No. 82

for Judge and Mrs. Snowden Held Friday

Funeral services for Judge and Mrs. Snowden, 79, of Littlefield, were held Friday when their bodies were interred in the First Baptist Church. The funeral was held at 10:30 a. m. Wednesday at Abilene, where they were enroute from Littlefield, where they were killed about 10:30 a. m. Wednesday. The funeral was held at 10:30 a. m. Wednesday at Abilene, where they were enroute from Littlefield, where they were killed about 10:30 a. m. Wednesday.

Methodist Rhythm Band to Perform Sunday Morning

The newly organized nursery beginners Rhythm Band of the First Methodist Church, under the direction of Mrs. Vernon Steed, will present its first performance in the Sunday School opening exercises Sunday, Dec. 7, at 9:45 o'clock.

Local Optometrists Attend Study Group Meeting In Lubbock

Drs. Glen Burke, B. W. Armstead and Ira E. Woods local optometrists attended a meeting of the study group of South Plains Optometrist Society held in the offices of Drs. Davis Armstead and Lynn McCarty at Lubbock Thursday night.

Dr. Wayne Hardy of Levelland told of diseases of lids of eyes and Dr. R. B. Putman of Muleshoe discussed visual training.

OCCASION NOTED WITH BARBECUE

Cotton Center Area To Get First Rural Co-Op Telephone Service

Attend Funeral Services For Abilene Relative

Mrs. George Dixon, 74, of Abilene, grandmother of Melvin Dixon and an aunt to Mrs. Elton Hawk, died at her home Sunday evening. Survivors include five sons. Mrs. Hawk and Mr. Dixon attended the last rites, held Tuesday afternoon from the First Baptist Church at Abilene. They returned home Wednesday.

Cpl. Ernest Repass and Pvt. Morris Repass, who are stationed at Fort Bliss, and members of the Band there, spent the past week end at home with their parents, Mr. and Mrs. R. L. Repass.

Parts Of Lamb County In Co-Op Phone District

A loan of \$983,000 was made by Rural Electrification Administration will be made to the Five Area Telephone Cooperative Inc. to build rural phone lines and facilities in five West Texas counties. A dial-type phone system will be set up with the money from the loan. The new phone facilities will cover Bailey and Cochran counties, and parts of Lamb County, Castro County and Parmer County. The cooperative, which was formed in May, 1950, must pay back the loan over a period of 35 years. W. R. Damron, of Circleback, is president of the cooperative.

The new phone system will include seven automatic exchanges, and is expected to be similar in type to that recently inaugurated in Curry County, N. M. where the country's first completely new cooperative phone system was inaugurated.

The Cotton Center community, in the southwest part of Hale County, will be the first area in Texas to get the advantages of cooperative rural telephone service.

In celebration of the event a big barbecue open house will be held at the South Plains Rural Telephone Co-operative, Inc., exchange building, and program, all day Dec. 13th.

The festivities will mark completion of two years of organization and construction to provide the most modern and up-to-the-minute telephone service for the 197 subscribers in the Cotton Center area.

The Cotton Center exchange is one of 13 provided for in the \$1,227,000 rural telephone administration appropriation made some time ago by the federal government.

Dial telephones are being installed in the Cotton Center area, and the Cotton Center exchange will tie into the Hale Center exchange by interswitching between the two areas without toll charges, Plainview Southwestern Bell Telephone manager said.

W. B. Poague of Waco, representative from Texas who introduced the rural telephone administration bill as part of REA, has been invited as one of the honor guests at the Cotton Center dedication ceremonies. Rep. George Mahon and Sen. Lyndon Johnson also have been invited to attend.

Gov. Allan Shivers has been invited to make the first long distance telephone call to the Cotton Center exchange.

There will be an entertainment program along with the open house at the RTA exchange building and the barbecue! The public is invited.

The first RTA telephone exchange to go into operation in the U. S. was inaugurated in New Mexico about two weeks ago.

PRACTICING SCHOOLWORK BRINGS ARREST

DENVER (AP)—A pair of teenage boys were arrested on suspicion of casting \$105 worth of bogus checks at downtown stores. They told officers they learned in their arithmetic class how to write checks.

Annual Student Art Exhibit To Open February 21

Lamb County is among the more than two dozen counties in West Texas, that are included in the annual West Texas-New Mexico Regional Scholastic Art Exhibition available at the Popular Dry Goods Co. at El Paso beginning January 1, officials of the Popular and the co-sponsoring Scholastic Magazine have announced.

The exhibition, open to junior and senior high school students, will be held at the Popular February 21 through March 7. Winning regional entries will be forwarded to Carnegie Institute in Pittsburgh for the national judging in May.

All grades 7 through 12, regularly enrolled in any of the 28 West Texas Counties and all of New Mexico are eligible to enter competition.

Sacred Heart Altar Society Meets In Joe Albus Home

The Sacred Heart Altar Society met in the home of Mrs. J. B. Albus, recently, with Mrs. Joe Macha acting as president in the absence of Mrs. C. O. Burt, who is visiting with her sister in Temple.

During the business session plans were made for the children's Christmas party, and for a church cleaning.

Refreshments were served to the following: Mesdames Mary Yohner, Joe Foltyn, Joe Macha, Rogers Willett, Nel Lyne, George Koumalats, Herbert Dolle, Herman Miller, W. R. Geistman, Marvin Chandler, Dee Myers, Ray McKinney, Ruth Zoth, and the hostess Mrs. Albus.

DAV SWEETHEART—VA NURSE

BOSTON—Pretty Laura Power, a Veterans Administration nurse, has been selected as the DAV Sweetheart of the year by the Disabled American Veterans. The selection was made by the organization to express the disabled veteran's gratitude to VA nurses for their unselfish devotion to the care of the wounded and disabled in the VA hospitals throughout the country.

Christmas Story

THE CHRISTMAS STORY starts with a journey. "Joseph also went with Mary, his betrothed, who was with child." This is one of a series of pictures by artists from various parts of the world.

AMERICAN LEGION TO GIVE GOOD CITIZENSHIP AWARDS TO STUDENTS

A regular meeting of the American Legion was held last Monday night, with Commander Troy Davis presiding.

The group voted to give "good citizenship" awards of Citizenship to high ranking boys and girls selected by the faculty, at the high school graduation exercises next spring.

It was also reported that the membership drive is still in progress. Several new members have been added to the roll.

Here's a new idea for garnishing baked ham for a party. Use strips or square of candied orange peel. Slice some of the ham thin after you place it on the buffet table, then slice more as needed.

Russian Strategy Becomes Clear

Except for the miracle of a Russian change of heart, there will be no effective execution of the proposed plan for handling Korean prisoners of war. There will be no miracle.

However it is very probable that Russia will back up just enough to permit a paper establishment and operation of the proposed plan. One concession after another has been made to Russia. When the Kremlin has obtained concessions to the last drop, it may make its counterproposal and the United Nations political committee may foolishly accept it. It will find that it has another Panmunjom on its hands.

It is becoming clear that Russia is operating on a Panmunjom strategy. The more deadlocked, dissection-arousing conferences there are, the better are the purposes of Russia served. That's why we played into Russia's hands when we adopted our war-of-containment strategy in Korea. We hoped to win by fighting as little as possible and talking as much as possible. We have done a good deal of fighting and much talking. Russia has done no fighting and much talking. Figure for yourself Russia's percentage in that deal.

Where does all this lead? It has been leading to the most advantageous conditions for Russian preparation for war. It has been leading to just about the most disadvantageous conditions for our own preparation for a big war with Russia. We are piling up national debt, draining off our resources, losing our men. And the sight of this is creating much bitterness and dissension among our people. Russia

likes that, too.

It is the time to become tough with Russia. Let's invite Russia to get out of U. N. unless she is willing to change her tactics. If she refuses to get out, then let's set up a new organization through which we can co-operate with nations that are willing to co-operate with us. We might do so within the framework of the U. N., leaving the dead hulk of the organization to stand against a day of possible revitalization. We might expand NATO to include all friendly countries. Or we might do it outside U. N.

It might bring on a war with Russia. At least it would bring on war without our playing directly into Russia's hands in her preparation for it.

(Dallas News)

When people build new homes from scratch, they can choose safer and better designs for the building as a whole.

The association is embarked on a commendable over-all program when it seeks to educate all of us how to live more safely in our homes.

(Dallas News)

Less Death At Home

Fur-lined bathtubs may still be a joke, but nonskid bathrooms are not.

The National Association of Home Builders is going all out to popularize them. It is part of the group's campaign to eliminate death and accident traps in the American home.

The accident rate in the home continues to be a shocking one. Forty-one million Americans were injured there in 1950 alone—27,500 of them fatally. The association holds that even in old homes a large number of safe fixtures can be substituted for hazardous ones now in use.

When people build new homes from scratch, they can choose safer and better designs for the building as a whole.

The association is embarked on a commendable over-all program when it seeks to educate all of us how to live more safely in our homes.

(Dallas News)

Remember

The following items were taken from the Lamb County Leader file as of December 7, 1933:

Littlefield residents were in attendance at a dinner given in Dimmitt when Marvin Jones, Congressman from this district, was the principal speaker. The business men of Dimmitt were hosts at the meeting. Attending from here were Senator Arthur P. Duggan, postmaster; J. G. Singer, J. C. Whicker and Everett Whicker.

W. H. McFarland of Holland has moved his family here, and they will make their home on a farm southwest of Littlefield.

Supt. A. B. Sanders of the local schools attended the annual State Teachers Association meeting held in Austin last month.

Last rites were held Friday for Mrs. Zed Robinson, 34, who passed away following a lingering illness.

Four local women play in three day bridge tournament at Santa Fe and Albuquerque, N. M. the past week. They include Mrs. C. E. Cooper, Mrs. Pat Boone, Mrs. C. C. Clements and Mrs. T. Wade Potter.

F. O. Boils, principal of Littlefield High School for the past nine

years, has announced that he will submit his candidacy for the Democratic nomination for County Superintendent of Schools in the July 1934 primary.

C. E. Kemp of five miles southwest of Littlefield suffered a gash on the top of his head and a fractured rib, when he was thrown from a wagon, when his team became frightened. He was treated by Dr. T. B. Duke.

Henry Schlottman, 13 year old son of Mr. and Mrs. O. L. Schlottman sustained a broken and crushed leg shortly after midnight Saturday, when he was hit by an automobile.

Contracts Useful, Important In Daily Life

Historians often amuse themselves by try to list the ten most important inventions of all times. They invite us to pay tribute to the unknown geniuses who invented ways of using fire, the lever, the wheel, and many other such useful things.

But great and useful as the material inventions have been, there is yet another class of useful ideas and devices which have served mankind and without which we would have lost much of the benefits of our material discoveries.

One of the most simple and remarkable ideas in this class is the idea of a contract. Possibly extended back into prehistoric times, the idea in its simple outlines is found in one form or another in the earliest recorded writings of man. The application of the concept has grown and changed to meet the conditions of every age, but the essential idea of a contract has always remained simple.

What is the basic idea of a contract? Simply that two or more persons are willing to bind each other to play some specific part expecting to gain some benefit from the transaction. The very simplicity of this idea, and its almost universal applicability to the affairs of men, is its great merit.

Contracts make possible most of the things we undertake in modern life. Practically without exception we carry out our daily work under the terms of some contract. We are able to plan ahead because of the assurance that our contracts will be enforceable at law if needed.

Every person who rents, leases or buys a home—everyone who buys a car, washing machine, groceries or almost any other thing or service—is doing so under some contract, written, spoken or understood.

Even marriage is a contract. And most of the personal and real property owned in Texas is owned under the law of community property which arises out of the marriage contract and its implied and expressed obligation and rics.

Workers and employers produce the goods of our economic life under some form of contract. The trains, trucks and planes which carry those goods are governed by contract. The Federal Government makes contracts with the several states, with business within the states, with individuals and groups. Your insurance policy is a contract. Your train, bus or plane ticket is a contract.

Obviously, a device which we use so frequently cannot always be handled with great amount of ceremony and red tape. There simply isn't time for extended formalities upon every occasion in which a contract comes into being.

Yet, too many people, the mere mention of the word "contract" brings visions of lengthy documents, written in legal terms of many syllables, and executed with elaborate ceremony.

While this picture does not apply to the great majority of situations, contracts should not be taken lightly in spite of their frequent and informal use. For, by law, we must live up to our end of each such bargain.

The main thing each of us needs to know is when our words and actions will serve to create a contract. Knowing this, we are in a position to weigh and determine the advisability of going ahead. We can consider our ability to go through

was Cuban diplomat and president too. Her husband, Franco Bounous, has been first secretary to the Italian embassy in Washington, and while she was in this country with him, she lectured at Yale, Johns Hopkins, Smith and elsewhere. Her first book of short stories, and her first novel, published around 1940, were banned by the Fascist government, but had a wide underground sale then and have picked up countless new readers since. The author is also founder and director of the monthly literary magazine "Mercurio."

A review of "The Best of Husbands" has been sent to papers receiving the Literary Guildpost it is for use Oct. 28.)

Work of Southern Baptist Churches In Arizona Is Making Good Progress

Progress in the work of the Baptist churches in Arizona is reported by E. J. Packwood, formerly of Littlefield and now of Phoenix, Arizona, who recently took an executive position with the Baptist church.

Mr. Packwood is executive secretary of the Baptist Foundation of Arizona, and secretary of the State Baptist Brotherhood.

The former Littlefield resident, in his new work, is assisting in the enlargement of the Brotherhood work, and in the past month has aided in the organizations of several new Brotherhoods.

In connection with the foundation work, the chief project, according to Mr. Packwood, is the obtaining of endowments, over a five-year period, totaling more than \$1,000,000 for Grand Canyon college, the only Baptist institution of the kind over an area of several states.

Mr. and Mrs. Packwood spent the Thanksgiving holidays with their daughter and son-in-law, Mr. and Mrs. Johnny Edwards of Littlefield.

While in Littlefield, Mrs. Packwood was called to San Francisco, Calif., on account of the illness of a brother.

Mr. Packwood spent Saturday night with Rev. and Mrs. O. S. Robinson, pastor of the First Baptist church at Morton. The Morton residents and Mr. Packwood have been friends for many years. Mr. and Mrs. Robinson went to Morton from Miami, Oklahoma, about a year ago.

Want a good filling for yeast rolls? Just mix a cup of chopped, cooked, pitted prunes with two teaspoons grated orange rind, three tablespoons of sugar and a quarter teaspoon of cinnamon.

preparing. They brought special music and one of the young men, Mr. Jeff Smith brought a message on Spiritual Mirages.

Each of the nine young people taught Sunday school classes at requests of the Parkview teachers.

In the afternoon they assisted the Parkview people in a visitation program. At five they rehearsed their program for the evening services. At six they were entertained in the parsonage on 15th Street with sandwiches and cocoa and coffee. The band was entertained for dinner in the homes of Mr. and Mrs. Dan Gotham, Mr. and Mrs. Herb Christner, and Mr. and Mrs. Herb Marshall.

In the evening services, the volunteer band presented a religious drama, "The Challenge of the Cross". This was a very unusual type of service where the sermon

was dramatized as given. It was a very refreshing day with the college young people visiting in the Parkview Church.

Parkview W. M. U.

The Parkview Baptist Church Woman's Missionary Union met at the church in the educational building recently.

Mrs. S. L. Goodwin presented plans for the program. The W.M.U. presented to the Parkview Church at the Prayer Meeting hour.

Mrs. C. J. Lewis presided in the absence of the President, Mrs. A. B. Askew. The Mission Study Chairman, Mrs. Reed Yandell, presented the pastor, Rev. John G. Taylor, to teach the Mission Study book, "Scattered Abroad," by E. C. Routh.

Rev. Taylor used the Foreign Mission maps and personal experiences with many of the Missionaries while he was in Seminary in Fort Worth, to make the study of the book interesting.

The book told of the Southern Baptist Mission work opening in 20 new countries in the last twelve years. The conquering of China by the Communists drove Missionaries out, but they were scattered abroad to new unevangelized fields of Missions.

Building Committee

The building committee of the Parkview Baptist Church met in the pastor's home on 15th Street recently to begin plans for another building program.

The church in conference last Nov. 5 elected the following to the building committee: Mr. L. L. Dunn, Mr. Joe Dunn, Mr. Lawrence Massengale, Mrs. Lawrence Massengale, Mr. John Crawley and Mrs. S. L. Goodwin.

The committee is seeking a rough estimate on three major ideas. One is to build two more complete departments adjoining the present educational unit, another is to build a new auditorium east of present building site and convert present small auditorium into two Sunday School Dept's, and the third is to build the first mentioned unit to the present educational building along with building a three bedroom parsonage on the extreme east part of the Parkview property.

The committee will present possibilities and rough estimates of the cost to the church to vote upon

sometime soon.

The need for additional Sunday school rooms at Parkview is reported to be tremendous. The average Sunday school attendance for the last eight months was 134 in contrast to the average of 93 for the previous eight months.

Day Of Prayer Friday

The Parkview Baptist church met at the church Friday, from 10 a. m. to 2 p. m. for a day of Prayer for Foreign Missions.

The Woman's Missionary Union under leadership of the president, Mrs. A. B. Askew, had charge of the Lottie Moon program.

Last week was Foreign Mission Week of Prayer in the Southern Baptist Convention of Churches. Every year at Christmas time the Southern Baptist churches take a special offering that is used in foreign mission advancement. The first week in December is set aside for special prayer for the offering and for all Southern Baptist Foreign Mission work.

The program was in charge of the program chairman, Mrs. S. L. Goodwin.

The Parkview W. M. U. recently sent bundles of clothing and towels to orphan homes. They are making up another several packages again for the same thing this week.

Furr Food Gets Citation By McCall Magazine

Competing with more than 2,600 super-markets of the United States and Canada, Furr's, Inc., of Lubbock today is to receive a McCall's Magazine citation for "distinguished service through advertising."

The company's advertising was selected in a nationwide competition to receive honorable mention in the Fourth Annual McCall's Magazine Super Market Institute Advertising awards contest.

Band Students Are Wearing New Jackets

Approximately 45 students, members of Littlefield Wildcat band received new maroon colored wool jackets, decorated with the Wildcat emblem. The jackets are of Eisenhower type, and are lined with white satin. They were issued to students, Tuesday morning, by Don Hays, band leader, during guidance period. Students who bought jackets went to Freshman or sophomore students.

Cadillac

You Know Something About This Man!

You've never seen him before.

And yet, as you watch him approach his motor car—you feel instinctively that you know something about this man.

You feel you know something of his background and his standing among his fellow men. You sense his consideration for the safety and comfort of his family and his friends. And you have a clear indication of the mark he has made in his chosen field of endeavor.

For that's one of the extraordinary things about the great Cadillac car: It speaks so clearly and so eloquently of the man who owns and drives it.

It does so from its long association with the world's distinguished motorists... and out of its constant participation in the lives of the nation's leading people.

In every community across the land, Cadillac is the predictable choice of those whose choice is unrestricted.

And how well they choose—and how wisely!

For the Cadillac car—as any owner can tell you—is surpassingly satisfying from every standpoint.

Smooth, powerful and responsive—it makes each and every journey a pleasure to anticipate and a joy to experience.

Beautiful, luxurious and inspiring—it adds to the pleasure and satisfaction of the whole day's activities.

And dependable, long-lived and economical in operation—it complements its owner's practical wisdom through every marvelous mile he drives.

Wouldn't it be wonderful to enjoy all these things in your motor car? Well then... come in and see us. We'd be delighted to see you at any time.

LOCAL CHURCH LEADS IN SUNDAY SCHOOL ATTENDANCE DRIVE
The Littlefield Missionary Baptist Church leads the Bible Baptist Church of Dumas, in an 81 point lead in the Sunday School contest in which they are engaged. There are eight remaining Sundays in the contest.

This coming Sunday has been designated as "Visitors Sunday". The pastor, Dr. Weldon B. Meers, invites everyone who is not in regular attendance in some other Sunday School to come and visit the Sunday School this Sunday.

COMMISSIONERS COURT GOES TO SAN ANTONIO
County Judge Otha Dent and County Commissioners Roy Gilbert, Fred Wilson and Sam Cearley and his wife are in San Antonio this week attending an annual Judges and Commissioners associational meeting.

MONDAY NIGHT IS BIG NIGHT FOR LOCAL MAN
Lloyd (Hoot) Ward, who has more than a speaking acquaintance with the local law enforcement officers, is even better acquainted since he had two pieces of bad luck last Monday night about 7:30.

The first piece of bad luck he had was when his car struck a rock fence at the corner of Third street and Westside avenue and was wrecked. The second episode of his bad luck was when officers reported finding five pints of liquor in the wrecked car. Bond was set at \$750 each, on two charges. He was also charged in city court and fined \$50 for reckless driving.

His luck turned a bit, however, as shortly afterward he was able to make bond, and was released. Officers Barney McNeese and Les Meadow of the city police made the arrests.

FORMER JAPANESE SUICIDE PILOT SPEAKS AT PARKVIEW BAPTIST CHURCH
Hiro Tannamachi, a former Japanese suicide pilot, occupied the pulpit at the Parkview Baptist Church Sunday morning at the eleven o'clock hour.

Mr. Tannamachi is a ministerial student at Wayland Baptist College in Plainview. The close of the war spared his life a few days before his assignment of death came in Japan. He came to America to study Business Administration at the University of California.

A Christian professor took a special interest in Hiro because he noticed the Japanese lad's intense hatred for America and his traditional love for his ancestors and country. This professor advised him to attend a smaller school and one that is Christian. Upon the recommendation of Berea College in Kentucky, and Wayland in Texas, he chose the latter because it seemed nearer to Japan on the map.

A few months after his arrival at Wayland, Hiro Tannamachi became a Christian. He has an unusual testamentary as to his conversion on the campus. His ideas and attitude as well as future plans are changed. He plans to return to Japan and be a native Baptist Missionary.

Last summer, Mr. Tannamachi returned to his country as interpreter for Dr. Hope Owen, pastor of the First Baptist Church in Plainview. After Dr. Owen's preaching tour of Japan closed, Hiro remained in his country a month longer preaching to his own people.

Rev. John C. Taylor, pastor of the Parkview Church, drove over to Plainview early Sunday morning for the Japanese student and Mr. Dub Berry, a deacon of the Parkview Church drove him back after dinner.

Rev. Taylor says that this was an unusual opportunity for people in Littlefield. A Kami Kaze pilot of our enemy in the last war, told us of the love of Christ that brings peace, on Pearl Harbor Day, December 7.

Mr. Tannamachi will give his Christian testimony and bring a Gospel Message.

COMMERCIAL SURVEY SHOWS WHITE SWAN BEST AMONG SIX LEADING COFFEES!

White Swan Coffee

VISITS MOTHER
Joe Richards, who is stationed at Santa Anna, Calif., has been home the past few days visiting Mrs. Weria Richards.

VISITS GRANDMOTHER
Jimmie Norris spent the weekend with his grandmother, Mrs. McBride.

RETURN HOME
Mrs. H. N. Bennett has returned home from visiting with her sister and family in Breckenridge, Texas.

ARKANSAS GUESTS
Bill Carlisle of Ozark, Arkansas, spent Saturday in the home of his brother and family, Mr. and Mrs. C. L. Carlisle.

THURSDAY GUESTS
Mr. and Mrs. Dan Tinsley had as their guests Thursday afternoon Mr. and Mrs. Alvin Tinsley.

RETURN HOME
Bennett Maples, son of Mr. and Mrs. B. Maples, has returned home after spending two years in service. He returned home from overseas, where he has been stationed for several months.

VISIT IN MORTON HOME
Mr. and Mrs. J. R. Kuykendall of Morton, Mrs. Bob Mayon, and Mr. and Mrs. Cliff Hooley spent Sunday visiting in the home of Mr. and Mrs. H. C. Miller.

VISIT RELATIVES
Mr. and Mrs. H. R. Wallace spent the Thanksgiving holidays visiting in Plainview, Memphis, Lakeview and Clarendon, Texas.

A tough crust on a cake may be caused by too much flour, not enough sugar or shortening, too hot an oven or baking the cake too long.

S. R. JOHNSON FAMILY MOVING TO NEW MEXICO
The many friends of Mr. and Mrs. S. R. Johnson of West of Littlefield will regret to learn they are leaving in the very near future to make their home at Deming, New Mexico.

They have bought an irrigated farm in the Deming vicinity, as well as a new residence in town, where they will make their home.

The couple have two sons, ages 15 and 6.

IN HONSTON HOSPITAL
Mrs. W. T. Attaway of Amherst, left recently by train for Galveston where she is now a patient in the John Sealey Hospital. She was accompanied to the Galveston by Mrs. Eddie Lou Woods.

Mrs. Woods has returned and reported that Mrs. Attaway is doing as well as can be expected.

Mrs. Little who was a nurse at the South Plains Co-operative Hospital is a nurse at the John Sealey Hospital but not at the same building where Mrs. Attaway is a patient.

"SUFFERED 7 YEARS - THEN I FOUND PAZO BRINGS AMAZING RELIEF!"

Don't suffer needless torture from simple piles. Get Pazo for fast, wonderful relief. Ask your doctor about it. Suppository form—also tubes with perforated pile pipe for easy application. Pazo Ointment and Suppositories.

Entrant No. 129—the first Lincoln—crosses the finish line a winner

... followed 1 minute 11 seconds later by Car 122—another Lincoln

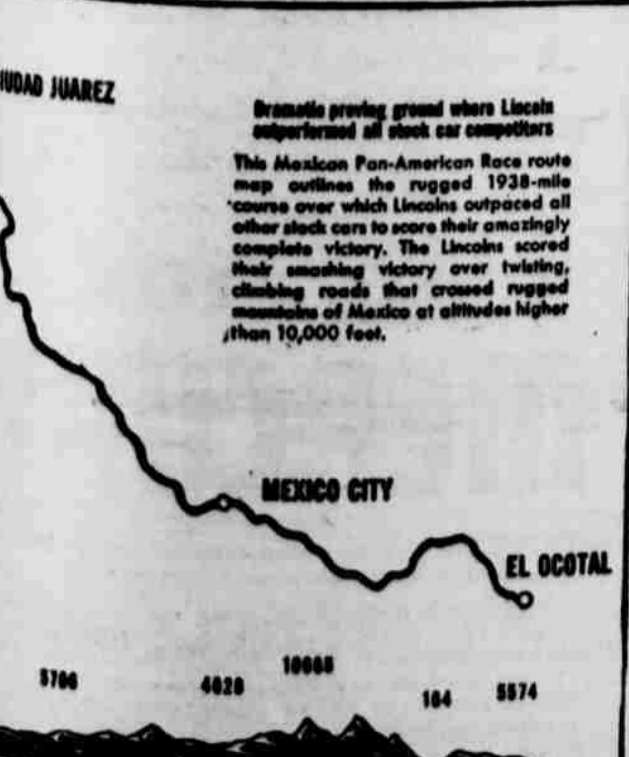

... 4 minutes 18 seconds later the third place Lincoln crosses line

... then in 5 minutes 29 seconds fourth Lincoln finishes—20 minutes ahead of next car.

1953 LINCOLNS SWEEP FIELD IN MEXICAN PAN-AMERICAN RACE

Lincoln for 1953 is the automotive sensation of the world today! 1953 Lincolns in the Mexican Pan-American Race took not just first, not just second, but third and fourth places as well!

In the race participants call "the toughest stock car competition in the world," the winning Lincolns swept afield of 66 other American production cars representing 11 other makes—and won by a big time advantage.

The first 1953 Lincoln to cross the line was driven over the tortuous 1,938-mile course in a total elapsed time of 21 hours, 15 minutes and 38 seconds. Then, within 10 minutes and 58 seconds, the three other winning Lincolns swept in—with the last one fully 20 minutes ahead of its nearest competitor.

Never before has there been such a record established in this International Contest organized by the A.N.A. (Asociacion Nacional Automovilistica)—a run that includes altitudes ranging higher than 10,000 feet—over roads of every type and condition.

Never before has a great car so clearly demonstrated both its performance superiority and ruggedness in such a competitive test.

The 1953 Lincoln, with its advanced design 205-hp engine—the V-205—is the car to challenge all others this year. So see the 1953 Lincoln—which is powered to leave the past far behind. Try it—drive it—for the performance revelation of a lifetime!

1953 LINCOLN — POWERED TO LEAVE THE PAST FAR BEHIND

G. Hinds Motor Company

LITTLEFIELD, TEXAS

From where I sit... by Joe Marsh

They'll Do It Every Time

You know where Hammy Jackson lives—on that small dead-end street off Maple Avenue near the library? Well, about a month ago, the town finally put up a sign on the corner there saying: "No thoroughfare... Dead End."

Yesterday Hammy dropped by to see us. "Can't understand it," he says. "Hardly anybody drove down our street before—but, now, since they put that sign up, there's been more cars than ever turning around in my driveway."

From where I sit, these people who bother Hammy on his one-way street are the same as those who automatically ignore a Wet Paint sign and touch their finger on a freshly painted surface. But you can't change human nature. People like to find out for themselves—and then make their own decisions.

That's why I say "live and let live." You can drink your butter-milk, but let me have my glass of beer when I choose. And let's not feel we're obliged to "point the way" for the other fellow.

Joe Marsh

Copyright, 1952, United States Brewers Foundation

Pains, distress of "those days" stopped or amazingly relieved

in 3 out of 4 cases in doctors' tests!

Here's wonderful news for women and girls who—each month—suffer the tortures of "bad days" of functionally-caused menstrual cramps and pain—headaches, backaches, and those "no-good," dragged-out feelings.

It's news about a medicine famous for relieving such suffering!

Here is the exciting news. Lydia E. Pinkham's Vegetable Compound—gave complete or striking relief of such distress in an average of 3 out of 4 of the cases in doctors' tests!

Scientifically Modern Action

Yes! Lydia Pinkham's has been proved to be scientifically modern in action!

This news will not surprise the thousands of women and girls who take Lydia Pinkham's regularly and know the relief it can bring.

And it should encourage you (if you're not taking Lydia Pinkham's) to see if your experience doesn't match theirs... to see if you, too, don't avoid

the nervousness and tension, weakness, irritability—and pain—so often associated with "those days!"

Remember Lydia Pinkham's, too—if you're suffering the "hot flashes" and other functionally-caused distress of "change of life."

Get Lydia Pinkham's Compound or new, improved Tablets with added iron (trial size only 50¢). Start taking Lydia Pinkham's today!

This unidentified girl takes to the road for easier walking as a 10-inch snow fell in Amarillo, Texas. The snowfall was one of the heaviest ever recorded in November. Air and road travel throughout the Texas Panhandle area were disrupted and in some cities schools were closed. (wirephoto.)

Housewife Wins Henry J. Corsair In Coast to Coast 'Take A Number' Program

ESCANABA, Mich. — Mrs. Helen Engman has never been overly concerned with the fact that real estate sold at a public sale, is called an auction.

But because she knew that one small fact, the Dollar Bay housewife won herself a new Henry J. Corsair and a host of other prizes on the coast-to-coast "Take A Number" radio show sponsored by Toni Home permanent.

The program was broadcast from the Upper Peninsula State Fair grounds, where general quiz master "Red" Benson interviewed visitors at the fair.

Speaking of her Henry J. prize Mrs. Engman, wife of a lumber mill worker, said:

"As we drove to the fair in our old car, we wondered when we'd be able to afford a new one. Certainly none of us dreamed we'd ever win one.

"I've never been happier in my whole life."

Assisting in radio show preparation was Les Berndt, vice-president of Don Hutson Motors, Green Bay, Wis., K-F distributorship.

Commenting on his first experience as an aide in a major radio production, Berndt commented:

"When the broadcast time came near I found myself getting as nervous as the contestants.

"I'm sure I wanted each person to win our Henry J just as much as each one wanted to win. I'm sure, too, that I was just as thrilled as Mrs. Engman when she gave the correct answer."

The Batson Motor company are local dealers handling the Henry J. and Frazer and Kaiser cars.

Designate Monday December 15 As Farm Labor Day

The Littlefield office of Texas Employment Commission has set aside Monday, December 15, as Farm Labor day. Several applicants for farm jobs for the coming year will be at the office in person for farmers to interview personally.

All area farmers interested in securing a good farm hand for 1953 are urged to meet these men at the Employment office located at 104 East 5th street in Littlefield.

A laboratory for studying coal chemicals and coke processes has been opened in Pittsburg.

Lamb County Supplying Large Percent Of Tri-County Inductees

Littlefield is supplying or is due to supply almost half of the inductees which make up the December quota of the tri-county Selective Service board, composed of Lamb, Bailey, and Cochran counties. In actuality, Lamb county will supply the men comparatively almost to the exclusion of the other two counties. Thirteen of the 18 man draft call who have been ordered to report to Muleshoe are residents of this county; Cochran supplies three and Bailey, two.

Those ordered to report, are: Juan Perez Guana, Earth; Isaac Curtis Young, Littlefield; Paul Thomas Kent, Sudan; Abran

Abeyta, Littlefield; Nash, Mordecai Koger, Littlefield; Cook, Littlefield; Pitt, Maple; Roland D. Littlefield; Jimmy D. Littlefield; Auguston; Jerry Miller; Billy Moody, Littlefield; Smathers, Little Hill, Sudan; Le Sudan; Doyle V. shoe.

News Of Lamb County Men In Service

Corporal Bobby Jones, who has served in the armed forces in Germany and also in Korea, is home on leave visiting his mother, Mrs. Holley Jones. For the past few weeks he has attended a school at a base in Georgia. He now has orders to report at Camp Stoneman in California, from where he will leave for service in Korea.

Corporal Marshall Freeman left recently for Fort Lawton, Washington, after spending a furlough with his parents here. While he was home on leave he and Miss Margie Daniels were united in marriage. She will remain here while her husband serves overseas.

Corporal Archie Wilson, who has been a patient at an army hospital at Fort Sam Houston for the past several weeks, has been released and has spent the past several days here visiting his parents, Mr. and Mrs. M. A. Wilson. At the expiration of his leave he will return to San Antonio.

Lt. Jim Hysinger, who was critically injured while serving in Korea more than a month ago, telephoned his wife who resides at Olton, last week, from Japan, advising her that he was leaving the next day to return home. He will receive a discharge when he arrives in the states. He received flesh wounds, and in his telephone conversation with his wife, advised her that he had completely recovered. His parents also reside at Olton.

James Lee Bales, son of Mr. and Mrs. J. C. Bales is stationed at San Luis Obispo, California, serving with the Signal Corp. Co. 10 of the

United States Army. He was inducted into the service November 4 and was stationed at Fort Sill seven days before being sent to California.

Glenn Dale Landrum, M. M. F. N., of the U. S. Navy, who has been stationed in the Korean waters for the past year, plans to leave Pearl Harbor December 10 for the United States and Littlefield, on a 30-day leave.

He is a son of Mr. and Mrs. Howard Landrum, and has not been home since going overseas. Following his leave he expects to go to Japan.

T. Sgt. Bobby Ray Vaughn, son of Mr. and Mrs. L. E. Vaughn of Amherst left recently for Germany, where he will be stationed. home of his parents last week. They arrived Saturday night, November 22 from Cheyenne, Wyoming, at Francis E. Warren Air Force Base, where he has been stationed for the past four years, where he was an automotive instructor in the Air Force.

T. Sgt. Vaughn joined the Air Force in April 1948. He joined the service shortly after graduating from Amherst High School.

Enroute to New Jersey, he and Mrs. Vaughn stopped at Bardstown, Ky., where she will remain with her sister and family, Mr. and Mrs. John Presley, for about six months.

Nearly half of the coal produced in the United States in 1951 was mechanically cleaned.

PREVIEW of the Greatest Mercury that ever rolled along any road!

Standard equipment, accessories, and trim illustrated are subject to change without notice. White side-wall tires and full-disk hubcaps optional at extra cost.

Get the facts — and you'll get the greatest yet —

On view today

Mercury—symbolizing the progress of Ford Motor Company in its 50th anniversary year.

NEW 1953 MERCURY

HERE IT IS! Here's your first look at the car that will make history. It's the greatest Mercury yet!

You're seeing a new longer, lower look... a new combination bumper-grille... a new one-piece rear window—the latest version of the style star that, when equipped with optional overdrive, wins Economy Runs. You're getting a hint of the unique Unified Design where all parts are precision engineered into efficient, work-together units.

And you're getting a suggestion of the new performance in Mercury's famous V-8 engine—finest in Mercury history.

But you must drive this new Mercury to experience its new balance and handling ease. You must see it to appreciate the warmth and beauty of its new colors and fabrics.

Why not do just that? Visit our showroom today!

Radar's "Big Eye" Guards The Northwest

NEAH BAY, Wash.—Up on a mountain peak overlooking this northwestern corner of the United States sits a million-dollar giant eye which keeps a sweeping watch for danger from the north Pacific Ocean.

More than 200 men of the 758th Aircraft Control and Warning Squadron see to it that The Big Eye keeps awake around the clock, constantly on the alert for possible enemy aircraft.

The Big Eye is 78 miles from Port Angeles, Wash., nearest U. S. Coast Guard Station, and just south of Vancouver, B. C., Island where the Strait of Juan De Fuca enters the Pacific. It is one of the latest radar mechanisms developed, responsible for alerting Northwest air defense pilots at the slightest hint of danger from the sky.

The Big Eye is inside a silver "radome". It looks exactly like a small observatory from the outside. Its pressurized insides are secret.

Any planes not reported by military or civil officials to Commanding Officer Maj. Albert Sporer's men are subject to immediate investigation by U. S. Air Force jet interceptors based nearby. The men consider their small base "one of the finest" in the Air Force, says that officer from Des Moines, Ia.

The men complete to make themselves keener at sighting aircraft. They're tucked away from most signs of civilization with only the Big Eye to make them realize that things may not be so peaceful in other parts of the globe.

It's a lonely assignment, says Maj. Sporer, but the men of the 578th are proud of their job.

Soup and salad make a good lunch for weekday eating. For the soup you might choose split pea with croutons. For the salad serve sliced oranges, pineapple chunks and sliced banana on crisp greens; top with cream-style cottage cheese and French dressing.

Library Tag Day Is Outstanding Success; More Than \$350 Is Collected

A total of \$354.42 was collected in the Library Tag Day drive, held recently, and the money will be used in buying new adult and children's books for the local library.

The Library committee of the Woman's club, sponsor of the library, are indeed happy over the response to the drive by the local business concerns, employees and area shoppers who contributed so generously. They also wish to express their appreciation to both banks for their cooperation.

Those assisting in the Tag Day drive were: Meadames J. H. Barnett, Nel Lyne, R. W. Badger, A. B. Brown, Harry Vanderpool, and Jack Henry.

This is the second annual Library Tag Day to be held here and the board plans to make it an annual affair.

Containers for coins are placed in several of the stores in Littlefield, where patrons may drop loose change, which is also used for buying new library books, the committee announced.

TRANSATLANTIC TV

NEW YORK (AP)—Television experts, in anticipation of the day when television will be transatlantic, say that it shouldn't be difficult for Americans to see the Pope celebrating mass at the Vatican on Christmas Day in the near future. However, they do not expect this to happen before Christmas, 1953, if then.

Christmas Has Everything

Christmas has everything—hasn't it? Christmas holds tightly many happy memories, is loaded with joy and good cheer right now, and pierces uncertainties of the future with the bright twinkle of hope. Christmas lifts you out of your ordinary self and pushes you up into being a person far nicer than you have thought you were. Christmas opens up friendships more numerous, more delightful and more heart-warming than you knew you had. Christmas appeals to all five of your senses. Is there any sight lovelier than gaily wrapped gifts, multicolored candles, shiny holly and decorations on a Christmas tree? Isn't there contentment in the fragrant smell of fir balsam in the living room and of spicy odors in the kitchen? Wouldn't the days seem empty without hearing again the universally-loved carols and the laughter of happy children? Isn't self-control overstrained by the taste of festive, tempting foods? And don't we respond to the invigorating touch of the sweet air outdoors and the welcome warmth of home and family within?

- It looks like Christmas.*
- It smells like Christmas.*
- It sounds like Christmas.*
- It tastes like Christmas.*
- It feels like Christmas.*
- It must be Christmas.*

Merry Christmas!

LANDMARK IN HISTO

1819. The HERMITAGE, near Nashville, Tennessee

IN 1804, Andrew Jackson built the first "Hermitage," a sturdy house of logs, in the midst of a four hundred and twenty acre plantation. He brought his loving wife here and, with her, spent fifteen happy years. There were three adjoining log cabins, for the accommodation of

their many guests, among whom were President Monroe and Aaron Burr. Following Jackson's military successes at the Battle of New Orleans and the Indian campaign in Florida, he had some financial success in cotton and decided, in 1819, to build a mansion to replace his

log house. From this he had the good fortune as President of the States, but great sorrow at the death of his wife. The Hermitage was wrecked, then fell into disrepair, but was later restored to its former

Beckner, Jim Doherty, Don Erwin, Billy Jacquess, Dorothy Koke, and Eugene McNeese.

Others: Margaret Aldridge, Betty Brandt, Kent Brooks, Dorothy Emmons, Dorothy Foltyn, Howard Harvey, Sue Henry, Carrie Ivie, Bill Jones, Wilma McCain, Marion Nickelson, Jeff Pate, Larry Rice, Wanda Rogers, Elwood Smith, Billy Talley, Keith Streety, LaNell Tindal and Madelyn Wade.

A dash of tobacco sauce added to macaroni and cheese or a cheese rabbit gives good savory flavor.

NEW HARBOR FOR INDIA

BOMBAY (AP)—A German engineer who ruled the French Atlantic and Mediterranean ports during World War II is directing the construction of a new \$27,300,000 harbor in India's Gulf of Cutch.

He is 54-year-old Dr. H. A. Gerdies. His job is to build tiny Kandla, an almost unknown town in far Western India into a harbor center which will cut 200 miles off the transfer distance from the sea to New Delhi and other northern cities.

PREFAB VILLAGE

LONDON (AP)—A collection of British Industries will be put on sale at the annual trade exhibition in London. All the buildings specially designed for prefabs. They include a prefabricated school, a general other types of dwellings.

City Blasts Olton 41-15; To Play Wink Friday

Olton jumped into an eight point lead in the first two minutes of the game and the locals began to worry about an upset, but Charles Ward and Clarence Reed took over and turned what had been a close game the first half into a runaway.

Ward scored four touchdowns and passed for another, besides kicking five of six extra points. He was the leading ground gainer for

the winners with 172 yards on 22 carries. He passed for 31 yards and caught two passes for 24 yards.

In On 17 Tackles
Reed was in on 17 tackles besides recovering three fumbles. He dealt Archie Souther a lot of misery when Olton was running from the T most of the time.

R. V. Allcorn played a whale of a game for the losers. He left the game later in the third quarter

Littlefield Quints Win Pair From Anton; Tourney Opens Thursday

Stamford Tops Seminole 35-0; Grid Champs In Quarter-Finals

It was the Indians who were scalped at Tiger Stadium as Snyder the Stamford Bulldogs wielding the tomahawk for a 35-0 victory to advance to the quarterfinals of the state double-A playoffs.

Displaying perfect football, coach Gordon Wood's Bulldogs, winners of District 5-AA, powered their way to the win, mixing in a few passes to show fans they had a passing attack and letting loose a whole kennel-full of fleet backs.

The difference in the ball game was between the gaping holes the huge Stamford line was making compared to the weak blocking attempts of the Seminole linemen. The Indians, 8-AA tri-titlists, put on their worst performance of the season — with the possible exception of the Monahans game. Besides not being able to block, the defenders couldn't tackle and on one pass play there were two other receivers in the clear plus the one that caught the heave for a touchdown.

Jackie Sparks Stopped
When Jackie Sparks, a yard-eating demon up to this game, tried one, two, three and sometimes four to run, he was smothered under by Dogs. Seminole passers were lead-armed and receivers butterfing-ered.

But Stamford was great. It would have taken a strong leash to hold these Bulldogs today.

Chief yardage gainer for the Bulldogs was the supposedly injured Kenneth Lowe. Despite thick taping of both knees, he grounded out 87 yards in 19 carries. Wayne Wash, tall, cool and terrific, had 80 in 15, short, stocky, but swift Max Kelley had 70 in 10 and Buddy Gray 39 in six.

Lowe scored two touchdowns and threw a 24-yard scoring pass to Wash to complete the day's work.

Ball handler in Stamford's winged-T was Eldon Mortiz most of the time. He pulled a sneak from the one-foot line to score and kicked five extra points — one after a 15 yard penalty.

The other touchdown was by another quarterback, Larry Simmons. Seminole missed Jackie Gothard. The big pass-snagging, hard-tackling end couldn't have made-up a 35 point deficit, but he could have helped. He played only a few downs on offense and a few on defense. It might have been a different story with him in there.

Stamford now meets Childress. 1-AA titlist and winner over Floydada and Seymour in playoffs, in next round.

Olton Homecoming Set for Dec. 27

The annual homecoming for Olton ex-students, ex-teachers, 1953 seniors and guests will be held Saturday night, December 27, in the school auditorium.

Registrations will be gin at 6:30. The banquet will follow at 7:30. Reservations should be made with Mrs. Howard (Bonnie Bert) Buchenau, Mrs. Archie Sorely or Vernon Nixon, it was announced.

Bonnie Bert Buchenap is secretary of the organization.

Ratton Re-Hired As Levelland Coach

Truett Ratton has been re-hired by the Levelland school board as head football coach for another season, his contract to begin at the March 1, 1953.

Truett's hiring was unanimous.

after scoring a touchdown and passing for another. The junior half-back carried the ball 18 times for 94 yards.

Charles Smith, Denver City guard, played his best game of the season. He jarred Olton ball carriers with his vicious tackling and also turned in a fine job up front on offense with the blocking.

Standing out in the DC line were Smith, Reed, Curtis, Billy Joe McGlasson, Tommy Allison, Casey, Marion Allen, James McDowell and Leonard Cox.

Offensively, it was Ward, Leonard, Souther, Mike Tinley, Brooks and Phillips Shook, who played only a portion of the game due to an injury.

Besides Allcorn, Clarence Monroe, Danny Bledsoe, Jerry Nichols, Oliver Rose, Souther, Lonnie Stephens, Shelly and Kenneth Gullett stood out.

Childress Clips Floydada 32-0

The Childress Bobcats wore the Floydada Whirlwinds down to a harmless breeze at Childress Friday, scoring four times in the fourth quarter for a 32-0 victory to advance into the quarterfinals of the state double-A title playoffs.

The Whirlwinds, winners of 11 straight games before today, had two haunting gremlins chasing them—they couldn't hold on to the ball, losing it four times on fumbles, and they threw six passes into Bobcat claws.

But the biggest gremlin was the huge Childress line, averaging 181 pounds from end to end, despite midjet Troy Boykin, 148 pounds of speed and skill, and Don Raney, 145 pounds of tackle ferocity.

The gravest Floydada miscue came in the waning minutes of the third quarter. With the ball on the 19-yardline, Adrian Helms broke off tackle toward the Childress goal. He was hit by Solid Sam Winkle, 198-pound tackle. The ball squirted out of Helms' arms and Raney recovered on the 17.

Ends Scoring Drive
That not only ended a promising scoring drive, but it seemingly broke the spirits of fighting Floydada, too.

The score was still only 7-0 at the time.

After that the Winds, who had fought back time after time before from bad breaks—breaks brought on by a snarling Cat—were never

Brownfield Wins Over Seagraves In Cage Opener

Brownfield's Cubs opened their basketball season with a 57-27 victory over Seagraves Friday night and the Brownfield B squad made it complete with a 55-40 triumph in the certain raiser.

Jerry Bailey pumped home 14 points for the Cubs to take scoring honors, while Lawrence Barber had eight for the eagles. In the B game, Seagraves' Billy O'Neal was high scorer with 16 points. James Jones had 13 for the winning Brownfield team.

in the game. The score could have been 50-0 had the Bobcats had the time.

Childress, which will play Stamford was the first team to score more than one touchdown against Floydada and the first team this year to hold the Winds scoreless.

Helms was the ground-gaining star of the game—despite Morren, Collyer, etc. He had 109 yards to his credit. Billy Carmack, Lewis Reddy, Connie Bearden, Stovall, Bexter, Hartman, Chapman, Bert Grimes, Clark, W. J. Hartline did their usual fine job on defense—the ground, that is.

For the winners, it was Castleberry, C. Lane, T. Lane, Lindley Davis, Jay Sharp, Wrinkle and Raney who stood out in defense, with a special note for Morren, Collyer, C. Lane and Sharp for the pass interception and Raney, Wrinkle and T. Lane for the fumble recoveries.

Littlefield won two of three games from Anton at Anton Friday night, the home bulldogs falling in both varsity and B games, but the girls taking a 44-34 victory.

The visiting Wildcats won the varsity game in a real thriller, 39-38 and also took the B game, 29-21.

Keith Streety's successful free throw with 3 seconds left to play brought Littlefield the varsity win after the Bulldogs had led all the way. With 15 seconds left, Littlefield tied up the game and Streety's charity toss followed as a technical foul against an Anton player.

Ken Hice of Anton was high scorer with 16 points, while Streety paced Littlefield with 13.

Katherine Billings sank 19 points for Anton in the girls game, while Smith had 18 points for Littlefield. The visiting girls also captured the runner up spot on Alexander's 13 points.

Anton opens its annual tournament next Thursday night with seven visiting teams. They will be Petersburg, Olton, Littlefield Spade, Whitharral, Pep, Pettiet and host Anton.

Plainview Downs Levelland 42-35

Rex Jordan paced the visiting Plainview High School Bulldogs to a 42-35 victory over Levelland's Lobos at Levelland Friday night in the second season for each team.

Jordan held in check pretty well throughout the game, exploded in the last quarter to help his mates clinch the victory. The lanky visitor wound up with 14 points to take scoring honors.

Plainview Holds Lead
Plainview held a 30-10 lead at the half and never was threatened.

The varsity game was a tight contest until the closing minutes of the fourth quarter. Then Plainview pulled away, outscoring Levelland 16 to 10 in the important stanza.

Plainview held a 7-5 lead at the end of the first quarter, but Levelland pulled into a tie at the half and the teams were only one point apart at the end of three quarters. Plainview holding a 36-35 lead. That's when the Bulldogs applied the pressure.

Curtis Israel paced the Lobo attack with 13 points before fouling out in the final quarter. Jerry Fordehase had nine points to finish in third spot.

John Roberts, a slick ball handler turned in an out-standing floor game for the Bulldogs.

Levelland's next game will be in the Hardin-Simmons tournament next week.

All are included in Santa's pack this year, along with instructive leaflets giving authentic descriptions of pioneer vehicles and furnishings.

Lakers Biggest Worry Is Aging Players

By JOHN KUNDLA
Coach, Minneapolis Lakers

The Minneapolis Lakers enter the new National Basketball Association campaign as a marked team.

We were fortunate enough to recapture the championship last season and, in return, can expect all other teams in the league to be going all out to knock us from our perch.

Every team in the league has its problems. And the Lakers are no exception.

Last year, there was some question about Mikan and the new 12-foot lane. It slowed him up a bit—enough for him to lose the individual scoring championship to Paul Arizin of Philadelphia. However, with a season's experience, George should be able to make something of a comeback. This will be the telling year.

In addition to Mikan and Pollard, we have five and one-half other players returning from last year's squad. The half man is Whitey Skoog. He's a question

mark right now. He was forced out of action midway through last season with a knee injury. The knee was operated on since that time, and now we will have to learn whether it will hold up.

We also believe Lew Hitch, a 6-8 center and forward beginning his second year with the Lakers, will be greatly improved this year. That will give us more reserve strength.

Six rookies are now trying out for the team. From this bunch we hope to pick up three men. We especially need another guard and forward to relieve Pollard and Vern Mikkelsen.

The brightest prospects among the newcomers appear to be Jim Holstein, 6-3 guard from Cincinnati; Edward Dopson, 6-6 center from Arkansas Tech, and Mike O'Neil, 6-3½ guard and forward from the Oakland Blue and Gold AAU team and the University of California.

Out Of 5 Farmers Follow Conservation Program

Conservation Service projected the nation's farm and ranch acreage last June 30 than any year in the history of Agriculture. The all-round increase for the Gulf Region commands Louisiana, Oklahoma, Texas set the pace for the overall increase in states was 51 per cent. It is a report from Louis P. National director of the Conservation Service. chalked up an increase Louisiana 21 per cent; and Texas 50 per cent; and the Gulf Region also

led the nation in the number of conservation plans on maintenance. By last June 30 the 37,593 plans on maintenance in the region covered 10,155,658 acres on which all needed conservation practices had been applied. This region was also out in front nationally with the acreage of farm and ranch land under conservation agreement—100,966,528 acres for the four states. The new records were attributed in part to the organization of additional soil conservation districts, a large increase in the number of farmers and ranchers taking part in the conservation program, the co-ordination of SCS and Production and Marketing Administration conservation activities, and the SCS policy, adopted two

Three Hundred Year Old Hat Located

BOSTON (AP)—After hanging on a peg in the woodshed for about 40 years, a lady's hat, said to be worn by a young girl who came to America on the Mayflower in 1620, has been located.

Owned by John W. Cole of Littleton, N. H., the hat with its high 8 1/2-inch crown and broad brim is now resting in Pilgram Hall, Plymouth, Mass. Its discovery resulted when a photograph of the present owner wearing the hat was submitted to the Plymouth Plantation organization in answer to their advertisement regarding whereabouts of Pilgram belongings.

The hat probably belonged to Constance Hopkins, a Mayflower passenger. Her daughter married John Cole of Eastham, Mass., and the hat descended through succeeding generations of Coles to the present.

Demonstration Of Charles Barrett Plow On Spade Highway Tuesday

Riley & Burt Implement Company announce a demonstration of the Charles Barrett Plow will be given on Spade Highway (Oklahoma Avenue), just north of the Peyton Packing Co. feed lots, Tuesday, December 16, from 10 a.m. until 5 p.m., introducing the Charles Barrett Plow, which has been invented, designed, engineered and built by Charles F. Barrett, Jr., the one man who has had more actual experience than any other man with the new Direct Hitch, Reversible Disc plows.

This plow, stated Mr. Burt, is not an experiment, but the result of years' experience building this type plow, and he urges farmers to attend the demonstration Tuesday and see just what this plow will do.

Special features are: No. 1—This is a Direct Hitch. It will be built to fit all tractors. No. 2—It is a Disc Plow. Plows harder ground and deeper with less power. No. 3—It's a 2-Way Plow—or reversible. Keeps your ground level. No. 4—The Discs are genuine Adams Hard Faced. Stays sharp and lasts longer. According to Mr. Burt, several different tractors will be demonstrated.

At one time there were about 13,000 men named John Smith on the U. S. Veteran's Administration rolls.

Birth Rate Drops; Marriages Increase

ROME (AP)—Italy's birth rate is dropping while marriages are on the increase.

According to the Italian Central Statistical Institute, there were 6,103 more marriages during the first nine months of 1952 than for the comparable period in 1951. A total of 227,126 marriages were performed from January to the end of September of this year.

Official records show 629,446 live births registered in the first nine months of 1952 as compared with 644,299 for the same period in 1951.

Dont Miss The --- INTRODUCTION AND DEMONSTRATION OF THE Charles Barrett Plow!

A Demonstration Will Be Given From 10 a.m. to 5 p.m. **Tuesday, Dec. 16**

On Spade Highway (Oklahoma Avenue) Just North of the Peyton Packing Company Feed Lots

Charles Barrett Plow

INVENTED—DESIGNED—ENGINEERED—BUILT BY CHARLES F. BARRETT, JR.

THE ONE MAN WHO HAS HAD MORE ACTUAL EXPERIENCE THAN ANY OTHER MAN IN THE U. S. WITH THE NEW TYPE DIRECT HITCH REVERSIBLE DISC PLOWS.

This Plow Is Not An Experiment -----

but the result of years' experience building this type plow. We urge you to not buy a plow of any kind until you see this plow and know just what it will do for you. This 3-Point Hitch lessens your draft at least 20%.

SPECIAL FEATURES

No. 1—IT IS A DIRECT HITCH It will be built to fit all tractors.

No. 2—IT IS A DISC PLOW. Plows harder ground and deeper with less power.

No. 3—IT IS A 2-WAY PLOW, or reversible. Keeps your ground level.

No. 4—THE DISCS ARE GENUINE ADAMS .HARD FACED. Stay Sharp—Last Longer.

SEVERAL DIFFERENT TRACTORS WILL BE DEMONSTRATED

Arabs Get A "Corner" On Holy Land

Tourists Find Shrines Still Easy To Visit

By WILTON WYNN
AP Newsfeatures

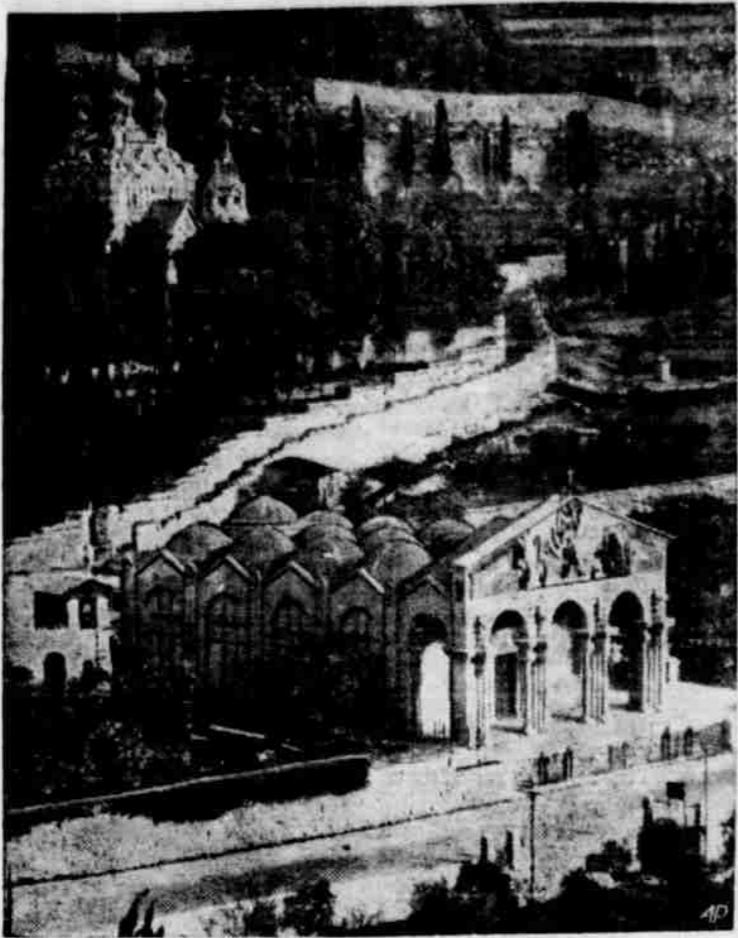

JERUSALEM—How to get across to travelers that outstanding Holy Places are in the Arab sector of Palestine is one of many headaches plaguing the tourists industry of Arab Jerusalem today.

This is a serious matter to the 60,000 residents of the Old City. With Palestine's seaports, industries, and best farm land on the Israeli side of partition lines, Jerusalem Arabs have only the tourist trade to rely on as a profitable business.

The misconception regarding location of Holy Places has cost Arab Jerusalem heavily in the past four years. There are countless cases of European or American tourists planning a trip to the "Holy Land" and spending practically all their time in Israel. With time and money budgeted, many tourists realize too late that the most interesting shrines are on the other side of the line.

Shrines Over the Border
On the Arab side are the Church of the Holy Sepulchre, the Garden Tomb, Calvary, the old walled city of Jerusalem, the Church of Nativity in Bethlehem, the site of the Sacred Baptism on the Jordan River, and countless other sacred Christian spots.

The Jewish Wailing Wall is on

IN THE ARAB ZONE—The Church of All Nations in the foreground, the Garden of Gethsemane at left and the Greek Orthodox Church of Gethsemane in the left background.

the Arab side, along with beautiful Moslem shrines such as the Dome of the Rock and the Aqsa Mosque. Further inside Jordan are the well-preserved Roman city of Gerash and the fabulous Nabatean city of Petra, a complete classical city carved out of the solid rock of mountains in southern Palestine.

A second misconception hurting the Arab tourist industry is the belief that no good accommodations are available in Arab Jerusalem. It is true that the city has no deluxe hotels. But Arab Jerusalem has an increasing number of small first-class hotels furnishing excellent accommodations at modest rates.

In 1949, Arab Jerusalem had only 68 beds in first-class hotels. Today there are 276 beds in first-class hotels. In addition there are hundreds of beds in smaller pensions, hostels, and religious institutions.

Arab Jerusalem has daily plane connections with Cairo and Beirut. Jerusalem also can be reached cheaply by car from Beirut via Damascus and Amman.

Better roads have been completed from Jerusalem to the Mount of Olives and to Bethlehem, greatly shortening the trip to those sites. A new road has been built from Amman to Gerash. Cheap taxis can take the tourist anywhere he wants to go in Jordan.

Visas Are Available
Visas are not hard to get. Ordinarily, this can be taken care of by travel agents in quick time. Jordan maintains consulates at Washington, London, Paris, Rome, Madrid, Cairo, Beirut, and other points. Official instructions have gone out to simplify granting of tourist visas.

As these misconceptions are overcome, business men in Arab Jerusalem believe their city again will show signs of life and relative prosperity.

Helping the tourist industry alone is a new government Bureau of Tourism set up with the aid of \$350,000 given by Point Four.

SNOW-COVERED CACTUS
M. J. Traffas of Amarillo, Texas, looks at the white blanket of snow

covering his cactus plants after at most 10 inches of snow fell in November. Air and bus travel was

disrupted and some closed temporarily.

Pep Paragraphs

PEP BASKETBALL SCHEDULE ANNOUNCED

VISIT IN MAREK HOME

Mr. and Mrs. J. R. Silhan, Mr. and Mrs. Frankie Silhan, Felix Silhan and Johnny Silhan ate a Thanksgiving dinner with Mr. and Mrs. Emil Marek and children.

GUESTS IN VILES HOME

Thanksgiving Day guests of F. A. Viles were Mr. and Mrs. F. C. Elmore and sons Freddie and Kenzie, Mr. and Mrs. Edison May and sons Douglas and Stevie.

VISIT IN HOGUE HOME

Mr. and Mrs. Sites from Oklahoma, were Thanksgiving guests of L. V. Hogue.

VISIT DIERSINGS

Mr. and Mrs. Marvin of Denver, Colorado, were guests of Mr. and Mrs. Ed Diersing.

GUESTS IN DECKER HOME

Mr. and Mrs. Joe Veitenhermer of Windthorst were guests of J. A. Decker, November 25.

VISIT IN DECK HOME

Guest of Mr. and Mrs. Deck were Mrs. Pasty Odom and son Bobby from Stanton, Mr. and Mrs. Dell Kelly and son from Hereford, and Mr. and Mrs. Billy Minnis from Stanton.

OBSERVE ANNIVERSARY

Mr. and Mrs. J. R. Silhan cele-

brated there 42 wedding anniversary, November 30th.

GO TO WINDTHORST

Mr. and Mrs. Leon Ye left Friday, November 8, for Windthorst, Texas where they will be visiting their home.

MOVING TO MISSOURI

Mr. and Mrs. E. J. boys, Donald and Jimmy, are moving to Missouri, December 1st.

FAREWELL PARTY

A going away party for Mr. and Mrs. Margaret Homer and daughter, E. J. Meyer's daughter, was given at the home of E. J. Meyer's daughter, E. J. Meyer's daughter, E. J. Meyer's daughter.

RETURNS FROM ITALY

PFC Johnny W. Sullivan returned home from Italy, November 21st.

CARD OF THANKS

May we take this opportunity to thank all of the friends who were kind to us during our recent absence—at the time of our dear wife's passing. We especially wish to thank many neighbors and friends who brought food, for our loss and to those who sent flowers. The comforting message by Rev. Lee Hemphill was read at the last rites, and the song by Mrs. W. A. Scott will never be forgotten. We deeply appreciate the prayers and sympathy. May God bless each of you. W. A. Scott

West Texas District C. of C. Meeting at Lubbock, December 16

A meeting of District 2 of the West Texas Chamber of Commerce will be held at Lubbock, Tuesday, December 16.

The session will open at 7:00 P. M. at the Lubbock Chamber of Commerce offices.

A discussion will take place of the objectives of this organization which have been adopted by the board of directors for work and accomplishment in the ensuing year.

The work of the West Texas Chamber of Commerce is being carried on to the economic benefit of the area.

There will be scheduled for the meeting the election of a vice-president, who will be the executive board.

All members of the West Texas Chamber of Commerce are urged to attend and participate in the meeting.
