCOUT CAMP HELD AT POST CY JULY 1-10, 10-19**

The fourth annual Boy Scout summer camp will be held at Camp Post, Post, Texas, in two periods, July 1st to 10th and July 10th to 19th. From all prospects this will be the biggest and best Scout camp ever held in the South Plains and an attendance of 200 Scouts is anticipated.

This camp will hold to the strict requirements laid down by the National Camping Department, Boy Scouts of America, as to health and safety of the Scouts and every known precaution will be taken to safeguard the boys.

Every boy will be taught to swim and given every opportunity to pass Scout tests and the Red Cross Life Saving test. Boys will also be given bows and arrows, freubuilding sets, the opportunity to make their own bead work and leather work trinkets. A regular camp program will be followed every day including drill, scout work, swimming, life saving, hikes, games, camp fire programs, and three big meals.

The camp will be ably supervised with one adult leader for every ten Scouts. H. B. Yates who had charge of the 1927 camp will be the camp director. L. G. H. Williams, Council President, and K. N. Clapp, Scout Commissioner, and many of the Scoutmasters will be on the camp all of the time. The camp has telephone connections with Post, Texas.

The camp fee will be \$10.00 for the ten day period. Scouts are urged to make application through their Scoutmaster or direct to Scout Headquarters, Lubbock, Texas.

The more reason a man has for indignation the less comfort he gets out of it.

The majority of our mistakes never be noticed if we did not pay attention to them.

**PRICES COUNT**

Price is the big item of consideration, both when you buy and when you sell. It is also the subject of the market, because the difference between your purchase and your sale price indicates your profit. You have wisely fed your animals between these periods. It is possible to so feed that their development is not so rapid and your profits are commensally decreased; but when these animals are scientifically fed conditions well balanced, their development is the largest possible.

Feeds well ground and properly mixed bring greater profit to the owner. And here is where you get the service of Bellomy's grain. Better bring us in a load for this week. We will be glad to give in detail the superior value of our feeds.
