Water Dist. Election Is Saturday

PROWLER MAKES DAYLIGHT RAID

Voters To Decide District's Creation

Prowler made his first raid Wednesday and it may have been his first big mistake.

The girl told a News and Leader reporter that she was alone when the prowler came through the front door.

"He was neatly dressed, about 30, about 6 feet, 2 inches in height had blonde curly hair, dark complexion, average weight, and wore a dark green plaid shirt and light trousers."

The girl said she would be able to recognize him if she saw him again. Police Chief Walraven arrived on the scene soon after the intruder made his entrance and exit and began questioning the family.

The men then saw a light behind their well house, and the girl's aunt heard her slipper slipped by them into a minutes before midnight. They searched the area later found tracks around the well house.

Water, water everywhere—But whether there will be a drop to drink is the question Lamb County citizens in five districts will have to answer Saturday.

Saturday is another election day, and this time voters must decide whether a Lamb County Water Control and Improvement District should be formed.

Bozeman has said the district can prolong its life even one more year, than justify its cost.

It is estimated that the cost of the water control district will be \$300,000 a year.

Second Local Case Of Encephalitis Reported

Case of encephalitis, a sleeping sickness, was reported in Littlefield this week.

Dr. Nowlin discounted the idea that the malady may be transmitted from person to person.

The problem of mosquitoes, one type of which is believed to carry encephalitis, has become nationwide.

The city launched an intensified spraying program against insects early this week and a team of entomologists from Lubbock studied the city's present spraying effectiveness against pests.

No Changes Made After Vote Count

Canvassing of the votes in Saturday's second primary by the Lamb County Democratic Executive Committee Tuesday revealed no changes in earlier reports of the election.

The final tally here in the Ralph Yarbrough-Price Daniel battle for governor was 2159-1217, favoring Yarbrough.

The last box to come in, that of Hart Camp, showed a 35-14 vote favoring Yarbrough, which when added resulted in the final figure.

Lamb county did a complete switch from its July 28 vote. The county gave Daniel 1668 votes to Yarbrough's 1388 in the first primary.

300 ATTEND EIGHTH ANNUAL EVENT

Memories, Stories Feature Pioneer Reunion

By BILL TURNER "I love those dear hearts and gentle people..." It was an old song sung in lively tempo at the Eighth Annual Lamb County Pioneer Reunion Tuesday at the Community Center.

The part their faith in God played in building new country was told by principal speaker Rev. Bill Anderson, pastor of the Church of the Nazarene.

"Your will to work... and your faith in God... was your basic philosophy in life," Rev. Anderson declared.

And as 390 old-time cowboys, ranchers, and farmers and their wives listened... some grinned, some got lumps in their throats and some found tears rolling down their cheeks.

Many an old story swapped hands Tuesday... the story of how the XIT got its name... the day rain came to stop an impending gunfight over whether cattle would be moved from a dry parched land...

And that annual telegram from Myrtle Marian Shaw, kin of Gus Shaw, first president of the Lamb County Pioneer organization stirred old memories too.

For the song brought back memories—happy ones, sad ones, almost-forgotten ones.

They read the Good Book from Fri' 'til Monday, that's how the week-end goes, the song continued.

Mr. and Mrs. Weldon Findley did a series of songs with a theme of "South of the Border." Mrs. Findley, whose husband came here in 1921, ended by dedicating her vocal of "Dear Hearts and Gentle People" to the pioneers.

12 Area Women Attend Session Of W.M.U. Camp To Live In Lubbock Windwehen-Lynch Vows Are Exchanged Sunday

12 Area Women Attend Session Of W.M.U. Camp

Twelve area women were among the 390 members of the Women's Missionary Union attending the Ninth Annual Session at Plains Baptist Assembly W.M.U. Camp Thursday and Friday.

The missionary message was presented by Miss Legtha Saunders, a missionary to Brazil.

Area women attending were Mrs. Lee Hemphill, district young people's director; Mrs. Bayne McCurry, Mrs. C. B. Jacques, Mrs. N. A. Vaughter, Mrs. Paul Vause, Mrs. Lee Furrh, Mrs. D. C. Lindley, Mrs. Letta Daniels, Mrs. Winnie Hogan, Miss Clara Jarmon, Mrs. Iris Hamm and Mrs. Herschel Barker, associational W.M.U. president.

Before an arch of greenery flanked with baskets of white gladioli and tiered candelabra, Miss Johnnie Lou Windwehen and Mr. Bobby Carrol Lynch exchanged wedding vows Sunday, August 26th at 4:30 p.m. in the First Baptist church. The pastor, Dr. Lee Hemphill officiated. The altar was decorated with white gladioli with satin streamers forming the bridal aisle.

Parents of the couple are Mr. and Mrs. Max Windwehen of 209 East 11th and Mr. and Mrs. L. L.

Lynch of Sudan. Miss Gracie Russell, organist, accompanied Miss Sondra Jameson, cousin of the bride, who sang "Walk Hand in Hand", "Because" and "The Lord's Prayer."

The bride was given in marriage by her father. Her wedding gown was an original model of white imported French lace with nylon tulle ruffles over net and satin. Designed with portrait neckline outlined with scalloped lace embroidered with iridescent sequins and seed pearls, the fitted lace bodice had long sleeves ending in points over the hands and terminating in a point at center front waistline. From this, stemmed a

Hoops and corsetry were worn underneath to emphasize fullness. The veil of silk tulle was joined to a pillbox type lace cap embroidered with glistening sequins and seed pearls to match the dress.

A white orchid surrounded with stephanotis was carried on a white lace covered Bible by the bride. White satin streamers stemming from her Bible pocket in wedding pictures of her mother and father and her grandparents.

Miss Joy Windwehen served her sister as maid of honor. Other bridal attendants were Miss Mary Hawk and Mrs. Douglas Perkins of Lubbock. The attendants' identical gowns were of iridescent tulle enhanced with matching dyed lace in Copenhagen blue, designed with portrait necklines and drapery of fabric held with band at the shoulders. The fitted bodices were princess style, ending in long dash torso waistlines held with wide band of lace with large tulle bows ending at center back. Joining these were immense, waltz-length skirts of tulle fully skirted with stiffened lower edges. Crinoline was worn underneath to emphasize fullness.

The program was introduced by Mrs. Hodges and directed by Mrs. Joplin. Imitating a television show, "Name That Tune"

A bridal shower featuring a musical theme was given Wednesday evening at 7:30 in the First Presbyterian church. Miss Virginia Carol Rogers, former church organist was named honoree. Miss Rogers is the bride elect of Jimmie Ray McCain.

Hostesses for the occasion were Mrs. B. W. Armistead, Mrs. Allen Hodges, Mrs. C. A. Joplin, Mrs. E. C. Rodgers, Mrs. W. H. Rutledge and Mrs. Oscar P. Wilemon.

and Arlis Rogers of Lubbock. Groomsmen were Benny Robinson and O. D. Martin of Sudan.

Mrs. Windwehen, mother of the bride wore a blue velvet dress with white accessories and Mrs. Lynch chose a navy blue dress with light blue accessories. Both women wore white gardenias.

A reception followed in the church parlor. Assisting with hospitalities were Mrs. Elton Hawk, Miss Beva Jean Ray, and Miss Myra Whitmore serving the wedding cake; Miss Jo Ann Farrack and Miss Frances Hall poured the punch and Mrs. Kenneth Jackson registered the guests.

For a wedding trip to Colorado, the bride chose a two piece dress of charcoal and blue striped cotton with accessories of charcoal and white and a white orchid corsage. The couple will be married September 5th in the First Presbyterian Church.

J. H. Penn served as the ceremonies and couples group competed. Mrs. Lynch is the bride elect of Jimmie Ray McCain.

The serving table was a white ruffled floor-length gandy cloth centered with arrangement of summer Black bottom pie and with a silver coffee service. The guests attended.

Miss Rogers and Mr. McCain will exchange vows September 5th in the First Presbyterian Church.

Mr. Lynch is a 1952 graduate of Sudan High school and two years at Texas Tech College, Lubbock, near his home in Alaska with the Forest. He plans to enter Tech this fall and major in accounting.

Hans, Gory Mad; Will Fight Again

Hans Schnabel, the German "block-buster" made his return to the Littlefield Sports Arena auspicious last Saturday night by defeating rugged Gory Guerrero. But the manner in which the stocky German accomplished the feat left a bitter taste in Guerrero's as well as many of the local fan's mouths. Schnabel won the match when his pet hold, the fabulous "Block-Buster" back-fired on him but served the purpose in the long run.

With the falls all even, the big German lifted Guerrero high into the air to apply the deadly buster. When he completed the hold Guerrero's feet landed flush in the face of referee Lew Burdette, stunning the official and opening the gate for a teamwork finish by Schnabel and his long-time team partner, Lou "Shoulders" Newman. The buster momentarily dazed both Guerrero and Schnabel and stunned the referee just long enough for Newman to jump into the ring and roll Schnabel over onto Guerrero's brawny shoulders. The referee, upon regaining his senses saw Schnabel on top of

a one-hour time limit, the best two out of three this Saturday night.

In preliminary rounds Guerrero will be rematched in fall battle with 20 lb. limit against Schnabel. He also meet Newman in also booked for one minutes.

Geigel disposed of the week in their two out of three battles, when Newman qualified in the third round.

Geigel and Guerrero finish plenty of competitive durable heavy-weighters. Geigel has the brass well for a big man.

Guerrero and immediately killed the three out and awarded the fall to Schnabel.

Guerrero was storming mad when he was fully recovered and Bob Geigel, who had appeared in an earlier match rushed to the ring to voice his disapproval of the decision and take sides with Guerrero.

Guerrero protested loudly, lodging a complaint with Promoter John Usery and asking for a rematch with Schnabel. He then challenged Newman also and decided better still he would take on both in a team battle if the popular Geigel would join forces with him. AMHERST STARTS GRID PRACTICE Pictured above are some of the candidates out for grid practice at Amherst High School as they began workouts Monday. Kneseling is Joe Peterman, Coach Lamar Kelly and Jerry Palvado. Standing behind are from left to right: Bill Adams, Dan Gonzales, Don Boeman, James Rankin and Keith Huggins. favorite in the District and is expected to have one of the strongest AA teams in the state.

Coach Jerry Edmonson and halfback Tasty Edson are the Co-captains of Olin, both outstanding boys off of last years eleven. Estes is a good runner and a "southpaw" passer. Turner also expects a lot of help from the Wallace brothers, Daniel and Alvin, who played on the "B" team last year after moving there from Littlefield. One is an end and the other a fullback.

Coaches Jess Smart and Jimmy Goss are again assistant to Turner. Olton won seven games last year while dropping four.

HAIN COACH AT SPRINGLAKE

Coach Billy Hahn is the new coach at Springlake which had 31 boys out for their opening drills Monday. Hahn was an assistant coach at Spur last year and replaces Colie Huffman who moved over to take the reins at the Friona Chiefs, a team that will be in the same district with Springlake. Hahn will be assisted by Prizes.

The Wolverines have 14 lettermen back, six of which were starters on the team that won the District 2-A championship last year. Only one of the six regulars are a backfield man, that being Max Goforth, all-district quarterback last year. The other five are linemen and the Wolverines are expected to be tough up front for this campaign year.

Hahn says that he will continue working the boys out at 9 a.m. in the morning and at 3 in the afternoon until school begins.

HORNETS HAVE 40 PROSPECTS

And over at Sudan, another District 2-A team, there were 40 boys out to greet Coach Francis Smith at workouts Monday morning. The Hornets are working out at 8 in the morning and at 8 at night.

Only seven of the boys saw much action on last year's team that won six and lost four. Smith says that he has two good fast halfbacks in Jimmy Williams and James Gore, both regulars last season. A big line is expected to be fielded in front of these two and Smith says that if their two quarterback candidates, Dan Woods and Kenny Wells, come through, Sudan should be a contender this year for the District title.

Coach Hank Brown, who only

recently underwent surgery, will again be the assistant coach for the Hornets.

NEW COACH AT WHITHARRAL

Coach Johnny Usery is the new coach at Whitharral, replacing Eugene Carter, who went to Anton. Usery says that he had 27 boys out for practice the first day of school Monday and that the team is working out from 2:30 to 4:30 in

the afternoon and from 7:30 to 9:30 at night.

There are five starters from last year's team back for the Panthers and Usery says that the Theoford brothers, Norman and Billy, look to be the two best boys in the backfield this year. Norman is a big 190 pound fullback and Bill is a 175 pound halfback.

Whitharral will be competing in the same district again this year.

One Dead, Four Injured In Two-Car Wreck Sunday

One person was killed and four were hospitalized in a two-car accident at Anton Sunday afternoon between 3 and 3:30. Dead was Jerry Lynn Phillips, four-month-old daughter of Mr. and Mrs. Don Phillips of 4614 Avenue C, Lubbock. The baby's parents, a sister, Donna, 22-months; and a cousin, Arthur James Phillips of Idalou were all admitted to Medical Arts Hospital here.

The other car involved in the wreck, occurring at the intersection of Farm Road 304 and 5th Street, was driven by Linda Rushing, 17, daughter of Mr. and Mrs. C. R. Rushing of Anton. She was accompanied by a cousin, Billie Rushing, 16, of Plains, daughter of Mr. and Mrs. J. W. Rushing. Neither of the girls was hurt.

According to Texas Highway Patrolman the Rushing car was traveling west on FM 304, with the Phillips car apparently directly behind it traveling in the same direction.

The Rushing auto is believed to have slowed for a left turn when the Phillips machine rammed into the back of the lead car causing heavy damage to both autos.

Donna suffered a broken leg and concussion. Her mother sustained facial cuts and a possible head injury while Phillips received cuts and bruises. Arthur James received a cut over his eye. All were in good condition Wednesday morning according to hospital officials.

Services for the 4-month-old victim were held Tuesday afternoon at 3:30 p.m., at Tech Memorial Park. Rev. Clifton Igo, pastor of the Southside Baptist church officiated.

Jerry Lynn is also survived by her grandparents, Mr. and Mrs. R. O. Phillips of Idalou and Mr. and Mrs. B. A. McKee of 514 14th Street, Lubbock.

Additional Time On Crop Disposal Granted By ASC

Additional time for disposal of crops on the designated Acreage Reserve to comply with the Soil Bank Agreements has been granted, according to the County ASC office.

The August 3rd final disposal date is extended through August 31, 1956.

If the crop on the designated Acreage Reserve is harvested or the Acreage Reserve is grazed, except in Drought Disaster Areas, the Agreement will be considered violated and no payments will be made and in addition producers will be subject to a statutory civil penalty amounting to 50 percent of the payment which would have been made had the agreement been fully complied with. Producers will not be allowed to terminate their agreements. This does not apply to such crops as grain sorghums, sweet sorghums and millet that might be growing on the Acreage Reserve as a protective vegetative cover crop, nor does it change any present date set for the disposal of such crops.

Industrial Group

(Continued from Page 1) member of Bryce's. "I have only made two mistakes in the vegetable business," Glass commented. "One was trying to talk Bryce out of planting potatoes and the other was not planting them myself."

Norman Emfinger, who has planted 10 acres of peppers and 15 acres of tomatoes, advised the group that "all we have to do is grow the vegetables. The packers will come to us."

Emfinger told how he had planted 15 acres of cabbage last year after his cotton was hulled out, not knowing where he would harvest them. A packing firm contracted for the produce in the field.

L. E. Sullins, local farm chemical dealer, told the group that Lamb County has been close to big vegetable farming for the past two years.

He pointed out that although much of the vegetable acreage had been hulled out, there had been lots of produce grown here. "We can produce 10 to 15 tons of top quality tomatoes per acre," he advised.

E. T. Wilson of Brownfield, representative of the Highway 51 Association, appeared on the program to ask for support of the organization from Littlefield merchants.

Newly known as the International Park Highway, Wilson explained how the highway stretches in a straight line from Canada to Mexico and was pluming in traffic rapidly. Quite an effort is being made to get the highway federalized, he said.

American Petroleum today has nearly 30 billion dollars worth of equipment that needs fuel and lubricants from the oil industry.

Swanson Returns From National GOP Convention

Mr. and Mrs. L. J. Swanson of Littlefield returned from the Republican National Convention in San Francisco this week.

Swanson, an alternate delegate to the convention, said the platform adopted at the convention, was acceptable to Texas Republicans and that Texas delegates had talked to were highly in favor of the same Eisenhower-Nixon ticket that ran in '52.

Lamb County Republicans, in their county conventions, had gone on record as endorsing the ticket earlier.

County Budget Hearing Slated

A public hearing of the Lamb County budget for 1956-57 is scheduled for 10 a.m. Friday in a meeting of the Commissioners' Court.

Commissioners will also act the county tax rate for the coming year.

Brown County Men Study Olton, Plains Irrigation

Three Brown County citizens toured the Olton area Monday and Tuesday to study irrigation on the South Plains.

The men, A. T. Bratton of Howard Payne College, at Brownwood, Manley Sikes of Bangs and the Texas Dept. of Agriculture, and Forrest Kyle, editor of the Bangs newspaper, spent the time in looking over different types of irrigation there.

They plan to take back recommendations to their county and study possibilities of irrigating from Lake Brownwood.

Pioneers

(Continued from Page 1)

Boone, Hay, Luther Usselson, of Amherst; Doc Holt, Olton; and Mrs. A. C. Barton, Earth.

Following the program, old-timers enjoyed a modern-style barbecue, with all the trimmings.

Honored as the oldest pioneer Tuesday was Charley Reynolds, now of Brownwood, who homesteaded just east of Olton in Jan., 1908 and farmed there until retiring in 1950.

THE ALERT—Bill Carter, left, and Vernon Steed check aircraft during the local Ground Observer Corps units alert Friday. The two were the first to spot aircraft from the local post's GOC lookout tower. Spotted during Friday's alert were seven aircraft from 4 p.m. to 7:30 p.m. during the duration of the alert.

Ground Observer Unit Gets 'Excellent' Mark In Alert

... your post?"

... sharp order came over the phone line at 3:30 p.m., Friday continued:

... have 30 minutes to report to station. This is a test of your post."

... these words, Littlefield's Ground Observer Corps swung into action Friday. Within 15 minutes GOC volunteers jumped into their cars and ran to the lookout tower at Dugald. By 4 p.m., the time the alert commenced, 12 volunteers were at the post.

... of the men, Bill Carter and Vernon Steed, assistant observers, climbed the stairs to the lookout tower and began preparations for a three and a half hour watch.

... got to the telephone for a connection with the Oklahoma City Air Defense Filter center to take down observations.

... were just in time . . . and the bomber passed over Littlefield at 4:48 p.m. The observer wrote down an estimation of the plane, its altitude, and its direction, then showed the information in front of the man on the phone. In quick, efficient code, the information was passed to the Air Defense Filter center.

... of Littlefield's GOC passed its first test. Through the afternoon and early evening, the unit was to see six more aircraft. Each time, training paid off. The reports were fast and accurate . . . and in the end, when the unit shut its watch down at 7:30 p.m., this word came over the telephone from Oklahoma City: "Excellent."

... In fact, the unit probably surpassed the Air Force's expectations for the first time out. The Air Force had sent four of the seven planes over Littlefield, knowing the exact time the local unit would report them if the local crew was running smoothly.

... The other three planes just happened to come along during the period. Two were commercial airliners, the other a trainer.

... Sent by the Air Force were two bombers and two jet fighters. The last plane went over at 7:26 p.m., and almost caught the local crew off guard. They were shutting down for the day, but managed to get set up again in time to report the aircraft on schedule.

... The post at Muleshoe wasn't so fortunate. It's members finally got to the post at 5 p.m., and reported only two aircraft during the afternoon.

... In the local operation, the post divided itself into seven half-hour watches, with two volunteers manning the tower at all times.

... "But we all got so interested in the alert that everybody stuck around until the operation was over," said Dub Gilder, supervisor of the post.

... And . . . throughout town . . . interest in the GOC unit is high. The local unit now has 36 members, but, as Gilder says, "we've got room for a lot more."

... Those taking part in the Friday alert were Gilder, O. K. Yantis, chief observer, Carter and Steed, and volunteers, Mrs. Gilder, Mr. and Mrs. F. E. Yohner and their 16-year-old son, Billy Don, Neal Walker, Babe Banner, Dennis Zahn and his brother, Anthony, Tommy Maeck, Floyd Pinkerton, and Roy McQuatters Jr., the post instructor.

... The post is designated for one alert per month, but as Gilder says, "we never know when an alert will come—we've got to be ready."

... The local unit meets twice each month, the second and fourth Thursday nights.

... No practice has more consistent record for weakening the hog market than does the marketing of overweight hogs. Such a practice, says E. M. Regenbrecht, extension swine husbandman, not only results in lower market prices but feeding hogs to weights over 200 pounds is not efficient feeding.

Department Of Commerce Releases 1954 Figures

It was a long time coming — but now we know.

Lamb County ranked sixth in the nation in both cotton and sorghum acreage in 1954, according to latest reports from the U.S. Department of Commerce.

In fact, it was a Texas sweep in sorghum acreage, with the first six places going to Lone Star counties.

The results were practically the same in cotton acreage. With Lamb county sixth, Texas claimed first, fourth, sixth, seventh, eighth, ninth, and tenth places in the 1954 nationwide standings.

According to the reports, Lamb county had 233,125 acres in sorghum for the year. Hale county led the nation with 233,541 acres, and was followed by Terry, Lubbock, Dawson, Lynn and Lamb counties.

Among the top 100 counties in sorghum acreage, 44 were in Kansas, 42 in Texas.

Lubbock county topped the nation in cotton acreage for the year with 238,649 acres, Dawson, fourth in the nation, had 213,276 acres, and Lamb, sixth, had 197,934 acres.

Littlefield Faculty Filled But — Local Schools Still Need Bus Drivers

Littlefield Superintendent of Schools Ralph Schilling said this week that all openings on the local system's faculty have been filled, subject to approval of the school board at its next meeting.

Still to be filled, however, were five openings among the school system's crew of bus drivers.

Schilling said applicants must be 21 years of age and asked that persons interested contact him as soon as possible at the high school.

Only two weeks ago, the school system still needed six teachers after several resignations came up in July.

REGISTRATION TIMES SET

Schilling also announced the following registration times for students in grades 7-12.

Today, August 30—9-12 a.m.—Seniors; 1-4 p.m. Juniors; in the high school building.

August 31—9-12 a.m. Sophomores; 1-4 p.m. 9th grade; in high school building; 9-12 a.m. 8th grade; 1-4 p.m. 7th grade; in junior high school building.

Students from this area are among the summer graduates at Texas Tech.

The following received degrees in commencement exercises Friday night at Lubbock Municipal Auditorium.

Bachelor of Science in Agriculture—Ralph A. George, Enochs; Bachelor of Science in Education—Hazel Jane Cooke, Enochs; Bachelor of Business Administration—Glen William James, Jackie Ray McCanlies, Gary Gene Pass, and Marion Nickelson Pass, all of Littlefield;

Master of Education—Virgie Jean Bacus and Mary Burek Tollett, both of Sudan;

Master of Science in Agriculture—David Franklin Eaton, Jr., Littlefield;

Master of Science in Home Economics—Hazel Phipps Kimbrough, Littlefield.

WILLIAMS GETS 1st ANTON BALE

The first bale of cotton ginned by Anton territory gins was produced by Henry Williams, who farms the Eva Wright land four miles southwest of Anton. The bale weighed 489 pounds and was ginned by the Anton Producers Co-op Gin. The premium, sponsored by the Anton Lions Club and donated by area firms, gins and individuals, totaled \$487.50.

If the 63,672 Texas farmers who signed agreements placing cropland in the acreage reserve part of the soil bank program comply with all rules and regulations, they can earn more than \$2.8 million, Bob Cherry, extension economist, says the total acreage involved is \$1,970,235 3-10. Total acreage signed up in the U. S. exceeds 10.7 million.

MANUFACTURER STUDIES LEVELLAND PLANT LOCATION

A San Angelo moccasin and leather goods manufacturer is considering location of a branch factory in Levelland. He is C. B. Bland, manufacturer of a low cost moccasin which is sold by J. C. Penney Co. and other well-known firms all over the nation.

Bland says the factory he would set up here would employ from 50 to 120 women between the ages of about 21 and 45.

Bland met with members of Levelland's Hockley County Development Foundation Wednesday afternoon, then visited several possible locations for the new plant.

FARWELL VOTERS APPROVE TWO BOND ISSUES

Of the 283 qualified voters in Farwell, 111 turned out Saturday to cast their ballots in the bond election, and two of the three issues called for in the election were approved.

The largest sum of the proposed \$30,000, was for the fire department and the voters gave their okay on the issuance of \$20,000 in bonds for this improvement by a 61-45 margin. This 16-vote difference was the largest of all three issues.

In regard to the issuance of \$5,500 in sewer system tax bonds, 54 voted in favor and 52 against. The \$4,500 item, earmarked for improvement of the privately-owned water-works system went down to a 46-58 defeat.

—The State Line Tribune.

SLATON CHAMBER ASKS CITY LIMITS EXTENSION

The directors of the Chamber of Commerce voted unanimously at their monthly meeting Tuesday night to go on record as asking the City Commission to extend the city limits. Meeting at the Red Arrow Cafe the directors made the decision following a general discussion in which it was brought out that many improvements are needed in the outlying districts of the city.

The Junior Chamber of Commerce has already gone on record as favoring the extension of the city limits, according to F. E. Perry, C of C president.

—The Slaton Slatonite.

FLOYD CERTIFIED FOR DROUTH HELP

Floyd County has been put in the Drouth Disaster list of Texas Counties, now swelled to more than half of the area of the state.

County Judge O. P. Rutledge had a telegram Friday from State Coordinator of Defense and Disaster Relief, advising that the U. S. Secretary of Agriculture had approved the recommendation of Governor Shivers and that of the USDA State Drouth Committee that the county be declared a drouth disaster area.

—The Floyd County Hesperian.

DOWN MEMORY LANE

From the files of the Lamb County Leader, September 4, 1924
Mr. and Mrs. C. W. Rhodes of Des Moines, Iowa have for the past week been the house guests of Mr. and Mrs. Tom Darnell.

C. J. Duggan now of Dallas, but formerly one of the pioneer citizens of Littlefield arrived here Saturday for the purpose of putting on an addition to the city of Littlefield.

This addition comprises 40 acres of fine land well situated, adjoining the town proper on the south side and within the recently prescribed city limits. The addition will be known as "Southmoor".

The Thompson Land Co., formerly of Tahoka, are this week opening an office here in the building just north of the Gold Star Cafe.

Herb Mueller, Littlefield's famous twirler won the Labor Day game at Lubbock last Monday. Mueller was at his best throughout the game, having a good arm, level head and plenty of twist and ginger in the balls he pitched.

Neal Douglas and son Jim were in Lubbock Tuesday on business.

W. H. Heinen and little son spent the first of the week in Brownfield and O'Donnell on business.

THIS WEEK

—In Washington

With Clinton Davidson

A session of Congress is, in some respects, like a baseball game. One team is made up of Democrats and the other of Republicans. Each is trying to make a "hit" with voters, or "score" by passing a bill that would be popular with the "fans."

And, of course, each wants to throw the other "out." You are the umpire, and sometimes the coach as well. Every two years, in November, you add up the box score and cast your vote for the team you think has done the best job.

If your principal interest is farming, you look at the box score on farm legislation. Who thought it might be interesting to take an impartial look at what the second session of the 84th Congress did about some of the most controversial issues it faced, that of farm legislation.

President Eisenhower opened the session in January by throwing out a 9-point farm program which he asked Congress to pass. "You might say it was a 9-inning game starting in January and ending in July."

With Secretary Ezra Taft Benson pitching and the Democrats at bat, the first ball hit was a line drive 50%-of-parity bill directly to Eisenhower. It was a hot one, but Ike, scooped it up and threw the Democrats out at first, with a veto.

Then the Republicans came to bat and the first pitch was the soil bank. The Democrats looked it over and let it go by for a strike, although some of them claimed it was a foul. At any rate it can put an extra \$1.2 billion a year in farmers' pockets, and no Democrat thought that was bad.

Next, the President called for surplus disposal program, bigger and better than ever before. Democrats and Republicans both went to bat on that one, and the result was a \$5 billion "home run" appropriation that landed in the White House front yard and was autographed by Eisenhower.

The game was delayed while Democrats and Republicans argued some more about price supports. See, Benson, the Democrats contended, had been pitching them too low. President Eisenhower said he thought 40, 50, and ordered Benson to raise them some.

Eisenhower called for strengthening of commodity programs. Democratic leaders on the Hill put through an extension of the Sugar and Wheat Agreement Acts, but they also "froze" cotton and rice acreage allotments and tossed out modernized parity.

The next play you might call a "balk." Eisenhower asked for a limit on the size of price support loans any one grower could get, but Benson never would say how much, and so Congress did nothing. Eisenhower also called for an expanded rural development program, but Congress didn't even swing at it.

An always popular pitch with Congress was a request for more research funds. Congress dished up an extra \$17 million and then created a Commission to find ways to spend an added \$100 million searching for industrial uses for farm surpluses.

A call for better and easier farm credit was right down Congress' alley and the lawmakers batted out laws to consolidate the Production Credit Corporations with the Federal Intermediate Credit Banks and authorize the Farmers Home Administration to be more liberal with its money. It added \$150 million to help Great Plains farmers shift from crops to grass in the Dust Bowl.

Ninth point in the Eisenhower program was repeal of the Federal tax on farm-used gasoline, and both Democrats and Republicans scored that as a hit. Who won? That will be decided on November 6.

The total amount spent by Red Cross for disaster services since 1981, if spread evenly throughout the 75 years, would approximate an average expenditure of more than \$36 per hour.

THE AMERICAN WAY

The Hocus - Pocus That Produces Cheap Public (Political) Power

Highlights and Sidelights From Your State Capitol

By VERN SANFORD
Texas Press Association

AUSTIN — National party candidates have been decided. State Democratic primaries are over. Texas' political focus now shifts to the upcoming state Democratic convention.

Nervous tension is apparent in Liberal-Loyalist ranks. They are fearful of losing control of the Sept. 11 meeting through the Conservatives' executive committee left in power last spring. That committee decides which of numerous contesting delegations will gain seats.

Navarro County Judge Jim Sewell, Liberal-Loyalist spokesman, asked recall of the "recessed" spring convention on the eve of the new convention.

It was apparently without hope. Permanent Chairman Raymond Buc of Fort Worth said he could see no reason for it. Executive Committee Chairman George Sandlin termed the Liberal demands "the cry of the vanquished." He has promised all contestants a fair shake in credentials hearings.

U. S. Sen. Lyndon Johnson may play a key role again. He has said he will be present. He assured Liberals in Chicago that he will use his influence to install leaders who will work for party victory in November.

SHEFFIELD GETS 10 YEARS
B. R. Sheffield of Brady is the second person to be convicted in the veterans land scandals. Sentence was assessed at 10 years.

Somer Land Commissioner Bascom Giles is now serving a six-year sentence.
A Lubbock district court jury found Sheffield guilty of passing a forged instrument. No conviction was sought on a second count of aiding a notary public in making a false acknowledgement.

Prediction was made, meanwhile that the state may end up making a profit instead of losing money from its veterans land troubles.

D. S. Meredith, assistant attorney general in charge of civil recovery suits, voiced the opinion. Losers in the suits filed by the state are being required to return the money paid to them by the state plus three per cent interest. Texas, however, pays only 2 1/2 per cent interest on the bond issues which financed the \$100,000,000 lending program.

Recoveries now total roughly \$1,800,000.

NEW DROUTH PLAN READY
A new drouth aid plan now is ready to help Texas farmers and ranchers buy roughage for livestock.

Applications for roughage should be filed with County Farmers Home Administration offices. If determined eligible by the local

FHA committee, the farmer is issued certificates valued at \$7.50 a ton. Certificates may be applied on the purchase of roughage from any dealer.

Another phase of the expanded federal relief program also is moving forward. Texas Drouth Emergency Committee has recommended that 106 counties be made eligible for increased aid in grain buying.

At present farmers in 185 counties may get \$1 for each 100 pounds of grain bought for livestock feed. If approved by the U. S. Dept. of Agriculture, the 106 counties would receive 50 cents extra per 100 pounds.

WATER TEST CASE SLATED
Texas water laws will be tested in a suit filed by the state in behalf of 15 domestic and livestock users in South Texas.

Suit was filed by the State Board of Water Engineers in district court at Karnes City. It seeks to protect riparian owners along Cibolo Creek from withdrawals by irrigators. Hearing is to begin Wednesday.

Board Chairman R. M. Dixon said irrigators have rights only to the storm and flood waters from the creek. These have been non-existent for a long time, he said. Since the suit is the first of its kind ever filed, the decision is expected to set state-wide precedent.

SUITS BLOCK US TRUST PAYMENTS
Pending lawsuits are blocking distribution of some \$2,000,000 among US Trust and Guaranty Co. creditors.

State liquidator J. D. Wheeler said he had hoped to start making payments shortly after July 1. But now, he said, payment must await a decision on two suits making special claims.

One group, known as the Preferred Depositors Assn., seeks priority in payment. PIDA is made up of some 300 or 400 people who bought "investment certificates" from the defunct firm. They claim about \$6,000,000 is due them. Waco creditors also have filed suit. Their claims total \$1,000,000.

Both suits are in Judge Charles

Sand Hills Philosopher

Editor's note: The Sand Hills Philosopher on his Johnson grass farm has made a strange discovery, but we doubt if his conclusions will stand up, as he's had little practice himself in standing up.

Dear editor:
The last thing I'd ever want would be to be accused of wanting to run for office. I'm not even good justice of the peace timber, not to mention congressional or presidential timber, but I have been reviewing the presidential campaign situation and have discovered that in one department Eisenhower, Stevenson and me are on the same level.

That is all three of us have farms we're losing money on. As I understand it, Eisenhower loses about \$25,000 a year on his Gettysburg farm. Stevenson loses about \$10,000 on his Libertyville farm, and while I'm not in that bracket, due to the bank's timidity, you could still classify my farm out here as one of the presidential candidate level when the books are closed at the end of the year.

Understand, I'm not saying I'm as smart as Eisenhower and Stevenson, all I'm saying is that when it comes to farming, I'm right up with the best brains in the nation.

I understand one reason Ike and Stevenson give for losing money is that they don't have the time to devote to farming that they should and I can report I qualify on that test too. That is, all three of us have 24 hours a day all right, the same as everybody else, and while I don't know what system they use, I have always managed to find something to interfere when the crops needed working the most. I recognize that in their case, they don't have to hunt for something to keep them from farming, their importance in other fields takes care of that, but in my case I'm on

O. Betts' district court in Austin. They are expected to come up in late September.

DEAL SCHOOL DELAYS OPENING
Large scale construction projects will delay fall opening of Texas School for the Deaf until Oct. 15.

Work under way includes building of 19 new cottages and one large classroom building and remodeling of two existing buildings. Holidays have been shortened, and the school's closing date extended to June 14 to make up the lost time.

SHORT SHORTS
Texas October draft call will be for 847 men, biggest quota since December, 1955. State Selective Service Headquarters also asked local draft boards for 1,416 men to take pre-induction exams. . . . Two new district judges have been appointed by Gov. Allan Shivers. They are Ernest Coker of Livingston and J. Robert Liles of Comroe. Both are in the ninth district of Montgomery, Polk, San Jacinto, and Trinity counties. . . . Visitors to Texas state parks reached an all-time high, 4,403,794 persons, last year. . . . Applications to take competitive examinations for State Health Department posts are now being received. Jobs, requiring or preferring a college degree, are open for doctors, nurses, clerks, engineers, consultants and administrative assistants. Forms and information are available from Merit System Council, 814 Littlefield Building, Austin. . . . A continued upswing in employment for the remaining four months of the year is predicted by the Texas Employment Commission. Forecast was based on known expansion plans plus reopening of public schools. . . . U. S. Sen. Lyndon Johnson plans a national speaking tour to help Democrats improve their one-man majority in the Senate. As is usual between Congressional sessions, a part of Johnson's staff has set up Texas headquarters in Austin.

my own. I have to dig for mine, and it's with considerable pride that I point out that never once have I been caught short on an excuse for avoiding going up one row and down another.

You'd think that with three of us with farms and each one losing money, one of us would come up with a solution to the problem. I know I don't have one, and I believe one of them has, I don't believe he's gotten around to mentioning it yet, except in general terms. Some things you just have to learn to live with, and the farm problem must be one of them. At least, that's what Ike and Stevenson and me have concluded.

Yours faithfully,
J. A.

Three Littlefield Students To Enroll At McMurry

ABILENE, (Special) — Littlefield young people indicated they plan to enroll in students at McMurry College this fall, according to Jerome McMurry registrar.

They are Linda Hoover, Louise Ligon, and Bette Rochelle.

Vannoy said that new conditions for admission to the oldest college are coming up and additional new students Littlefield may enroll before Sept. 11-14, the fall registration days.

The McMurry registrar said "All indications point to a cent in regular student enrollment over last year's 78 students." The growth in college enrollment in our nation is reflected in McMurry registration figures which have risen steadily for the past four years, he said.

A new classroom building under construction on McMurry campus will be occupied in November. New girls dormitory is also for completion in the spring.

Herschel Sanders of Springlake attended the regular meeting of the Earth Lions Club at Earth Tuesday.

Magazine Says Children Take \$\$\$ For Granted

Ever wonder if your youngster spends more than other children his own age? Today, report the editors of CHANGING TIMES, The Klipsinger Magazine, children handle more money and take spending money more for granted than ever before.

To see how your youngster compares with the average, here are

figures showing what children spend each week and where the money comes from.

Age (boys and girls)	Earned	Total
8 - 9	\$.30	\$.70
10 - 12	.70	1.60
13 - 15	1.60	4.20
16 - 18	3.20	7.40
From Parents	\$.49	\$.70
	.60	1.30
	1.40	3.00
	3.20	7.40

In the youngest age group, candy, ice cream and sodas account for the largest expenditure. In the 10-to-12 age group, movies become a standard expense. Spending money on records and hobbies becomes a regular item for the boy between 13 and 15, while his female counterpart starts buying cosmetics, minor items of clothing and costume jewelry. Dating is a heavy expense for boys in their late teens (16-18), while outlays for beauty and adornment climb in the girls' budgets.

According to the editors, 81% of all youngsters receive formal allowances. Another 16% get informal ones—varying sums at irregular intervals with which to cover their expenses. Only 3% get no allowance of any kind. Getting a regular sum and making it last is the only practical way, say money-management experts, to teach children to make choices and assume responsibility in financial matters.

About seven out of ten children earn some of their money. Young ones get it chiefly from paid household chores. Older ones baby-sit, hold in movie theaters, clerk in five-and-tens on Saturdays. Encouraging youngsters to earn some of their money is good training, but they should do some household tasks without pay.

2 Area Students To Appear With Wayland Choir

Plainview, Texas — Two area students are among those preparing for an extended tour that will take the Wayland College International A Cappella Choir through the mid-West, beginning Nov. 1, this 40-voice traveling unit begins on Sept. 4 day-long rehearsals on the campus, prior to the opening of the fall semester.

Sept. 10, according to W. E. Stew-

art, director. Winning a place with this group is a top campus honor and 14 new members have passed their auditions with flying colors, including Mary Kathryn Bay and Jerelyn Scott, Amarillo; John Fossman, Pampa; Maud Dean Duncan, Dora, N.M.; Dale Harris, Grover; Larry Horrell, Vega; Ver Larry Horrell, Vega; Vern King, Brownfield; Tony Maples, LeFors; Kenneth Mattox, Clovis, N. M.; Gail McWilliams, Matador; Geraldine Rea, Anton; Christine Reece, Plainview; Donald Thompson, Thomsen, Ga.; and Alice Wisdom, Tucuman, N.M.

Former members, some of whom are four-year members, are: Sylvia Amstutz, Portales, N.M.; Janette Barr, Hope, Ark;

Guyda Baten, White Deer; Karen Bruckner, Lamar, Colo.; Kea Bush, Clovis; Vonelle Cadenhead, Alamogordo, N.M.; Lester Carr, Coleman; David Cartwright, Pampa; Jeff and Norma Floyd, Capitan, N.M.; Jean Glass, Hereford; Ed Golden, Lubbock; Carita Jarrett, Albuquerque, N.M.; Nell Stout Jones, Bill Landers, Harlan, N.M.; Susan Logan, Lamesa; Earl Nance, Denver City; Harlan Reddel, Idalou; Noblene Rucker, Amarillo; Carolyn Smith, Odessa; Kazuko Takehara, Hiroshima, Japan; Frank Tseng, Portland, Ore.; Daryl Walser, of Lytle; Margery Whitten, Houston; Ruelene Wyatt, Littlefield. Miss Wyatt, daughter of Mrs. Madelin Wyatt, 609 1/2 West 2nd, Littlefield, is a second year mem-

ber of the Wayland College A Cappella Choir. She is a graduate of Wayland College. In addition to her appearances with the choir, she was a member of the Yearbook, and appeared on many campus programs with that group.

Wayland College's International A Cappella Choir is making its first appearance in the mid-West, although it has been sent several years to Southern Baptist Convention in Chicago. They leave for a Fort Worth concert stop. From there they will go to St. Louis, Mo., and before turning through Kansas and

First In The Nation . . . First In Lamb County Cotton Grown From Northern Star Seed

Northern Star No. 11 produced the first bale of cotton in the U. S. A. for 1956. This is evidence of the early maturing quality of this cotton. There is more of Northern Star No. 11 growing on the Plains of Texas, this year than at any other time in the history of this cotton. With an increase in demand for a better quality cotton, Northern Star No. 11 with its early maturity and quality staple, will raise the revenue for the Plains Farmers from their cotton acres.

FIRST BALE of cotton in the U. S. raised by G. A. Bingham and Bill Burke near Mission. The cotton was grown from Northern Star No. 11. It was planted Feb. 8, ginned June 8.

It will pay the farmers of the Plains to watch the cotton this year and compare returns in dollars and cents with other varieties, then plant the cotton that will bring them the most money.

This new improved Northern Star No. 11 Cotton has excellent germination, grows off quickly which is an asset in cultivating. The staple is 15-16 to 1 1-32 inch. It has strong fibers that are essential for good spinning and weaving value, a fiber that will measure above average according to the U. S. Laboratory test.

The South Plains of Texas remains one of the finest cotton producing areas in the world and with reduced acres for cotton it is wise to plant a cotton that will increase the revenue from your farm.

LEFT TO RIGHT are Dan Foley, Clarence Davis of Littlefield Farmer's Co-op Gin, which ginned the bale, and Chamber of Commerce president Carl Keeling. The 475 lb. bale was ginned Thursday at 11:55 a. m. The cotton grown from Northern Star No. 11, was planted April 23 and 24.

GREETINGS:
You, and each of you, are hereby commanded to appear before the Honorable District Court, for the 6th Judicial District of Lamb County, Texas, to be held at the Court House of the said County, in the City of Littlefield, Texas, at or before 10 o'clock A. M. of the first Monday after the expiration of forty-two (42) days from the date of issuance hereof; that is to say, at or before 10 o'clock A. M. of Monday the 24th day of September, A. D. 1956, and answer the petition of Plaintiff in Cause Number 4108, in which HIGGINBOTHAM-BARTLETT COMPANY, a corporation, duly organized under and by virtue of the laws of the State of Texas, having its residence in Dallas, Texas, and duly authorized and doing business in Lamb County, Texas, acting by and through its duly authorized and constituted agents, representatives and officers, is Plaintiff, and each of the above named Defendants are Defendants, filed in said Court on the 7th day of August, A. D. 1956, and the nature of which said suit is as follows:
Being an action and prayer for judgment in favor of Plaintiff and against Defendants for title to and possession of the following described lands and premises lying and being situated in Lamb County, Texas, to-wit:
all of lots number 2, 3, 4, 5,

and 6, Block no. 51, no. 7, Block no. 129, and no. 3, Block no. 138, Original town of Olton, Texas, according to the map or plat recorded in Volume 4, pages 179-180, Deed Records, Lamb County, Texas; Plaintiff alleges that on August 1, 1956, it was, and still is, the owner in fee of the above described lands and premises, and was in peaceful possession of said land on said day, and that afterward, on the 2nd day of August, A. D. 1956, the Defendants unlawfully entered upon and dispossessed Plaintiff of such lands and premises and withhold from Plaintiff the possession thereof; Plaintiff further alleges that Plaintiff has title to said lands and premises under and by virtue of the five (5) and ten (10) year Statutes of Limitations as is more fully shown in Plaintiff's original petition on file in this suit; and Plaintiff further prays for relief, general and special;

All of which more fully appears from Plaintiff's original petition on file in this office, and to which reference is here made for all intents and purposes;
If this citation is not served within 90 days after date of its issuance, it shall be returned unserved.
WITNESS, the undersigned, Clerk of the 6th District Court of Lamb County, Texas.
Issued and given under my hand and the seal of said Court, at office in the City of Littlefield, Texas, this 7th day of August, A. D. 1956.

TO CHARLES M. SARBER also known as C. M. SARBER and WILLIAM SARBER, ELIZABETH M. SARBER also known as ELIZABETH M. KEENER, EARL M. TABER or EARL R. TABER, JOHN R. JONES, WALLACE C. SARBER, KATHERINE B. SARBER, CHARLES C. COVERT also known as C. C. COVERT, JOHN GEHRES, MARGARET GEHRES, MARGARET COVERT LONG, C. C. LONG, VERA HUNTON COVERT, LAURA TABER, F. PILLEY, EDGAR KRUELL or EDGAR KRUELL, B. H. OXFORD, G. E. LOCKHART, TOM GARRARD, and UNKNOWN CLAIMANTS; if living, whose places of residence are unknown to Plaintiff, and if dead, the legal representatives of each of said named

Defendants, and the unknown heirs of each of said named defendants, the legal representatives of the unknown heirs of said named defendants, if the unknown heirs of said named Defendants are dead, whose places of residence are unknown to Plaintiff, Defendants in the hereinafter styled and numbered cause:
You (and each of you) are hereby commanded to appear before the Honorable District Court, for the 6th Judicial District of Lamb County, Texas, to be held at the Court House of the said County, in the City of Littlefield, Texas, at or before 10 o'clock A. M. of the first Monday after the expiration of forty-two (42) days from the date of issuance hereof; that is to say, at or before 10 o'clock A. M. of Monday the 24th day of September, A. D. 1956, and answer the petition of Plaintiff in Cause Number 4108, in which HIGGINBOTHAM-BARTLETT COMPANY, a corporation, duly organized under and by virtue of the laws of the State of Texas, having its residence in Dallas, Texas, and duly authorized and doing business in Lamb County, Texas, acting by and through its duly authorized and constituted agents, representatives and officers, is Plaintiff, and each of the above named Defendants are Defendants, filed in said Court on the 7th day of August, A. D. 1956, and the nature of which said suit is as follows:
Being an action and prayer for judgment in favor of Plaintiff and against Defendants for title to and possession of the following described lands and premises lying and being situated in Lamb County, Texas, to-wit:
all of lots number 2, 3, 4, 5,

and 6, Block no. 51, no. 7, Block no. 129, and no. 3, Block no. 138, Original town of Olton, Texas, according to the map or plat recorded in Volume 4, pages 179-180, Deed Records, Lamb County, Texas; Plaintiff alleges that on August 1, 1956, it was, and still is, the owner in fee of the above described lands and premises, and was in peaceful possession of said land on said day, and that afterward, on the 2nd day of August, A. D. 1956, the Defendants unlawfully entered upon and dispossessed Plaintiff of such lands and premises and withhold from Plaintiff the possession thereof; Plaintiff further alleges that Plaintiff has title to said lands and premises under and by virtue of the five (5) and ten (10) year Statutes of Limitations as is more fully shown in Plaintiff's original petition on file in this suit; and Plaintiff further prays for relief, general and special;

All of which more fully appears from Plaintiff's original petition on file in this office, and to which reference is here made for all intents and purposes;
If this citation is not served within 90 days after date of its issuance, it shall be returned unserved.
WITNESS, the undersigned, Clerk of the 6th District Court of Lamb County, Texas.
Issued and given under my hand and the seal of said Court, at office in the City of Littlefield, Texas, this 7th day of August, A. D. 1956.
Ernest L. Owens,
Clerk of the 6th District Court, Lamb County, Texas.
