

# SCHOOL BOARD WILL CALL ELECTION AUTHORIZING SCHOOL TAX INCREASE

## Local Savings & Loan Assn. To Receive Charter Mon.

### Federal Home Loan Official To Assist In Perfecting Assn.

### Seventy-four Local Business Men Invest In Local Organization

J. W. Keithley, acting secretary of the Littlefield Federal Savings & Loan Association, received a telephone message Monday from J. C. Conway, Vice-President of the Federal Home Loan Bank, Little Rock, Ark., to the effect that he would be in Littlefield Monday, May 20, and would deliver the Charter and perfect the organization of the Littlefield Federal Savings & Loan.

All interested parties are invited to attend the meeting.

The application for a charter was filed in October, 1945. There are now 74 business men investors or subscribers for stock in the association.

### TRAFFIC LIGHTS RECEIVED HERE

Traffic lights for the City arrived Tuesday and were unloaded on the sidewalk in front of Mayor A. C. Chesher's real estate office.

According to W. G. Street, City Secretary, it is the plan of the city to try to put the lights up this week, or as soon as they can get the necessary materials to put them up.

These lights were ordered from W. S. Bailey & Co., Chicago.

It is expected that these lights will be installed at the Bank corner, Renfro Bros., corner and at Walters Drug intersections.

The installing of street markers is being delayed by the City because of inability so far to secure sufficient labels, but they hope to have them soon.

### City Equalization Board To Be In Session Today

The Littlefield Equalization Board will be in session Thursday, Friday and Saturday at the City Offices in the Rowe Building.

J. C. Hübner is Chairman of the Equalization Board, which will meet to hear protests of property owners.

### Senior Class Enjoy Trip

The Senior Class of Littlefield High School left Friday for Carlsbad Caverns on their Senior Day trip.

They were accompanied by Mr. Fikes, Coach, Mrs. Mary Belle Holland, Mrs. Robbie Wright, Mr. and Mrs. Lyle Brandon, Mrs. L. C. Grissom and Mr. and Mrs. Allan McDonough.

### MISS ANNA BELLE JUNGMAN, BRIDE-ELECT OF JOHN WALKER

Miss Anna Belle Jungman

The engagement and approaching marriage of Miss Anna Belle Jungman, daughter of Mr. and Mrs. A. G. Jungman, and John W. Walker, son of Witt Walker, has been announced. The wedding will take place Tuesday morning, May 21, at 8:30 o'clock at the St. Phillips Catholic Church, Pep Texas.

### Church To Sell Parsonage And Buy New Pastor's Home

At a recent meeting of the Board of Stewards and Trustees of the First Methodist Church it was decided to sell the present parsonage and purchase a new one. At a call session of the quarterly Conference, members of the Conference cast a unanimous vote in favor of selling the present parsonage and purchasing the Shaw home in the Duggan addition. Accordingly the Methodist Church is offering the present parsonage at 623 East 8th St. for sale. An advertisement of such property is being published elsewhere in this newspaper.

### Coop. Hospital Meeting Friday

A Co-operative Hospital Mass Meeting has been called for Friday night, May 17, opening at 8 o'clock in the court room, at the Court House in Littlefield.

The Board of Directors for this Co-operative have called this meeting for the purpose of explaining the functions and methods of operation of such a Co-operative hospital, and for the purpose of securing memberships.

A page advertisement by the association appears elsewhere in this newspaper.

### Local Postoffice To Be Painted

Federal Works Agency of Public Buildings Administration under the Supervision of Mr. C. R. Haden, Assistant District Engineer has announced that the Littlefield, Texas, Post Office will receive a new paint job, both interior and exterior. This will be done along with other repairs. Bids are open for this work to be done. All bidders may make their bids directly to District Engineer, Federal Works Agency, Public Buildings Administration, Dallas, Texas.

The present building was occupied in the spring of 1941, is in good condition except for natural wear. It is one of the most modern buildings in the list of buildings in the United States that houses the Postal Business.

Some of the candidates who maintain they will win their races or eat their hats had better be shopping for soft-felt headgear.

### La Rue Clark and Jo Nell Foley Are Honor Graduates

### Dal Brandon Declared Highest Ranking Boy in Senior Class

The honor graduates of Littlefield High School, as announced at the Commencement Exercises held Tuesday night, were LaRue Clark, Valedictorian, and Jo Nell Foley, Salutatorian.

Miss Clark is the daughter of Mr. and Mrs. Van Clark, and Miss Foley is the daughter of Mr. and Mrs. A. L. Foley of Rt. 1, Bula.

Dal Brandon, son of Mr. and Mrs. Lyle Brandon, was the highest ranking boy in the class.

The Women's Study Club Scholarship (value \$25.00) to the most outstanding and deserving all round student went to Georgia Beckner, daughter of Mr. and Mrs. A. F. Beckner.

In addition to the above the following seniors had an average of 90 or above: Nadene Fields, Landon Grissom, Sabin Hendrickson, Anna Lee Holtcamp, Leta Mae McCormick, Frances Toews, Earline Weschke, Glendolyn Bales.

Twenty-two boys and twenty-eight girls took part in the high school Commencement Exercises, which was the smallest class in many years, while 140 Central school students participated in central school exercises Tuesday night in the High School Auditorium. This was the largest class in the history of the schools.

Sam Culpepper, prominent Texas Educator, of Austin, delivered the address to the Seniors, when the following pupils graduated.

#### SENIOR GIRLS

Glendolyn Bales, Georgia Beckner, Betty Jean Cary, Norma Jo Chisholm, La Rue Clark, Ruth Cunningham, Betty Ann Edwards, Nadene Fields, Jo Nell Foley, Allene Freeman, Imogene Harlin, Ladrille Hicks, Anna Lee Holtcamp, Oattie Marie Jones, Betty Jo Lentz, Leta Mae McCormick, Anna Jo Price, Pat Pratt, Juretta Peel, Betty Ann Smith, Joyce Simmons, Avilene Spencer, Frances Toews, Dessie Walker, Earline Weschke, Sybil White, Geneva Williamson, and Allyne Williams.

#### SENIOR BOYS

Dal Brandon, James Bowen, Sidney Buell, Donald Carr, Jimmie Cockerham, Troy Champion, Wendell Denson, Clyde Edmonds, Coy Evans, Landon Grissom, Junior Graham, Sabin Hendrickson, James Jackson, Billy Lynskey, Frederick Mitchell, Floyd Prentice, Jack Pritchard, James Ray, Gerald Roundtree, Allen Ray, Malcolm Stokes and Ernest Wren.

#### RECENTLY DISCHARGED

Doris Chaney, S. I. C. of the Women's Reserve, whose home address is Star Route 2, Littlefield, has recently been honorably discharged from the United States Navy.

Jack Oliver Isbell, S. I. C. of Littlefield has been honorably discharged from the U. S. Navy.

### Is Recent Bride

Mrs. Eugene Bartley

Mrs. Bartley, previous to her marriage Sunday was Miss Ruth Drager. She is the daughter of Mr. and Mrs. Ed Drager of this city.

### Junior C. of C. Receive Charter

The Junior Chamber of Commerce, Littlefield, received its Charter at a banquet meeting Tuesday night at the arrangement Exercises held at the First Methodist Church which was presided over by Rev. Ray Walker, President of the Junior group.

Glen Woody, State Vice-President, of Lubbock, attended the function and presented the Charter.

The banquet was served by the Methodist ladies.

Mayor A. C. Chesher addressed the group on the History of Littlefield.

About 125 were in attendance. Out of town attendants were present from practically all the cities and communities in Lamb County as well as from Lubbock, Levelland, Brownfield, etc.

Jack Alexander was Chairman of the arrangement committee and Emil Onstott, Chairman of the Social Committee.

Among the out of town visitors were Neil Wright, and Roy Faulkner, State Vice-President elect of Lubbock.

Included in the program were several songs by the High School sextet and a number of selections on the piano by Mrs. Ewell.

### Needle Club Meets In Home Of Mrs. Locke

The Needle Club met in the home of Mrs. Carl Locke May 9.

Roll was called and after a brief discussion it was decided that each member is to make two blocks for a Log Cabin style quilt.

Refreshments were served to Mesdames Paul Simpson, W. V. Swartz, Millie Boren, Albert Locke, A. C. Rogers, Ernest Brooks, Ruth Boren and the hostess, Mrs. Carl Locke.

Mrs. Leonard Black will be hostess to the club May 23.

### VFW Meets High School In Tonights Game At New Lighted Field

The Littlefield Soft Ball League officially opened its 1946 summer season Monday night on their new lighted field just east of Duggan Air Field. This was the first night game under the new lighting system, and of course the teams could not turn out the type of ball that will be seen later in the season after getting adjusted to night playing. As was expected, a large crowd turned out to see the American Legion down Phillips 66 15 to 14 in the thrilling opener. And again Tuesday night a large crowd saw the W O W defeat Atkins Produce to the tune of 15 to 6. Both teams were not in their top playing form, but after a few more days of playing they will be able to turn in a first rate class of ball.

Two games yet remain in this weeks playing schedule, as the VFW meets the High School in tonights battle, and Friday night will see the Phillips 66 again in action against the Jaycees.

Next week's playing schedule will find the High School meeting the American Legion on Monday night, May 20, the V F W meets the Jaycees on Tuesday night, May 21, and Phillips and Atkins Produce on Thursday May 23, with the High School repeating Friday night against the W O W.

The ticket committee reports that they still have a number of season tickets on sale which they would like to dispose of, and are urging those interested in furthering the Soft Ball League, to contact members of this committee.

#### TO RETURN HERE

Mrs. Viola Honea was in Littlefield Wednesday looking after business matters. She has been gone two years and been living at Tulsa, where she has been employed by the Vaughn Implement Co., J. I. Case dealers. She plans on moving back to Littlefield this fall.

## Makes Toys and Donates To 160 School Children

R. W. Panky of Anton, retired farmer and father of Mrs. Bruce Porcher teacher in Central School, has made and presented to all first grade pupils, windmills and bows and arrows.

The toys were painted green and were much appreciated gifts by the children.

There were 160 children who received the toys made by Mr. Panky. Mr. Panky's hobby is making toys. He spends all his spare time doing this, and sells some of his toys. He is also said to have made and sent several boxes of toys to orphan homes.

#### ATTEND FUNERAL

Gene Williams and Walter Williams left Friday for Oklahoma City, Okla., to attend the funeral of a school mate and long time friend, Edward Farr. Mr. Farr passed away in California, and the remains were taken home to Oklahoma City for burial.

The Williams brothers returned to Littlefield Saturday.

## Raise Stated To Be Necessary To Offset Loss From State

### School Board States Issue Is Critical Must Have More Funds

In a recent meeting of the School Board of the Littlefield Independent School District that body ordered an election to authorize the raising of the school tax rate from \$1.00 per \$100 valuation to \$1.50 per \$100 valuation. This action was made necessary by the recent loss of revenue from the state Equalization Fund. This loss was due to a provision in the 1945 Equalization Law prohibiting school districts containing a city of over 3600 according to the last Federal Census from participation in the fund. The boost to the \$1.50 rate will be absolutely necessary to barely offset this loss. No expansion of the school program nor any increase in teacher's salaries will be possible even with the increased rate. If the new rate is not approved it will be necessary to cut teachers' salaries and other expenses below the present level.

The School Board has asked the Leader to convey to the patrons and tax payers that this is indeed a critical issue for our schools. It simply means that without the approval of this increase that our schools will deteriorate to a very low level. If the boost in rate is approved the schools will get about \$16,000 per year of additional revenue. The loss from the state was \$18,000 per year.

A date has not been set for holding the election, but it will be set as soon as the necessary legal steps for holding it can be cleared.

## City To Take Bids On Electric Light Plant Bonds Monday

### Issue of \$275,000 To Be Offered; Expect Out of Town Bidders

The City of Littlefield will accept bids Monday on bonds in the amount of \$275,000 for the building of a City Light Plant.

According to W. G. Street, City Secretary, the City has written a number of bond buyers over the country in connection with the sale of Electric Light bonds, and have had some response.

A meeting of the City Commission is being held Monday, at which it is expected a number of out of town buyers will be present, and the entire issue of Bonds in the above amount will be offered.

It is the plan to locate the City Power Plant at the location of the water pump station near the West Texas Cottonoil Mill.

### Office of U. S. Employment to Move Friday

As announced by Woodson Lindsey, manager, the office of United States Employment Service is moving to the offices in the Court House formerly occupied by the Ration Board.

Warn Against Hog Cholera—

With the arrival of the hog cholera season, farmers are warned that this No. 1 swine disease may take a sharp upward swing this year.

Officers of the American Foundation for Animal Health have called attention to official figures, just released, showing that over 3,300 outbreaks of hog cholera were reported in the year just passed.

"This year the danger may be even greater because hog cholera moves in cycles, and another upward swing of the cycle — like we experienced many times — may occur this season," Foundation reports declare.

"The virus of this disease from last year's outbreaks now lurks in thousands of localities. Science has found no cure for cholera. The only safeguard is proper vaccination — before the disease strikes. Spring pigs should be vaccinated as early as possible, preferably around weaning time.

"First, however, they should be examined by a veterinarian to determine whether they are in condition to receive the immunization. If pigs are suffering from diseases or are out of condition, vaccination should not be attempted until they are restored to health.

Old Fashioned Revivals—

Old fashioned revival meetings may be on the way back to every county in Texas according to plans projected by leaders of the Baptist denomination. To head this work in the state, the Rev. C. E. Matthews has resigned as pastor of Travis Avenue Baptist church, Fort Worth, effective May 1.

Although he has served that church nearly 24 years, and has become outstanding as a pastor, Dr. Matthews has never ceased to be an evangelist. He has been called upon constantly to lead meetings in other churches and to conduct city-wide campaigns. He has baptized into his own church over 4,400 converts.

With the advent of the atomic bomb and the uneasy peace, Dr. Matthews has felt strongly with President Truman and Gen. McArthur that the hope of the world lies only in a spiritual revival. He impressed his idea so successfully on his brethren in the state that they prevailed upon him to give up what he had thought to be a lifetime pastorate to take the leadership in evangelism in Texas.

So he has resigned his church of over 6,000 members and, at a smaller salary, is assuming the difficult task of co-ordinating Texas Baptists in a program of revival meetings. Plans include services in the largest churches as well as in abandoned church houses and in unchurched communities, urban and rural, bringing the impact of a unified effort to match the atomic age with a message of a compassionate Christ.

Smedley Announces For Supreme Court

Graham B. Smedley

Associate Justice Graham B. Smedley of the Texas Supreme Court announced today his candidacy for an elective term on the court.

The former Fort Worth Attorney rose to the Supreme Court after an outstanding legal career which included service as Midland County Attorney, six years as an Assistant Attorney General, many years of private law practice, and 10 years as presiding judge of Section B of the Supreme Court Commission of Appeals.

REDECORATES BARBER SHOP

The Barber Shop owned and operated by Star Haile and Jess Inman has undergone a complete remodeling this week. The interior of the building has been redecorated, and new the asbestos block floor covering has been laid on the floor.

The shop was closed Monday and reopened for business Tuesday.

It took more than four pages of the Congressional Record, in July 1946, to list the wards in which some street or another of the world has been involved since 1800.

Chinese Friendly And Curious, Too

TIENSIN, China (Delayed) — Marines do not sit near the window in any restaurant or cafe here, for there they will have an uninvited audience of scores of young and old Chinese, their hands shading their eyes, their flat noses pressed flatter against the heavy pane.

Attempts of the manager to disperse the inquisitive crowd brings only temporary privacy for occupants of window tables, for no sooner does he leave than the pane is again tight with grinning humanity. If a Marine stops on the street, a

throng of Chinese, seemingly springing from nowhere, encircles him.

Jeeps are seen on the street only, when they are in motion. Parked, they are obliterated by large groups of curious natives.

As this is being written, two curious little boys are bent over either side of the typewriter intent on action of fingers, keys, word on paper and bell ringing at the end of each line.

K. L. MANUEL AT HOME

K. L. Manuel, who has been stationed for the past four months at Fort Sam Houston, recuperating, received his discharge April 23 and has been home since that time. He is not certain as yet what his plans for the future will be.

**SIDELIGHTS FROM WASHINGTON**

By CONG. GEO. MAHON

On Wednesday of last week our seven-man Sub-committee on Military Appropriations began hearings on the Military Appropriations Bill to meet the needs of the Army for the fiscal year beginning July 1, 1946.

We are being asked to appropriate the money for an Army which will number 1 1/2 million men on July 1, 1946, and shrink to 1 million by June 30, 1947. The huge sum of 7 3/4 billion dollars is being requested for this one year period. This is a vast sum of money, but it is quite a comedown from the peak annual appropriation for the Army of 72 billion dollars in 1944. The money requested for next year, the first post-war year is one-third of the sum which was appropriated for the year just prior to the outbreak of the war.

In our democracy the Army makes available for publication many facts which no other nation would think of publishing. The Russians, and even the British, do not make public detailed figures about their military strength.

On July 1st we will have 402,000 men in the Pacific area, 338,000 in Europe and 737,000 in the Continental United States. The Army purpose that by June 30, 1947, the numbers will be reduced to 273,000; 161,000 and 547,000 respectively. These figures do not take into account the men we have in Alaska, Newfoundland, the North Atlantic and the Caribbean areas.

General Eisenhower will not appear before us until early in June, as he is now in the Pacific, but he left word with us that his request for men and money is a "rock bottom" request. The Secretary of War appeared before us last Friday, and we assured him that we would not withhold the appropriation of any sum that was clearly needed. I became a member of the War Sub-committee in 1940 and have always followed the policy of supporting necessary military appropriations.

The Air Forces are requesting funds for the purchase of 1100 new planes of the very latest type. Aviation developments moves very rapidly and many of the planes which were built a couple of years ago are now outmoded.

For the atomic bomb development the sum of 200 million dollars is being requested. A short time ago I spent a day in Los Alamos, New Mexico, where the atomic bomb is made. The substance for the bomb is made in Tennessee and in the State of Washington, but the bomb itself is made in Los Alamos, that is, the final processes are completed there.

Having spent a couple of days at the atomic bomb plant in Oak Ridge, Tennessee, in May of last year and observed the gigantic proportions of the project, I was struck by the contrast when I saw the relatively small unimpressive lay-out at Los Alamos, nestling in the mountains northwest of Santa Fe, about 40 miles by auto. Los Alamos is 7,000 feet above the sea level and the terrain is such that the place is relatively easy to guard and is far enough from any city so that experimental explosions do not present a hazard.

Most of the buildings are quite temporary in character. The money which we provided for construction at the project was relatively small when compared to the big plants in Tennessee and Washington State—less than 30 million dollars. Now that the work is to go forward on an experimental basis as a permanent thing, many additional provisions will have to be made.

Los Alamos has a population of several thousand. It is a little city within itself, built by the Government. I complained that the place did not have a church or chapel. A theatre is used for religious worship. The population is largely adult. I believe someone said that there are only six graduates in the High School graduating class this year.

**BRITT BROTHERS ARE NOW HOME.**  
Donald Britt, son of Mr. and Mrs. D. L. Britt of Amherst, arrived home recently.  
He had been two and one half years in the service and two years in the South Pacific.  
His brother Roger Britt, 19 also arrived home three weeks ago from Germany. He was with General Patton's Third Army, and attached to the 87th Division. He was wounded on March 17, 1945 at Coblenz and remained three months in a hospital in England.  
He was awarded four battle stars. Donald served on Guam and Okinawa with the Aviation Engineers.  
New York is the only state touching both the Great Lakes and the Atlantic Ocean.

Personals

Mrs. Johnny Manuel left Amarillo Monday for Los Angeles and San Francisco to visit relatives.

Mrs. Dorothy Austin was a patient in the Payne-Shotwell Hospital a few days threatened with Appendicitis. Apparently better she went home and remained a week, but was obliged to return to the hospital Monday, when she underwent an operation, and is doing nicely.

Mary Charlotte Jordan, little daughter of Rev. and Mrs. C. T. Jordan of Earth, was ill in bed all last week with measles. She is reported to be getting along finely.

Mr. and Mrs. W. J. Mauk and daughter, Lila Lou, spent the past week visiting relatives and friends at Burnet, Houston and other points.

Carroll Miller was admitted to the Littlefield Hospital Friday night suffering from Pneumonia. He had been ill a couple of days previous to going to the hospital. He is reported to be improving.

Mrs. M. M. Brittan was in Lubbock on business.

Mr. and Mrs. Jack Pope left for Olney, Texas, Friday to spend Mother's Day in the home of Mrs. Pope's parents, Mr. and Mrs. Eagan.

Jack Brotherton, son of Mr. and Mrs. R. A. Brotherton, who has been discharged from the service and has recently been employed with the Robert H. Ray Oil Company, Temple, spent last week here with the Brotherton family, after which he left for Dimmitt, where he is employed by the State Highway Department.

Mrs. Marvin Jones and daughter, Bobbie Ruth, of Bakersfield, Calif., arrived Saturday to visit her mother Mrs. Vick Bullman.

Mr. and Mrs. S. H. Blum of Littlefield are the parents of a son weighing 8 pounds seven and one-half ounces, born at 7:15 p.m. Wednesday in West Texas hospital. The father is a farmer.

Mrs. Electra Bishop of Anton underwent an operation for Appendicitis at the Littlefield Hospital Friday, and he is getting along fairly well.

Mr. and Mrs. Carl McDaniel of Lovington, N. M., visited Mr. and Mrs. W. R. McDaniel at Whitharral last week end. Mr. McDaniel is an uncle of W. R. McDaniel.

Mr. and Mrs. Troy Foster of Fredericksburg, Texas, visited Mr. and Mrs. M. P. Reid Friday night enroute home from Salinas, Cal., where they had been visiting Mr. and Mrs. James Foster.

Mr. and Mrs. J. W. Estes, who were ill all last week, are not and around again.

Mr. and Mrs. Marshall Edwards of Brigham City, Utah, arrived in Littlefield recently, and are looking for a location, a farm or business in town. Mrs. Edwards was formerly Miss Jeauswanne Honea.

Lt. and Mrs. Robert Shannon of Dallas and Mr. and Mrs. Marshall McCurry of Sunray, spent Sunday and Monday visiting Mrs. Shannon's and Mrs. McCurry's father, E. M. Botsford. Mrs. Shannon is the former Irma Botsford and Mrs. McCurry is the former Florence Botsford.

PETERSBURG'S WATERWORKS RECEIVING APPLICATIONS

PETERSBURG'S waterworks department is now receiving applications for connections as construction work progresses at a rapid pace.

Air Mail stamps were first placed on sale June 16, 1924. There are 400 miles of shelves in the Library of Congress.

Miss Bonnie Jo Vannoy and Johnnie Lippard Marry at Yuma

The marriage of Miss Bonnie Jo Vannoy and Johnnie Lippard was scheduled to take place at Yuma, Ariz., Sunday last.

The bride is the daughter of Mr. and Mrs. Dave Vannoy of Yuma, and the groom is the son of Mr. and Mrs. J. H. Lippard of Littlefield.

Mrs. Lippard is a graduate of Fieldton High School, and a former resident of that community. Mr. and Mrs. Vannoy left Fieldton for Yuma five years ago.

Mr. Lippard arrived home in October after being a prisoner of the Japs for three and one-half years. He has re-enlisted in the Marines, and reports for duty at Dallas June 3. He and his bride will visit Littlefield enroute to that city.

SPADE NEWS

Cal Harvey and family of Littlefield visited Sunday in the home of his parents, Mr. and Mrs. H. Harvey.

Mrs. Pearl Keeser of Garden City, Texas is visiting in the home of her daughter and son-in-law, Perry Coffee. Her visit will be indefinite.

Rev. Maxbery and family visited in the home of Mr. and Mrs. Dan Heard at Littlefield Sunday afternoon.

Mr. and Mrs. H. N. Bennett and daughter Bettye Mae and Mr. and Mrs. Jack Fowler attended the air show at Clovis New Mexico, Sunday.

Mr. and Mrs. C. D. Stafford and her mother, Mrs. W. O. McCain visited their brother and son Everett McCain Sunday afternoon.

Mrs. Billy Bradley and children of Oakland, Calif., are visiting in the home of her parents, Mr. and Mrs. W. M. Weatherly.

Mr. and Mrs. C. A. Townsend and Children of Seagraves, Texas visited in the home of her parents, Mr. and Mrs. J. W. Herring Monday night of this week.

The Senior class will have their baccalaureate service Sunday evening at 8:15 at the School House, Rev. Guy Self, Oton, will be the speaker.

Mrs. Jenna Mae Easter, postmistress at Anton, inspected the Anton Route Number One, Tuesday May 14. She stopped at the Spade Post Office for a brief visit with the postmistress.

Well Known Man Felt Like Swollen Balloon; Full Of Stomach Gas

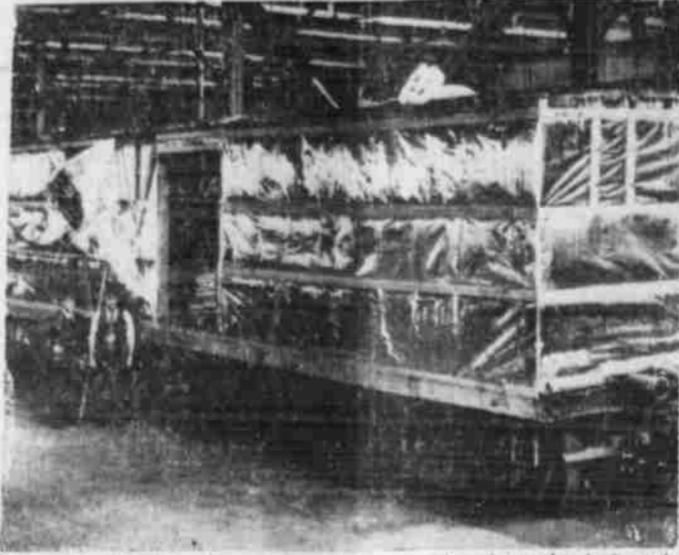

Recently, a well known man stated that he used to feel like a swollen balloon after every meal. He would bloat full of gas and spit up acidulous liquids for hours after eating. Was terribly constipated. This man is one of the hundreds in this vicinity who now praise INNER-AID. He states he was amazed at the results when he took this medicine. Now he eats what he wants without gas or bloating, and bowels are regular for the first time in years. He feels like a new man.

INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering. Get INNER-AID. Sold by all drug stores here in Lamb County.

Smokeless powder is made from nitrocellulose, which in turn comes from white spruce, yellow pine, or hemlock.

COTTON INSULATION TAKES TO RAILS

Cotton insulation advanced one step further into the industrial field when the Illinois Central railroad recently installed cotton insulation in one of its rebuilt express refrigerator cars at McComb, Miss., the National Cotton Council reports. In the photo above, a workman demonstrates ease with which cotton can be installed in the car roof, while below, the metal-foil backed cotton has been installed in the sides of the car. Flame-proof cotton resulted in saving of more than a ton of dead weight and improved insulating efficiency of the car surface an average of 25 per cent.

**NOTES ON COTTON**

**PROFITABLE FEED CROP**

Many dairy farmers are finding it profitable to grow a cotton 'feed crop'. It helps to balance the farm program, furnishes extra cash in a lump sum, and guarantees the necessary surplus of protein feed.—TEXAS JERSEY CATTLE CLUB.

**\$100,000 MORE YEARLY.**—"Approximately 250 members of Youth One-Variety Cotton Community who plant about 2,200 acres in cotton annually had a 1938-45 average value per acre of lint and seed of \$90.75, compared with the state average of \$45.78. Premiums for better staple and extra yield amounted to \$820,500 in eight years, or over \$100,000 annually."—FROM GEORGIA EXTENSION SERVICE REPORT.

**FAT BUGS, LEAN LIVESTOCK.**—"Livestock lose when bugs eat cotton. On the average, insects annually destroy enough cotton to produce 864 million pounds of cottonseed meal and 520 million pounds of hulls, both badly needed for milk and meat production."—NATIONAL COTTONSEED PRODUCTS ASSN.

**HANG UP THEIR SACKS.**—"The cotton-harvesting machine is here, and old picking hands can think about hanging up their sacks forever." MALCOLM ORCHARD IN "FARM AND RANCH."

**AT CROSSROADS.**—"Cotton is at the crossroads. Vigorous, daring leadership can save it. The producing, processing and merchandising of cotton in this country are too important to 'die on the vine'."—P. D. SANDERS, EDITOR, "THE SOUTHERN PLANTER."

Helicopters will be used to make radiological reconnaissance patrols in the lagoon after the Test.

Japanese Police Are Modernized

By Sgt. Robert L. Debo (Marine Corps Correspondent) NAGASAKI, Japan (Delayed) — Classes for Japan's new policemen have opened here under the supervision of Furuya Yasuji, schoolmaster of the Nagasaki prefecture. The classes, part of a nation-wide program, are designed to modernize the country's public safety units and to discourage the brutality which marked the Japanese policeman of past.

Recruits are required to attend classes for four months, while present members of the police force must take a two-month course. Officers and veteran policemen serve as instructors. Courses cover basic police regulations, fingerprinting, self defense and English, the latter to help the Jap cops understand members of the occupation forces with whom they are frequently required to work. Lectures are also given on American police methods. Many Applicants Fail The courses, difficult according to Japanese standards, keep the recruits hard at work six days a week. The examinations were held recently, and 90 per cent of the applicants failed. Each graduate may look forward to a monthly wage of approximately five dollars, possible promotion in three years and sole responsibility for the protection of up to 100 citizens.

Seeks Office Of Comm'r Prec. No. 3

Roy Gilbert, farmer of eight miles north of Littlefield, resident of Lamb County since 1919, authorized Lamb County Leader Tuesday to announce his candidacy for the office of Commissioner of Precinct Number 3. Mr. Gilbert served four years as Tax Assessor, and four years as Assessor-Collector. He has been farming for the past five years north of Littlefield. Mr. Gilbert, in announcing for this office made the following statement for publication: "In announcing for the office of Commissioner of precinct No. 3, I do not feel that I need any introduction to the voters of this Precinct, as I have served eight years in public office in Lamb County, four years as Tax Assessor and four years as Assessor-Collector. "I am making this race on my own merits and qualifications, fully realizing that it is Mr. Ross' second term, but if voters of this Precinct see fit to make a change at this time, then I earnestly solicit their vote and influence. I feel that I am well qualified to discharge the duties of this office in a fair, courteous and efficient manner. "I will try to see each voter personally as near as I can and solicit his vote, but to those I am not able to contact I would like to say—I will appreciate your support." Roy Gilbert

Roping Event At Levelland Sunday

LEVELLAND, MAY 15—(Special)—Jiggs Burk of Comanche, Okla., who was originally scheduled to meet Troy Fort of Lovington, N. M., May 12, will be matched here Sunday afternoon, May 19, at 2:00 o'clock at the Levelland rodeo arena in a twelve-calf roping event. Fort defeated Burk in a match-roping event here on March 24, with Herford calves, but Sunday, the two men will use Brahma calves that have never been roped. Mitson and Simms of Fort Sumner, N. M., rodeo stock contractors, will furnish forty Brahma calves and a large number of Brahma bulls for the events. Dee Burks of Comanche, Okla., brother of Jiggs Burk, will meet Red Whitley of Crosbyton in another match roping event. But since Whitley is now in Washington, and may not be back in time for the show there may be a substitute, said W. J. Robertson, president of the Levelland Rodeo Association. Brahma Bull riding will be an added attraction at the Sunday afternoon show.

Amherst Girl Scouts Honor Mothers May 13

The Girl Scouts of Amherst had a successful meeting May 13 at the Birdsong residence. Mothers present were: Mesdames E. E. Gee, Marvin Wagner, J. E. Lynch, B. O. McDaniel, F. R. Wilson, M. G. Berry, W. F. Birdsong, Curtis Ivey, Scott Smith, Claude Coffey, Ted Stemons, and Harold Clement. All the scouts bought their mother a corsage. Artie Jewel Wilson, Molly Jo Pete and Sally Birdsong were responsible for the program. Anne Birdsong gave a reading, Sally Birdsong and Molly Jo Pete tap danced, Faith Smith played the piano, and sang a solo. Lilita Stemons sang a solo, Lila Lee Ivey, Lucretia Gay Payne, Artie Jewel Wilson and Jessie Fay Davis read poems about "Mother," and Betty Lee Clement, Nan Ellen McDaniel sang as a trio. Letitia Stemons and Faith Smith served refreshments. They served orange sherbert with ginger ale over it for a drink, and dainty home made sandwiches and cookies. Several scouts were awarded dramatic badges.

Sunday Is "I am An American" Day

Austin, May 14—The opening of the \$450,000 campaign of the Americanism Endowment Fund of the American Legion, which commences Monday, will be prefaced by an explanation of its projected educational and welfare program in thousands of Texas pulpits on Sunday. Sunday is "I am An American Day," by proclamation of President Truman, Honorary National Chairman of the Americanism Fund, and by Governor Stevenson, the Honorary State Chairman, and the Governor called special attention to both the occasion by proclamation and to the campaign by a letter addressed to 7,500 "men of all faith," the clergy of Texas. "We have emerged from the most widespread and most devastating war in the history of mankind—and we have emerged as victors," the Governor wrote, "but our victory will have little meaning if we do not immediately take up the task of preserving those things for which Americans fought and died upon the fields of

battle in two hemispheres. "We are in a period characterized by many "isms, but there is only one of them that can be safely counted upon to maintain for ourselves and our children the fundamentals of that type of a democracy which has made our country great. "That is Americanism. "The American Legion has created the Americanism Endowment Fund to sustain a permanent program of education in the duties and obligations of American citizenship. This deserves the support of all true Americans. "The representatives of many denominations throughout the State were invited to study the purposes of this program and to consider its merits. It is their feeling—as men of God—that the principles of the Americanism Endowment Fund are worthy; that there is a need for such a movement; and that the objectives of the Trustees of the fund are in keeping with religious principles. "President Truman has proclaimed May 19th, "I Am An American Day." While Texas will celebrate this in the usual manner, I am hopeful the churches of the State will not consider it inappropriate to devote at least a portion of their services to the subject of patriotism, emphasizing the advantages Americans enjoy under the Constitution of the United States of America. "I hope that you will join in supporting this great cause of Americanism."

Terry and Armstrong counties "jumped the gun" on the campaign by sending in their full quotas well in advance of the opening date, and several private contributions have already been received or pledged. Texas' quota of \$450,000 is the first to be sought toward the \$15,000,000 national goal. The Trust is administered by twenty-one men of national prominence, including Gov. Earl Warren, of California; Roy W. Moore, president of the Canada Dry Ginger Ale Co., of New York; Gen. R. W. Johnson, chairman of Johnson & Johnson, of New Brunswick, N. J.; M. A. Hutcheson, vice-president of the United Brotherhood of Carpenters & Joiners; Louis Johnson, former Under-Secretary of War; and Charles R. Mabey, former Governor of Utah. Col. Alvin M. Owsley, of Dallas, is chairman of the Board of Trustees, and Fred F. Florence, president of the Republic National Bank of Dallas, is state chairman of the campaign.

# LAMB COUNTY LEADER

VOLUME XXIV

Littlefield, Lamb County, Texas, Thursday, May 16, 1946

NUMBER 8

## Littlefield Community Chest is Organized

### L. C. Hewitt Named President; Don Bell, Vice-Pres.

#### Purpose Of Body Is To Take Care of Donations To Charity

Littlefield Business men met in the basement of the Methodist Church Friday afternoon and organized the Littlefield Community Chest.

Representatives were present from the various Civic Clubs and organizations, including the Chamber of Commerce, Junior Chamber of Commerce, Rotary Club, Lions Club, American Legion, Federated Council of Church Women Girl Scouts and Salvation Army.

Around table discussion took place regarding the method of organization, and function of the body.

The function of the organization would be to take care of all donations to charity and eliminate the various drives for funds usually put on in the city.

Under the new setup all donations or gifts of charity, which are ordinarily through the following—Rotary Club, Lions Club, C. of C., Jr. C. of C., Veterans of Foreign Wars, American Legion, Federated Council of Church Women, Womens Study Club and P. T. A., or any other organization which is not supported by donations, will be taken care of by the Community Chest.

Talks were made by Mancel Hall, who presided over the organization, Mayor Chesher, Bill Morris, Don Bell, Earnest Cundiff, Paul Pharris Van Clark and others.

Officers were elected as follows: L. C. Hewitt, President, Don Bell, Vice-President; and Mancel Hall, Secretary-Treasurer.

It was agreed at the meeting that each of the above clubs or civic organizations name a director from its membership, which body will make up the Board of Directors of the

### HALSEY ENTERS RACE FOR CONGRESSMAN IN 19TH DISTRICT, MAKES STATEMENT

Hop Halsey this week authorized the Leader to announce his candidacy for Congress as a representative from the 19th District of Texas.

The 19th Congressional district is composed of the following counties: Andrews, Bailey, Borden, Cochran, Crosby, Dawson, Dickens, Floyd, Gains, Garza, Hale, Haskell, Hockley, Howard, Kent, King, Lamb, Lubbock, Lynn, Martin, Mitchell, Scurry, Stonewall, Terry and Ysuum counties. The district had a population of 275,339 people in the 1940 census.

Halsey is a son of Mark Halsey, prominent Lubbock druggist. Hop Halsey was born in Bell County at Salado. He came to Lubbock with his father 20 years ago. He is 31 years of age, a graduate of Lubbock High School and an ex-student of Texas Technological College. He is now associated with his father in the operation of the Mark Halsey Drug Store in Lubbock.

Served in Texas Legislature Hop Halsey served two terms in the Texas Legislature and during those two terms was a member of the Higher Education sub-committee and the Appropriations committee of the Texas House of Representatives.

While a member of the Legislature, he passed a bill through the House to re-district the state of Texas, this bill died in the Senate. This was the first time in 30 years that a bill of this kind had passed the House.

Littlefield Community Chest. It was pointed out at the meeting that the organization of such a Community Chest will not only do away with numerous campaigns for funds, but will also eliminate canvassing the business men for donations, which will be referred to the Community Chest under the new setup.

The funds necessary to operate the Community Chest will be raised by solicitation and the securing of pledges. A meeting of the organization is expected to be called soon.

Halsey was elected to his first term in the Texas House over one opponent by a vote of four to one and ran for his second term unopposed, that being the first time that a man had sought a second term in the House from the 119th district without having opposition.

Volunteered in Marines At the end of his second term as Representative of the 119th district, Halsey volunteered in the Marines and served 27 months as an enlisted man, 14 months overseas, seeing action in the Gilberts, Marshalls and Marianas Islands.

Hop Halsey has always been active in civic affairs that have been beneficial to West Texas. He believes that there should be less bureaucracy control of affairs of the people and that the government should serve the people, and no form of government is good that demands the people serve it. In other words, he says, he believes in a government of the people, by the people, for the people, and not a government of bureaucrats, by bureaucrats and for the bureaucrats.

Not Machine Candidate Halsey declares that he is not a candidate of any clique, clan or political machine, but as a West Texas citizen, he is asking for the vote and support of all the people in the coming Democratic July election. Hop Halsey started out very early in life with the ambition that you could render no finer service than to serve the people.

"Send a new man to Washington; elect Hop Halsey Congressman from the 19th District of Texas," is the slogan of his campaign.

Halsey is married and has a small son and daughter. He owns his own home and resides at 3308 Twenty-first street in Lubbock.

### RETURNS FROM BUYING TRIP

### Springlake Couple To Give Big Farm To Boys Ranch

Mr and Mrs. Dwight G. Axtell of Springlake have deeded to Boys Ranch, Inc. a 1,489-acre stock farm 15 miles southwest of Dimmitt, in Castro County.

The farm is valued at approximately \$100,000 and has netted an annual profit in excess of \$10,000 for the last five years. The pioneer couple, who will retain surface rights to the property during their life time have signed a lease contract with Boys Ranch officials calling for \$3,000 a year cash lease for all property and equipment beginning January 1, 1948. The contract also provides that the couple may occupy their six-room home during their lifetime.

Axtell, who is 70 years old, is a native of Pennsylvania and has lived on his present property since 1908. Mrs. Axtell was born in Iowa and before her marriage 15 years ago taught school in Springlake. They have no children.

### Attend Southern Baptist Meeting At Miami, Fla.

Rev. C. T. Jordan, Pastor of the First Baptist Church of Earth, left Sunday following services at the church, to attend the Southern Baptist Convention at Miami, Florida which convenes from May 15 to May 19.

Rev. Jordan will accompany Rev. H. H. Henkel, Pastor of a Baptist Church of Lubbock, who will drive his car to Florida.

### Miss Fontella Tucker and Orval McGehee Marry

Miss Fontella Tucker, daughter of Mr. and Mrs. J. E. Tucker of Terrell, Texas, became the bride of Orval McGehee of Gainsville, Texas in a quite ceremony at the home of Rev. D. C. Lindley Friday evening.

The ceremony was performed by Rev. Lindley at 8:15 o'clock. The bride wore a dark blue dress with pale blue trimming, and black accessories.

Attending the couple were Miss Marjorie Williams of Littlefield and Mr. John M. Dudas of Long Island. The groom is employed here with a seismograph crew.

### JODYE JONES ENROUTE HOME

Mr. and Mrs. Otto Jones received a letter recently from their son, Jodye Jones, SM3c, from Hongkong, China, dated May 2, stating that he would leave on the night of May 4 on the "New Yorker" for the United States.

Jones has been in the service two years and has sufficient points for a discharge. He is expected home about June 1, and will resume his college work.

Sing Sing prison was built by a construction force from Auburn penitentiary.

### SINCLAIR MEETING TO BE HELD MAY 28

A district meeting of Sinclair refining Company agents and special representatives will be held at Lubbock Tuesday, May 28, at which Oscar Wilmon, local wholesale agent will be in attendance.

### RE-ENLISTS IN AIR CORPS

Roy E. Dow, son of Bert Dow, formerly of Littlefield, but who has worked in Los Angeles, Calif., after his discharge from the Army last September, has re-enlisted in the U. S. Army Air Corps as a Tech Sgt. He has been assigned on detached service with Hq. 3rd Military Area, whose offices are in the Federal Building in Los Angeles.

In a letter to his father, Sgt. Dow states that the Army offers him more benefits than any civilian occupation available.

### Mr. and Mrs. Anderson Establish Business At Brownfield

Mr. and Mrs. T. H. Anderson and children moved to Brownfield May 1, and have established a grocery store there, which they are operating under the name of Handy Andy Food Store.

They opened this business Saturday last.

### SUFFERS HEART ATTACK

The many friends of Mrs. J. O. Connell will regret to learn that she suffered a heart attack last week, and is still confined to her bed at home. However, she is improving.

W. H. MADDEN · FRED WRIGHT  
LITTLEFIELD · PHONE 91 · TEXAS

**State vs Newton Scheduled To Be Tried May 28**

Dr. W. R. Newton, of Cameron is scheduled to go on trial May 28th in 64th district court at Plainview on charge of assault with intent to murder in connection with the 1942 shooting of the late Dr. Roy E. Hunt. Dr. Newton was tried and convicted in Olton, Aug. 25, 1943, on a charge of assault to murder. The court of criminal appeals reversed and remanded the case on appeal. It was moved to Hale county on a change of venue.

Dr. Hunt, of Littlefield, was shot the night of May 21, 1942.

The appeals court ruled that some of the testimony introduced in Dr. Newton's trial violated rules of criminal procedure; that the court erred in allowing the prosecution to "bolster" a state witness.

The grand jury that indicted Dr. Newton also billed Mrs. Newton, his wife. The charge was the same.

Mrs. Newton has never been tried. When her case was called at Olton, Judge C. D. Russell changed venue to Plainview on his own motion.

Recognition with the court was continued in the cases of both defendants.

Dr. and Mrs. Hunt were slain Oct. 26, 1943, and their bodies lashed together in their bed. Jim Thomas, 50, who is in the penitentiary serving a sentence for armed assault on Baxter Honey, a former peace officer of Lubbock, twice was tried and given the death penalty on a charge that he slew Dr. Hunt. The first conviction was set aside by the trial court when jury misconduct at Plainview was proved. The second conviction was reversed and remanded by the court of criminal appeals for "insufficient evidence." The second trial was at Lamesa. There has been no recent announcement as to whether Thomas will be tried again.

In the cases involving the Newtons, the state charged by its witnesses that Dr. Hunt was playing bridge at home, with his wife and friends, when he received a telephone call from a woman, whose voice, he told his friends, he "recognized."

He said in Dr. Newton's trial that the woman asked him to drive to a spot on a country road. The physician said he understood someone was in "distress" there.

Dr. Hunt further related that when he got to the place he found a large automobile, and that Mrs. Newton was in it. He said he began talking with her, and that Dr. Newton came running from the side of the road nearby, shouted, "Don't you know she's a married woman?" and began firing at him.

Dr. Hunt, badly wounded, nevertheless fled into a field and, bullets singing past, managed, he said, evade attempts of Dr. Newton to locate him with a spotlight of the automobile.

When the assailants drove away, Dr. Hunt testified, he went back to his car and drove to his clinic in Littlefield, and directed arrange-

**POSSUM FLATS... "TALK ABOUT ENERGY"**

**Buick's Expansion Program Moves Steadily Forward**

Buick's greatest expansion and modernization program in its 40-year history moved forward steadily today as company officials announced the acquisition of more than 1,000,000 square feet of additional floor space through lease and purchase of government buildings.

Harlow H. Curtice, Buick General Manager and Vice President of General Motors Corporation, disclosed that Buick has leased the government-owned tank arsenal at Grand Blanc, Mich., near here and purchased the aluminum aircraft parts foundry built on its property during the war.

The Grand Blanc arsenal in which Fisher Body produced medium and heavy tanks during the war will be converted into a huge parts warehouse and shipping department to facilitate flow of spare parts to Buick dealers and owners throughout the country. One thousand Buick workers eventually will be employed at the parts depot.

Each of the plants has approximately 500,000 square feet of floor space. Government-owned machinery still housed in the plants will be moved as quickly as possible to expedite their reconversion to peacetime operation.

A loading dock 60 feet wide and 160 feet long will be built to expedite moving of parts from the plant to truck trailers and railroad cars. Prompt handling of parts inside the

plants for surgery performed by a brother, Dr. Ewell Hunt, who had been summoned from Lubbock.

Some of the witnesses who had testified in the trial of Dr. Newton were in service on farflung battle fronts and could not be produced during the war for trial of Mrs. Newton. Too, the state's star witness, Dr. Hunt, was dead, and since Mrs. Newton had been afforded no chance to cross-examine him, there was additional difficulty in the state's making out a complete case against her.

No recent announcement has been made to indicate when Mrs. Newton's trial will be called.

plant will be assured by six new power conveyors and electrically-driven "fork" trucks.

It is expected to get the Grand Blanc plant ready within 90 days to handle all Buick spare parts from transmissions and large body stampings, including doors, fenders and hoods, to small engine parts. Buick normally carries a backlog of spare parts for all of its models built within the last eight to ten years. Last year it shipped nearly 35,000,000 pounds of spare parts to Buick dealers.

**Mrs. Lowe's Mother Very Active At Ripe Age of Eighty-eight**

Mrs. Frances Simmons, mother of Mrs. M. E. Lowe of this city, whose home is at Abilene, Texas, who has been visiting relatives in Lubbock, arrived in Littlefield Sunday and is on an extended visit with Mrs. Lowe here.

Mrs. Simmons had been visiting her son, I. T. Weed, and family at Lubbock, who is also a brother of Mrs. Lowe. She was accompanied to Littlefield by Mrs. Wm. Petticoles, a daughter of Mrs. Lowe, who spent Mother's Day here and returned to Lubbock Monday.

Mrs. Lowe's mother, Mrs. Simmons, has passed her eighty-eighth birthday, and according to Mrs. Lowe, is enjoying good health, and is as active as a woman many years younger.

**IS DISCHARGED**

Richard Gilbert Eddings, BKR 2-c USNR, of Amherst, Texas, son of Mrs. Jessie E. Eddings, was discharged May 4 by the U. S. Naval personnel separation center, Terminal Island, San Pedro, Cali.

Eddings was a baker for the Holsum Baking Co. previous to enlistment at El Paso on August 15, 1944.

**HOSPITAL PROGRESSING**

The Olton Hospital movement is progressing nicely. There are now approximately 250 families with memberships.

There was a meeting held Friday night at the school Auditorium for the purpose of electing a permanent Board of Directors.

**WIFE ENROUTE HERE**

James M. Lane had his tonsils removed at a local hospital Wednesday of last week, and went home Saturday.

Lane heard the news over the radio to the effect that his wife, the former Deena Davis of Liverpool, England, would land in this country May 14.

**KENNETH BECKHAM IS DISCHARGED**

Kenneth Beckham, formerly of Littlefield, who has been in the service 39 months, and overseas 14 months, returned to the States April 22, and has been visiting relatives in Lubbock. He was also a visitor in Littlefield Friday.

**New Uniforms For Leathernecks**

By early September, baring manufacturing tie-ups, the Leatherneck officer who barks "foird harch" will be dressed in exactly the same uniform as the private fresh from boot camp, judging from an announcement issued by Marine Corps Headquarters.

General A. A. Vandegrift, Commandant of the Corps, has already affixed his signature to an order that will change the regulation dress of the Devil Dogs, relegating the present-day corset-tight green coat now worn by enlisted men to the discard.

**Jackets To Be Issued**  
In place of the coat, the quartermaster will soon begin to issue a green woolen jacket, more commonly

**NEW STOMACH ULCER AID Relieves Stomach Acid Pain Victims**

Don't suffer. Get quick relief from stomach distress, bloating, belching and agonizing pains due to excess acid. Just take a FULLER'S TABLET and dissolve it either in the mouth or in water. That new-way, successful medicine for stomach ulcer pain ALUMINUM HYDROXIDE is an active ingredient in FULLER'S TABLETS. It is used by doctors to relieve stomach ulcer pain due to excess stomach acid. It is blended with other ingredients in FULLER'S TABLETS that work in harmony to curb excess acid pain—soothe inflamed, sore stomach lining and aid the natural digestive process. Not constipating. Not a laxative. Don't worry—don't be afraid to eat, just take FULLER'S TABLETS. Try them on our MONEY BACK GUARANTEE. Generous trial size \$1.00. Economy size \$2.50. Call or phone

known as a battle jacket. Cut full in the chest, fitting closely about the waist and having a convertible collar and buttoned cuffs, this new jacket is identical with that now worn by, and restricted to officers.

General Vandegrift's order also decrees the issuance of green trousers with hip pockets. At present, officers only have pants with hip pockets. When the new uniform becomes regulation dress, insignia of rank alone will differentiate officers from enlisted men, Marine Corps Headquarters reports.

**Now In Production**  
Contemplated for some time, the innovation of the Marine uniform is a move in the direction of a two-fold policy of greater clothing comfort and democratization of dress. Already the new garments are in production, and some of them will begin to make appearance during the next month. By early September, the modernized dress will be general issue.

At the same time, a new barracks cap for enlisted men, modeled closely to the line of caps worn by officers, will put in an appearance—wide and flat of grommet, higher and straighter of peak, with a bill of shell cordovan leather.

The flashy dress blue uniforms are also undergoing a change. Currently innocent of pockets, they will soon have four, plus other improvements which will mean better tailoring.

**Plans Drawn A Year Ago**  
Civilian clothing production will not be affected in the slightest by the restyling of Marine Corps uniforms. Plans for the new uniforms were first drawn up a year ago and at that time the critical civilian clothing situation was a factor of consideration.

In making allocation for manufacture of the new uniforms, the Marine Corps has been careful to see

**JOHN BOLES IN NEW ROLE**, When Railroad Commissioner Raiford Jester, left, launched his candidacy for the Democratic gubernatorial nomination in Corsicana John Boles, right, famed Texas baritone of stage, screen and radio, was present to lead the overflow crowd in singing "The Eyes of Texas," which the two sang together often while glee club mates at the University of Texas.

its program does not overlap civilian allocations.

It has also been pointed out that issuance of the new uniforms will not mean that old uniforms will be summarily discarded. Old stock will be fully utilized, principally as issue to troops overseas.

The new green uniform will be made of 16-ounce kersey for both officers and men.

New York and California have more federal employees within their borders than the District of Columbia.

The International Bottle Club, whose members make a hobby of enclosing messages in a bottle, then tossing them into rivers or seas, was founded in 1926, by Col. Edward P. Bailey, San Marino, California.

**DELAYED SENTIMENT**

SASEBO, Japan (Delayed) — Caricatures of the late President Roosevelt and former Prime Minister Winston Churchill, used on bayonet dummies to make the bayonet a more enticing weapon for little Japanese boys, were discovered one afternoon in an elementary school north of here, Technical Sergeant Henry Giniger, a Marine Corps correspondent reports.

When Marines returned the next morning to make photographs of the two drawings, they were told they had been destroyed. Asked why one teacher replied:

"It was very embarrassing to have them on the school grounds. It would not do to make jest of matters pertaining to people who have been so nice to us."

The Marines thought the sentiment was all right but that the timing was a little off.

## Hotel Sold To J. L. Murdock and Perry Roddy Recently

The deal was closed recently whereby J. L. Murdock of Littlefield, Cottonbuyer, and Perry Roddy of Lubbock, purchased the Highway Hotel property from the estate of E. H. Flynn, taking possession May 4.  
 Mr. Murdock is manager of the hotel under the new ownership.  
 Mrs. Ruth Buell and son, Walter, and Mrs. Helen Buell will leave for Brownwood the end of this week to visit relatives from where they will go on to Austin. It is expected that

Sidney Buell, who graduated from the Littlefield High School Wednesday, will spend the summer in Hereford on a farm. He will enter State University this fall, and the Buell family will live in Austin.  
 Mrs. Ruth Buell has been manager of the Highway Hotel since the death of E. H. Flynn two years ago. The Buell family came here from Grand Saline, Texas.

The Gloucester Leg Stool, with which tired business men can relax with their feet up at a comfortable angle, was the result of a hobby of a retired business man.

## THEY'RE HERE! NEW SERVEL GAS REFRIGERATORS

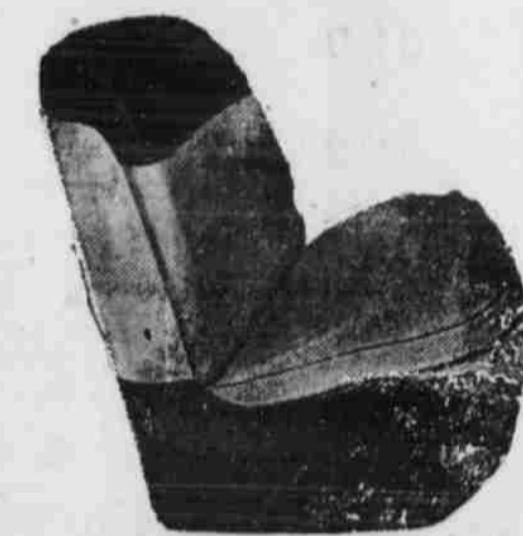

For you'll find the Servel Gas Refrigerator is basically different. It has no moving parts in its freezing system. Just a tiny gas flame keeps the refrigerant circulating—provides unflinching cold and plenty of ice cubes.

This different, simpler operation means it can't get noisy—ever. And it means, too, there's nothing to wear. Nothing to need fixing. You switch to years of silent, trouble-free service... when you choose a Servel... You'll find the new Servels are mighty good-looking, too. Big and roomy. And planned just right. An extra-cold compartment for meat storage... a place to keep vegetables crisp and unwilted... and lots of room for frozen foods! Come in and see them—right now!

### Patients Admitted To The Littlefield Hospitals

#### AT THE LITTLEFIELD HOSPITAL

Billie Joyce Foley of Littlefield was admitted to the hospital May 4 for medical treatment. She was threatened with Appendicitis and a patient until Monday of last week. Ronnie Helms, about 4, was admitted May 6 for minor surgery and went home the next day. He is the son of Mr. and Mrs. Helms of Littlefield.

Charlie Church of Elk City, who was here visiting his grand-parents, Mr. and Mrs. Tom Church, and other relatives, was accidentally shot when off and struck him about the center of the lower leg, fracturing the tibia the large bone in his leg. He was admitted May 6, and was treated, but later was taken by ambulance to Elk City, Okla.

Mrs. Lee Capps of Sudan was a patient in the hospital from May 7 until Friday last. She was burning trash and poured gasoline on the trash to make it burn. It exploded, burning her severely about the face and hands. She went home May 10, and is reported to be getting along nicely.

Mrs. Robert Bigham was admitted

for medical treatment on May 8, and is doing fine. She was released Sunday and went home.

Mrs. Earnest Park of Sudan was a patient in the hospital Wednesday of last week for treatment.

Lindley Hamilton received treatment for a fractured leg Thursday last at the hospital. He fell and broke his leg near the ankle, and was admitted to the hospital Thursday, and went home Friday.

Baby Woodrow Surratt of Littlefield was admitted to the hospital Friday for medical treatment. He was suffering from a bronchial infection, and is still in the hospital.

Mrs. A. A. Johnson of Littlefield gave birth to a baby girl Friday, and is getting along nicely. The child was named "Charlotte Faye" and weighed 8 lbs. 3 oz.

A son was born to Mr. and Mrs. C. T. Petree at the hospital, weighing 7 lbs. 2 oz., and named "Jimmie Richard."

Carroll Mills, cotton buyer, was admitted to the hospital Friday night suffering from pneumonia.

#### AT THE PAYNE-SHOTWELL HOSPITAL

Mrs. O. D. Hollis, 74 of Shallowater, Texas, was unfortunate enough as to happen with a bad accident while in the act of fastening a barn door during the wind storm Thursday night. The door blew back

### Hop Halsey Seeks Election To Congress

HOP HALSEY

Mr. Halsey has announced his candidacy for 19th district congressional representative. He is a veteran of overseas Marine duty in World War II, and was twice elected to the Texas legislature. A complete statement as released by Mr. Halsey appears elsewhere in this issue of the Leader.

Deer cannot live in a grassland, and antelope cannot live in a forest.

and knocked her down, breaking her hip. She has been a patient at the hospital since last Friday.

Mr. and Mrs. Olley Robinson of Littlefield are the parents of a daughter born Friday night at the hospital. The child weighed at birth 7 lbs. 1 oz., and has been named "Margaret Camille."

The following were admitted for medical treatment:

Minerva L. Gilliland of Goodland, Kansas, Mrs. L. G. Carpenter of Baileyboro, Gene Kennedy of Littlefield, Cleo Lowe of Enochs, Elbert Rice of Ropesville, Mrs. W. M. Newsum of Whitharral, Mrs. O. L. Stephens of Hart Camp, Denna Young, daughter of Mr. and Mrs. Dean L. Young of Littlefield, Mrs. Elwin Crow of Sudan, Mr. E. D. Rose of Bledsoe, Connie Hite of Springlake, Lenora Faye Terry of Anton, Billy Gene Wade of Morton, Alvin Swanson of Anton, Kenneth Helms of Littlefield.

The following were admitted for surgery:

James M. Lane of Littlefield, Edregor Frerich of Littlefield, Edgar Ferich of Littlefield, Mr. J. D. Bayless of Enochs, Mrs. R. B. Bevell of Littlefield, Mrs. Ed Summers of Odessa, Mr. W. A. Stephenson of Dora, New Mexico.

BEGIN TO DREAM OF BETTER LIVING

Electrically

WE'RE BUILDING AHEAD OF A FAST-GROWING TERRITORY

There's plenty of cheap electric power now for you to begin dreaming about living better—Electrically.

Our expansion program is not only for industry, business and better farming... It's for you in your home, too. A new power station, new transmission lines and other necessary facilities are bringing cheap electricity to your home for better lighting, electric cooking, electric refrigeration, and a score of other electrical conveniences. Whether you live in town or on the farm, this efficient electricity will soon be yours at a lower cost than ever before.

No. 18 of a series of advertisements designed to help build this fast-growing territory in which we serve.

SOUTHWESTERN  
**PUBLIC SERVICE**  
COMPANY

21 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

### REGIONAL ROUND-UP

**C. O. ELLIOTT**, blind war veteran of Plainview, will have a home for his family, thanks to Plainview citizens. A \$2,000 fund goal sponsored by the city's Lions Club was passed last week.

**MISS MILLCENT SCHAUB**, Gray County, Texas, home demonstration agent for two years has resigned her position to accept the associate editorship of the "Southern Agriculturist."

**AN EXPENDITURE** in excess of \$252,000 will be made within the next few years for electrical installations and home plumbing in Woodward County, Okla., according to a recent survey.

**AN EARLY HARVEST** with a short yield has been predicted by wheat farmers of Laverne, Okla. A dearth of rain was credited for the outlook.

**THE FIRST POSTWAR** homecoming for West Texas State College, Canyon, will be held Oct. 26.

**CITIZENS** of Borger and Phillips independent school districts will vote on the proposed consolidation of the two districts on May 18.

**MORTON, TEX.**, farmers are installing irrigation systems to nullify a shortage of rain.

**WORK ON THE** Patricia, Tex., farm-to-market road may begin May 21, County Judge Kilmer Corbin of Lamesa has been advised by the State Highway Department.

**HOME DEMONSTRATION** Club members of the East Plains area will meet at Wake, Tex., May 1 for a combined program.

**CHARLES LAWRENCE**, Colorado City, Tex., was named chairman of the Mitchell County Dairy Cattle Improvement Assn. at the organization's first meeting in Lorraine. T. H. Roensch, county agent, and Mrs. Mary R. Drummond, home demonstration agent, are sponsors.

**A LOWER WATER** rate has been approved by the city council of Haskell, Tex., creating a saving to persons cultivating summer gardens.

**WELL DIGGERS** OF HASKELL dug 29 feet to outdo Eastland County's Old Rip—the horned frog who presumably spent the greater part of his life confined in a corner stone. Two horned frogs were discovered by the workmen at the 29-foot level. Greenish in color, the frogs will probably get their natural hue after basking in sunshine, according to witnesses.

**HOMER WEBB**, dairy farmer of Westbrook, Tex., was elected president of the Mitchell County Texas Farm Bureau federation at a recent meeting in Colorado City.

**COWGIRL SPONSORS** are invited to enter the Shamrock Rodeo on May 3.

**ACTION ON** the proposed construction of a bridge over Mulberry Creek near Brice, Tex., may be taken soon.

**A 3,800 FOOT** test will be drilled 12 miles south and four miles west of Perryton.

**THE TENTH ANNUAL** MIT reunion will be held in Dalhart June 22-24.

**PRACTICALLY EVERY TOWN** in the North Plains area will become a stop for national airline feeder routes, Civil Aeronautics Authorities said last week.

**MAY 23** will be the date of the second "Dairy Day" conference to be held in Perryton. Dairy producers from counties surrounding Perryton will participate.

**AUGUST 16-18** are dates set for the second annual Top O' Texas Rodeo and quarterhorse show at Pampa.

**A MATCHED ROPING** between Jiggs Burks of Comanche, Okla., and Troy Fort of Lovington, N. M., will be held in Levelland, Tex., May 19. Burks recently defeated Jess Goodspeed for the championship of Oklahoma.

**CONTRACTS** FOR paving of State Highway 263 have been let, according to The Hedley (Texas) Informer.

**AUTHORIZATION** of a \$160,000 electrical improvement service for Robert Lee, Tex., was filed last week in the Coke County agent's office. Part of the equipment has already arrived. This city has also outlined plans for a rodeo to be held

by the Coke County Livestock Assn. **WELLINGTON, TEX.**, has voted a \$100,000 bond issue for the erection of a new grade school building. **APPROXIMATELY \$100,000** in war surplus training equipment has begun to arrive for use by the Perryton School District.

**THE NORTHFORK** Soil Conservation district, including Beckham County (Okla.) and adjoining counties, was picked as the outstanding soil conservation area in Oklahoma at the soil conservation clinic held in Oklahoma City.

**HOBART, OKLA.'S**, city council the city's water works.

**THE HUTCHINSON COUNTY** HERALD, Borger, completed 20 years of publication last week.

**FARMERS OF LYNN** County, Tex., are planning approximately 1,000 miles of terracing.

**ELECTRICAL IMPROVEMENTS** will be extended to Hale Center community and nearby areas through the Floyd County Rural Electric Cooperative. Hale Center's first oil producer came in last week at Stanolind's well 22 miles southwest of here.

**OLTON, TEX.**, citizens voted last week to found a community hospital.

**EMPLOYEES** of the Denver Alfalfa Mill of Lockney have voted to be represented in their bargaining by a union.

**A \$9,500** road improvement program has been approved for Moore County (Tex.) for U. S. Highways 87 and 287, from the Potter County line north to Dumas.

**THE HEREFORD** prisoner-of-war camp has been turned over to the Federal Farm Mortgage Corp.

**DIRECTORS** and stockholders of the Texas-New Mexico Airlines met in Amarillo this week to discuss amendments to its application for a network of feeder lines serving the southwestern area and to discuss other business matters. A general survey of the communities affected will be made in the near future.

**T. E. JOHNSON**, pioneer newspaperman of the Panhandle and Texas, has joined the staff of Western News Service.

**TOM TURNER**, former Amarillo newsmen, has purchased an interest in The Canadian Record with Maj. Vincent Lockhart, who also recently purchased the Higgins News.

**HALE CENTER'S** proposed school bond election was defeated by two votes.

**LITTLEFIELD** and Lamb County farmers have a new high in well drilling since two local men have started using a rotary drilling machine for new water wells. Many of the wells, with an 18-inch hole, are flowing 1200 gallons per minute.

**ALFALFA** growers at Hollis, Okla., reorganized last week and outlined an annual program for association improvements.

**GRUVER'S** new airport is now under construction.

**BUFFALO, OKLA.**, ranchmen report that wild greyhounds, running in packs, are raiding livestock of the area.

**LAVERNE, OKLA.'S**, spring race

meet opened with 100 horses in the stables.

**STATE HIGHWAY** members have allocated funds to connect highways 115 and 82 between Winkler and Kermit. **KERMIT** will hold an election May 18 for decision on re-allocation of its tax rate.

**MILES, TEX.**, has reorganized its Legion Post. Leon Kincaid is the new commander.

### Local Girl Scouts To Attend Lubbock Meeting May 16

At least twenty-five board members, troop committee members, leaders, and adult Girl Scout members are expecting to attend the Area Council organization meeting in Lubbock on May 16, according to Charles Signor, president of the Girl Scout Council, following the meeting of the Littlefield Council with troop leaders recently.

Houston Hoover will report on the Littlefield Girl Scouts organization, number of troops and plans for the summer at the Lubbock meeting.

Organization of the area will mean better Girl Scouting for each town through professional service, more camping opportunities and better training for volunteer workers. It also means the extension of Girl Scouting to towns who do not have it.

The meeting will be held in the ballroom of the Hilton Hotel at 7:30 p. m.

The board meeting at 7 o'clock Monday night preceded the meeting with the troop leaders at 8 o'clock. To Miss Henry's Girl Scout troop went the honor of being the first registered in Littlefield and to Mrs. Carl Morrow's troop, the first Brownie troop registered.

Leaders reported excellent attendance at all Scout and Brownie meetings, with interest and enthusiasm high for continued meetings and day camps during the summer months.

Mrs. Roy Wade, committee woman reported that an Investitude service would be held by the two troops of the fifth grade Thursday afternoon in the back yard at the W. D. Watkins' home. At that time Miss June Wren's troop, with her co-leader Mrs. Albert Findley, and Miss Ruth Richardson's troop, and leader Mrs. Clyde Chappell, will entertain their mothers.

The girl scouts have issued their invitations for the occasion.

Other committee women for these two troops include Mrs. Hollingsworth, Mrs. J. L. Redwind, Mrs. W. D. Watkins, and Mrs. Roy Wade, and Mrs. Norris Onstead, Mrs. R. C.,

Floyd, Mrs. C. E. Jones and Mrs. Dan Cotham.

Plans were made to send a member of the board or troop leader to the Day Camp Instruction School in Amarillo on May 20, 21 and 22.

The next meeting of the board will be held on the first Monday in June at 7:30, when President Signor urged a full attendance.

### ARRIVES IN STATES

Pvt. Jimmie Chapman, who had just arrived in San Diego, Cal. from overseas, talked to his mother, Mrs. Dee Chapman, Wednesday of last week, stating he would be home Saturday or Sunday. He was leaving San Diego Friday morning.

Pvt. Jimmie Chapman has been in the service two years, and overseas 18 months.

### Our dealers join us in making this frank report to THE FARMERS OF AMERICA

**INTERNATIONAL** Harvester is getting back into production with all possible speed. Extra shifts are being employed wherever conditions permit, to try to overcome the production losses of the recent strike. Everything is being done to get parts and machines to you.

While we and our dealers would like to tell you that this means an immediate end to the shortage of service parts and machines, it is more accurate to say that it means the beginning of the end of it. If illness or bad weather delays you seriously in the Spring, you know how much it throws you off your schedule. The strike has thrown our schedules off balance, too. There are many "chores" we must do before new machines reach you.

### Material shortages

The preliminary chores of getting our plants back into shape for full production are finished. But disturbances in other industries and resulting material shortages may affect our plans. Light gauge steel sheets, brass and copper, fractional horse power motors, and many other items are all very short. The coal situation may also prove serious—we hope not.

### Refilling the well

Both our dealers and our branches have run dry on parts and new machines. So the biggest chore is to get their working stocks back to normal. It will take time to fill the pipeline to dealers—just as it takes time for you to refill a well or cistern after it has run dry. Stock and display rooms of our dealers represent not one, but ten thousand reservoirs which must be refilled. The most heroic pro-

duction efforts will mean that your local dealer can expect only a small number of parts and machines at a time. Since we must play fair with all our customers, there will be a sprinkle of parts and machines all over the country—not a downpour in any one section.

You will be glad to know that all repair parts production schedules are far beyond normal.

### No hoarding

You may be sure that every machine will be shipped to dealers as soon as completed. We do not and will not hold machines off the market.

At the start of the strike we had on hand at all our factories and branches just 837 tractors of all kinds—less than two days' production—and 405 of these were not completed. Many of those on hand had one or more important parts missing—principally radiator cores. Most of the rest represented the normal daily "float" between the end of the assembly line and the shipping platform. Naturally no tractors were made during the strike.

### What dealers may have for you

We can report to you that our current production on TRACTORS is good and we are shipping at a normal rate. Even so, there will not be enough to go around. The situation on PLOWS

and DISK HARROWS is reasonably good. On COMBINES, MOWERS, HAY RAKES, ONE-MAN HAY BALERS, CORN PICKERS and many other items, our schedules have been seriously disrupted. We must in fairness say that many of our customers are likely to be disappointed on delivery of these machines. On MILKING MACHINES, STATIONARY ENGINES, and other small units we are hopeful of making practically normal delivery.

We know you will understand the reasons why your dealer cannot fill your orders overnight. He would like to give you the kind of delivery on machines you would like to get, but his situation is a difficult one and not of his own making. He is doing the best he can.

### No cutting corners on quality

There is one thing you can be absolutely certain about: We will NOT cut corners on quality in order to increase production in this emergency. For years we have said: "QUALITY IS THE FOUNDATION OF OUR BUSINESS." Today we say it—and mean it—as much as ever.

We know you need new machines—and need them badly. But we believe it will pay you to wait just a little while longer if you cannot get all you want immediately. By waiting you can be sure your new equipment will have the quality so rightly associated with INTERNATIONAL HARVESTER for so many years.

LAMB COUNTY LEADER

Littlefield, Lamb County, Texas

Information For Veterans

Q. Is there any restriction on the use of the money secured from a loan guaranteed by the Veterans Administration?

A. Yes, Funds secured from a loan may be used only to purchase, build, repair, alter, or improve a home or to be occupied by the veteran, to purchase a business, business property, or equipment to be used by the veteran for the purpose of earning a livelihood.

Q. In an emergency, how can a veteran secure admission to a veteran hospital?

A. Before proceeding to a Veteran Administration Hospital, the veteran or someone acting for him should communicate with the near-

est VA contact unit or hospital by telephone or telegraph, and request authority for admission and for transportation, if necessary. Prior authority is needed before a person can be reimbursed for any expenses incurred in such travel.

Q. Should a man who obtains National Service Life Insurance from the Government while in the military or naval service retain such insurance after discharge?

A. By all means, because the premium rates are low in comparison with the rates of private insurance, especially in view of the valuable protection granted. After separation from active service, veterans cannot apply for new National Service Life insurance and the obtaining of new insurance with private companies will have to be accomplished at his present age for which rates would necessarily be higher. Furthermore, the additional medical examination which would be required for a new non-government policy might disclose some impaired health condition which would bar the granting of new insurance by the private company. If the veteran has let his National Service insurance lapse, he should seek its reinstatement at once.

Last Rites Held For Former Olton Woman

Funeral services for Mrs. Daisy Dickenson, 68, of Elsinore, California, a long time resident of Olton, took place at 2:30 Sunday afternoon at the Olton Baptist Church.

Mrs. Dickenson was born January 7, at 1:15 at the home of a son, Jimmie Dickenson, at Big Bear Lake, California. She had made her home in California the past two years. At the time of her death she was making her home with her granddaughter, Mrs. Ted Del Rio, of Elsinore, Calif.

The body arrived in Clovis, N. Mex., Friday at 9 a. m. It laid in state at Olton at the home of a son, W. B. Dickenson, until time for services.

Mrs. Dickenson was born January 10, 1877, at St. Louis, Mo. Her family moved to Seymour, in 1896 a. s. i. in 1898 they moved to Swisher County. Mrs. Dickenson moved to Olton in 1902. Her husband, Herbert F. Dickenson, who was first sheriff of

# Cooperative Hospital

NEAR LITTLEFIELD

**DON'T FORGET, FRIDAY, MAY 17th**

## WHAT IS THE PLAN AND COST OF A COOPERATIVE HOSPITAL?

A Cooperative Hospital for Littlefield will give you the advantages of modern hospital facilities and doctor's care at the lowest cost per member.

**LIFE MEMBERSHIP FEE FOR ENTIRE FAMILY \$50.00**

(This builds and equips the hospital, which the members own)

**OUR SERVICE PLAN WILL BE AS FOLLOWS:**

Yearly cost for Doctor's Services which includes all examinations, treatments, tests and operations, ultra violet ray and diathermy treatments. One person in family \$12; two persons \$18; three persons in family \$22; four persons in family \$25. (\$2 additional for each member of family over four).

The family consists of father, mother and all unmarried children living at home regardless of their number or age. If such a family has a father, mother, brother, sister or other dependent living with them and dependent upon them for food, clothing and shelter, they may pay \$6 per year extra for such a dependent.

**HOSPITALIZATION COSTS PAID AS YOUR FAMILY USES THEM**

Semi private, 2 beds per room each day ----- \$2.50  
Private room, day ----- \$3.00

**ANESTHETIC-OPERATION ROOM FEES**

Major Operations (like appendicitis) \$20— Minor (like tonsils) \$10. Obstretical Cases \$10.  
Home calls are \$1.50, plus 25c per mile each way. One X-ray picture \$3; additional pictures \$2 each. Dye used in X-ray of the kidneys \$3. Gall Bladder \$1 additional.

The services of the physician are free, but you pay for all materials and medicines used. Each physician is on a salary. The hospital is open to any qualified M. D. who wishes to bring his patients in for medical treatment or major or minor surgery. Members have the privilege of using doctors not on our staff, but must pay his service fee.

The money derived from non-member business gives additional services and better medical care by employing additional doctors.

## HOW IS A COOPERATIVE HOSPITAL OPERATED?

A board of directors of nine members who meet from time to time as the need requires manage the affairs of the hospital. The board elected to serve for the first year are as follows: C. W. Smiley, Ben Gann, W. F. Martin, Roy Byers, Doss Maner, S. N. Twilley, V. H. Diersing, W. M. McCoy, and H. N. Bennett.

The Board of Directors hire the chief doctor and the business manager. The chief doctor hires other doctors, nurses, and technicians, subject to confirmation by the Board of Directors. The business manager hires other personnel subject to confirmation by the Board.

It is the purpose of the Board of Directors and the members to charge enough dues and hospital fees to defray the necessary expenses and not make profit. Our profits over running expenses belong to the association and such funds may be used for expansion, pay indebtedness, improve the service by taking on additional doctors or buy more equipment.

A member can choose any physician on the staff to treat him.

If a member is dissatisfied he can talk to the business manager concerning financial matters, to the chief or staff concerning medical matters. He can appeal to the Board of Directors should he fail to reach an adjustment.

Memberships are transferable with payment of \$10 transfer charge.

## WHAT ARE THE ADVANTAGES OF MEMBERSHIP?

President Harry S. Truman, in his proclamation making May 1st Child Health Day said . . . "In recognition that the Health of American children like their education, SHOULD BE ACCEPTED AS A DEFINITE PUBLIC RESPONSIBILITY."

One case of serious illness in ten years will save you enough money to pay the dues for ten years, to say nothing about needed examinations and treatments and surgical operations.

A regular check-up saves time, lives and saves money.

A person not on free service comes to the doctor when he must. He pays off coming because of the cost.

A member on free service comes as often as he needs to without waiting until it is too late. He has a lot of work done that the non-member neglects.

A cooperative system is a preventive of ill health. The American Cancer Society says '30 to 50% of cancer deaths are needless. They could be saved by early recognition of the symptoms and by early and proper treatment.

## WHAT YOU CAN DO TO HELP GET A HOSPITAL HERE

If you are interested in seeing this cooperative organized so your family can receive these benefits, then come to our mass meeting.

Only through your support, and attendance at the Mass meeting, where we will discuss and lay final plans for the organization, can this be accomplished.

THE MEETING IS:  
**FRIDAY, MAY 17**  
**8:00 P. M.**

**IN THE COURT ROOM—Littlefield**

A cooperative is for you . . . it is run without profit . . . It offers the same advantages to all its members. It is a democratic organization for the benefit. Come and add your support.
