

Area FFA Chapters Making Splash In State Convention

Eleven Lamb County Future Farmers and two from Pep are candidates for the coveted Lone Star Farmer degree when the awards are presented this week at the 35th annual state FFA convention in Lubbock's Municipal auditorium.

A county FFA chapter--Sudan--also will boost its area sweetheart, Dyanne Curry, for the state FFA sweetheart title. Delegates will choose a girl from among 10 candidates representing the 10 areas of the state.

Lone Star Farmer degree candidates are Richard Funk, Richard Kimbrough, Jerry Lancaster and Ken Minyard of Littlefield; Benton Hill and Gary Herrill of Amherst; Donnie Ford and Kenneth Richards of Sudan; Johnny Leonard and Bob Smith of Spade; Vicky Coker of Springlake; and Johnny Albus and Robert Decker of Pep.

A number of delegates will be attending the convention from Lamb County and area schools. Hugh Faver and Edward Dubec are the voting delegates from the Littlefield chapter. F. J. Branham, chapter sponsor, and 5 to 10 other members will probably attend.

Amherst will send Guy Hufstetter, Jr., as voting delegate, with Bobby Cowan, incoming president; Jay Elms, Ben Kellon, Toby Cox and Willie Fowler are also planning to attend along with instructor Raymond Dival.

Larry Wade, Whitharral FFA president, is voting delegate from that chapter, and Pete Polando is alternate. O. L. Harris, vocational ag instructor, will accompany the two boys.

Other FFA sponsors who will attend along with delegates from their chapters include Don Ham of Sudan, Gene Gaston of Springlake and Max Malone of Olton.

The FFA chapters at Littlefield, Sudan, Amherst and Pep have been approved for a Superior or gold rating for outstanding programs of work during the year. The awards are made to chapters carrying out an all-around program and maintaining outstanding activities.

The convention got underway Wednesday and will continue through Friday. More than 3,500 Future Farmers from some 500 chapters throughout the state are expected to attend the three-day session.

The agenda includes election of officers, presentation of top FFA awards, selection of the state sweetheart, a public speaking contest and other activities. The new state president is to be named Friday. Candidate from Area 1 is Mark Harbin of Levelland.

The state sweetheart will also be chosen Friday, and Sudan and Area 1 has high hopes for Miss Curry. She won the area title at Amarillo in May.

About 800 members from the state's 40,000 membership will earn the Lone Star Farmer degrees. Ten area Star Farmers will also be recognized. Richard Bowers of Pampa is the Area 1 Star Farmer.

Howdy!

by Dick Reavis

The year 1963 may be recorded in history as the period of the great demonstrations, the world over. Except maybe behind the Iron Curtain where demonstrating is not an accepted practice; and this is a point to remember in this year 1963.

That one-eyed reporter, the TV screen, has been mobbed all year long with scenes of weary policemen swinging sticks at sign-carrying marchers. The pictures have a certain grim sameness, and none of them are pleasant or pretty.

Demonstrations are an activity of democracies. They have happened this year in Britain, all through Latin America, in Africa, Japan and especially in these United States. The world is troubled, more so than usual for peacetime.

There really is no quick complete answer to the demonstrators, no matter how persistently they insist on it. For the most part, progress is being made, honest progress in many areas. Enough that precipitate action to force it can stand a steady second look.

Specifically, President Kennedy's proposal to force integration of businesses who buy supplies in interstate commerce--which means every business--is extreme to the point of developing a greater evil than it might cure.

In point of fact, the President possibly has already traded away this particular amendment to his anti-prejudice bill. But it never should have been proposed at the beginning.

This would be aimed at restaurants, hotels and theatres largely. It would, in effect, remove their right to pick and choose their clientele, and this is a precept of democracy as strong as the declaration that all persons have equal rights.

These come generally under the heading of private services. The selection of a meal, or dining place, is not quite the same business as riding a train or bus. If a proprietor chooses to pick his customers from a particular group, this is a time-honored prerogative. It has been abused in barring Negroes from about every dining place in the South, and many, many in the north, but the wrong that the racial use of this prerogative does will not be cured by another wrong.

A lot of businesses are private. To pull the thin cover of interstate trading over all of them is to establish, in effect...

Two escapees from the Lamb County jail surrendered late Monday night to U.S. Customs officials in Laredo, reportedly too tired and hungry to keep running.

The pair--Joe Travino, 23, and Jose Hernandez, Jr., 19, escaped from jail here June 20, using a unique method to gain their temporary freedom. They stripped, greased themselves with hair dressing and squeezed through small openings in bars covering an outside window.

Lamb County Deputy Leonard White left Tuesday to pick up the two Littlefield fugitives. He was due to return with his prisoners Wednesday night.

A news report said the pair told officers they first went to El Paso from Littlefield and then to Mexico. They were unable to find work and turned themselves in at Laredo.

The two men were awaiting trial on strong-armed robbery charges here.

Tennis Meet Deadline Is Set Monday

The deadline for entering the second annual Lamb County Tennis Tournament is next Monday at 5 p.m., and Charley Farley, tourney director for the sponsoring area relations committee of the Littlefield Chamber of Commerce, urges area youngsters and adults to sign up this week.

Anyone living in Lamb County or within the Anton, Whitharral, Pep or Bula school districts is eligible to enter the tourney. There will be seven divisions in the tourney and 16 classifications for players to enter.

Action in the meet will be held July 29-Aug. 3 with all games being played on the Crescent Park and First Baptist tennis courts. Best 2-of-3 sets will be played and players must furnish their own tennis balls.

Entry fees are \$1.50 for singles and \$2 for doubles, except in the grade school division where fees are \$1 and \$1.50. Entries should be turned in at the C of C office or mailed to reach the office no later than 5 p.m. Monday. Address is Tennis Tourney, Box 507, Littlefield.

Divisions in the tourney include: grade school, high school, men's, women's, mixed doubles, men's novice, and veterans. Boys and girls can enter singles or doubles in the school groups. The novice division is for beginners, and the vets group is for those 35 years of age or older.

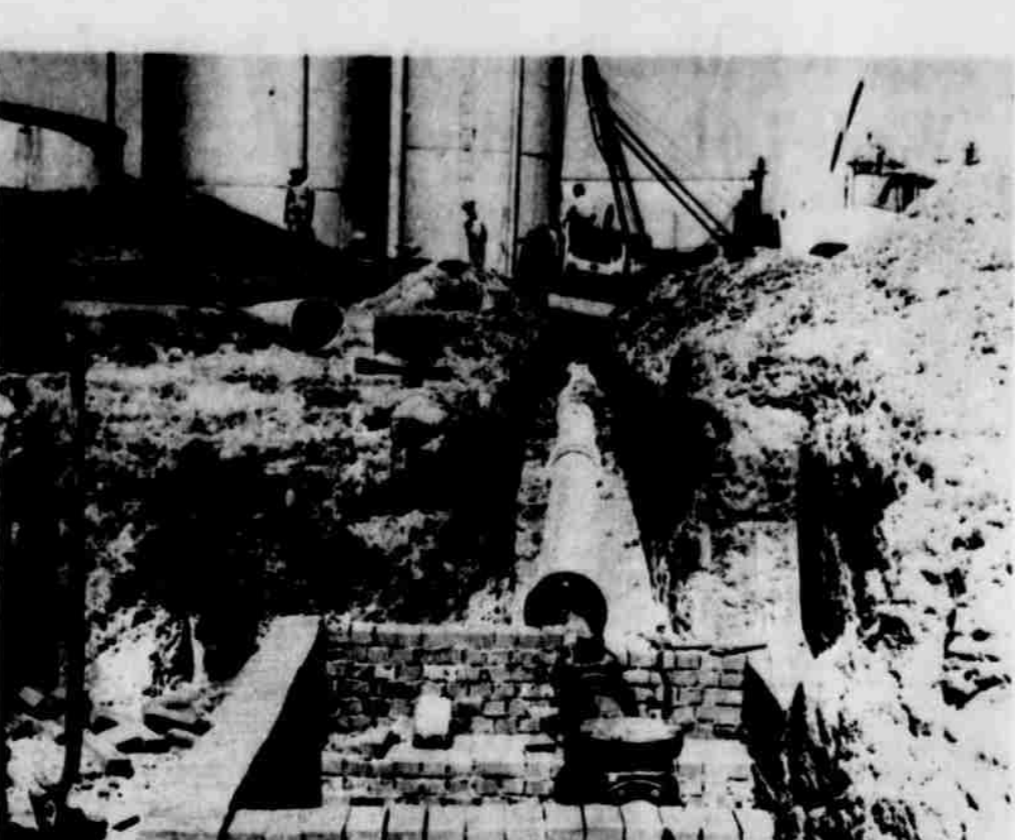

Trophies will be awarded first and second-place winners in all singles and doubles events.

Council Meets Thursday Night

Littlefield City Council will hold a regular meeting Thursday night at City Hall with Mayor Pro-tem Paul McCormick presiding.

Items on the agenda include an authorization for the mayor to sign an agreement with Santa Fe Railway for an easement on the Lubbock water tapping station, authorization for city manager to invest in sinking funds, hear group representing VFW Auxiliary regarding city maintenance of cemetery, monthly reports and bills.

The council meet is set for 7 p.m. in the council room.

TAPPING LUBBOCK WATER LINE--The Littlefield Water Department crew has been busy this week tapping a Lubbock water line and tying it into the city's overhead storage system for emergency use. The photo shows the pump station in the foreground and the cement-asbestos pipe extending to the city's reservoir. The project was due to be completed Wednesday afternoon with the possibility of drawing additional water today.

City Election Set At Olton

Olton voters will select a new councilman Tuesday to complete the unexpired term of G. H. Buheneau who resigned about a month ago. The term expires in April, 1964.

Two newcomers to politics will seek the post--Robert Dennis, native resident and a carpenter; and Douglas Jones, farmer and resident for several years.

Polls will be open at the fire station from 8 a.m. to 7 p.m.

Olton recently got a new mayor following an election contest: suit in district court. Bill Thomas won the contest, reversing a one-vote decision scored by Gene Wilson in the April election.

Residents are hoping controversial city politics will run a smooth course following a decision of the mayor's race and the election of the new councilman.

Cotton Crop Prospects 'Looking Up' In County

Prospects are looking up of Lamb County's 1963 cotton crop, according to most agricultural observers, and even after soaking rains during June, some farmers are hoping for a couple inches of rain on late-planted cotton.

Most farmers in the county have plenty of sub-soil moisture, but the late-planted cotton is sitting on top of a hard crust and can't get to the moisture. Many agree that some rain would help immensely on this cotton.

Other cotton crops damaged by the weather, some of them receiving too much rain, and beginning to "perk up" with the advent of hot temperatures. If the area doesn't get an early freeze, the late cotton should make good.

Lamar Aten, county ASCS office manager, reports his office is about 60 percent complete on its first round of measuring cotton acreage. He indicated this week that more farmers replanted their cotton than at first was estimated.

Many cotton crops were hailed out around Olton in mid-June, and it seems the majority of these have replanted their cotton. Some farmers have planted other crops--such as soybeans, black-eyed peas and pinto beans--but the number is

FB Queen Contest Underway In County

The search for Lamb County's Farm Bureau Queen of 1963 is now underway, with entries being accepted at the county FB office.

The contest is open to girls 16-22 (16 by Sept. 1, 1963 and no older than 22 on same date). The candidates must be single and a daughter or sister of a Farm Bureau member actively engaged in agricultural production.

Deadline for entering the annual contest is Aug. 5. The contest is to be held this year in the Springlake High School Auditorium at 8 p.m. on Aug. 9. Candidates are asked to submit a picture with their application forms.

Girls in the queen contest are to be judged on grace, poise, charm, vivaciousness, and all the other qualities that to make up winsome Texas

Operators who have conservation reserve contracts that will expire Dec. 31, 1963, may begin tillage operations on these tracts of land at any time, according to Aten. This was effective July 1.

For those whose contracts remain in effect, the Conservation Reserve Contract requires the farm operator to comply with all farm allotments including wheat. This means the wheat allotment for the farm or 15 acres, which ever is larger.

3 Accidents Are Listed

Two city accidents and one rural mishap were recorded this week.

The rural accident occurred Monday at 9:15 a.m. 5 miles east of Springlake on US-385 and the intersection of a county road. Cars driven by Donald R. Watson of Springlake and Malcolm G. Baker of Houston collided but no injuries were reported.

THP officer Bill Angel reported that the Watson vehicle pulled onto the highway and in the path of the Baker vehicle. Damage was estimated at \$250 to Watson's car and \$400 to the other vehicle.

A minor accident occurred at Tronson Road and Westside Ave. Tuesday at 4:42 p.m. Involved were cars driven by Isabel Royal and Bryan D. Armour, both of Littlefield. Damages were estimated at \$60 and \$35 to the two cars.

The other city mishap occurred Monday at 1:55 p.m. when a truck driven by James De Rutledge backed into a parked vehicle owned by Betty Jean Bell. The accident was on XIT Dr. near 5th St. No damage estimate was given.

City police logged a theft complaint Sunday from Elton Hawk of 101 S. Westside. He reported that a blue and white 21-inch rotary type lawnmower was taken from the side of his house.

The sheriff's office listed the arrest of David Jenkins, 33, and Ronald Jenkins, 17, on violation of the check law. David Jenkins paid fine and costs of \$59.50 in JP Court.

Deputies arrested two drunks and the highway patrol ticked one for driving with license suspended.

READY TO TAP LUBBOCK LINE

Extra Water Due For City

The city was scheduled to complete a tap on the Lubbock water line Wednesday, a move that will give citizens 50 percent more water in their municipal water system.

The project, it has been emphasized, is not a "cure-all" for the city, but a temporary measure to provide more water this summer. When the plan was adopted, Mayor Bill Armistead termed it "good, inexpensive insurance."

Local water users have been drawing around 3 million gallons per day out of taps with the advent of hot weather. "People are using every drop we can pump," City Mgr. J. W. Harrison reported this week.

Users are "rationed" in a manner, since water pressure is cut back as the supply dwindles. This point has been occurring early in the day for the past few weeks.

Although much more water will be provided, the pressure problem won't be solved--the city has too far pump some water and not enough overhead storage. The water pressure will be stronger, but the flow may still be noted in the south and west parts of town--points farthest from overhead storage tanks.

The agreement with Lubbock calls for the city to use a maximum of 750,000 gallons a day. Littlefield officials must also call Lubbock before drawing from that city's line, Lubbock can, of course, cut off the city at any time. Lubbock also asked the city, if at all possible, not to plan on using the water next year.

The Lubbock line passes through Littlefield at a point just across the road from the city pump station and overhead storage on Houston Ave. The tap and tie in was being made this week and was scheduled for completion Wednesday afternoon.

Cost of tying into the Lubbock line was estimated at \$2,373. Littlefield is expected to draw water from the line today, if needed.

The city council is continuing to study the threefold water problem of supply, storage and distribution. A water engineer is presently making a comprehensive study of the availability of water in the city's water

Bids On 20 Units Called For Aug. 20

Twenty low-rent housing units for Olton, being built under a federal program, will be completed in about a year's time, under a schedule outlined this week in a call for bids.

Bids for the 20 units have been called for Aug. 20 at the chamber of commerce in Olton.

The Housing Authority is organized under the City of Olton, and has been in development for three years. It will be built through federal support and will be administered by the Housing Authority of the City of Olton, with Melvin McReynolds as executive director.

A federal appropriation of \$276,000 has been set up for the project. This will include its development work, sites, recreational areas, service buildings and the dwelling units.

The building contract alone is expected to run around \$200,000.

The housing project will be built on three sites, all of them in the southeast part of Olton. All will be duplex apartments, with eight units each on two sites and four units on the third site. All will be brick construction.

Four of the apartments will have one bedroom each; four will have two bedrooms, and eight will have three bedrooms. Each unit will be furnished with kitchen range and refrigerator.

In addition, the contract calls for a management and maintenance building, shelter and service buildings, a recreation area, site improvements, walks, utilities and landscaping.

The low-rent units will be

News of Women

Welfare Head Expects Work

Hard work, the need for compassion and a huge sense of responsibility faces Mrs. Norman Frey as she takes over the duties of the county welfare office the last week in July.

Mrs. Frey, who has served as the executive secretary of the Red Cross for over a year, begins her welfare obligations effective July 22. She was appointed following the resignation of Mrs. Lyle Brandon, who is moving to California.

"Welfare work will be more difficult, but much more challenging than the Red Cross," Mrs. Frey commented.

She is not new in the welfare field. She became Mrs. Brandon's assistant in 1958, and worked with her until 1961 when she took over the Red Cross office.

"When I began working with Mrs. Brandon she had three jobs: the county welfare, Red Cross, and the county service (veterans of the county)," Mrs. Frey recalled.

In a change which occurred in 1961, Mrs. Frey was given the Red Cross duties and Mrs. Brandon continued to serve as the county welfare officer and the county service officer.

"The county is trying to make a change in the structure of both departments. They may give the service duties to the new Red Cross secretary, which will make my job simpler," the new officer stated.

Mrs. Frey was born in Knox County and attended high school in Goree. Following her graduation in 1935 she became manager of the telephone agency in Truscott.

She married in 1940 and in 1942 she and her husband moved to Spade, where they are living now. They have three children, Mrs. Eugene Nomicos of Greece; Don of Waco, and Mike, a sophomore in Littlefield High School.

"I really hadn't thought of working until Mrs. Brandon called me and asked if I wanted to work in the welfare office," Mrs. Frey said.

She took the job, not thinking of the future possibilities which might open for her.

"I hope I will be able to handle the job. There is a lot of work to it; people can get so up-

COUNTY WELFARE OFFICER—Mrs. Norman Frey has been named as Lamb county welfare officer effective August 1. Mrs. Frey is the former executive secretary of the county red cross office. She began working for the Red Cross in 1961, and was the assistant to Mrs. Lyle Brandon, welfare agent, for three years before then.

set with you if you decide against their commodities or something just as serious," stated Mrs. Frey.

One of the biggest jobs Mrs. Frey will meet is the hospitalization of indigent persons.

"We pay only 60 percent of the hospital bill for a person who needs care. We often send them to Galveston because the room charge is lower than it is around here," Mrs. Frey continued.

Aside from the hospital problems, Mrs. Frey will be faced with the more than 800 persons receiving welfare commodities.

"We open the old VFW hall four days a month for the people to pick up their monthly

allowances. We have 800 persons on the rolls now, but in the winter that number will go up," she said.

But Mrs. Frey is prepared for the hard work which obviously lies ahead.

"Welfare work is so rewarding. I've always liked welfare work better than the Red Cross duties. I guess there are more people to see and help in the welfare office," Mrs. Frey stated.

Shirley Mae Shawn, Weds Larry Digby

Olton—Mr. and Mrs. Larry Gene Digby are at home in Olton after a wedding trip to Roswell and Ruidoso, New Mexico. The wedding was solemnized in the home of the bride's mother, Mrs. Gene Ball in Olton on June 30. Rev. Paul Birch officiated for the double ring ceremony.

Parents of the groom are Mr. and Mrs. Troy Digby of Olton. For her wedding the former Miss Shirley Mae Shawn, chose a gown of white peau de soie. Her bouquet was of white gardenias and pink rosebuds. Adding a touch of sentiment to her attire, the bride's great-grandmother's gold wedding band was tied in her bouquet.

Matron of honor was Mrs. David Carlisle of Olton. She wore a street length frock of pink and carried a bouquet of white camellias and pink rosebuds.

Billy Winn of Olton served the groom as best man. For her daughter's wedding, Mrs. Ball chose a pink and beige printed silk dress. Mrs. Digby chose a pink dress.

A reception was held in the home of the bride following the ceremony. The serving table was laid with a mint green cloth.

The white wedding cake was decorated with pink rose buds and had the traditional miniature bride and groom on the top. A frozen ring of sweetpeas floating in the crystal punch bowl served as the floral centerpiece.

For the wedding trip to Roswell and Ruidoso, the bride chose a white and green jersey dress with white accessories. Mrs. Digby attended Olton High. Her husband is a 1962 graduate and is employed by Cashway Food, Olton.

Out-of-town guests were Mr. and Mrs. J. C. Rutherford and Denise of Lubbock; Mrs. Vera Bruton, also of Lubbock and Mrs. Etna Presley of Shawnee, Oklahoma.

Lavoy Nell Berry-Loman D. Jones Vows Exchanged in Olton Rites

Lavoy Nell Berry, daughter of Mr. and Mrs. H. L. Berry of Brownfield, became the bride of Loman Doyle Jones, son of Mrs. Ely Jones, also of Brownfield, Thursday afternoon, June 27, in the home of Mr. and Mrs. S. K. Flatt near Muleshoe.

The double ring ceremony was read by Frank Poyner of Portales, N. M.

A candlebra decorated with palms, white ribbons, and streamers formed an arch before the brick fireplace. Baskets of white gladioli, feathered carnations and palms flanked the arch.

The bride's niece, Irene Flatt, accompanied another niece, Carolyn Thompson, who sang "Because", during the candle lighting, and "The Cloths of Heaven" as a solo.

Escorted and given in mar-

riage by her father, the bride wore a white, street-length dress of silk organza over taffeta.

The fitted bodice had three quarter length sleeves which were slightly shirred at the elbow. The bodice and front panel of the skirt were strewn with white embroidered floral motifs. The pleated skirt fell to a point below the waistline in the back. The headpiece was a cluster of silk organza leaves topped by a silk illusion veil falling almost to the shoulders.

Her bouquet of white orchids and feathered carnations with white streamers was tied in love knots.

Miss Renay Berry, of Olton, attended her aunt's maid of honor. She wore a peach pink dress with tucked bodice enhanced with white lace. The dress was designed with a scoop neck and gathered skirt. The pianist and soloist wore dresses of the same design but in mint green.

Rheta Berry, the bride's niece of Olton, was the flower girl. She wore a pale gold dress with gold lace ruffles. All attendants wore white carnation corsages.

Collin Flatt, the bride's nephew of Muleshoe, and Lester Thompson, a nephew of Levelland, served as the candlelighters.

Coy Jones of Brownfield, served his brother as best man. Mrs. Berry chose for her daughter's wedding a turquoise linen dress. The groom's mother chose a navy blue cotton dress.

Following the ceremony a reception was held in the Flatt home. The serving table was laid with an ecru lace cloth over pink. The flower arrangement consisted of white gladioli and lilies. It was complimented by crystal candleholders and tall pink candles.

The white-tiered wedding cake was decorated with pink roses and topped with the traditional bride and groom.

For a wedding trip to Red River, N. M., the bride selected a light blue embroidered sheath with white accessories. She wore a corsage of orchids.

The bride is a graduate of Texas Tech College, Lubbock. She has been employed by KSEL in Lubbock and taught in the Brownfield public schools for several years.

The groom graduated from San Angelo College, attended the University of Texas, and graduated from West Texas State College, Canyon.

The groom taught school a year and was employed by the Brownfield News for a year and a half. He is now News Editor of the Olton Enterprise.

The couple are making their home at 1204 Main Street in Olton.

IN 'HANDS' FEATURE--John Richey, owner and operator of Richey's, Inc., is featured in today's "Whose Hands Are These?" picture. He came here from Houston in 1948 and also established a business in Earth.

Richey Was Naval Officer In War

The hands on Page 1 of today's Leader belong to John Richey, owner and operator of Richey's, Inc., in Littlefield and Earth Tire & Supply Co.

Richey is distributor for Shamrock petroleum products and his one-stop farm supply center also includes a Goodyear store, specializing in tires, tools, batteries and auto parts. Richey came to Littlefield to open the local business in 1948, just two years after he came home from World War II. He was a lieutenant-commander in the Naval Air Corps when discharged. Richey was in the wholesale auto parts business in Houston before moving here. He first bought a smaller business, converted it to the Shamrock distributorship, then later bought the Goodyear store and combined the operation. He established the Earth business in 1957 and it is operated by Dudley Chesney.

A native of Sabin, John graduated from high school there and then went to Abilene Christian College. Upon graduation from ACC in 1943, Richey entered the Naval Air Corps. His original assignment was

Furr's Plan Giant Giveaway 'Bonanza'

A \$116,700 prize total awaits customers of Furr's Super Markets during their "Blue Ribbon Bonanza" celebration, announced Roy Furr, president of the large Southwest grocery chain.

"There will be eight weekly drawings in each Furr store," Furr pointed out. "And in each case there will always be ten prize winners from each of our 65 outlets. No purchase is required; we want folks to come in and sign up every day."

Considering that it is not a national drawing, prizes hit what is perhaps a peak in this market. They will include eight Lincoln Continentals, eight color television sets, eighty portable televisions, eight sides of beef, 8 Hydrolyns sixteen-foot boats with trailers and sixty-five horsepower motors, one hundred and sixty men's and ladies' wrist watches, eight hundred portable radios, and over two million free Frontier trading stamps.

"Our purpose," explained Furr, "is to quickly acquaint people with our new Farm Pac Blue Ribbon Beef. This beef

is purchased and processed in our own plant and is from heavy grain-fed stock which has been aged under the most exacting controls. Each and every cut carries an unconditional money-back guarantee."

The Blue Ribbon Bonanza promotion from Furr's breaks Thursday in local newspapers, and will be further exploited on radio and television. Weekly winners will be announced in subsequent weeks' newspaper ads as well as a complete posting list in each Furr's Super Market.

Pioneer Olton Farmer Dies

Funeral services for George Taylor Gallaway, 86, pioneer Olton farmer, were held Tuesday at 10 a.m. in the First Methodist Church at Olton.

Mr. Gallaway died Sunday night in Lubbock Methodist Hospital following a two-month illness. The Rev. Cecil Hardaway, the Rev. Wilbur Gaede of Amarillo, and the Rev. John E. Lewis officiated the services. Burial was in Littlefield Memorial Park under direction of Parsons Funeral Home.

Mr. Gallaway was a retired farmer and had lived in Olton for 64 years. He was a native of Leonardis, Mich.

Survivors include his wife, Clois; three sons, Cecil, Charles and Wilbur all of Olton; one daughter, Mrs. R. E. Womack of Midland; 10 grandchildren and one great-grandchild.

Pallbearers were Wilbur Schreier, Art Nafziger, Frank Daugherty, Jim Williams, Paul Burris and Tom McGill.

C. L. Grace Speaks at State Meet

Rev. C. L. Grace of Littlefield, Texas state evangelist, returned Tuesday from the state convention of the Church of God in Dallas and Plano.

Rev. Grace spoke every night at the convention on the evangelistic work in the state and the nation. The convention convened Saturday, July 8, and adjourned Sunday, July 14.

Rev. Grace is the pastor in Brownfield and Levelland, and will begin services in Levelland Sunday, July 21.

Mrs. Grace, who accompanied her husband to the state-wide convention, is the president of missions in Levelland in addition to being the Bible teacher.

Douglas Owen Given Graduate Fellowship

Douglas F. Owen, son of Mr. and Mrs. C. M. Owen, Olton, and graduate of Olton high school, has been awarded a \$2,500 graduate fellowship at Oklahoma State University, Stillwater, Oklahoma.

He is a graduate student, working for the Ph.D. degree. His doctoral study concerns cotton bacterial blight. Donor of the fellowship is the Foundation for Cotton Research and Education of the National Cotton Council, Memphis, Tennessee.

Owen graduated from Texas Tech at Lubbock in 1951. He entered graduate school at Oklahoma State in September, 1959, and received the M. S. degree in 1961. During those two years he conducted research into the genetics of glandless cotton.

He and Mrs. Owen and their three children live at 10-F Grande, Veterans Village, Stillwater.

Big and tough Sputnick Monroe is expected to have his hands full Saturday night at Littlefield Sports Arena when he meets a wrestling giant from Canada.

Monroe's foe will be Big Moose Cholak, a veteran of the ring who weighs 355 pounds and handles himself well despite his mammoth size. Cholak has wrestled over the U. S. but this is only his second appearance in Texas and first in Littlefield.

The pair will meet in the first main event, a best 2-3 falls with a one-hour time limit. Ricky Romero meets Dick Dunn in the

Western Auto Opening Today

A grand opening sale to introduce the enlarged and modernized Western Auto store in Littlefield opens today at its downtown location.

The store was purchased recently by John Polone of Big Spring, who has restocked it completely and offers 14,000 home and auto items through the store.

The re-stocking job for Western Auto has required a dozen giant trailers of merchandise over the past several weeks. Almost completely new and extensive display counters and merchandise racks have been installed, with special accessible displays.

"We have tried to make this the most complete auto supply store in the area, and the most convenient and pleasant one for shopping."

"Along with this we have in-

top main event, a 2-of-3 fall match with an hour's limit.

Saturday's opening event at 8:45 p.m. sees Tokyo Tom and Roy McClarity clashing in a one-fall, 20 minute limit match.

Tokyo Tom and Romero were both disqualified in the last fall last week for fighting outside the ring. Each had captured a fall prior to the extracurricular activities.

Big Billy Romanoff won over popular Chief Wahoo in the first main event, and Dick Dunn defeated Thresh Phillips in the opener.

JOHN POLONE

stalled Western's merchandise in depth, from a small auto part to major appliances, television, refrigerators and stereo. And, especially, the best-selling Western Flyer bicycle, leader wherever it is sold.

As special sales event features, Western Auto is giving away an \$89.95 stereo set, with multiple speakers, and has a number of other special items to be given away on special numbers in the store.

Shoppers will receive a num-

bered ticket on entering store, and will receive one from the several hundred are numbered, if its name corresponds with theirs.

Western Auto is a new 4,000 dealer-owned auto stores, as is Polone's, one of the 50 states. A number company-owned stores complete the company's sales net.

Stores participate in buying and the company most of its items specially for it, for assured quality lowest price.

Henry Ford was in charge beginning in 1907. The Ford put out his cars with such luxuries as widehead tops, bumpers and headlamps.

A young Kansas City keeper named George Peppine, earning just \$15 a week decided that people might like these items and set up a mail order system. He specialized auto owners, and he received an order for a car and shipped the merchandise using his kitchen table as a merchandise handling center.

Within the year, his sales \$12,000. Peppine quit his job and started in earnest auto supply chain that grew to its present size, keeping pace with growth of the industry.

BONANZA

10 WINNERS IN EVERY FURR'S SUPER MARKET EACH WEEK

STARTS NOW - EVERY WEEK FOR 8 BIG WEEKS

Each week 10 names will be drawn from the Bonanza Ticket Hopper in each FURR'S Super Market. These names will be posted on a board in your store. The first two (2) names drawn will be entered in the weekly Grand Prize drawing and will automatically win anything from a transistor radio to a classic Lincoln Continental automobile. The other 8 winners from each store will be awarded 500 Frontier Trading Stamps. But remember to register every week . . . each week is a separate drawing. Register as often as you like, but be sure you register every week: A list of Grand Prize winners will be posted in each FURR'S Super Market and will be published in FURR'S weekly newspaper ad. Nothing to buy — you do not have to be present to win. Employees of FURR'S, Inc., and their families are not eligible.

Baseball To Climax Soon

The baseball season in Littlefield is fast drawing to its conclusion, with representatives of the three local youth leagues scheduled to enter district and area tournaments Friday and next week.

The Little League All-Stars, coached by Joe Ledbetter and Bobby Short, travel to Plainview tomorrow for their first game in the area tourney. Amherst meets the Plainview American team tonight, and Littlefield takes on the winner at 8 p.m. Friday. The locals drew a first-round bye when Anton withdrew.

There are no playoffs on the local scene for the major Little League teams. Minor league teams start playoffs tomorrow night.

Coaches A. W. Hedges and L. J. Walker will take their Pony All-Stars to Hereford Monday for a 4 p.m. contest with Childress in a first-round district battle. The team has a practice game with the Southern All-Stars at Lubbock tonight, and may play practice tilts Friday and Saturday against Lubbock teams. One game may be played here.

The Colt All-Stars get into action Wednesday at Lubbock. Coaches Sherrod Fielden and Kenneth Williams are guiding this diamond crew. The district tourney there starts Wednesday and continues through Friday, and Saturday if necessary.

On the local front, Amherst won the first half of play in Pony action, and Security State was the champ in Colt competition. Playoffs between the first and second-half winners may or may not be played at a later date.

Roden Drug took over first place in the Colt loop Monday night with a 11-3 victory over Security State, while Bula lost a 3-1 decision to Amherst Tuesday night. Roden, Bula and S. State had been in a three-way tie with 4-2 marks.

Dairy Queen captured a dou-

bleheader from Roden and Radio-TV Lab Tuesday night in Pony action to take temporary possession of first place. Amherst also won over Ware-Keeling Tuesday, giving them a 5-2 mark as compared with Dairy Queen's 6-2 record.

No playoff is planned in Little League, but Littlefield Butane and the Jaycees will clash for the championship in a game tentatively rescheduled for Monday. The two teams are leading the league with identical 10-4 records.

The top four teams in the minor division of Little League start a playoff tourney Friday, and the scramble for the top division has been a dilly.

Union Compress leads the pack with a 10-4 mark, while Ward Pump is 8-5 and Littlefield Press 8-5-5. VFW, with an 8-6 mark, and Security State at 7-6 are vying for the fourth position.

OLTON NEWS

Francine Struve, daughter of Mr. and Mrs. Frank Struve, returned home Sunday from Hale Center, where she visited a cousin, Patsy Struve.

Lubbock Auto Captures Title

The Lubbock Automen swept through the double elimination District 19 American Legion baseball tourney here last week to cop the championship with an unblemished 4-0 mark.

The Automen downed Brownfield 9-8 Saturday night to nail down the title. A single game was played Saturday night, but a victory by Brownfield would have necessitated a second contest.

Brownfield, an underdog team, was the surprise of the tourney. The overworked crew captured two games in extra-inning battles and pushed the Automen all the way before bowing out.

Their spunky play earned them five players on the all-tournament team which was named Saturday night. Brownfield had right-hand pitcher Amalio Garcia, catcher Archie Jennings, first baseman Teddy Howell and outfielders Gary Nunn and Stanley Ritter on the mythical crew.

Lubbock Auto landed three positions plus the utility infielder--southpaw pitcher Dorian Clawson, second baseman Eddie Stiles and outfielder Don Coleman, and utility man John Barnett.

Rounding out the all-star crew were Plainview third baseman

Billy Carthel and Lamesa shortstop Charles Burleson.

Lubbock jumped to a 4-0 lead in the first frame Saturday night and held an 8-3 advantage after four innings. Brownfield rallied for three runs in the fifth on a walk, hit batsman and a booming triple by Teddy Howell, hero of Brownfield's two extra-inning triumphs.

The score was cut to 8-7 in the sixth when Stan Ritter doubled following a walk to Ronnie Davis. Brownfield appeared it might pull another upset in the bottom of the seventh.

After two were away, Jennings and Nunn singled and Brownfield had runners on second and third. However, reliever John Barnett fired a rife past Davis to end the game. Lubbock had been stopped in the last three frames by Brownfield reliever Amalio Garcia. He had pitched 3 innings Thursday night and was eligible for just 5 frames Saturday.

Brownfield outlit the Automen 9-5, but five errors hurt the losers. Two errors, two walks and three singles gave Lubbock a 4-0 cushion in the first inning.

The victory moves the Automen into the bi-district playoffs against the winner of the Amarillo district.

 fect, federal licensing of business. And this we can do without except in those cases where licensing is required to provide safe, proper products or service for the people who depend on these businesses.

The federal government has, within its sphere, set up many requirements. Its home financing programs rule out areas that specify racial segregation. It is on solid ground with its employment requirements for federal contract work, for the military services and civil service. And in the schools that are operated with public money.

But not when it can come in and say that because you buy pepper sauce made in Louisiana you cannot select your customers, this is a heavy foot placed on the private operation of business.

I once was segregated, just outside the State Fair grounds in Dallas, while seeking a place to have breakfast. This area has gone into Negro occupation the past several years, and a Negro cafe operator firmly informed me that his place did not feed Anglo customers. I ate a sandwich on the fair grounds, without writing to Washington about being barred.

It is incumbent on the operators of service places to care for everyone, as the Lubbock restaurant people have done. But it remains their right, even when abused, to control who uses their services. The fact is that economics will take care of customer selection, if any selection is necessary.

The President knows this, and just may be playing politics with this part of his civil rights program. The action-minded administration is bound to make its share of mistakes, and this is one of them, and one that should be laid to rest with emphasis.

 made available to persons with low incomes, and the rental amount will vary according to the tenant's income and number of dependents. The four one-bedroom units are designated for senior-age residents.

Applications for rental of the units will not be taken until near opening date for the project, McReynolds said.

R. L. Parsons is chairman of the housing authority of commissioners, charged with administering the housing program. McReynolds will be manager on a parttime basis, along with his chamber of commerce duties.

Minimum salaries and wages as set out in federal contracts will apply to work on the project, the call for bids specifies. Contract allows 240 working days for completion.

Pleasant Valley 4-H Girl Tops In Cotton Production

Sherril Turner, member of the Pleasant Valley 4-H Club, was first place winner in the irrigated division of the 1962 District 2 Cotton Production Contest.

Miss Turner attended the district awards program held Friday, July 12 at the Plains Co-op

five acres produced a total of 6556 lbs. of lint cotton or an average of 289 lbs. of lint per acre.

Sherril's cotton land was broken Feb. 10 and 10 tons of manure were applied and 40 lbs. of nitrogen per acre was also applied.

The land was listed and irrigated April 15. Beds were knifed April 25 and on May 1, 39 pounds of acid delinted Gregg cottonseed was planted per acre. In May the cotton was knifed, and hoed and cultivated in June. The cotton was irrigated July 10, cultivated and irrigated again Aug. 10. A cotton stripper was used to harvest the cotton in November.

In the dryland division, Bill Black of Sudan was 5th place winner. Bill's five acres of half and half cotton produced 1479 lbs. of lint. Bill was accompanied by his father, H. M. Black and brother, Alan to the program and luncheon.
