

# Half-Day Grade School Possible Here Next Fall

A possibility that all gradeschool students only half day classes next year, Jack Yarbrough of the Littlefield school district said.

There are now 621 children in classes at Primary school, which was intended for 550, and 450 at Central, designed for about 360.

Asked if there were any other pressing school problems at the moment Yarbrough replied, "That ought to be enough."

It would not be the first time Littlefield has had half-day classes.

Overcrowding in 1947-48 made

the split schedule necessary that year. But completion of the new gradeschool building allowed moving three grade classes into the Junior highschool building and solved the problem for a while.

Littlefield Jaycees have asked the school board how Littlefield can obtain a new gradeschool building and committees from the Jaycees and the board have been appointed to consider possible ways of securing a new building.

Possible location of a new building "if and when we can ever

get it" was discussed at a 6-hour school board meeting Monday night, Yarbrough said.

"It was just talk and nothing was decided," Yarbrough said.

School board members at the meeting Monday night also discussed oil wells on school land and re-elected teachers for next school year.

The board set the Kermit football game for the afternoon of October 9, and designated the first Saturday in April for election of school trustees. The board members whose terms are expir-

ing are Boyd Montgomery, Yarbrough and W. C. Cannon.

The board also discussed a request that school buses be used to pick up children who live not more than two miles from school. That would require two or three more buses and the school board decided not to include this area in the bus program since it would require purchase of two or more buses.

Teacher re-elected were:

HIGHSCHOOL — Mrs. Flora Burks, Mrs. S. E. Ayres, Mrs. Lucille Betts, Roy Carter, Mrs.

Elaine Cole, Sam P. Goodwin, W. Hall, Beryl Harris, James Hine, Mrs. Gladys Houk, Mrs. T. J. Jones, Mrs. Inell Lowe, Mrs. Eloise McDougal, Elizabeth Pace, James Pirkey, Mrs. Mary Ruff, and Dalton Teague.

JUNIOR HIGH — Mrs. Bonnie Crosby, Richard Daughtry, Mrs. Bula Doherty, Roy Evans, Mrs. Pearl Hutchinson, Mrs. Irene Lynn, Forrest Martin, Gene McCannies, Mrs. Haldis Pearce, Joe Simpson, Clarence Williams, Mrs. Doris Williams, Mrs. David Eaton, Mrs. Iona Donnelly.

CENTRAL — Mrs. Addle Abernathy, Mrs. Bertie Brune, Mrs. Al Chambers, Mrs. Audie Collins, Mrs. C. D. Dodson, Mrs. Patsy Fikes, Mrs. Roy Hicks, Joyce Holden, Mrs. Paul I. Jones, Mrs. Florence Porcher, Sherman Taylor, Twyla Pritchard, Mrs. John Taylor.

PRIMARY — Mrs. Howard Burks, Mrs. Alma Faye Carter, Mrs. Roy Carter, Mrs. Mary Davis, Mrs. Thelma Duval, Mrs. O. Gene Gibson, Iris Hamm, Mrs. Loda Hardin, Mrs. Ruby Hulse, Mrs. John Richey, Mrs. Robert Richey, Mrs. Grace Smith, Mrs.

Helen Teague (school nurse), Mrs. Mary Jo Vaughn, Mrs. O. L. Walker, Mrs. Sherman Taylor.

Several teachers without degrees were approved for rehiring subject to approval of the state department. They are Mrs. Mary Schilling in highschool; Mrs. L. L. Massengill, junior high; Mrs. Laverne McCown and Mrs. Wilma Bridges, central; Mrs. Lula Dickenson, Mrs. Lou Driskill, Mrs. Cecil Plate and Mrs. Georgia Thompson, primary.

Also re-hired were Mrs. Forrest Martin, cafeteria director, and Forrest Moore, bus director.

## Committees Appointed Public School Week

Kickoff breakfast for Texas Public School week, Feb. 6, held at 7 a. m., Wednesday in the basement of Methodist church was attended by 30 civic leaders representatives of schools and churches. Committees for Public School week, which is also in celebration of 10th anniversary of public schools, were appointed by Jones, county school superintendent, who acted as chairman of the meeting.

The breakfast, prepared by school officials, was held to plan activities for March 1-6 which will acquaint people with the school and school programs and get as many people to visit the schools during the week as possible.

Superintendent Haldis Pearce heads the projects committee which is formulating plans to place a primary class in the Hall Motor company showroom during the week, hold a back-to-school program, place school displays in downtown business places, and serve luncheon to Littlefield civic organizations in the school cafeteria. Other activities planned during the week include the Lamb county Teacher's association meeting here March 1, the Littlefield high school senior play, March 2, and the Wildcat band concert, March 5.

Another meeting of the steering committee will be held, Jones said, about a week prior to Texas Public School week. Representatives from Spade schools present were J. A. Lumsden, superintendent, and N. N. Frey, Spade school board member.

Committees appointed were: Projects, Haldis Pearce, chairman, assisted by all teachers and principals; Display, Jesse L. Everett, chairman, Fred Wright, Walker Borem, L. C. Hewitt and Arzell Streety; Publicity, Skipper Smith, chairman, Lee Hemphill, Mrs. Hollis Smith, Henry Haupt, and Mrs. S. E. Ayers.

Reception, Mrs. Oscar Wilmon, chairman, Mrs. Arthur Duggan Jr., and Troy Armes; Visitation committee, Jack Christian, chairman, Stillwell Russell, Marshall Howard; Mrs. Tracy Perkins, Tracy Perkins, Merle Beard, Lt. Robert Robinson; and alternates, W. O. Hampton, Sam Hutson, Robert M. Richey, and Mrs. Robert M. Richey.

## City Commission Studying Request For Phone Increase

Jaycees Plan To Protest It

General Telephone Company officials will meet with the Littlefield City Commission again next Wednesday to talk some more about the rate increase they are requesting.

The company submitted its request to the commission last week together with a brochure explaining why they think they should be granted an increase and quoting figures in support of their claims.

The commission recorded their verbal arguments, took their brochure for study and comparison with last year's figures, and told them they would consider it.

The new rates requested are from 20 percent to 60 percent higher than present rates which were raised by 30 percent in February, 1953. The company estimates that total revenues will be increased by approximately 42 percent by the new rates. Smallest increase is \$1.30 per month on a \$4.50 increase on one party business phones.

## All-State Choir And Band Members Go To Music Convention In Dallas

LEE BOYD MONTGOMERY (Photo by Taylor Studio)

Littlefield highschool chorus and band members selected to the All-State Choir and Band and their directors, Dick Daughtry and Beryl Harris, left Wednesday to attend the Texas Music Educators Association convention in Dallas this week.

Lee Boyd Montgomery, All-State band trombonist for the third consecutive year, accompanied Band Director Harris to Dallas where Montgomery will play with the band members selected as the best from over the state.

Miss Clarabeth Thedford is attending the convention for her third year as an All-State choir member. She was accompanied to Dallas by her parents, Mr. and Mrs. M. P. Thedford. She sings alto.

Accompanying Choir Director and Mrs. Dick Daughtry were John Ivey, All-State tenor, and Roy Lee Dunn, alternate baritone. Another alternate, James Lee, was unable to attend, as was the band alternate, Miss Emma Jane Jones. Lee is a tenor and Miss Jones plays the saxophone.

On the convention program are choir and band director meetings, performances by the All-State Choir and clinic sessions on technicians.

## 1,162 Attend 1st Baptist Dedication

There were 1,030 persons in Sunday school at the First Baptist church Sunday, Dedication Day for the new sanctuary, and there were a few more than we could take care of at the morning worship service," Dr. Lee Hemphill said Wednesday.

\$9,000 For Building Fund

The Dedication Day offering for the building fund totaled \$9,000, but that is not a record. The church has topped \$25,000 in a day's offering in special building fund collections the last three Thanksgivings.

"It was very successful," Dr. Hemphill said. Former pastors and members from throughout the nation attended and for morning worship the sanctuary, which seats 1,000, was packed and 162 additional chairs were installed.

Straus Atkinson Speaks

F. E. Swanner, district missionary, was the only scheduled speaker unable to attend. His mother was seriously ill. He was replaced by Rev. Straus Atkinson. (Continued on Page 4)

## Spade Gets New Superintendent

J. A. Lumsden, a candidate for county superintendent, Wednesday announced his resignation as superintendent of Spade schools. The resignation will be effective August 1.

P. T. Dunning, Lipan superintendent, has been selected by the Spade school board to succeed Lumsden. Dunning was given a 3-year contract.

Lumsden, who had two more years to serve on a 3-year contract at Spade, said the Spade Board had agreed for him to decide about his resignation after the election July 24. But he said he insisted on announcing his resignation now "so they'd have time to get a good man."

## Anton Mechanic Gets \$1,000 Bonus

ANTON. (Special)—Thursday marked the completion of 10 years that Jack Oakley has worked as a mechanic for Dardens Implement Co. in Anton and for his "good and loyal service," he was given a bonus of \$1,000.

Darden personnel and their families had a barbecued pheasant dinner at the Lariat cafe to celebrate the event.

## COUPLE ASPHYXIATED

Mrs. James Maddox was released Saturday from Littlefield hospital after being hospitalized with atoxic poisoning. Maddox, who was released earlier, had also been hospitalized when they became ill due to a gas leak in their home on West 10th street.

## PITMAN BREAKS FOOT

Jim Pitman is a patient in Payne Shotwell Foundation with a broken foot, received when a portion of a pump fell on it Monday. Pitman and Bill Exum were pulling the pump when the accident occurred.

## County Names Judges For '54 Elections

County election judges for the 1954 general election were appointed at the regular February meeting of Commissioners' Court Monday. County Judge Robert Kirk announced Wednesday.

They are listed here, by town and polling place, with the name of the presiding judge first:

OLTON (School House—Truett Sides, J. A. Carruth, Eldon Franks, Louis Schreier.

EARTH (Community Building)—O. B. Whitford, L. Z. Anglin, L. T. Smith, Guy Kelley.

SPADE (School)—Albert Lockwood, Mrs. Homer Miller, Jimmy Nelson, N. N. Frey.

WEST LITTLEFIELD (Hampton Gin)—W. O. Hampton, Paul Lewis, Carl Locke, Walker Boren.

SUDAN (City Hall)—Joe West, Clyde Robertson, Mrs. Elgin Baccus, Gus Bellomy.

PLEASANT VALLEY (School)—Fred Peterman, Jack Epps.

NORTH SUDAN (F. O. Masten farm office)—Arthur Frazier, Jinks Dent.

FIELDTON (School)—Sherman Rushing, Vernon Qualls, Royce Goens, John Muller.

## Man Dies, Boy Hurt In Area Road Mishap

Henry Prestwood West, 75, Sudan farmer, found dead Monday in the wreckage of his car, will be counted as Lamb County's second 1954 traffic death victim although he probably died of a heart attack before the smash-up.

The accident involving West was one of three reported in the county in the last week. A Littlefield boy, Bobby Carlisle, was injured Tuesday afternoon when he stepped in front of a car traveling on West Fifth street driven by Aubrey Dunlap, 516 E. Fourth. The 12-year-old victim, son of Mr. and Mrs. Paul Carlisle, was carried to Littlefield hospital for x-rays and treatment.

No one was hurt in the third accident, in which a new car driven by James Blessing, 15, son of Mrs. Roy Blessing, overturned Saturday night on S. Westside Avenue.

Police Chief J. L. Walraven estimated damage to the car at \$1,100. He said it overturned after the driver lost control.

Highway Patrolman Clayton Culp said West's car ran off the road and hit a tree, 3 miles west of Sudan on Farm Road (Continued on Page 4)

## Alvin Sutton Dies In Truck, Train Wreck

Mrs. Alvin Sutton, daughter of Mr. and Mrs. G. A. Littlefield, received word Wednesday morning that her husband, Alvin Sutton, was killed in a cattle truck and train accident in Dallas.

Mr. and Mrs. Littlefield, Mrs. Sutton and daughter, Patricia, left Wednesday for Dallas. They planned to have the body returned to Littlefield.

Sutton had been in Dallas about three weeks. He was driving a cattle truck across the railroad tracks when it was struck by a train.

## Great Opportunity In District 2 Of Littlefield Newspaper Program

Two of the Car Orders or the Cash Equivalent and Three District Prizes Must Be Awarded to Persons Residing Outside of Littlefield and Littlefield Routes.

Strange as it may seem, still there are not as many active candidates in the outside district of the Littlefield Newspapers' circulation program as prizes that must be awarded there.

## Audit Delays Meeting Of Coop Boards

A meeting scheduled for Monday night between old and new directors of the South Plains Co-Op hospital in Amherst was postponed because an audit of hospital finances has not been completed, Hospital Manager Carroll Pouncey said Wednesday.

"The meeting will be held as soon as the audit is finished," Pouncey said, "but that probably will be late this month."

The old board has offered to withdraw as soon as the audit and inventory of hospital equipment are completed and accepted. Until then, the new board is "marking time" and has taken no official action other than to elect its officers.

Pouncey said hospital admissions, which had dropped some after the stormy meeting in which members of the co-op voted to oust the old board, have "picked up considerably" this week.

## Band Parents Meet

The Littlefield Band Parents Club will meet at 7:30 p.m. Thursday in the highschool auditorium. There will be a program by band students, a business meeting, and refreshments.

## Two of the four car orders or the cash equivalent and three district prizes must be awarded to persons residing outside of Littlefield and Littlefield routes, regardless of results obtained by the candidates residing there.

There is no division of districts so far as candidates residing in the territory. Candidates may work wherever they wish. The territory is merely divided into districts for the awarding of prizes, with five prizes, including two of the car orders or the cash equivalent, to be awarded to persons residing in each district.

Each person taking part with the work is furnished a list of all subscribers to each paper, in their territory, and surely no work could be more pleasant than calling on friends and acquaintances, explaining how the person taking only one paper is paying exactly the same for one paper, and still receiving only one-half of their paper.

The last two issues of the paper carried 24 pages each; meaning that the persons receiving either paper alone missed 24 pages of news and advertising in the last week, and are still paying the same as others.

Those taking part in the program are furnished copies of the two papers, so they can show those who are taking only one paper, what they are missing.

Candidates residing in Littlefield and Littlefield routes can (Continued on Page 4)

## Rig Moves In On Gregg Farm

This week Western Drilling Company moved a rig onto the L. C. Gregg farm two miles northeast of Littlefield. They have been hired by Homer J. Cain of Lubbock to drill a test well to the San Andres sand.

Location of the drilling site is southwest corner of Labor 18, League 658, State Capitol Lands Survey.

Another test is expected to commence within the next few weeks on the Kenneth Heard farm 1 1/2 miles southeast of Littlefield. Sharples Oil Corporation signed a contract last month to commence this well within 90 days.

The pool's two present producers are neither drilling nor preparing to drill this week. Texas Company has announced intention to drill five more wells, but local officials say they do not know when any of them will be started.

Water Board Meets

The Lamb County Water Conservation committee will meet Feb. 17 at 7:30 p.m. at the Littlefield Chamber of Commerce office, according to V. M. Peterman, chairman of the water board.

GAYLORD TATE, son of Judge and Mrs. Cecil H. Tate of Muleshoe, will be recognized Thursday night for his accomplishments in Scouting at the Yellowhouse district Boy Scout Court of Honor to be held at 7:30 in the Muleshoe highschool auditorium. The Court of Honor highlights area observance of Scout Week. Tate has completed the scout work necessary to apply for the Eagle Scout award, highest in the power of the district to give.

## CECIL MARTIN ELECTED

Cecil Martin of Littlefield was elected to membership in the American Shorthorn Breeders' Association last week.

# Littlefield Plays Tulia Here Friday Night

## Last Chance For Wildcats To Grab Tie In Loop Race

The Littlefield Wildcats take their last chance to get a 3-way conference tie Friday when the league-leading Tulia Hornets come home to Littlefield and they can both beat Tulia in their last games with the Hornets they will tie up the district lead.

The Wildcats won another District 2-AA conference game Tuesday night over at Lockney. They downed the Longhorns, 61-46.

Troy Gardner had a field day in only a little over half a game of playing, scoring 20 points.

He was assisted with points by Boyd Mears 11, John Clayton 8, Dan Howard 7, Keith Davis 5, Milton Vaughn 4, and Wayne Wicker, Bobby Orr, and James Durham with 2 each.

The starters, Gardner, Mears, Davis, Howard and Vaughn only played about half the game.

The Wildcats had the game all their way from the start. The score at the end of the first quarter was 18-10. At the end of the first half the Wildcats were out in front by a score of 33-17. The reserves were leading the third quarter, 49-26.

The "B" team took their contest, 28-23, under the leadership of Junior Joe Giddens. Joe made 13 points and Bobby Orr helped with 5.

The Wildcat girls lost their game to the Lockney girls, 31-24. Trudy Smith led the scoring with 20 of the 24 points for Lit-

## Dunbar Wins 2 Trophies At Lubbock

Dunbar highschool Tigers and Tigerettes brought back two trophies from the district tournament in Lubbock Saturday.

Dunbar boys won the first-place district trophy with a 61-49 victory over Slaton in the finals. This was the most exciting game of the tournament. The lead changed hands several times before Dunbar finally built up a 10-point lead and never relinquished it.

The Tigerettes were defeated by Slaton girls 8-3 but they came back with a consolation trophy.

## Olton Wins Another Loop Game

The Olton Mustangs won a double-header from Muleshoe in Conference 2-AA basketball Tuesday night on their own court.

The boys took their contest, 42-31 and the Olton girls won, 42-38.

Lonnie Stephens of the Mustangs made 10 points and tall Charas Shelley and Don Macon each made 9. The high-point man of the game, however, was Jimmy Holt of Muleshoe with 14 points.

Linda Franks led the offensive game for the Mustangs in the girls game.

The Muleshoe "B" team won their preliminary against the Olton Mustangs, 31-28.

## Whitharral Plays At Anton Friday

WHITHARRAL. (Special)—In the district basketball tourney at Anton this week, Whitharral girls will meet the winner of the Bula-Spade game at 6 p.m. Friday.

Whitharral boys who have won their "round robin" will meet the winner of the Bula-Spade game at 7 p.m. Friday.

Winner of the tourney will play Whitharral boys to determine the district champs, who will also go to the regional play-off at a later date.

## 3-Way, Anton Teams In Tourney Semifinals

The girls and boy teams of Threeway and Anton advanced to the semi-finals of the District 2-B Tournament Tuesday night in the Anton gymnasium.

The Anton boys won their game against Pettit, 64-35 with Johnny Bass scoring 20 points

and Bill Price for Pettit making 15.

Bobbie Dean Newell led the Anton girls to their victory over Pettit with 25 points, but Colleen Johnson of Pettit was high scorer of the night with 29 points.

Anton girls won 50-42 in an over-

time thriller. Score was 41-41 at end of the game.

Threeway downed Pep boys, 74-25, and beat the Pep girls, 52-22.

Thursday night Bula and Pep girls and boys go against each other in the other quarter-final brackets. Whitharral drew a bye in the first bracket.

Friday night all the winners play off the semi-finals and the finals will be decided Saturday night.

more effective if he can toss the ball with either hand. Not only does he improve as a performer but he also increases his value because he is always a threat. That makes it more difficult to guard him.

Even in NBA there are some players who can shoot only with one hand. A weakness like that is soon discovered and the shooter is guarded closely on his shooting side, thereby losing much of his effectiveness.

A good pointer for youngsters is shooting from the fingertips. Never shoot with the palm a-

gainst the ball. When releasing the ball make sure the fingers control the flight.

Defensive play is very important and is sometimes neglected in these days of high scoring games. Always force your man to his weak side. If he can shoot only with one hand, then your defensive job is that much easier.

Thus, if you have confidence in your shooting and practice your favorite shots from your best position with either hand then you are on your way to becoming a good player.

# Four Nationalities Represented In Wrestling Here Saturday Night

Four nationalities will be represented by the four athletes scheduled for a double main event at Littlefield's Sports arena Saturday night, and a lot of heavy wrestling is in store for the fans.

Karol Krauser, sullen, be-whiskered, dark-haired son of Poland, meets fair-haired, blue-eyed George Overhuls, Amarillo Irishman, in the second section of the double header.

Clever, popular Luis Martinez, handsome young Mexican, tangles with brutal Benny Trudell, French-Canadian from Montreal, Canada, in the first part.

Terrific speed generated by the lithe, capable Mexico City boy may be more than the slower Trudell can cope with, but Martinez would do well to stay away from the Canadian's headlocks and toe-holds, and leg scissors. sors, and while his legs do heavy damage, his fists and hair-pullings do even more.

Each match Saturday is scheduled for the full main event route—two out of three

falls or one-hour time limit.

Overhuls and Krauser, wary of each other since beginning a feud that has spread over the Southwest States junior heavy-weight area, will depend on a lot of rough stuff. Each particularly likes the idea of bringing blood from the other, and they do this in ugly necklocks, working on each other's forehead and cheeks when the referee is unable to watch.

Krauser is susceptible to fist blows, and appears groggy and unsteady after a barrage of blows to the head, but his recuperative powers are great; he needs only a few seconds to shake off the effects of fist-locks, after which things get rough.

# Levelland C of C Fetes Farmers At Whitharral

WHITHARRAL, (Special)—The Levelland Chamber of Commerce hosted a banquet in the Whitharral lunchroom Thursday to launch a program of friendship and good fellowship between the businessmen of Levelland and farmers of Whitharral community.

A feast of fried chicken and the trimmings, and cherry pie a la mode were served by Mrs. Robert L. Vann and members of the junior class.

Mayor Jim St. Clair of Levelland called the event "the finest thing the chamber of commerce has ever done," and a long list of speakers from both Levelland and Whitharral called the venture an outstanding success.

St. Clair, in one of the few serious moments during the entire program pointed out that residents of both communities "live on a very small slice of this earth." He urged a continuation of such fellowship to draw the communities close together.

Among other Levelland speakers were Frank Bartley, president of the chamber of commerce, Burnett Roberts, Earl Allison, Bill Simon and Jim Peeler. Whitharral speakers included L. C. (Tot) Lewis, C. B. Keeney, Bryan Hulse and Clifford Throckmorton.

Herbert Jackson served as master of ceremonies. C. L. Sharp, principal of Whitharral high school, introduced the

### Whitharral speakers.

Whitharral residents for whom reservations were made included C. L. Sharp, W. A. Grant, Charlie Vinyard, Gordon Martin, Philip Wynn, George Ligon, L. C. Lewis, J. E. Gravitt, Vernon Cox, A. H. # Services Set For Bula Man, B. F. Pierce

Funeral services for Benjamin Franklin Pierce, who died at 10 p.m. Tuesday in his home near Bula, were set for 3 p.m. Thursday at the Bula Baptist church. Funeral arrangements were in charge of Hammons Funeral Home in Littlefield. Burial will be in the Sudan cemetery.

Pierce, born May 13, 1889, had been a county resident since coming here from Winters in 1924. His home was on the Sudan route, two miles east and two and one-half miles north of Bula.

He is survived by his wife; five sons, Tracy Allen of Newburg, Ore., Bernie Russell, Philip and Christopher of Sudan, and James Lou, Sudan; four daughters, Mrs. Ruth Galloway of Sudan, Miss Catherine Pierce of Petersburg, Mrs. Denny Frances Perry of Imperial, and Mrs. Gladys Elizabeth Allen of Plainview; and 12 grandchildren.

Rev. Alford Richards of Farmington, N. M., will officiate at the services, assisted by Rev. Smith of Spade and Rev. Fine of Bula.

the world for tall and short. The short man still, and will always be able to develop speed to compete with the tallest.

Basketball develops better all-round coordination than any sport. Each sport has its merits, and we're not trying to put one out ahead of the other, but let's not stand by and see the American sport participated in and attended more than any other run down.

Where would Buddy be today if he hadn't found something like basketball to bring him out of his self-conscious shell that made him appear a freak and sissy to the school kids? The boy became a modest leader in all school activities.

Troy Gardner of Littlefield isn't tall enough to approach the size of a freak giant. He is about 6 feet 2, a nice size for today's larger generation. But his ability in basketball helps his coordination, as it does a smaller man like "Rabbit" Vaughan. Troy, you notice, is a leader also in other activities in the Littlefield high school.

Western Kentucky had gone to 20 straight without a loss before they were upset this week. Coach Diddle builds fast running and shooting teams to play ahead of the opponents. A tall kid in Cleveland, Tenn., where Western Kentucky gets a lot of stars, was a friend of mine. His name was Boyd Cates, called "Buddy."

Buddy was called a sissy in the 7th grade. He worked in an ice cream parlor after school. He went to get his cousin at the city Armory, where gangs played basketball all the time except school hours. As he walked under the basket to tell Jimmy, "Your Mama wants you to come to supper," a kid threw him the ball and hollered, "shoot!"

Buddy jumped like a deformed frog and let loose with both hands. The ball swished through the hoop. All the kids curled up on the floor with laughter at the 6 foot one inch eighth grader making a collegiate style post shot with a hill-billy form. Boyd was amused at himself, too, and retrieved the ball and shot again. Swish again. He tried it the third time and swish again. Then he shot a couple of misses. The next thing you know he was on the loser's side, running with the ball, managing to bounce the sphere a couple of times a dribble before losing control, but able to hold the ball high above the heads of the other kids.

Mrs. Cates came into the gym about dark and saw what she never dreamed would happen. She was so thrilled that her boy was playing with the gang that she didn't punish Buddy. Oh yes, Jimmy, the cousin, really caught it when he got home. But when Buddy became high point man his Junior and Senior years in the Tennessee's top class high school for the state and got his scholarship to Western Kentucky, Jimmy admitted his whipping was worth it.

Buddy went back to the armory every day from then on until his Dad put up good goals in his back yard. A department store manager had concrete put in Buddy's back yard and the boy worked hours on every imaginable shot his last two years in high school.

There are those who would disparage the game most popular with more people in America, basketball. They say it is a "Goon's" game. It is only for freak, tall boys who can't do anything else.

This is not so. Every tall boy who has become a real success in basketball has worked hard. He has shot and practiced without end. The sport has given a chance in

## We Believe in Man

We hold as central the dignity and sacredness of every human personality. Man is made in the spiritual image of God and partakes of His character and fellowship. He is greater than the world through which God produces and sustains His life. The Scriptures remind us that man is a sinner and has fallen short of the glory of God. He may, however, through grace, rise above his sin and the circumstances which surround him. His glory is in his humanity and not his race or color. Endowed with freedom of choice, he may descend to the lowest hell or rise to the highest heaven. In him as a person all the moral ends of the universe and all the movement of God's eternal purpose find meaning and value.

### Opportunity

(Continued on Page 4)  
 not win the prizes set aside for persons residing outside of that territory.

Those residing in the outside district who are reading about the prizes offered, and thinking how nice it would be to win one of these prizes, should make up their minds immediately and get started while others hesitate.

Never before was there an opportunity placed before the people of this community to profit so liberally for spare time work as is being offered by this newspaper today.

There is really no selling to be done but a pleasant explanation to each subscriber that they now have the opportunity to have both Littlefield newspapers for the next two years for the same price they have been paying for one.

Surely, there could be no spare time work more pleasant or more dignified than this being offered by these newspapers today, and surely there are those who would not want to take a steady job but still would like to go out and earn extra money in their spare hours these next two weeks, that otherwise would be wasted.

We find many people who are drawing a very small pay check each week and cannot seem to grasp the thought of being able to make up to \$600 cash or prizes of greater value

for a few days spare time. Still that is just what these newspapers are offering.

The least anyone can earn is 20 per cent on their collections, which the candidate keeps each day, and that is only compensation for those who are not willing to go after some of the larger things of life. Office is open from 8:00 a.m. to 9:00 p.m. each week day. Phone 26 or 27.

 son, pastor of the First Baptist church at Canyon, a former member of the Littlefield church who was ordained here.

A revival began simultaneously with the dedication and will continue through Sunday night. Dr. Hemphill said there already have been 27 conversions and additions in the revival and attendance is good.

**Revival Open To Public**  
 The public is invited to the revival services daily at 7 a. m., 10 a. m., and 7:30 p. m. Rev. Fred Swank of Fort Worth is preaching and Kenneth Hill of Abilene is in charge of special music.

Dr. Hemphill preached the first sermon in the new sanctuary Saturday night at a special service on his 11th anniversary.

### C of C Plans

 committee will plan the education tour for show winners.

### Tickets Go On Sale Friday For C of C Banquet

Tickets will be placed on sale for the annual Chamber of Commerce banquet at a meeting of the Finance committee of the Chamber of Commerce at 7:30 a.m. Friday at Thornton's cafeteria. Jim Mangum heads the committee.

Tickets for the banquet, set at 7:30 p.m. Feb. 18 in the high-school cafeteria, will sell for \$2. Cayce Moore, well-known humorist from Hearne, will be the principal speaker. Special music will be presented by Richard Daughtry, choir director for Littlefield high school.

Committees appointed in charge of the banquet are: program, Troy Armes, chairman, C. A. Miller and J. B. McShan; food committee, Dr. Glenn Burk, chairman and Skipper Smith; greeters and ushers, Doug Howell, chairman, Pat Boone Jr., Homer Garrison, John Alford, Carl Keeling, and Arthur Duggan Jr.; and decorations, B. D. Garland Jr., chairman, and J. E. Chisholm Jr.

Sixty guest tickets were sent out to city officials throughout West Texas and Eastern New Mexico.

### 5 Countians New Draft Registrants

Names of five Lamb county 18-year-olds who have registered recently with Selective Service were announced Wednesday by Mrs. Jean Smith, deputy county clerk at Littlefield who serves as registrar for Lamb county.

New registrants are Antonio Montemayor, Carlos Eddie Hoppe, Jerry Hindman Wyatt, Leonard Deway Gilmore and Alfonso Valdez Villa.

Skipper Smith, co-chairman of the livestock show committee, will plan the education tour for show winners. Skipper Smith, co-chairman, gave a report and outline on the tour, recommending that it be held April 11-14.

Calves and hogs shown in the Littlefield show will be sold at market prices that day at the option of the owners of the animals. Out-of-town buyers will be invited to buy the animals, and local buyers are urged to take advantage of the top grade beef being offered at regular market prices.

The Safety committee, of which Skipper Smith is chairman, presented the following projects which were accepted: to work with city and county law enforcement agencies, outline plans and present them to the proper authorities to make intersections safer, outline plans for designating XIT and LFD as through streets, sponsor a fire prevention campaign in connection with the schools and business firms, sponsor a safe driving campaign, check the driving around the schools, work out plans and present to the schools on the possibility of a driver's class in the school system.

Board members also heard a report from Homer Garrison on the cotton hearing in Waco Jan. 13.

### Man Dies

(Continued from Page 1)  
 303. Culp said the road was straight and there was no other traffic on it at the time.

A doctor who went to the scene pronounced West dead on arrival and said he believed the man died if a heart attack before his car ran off the road.

West had been in a Sudan drug store a few minutes before and told friends he had "a stomach ailment" and was going home.

Services for West have been tentatively set for 2:30 p. m., Thursday at the Sudan Church of Christ. Burial will be in the Sudan cemetery. Funeral arrangements are being made by Hammons Funeral home of Littlefield. West was a member of the Church of Christ.

West, 75 was born in Houston, Sept. 10, 1878. He had been a Lamb county resident since 1925, moving here from Wellington. He was engaged in farming.

He is survived by his wife; four daughters, Mrs. Clifton Tuhunter of Los Angeles, Calif.; Mrs. Buford Walser of Sudan; Mrs. B. B. Spaulding of Los Angeles, Calif.; and Mrs. Bernice May of Sudan, and three sons, Gene West of Littlefield, Wayne West of Los Angeles Calif; and Clovis West of Denver, Colo.

### City Commission

(Continued from Page 1)  
 (Jaycees) has declared it will protest it and plans to have a delegation at next Wednesday's commission meeting. The meeting will take place at 7:30 p.m. in the city hall.

### Charged With Raping Child

Fred W. Key, a 35-year-old Hobbs, N. M., oil worker, has been charged with raping an 11-year-old girl in Littlefield Saturday night.

Key was a guest in the child's home when the alleged attack occurred. The child was not injured but she and another girl sleeping in the same room said she had been raped.

Key has told officers he had been drinking and doesn't remember what happened.

He has entered a plea of innocent to a charge of rape and Peace Justice G. S. Glenn denied him bond. Key was taken to the Lubbock jail by county officers for safekeeping.

### Mitch Stokes Improves After Farm Accident

A letter received by W. D. T. Storey from Mitch Stokes of Izora, Texas, says Stokes is much improved from a recent accident in which he had the misfortune to break his hip and wrist.

He said he was home from the hospital, had a pin in his hip and his arm was still in a cast. He is home now recuperating from the ill effects of the accident and will be confined to his bed for several weeks to come.

Stokes recently sold his drug store in Littlefield and moved to his present location to operate his farm and ranch which is located near Lampasas. His many friends wish his a speedy recovery.

### Senator To Talk At FB Barbecue

State Senator Andy Rogers of Childress will be guest speaker at the supper Monday night in Littlefield to kick off the Lamb county Farm Bureau membership drive.

The dinner here is being held for workers in the membership drive and their wives. Anyone who wants to help in the drive may attend the barbecue simply by contacting the Farm Bureau office on a before Saturday.

Meanwhile County Judge Robert Kirk has issued an official memorandum setting Feb. 16 as Lamb County Farm Bureau Organization Day and urging citizens to cooperate in recognition and observance of this day.

### Bennets Buy Spade Grocery

SPADE—Mr. and Mrs. H. N. Bennett purchased the Bennett grocery and are again operating the grocery and locker.

Bennett has been in the grocery business in and near Spade for many years but sold out more than a year ago. The Bennetts live in Littlefield where Mrs. Bennett owns the Foust grocery building and is constructing a new building.

### Miss Wilson Honored At Bridal Party

Miss Nellie Wilson, daughter of Mr. and Mrs. L. E. Wilson, and Joe D. Greer, son of Mr. and Mrs. J. A. Greer of Spade, exchanged wedding vows in a double ring ceremony in the First Methodist church of Clovis, N. M., Saturday morning.

The couple were attended by Mr. and Mrs. Robert Eiler of Littlefield.

Mrs. Greer has been employed at Anthony's. She is a graduate of Littlefield high school. Greer, a Spade high school graduate, served with the air force and is presently employed by Graham Paper company in Lubbock. The couple are at home in Lubbock.

### Tune Up For Health

(This is the fifth article in a series on weight reducing in this series on body dynamics).

By JACK POBUK

#### AP Newsfeature

#### WEIGHT REDUCING V

Diet and exercise work hand in hand in weight reducing. Be careful to select foods which provide energy. You need it to continue internal processes—temperature digestion, blood circulation—as well as body movements. When you take in more food than is needed it turns to fat. This is especially true of sugars and fats. Cut down on them.

Eat plenty of green leafy vegetables and bulky foods. They furnish needed roughage. Avoid snacks between meals. Drink plenty of water. Don't try to lose weight too rapidly. About two pounds a week is safe.

Do the four previous weight reducing exercises, but cut them down to a couple of times each. Then try this week's.

#### Body Lift

Sit on floor, legs extended, hands behind you on the floor.

COUNT 1—Lift hips forward and upward, bringing body to a straight line from head to toe.

COUNT 2—Return to starting position. Repeat counts 1 and 2 four times.

Next week: Bicycle. Clip and save this article. You will want to use it with the others in the series.

Kent Ross, son of Mr. and Mrs. Bill Ross, is a medical patient in Payne-Shotwell hospital.

Larry Lockwood of Spade was admitted Saturday to Payne-Shotwell Foundation.

Mrs. John Blair, who was readmitted Tuesday to Payne-Shotwell Foundation, was reported to be better Wednesday. She is a medical patient.

When a recipe directs that vegetables be cut "julienne," just slice them into thin lengthwise strips.

Spread thin slices of veal with bread stuffing, then roll the meat around the stuffing and fasten with toothpicks. Panfry

in hot fat, then add a little liquid, cover and simmer for about three-quarters of an hour. The gravy in pan may be thickened, if desired, before the time you add the stuffed veal rolls.

The new 1954 Chevrolet Bel Air 4-door sedan. With three perfect Chevrolet offers the most beautiful choice of models in its class.

New style... New power... New economy... and yet

lowest-priced line in its field!

That's why people are calling the new 1954 Chevrolet the outstanding motor car value of this new year!

Men and women everywhere are deciding that Chevrolet for 1954 gives more for the money than any other car in its price range.

Here are the reasons why...

New style—more beauty of line, contour and color—with stunning new bodies by Fisher and luxurious new modern-mode interiors.

New power—more pickup, more passing ability, more smoothness and quietness of operation with either of Chevrolet's two advanced 1954 engines—the thoroughly proved "Blue-Flame" engine teamed with Powerglide (available on all models at extra cost) or the thoroughly proved "Blue-Flame 115" engine!

New economy—yes, even stronger gasoline savings—because of these great high-compression engines are designed, engineered and built to wring more power from every charge of fuel.

Moreover, these new Chevrolets remain the lowest-priced in their field, again this year.

Peterman urges each stockholder to be present.

**Kenneth Cary's Arm Broken In Road Accident**

AMHERST — Kenneth Cary was injured in an accident Saturday afternoon about 20 miles out from El Paso.  
He was hauling 18 sheep belonging to Amherst FFA boys to the Fat Stock show, where the sheep were to be entered.  
Eugene Griffin and David Sager, Cary's brother-in-law, were passengers in the pickup truck. A tire blew out on the trailer, causing the accident.  
Cary's left arm was broken in two places and blood transfusions were necessary due to loss of blood. Griffin and Sager were released after observation. Cary will remain in an El Paso hospital several days.  
Cary's parents, Mr. and Mrs. M. E. Cary, and his wife left for El Paso immediately after learning of the accident.

H. C. Edmonds, who has been a patient at Payne-Shotwell Foundation, was dismissed Monday.

**Palace Prepares For Cinemascope**

A new \$8,500 screen for showing Cinemascope movies will be installed at the Palace Theatre in Littlefield in time for opening of "The Robe" here March 11. Bill Chesher announced Wednesday.

The 30-foot panoramic screen is designed to make theater audiences "part of a living picture without the use of special glasses." Special sound equipment also will be installed.  
Chesher also announced a new 3-D picture, Rita Hayworth in "Miss Sadie Thompson" will open at the Palace Saturday midnight.

**Olton Scouts Plan Clean-Up Work**

# Son Of Soil Pioneer To Speak At Olton Fertility Day February 23

**BILL PORTER**, one of the featured speakers at the county Soil Fertility Day in Olton, Feb. 23, is pictured above, at right, showing Kaufman County Agent James Simmons the marker on the Porter farm near Terrell which commemorates the 50th anniversary of extension service. Porter's father, the late Walter Porter, was the first farm demonstrator in the nation, working with the first extensionist, the late Dr. Seaman A. Knapp, in a bollweevil control project in 1903. Simmons was assistant county agent in Lamb county in 1949-50.

Bill Porter, Terrell farmer and son of the first farm demonstrator in the nation, will be one of the featured speakers at the Lamb county Soil Fertility Day in Olton Feb. 23.

County Agent David Eaton said Porter is the son of Walter C. Porter, the first farm demonstrator, who worked with the first extensionist, Dr. Seaman A. Knapp, in control of the bollweevil.

Bill is a graduate of Texas A&M college, a veteran of World War II, and worked with the Soil Conservation Service for several years before returning to the farm.

He and his brother Harry now operate the 800-acre farm on which the first farm demonstration was conducted. They also operate a seed, fertilizer and insecticide business, and own a seed-cleaning plant.

They have a well-diversified farm program, Eaton said. On their farm, they have a commercial laying flock, are registered Hereford breeders and certified seed producers, and grow cotton, corn, garden and small grain. In addition, the Porters have an excellent pasture program and have used vetch as a soil-building legume on all their acreage.

Eaton said, "Bill was one of the first to help develop vetch as the legume needed for Kaufman county and he has been most active in establishing vetch in that county."

Porter is past president of the Kaufman county Farm Bureau and is often asked to speak to various groups to discuss soil building practices. He is also very active in church activities

## March Of Dimes May Net \$9,064

County chairman of the March of Dimes drive, George L. White, estimated the total proceeds from the drive at \$9,064.69, with \$7,385.69 of that amount already in. White said the final tabulation should be completed Friday.

White broke down the figures according to towns, estimating the total collected at Amherst will be \$700; the Littlefield total at \$5,395.69 plus late receipts; Spade's total at \$64.29; Springlake, \$132.29; Earth, \$861.23 with possible changes; Olton \$1,613.23 with possible changes; Sudan, \$432.68; and the March of Dimes auction, television sales and radio receipts, \$1,999.00.

Quota for the drive was originally set high at \$10,000. White said. He added that "we are above average and did better than we thought."

## Bill Alexander Will Dedicate Memorial Park

Dedication services of the Littlefield Memorial Park and the Garden of Devotion Memorial will be held from 4 until 4:30 p.m. Sunday at the Memorial Park, 1875 Clovis Road. Dr. William Alexander of the First Christian church in Oklahoma City, Okla., will give the dedicatory address.

Invocation will be given by Dr. Lee Hemphill and a medley

## Valentine Party

By Dorothy Roe  
 Editor  
 Valentine's Day may mean to the prom set, but to the signal for a party. The day is filled with entertainment of space cadets on the day, take a tip from long center experts for a keep them floored for Valentine is down for in this easy-to-stitch game, where red heart cards are tossed at a large heart, cross-marked for scoring.  
 You will need one yard of red felt, two spools of red thread and one of white thread.  
 Make a pattern for the heart, use a large double newspaper. Cut a half from the doubled sheet, use pinkish shears to cut the heart by the pattern. Use black thread in your machine to zigzag around the heart, attaching a heavy straight needle to the machine. Make two more diagonal lines, dividing the heart into six sections.  
 Cut seven pieces of red felt, 5 inches. Trace number 2, 3, and 4, and number 1. Baste pieces of heart so that numbers are approximately centered in the sections. Zigzag in red thread around number outlines; trim away excess felt.  
 To make beanbags, cut six pieces of red felt 4 by 4 inches. Trace heart shape on each with pencil. Now place two pieces together, and zigzag around the heart outline, leaving a 1-inch opening on one side. Fill heart with beans, complete stitching, and trim excess with pinkish shears.  
 This game may be played on a bridge table or on the floor by any number of children. High score wins.  
 It's a good idea to make a few extra red hearts to fill with sachet for a teen-age daughter, or to baste on her felt skirt for an amusing motif. For a teen-age party, make sections with the initials of the local Romeos for a novel variation on spin-the-bottle.  
 Decorating a special party cake? You can turn it into a plate-size garden with real flowers. Dip the stems, cut close to the blossom, into melted paraffin and then plunge them into ice water. After the wax is hardened, arrange the flowers on the frosted cake and around the cake plate.  
 Soft cookies will keep fresh and moist in a tightly covered container if you tuck a slice of apple in among the cookies.

**BUTTER CHEWS**  
**Butterscotch Crust**  
 1/3 cup butter or margarine  
 1/2 cup brown sugar  
 1 cup sifted enriched flour.  
 Cream butter or margarine. Gradually add brown sugar, mixing until light and fluffy. Stir in flour. Mix until blended. Put in bottom of 8-inch square baking pan. Bake in moderate oven (325 degrees F.) 15 minutes. While Butterscotch Crust is baking prepare Crunch Topping.

**Crunch Topping**  
 1 egg  
 2/3 cup brown sugar  
 1 teaspoon vanilla extract  
 2/3 cup chopped walnuts  
 1/2 cup shredded coconut  
 2 tablespoons enriched flour  
 Dash salt.  
 Beat egg. Add brown sugar, mixing until smooth. Add vanilla extract. Combine walnuts, coconut, flour and salt. Add to brown sugar mixture, mixing until well blended. Spread on top of Butterscotch Crust.

## Country Club To Have Valentine Dance Saturday

The Harry Tolman orchestra of Clovis will furnish the music for the Country Club Valentine dance to be held Saturday night at the club.  
 Decorations will be in the Valentine theme. No admission will be charged club members and out-of-county guests may attend.  
 For a bread spread the children will love and that's good for them, too, whip honey into an equal amount of butter or margarine and store in the refrigerator until snack time.  
 To give French toast a new twist, make a sandwich of bread and jelled cranberry sauce, dip the sandwich in batter, and brown in butter or margarine in a skillet. Serve with Canadian bacon for lunch.

For a quick and easy sauce, mix a can of condensed cream of mushroom soup with a half cup of milk and heat. Serve with croquettes—it makes them more than just another way to use leftovers.

Dress up vanilla pudding with a crunchy garnish of crushed peanut brittle.

A sprinkle of finely chopped candied ginger makes a pear and cottage or cream cheese salad something special.

Add chopped chives to cottage cheese for an elegant omelet filling.

To add extra flavor to cole slaw, mix savory seeds—celery, caraway, or mustard—with the shredded cabbage and dressing.

To make one cookie a hand-ful, use the open end of a good-size tin can for a cutter.

A rice ring will take on a touch of color if you arrange chopped green pepper and canned pimiento in the bottom of the buttered mold before packing with rice.

Cheese waffles make a hearty

lunch or supper topped with creamed fish, meat, or vegetables.

For a party lunch, roll butter balls in poppy or caraway seeds and serve with crunchy hot rolls.

Scripture: John 7:8  
 Devotional Reading: Colossians 1:15-23  
**Glaim of Christ**  
 Lesson for February 14, 1954

CAN man see God "focused"? If we are to see God at all that is the way we must see him. To quote from a wonderful little book, "Your God is Too Small" (by J. G. Phillips: the Macmillan Co., 69 Fifth Ave., New York 11, N. Y.): "There must be more than elusive sparks and flashes of the divine—there must be a flame burning steadily so that its light can be examined. . . . It is a fascinating problem for us human beings to consider how the Eternal Being—wishing to show men his own Character focused, his own Thought expressed, and his own Purpose demonstrated—could introduce himself into the stream of human history without disturbing or disrupting it. . . . The thing must be done properly—it must not be merely an act put on for man's benefit. If it is to be done at all God must be man."

Dr. Foreman

**The Character of God**  
 Now the central Christian belief is that God has done exactly that; he has been and is "focused," brought to the point where he can be clearly seen and known, in a man, in the Man Christ Jesus. One fair question would occur to most people just here: Is the belief that Jesus Christ is divine just a belief of other people about him, or did Jesus himself ever make any such claim? The answer is that Jesus did make such a tremendous claim for himself. Now he never went about himself saying "I am God." He never said that so much as once. But what he did say was so clear, and what it implied about his deity was so plain, that his enemies, who did not believe him, naturally called it blasphemy. The 7th and 8th chapters of John are made up of a sort of running debate or argument between Jesus and his hostile critics. Three points at least stand out. One is that Jesus claimed to be in complete harmony with God.—in Dr. Phillips' words, he focused God's character. "I always do what is pleasing to him," he said.

**The Thought of God**  
 Again, Jesus over and over emphasized that his teachings were not his own, but that he spoke what the Father gave him to speak. His own description of himself (John 8:40) is "a man who has told you the truth which I heard from God." "I do nothing on my own authority," he said; "but speak as the Father taught me." "I declare to the world what I have heard from him." "My teaching is not mine, but his who sent me" (7:16). Now it is not possible for any man to penetrate or understand all the thoughts of God. No human mind is capable of understanding them all. What we need, and all we need, is what God thinks about us. We want to know what he wants us to do. We want to know how he thinks we should live. (The only persons who don't want to know that are atheists; once you believe in God at all, you can understand how important it is to know what God thinks.) It is this that Jesus meant when he said his teachings were from God. But this involves a tremendously high claim on Jesus' part. He claimed that his thoughts were identical with God's thoughts, that his wisdom was God's wisdom. If he had said outright, "I am God," could he have claimed any higher authority?

**The Purpose of God**  
 Jesus not only claimed to focus the character and the thought of God; but to focus his purpose. This also was better understood later on than in Jesus' own lifetime, for the Cross and the Resurrection were a part of God's purpose. What is the great all-inclusive Purpose of God for us human beings? Why did Christ come to live and work and teach and die and rise again? Was it simply to "show off" God? Not at all. It was (as one of our great Creeds says) "for us men and for our salvation." Note what Jesus himself said would come to pass when men followed him, or to use his own startling figure of speech, "ate" him like bread, "drank" him like water. "He who believes in me, out of his heart shall flow rivers of living water." "He who follows me will not walk in darkness but will have the light of life." "The truth will make you free." "If any one keeps my word, he will never see death." That the life of God should flow into and illumine all the life of man; this is the Purpose of God for us.

### South Side Church Has Anniversary

WHITHARRAL, (Special) — Sunday was homecoming day for the South Side Church of Christ marking the 5th anniversary for this progressive church.

Ned aFairbairn of Littlefield who, with Mrs. Zeila Bryson and Mrs. Ola B. Jones, organized the church, preached Sunday morn-ing.

A basket dinner was served at noon at the Whitharral lunch-ron, and a singing was held in the afternoon.

Dan McCain, pastor, preached Sunday evening.

Beginning with three charter members, the group has grown in membership to 50 or more. Three years ago, the parsonage was built and the next year classrooms and a baptistry were added.

Fairbairn, Leroy Carver and McCain have pastored the church for the 5 years, the latter having been here for the past 2½ months.

### Bedtime Glamor For Your Baby

By Dorothy Roe  
Associated Press Women's Editor

Glamorous dressing gowns are a must in any lady's wardrobe, and even a very young lady likes to look party-pretty for that last bedtime story.

Smart mothers can stitch up a glamorous pint-size negligee in jig time. The kimona pictured, made from Simplicity Pat-tern 4060, is cut in one piece and can be made in an hour or so, after dinner or in the afternoon before the older children come home from school.

This kimona is made in pale blue pin-wale corduroy and stitched on the sewing machine with mercerized thread in matching color. For a novel little-girl trimming, cut little feet from pink felt or corduroy and applique around the hem-line, using the zigzag attachment of your machine. Make the toes of pearl buttons in graduated sizes for an amusing lifelike touch. Matching buttons go in pairs down the front, closed by loops of soutache braid, instead of buttonholes. Buttons are avail-able at your local sewing center.

Pattern, fabric and buttons cost only about \$3, and Mom can make a matching robe for her-self for a very little more.

Homer Morris attended the regular monthly training union meeting at Maple Baptist church Sunday.

The Sudan girls basketball team and sponsors Mrs. J. W. Gosdin, Mrs. Claude Cook and Coach and Mrs. Jim Green re-turned from Abilene Sunday. The team had participated in the Hardin-Simmons all-girl tournament.

Members of Gamma Iota chapter of Delta Kappa Gamma and Sudan's P-TA president at- tended a tea Saturday in Plain-view honoring P-TA presidents and future teachers. Attending were Mrs. Glenn Gatewood, Mrs. C. E. Nichols, Mrs. E. J. Stone, Mrs. Marvin Tollett, Mrs. Curtis Spivey and Mrs. J. T. Lybrand.

Mrs. Wayne Perry under-went major surgery Friday morning at the Taylor Clinic in Lubbock.

Mrs. Joe Foster attended the art roundtable program at the museum at Texas Tech Thurs-day night. Mrs. Foster served on the panel which discussed "Buying a Picture for Your Home."

Mr. and Mrs. Frank Bryant and Collene of Lubbock visited Friday in the Ray Wood home.

Mr. and Mrs. Glenn Gaston and children are now living in Troy, Ohio, where he is at- tending a welding school. Fol- lowing the course, Glenn will be employed by an atomic plant. He is the son of Mr. and Mrs. Ernest Gaston of the Beck community.

Chapter 806 of Order of East-ern Star will have a supper Feb. 11 in the Hall with husbands as guests.

Mrs. C. E. Nichols, Girl Scout chairman, reports 33 active Brownie scouts at present. The scout hut has been repaired and gas piped in.

Travis Jones of Lubbock was in Sudan Monday morning.

The calendar committee for the 1954-55 club year of the 1935 Study club was named by Mrs. E. J. Stone. Those on the com- mittee are Mrs. Ocie Willing- ham, Mrs. J. A. Harris and Mrs. R. S. Gatewood.

A thin even coating of a self- polishing wax, applied with a paint brush or a damp cloth to rubber articles, will give them a bright new-looking finish and protect them against wear.

Bake sweet potatoes in a hot oven. They'll need from half an hour to forty-five minutes, depending on their size and shape. When you can pierce their centers easily with a fork, they're done. As soon as the potatoes come out of the oven, break their skins slightly so steam will escape.

When you are planning a buf- fet menu, include those main- course foods that can be served on a single plate. Unless you are going to have small tables at which guests can seat them- selves, it's best to serve fork- foods. Any bread, rolls or bis- cuits served, should be buttered ahead of time.

# A Modern Lady Baltimore Cake

By Cecily Brownstone  
Associated Press Food Editor

This cake and frosting have been going steady for a long time. And it's no wonder—snowy frosting complements airy cake layers perfectly. They were made for each other.  
One of the great desserts of the South, this fruit filled delight is called "Lady Baltimore." According to legend, it originated in Charleston, South Carolina, at the turn of the Century, and now holds a place of honor all over the country.

We don't mind saying that our up-to-date version of Lady Baltimore cake couldn't have a more heavenly, fluff, texture. A modern kitchen aid such as the portable electric mixer shown in the accompanying photograph, does a lot to help a cook achieve this delightfully airy result. With the mixer, you can blend the shortening and sugar so harmoniously, beat up the whites to a peak of perfection, give the batter its final beating in a few minutes—and be sure of success.

### Lady Baltimore Cake

Ingredients: 3 cups sifted cake flour, 3 teaspoons double-action baking powder, 1/4 teaspoon salt, 3 egg whites, 1/2 cup shortening (at room temperature), 1 1/2 cups sugar, 1/2 cup water, 1 teaspoon vanilla, 1/4 teaspoon almond extract, 1/2 cup milk.  
Method: Sift together the flour, baking powder and salt. Beat egg whites in small bowl at high speed until stiff but not dry. In another bowl beat shortening and sugar together at high speed until fluffy. Add water, vanilla and almond extract; beat at high speed for 1 minute (mixture will look curdled). Working quickly, add flour mixture and milk alternately while beating at low speed for 2 to 3 minutes. Fold in beaten egg whites and pour into two 9-inch round cake pans that have been greased, lined with waxed

LADY BALTIMORE frosting for Lady Baltimore Cake.

paper, and the paper greased. Bake in moderate (375F) oven 25 to 30 minutes or until cake tester inserted in center comes out clean. Allow cake (in pans) to stand on cake racks 5 minutes. Turn out on racks and remove paper. Cool completely before filling and frosting with Lady Baltimore Frosting.

### Lady Baltimore Frosting

Ingredients: 1-2-3 cups sugar, 1/2 cup hot water, 1/4 teaspoon cream of tartar, 1/4 teaspoon salt, 4 egg whites, 1 teaspoon vanilla, 1/4 teaspoon almond extract, 1-3 cup finely chopped

figs, 1/4 cup chopped raisins, 1/4 cup finely chopped pecans.  
Method: Stir sugar, water, cream of tartar and salt together in saucepan. Cook to 260 F or until a small amount of the mixture forms a hard ball in cold water. Beat egg whites at high speed until stiff but not dry. Add vanilla, then gradually pour in sugar syrup while beating at high speed until frosting forms stiff peaks—about 5 minutes. Mix almond extract, figs, raisins and pecans, fold into one-fourth of frosting. Use as a filling between cake layers. Frost top and sides of cake with remaining frosting.

## Barnett, CC Ladies' Association President, Praises Golf For Exercise

H. Barnett, president of the Ladies' Association of the Country Club, is also an active member of the Ladies' Golf Association. She holds the office of president in that organization and has served on the board of directors for the past two years.

As she is known to her friends, she is very interested in civic work, and has for a number of years been chairman of the Red Cross Blood Bank last year when the quota was topped.

A past matron of the Eastern Star and has held state offices. She is a member of the Littlefield Club.

Barnett served on the board of directors of the Country Club during its existence.

Quite interested in civic work, she said, "I prefer doing things that are helpful to the community." She has been playing bridge at the Country Club on Saturday afternoons with friends for quite some time. Recently a number of bridge players have been interested in duplicate bridge.

Mrs. Barnett has been teaching them in the method of playing.

It is an outlet for my energy," she said. "I really enjoy it's a healthful exercise, no matter how they are at the game. Around the course is a lot of exercise in itself. I plan to play longer than average of golf."

Mrs. Barnett has been Littlefield residents since 1930. "We have seen a lot of changes in the town," she said. He is engaged in farming and they attend the Presbyterian church.

Mrs. Barnett's job as president of the Ladies Association entails planning club activities for the ladies and for the families. At present the group is planning the Valentine dance to be held at the club Saturday night.

Other activities include the Ladies' Day, where luncheon is served, a business meeting held, and afterwards members may either visit, play golf or bridge, family night for club members and their children, and special holiday socials such as the Christmas party for tots and young children.

Mrs. Barnett thoroughly enjoys cooking and keeping house. She reads a lot for relation.

The couple plan to make their home in Earth.

## Whitharral WSCS Has Study Meet

WHITHARRAL, (Special)—The WSCS of the Methodist church used the theme of brotherhood and stewardship when it met Monday afternoon. The service began with a song, followed by prayer given by Mrs. R. Howard, and responsive reading in unison.

Mrs. C. L. Sharp conducted a meditation with Mrs. Will Redding giving the devotional. Mrs. A. B. Harper, Mrs. J. C. Rucker and Mrs. Carrie Eller took part in the program.

Others present were Mesdames W. O. Ballow, R. O. Ridings sr. and Vera Rodgers and two grandchildren.

## Katherine Foltyn Tours Washington

Miss Catherine Foltyn, daughter of Mr. and Mrs. Joe Foltyn of Littlefield, a student in St. Mary's at South Bend, Ind., recently toured Washington, D. C., Norfolk, Va., and Williamsburg, Va., with a group of other students.

During the tour she saw the Bureau of Engraving and Printing, the Federal Bureau of Investigation, lunched in the Supreme Court building, met J. Edgar Hoover, attended mass at Franciscan Monastery, and visited Arlington Cemetery and the Tomb of the Unknown Soldier.

Miss Foltyn met Sen. Joe McCarthy and heard Vice-President Nixon speak. The group visited the Senate, House and Supreme Court while they were in session, visited the Archives building where the Declaration, Constitution and Bill of Rights are kept and saw the Gutenberg Bible in the Library of Congress.

The group journeyed by steamer to Norfolk, Va. They went from there to Williamsburg, Yorktown and Jamestown before returning to Washington.

Miss Foltyn is majoring in politics, sociology, and economics at the college and minoring in piano.

**The Power To Save!**

By TOMMY WILLIAMS, Minister

"I am not ashamed of the gospel of Christ, for it is the power of God unto salvation..." (Romans 1:16)

Much is said about the fact that the teachings of Jesus constitute the greatest philosophy of life the world has ever known. We heartily agree with that conclusion, and are glad to observe that men recognize this great value of the teachings of the Master.

As great, however, as the moral and social code of the New Testament is, it is not the leading truth of the gospel of Christ. The leading truth is that the gospel is God's power to save. Jesus is more than a philosopher; he is a savior. His word is more than a code of living; he has the words of "eternal life." Redemption is more than being lifted out of the gutter; it is release from the power of Satan who will lead men downward to Hell, and it is reunion with God who gives eternal life.

Jesus came with more than a code. He came with blood to cleanse from sin. The code of living is enough to show us the perfect path of life, but it took the blood of Jesus Christ to save from sin and to give the hope of heaven.

"For thou wast slain, and hast redeemed us to God by thy blood out of every kindred, and tongue, and people, and nation" (Revelation 5:9)

## Too Much, Too Soon

Telephone company officials need to be very agile people. They are caught in that well known tight place between the irresistible force (taxes and the CIO) and the immovable object (the ratemaking bodies). They could easily be squeezed out of existence between these two unless they found a way around one or the other.

There is not much they can do about the irresistible forces. Only the public can curb the tax collectors and the CIO, and while the public would like to do something about both it hasn't done much yet.

But the company can do something about the "immovable object" and that is usually its way out of its tight place. It can appeal to the courts.

The law rightfully says that the rate making bodies must permit public utilities to charge enough to pay costs and make a reasonable return on invested capital. But the law does not require the tax makers, or employees to restrain themselves in pushing these costs up. So it is toward the ratemaking bodies (in our case the city commission) that phone men devote most of their efforts.

Right now General Telephone Co. officials are devoting considerable effort toward wheeling another big rate increase out of the Littlefield city commission. They are asking for 42 percent more money than they are now getting. Specific rates are scheduled for raises as high as 60 percent for two party business service, as low as 39 percent on two party residence service.

If granted, this raise would mean that telephone rates would be some 85 percent higher than a year ago.

Even to people steeled to inflation by years of experience with it, this seems ridiculous. Such increases as this cannot be justified, even with the knowledge that a corporation, because of high income taxes, must make a profit of \$2.09 in order to get \$1.00 for its stockholders. One reason that if the telephone company is justified in doubling its rates over a twelve month period, then it must have been losing money at a terrific rate beforehand. And we do not believe that such was the case.

We think they are kidding us when they claim they must have that much money. There is a natural inclination to suppose that they do not expect to get but a part of what they ask for, so they ask for more than necessary in order to come out OK.

That sort of thing is fine in horsetrading, but it is dishonest in public utility rate making, and whether it is true or not, it is costing the company the support of reasonable men who recognize their problems and might support them in reasonable requests.

## It's The Law In Texas

The average man buying a house is engaging in the biggest single transaction of his life, yet he has little or no idea of the possible pitfalls involved in acquiring a title to real estate. Here are some questions that commonly arise in real estate transactions.

**What is a Real Estate Title?**  
A real estate title is a claim of ownership or right to land. If you can prove your title against all the world, it is a good title. If, in addition, the evidence of your claim of ownership is contained in proper public records, it is a good record title. Ordinarily it is only a good record title which is salable (marketable).

**What is an Abstract?** An abstract is an outline of the public records relating to the ownership of a tract of real estate. The possession of an abstract is no indication of the ownership of the land to which it relates. Abstracts are made by skilled persons from public title records. Any person may purchase an abstract of any piece of land.

**What is a title examination?**  
A title examination is a careful study of the abstract and other title evidence. When it is completed, the lawyer gives a written opinion stating that his conclusions as to who owns the land, the defects in or charges against such ownership, and the requirements to be met, if any, to make good record title. This is not a simple process. It involves at every step the solving of legal problems, even though only a small abstract is involved; therefore title examination cannot be done by anyone except a lawyer.

**What is a Title Insurance Policy?**  
A title insurance policy is a contract between you (the insured) and an insurance company. Unless you are named in the policy, you are not insured. The contract states that the company insures in you a "good and indefeasible" title to the real estate described in the policy. Just as in any other insurance, the company's liability is limited to a certain stated amount, and exceptions to coverage may be contained in the policy.

**Are Earnest Money Contracts important?** Contrary to the general impression, the signing of an earnest money contract or contract of sale is the most critical act in a real estate sale. It should crystallize all the terms of sale. It should state what land and fixtures are being sold, what price is to be paid, the terms of payment, the date possession is to be delivered, the quality to be conveyed, the kind of title evidence to be furnished, and all other matters agreed upon by the parties with reference to the sale.

An earnest money contract which does not provide for furnishing proper title evidence saddles the buyer with that expense. A contract describing property by street number only will leave unsettled the question of just how much land is to be conveyed. A contract with no condition expressing that it is dependent upon buyer securing a mortgage-loan traps a buyer who finds himself unable to borrow.

### Old Bills Good

RICHMOND, Va. (AP)—Ben LeCompte, of Richmond, could open your eyes by changing a \$10 bill.

LeCompte has a \$1.50 and also a \$4 bill. They were issued by the Mechanics Bank, of Washington, in 1852.

A Louisville, Ky., man recently turned up a \$3 bill issued by the same bank. The treasury department assured him—William K. Beatty—that it was genuine. Apparently LeCompte's bills are genuine also, but he hopes they are worth much more as collectors' items.

## Highlights And Sidelights From Your State Capitol

By VERN SANFORD  
Texas Press Association

AUSTIN—Teachers' pay raise is the purpose of the special session of the Texas Legislature scheduled to convene March 15. The Supreme Court ruling against the gas tax probably means it will be a tough 30 days. It's not easy to work out a new tax law in that time.

**(Editor's Note: The people who will have to pay whatever new taxes are proposed are apt to object and they have a right to be heard.)**

If the teacher pay problem is resolved before the special session's 30 days are ended, other subjects may be submitted to the Legislature for its consideration, Governor Shivers said.

Among these subjects he included: laws to clamp down on Communists; building programs for medical college branches and rehabilitation of Texas School for Deaf buildings; additional pay raises for state employees.

With the special session in the offing, political activity was in the doldrums.

Speculation continued as to whether Shivers would run for reelection, seek some other office, or retire, but the governor wasn't talking.

Reporters asking him about his plans got this answer: "I might be too busy to make any announcement."

Senterfitt, who had announced his intention to become a candidate for governor, declared, "I have had no change of mind since then."

For the present however, Senterfitt said, he will have his mind on the special session.

There was no word from other prospective gubernatorial candidates, all of whom apparently were waiting to see what the governor would do.

A special election was ordered March 6 to fill vacancies in the House of Representatives as follows:

Frank Svadlenak of Thrall died recently; William R. Abington of Fort Worth, Phil Brooks of Bagwell, and Bert Hall of Rio Vista resigned.

Seven applicants for the job of state health officer were being considered by the State Board of Health.

Dr. J. B. Copeland, chairman of the board, would not reveal the names of the applicants, but said the board would soon make its choice.

Dr. George W. Cox, who has served for 17 years in the position, has submitted his resignation effective March 1, but may continue in office until his successor is named.

Garland Smith, chairman of the Texas Board of Insurance

Commissioners, expressed alarm about insurance stock sales and recommended that such transactions should be supervised by the state.

"Nobody is supervising them now," Smith said. He added that a law will be asked to give the state securities commission regulatory power over issuance and sale of insurance stock.

A Houston group, the Citizens Association for Fair Telephone Rates, wants Governor Shivers to place the subject of utility rate regulation before the special session of the Legislature.

Walter Keith Jr., head of the association, said that the organization has 4,000 signatures on a petition asking for the establishment of a state utilities commission.

More subject matter to come before the Legislature, sooner or later, is the motor vehicle inspection law.

Flaws in it have been found, says an announcement by the Texas Legislative Council, and revision is needed in several respects.

For example, the council pointed out, it is now possible for a driver to lose his license even though he was without blame in an accident, if the other party involved failed to sign a waiver.

Studies in three governmental fields are being made by the Texas Research League, which has asked business and public institutions to lend some of their experts to help in the project.

Texas public school financing, the Board for State Hospitals and Special Schools, and the University of Texas system are being viewed by the League.

So far, personnel has been assigned to the league by Humble Oil and Refining Company, the Prudential Insurance Company,

A&M College, and the State Health Department.

Diamond jubilee celebration of the Texas Press Association will be held this year. The anniversary convention of the organization will be at Fort Worth June 18-19.

In charge of the observance is a committee composed of TPA past-presidents, headed by Walter Buckner of the San Marcus Record, and Charles K. Devall of the Kilgore News-Herald.

Organized in Houston in 1880, the TPA, now one of the largest daily and weekly press associations in the country, started out with 43 charter members.

Drouth relief hay shipment certified will be authorized where ranchers are willing to pay half of the freight cost, Agriculture Commissioner John C. White announced.

This plan, said White, does not involve the use of state-federal funds, but "is merely a method to allow stockmen to receive the railroad grant of one-half normal freight rate."

Three dormitories and a cafeteria, costing more than \$3 million, will be constructed on the University of Texas campus here.

Approved by the university board of regents was a \$4.5 million building program for Austin and Galveston. There will be three dormitories and an apartment building at the uni-

versity's Galveston medical branch.

Funds for the buildings will come from a loan obtained from the Housing and Home Finance Agency of the Federal Housing Administration.

Repayment of the loan will be made from housing and food service revenues.

State Selective service will draft 985 Texans during March, announced Brigadier General Paul L. Wakefield, state selective service director.

For February the call was scheduled to be 1,010 and for January 1,314.

Under the present draft law, nearly 80,000 Texans have been inducted into the armed services. The law has been in effect since June, 1948.

SHORT SNORTS: District Judge Jack Roberts is considering an attempt by I. H. Harvey, Negro prizefighter, to overthrow a law prohibiting boxing bouts in Texas between Negroes and whites. . . . Attorney General John Ben Shepperd predicted in a speech in Temple that the power of George Parr, South Texas political boss, will be ended this year. . . . Texas state banks increased their assets more than \$70 million last year, and deposits climbed more than \$84 million, announced State Banking Commissioner J. M. Faulkner.

**with New Ball-Joint Front Suspension**

You'll notice the difference the moment you take the wheel. Mercury's new ball-joint front wheel suspension reduces the road shock of bumps and ruts. It gives you a feeling of greater control, better stability, as you take sharp curves and corners. In short, it makes handling far easier on any road. And only Mercury has it in its price class.  
And Mercury also brings you an entirely

new 161-horsepower overhead-valve V-8. You enjoy livelier performance—safer, more responsive. When passing or hill climbing, Mercury's tremendous reserve power is available instantly, automatically—released by a 4-barrel carburetor, with the two extra barrels vacuum controlled. And although 28% more powerful, you get remarkable gasoline economy. Try Mercury's new performance on the road.

### Statement Candidates Must Sign When Entering The Littlefield Newspapers Trade Expansion Campaign

This is to certify that I, \_\_\_\_\_, agree that I fully understand when entering The Littlefield Newspapers' Trade Expansion Campaign, that if I should give a free or complimentary subscription to The Leader and News, except my personal subscription in my own household, give my commission in the sale of a subscription or in any way vary from the advertised subscription prices during said campaign, that I shall forfeit all right to a prize in said campaign.

Signed: \_\_\_\_\_  
(Candidate's Name)

### Study the Opportunity Coupon Below

And Realize That Only Two Weeks' Spare Time Is Needed to Win the Largest of Prizes.

#### OPPORTUNITY COUPON

Good for 800,000 Free Votes

Each candidate is entitled to this opportunity vote of 800,000 with each five one-year subscriptions or the equivalent to The Littlefield Newspapers turned in by a candidate during the first week from the day he or she enters the campaign. Candidates have the privilege to secure as many of these opportunity votes as they have groups of five years in subscriptions during their first week in the campaign. It is not necessary for candidates to save these coupons. Neither is it necessary to report subscriptions in groups of five. This is determined by the number of years turned in by a candidate during the first week from his or her entry date.

#### OPPORTUNITY COUPON

Good For 600,000 Free Votes

Each candidate is entitled to this opportunity vote of 600,000 with each five one-year subscriptions or the equivalent to The Littlefield Newspapers turned in by a candidate during the second week from the day he or she enters the campaign. Candidates have the privilege to secure as many of these opportunity votes as they have groups of five years in subscriptions during their second week in the campaign. It is not necessary for candidates to save the coupons. Neither is it necessary to report subscriptions in groups of five. This is determined by the number of years turned in by a candidate during the 2nd week from his or her entry date.

### HOW THE TERRITORY WILL BE DIVIDED

**DISTRICT NO. 1** — District number one consists of Littlefield and Littlefield Star and Rural Routes. Two of the four major awards and three district prizes must be awarded to candidates residing in this district.

**DISTRICT NO. 2** — District number two consists of the territory outside of the above mentioned territory. Two of the four major awards and three district prizes must be awarded to candidates residing in this territory.

Candidates are not confined to any particular District to secure subscriptions, but instead, may take orders anywhere. The territory is only divided for the awarding of prizes with a set of prizes to be awarded candidates residing in each district.

### HOW THE PRIZES WILL BE AWARDED

The candidate with the greatest number of votes in the campaign regardless of district will be awarded an \$800 order on choice of the cars listed on this page or \$600 in cash.

Then the candidate residing in the other district with the greatest number of votes will be awarded a \$700 order on the remaining cars or \$500 in cash.

Then the candidate with the next highest vote standing, regardless of district, will receive a \$600 order on remaining cars, or \$400 in cash.

Then the candidate with the next highest vote standing, residing in the district which has been awarded only one prize will receive a \$500 order on remaining cars, or \$300 in cash.

Then the candidate with the next highest vote standing in each district will be awarded \$200 in U. S. Savings Bonds or \$150 cash each.

Then the candidate with the next highest vote standing in each district will be awarded \$100 in U. S. Savings Bonds or \$75 in cash each.

Then the candidate with the next highest vote standing in each district will be awarded \$75 in U. S. Savings Bonds or \$50 in cash each.

All candidates will be paid 20% cash commission on all the money he or she turns in at the time it is received at the campaign office, but candidates who are awarded car orders or Bonds must refund the commission they have been paid when receiving the prize, and candidates who are awarded cash awards must have the commission they have been paid count as part of the cash award. All bonds advertised at maturity.

## EXPLANATION

SOME MAY ASK

—WHY THE VOTES?

The Answer Is This:

If the winner were determined merely by the ones who secured the greatest number of subscriptions, then each one would have to work the full four weeks to see who could secure the greatest number, but the Opportunity Coupons at the left count for each candidate only during the first two weeks from the day he or she enters the campaign, giving each the opportunity to enter and finish his or her work in the two weeks, while it still gives us the opportunity to have two weeks to find the right representative in each territory, so that each part of the territory will be worked. This is the most attractive offer ever made in this community and if you do not thoroughly understand the plan, come in at once or phone 26 or 27 and have it explained without obligating you in any way.

### ADVISORY BOARD

It is the sincere desire of these newspapers to conduct this campaign from start to finish in a fair, honorable and impartial manner. Every precaution has been taken to safeguard the interests of all participants and absolute honesty in all dealings is guaranteed. However, not all wisdom lies with one man or institution; that reason an Advisory Board has been selected whose function shall be to decide any question of sufficient moment that may happen to arise during the campaign, and from which a committee shall be selected to act as judges and count the votes on the last night of the campaign.

### NEW AND RENEWAL SUBSCRIPTIONS

Any subscription going into a home where the Leader or News were going at the beginning of this campaign is counted as old or renewal subscription on that paper and votes are credited as such, even though it is an entirely different subscription delivered. Any subscriber who was taking the Leader or News at the residence address at the beginning of the campaign and should change to the business address, or vice versa, will be credited as an old renewal subscription on that paper unless it is continued at the old address and a new subscription started at the other address. Any candidate or candidate trying to manipulate a subscription to convert a renewal or new subscription will forfeit the entire vote on such subscription at the discretion of the management.
