

# County Sheriff's Posse Gaining Outstanding Recognition

## Showing In Test Well

Flowing oil is reported at the test well which is being drilled by the Humble Oil and Refining company, southeast of Littlefield. The well is located on the Jim Hobgood farm, eight miles northwest of town. Flowing is reported to have been at around 5500 feet. This well is blocked off and drilling continued. The contract depth of the well is approximately 11,000 feet.

(Continued on Back Page)

The Lamb County Sheriff's Posse participated in the Pioneer Day celebration at Clovis Friday, June 2.

Twenty-one riders took part in the parade, and the local organization received an outstanding welcome and much commendation.

Officials of the Pioneer Day celebration said that undoubtedly the Lamb county group would have taken second place if prizes had

been awarded. Five range rider groups participated in the parade.

**First Public Appearance**  
This was the first public appearance of the recently organized Lamb County Sheriff's Posse. The party was headed by L. C. Campbell president; and Buck Ross, parade marshal, had his baptism in parade direction.

The Lamb county group also participated in the grand entry at

the Curry County Mounted Patrol roping arena.

**Extended Rodeo Invitations**  
The Lamb County Sheriff's Posse has extended an invitation to a number of riding groups to participate in the parade Thursday evening, June 15, opening the Littlefield Jaycee rodeo.

Among the groups invited are the following:

Curry County Mounted Patrol at Clovis, the Post Sheriff's Posse, the Lubbock Sheriff's Posse, the Hereford Riders, and the Hale County Sheriff's Posse.

The Lamb County Sheriff's Posse has been invited to Lubbock for June 21, to participate in the opening parade of the annual three-day rodeo sponsored by the ABC club.

of the grand entry the Lubbock County Sheriff's Posse will be host to a number of rider groups from West Texas and eastern New Mexico at a barbecue at McKenzie State Park. Buses will be available to carry everybody to the park.

The Lamb County Sheriff's Posse has been invited to Post for August 5 to participate in a celebration between the parade and the time in that city.

# Parade And Queen Contest Tonight Begins Jaycee Rodeo Activities

## BOOSTER TRIPS Friday, Saturday To Aid Rodeo

DAY EDITION OFFICIAL NEWSPAPER OF LAMB COUNTY

# LAMB COUNTY LEADER

LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, JUNE 8, 1950 NUMBER 30

## BOOSTER TRIPS Friday, Saturday To Aid Rodeo

Rodeo activities get underway this week with a parade and queen judging contest tonight (Thursday) and booster trips on Friday and Saturday followed by a real jamboree on Phelps Ave. Saturday night.

Gene Williams, president of the Roping Club, reported today that the number of entrants for the queen contest has increased considerably in the past few days and he expects the choice of a queen will be a difficult one.

About \$100 in prizes will be given by local merchants to the girl that shows the best horsemanship in the contest that begins at 8:30 p.m. at the Jaycee rodeo arena.

Prizes are also in store for two youngsters chosen 'Cowboy' and 'Cowgirl.' Parents are urged to bring the youngsters to the arena and enter them in the contest.

**Roping Contest**  
A roping contest between the Lamb County Sheriff's Posse and the Littlefield Roping Club is on the schedule for this evening's activities at the arena. A jack pot roping contest open to all comers will be held also.

The contest at the arena will be preceded by a parade down Phelps avenue beginning at the court house at 6:30 p. m. Both the Roping Club and Sheriff's Posse will take part in the parade and an invitation has been extended by the Jaycees and Roping Club to any one who cares to take part to join in the procession.

**Boosters of the Littlefield rodeo will tell 18 South Plains communities on Friday and Saturday just why Littlefield is going to have the biggest and best rodeo ever staged.**

The Junior Chamber of Commerce has lined up a large number of cars and boosters for the trips but still hope to find more.

**Need More Cars**  
"Skipper" Smith expressed the hope yesterday that every business establishment will supply at least one car for the trip. The transportation will be needed to carry the students going along to help promote the rodeo.

Friday's trip will begin at 7:30 a. m. in front of the First National Bank. Merchants are urged to have their cars there with rodeo posters or other advertising on them.

After leaving Littlefield the caravan will make stops in Dimmitt, Hereford, Friona, Farwell, and will broadcast over radio station in Clovis, N. M. at noon. They will then move on to Portales, N. M., Morton, Levelland, Lubbock and back to Littlefield in the evening.

The Saturday trip will begin at 8 a. m. proceeding to Amberst, Sudan, Muleshoe, Earth, Springlake, Olton, Plainview, Hale Center and back to Littlefield.

On the return to Littlefield about 5:30 p. m. the Jaycees plan a real jamboree on Phelps avenue. Any man found on the streets, without some article of western clothing runs the risk of being dunked in a water tank.

The Jaycees plan to let the defendants plead their case over Radio, Station KVOV but if the alibi doesn't sound good to the "Judge Roy Bean" court it will be a dunking for the culprit.

The jamboree will be a gala occasion with music and singing to the accompaniment of the screams of the unfortunate ones who hit the cold water of the dunking tank.

"Everyone is getting into the rodeo spirit," according to "Skipper" Smith, "and there is no doubt in my mind that the fifth annual Jaycee rodeo will break all records in attendance and in thrills."

## Dr. Armistead and Pat Mann Attend Convention In Amarillo

Dr. B. W. Armistead, new Chamber of Commerce president, and manager Pat Mann attended the Texas Chamber of Commerce Managers convention held in Amarillo Sunday, Monday and Tuesday.

Dr. Armistead was forced to return to Littlefield after the Tuesday sessions because of business but Mann remained for the complete convention.

Theme of the convention was "Let's Start At Home."

Dr. Armistead stated that he was especially interested by a report from the delegation from Wichita Falls who had just completed a

sanitation program similar to the one now in progress in Littlefield.

The keynote address was given by Hobert M. Harrison, general manager of the East Texas Chamber of Commerce. The topic of his address was "Let's Do It Ourselves" in which he discussed the completion of civic improvements in the home town.

Highlights of the convention were talks by John Wamble, president of the Texas Chamber of Commerce Managers association, and Arthur G. Hopkins, president of Mrs. Tucker's Foods, Inc. of Sherman, who spoke on "What Does Industry Expect of A Community."

## Rev. M. L. Boyd Will Preach Here Sunday

The Rev. M. L. Boyd, district superintendent of the Methodist church from Plainview, will preach in the local Methodist church at 8 p. m. Sunday, June 11.

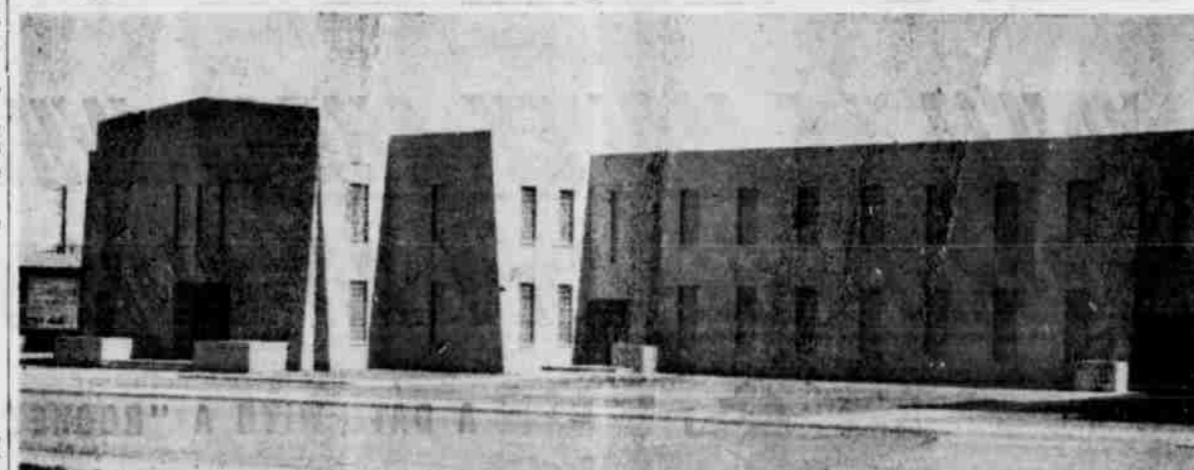

The meeting will be open to all who wish to hear Rev. Boyd's sermon.

## TERRY STONE SUSTAINS BROKEN ARM IN PLAY

Terry Stone, son of Mr. and Mrs. L. B. Stone, broke his right arm Friday last when playing airplane game with his brother, Leland Maxwell. Terry is going about with his arm in a cast.

His many friends are hoping for a fast recovery of the broken arm.

## Open House To Be Held By First Baptist Church

NOW COMPLETED is this fine new First Baptist Educational building made of attractive white brick and representing one of the most modern structures in Littlefield. Built at the total cost of \$160,000 it was planned and built with foresight and understriding of future needs.

Open house in the new First Baptist educational building will be held Sunday afternoon from 2 until 5 with the public welcome to inspect the fine structure.

Completion of the new First Baptist church gives Littlefield an attractive and modern building which is a credit to the city. Facing east Fifth street, the white brick structure proves that a building can be both modern and stately at the same time.

One of the most striking features of the new building is the absence of conventional windows. In their place are permanent glass brick windows. This innovation makes the building almost completely dust-proof.

Upon entering the building through the main entrance you enter a spacious, well-lighted assembly room. It is in this room that Sunday evening services will be held and after the old church has been torn down the Sunday morning services will also be held there.

There will be no permanent seats in this room. The seats will be easily cleared away to make room for other uses.

**Large Dining Room**  
For dinners and other social occasions a large dining room is available which will seat 300 and a church parlor which will provide enough space for a banquet of about 100 people.

The Parkview Baptist church located at Fifth street and Wirth was begun by the First Baptist Church as the Westside Baptist Chapel. Its pastor is the Rev. E. R. Ingram.

accessible to a completely modern kitchen. In the kitchen there is a large double oven stove, a double sink, and an abundance of cabinet space.

For the convenience of the church ladies who will prepare the meals there is an automatic dish washer and garbage disposal unit. The kitchen is supplied with soft water.

The new structure will supply adequate space for all departments of the church.

Assembly Rooms  
There are four assembly rooms (Continued on Back Page)

## Swimming Pool

The city swimming pool dedicated today and it was the pool could be opened Friday or Saturday.

**Operating machine** from being used to remove the walls and floor a regular coat of cement cover the pool.

Brodie Hutchinson will manage the pool during the summer.

## Run Candidate For

Ernest Jones, now serving as superintendent of schools, presents his formal statement to the voters of Lamb County.

Mr. and Mrs. M. V. Exum Have Out Of Town Guest

Mrs. I. B. Mullenix of Barstow, Calif., arrived Tuesday to visit her sister and brother-in-law, Mr. and Mrs. M. V. Exum.

Mr. and Mrs. Exum accompanied Mrs. Mullenix to Tulla Sunday to visit her daughter and son-in-law, Mr. and Mrs. Elvin Bailey, and there they celebrated the birthday of her nine year old daughter, Sharon Bailey.

Mrs. Mullenix will go from Tulla to Lawton, Okla., where she will visit her mother, Mrs. R. E. Skinner, and from there will return to her home in California.

Mr. and Mrs. Exum returned home to Littlefield Sunday night.

"I wish to take this opportunity to thank the good people of Lamb county for your splendid support and co-operation and friendships in the past. I especially thank all Superintendents, Principals, District Board Members, and County Board Members for their untiring efforts, and complete co-operation at all times. It has indeed been a (Continued on Back Page)

**Census Completed In Few Towns Reports Supervisor L.D. Whiteley**  
L. D. Whiteley, district supervisor of the bureau of the census in Lubbock, reported yesterday that several communities have been completed by enumerators. According to Whiteley, Olton has

## Mrs. Wiseman Makes Statement

Mrs. Anne Louise Wiseman, who recently announced as a candidate for the office of County Superintendent of schools, makes the following formal statement to the voters of Lamb County:

"The following information is submitted for your consideration in the July 22nd Primary:

"I have been a resident of Lamb County since 1918. I have been identified with our Lamb County schools for eighteen years, and consequently am deeply interested in your children's educational welfare.

"I am qualified by training and experience to serve you efficiently in the office which I seek.

"My teaching experience has embraced both the small county schools and the larger city systems of Waco and San Antonio prior to becoming a resident of Lamb county.

"I am in recent touch with modern educational methods and trends. I was a student in the University of Texas in the summer sessions of 1943 and 1944. In 1945 I enrolled in the University of

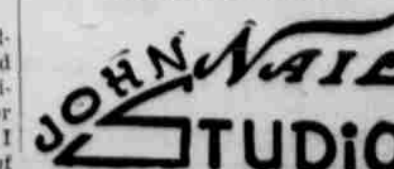

MRS. ANNE LOUISE WISEMAN.

California at Los Angeles for courses in modern elementary methods. I graduated with the February, 1948 class of Texas Tech, receiving a Bachelor of Science degree in education.

# Maytag Takes First Place In City League

## Little League For Little Fellows

It's a long, patient wait for the catcher—Bucky Craig, Hammon, scores in the second inning while Jerry Miller, Pensacola, waits for the ball, which seems to have taken a long flight. This action took place in the game between Hammon, N. J., and Pensacola, Fla., last year at Williamsport, Pa., for the boy's baseball championship of America—the final in the World Series sponsored by the Little League.

### CITY LEAGUE STANDINGS

	P	W	L
Maytag	7	6	1
Anton	7	5	2
Cal Harvey	7	4	3
VFW	6	4	2
WOW	7	3	4
Guy Brown	7	3	4
Sudan	6	1	5
Oil Mill	7	1	6

### Anton And Sudan Tied For First In Capitol League

Anton tied up the Capitol League race last Sunday by defeating the first place Sudan team by a score of 13-7.

Both teams now have won five and lost one. The losses have been to each other, Sudan dropping Anton two weeks ago by a 2-1 score.

Pep dropped Springlake on Sunday by 10-8 behind the pitching of Bill Ed McDaniels to gain second place position behind the two leaders.

Pep now four wins and three losses in Capitol League play. Amherst knocked out 16 hits to defeat Needmore 17-3. Weaver of Amherst allowed only 6 well spaced hits while striking out 11 batters.

Moore pitching for Needmore struck out 6 of the batters that faced him.

Games scheduled for Sunday, June 11 will see Anton vs Pep, Needmore vs Olton, Springlake vs Sudan, and Earth vs Amherst.

ers from last year, and ten new players working hard, are really getting ready to go to town.

They played the colored boys Wednesday night in a practice game, starting at 5 o'clock.

**Vernon Hofacket Manager**  
Vernon Hofacket is manager of the white boys, with Pat Patterson as coach.

James O'Neill is manager and coach of the colored team, and is developing some good players.

**7 Lettermen From Last Year.**  
The lettermen from last year on the white team are: Steve Brock, Joe Black, M. C. Northam, Glen Bob Barnett, and R. L. Rhoads.

### Black Aces Dump Floydada By 13-8 To Avenge Defeat

Littlefield's Black Aces sank the Floydada nine by a score of 13-8 at the county fairgrounds diamond Sunday to avenge a 12-7 defeat last Sunday.

Fonder Crayton, Ace manager, took the mound to stop the Floydada crew, striking out the 14 batters and allowing only two hits. Floydada runs came on errors in Aces fielding.

Floydada capitalized on the errors in the first inning to push two runs across. That was the last time they were to lead as the Aces scored four times in the second and never let go of the lead for the rest of the game.

Crayton's airtight pitching was backed by the hard hitting of his team's mates led by B. C. Carroll who collected a homer and two doubles.

The win gave the Aces a total of seven wins, three losses, and one tie.

Next Sunday's game will see the Aces tying into the Lubbock team.

### White Boys Play Colored Team

The American Legion Junior Baseball team, with seven old play-

### Amherst Juniors Will Contest Local Legion Boys Here Today

The American Legion Junior Baseball boys will meet the Amherst boys here, to-day, for a contest on the local diamond.

Vernon Hofacket is manager of the local boys, with Pat Patterson as a coach.

Ray Blessing is manager of the Amherst team, has all the players back from last year, and really has a group of go-getters.

This will be the first time the boys will all be suited out in uniforms.

Maytag moved to first place in the City Softball League Tuesday night dropping Sudan 10-2.

Maytag's 10 runs came on 12 hits backed by tight pitching and fielding that allowed Sudan only 4 hits.

In the second game of that night V. F. W. and WOW engaged in a slugger's duel which ran five innings. V. F. W. came out on the long end of a 20-9 score.

	R	H	E
Maytag	10	12	2
Sudan	4	4	2
V. F. W.	20	20	0
WOW	9	10	0

Oil Mill bounced into the win column for the first time by defeating Guy Brown 13-2 Monday night. They capitalized on four Guy Brown errors and nine hits to gain the victory. Oil Mill now has six losses against one win.

Anton defeated third place Cal Harvey 14-11 in the second game of the evening.

	R	H	E
Anton	14	14	0
Cal Harvey	11	12	0
Oil Mill	13	9	1
Guy Brown	2	1	4

In the two games Friday night V. F. W. downed Guy Brown 6-3 and Cal Harvey sank WOW 11-5.

	R	H	E
Cal Harvey	11	3	2
WOW	5	3	4
V. F. W.	6	6	4
Guy Brown	3	3	1

Sudan and Oil Mill got involved in a slug fest Thursday night that ended with a score resembling that of a football game.

The final score was 25-22 in favor of Sudan.

Maytag obtained 17 runs in the other Thursday night game that went five innings. Anton went down before the heavy hitting 17-4.

	R	H	E
Sudan	25	25	1

### Junk Car Races Produce Thrills As Three Cars Pile Up Sunday

Those attending the Junk Car Races at the Littlefield Speedway last Sunday were given a full dose of thrilling races.

Most thrilling race of the day was the Consolation race. Roy Nixon was the only driver to finish as the others piled up on the west end of the track in a three car collision.

There were no personal injuries sustained but the Junk cars came out looking like their name implies.

'Wild' Bill Stewart of Hereford had some difficulty in turning over a car as a special event earlier in the afternoon but at the conclusion of the main event he rolled his car and came up smiling.

YOU'LL SEE PLENTY OF THIS at the Littlefield Jaycee Rodeo, which will open next Thursday and continue for three days. There will be three night performances.

### Leaders in Church Expansion Programs

Rev. Lee Hemphill, pastor of the first Baptist church, under whose leadership the construction of the new educational building was made possible.

Rev. E. R. Ingram who has been appointed first pastor of the Parkview Baptist Church.

### Sow Fast Growing Annuals Now for Summer Flowers

Left: Mix small seed with sand to spread them evenly. Right: Sift porous soil to cover seeds.

Most annual flowers can be sown direct in the garden, and will produce flowers in a few weeks. When sown where they are to stay the season through, they mature in a shorter time than plants which have been started earlier under protection, then moved to the garden.

Since the hazards of outdoor life are greater, special care should be taken in sowing seed direct. The soil should be prepared to a depth of at least four inches, and plant food raked into the surface or spaced under, at the minimum rate of four pounds to 100 square feet.

Mix fine seed with sand to make it easy to spread, broadcast it over the area to be covered, then sift fine porous soil to cover it lightly. Mark the place where seed has been sown, and keep the top soil moist until the seed has germinated and the infant plants begin to grow vigorously.

Thin out excess plants and move them to other locations. Seeds large enough to handle can be placed precisely where plants are wanted, but at least three seeds should be sown for each plant desired, to insure spare ones to replace those that fail to grow, or meet disaster.

Quick germinating and fast growing varieties which will germinate in five days (in warm weather) and flower in thirty to forty include: Zinnias, ageratum, alyssum, candytuft, centaureas, clarkia, cynoglossura, annual sunflowers, morning glories, annual pinks, leptosyne, linaria, marigolds, poppies.

There is no reason to confine your sowing to the quickest germinating subjects. All annuals can be sown at this time and will bear flowers by mid-July. They grow much faster in warm weather and their flowers are finest in the last half of the season, usually improving until frost arrives.

### Miss Davidson and Robert Kennedy Wed

Before an altar decorated with baskets of orange blossoms and fern, Miss Thelma Davidson, daughter of Mr. and Mrs. T. H. Davidson, formerly of Sudan, and Robert Moffatt Kennedy, Jr., son of Mr. and Mrs. B. M. Kennedy of Newberry, S. C., were married at 10 o'clock Thursday morning.

A double ring ceremony took place in the sanctuary of Hereford First Methodist church with Rev. Rollo Davidson of Memphis, brother of the bride, performing the rites.

Rev. Don Davidson, also a brother of the bride, and pastor of the Hereford church, gave the benediction.

Mr. and Mrs. L. B. Owen of Canadian were the attendants. Members of the immediate families were guests.

The bride, a former teacher in the Lubbock Public schools, taught in Pampa for the last four years. She took her bachelor of arts degree from Texas Technological College and her master of arts degree from Peabody college, Nashville, Tenn. Mr. Kennedy is dean of men in Erskine college, Due West, S. C. The couple are now at home in Due West.

### Earth Eastern Star Chapter Install Officers Friday

Officers for the ensuing year of the Earth Eastern Star Chapter were installed Friday night, as follows:

Worthy Matron, Mrs. Sam Cearley; Worthy Patron, Sam Cearley; Associate Worthy Matron, Mrs. Lorraine Alonzo; Homer Hodge, Associate Worthy Patron; Mrs. Virginia Whitford, Conductress; Mrs. Zou Wilson Associate Conductress; Mrs. Gladys Lang, Secretary; Mrs. Anne Hodge, Treasurer; Dale Scott, Chaplain; Mrs. Opal Davis, Marshall; Mrs. Gladys Parish, Organist; Mrs. Pauline Huff, Ada; Mrs. Gayle Littleton, Ruth; Mrs. Ruby Anderson, Esther; Mrs. Jewell Neal, Martha; Mrs. Beth Kelley, Electra; Mrs. Edna Robnett, Warner and Mrs. LuJuana O'Hair, Sentinel; and organist, Mrs. Gladys Parish.

Mrs. Cearley's theme for the year will be Friendship and Service.

The hall was beautifully decorated in gold and white.

Mrs. Elsie Hawkins, outgoing Worthy Matron, was presented with a red carnation for each year of service in the Star.

Installing officers were: Mrs. Gladys Laing, District Deputy Matron of Section 3; Mrs. Lorraine Littleton, Installing Marshall; and Mrs. Eula Kelley, Installing Secretary; Mrs. Vada English, Installing Treasurer; and Mrs. Helen Kelley, Installing Chaplain.

The Rainbow Girls of Earth presented Mrs. Cearley with a gavel, and gracefully did a march in her honor.

Dust beans with D. D. T. to save them from leaf hoppers.

### Act Before Harm is Done To Kill Garden Insects

Never were there more effective pesticides available to home gardeners than now, but none can prevent damage to your garden unless applied before the damage is done.

Insect invasions seldom take us by surprise. Most insects are specialists, feeding on one type of vegetation. Beginners can learn from their gardening neighbors what pests to expect and when they usually appear in their locality.

If vulnerable plants are covered with a layer of protective dust, or spray, in advance of the invasion, then damage will be prevented. If your staff work is not good enough for such complete protection, then prepare yourself to act the minute the first scouts of an invading army are detected. Do not wait until aphids begin to multiply or leaf hoppers have sapped the vigor of your bean plants, before applying protective measures.

For most garden insects, D. D. T. and rotenone continue to be reliable insecticides. What one fails to kill, the other will eliminate. They can be used singly or mixed

together, in the form of dust or spray. Think of D. D. T. as poisonous, though less so than arsenic or nicotine, and carefully wash all vegetables on which it has been used, before using. Since in most kitchens it is the rule to wash all vegetables, whether from the home garden or from the market, this involves no extra work. Rotenone is non-poisonous to animals, but deadly to aphids and other insects that resist D. D. T.

These same insecticides will serve in the flower garden for controlling most insects. They are effective whether applied as a spray or dust. Since dusts are instantly available in an emergency, and dusters relatively inexpensive, many amateurs prefer this form for use on vegetable and flowers. Excellent all-purpose mixtures which combine contact insecticides, systemic poisons and fungicides are obtainable and can be used to give protection against either disease or insect attack without the need of making a diagnosis to determine just what is the cause of damage.

Heavy mulch is better for tomatoes than cultivation.

### Garden Mulch Kills Weeds And Keeps the Soil Moist

Mulching the soil around growing plants is a substitute for cultivation when a plant is growing in rows. This has long been used by gardeners, and various materials have been tried for covering the ground, to prevent weeds growing and shade the surface.

Paper mulch, and even stones and slabs of concrete have been experimented with. But tests by the Ohio State Experiment Station, emphasizing the importance of soil aeration, indicate that the best mulching materials allow free circulation of air through, to the top eight inches of soil.

Mulches of fresh organic material, such as manure, straw, alfalfa, peat moss, lawn clippings and others, stabilize the granular structure of soils and prevent surface compaction, says an Ohio report. In testing various mulching materials, it was found that when seeds of Chewings' fescue grass were sown between plant rows, it produced the same effect as a good manure mulch, at considerably less expense.

Sown at the rate of 3 pounds to 100 square feet, this grass makes a thick growth, the report says.

Chewings' fescue is used because it withstands shade cast by the plants. Toward fall the grass dies out. Crop production is said to be as good as when any other mulching material is used, and the cost less.

This suggests that home gardeners can sow grass seed between rows of flowers and vegetables and instead of cultivating, use a lawnmower. Rye grass is suggested for garden use rather than a fescue. Waste lumber is used by some gardeners, to shade the ground between rows. By laying down boards when planting the garden, and walking on them rather than the soil, the ground is kept loose, and by shifting the boards between rows, weeds can be killed without hoeing.

Excellent results can be obtained from a heavy mulch of dry lawn clippings, applied a little at a time. The first application should be well mixed with the top soil; and then it may be built up to several inches in thickness, so that weeds are kept down and evaporation checked, but at the same time rains are allowed to penetrate the soil. Tomatoes especially like a mulch of this kind.

## Wade Honored In Special Reunion At Methodist Church

program planned for us. When Mrs. Wade is absent we know she is ill or out of town. At every choir practice, at every league service, at every committee meeting, Mrs. Wade is right there. We always know we can depend upon her faithfulness. Every summer for our Bible school, who is the first one there every morning and the last one to leave? Who is the director behind it all? Why, of course, the answer is Mrs. Wade!

"She gives the children of the Methodist church more time, more love, more thought, more hours of real service and work than any other person we know."

And then, every child, every teacher, and every parent decided that they would like to express their love and appreciation for you. Everyone wanted to take part—from the youngest in the nursery to the oldest grandmother (who had probably received flowers from the children's department).

"So we decided that on the very first Sunday you were back home we would honor you."

"You've had Easter programs, Christmas programs, Mother's Day programs, Father's Day programs and Promotion programs. So here's a Ruth Wade program! It is our way of saying, 'We love you,' and may life's richest blessings follow you always in the sunny pathway of children's smiles."

**Mrs. Nail Sings**  
Mrs. John Nail sang, the song dedicated to Mrs. Wade, accompanied at the piano by Mrs. Wayne Brown.

Chip Payne and Doyle Montgomery presented Mrs. Wade with a beautiful gift, a silver tray, from the children, the teachers, parents and friends of the Children's Department of the Methodist church, and every child and adult present walked by and placed a rose bud on the tray in front of Mrs. Wade as a symbol of their love.

Jess Elms, superintendent of the entire Sunday school, made a talk of appreciation for Mrs. Wade, remarking that when he first came to Littlefield "Ruth Courtney" (Wade) was then a child in the beginner's department of the Sunday school. He expressed appreciation to Mrs. Wade for their faithfulness and service to the Sunday school and church.

## Attend Family Reunion At Amarillo

Mrs. Audine Geay and Mrs. Jim Clements of Muleshoe were in Amarillo over the week end attending a family reunion held in honor of Mrs. J. D. Humphreys. Mrs. Humphreys is the former Miss Izora Hat-

ley, of Olton, Texas. She is a model for the Rose Marie Reid Co. swim suits originals, of Los Angeles, Calif. Mrs. Humphreys has been on a 6-weeks tour modeling in the Southwest.

Mrs. Geay and Mrs. Humphreys are old school chums and worked together at the Dalhart Army Air-

Base during the war.

There were about 50 people attending the reunion. A very nice time was enjoyed by all. Mrs. Humphreys' husband flew in to Amarillo from Los Angeles Saturday morning to be at the reunion. Mr. Humphreys is employed by the Northrop Aircraft Company, of California.

## Engagement of Miss Yeary and Jas. W. Feagley Announced

MISS BILLIE JEAN YEARY

Mr. and Mrs. W. O. Yeary of Littlefield are announcing the engagement and approaching marriage of their daughter, Billie Jean to James W. Feagley, son of Mr. and Mrs. J. W. Feagley of near Amherst.

The ceremony is scheduled to take place Sunday, June 25, at 2:30 p. m. at the home of the bride-elect's parents, 501 East 15th St., with Bro Harold A. Collard, Church of Christ minister, officiating.

**Employed by Piggly-Wiggly**  
The bride-elect is a graduate of Littlefield High school with the class of 1948. She was employed at Perry Bros. after school hours, and during vacation time while attending high school, and for about a year following her graduation. She has since been employed by Piggly-Wiggly Grocery & Market for about a year.

The groom-elect is a graduate of Amherst High school, and is carrying on farming operations 15 miles north of Littlefield. Following their marriage they will make their home in Littlefield.

## Darla Vene Walker and La Von Hukill Wed

Miss Darla Vene Walker, daughter of Mr. and Mrs. Carl Walker, of Littlefield, and La Von Hukill, son of Mr. and Mrs. C. E. Hukill of Fieldton, were married Thursday, June 1, at 8 o'clock in the evening at the First Baptist Church parsonage at Fieldton.

**Wears Navy Blue**  
The bride wore a navy blue crepe dress with white accessories, and a corsage of white carnations.

**Sister Is Maid of Honor**  
She was attended by her sister, Miss LaVey Walker, who wore a light blue waffle pique dress with white accessories, and a corsage of white carnations.

**Majorette in Band**  
Charles Mills of Spade Served as best man.

The bride was a sophomore in Littlefield High School, a majorette in the band, and on the Skat paper staff.

The groom was a graduate of the 1949 class of the local high school, a member of the Court of Honor, and connected with the Tenna club.

**Farming at Fieldton**  
He is farming his own land at Fieldton, where he plans on building a new residence, and where the couple will make their home.

Immediately following the ceremony the couple left on a two weeks' wedding trip to Nebraska. For traveling the bride wore a dress of blue and gray stripe crepe, with white accessories.

Mr. and Mrs. W. G. Street returned last week from visiting their daughter and son-in-law, Mr. and Mrs. Don Berger at Bartlesville, Oklahoma, and were accompanied home for a week's visit by Mrs. Berger.

## Church Women Enjoy Luncheon At Noon Monday

The Women's Auxiliary of the First Presbyterian church met Monday at 12 o'clock for luncheon at the church.

Mrs. Don Hayes gave the devotional.

Hostesses for the luncheon and meeting were; Mesdames Hector McKay, Fred Underwood, Gus Shaw and Warren Rutledge.

Present, besides the hostesses were;

Mesdames E. A. Bills, Carter McKemy, Ira Woods, Manell Hall, Jimmie Brittain, J. D. Hagler, Oscar Wilemon, Anne Louise Wiseman, Alice Douglass Greer, J. B. McShann, and Miss Erna Douglass.

Mrs. J. H. McRee, who has been suffering from violent headaches for years, has gone to the Spears Sanitarium, Denver for observation, a diagnosis of her case, and treatment.

## Engagement of Miss Harms and Maxwell Announced at Tea

MISS HARMES

and approaching Miss Helen Holtzner Sager, daughter of Mr. and Mrs. George J. and Dale Maxwell, and Jack Maxwell announced at tea at the home of George Glenn, 500 Hefield.

The bride-elect, Lillie Harms, daughter of Mr. and Mrs. George J. and Dale Maxwell, and Jack Maxwell announced at tea at the home of George Glenn, 500 Hefield.

Miss Harms is a graduate of Anton High school with the class of 1946. She attended Draughan's Business College, Lubbock, and has been assistant secretary treasurer of the Littlefield National Farm Loan Association since July last. Previous to becoming connected with the local Farm Loan Association, Miss Harms was employed two and a half years with Cheaney Insurance Agency, Lubbock.

Miss Harms is a member of the American Lutheran church; is Tex. District G. F. O. Promoter for the church; is Federation state treasurer, and treasurer of Littlefield League. She was also secretary of the Exchange Club, a social group, while employed in Lubbock.

Mr. Maxwell attended schools in Austin and San Antonio. He spent 2 1/2 years in the Pacific theater during the war, and is now engaged in farming ten miles southwest of Sudan near Bula, Texas.

Miss Ann Thaggard, bride-elect of Buster Owens, Jr., was complimented at a lovely bridal tea and shower at the home of Mr. and Mrs. Dan Berg, 114 15th street, Littlefield, Sunday from 4 to 6 p. m.

## Miss Thaggard Is Complimented At Lovely Bridal Tea and Shower

Miss Ann Thaggard, bride-elect of Buster Owens, Jr., was complimented at a lovely bridal tea and shower at the home of Mr. and Mrs. Dan Berg, 114 15th street, Littlefield, Sunday from 4 to 6 p. m.

Hostesses for the occasion were; Mrs. Berg, and Mesdames Fred Wright, Truman Jones, Clint Griffin, Willis Giddens, J. R. Coen, Paul Pharris, Belle Dow, J. T. Elms, Van Clark, W. C. Thaxton, H. R. Ferguson, Carl Arnold, R. A. Brotherton, and Joe T. Hutchinson.

In the receiving line were Mrs. Buster Owens, Buster, Jr., and Miss Thaggard.

The bride's table was laid in white pineapple linen. A beautiful arrangement of White Tapers and yellow Gladioli formed the centerpiece.

Mrs. Brotherton poured frosted punch from a cut glass bowl, while Mrs. Giddens served sandwiches and small individual angel food squares.

Mrs. Hutchinson presided at the register.

About 70 guests attended.

The honoree was the recipient of a large array of beautiful gifts, including silverware, china, crystalware, linens, ect.

The wedding of Miss Thaggard and Buster Owens, Jr. is scheduled to take place at Altus, Okla., at the First Methodist church of that city, Thursday, June 15, at 7:30 p. m.

## MR. AND MRS. W. E. (BILL) TREGOE

Miss Linda Matthews and W. E. (Bill) Tregoe exchanged wedding vows Thursday morning, June 1, at 8 o'clock in a beautiful candlelight ceremony at the First Methodist Church, with Rev. Lee Hemphill, pastor of the First Baptist Church, reading the double ring ceremony before an archway of white Gardenias flanked by Gardenia trees and candleabra.

The bride is the daughter of Mr. and Mrs. T. L. Matthews of Littlefield, while the groom is the son of Mr. and Mrs. Guy S. Tregoe of Uppercoo, Md.

**Wears White Slipper Satin**  
Given in marriage by her father the bride wore a gown of white slipper satin with jewel neckline, deep yoke of bridal net, outlined with a quilted leaf design and long sleeves which tapered over her hands. The dress which buttoned down the back with small self-cover buttons, was fashioned with a full gathered skirt falling in a chapel length train. The finger tip nylon net bridal veil fell from a head dress fashioned of satin and pearls, with a cluster of white satin roses on either side.

Her bouquet of fan shape was of tube roses with white satin and meline and centered with a white orchid.

For something old and borrowed she wore pearls belonging to her mother; her bluegarter, fashioned with her own hands, was made of blue satin ribbon and nylon embroidery, studded with pearls; her dress was for something new; and in her shoe she wore an Indian head penny.

**Miss Nina Jo Dunn Plays**  
Miss Nina Jo Dunn played the traditional wedding marches, and Mrs. Pat Waters sang "O, Promise Me," and "I Love You Truly".

**Mrs. Bullock Matron of Honor**  
Mrs. Don Bullock, wearing an orchid organdy dress with mitts of same material and carrying a nosegay of colonial flowers with streamers of white laces and pink, yellow, green and orchid ribbon, served as matron of honor.

Other attendants were; Miss Ottice Sullivan of Abilene in yellow organdy; Miss Mary Ann Henderson of Dallas, room mate of the bride at West Texas State, in green organdy, and Miss Tommie Matthews, sister of the bride, in pink organdy. All wore mitts of the same material and carried colonial bouquets.

**Brother Is Best Man**  
Guy S. Tregoe, Jr., brother of the groom, served as best man.

Other groomsmen were; Sam Watson and John McBride of Can-

yon and Glenn Smith of Childress.

Mrs. Matthews, mother of the bride, was attired in a dress of imported French Matelasse organdy with black accessories. Her corsage was of pink carnations.

**Reception**  
Following the ceremony a reception was held in the church parlor. In the receiving line were; Mr. and Mrs. T. L. Matthews, and Mr. and Mrs. W. E. (Bill) Tregoe.

Misses Juanita Hamilton and Betty Brotherton registered the guests.

**Table Laid in Ecru Lace**  
The bride's table was laid in ecru lace cloth and centered with a cream colored three tiered cake, topped by miniature bride and groom.

**Mrs. Guy Tregoe, Jr., Pours**  
Mrs. Guy Tregoe, Jr., poured coffee, while Mrs. Don Bullock served the cake.

Assisting with the serving were the bridesmaids.

Following a honeymoon in Maryland, the newly weds will be at home August 15 in Tahoka, where the groom is band director in the high school.

Mrs. Tregoe is a graduate of the Littlefield High school with the class of 1947. She was class favorite in the junior class, and band sweetheart in her senior year. At the time of her marriage she was a senior at West Texas State College, where she was a member of Tau Beta Sigma, honorary band sorority, and Kappa Tau Phi, social sorority. She was a nominee for college beauty in 1949-50.

Mr. Tregoe is a graduate of the Franklin High School of Register-town, Md., in 1945, and received his B. A. degree from West Texas State in 1949.

He was a member of Kappa Kappa Psi, honorary band fraternity. Since September 1 he has been band director of Tahoka high school.

## Mrs. J. D. Bernethy Showered At Home Of Mr., Mrs. Mauk

On Monday evening Mrs. J. D. Bernethy was showered with "Tiny" gifts in the home of Mr. and Mrs. Tommy Mauk.

Neighbors of Mrs. Bernethy attended and after games were enjoyed and gifts admired, were served refreshments by Mrs. Earl Matney and Mrs. Mauk.

**HAVE VISITORS**

Mr. and Mrs. Fred Briggs had friends visiting in their home Tuesday and Wednesday from Arizona.

## Billye Marie Hopping and Bob Watson Wed In Church Ceremony Friday

Photo by Nail's Studio

MR. AND MRS. BOB WATSON

Mr. and Mrs. Bob Watson, who were married Friday evening at 6 o'clock at the First Methodist Church, Littlefield, are on a wedding trip, and on their return will be at home at 1821 Twenty-first Street, Lubbock, where they will both attend Tech College, and take post graduate work.

Mrs. Watson is the former Miss Billye Marie Hopping, daughter of Sheriff and Mrs. Sidney C. Hopping of Littlefield, and Mr. Watson is the son of Mr. and Mrs. D. E. Watson of Hermleigh, Texas.

**Dr. A. C. Gettys Officiates**  
Dr. A. C. Gettys, Bible instructor from Mary-Hardin Baylor College, Belton, Texas, read the double ring service before a candlelight altar of palm leaves, emerald and jade foliage and baskets of white gladioli.

The bridal aisle was marked with satin ribbon.

**Mrs. Hobbs at Organ**

Mrs. Earl Hobbs of Lubbock played a program music and accompanied Miss Mary Roe as she sang "Because" and "The Wedding Prayer." Mrs. Hobbs played "Indian Love Call" during the service.

Misses D. Ruth Hopping of Lubbock and Connie Hopping of Littlefield lighted candles.

**Wears White Satin**

The bride who was given in marriage by her father, wore a gown of madonna white satin with a

drop shoulder collar, and leg'o'mutton sleeves extending to a point at the wrist, closed with self made tiny buttons. The voluminous skirt extended into a short train. She wore corresponding white satin slippers. Her veil of illusion fell from a tiara of seed pearls.

She wore a strand of pearls, the gift of the groom.

The bride carried a white Bible, topped by an orchid, with showers of Stephenotis, nesting in rosettes of white satin and meline.

**Mrs. Smith Matron of Honor**  
Mrs. John A. Smith, sister of the groom, served as matron of honor. She wore a gown of turquoise satin and silver halo, and carried a colonial nosegay of silver carnations, showered with silver and turquoise ribbon.

Bridesmaids were; Miss Barbara Jo Bryan of Littlefield, Miss Bettye Wright of Anton and Miss Guida Miller of Amarillo.

They wore identically designed dresses of silver satin with halos of turquoise and silver ribbon, trimmed with Stephenotis, and carried colonial bouquets of turquoise Carnations, showered with silver and turquoise ribbon.

**Gene Greathouse Best Man**  
Gene Greathouse of Fort Worth served as best man, and ushers were Clifford Hopping, Littlefield, Tomas Rollins, Lubbock, Tommy Palmer, Lubbock, and Douglas Bo-

ren of Sudan.

Mrs. Hopping, mother of the bride, wore a rose brown lace dress with brown velvet belt, rose lace gloves, and other matching accessories. Her corsage was of yellow rosebuds.

Mrs. Watson, mother of the groom, was dressed in a delicate rose crepe dress, with black accessories. She wore a corsage of penocho roses.

Following the ceremony a reception was held at the home of the bride's parents, 716 West Second Street.

The entertaining rooms were beautiful with large baskets of White Gladioli, and crystal bowls of turquoise Carnations attractively arranged about the home.

Mrs. Earl Hobbs registered the guests in the bride's book, while Mrs. E. M. Little and Mrs. C. O. Griffin displayed the wedding gifts.

The bride's table was laid in white linen cloth, centered with four tiered white wedding cake, topped by miniature bride and groom, over a mirror. The cake was surrounded by tiny white swans and white rose buds. Three turquoise tapers in crystal holders grouped at one corner of the table, and the crystal punch set, at which Mrs. Pat Boone presided, completed the table appointments.

Mrs. Oscar Wilemon cut and served the wedding cake, assisted by Mrs. Bill Pass and Mrs. Jimmie Bryan.

Mrs. G. C. Pass, grandmother of the bride, played soft music during the reception.

About 150 attended the reception at the Hopping home.

For traveling the bride wore a white linen suit, a white orchid corsage, and white and green accessories.

Mrs. Watson was born and reared in Littlefield, and was graduated from the local high school with the class of 1947. She attended Mary Hardin Baylor, Belton, Texas, transferring to Tech College, from which she was graduated with a degree in journalism on May 19 last.

She is a member of the Ko Shari Club at Tech, and the Theta Sigma Phi honorary literary society.

Mr. Watson served three years in the service, in the radio branch of the Air Corps, most of which time was spent overseas.

He was graduated from Tech College in 1948 with a BA degree in journalism, and will receive his BS degree following six weeks' work this summer.

He was listed in "Who's Who in American Universities and Colleges," and was editor of the La Ventura Annual.

Mr. and Mrs. Watson will both teach in the Plainview schools this coming year. Mrs. Watson will teach third grade, while her husband will instruct in journalism in the high school.

### Open House

(Continued From Page One)  
 on the first floor and eight on the second floor. The class rooms will include five rooms for nursery grades, 16 for primary, 16 for junior four for intermediate, four for senior, and eight for the young people.

In addition to these rooms the building contains the kitchen, five rooms for the office, four rest rooms, and two storage rooms.

The whole building will have an inter-communication system.

Pastel shades on all the walls and soft lighting lend all the rooms an appearance of quiet and coolness. Asphalt tile covers the floors throughout the building.

The building is built in such a way that it is easily adaptable to meet all needs or make additional alterations or additions in the future.

Accordion doors have been used in many of the class rooms so that the rooms may be adapted to both Sunday School and Training Union work. By merely sliding the doors back two small rooms may accommodate a much larger group.

Partitions Removed  
 The building is so constructed that all partitions can be removed without affecting the building. The entire weight of the building is carried on steel beams and the removal of a partition would not weaken the structure.

The foundations of the building have been built of sufficient strength to carry the weight of a third story if necessary.

There is a complete forced air ventilation and heating system throughout the building. No wood has been used in the construction of the building except in doors and furniture making it a fire proof building. A fire proof vault also has been added.

An interesting feature is the nursery planned so that mothers may stay with their children and hear the sermons without taking them into the auditorium. They may

view the services through a one way glass window.

Herbert Brasher, Architect  
 The plans for the building were drawn up by Herbert Brasher, architect from Lubbock.

Construction of the church was done by the Maxey Construction company of Lubbock and three subcontractors: City Electric, electrical work; G and A Plumbing, plumbing work; and Liles Sheet & Metal Works, air conditioning and heating.

Rev. Hemphill became the pastor of the church in February of 1943 and the building fund started soon after. The church turned away from this fund in 1947 to build a

parsonage at the cost of \$18,000. Since the first of last September the church has raised \$74,000 towards the new building.

The building fund is now enough to pay for the cost of the construction of the building, about \$150,000. Still to be raised is an amount to the cost of the furniture will cost about \$6000 to \$7000 and the architect's fee will be three per cent of the cost of the structure.

Rev. Hemphill and all members of the First Baptist church have good reason to be proud of the new building. Beautiful, both inside and out, it represents what a group of determined people can do who have pride and faith in their church.

### Earth Rainbow Girls To Attend Grand Assembly

The Rainbow Girls of Earth sponsored a candidate speaking and cake sale Saturday night, from which they received about \$100, which will go towards paying their expenses on a trip to Grand Assembly at Mineral Wells. They will leave Sunday to attend this meeting.

### RETURN HOME

Lee Bennett and Mr. and Mrs. Roberts returned to Littlefield Wednesday after spending three weeks at Hot Springs, N. M.

### VISITS IN LITTLEFIELD

Mrs. Pearl Hodson enroute to Calif. stopped in Littlefield this week to visit her brother, D. C. Lindley.

Rev. Lindley and Mrs. Hodson had not seen each other in 25 years. The Lindley family reunion will be at the house of Henry Lindley in Hobbs, N. M., Sunday, June, 11.

### Mrs Wiseman

[continued from page one]  
 I have been active in social, civic,

religious and school organizations.

"I greatly appreciate the courtesy and kindly reception I have been receiving on my visits over the county.

"It is my intention to contact personally everyone possible before July 22.

"If I am fortunate to come your County to pledge my efforts to fair, efficient county school business and influence in my ANNE LOUISA

### Oil Showings

(Continued from page one)  
 Several farms have been leased, some consisting of 100 acreage, and other leases are contemplated. It is expected that considerable activity in oil leasing is underway in the N. M. section according to Ellis Foust who, with J. C. of Elida and it is expected that a test being drilled of Elida will be a producer.

### Jones

(Continued From Page One)  
 pleasure to work with such a fine group of school officials.

"I am asking you to re-elect me as your County Superintendent of schools in Lamb county, because I think that I have served you satisfactorily and successfully in the past, and feel that I am qualified to keep on serving you due to a long, varied school career. I have had experience as a grade teacher, a high school teacher, a coach of athletics, a grade principal, a high school principal, a superintendent and as a county superintendent. This rich background of experience makes me able to understand and appreciate the problems, and undertakings, in every phase of the school work. If in doubt about my past services, all I ask is that you contact the afore-named school officials with whom I have worked, and if any of them say that I have neglected my duty toward them or their school I do not deserve your vote.

"I need this job because I have a wife and three children to support, and what I can manage to earn is our only means of support. I suppose that I could find some other job if forced to, but I have spent years learning to do this job, and feel that I can do it better than I can do something else.

"Many have expressed the belief that this is a man's job. I heartily agree because most all of the school officials that I deal with directly here in the county, and in the state department or Texas Education Agency at Austin are men.

"I believe that this is one of the worst times in the history of the schools of this county to change County Superintendents, not necessarily because I happened to be your present one, but because of the recent law changes in the school system of Texas. As you know this is the first school year that we have worked under the new Gilman Law. This law called for many recent changes, especially in the organization, financing, and administration of our school system, and we will have more changes to be made. Many new duties have been added to this office, and your County Superintendent is the only link between the local school units, and the Texas Education Agency at the present time. Most all of the school administrators report forms have been changed and many new reports are being required. We will have two and perhaps three new superintendents in Lamb county next year, and they will especially need an experienced County Superintendent to rely upon for help.

"I hope you will give this matter due consideration for your children's sake, and will vote for the person that you can render the best services to your schools in Lamb County. If I am re-elected as your County Superintendent, I pledge to you my utmost efforts to continue to serve you faithfully, courteously, impartially, and efficiently.

I thank you,  
 J. Ernest Jones

## Littlefield Must Act In Polio Fight

AN EDITORIAL

Polio is already twice as bad this year as it was last year and 1949 was regarded as the worst polio year we have ever had in Littlefield. This fact alone should stir the people of Littlefield into action to do whatever is in their power to fight against the dread disease.

A few citizens have recognized the danger and asked the city officials to enforce the ordinance which requires citizens to remove an outdoor toilet, if they are close enough to a sewer to tie in. More than just this handful of people are needed if we are going to have the disease breeding and unsightly outhouses removed. The people of Littlefield must flood the mayor's office, city commissioners, and Chamber of Commerce with demands for action on this important issue.

Action is needed and it must be prompt. As summer approaches the danger becomes greater and greater. During the hot summer days the disease carrying flies will congregate about the outhouses and multiply too swiftly to be checked by spraying of insecticides. The outhouses must be removed and modern facilities installed before the hot

days of summer or we must face the consequences of a deadly epidemic.

We can wait no longer for voluntary individual action. There must be enforcement of the city ordinance and this can only be obtained by popular demand of Littlefield citizens. If anyone knows of an outhouse that should be removed he or she should call a city official and ask that the city ordinance regarding it be enforced. This must be done to protect the health of every Littlefield citizen. Polio is indiscriminate in its choice of victims. Although the number of cases are greater among children, there is no guarantee that you will not be struck by the crippling disease.

Removal of the outhouses will not remove the threat of polio or other diseases, but it will lessen the danger. It will be striking at the breeding place of the carriers and a possible source of the virus.

The Health and Sanitation committee of the Chamber of Commerce has started the ball rolling; now it is up to the people of Littlefield to see it through. They must make their demands known to the city officials. It must be done now; not next week or next month, for that will be too late. Call now and ask for enforcement of the city ordinance.

## Family Worship Hour Held Every Tuesday Morning

The Family Worship Hour, at present heard over KVOW every Tuesday morning at 10:15 a. m., also a daily all-denominational religious broadcast, was recently awarded the certificate of distinction by Butler University and the Church Federation of Indianapolis.

The Family Worship Hour, a program of prayer, inspirational music and quite meditations, was adjudged "most excellent multiple release program" of many different radio programs which were heard and evaluated. The program was tied for first place with the "Light and Life Hour" currently produced in Washington, D. C. The evaluating committee consisted of officials in the radio industry.

The Family Worship Hour maintains its high purpose without revealing its denominational origin, revealing its denominational origin. Also one of the major Christian Churches in the United States is largely responsible for the program, all speakers and the choir submerge their identities on the fifteen-minute program so that the listener may concentrate on the message, which is centered in Jesus Christ, the Savior of all men.

### RETURN FROM TRIP

Mr. and Mrs. Ralph Roberts returned Monday after spending the week end with his mother, Mrs. Sallie Roberts.

## Last Rites Held For Sudan Farmer Killed In Collision

Funeral services for George B. Testerman, 82-year-old Sudan farmer who died of severe head injuries shortly after an automobile collision Monday afternoon near Sudan, were held at 2:30 p. m. Wednesday.

Services were conducted at the Sudan First Methodist church with Rev. Ural S. Sherrill officiating. Burial was in Sudan cemetery with the Hammons Funeral home of Littlefield in charge.

Testerman died in a head-on collision with a car driven by Osa Oree Baker, 58-year-old Sudan farmer on a paved farm-to-market road seven miles south and two miles west of Sudan at about 4 p. m.

Baker was considered in fair condition late tonight by attendants of the South Plains Co-op hospital in Amherst.

He suffered a bruised kidney and a broken rib in the mishap.

The highway patrol stated that apparently one of the two motorists lost control of their car and swerved into the path of the other.

Testerman had been a resident of the Sudan community for the last 25 years, moving there from Little Elm.

GOES UP, must come down. Lots of cowboys will be going back of wild steers and broncs only to come down again at the fifth annual Jaycee rodeo on June 15, 16, and 17 at Littlefield Jaycee Rodeo arena.

## Quel Lutheran Vacation School Will Open June 19

Bible School time at the Lutheran church, two weeks of Lyman's Grocery Littlefield, set for June 19 to 20 is at present in the finding the most capable command. Several dears yet to be filled, but the entire staff will be of kindergarten (more or less)

and children who will enter the first grade this fall; Primary—Children who have completed grades one and two; Junior—children who have completed grades three, four, and five; Senior—children who have completed six, seven, and eight. Daily sessions during the two week period run from 9 thru 12. This Bible school for all children in and around Littlefield seeks to put religion on a workable, practical basis in the lives of the children.

## Dr. Douglas Hardy Graduated From School Of Medicine

Dr. Douglas M. Hardy, son of Mr. and Mrs. Wade Hardy of Lubbock, was graduated June 2 from the University of Texas School of Medicine, Galveston.

Dr. Hardy has been appointed first Lieutenant in the United

States Air Force, and will serve a year's internship at Gorgas Hospital, Ancon, Panama.

After a short vacation in the North, Dr. and Mrs. Hardy will sail from New York the first part of July.

Dr. Hardy attended Lubbock high school and Texas Technological College before joining the Air Force during the last war.

Mrs. Hardy is the former Zelma Priddy, daughter of Mr. and Mrs. W. H. Priddy of Amherst.

## Rainbow Girls Of Earth Install Officers Monday

The Earth Rainbow Girls installed officers Monday night.

Miss Myrta Lee Rudd was installed as Worthy Advisor and Miss LaQuita Kelly Associate Advisor.

The mascot for the group is little Norma Charlene Kelly, daughter of Mr. and Mrs. Jerry W. Kelly.

## Honor Truck "Driver of the Year"

WASHINGTON, D.C.—Lloyd Reiser of Hancock Truck Lines, Inc., receives congratulations of President Truman at White House for his selection as trucking industry's Driver of the Year. Left Major General Philip B. Fleming, general chairman of the Highway Safety Conference and chairman of the three-judge panel which selected Mr. Reiser over nominees from all over the country; the President, Lloyd Reiser and Mrs. Truman is examining the diamond and gold pin presented by the American Trucking Associations, Inc., sponsor of the contest designed to promote highway safety. Reiser's award was based on his long record of accident-free driving, plus his record on the highway near Louisville, Ky.

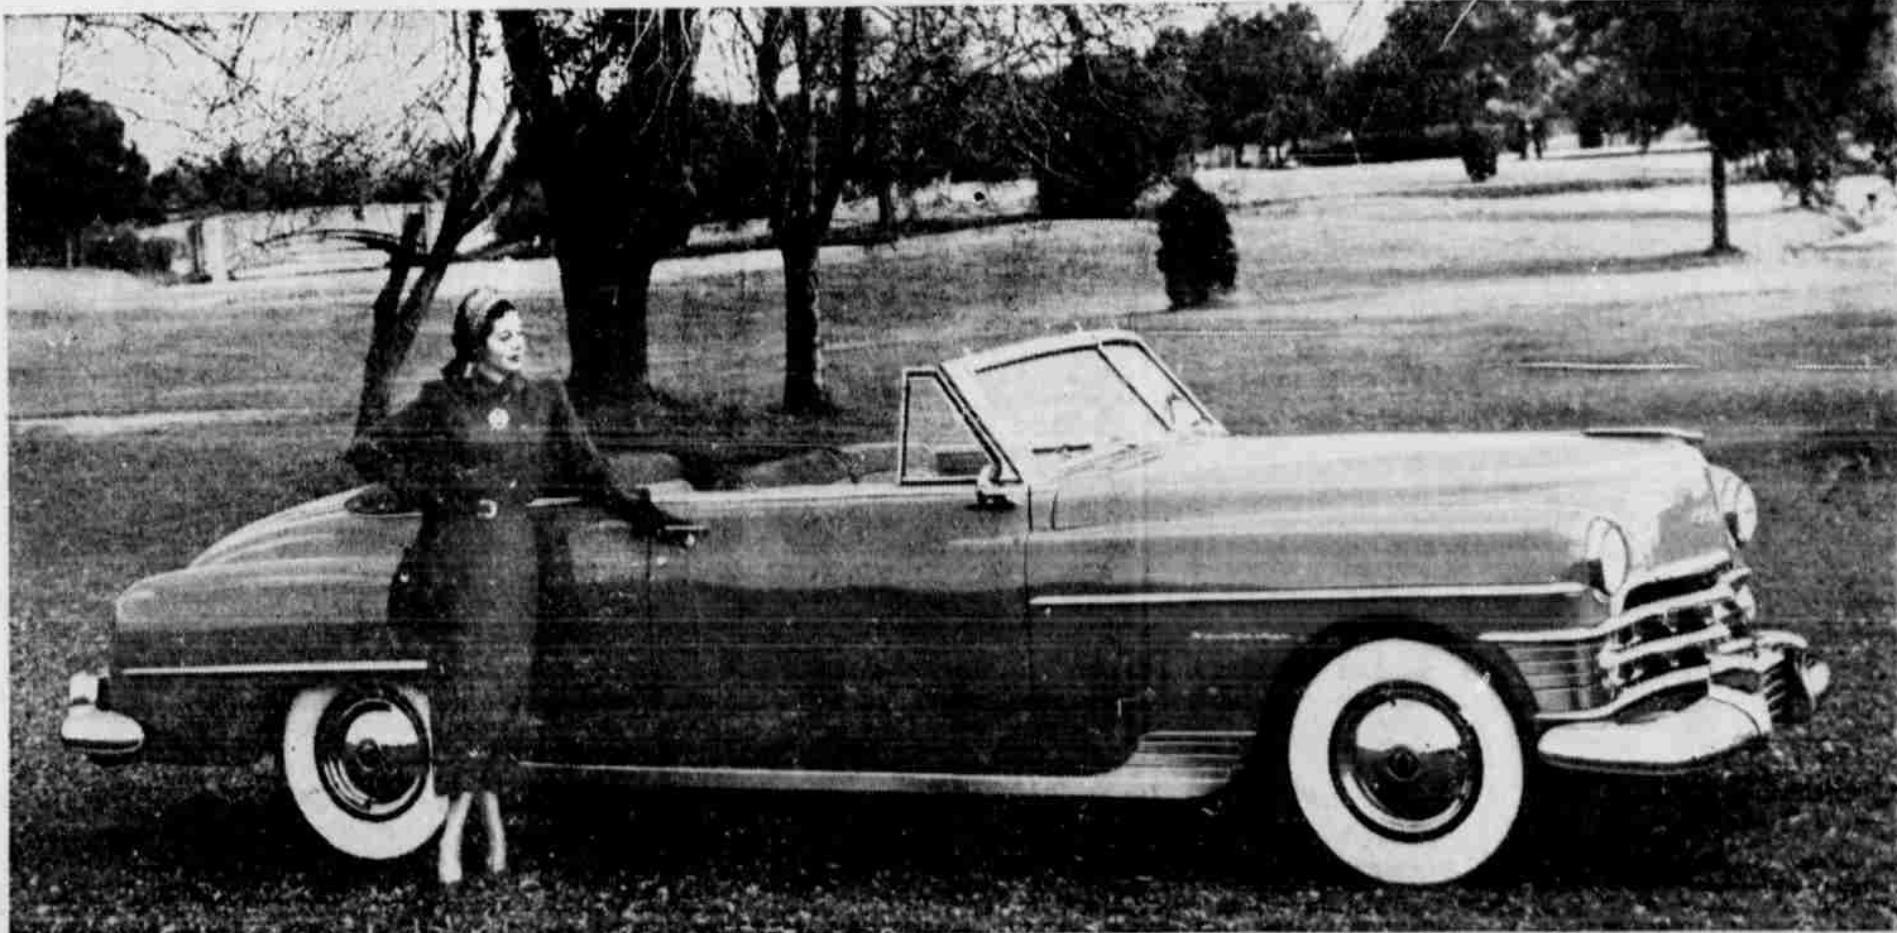

## Rescue Workers Patrol Streets

REG, CANADA.—After almost a month of fighting the Red river, courageous Canadians have won their battle. Much of the city is still under water, complete destruction of the city is avoided by the thousands of volunteer workers who fought the water with only sandbags and shovels as weapons. All the small boats like the one above powered by a Johnson motor, patrolled the canal-like streets offering aid to the transportation and food to the workers.

# Beautiful model of a great idea!

Look, and you see beauty! New trend-making, pace-setting beauty inside and out! Then look deeper . . . beneath the surface! There's where you find an even greater difference! Great engineering—solid quality of construction. The great Chrysler idea that means new pleasure in the comfort of a car . . . new satisfaction in the durability and safety and convenience of a car! Look closer still! At the workmanship . . . at the quality of the materials . . . at the value all the way through that only Chrysler offers. That's what you pay for . . . and that's what pays you back! Come look . . . take the wheel . . . drive . . . there's nothing like this Chrysler.

See it—drive it . . . there's built-in value all the way through!

### Chrysler Driving Advantages:

Fluid Drive . . . automatic gear shifting with exclusive car control! High Compression Spiffire Engine . . . extra power at all speeds. Super-finished parts for longer life. Exclusive Lubricated cylinder walls for far greater wear! Waterproof Ignition System . . . prevents stalling in flood or storm. Full Flow Oil Filter keeps oil clean.

### Chrysler Comfort Advantages:

Chair Height Seats . . . no crouching on the floor . . . Functional Design . . . room for your head, legs, shoulders. Easy to enter and leave. Center-arm Steering . . . minimizes road shock, wheel fight. Rubber Body Mountings . . . Floating Power . . . eliminate vibration, help give softest, smoothest ride in history.

### Chrysler Safety Advantages:

Safety Rim Wheels . . . won't throw tires after blowouts at normal speeds. Constant Speed Windshield Wiper . . . electrically operated. Safe Guard Hydraulic Brakes . . . balanced brake power, smoother steps, less pedal pressure. Cyclebonded linings for double the wear. Full vision . . . wherever you need it.

# Would You Like To Live 500 Years?

And all the days of Methuselah were nine hundred sixty and nine years; and he died.—Genesis VI-27

The most liberal estimate of a future span of life the scientists can dream of for us is 350 years. And the bases for this broad eajolery is shaky.

But they offer strong promise for a normal life expectancy in the visible future of between 100 and 150 years—for which most of us would settle.

The doctors patch together that 550-year guess from this data: About 10 years ago, the death rate of humans at 10 years of age was one death among 800 children. That rate later declined to one death among 1450 children. Now, mathematical calculations indicate, if this death rate should hold throughout the entire life span, man's life expectancy could reach 550 years.

But that's the rub, maintaining this rate throughout life, including so-called old age. We have made little conquest of the crippling and chronic diseases of middle age over, although we have demonstrated that these ailments can be delayed. Cancer, high blood pressure, heart disease and kidney and liver malfunctions still cut a wide swath through the ranks of the old, practically undeterred.

There has been a late rise in the average life span, not because of science's victory over the degenerative diseases, but because of triumph over ailments that beset the human body before middle age. The increase in years that man can anticipate can be attributed to medicine's successful campaign against the epidemic and infectious diseases that formerly thinned the ranks of infants, young children and adults up to 35 years.

Spectacular indeed has the increase in the life span been since 1900. But let's look farther back than the turn of the century. A child of Roman empire days, 2,000 years and could expect only 23 years on earth. By 1850, in the United States, he could expect 40 years of life—an increase in expectancy of only 17 years in nearly 2,000 years. By 1900, the expectancy was 50 years. But today the expectancy has risen to 67 years.

The gain of 17 years of life in a half century equals the gain made during the several centuries between Roman empire days and 1850.

Humans can expect another spectacular increase in the life span, now that biologists are turning against the degenerative diseases—the ills that hit old age—with the same weapons of method and discovery that they, wielded against the ailments of childhood, adolescence and mature ages. A con-

servative estimate of the doctors' abilities would be 25 years added to the expectancy.

This would elevate the average number of years allotted to man to nearly 100. For a long time, biologists have been laboring over a clue which suggests that man normally might live to about 150. A French naturalist, Buffon, discovered that, throughout most of the animal kingdom, the animal's average life span measures from five to seven times its period of growth. Man requires about 21 years to reach maturity, which years, if multiplied by seven, equal 147—mighty close to 150.

Doctors are striving to give man this natural birthright in years by reversing the degenerative processes of the chronic diseases of age. Doctors Edward C. Kendall and Phillip S. Hench demonstrated at Mayo clinic last year that rheumatoid arthritis and rheumatic fever can be halted by either ACTH or cortisone, hormones naturally secreted by two of the body's glands, formulae that can be synthesized in the laboratory.

These hormones have enabled arthritic cripples to walk, run and dance after forsaking wheel chairs they have occupied for years. Also interrupted have been the ravages of gout, asthma, rheumatic fever, blinding eye diseases, blood cancer (leukemia), muscle ailments and skin diseases. These two weapons against rheumatic fever may prevent one third of the nation's annual deaths from heart disease, one of the greatest causes of the aged.

These medical weapons do not cure any of the diseases they restrict. They merely bolster the worn-out functions of the body, returning to the body its ability to fight the diseases itself. Common to all degenerative diseases is a slowing down of the body's defenses against its enemies. With allies, the defenders can fight a much longer battle, deferring biological old age many more years.

This does not signify the discovery of a fountain of eternal youth. Nature rules that nothing is unchangeable, that every system runs its course through gradual change until decomposition is complete and the elements in the system find themselves in some other system. Eternal life would be contrary to nature.

But perhaps nature has decreed for man a longer life than we have enjoyed so far or than we have deemed possible. We were encouraged by the increase in expectancy that resulted from the rout of the enemies of the youthful by medical science. If the enemies of the aged at least can be held at the bay, man may achieve his true life span.

## BULL LAKE PHILOSOPHER SAYS TELEVISION WON'T STOP FARMER FROM QUITTING IF MIND MADE UP

Editor's note: The Philosopher on his Johnson grass farm on Bull Lake has some more opinions on television, his letter this week reveals again.

responsible for more bankers, teachers, lawyers, doctors, county agents, and store clerks than any other occupation.

I must have television on my mind, since my letter to you last week was on that subject, but yesterday I found another newspaper which turned up out here which had another angle on television and its effect on farming.

According to this article, "Television is going to stem the tide of humanity moving from farms to the big cities—a flow of residents which has almost depopulated some farmland areas. Television takes to the farm the one big luxury of city life, entertainment, and that alone will make many farm residents happy with their lot."

Now I ain't familiar with much land goin' to waste, and while I ain't familiar with many farmers who have thrown up their hands and moved to the city just to be near the kind of entertainment I understand you can get on a television set, there may have been some who have done it.

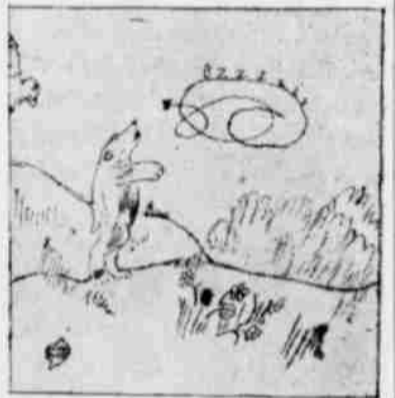

But if you ask me, folks who leave the farm for the city don't leave for the entertainment values so much as the fact you don't drive a tractor up one row and down the other in a city, don't work from sunup to sundown. While I have heard farmers say they're giving up farming in order to get the advantages of the city, generally it works out it ain't the cultural advantages of the city they're interested in so much as the shade. It's them electric fans and air-conditioning in the summer and steam heat in the winter that does the trick.

Nope, when a man makes up his mind to quit farmin', ain't no television set invented yet that'll hold him there.

Farmin' is a way of life, a fight between you and a plow and the soil, all by yourself, and is probably

responsible for more bankers, teachers, lawyers, doctors, county agents, and store clerks than any other occupation.

Dear editor:

Bounce wanted some more but his mother said, "There isn't any more."

Bounce was very hungry for some more. Finally he asked, Mother how do you find honey?"

"You follow a bee," said his mother.

The next day Bounce went off to find some honey. He saw a bee but it just went around in circles until Bounce said to it, "Where is your honey?"

"What?" buzzed the bee. "And let you get it? Ha, Ha! He-he-ho-ho!"

Bounce found another bee. This bee went into a deep dark forest. Bounce followed him. Then the bee turned around and went right back out again. Bounce didn't see it go out. He began wandering around. He couldn't find his way out. He

was lost!

He started going out the way he came but he got confused. Suddenly he found himself on the edge of the forest. Guess what! Right at the edge of the forest was a log and in the log was lots and lots of honey!

Bounce's mother finally found Bounce eating the honey. They took it home and put it up so that any time they wanted it, there it was.

## Information For Veterans

QUESTIONS AND ANSWERS  
Q—As the beneficiary of my late husband's NSLI policy, I am at present receiving monthly insurance payments. How should I proceed to collect NSLI dividends on this policy?

A—Since the policy was in force at the time of your husband's death, the NSLI dividend will be sent to you, his beneficiary, automatically.

Q—My husband, a World War II veteran, died from non-service-connected disability. Am I entitled to a pension even though we had been married less than 10 years?

A—Since you were married within 10 years of the official close of World War II, you may be entitled if you meet income provisions, but there must be a showing that at time of his death, the veteran also had a service-connected disability. However, it is not necessary that death resulted from the service-connected condition.

Q—I had my arm amputated when I was ten years old. Am I entitled to a pension as the dependent child of a Civil War veteran?

A—You are not entitled to a pension. To receive a pension after age 16, a child of a Civil War veteran must have been totally helpless prior to that age.

Q—If my husband, a pensioned World War II veteran, dies, will his pension go to me or to a dependent uncle?

A—The veteran's pension will stop at his death. You, as his wife, may apply and qualify for a widow's pension if you meet the necessary requirements. The uncle unless he had as a parent to the may apply, but would not qualify veteran.

### Westside Chapel Sponsored By First Baptist Church in 1949

One of the works of the First Baptist Church was the sponsoring of the Westside Baptist Chapel located at West street and Wick-

er. The chapel which is now a regular cooperating Southern Baptist church held its first services Sunday, July 17, 1949 with dedication services by Rev. F. E. Swanner, district missionary, giving the dedication sermon.

Since that time the chapel has grown under the able leadership of Rev. E. R. Ingram, assistant to Rev. Lee Hemphill.

On Sunday, May 28 the chapel was organized into a church with Rev. Ingram the first pastor. The Baptist church was 109 members, charter membership of the new Rev. Ingram received the call to become assistant to Rev. Hemphill and act as pastor of the chapel in June of last year.

The chapel was built at the cost of \$3000. Clabert LeBoeuf, president of the Brotherhood Organization, led in the construction of the building and many of the members donated time and labor in its construction.

The chapel was built by the Brotherhood Organization to furnish a place of worship for a large group in the west section of Littlefield.

### Former Littlefield Resident Runs For New Mexico Post

G. V. Boykin, 33, son of Mr and Mrs. W. J. Boykin of 801 East Fifth street, and former Littlefield resident is now the Democratic candidate for state representative of Valencia county, N. M.

Boykin is married and has three children, makes his home at Belen, N. M. where he operates a dry goods store.

While in Littlefield, he attended Littlefield school and was a member of the school band. Boykin left Littlefield about 15 years ago attending the University of New Mexico. He worked for the Santa Fe railroad for about ten years before going into business for himself. He served for several years in the army during the war.

### Optimetric Society To Meet In Dinner Meeting Today

The South Plains Optimetric society, of which Mrs. Ira Woods, B. W. Armistead and Glenn S. Burk of Littlefield are members, will hold a dinner meeting Thursday evening at 7:30 p. m. in Floydada.

After dinner a regular business session will be held at the office of Dr. J. W. Kimble. Dr. J. W. Kinard, president of the Society will preside.

PROUD LITTLE MAN . . . Larry Slivka was just about the proudest little guy in Madison, Wis., when the President of the United States paused in his tour to extend Larry a very warm and personal greeting.

F. D. R. KIN TO WED . . . Curtiss Roosevelt Dall, grandson of the late F. D. R., and Robin Edwards obtain marriage license in Santa Monica.

### Houston To Be Host For Jaycee Golfers

The Houston Junior Chamber of Commerce will be host for the 1950 State Junior Golf Tournament to be held in that city at the Pine Forrest Country Club on Tuesday, June 27.

The tournament will be a 36 hole medal play and all male amateur golfers who have not attained their 19th birthday by July 15th, 1950 are eligible to play. Practice rounds are set for Monday, June 26, and registration will be held at

Rice Institute Dormitory.

All contestants will be given free housing the night prior to the tournament and free lunch the day of play.

Gold medals will be awarded to the seven winners (low score) and these winners will be qualified to play in the National Jaycee Junior Amateur Golf Championship at Iowa State College Course, Ames, Iowa, August 13-19, 1950.

Texas Jaycee clubs will send their loyal winners to the tournament. John R. Cook, Houston, is general chairman of the State tournament.

FOR BEST RESULTS—  
USE LEADER CLASIFIEDS

This is a good time for farmers who grow their own fence posts to cut, peel and treat their posts. Treat non-durable woods, such as elm, maple, red oak, poplar and pine with a preservative. This is effective only if the posts are peeled before treatment.

### Seeks Office In Supreme Court

AUSTIN, June 4 — Alfred M. Scott, Austin attorney and former Assistant Attorney General of Texas, has filed as candidate for the Supreme Court of Texas, Place No. 2, now held by Judge R. H. Harvey and sought also by Robert W. Calvert of Hillsboro.

Scott said: "A conscientious judge can have but one platform: Equal justice before the law for all persons. That I pledge to all the people. This means that in every vote I shall cast as a member of the Supreme Court I shall give equal consideration to all the parties at interest, including the humblest citizen on equal terms with the biggest corporation."

TO MEET AT SPADE  
The Lamb County Singing Convention will meet at 2 p. m. Sunday, June 9 in the new auditorium of the First Baptist church of Spade. Everyone is welcome to attend.

### MRS. CARTALL IS ILL WITH POLIO

Mrs. Anne Louise Wiseman received a message Friday to the effect that her daughter, Mrs. Louis M. Cartall of Del Rio, has been stricken with polio, and was taken by her husband, Dr. Cartall, to San Antonio, where she is a patient in a hospital, and in an iron lung.

Mrs. Wiseman, in a letter from her daughter was suffering from a slight paralysis of her arms.

### Program Planned For Round-Up At Texas A & M

Featured on the Wednesday morning program will be reports from the 1949 out-of-state 4-H trip winners, Lue Ruth Stevens, Dallas county; Beverly Runnels, Brazoria county; Harry Lee Schneider, Guadalupe county and Garter Gene White, Garza county will report on National 4-H Club Camp. Fred L. Sutton, Menard county, will report on the American Youth Foundation Camp, Danforth Award, Betty Bensen, Nueces county and Alton Nelson, Wharton county, the 1949 International Farm Youth Exchange delegates from Texas, will report on their trips to Sweden and Denmark. Barbara Dean, Johnson county, will describe the activities of the 1949 National 4-H Club Congress.

This section of the program will be followed by an address by president M. T. Harrington, Texas A. & M. College. The afternoon will be devoted to the special department shows on the campus.

The final night program on Wednesday will feature 4-H talent and the presentation of the awards to the winners in the various contests. The talent show will be in the form of a pageant and will be held at Kyle Field.

A young People's Fellowship will be held Thursday (today) at the Littlefield Missionary Baptist church, XIT Drive and 8th streets. The service will begin at 10:00 a.

m. and last throughout the day with a closing service at 8:00 p. m. Carloads of young people from Big Springs, Stamford, Lubbock and other cities nearby will be present for the all day fellowship Dinner will be served at the Church. "Both young and old are welcome to attend this service," stated Rev. Weldon B. Meers, pastor of the church.

## DAVE CARNEGIE

AUTHOR OF "HOW TO STOP WORRYING AND START LIVING"

### Suggestions for Success

HERE ARE SOME sure-fire suggestions which will direct you on your path toward success. I found them in a timely little volume called "Live a New Life," published last spring by Professor David Guy Powers. And every one of these suggestions is easily followed if your mental attitude is right:

1—Cultivate the attitude of agreement. This is the very core of persuasion, "sweet reasonableness." Two or more minds coming together to seek understanding set the pattern of agreement. On the other hand, truculence creates truculence.

2—Accept men as they are and seek to understand them. There is a point of course, where a man must take the isolated peak and break with it all for clear principle, but until it comes he must work, if he would be of use, with men as they are. As long as good in them overbalances the evil, let him work with that for the best that can be got.

3—When dispute arises ask yourself, "How far can I go along with his views?" You may be amazed at the number of concessions you can really make before points of difference arise, and minor points often prevents issues from arising.

4—Assure the opposition that an agreement can be reached. Thomas A. Morgan advises: "I never assume that there is a fight. In fact, I tell the other person there isn't a fight, and ask his help with the problem."

5—Establish areas of agreement, and agreements will follow. In any dispute, be more than ready to compromise. The wise man continually seeks modifications which will create harmony. He knows that each item of agreement builds toward the next one by setting the pattern. Time spent in creating a mood of agreement is well invested. Follow the path of nature to a man's mind; present your story to his senses. For "the mind must yield to evident things." Remember there is nothing in the mind that was not previously in the senses.

Make demonstration a part of your thinking process. Visualize every aspect of your cause. Search your cause or product for its uniqueness. Ask yourself, "How can I make this point appeal to the senses of others?"

You can't go wrong in reading Professor Powers' ideas, and you will be more and more likely to go right if you mull them over.

### Plans Being Laid For Bible School June 19-June 30

Special recognition will be given some of the young people of Emmanuel Lutheran Church this coming Sunday morning, June 11th, in the 11 a. m. hour of worship. Seast or honor will be provided for the recent graduates of schools at home and away as well as for the newly elected Walter League

officers, the young people's society of the congregation. Sunday night, June 11, the officials of Emmanuel Lutheran's Vacation Bible School, such as teachers, assistants, handwork supervisors, recreation leaders, and all those who are interested in the welfare of today's children, will gather at the church, 417 West Third street, to put the final touches on the plans for the forthcoming Bible School, June 19 thru June 30. **USE LEADER CLASIFIEDS FOR BEST RESULTS—**

### Need For Large Membership Stressed By Veteran Official

Sid Lowry, Veterans Administration regional officer from Lubbock, addressed the regular meeting of the Littlefield American Legion post Monday evening, June 5. Lowry, in speaking of the current membership drive, said that the Legion needed more support in its continued fight against Communism. A large membership in the Legion would aid in the fight to stop Communism.

He stressed the need for a county service officer in Lamb county and pointed out that a county with as many as 500 members should have such an officer. Also under discussion by Lowry was the need for more veterans' hospitals and less red tape to gain admittance to them.

He advised the Legionaires that the strength of the post lies in the officers selected and he suggested that they choose their officers wisely.

Election of officers for the local post will be held at a meeting June 19.

Candidates for officers are: commander, Henry G. Crowley and U. D. Walker; first vice commander, Clarence Davis and Elton Hauk; second vice commander, James P. Crump and Dub Blackwell; adjutant, Stanley Daws, T. E. Pettlet, and Russell Tidd; finance officer, Jack Alexander, and A. J. Mangum; service officer, Van Clark, Paul Blackwell, and Wayne Butler; sgt. at arms, Hugo Byers, Art Holberg, and Ed Drager; chaplin, Tom Matthews and Bob Kirk; historian, James Strokes, Jr. and Curtis Lee; and mess sgt., Fred C. Ray.

### Choral Union Holds Rehearsal Sunday

Last Sunday night, June 5, the Lubbock Federation Luther Leagues met for Choral Union Rehearsal at St. Martin Lutheran Church, according to pastor C. Schulte.

Members from Lubbock, Littlefield, Slaton, Lockney (Providence) and Wilson were in attendance. In all about 40 members were present. The Choral Union is a project of Luther League which specializes in singing good choral numbers. Rev. Lowell Clark Green of Slaton is the director of the Choral Union. Numbers rehearsed were "Thy Kingdom Come" by F. Melius Christiansen, and "Now Let Every Tongue Adore Thee" by Johann Sebastian Bach, and another number entitled, "My God How Wonderful Thou Art."

The Choral Union Members were not discouraged by the rain, but continue to come during the worst downpour. The Choral Union is rehearsing for the Lubbock Federation Convention of Luther Leagues which will meet at Wichita Falls on July 26 and 27th. The next rehearsal will be at Wilson Texas on Sunday night, July 2nd.

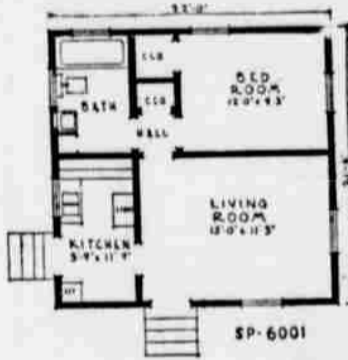

#### RESTING BETTER

Billy Lyman is resting comfortably at the Littlefield Hospital, where he has been a patient since Tuesday night of last week, following an automobile accident west of Amberst on the Clovis-Lubbock highway. His automobile is said to have hit a soft shoulder and turned over.

### Low Cost "House of the Month"

The answer to maximum convenience and livability at rock-bottom cost. Every door and window in this small cottage is located to provide the greatest economy of space so that furniture can be easily arranged without crowding "traffic lanes" through the house. Approximate building-price range: \$3500-\$4000, depending on local conditions. For additional details write: Texas Home Planning Bureau, City National Bank Building, Houston 2, Texas.

**FAMILY TREAT.** They'll all have fun in this roomy 4-door Sedan with generous luggage space for trips. Shown here is the SPECIAL. Same body type available also in the SUPER series.

## Look at the FUN you're missing!

**S**URE, we know—a car is a "necessity" these days. A modern family "couldn't get along without one." Or so you tell yourself.

Come, come, sir! We know, and so do you, the real reason you got the new-car fever—and the kind of car you are hankering for.

You want a car with some fun in it, don't you?

A car you'll get a big bang out of every time you see it parked in front of your house—every time you slip into its front seat—every sweet and easy mile you travel in it.

Well, come see what this beauty does for you.

How the doors swing open in warm welcome at a thumb touch on a button. How the broad seats invite you to take it easy. How the big straight-eight under the

bonnet snaps into purring life at your toe-touch.

And then note—

How smoothly you slip away from the curb—especially when Dynaflex\* is handling the power transmission.

How firm and steady the whole car feels. How it holds on curves, free of "heel-over" and sway. How each coil-sprung wheel quicksteps over bumps and rough spots that mean jounce and jiggle on most cars—how buoyantly road-free a Buick is.

\*Dynaflex Drive is standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

#### FOUR-WAY FOREFRONT

This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

**F**un? You bet it's fun—too much fun to miss.

And there's no reason to miss it; really, for this strapping traveler is priced under many sixes. Starts at figures just an easy step above the so-called Lowest Price cars.

What's keeping you from trying one, when the nearest Buick dealer is ready to demonstrate without obligation any time you want to call on him.

### Only Buick has Dynaflex—and with it goes:

**HIGHER-COMPRESSION** Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.)  
**NEW-PATTERN STYLING**, with **MULTI-GUARD** fender, taper-through fenders, "double bubble" taillights • **WIDE-ANGLE VISIBILITY**, close-up road view both forward and back • **TRAFFIC-HANDY SIZE**, less over-all length for easier parking and garaging, short turning radius • **EXTRA-WIDE SEATS** cradled between the axles • **SOFT BUICK RIDE**, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • **WIDE ARRAY OF MODELS** with Body by Fisher.

# Founding and Early Growth Of First Baptist Church Is Reviewed In Leader Anniversary Edition

The following history of the First Baptist church was written in 1938 by Oliver L. Oldham and printed in the Anniversary Edition of the Lamb County Leader, August 18, 1938.

The First Baptist Church of Littlefield was organized in 1914. Rev. Rankin of Plainview being missionary of the Staked Plains association acted as moderator. The following were charter members. Mrs. W. G. Street, Mr. J. T. Hatchett, Mrs. B. F. Smith, Mr. C. Warhurst and Miss Hazel Warhurst. (Mrs. W. G. Street is the only charter member now in Littlefield).

Rev. Rankin preached each month for a few months. When Rev. G. I. Brittin of Plainview became missionary of the Staked Plains association, he supplied for the church, preaching each month for several months. During this time the community was so thinly settled that there were only a few additions to the church, but there are some who should be mentioned, namely, Judge R. C. Hopping and family, brother E. Mueller and family, brother W. O. Gray and family, and Mrs. Parker and others whose names I do not recall just now. These have stayed by the organized church from its earliest days to the present time.

### Church Organized

The church was organized in the little one room school building which is now the home of Mr. and Mrs. Jack Brannan. All preaching services and a community Sunday school were held there until the Presbyterian church was built.

In August 1919 the writer held a ten day meeting in the Presbyterian church building. The following few months the preaching services for the Baptists were irregular.

In October 1920, the church having then only eighteen members extend a call to the other writer for one half time and the salary \$500.00 per year. On October 13 I accepted the call and became the church's first elected pastor.

On April the second Sunday, 1922 we organized the First Baptist Sunday school, electing our officers and teachers with Charlie Flippo superintendent. The fourth Sunday of the same month we moved to the auditorium of the grammar school building. In the fall of 1922 we secured a building place from the Littlefield estate and in January of 1923 bought a building from Mennonites people and moved it to our lots.

### Oldham Resigns

In April 1923 I resigned as pastor. During my work there were thirteen additions by baptism and about fifteen by letter.

The next pastor was Rev. S. T. Smith of Plainview who served only a few months. In November 1924 Rev. W. D. Phipps was elected pastor, under his leadership, the town and community being more thickly settled, the membership grew rapidly in number and all of the organizations of the church were well attended. In the spring of 1925 the first building was lost by fire. The church then launched a building campaign and the present building was erected at a cost of \$48,000.

Following Rev. Phipps resignation in 1927, Rev. Roy Kemp was elected pastor and as before the church continued to grow in number and all organized work. During Rev. Kemp's ministry the church divided, a large number of the members going with Brother Kemp and organizing the Tabernacle church.

The First Baptist church then selected Rev. Joe Grizzle of Port-

ales, N. M., who served six years, and led the church with all of its interest in a greater way.

Rev. Brian Pastor Following brother Grizzle, Rev. A. A. Brain served the church eight months. He resigned to accept the District Mission work of West Texas.

The church then secured Rev. Willis J. Ray, who proved to be an outstanding pastor in every way. After being with the church about a year and a half, Rev. Ray resigned to serve as District Missionary with headquarters at San Antonio.

During the time Rev. Ray led the church work there were a number of additions to the membership, both by letter and baptism. Every part of the work grew in number and efficiency.

At the time of his appointment the indebtedness of the church was a little over \$30,000, but through the earnest efforts of the pastor and the faithful hard working committee some money was raised and other adjustments made, thus cutting the indebtedness down to approximately \$8,000.

Rev. Shahan Pastor With the resignation of Rev. Ray, Rev. Roy Shahan, pastor of the Rule Baptist church for a number of years, was chosen, and accepted the charge here. Rev. Shahan is also one of the outstanding preachers in the state and the church officials consider the church indeed fortunate in securing such a capable man to carry on the work.

So from October 1920, the beginning of the work of the first pastor and eighteen members with no church building, no Sunday school no B. T. U., no W. M. U., and no prayer meeting, the church has grown and served the leadership of the different men to the present time, with now over 600 membership, 457 enrolled in Sunday school with 54 officers and teachers, Mr. Lon Smith general superintendent, 100 enrolled in B. T. U. with 10 officers and leaders, Mrs. Earl Hobbs general director, 26 enrolled in W. M. U., Mrs. Pat Boone president, and four auxiliaries with Mrs. Viggo Peterson leader. A well organized prayer meeting, with teachers and officers meeting each Wednesday night. A brick building which will seat 700 in the main auditorium.

New Organ The building contains six general assembly rooms and 26 class rooms. A new Hammons organ has just been installed, costing \$1550. Miss Windra Pardue is in charge of singing, and Morgan Layfield is organist.

I regret that I cannot show here the number of conversions and baptisms. The number of study courses taught and awards given. The amount of money collected and given to orphanages, schools, hospitals, missions and so on.

This church with her leaders has been through the 24 years, one of the light houses in Littlefield and surrounding district. You are welcome to any and all of our services.

in the wilderness, "Come tho with As Moses said to his father-in-law us and we will do the good."

**SCHOOLMARM FED UP . . .** Mrs. Allison Palmer, Orangeburg, N. J., teacher, has resigned to go to Nevada where no television can distract her pupils.

**DIAMOND QUEEN . . .** Broadway actress Carol Channing wears more than a million dollars worth of diamonds after being crowned "diamond queen" in New York.

**PLEA . . .** Mrs. Robert Vogeler, wife of the American business man sentenced to 15 years by a Budapest court, pleads her husband's cause at a press conference in London. She flew from Vienna to London in order to see Secretary of State Dean Acheson.

## G. B. Testerman Dies In Auto Wreck South Of Sudan

George B. Testerman, 82, of route 1, Sudan, died enroute to the hospital from severe head injuries received in a head-on auto collision Tuesday afternoon near Sudan.

Injured, but not seriously, in the collision was Osa Oree Baker, 58, Sudan farmer. He was taken to the Amherst hospital by a passing motorist. Although he was suffering from shock, hospital attendants list-

his condition as good. The accident occurred, investigating highway patrolmen said, on a paved farm-to-market road seven miles south and two miles west of Sudan. There were no witnesses to the crash but it is believed that one of the drivers momentarily lost control of his car and swerved into the path of the other.

Testerman, driving a 1946 Ford coach, was traveling south while Baker, at the wheel of a 1948 Pontiac coach, was going north when the collision happened.

The Testerman automobile suffered serious damage to the front end while the Pontiac had a badly smashed front end and left side.

The highway patrol reported there were no skid marks at the scene of the accident and said they did not believe that either driver was traveling at an excessive rate of speed. Highway patrolmen are continuing their investigation of the accident.

Testerman had been a resident of the Sudan community for the last 25 years. He farmed, until recently, five miles south and two miles west of Sudan. He came to Sudan from Little Elm, near Denton.

Testerman is survived by his wife; eight sons, Tom of Chucky, Tenn., Frank of Louisville, Har-

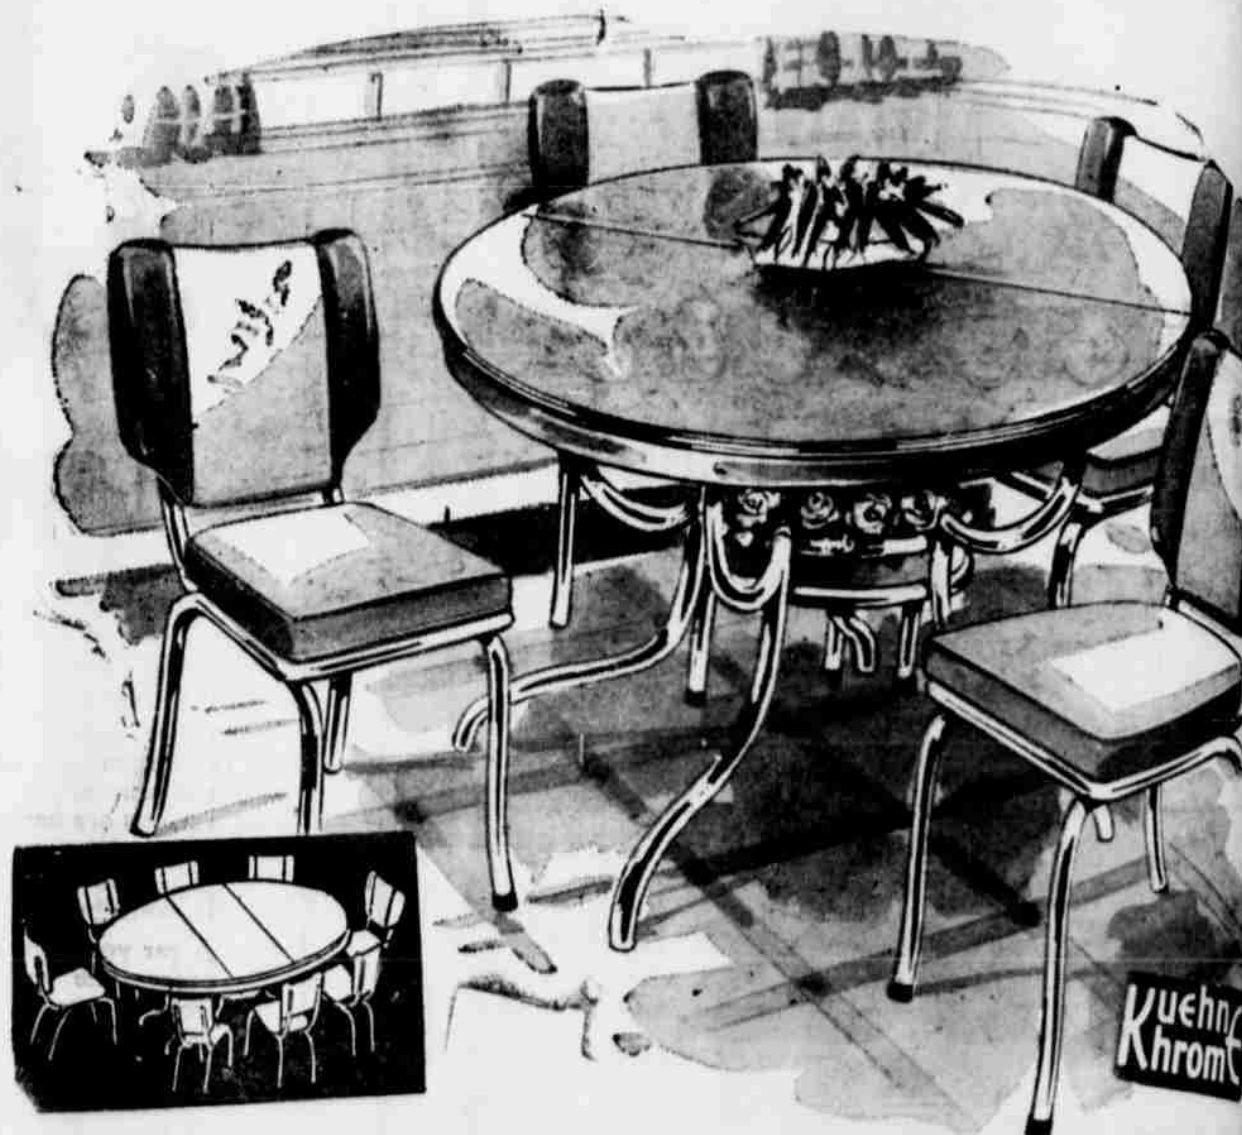

vey of Little Elm, Elbert of Muleshoe, Otis of Fieldton, Earl of Burk Burnett and Cecil of Sudan; a daughter, Mrs. Flora Mae Savage of Wellington; two sons of Cincinnati and N. C.; and a son of Hampton of Texas.

## NEW CHRYSLER "HARDTOP"

Popular "hardtop" styling has now been made available in Chrysler's New Yorker and Windsor lines. The sleek body style, shown here in the New Yorker Newport, combines the safety and comfort of the sedan with the smartness of the convertible. Open-car effect is accentuated by side windows and window frames which lower completely out of sight. Maximum rearward vision is provided by the "Clearbac" rear window which curves well into the permanent steel top.

# People You Know

W. Ray and Mr. Carpenter of 12 Littlefield spent all Thursday of last week, where they caught fish; ate all caught fish home, their home freezing ill and confined week end with his daughter, son, visited their mother, Mrs. E. W. Monday and Mrs. Boyer three days, Tuesday and Thursday, in hospital. She is recovering.

A. Brock were at Buffalo.

C. Rodgers and Mrs. Frank left Thursday morning and fishing.

W. Bates, who of San Francisco, here June 20 with relatives, Mr. and Mrs. and a beautiful new of seven rooms away five miles for Mr. and Mrs. on this rest two weeks ago. and good progress worth-Galbraith of the materi-

Mooney, daughter, Jim Mooney and to her home spending two grandparents, Mr. at San Angelo accompanied to grandmother, Mrs. spanned Mrs. Jim of Mary Lou, and Littlefield Saturday, from here by train the Mrs. Mooney returned Saturday parents, Mr. and her sister, and brother,

message notifying them of the drowning of Mrs. McGarr's son, Raymond.

John Street, student of Wayland College, arrived home Thursday for the summer holidays. Street is in his second year at Wayland, where he is majoring in Education and Speech.

Mrs. M. J. Mills of near Spade, was admitted to the Littlefield Hospital Friday night, suffering of a stomach ailment. Her daughter, Miss Katie Lee Mills, is remaining with her mother at the hospital.

Mrs. J. D. Richards, office nurse for Dr. J. R. Coen at the Littlefield Hospital, left on a two weeks' vacation Thursday last.

Mrs. Bill Gray of Farwell arrived Thursday to visit her parents, Mr. and Mrs. A. L. Doshier. She returned home Sunday.

Mrs. Ernest Gaston of Sudan was admitted to the Littlefield Hospital Friday night. She is bothered with phlebitis.

Mr. and Mrs. Stacy Hart left Friday morning for points in Colorado fishing. They will be gone a week.

Pep School Seniors left Wednesday of last week on their Senior trip to Colorado Springs. They will be gone a week.

Coke Hopping left Saturday morning for the Pat Boone ranch near Elida, N. M., where he will spend the summer. His mother, Mrs. Sid Hopping, took the boy by car to the ranch, returning Saturday evening.

Blair Goodwin, student of Tarleton College Stephenville, Texas, arrived home Sunday to spend a week with his mother, Mrs. Clea Goodwin, and his grandparents, Mr. and Mrs. John Blair. Blair, who is majoring in pre-law, will go to Camp Hood next week, where he will spend two weeks as a member of the Reserves in the Chemical Corps, after which he will return to Littlefield for the summer months.

Judy Park, daughter of Mr. and Mrs. Wm. Park of Corpus Christi, Texas arrived last week to spend the summer here with her grandmother, Mrs. Belle Dow. Mrs. Dow met Judy at San Angelo, and brought her to Littlefield.

Mr. and Mrs. Otto Jones spent Friday in Amarillo on business.

Mrs. Stella Colgin of Weatherford is visiting her sister and brother-in-law, Mr. and Mrs. C. O. Stone, and daughter, Carra Lou.

Mr. and Mrs. Jarold Jones spent Sunday in Plainview with Mr. and Mrs. Johnny Moody.

Mr. and Mrs. C. M. Rice returned last week from a two weeks' trip to points in California. They visited their sons and daughters-in-law, Mr. and Mrs. Dale Rice and Mr. and Mrs. Howard Rice at El Centro, and their daughter and son-in-law, Mr. and Mrs. O. L. Webb, at Niles, Cal. They were accompanied by Mr. and Mrs. C. G. Richards and children who went to San Jose to visit his mother. The two families returned to Littlefield together.

Lesson for June 11, 1950

ZEPHANIAH seldom has been any reader's favorite prophet. His pictures of doom are enough to send shudders down any one's spine. It is as realistic as if he were describing H-bomb day. But the main point of Zephaniah is plain and practical: Repent! For selfish man and stubborn nation, that is the first necessity of all. Repentance is not merely regretting something one has done. Anybody can do that—and go right on committing the same sin. Furthermore, a man's regret for something he has done may be for a wrong reason.

Also, repentance is not just repentance-in-general. It is one thing to say, "O God, I am a sinner." It is quite another thing, and a harder one, to kneel and say to God: "You knew well what a liar I have been."

Repentance is not real unless it is honest; and it is not honest till the repenter looks squarely at his own sins, knows them for real sins and is willing to call them by the ugly names they deserve.

Dr. Foreman

## REPLIN'S "REAL VALUES"

Here's why we say:

# "Go for a ride and you'll go for MERCURY!"

1. The right power!
2. The right roadability!
3. The right riding comfort!

You get the right POWER! Not a little engine! Not an oversized one! But 110-horsepower in a V-type, 8-cylinder, made-for-Mercury engine that knows where it's going—and gets there smoothly, quietly—with plenty in reserve. And the new Mercury is "America's No. 1 Economy" Car!

You get the right ROADABILITY! Mercury's rugged, balanced chassis helps smooth out the rough roads... straighten out the sharp curves... hold the car to the road like a track. Mercury really rides smoothly—and with everything in rhythm. You'll find the new Mercury parks easier, too.

You get the right RIDING COMFORT! With plenty of room for six big people inside... with "Cushion-Coll" springing... and ease of handling that's second to none. It's the kind of perfectly balanced car you've dreamed of driving. Try the new Mercury yourself today—and see!
