

LHS Girls For Big Homecoming

Question of the Week

Girls Wear Out-Of-Town Jackets?

Considerable comment has been made in LHS concerning the number of out-of-town or other-school athletic jackets worn by girls attend LHS. The jackets, covering most of the rainbow, have become the object of considerable comment from some students.

An attempt to find the feelings of the student body, the Skat members quizzed both students and teachers for their feelings. Below are the answers to the question, "What is your opinion of LHS girls wearing jackets from out-of-town boys?"

Thornton - Soph - "In the matter, boys, jealousy out - of - town jackets? We wouldn't wear out of town jackets if you handed yours more freely."

Edgings - Soph - I care.

Nail - Sr. - I don't care if they do or not, girl likes somebody from town; she can't help it. His jacket isn't maroon and doesn't have an on it.

Dale - Sr - I don't care so very important for to wear only a Littlefield jacket. Most of the girls who wear out - of - town jackets are loyal Wildcat supporters, so what difference does it make if her jacket isn't an LHS jacket. Besides there are that many LHS jackets.

Ammons - Jr. - I don't care what we wear. It's during the school one bit we wear out-of-town boys jackets. We are not trying to down our school. We just want to do boys from here.

Brown - Sr - I think the school has a right to wear what we can wear and we can't. There is not enough boys from Littlefield to go to anyway.

Estrada - Sr - Maybe school does not have to tell what pupils should wear. I think that if girls wear out - of - town jackets to wear them in the school building; most of the girls agree with this, because they like the school look almost as college, only the jackets "letters" on them.

Montgomery - Sr - If we are other town, I'd say the girls shouldn't be allowed to wear out - of - town jackets to schools because it seems as if they didn't very much school spirit. There are a lot of (at least Seniors) that out-of-town boys so I think they should be allowed to wear them, even if they bring kind of disloyal to school.

Phillips - Jr. - Well, it's kind of bad for so many to wear out - of - town jackets, but I think it's all right. Maybe if the LHS boys are a little more generous their jackets there wouldn't be many "foreign" jackets.

Helms - Jr. - I think there is anything at all with LHS girls wearing out - of - town jackets. If we want to wear them it is our business and no one else's.

Arnett - Sr - I think it's appropriate for the girls of LHS to wear the out - of - town jackets. If this hurts school spirit we didn't have to start with, if we let the thing like this influence what will the boys comment next.

Teck - Sr - I see nothing wrong with wearing an out - of - town jacket. If the girls say we can't, soon we'll be made to do away with out - of - town Sr. rings, rings, etc., etc. It is not to the girls. The LHS boys out - of - town girls so can't LHS girls?

Haynes, Sr - I don't see anything wrong with it. If a jacket belonging to a boy of town, I'd wear it. I guess it's the girls business who she goes with and she wants to wear to represent him. There aren't enough LHS jackets to go around, why not get some other jackets.

Garren - Sr - I think girls should be able to wear anything they want to wear. They are wearing jackets belonging to out-of-town boys.

Schovajsa - Sr - I think it's right for others to be in our school, the Danagin - Sr - I think it depends on the girl, if she (Question on Page 6)

Menu

Monday - Hot dogs, corn chips, tossed salad, milk, peaches and cookies.

Tuesday - Chicken (fried) whole kernel corn, green beans, rolls, milk, strawberry jelly.

Wednesday - Pork chops and gravy, buttered cabbage, green salad, cornbread, milk, cobbler.

Thursday - Meat Loaf, macaroni & cheese, lettuce and tomatoes, milk, rolls, pumpkin pie.

Friday - Steak and gravy, creamed potatoes, English peas, rolls, milk, strawberry delight.

Postpone a visit until everything is "all set" and you will stay at home all your life. The trouble with reformers is that two of them so rarely agree. Getting somebody else to do your work is the recipe for success.

JUNIOR HIGH MAJORETTES -- These four Eighth Graders were recently elected as the majorettes of the Junior High band. They are from left to right, Ann Farmer, Helen Wicker, Marcia McBride and Sue Roland. Barbara (quigley is drum major of the band. They will serve during the 1962 - 63 school year.

Soil Service Books Placed In Library

Our United States Department of Agriculture in co-operation with the Soil Conservation Service has compiled a book with complete soil analyses of Lamb County. If you are interested the library now possesses 25 copies of Soil Survey of Lamb County.

These books were donated to the library by the men of the Lamb County Soil Conservation Service after many requests.

Fields Findings

BY PAULA

Do you know the real meaning of clique? It really means a small group of persons. When we hear it we usually think of it as a group of people who might think that they are the big wheels and we would probably think of them as snobs. Why am I on this subject you might be asking?

It came about one day when I was talking to one of the new students. This person asked me if our school had always had cliques. I was rather shocked because the thought of having cliques never entered my mind. Then I asked why she had asked me that and she said because it was hard to get acquainted with the other kids. She said that everybody had their own friends and it was hard to be accepted. But after school several days she liked it real well.

Maybe we are beginning to form cliques at our school, but I don't think it's coming to be any time soon. So let's try to be a little friendlier to the new kids and prove to them and ourselves that we can be the friendliest school in the State of Texas.

Tomorrow is the big day. It's homecoming and there will probably be quite a few exes home for the game. The half - time ceremony will be an important time for the three candidates for homecoming queen. We want to say congratulations to Linda Walthall, Marcia Sullins, and Sharon Stokes and wishing each of you the best of luck.

This game will be very good I think because it is the first time that we have played the Perryton Rangers, and they are undefeated. All we can say to the football players is to get out there and do your very best. Even if you don't win in the score (and I think you can), you can show them that you can win in sportsmanship!

Beat Perryton and Welcome Exes!!!

Advice: When you think you are right, go ahead; if you are wrong, you'll find it out soon enough.

Can anybody in school tell us why some people insist upon violating the traffic laws?

Seniors Are Chosen Students Of The Week

Vice - president of the Senior class and a senior gridiron star have been chosen as this week's students of the week. They are Linda Walthall and Billy Thompson.

Linda, daughter of Mr. and Mrs. Dale Walthall of 500 East 17th, states that her goal in life is "to be happy throughout my life." She is a member of the choir, the National Honor Society, and now holds the office of Vice President of the senior class.

Linda lists Government as her favorite subject, playing tennis as her favorite pastime, blue as her favorite color, and chicken as her favorite food. Her pet peeve is "people who pull my ponytail."

Linda's future plans are to attend Texas Tech.

Billy, son of Mr. and Mrs. David C. Ward of 404 East 19th, states that his goal in life is "to become a lawyer." He is a member of the choir, Student Council, National Honor Society, and he is a member of the football team.

Billy lists red as his favorite color, cherry crumble as his favorite food, spending evenings listening to records as his favorite pastime, and government and solid geometry as his favorite subjects. His pet peeve is "people with big feet."

Billy's future plans are to attend Texas University and become a lawyer.

FTA See Film And Gladly Teach

A short film, "And Gladly Teach" was the highlight of the meeting of the Bonnie Crosby Chapter of FTA Friday afternoon. Bob Badger, club reporter, assisted Mr. Tullis, school co - ordinator in the showing of the film. The film discussed the problems, disappointments, and rewards of the teaching profession. Marilyn Richey presided at the meeting.

A committee was selected to appoint members to baby - sit each month during the PTA meetings. It was decided that a small fee would be charged for each child. Only primary children will be kept. The members will put on skits concerning health, safety, and personal problems, to entertain the children. All skits must be turned in to Donice Reast.

The members voted on the proposal for giving FTA pins to one or two outstanding seniors, and also buying the year guards for the officers' pins.

Never try to tell a parent what's wrong with Junior. It's a waste of time and the loss of a friend.

Politics being what they may be, we offer no prediction as to who will be the winning candidates.

Bill, why did P. S. have to be home at 10:00? It seems that all Pat's have a 10:00 curfew!!!

Pete, where do you get your jokes?

Benny, at least you can pick cute girls!

Susan, why the smiles Sunday? Could it be that you got a letter from Beaumont Saturday???

Lots of gals had petitions turned in for Homecoming Queen, but only one lucky gal will get it.

Prof, who's your two "Fish" pets?

M. M., why do you go to Anton when you get bored with Littlefield?

Jack, if you live to be a 100 you'll never understand women!

C. W., does she or doesn't she?

Patsy - Your car was pretty that you were in Sunday night?

Tony, what were you doing on the sidewalk Saturday nite!!!

Shipp, you were speeding going to Lubbock racing an old man at 110 m.p.h.

Hene, why did you get coke thrown at you Sunday afternoon? Beth, heard you got coke thrown at you too!

Kathie, you made a beautiful rooster!

Barbara - Is your favorite color green? (Like in Corvair!)

Lola - did you put bubble gum in your hair again?

Margaret - what happened to you in P. E. Monday?

B. B. - You looked cute in rollers Saturday!!!

Robert, why was Tim hollering all Saturday night in the other room?

Maisie - 9:30 now really! (See Claw on Page 8)

GUESS WHO - This week's guess who is a varsity B-teamer. He is 5 foot 7 inch tall, 160 pound junior who likes to travel to strange places and his unusual pastime is hugging Coach Taylor. (Last Week's Guess Who was Ricky Miller.)

Queen Will Be Crowned Friday

Homecoming slates many exciting events for LHS students and EX's. A bon fire will be held Thursday night at 7:30 on the vacant lot across from the high school. A pep rally will be held Friday at 2:30 at the football field. The Homecoming game is Friday night at Wildcat Stadium at 8:00 p.m.

Half time activities will honor the EX's and the Homecoming Queen, which will be announced at that time.

Nominees for Homecoming Queen were: Linda Dale, Susan Nail, Pat Thornton, Marcia Sullins, Ginny Teck, Linda Smith, Ennis Pressley, Ilene Spencer, Linda Walthall, Sharon Stokes, Cynthia Jordan, and Martha McQuatters.

The top three candidates were chosen Monday by popular vote of the student body. They are: Marcia Sullins, a senior, daughter of Mr. and Mrs. L. E. Sullins; Ennis Pressley, senior, daughter of Mr. and Mrs. C. A. Pressley; and Sharon Stokes senior, daughter of Mr. and Mrs. V. L. Stokes.

The final vote to determine the Queen will be held Tuesday. The results of the voting will be withheld until Friday night.

The three candidates will be escorted onto the field by Jarold Jones, president of the EX's; and Tommy Brawley, vice president. Other officers of the EX's are Norma Kay Terry, secretary, and Gloria Jackson, treasurer.

EX's are urged to attend the meeting of the EX's following the game at the Littlefield High School in the library. Refreshments will be served. Prizes will be given to the EX who, is the oldest, has traveled the longest distance, and a drawing will be held for a new car.

A dance will be held for the EX's after this meeting at the Littlefield Country Club. A five piece band will entertain at the dance.

Sport Shorts

BY FITZ

Friday night is Homecoming and it is Littlefield's first district game of the season. They will be playing the Perryton Rangers. This is their first AAA district game in the history of the school. Perryton has some good backs and will run the end play a lot. When they run the end play they will have five blockers leading the ball carrier.

This is a real important game for both teams. The team that wants to win will win. Of course the breaks in some games mean a lot but it is the one who fights the most.

The Wildcats had some easy workouts last week. Most of them were to keep us in shape. We did a lot of running.

The halgame was scheduled for Saturday at 2, but it was changed to Friday night at the regular time because of Homecoming.

Coach Davis Picked Week's Teacher

Assistant football coach and former high school star at Stamford High School, Ernie Davis was chosen teacher of the week by the journalism class.

Coach Davis was born in Brownfield but later moved to Stamford where he grew up. He graduated from Stamford High School and attended McMurry College. His last coaching job was at Cisco High School, Cisco.

Coach Davis, his wife and their two children reside at 928 W. 4th Street. They attend the First Baptist Church.

His philosophy on life is always be happy go lucky. He lists coaching a state winning football team as his life long ambition. In his spare time you will find him watching sports on T.V. or listening to Ray Charles albums. He also enjoys reading.

Coach Davis thinks LHS is a great school and enjoys the association he has with the students and especially the football boys.

Along with his coaching duties he teaches P. E. and shop.

DE SPOTLIGHT -- The D. E. Spotlight student for this week is Linda Williams. Linda is a senior at Littlefield High School. She works at the Prescription Shop in Littlefield Hospital. Linda's favorite pastime is going to Lubbock to visit Tech! Her favorite subject is Government. Linda's favorite teachers are Coach Green and Mr. Lyman. Favorite color is brown. Food - Pizza. She enjoys her work very much. She waits on customers, gives prescriptions and keeps books. Her employer is Neil West. He likes the D. E. Spotlight because it's a good basic ground for life. Linda is also this year's D. E. Sweetheart.

Manley Elected Club Officer At South Plains

LEVELLAND (Special) -- Bob Manley, son of Mr. and Mrs. R. W. Manley of Littlefield, was elected publicity chairman of the Math and Science Club at South Plains College, Levelland, during a recent meeting.

Other officers elected were: Cecil Marshall, Roswell, N. M. president; Bobby Boyce, Quail, vice - president; Paula Burnett, Morton, secretary.

A pre-med major, Manley was a member of the Future Teachers Association, Latin Club, Debate and Declamation Clubs in high school.

Witnesses Plan Special Week

Mr. and Mrs. Martin C. Harbeck, direct representatives of the Watchtower Society of Brooklyn, New York, is here to direct a special week of activity for the Littlefield congregation of Jehovah's Witnesses 933 College.

According to Loyd Lowery, presiding minister of the Littlefield congregation, Harbeck will supervise five classes and close the week of activity Sunday at 3 p.m. with a talk entitled "Is It God's Will that Men Suffer and Die?" The public is invited.

AT OLTON

The Olton High School Band placed third in the homecoming parade at Eastern New Mexico University Saturday, Oct. 20.

Olton parents going to Portales Saturday were Mr. and Mrs. George Kidd, Mr. and Mrs. Barton Freestridge, and Mrs. Bob Worley; Mrs. Clovis Poteet, Mrs. Fred George, Mrs. Owen Norfleet, Mrs. Gilbert Roberson, Mrs. H. E. Maxey, Jr., Mrs. Leo Ross Bryant, Mrs. Fred Long, and Mrs. A. N. Wells. Also Mr. and Mrs. Thurston Tollett, Mr. and Mrs. George Caddell and Mrs. Gordon Thomas.

Philosopher Finds Finds Out Temperature On Moon Will Make Farming Tough

Editor's note: The Sand-philosopher on his Johnson farm seems to be a little bit struck, his letter this indicates.

don't like to stand in the of scientific progress, I care how much progress world makes so long as it around me, but I read in article last night that the brains are predicting that put a man on the moon the end of the 1960's, and are a lot of people who wait, I can.

Foreign Items Cotton Bales Posts Mills

you have any idea how trouble an old coat or red handkerchief can cause bale of cotton bound for the mill? W. R. Kimbrough, agent, says that colored mixed with the lint can be expensive to the spin-

ners from textile mills in that they are having trouble with colored and fibers in the bales of Kimbrough says. Often foreign fibers are not until they have been spun and may not be noticed they are made into cloth, then they have contaminated the volume of material and manufacturer suffers a loss, the specialist ex-

stiff competition cotton ising from synthetic fibers it important to use care unloading the seed cotton during the ginning pro- reduce losses to the mill. Contamination us- occurs at the suction and or sweater which accident- gets into the gin here will be spread through bales.

moving the parts of bales contain such threads is to both the producers and finers. Farmers and gin- should make every effort to the taled cotton as free from matter as possible, W. Kimbrough.

London. That's going a long ways to get something to eat that's no better than what you could have had at home. You can't make me believe any lunch

Sample Cotton Receipts Increase

Sample receipts continued to increase this past week at the Lubbock Cotton Classing Office, according to Mr. W. K. Palmer, Officer - in - Charge. Mr. Palmer said the rain which began Tuesday night would stop receipts until the weather clears.

The Lubbock Classing Office classed 23,000 samples this week. The Lamesa office classed 6,600 samples and the Brownfield office classed 8,200 samples for the week. Classing at all three offices totaled 80,000 samples to date. Last year 228,000 samples had been classed at this time.

Fertilizer Meetings Are Scheduled

Fertilizer Dealers, Agency Personnel and members of the County Program Building Committee are invited to register now for the Fertilizer Short Course to be held in November, states County Agricultural Agent W. R. Kimbrough. Detailed programs and registration forms are now available in the Agent's office.

There will be a series of three night meetings at each of the following locations: Lubbock, Plainview, Dimmitt and Lamesa, and individuals are encouraged to attend the one nearest their place of business. Subject matter to be handled by both industry and College Personnel will include nitrogen, phosphorus and potassium, soil testing, and fertilizer use in sound soil management practices.

The registration fee includes a notebook of the material presented, a diploma for those completing the course and a dinner the last night the meeting is held.

The deadline for registration is November 2 Kimbrough concludes.

on earth is worth flying 3,000 miles over the ocean to get to, I always have a meal at noon on this Johnson grass farm and sometimes between break-

Cody Finishes Field Tactics In Germany

GRAFENWOHR, GERMANY (AHTNC) -- Army Pvt. Everett F. Cody, son of Mr. and Mrs. Carl Cody, Earth, recently completed eight weeks of intensive field training with other

Prices remained stable this week. Middling inch is quoted at 32.30. Quotations for the primary grades and staples being classed at this time are: Middling 29/32 31.05, Middling 15/16, 31.30, Middling 31/32 38.80, Strict Low Middling 29/32, 29.70, Strict Low Middling 15/16 30.20, Strict Low Middling 31/32 30.90, Middling Light Spotted 29/32 29.70, Middling Light Spotted 15/16, 30.20, Middling Light Spotted 31/32 30.90.

Movement of cotton on the Lubbock Market improved this week with the Lubbock Cotton Exchange reporting 4,260 bales purchased. This compares with 528 bales reported a week ago and 12,300 bales for the same week a year ago.

Machinery Is Cheaper Than Manpower

The farmer who works hardest doesn't always get the most done. If he spends all his time lugging around bulk materials that could be handled better and cheaper by machinery he is actually wasting much of his time, according to W. R. Kimbrough, county agent.

Transportation, harvesting, and marketing have become mechanized and the farmer who is still using "horse and buggy" methods of hauling bulk material is wasting time and labor as well as money. The farmer who is increasing his production and profits today is the one who is moving materials mechanically on the farm, Kimbrough says.

Good buildings and equipment substitute for much labor but remember that a proper balance must be maintained between machine and hand labor. Some jobs require a person's judgment and observation to perform them properly but many can actually be done better by machines, he says.

Mechanization may be cheaper than you think, Kimbrough explains. Look around your farm and see how many jobs could be done easier and better through mechanization. Then find out how much cheaper a machine can work than a man, he adds.

Plan before you purchase, then select equipment that will do the best job economically, efficiently, and be best suited to your operation, Kimbrough advises.

fast and it I don't travel over a hundred steps. I could never see any point in going after something which, if you sat still, would come to you anyway.

Furthermore, I've been reading some things about the moon which make me less and less enthusiastic about it. For example, one article I read said the temperature up there varies from 214 degrees below zero to 250 above. That sure seems like going a long way to burn up in the daytime and freeze at night. It doesn't seem like a place I'd be interested in trying to farm.

Furthermore, I'll bet the television reception up there is terrible.

What I'm saying is, certainly man ought to try to explore the moon, if his tax money holds out. But just don't expect too much to come of it. The race to the moon may be like next week's football game -- awfully exciting at this stage but not very important after it's over. Now if the coach would just take my advice, we could win that game

Yours faithfully,
J. A.

members of the 4th Armored Division at the Seventh Army Training Area in Grafenwohr, Germany. The training included day and night tactical exercises emphasizing mobility and chemical, biological and radiological warfare. An essential part of the training is range firing of individual and crew - served weapons including the Army's new M-60 machinegun and the 105 and 120 millimeter tank guns.

The 4th, a major element of NATO forces in Europe, plays an essential role in maintaining world peace.

Cody, assigned to Company A of the division's 67th Armor in Furth, Germany, entered the Army in February 1962, completed basic training at Fort Ord, Calif., and arrived overseas on this tour of duty in August 1962.

The 21 - year - old soldier attended Springlake High School.

1963 Upland Cotton Quota Announced

The U. S. Department of Agriculture announced on October 15 a national marketing quota of 14,367,000 bales and a national acreage allotment of 16 million acres for the 1963 upland cotton crop. December 11 was set as the date for grower referendum on 1963 marketing quotas.

The announcement also said an additional 310,000 acres would be available as a national reserve to be used for establishing minimum farm allotments. It was further stated that it is not anticipated that this will be the final national acreage authorized for 1963 since new legislation is to be recommended to Congress by the President.

The 16 - million acre allotment is the maximum permitted under present law in view of the present supply - demand situation. It now appears that more than a million bales will be added to the carryover and increase it to 8.7 million bales by August 1, 1963.

The President has announced that he will recommend legislation to remove the inequity in the present two - price cotton system and has requested the USDA to make recommendations to him as to the means for accomplishing that purpose. This legislation would increase the domestic use of U. S. cotton and may also contain other provisions which would permit increases in the acreage to be planted.

Furthermore, I'll bet the television reception up there is terrible.

What I'm saying is, certainly man ought to try to explore the moon, if his tax money holds out. But just don't expect too much to come of it. The race to the moon may be like next week's football game -- awfully exciting at this stage but not very important after it's over. Now if the coach would just take my advice, we could win that game

Citians Have Large Investment In Homes

(Special to the Leader) NEW YORK, Oct. 22 - By virtue of the homes they own, residents of Littlefield share largely in the wealth of the community.

On the basis of property values locally, as recorded in the recent Census of Housing, the 1,441 non - farm dwellings that are owner - occupied have an estimated worth of \$9,799,000. The owners' equity in these homes, over and above the mortgage debt, is approximately \$5,487,000.

These facts emerge from a national study of consumer finances, conducted by the University of Michigan, and from housing data gathered in connection with the census.

The findings are detailed for all areas throughout the country. They show that America's non - farm homes have a total market value in excess of \$400 billion.

Some \$117 billion of it, however, represents mortgage liability. The figure is three times as high as it was in 1950, reflecting the fact that home buying has been made easier, with lower down payments, backed by Government - insured funds.

The \$400 billion is far more than was invested originally in the purchase of these dwellings. They have steadily grown in value over the years and have as a result, been one of the principal hedges against inflation.

Over the last ten years, according to the reports, the av-

erage market value of a non-farm home in the United States has increased 46 percent.

In Littlefield, the Government's sampling survey shows, owner - occupied homes have a

median market value of \$6,800. As the case generally, more than half of them are mortgaged. In the local region 55 per cent have mortgages.

The average figures, applied to Littlefield, give an overall total of \$4,312,000 for mortgage debt locally.

The difference between market value and debt, \$5,487,000 represents the equity that local home owners have in their property.

AMHERST NEWS Mrs. LaGrange

Tapley Presides At Layman's Day

Annual Layman's Day was observed at the Amherst Methodist church at the morning service Sunday. Doyle Tapley, lay leader, presided. He, Melvyn Dutton, Leroy Maxfield, and W. P. Holland, Jr. presented a program on stewardship. Each had a talk on an assigned subject.

Mr. and Mrs. Harold Weathered and sons, Plainview, were guests in the Raymond Duvall home Friday night.

Mr. and Mrs. Eugene Griffing, Lubbock, are parents of a son, named Donald Eugene. His brother and family, Mr. and Mrs. I. N. Griffing visited them recently.

W. B. Smith and daughter, Mrs. Effie Veach had as their guests last week his daughter and husband, Mr. and Mrs. O. E. Sumner, Carlsbad, N. M.

Spending three days last week in the I. N. Griffing home was his brother, N. A. Griffing, Jr. of Houston. Another brother, W. K. Griffing of Dimmitt and grandson of Fort Worth accompanied him here.

Weekend guests of Mr. and Mrs. Paul Gonzales were sons and families, Mr. and Mrs. Donnie Gonzales, two daughters, and son, Wewoka, Okla., and Mr. and Mrs. Frank Gonzales and Dennis, Lockney.

Mr. Raymond Duvall and her mother-in-law, Mrs. C. L. Duvall of Poolville, near Fort Worth left Monday for Leemoore, Calif. They went to attend funeral services for Mrs. M. E. Rhea, the elder Mrs. Duvall's mother. They are expected to return the latter part of the week.

Eddie and Sandy Duvall are spending several days with their grandparents, Mr. and Mrs. J. E. Williams, Earth.

Sunday guests in the H. H. Roberson home were daughters, Mr. and Mrs. A. J. Gifford and family, Plainview, Mr. and Mrs. Ray Clayton and family, Muleshoe, and son, Mr. and Mrs. Owen Roberson and daughter, Barton, N. M. and Mr. and Mrs. Therman Lee Adams, Lubbock.

Mr. and Mrs. Laverne Long and Judy spent Thursday on Tuesday at Camp Chaffee, Ark. with their daughter and family, Pfc. and Mrs. Hudson Cantrell and son, Mr. and Mrs. Sam Long accompanied them and visited Oklahoma relatives.

Mrs. Maude Bennett received word that she is a great grandmother, S/Sgt. and Mrs. John Worth Bennett, Atwater, Calif., are parents of a daughter, born

Oct. 17, weighing 6 lbs. 3 ozs.

Mr. and Mrs. A. A. Royal were in Sudan Saturday to help their grandson, Darren Lynn Royal celebrate his third birthday.

Mr. and Mrs. Jim Templeton spent the weekend in Silvertown with her brother, Jess Brannon.

Mrs. Bill Royal, Plainview, visited the A. A. Royals last week.

Mr. and Mrs. Jack Angely and children, Earth, visited Amherst Friday as they were enroute Cross Plains for the weekend with the O. K. Angels.

Mrs. Ivan Dale Weaver and daughters spent the weekend in Sudan with her parents, Mr. and Mrs. Cliff Williams.

Mr. and Mrs. W. T. Weaver, Jr., and girls were in Brownfield Sunday and attended funeral services for her uncle, M. E. Hulse.

Dr. and Mrs. William Wagner and two daughters of Corpus Christi visited his mother, Mrs. R. L. Wagner Friday. She and the girls spent the weekend in Olton with her parents, Mr. and Mrs. C. C. Curry. He is a member of the U. S. Navy and is being transferred to Roswell, N. M.

Mrs. Earl Sands and Chris of Amarillo spent the weekend with her parents, Mr. and Mrs. V. A. Hinds and other relatives.

Guests in the Forrest Nuttall home Sunday were Mr. and Mrs. D. L. McGuire, Shallowater, Mrs. Tommye Carpenter, Littlefield, and Mr. and Mrs. Bobby Brantley and David.

Mr. and Mrs. Bobby Brantley made a business trip to Paducah Monday.

Word has been received from Mr. and Mrs. Sam Hill, Texline telling of the birth of their son, Sam Winston, born Sept. 29. She is the former Jean Nix, daughter of Mr. and Mrs. John Nix, formerly of Amherst. They have an older son and daughter.

Mrs. H. W. Terrell and daughter, Elouise, Portales, N. M. and Mrs. Tommye Carpenter were in Albuquerque Thursday to see an allergy specialist.

Mr. and Mrs. O. A. Dickson and grandson, Brad Hanna, Lubbock, are deer hunting near Pagosa Springs, Colo.

JUST AS I SEE IT

In order to set the record straight may I say I am not an avowed present-day so-called Democrat and I have no desire to hide my political identity behind the banner of the New Frontier or beneath the coattails of Lyndon Johnson or the Three Kennedy Brothers. Suffice it to say, I have not voted a straight Party ticket in the past fifty years.

The strained effort being made by the rabid partisan to leave the impression that this group of avowed Democrats is ashamed to march openly under the banner of the Republican Party in the crusade to preserve what is left of States Rights and individual liberties, reflects upon the political fearlessness of that mighty horde of stalwart Democrats who supported Ike Eisenhower in both 1952 and 1956 and Dick Nixon in 1960. Have the names of these fearless Democrats been erased from the roster of the Democratic Party? If not, why not? Let it be said that the only evidence of shame visible in this campaign is the reluctance of Connally and his campaign managers to even mention the New Frontier or its youthful leaders.

The charge has been made, and so far has not been disproved, that John Connally was picked and groomed by Lyndon Johnson and the Kennedy Brothers to be their candidate for Governor. John Connally insists that the decision to leave the Military in the care of the National Guardsmen while he flirted with the Political was of his own making. It appears that he awoke one morning in Washington, threw the covers back, resigned from the Navy, planted his feet upon a selfmade political launching pad and in the twinkle of an eye found himself orbiting the great State of Texas in a five hundred thousand dollar political campaign for the Democratic nomination for Governor.

Being an ex-soldier and having a close relative in the National Guard, I am keenly interested in all the whys and wherefores surrounding his resignation. It must be recalled that his tenure as Secretary of the Navy was hardly long enough to familiarize himself with the entrances and exits to the Pentagon. Yet he was rated by his Commander-in-Chief as one of the greatest Navy men since Paul Jones cried out, "Don't give up the ship." If this be a true appraisal of his competence, why was his resignation offered and why was it accepted at the time when the President of these United States had declared a Berlin crisis and called 400,000 National Guardsmen away from their life work and the embrace of their families to the defense of their country. The unjustifiable aspects of this resignation makes both the appointment and resignation of John Connally appear as secret plays in a political game designed to give John Kennedy and Lyndon Johnson a strangle hold upon the political machinery in the State of Texas.

The efforts of the Vote 'er Straight Boys to draw a

complete similarity between Ike's invasion of Arkansas and the Kennedy Boys invasion of Mississippi is an insult to the feelings of the humbled southland. The difference as seen by the true southerner is the difference in being slapped by an outsider or being slapped by one's own child. Ike was the leader of the Republican Party which John Connally, in a burst of emotionalism, said, in a speech at Quanah, Texas, imposed the carpet-baggers upon the defenseless South. This was one hundred years ago. Just yesterday, the Kennedy Brothers, the leaders of the once proud Democratic Party, the Party conceived and nourished by the valor and love of the Southland, sent 20,000 fully equipped soldiers into the little town of Oxford, Mississippi, to desegregate its schools.

This is not to argue the right or the wrong of either invasion, but to beg the Vote 'er Straight Boys to show no partiality in dishing out their venomous criticism, and to realize that there is no longer a traditional Party of the South to which they owe their allegiance.

John Connally says that the doings of the National Administration has no bearing in this Governor's race. A more illogical statement was never uttered. Does he not know that the very existence of State Government is becoming more and more dependent upon the whims and moods found in the various branches of the National Government? Can't he feel the ever-creeping encroachment of the Federal Government upon the functions of the State and the rights of the individual? Where could a more advantageous bastion be found to challenge these encroachments than that offered by the State House in Austin?

Jack Cox believes in State Rights and he also believes that only a political contortionist can be a conservative at Austin and a New Frontiersman in Washington.

Jack Cox believes in mending our own fences, doing our own sowing and reaping, running our own schools, choosing our own doctors and praying when and where we may choose.

Jack Cox is against having our tax dollars sent to Washington to be redistributed as handouts in the name of some political party or self-seeking politician. This damnable practice is being perpetrated upon the voters of this State this very day. May their deceptive acts be damned.

Controversial issues such as these, involving as they do State government, makes public debate imperative. John Connally, as a member of the Kennedy-Johnson Campaign Committee, was an enthusiastic supporter of the Nixon-Kennedy debates. His present refusal to debate Jack Cox detracts from his stature, and reflects upon the dignity of the office to which he aspires.

QUESTION

(Continued from The Skat)

wants to, I think it is O. K. Cynthia Jordan - Sr - I don't see anything wrong with it, except on Friday. After all, some of the football boys from here go with girls from other towns, and they don't give us their jackets to wear.

Pat Thornton - Sr - I don't see anything wrong with wearing jackets from out of town unless you're going with a boy from here!

Johnny Eddings - Sr - I don't think it is any business of the school as to what kind of jackets girls wear to school.

Robert Bolton - Jr - I don't like it!!!

Ennis Pressley - Sr - I think that if the girls can't wear the jackets they want to, the boys here should be forced to give them their jackets.

Sharon Stokes - I can see both sides of the issue, especially since it has nothing to do with me. More than likely if the boys stayed in town the girls would too.

Willie Bennett - Sr - I think they should wear anything they want to as long as it isn't indecent exposure.

Jimmy Bankston - Soph - As far as jackets are concerned I think they should wear any kind they want to.

Janelle Jensen - Jr. - It really doesn't matter to me. I don't have that problem because I don't have a jacket. There would be some hard feelings if the girls weren't allowed to wear them, so it would be O.K. just as long as they show that they have spirit in L.H.S.

Bonnie Richey - Jr. - I think it is fine, but it would help the school spirit if they weren't worn on days that we have games.

Shelley Martin - Sr. - I don't think wearing out of town jackets means that the girls don't care about L.H.S., but there are twice as many girls as boys here. How do you remedy that? Besides, I bet, there are quite a few L. H. S. jackets running around in other schools.

Marilyn Richey - Sr - I can see why the football boys don't like to see jackets from other schools in the halls. I think that maybe on the Fridays that we have football games only L.H.S. jackets should be worn in order to promote our school spirit and morale. On the other days I don't think it should make any difference.

Linda Williams - Sr - I feel like there isn't anything wrong with it. I think the school should worry about more parking space, lunch periods, and stronger morning watch, than what girls are wearing.

Marsha Kesey - Jr. - The girl who can get a jacket to wear out of town or other wise is doing pretty good. So let her wear it! If the LHS boys would be more obliging, then some of the girls would not have to stoop to this action. But, really their loyalty should be to LHS and personally I wouldn't wear an out of town jacket.

Randell Tomison - Sr - I don't think it should be a rule that they can't wear a jacket from another town, but I think they should be loyal to LHS and stop wearing them.

Brother Of Local Minister To Speak At Wayland

Veteran marriage counselor and teacher, W. Clark Ellzey, Columbia, Mo., is speaker for the 14th Willson Lecture series Oct. 29 - 31 at Wayland Baptist College. This is first of the two annual series endowed at Wayland by Mr. and Mrs. J. M. Willson, Floydada.

Ellzey, widely known as an author and lecturer, is the brother of Rev. Jack Ellzey, pastor of the First Methodist Church in Littlefield.

Theme for the lectures by the chairman of the department of marriage and family at Stephens College, Columbia, is "The Christian Family in World Revolution." The public is es-

pecially invited to hear him at 7:30 p.m. Monday on "The Family in Rapid Social Change," and again on Tuesday at the same time on "Parent-Childhood for a Space Age." Two lectures for Wayland students will be given at the 10 a.m. chapel on Monday and Wednesday on "Courtship and Engagement as Marriage Insurance" and "Sex and Love in the Christian's Life."

AT FIELDTON

Mr. and Mrs. Mickey Pickrell and Tonya, spent Sunday in Olton, with her parents, Mr. and Mrs. A. A. Smith. The Smith's son and wife, Springlake, were also present.

Mr. and Mrs. S. G. Cowan and Mr. and Mrs. Morris Bush visited Saturday night with Mr.

and Mrs. James Johnson, Olton.

Mr. and Mrs. Marvin Qualls visited with her brother and wife, Mr. and Mrs. Charles Hukill, near Farwell.

Mrs. Wayne Cowen and mother-in-law, Mrs. S. P. Cowen, Littlefield, visited Sunday evening at the Littlefield Drive Church of Christ.

Mr. and Mrs. Joel Thomson, Littlefield, visited here Sunday afternoon with Mr. and Mrs. Bud Thomas.

James Hukill, Canyon, spent Friday night here with his parents, Mr. and Mrs. T. H. Hukill.

Benny McCain, Friona, spent the weekend here with his grandparents, Mr. and Mrs. Claude McCain, while his parents, Mr. and Mrs. Leslie McCain, were away on a deer hunt. The other son, Charles spent the weekend with their other

grandparents at Pettit.

Mr. and Mrs. J. C. Allen, Frederick, Okla., visited here Sunday with Mr. and Mrs. Claud McCain.

Mr. and Mrs. Ray Muller and three sons spent Friday night in Hereford, with Mr. and Mrs. Fred Muller and son, Barry.

Mr. and Mrs. Bill Nicholas and Mr. and Mrs. T. S. Tyler were in Lubbock Sunday afternoon, to attend a flower show, and the opening of the new library.

Mr. and Mrs. Glenn Blackmon visited recently with their son and family, Mr. and Mrs. Glenn B. Blackmon and three children. Janey Blackmon, Lubbock, was also a visitor.

Visitors Sunday of Mr. and Mrs. Glenn Blackmon were cousins, Mr. and Mrs. Charles Davis, Muleshoe, also a brother and wife, Mr. and Mrs. Elton Blackmon, County Line.

Four Area Boys Attend State Fair

Charles Norman and Bob Smith, both of Anton, and Gary Smith and Oscar Lee Tomlinson of Spade were visitors at the State Fair of Texas in Dallas last week.

The 1962 State Fair, the nation's largest annual exposition in terms of attendance, is in its 77th year.

Theme of the fair this year is "Exposition of Nations." The Music Hall is presenting the National Company of "Carnival."

Tony Estrada, Sr. Well I'll tell you, it doesn't help the morale in L.H.S. to go down the hall and see all the different colored jackets and letters on the girls. I think it puts a pretty good stomp on all the L.H.S. football players.

Mr. Gilstrap: It would make our boys feel neglected. However, the answer to the problem I believe, would be for the L.H.S. boys to go with the girls -- then L.H.S. jackets would be king. We have just as many "dolls" here as they do anywhere.

Richard Eddings - Sr - I think it causes a drop in the school morale. The girls wearing out of town jackets in most cases don't care how our athletes perform.

Linn Kirby - Sr - The reason so many girls are going with out of town boys and wearing their jackets is that our boys never ask them. So if our boys would start going with our girls the girls wouldn't want to wear any body else's jacket.

Fain Attends Medical Meet

More than 700 Texas family doctors are expected to gather in Fort Worth this week at the annual convention of the Texas Academy of General Practice, state association of family physicians. The Academy opened its meeting and postgraduate training program Monday, at the Texas Hotel.

The two and one-half day lecture series brings speakers of national reputation to present topics ranging from Heart Disease to Diagnosis of Athletic Injuries. Numerous Academy members are school team physicians.

Academy of General Practice members participating in the lecture program will receive 12 hours of credit toward continuing membership.

The Academy is the only medical organization which requires continuing medical education of its members; they must complete and document 150 hours each three years or be dropped from membership.

Among the physicians registered is Dr. J. R. Fain, of Littlefield.

NUMBER 26

Dumas Friday

Year

Area Schools Battle Friday

lected temporary chairman's with two members elected Byers, left, and Mrs. Comer for an organization meeting.

sary Board

"Get a Demon" is the word this week as the Littlefield Wildcats prepare to battle the number-two ranked AAA power in the state, The Dumas Demons, Friday night. Both the Wildcats and Demons scored strong wins last Friday night and some sports experts consider this the game to decide District 1-AAA. Littlefield upset the Perryton Rangers 33-0 while Dumas poured it on Levelland, 34-0 as expected. Dumas is the defending District and State champion and sport several stars from last year's team.

Pep Rally Planned For Downtown

A huge pep rally is planned for 1 p.m. Friday at the corner of 4th and Phelps in downtown Littlefield. High school students will be brought to the rally by bus and returned to the school afterwards.

A large flat bed truck will be parked in the middle of the intersection with the cheerleaders leading yells from the truck.

The football players will depart from the rally to Dumas by chartered bus, courtesy of the Quarterback Club.

Bill Kelly, president of the sports organization, urged every Wildcat supporter to attend this gigantic rally, urging the boys on to victory against the Demons.

Tickets for another chartered bus, sponsored by the club for persons who would like to attend the game, may be obtained from Dub Gilder at the (See Rally on Page 7)

Friday Is Last Day For

"We know that Dumas has a powerful team," John Howle, head LHS coach, said, "and they have beaten a lot of fine clubs this year."

"They have practically the same line from last season," the coach continued, "with an average of about 210 pounds per man." The Wildcat line averages about 190.

He explained that most of the starters are seniors have much experience.

"We are going to try and make a good showing against the Demons," he stated, "and just hope we have the same team effort we had last Friday."

"I really don't know where to start in naming the Demons' outstanding players," Howle said, "they all play good ball, and none of them can be discounted."

Some of the Dumas stars are Kelly Baker, 215 - pound all-state end; Lyle Peliffer, 205-pound center; Jerry Glover, 198-pound lineman; Donnie Schuman, 210-pound tackle; Kenneth Williams, 210 - pound tackle and a captain; Leon Kirkpatrick, 230 - pound middle guard; Joe Parsons, offensive quarterback; Doug Holtzman, backfield with a lot of speed and good passer; Dabian Miller,

QUESTION

(Continued from The Skat)
wants to, I think it is O. K. Cynthia Jordan - Sr - I don't see anything wrong with it, except on Friday. After all, some of the football boys from here go with girls from other towns, and they don't give us their jackets to wear.
Pat Thornton - Sr - I don't see anything wrong with wearing jackets from out of town unless you're going with a boy from here!
Johnny Eddings - Sr - I don't think it is any business of the school as to what kind of jackets girls wear to school.
Robert Bolton - Jr - I don't like it!!!!

Ennis Pressley - Sr - I think that if the girls can't wear the jackets they want to, the boys here should be forced to give them their jackets.
Sharon Stokes - I can see both sides of the issue, especially since it has nothing to do with me. More than likely if the boys stayed in town the girls would too.
Willie Bennett - Sr - I think they should wear anything they want to as long as it isn't indecent exposure.
Jimmy Bankston - Soph - As far as jackets are concerned I think they should wear any kind they want to.
Janelle Jensen - Jr. - It really doesn't matter to me. I don't have that problem because I don't have a jacket. There would be some hard feelings if the girls weren't allowed to wear them, so it would be O.K. just as long as they show that they have spirit in L.H.S.
Bonnie Richey - Jr. - I think it is fine, but it would help the school spirit if they weren't worn on days that we have games.
Shelley Martin - Sr. - I don't think wearing out of town jackets means that the girls don't care about L.H.S., but there are twice as many girls as boys here. How do you remedy that? Besides, I bet, there are quite a few L. H. S. jackets running around in other schools.
Marilynn Richey - Sr - I can see why the football boys don't like to see jackets from other schools in the halls. I think that maybe on the Fridays that we have football games only L.H.S. jackets should be worn in order to promote our school spirit and morale. On the other days I don't think it should make any difference.
Linda Williams - Sr - I feel like there isn't anything wrong with it. I think the school should worry about more parking space, lunch periods, and stronger morning watch, than what girls are wearing.
Marsha Kasey - Jr. - The girl who can get a jacket to wear out of town or other wise is doing pretty good. So let her wear it! If the LHS boys would be more obliging, then some of the girls would not have to stoop to this action. But, really their loyalty should be to LHS and personally I wouldn't wear an out of town jacket.
Randell Tomison - Sr - I don't think it should be a rule that they can't wear a jacket from another town, but I think they should be loyal to LHS and stop wearing them.

Brother Of Local To Speak At W

Veteran marriage counselor and teacher, W. Clark Ellzey, Columbia, Mo., is speaker for the 14th Willson Lecture series Oct. 29 - 31 at Wayland Baptist College. This is first of the two annual series endowed at Wayland by Mr. and Mrs. J. M. Willson, Floydada.
Ellzey, widely known as an author and lecturer, is the brother of Rev. Jack Ellzey, pastor of the First Methodist Church in Littlefield.
Theme for the lectures by the chairman of the department of marriage and family at Stephens College, Columbia, is "The Christian Family in World Revolution." The public is es-

Four Area Boys Attend State Fair

Charles Norman and Bob Smith, both of Anton, and Gary Smith and Oscar Lee Tomlinson of Spade were visitors at the State Fair of Texas in Dallas last week.
The 1962 State Fair, the nation's largest annual exposition in terms of attendance, is in its 77th year.
Theme of the fair this year is "Exposition of Nations." The Music Hall is presenting the National Company of "Carnival."
Tony Estrada, Sr. Well I'll tell you, it doesn't help the morale in L.H.S. to go down the hall and see all the different colored jackets and letters on the girls. I think it puts a pretty good stomp on all the L.H.S. football players.
Mr. Gilstrap: It would make our boys feel neglected. However, the answer to the problem I believe, would be for the L.H.S. boys to go with the girls -- then L.H.S. jackets would be king. We have just as many "dolls" here as they do anywhere.
Richard Eddings - Sr - I think it causes a drop in the school morale. The girls wearing out of town jackets in most cases don't care how our athletes perform.
Linn Kirby - Sr - The reason so many girls are going with out of town boys and wearing their jackets is that our boys never ask them. So if our boys would start going with our girls the girls wouldn't want to wear any body else's jacket.

WINS COOKBOOK -- Judy Foley, right, receives the book she won for selling the most books during a campaign by the Patsy Lively FHA. Presenting the book is Joyce Green, president of the FHA.

This is election year again. The People of this District have been wonderful to me through the year and I would appreciate a continuation of your good will and support.
Thanks.

received the George S. Bartlett Award for outstanding contributions to highway progress.
CRUDE DEMAND UP -- Texas Railroad Commission reports that purchasers' nominations for Texas crude oil in November have increased.
November requests average 2,524,186 barrels daily. This is 33,853 more than for October.
Commission is expected to keep its 8-day schedule for prorated wells in November. This would increase the daily average permissible by almost 50,000 barrels.
October is the ninth consecutive month on 8 - day production.
INTEGRATION VOTE - Texas' governor apparently won't be plagued with integration nightmares like Arkansas and Mississippi.
University of Texas students in Austin will vote on the subject on November 14.
Vote will be on integration of living and dining facilities and the school's athletic teams.
Currently, Negroes take part in intramural contests, but there are no Negroes on varsity teams.
University cafeteria facilities are integrated and 15 Negro students live in an integrated men's dormitory.
University has one dormitory for Negro women but they are excluded from all other women's dormitories.
HIGHWAYS ON SCHEDULE -- Texas is on schedule with its 3,033 - mile portion of the 41,000 - mile Interstate Highway System.
Program is reportedly running behind in other states.
Texas has consistently led all other states in completion of its portion of the superhighways since the program was initiated in 1956.
Texas' program also has operated at costs substantially below the national average.
PARKS A MESS -- Texas State Parks are a mess. Some of them have no excuse for existence.
That's the jarring report given by the Texas State Parks Board by a newspaper reporter who toured the parks system.
Paul Timmons, associate editor of the Amarillo Globe - Times and News, reports that none of the parks are properly planned and many of them are little more than city parks in rural -- and sometimes remote -- locations. Others serve only to give access to lakes or streams. Some don't equal the competition of nearby resorts.
Planning now is being done at Texas Technological College under a \$70,000 contract with the State Parks Board.
