COTTON IS IN BLOOM -- The hot weather of the past few days has brought the cotton out in bloom and Sheri Brock, three-year-old daughter of Ruben Brock Jr. admires the blooms on her daddy's farm about four miles north of Littlefield on the Spade Highway. The cotton was planted April 15. Also having

cotton in bloom is J.B. Riney on his farm located 2 miles south of the N. Spade Gin where the cotton was planted April 19. Both farmers stated their cotton had bloomed about ten days earlier than last year.

Retail Council Firms Up Sidewalk Sale

The Retail Council of the Littlefield Chamber of Commerce, last week firm up plans for Littlefield's first city-wide sidewalk sale, in recent years.

The event is scheduled to unfold along an old-time theme Friday, July 23.

The council expanded the original plans to include the entire city and has discussed the possibility of having a stage set up in a central location where various singing groups can perform throughout the day, and where announcements and possibly a sale or two could be held.

The plans, in their present state, call for the event to be staged throughout the city, with all merchants moving their goods out on the streets and sidewalks for that one day. Banners heralding the event are now available at the Chamber of Commerce office and merchants interested in participating can purchase as many of the banners they like for fifty cents each.

Gene Pratt, chairman of the Retail Council, has urged all Littlefield merchants to join in this event in the hopes the success for each merchant can be increased and the promotion can become an annual event.

Hugh Bledsoe, contractor for the downtown project has assured the merchants that the streets and sidewalks will be in condition by the time of the sale.

where a minimum of confusion will be caused, indicating that work will be nearing the final stages and some, if not all, of the sidewalks will be completed.

Any merchants desiring additional information on the event are asked to call the Chamber office at 385-4451.

County Court Sets Jury Cases

County Judge J.B. Davis announced yesterday that jury cases will be held in the Lamb County Court the week of July 19.

A panel of 36 prospective jurors has been selected and notices will be mailed this week.

Three of the cases on the docket are condemnation cases on property. They include Southwestern Public Service against three defendants in separate cases concerning power lines.

Also on the docket is the accident case involving Granville Pelham and S.H. Chaney.

Judge Davis stated that there is a probability of more cases being added to the docket including the case of the City of Littlefield and Billy Shipley, which was appealed from Corporate Court.

All-Star Representatives Picked in Pony League

The Pony League All-Stars were picked Monday night by the seven coaches, with the league leading Amherst team placing five boys on the roster.

The first practice will be held at 9 a.m. this Saturday at the Pony League diamond here. Manager Randy Whitson and coach Arthur Hedges announced that they will hold two workouts a day.

Catcher Gary Robinson, pitcher Royce McAdams and Pat Duffy, infielder Ronny Hedges and centerfielder Darrell Mote were selected from the Amherst nine.

Ware-Richey and Radio-TV Lab each placed three men on the All-Star roster as catcher Roy Burk, pitcher Monte Ward and second baseman Alex Lopez were selected from Ware-Richey.

The three selected from Radio-TV Lab were Randy Walker, catcher, 1st baseman Robert Hodge and pitcher Bobby Wood.

Sudan placed their ace pitcher Green Underwood and shortstop Jerry Beller on the team with Gary Pirkey, 1st baseman from Kzzn and Darold White, catcher of Dairy Queen making up the 15-man roster.

Catcher Steve Webb and infielder George Culp both of KZZN were selected as alternates in case of injury.

Manager Whitson stated that the boys are to bring their birth certificates to the first practice as the team rosters with birth certificates have to be sent to the tournament director five days before the tournament starts.

The tournament is set to start Monday July 19 with the local team meeting the Anton-Shallowater All-Stars in the tourney opener at 5:30 p.m. on the Anton field.

Three Accidents In Past Week

Three accidents during the past week caused approximately \$400 damage to the cars involved. Two of the accidents were Wednesday and the other early Sunday morning.

The first accident occurred on East 3rd Street near Twitshell Ave. when a car driven by Joyce Ussery, Lubbock was hit in the rear by a 1957 Ford driven by Troy Pearson, Littlefield.

Caused by the failure of the brakes on the Pearson vehicle, the accident caused \$160 damage to the Ussery vehicle and \$90 to the Ford.

The other accident was on West 4th Street when cars driven by John Hutson and Charlotte Woolener collided.

The Woolener vehicle which had been parked on the left side of the street pulled away from the curb into the path of the oncoming Hutson car. Hutson swerved to the other side and the cars' right headlights hit. Damage to the two cars was estimated at \$25.

The Sunday accident was on Highway 385 and Greenfield when a car driven by Salina Davis, Littlefield hit the rear of a vehicle belonging to John Rice, Amherst.

The Rice car was parked on the highway with no lights as it had run out of gas and Rice had left the vehicle to get gas. Due to the rain, visibility was poor and the Davis car could not stop in time to avoid the accident. \$100 damage was done to the Rice car and the Davis vehicle suffered approximately \$125 damages.

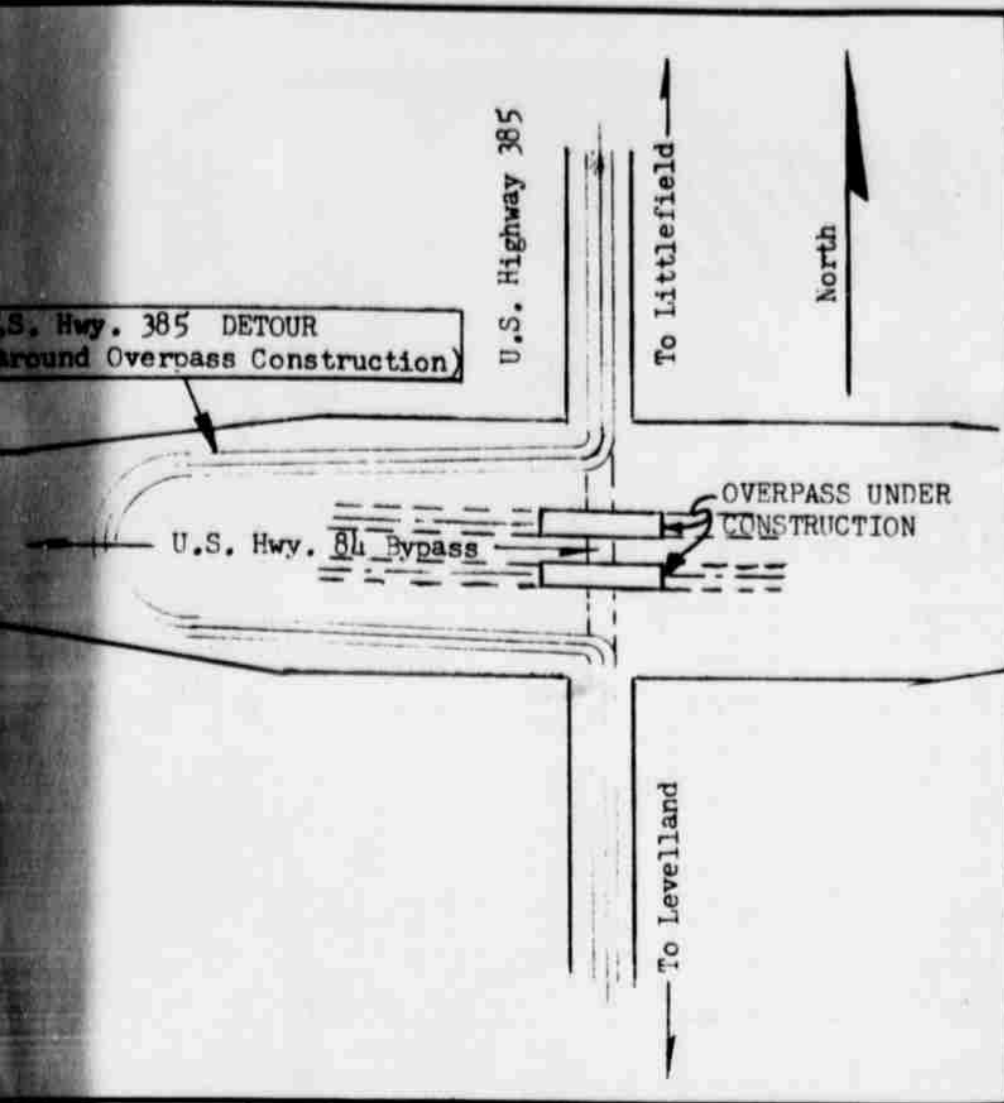

In other police action two arrests were made on DIP charges and another on DIP and disturbance.

Trade Winds Win in Contest

The "Trade Winds" composed of ten Littlefield High School students and 1965 graduates won second place in the adult division of the Muleshoe talent contest Monday night.

Competing against 32 contestants from all over the South Plains and New Mexico, the group sang "This Land is Your Land" and earned themselves a check for \$65.

The talent contest was held in the Muleshoe stadium before an audience of approximately 6,500 persons.

TOUR GOES UP

U.S. 84 By-Pass Construction Moves Ahead Rapidly

Construction work on the U.S. 84 by-pass reached the

point where workers are getting ready to pour the south lane of the twin overpass sometime in the next few weeks.

Highway Department resident engineer Rhea Bradley said the 1000 foot detour which went up this week will stay up until all work on the overpass is completed, which will be from two to four months.

Bradley said the work on the overall project is running slightly ahead of schedule, and the south lane of the dual lane highway should be open to traffic by early September. Completion of the entire project is expected in the late Fall.

The present plans call for the south lane of the 6-mile by-pass to be opened first and will carry two-way traffic until the north lane is completed and opened.

Bradley urged drivers, who frequently use the Levelland Highway, to use extreme caution in the area of the detour, stating the pilings have been set for the overpass, and should anyone run through the barricades they would be in for serious injuries. The engineer said we have been very fortunate, so far, and have had no accidents reported, in the area of the construction work, but said the work had reached the point where accidents were most likely to happen.

Joining with Bradley in his plea for caution, Chief Fitzgerald said his patrolmen would keep a watch on the area, as much as possible, but encouraged the drivers to do their part to keep from having accidents.

The completed by-pass, known officially as Marshall Howard Blvd., in honor of the late Littlefield civic leader Marshall Howard, will loop the city from city limit to city limit on U.S. 84 and is expected to route the majority of the east-to-west traffic around the city.

The construction of the new highway will give property owners along its route a golden opportunity to develop their land, and will serve as a suitable location for an expansion of our city's business locations.

House Still Debating Cotton Bill Provisions

As July 2, it can be assumed that members of the House Agriculture Committee are still not in complete agreement on the content of a cotton bill. The committee was expected to report some variation of Chairman Harold Cooley's H.R. 9414 before adjournment for the long Fourth-of-July weekend, but didn't.

For producer groups, who staunchly oppose the low loan-direct payments approach contained in the bill, this is generally hailed as welcome news. Though most observers agree that the House committee will eventually report Cooley's bill out in some form, the delay would indicate that the Congressmen's support for this measure may not be so strong or broad as he had thought.

Meanwhile, in the Senate Agriculture Committee, a proposal developed by 15 producer groups across the belt was getting an attentive ear. The producer groups, members of Cotton Producers Legislative Committee, represent cotton producer organizations in 15 cotton belt states. Producer organizations in Texas helping to develop the proposal were Plains Cotton Growers, Inc., Lubbock; Rolling Plains Cotton Growers, Inc., Sweetwater; El Paso Valley Cotton Association, El Paso, and South Texas Cotton Improvement Association, Victoria.

In brief, the CPLC would (1) maintain the 16 million acre minimum national allotment and (2) temporarily reduce production through a voluntary acreage diversion program, and (3) retain the loan level at 29¢ but provide for flexible equalization payments (the amount determined by market prices) both in domestic and export markets.

Under this proposal a quantity of cotton equal to the amount taken out of production by the diversion program would be sold from CCC stocks concurrently with the new crop in order to maintain the total U.S. sales position and reduce government stocks. Above that specific quantity, CCC cotton would only be sold when triggered by rising market prices.

The equalization payment, made to allow American cotton to meet the world price on a continuing basis, would go to any one who assumed the obligation of consumption or export during the life of the program. The amount of the payment would be the average difference between the American price and the world price as determined at the end of the marketing year. Advance disbursements could be made on an interim basis pending final determination of the difference between these average prices.

The CPLC statement pointed out that in this way cotton would move into the market instead of into the loan because the market would at all times be above the loan price, guaranteeing an effective merchandising system and a market for all cotton produced. The loan, as originally intended, would serve solely as a device for orderly marketing.

The temporary acreage diversion program, on a voluntary basis, would assist growers in making adjustments without severe financial losses. Variable choices would give each farmer the opportunity to fit a program to his particular management problems.

Donald A. Johnson, Executive Vice President of Plains Cotton Growers, Inc., believes that here, at last, is a program which would serve the interests of the varied groups affected by cotton legislation. He outlined how the four factions who have been most vociferous in their views -- producers, shippers, the textile industry and the ad-

ditional industry and the advertising industry.

M.O. Dunagin Wins Fourth Contest

M.O. Dunagin, 221 South Sunset won the fourth week's contest in the "Weekend in the Rockies" contest being sponsored by the County Wide News and Littlefield and Sudan merchants.

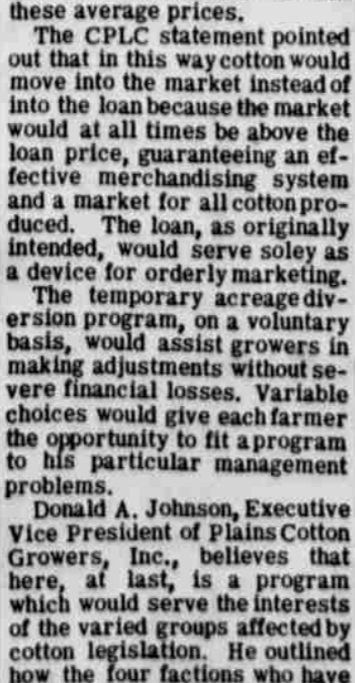

A winner at the drawing at Sunrall Pontiac, his name was drawn from the preliminary winners at each of the eleven participating firms.

The fifth week of the contest is now underway and the eleven winners' names will be published in the merchants' advertisement in the County Wide News Sunday.

Winners can now select to spend their weekends at Ramada Inns throughout Arizona, New Mexico and Texas in preference to the many resorts available throughout the Rocky Mountains.

God's plan calls for our talents to be used in His service.

GETTING READY -- The scene above was repeated several times throughout Littlefield from last Friday evening through early Sunday morning as over 100 boys from the three

Scout troops left for their week's summer camp at the Scout camp at Tres Ritos, New Mexico. The scouts are due back this Sunday.

No injuries were received by Smart or his two passengers while damages were estimated at \$750 to the vehicle.

Mrs. Coffey Supplies Recipe For The Week

Now that hot weather is upon us and taste buds yearn for something good and appetizing, Mrs. Perry Coffey is sharing with us this week one of her recipes that just fits the bill--Peanut Whirls.

Mrs. Coffey's favorite past-time is sewing. She enjoys sewing so much that she makes most of her and her daughter's clothes. She also delights in being a homemaker for her husband, Perry, and children, Peggy and Charles.

Mrs. Coffey was reared near Vernon. She and Mr. Coffey met through relatives at Spade where he was reared. The Coffeys have lived in this area for several years. They lived in the Spade community before coming to Littlefield where they have lived for the last six years. Mr. Coffey still farms near Spade.

Although Mrs. Coffey has previously worked at Haydon's Shoe Store and Sears, she now devotes her time to her family. Peggy, who is 18 and a 1965 graduate of Littlefield High School, plans to attend IBM School in Dallas this September. Charles, 22, attended North Texas State University and IBM School. He is employed at Nipak Fertilizer. They both enjoy their mother's Peanut Whirls. In fact, she can hardly make enough for them.

Mr. and Mrs. Coffey, Peggy and Charles make their home at 200 E. 16th.

The recipe submitted this week follows:

PEANUT WHIRLS

- 1/2 C. shortening
- 1 C. sugar
- 1/2 C. chunk style peanut butter
- 1 egg
- 1 t. vanilla
- 1/4 C. flour
- 1/2 t. salt
- 1/2 t. soda
- 2 T. milk
- 1 pkg. (6 oz.) chocolate bits

CREAM shortening, sugar, peanut butter, egg and vanilla. ADD sifted dry ingredients alternately with milk.

ROLL OUT cookie dough to rectangle 1/4 inch in thickness. MELT chocolate bits over hot water, and cool slightly. Spread on rolled cookie dough.

ROLL jelly roll fashion and chill 1/2 hour.

SLICE with sharp knife into thin slices (1/8 inch thick).

PLACE on ungreased baking sheet.

BAKE at 350 degrees for 8-10 minutes.

YIELD 5-6 dozen cookies

Pretty containers for potted plants may be made from old coffee cans. Enamel to match the decor of the room in which they are to be used.

MRS. PERRY COFFEY

Layette Shower Honors Mrs. Grimes

ANTON -- Mrs. Bill Grimes was honored recently with a layette shower in the home of Mrs. Carl Butler.

The table, presided over by Mrs. Wayne Oliver, was covered with a lace cloth centered with an arrangement of pink and white flowers. Appointments were of silver and china. Out of town guests included the honoree's grandmother, Mrs. O.L. Langston and her aunt, Mrs. W.H. Langston, Lubbock; Mrs. Virgil Hardin of Abernathy, an aunt; and Mrs. J.N. Teague of Cotton Center.

The hostess gift was an infant seat and a car seat. Hostesses were Mmes. Ronny Biffle, Jerry Goheen, Doyle Bishop, Wayne Oliver, Jerry Over-

street, Frankie Karvas, Jerry Biffle, Wyatt Batson, Bob Biffle, Buddy Weige, Edgie Slinger, Vernon Stone, Monroe Parker, Lola Swanson and Carl Butler.

SAUCY -- Pop art adorns children's wear for summer. Here, a clown face applique adds gaiety to a shift of Pepperell blue denim chambray. The classic cotton style features a bib yoke in bright yellow and white checks.

MISS SUE HEBEL

Miss Hebel Makes Album

Miss Sue Hebel, a 1965 graduate of Littlefield High School, and daughter of Mr. and Mrs. Loyd Webster, recently returned from a two-weeks visit with her brother, Rev. Joe W. Hebel in El Reno, Oklahoma. While there she cut a long play gospel album. A series of twelve songs make up the album which is entitled "Fill My Cup". The record is being published by the Sword and Shield Recording Company of Arlington, Texas.

These records will be for sale to the public the latter part of July. Further information will be given toward that date.

4-H Youths Involved Agriculture Is On Increase

It seems paradoxical that the number of 4-H youth engaged in agricultural endeavors is increasing although the number of U.S. farms is diminishing. The agricultural program has the second highest enrollment nationally of some 40 project areas offered to 4-H Club members.

If the current upward trend continues, 1965 enrollment could well top the 950,000 mark. This prediction is based on last year's figures of nearly 893,000 members reported by the Cooperative Extension Service.

Among the reasons for the upswing, 4-H leaders believe, is recent emphasis on science in 4-H projects and a quickening of interest in working close to nature. The realization that 9 out of 10 farm youth will seek employment elsewhere is another factor.

The boy or girl who raises a calf or chicks or pigs, they say, develops an appreciation for sustaining life, good health, adequate nutrition, clean housing and sound economics.

Crops and garden require a knowledge of soils, chemicals, farm machinery, safety and conservation. Record keeping is another required task. Adults working with 4-H'ers provide many opportunities for rural youngsters to learn just what

Stray Dog Campaign Hailed Success

Police Chief F.A. Fitzgerald announced that over 180 stray dogs had been picked up since the start of the campaign two months ago. "There have been very few complaints about dogs running loose in the last ten days, but the pound personnel are still combing the city and answering any complaints", stated the chief.

"Lately there have been more calls on cats than on dogs and will be picked up. A gathering place for cats seems to be along 9th and 10th where the new lights attract many insects and bugs and the cats are catching them," concluded Chief Fitzgerald.

A GOOD CATCH -- Weldon Findley, Littlefield jeweler joined the parade of fishermen on the water last weekend, catching 14 nice channel catfish on a lake near Quitaque. The one-day catch dressed out 24 pounds in the skillet. Pictured with Findley are Glenn Taylor and Findley's son Lyndon.

G & C Leads Minor Loop Race ; Roden Drug Lengthens Colt Lead

With the exception of the Colt League all teams are taking the week off due to the scouts being away at camp this week.

COLT LEAGUE
R.E.A. won their third game of the season Monday night by downing Amherst 11 to 10 in eight innings as winning pitcher Hilton Craddock won his own game.

Craddock, who came on in relief walked to open the bottom of the eighth, moved to third on a single by Larry Carter then stole home with the winning tally.

The win moved R.E.A. to within one game of Amherst. Roden Drug increased their league lead to two games over runner-up Security State by downing the bankers 5 to 1 Tuesday night.

The winners scored three early runs as Lindy Stansell went all the way for the win as Larry Reese took the loss.

PONY LEAGUE
Radio-TV Lab picked up two runs in the fifth inning and made them stand up to become only the second team in the league to defeat Ware-Richey this year as they won a close 3 to 2 decision over the third place team.

Robert Hodge, the second of three Radio-TV Lab hurlers got credit for the win while Monte Ward took the loss in relief.

Each team scored once in the second before two walks, a hit and an error gave the winners their victory margin in the fifth. Ware-Richey threatened to pull the game out of the fire in the bottom of the seventh but left the tying and winning runs on base after scoring once.

Bobby Woods started for the winners with Hodge in the fourth and Randy Walker in the sixth. Roy Burk started for the losers and struck out 11 in four innings. Ward pitched the last three innings.

Sudan ran up an early lead and went on to trounce KZZN 20 to 1 on the winners home field. The victory kept Sudan a game and a half behind league lead in Amherst.

Amherst picked up their 14th win of the season by downing Roden Drug at Amherst.

JC's their 14th consecutive defeat of the season by winning a close 7 to 5 decision over the losers. The win brought the Lions' season record to 6 wins against eight defeats while the JC's have yet to win. They have dropped their last six games by a total of seven runs but have yet to taste victory.

MINOR LEAGUE
G & C Auto Supply moved into first place as they beat Littlefield Publishing, who had led the league since the first week of play by a 26 to 6 score.

The win gave G & C a half game lead in the tight four team race with another game scheduled against Littlefield Publishing before the season ends.

The winners got six runs in the first and the losers came back with five in their half but G & C, led by Max Huber with three hits including a homer over the left field fence chalked up 15 hits while Kevin Donnelly in relief allowed only two hits in the last five innings.

Webb Returns Home After Touring Europe

... Davis Webb of ... returned home Wednesday ... spending 21 days in ... the tour that Webb took ... insured by the F.F.A. ... boys that went all held ... or were leaders in ... F.F.A. organization. ... 15 other boys that ... tour with Webb. Arrive ... York Webb appear ... other boys on the ... and visited the ...

World's Fair. From New York they started their tour of Europe where they usually had a day of sight-seeing and one day to tour the farms around the country. Webb commented that the people were usually very friendly and liked to talk.

The boys weren't the only ones hunting souvenirs. The people of the other countries were always trying to buy articles from the boys.

The tour took the group behind the "Iron Curtain" where they had many unforgettable experiences. Webb talked to a boy in Hungary that had escaped and come back to stay with his sick mother. He had tried to escape three other times and had been caught each time, and spent 6 months in prison.

Some of the time the boys were restricted very close to the hotel and followed by unfriendly policemen who wouldn't allow them to talk with the people.

The first stop on the tour was in Amsterdam, Holland, where they met the U.S. Agriculture Attache, and spent one day touring the dairy farms. The second stop was in Stockholm, Sweden, where they toured the farms. Next they visited Budapest, Hungary, where they toured the collective farms, but were not allowed to see much of the crops. Then they visited Belgrade, Yugoslavia, where they toured a fruit experiment station.

From there they went to Munich, Germany where their tour was cancelled, then the group visited both East and West Berlin. They also visited the famed "Check Point Charlie."

Edinburg, Scotland, was their next stop. There they attended the Royal Highland Stock Show where they saw breeds of cattle they had never seen. The last stop was in London, England, where they visited Buckingham Palace, and saw the changing of the guards. They also visited Windsor Castle, the home of Queen Elizabeth. Webb returned home June 30th.

Miss Baker Gives Title To New Winner

Miss Toressa Baker, who has reigned for the past year as "Miss Pecos", recently presented the winning trophy and title to the new winner, Miss Linda Tennyson.

Miss Baker was entered by the Pecos Chamber of Commerce in the "Miss Southwest Beauty Pageant" in July of 1964 in Fort Stockton, and won Miss Congeniality. She also represented Pecos in the Frontiers Day Celebration held in August of the same year in Van Horn.

Toressa is the daughter of

TAX MAN SEZ:

The Automatic Data Processing of tax returns has captured the imagination of the American taxpayer. Internal Revenue reports that millions of dollars have been paid by taxpayers who conveniently forgot to file a tax return until they got skereed that the machine was going to get them. Most of us can take this modern life -- including the data processing machines -- in our stride. Of course we would likely tell Internal Revenue that we were perturbed if the machine made a mistake and sent us a bill for a million or so. This sort of thing can and will happen, but

most of us can cope with the machine simply by putting our correct social security number on our tax return at 11:00 p.m. on April 15.

HART CAMP NEWS by Mrs. Edwin Oliver

Mrs. David Metcalf, Birthday Honoree

Mr. and Mrs. J.W. Wells honored their daughter, Mrs. David Metcalf, with a birthday dinner Sunday in their home. Present other than Mr. and Mrs. Metcalf were Mrs. Wells parents, Mr. and Mrs. W.P. Neinstast, Littlefield, her brother and family, Mr. and Mrs. Audrey Neinstast and children, Spade, a cousin and family, Mr. and Mrs. Edward Neinstast and children of Haskell and the Wells son and family, Mr. and Mrs. Jerry Wells and children, Levelland.

Mr. and Mrs. L.A. visited in Tullia Sunday afternoon with Mr. and Mrs. L.W. Smith. Mrs. L.W. Smith had surgery recently in a Tullia hospital.

Mr. and Mrs. James Ball and sons, Scott and Kent, visited during the weekend with her parents, Mr. and Mrs. A.O. Dickson at Amherst. Also visiting in the Dickson home was Mrs. Ball's cousin and family, Mr. and Mrs. R.D. Dickson and children Chick and Jack of Arlington.

J. Fay Moore and his mother, Mrs. R.S. Moore, visited Sunday afternoon in Littlefield with Mr. and Mrs. A. Farr.

Mr. and Mrs. J.W. Johnson, Jr. and daughter Kay, and Mr. and Mrs. Edwin Oliver and children, Kerwin and Debbe, attended the Larry Stanley, Judy Tollett wedding Friday night at the Parkview Baptist Church in Littlefield. Kerwin Oliver served as best man and John Johnson was an usher.

Mr. and Mrs. James Ball, Mr. and Mrs. Kenneth Sorenson, Mr. and Mrs. Charles Mc-

Keown, Mr. and Mrs. Arwin Turner and several other couples attended a swimming party Friday night at Crescent Park swimming pool in Littlefield.

Bobby and Ronnie Jones, members of the Spade Roping Club, went to Smyer Thursday night for a matched roping with the Smyer Roping Club.

Clinton Corry, son of Mr. and Mrs. George Corry of Littlefield, former residents of this community, was assigned to Headquarters U.S. Army Ryukyus Islands, on Okinawa, June 10. He is a clerk in the personnel actions branch. He entered the army in November of 1964 and completed his training at Fort Polk, La. He is a

1958 graduate of New Mexico Military Institute of Roswell. He also attended West Texas State University at Canyon.

Visitors in the Paul Teal home Tuesday were their daughter and children, Mrs. Charles Tue and children, Plainview. Also Mrs. Teal's mother, Mrs. W.V. Douglas of Littlefield.

Kimmie Foster, Judy and Connie Cannon are taking swimming lessons this week at the ORC swimming pool at Olte

Mrs. Sammie Wheeler and children, Donnie, Mitzl and Shelia were involved in a two car collision in Lubbock Tuesday morning. Donnie was taken

to the hospital for observation but later released. Shelia received a bad bump on the head but no one in either vehicle was seriously injured.

Visitors Saturday and Sunday in the Paul Hukill home were their son and family, Mr. and Mrs. Dewey Hukill and son Kraig, of Lubbock.

Paul Hukill attended the Brotherhood Camp at the Baptist Camp grounds near Floydada Monday afternoon and night with a group of men of the Fieldton Baptist Church.

Mr. and Mrs. Edward Neinstast of Haskell spent Saturday and Sunday here with their cousins, Mr. and Mrs. J.W. Wells. The Bobby Stillwell family

returned home Saturday afternoon after a two weeks stay in California. They visited Mrs. Stillwell's brother, Jerry Vincent at Salinas, Calif., also his aunts, Mr. and Mrs. Cliff Birchfield, at Fresno and Mr. and Mrs. Luther Short at Popular, Calif. Rev. Stillwell and son, Johnnie, went deep-sea fishing at Moro Bay and caught 42 pounds of fish.

Mrs. M.W. Wheeler accompanied her daughter and family, Mr. and Mrs. Jim Taylor and children of Goldsmith, to Center, Texas this week where they will visit Mrs. Wheeler's father, S.H. Latham and other relatives.

Mr. and Mrs. Harvey Jones were in Lubbock last Monday to be with his sister, Mrs. Henry Bates of Brownfield, who had surgery in the Methodist Hospital. Her condition is serious and the Jones have spent most of the week at her bedside. Dan Puckett and Edwin Oliver

were in Knox City Saturday to attend funeral services for C.L. Wilson who was killed Thursday morning near Knox City when a wall fell on him while carpentering, knocking him into an electric saw that was turned on. Dan Puckett was one of the pallbearers at the funeral.

Mrs. Junior Muller and children, Joey and Patti, visited at Wichita Falls and Chillicothe this week with relatives.

Sunday visitors in the Louis Ball home were his cousin and family, Mr. and Mrs. Elvis Muse of Clovis. They spent the day Sunday at MacKenzie Park in Lubbock.

Accent On Health

Your feet must last a lifetime, and if you've been sight-seeing, hiking or just walking a lot lately, you're probably quite conscious of this fact. Just because your feet are the lowest extremity of your body, doesn't mean that they deserve to be mistreated. Far from it, if your feet are to last a lifetime and serve you well, they require good care.

If you can heed the findings and suggestions by researchers and physicians before you have difficulty with your feet, you'll be way ahead.

According to a recent study, three times as many boys as girls have mild to severe skin problems with their feet. The researchers related that fact to the girl's students' tendency to take off their shoes or slip their heels out of their shoes when sitting in classes or elsewhere. The girls also wore lighter and lower shoes than the boys. Both of these habits tend to minimize excessive perspiration of the feet.

Perspiring feet are moist feet, and moist feet provide an excellent environment for the growth and multiplication of the organisms which contribute to diseases of the feet.

Although the locker room has long been considered the culprit of foot infections, research shows that fungous disease of the feet is probably not spread by such exposure.

Instead, there are several points you can note and include in your foot-care program.

Keep your feet clean by washing them frequently, always drying them thoroughly. If needed, use an antiseptic foot powder after drying.

As for footwear, use lightweight, light colored socks to minimize excessive perspiration. And change socks whenever they become damp.

The shoes, researchers found, normally contributing the most to good foot hygiene are those that cause the least perspiration. And as for youngsters, the researchers found that oxfords are preferable to boots, sneakers or tennis shoes for all-day wear.

Remember, your feet must last a lifetime, so give them the best of care.
