BETTY WILLIAMS

Weekend I went to my first convention. The reason I have never attended a PTA or Federated Club convention or even church conventions of any kind, for various reasons, was due to the three-day sessions of the Texas Press Association held at the Hotel last weekend. The one thing that interested me in the meeting was the fact that the Shriners convention was held at the same time. I wasn't hard to see that I had some interesting and complications. They say that it is nearly as unusual a situation as the Eastern States Catholic Priests convening in the Baker Hotel last month. The boisterous Shriners placed led to various elements (I'm of all those under 60) get a charge out of the Shriners fill the old guard very much being inconvenienced by the "overgrown boys." The blow came to the top Saturday night when we were having our dinner meeting. At the same time the Shriners were preparing for their big meeting when they put us in a banishment adjoining the ballroom, separated only by a sliding wall.

After getting off to a good start, Pearl Ponsford of El Paso, a lovely job of emceeing, and very graciously introduced W. H. (Sonny) Graham, publisher, as speaker for the evening. Sonny got up to speak and had struck up on the subject of that folding petition.

Apparently the reaction of the Shriners was varied. There were those who saw the situation, and there were those who would do nothing less than the hotel manager. The man who was never known to be too seriously, quickly achieved the former viewpoint. He, the stately professional, just introduced him, at her and said, "I have this dance?"

A newcomer to the folds, I blindly into a situation not beneficial to anyone. The people attending the president chose me as the man of the resolutions. I see... and I have always had a pretty dim view of unnecessary social.

That there were several hands on the committee accepted the appointment. I tried to get my committee together and I find out that the most dreaded, thank you of the entire meeting, all of the other members suddenly too busy to help. I am a little frantic. I remember all of the high issues that were favored by resolutions at press conventions. And of the faintest idea of the group stood for or shouldn't have been so to one else knew... or

of one of the long-time what issues I should and she threw up her hands in horror. MUST NOT say anything. All you do is thank the nice people who did so many things for the convention.

Saturday night I finally had a helper, Edith King of Littlefield, one of the state's journalism teachers to assist me with the vital task of thanking from Tom Watson of the Chamber of Commerce an amazing job of keeping conventions on an even keel. Billie Wolf who played solo for breakfast.

BALLOTS CAST—J. B. Sneed, left, and R. M. Yarbrough cast their ballots at precinct 12 in the constitutional amendment election here Tuesday. Only a few voters ventured to the polls as bad weather conditions kept the turnout down. All three amendments were approved by Lamb County voters.

Lamb Voters OK All Amendments

A light turnout of Lamb County voters approved all three issues before them Tuesday in a state-wide constitutional amendment election.

Unofficial state returns Wednesday showed all three proposals passed easily.

In Lamb County, voters approved amendment no. 1 by 512-195; amendment no. 2 by 454-23; and amendment no. 3 by 391-107.

The three amendments are part of 12 proposals approved in the last regular session of the Legislature. Votes on the other nine come next year.

The first amendment affects state employees' retirement, the second old folks' pensions and the third water resources development.

Apparently the most opposition to any of the three issues in Lamb County came on amendment no. 1, the state employees' retirement fund proposal.

It carried nine boxes of the 17 in Lamb County, including the big box at Littlefield.

The result was virtually unanimous on the other two proposals.

Amendment number one will revise the existing state retirement, disability and death compensation program for state officials and employees.

Present law allows a state employee to contribute five per cent of his salary, up to \$180 per year to the retirement program. The state matches the employee contribution.

The amendment will retain the

Man Arrested On Liquor Charge

Sheriff's officers arrested an Amherst Latin American on a charge of violation of the liquor law after a raid there Saturday night.

The man, Pete Castro, was jailed after officers found 10 cases of beer during the raid.

Another man, Billy Way Stephenson of Boulder, Colo., was jailed Saturday on a misdemeanor theft charge.

Officers also arrested one man Saturday, two Sunday, three Monday and another Tuesday, all on drunk charges.

Hargrove, Cavin Still Mystified

Highway Patrolmen Lee Roy Hargrove and Floyd Cavin, both of Littlefield, still can't say what the Levelland "Whatnik" was. "All we saw was a flash in the sky," Hargrove said Tuesday. "We didn't see any sort of an object." Reporters besieged the patrolmen with questions last weekend after they were among several persons reporting a flash in the sky.

Other persons said they actually saw an object. The mystery still was unexplained later this week as similar reports came in from all over the U.S.

County UF Leaders Set Drive For Dec. 3, Goal Of \$26,375

Workers OK Last-Minute Date Change

Lamb County United Fund directors, wrapping up details in their coming campaign, set Dec. 3 and a county goal of \$26,375 for the drive in a board meeting here Tuesday night.

The campaign tentatively had been scheduled for Nov. 19 with a goal of \$28,500, but directors switched both the date and the goal after a two-hour session.

Eight community leaders were named by the UF board to spearhead the drive in their respective areas.

They are Mrs. Bonnie Haberer of Pleasant Valley, James Sanderson of Springlake, Forrest Ferguson of Sudan, Albert Lockwood of Spade, J. W. Bryanton of Olton, J. E. Chisholm of Littlefield, Mrs. R. A. Reed of Fieldton and Marvin Elton of Earth.

Goals for each community were set up, with Littlefield's the largest, \$13,880.

Other community goals are Sudan \$2,675, Olton \$4,200, Earth \$2,575, Springlake \$1,940, Spade \$975, Pleasant Valley \$320, Fieldton \$295 and Hart Camp \$280.

Directors noted that the community goals total \$27,140, slightly more than the county wide total of \$26,375. They said this would give each community a slight leeway in making its goal.

However, they asked all community leaders to shoot for the goal to put the drive "over the top."

Directors said the campaign is being postponed to Dec. 3 to give workers and contributors more time. A late harvest season will keep people throughout the county.

C-C Membership Drive Investments Hit \$6,500

Membership investments in the Littlefield Chamber of Commerce rose quickly to \$6,500 Wednesday morning.

The total was exactly half the Chamber's goal of \$13,000 after workers gained new momentum in the past three days.

Chamber of Commerce President Charles Duval said the gain—about \$1,300—showed the drive is picking up steam. He expressed optimism that the C-C will hit its goal.

He said the Chamber would continue its efforts the rest of this week, with emphasis on contacts of both old and prospective members.

Eleven members of the Chamber were appointed to a "Soil and Oil" Club as the C-C's board of directors formed the organization at a meeting Tuesday morning.

The club will be used as a "contact" group for all farm and oil activities in the area.

Dan Staggs was named chairman of the group, which will be divided into two teams—the "cotton-pullers" and the "wildcat-ers."

Charges Filed After Incident

Charges of being drunk in public, resisting arrest and assault of two peace officers have been filed against a Littlefield man after an incident at the Community Center last Thursday night.

Two city patrolmen said they investigated a disturbance involving about 10 persons at the center. The man escaped, but police arrested him later. He was free on bond early this week.

Police at first said there had been little damage to the center after the disturbance. Investigation later revealed, however, that a juke box had been damaged, along with other damage to a few pieces of furniture.

FIVE MEN ARRESTED

Police arrested four men for being drunk in public Sunday and added another on the same charge Tuesday.

Two team leaders, Tom Hilburn and E. Wesley, were appointed, along with Allen Murdy, Bill Lyman, Glenn Reeves, Jim Joyner, Hubert Henry, Landon Grissom, Max Bagwell and Sam Williams as members.

CC officials said the leaders and members will be designated as to teams at a later date. Their first job is to help with the current membership drive, C-C President Duval said.

In other action, the CC received all sections of the business climate appraisal, completed last week by members of the CC.

Chamber officials were working on their entire 1958 program of work Wednesday after studying all sections of the appraisal.

The board also launched plans to form a Lamb County Vegetable Association, naming I. D. Onstead, chairman of the agricultural committee to take action.

Onstead will select a prominent farmer to assist him in forming the organization.

THE WEATHER

Temperatures—Sunday high 41, low 40; moisture: 48 inches; Monday high 44, low 41, moisture: 55 inches; Tuesday high 46, low 41, moisture: 61 inches; Wednesday at noon 43, low 41, moisture at noon: none.

Moisture for November: 1.04 inches; moisture for year: 22.04 inches; moisture last year: 11.61 inches. Today's forecast: Partly cloudy and warmer.

Rain, Drizzle Continue To Stall Harvest Activity

Three days of rain and drizzle added up to little moisture for the period Wednesday but poured more gloom on harvest activity.

Western Cottonoil recorded 1.04 inches of moisture for Sunday, Monday and Tuesday for Littlefield. The breakdown showed .48 Sunday, .55 Monday and .01 Tuesday.

Light mist fell in the city Tuesday night, but no moisture had fallen Wednesday morning.

Areas north of Littlefield got somewhat heavier rains Monday and three-day totals at some other points in the county were nearer two inches.

The wet spell brought still more threats to the county's cotton crop, already plagued by an abnormally wet year. An early freeze took its toll 10 days ago. County Agent Bill Kingrough said the three-day wet spell early this week would continue to

hurt grades on open cotton. He feared that some still-ripe cotton would rot from the moisture.

Cotton planted late is suffering the most from weather conditions, Kingrough said.

Earlier this week, before the wet spell really set in, the Plains Cotton Growers, Inc. predicted Lamb County still would harvest 160,000 bales of cotton, about 5,000 down from its Oct. 1 prediction.

Some observers voiced disagreement with the PCG's figure, saying it is too high. The PCG stuck to its estimate, but noted that continued wet weather in November can materially reduce the estimated production.

The PCG said grades have been damaged most during recent weather conditions and that production hasn't been affected too much as yet.

LHS Teacher Wins Leader Grid Contest

James Pirkey, vocational agriculture teacher at Littlefield High School, won the Leader's weekly football contest this week with 15 correct forecasts.

He edged Darla Ann Whitson and Arthur P. Duggan Jr., both of Littlefield, for the top spot.

Both Miss Whitson and Duggan picked 14 winners, however Darla Ann came closest on the tie-breaking contest to cop second place.

Miss Whitson picked Littlefield over Hereford, 33-7. The Wildcats won, 33-6. Duggan's guess on the tie-breaker was 26-6, Littlefield. Pirkey guessed Littlefield would win by 28-6.

Pirkey will receive a check for \$5, while Miss Whitson will get \$3 and Duggan will receive \$2.

Games giving the winners the most trouble were Spade's upset of Bula, Whitharral's win over Kress and Bovina's victory over Amherst. The three contestants missed all three games.

Another contest is under way in today's Leader, with top college and area high school games featured.

Olton Schools Employ Architect For Program

OLTON—Architects Atkinson, Atcheson and Cairwright and Co. of Lubbock have been retained by the Olton school district for a long-range building program, Supt. Noel Johnson announced Tuesday.

The program is aimed at construction of a new elementary school building and other improvements in the next two years, Johnson said.

Says Littlefield's Master Planner...

"Meetings can be the death of a man and the birth of a community."

CHOIRS TO SING—The Littlefield High School acapella choir will be featured Monday at 8 p.m. in its annual winter concert at the high school auditorium. Also scheduled are selections by the boys' choir, girls' chorus and the seventh and eighth grade choirs. Hugh Ellison is director of the choirs. (John Nail Photo)

Helpful Hints --

The sweet potato, now in season, is an excellent, inexpensive source of vitamin A. Baked in a gas oven at 400 degrees for 35 to 45 minutes, a medium sized sweet potato furnishes twice the vitamin A suggested for the day's needs. Early, uncurd sweet potatoes bruise easily, so buy them in small amounts. You can count on three servings from one pound.

Littlefield Women Attend Delta Kappa Gamma Session

The Delta Kappa Gamma Society, Iota Chapter of the Plainview District met at the Woman's Club Building in Plainview at 2:00 P.M. Saturday, November 2, 1957 for a business meeting followed by a lovely tea at 2:30 p.m. to honor their honorary members.

The beautiful centerpiece of autumn colors blended pleasingly with the silver service, the pretty and tasty things on the table, and the drapes in the room. It was a pleasant interval for meeting friends before going into the auditorium for a "This Is Your Life" program for the honorary members.

There Mrs. Willie Merle Hallock was the program chairman. Plainview District has had ten honorary members. The Chapter last two; Dr. Mable Revis who moved to North Carolina with her husband, a minister; and Dr. Mary Stimmert who has become a State Honorary member.

The first to be honored was Mrs. Mattie Eva Dean of Plainview, who is now ill and in the hospital. This was given by Mrs. Lee Nowlin and Mrs. Dean's daughter.

Others unable to attend were Mrs. Ben F. Smith, Plainview, honored by Mrs. Lee Nowlin; Mrs. Aida Slate, of Sudan, honored by Mrs. Mary Tollett; Mrs. Flora Best Boone of Littlefield, honored by Mrs. Thelma K. Brown; and Mrs. Ara Caudle of Hale Center, honored by Mrs. Jennie Rose Powell.

Among the honorary members present for the "This Is Your Life" presentations were Miss Lillie Wingo of Tulla, a pioneer teacher who once taught Ralph by Miss Mildred Hulsey. Dr. McDonald of Plainview was introduced by Mrs. Blonda Wood-

ward, Mrs. J. D. Copeland of Lockney was introduced by Mrs. Willie Merle Hallock. Mrs. C. L. Craig of Plainview was introduced by Mrs. Lee Nowlin.

The next meeting will be a Regional Meeting in Lubbock at Monterey School on Nov. 9, 1957. Members attending the Plainview Meeting on Nov. 2 were Miss Laura Mae Terrell, Miss Lucille Flowers, Miss Mayme Lou Rayburn, Miss Billie Glenn Adams, Mrs. Malcolm Tisdell, Mrs. Gladys Whitacre, Mrs. A. M. Hamilton, Mrs. Alice Kidd, Mrs. Lee Nowlin, Mrs. Willie Merle Hallock, Mrs. C. L. Craig, and Mrs. G. W. McDonald of Plainview.

Mrs. Thelma K. Brown, Mrs. Ruth Jess, and Mrs. Audie Collins of Littlefield.

Mrs. P. L. Orman, Mrs. Vera Meredith, Mrs. Kathleen Stewart, Mrs. Edna Phillips, Mrs. Margaret Springer, and Mrs. Homer Guffee from Floydada.

Mrs. A. L. Sedlin and Miss Annie Lee Anderson from Silverton.

Imogene Chance, Mrs. Elsie Wilson, and Mrs. Hazel May from Sudan.

Miss Mildred Hulsey and Mrs. Ola Clonts from Tulla.

Mrs. Lue Ella Brewer and Mrs. Alma Dutton from Lockney.

Mrs. Carl Macon from Olton, Miss Annie Lee Neale from Petersburg.

Mrs. Sam T. Bryan from Hap-

Mrs. Jennie Rose Powell from Hale Center.

Mrs. Doris Elkins from Lubbock.

Mrs. Sara Ponder Honored At 95

ANTON—Mrs. Sara Ponder was honored on her 95th birthday at an informal party in the home of her son, George D. Ponder of Anton.

Mrs. Ponder, a pioneer resident of this part of the country, came to Swisher County in the early 1830's.

She moved to Shallowater, Texas, as from Quintan, Texas, later moving to Cotton Center. She now resides in Hereford with another son, William F. Ponder.

One of the attractions of the evening was the arrival of Mrs. George G. Green of Slaton, who was a first grade student to Mrs. Ponder in 1808 in Oklahoma.

Among the many guests attending the occasion were Mrs. J. Frank Norfleet and Mrs. Ola Moody of Hale Center; Mrs. Fliz Benson and Mrs. J. W. Walker of Cotton Center, all long standing friends of Mrs. Ponder.

City Patrolman Bill Brown had a problem Tuesday.

He'd like to thank whoever took his three-year-old son, Ronald, to the hospital after a car accident last week.

Brown said a couple of men took the boy to the hospital after the wreck, in which Ronald suffered a broken arm. During his worry at the time, Brown said he never did get around to expressing his appreciation.

South Plains Maid Of Cotton Event Entry Deadline Scheduled For Monday

Deadline for entries in the 1957-58 South Plains Maid of Cotton Contest is Monday at noon.

George Brassell Jr., chairman of the contest, reminded all potential entries this week.

Entry blanks are available at all Chambers of Commerce and newspapers throughout the 21 High Plains counties or from the Lubbock Chamber of Commerce, The Plains Cotton Growers, Inc. or at various schools and other organizations.

In order to better promote this year's Maid of Cotton Contest, Brassell explained that most of the towns throughout this area will have a bale of cotton displayed somewhere in the downtown area with appropriate signs boosting the South Plains Maid of Cotton Contest.

John I. Bowling, Cotton Center John Gregg and Bob Poteet, both of Lubbock, are in charge of this project, Brassell added.

While only one official entry had been received at the Lubbock Chamber of Commerce office last weekend, several other entries are being received, Conrad L. Lohoefer, contestant chairman announced.

Applications, together with photograph, must be submitted to the South Plains Maid of Cotton Committee, P. O. Box 561, Lubbock, Texas, not later than 12 noon, Monday, Nov. 11, 1957. Entries may also be turned in at the Lubbock Chamber of Commerce office, 902 Texas Avenue.

This year the South Plains Maid of Cotton Contest will cover two days, Nov. 18-19. A Maid of Cotton ball will be held the evening of Nov. 18 and the actual contest on the evening of Nov. 19.

The South Plains contestants will take part in a program which will include coffees, luncheons, the cotton ball, where music will be furnished by Henry Kint

and his Waldorf Astor's Orchestra, and the contest in the Lubbock Municipal Auditorium.

The winner of the South Plains Maid of Cotton contest becomes an automatic finalist in the National Maid of Cotton Contest in Memphis on Jan. 23, 1958. She will be presented with a \$1,000 cotton wardrobe and receive an all-expense paid trip to Memphis for herself and the chaperon of her choice.

Applicants must be between the ages of 19-25 at least 5 feet 6 inches tall, never have been married, not wear glasses, and have been born in a cotton producing state. In addition the South Plains Maid of Cotton must have a home residence in one of the following High Plains counties: Bailey, Borden, Briscoe, Castro, Cochran, Crosby, Dawson, Deaf Smith, Dickens, Floyd, Gaines, Garza, Hale, Hockley, Howard, Lamb, Lubbock, Lynn, Motley, Parmer, Swisher, Terry or Yorkum.

PANEL SPEAKERS for the Junior High-Senior High P.T.A. meeting Monday night are pictured above. Left to right are Mrs. Jim Davidson, junior high teacher; Glenn Reeves, senior high principal; Forrest Martin, junior high principal; Bob Manley, cashier of the Security State Bank; Tommy Lou Mauk, high school senior; and Sandra Stout, junior high student.

BEAUTY AND ECONOMY are happily matched in this 1958 Oldsmobile Dynamic "88" Holiday coupe, which will be on display with the other models beginning Nov. 8 at Oldsmobile dealerships. New "mobile-look" styling includes a completely redesigned body. New four-beam headlamps and a recess type grille with narrow aluminum louvers lend distinction to the front end appearance. The redesigned rear end is set off by twin blades that extend down each rear fender crown. An attractive upholstery combination of pattern nylon cloth and morocceen in a variety of colors is offered in the Dynamic "88" Holiday coupe.

New Styling Brightens Oldsmobile For 1958

Styling changes that enhance the appearance from every angle mark a completely new Oldsmobile for 1958. In addition, the General Motors division is introducing a true-air suspension system, newly efficient and economical Rocket engines and an improved Jetaway Hydra-Matic Drive.

The 1958 Oldsmobile will be on display, beginning Nov. 8, at Jones Motor Co., 801 Hall Ave.

Oldsmobile's new "mobile look" is evident in the entirely redesigned body, new rear quarter panels, a new front end with recess-type grille and four-beam headlamps, one-piece rear window with greater glass area and new rear deck and roof. The decorative trim on the side panels accentuates the length, flowing lines and low silhouette of the new Oldsmobile.

"The Oldsmobile has been completely and tastefully redesigned with distinctive and exciting styling. In fact, practically everything you can see is new," said Jack F. Wolfram, Oldsmobile general manager and vice president of General Motors.

"We believe our new car is a fitting culmination of six decades of progressive product leadership and is a fitting start to Oldsmobile's next 50 years of progress."

Oldsmobile for 1958 offers three different Rocket engines in its three series of cars. The economy-priced Dynamic "88" series is powered by an engine with the new "Econ-o-way" dual carburetor and is rated at 265 horsepower. This engine, according to Wolfram, represents the greatest fuel economy improvement in Oldsmobile history. The Super "98" and "99" series both have the Rocket engine with quad-jet carburetor and developing 305 h.p.

Available as an optional extra on all series is the J-2 Rocket engine with three dual carburetors and generating 312 h.p. Compression ratio is 10 to 1 and displacement is 371 cu. in. in all three engines.

The "98" series has four body styles in 1958—two hardtops, Holiday sedan and Holiday coupe, a four-door sedan and a convertible. There are five body types in the Super "98" Series—Holiday sedan, Holiday coupe, four-door sedan, convertible coupe and Fiesta station wagon. The budget-priced Dynamic "88" Series offers a wide range of seven body selections—Holiday sedan, Holiday coupe, two-door sedan, four-door sedan, Fiesta, Fiesta sedan and convertible. In all there are 15 body styles.

Two Oldsmobile accessories in novelties for 1958 are available to customers—a Trans-Portable radio that can be completely removed from the car for use elsewhere and a Safely Sentinel speedometer warning that utilizes both a light and buzzer to warn when any present speed is being exceeded. The compact all-transistor Trans-Portable radio with its self-contained batteries and aerial fits in a conventional compartment on the instrument panel but it can be withdrawn to use away from the car. Both these accessories are optional at extra cost.

Legion Sets Breakfast To Observe Armistice

The American Legion will observe Armistice Day in Littlefield with a breakfast for all area servicemen at 6 a.m. Monday. The breakfast, with sausage, eggs and coffee on the menu, will be held at the American Legion Hall. Admission is free.

School Absenteeism Rises, Then Decreases

Absenteeism at Littlefield schools rose to 21.1 per cent Monday, then tailed off to 14.9 per cent Wednesday. The Tuesday count was 18.2 per cent.

School officials said part of the rise was due to muddy roads in the area, keeping buses from portions of their routes. Absenteeism stood at about 14 per cent last Friday.

Voters OK --

(Continued from Page 1) create a \$200 million loan fund to aid local districts in financing water conservation projects.

The amendment will create the Texas Water Development Board. This state agency will have authority to sell general obligation bonds for the purpose of making money available to political subdivisions of the state.

The initial amount of the bonds authorized is \$100 million. However, this amount could be doubled by a two-thirds vote of the Legislature.

The bonds will draw not more than four per cent interest. Political subdivisions—such as river authorities, conservation or reclamation districts—borrowing the money will pay it back with interest exceeding what the state pays on its bonds.

DRILLING CONTINUES
Livermore Drilling Co. was drilling at 3,300 feet in lime Wednesday on the Jerrens No. 1 venture about 1 1/2 miles north of Littlefield, Supt. Pete Sitton reported.

Local dealer Manc'l Hall said the Ford division is "holding the line on prices everywhere it can."

1958 Ford Makes Debut At Hall Motor Company

The 1958 Ford made its debut Wednesday at Hall Motor Co. in Littlefield. First showing of the new Ford continues today.

As the new car made its debut, Ford officials announced elimination of one line—the Custom—and a price decrease in its Custom 300 "G" series.

Ford officials said they dropped the Custom series so they could "raise volume efficiency on Custom 300 production, permitting lower prices on the 300's."

Changes range from a price decline of \$45 to an increase of \$205 on the Skyliner retractable hard-top convertible.

Grass Seed Group Elects Directors

A five-man board of directors was elected Tuesday night by the Lamb County Grass Seed Growers Association.

The organization named Wayman Bellar of Sudan as chairman, with Wiley Mudgett of Sudan, Harley Bussanmus and Walter Gray, both of Littlefield and Cephus Glover of Fieldton as members.

About 35 farmers from all parts of the county attended the meeting and heard Frank Kiser of the Plains Grass Seed Growers Cooperative at Levelland.

Some county association members will join the Levelland outfit but will keep their membership in the county organization.

County UF --

(Continued from Page 1) ty "too busy" this month, directors said.

United Fund contributions in Lamb County will go to four organizations—the Red Cross, the Salvation Army, the Girl Scouts and the Boy Scouts.

The Red Cross will receive about \$9,876, the Salvation Army \$6,679, Girl Scouts \$3,000 and Boy Scouts \$6,000. The rest of the money in the \$26,575 goal will be used for administration of the campaign.

Kickoff breakfasts will be held in all communities, with Littlefield scheduled to hold its kickoff Tuesday, Nov. 26, at 7:30 p.m.

A request by the United Service Organization (USO) to join the Lamb County drive was rejected by directors. The UF board said it will consider the organization for the drive next year.

Joe Salem of Sudan, United Fund campaign chairman for the county, said workers will go all out for pledges and not cash during the drive.

"Any annual pledge can be paid either monthly, quarterly, semi-annually or annually," Salem said.

Chisholm, chairman of the UF board, stressed the point: "This won't be a cash drive. You can give a dollar or two or ten or five."

Plans were laid for all parts of the drive, publicity, contributions, talks to service clubs and churches throughout the county and other contact methods.

A stepped-up plan for contact of employes throughout Lamb County was also considered.

County headquarters for the UF organization are in Littlefield at the rear of the Mangum-Hilban Insurance Agency. Miss Jo Ann Parrack is serving as secretary.

er engine sold for \$2,684." The 1958 model of the same car with a 265 horsepower engine will sell for \$2,688.

Ford's overall price increase is 2.9 per cent. Hall said the local firm's policy will permit his company to have the increase slight.

There are three lines in the 1958 Fords, the custom 300, the Fairlane and the Fairlane 500.

Four engines are featured—the 145-hp Mileage Maker S's, the 205-hp Ford 232 V-8, the 240-hp Interceptor 332 V-8 and the 265-hp Interceptor 332 Special V-8. All engines have short-stroke, low-friction, deep block design; overhead valves; super-filter air cleaner and other features.

School Administrators Attend Meeting

Four Littlefield school administrators attended a district meeting of their state association at Abernathy Wednesday.

Going to the workshop were Supt. Ralph Shilling, and school principals Glenn Reeves, Paul I. Jones and Jimmy Hine.

The Lamb County Singing Convention will be held at Rocky Ford Baptist Church Sunday from 2-4 p.m. Pastor Dennis Heard has extended an invitation to all to attend.

County Red Cross Signs Contract With United Fund

The Lamb County Chapter of the American Red Cross approved its contract with the county United Fund campaign Friday in a regular meeting of the board.

Truitt Sides, chairman of the chapter, and Mrs. Lyle Brandon, executive secretary, signed the contract after it was approved.

A committee composed of Mrs. Herman Haberer, Curtis Wilkinson and J. E. Chisholm drew up the pact.

Under the contract, the Red Cross will receive approximately \$10,000 from the UF drive goal of \$28,500.

Board members also heard a report on the money spent and cases handled by the chapter during the past month.

Members were told that the Red Cross spent more than \$55,000 in Lamb County on disaster during the past year. The amount is twice as much as the count-

chapter has sent to the national organization in the past 10 years. The board also announced that Sides, Chisholm and Mrs. Haberer will attend a state-wide meeting of the Red Cross at Galveston Friday and Saturday.

Chisholm and Sides will be on the program, with Chisholm to talk on the Silverton disaster and Sides to speak on the Olton disaster.

Attending the meeting last Friday were Mrs. Lester LaGrange, Jim Joyner, Ross Middleton, Howard Hall, Rev. Harry Vanderpool, Sides, Chisholm, Wilkinson, Mrs. Haberer and Mrs. Brandon.

Nancy Burks Of Littlefield Elected WTSC 'Sun Princess'

NANCY BURKS

CANYON—Nancy Burks, sophomore of Littlefield and daughter of Mr. and Mrs. Howard Burks, was elected Sun Princess by the student body of West Texas State College in a recent election.

On the same program with the candidate for Sun Princess was John DePoy, who also placed with the Amarillo Sun Princess. DePoy was accompanied by Robert Hoffman, pianist, of Amarillo.

Mrs. Burks will represent West Texas State College and compete for Sun Queen in El Paso. The Sun Queen will carry over the theme Sun Carnival which will be sponsored New Year's day by the Sun Bowl football game.

Other candidates for Sun Princess were: Sarah Sowell, Amador; Ann Brown, Amarillo; Freshman; Charlene Crain, Canyon sophomore; Bill Lee, San Jose, Oton junior; Linda Lee, Houston sophomore; Jane Robertson, Hale Center sophomore; Jo Bush Warren, Canyon junior; Jo Ann Mchay, Canyon senior; Evelyn Stevens, Petersburg sophomore; and Shirlie Westberry, Panhandle senior.

Mrs. Burks is 19 years old, a cheerleader and a member of P. Omega, campus social club.

Anton News

The annual fall flower show of the Anton Garden Club was held at the Anton school cafeteria.

There were several beautiful arrangements of flowers.

Judging the flowers were Mrs. Lillian Day, of Lubbock; Mrs. Leser Barcus of Dalou and Mrs. Hugh Ellidge of Sandown.

Mrs. Paul Jeddick, Mrs. A. C. Lynn and Mrs. A. E. Richards, Anton beauticians, attended night school in Lubbock this past week. The new hair styles which are soon to be introduced to the public are Parisian styles.

The attendance in the Anton schools is getting closer to normal.

W. D. Wellmeyer, elementary principal said absentee percentage is about 15 per cent.

The principal said he appreciates the cooperation of the parents in keeping the children at home when they are not able to be in school, thereby helping to eliminate the spread of flu.

ROYALTY REIGNED at the football game Friday evening between Sudan and Friona when Glynn Masten, center, was football queen and princesses were Tommy Walker, left and Mary Mullins, right. Glynn is the daughter of Mr. and Mrs. W. C. Masten, and member of the Junior class. (Scott Photo)

Miss Masten Named Sudan Grid Queen

SUDAN—Glynn Masten, daughter of Mr. and Mrs. W. C. Masten was crowned football queen at the Friday night game between Sudan and Friona here.

Selected by popular vote by members of the football squad, Glynn was crowned with the traditional football helmet and presented a bouquet. Performing the coronation services was Bob by Beale, one of the captains of the football team.

Glynn is a member and officer of the Junior class and serves as president of the FHA chapter.

Other queen candidates were Tommy Walker and Mary Mullins. Escorts for the two were Joe Don Parrott and Keith May.

Texas paid 3,025,000 acres of land for the present Capitol building.

Nazarenes Form New Missionary Society Chapter

A new chapter of the Missionary Society for the Nazarene Church was organized Sunday afternoon at the home of Cecil Lynn. After discussing the work of the new chapter, a business session was held and the following officers were elected:

Janice Arnette, president; Richard Ridings, vice-president; Barbara Capell, secretary-treasurer and publicity director; Twila Lynn, assistant on social committee and Wilton Washburn, prayer and fasting secretary.

The chapter was named The Knox Chapter after the church's newest missionaries, Wanda and Sidney Knox, who are now in New Guinea.

The next meeting will be Dec. 8. There are nine members, of which seven were present at the first meeting.

Some long range plans for the chapter were discussed, but immediate plans include preparing a box for a needy family for

Mrs. Wales, Sudan Teacher, Once Lived In Arizona Tent

SUDAN—Living in a tent house in a mining town in Arizona is only one of the colorful highlights during the life of Mrs. Ima Wales, member of the Sudan 1955 Study Club.

A native of Missouri, Mrs. Wales was born just before the turn of the century at Clarence, Missouri. At the age of two and one-half she moved with her parents and her aunt, Elm Mayne China, to Phoenix, Ariz. There the family resided on a large farm until her father's death when she was eight.

She then moved with her mother and aunt to Phoenix where she completed elementary school in 1923. The family moved to San Diego where she was graduated from San Diego high and San Diego State Normal. It was in San Diego that she met Robert Elsworth Wales whom she later married in Kingman, Ariz., June 24, 1924.

They spent their early married life in a tent house in the mining camp of Ganman, Ariz. Six years later she and one boy and several Arizona towns later, the family moved to Chicago where their youngest girl was born.

In 1923 the family started a move to the West coast but their forlough ran out at Dallas and it was purely by accident they became Texans.

But it was by choice they remained here. Her husband died in 1933, the same year their eldest daughter began her first year at West Texas State.

Mrs. Wales then returned to school herself and received a Texas six-year certificate and started teaching in a one room rural school in Randall County in 1939.

One not to be afraid of changes, Mrs. Wales changed teaching positions every year during the

MRS. IMA WALES

first years of her teaching, always seeking just a little more pay until Gilmer-Aiken standardized the teachers' salary. Next came summer school and night classes and the receiving of a B.S. degree. She taught four years at Spearman and five at River Road Amarillo before coming in 1953 to Sudan, where she serves as a primary teacher.

Her children are married and her eldest daughter has followed in her footsteps choosing the teaching profession. She instructs in Wheeler County.

Her son is a career man in the Air Force and has served two overseas tours in Japan. He is currently stationed at Chanute Field, Ill., as an instructor. Her youngest daughter and family live at Kekaha, Wash.

Mrs. Wales received her master's degree in education in August of this year, the day before she

The Farm Bureau will hold its regular monthly meeting at 7:30 p.m. at the high school. Both members of the local board have recently been elected voting delegates to the State Bureau convention to be held in Dallas Nov. 17-20.

Mrs. N. N. Fry's mother, Gorce visited her a few days past week.

The Spade H. D. Club will hold its meeting in the home of Mrs. A. Nov. 12 at 2:30 p.m.

Light showers fell here day night.

Mrs. David Huchins' grand J. E. Brown, died last night in Earth and was buried at 10 a.m. He was Mrs. C. W. Ross' son-in-law. Mrs. Ross attended funeral along with members of the family.

Youths from the Methodist Church visited residents of community last Thursday for "Trick or Treat" for CROP.

The W.M.U. was held today morning at the church due to the funeral of G. W. Steffy, Sr.

returned to Sudan to teach new school building.

Active in other organizations Mrs. Wales enjoys work with the P.T.A., the Wesleyan Service of the Methodist Church and Sunday school class as well as the 1955 Study Club.

Levelland - Phillips Battle Tops Slate; Littlefield Off

Levelland travels to Phillips Friday night in the top game of a string of 10 area football clashes.

Coach Gene Mayfield's Littlefield Wildcats take the night off in an otherwise full slate for the area.

In other District 1-AAA action, Hereford will go to Dumas for a battle to see who stays out of the league cellar.

Other action shows Sudan at Farwell, Amherst at Hart, Whitharral at Happy, Canyon at Olton, Friona at Springlake, Anton at Idalou, Bula at Southland and Spade at Wellman.

Levelland will be favored to take the starch out of the Blackhaws and pull into a tie for the District 1-AAA lead with Littlefield.

Littlefield rests, then takes on Dumas at Dumas Nov. 15 and Levelland here Nov. 22 in a game that will probably decide the district title.

Hereford will be favored over Dumas, knocking the Demons deeper into the conference cellar. The only other contenders for district honors are six man schools, Spade and Bula.

Spade took a giant step toward week when the Longhorns upset Bula, 28-13. It was Spade's first win in five years over the Bulldogs.

The Longhorns will be the favorites when they travel to Wellman, as will Bula when the Bulldogs take on Southland.

The rest of the area teams are doing their best to keep their heads above water. Sudan and Farwell, both disappointments so far this season, get together in a toss-up battle. Farwell probably will be the favorite in a close one.

Amherst will seek its first district win against Hart and the Bulldogs could get it. They've won two, lost five and tied one for the season.

Happy will be favored over Whitharral, which surprised Kress Saturday, 19-0.

Olton takes on the tough Canyon Eagles in Mustang land. The Eagles upset Muleshoe last week while Olton was taking a hard-luck loss to Dalhart.

Springlake, having one of its hardest years, seeks its first win this season when it takes on Friona, a district contender, at Springlake.

The Wolverines will have extra incentive, however, playing before a homecoming crowd. Anton travels to Idalou, with the Bulldogs in search of victory number four for the year. They have lost five.

Fifth Annual Homecoming Slated Saturday At Sudan

SUDAN—The fifth annual homecoming of ex-students and ex-teachers of Sudan schools will be held here Saturday when registration will get underway at 6 p.m.

Activities for the evening will include a supper served by the band parents organization in the school cafeteria. A business meeting and a tour of the new school building are scheduled.

Tentative plans include a style show when costumes of past years will be featured. Also tentative plans include the playing of musical numbers by the school band.

Last year some 140 attended the homecoming and 200 are expected this year, according to Hoyt Robertson, president of the organization.

Individual invitations are being mailed by Mrs. Mildred Baker, secretary.

Some 48 per cent of Texas' population is in cities of 10,000 or more.

Texas has some 782 incorporated towns and cities.

Age Should Not Keep Person From Sports LOS ANGELES - It's not old age and the body that slows you down—it's your mind. That's what University of California professor Dr. Laurence E. Morehouse says is the reason men of 70 and 80 can perform physical feats as well as men of 20 and 30. The secret is everyday physical activity...

Morehouse, a physical education expert, said that "any adult who wants to get in good enough condition to enjoy some sport or other can do so at any age. Of course he can't start where he left off when a youth and he must build up gradually, but he'll end up enriching his life through enjoyment of sports," he added. Morehouse said persons who are 40 today "can look forward to 43 more years of active participation in athletics." The slight deterioration of strength and speed caused by age will not be important to the average person, he said...

The making of cats with popcorn balls and tooth picks was the activity conducted at the meeting Wednesday afternoon of Brownie Troop 239. In an election of officers Barbara Young was named president of the troop; Dianne Clark, vice president; Susan Jones, secretary; Gail Thomason, treasurer; Renee McKay, Roll Call; Candy Fleming, song leader. Leaders present to be in charge of activities were Mrs. Bob Drake and Mrs. W. B. Jones, Jr. Members present were Sheila Baker, Patsy Cartwright, Dianne Clark, Linda Dotson, Brenda Drake, Candy Fleming, Susan Jones, Lydia Martinez, Gail Thomason, Joyce Williams, Renee McKay and Barbara Young...

Cossack Chorus To Sing At Texas Tech Nov. 15

LUBBOCK—Choral music lovers throughout the South Plains area are invited to hear the famed Don Cossack Chorus here Nov. 15 through the courtesy of the Texas Tech Student Union. The free concert is open to the public and is sponsored by the Tech Union special events committee. The performance of great Russian songs and dances will begin at 8 p.m. in the Lubbock Municipal Auditorium. Under the direction of Nicholas Kostroff, the Don Cossack Chorus will sing religious hymns, folk and popular songs and military ballads of Czarist Russia. Dancers will present folk dances and the popular dance of the Don Cossack. Organized in 1927 in Prague, Czechoslovakia, by its founder and present director Kostroff, the Don Cossack Chorus has always comprised the best of vocal talent and dancers obtainable among the White Russian emigres who fought communism in Russia. In 18 years of singing more than 2,400 concerts in the U.S., the Don Cossacks have missed only one performance, when a locomotive of their train exploded in Kentucky. They have toured six continents and appeared in 65 countries. In the first part of the program, the Don Cossacks will sing "Blessed Be the Lord" by Tchaikovsky; "Credo" by Gretchanoff; "The Lord's Prayer" by Malotte; "O Holy God" by Tchaikovsky; "Ave Maria" by A. Donizetti and "Save Thy People" by P. Tchesnokoff. In part two of the Russian concert, folk songs like "Along the Peeterskaia," "Serenade," "Sighs" a Cossack battle song; "The Twelve Robbers," "Monotonously Rings The Little Bell," "Snowball Tree," "The Song of General Platoff," a Cossack war song; and "Lezginka" a Caucasian dance, will be presented. The third part of the concert will feature a Slavic polka, "Stenka Razin" arranged by Dobrawein; "The Snow Has Blown over the Steppes," a patriotic song; "My Sweet Lady," "Soldier's Song," and "Kozatchok" the popular Don Cossack dance.

Glass Wrapped Around Edge Of New Watch

CHICAGO—Watch manufacturers now claim that automobile manufacturers aren't the only ones who can wrap glass around a corner. A new type of timepiece, under development for more than three years, has been unveiled by Elgin National Watch Company of Elgin, Ill. The unbreakable crystals on the new watches are made so they sweep over and around the edge of the timepiece, eliminating the metal rim. Technicians estimate the new crystals will increase visibility of watches by approximately 33 per cent.

Crowd At Amherst Enjoys Annual Homecoming Parade

The parade at two o'clock Friday afternoon as a part of the high school homecoming was thoroughly enjoyed by a large crowd.

It formed on 11th Street and was seen on Main Street to First Street.

A. T. Hedgepeth, vocational agriculture teacher, was marshal leading the parade on horseback. He was followed by Bill Stone and Alvin Milton on horseback bearing the United States and Texas flags. Other entries were as follows: the band in new blue and white uniforms, the football team, the cheerleaders, the PTA officers for 1958, the PTA sweet heart candidates, Linda Clayton and escort Jerry Cole, Nancy Embrey, escort Charles Schroeder, student council in an original and economic design by Sheldahl, entries from the Amherst May Show, Linda Clayton riding in a hand-made carriage, the primary school float, the intermediate float, Junior High Band, Lion Club float with Mrs. Bradley, the church float with the members of the team, the PTA girls and the Glee Club float.

Three ladies from Friona received the honor with the awards going to the Lion Club, first primary making entries second, and the PTA, with Linda Clayton, the Halloween Carnival queen, third.

Gayle Ann Patton, daughter of Mr. and Mrs. Noble Patton was crowned football queen during the half time activities at the football game with Buden Patton pilot. She was escorted by Hudson Cantrill.

Other candidates were Joe Lane Kay Bradley and Marie Bradley. Linda Clayton was elected PTA sweetheart at its charter meeting Tuesday.

Mrs. Harry Anderson and Mrs. Elmo Nicholson represented the Sun-Val. Mrs. Anderson appeared

meeting will be Mesdames C. A. Duffy Sr., Henry Prettyman and Wesley Figg.

Pvt. Jeff Brantley is at San Pedro, Calif., where he is in service. He had been here on two weeks furlough with his wife and parents Mr. and Mrs. Harry Brantley and family. He completed his basic training at Fort Carson, Colo., and will be sent to El Paso later for schooling in the Guided Missile Department of the Army. He was joined by two servicemen from Dallas and Baytown and Donnie Bledsoe of Odessa early this week. All four boys completed basic training together at Fort Carson, Colorado Springs, Colo.

Mr. and Mrs. Lamar Kelly of Amarillo visited Mr. and Mrs. Wesley Figg during the weekend and attended high school some coming activities. He was head football coach here several years and she worked at the hospital.

Mr. and Mrs. A. A. Blair visited her mother, Mrs. W. P. Willis in Littlefield Sunday.

Guests in the home of their parents, Mr. and Mrs. A. A. Blair were their daughters, Mrs. David Crisp and family, Mrs. Eugene Coleman and family Willis and wife, all of Lubbock, during the weekend, and attended high school homecoming celebration.

Mr. and Mrs. Luther Skinner and children of Iowa Park spent Thursday through Sunday with her parents, Mr. and Mrs. Lloyd Burges. She attended Amherst High School and was here for the homecoming activities.

Mr. and Mrs. Ray Blessing and Mr. and Mrs. David Harmon visited Mr. and Mrs. E. W. Walde near Odessa Sunday afternoon. The Waldens recently moved into their new three-bedroom brick home on the farm. Mrs. Walde is the former Alpha Edgin, daughter of Mr. and Mrs. Charles Edgin, pioneer residents of Amherst.

Ernest Cooper of Floydada visited Amherst friends Sunday. He has been near there and was employed by Walker Bros. and Jim Kinley when he resided here.

James Rankin, son of Rev. and Mrs. John Rankin, left Friday for Camp Pendleton, Calif., where he will complete his six months active training in the Marine Corps.

Mrs. Jim Nix and Mrs. Paul D. Bennett entertained with a family dinner at the Nix home Sunday in honor of their uncle and aunt, Mr. and Mrs. Joe Cantrell of Ingewood, Calif. Mr. and Mrs. W. E. Bennett, Mr. and Mrs. Harry Bennett of Hereford, Mr. and Mrs. Ross Brock and chil-

Major Issues To Be Studied At State Farm Bureau Meet

DALLAS—The soil bank, production payments, water programs and rural roads are expected to be among the major issues to be debated and voted on at this year's Texas Farm Bureau convention.

More than 1,500 Farm Bureau members and their families are expected to attend the 24th annual meeting Nov. 17-20 at the Hotel Adolphus here.

Policies on state issues will be adopted at the meeting and recommendations on national issues will be forwarded to the American Farm Bureau Federation convention set for Dec. 8-12 in Chicago.

Heading a slate of nationally-known speakers is Gov. Friez Daniel who will address the convention Tuesday afternoon, Nov. 19. Other speakers include John C. Lynn, Washington, D.C., legislative director, American Farm

Bureau Federation; Louie E. Throgmorton, Dallas, vice-president of Republic National Life Ins. Co.; and Jeff Williams, Chickasha, Okla., lawyer-humorist-philosopher.

Registration will get under way at 2 p.m. Sunday, Nov. 17. A vesper service will be conducted by Throgmorton that evening. An open hearing on resolutions will be Monday morning. Special commodity conferences will be held that afternoon.

One of the features of the convention will be the finals of the TFB queen contest scheduled Monday evening at 7:30 in the Crystal Ballroom of the Baker Hotel.

Voting delegates from Lamb County include Ted Hutches and Jack Huri, both of Spade, and Mrs. Lonnie Haberer of Pleasant Valley.

Two County Oil Completions Set

Two completions were noted in Lamb County oil activity last week.

The Texaco No. 1, located in labor 11, 604 of the State Capital Lands survey in Lamb County, potentialized 112.8 barrels of oil per day. The well is in the Littlefield San Andres field, with a total depth of 4,069 feet.

The Lee R. Hewitt No. 1, located in League 664 in the Littlefield-San Andres, potentialized 57 total depth of 4,069 feet. Connecticut has become the eighth state in the U. S. to be certified modified Brucellosis free, according to the American Veterinary Medical Association.

Idle Digging Leads To Bomb Shelter

ALBUQUERQUE, N. M. — An Albuquerque man was loafing around in his back yard and idly began digging a hole — "just for exercise."

Soon the hole got pretty big however, and his wife demanded that he fill it up.

The digger, R. B. Clark, an insurance executive, considered this for a time, but decided, in the light of international uncertainties, to dig the hole deeper and wider.

Now he has a full-blown bomb's shelter right on his own property.

The hole was expanded to six feet by six feet by eight feet deep. Clark concreted the walls and bottom, using reinforced steel for strength.

Tranquillizers have been successfully used by veterinarians to reduce the shock in calves, from weaning or shipping, and to improve weight gain during such times of stress, according to a report in the Journal of the American Veterinary Medical Association.

Gains Cotton Growers Protest Allotment Plan

Cotton producers from Plains Cotton Growers and others in a protest against a proposed allotment plan for Texas that would discriminate against West Texas counties for 1958 may result in disapproval by the Department of Agriculture of the Texas ASC committee's plan.

Plains Cotton 'Greatly Disturbed' by Allotment Proposal

George Mahon of the 19th district said this week he was disturbed over a proposed method of determining cotton allotments in Texas now pending before the Department of Agriculture.

"I had asked Washington officials to hold the acreage reserve figure for the 1958 crop year to 2 per cent and under no circumstances to allow it to be more than 3 per cent," Mahon said.

The pending proposal would provide for a reserve of about 7 per cent and would "freeze" each county's 1958 cotton allotment at not less than 98 1/2 per cent of the 1957 allotment.

"I shall continue to keep in close touch with the situation," Mahon said, "and I will do everything in my power to prevent West Texas cotton farmers from being saddled with such an unfair distribution of allotments for the 1958 crop. I would like to urge West Texas farmers and a farm organization to continue to make their views known to USDA officials, and I would be pleased to have the benefit of their views and suggestions at any time," Mahon added.

Growers were informed by the proposed plan which would give each county in Texas a minimum of 98.5 percent of the 1957 cotton allotment for 1958. While this feature of the program sounds somewhat acceptable, its adoption would mean that the Texas ASC committee would then be able to hold something over 6 per cent for the state reserve.

Six per cent of the 1958 Texas Cotton acreages planted during cotton allotment would total more than 400,000 acres—for distribution to counties for increases in small allotments, hardship cases and other adjustments. Practically all of the counties which fall into this category are located in other parts of Texas.

W. O. Fortenberry, president of the PCG, estimated that more than 200 telegrams were sent to the Department of Agriculture by PCG members in protest of the proposed plan of the state committee.

Also Rep. George Mahon added his support to efforts of producers to prevent USDA approval of the plan. No announcement of the proposed method has been made by state ASC officials. The proposed plan was submitted to USDA officials for approval and would have been announced to Texas producers as it was being put into effect.

The proposed method in effect partially sets aside the history basis for determining county cotton allotments. This does not necessarily mean that West Texas producers would get less cotton acreage than they did this year, but they could not get increases to which they are entitled on a history basis, George W. Pfeifferberger, PCG executive vice president explained.

Cotton acreages planted during a five-year period are used in determining county allotments on a strictly history basis. The five-year period for determination of 1958 allotments are the years 1952-56. Many West Texas counties had large acreages in cotton in 1952-53 and 54.

Under law, the state TSC committee has the authority to reserve up to 10 per cent of the state cotton allotment for distribution to counties for adjustments. However, the methods of determining the county allotments must be approved by USDA officials in Washington.

Pfeifferberger explained that the method proposed this year by the state committee is not new. A similar plan was used for determining 1957 county allotments.

Earlier this year PCG officials attended a meeting before the state ASC committee and endorsed a state reserve of only 2 per cent for 1958.

The P.V. Home Demonstration Club met with Jo Meeks and Bernita Measles as hostesses on Oct. 24 at the community center.

Lillie Wuerflein led the ladies in singing the H.D. Club song. Roll call was answered by a safety precaution by 17 members and three visitors. The visitors were Mrs. Owen Broyles, Mrs. Anne Farley and Mrs. Mary Clark.

Delores Duncan gave the council report and the club voted to accept the council's plans to present the report.

Funeral services for Mrs. Matie Blewett, 84, were conducted Sunday at the First Methodist Church.

The Rev. Harry Vanderpool pastor, officiated. Burial was in Littlefield Cemetery under the direction of Hammons Funeral Home.

She was born Sept. 29, 1873, in Stoney, Texas. She had lived in Littlefield for the past 24 years.

Survivors include two daughters, Mrs. Lilly Davis, Abernathy, and Mrs. L. V. Wood, Littlefield; a son, T. W., Big Spring; a sister, Mrs. G. W. Christian, Olney; eight grandsons and four great-grandchildren.

ROTARY BOARD MEETING
Members of the board of the local Rotary Club will meet today at 5 p.m. at President Charles Duval's office at Pioneer Natural Gas Company.

Registration fee for the clinic is \$10 per coach. Coaches may bring as many players as they care to without additional cost.

Other outstanding personalities in the basketball world will be on hand to lend their talents. Marvin Williams, who coached the 1957 state girls champions from Roosevelt, John Blaine, now at Plainview Junior High School, who set a great record coaching at Dimmitt, and W. C. Risinger, perennial winner from Bula High, are on the Flying Queens' Clinic program.

Two 1957 All American Flying Queens, Alice Barron and Rita Alexander, who are now teaching in League City, will give a special report on the World Basketball Tournament in Rio de Janeiro, Brazil, in which they were recent participants.

The Hutcherson Flying Queens will be on hand for demonstration purposes. The day will be climaxed in a clash between the girls teams from Roosevelt and Abernathy that night. The Queens will demonstrate ball handling, defensive maneuvers and offensive plays that have enabled them to win 104 consecutive games.

Wayland Cage Clinic Set; Bula Coach On Agenda

PLAINVIEW — Girls basketball coaches from all over Texas are expected for the second annual Flying Queens Clinic at Wayland Baptist College, Nov. 23, according to Harley Relin, Wayland athletic director and coach of the four-time Women's AAU Champion Hutcherson Flying Queens.

Relin says a full day is planned for coaches and players at this clinic, which has been arranged for the demand for the 25 coaches who attended the first clinic at Wayland last May.

The Hutcherson Flying Queens will be on hand for demonstration purposes. The day will be climaxed in a clash between the girls teams from Roosevelt and Abernathy that night. Engineers' Committee Cites Need For Central State Water Agency

Until Texas is willing to center in some central state agency responsibility for administration of its water laws, its a long way from solving its water problems.

That is the view of the Texas Society of Professional Engineers' Water Committee as expressed in a series of articles on the statewide water problem.

Texas, states the committee, simply does not have any one agency with authority to speak for the state on water matters. Its Board of Water Engineers is assigned to study quantity and quality of ground and surface water, to make surveys on irrigation, furnish topographic maps to water districts, to locate reservoir sites and estimate their cost, to supervise water development and insure its greatest beneficial use, and to issue permits for public water appropriation.

But, the TSPE Water Committee observes, the state board has not received enough money to carry out obligations imposed by the legislature.

The board today has the additional responsibility of making surveys necessary to watershed planning, but lacks personnel and funds to fulfill the legislative assignment.

Federal agencies have pointed up the importance of having a centralized agency with full authority to speak for the state in dealing with the U. S. government on water projects.

reasons, some are not submitted to the board for thorough airing. And, in other cases, where the project already has been "sold" to local communities in advance of a state hearing, the board finds itself at a disadvantage. If it orders a thorough review, the board may be charged with trying to defeat the project.

board with power to enforce them. The need is evident for a single strong agency with responsibility to administer the myriad duties now imposed in the water board, with authority to enforce its rules and regulations as the state Railroad Commission, states the committee.

Concludes the water study group: "As long as individual groups through legal loopholes can go their separate ways answerable to no central source, confusion will continue to dominate the Texas water picture. The general welfare will often be subordinated to selfishness. Water laws without penalty provisions will remain on the books. And coordinated progress—other than of local nature—will be out of the question.

The legislature, in the committee's view, may hesitate to establish the kind of agency needed and to give it money and manpower to do its job until the people themselves demand it.

The public at large is apparently ready for the change, says the committee; but self interest groups continue to block needed reforms.

Next Texas water uses and developments.

Board Purchases Total \$114 Million

AUSTIN — The Veterans' Land Board has now purchased \$114,143,000 worth of Texas farmland with the \$100,000,000 available to it, Land Commissioner Earl Rudder said this week.

Payments from veterans participating in the program are used to buy more land. Eventually, a \$25,000,000 "profit" will be realized from the first \$100,000,000 in the program, Commissioner Rudder said. This money will be put in a fund which the State Legislature controls.

The land commissioner also noted that the bond market continues to block the sale of some part of the second \$100,000,000 worth of bonds in the program.

No more than three per cent interest may be paid to purchasers of these securities. Bonds on the market are now selling at an average interest of 3.43 per cent.

Nine Littlefield Students Attending Hardin - Simmons University This Fall

ABILENE—Nine students from Littlefield are among more than 1,500 students attending Hardin-Simmons University of Abilene this fall.

They include:

Bill Aaron Fore, son of Mr. and Mrs. J. C. Fore;

Kenneth Langston Harlan, son of Mr. and Mrs. G. O. Harlan;

Rosa Lee Hemphill, daughter of Dr. and Mrs. Lee Hemphill;

Mary Cameron Hulise, daughter of Mr. and Mrs. Ray Hulise;

Phyllis Inez Jeffries, daughter of Mr. and Mrs. B. I. Jeffries;

Glenda Sue McCown, daughter of Mr. and Mrs. W. H. McCown;

Wayne Norris Onstead, son of Mr. and Mrs. I. D. Onstead;

Gerald Ray Qualls, son of Mr. and Mrs. M. H. Qualls;

Linda Georgann Walker, daughter of Mr. and Mrs. O. L. Walker;

The students are members of the following campus organizations:

Bill is a member of Chowhards and Life Service Band.

Rosa Lee is a member of Young Women's Auxiliary, Colt Club, and Life Service Band.

Cammie Hulise is a member of Cowgirls.

Phyllis is a member of Young Women's Auxiliary.

Sue is a member of Baptist Student Union and Alpha Chi.

The fall semester got underway Sept. 20. The first university holiday will be Thanksgiving to be observed Nov. 27 through Dec. 1. Students will leave the campus at

noon Dec. 21 for the Christmas vacation and return on Jan. 5.

Final examinations for the semester will begin Jan. 27. Registration for the spring term is set for Feb. 3-4.

Hardin - Simmons University, founded in 1891 by the Sweetwater Baptist Association, is a liberal arts university. Dr. Evan Alford Reiff is president. H-SU is world famous for its outstanding activities. The Cowboy Band, directed by Marion B. McClure, is widely known for its showmanship and music. The Cowboys, coached by All-American and professional football great Sammy Baugh, are gaining prominence on the national football scene.

Two Lamb County Men Initiated Into Khiva Shrine

Two Lamb County men were among 73 members added to the rolls of Khiva Shrine Temple of Amarillo in the organization's annual Fall Ceremonial in Lubbock Saturday.

They are Charles Jones of Littlefield and Claude J. Blanchard of Sudan.

An Abernathy man, Ray Willis, was judged the most popular candidate in the traditional ring contest. Jones also was a ring candidate.

Panthers Win On 3rd Period Splurge, 19-0

A three-touchdown splurge in the third period was all Whitharral needed Saturday afternoon as the Panthers downed Kress, 19-0, in a District 3-B battle at Kress.

The victory gave Whitharral its first district win of the season and spoiled the Kangeroos' homecoming.

The Panthers got their first touchdown after Don Polk recovered a Kress fumble on the Kangeroo 33.

Five plays later, Billy Theford traveled eight yards for the score.

A Kress punt blocked by Don Overman led to the second Whitharral score. He recovered on the Kress 26 and Theford sped all the way on the first play.

Theford also ran the extra point to make it 13-0. Whitharral's Glenn Edwards intercepted a pass and ran 35 yards for the final score.

The victory gave Whitharral a 2-6 season record and made the Panthers 1-3 in district play.

Operators Of Farm Trailers Cautioned By Lubbock DPS

Operators of farm trailers and other vehicles engaged in harvesting operations have been cautioned by the Lubbock office of the Texas Department of Public Safety to have the vehicles equipped before operating them on public roads.

Maj. R. A. Crowder, commander of the Lubbock DPS region, pointed out that all trailers "must have at least two red reflectors and one red tail light on the rear and only one trailer may be towed by a truck, car or tractor."

Crowder added that all trailers with a gross weight of 3,000 pounds or more must be equipped with clearance lights and reflectors at front, sides, and rear according to state law. Texas law also prohibits the towing of two trailers on any public road.

Drivers of motor vehicles who reside in Texas or work in Texas are required to be licensed as an operator, commercial operator, or chauffeur. Crowder explained. And he pointed out that owners or operators of vehicles who hire other persons as drivers are responsible under the law for seeing that the driver has a valid Texas license.

brother, Walter Scott, Iowa Park and 15 grandchildren.

Palbearers were Dr. Glen Burk, Clyde Pace, Jack Church, Fred Sevier, Vernon Hofacket, and Curtis Chisholm.

ROTARY TO HEAR LACY
The Rotary Club will hear a talk by Jack Lacy, manager of the Chamber of Commerce, today at noon in the club's regular weekly luncheon.

TEACHERS TO MEET
Teachers of the Littlefield Independent School District will meet Thursday afternoon at 2:30. Classes will be dismissed. Buses will run at the same time.

A NEW KIND OF CAR IS BORN!

At Your Pontiac Dealer's Nov. 9

BOLDEST ADVANCE

IN 50 YEARS!

THE GOLDEN JUBILEE CAR!

It's a revolution on wheels—boldly planned from the very beginning as a Golden Anniversary showpiece for Pontiac and General Motors. This one you really must see—here is a car unlike any you have ever known! This Golden Jubilee Pontiac is actually an all-new breed of cars—in four brilliant series and 16 sleek models covering virtually every price bracket.

In all of them you'll find engineering advances so daringly different yet so basically sound that they will trigger the next big change in automobile design. You'll find a few of these ideas illustrated here, but even they can't begin to tell the full story.

Why not be among the first to discover the newest? When you meet this bold new Pontiac, you're in for a driving thrill that is impossible to duplicate in cars of conventional design. So make it a point to see your Pontiac dealer soon and prove to yourself that no car in history ever left yesterday so far behind!

Aero-Frame STABILITY

Here is the biggest basic construction change since the early days of motoring. Pontiac's revolutionary new frame design is lighter, stronger, more stable than the conventional box type used on other cars.

Quadra-Poise ROADABILITY

Only the wheels know where the bumps are! Pontiac's new suspension geometry ends divot, sway and bounce to bring you the smoothest ride, easiest handling you've ever known!

Circles-of-Steel SAFETY

Pontiac's completely new body construction surrounds you with girder steel protection—above, below, fore and aft. Now you can drive with wonderful new peace of mind!

Ever-Level Air Ride*

The most perfect suspension system ever designed—and Pontiac's revolutionary Aero-Frame is specifically designed for it! Air cushions on all four wheels literally float you over the bumps... keep the car perfectly level regardless of load or road!

Tempest 395 PERFORMANCE

Try Pontiac's new journal-action response! Scores of exclusive engineering innovations make Pontiac's holy power plant a miracle of smoothness... and you can choose from four horsepower ratings including Tri-Power Carburetor and Fuel Injection!

MORTON'S HONEY

"better than the bees can make it"

Mmmmmmm, no bee could blend choice Texas vetch blossom honey with selected Colorado mountain clover honey like Morton does! Clear, pure, wholesome... Morton's Honey is available with or without comb, as you prefer. Try Morton's Creamed Honey-Cup for the little folks—just scoop and spread with a knife, no drip, no "sticky paws."

and just as good as those famous MORTON'S POTATO CHIPS

Made right here at home and delivered fresh to your store in Morton's own little red trucks every single week. Southwest folks buy more Morton's Potato Chips than any other brand!

DALLAS FORT WORTH LUBBOCK

Sudan Names UF Workers

SUDAN—A meeting was held last week appointing committees and assistants for the Lamb County United Fund Drive in the Sudan area.

Forrest Ferguson, chairman for the local drive, presided while the following were named as chairmen: Dora Walk us, big game chairman; Wayne Brown, poultry chairman; Hubert Dykes, chairman of Sudan rural area, assisted by Joe West; C. O. Gregory, school chairman; Bob Drake, chairman of Plant X contributions and Marvin Tollett, secretary. A treasurer is to be named this week.

General solicitations will be made Nov. 19 but big gifts are being solicited earlier.

Joe T. Salem is chairman for the county drive and is a board member. Guy Walden is also a board member from Sudan.

A meeting is being held in Littlefield this week at which time the quota for the United Fund drive will be set and orientation for activities will be conducted.

Brothers Receive Scout Awards

SUDAN—Gayle and Jackie Brown were among sixteen candidates presented the Eagle Scout Rank Awards at the South Plains Council Court of Honor held Sunday afternoon at 3 p.m. at the First Baptist Church in Lubbock.

Members of Explorers Post 39 in Sudan, the two are the sons of Mr. and Mrs. Wayne Brown.

Presiding for the Court of Honor was Mr. Howard Schmidt. Dr. Robert Arnold presided for the Presentation of Awards.

The program opened with an organ prelude by Mrs. Gerald W. Harris, organist of the church.

The presentation of the colors was by Troop 43, Select Color Guard of Brownfield.

Following the singing of "America" led by Mr. Rex Webster, the invocation was given by Rev. Marlon Nelson, minister of the First Christian Church in Brownfield.

Participating in the Court of Honor was Dr. Davis Armstrong, "Prolicency"; W. B. Rushing, "Leadership"; Rev. J. T. Holding, "Character"; Dr. Robert L. Rouse spoke on "Knights of Today."

Those attending the Court of Honor from Sudan were Mr. and Mrs. Wayne Brown, Mrs. Bill Turner and Billy, and Hoyt Robertson, Advisor for Explorers Post 39.

B-Team, 'Hands To Meet Tonight

Littlefield's B-team will host the Monterrey Cowhands of Lubbock here tonight at 8 p.m.

It will be the local team's second meeting with the Cowhands, who won the first clash.

Littlefield reserves whipped Hereford in their last outing, 79-0.

The Freshman team will be in Levelland tonight for a game with the Lobo frosh.

Tacky Party Held by Social Club

The P.V. Social Club had a Halloween tacky party at the Community Center Thursday night Oct. 31.

Gifts were presented to the tackiest boy and girl, and the tackiest man and woman present.

Games were played and refreshments of coffee, punch, cake and cookies were served.

Guests present were and Mrs. Jack Johnson and family and Mrs. Donnie Johnson.

Safe Driving Means Less Taxes

AUSTIN—Interested in low taxes? Then try playing it "safe" for a year.

J. O. Musick, general manager of the Texas Safety Association reported today that the annual loss from accidents in Texas last year, cost us more than 300 million dollars.

For this amount, he said we could have operated all state supported schools from the first grade through college levels. We could have built a new hospital to take care of our blind, deaf and crippled children.

Plus, state parks, monuments and museums.

"The loss," Musick said, "is equal to more than one-third of the state's entire budget for a year."
