Equipment Repaired

The City Commission meeting today at the office of the Secy. W. G. Street, this body executed contracts with the Government for the purchase of \$81,998.88 surplus water works material. A contract for the purchase of material valued at \$29,000 was shipped from Camp Wallace, which is close to Galveston, and a contract for water works material in the amount of \$52,998.88 was shipped from Camp McLean. This included piping, fittings, hydrants etc. to be used in sewer and waterworks planned by the City, which are to get underway soon.

Meeting Friday J.M. Simmerman, Mayor of Simmons Grocery, presided before the body and compared all parking space was along LFD Drive, rendering it to his business. This was referred to Commissioner Campbell to work it out.

It was also agreed to provide a refund of \$500 to match the amount by the County, as an emergency relief fund to take care of the millage. This emergency was caused by the bad weather which is being handled by the Red Cross office, and the amount to be made only for fuel or medicine, will be to do so.

Douglas, Engineer, was instructed to order enough material for the repair of the pavement damaged by the bad weather, and have the same as soon as possible.

31 Families Cared For in Bad Weather By Emergency Fund

At a meeting held in the court house Friday morning, attended by County Commissioners, Mayor A. C. Chesher, Mrs. L. M. Brandon, Secretary of the Lamb County Red Cross Chapter, Lt. Salmon, head of the local Unit of the Salvation Army, and E. C. Caldwell of the State Department of Public Health, an emergency was declared existing due to the continued bad weather, and inability of many Latin Americans, colored men and some white family heads to find suitable work.

It was agreed by the city and county to establish a revolving fund, out of which short time loans would be made for the purpose of buying groceries or emergency needs for needy families who would have the privilege of working to repay the loan, or pay it in cash when they obtained work.

This revolving fund has been placed at the disposal of the Red Cross office, with Mrs. L. M. Brandon, Secretary, in charge, with the understanding that it will be used for groceries and emergency needs only, such as fuel or medical care.

The city and county will give those able to work an opportunity to repay their loans by working on the streets, in the park, and other needed work.

Up to Saturday night, a total of 31 families had been assisted by loans, in exchange for which notes have been signed for the respective amounts paid out.

In an interview with Mrs. Brandon Saturday, she stated that she was going into each home and investigating the circumstances, following which she and her assistants, Mrs. Crossley, would buy the groceries needed, and deliver them to the needy families.

Lt. Col. Tilden P. Wright Awarded Air Medal for Outstanding Service

Brigadier General E. K. Wright, left, presents Air Medal to Lieut. Colonel Tilden P. Wright, former Littlefield young man, for meritorious achievement, in a ceremony at Washington, D. C.

Washington, D. C.—Lieutenant Colonel Tilden P. Wright has been awarded the Air Medal for meritorious achievement as pilot of a C-47 transport which carried medical supplies and food into a flooded area at Trinidad, Bolivia, and evacuated several hundred persons during February and March, 1947.

The award was presented by Brigadier General E. K. Wright in a ceremony at Washington, D. C.

Colonel Wright, who is on duty with the Air Force in Washington, was born and reared in Littlefield. He is a son of Mrs. Vernie V. Wright of Dallas, formerly of this city. He is a graduate of Littlefield high school; graduated from the U. S. Military Academy at West Point, New York in 1939, and the following year completed flying training and was rated a pilot.

During World War II, he served as assistant plans and operations officer of the Eighth Fighter Command in England and of the American Component of the Allied Expeditionary Air Forces in Europe.

He returned to the United States in March, 1944, and after serving at the Charleston (South Carolina) Air Base

and with the Air Transport Command at Washington, D. C., he was appointed military air attache at La Paz, Bolivia. It was during this assignment that he performed the relief work for which he was awarded the Air Medal.

In August, 1947, he returned to Washington, D. C., to attend the War Department Staff Intelligence School, and upon graduation the following December, was assigned to his present position.

Colonel Wright has one son, Tilden P. Wright, Jr., age six.

The citation follows:
 "Lieutenant Colonel Tilden P. Wright, United States Air Force, distinguished himself by meritorious achievement while participating in aerial flight from 27 February 1947 to 17 March 1947. As pilot of a C-47 type aircraft, Colonel Wright transported over 70,000 pounds of medical supplies and food into a flooded area at Trinidad, Bolivia, and evacuated 729 persons under the most hazardous conditions. The professional skill, resourcefulness, and exceptional courage displayed by Colonel Wright reflects credit upon himself and the United States Air Force."

Producing Ability of New Wildcat Soon To Be Known

Wildcatting doubled and oil fever did more than that in Lamb county during the last week. The No. 1 J. R. Jameson, Jr. southwest of Littlefield was down to 4101 feet Wednesday afternoon and there had been a definite show of oil.

The Pacific Western Oil corporation started a 7,500-foot rotary tool wildcat about eight and one-half miles southwest of Sudan. The well is the company's No. 1-B D.L. Brown et al, located 440 feet from north and east lines of Labor 5, league 213, Deaf Smith CSL survey.

DeKalb Agriculture association moved in cable tools on the No. 1 Jameson, cleaned out the hole and

set casing early this week. They were reported boring ahead under 4101 feet in lime Wednesday afternoon. It is expected that by Thursday morning it will be known what kind of well they have.

Other Lamb County Activity
 Anton Oil corporation has made location for its No. 4-B J.R. Leftwich as a new exploration in the Anton-Irish field of southeast Lamb County.

The drill site is 860 feet from north and 660 feet from east lines of southeast quarter of section 32, block 1, R.M. Thompson survey.

Projected depth is 6,100 feet with rotary. Drilling is to begin on or before February 10.

1949 Wildcat Games Are Announced

Five home games on the 1949 football schedule indicates Littlefield fans will see plenty of football without traveling far this fall.

The schedule as released by Head Coach Jay Fikes and Superintendent Joe Hutchinson is as follows: (x designates conference tilts).

Definite Plans Will Be Made, Officers Elected

Fair Dates Set Tentatively As September 22, 23, 24

A meeting of the Lamb County Fair association has been called for Wednesday, February 16, when plans will be made for the holding of the fall fair, which is tentatively set for September 22, 23, and 24.

The session will be held at the court house, Littlefield, opening at 8 P. M.

New officers will be elected; four new Board members named; and definite plans laid.

Outgoing officers are: Jess Elms, President; G. T. Sides, Olton, First Vice-President; and Floyd Burgess, of Earth, Second Vice-President.

Board members whose term expired in 1948, are: A. B. Brown, H. C. Armstrong, E. C. Clayton and Jess Elms. J. L. Hinson, Gus Parish, F. E. Burgess and G. T. Sides will complete their term of office this year.

Other members of the board who will serve until 1950, are: V. M. Peterman, Otha Dent, Joe Salem and Jack Harbrough.

not playing Seminole this fall is because District 5-A didn't divided this year. Therefore there were no open spots on the Indian schedule.

Sudan has moved back to their old position on the schedule. As old timers remember, this game was played in the number two spot on the schedule for many years. Then it was changed to Thanksgiving, and played on that date for about three years. A ruling requiring all district games to be played by Nov. 15 so that the play-off could be played forced a change in dates again. This year it was either Sept. 9 or Oct. 22, and since Sudan wasn't open on the 22nd, the game was placed back in its original place, second on the schedule.

There has also been sentiment against scheduling this game late in the season because the Wildcat-Hornet rivalry increases too much as the season progresses, thereby causing too

Littlefield Wildcat Juniors Win Muleshoe Tournament Championship

Muleshoe Eighth Grade Basketball Tournament champions, the Littlefield eighth graders are pictured above. They are:

Front Row, left to right—Jerry Thornhill, Don Wilson, Garland Thornton, Tommy Meers, R. L. Rhoten, and Lloyd Williams;

Back Row, left to right—Head Varsity Coach Forrest Martin, G. L. White, Douglas Perkins, Jimmy Thornton, Jackie Beckner, Don Erwin, Garry Pass, Don Nickels, and Eighth Grade Coach George A. Kirk.

Littlefield 8th graders squeezed through two games and then poured it on Sudan 17-5 Saturday night to win the Muleshoe 8th grade tournament.

Led by high point scorer Lloyd Williams with 6 points, the Wildcat Juniors defeated Springlake 15-14 in a thrilling first round game. Coach George Kirk's team came back in their second game to win another close one 13-12 from Muleshoe. Tommy Meers was high point man with six points.

The final game was mostly Lloyd Williams who was highpoint man with 14 points in the 17-5 victory over the Sudan 8th graders.

The juniors who will be Coach Forrest Martin's varsity and 9th grade mainstays in the next few years include Don Wilson, Jerry Thornhill, Garland Thornton, Tommy Meers, Lloyd Williams, Don Nickels, G. L. White and Jackie Beckner.

Amherst Girls Win Lamb County Championship, Spade Is Second

Amherst Girls won the Lamb County championship last week with a 39-19 victory over Springlake. Spade then defeated Springlake in the play-off for second place by a narrow two points margin, 27-25, and won the other Lamb county place in the district tournament.

Representatives from Amherst and Spade will attend a meeting in Lubbock Monday night to determine the date, time and place of the district tournament.

Amherst won the opener Wednesday from Olton 32-10. And in other games leading to the finals.

Springlake defeated Spade 16-14; Amherst clipped the Littlefield Kittens by nine points 27-18; Sudan lost to Springlake 28-29; Spade trounced Olton 42-21.

Highpoint scorers for the teams were Helen Vaughn of Amherst, Cleavenger of Springlake, Williams of Sudan, E. Inklebarger of Spade, Wagner of Olton and Joanne Wallace of Littlefield.

Whitharral Wins In Sundown Meet

Whitharral and Anton were named as first and second place winners in the Hockley girls' basketball tournament, following a final six-game slate at Sundown Saturday afternoon and night.

Whitharral completed the round-robin tourney with a record of six wins and no defeats, while Anton won five tilts and lost only to Whitharral. Both teams will be eligible to compete in the District 18-A meet which will be held later this month.

In the final tourney games Saturday afternoon, Anton opened the slate with a 38-31 victory over Sundown. Brown topped Anton with 23 points, while Shirley tallied 14 for Sundown.

Whitharral dropped Levelland 42-35, in the second setto. Durrett chalked up 28 points for Whitharral, while Shrum collected 22 for the losers.

Ropesville swamped Pettit, 40-14, as Beavers swished the net for 16 points. Johnson hit the loop for 11 for Pettit.

In the first night clash, Whitharral trounced Smyer, 53-36. Durrett paced notched 13 for Smyer.

Sundown dropped Pettit, 4-30 as Shirley scored 21 points, and Levelland nosed out Ropesville, 26-25, to close the tourney. Shrum sparked Levelland with 16 points.

TAF Tourney Set For Feb. 25

Entries in the Texas Athletic Federation basketball tournament which will be held in Chapman Fieldhouse, Lubbock, starting Feb. 25, must be turned

in not later than Feb. 18, Tournament Director Curtis Barrett emphasized Saturday.

Each entry must be accompanied by \$25, price of admission per team.

Prizes will be given to each team entering and there will be individual trophies as well. The winning team will be given an all-expense trip to the state TAF tournament.

The first 32 teams to enter from Lubbock, Scurry, Borden, Yoakum, Terry, Lynn, Garza, Kent, Stonewall, King, Dickens, Crosby, Hockley, Cochran, Bailey, Lamb, Hale, Floyd, Motley, Cottle, Gaines, Dawson and Andrews counties will be accepted. No person is eligible to compete who has been a member of a college, junior college, university or freshman team after Jan. 1 if he is still enrolled in that school. Rosters will be limited to 10 men.

"B" Squad Defeats Muleshoe, Sundown

Littlefield High's "B" squad basketballers swung into high with two victories last week. They defeated Sundown "B" 26-25 in a thriller Tuesday night after trouncing Muleshoe "B" 21-7 Monday night.

Troy Pritchard led his teammates with 15 points against Sundown and Tommy Bailes was high point man, with 5, against Muleshoe.

"B" squaders other than Pritchard and Bailes, are Johnny Edwards, Luther Brock, Jerry Cotter, Ted Brewster, Clifford Hopping and Floyd Pinkerton.

Spade Girls Win 2nd In Tourney And Chance In District Meet

Things looked bad for Spade Wednesday night when the girls locked horns with Springlake in a tight game, coming away losers by a short two-point margin, 16-14, in the opening round of the County Tournament held at Amherst. Springlake's scoring was led by Cleavenger, who came up with 11 points, while Ava Nell Greenwood from Spade, led theirs with 7 points, followed closely by Edwina Inklebarger with 5 points and Toni Sullivan with 4 points.

But frowns changed to grins when Spade came back Friday night to trounce Olton 42-21. In this rousing game Edwina Inklebarger led the Longhorn stampede with a glaring 18 points, while Wagner from Olton tallied 17 of their 21 points.

These grins changed to shouts of joy when Spade came back to take Springlake for a ride, with a victory of 27 to 25. This time Ava Nell Greenwood again led the scoring for Spade with 16 points while Cleavenger from Springlake dropped in 4 field goals and one free shot

to be the high scorer for that side. The Spade girls brought home a beautiful, second place trophy that they're plenty proud of. The girls will compete in the district meet, but Coach Jackson said that arrangements hadn't been completed as yet.

The Boys played a fill-in game, also, and triumphed over Springlake boys 43 to 30, with Mayon leading the scoring for Spade with 13 points, while Clayton from Springlake, came up with 9 points. The boys are slated to play in the district tournament this week end.

ANTON GAINS 43-36 VICTORY OVER SMYER

ANTON, Feb. 2 (Special)—Anton's smooth-working cagers nosed out Smyer in an exhibition game at Anton on Wednesday night of last week, 43-36. Glascock, Smalley and Harper each tallied eight points for Anton, while Pair notched 14 for Smyer.

In the "B" game, Anton dropped Smyer, 28-17.

Olton Wins Novice Team Championship In Regional Golden Gloves Tourney

Olton carried off team honors in the novice division of the Regional Golden Gloves boxing tournament last Thursday night at Lubbock, as well as two individual championships while Ballard Montgomery of Sudan punched his way to the 147-pound novice title and Bobby Goss of Muleshoe, won a quick knock-out championship in the novice heavy-weight division.

Joe Hall and Bob Gollett both won

championships and two other Olton lads, Bo McClure and Huck Nichols reached the finals before losing. Olton had 10 points to Lubbock's 8, Brownfield's 7 and Plainview's 6.

Hall dived Don Reece for the novice flyweight championship in a three-round scrap, and Bob Gollett dished Bob Austin of Lubbock in the 135-pound division in a close fight. He staggered Austin in each round with long rights and stayed even on the infighting to grab the title.

McClure was knocked out at 0:27 in the first round by Lyle Shelton of Brownfield, in the 127-pound division. Shelton came out swinging, landed a flurry of solid lefts and rights to the head and it spelled KO.

Nichols lost one of the best novice bouts fought to Ballard Montgomery, Sudan, in three rounds of fast righting. Montgomery simply threw the most leather, to gain a decision in this fine 147-pound scrap.

Bobby Goss kayoed Bill Cargill, Lockney—just 36 seconds after the opening bell. The Muleshoe boy landed a stiff right to the jaw to chill Cargill after the Lockney heavyweight had started to carry the fight.

LEVELLAND LOBOS DRUB MORTON 52-23 IN 4-A LOOP TILT

Levelland's Lobos drubbed the Morton quint, 53-23, in a north District 4-A conference clash at Levelland Wednesday night. J. T. Pugh paced Levelland with 12 points, while Hill notched nine for Morton.

The Levelland "B" trounced Morton, 58-14, as Jimmy Spence swished the net for 15 points. Bill Bailey connected for 12 for Morton.

Amarillo Men Arrested Early Friday Liquor Law Violation Is Alleged

Two men giving their names as F. B. Freeman and Jimmie Spencer of Amarillo, were arrested by Deputy Sheriffs Buck Creamer and Dewey Dennis and members of the Liquor Control Board about 2 a. m. Friday a short distance south of Springlake.

Complaints charging the men with transportation of liquor in a dry area were filed in County Court.

Brought to Littlefield the pair were placed in the county jail, and several hours later made bond of \$1000 each to appear before Judge Otha Dent Monday, March 7, to answer to the charges. They were released from custody following the making of bond.

SON BORN TO LIEUT. AND MRS. GARLINGTON

Mrs. E. J. Newgent received a cablegram from Japan Wednesday of last week to the effect that a son was born to Lieut. and Mrs. Jack Garlington at Kyoto, Japan, on February 2, at 11 a. m. at the Army Base Hospital.

The infant weighed at birth six lbs., and has been named Joseph O'Brien Garlington, after both grandfathers, J. O. Garlington of Lubbock, and the late Joseph Newgent.

Mrs. Garlington and son are reported to be doing fine.

DAUGHTER IS BORN
A daughter was born to Mr. Clandel Feaster of Littlefield, Payne-Shotwell Hospital, February 2, weighing 8 pounds. The infant was named Feaster.

Miss Chloe A. Beason And Bill Carter Wed In California

Miss Chloe Ann Beason, formerly of Amherst, and Bill Carter of Placerville, Calif., were married in a beautiful double ring ceremony at the home of Mr. and Mrs. C. A. Carver in Smith Flat, Calif. The ceremony was performed by Rev. A. W. Sidders before a table arranged with a bouquet of white carnations with candles on each side.

The bride who was given in marriage by her brother Ray Beason of Placerville, was attired in an aqua colored dress with grey accessories. She carried a white prayer book topped with a white orchid with streamers of white satin ribbon tied in bows. The traditional "something old, new, borrowed, blue, with a penny in her shoe" was carried out.

Miss Lois Carver of Smith Flat was bridesmaid. She wore a dress of rose-pink crepe. Her corsage was a green orchid arranged with bronze ribbon. Best man was Bob Schroth of Placerville, Calif.

The reception was held immediately following the wedding. The brides table was covered with a lace cloth. Refreshments consisted of a three-tiered wedding cake topped with a miniature bride and groom, and punch. Lois Carver presided at the punch bowl and Mrs. Beverly Cola served the cake.

The bride is a 1948 graduate of Amherst High School. She is now employed as clerk-typist in the Recorder's Office at the court house in Placerville, Calif. She plans to continue her work for some time.

The groom is a graduate of the University High School in Oakland, Calif. He served 23 months in the army and attended Portersville Junior College for 7 months. He is now employed with Texaco Service.

The couple will be at home at 35 Spring Street in Placerville, Calif.

SUDAN NEWS

an Raises \$1,030.87 Towards March of Dimes

A total of \$1,030.87 was raised in Sudan during the "March of Dimes" Polio Drive which ended January 31. This was the first town on the list to reach the quota set in the drive for Sudan was \$750. The drive, under the leadership of Mrs. E. J. Slate, was one of the most successful charitable drives carried on in a number of years. Mrs. Slate and her committee, composed of Mrs. E. J. Slate, Mrs. Ves Terry, Mrs. E. J. Stone extend thanks to all people of Sudan, and especially to those who made the drive so successful. Tuesday Study Club, in charge of the basketball game which was arranged through the efforts of Mrs. Radney Nichols, netted the \$1,030.87. The Sudan American Legion sponsored a dance at their Hut which brought the drive a net of \$51.60.

Coin collection boxes were responsible for swelling the fund. Sudan Grammar and High School children contributed \$50.66 to the worthy cause. Girl Scouts of Sudan made up \$16.17 and patrons of the Texan Theatre through the efforts and co-operation of Mr. R. C. Lloyd, manager, swelled the fund with contributions amounting to \$83.53. Individual contributions amounted to \$572.99. A grand total of \$1,030.89.

Sudan Observes Boy Scout Week

Special programs to commemorate Boy Scout Anniversary Week are now underway at Sudan. An outstanding event of the week was a pot-luck supper staged at the American Legion Hut Tuesday night, Feb. 8th, with Girl Scouts, Brownie Scouts Boy Scouts and Cub Scouts all participating in the program. Scout Executive Bill Postma of Lubbock was the principal speaker and Supt. Perry Moring had charge of the Court of Honor. The Master of Ceremony for the evening was S. D. Hay.

Valentine Party In Miller Home

The Miller home was the scene of a very lovely social event Saturday morning, February 5, when Mrs. W. H. Lyle, Sr., Mrs. C. M. Furneaux, Mrs. Joe T. Salem and Mrs. F. E. Miller entertained with a coffee.

The table was beautifully decorated in a Valentine theme, with a centerpiece of red carnations, and red, heart shaped candle holders scattered over the table. Mrs. J. A. Harris presided at the coffee service during the first hour, and Mrs. Newt Harkey of Littlefield during the last hour.

About one hundred guests from Sudan, Amherst, Littlefield, Lubbock and Amarillo called during the morning.

Missionary Society Meets Monday

The Methodist Church ladies met Monday night at 7:30 o'clock in the Annex of the Church to have their 5th Monday social.

After several interesting games were played, cookies and hot chocolate were served to the following members:

Mesdames Broyles, Ormand, Minyard, Dryden, Pinkerton, Kimble, Jones, Mooring, Joe Markham, Bartee, Sherrill, Walker and Gaston.

BOY SCOUTS MEET TUESDAY

The Boy Scouts met at the Legion Hut Tuesday night, and had another ball game.

Twenty-two scouts and the scoutmaster were present.

They went in a body to the First Baptist Church Sunday to the 11 o'clock service. Sixteen were present.

Pfc Carlos Kirk Was Reburied At Anton Wednesday

Funeral services for Pfc. Carlos Lloyd Kirk, of Anton, who was killed on Okinawa May 2, 1945 were held Wednesday afternoon at 2 p.m. in the First Baptist church at Anton with Rev. Wilson of Spade and Rev. Reeves of Littlefield officiating.

Pfc. Kirk entered the service on March 1, 1944 and was called to active duty March 24, 1944. He was shipped overseas in September of 1944 landing on the Russell Islands, later moving on to Okinawa where he was killed. At the time of his death he had received a Purple Heart and two battle stars on his Southern Pacific campaign ribbon, indicating two major battles in that area. He was

buried in the First Marine Division Cemetery there.

Survivors include his mother and father, Mr. and Mrs. C. D. Kirk of Anton; one brother Orrel Kirk, of Lubbock; and three sisters, Mrs. Moselle Biles, of Anton, Miss Othell and Betty Lue Kirk, also of Anton.

Reburial will be in Anton cemetery under the auspices of the American Legion of that city. Hammons Funeral Home of Littlefield will be in charge of services.

CARD OF THANKS

We wish to express our thanks and appreciation to our many friends and neighbors, who were so kind and thoughtful during my recent illness. Also for the beautiful flowers, and many "get well" cards, which made me very happy to live in a world like ours.

Especially do we thank the doctor and nurses, at the Lamb County Memorial Hospital, for their courtesy. Believe me, they are really swell people. Thanks again to each of you, and God bless you.

Last Rites Held For Willard Hill

The body of Willard Hill, 30 farmer, who with G. W. Falls, local groceryman, drowned the Tuesday previous in the Marte R. Gomez reservoir, 13 miles south of Roma, or approximately 40 miles southwest of McAllen, Texas, while on a fishing trip, was recovered Saturday morning. A professional diver from Galveston found the body of Hill.
The Hammons Funeral Home of Littlefield sent an ambulance after the remains, leaving here Saturday night about 8 o'clock for Laredo, Texas, and returning here late Sunday night.
J. Ernest Jones of Littlefield and Lamb County superintendent of schools and a Mexican guide, who was with the fishing party, swam ashore.
Mr. Falls' body was recovered soon after the accident.
Funeral services for Hill were conducted at the First Methodist Church, Littlefield, at 2:30 P. M. Monday, with Rev. Carl S. Schulte, pastor of St. Martin's Lutheran Church, officiating. The American Legion and Veterans of Foreign Wars was in charge of the service at the grave.
Interment took place in the Littlefield Cemetery.
Pallbearers were Bill Kelly, J. D. Saunders, Alvin Shambley, Hugo Beyer, Lomer Nelson, Walter Schroeder, Sherman Taylor and Hugo Holderbrandt.
Mr. Hill is survived by his parents, Mr. and Mrs. H. B. Hill of Littlefield, with whom he made his home; two brothers, Walter Hill, Littlefield, and Alfred Hill, Hale Center; four sisters, Miss Erna Mae Hill, Mrs. Lee Holtkamp, and Mrs. Hilmar Braune, all of Littlefield; and Mrs. Henry Druessedow, Jr., of Haskell.
During the war, he served about four and a half years in the Army Air Forces, being stationed for some time in England. He had engaged in farming since his discharge from the Army.
He was a member of St. Martin's Lutheran church, in which he played an active role in activities. He was also a member of the Littlefield VFW post and the American Legion.

Father Of Fred Gerlach Passes Away At Memphis

C. Gerlach, 65, of Memphis, Texas, father of Fred Gerlach of this city, passed away Friday at 4 a. m., after a lengthy illness.
Mr. Gerlach suffered a stroke of paralysis last August and had been bedfast since that time, his right side being partially paralyzed.
Services were conducted at the First Methodist Church, Memphis, Saturday at 3 p. m., with Rev. C. C. Armstrong, pastor, officiating, assisted by Rev. B. L. Peacock, pastor of the First Presbyterian Church of that city.
Burial took place in Fairview Cemetery at Memphis.
Mr. Gerlach had been a resident of Memphis since 1903, and was a member of the Methodist Church for many years.
He operated an automotive electric business during his entire life at Memphis, until two years ago, when he disposed of it.
Mr. Gerlach is survived by his widow, three sons and two daughters, and nine grandchildren.
Besides Mr. Gerlach of Littlefield, the sons are: Alvis of Memphis and Ervin Gerlach of Levelland.
The daughters are: Mrs. J. W. Dillard of Borger and Mrs. W. B. McCreary of Shamrock, Texas.
Mr. and Mrs. Gerlach and two daughters, George Ann and Freddie Carol, attended the funeral services.
Mr. Gerlach has been spending considerable time with his parents, and was in Memphis when his father passed away. He is remaining in Memphis until next week, while Mrs. Gerlach and daughters returned home Sunday night.

Church Services As Usual

The Church of Christ held their regular Sunday morning services, with the regular group of churchgoers, with a few exceptions, present. Brother Joe Dukes of Lubbock was the visiting preacher.

The Baptist Church had about 19 in attendance last Sunday morning, despite the road conditions. Reverend Charles Vanlandingham, the pastor, enjoyed dinner with Mr. and Mrs. Ross Lefever, then departed, to go to Muleshoe, where the East Zone put on a program for the West Zone, at the Muleshoe Baptist Church. There were no services Sunday night.

Hart Camp Personals

Mr. and Mrs. Edgar Williams and daughter, are on their way out here from California, where they have been making their home the past few years. They plan to farm with Mrs. Williams' father, J. W. Johnson. Mrs. Williams is better known around Hart Camp as "June". Their dog, which arrived several weeks before, should be pretty well

acquainted with the place by now.

Olen Ray Mahaffy, a Texas Tech student, and the son of Mr. and Mrs. K. W. Mahaffy, has been circulating back and forth between college and home for the past week, during his registration week, seeing some of his old friends, and springing some of that college larnin' on 'em.

Maxine Muller is also home from college, for a few days. She has been visiting her friends around Hart Camp and Spade. Maxine is a Speech major at West Texas State Teachers College at Canyon, and is in her freshman year there, at the present time.

Sammie Wheeler, the small son of Mr. and Mrs. Martin Wheeler, who live Southwest of Hart Camp, has for the past week been ill with asthma, and was treated for three days at the Levelland hospital, by Doctor Pure. He has improved greatly and is expected to start to school soon.

The Nienast family of Hart Camp had a "few" kinfolks gathered at their home Sunday. It was reported that there were about fifty present. Looks like they have plenty of kinfolks to be

proud of.

ODDS N' ENDS

One of the mainest topics this week, around Hart Camp, and over West Texas as a whole, for that matter, is the mud, and I mean MUD! I stated a week or two past that when our mail carrier failed to make his run, that it was muddy. Well, believe it or not, that is what happened Saturday. Hart Camp School was turned out Friday because of the impassability of the roads. The only time a person could hardly travel was in the morning hours when the mud was frozen, and even then deep ruts caused danger of high centering. Several tractors really had some workouts in the mud. Here are some things that you might carry to get through the mud: two sets of mudchains (an extra if one set wears out), one shovel and something to keep the handle cool while digging, one small tractor stowed somewhere in the rear compartment, and extra vocabulary, not to be used except in cases where mud is knee deep, five or six husky men to help push, and a life preserver, if marooned in a bar ditch.

Vaught Suffers Accident
Mr. Melton Vaught, former Spade groceryman, who now lives at Hereford, had the misfortune recently of breaking his shoulder and collar bone in an accident.

Mr. and Mrs. Robert Adams and children have returned after a week's vacation, visiting friends and relatives in Gatesville and Fort Worth. They also visited in Abernathy.

Littlefield Visitors
Mr. and Mrs. J. A. Rader and family had as Sunday guests Mr. and Mrs. Grover Durham and son Charles, of Littlefield.

Visiting Relatives
Mr. M. S. Northcutt of South Texas is visiting with his daughter and

family, Mr. and Mrs. A. R. Riley of Spade.

Sick List

Those reported on the sick list this week in Spade, with the measles, are Judy Jackson, Jimmie Mouser and Faye Richards.

Mr. R. A. Leonard is reported getting along fine from a brief illness. Spade churches held services Sunday although there were not many present.

Pink and Blue Shower

Mrs. Denner Dearing was honored with a pink and blue shower at the Baptist church, Tuesday, Feb. 1. The attendance was small due to impassable roads. Those present were Mesdames Bob Inklebarger, H. E. Lacey, R. A. Leonard, R. D. Stokes, W. M. Weatherby, V. P. Osborne, F. M. Wiley, H. R. Wallace and H. N. Bennett.

Sending gifts were Mrs. Dearing's mother, Mrs. John Duke of Hobbs, N. M., and Mesdames Kay Smith, W. A. Tindal, O. M. Edwards, Lon Chamberlin, H. P. Elkins and other names we did not get.

Visited in Ropesville
Mr. and Mrs. H. R. Wallace visited

Anton Man Killed In Car Accident

Kenneth Lee Goen, 24, of Anton, was killed about 8 A. M. Thursday, when his 1940 Chevrolet was in collision with a truck-tractor five miles from Lubbock on Shallowater highway.

Goen, father of a three-day old son was returning home from a visit with his wife and the infant in West Texas hospital in Lubbock when the accident occurred.

The truck-tractor, driven by Russell W. Love, 24, of Benton, Ark., had slowed its speed and was pulling off the highway to assist a third car which was stuck when Goen's sedan is reported to have crashed into the rear of the heavy vehicle.

Love escaped serious injury. Goen was pronounced dead on arrival at Lubbock Memorial hospital where he was taken by Rix Funeral home ambulance.

He is survived by widow; the son, Boyd Wayne; the parents, Mr. and Mrs. John W. Goen; two sisters, Johnnie Nell Goen and Mrs. Ruby Lindsey; and two brothers, Boyd and Don. All the survivors are residents of Anton.

Funeral services were conducted at the Baptist Church, Anton, Saturday afternoon a 3:00 o'clock, with Rev. W. M. Draper, pastor, officiating. Burial took place in Anton cemetery under direction of a Lubbock Funeral Home.

Increased Business In County Tax Office Brings Move To Larger Quarters

The growth and development of Littlefield and Lamb County is once again reflected in the outgrowing of facilities of official offices.

This time it is the office of the Tax Assessor and Collector, Clarence Davis. The office of Mr. Davis became so crowded with personnel records and general office facilities that the Commissioners Court decided that more room was needed, and immediately.

A steel structure 12x24 feet has just been completed at the corner of 6th St. and XII Drive, and immediately on the west side of the court house, and will be occupied as the offices of the Tax Assessor and Collector.

The Steel-Bilt Products Company of Lubbock are the contractors. Moving operations are underway, and the new offices will be occupied immediately by Mr. Davis and his staff.

Practice Not Applicable To Irrigated Land Producer Must Report When Work Completed

John W. McQueen, Secretary Lamb County ACA, urges all farmers in this County who are eligible and have not done so, to make application for prior approvals on Contour listing as soon as possible.

For those who are in doubt as to their eligibility in qualifying for this practice, the qualifications are:

(a) When used to protect summer-fallowed acreage from which no crop is harvested in 1949—60 cents per acre.

(b) On cropland other than summer-fallowed acreage—30 cents per acre.

Contour listing must follow level guide lines at not to exceed twice the terrace interval or must follow terraces. On slopes averaging greater than 3 percent, (slopes that have a drop of more than 3 feet per hundred feet), contour listing must be in combination with terraces.

The practice is not applicable to irrigated land.

In order to obtain Triple A assistance for any practice, the producer must make application for Prior Approval before the practice is begun and report the practice on the report form, (Prior Approval), when the practice is completed.

BULL LAKE PHILOSOPHER SAYS GOVERNMENT PRICE-CONTROLLING CAN LEAD TO A LOT OF PLACES

Editor's Note: The Philosopher on his Johnson grass farm on Bull Lake this week discusses, of all things, haircuts, a subject he obviously knows as much about as he does scientific farming.

Dear editor:

I don't know what paper it was in, but I read the other night where some organization is tryin to get a bill passed to control the price of haircuts, that is, control the minimum price.

Now if I was a barber I guess I'd want a minimum price on haircuts, although this would eliminate the fun we used to have when one barber shop seen business get a little slack, would cut the price 10 per cent, another would counter with 20 per cent, another would slash it some more, and finally they'd get down to 10 cents apiece with maybe a shave

thrown in, but I think the barbers finally discovered reducin the price to practically nothin didn't increase the number of haircuts very much.

Now I ain't gonna get involved in no argument with the barbers, they talk too much as it is, unless they intend to get a bill passed controllin the number of times a man has to have his hair cut, which would violate the construction as far as I'm concerned, but I have been thinking. Laws now trying to control the minimum price of: Tooth paste. Hair oil. Automobiles. Plow points. Baking soda. Lip stick. Wash tubs. Bedsteads. Dog food. Tobacco.

And so many other items you wouldn't have room to print em, and what I can't understand is that the

folks that holler the loudest for minimum prices set by law for their business can't see nothin but bureaucratic nonsense in minimum prices for cotton or corn or wheat or rice or hogs or cows. Some business folks want a government-controlled price on mouth wash so they can make enough profit to gargle and clear their throat and yell against a government-controlled price on what a farmer sells.

The problem is too big for me, but government-controlled price is like buildin a fire for your wife. You do it once or twice and you blamed near got to do it the rest of your life.

Yours faithfully, J. A.

WEST TEXAS GAS COMPANY COMPLETED ALL 1948 PROJECTS ON SCHEDULE... 1949 EXPANSION PROGRAM IS STARTING

(Following are the projects which we reported to our customers in July, 1948, that we planned to complete in 1948.)

NEW FACILITIES TO BE INSTALLED ON PIPE LINE SYSTEM 1948

- 1. Near Turkey Creek Compressor Station will be installed a 300 horsepower booster compressor. Main plant is 2,350 horsepower.
2. At McSpadden Compressor Station: three more 400 horsepower compressors, increasing capacity to 2,850 horsepower.
3. At Plainview Compressor Station: one more 300 horsepower compressor, increasing capacity to 2,400 horsepower.
4. At Littlefield Compressor Station: one 80 horsepower compressor, to increase capacity to 330 horsepower.
5. Between Littlefield Compressor Station and Whitharral: nine miles of 6 1/2-inch pipe will replace 3 1/2-inch pipe.
6. From Littlefield to point of intersection with new El Paso Natural Gas Company line: ten and one-half miles of 8 1/2-inch pipe will replace 4 1/2-inch pipe.
7. At Taboka Compressor Station: one more 300 horsepower compressor, to increase capacity to 780 horsepower.
8. Between Taboka and Brownfield: ten miles of 6 1/2-inch pipe will replace 4 1/2-inch pipe.

TWO NEW SOURCES OF SUPPLY ARRANGED

We have signed an agreement with El Paso Natural Gas Company to purchase from that company at two points. Barring unforeseen contingencies, this gas, which will benefit all towns on our system, will be available by November 1, 1948.

1948 PROGRAM COST 2 1/2 MILL

Last winter we experienced an unusually heavy demand gas system... a demand which briefly exceeded the capacity transmission facilities. At that time we told the people we would make every effort possible to correct this situation the next winter.

Certain definite projects were required to increase capacity. Some had already been planned... others were added to our customers via the newspapers what were planned to carry out in 1948. In the panel at left is a list of those 1948 projects.

We are happy to say all of the expansion and improvement projects reported to our customers were actually completed during the year in these improvements and additional facilities.

In November, we began purchasing substantial quantities of gas at Amherst and at Umberger from El Paso Natural Gas Company. These new supplies of gas will directly or indirectly benefit all served by us.

2 1/2 MILLION MORE IN 1949

Already our 1949 expansion program is beginning. Preliminary work is under way now for one important project. It is estimated that we will invest another \$2,250,000 or more during 1949 in additional facilities and improvements. Thus, in the two years 1948 and 1949 we will have invested about four and one-half million dollars in order that we may provide a dependable, efficient, economical gas service to our customers.

South Plain Cotton Men Appear At hearing At Washington Monday

The story of West Texas cotton, as concerns parity prices and production controls was told before a sub-committee of the House Agriculture committee in Washington Monday.

The information, in the form of a brief and testimony was presented by a group of eight men from this area representing several phases of the cotton industry, and sponsored by the South Plains Cotton Committee, a branch of the Statewide Cotton Committee.

In the group who left by train Friday afternoon, were: W. O. Fortenberry, Monroe ginmer and farmer, and chairman of the South Plains committee, and George A. Simmons of the Lubbock Cotton Oil Company, vice-chairman; Otha Key, of the Plains Co-operative Oil Mill, Lubbock. W. H. Cunningham, Littlefield farmer; Fred McGinty, Tahoka farmer; Homer R. Winston, Brownfield, Terry County Judge; G. L. Jackson, Abernathy farmer; and C. O. Carmack, Tahoka ginmer and farmer.

The session was part of the closing phases of a House subcommittee hearing in which it has been sought to get the cotton production and price picture from every major section of the belt as the legislators seek to formulate an improved long range program.

This relates particularly to the parity price structure, and to probable acreage and quota controls following the 1949 crop. Cotton prices are under government support this year on the basis of 90 per cent of parity, but there are no acreage or production controls.

Seeking to offset what can be a record cotton acreage this year, the House last week passed a bill excluding 1949

cotton from consideration as a base year in determining acreage and quotas in any possible future control program. It had been feared that farmers might rush to plant every possible acre to cotton in an effort to boost acreage allotments under future controls, if 1949 had been allowed in the base period.

It was indicated that Senate approval of the plan would be routine.

Appearance of the West Texas group at the Washington hearing was at the insistent suggestion of Cong. George Mahon, who believes that since this is one of the heaviest cotton producing areas in the world, the West Texas picture should be in the record.

Mahon said the committee hopes to conclude the hearings by Feb. 11, but added that the final draft of long range legislation probably will not be agreed upon until a much later date.

Mahon is a staunch supporter of the parity price support program, but asserted that a parity support less than 90 per cent would be unsatisfactory and inadequate.

He explained that the support price this year on cotton is 90 per cent of parity, but that after this year, the law permits the secretary of agriculture to set the support as low as 60 per cent of parity.

Spokesmen for cotton growers on Mississippi delta land recommended Friday that a five-year period be used as a base for prospective acreage allotments.

Testifying before a House Agriculture subcommittee, James Hand, Jr., of Rolling Fork, Miss., said a five-year base "is not as susceptible" to variations from crop disaster as would be a base of fewer years.

Scout Growth Shown By New Troop and Pack

Two examples of the growth of scouting in Littlefield during the past year are evident in Troop 34 and Cub Pack 41. More than 50 boys are actively engaged in scouting through these organizations.

Troop 34 which is sponsored by the Presbyterian Church was organized in October last year. Bob Cox, Scoutmaster, is assisted by Carter McKemy, Jim Roberts and Frank Anzeline.

The troop meets each Wednesday night at the church, and has so far confined its activities mostly to hiking, instructions on First Aid and Woodcraft. Most of the members have passed their tenderfoot tests.

Cub Pack 41 is sponsored by the Lions Club and was organized late in September. The Pack has four Dens. Denmothers being Mesdames W.M. Orr, L.M. Ratliff, Jack Fore and Pat Terry.

Each den meets at the home of their Denmothers once a week and one a month a pack meeting is held to report on Den and individual progress, as well as to relieve awards.

Weldon Findley and Huston Hoover are scoutmasters for the pack. Boys from 9 to 12 years of age are eligible to become a Cub.

Irrigation Proves Feasible In South Plains Counties

Irrigation proved its value in cotton production on the South Plains on the basis of ginning figures showing a total of 1,058,858 bales ginned in 15 counties in 1948, compared with a total of 943,661 bales in 1947, despite the drought that persisted throughout the year.

Figures, announced yesterday by the Bureau of the Census of the Department of Commerce showed ginnings of the 1948 crop to be about two-thirds of the 1947 production, and well below season forecasts by local growers, who progressively whittled estimates as the season progressed despite dry weather continued.

1,058,858 bales in 1948 compared with 943,661 bales to the same date last year from the 1947 crop, and with a total of 961,742 bales in the 1947 crop of 15 counties in the area showed

an increase over last year. Both considered heavy wheat-growing counties, Hale and Floyd also have witnessed heavy irrigation increases, and acreage is gradually swinging from wheat to cotton.

Hale shows ginnings of 67,436 bales on Jan. 16, compared with 60,314 total 1947 ginnings, while Floyd gained 30,102 to Jan. 16, compared with a final total last year of 28,829.

Dry weather took its toll in non-irrigated counties, some of which with fair season are heavy cotton producers. Among these are Crosby, Dawson, Garza, Lynn and Terry. Without exception they were all far under the 1947 crop, the average running about 50 per cent or less.

Comparable figures on ginnings in the 15 counties for the 1947 and 1948 crop to Jan. 16, and the final report on ginnings in the same counties from the 1947 crop follow:

Deadline For Obtaining Commodity Credit Loans On Grain Sorghums February 28

John W. McQueen, secretary of Lamb County ACA, is reminding Lamb County farmers that the deadline for obtaining Commodity Credit Corporation loans on grain sorghums is February 28, 1949.

He also states that the deadline date for obtaining Commodity Credit Corporation loans on cotton in April 30, next.

Sister Of Robert A. Bigham Passes Away

Funeral services were conducted from the Church of Christ, Killeen, Texas, Thursday afternoon for Mrs. Julius Alexander, 64, sister of Robert A. Bigham of Littlefield, who passed away suddenly in the Scott & White Temple Hospital at 5 o'clock the previous Tuesday afternoon, as a result of a heart attack following a stroke suffered at her home Monday.

Services were conducted by Bro. W. B. Parsons, minister of the church.

Interment was made in the Killeen Cemetery with Chanslor-Young in charge of arrangements.

Mr. and Mrs. Bigham received the death message by telephone and left Wednesday for Killeen, returning to Littlefield Sunday morning.

Mrs. Alexander, who is the former Miss Lena Bigham, was a native of Bell County. She was born at Temple, but went to Killeen as a small girl and

was widely known and well loved by the people of the entire section. She and Mr. Alexander were married in 1907, and their more than forty years of happy married life were spent at that city.

Mrs. Alexander was a devout Christian woman, a good neighbor and a good friend. She had the happy faculty of spreading sunshine and joy about her by the sincerity of her affection for her friends and the good will she held for everyone.

She is survived by her husband; one sister, Mrs. Homer Williams of Parkville, Mo.; and two brothers, Robert A. Bigham of Littlefield, and Lee Bigham of Killeen.

South Plains Cities In Dark For Short Time Saturday

Parts of Lubbock, Plainview, Littlefield, Levelland, and a large number of

other cities and towns in the South Plains area were "in the dark" for a short period of time early Saturday evening, when a relay breaker switch at the Southwestern Public Service company's Tuco plant, north of Abernathy, opened for a short time.

Officials of the power company state that the power break was due to a temporary overload on the lines.

The company, which recently completed a conversion from 66,000 to 115,000 volts on the main line between Borger and Carlsbad, N. M., put the stepped up voltage into operation at 3:28 p. m. Saturday. Failure to get the line into Hereford "closed up" was believed to have caused the overload which opened the Tuco switch.

Five interruptions in power in a 28-minute period starting at 6:33 p. m. was the period of the trouble, Dyer said.

All three Lubbock radio stations were off the air intermittently during the period of trouble, it was reported by station officials, but programs were quickly resumed in each case.

Towns between Denver City and the Tuco plant were without power for only a minute or more when the switch at Denver City opened, Dyer said.

Affected for longer periods were Dimmitt, Hart, Earth, Olton, Plainview, Lockney, Silverton and Floydada. Lubbock, with provisions for switching over to power generated current within the city, was not hurt too much by the break. Most affected were residents in the outskirts of the city, it was believed.

Report on Grain Sorghum and Cotton Situation

By George Mahon

The present law permits but does not guarantee a loan, usually referred to as a support price, on grain sorghum. I have joined with others here in appealing to the Secretary of Agriculture to announce immediately a 90% of parity parity loan on grain sorghum for the 1949 crop. I am also supporting legislation which would require such a loan support. Producers need to know what to expect in the way of support prices long in advance of planting time.

The Secretary has authority to announce a 90% of parity loan, or a loan at any rate lower than 90%. A loan of less than 90% would be unsatisfactory and inadequate. What the Secretary may do and what Congress may do is not yet known. I hope we can secure passage of a long range farm program assuring a support of at least 90% of parity on grain sorghums, cotton, and other important crops. Producers should be on the alert for developments, particularly in connection with the 1949 crop.

Here is the situation as to cotton. The present law assures a support price of 90% of parity for 1949, but after

1949 the support could be as low as 60% of parity. A 60% support would be practically worthless, and we hope to fix the figure for the long range program at not less than 90%.

Two important questions as to cotton may be decided by Congress within the next few weeks. First, will acreage planted to cotton in 1949 be considered in arriving at cotton quotas on individual farms in 1950? Second, what sort of formula should be used in fixing cotton acreage quotas for the states, counties and individual farms in and after 1950? It is assumed that if there is to be a support price on cotton in 1950 there will be a cotton acreage control program in 1950.

Production controls, however, would not be placed in operation without an affirmative vote of the producers themselves.

If Congress decides that 1949 shall be counted as a base year, West Texas farmers will probably go the limit in seeding land to cotton. But, at the same time, many Central and East Texas farmers who have about gone out of the cotton business would probably plant a big cotton acreage, and it has been argued that West Texas might possibly sustain a net loss in cotton quotas.

Members of the House Committee on Agriculture are seeking passage of a resolution specifying that the year 1949 shall not be considered as a base year in fixing 1950 acreage quotas.

The House Committee on Agriculture has heard some of the recommendations of the Farm Bureau, a nation wide organization, in regard to cotton acreage allotment problems. Farm Bureau members in West Texas should see to it that the West Texas viewpoint is not overlooked in the presentation of the Farm Bureau.

A group of West Texans are scheduled to appear before the House Committee on February 7. Committee offi-

cialists advise that it will not be possible to hear all individual farmers who may want to appear, but they want to hear as many spokesmen of groups of farmers as possible in order to get a good picture of the situation throughout the cotton belt. The Committee hopes to conclude hearings as to cotton on February 11, but the final draft of the long range legislation will not be agreed upon until a much later date.

I shall seek to be of all possible assistance in this important matter. I welcome the views of the people of our District, and I shall submit any suggestions and plans which are submitted to me to the House Committee on Agriculture. Congressman Bob Poage of Waco and Congressman Gene Worley of Shamrock and Amarillo, are members of the Agriculture Committee.

Miss Marilu West was ill and absent from her duties as bookkeeper at Nelson's Hardware Monday.

Mr. and Mrs. Cleo Richards of Plainview spent Sunday and Monday here visiting friends.

Band Represented At State Meeting

Don Hayes, Director of Music for Littlefield schools, and seven high school students are attending the State convention of Texas Music Educators in Galveston this week.

Those students making the trip are: Margaret Douglas, Kenneth Evens, Larry Rice, Wynema Johnson, Tommy Brawley, Lyndel Evtins and John Banks.

Kenneth Evens will take part in the state-wide chorus and the rest of the students will participate in the clinic band and band instrumentals.

Clarence Sawhill, Director of Music at the University of Southern California and Glencliff Bainum, authorities to the convention this year. The group met in Waco last year.

The purpose of the meeting is to acquaint band directors and students with the contest music to be used this year, as well as enabling them to keep abreast of current developments.

The group left Wednesday morning and will return this weekend.

Can Black-Draught Help Physical Fatigue?

Yes, Black-Draught may help physical fatigue if the only reason you have that listless feeling is because of constipation. Black-Draught, the friendly laxative, is usually prompt and thorough when taken as directed. It costs only a penny or less a dose. That's why it has been a best-seller with four generations. If you are troubled with such symptoms as loss of appetite, headache, upset stomach, flatulence, physical fatigue, sleeplessness, mental haziness, bad breath — and if these symptoms are due only to constipation — then see what Black-Draught may do for you. Get a package today.

Last Rites Held For G.W. Falls

Funeral services were conducted on Thursday afternoon at 3 o'clock at the Littlefield Drive Church of Christ for G. W. Falls, 53, who met his death by drowning in the Marte R. Gomez reservoir about 13 miles south of the U. S. border, in Mexico, Tuesday of last week, while on a fishing trip.

Hammons ambulance went to Rio Grande City, and brought the remains to Littlefield, arriving about noon last

Thursday.

Bro. H. A. Collard, minister of the local church, officiated, assisted by Bro. Ned Fairbairn, former pastor.

Interment, in charge of Hammons Funeral Home, took place in the Littlefield Cemetery.

Pallbearers were Allan Rhodes, Enloe Smith, Cid Jackson, Hershel Matthews, Hugo Kinkler, and L. L. Harlan.

Mr. Falls was born in Erath County, Texas, July 20, 1895, and married Miss Pearl Riggles in 1917. He moved to Petersburg, Texas, in 1920, and to Littlefield in 1926, where the Falls family had continued to make their home.

Mr. and Mrs. Falls operated a grocery store here for twelve years; and in the past eight years have owned and operated the Falls Grocery and Market.

Mr. Falls was a member of Church of Christ. He is survived by his widow, Mrs. Delbert Falls of Santa Fe, N. M., four sisters, Mrs. Otis Cross, P. Okla., Mrs. Hugh Dixon, Mrs. Jimmie, and Mrs. Ernest Myers, all of Lubbock, and a brother, J. B. Falls of Lubbock.

That Nagging Backache
 May Warn of Disordered Kidney Action
 Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.
 You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.
 Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!

REDDY IS GROWING TOO ... HE'S ADVANCING TO "Staggered Billing"

"Folks, I sure am running hard to keep up with electric use here. There are lots more meters to read...lots more statements to prepare."

"I've always been proud I could get them all out on the first of the month, but with so many statements to complete, I am going to have to start mailing them all through the month."

"Beginning in February, the City of Littlefield will be divided into two districts. To get my plan started in February, some of you will get statements covering more or less than a month's use of electricity. There-

fore, some of the amounts on your statements will be more or less than the average amount you have been paying per month.

"You will still have the same length of time to pay your statement. The difference will be in the day of the month it is due! For instance, statements will be due on or before ten days after mailing.

"All of our employees are anxious to have you understand our new billing method. When you receive your statement if there are any questions about it, please call our office."
