Over the South Plains much interest is being showed over the tournament. At Amherst Capt. E. E. Gee and Business Manager H. N. Tapley are working night and day to get their team in shape to carry off the honors. Pitcher Dixon of Amherst is reported in prime shape

G. M. Vann, Commissioner of Precinct No. 3 announced Tuesday that he had made arrangements with W. P. A. officials to close down the W. P. A. project on Oklahoma Avenue which runs to Spade community.

He said the request had originated with the farmers in this section who were urgently in need of men to help get out their crops. Mr. Vann said that it would effect about eighty-four men.

The project will be closed down about 15 days so the farmers will have the advantage of the extra help. According to Mr. Vann it will also help the W. P. A. workman as they will be able to make wages that the farmers will pay, besides being allowed to make up their time on the W. P. A. project.

Bathing Beauty Revue To Be Held In Littlefield Tuesday Night July 6

It's going to be a big night in Littlefield next Tuesday when Lamb county beauties parade across the stage of the Palace theater in attempt to win the title "Miss Lamb County."

We don't know if it will be a bigger night for the men or the ladies, but nevertheless the show should draw a good crowd as the young ladies will appear in bathing suits, 1937 style.

It all came about in this manner. Sweetwater business men conceived the bright idea of holding a contest July 10th to pick a beautiful

young lady to be called, "Goddess of West Texas." They have invited cities over West Texas to hold county contests to determine the reigning beauty in their respective counties and send the "gals" to Sweetwater for the finals in the affair.

The boys at Sweetwater have several lakos about their town and thought the idea of holding some sort of a contest to determine who looked the best in a bathing suit would not only be good publicity but a great idea for the men to interest themselves in. Their never

has been a bathing beauty contest but what it drew the attention of the men for many reasons and attention of the ladies as they always either like to enter the contests or look with envy on the girls who do enter--wishing all the time they had the nerve and the figure that would merit entering such a contest.

To make things more interesting the Sweetwater committee have hung up a grand prize of an All-Expense Trip to both the Fan American Ex-

LITTLEFIELD REPRESENTED AT FORT WORTH FRONTIER FIESTA

Lamb county was represented at the preve given to the newspaper and radio people and others by the Fort Worth Frontier Fiesta, Friday night, June 25. Enthusiasm for this greatest of shows was as warm as the weather, and the Casa Madana dress rehearsal staged by Billy Rose gave those present an interesting insight to the staging of the largest outdoor show in the world.

Friday night's crowd was a picked crowd of publicity men and women, and the officials of the Frontier Fiesta did everything possible to make their visit pleasant. Whether it was strolling through the streets of the Pioneer Town, peeping at the "gadgets" that make the puppet show possible, partaking of the tasty food, enjoying the brilliant scenic and lighting spectacles, marveling at the skill of the world's best artists, or singing "Sweet Adeline" with the man who composed it, the Fort Worth showmen were on the job and knew how to make the audience of critics like it.

It is a clean performance. One worthy of driving many miles to see, for never before in the history of the theatrical world has such a performance been attempted. It is a result of skillful management and sheer nerve.

One thing the Frontier Fiesta has done in a creditable manner and that is the Presentation of the towns of West Texas in the West Texas Chamber of Commerce exhibit. This exhibit occupies one complete building and tells in graphic stories of the people, products and accomplishments of West Texas.

Among those attending the preve from Littlefield were Mr. and Mrs. Glenn Burgess.

EIGHTH ANNUAL ROUNDUP OF TEXAS COWBOY REUNION TO OPEN THURSDAY

Plans are underway by Curley Daugherty for the Seventh Annual Stampede Rodeo, which will be held in Olton Thursday, Friday and Saturday, August 5, 6 and 7.

In an interview with Mr. Daugherty Thursday last, he said that the arena and chutes had already been placed in position and advertising matter was going out to cowboys, cowgirls and fans of this western show.

Manager Daugherty states that this year will eclipse any other that he has ever staged, both in size and entertainment features.

He recently bought a herd of Brahma bulls for the steer riding and Brahma calves for the calf roping. He will feature Brahmas exclusively. Some of these bulls have defied all cowboys who have attempted to ride them and still retain their reputation for being unriden.

These babies are rough and tough and will give the cowboys an afternoon of really hard work, and the spectators plenty of thrills. Daugherty's own herds of wild cattle will be augmented by herds from New Mexico which likewise have

proven their mean tactics. He last week purchased a "catalog," an animal that is half buffalo which has never been ridden and will be used in the steer riding events.

Daugherty states that he has the best string of broncs for the coming show that he has ever been able to assemble during his entire rodeo career, several of which have not been ridden to date despite the best efforts of the best bronc busters. Some of the boys who have mounted these wild chargers have taken very nasty falls as their reward, one being fatally injured when the horse stepped on him after throwing him off.

Manager Daugherty, placing advertising over six states with invitations to the cowhands and the public generally, is expecting the largest number of entrants this year that the stampede rodeo ever has had with the best attendance in its history. Last year there were more than 75 contestants in the various events.

Set purses will prevail in all events, Daugherty stated, with cash totaling \$1200 to be awarded. In addition there will be a number of special trophies, including a \$100 roping saddle, chaps, spurs, etc.

SUMMER REVIVAL TO START AT FIRST BAPTIST CHURCH AUGUST 1

The summer revival of the First Baptist church will start Sunday, August 1st and continue through the 15th. Mr. H. W. Minor, Jr., Educational Director of the First Baptist church, Pampa, will direct the singing and lead the young people in personal work. Mr. Minor is a splendid choir director and soloist. Before going to the Grace Baptist church, Nashville, Tenn. he had charge of the music and Young People's work in the First Baptist church Lubbock.

Mr. Minor has many friends in West Texas. Many local people made his acquaintance and heard him sing at the District Sunday school and B. T. U. Convention held with the local church in April of 1936. The First Baptist church paper said of him when he resigned to go to Nashville, "Mr. Minor is an excellent musician as is his good wife. He has done a splendid work with the choir and young people. He is affable, congenial, consecrated, earnest and aggressive. He has a deep desire to be an effective worker for Christ. He knows how to get along with people and is ever striving to serve more effectively." The pastor, Willis J. Ray will do the preaching in the meeting.

INDEPENDENCE

It is one of the characteristics of a free people that they should seek for themselves as individuals the independence that they have achieved collectively as a nation. There is no more clearer reason, then, why America is a country in which thrift and financial foresight have been the twin keystones of progress.

Just as the financial well-being of the United States rests upon its commercial and savings banks, so the integrity of these banks rests in turn upon the thrift, industry and confidence of the American people. As one of those banks it is with pride that we, on the Fourth of July, greet those persevering men and women who through their banking institutions have made America a great and prosperous nation.

LITTLEFIELD WHIPS HUBBERS TO 5; RATLIFF HITS HOMER SO DOES SHORTSTOP MILLER

Pitches Fine Game, Littlefield Plays Errorless Ball, Hanks Makes 14 Put-Outs, Aldridge Lays Down Perfect Bunt, Team Confident Of Making Strong Showing At Jubilee

Littlefield manager Dick Ratliff, manager of the Littlefield Panthers is peaceful after the game. Sunday afternoon he decided to fooling with the Lubbock team after six innings.

He was knocked a home run in the center field wall. In the short stop Miller did the thing and the battle was on. They had a nice crowd see the game which brought in over \$100 at the gate. Littlefield won 6 to 5.

Miller, who did the twirling, Hubbers kept the Panthers from first base in good shape the first six innings in which he managed to score two runs.

In the first half of the seventh inning again making Littlefield runs in the "dog-house". Right as when Ratliff did his stuff in a grand manner with local fans like a bunch of Indians on a path.

Center fielder, followed by Hanks walked him. Jerry Hill minus control and hit Hanks in the elbow. Guy laid down a perfect bunt and the runners, and Tur- lift fielder, grounded sharply to the pitcher, who had no recourse than to throw Turner out at first because Coffman had already made the count 3-2. The runners got back the two runs and three ahead when the last of

the eighth came around. Puss Ballard, veteran infielder who deserted the Hubber ranks recently and joined Littlefield, led off with a single. This rattled Blanchard, and he walked Gus Burleson, setting the stage for what was to follow.

It followed, all right; Miller, who had walked once and fanned twice, aimed at the center field green, and Crites waved at it as it went over. With the score tied, and nobody out, Ratliff came up and shoved a two-bagger to center, Coffman singled to right, but Ratliff was held at third.

Then happened what hasn't happened in three games—a Hubber error. Jack Thompson, slightly misjudging Hanks' fly to right, which seemed a sure put-out, caught it on his fingers, dropped it, and Ratliff came home. Thompson recovered the ball in time to heave to Breedlove who tagged Coffman for the first out. Aldridge hit into a double play, Graham to Breedlove to Bettes.

One run behind, the Hubbers aimed at the fence in the first of the ninth. Thompson led off, but his hot grounder was taken in by Burleson at third for a putout. Crites hit to the same spot and was thrown out. Charley Presley, pinch-hitting for Tobe Pair, grounded weakly to Hall. It was the first time in the game that the Hubbers had been re-

tired in order. Littlefield played like a new team Sunday. Business Manager Bill Pass and Manager Dick Ratliff have gathered themselves together a real ball club, capable of giving any team in this section a battle. It was at its best yesterday, playing errorless baseball throughout, and finally it learned how to work on Lefty Blanchard, who lost his second game of the season. It was Lubbock's fourth defeat in 13 games, the other three being to the Amarillo Phillips Oilers.

BILL COLVERT, FORMER NEWSPAPER PUBLISHER AND NEWSPAPER MAN OF WIDE EXPERIENCE, JOINS LEADER

The Lamb County Leader is happy to announce that Wm. E. (Bill) Colvert, recently publisher and editor of the Daily Centinel at Nacogdoches, is now connected with this newspaper. Colvert will devote most of his time to handling advertising, but will also handle news from time to time.

BILL COLVERT

"I am very happy to be in Littlefield as I have heard many fine things about this city and the South Plains region. Now that I am here I can well realize why such glowing accounts of this country have gone out over the state," he said. Although a young man, Colvert has had wide experience in the newspaper business both in small cities as well as metropolitan centers.

He sold the controlling stock in the Colvert Publishing Co., Inc. at Nacogdoches in February and then did some special work for the Tulsa Tribune in Oklahoma. For the past three months he has traveled over 8,000 miles speaking on behalf of the Texas and Pan American Exposition which is now in progress at Dallas. On this trip, 2,000 miles of which was made by airplane, he spoke before 150 schools and colleges and also appeared on the programs of Rotary, Lions and Kiwanis clubs throughout the Southwest.

When in the lower Rio Grande Valley recently, near Port Isabel, he went fishing in the Gulf waters along side of President Roosevelt and managed to land a tarpon weighing 153 pounds and six feet nine inches long. "It was truly a great experience fishing along side of our President," said Colvert, who also remarked that the tarpon he landed was now being mounted and would be shipped to Littlefield about August 15.

Colvert was a hard worker with the Nacogdoches Chamber of Commerce, helped organize the Junior Chamber of Commerce there and was a director of that organization. He is a member of the Rotary club of Nacogdoches and was a leader in all civic enterprises. The Leader is happy to have a man of Colvert's ability and experience associated with this newspaper.

He says he wants everyone in Littlefield to just call him "Bill."

Ball Players Will Swim Free In Local Swimming Pool

Members of the Amherst, Sudan, Muleshoe and Littlefield baseball teams were today advised by Mrs. Annie Correl, owner of the Rainbow swimming pool on the Clovis highway, just west of the city, they would be granted free swimming privileges at the pool during the four day baseball jubilee which will be held here Friday, Saturday, Sunday and Monday.

"I just know those boys will get hot and I think they will enjoy a good swim in our cooling waters," said Mrs. Correl.

The pool was closed Monday, Tuesday and Wednesday as the water was changed and the pool then refilled. Mrs. Correl said today that she had also reduced the prices almost 50 per cent for the balance of the summer.

Mr. And Mrs. G. M. Shaw Honored On Twenty-Fifth Wedding Anniversary

As a courtesy to her parents, Mr. and Mrs. G. M. Shaw, on their twenty-fifth wedding anniversary, Miss Myrtle Marion Shaw entertained at a surprise silver tea at the Shaw residence, East Seventh Street, Friday evening.

The guests numbering between fifty and seventy-five, were received at the door by Mrs. W. G. Street.

An elaborate wedding cake, bearing a miniature bride and groom under an arch of lilies, with a mirror base, laid with rose buds, formed the beautiful centerpiece for the dining table. Mrs. J. T. Street and Miss Myrtle Marion Shaw presided over the punch bowls, and were assisted in the serving by Misses Alice Lynn Street, who was dressed in Mrs. Shaw's wedding gown in Mrs. Virginia Walker, who wore an evening gown from the original wedding trousseau of Mrs. Shaw.

Mrs. Robert Stein of Lubbock presided over the register.

Miss Catherine Darby sang "I Love You Truly," as Miss Myrtle Marion Shaw played the wedding march at 9 o'clock, exactly the

same hour as Mr. and Mrs. Shaw were married at Mexia, Texas, 25 years ago.

Although the invitations expressly stated that no gifts would be received, yet a number of close friends of the honorees presented them with a shower of silver dollars, as well as several baskets of flowers.

Mr. and Mrs. Shaw were also the recipient of many greetings of good wishes for their health and prosperity, and the large number who called during the evening enjoyed to the fullest the gaiety of the occasion.

Don't put up with useless PAIN

Get rid of it

When functional pains of menstruation are severe, take CARDEL. If it doesn't benefit you, consult a physician. Don't neglect such pains. They depress the tone of the nerves, cause sleeplessness, loss of appetite, wear out your resistance.

Get a bottle of Cardol and see whether it will help you, as thousands of women have said it helped them.

Besides easing certain pains, Cardol aids in building up the whole system by helping women to get more strength from the food they eat.

City Park Fast Becoming Popular Place For Picnics

Littlefield's City Park is fast becoming a popular place in which to picnic.

According to Mayor Pat Boone, there are an average of about four picnics a week on the city grounds.

Improvements are being placed on the picnic grounds for the accommodation of such groups. A hydrant provides the water, and rock has been hauled with which it is hoped to build a furnace for cooking purposes in the near future.

The city is installing two lights in the picnic grounds in the city park, north of the American Legion hall, and a sanitary trash can has also been placed for the convenience of picnickers.

Mayor Boone urges all visitors to the grounds to cooperate in keeping the park clean, and asks that they take advantage of the trash can, and pick up and deposit all left over food or trash in the receptacle, which is emptied twice a week.

The city plans on planting more grass, and to have a solid turf of grass by next spring throughout the park.

Irish people primarily, but actually it is a narration of great love and sacrifice that transcends all racial boundaries.

It takes the man, Charles Stewart Parnell, as a symbol of all the courageous, reckless men of history, to whom love was a greater power. It endows him with many of the human weaknesses and some of the human virtues that endear a man to his fellowmen.

The role of Parnell is played by Clark Gable. In the opinion of this reviewer, it provides Hollywood's leading male star with a part unlike any he has had before and one in which he proves his real artistry. Parnell, the Irishman, speaks with a decidedly American accent, but it must be remembered that he lived in this country and learned not only the language, but the customs and mannerisms; moreover his no-

Bathing Beauty—

position at Dallas and the Frontier Fiesta at Fort Worth. Second place winner will receive \$15 and third selection will walk off with \$10 of Sweetwater money.

Here in Littlefield Tuesday night the young lady selected to represent the county and city will receive \$15 as first prize. She will then go to Sweetwater where she will compete with the other young ladies who have won the approval of the judges in their respective communities. There will not be any second or third prizes at Littlefield. You will either win top honors or nothing. Of course the girls will get the experience of modeling and after all that's something.

The publicity committee of the Littlefield Chamber of Commerce is behind the project here and have hopes that the young lady selected here Tuesday night will win first honors at Sweetwater so the fair name of Littlefield and Lamb county will rate welcome publicity at Sweetwater, Dallas and at Fort Worth.

Just who the judges will be at the Littlefield Bathing Beauty Contest had not been announced at press time, but no doubt the local committee will not have any trouble filling these positions. We know plenty of the local boys who would love the job.

Hail to "Miss Lamb County". May she win at Sweetwater and get her expenses paid to Dallas and Fort Worth. One thing sure we have seen the beauties in Dallas and Fort Worth and we will stack our local Lamb county "gals" up against the "city slickers" any time.

Baseball—

(Continued from page one)

for the twirling job. Lefty Ham-bright has gone to Odessa so the other teams in the meet will not be bothered with his pitching arm.

Alton Lumpkin, Captain of the Sudan team and Smiling Newby Moore are all a-flutter over their prospects to grab the \$125. The board of directors of the Sudan

team are reported to be holding night sessions every night planning the form of attack. Pitcher Ernest Minyard is scheduled to take the mound in the opening game against Littlefield and is reported in A-1 condition. This Sudan-Littlefield game will be no set-up for either team. It should be a scrap from the word "go."

Muleshoe is talking and eating baseball this past week. Capt. Lefty McWilliams and Manager C. E. Smith have been putting their boys through their paces and the citizens of the town are reported to be offering slight odds their team will cop the tournament. Pitching is the problem at Muleshoe and just who will start the game for the Muleshoe team is a question that will not be answered till game time. The battle between Amherst and Muleshoe, which is the second game of the meet Friday afternoon should provide plenty of fireworks for those who like a noisy Fourth of July week end.

No matter who wins or loses it was determined yesterday that all the ball players will be able to swim free. Mrs. Annie Correl, operator of the Rainbow Swimming pool on the Clovis Highway one mile west of the city has issued an invitation for all the players to swim free in her 600,000 gallon pool each day after the games. This should be most welcome to the ball players who will be playing their best under the rays of "old sol" for four afternoons in a row.

To make the week end celebration even more appealing to the citizens of the South Plains region, Littlefield merchants are staging their monthly Dollar Day and giving extra values that will no doubt attract shoppers who are anxious to save money on their home needs.

It promises to be a great week-end in Littlefield with plenty of action. Littlefield will be at its best to welcome the thousands of people who are expected for the baseball tournament and extend to every man, woman and child an earnest invitation to be present for the affair.

the mowing of the tall weeds in the city park, which is being done by Wes Bell with his mower.

Mayor Boone stated Tuesday that the city solicits the cooperation of all citizens in the keeping of the city clean of weeds, and states that since they are cutting the weeds on the streets, they would appreciate it very much if all citizens would cooperate by cutting the weeds about their premises and on vacant lots owned by them.

Mr. Boone stated they were making a special effort to keep the city clear of weeds this summer, and that all weeds cut and put into cans at the rear of property would be picked up each week and hauled away by the city truck.

Mr. Boone also commented on the many pretty lawns and gardens in Littlefield this year, stating, "we are very proud of the fine yards and gardens in Littlefield this year. There are many beautiful lawns about the city. Patrons seem to be taking advantage of the water summer rate in irrigating their gardens."

Who Said What?

(Continued from page one)

13th game of the season for the Lubbock boys. The Littlefield boys did play heads-up ball all afternoon so Lamb county citizens don't credit the victory to the 13th jinx even if they do in Lubbock.

Speeding down the "main stem" of Littlefield is getting to be a common thing these days. Several small wrecks have taken place and we expect any week to have to get out the big black type and say that "so-and-so" was killed yesterday due to speeding. We would sure hate to do that but, well you know how it is.

Getting a bond signed for \$500 signed is no "set-up". We sure felt sorry for a lady the other day who wanted one signed. She was new in the community and not many knew her or her family. After all

\$500 is a lot of "kale". It was for her husband though and she had at one time no doubt "promised to love, honor and obey." We just wonder how many wives would go out to get a \$500 bond signed for their husbands—yes we just wonder.

If the light company wonders about reduced light bills this month they can just blame it on some pesky "bugs." For several nights where-ever a light bulb was burning small gnats or some animal flocked about them so much that it was almost better to sit and hold hands or talk in the dark. We guess God had a reason for putting them on earth but to date we haven't figured it out. We mean the bugs.

Several merchants have told us recently they are doing more business this summer than they did last summer. A few, and we mean a few, have said things are not "so-hot." Of course they both may be right but we have noticed the firms who go after the business are the ones who are getting the business. Take Littlefield as a whole and the total business is greater this summer than it was last year.

We can't help but remark that local business men deserve your trade when-ever possible. They have good stocks and prices are in line, in fact many times they are even lower. We are tired of hearing people say, "We were over in "so-and-so" yesterday and bought "certain things." Yes, we are tired of hearing that. Buy here in Littlefield.

We talked to a Paper Sack Salesman this week and he told us he was getting tired of traveling about. During the course of the conversation he told us he was No. 16 of a family of seventeen. He admitted to 62 years and said he was making \$5,000 a year. Maybe we are in the wrong business. Paper Sack—who would thought it. We have handled paper sacks for years—but \$5,000, well that's something else.

Years Work—

(Continued from page one)

many smaller projects were discuss-

ed and will be taken up at the proper time. Stressing the statement made by J. S. Hilliard that a modern hotel would increase the population of Littlefield by 1,600, the committee felt this work should be completed as quickly as possible. Mr. Hilliard will be chairman of the hotel committee.

New state highways and farm-to-market roads were stressed because the committee felt such improvements would make the unusually fine stores of Littlefield more accessible to the trade territory. E. O. Melver will have the very important job as chairman of the highway committee.

Much discussion was given to the county fair. A committee headed by J. C. Elms will make a thorough study of the prospects and try to have a report for the membership meeting scheduled for July 6. If the report is favorable, it is planned to form an association and work up a permanent fair that will have its own grounds and buildings.

The work of the Chamber of Commerce would not be complete if it did not turn its attention to the basic industry of the county. W. D. T. Storey who has had much experience in agricultural work will serve as chairman in this activity.

Other things discussed were trades days, cleaning up the streets running parades to Main street, inducing property owners to cut weeds on vacant lots and general cooperation with the city authorities in eradicating health hazards.

Present at the meeting were: Pat Boone, Jack Brannen, Mancil Hall, J. M. Stokes, Willis J. Ray, J. S. Hilliard, W. D. T. Storey, J. W. Keithley, W. H. Cunningham, Millard Phillips, Homer Hall, E. O. Melver, J. C. Hibun.

cial Committee consisted of Dr. Parran, Jr., Surgeon General of the United States Public Health Service and chairman of the special committee, General George H. Wood, Special Representative of the Administrator on National Homes for Veterans, and Colonel George E. Jjams, Assistant Administrator of the Veterans Administration, but

Dr. Parran was unable to appear before the Commission. Rear Admiral P. S. Best, Surgeon General of the United States Navy, has been asked to be chairman, but his acceptance assignment had not been completed. As soon as the Commission is completed, open hearings will be held to consider the need for hospitals.

Mahon stated that he would appear before the Commission to urge favorable recommendations for the West Texas Hospital bill pending in this Congress. He authorized an appropriation of \$100,000 to be used for the hospital to be erected in the American Legion District, covering all of West Texas. He stated that more limited restrictions on the bill have been introduced by Congressman Marvin Jones of Texas and Congressman Ewing Thomas of El Paso, and Congressman Garrett of Eastland.

Mahon pointed out the need for cooperation of all West Texas areas in the effort to secure a favorable recommendation from the Veterans Administration at this time, stating that competition between individual cities could detract from the weight of the argument for the Veterans Hospital at West Texas. He stated that the appointment of the Special Committee for special consideration of more definite encouragement had heretofore been given by the Veterans Administration.

NEW ROTARY OFFICERS TAKE OVER REINS

Announce New Committees For Ensuing Year

F. O. Boles took over the reins of the Littlefield Rotary Club last Thursday noon, and will serve as President of the Club till the same time and date in 1938.

No regular program was arranged for the weekly luncheon meeting and at the same time J. O. Garlington, Vice President; J. S. Hilliard, Secretary, Fern Hoover, Asst. Sec. & Treas; Willis J. Ray, Chaplin, and Dave Hicks, Sergeant-at-Arms took over their offices for the new year.

Past President T. Wade Potter thanked the club members for their co-operation during the past year, and said he felt that all members would co-operate with the new President, F. O. Boles, in the same fine spirit as they had with him.

Mr. Boles then took the gavel and said, "Men I think we have made much progress during the past year, I realize luncheon clubs are at time's censored for not doing anything but I feel that this censure has not fallen on our club, I hope that the coming year will be another one of accomplishment, and pledge you my earnest efforts so that progress of this club will continue."

Mr. Boles then announced his committees who will serve under him during his term of office. They are: Aims and objects Committee Dr. M. G. Wood, A. B. Sanders, J. O. Garlington, T. Wade Potter, and C. E. Payne, Vocational Service, E. O. McIvar, Sam Batton and Lowell Short, Community Service, J. W. Keithley, Willis J. Ray and A. R. Hendricks, International Service, T. S. Sales, Glenn Burgess and J. S.

Petite June Brooks, prima ballerina in "Road to Rio," mid-way musical extravaganza at the Dallas Pan American Exposition, is declared by critics to be one of the finest dance technicians in America. She is from Hollywood and has been signed for the run of "Road to Rio," which will close October 31. Miss Brooks, America's daintiest dancer, is 19.

Brockwells and their gang plotting to gain possession of the ranch and the property of the late Mrs. Hall, a neighbor and life friend of Slim Loyale. Sheriff Starbuck discovers that Sheriff Starbuck has joined the plot against him. With the help of Dakota Blue and the boys, Slim Loyale defies the odds to do their worst.

got money in my poke an' the boys down in Jericho Valley have authorized me to act for the whole crowd. Let's go an' see the young lady right away."

That night, behind locked door and shuttered windows, three men met in heated argument in George Arthur's office. Arthur himself was again nervously packing back and forth, while Sarg Brockwell and Jigger Starbuck occupied chairs.

"I tell you," snapped Arthur, "we've got to act quick, without a minute of delay. If we don't, we lose everything. Those herds are nearly to the north end of Jericho Valley right now. Tisdale, the Big Bend representative, raved like a wild man when I told him it would cost him and the others a dollar a head to cross the range, but they-

"I'll pay in the end. They'll have to, and they know it."

"But now Loyale is going to loan Miss Hall money enough to pay me. We've got to stop that move somehow, and there is only one way to do it. I've told you how. We'd be better off if we had the Circle L too, but we simply gotta get the Dot H Dot to get any money outa this deal."

"It's a pretty stiff deal yo're handin' me an' my gang, Arthur," growled Brockwell his big teeth showing in a snarl of anger. "Robbin' a bank is apt to start somethin' we can't stop. Folks in this neck of the woods are beginnin' to get kinda on edge."

"Why shouldn't they?" broke in Starbuck. "Yuh've messed things up from the first, Sarg. Yuh won't leave that Vasco stage alone. Yo're so danged greedy yuh can't see the end of yore own nose, if a dollar is in the way."

"I'm about ready to chuck the whole thing an' pull my freight. Time was when I was a square-shooter. Yuh jaspers dangled a lot of promises an' false bait in front of me, an' I turned coyote. I'm sick of the whole deal."

"This is no time to quarrel among ourselves or quit," snapped Arthur. "We can still win out—big. Brockwell, that bank has got to be robbed, and Loyale and Blue have got to be rubbed out. Furthermore, we've got to act tonight."

Silence fell. Every one of these three realized that they were gambling madly beyond all reason. Yet so deeply were they in the fire already, they could not stop. A wild, reckless light flamed in Starbuck's eyes.

"Gimme enough men for a posse, an' I'll go out to the Circle L an'

arrest both Loyale an' Blue. If they resist an' I hope they will, we'll rock 'em off. If they don't well, I can allus swear they made a get-away attempt along the trail to town an' rock 'em off anyway. Gimme five men an' I'll make my play. Like Arthur says, it's whole hawg or none."

Brockwell licked his thick lips. "Keno! I'll split my crew. Jigger, yuh can take half; I'll take the rest. While yore outa town, I'll spear that bank. It'll be a good alibi for yur anyhow."

"But we don't take all the risk. Arthur, at daybreak tomorrow mornin' yo're due at the Dot H Dot. Clamp that foreclosure on, an' make it stick. I don't care how much time or notice yuh've give that Hall woman. Take it back. Slap that foreclosure on without another day of grace. Savvy?"

"Oh, I'll do it," promised Arthur. "We've got to pyramid now—push our luck for all we've got. That's decided. Let's drink on it."

From the lower drawer of his desk, the renegade lawyer produced a whiskey bottle and three glasses. And with him drank a renegade sheriff and a renegade cattleman. Without further words, Starbuck and Brockwell went out into the night.

Arthur remained and drank and drank until he was dead-drunk. At least, the other two were fighting men, who, in the final showdown, were game to sniff smoke. But he was the rat, drinking to stifle his innate cowardice, to try and whip his shaking nerves to face the big showdown.

Out at the Dot H Dot, Mona Hall was radiant. Sam Tisdale had just laid a pile of bills on the table before her. "There's five thousand

dollars, Miss Hall," he said. "There'll probably be a thousand or fifteen hundred more due yuh. We'll make a good count as the herds go through the pass at the north end of Jericho. Yuh can rest happy that we'll shoot square with yuh."

"Oh, I know you will, Mr. Tisdale," she cried. "You don't know what this means! You can't guess—"

Tisdale grinned. "Mebbe I can better than yuh think, miss," he broke in. "Give all the credit to Loyale here. He figgered it out for the both of us."

As the three men were leaving, Mona caught Slim by the arm. Her eyes were stary. "You're the best, dearest friend ever, Slim," she told him.

Slim smiled and chucked her un-

we start shootin'." There was no answer. Starbuck cursed in sudden fury and rolled a gun, the others of the posse following suit.

Without and more hesitation, Steve and Charley went to work. They laced the night with lead, their rifles sounding flatly.

The posse needed no second command. Like startled quail they all scattered, seizing upon anything, to get away from that surprising cross-fire.

Oscar, the big Swede cook, startled by this outburst of sudden gunfire, stuck his head out of the window. The posseman did not see him, but Oscar saw the crouching figure.

Oscar chuckled and heaved his big bulk out of the window. He found the fellow's guns and hefted them. "I guess this bane good time to start fightin'."

Slim and his two companions were about a quarter of a mile from home when that first burst of gunfire echoed. Instantly Slim spurred his mount to a scudding run.

"Our fight, Tisdale," he flung over his shoulder. "No call for yuh to take chances. Yuh can drop out."

"Like hell I will!" snapped Tisdale, spurring up even with Slim and Dakota Bue. "Yuh shot square with me, I'm returnin' the favor."

Just as they reached the ranch they heard Oscar's war cry and saw, by the gun flames that answered it, the approximate position of the attackers.

Tisdale followed Slim, but Dakota cut around the other way. By the steady spanging of the Winchester, Slim got Steve and Charley located.

Almost opposite him from the other side of the corral came answering lead. Slim, a wild ferocity upon him, stalked straight towards

LIVING UP TO MY AD

Giving you tops in Mileage

I know the trouble. So many oil ads yell mileage, that you can't tell one way or another. I don't want my own ads to be in that class, so I'd like you to know all I'm staking, when I personally recommend Conoco Germ Processed oil to you. In my case, you see, I'm the owner of my business. And there's nothing makes repeat customers for me like my Germ Processed oil . . . or I ought to say, the long mileage it gives you. The patent Germ Process makes this oil get fastened real firm to the bearings and cylinders and

other parts—as if they'd been built with an actual plating of oil that can't separate . . . can't thin out and burn right up. Neither is it going to run down every time you stop. Then you can't make any "dry starts" with Oil-Plating, and right there is where engineers say you will end a good half of all the wear you used to get in Summer. The less wear, the less oil your engine eats. You'll get on to this yourself, from your cool quiet Oil-Plated engine. And that's how I make another good friend for Conoco Germ Processed oil.
