RICHEST MAN IN WORLD CELEBRATES

The richest man in the world is the Nizam of Hyderabad. Even in India, where the treasure hoards of the native princes all contain fabulous wealth accumulated over countless generations, His Exalted Highness, Sir Mir Osman Ali Khan, Grand Commander of the Order of the Star in India, Honorary Lieutenant-General of the British Army, overshadows them all in the size of his fortune. He is reputed to own gold in bars worth 260 million dollars, and diamonds, rubies and other jewels valued at two thousand millions.

For hundreds of years the Nizam's ancestors had been piling up this huge store of wealth, which came partly out of the mines which are the Sovereign's personal property, like all the rest of the 82,000 square miles in which his 14,500,000 subjects live. He owns everything in sight.

So just because he is their sovereign, the people of Hyderabad have just been celebrating the Nizam's 25th anniversary on the throne of Hyderabad by showering him with gifts of more gold and jewels, to add to the ancestral store. His regular income from land rents, railroads, mines, factories and taxes is only 50 million dollars a year, poor fellow!

Unlike many Oriental potentates the Nizam is not revered by his people because of his religious leadership. He is a Mohammedan and most of his subjects are Hindus. That is probably the secret of the continuance in this 20th Century of a feudal system of paternal government such as the peoples of the western world got rid of long ago. The people are too ignorant to realize that they don't have to submit to being ruled if they don't want to be, or too timid to assert their rights. More probably they are content to be permitted to exist in primitive squalor and poverty, so long as a beneficent government, backed by the strong arm of the British Empire, gives them efficient police protection and sees to it that none starve.

We doubt whether any considerable number of Americans would like to live in Hyderabad.

Ellen gets Her Man

FIFTH INSTALLMENT

SYNOPSIS: Ellen Mackey, on her way from school at Winnepeg, to join her father at Fort Edson, misses the boat by which she was to travel. Hearing that another boat is to start north in the morning, Ellen goes to the owner, John Benham, and begs him to give her a passage. To her surprise he flatly refuses.

Angry and puzzled, Ellen tells Pat McClatchney, a kindly old store keeper of her difficulty, and Pat with the help of one of Benham's crew, succeeds in getting Ellen on board as a stowaway.

When the vessel is well under way Ellen emerges from her hiding place and faces John Benham, who now cannot help taking her with him.

During the voyage Ellen begins to be strongly attracted by John. But when she reaches Fort Edson she finds her father broken, ill and disgraced, and learns that his troubles are due to one man—John Benham.

"I have thought of little else, since learning about it," she said wearily. "I refuse to give up without a battle, but it seems almost beyond hope to think of averting it."

Deteroux's cold eyes gleamed in open admiration. "You are very courageous, mam'selle. And Bernard Deteroux will be most happy to help you in any way possible. Now, because I have been much through all this country and you have but lately come back to it, it may be that I could give you information of many kinds, should you desire it. Ask me what you will, I promise that your confidence will not be abused."

Ellen looked at him seriously for

a moment. She sensed breeding behind Deteroux somewhere. The man did not talk like the usual run of river-men. His brain was plainly alert, his tongue fluent.

"Very well," said Ellen presently. "In a case of this sort it is well to know one's enemies in their true light. My father feels that John Benham, the free trader, is to blame for all his woes. Is it possible that one man can come into this district and in three years upset the reputation of an old, established post like Fort Edson?"

Deteroux shrugged. "It would seem so, mam'selle. I know of no other free trader to your territory but John Benham."

"But how can he do it?" persisted Ellen. "He cannot afford to off-ermore in trade than can the Hudson Bay Company."

"True," nodded Deteroux. "Yet, perhaps, it is not how much he offers for his furs, but what he offers."

Ellen stared at him for a moment. "I do not understand," she said slowly.

"I forget, mam'selle," went on Deteroux swiftly. "I forget that when you left this post four years ago, the old order still existed. But in four years many things may change, as you know. In many ways our Indian is a child. He has ideals that are strange, mam'selle, and which we cannot grasp. Also he has weaknesses upon which the unscrupulous may trade. An Indian values many things, mam'selle, but most of all he values—whisky."

Ellen's eyes widened. At last she saw. "Whisky," she murmured. "John Benham trades whisky for furs? But that is against the law. The North-west Mounted Police will

not permit trading whisky to the Indians."

Deteroux laughed softly. "You forget, mam'selle. You forget that though they are a great organization, the red-coats, after all, but men. They are few and the north country is measured in millions of square miles. They cannot be in all places at once. And if Benham is cunning, as we know he is, he can do much that the law cannot prove. And the law must have proof."

Deteroux gave vent to another of his expressive shrugs. "What can we do without the law? And then

STUDENTS RULE CITY AND COUNTY

Monday, March 1, was set aside as Boy's Day for this year in the city of Littlefield. Students from Littlefield high school filled the county and city offices from nine a. m. until six p. m.

These students from the senior class were selected to fill the following offices:

Mayor, H. C. Pumphrey.
Secretary, Ernestine Cundiff.
Fire Chief, Elmer McKnight.
Traffic Cop, Wayne Madden.
County Judge, Bess Lair.
County School Superintendent, Ra Green.

The following students from the Junior class were selected to fill the office of Chief of Police, Harry Woody.

County Commissioner, Reginald Harlan.

County Clerk, Bernice Gattis.
District Clerk, Jim Walker.
Traffic Officer, T. A. Henson.

From the Sophomore class were: Street and Water Meter Man, Pat Boone Jr.

Traffic Officer, Horace Baize.
County Commissioner, Choise Foust.

Treasurer, Henry Ogerly.
Sheriff, James Elms.

Representatives from the Freshman group were:

Water Superintendent, Billy Don Boone.
County Commissioner, Wayne Arnold.

Traffic Officer, Jr. Walraven.
Tax Collector and Assessor, Gale Elter.

ELEVEN SCHOOLS REPRESENTED IN DEBATE TOURNAMENT

Littlefield debaters were host to a debate tournament Saturday, February 28. The tournament brought to Littlefield many good debate teams, in fact, so good that Littlefield debaters had to stand back and watch some other team go off with the first place in both the boys' and the girls' division. But, the local girls gave the winner, Lockney, in the girls division, a run for their money. Frances Humphries and Alice Lynn Street, representatives of Littlefield, defeated two teams but in the final round were

defeated by Lockney girls, who met and defeated 4 teams.

Pat Boone Jr. and Wayne Madden, the local representatives lost in the second round.

Levelland defeated four teams and placed first in the boy's division.

Teams entered in the tournament were: Boys, Olton, Littlefield, Lockney, Sudan, Slaton (2 teams), Spur, Farwell, Anton, Levelland, and Crosbyton, Girls, Slaton, Spur, Anton (2 teams), Sudan, Lockney, Olton.

INTERESTING PROGRAM AT P. T. A. MEETING

A program of extraordinary interest was rendered at the regular meeting of P. T. A. Wednesday afternoon, February 24.

Two whistling solos, "Indian Love Call," and "Pagan Love Song," were given by Mr. Bill Stubbs, Miss Luzelle Bryan gave a reading, and Mrs. Memrie Hawkins of Amherst drew a sketch of boats at sea in color.

Mrs. B. L. Cogdill spoke on "Character Development Through Adversity."

NEW PICTURES FOR SCHOOL

There's nothing better to see than pictures in our rooms to brighten them up. The P. T. A. is doing a very nice thing for the school when they buy pictures to decorate the various rooms of the school. Although we can't measure the value of pictures in dollars and cents they do make you happy.

SPANISH CLUB HONORED

Members of the Home Economics club were hostesses to the Spanish club, February 23, 1937.

The visiting club furnished the entertainment which was a very cleverly arranged program.

After the confusion of the closing number ice cream and cookies were enjoyed by all.

SCIENCE CLUB MEETS

A rather humorous program was enjoyed by the members of the Science club.

Buck Munger told, "Why I Blow Off." We always wondered but never knew. Sam Blessing told how to reduce, although he doesn't "practice what he preaches." Juanita James read some, "Just Imagines." H. C. Pumphrey read a poem, and Hall Rowe and Wayne Arnold performed an experiment.

A new program committee with Evonia Hawthorne as chairman, and Jack Harvey and Wayne Madden assisting was appointed by the president.

"TASTE AND BASTE CLUB"

Taste and Baste club met February 23, 1937. A very interesting talk was given on "Draperies" by Miss Eraine Friday. Poems were given by Miss Christine Christian. After the program games were played and refreshments were served.

LEE KAILU'S FAMOUS HAWAIIAN NOVELTY TROOP EXHIBIT AT THE HIGH SCHOOL

Lee Kailu's famous Hawaiian novelty troop exhibited at the high school February 25. The troop introduced every kind of native musical instrument producing a weird enchanting music. They also played in addition to their own instruments violins, mandolins, Chinese fiddles, hand saw, shovel, file, and produced music from an inner tube. Mr. Kailu played the guitar with his feet and the violin 31 different ways. He also made a handkerchief dance. Altogether the troupe played 18 instruments. A special feature was a Hawaiian dance, given by

Mr. Kailu's daughter, who wore native dance costume.

Mr. Kailu is a native Hawaii and lived in Hawaii 30 years and in this country 22 years.

P. T. A. sponsored the program and received a per cent of the proceeds.

Speech Delivered By Roy McQuatters At Father-Son Meet

At a Father-Son banquet held recently the following speech was delivered by Roy McQuatters, Jr., President of the County Chapter of Future Farmers:

"The Future Farmers of America is a national organization of boys studying Vocational Agriculture. The organization was founded in 1928 and has for its aim, not merely the increase of possessions but the advancement of the community, state and nation through the pursuit of truth, beauty and goodness of every day life, and by helping to bring happiness and prosperity to our fellows. It is a known fact that the love of labor is a joy in life and the Future Farmer Organization seeks to transfuse the daily task on the farm with high ideals and standards and thus help to quiet social unrest and agricultural discontent.

"The Future Farmer Organization seeks to prepare its members for worthy citizenship by encouraging high scholarship; by developing rural leadership; by strengthening the confidence of the farm boy in himself and his work; by improving rural homes and their surroundings; by creating and nurturing a love for country life; by promoting cooperative efforts and habits of thrift and by encouraging organized recreational activities.

"Rural leadership is the outstanding need of the hour and will continue to be the greatest need of the future, therefore the possibilities of the Future Farmers of America is

agriculture lighted by science and organized to demand an equal share with industry in the nations prosperity. The organization affords an excellent opportunity to teach students some of the fundamental principles of group leadership. We are taught how to conduct our own meetings and how to do things in an organized way. We participate in such activities as, livestock judging contest, public speaking, chapter conducting contests and conservation and community service projects.

"There are four degrees in the Future Farmer Organization. They are: Green Hand, Future Farmer, State Farmer and National Farmer, and to strengthen the farm boy's confidence in himself and his work the organization provided that each member may advance from one rank to another. The basis for advancement being, Personal Achievement Art, class work of a high order, development of a farm program, evidence of thrift and a practical demonstration of leadership are the passports.

"The purpose of the Future Farmer Organization is well expressed in its emblem. The emblem is made immeasurable and the Secretary of Agriculture recently said that through their leadership the nation may expect a new agriculture, an up of five symbols. The owl, the plow, the rising sun through a cross section of an ear of corn surmounted by the American Eagle. The owl is the symbol of knowledge and wisdom; the plow is the symbol of labor and tillage of the soil; the rising sun is emblematic of progress and the new day that will dawn when all farmers are the product of Vocational Agriculture schools and have learned to cooperate; the cross section of an ear of corn and the American Eagle are indicative of the national scope of the organization. So you see it is the purpose of the Future Farmers of America to help make life worth while for the plain common people by inspiring them with a great and satisfying purpose in life which will find expression through efficient la-

bor for a livelihood, a love for learning and a willingness to serve humanity, and we find this purpose fittingly expressed in its motto which is:

"Learning to do;
"Doing to learn;
"Earning to live;
"Living to serve."

Santa Fe Places Order For 51 Steel Passenger Cars

The Santa Fe Railway has placed an order with the Budd Manufacturing Company for fifty-two lightweight, streamlined, stainless steel passenger cars, Samuel T. Bledsoe, president of the Santa Fe, announced yesterday.

The fifty-two cars, embodying the very latest in de luxe passenger equipment plant, which also is constructing the Santa Fe's new nine-car Super Chief train which will be placed in service sometime this spring between Chicago and Los Angeles, offering a schedule of 39 hours and 45 minutes between the two cities.

This order makes a total of sixty-one, lightweight cars ordered from the Budd company by the Santa Fe, a few of which already are in service.

The Santa Fe also has ordered a new streamlined 3,600-horse-power Diesel locomotive, now being built at the La Grange, Illinois,

plant of the Electric Motive Corporation. It will be used to haul the new Super Chief.

Included in the order announced yesterday by Mr. Bledsoe, are thirty de luxe passenger coaches, ten de luxe diners, six club lounge cars and six club baggage cars.

This purchase announcement is but another step in the Santa Fe's improvement program which has included new equipment for the Super Chief, the ordering of 3,025 new freight cars and 27 locomotives, and purchase of 155,000 tons of steel rail and fastenings, all within a few months.

ONE-HALF ACRE GARDEN TO PRODUCE \$100 WORTH OF FOOD

"One half acre of garden, properly cared for, will produce an average of \$100 worth of food for the family." This statement was made by J. F. Rosborough, Extension horticultural, who pointed out that year in and year out, the garden should be the most profitable area on the average farm.

For each member of the family, 600 feet of row space should be allowed, Rosborough said. To supply a balanced vegetable diet, this 600 feet of space should be divided into 200 feet devoted to potatoes; 110 feet to yellow and leafy vegetables such as mustard, cabbage and carrots; 100 feet to tomatoes; and 200 feet to such miscellaneous vegetables as onions, beets, and turnips.

Over a large portion of the State, the time is at hand to plant Irish potatoes, according to Rosborough who recommends the Triumph and Irish Cobbler varieties. Cabbage and onion plants should be set out, and tomato plants started now. For deep South Texas, where most tomatoes have already been planted, Rosborough indicated that the Bonnie Best tomato was a good all around variety, while for the rest of South Texas and East Texas, he preferred the Marglobe. He favored the Earliana, June Pink, or Magee for the blackland belt, and Earliana or June Pink for West Texas.

English peas should be planted in rows that have been laid off 12 inches apart with 24 to 30 inches between rows. By this method, the peas will tend to support each other in their upward growth, Rosborough pointed out.

Plains Quality Meat Show To Take Place At Lubbock Mar. 29

Lubbock, March 10.—Demonstrations in modern methods of handling pork will be the theme of a series of educational booths showing the importance of good breeding; feeding for quality pork; killing and cutting for both curing and canning; curing by use of sugar and smoke; storage by wrapping and use of oil; and utilization, at the seventh annual Plains Quality Meat Show here March 29, 30 and 31. The demonstration will begin at 1 p. m. March 29, and continue each day. Until concluded with the demonstration in utilization Wednesday morning by Gladys Sanders, Chloe Huffaker and Mrs. Ruth Perry.

The grand champion calf exhibitor will receive \$24.00 and a substantial sale price. Twenty five other premiums ranging downward to \$4 are being offered in the baby beef division.

The grand champion pig exhibitor will receive \$12 with twenty other premiums ranging downward to \$1. First prize in the fat lamb division is \$5 for two divisions, and two groups and \$6 for the best county group of 15 lambs, with a total of 31 premiums offered in this division.

Twenty three premiums are offered in the cured meat division with prizes ranging from \$1 to \$8. The canned meats division has been eliminated and the educational booths substituted.

Col. Earl Gartin of Greensburg, Indiana, has again been engaged to handle the livestock sale, which will be held March 31. Last year 115 calves, 133 pigs and 117 lambs were sold at this sale for a total of \$13,545.64, an average of \$81.05 per calf, \$23.64 per pig, and \$8.45 per lamb.

**Senior Declaimers
Enter Lubbock Affair**

Edith Vandergriff, Pauline Cook, Bob Pierce and Roy McQuatters competed in the invitation senior declamation contest sponsored by Lubbock high school Saturday, February 27.

Schools represented in the boys division were: Tahoka, Lubbock, Spur, and Littlefield. In the girl's division were representatives from Lubbock, Spur, Ralls, Crosbyton, Tahoka and Littlefield. Each school was allowed two speakers in each division.

Mrs. McQuatters and Mrs. Jimmy Jones accompanied the contestants to Lubbock.

**Poorly Nourished Women —
They Just Can't Hold Up**

Are you getting proper nourishment from your food, and restful sleep? A poorly nourished body just can't hold up. And as for that run-down feeling, that nervous fatigue,—don't neglect it!

Cardul for lack of appetite, poor digestion and nervous fatigue, has been recommended by mothers to daughters—women to women—for over fifty years.

Try it! Thousands of women testify Cardul helped them. Of course, if it does not benefit you, consult a physician.

**Five Texas Beauties
To Welcome Visitors
At Dallas Exposition**

Dallas, Texas, Feb. 29.—The five Texas beauties who will set the national standard in feminine figures for this year at least, are not "streamlined" but are robust and rounded, if the selection of the winners in the "Texanita" contest sponsored by the Greater Texas and Pan American Exposition opening in Dallas, June 12th, has anything to do with it.

Out of a total of fifty girls entering the contest, McClelland Barclay, famed New York artist, selected five to head the corps of hostesses for the 1937 World's Fair. Supposed to choose only three, Barclay fell victim to what he termed "the charms of Texas at its best" and sent down five winners out of total of five hundred girls.

The artists' decision shot Hollywood requirements full of holes. Average measurements of the girls indicated that Texas beauties are five foot two and half inches tall, weigh 112 pounds, with waists measuring 24 inches and hips 36 inches. Legs are definitely substantial with 13-inch calves and 8-inch ankles. Bust is 34 inches. The average dress size is a generous 14 and shoes average 5-B. All the girls are brunettes.

Many towns in Texas are represented among the winners. Dark-eyed Delma Stephenson, winner of top honors, was born in Clinton, Texas. Eleanor Akers, second, comes from El Paso. Monetta Darnell, 14-year old singer and dancer of Dallas was tied for third place with Helen Sexton of Lott, Texas, and fourth place went to Janet Adams, born in the state of Vermont but now a full-fledged Texan. In the picture, reading down from the top, are Janet Adams, Eleanor Akers, Helen Sexton, Delma Stephenson and Monetta Darnell.

The Texanitas — so called because they are "Texas señoritas" — will act as welcome-committee and guides to visitors attending the Greater Texas and Pan American Exposition at Dallas, and will carry invitations to prominent personages throughout the country to attend the only international exposition for 1937.

crushing weight in her breast which made her curiously cold and unfeeling. The John Benham she had known had seemed so clean and fine, yet she was now possessor of knowledge which made him that meanest and lowest of all mortals; a man who traded upon the weakness of the ignorant and primitive. . .

Twelve days after leaving Fort Edson, Ellen found her first evidence of John Benham's nefarious trading activities. She came upon a small camp of Laird Indians, and saw there the influence of "firewater" in all its hellishness. . .

There was nothing Ellen could do. She left presently, with the whole tawdry picture etched upon her brain beyond all forgetting. There was no mistaking this evidence. It lay all about the camp in the form of dozens of empty whisky bottles. . .

Finally she sighed and drew her thoughts back into more direct channels. Here at least she had a clear, damning trace to follow. The secret of John Benham's exploitation of the Fort Edson territory was plain. Her mode of attack was simple and direct. Proof of his trickery to offer to the law. . .

You Are Due Good Health, Success And Happiness

But you cannot enjoy these things if you have allowed your system to lag to such an extent that your bowels and liver do not function properly, causing you to suffer with headaches, loss of sleep, backache, coated tongue, bad breath, rheumatic pains, biliousness and gas pains brought on by inactive clogged bowel organs. Lagatone is an efficient stimulant for increasing the flow of bile. Lagatone also stimulates liver action, relieving biliousness, worn out feeling and sick headache caused thereby. Lagatone acts on bowels as a laxative and helps clear out old decayed food waste. Lagatone is a compound of several ingredients. Thus Lagatone is like several medicines in the same compound. No wonder people begin to inform us of the good results they are receiving after using it a short time. If your system is lagging and run down, your food disagrees with you, if you are tired and sluggish and lacking energy, Lagatone will clean accumulated poisons out of your system and restore your vitality, your appetite and your good health. Go to your druggist today and buy a box of Lagatone and if after you have followed directions, written on the box, for ten days, you are not pleased with the results and

WORK STARTS IN PREPARING ROAD MAP OF COUNTY

LARGER ROAD CONSTRUCTION PROGRAM SEEN

More Activity Anticipated In Rural Road Building

Work is underway in the preparation of a road map of Lamb county.

This project is known as a highway planning survey, and is being carried out under the direction of the State Highway Department, in cooperation with the Bureau of Public Roads.

The activity in Lamb county is part of a state-wide program to map the roads in every county.

Similar surveys also are being carried out in 40 states in the union.

Roads For Rural Areas

Although official announcements have not been made, it is understood that the 40 states, including Texas, are looking forward to the time when Federal aid will be available on other than state highways. An extensive program of state highway construction has been underway throughout the nation for many years and the time is thought not far distant when state highway construction will have been completed in many states, in so far as such would be possible in a rapidly developing and comparatively young nation, and that attention of the Federal government will be turned to other classes of highway building—notably aiding in building roads of a more local character.

In the preparation of the maps for each county, school bus and mail routes are specially designated. Plans for market roads, in so far as the Texas road mapping program is concerned, are worked out in the Austin office.

Survey Very Complete

Included in the mapping program, and related activities, are information relative to WPA projects; the condition of all roads in all counties, and the classification of all pieces of property in the rural sections and in unincorporated towns.

The mapping program in Lamb county is being carried out by J. M. Jordan, T. F. Boriskie, and James R. Alexander. Mr. Alexander will leave in a few days to return to the Austin office, and Mr. Jordan and Mr. Boriskie will continue the mapping program in this county.

C. C. BEEBE SUDDENLY STRICKEN WITH BRAIN HEMORRHAGE

C. C. Beebe, accompanied by Mrs. Beebe, were returning from a trip to South Texas, when about two miles from home he was stricken with brain hemorrhage. A passer-by drove the car home, and his physician, Dr. Thos. Duke was summoned.

Mr. Beebe, though in a serious condition, is reported to be improving a little.

Mr. and Mrs. W. C. Thaxton and daughter, Betty Alyce visited Mr. and Mrs. Van Bailey in Lockney Tuesday.

Tree Planting Program

Trees are being planted on Highway No. 7 by the State Highway Department as a part of a beautification program over Texas. Already 200 trees have been acquired for this purpose, but a call has been received at the Leader office asking that we announce this as wholly insufficient to beautify in a way that will be complimentary to this section, and ask all those having trees to donate to please get in touch with Mrs. J. M. Stokes, chairman for the Littlefield district.

The State Highway Department will plant and maintain them, and we are only asked to supply the trees. There is a very limited time in which they will plant these trees, so it behoves everyone to get busy and see that sufficient trees are available for this splendid work.

Isn't this a wonderful opportunity to have our highway beautified at no cost, and what a joy it will be for years to come?

Mrs. Stokes asks that everyone having trees to donate, get in touch with her, but if these are not available by this route — why not everyone contribute to this beautification program and get the job done now when we have such a grand and glorious opportunity?

Income taxpayers of Littlefield will have this week to make out their reports and hand them in to Uncle Sam's representative before the deadline, March 15.

OUTLINE FUTURE FARM PROGRAM AT MEETINGS

First Of Series Of Meetings To Be Held Monday, March 15

Farmers of Lamb county have been called to meet to hear the details of the 1937 farm program and to select new committeemen, beginning Monday, March 15.

Three committeemen will be selected in each community, one from the old committee receiving the highest number of votes, and two other members.

County Agent, Donald Turner or his assistants, D. F. Pounds or W. O. Rieger, will be present at the meetings.

At a recent meeting in Plainview,

A deal was consummated Monday whereby the Southern Auto Stores purchased the stock and equipment of Hilliard Motor Parts, Phelps Avenue, Littlefield, and took possession at once.

The building is undergoing a complete remodeling, with Bob Fife in charge of the contract, and Tommy Lowe the decorating.

E. P. McWhirter of Lubbock, District manager for West Texas, is in Littlefield supervising the improving of the building and establishment of the new business, and will remain for about ten days.

In an interview Monday Mr. McWhirter stated that the building would be entirely remodeled and new fixtures installed; that they expected to open early next week with a complete stock of auto parts and accessories, bicycles, dishes, puns, radios, etc., and a full line of Apex electric refrigerators, washing machines and vacuum cleaners.

The Southern Auto Stores will employ three men, two from out of town and one locally, to operate the business.

The Hilliard Motor Parts, with J. N. Holmes, manager, have been operating here for the past several years. In an interview Monday, Mr. Holmes stated he would leave Littlefield in about a week, and expected to locate in South Texas.

Mr. and Mrs. Holmes have a large number of friends here who will regret very much to learn of their plans to leave Littlefield, and hope for their speedy return.

A. L. Smith, Executive Secretary of the State Board, urged the importance of selecting good reliable men on the committee, men who are fair-minded and men who are willing to stick to the letter of the regulations.

Farmers are urged to attend the meeting in their own community, since only those farmers living in the community in which the meeting is held will be permitted to vote in the election.

Meetings will be held as follows: Littlefield, Monday, March 15—2:30 p. m.—Ritz Theatre. Spade, Tuesday, March 16—2:30 p. m.—school building. Hart Camp and Fieldton, Tuesday, March 16—2:30 p. m.—Hart Camp school. Olton, Tuesday, March 16—2:30 p. m.—court house. Amherst, Wednesday, March 17—2:30 p. m.—picture show. Sudan, Wednesday, March 17—2:30 p. m.—school building. Spring Lake, Wednesday, March 17—2:30 p. m.—Spring Lake school.

BASEBALL FANS TO MEET FRI. AT RITZ THEATRE

Plans Underway For Obtaining Field To Play On

At a meeting of the baseball fans presided over by Dr. Ira E. Woods, held at the Ritz Theatre Friday evening, a committee composed of Dewey Walker, Bill Pass and W. J. Aldridge was appointed to look after the securing of a park on which to play baseball the coming season.

Plans are underway for the obtaining of the field on which soft ball was played last year, which is owned by the Littlefield schools and the Santa Fe railroad.

Those attending Friday night's meeting were: Dr. Woods, Dr. Wm. N. Orr, T. J. Watson, Bill Pass, Sam Taggart, W. H. Madden, Ralph Attaway, Oscar Griffin, L. H. Houston, H. L. Atwood, R. L. Mayfield, Dewey Walker, D. Chapman, W. J. Aldridge, Morley B. Drake, and Malory Etter.

Another meeting is called for Thursday evening at 7:45 to report progress made and for further organization plans.

All fans attend Thursday's meeting.

Mrs. C. B. Spradlin spent from Friday until Wednesday here visiting her husband, who is one of the owners of Spradlin Motor Machine shop.

Beautification Chairman Asks Donations Of Trees For Planting On Highway No. 7

Lubbock Debators Visit Littlefield

Lubbock debators accompanied by their coach, J. W. Reid came to Littlefield Thursday of last week and debated against the Littlefield teams.

Misses Shirley Bass and Evelyn Patty represented Lubbock in the girls division and Misses Alice Lynn Street and Frances Humphries represented Littlefield.

In the boys division Lubbock was represented by J. W. Gamble and Wilson Dickson, while Littlefield was represented by Pat Boone and Wayne Madden.

The question for interscholastic league debate was used. No official decisions were rendered.

Mrs. Bill Gammill and brother, Bob Malone, visited their parents, Mr. and Mrs. G. P. Malone Thursday, Friday and Saturday.

Mrs. J. M. Stokes, chairman of beautification for Littlefield and section, appointed by the State Highway, sometime ago, announced Monday that although there are 200 trees available for planting on Highway No. 7, in this vicinity, this is by no means sufficient, and she urges that anyone having trees to donate to this worthy cause, get in touch with her.

Mrs. Stokes stated that the Highway Department are now planting trees, and will do all the work, maintaining the trees after planting, but that the city or community nearby must furnish the trees.

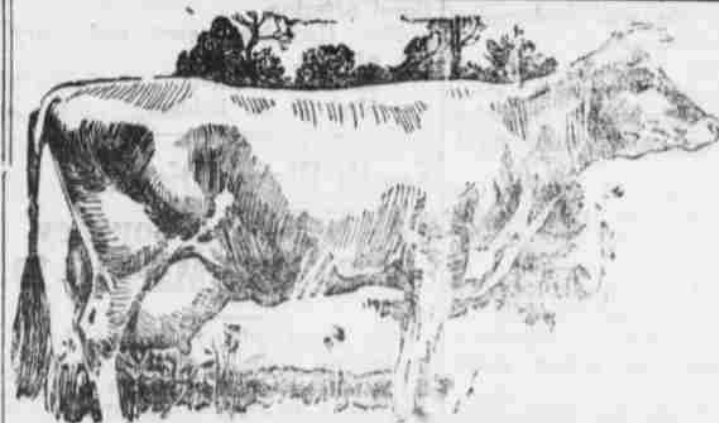

Mrs. Bonner of Olton is County Chairman of beautification.

As there is only a limited time in which the state highway men will plant trees along highway No. 7, all those having trees to donate are urged to do so soon.

SOCIAL SECURITY ACCOUNT NUMBERS SENT MILLION MEN

San Antonio, Mar. 6—Social Security account number cards, now in the hands of approximately one million workers in Texas, Louisiana and New Mexico, should be protected against damage or loss, Oscar M. Powell, regional director of the Social Security Board, said today.

"These cards, which indicate that the worker has established an old-age benefits account, should not be subjected to frequent handling, and it is not necessary for employees to carry their cards with them at all times," Powell declared in response to inquiries from many workers.

"Employees should report their assigned account numbers to their employers as soon as they have received their cards. Immediately thereafter, the card may be put away in a safe place until such time as it is needed.

"Cards reported lost or destroyed will be replaced by the Social Security Board upon application; however, the time required to issue a duplicate card makes the preservation of the original card a matter of interest to the employee."

The Board has rejected suggestions that metallic plates be used in official assignment of account numbers, but employees may, if they so desire, register their account numbers on metal plates or fibrous material, Powell said.

SISTER-IN-LAW OF MRS. HENRY TEETERS DIES THURSDAY LAST

Mrs. Henry Teeters left Thursday for Lubbock on receiving word that her brother's wife, Mrs. J. C. Barnes, formerly of Comanche, Texas, but recently living at Lubbock, had passed away at her home, 602 Avenue S.

Funeral services were conducted at Lubbock at 3 o'clock Friday afternoon at Sanders Funeral Home, Lubbock, and the remains taken by train Friday afternoon to Comanche, Texas, where burial took place that night.

Surviving Mrs. Barnes were her husband, daughter, Mrs. Willie Henderson of DeLeon, Texas, and son, George Barnes of Port Worth.

Mrs. Teeters is expected to return home this week.

Local Scouts To Go To Scout Camp Near Post, Texas

Advance preparation is being made in a number of the Troops of the South Plains Council for a large percentage of their membership to spend a week at Camp Post Boy Scout Camp, near Post, Texas, Marshall Mason, chairman of the camping committee of the council announced.

The dates for the camps have been divided into three periods to begin May 30 and to close June 19. After the regular camps there will be a camp for cubs, and the Jamboree preparation camp.

Troops that have not already received their quota for camp will do so in a few days. According to reports from the local Scoutmasters the quota for Troop 25 is 14 and Troop 26 is 14.

This quota was arrived at by as-

suming that 75 per cent of the scouts in the troop are interested in camping. Taking this number as a basis it was assumed that 75 per cent of this group could attend camp. This is the camp quota for each troop in the council.

The dates that have been assigned to the local Troops are June 13 to June 19. The camp will open on Sunday afternoon and close on Saturday afternoon with a large picnic supper with parents and scouts eating together.

According to Mason a real program of activities for the week have been outlined and that trained leaders in most every phase of the outdoor program will be available and help to make the camp a real enjoyable one for all that attend.

Each scout should start making preparation now and get the preliminary registration fee of \$1.00 turned into his Scoutmaster. The remainder should be paid a week in advance of the opening of camp. A camp honor program is being accepted and will be used in the camps this summer.

B. & P. W. Club Plan For Business Women's Week

At the regular business meeting of the B. & P. W. club Monday evening at the Littlefield National Farm Loan offices, plans were made for Business Women's Week, and a new member, Mrs. Sam Hutson, voted into the club.

Included in next week's program will be a breakfast Sunday morning at the home of Mr. and Mrs. Payne Wood, at which Mrs. Wood will be hostess to the local B. & P. W. members.

In the afternoon the Littlefield club will be guests of the Lubbock group at a tea at the Hilton hotel, when several clubs on the South Plains will be invited.

Monday evening a theatre party

will be enjoyed at the Palace Theatre, when members of the play "Coast to Coast" will be guests of the B. & P. W. club.

Wednesday evening the new class of the Littlefield high school will be guests at a tea given by the B. & P. W. club at the home of Mr. and Mrs. Van Clark.

The club will entertain at a chicken barbecue at the home of Mr. and Mrs. Jake Hopping Friday evening, when husbands of the members and friends will be guests.

Will Rogers' "Dr. Bull" To Be Featured At Palace Saturday

Hilariously typifying the beloved Will Rogers "be-you-self," homespun brand of humor that endeared him to all the world, the American humorist's most natural picture, "Twentieth Century-Fox's "Doctor Bull," will be featured at the Palace Theatre Saturday midnight, Sunday and Monday.

In the role of an old-fashioned New England medico, Will finds the perfect opportunity to be his shrewd, unassuming self, at which time the cowboy philosopher is at his most glorious best.

Perfect foils for the dry Rogers wit surround Doctor Bull, the cast including such favorites as Rochelle Hudson, Marian Nixon, Ralph Morgan and Andy Devine. Directed by John Ford, the story is based on "The Last Adam," a best-selling novel by James Gould Cozzens.

The friendly, wise and dependable sort of family doctor, Doctor Bull has been practicing his tried-and-true old-fashioned medicine for almost two generations in the tiny New England village of New Winton. He has seen babies whom he attended through measles and mumps grow into young men and women with babies of their own, and in the passage of years has developed a mellow, jocular outlook on life.

It's farther between filling stations in the Ford "60"

The 60-horsepower Ford V-8 engine was first developed for Europe, where fuel costs are high. Two years' usage there proved its unusual economy.

When the "60" came to this country this year, the Ford Motor Company made no mileage claims—waited for facts, written on American roads by American drivers.

Now Ford "60" owners are reporting averages of 22 to 27 miles on a gallon of gasoline. That makes it the most economical Ford car ever built!

Best of all, the Ford "60" is just as big and roomy—just as handsome, sturdy and safe—as the famous 85-horsepower Ford V-8. And it sells at the lowest Ford price in years.

Attend State Young People's Council At Dallas Friday

Capt. E. B. Trummell, Mrs. Cecil Zachary and Miss Audrey Watson attended the State Young People's Council, at which 574 Salvation Army delegates were present. The Littlefield group joined a number of delegates at Lubbock, riding a chartered bus to the meeting at Dallas. Leaving Friday they returned Monday.

Friday evening ten candidates, young people who are interested in attending Salvation Training college at Atlanta, Ga. next September, spoke in an oratorical contest "In the Beginning God", Bob Purdon of Houston won first place, and Miss Hazel Bowley of Lubbock, second.

Saturday morning sectional councils were held, that is teachers were instructed on teaching and different leaders of young people's work were instructed in their work.

A parade was held at noon, including 574 delegates, divided into four sections, each section being led by a brass band.

The Salvation Army barracks being too small, services were held in the Scottish Rite Temple.

Saturday afternoon a sermon was delivered by Col. Richard Stretton, Territorial Secretary of Atlanta, Ga., and at night a pageant, "James of Gallilee" was enjoyed, followed by a sermon by Col. Stratton, at the close of which a consecration service took place, when a large number of young people knelt at the altar and consecrated themselves to faithful service.

Sunday afternoon there were cer-

tificates given to a large number of young people, who have completed a course of 6 years study in Salvation Army work, and one girl was awarded the General's Tassel, the highest honor awarded any guard or scout—that is a character building organization in Salvation Army.

Col. Robert Young, Financial Secretary of the 15 South States, delivered a sermon during the afternoon, at the close of which the young people desirous of becoming officers in the Army were given a special address.

INCREASE OF BOY SCOUTS IN SOUTH PLAINS COUNCIL

Lubbock, March 10.—An increase of 63 Boy Scouts in the South Plains council was shown in the month of February to bring the total of 981, according to Earl M. McClure, executive. Two new troops, 9 of Lubbock and 42 of Mount

Blanco, were registered last month.

In the cubbing division 183 cubs were listed, showing an increase of 9 over January 31. There are 311 registered scouts in the district, showing a gain of 12. Total registration, including scouts, cubs, and scouters totals 1479, the largest number the council has had, according to Chas. Whiteface, chairman of the troop organization committee.

New troops to be organized soon will be in Lamesa, Post, Spur, Plainview, Tulia, Amherst, Littlefield, Meadow, Seminole, Hale Center and Lubbock. There are to be 17 new troops, Whitacre said.

Dr. Kenneth E. Oberholzer, head of the cubbing division, has set a goal of 18 packs by December 31. Packs are to be organized in Lubbock, Littlefield, Sudan, Spur, Ralls, Floydada, Plainview and Tulia.

A total of 1,233 scouts and 300 cubs by Dec. 31, the requirement to qualify for the 10-year program awards, is the goal set by V. L. Doughtie, chairman of the program committee.

LITTLEFIELD MAN SUCCUMBS AFTER SHORT ILLNESS

Frank Davis Dies Friday As Result Of Pneumonia

Frank Davis, 63, a resident of Littlefield and section for the past eleven years, passed away at the Littlefield hospital Friday, March 5, at 3:25 p. m., where he was taken Monday previous in a serious condition, suffering from pneumonia.

Funeral services were conducted at the First Baptist church Sunday afternoon at 2:30 o'clock by Rev. James Rayburn, Presbyterian pastor of Slaton, assisted by Bro. J. E. Allen, pastor of the Christian church, Littlefield.

Special music was rendered during the services, and a solo "Lead Kindly Light" by Vernon Eagan.

Services at the grave in the local cemetery were conducted by the Masonic Lodge, in charge of F. O. Boles, deceased being a Mason of long standing. Interment was under the direction of Burleson Funeral Home.

Pallbearers were: Clint Griffin, Art Chesher, Boyd Ray, J. W. B. Hale, H. L. Woody and Lowell Short.

Deceased was born October 2, 1873, at Corry, Pennsylvania, moving to Kansas when a boy. He lived for several years at Oxford, Kans., where he joined the Presbyterian church at the age of 20, and the Masonic Lodge at 21.

He graduated from the School of Pharmacy, Northwestern University, Evanston, Ill., and was employed for sometime in Kansas City as a druggist. He located in Lawton, Oklahoma in 1901, where he owned and operated the Lawton Drug Store for about 15 years. Moving to this section in 1926 he located near Anton, where he lived for some time. For the past three years he and Mrs. Davis made their home with her mother, Mrs. G. W. Bridges, five miles northeast of Littlefield.

Deceased married Miss Sarah Hunter Bridges at Lawton, Oklahoma, October 23, 1912, who survives her husband.

He is also survived by a brother, Owen Davis of Nevada, Mo., three nieces and a nephew.

A niece, Mrs. William Doenges of Tonkawa, Oklahoma, spent a great deal of her life with her aunt and uncle, Mr. and Mrs. Davis, until she was married, and was almost regarded by them as their own child.

Mr. Davis was a member of the Blue Lodge Chapter, Council and Commandery at Lawton, Oklahoma, and of the Shrine at Oklahoma City. He held a life membership in Lawton Blue Lodge granted for distinguished service to Masonry during the World War.

Out of town attendants at the funeral were: Mrs. William Doenges of Tonkawa, Oklahoma; Mrs. A. K. Shannon, Mrs. Tom McGee, Jr., Mrs. A. O. Leon Hart and son, Don, all of Oklahoma City, Oklahoma; Mr. and Mrs. Ferguson Phillips of Iowa Park, Texas; Mrs. J. W. Phillips of Imboden, Ark.; Mr. and Mrs. Henry Fietz and daughter, Nola; Mr. and Mrs. Hugh Allen and Mr. and Mrs. Britt Fietz, all of Levelland, Texas.

Funeral Service Conducted Here Wednesday Afternoon

Alfred Alton Rucker, aged 21, passed away Monday, March 8, at 5:45 p. m., at the Littlefield hospital, as a result of pneumonia, with which he was stricken Tuesday night of last week.

He had suffered from pneumonia on several previous occasions, and became critically ill almost at once. Funeral services were conducted at 2:30 o'clock Wednesday afternoon at the First Baptist church, Littlefield, by Rev. J. D. Rothwell, pastor of the local Church of Christ, LFD Drive.

Interment, in charge of Burleson Funeral Home, took place in the Littlefield cemetery.

Pallbearers were: Alex Kraushaer, Mike Brewer, Max Houk, Marion Houk, Hank Rogers, of Littlefield, and Ray Callahan of Celina, Texas, while the flower bearers were: Mrs. Max Houk, Mrs. Mike Brewer, Mrs. Lucille Teeters, Miss Kathleen Brewer, Miss Marguerite Friday and Miss Orea Garrett.

Deceased was born in Granger county, Tennessee, later moving to Collins county, Texas. Six years ago, with his parents, he located in Littlefield.

He is survived by his parents, Mr. and Mrs. R. E. Rucker, a brother, R. E. Jr., aged 17, two sisters, Alyene, aged 12, and Edith Louise, two months.

Mr. Rucker graduated from the Littlefield high school in 1934, and married Miss Katy Lena Cary October 25, 1936.

Out of town attendants at the funeral were: B. H. Rucker, Arthur Rucker, Mrs. Lena Smith and Ray Callahan, all of Celina, Texas, and F. Rucker of Colbert, Oklahoma, and Mr. and Mrs. L. B. Raper and children of Plainview and Mr. and Mrs. R. H. Warren of Fort Worth.

COUNTY SCHOOLS PETITION AUSTIN FOR BUS AID

To Be Presented To Senator Nelson And Rep. A. B. Tarwater

A petition was prepared by County School Supt. F. O. Boles Monday for execution by officials of school districts in Lamb County, requesting State Senator G. H. Nelson and Rep. A. B. Tarwater, to support, at the present Legislative session at Austin, the administration Equalization Bill, which provides for pupil transportation aid, and which has already been prepared by the State Board of Education, and introduced.

The petition also urges Senator Nelson and Rep. A. B. Tarwater to oppose the bill by Senator Cotton of Denton which proposes to make the State Superintendent appointive by the State Board of Education, this bill is interpreted as destroying the State Superintendent's office, and providing for the appointment of a commissioner of education by the State Board of Education, stated Mr. Boles.

Mr. Boles advised late Wednesday that he had secured 34 signers — representatives of every school district in Lamb county — to the petition, which will be presented to Sen. G. H. Nelson and Rep.

A. B. Tarwater, urging them to support the administration equalization bill, and oppose, in its present form, the Cotton Bill for the reorganization of the State Department of Education.

ABOUT 2 INCHES MOISTURE FALLS OVER TERRITORY

Rains Add Greatly To Crop Prospects Over Plains Section

Soaking rains that settled dust and greatly improved crop conditions in Littlefield and territory, as well as over the Panhandle-Plains

section, fell Friday and Saturday. The moisture began falling Friday morning about 10 o'clock, continuing through that day and Saturday, with the exception of short intervals.

The precipitation in Littlefield and territory falling Friday and Saturday measured 1.65-1.00 inches. Coming early as this rain did, it put the ground in a splendid shape for plowing, and greatly improved prospects for a good crop this year.

A tenth of an inch also fell Wednesday of last week. Many pronounced the rain of last week as the best rain received in early spring for many years by this section.

The fall in southern portions of the Panhandle-Plains section was greater than at points north of Amarillo.

Wheat is said to be in fine condition from Amarillo to Wichita Falls and from Amarillo to Sweetwater. Amarillo reported .51 inch

and Lubbock 1.12 inches; Hereford .80; Plainview .45; while Clovis received 1.21 inches and Tucuman N. M. 1.1-1.4 inches.

According to L. C. Cawthorn, official weather reporter, a total of 2 inches of rain fell in February 1936, but no moisture was received by this section in March.

City Grader At Work On Streets

Work got underway Wednesday morning in the levelling down of the city streets, and the city grader is making the rounds with A. Ratliff in charge.

The city streets become very rough due to the recent rain, but will now be put in a good condition, according to Mayor Pat Boone.

LOCALS TO BE HOSTS PLAYGROUND BALL TOURNAMENT HERE SATURDAY

Dennis, Leach, Hobbs And Miss Montgomery To Be In Charge

Littlefield playground ball teams will be hosts to a number of ball teams in this section in a tournament here Saturday, March 13. Teams representing both grammar and high schools in both boys and girls divisions will attend. The bracket type of tournament will be used and games will be in progress throughout the day. Messrs Dennis, Leach, Hobbs and Miss Montgomery will be in charge of arrangements.

Track Boys Go Into 4th Week Training

As the boys who are trying to make the track team go into their fourth week of training every boy shows some improvement. Junior Burgett seems to be the best bet for the mile run, while Lloyd Neely and Deveril Cecile are a double threat in the javelin throw. Hall Rowe seems to be able to throw the shot further than anyone else out for that event and is not a slouch at throwing the javelin. Earl Carter and Rip Elms are going to be hard to beat in the 100 yard dash. The high jumping event, high hurdles, half mile, the quarter mile and the running broad jump are being worked on steadily. Junior track boys are coming along fine with Elgin Black, Clyde

Lee, and several others showing the seniors how some of the events are to be done. The eliminations will be held about Friday, March 19. This is the last year for some of the boys and the first for others. Whether it is their first or last we wish luck to every one of the boys who are trying to help Littlefield win this year's track meet. The date has not been definitely set for the county meet, but it will be held around the first of April.

Tennis Players In Last Stage Of The Elimination Contest

The tennis players of the Littlefield school are out to win the county in both boys and girls, singles and doubles, junior and senior. Mr. Hemphill has picked the best players and is letting them play it out to see who will represent this school in the county meet. The players are:

- Girls—
- J. Wells.
- E. Weatherly.
- B. Lair.
- G. Robinson.
- S. Houk.
- Junior Boys—
- A. Sullivan.
- J. L. Robbins.
- C. Lee.
- C. Anderson.
- E. Coffman.
- H. Neunschwander.
- Senior Boys—
- J. Burgett.
- T. Mayfield.
- L. Burleson.
- O. Robbins.
- C. G. Clark.
- W. Birkelback.
- S. McCaskill.
- H. W. Bradley.
- J. Wedell.

Grammar School Track Team Are Out To Win

About 20 boys are reporting for practice for the grammar school track team and grammar school is out to win this year. Coach Wimberly says that he does not expect so much out of his high jumpers, but the other schools better watch out in such events as the 100 yard dash, 50 yard dash, the relay, chinning, and broad jump. Verneal Cecile is one of the brightest prospects in the broad jump and all the dashes. The following boys are doing good in the 100 yard dash: Cecile, Zimmerman, McKinsey, and Pierce. The same boys are trying for the 50 yard dash. Those going out for the broad jump are: Cecile, James, Stowers, Collins and Zimmerman. The high jumpers are: Cecile and James. The above boys have been reporting for practice about two weeks; the eliminations will be held in about a week.

An ironing board pad and cover given with two years' subscription—75 cents a year in Lamb and adjoining Counties only.

Motion Pictures Of All-Crop Harvester Will Be Presented

Motion sound pictures presenting the Allis-Chalmers All-Crop Harvester, will be shown at the Palace Theatre at 2:30 p. m. Friday, March 19, under the direction of Jones Hardware, Littlefield, Allis-Chalmers dealers. The program will be entirely free. A special invitation to farmers to attend is extended.

Those who attend also will see pictures of the WC tractor, and other Allis-Chalmers machinery. Factory representatives of Allis-Chalmers, and F. A. Briggs, district representative, will be in attendance.

E. A. Locker Holds Auction Farm Sale Tuesday, March 16

E. A. Locker, whose farm is located two miles southwest of Old Bula, and 20 miles west of Littlefield, will have an auction sale Tuesday, starting at 10:30 a. m. Col. Rowan will cry the sale and Charlie Clark will act as clerk.

Thirteen head of No. 1 Jersey milk cows, all raised on his farm, and in A-1 condition, will be sold, as well as horses, mules, hogs and implements. Free coffee and lunch on grounds.

Sudan School Board Re-Elect Teachers

At a meeting of the Sudan Public School Board recently, presided over by President P. E. Boesen, all teachers were re-elected for another year, including Supt. Biggers, and W. N. Robbitt as principal of the high school.

About sixteen students will attend the affair. They will be accompanied by Misses Mary Perkins, Margaret Cooper and Thelma Kilgough.

MEMBERS OF CO. COMMISSION GO TO AUSTIN WED.

Will Make effort to get Ad Valorem Tax Returned To County

County Judge L. R. Crockett, and Commissioners W. H. Bell, G. M. Vann, Doc Bryant, Paul Lewis and County Engineer Lee Bradshaw left Wednesday morning for Austin on a number of matters of importance to the county.

In an interview with Judge Crockett Tuesday, Mr. Crockett said they would "try to get some of the ad valorem tax refunded to our county," adding that 51 counties in South Texas had been getting this tax reverted back for several years.

Judge Crockett stated as the reason for this effort on the part of the Commission that "we have such a large enrollment under the WPA" that "so many people are in need in this county;" and "that the county is in debt;" and "that the refund of ad valorem taxes at this time would relieve the situation."

Judge Crockett also said they would make an effort to get some of the gasoline tax back to the county. In this connection, he said: "There is now pending before the Legislature a bill to have more of the gasoline tax refunded to the various counties of the state for the purpose of building lateral and farm to market roads."

"While at Austin the commission will also meet with highway officials to ascertain their proposed program for West Texas and for this section, and also endeavor to speed up construction on highway No. 51, and arrange for another project on this highway, as well as to try to get the highway department to furnish more trucks on highway No. 51 for hauling caliche."

This is the first trip that the new commission has made to Austin, and we are going more to get

acquainted and try to get into the various programs. There are being heavy demands made by most of the counties on the various state departments. As the present legislature is now in session, we thought it well to contact our representatives from this section, so that they might better understand our problems and know more of our needs and be better able to represent us. We feel that if we do not go down there and fight for what we feel we should have, we might still be on the outside when other counties are getting the breaks."

LAMB COUNTY FFA MEET AT OLTON

The Lamb County Federation of Future Farmers of America met at Olton Monday night of last week with eighty-six members present. The F. F. A. members from Sudan, Spring Lake, Littlefield, and Olton constitute the Lamb county organization.

The Plainview FFAO officers performed the ceremony for raising Greenhands to Future Farmers. There were forty-four members from

the county raised to this degree. This is the highest degree that is awarded locally. The requirements are: completed one year of vocational agriculture, be able to lead group discussion for ten minutes, saved \$25 or invested same, either secured or applied for one certificate of merit.

The following Olton boys applied and received the Future Farmers degree: Morris Williams, Monroe Graham, Garland Sorley, Redis Whitfield, W. T. Wozencraft, Clovis Poteet, R. B. Poteet, Burner Ragle and Travis Carruth. Five of these boys plan to make application for Lonestar Farmer degrees in June.

JUDGE CROCKETT MAY BUILD MODERN SIX ROOM RESIDENCE SOON

Judge L. R. Crockett is planning on building a six room and bath residence in the Duggan Addition, having purchased the lots recently.

The residence will be a modern stucco structure of Spanish design. Judge Crockett stated Wednesday that he might possibly build in the near future.
