

Red Cross Will Sponsor Course Of Swimming Lessons Starting June 25

Warren Rutledge Goes Chicago Church Meet

Warren Rutledge, Jr., area representative of the National Council of the Fellowship, plans to attend the latter part of an annual meeting to be held in Chicago.

Wednesday Is Ladies Day At Country Club

Next Wednesday will be Ladies Day at Littlefield Country Club.

Special work groups and program area workshops will include as follows:

Westminster Fellowship Campus Policy; United Christian Young Movement relationship; age-group study and enabling act. Program area workshops will include, Faith and Life; high school section; Student section; Stewardship; Student section, Christian Fellowship; Student section, Christian outreach, Student section.

Sid Morris Amherst Pioneer Dies Friday

Sid Morris, 69, passed away at 6:25 a.m. Friday at his home, 822 East 7th Street, Littlefield, following a lengthy illness.

Mr. Morris has suffered several strokes of paralysis, the first one 14 years ago, and last fall had the misfortune to fracture a hip. He had been confined to his home and later the wheel chair for (Continued on back page)

A covered dish luncheon will be served at 12:30. Hostesses will include, Mrs. A. P. Duggan, Mrs. J. R. Duke, Mrs. Jack Farr, Mrs. Ralph Douglas and Mrs. J. M. Farmer. The luncheon will be followed by games of canasta, bridge and golf. At nine o'clock Wednesday morning, the ladies interested in golf will meet at the Country Club.

Millions of Candle Moths Swarming Into Homes

Every home in town, and every business house to a lesser extent, is this week fighting the greatest invasion of moths, or caterpillars, between which there is little distinction, which has never been known in Littlefield.

They are here by the millions it seems, and seem to be hatching hourly, and when or how relief from them is to come is not known.

They apparently came as a result of the recent hot weather, which has been a factor in producing, hatching bugs and insects of practically every variety.

Housewives have tried everything to keep them out of homes, and to kill them after they enter, and some report considerable success with insect sprays. The old reliable fly swatter,

WARREN RUTLEDGE IS SELECTED AS INSTRUCTOR

First Class In Swimming Will Last One Week

The local chapter of the Red Cross, has arranged and announced the opening of a series of swimming lessons, a school of instruction in swimming, and all young folks both beginners and intermediates who have had a minimum of swimming or know how to swim a bit, are eligible to enroll, which will start next Monday afternoon, at 2:00, at the local swimming pool.

Swimming strides, diving, floating, and all branches of swimming will be taught.

Warren Rutledge, who taught a course here in 1949, has again been selected to teach the course. He received his training to qualify as an instructor at Ardmore, Okla., two years ago, and is an authorized swim instructor.

Field Representative Gillan, from Red Cross recreational headquarters at St. Louis, Mo., was in Littlefield Thursday, helping with arrangements for starting the course here.

The first class will last for one week. Warren Rutledge is then going to Chicago to attend a Westminster Fellowship meeting there.

He will return about July 10, and complete the intermediate classes. The latter part of the month he will open and teach a course in Junior and Senior Life Saving, for those under 16 who are eligible for Junior Life Saving and those over 16 eligible for Senior Life Saving. Those completing the course, will be awarded life saving certificates. A school for those over 18 will be offered at Lubbock, starting late next month. The courses are open to everyone in the prescribed age brackets.

Warren Rutledge is in charge of the swimming pool here this summer. During his absence, Garland Thornton and Garry Pass will also be on hand, and in charge of ticket sales.

Mr., Mrs. Ed Hart Anton Attend Lions Meeting at Atlanta

Mr. and Mrs. Ed Hart Anton are among the more than 125 members of Fort Worth and West Texas Lions who left from Fort Worth Thursday on the Texas Legions Club special train to Atlantic City for the International Lions Convention which will open today, (Sunday).

Nearly 2,000 Texas members will attend the convention. Many went by private automobile, and others by plane.

Enroute to Atlantic City the train will stop in New York City for a day of sightseeing, a Saturday night at the Hotel New Yorker, and a bus ride to Atlantic City Sunday morning.

The convention will close Thursday June 28. Texas headquarters will be at the Haddon Hall Hotel.

Enroute home the Lions will visit in Philadelphia and Washington, D. C.

Jim Mangus, Littlefield Lion's club president planned to attend but was forced to cancel reservations at the last minute.

Visitation Program At First Baptist Church Outlined

Thursday will be visitation day in the First Baptist church, with visiting to begin at 9 a.m. and again at 2 p.m. and at 7 p.m.

Educational leader Ernest Hock urges that all teachers, superintendents and class officers to visit. Names of church prospects and absentees may be secured from the church office, he said.

Summer revival services are scheduled to begin July 26, and continue through August 5th. Rev. P. D. O'Brien of Big Springs will be the evangelist.

Legion Junior Team Lose to Morton Wednesday 9-11

The local American Legion Junior boys played the Morton team here Wednesday afternoon, losing to the visitors to the tune of 9-11. Manager Vernon Hofacket stated Friday that they had only seven out of their 16 regulars out for the game, and that several of the boys who played Wednesday were beginners.

Mr. Hofacket is urging that all boys turn out for the games, otherwise he says they will discontinue this project, as it makes it too difficult for the coaches and the boys who do play, for so many of the players to fail to be there when the games is called.

Big Spring Man Resigns As Head of Rodeo Cowboys Group

Toots Mansfield seven time world's champion calf roper and Big Spring and Rankin rancher, has resigned as president of the Rodeo Cowboy's association. Bill Linderman of Billings, Montana, became the new president. Linderman is the world champion calf roper. Mansfield will devote more time to ranching in HHoward and Upton counties.

Going Places to Be Shown At High School Thursday and Friday Nights

MOVING TALENT SHOW Entertainment Sponsored By Parents Club

Community show using a local people ranging from 5 to 100 years old will open Thursday and Friday nights at the high school auditorium.

Itself with a lead by Billy Watson, a man who is blessed with a sense of humor.

by Warren Rutledge with a bunch of Hollywood stars to make a performance, the following from Junior High are practicing on the songs which they lighted in: Joyce, Jackie Hill, Beryl, Marion Nickelson, Nancy Morrow, Judy Christian, Laura Roberts, Pat Grant, Marilyn, Jo McShan, Marjorie as Mayor In-Chief.

Mr. and Mrs. John Henry Truelock of Olton, who received a message from the U. S. Navy headquarters in Washington, D.C. last week, advising them that their son, Robert Daniel Truelock, Machinist Mate, 3rd Class, U. S. Navy, had lost his life aboard U.S.S. destroyer "Walke", when the ship struck a mine in Korean waters, received a second wire Wednesday, which read as follows:

Remains of Robt. Truelock Is Coming Home For Burial

Concerning Robert Daniel Truelock, killed aboard ship in action for his country, June 12th. Body has been recovered and prepared for burial. Advise us if remains are to be sent home, and how to ship, either by rail or air." Navy Headquarters, Washington, D. C. The parents through the local Red Cross office, wired the Navy headquarters Thursday, that they requested the body be sent by rail, to Hammons Funeral Home, and that if possible they would like to have their son, Pvt. Lloyd M. Truelock, with an infantry division, also stationed in Korea, to accompany the body here.

Funeral services are uncheduled, probably at Olton, and burial will be in Dimmitt, where they formerly lived before moving to Olton, recently. Funeral services are uncheduled, but with all probability will be held in Olton. Interment will be in Dimmitt cemetery. The body is scheduled to arrive in about a month.

JOHN T. STREET, JR.

John T. Street, Jr., son of Mrs. Maude Street, will fill the pulpit at the First Baptist church Sunday morning and evening, in the absence of the pastor, Rev. Lee Hemphill, who is attending the Southern Baptist Convention in San Francisco, California.

John T. has spoken on many occasions at the local church, and always draws an unusually large attendance. He is a ministerial student at Hardin-Simmons College, Abilene.

Foreign Students To Participate In 4-H Roundup

The twenty-two Lamb County 4-H club members who will attend College Station Round-up this week, will have an opportunity to be associated with foreign students who will help Texas 4-H boys and girls to fulfill their 1951 theme, "Working Together for World Understanding".

Miss Gladys Darden, home management specialist, who is in charge of this part of the program said 25 foreign students attending Texas colleges will participate in the Roundup. And three International Foreign Youth Exchange students, now living in Texas, will be present.

Two German students will be present from Texas Technological College. And from Texas University, nine students will represent an equal number of countries, including China, Canada, Hungary, Chile, Afghanistan, France, Iraq, Turkey and the Philippines. Students enrolled at A. & M. from Egypt, Mexico, Puerto Rico, Parkistan, India and Venezuela are expected to participate in the Roundup.

Two foreign students will work with each group of boys and girls. In these groups, the 4-H members will learn how the foreign people live—their customs, type of agriculture, type of government and recreational activities.

The foreign students will take part in all activities at the Roundup, said Miss Darden. The program will include a party Tuesday, at which flags of foreign countries will be used for decorations.

Judge O. F. Dent Guest Speaker At Littlefield Rotary Club

Judge Otha F. Dent was guest speaker at the regular weekly meeting of Littlefield Rotary club Thursday afternoon, and spoke on "Legislative work on Rural Roads the past year." He was introduced by Arthur P. Duggan.

June 29 when all new incoming club officers have been invited to meet the new District Governor, Perry Bridgewater of Midland He will hold a school of instruction for the new officers. President Art Chesher and Secretary David Keithley and possibly others will attend from here.

Next week officers elected in April, will assume their duties. C. O. Stone, retiring president, will make his final remarks, as president to the club, and will present the newly elected president Mayor Art Chesher with the gavel.

Guests at the meeting Thursday included Bob Hester, Levelland banker; Jerry Sanders, rodeo performer, Levelland. Rev. U. S. Sherrill, pastor of the Methodist church, Sudan; Roy Jorgensen, Garner, Iowa; Rip Elms, guest of Jack Christian, Tom Clements, Portales, N. M.; Dr. Knollhoff, Sudan, Gus Shaw, Kerrville; guest of Dan Berg, Leonard Roach of Shamrock and Paul Jensen were guests of Viggo Peterson, James Stokes, Dallas, guest of J. M. Stokes, and Harvey Pool, Levelland.

It was announced at the meeting Thursday that Muleshoe Rotary Club will observe their first anniversary next Tuesday, June 26, and they have extended Littlefield Rotary club and Rotary Anns, an invitation to attend a special anniversary celebration to be held there that night. Several from here are making plans to attend. Ralls Rotary club will have a special meeting next Friday night,

Austerity Is Smoking In Israel

TEL AVIV — (AP) — Austerity smoking in Israel means not only that it is difficult to get any genuine American or British brands—even if you are willing to pay the high import duties. It may soon also mean that you won't get a pack of cigarettes if you don't hand your old carton back.

107 Degrees Recorded Friday

The thermometer at the West Texas Gas Company office registered 107 degrees Tuesday, bringing Lamb county an additional high reading. The highest temperature recorded this year was Tuesday when the thermometer climbed to a reading of 110 degrees.

Mansfield will devote more time to ranching in HHoward and Upton counties.

Must It Happen?

An event to which no one can look forward with pleasure is expected to take place within the next few months. The day when our automobile fatalities catch up with the total number of Americans killed in all the wars the United States has fought since April 19, 1775, can not be far away.

Figures compiled by the Association of Casualty and Surety Companies show that the military deaths in all wars (174 years and two months) total 988,000 and that traffic deaths from 1900 up to the present (51 years and six months) amount to 980,000. U. S. combat deaths during the first year in Korea are placed at 12,000 and for the same period traffic deaths in the United States total 28,000.

At that rate of death it can't be long until traffic deaths go ahead.

The inventors have not made the "Accident X" for the motorist to which the millionth

automobile fatality will occur and are predicting that it will happen some time in December, maybe on Christmas Day. Unless drastic action is taken to curb speeding and drunk driving, major causes of traffic accidents, "Accident X" may come before then.

In a strange historic parallel both "GI-X" and "Victim X," the millionth victims to be killed by U. S. wars and automobiles, may die this year. "GI-X" might be killed on or about Armistice Day if the recent low rate of about 100 a week.

We can only hope to delay the day of "Accident X." And we can if every driver asks himself the question: "Will I be 'Victim X' or will I cause someone else to be?"

And resolves not to.

— Star Telegram

Milk Our Most Important Food

Dr. Geo. W. Cox, State Health Officer, endorsing the observance of June as National Dairy month today released a statement commending "these dairy men on the remarkable progress they have made in the past few years."

The use of clean safe milk is a health measure. Milk is our most nearly perfect food as it is rich in proteins, vitamins A and C and the minerals calcium and phosphate. Improved methods of producing wholesome milk has been a great help in the saving of infant lives.

Milk is perishable and especially during hot weather. To insure milk of good quality requires cleanliness, sterile utensils, protection against flies, careful bottling and maintenance at low temperatures.

The presence in fresh milk of large numbers of bacteria, due to insanitary methods of production is a health hazard.

Dr. Cox added, "Among the diseases which may be transmitted through milk are tuberculosis, typhoid fever, scarlet fever, diphtheria, septic sore throat, poliomyelitis, diarrhea and enteritis. Numerous milk borne outbreaks of diseases occur every year in this country from the use of milk that might have been safe with proper care."

"We should firmly insist that milk we drink be carefully produced, so that we will have the maximum protective protection along the line from the cow to the consumer."

Social Security Expert to Visit City June 27

The Lubbock office of the Social Security Administration is doing a rush business for social security account number cards which always marks the end of the school year, according to John G. Hutton, manager.

"Many students enter the labor market each year during the vacation period," Hutton said, "and such students find that most employers will not put them to work until they can show a social security number. Our office advises all students who think they are going to work and who have never had a social security card to get one before applying for a job," Hutton continued.

If you have ever had a card but have lost it or misplaced it, you should apply for a duplicate card, not a new one. The first social security number you get is the one you should use all your life.

This advice is also intended for two numbers might mean a loss in money to you or to your family, any others who plan to take full-time or part-time jobs, Hutton added. Anyone applying for work will probably be asked to give the prospective employer his or her social security number. The time to get that number is before you start to work.

A representative of the Lubbock Social Security Office will be at

Legislature Praised For Saving Road Program and Placing Natural Gas Tax

The Texas County Judges and Commissioners Association this week praised the recently adjourned Texas Legislature for saving the farm-to-market road program and placing a pipeline tax on natural gas.

County Judge O. P. Dent of Littlefield, president of the association, and Commissioner L. W. Gardner of Itasca, vice-president, issued a joint statement expressing the association's appreciation to "a courageous majority" of the legislature for their accomplishment in behalf of the people of Texas.

The association listed these accomplishments:

1. The rural road bloc in the

Post Office in Littlefield at 1:30 p. m. on Wednesday, June 27, to assist persons who wish to file claims for survivors or retirement benefits and to assist in furnishing information about the new Social Security law, say information from the regulations or from the Lubbock district office.

The price clinic day program is co-sponsored by the OPS and local Chamber of Commerce and other civic and community groups and organizations. The price clinic program schedule will continue throughout July, with the specialist visiting this town on the same day of the week through this month and next.

legislature defeated efforts of the

administration and the so-called Good Roads association which, in our opinion, would have crippled our farm-to-market road program through passage of the Graham bill.

2. The Colson-Briscoe farm-to-market road program has been retained at the full amount of \$15,000,000 a year, despite the open proposal of the administration that it be abolished.

3. The principle of the gas gathering tax on the pipelines which are taking gas out of Texas has been established, through the acceptance of the tax plan proposed by Rep. Jim Sewell.

4. The trend toward a general sales tax has been stopped, by the defeat of the administration plan for an increase in the gasoline sales tax, another of the "creeping sales taxes."

These things have been accomplished by a courageous majority of the legislators, for the people of Texas, despite the opposition of the governor, simply because the legislators had the courage to take bills away from committees stacked by the lieutenant governor or speaker of the house, and bring them to the floor where democracy could rule," the officials declared.

"We, as officers of the County Judges and Commissioners Association, are grateful to have had a small part in this great victory for the people of Texas which means that for the next two years the state highway department will have more money to spend for construction of farm-to-market roads than ever before. It accomplishes all we hoped to do when we were forced to defend the rural roads program from the attack begun on it by the administration-supported Graham bill, House Bill 325."

Anton Newspaper Editor Released for Hospital

H. G. Richards editor of the Anton News, Anton, was dismissed from the Payne-Shotwell Foundation, Wednesday afternoon, and was taken to his home in Anton. He underwent major surgery about a month ago, and was in a critical condition for several days. He is much improved, but it will be several weeks before he will be able to resume his duties at the newspaper office.

Chrysler Produces 25,000th Fire Power Engine

Chrysler has produced the 25,000th V-8 180 horsepower Fire Power engine, reports J. A. O'Malley, General Sales Manager.

"Production of this engine, the most revolutionary auto engine in 27 years, has now reached the rate of approximately 400 a day," said O'Malley.

"We hope to have production of Fire Power engines up to 450 a day in July and hold that rate for the remainder of the year unless unforeseen curtailments should result from national defense program requirements.

"Public demand for the 1951 Chrysler cars with Fire Power engines has been accelerating as the public learns of this new engine's ability to give super performance on regular grade gasoline by adding its own mechanical octanes to the power-giving octanes of the gasoline itself."

O'Malley pointed out that this is a revolutionary concept in automotive engine development as automotive engineers generally directed their research to the development of high compression, high octane engines to a secure greater efficiency mainly by adap-

tation to high octane fuels—fuels which are unobtainable today, he noted.

Murray Evans Returns to Hardin-Simmons as Ass't. Football Coach

ABILENE — Murray Evans, head football coach at Kingsville High School, is returning to Hardin-Simmons University as an assistant football mentor, Dr. Rupert N. Richardson, president, announced today.

Warren B. Woodson, H-SU athletic director, said that Evans would commence his duties July 1. Main concern of the former Detroit professional football star will be that of offensive line coach.

Evans served as line coach at Hardin-Simmons for three years following his discharge from the navy. He left H-SU for Kingsville in April, 1949.

He was named on the All-Border conference team as quarterback his senior year at Hardin-Simmons in 1941 after having played center on the 1940 undefeated and untied team.

Following graduation in 1942, Evans was signed by the Lions and was starting quarterback for two years.

He later served with the navy and while stationed at the Naval Bainbridge Station in Maryland, starred in football.

As a high schooler, Evans was a

star on the Burkburnett High School eleven.

Evans, who was recently named president of a group of high school and college coaches now attending H-SU summer sessions, is the second football mentor and third athletic staff change in two months.

Larry Cunningham, formerly a member of the McMurry College athletic staff and also a three year letterman on the late 1930 H-SU teams, started his duties as an assistant coach the first of June. His assignments will deal with defensive line coaching.

Bill Scott, who directed the freshman football and basketball teams last year, was elevated to head basketball coach this spring, replacing Jack T. Martin, who took a similar job at Lamar College, Beaumont.

Scott will work as a backfield mentor. Al Milch, former freshman mentor and varsity line coach last year at the Cowboy school, recently accepted a coaching job at Arlington State College.

Schoolboy Track Star Draws Raves In Texas

ODESSA, Tex., (AP)—In Joe Childress' room you'll find 26 medals, eight trophies, a gold track shoe and a gold watch chain. They're indicative of the prowess of this schoolboy in track.

Joe has been running since he was in the fifth grade in school, and now, as a high school junior, he has compiled one of the most fabulous records in Texas history.

Twice he has been state champion at 100 and 220-yard dashes and the boy has another season to go before he accedes to the place of a college scout.

He has done 100 in 9.7 seconds and 220 in 21.4. He runs the quarter-mile under 49 seconds. He did a lap on the mile relay team in the state interscholastic meet in

48.7. His Odessa High team won the meet for the second time in a row.

Childress has lost only two races in his career. He lost a 220 when he was ill and drew the inside lane which had been badly chopped up from previous events. He lost a 100-yard dash when his starting blocks slipped. It had rained and the track was soft. Also, he had just finished running the quarter-mile.

In his first meet—in the fifth grade—he won the 100, 220, high jump and broad jump. In junior high he did the 100 in 10.2.

Childress looks, walks and runs like Charley Parker, the great schoolboy and University of Texas sprinter of recent years. He also starts slow like Parker but has a tremendous finishing kick—also like Parker.

He's accustomed to coming from behind. One day Joe took the baton on the anchor lap of the mile relay well back of the last runner of the Midland High team. "He'll never catch up; he's too far behind," yelled a fan. "Oh, yes he will," said his coach, Gall Smith.

And Joe did, as usual.

Bob Feller of the Cleveland Indians has pitched ten one-hit games and two no-hitters.

Personal To Women With Nagging Backache

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complaints of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

soak up the lotion drip so it does not stain tiles or towels.

Most young girls like youthful easy-to-care-for hairdos. It is so nice to be able to run your comb through your hair after a swim and have your tresses fall into graceful waves. Even if hair hangs straight, it can be becoming, providing it is not too long. Then, too, if hair is cut properly, even normally straight ends will take the trouble to pin-curl her locks each night before going to bed.

An end-curl permanent wave whether the salon or home type is wonderful for teen-agers. This gives a nice-top-of-the-head smoothness with ends which can be brushed into curls even when wet.

Makeup is made to order for young moderns this year. You can achieve a nice petal pink complexion with lovely pink lipstick ranging from the pale, pale pinks to the deep geranium shades. These are bright and gay with just enough blue in them to blend with summer clothes. Red-headed beauties will find yummy tangerine makeup which looks as if it had been made to order for youthful skins.

No matter what older sister does, try to keep to the natural looking pink or peach bloom look this summer. When selecting playclothes, leave the sophisticated styles to older girls. Strapless bathing suits are feminine and flattering—providing they fit. The no-strap suit is prettier on most girls than the two piece suit which usually does not give as pretty a line to a young figure.

Mrs. Sallie Anderson of Leveland, who has visited the last week with her sister Mrs. W. J. Aldridge, went Sunday night to visit with her son and family, Mr. and Mrs. Forrest Anderson.

VISIT IN ALDRIDGE HOME

Mr. and Mrs. J. C. Wright of Plainview spent last Friday here with Mr. and Mrs. W. J. Aldridge.

IN HOSPITAL

Mrs. Cliff Whitmire of Kress is a patient of the Payne-Shotwell Foundation this week recovering from an operation. Mrs. Whitmire before her marriage was Miss Opal Hartsell, and a teacher for several years in the school here.

SPEND WEEK-END HERE

Miss Jo Pickrel of Littlefield spent the week her with her aunt and uncle, Mr. and Mrs. H. C. Pickrell, Miss Marilyn Williams, also of Littlefield, spent Tuesday night with them.

VISIT NEAR HEREFORD

Garry Pickrel is spending the week near Hereford with his uncle and family, James M. Pickrell, James M. and his wife and baby daughter spent last Friday night here with his parents, Mr. and Mrs. H. C. Pickrell.

The last major league pitcher to win 300 games was Robert Moses Grove of the Athletics and Red Sox. Lefty won his 300th on July 25, 1941 when he was 41 years old.

From The Grandstand

By WILBUR MARTIN
Associated Press Staff

There may be another final round in the National Open like the one in which Ben Hogan staged his remarkable comeback to win this year, but Texans will have a still more personal interest in the big show next year.

That's when it will be staged at the Northwood Country Club in Dallas.

A group of officials from the Dallas club went up to Birmingham, Mich., to see how golf's blue ribbon event was run. They got quite a surprise if some reports are true.

It takes almost a year's planning and hard work before the first players tee off.

Northwood is miles from downtown Dallas, and one of the big problems the club will have is transportation. They'll probably solve this by running regular transit Company busses from strategic points downtown to the course.

Food for the thousands who will turn out will be another big problem. Most golf fans will come early and stay until the last shot is fired. They'll have to have several places where the public can get a meal. The club house is much too small, so tents might be the answer.

The men who went after—and got—the tournament are already at work on such problems.

So are the men who must make the course tougher and to specifications of the United States Golf Association.

They're not going to make a trapped nightmare like the Michigan course this year. But they are going to toughen it and trim par a stroke to 70 for the Open.

One entry the Open might get next year because it is in Texas that it didn't have this year is Byron Nelson. The rancher from Roanoke will probably make the comparatively few miles from his place to the course for this one. Now in semi-retirement, Nelson didn't enter the Open this year.

Cooking's Fun

By CECILY BROWNSTONE

DINNER
 Broiled Fish Fillets
 Hash Brown Potatoes
 Swiss Cheese Sauce
 Bread and Butter

Beverage
 Fresh Apricots
 (Recipe for Starred Dish Follows)

Swiss Cheese Sauce
 Ingredients: 2 tablespoons butter or margarine, 2 tablespoons flour, 1 1/2 cups milk, 1 egg yolk (beaten), 1 teaspoon salt, pinch of cayenne pepper, 1/2 cup grated Switzerland Swiss cheese (about

2 ounces).
 Method: Melt butter in saucepan add flour and stir over low heat until well blended. Add milk and cook and stir until thickened. Remove from heat and stir a little of the hot mixture into the beaten egg yolk; now stir back again into saucepan. Add salt, pepper, and cheese and stir until cheese has completely dissolved. Makes 1 1/2 cups of sauce.

PORCH LUNCH

Chef's Salad with Smoked Salmon
 Bread and Butter
 Strawberry Tapioca Cream*
 Beverage
 (Recipe for Starred Dish Follows)

Strawberry Tapioca Cream
 Ingredients: 1 pint strawberries (sliced), 1/4 cup sugar, 2 cups berry juice and water, 1/4 cup quick-

cooking tapioca, 1/2 cup sugar, 1/4 teaspoon salt, 2 tablespoons lemon juice, 1/3 cup heavy cream (whipped), 6 to 8 whole strawberries.

Method: Mix strawberries and 1/4 cup sugar and let stand 1/2 hour. Drain; add enough water to juice to make 2 cups. Mix well tapioca, 1/2 cup sugar, and salt in saucepan. Place over moderate heat and, stirring constantly, cook until mixture comes to a full boil. Remove from heat. Cool, stirring occasionally. Fold in sliced berries and lemon juice. Chill. Fold in whipped cream. Garnish with whole strawberries. Makes 6 to 8 servings.

SUPPER FOR ONE

Fluffy Scrambled Eggs*
 Toasted Corn Meal Muffins
 Stewed Tomatoes
 Salad Bowl
 Fruit
 Beverage
 (Recipe for Starred Dish Follows)

Fluffy Scrambled Eggs
 Ingredients: 2 eggs, salt, one-third of 3-ounce package cream cheese, 1 tablespoon plus 1 teaspoon heavy cream, 1 tablespoon plus 1 teaspoon milk.

Method: Beat eggs (sprinkled with salt to taste) in small bowl with fork just until yolks and whites are mixed. Put cheese in 4-inch skillet; add cream and milk. Place over moderately low heat and stir occasionally until cheese is almost melted and mixture is bubbly at sides; add eggs and scramble over moderately low heat, scraping up from bottom of pan with spoon as eggs set; draw spoon length of skillet each time and fold in egg. Do not over-stir or overcook; eggs should be moist but not runny. Makes 1 serving.

RECIPE OF THE WEEK

CHEESE SALAD
 1 package lemon flavored gelatin
 1 No. 2 1/2 can crushed pineapple (drained)
 2 small packages (or 1 large package) creamed cheese
 1/2 cup chopped celery
 1 can pimento (chopped)
 1 cup chopped walnuts
 1 cup whipping cream
 Dissolve gelatin in juice of pineapple. Let it cool and thicken.

Information For Veterans

QUESTIONS AND ANSWERS

Q — I am a serviceman covered by \$10,000 indemnity. What happens to the money if I die without naming a beneficiary?

A — The indemnity will be paid to your wife if you are married; to your child or children, if your wife is not living; to your parents or parents if you have no wife or children, or to your brothers or sisters if you have no one in any of the other categories.

Q — I am training several veterans on-the-job under the GI Bill in my automobile repair shop, and I plan to grant a slight raise in the wage scale they are receiving. How do I go about it?

A — You must notify the State Approving Agency in your State. The agency will then notify VA, at which time necessary adjustments in subsistence payments will be made.

Q — I am a Korean campaign veteran in receipt of compensation for a service-connected disability. If I show a need for it, would I be eligible for Public Law 16 training?

A — You may be eligible if you are in need of training to overcome the handicap of your disability, and your disability resulted directly from armed conflict or during extra-hazardous service. Both requirements must be met.

Q — Is a veteran who lost his sight for reasons not connected with military service entitled to VA's special aids to the blinded?

A — Yes—provided the veteran is entitled to compensation for however, need not be blindness itself.

 1. Congealed salad are cool and nutritious salads for summer meals.

2. Serve nutritious foods in the summer to keep up strengthened energy on hot days.

3. June is Dairy Month. Observe it by serving milk and dairy products each meal.

4. Milk and milk products are our most nearly perfect foods.

OPS Specialist To Be Here Monday

OPS price specialists, in their tours of the district next week, will emphasize to merchants that if they have not complied with the regulations, they should do so immediately in order to continue to operate legally.

Many of the compliance deadlines have already passed and firms which are delinquent should take steps to insure complete compliance, C. J. Taylor, district price executive, said. Still other deadlines will be falling due soon.

Every merchant with questions on how to comply should take advantage of the price clinic day program to bring himself up to date with the regulations.

To help businessmen of this area to comply, Lawrence Shaddix, price specialist in the consumer goods branch, will be in Littlefield next Monday, June 25. While here he will maintain offices in the Chamber of Commerce.

Q — I am a Korean campaign veteran in receipt of compensation for a service-connected disability. If I show a need for it, would I be eligible for Public Law 16 training?

A — You may be eligible if you are in need of training to overcome the handicap of your disability, and your disability resulted directly from armed conflict or during extra-hazardous service. Both requirements must be met.

Q — Is a veteran who lost his sight for reasons not connected with military service entitled to VA's special aids to the blinded?

A — Yes—provided the veteran is entitled to compensation for however, need not be blindness itself.

Morris Repass Taking Special Music Course

Mr. and Mrs. R. L. Repass and son Morris left Wednesday morning for Rochester, New York, where they will spend several days where Morris will take special trombone lesson, at a leading music school in Rochester. The family plan to return home in about two weeks. Morris is classified as a senior student at Texas Christian University, Fort Worth.

Another son, Ernest Repass who graduated from T. C. U. this spring, is working on his masters degree this summer.

AUSTRALIAN HOME PRICES SOAR
 SYDNEY — (AP) — Brick houses built shortly before World War II are now selling at four times their initial cost.

That is an indication of the housing shortage in Australia today. Some houses that cost \$2,664 to \$3,330 to build in 1936-39 are now selling for \$11,000 to \$13,320.

Don't Ignore First Signs of Trouble

It's funny how folks will keep putting off doing something about the way they feel. They'll keep the family automobile in fine working order, but too often they seem to ignore the first signs of trouble about their physical well being. Now, a lot of folks read about HADACOL pretty regularly . . . it's in the news almost every day . . . and they discover that someone else has been feeling the way they were feeling and by taking HADACOL soon felt fine again. They read case after case where HADACOL with its Vitamins B₁, B₂, Niacin and Iron has helped folks suffering such deficiencies. Finally they try HADACOL, and from then on out these same folks who kept putting off trying HADACOL are its biggest boosters and are encouraging others not to put off taking HADACOL.

When Marcus Dee Starkey, 1866 Farrow, Kansas City, Kansas, was troubled by stomach disturbances his wife bought him a bottle of HADACOL because she had heard what it was doing for folks suffering such deficiencies and Mr. Starkey now says he blesses the day she did this for him.

Here is Mr. Starkey's statement: "Before taking HADACOL, I suffered such stomach distress after each meal I could hardly work. My wife bought me a bottle of HADACOL, and I will bless the day she did this for me. I took this wonderful discovery and after one week I was actually surprised at the results. I have now taken four of the large bottles, and that isn't all, I will continue taking HADACOL and recommend it."

Remember HADACOL is that wonderful new preparation—promising

Marcus Dee Starkey

blessed relief for your indigestion, stomach disturbances (gas, burn, sour "risings") after meals as well as that general condition and annoying pains when they are due to a deficiency of Vitamins B₁, B₂, Iron and Niacin in your system.

Only One Genuine HADACOL. Don't go through life when relief may be at hand as the nearest drug store suffers from these deficiencies. Buy HADACOL today. The bottle only \$1.25. Large economy size, \$3.50. Refuse to buy any other. There's only one genuine HADACOL. Recommended by many doctors.

Liberty Garden Campaign Launched to Increase Home Vegetable Growing

Home vegetable gardens can make an important contribution to the civilian defense program, Millard Caldwell, head of the Federal Civil Defense Administration, stated in a letter to Secretary of Agriculture Brannan.

"Food thus produced and preserved in the home will be a safety factor and should strengthen National Defense," his letter continued. "Furthermore, gardening brings many benefits to the public aside from the actual food produced, as it improves the morale and health of our citizens.

"We assure you of the complete cooperation of our agency in encouraging this program. We will also recommend to the State Civil Defense authorities that they, too, cooperate with their state agricultural agencies who have charge of this necessary activity."

The National Garden Advisory Committee, established during the World War to advise the government on its war garden policy, unanimously recommended to Secretary Brannan that a government campaign be organized at once to encourage the planting of home vegetable gardens as a preparedness measure, under the title: "Liberty Garden program."

The campaign will stress the preservation of home grown vegetables, by freezing and canning, to create home reserves.

"Liberty Gardens" will be the fourth name applied to a national campaign for home vegetable gardens. In World War I, they were "Victory Gardens"; in World War II, "War Gardens"; in the post-war era when food was being shipped in quantities to Europe, "Gardens for Freedom." These various names all meant the same, that every family which could produce its own fresh vegetables, by work during leisure hours, on land near the

Liberty Garden Program Recommendations of the National Garden Advisory Committee.

1. That the U. S. Department of Agriculture set up a home garden and home food preservation program under a definitely designated director.

2. That the facilities of the Extension Service and other agencies in the U. S. D. A. and in the various states be utilized to the fullest extent in furthering the program.

3. That the U. S. D. A. enlist the support and cooperation of garden clubs, youth groups, women's organizations, service clubs, industrial, community, other civic organizations, and organs of public information.

4. That emphasis be placed on home preservation of fruits and vegetables.

home, thereby made an important contribution to national defense.

The contribution to the family budget will also be important for most families. High food prices indicate that. The cost of growing vegetables has grown so high that much land which formerly produced near large cities has been transferred to sugar beets, and other specialty crops, requiring less labor. Costs are rapidly increasing in California and Arizona, from which lettuce and carrots are shipped East all summer long.

Careful statistics have shown that back-yard gardeners can grow vegetables for family use by spending less time in planting and caring for a garden, than it would take to shop for the vegetables in the market. Leisure time can be exchanged for the equivalent of high wages.

"Going Places"

(Continued From Page 1)

In the show include a crowd of Conventioneers who gather to sing in close harmony the president of these is Bob Crowell and the following are a few of the conventioneers: Duster Owens, Jimmy Brittain, Dan Harris, V. E. Roberts and W. D. Chapman — there will be others. And another group of six who dress in oriental costume to do an impersonation of Harem dancing girls they are as follows: Jack Christian, Nelson Naylor, Wayman Barker, Skipper Smith.

Minyon and Clarbeth Thedford will do a special song number — they are both very talented younger singers.

Be sure to purchase your tickets early, get them at Cal Harvey's Appliance and the Brittain Pharmacy. Curtain time 8:07 p.m. be on time.

A BABY CONTEST TO BE HELD WITH "GOING PLACES"

A baby contest will be held in conjunction with the production "Going Places. The whole town is talking about it and the big question is, WHO WILL THE WINNER BE? It is one cent a vote to select the most popular boy and girl of Tinnie Weenie Land.

The contestants in this contest for the small fry are between the ages of one and six years of age, the following are some of the babies now in the contest: Randy Bell, Vicki Day, Jimmie Ford, Judy Ford, Ruth Ann Zoth, Sandra Smith, Carolyn June Collier, Marilyn Erwin, Carolyn Roberts, Brenda Perkins, Debbie Lebonof, Steve Lowe, Marcia Sullins, Mike Pettlet, Jo Ann Jordan, Jackie Dow, Francis Hampton, Patsie Russell, Barbara Quisley. For information about this contest contact Mrs. V. E. Roberts telephone 696-W.

All children will be introduced on stage the first night of the show and the high point of this scene comes when Mrs. Mary Margaret tells the story of Cinderella to the youngsters and a cast of kiddies enact this favorite Fairy Tale which is set to music. The children who take the leading parts in this feature all wear costumes and white colonial wigs and it promises to be one of the outstanding scenes in the big ten act musical. The following are the children taking part in this scene: Ronnie Smith as the Prince, Othana Smith as Cinderella, Glenda Gayle Pettlet, Fairy Godmother, Ladies in waiting: Nickie Sue Bridges, Patricia Kay McCormick, Sharon June Thornton, and Marilyn Kempton. The Knights: Jimmie Nelson, Dale Howard, Donnie Jones, Jerry Pettlet. The Children in the back ground are as follows: Kathy Steed, Rosilyn Brown, Darlene Christolm, Tenna Brown, Carolyn Hayes, Pam Davis, Paula Davis, Mary Martha McKemp, Verna Deil Hofacker, May Bell Ayers, Pat Steed, Charles and Warner Heathman, Janelle Jensen, Chuck Still and Betty Jane Brown.

SODA RINSE FOR DOGGIE'S BATH

Imagine having to wear a fur coat in summertime! Treat your pet to frequent baths during the hot weather and he'll be a happier pooch! Add a cup or two of soda (depending on the size of the dog) to the rinse water. It will help keep his hair soft and fluffy.

Sid Morris

(Continued From Page 1)

Funeral services have been tentatively set for Sunday afternoon about 2 o'clock at the First Methodist Church, Amherst with Rev. Frank Beauchamp, pastor of the First Methodist Church, Littlefield, officiating, assisted by Rev. Elmer Crabtree, pastor of the Amherst Methodist Church.

Burial in charge of the Payne-Funeral Home, Amherst, will take place in the Littlefield Cemetery. Mr. Morris was a mason of long standing; and a masonic service will be held at the grave in Littlefield Cemetery.

Masons are requested to meet at the Masonic Hall about an hour and a half before the funeral service hour to make plans for the service.

Mr. Morris was a pioneer of Amherst, having established one of the first grocery, produce and mercantile stores in that city, which he owned and operated for over 25 years.

He moved to Littlefield about seven years ago. Surviving are his widow, Mrs. Ocella Morris, and six daughters, Mrs. Allan White of Amherst; Mrs. R. G. Stewart of Fort Worth, Mrs. Eli Perkins of Ontario, Calif.; Mrs. George Hood of Tucson, Ariz.; Mrs. John Crawley of Littlefield; and Mrs. Doyle Glazner of Ontario, California; sister, Mrs. B. G. Naylor of LaCrescenta, Calif., and eleven grandchildren.
