

## Weather Warms Up After Chilly Weekend

Mercury rose to 59 here today at noon, bringing warm weather after the low temperatures in years gripped all over the weekend. The weatherman predicted temperatures today, chilly for continued high temperatures. No moisture was in however.

A fire started when he supplied the heat and Littlefield volunteers were called out to douse the blaze. With the mercury only a few degrees above zero, the firemen worked fast to put it out before serious damage was done. Sudan went without water except for emergency for more than four hours Saturday. An 8-inch water main in the northeast part of the town burst, soon draining all available water in lines throughout the town, including the business district and residences.

A reserve supply was maintained in a reservoir for emergency. The break occurred about 3 p.m. Saturday in bitter cold weather. One swimming pool in town was full of water when the break occurred and some residents got water from it. Others went to wells in nearby rural areas.

Temperature Sunday was 65. The mercury continued to climb the rest of the week, with highs of 40 Monday and 65 Tuesday. After lows of 10 and 20 on Monday and Tuesday morning, the low Wednesday morning was 27.

Plumbers here as pipes burst. Many residents found their pipes frozen up the chilly weekend. The weather also made life difficult for some motorists, and their cars hard to start Sunday morning. J. J. ... who farms 1 1/2 miles from Littlefield, decided to do something about thawing out his pipes.

## DOG TAGS AVAILABLE NOW

Tag days are here again. Officials said this week dog tags for dogs are available at the police station. As usual, it costs more for a female than a male. Lady dogs are \$2, while men dogs are \$1. Requirements before a tag is that the dog current rabies vaccination for getting the tags. After that, the city clerk will start picking up without tags.

## Hard Takes Key Job; Ford Deputy Here

County Deputy Dan ... has resigned to take the deputy sheriff in Hockley at Anton. ... who served as deputy about a year, took the job. ... as a replacement for Bill Ford, former Brownsville policeman. Ford, who is 62 and has a seven-year-old son, is also a former deputy in Hale and Castro counties.

## THE WEATHER

Today's forecast - Partly cloudy today, cooler. Temperatures - Sunday high 31, low 2; Monday high 40, low 10; Tuesday high 66, low 14; Wednesday noon high 59, low 32. Moisture content for 1959, none, for this time last year, 1.63 inches.

## Bank Deposits In County Rocket To All-Time High

### \$29.7 Million Total Tops Record Of 1954

By BILL TURNER

"Mirror, mirror on the wall, who's the fairest of them all?"

Like Snow White in the fairy tale, Lamb County has its prettiest picture—economics-wise—in history. At least that's what is reflected in deposits in the six Lamb County banks, as of Dec. 31, 1958, when the U. S. Comptroller of Currency made his quarterly call for reports of business.

Total deposits in the six county banks rose to \$29,771,410.52—an all-time high—as of Dec. 31.

It was an increase of 23.6 per cent over deposits of a year ago. That percentage of increase may be tops in the state.

An Associated Press report earlier this week showed Lubbock led the state's cities with an increase of 18.4 per cent over last year's figures.

So Lubbock, considered the "queen" of the South Plains, may have a rival—economically speaking—like Snow White.

The mirror showed Lamb County's banks gained a total of \$5,676,779 over figures of a year ago. That amounts to a 23.6 per cent hike.

The figure of \$29,771,410 on deposits at the end of 1958 nosed out a total of \$28,729,732 at the end of 1954 for the all-time record in Lamb County.

Total deposits in the six banks were \$24,094,631 at the end of 1957 and \$27,039,069 at the end of 1956.

In backing up the record figure for deposits, all six county banks showed big increases over 1957.

The First National Bank of Littlefield reported its loans were down almost 20 per cent from a year ago, while banks at Amherst, Sudan and Earth reported decreases in loans as much as 50 per cent. An Olton State Bank official said the Olton bank's loans were down about 75 per cent. The Security State Bank of Littlefield reported its loans were slightly up over a year ago.

All six banks reported a rush on deposits right after the first of the year. These deposits, which in some cases were as much as a million dollars, were not reflected in the \$29,771,410 total.

The deposits showed Lamb County—far from suffering a "recession"—is enjoying the greatest prosperity in its history.

The Security State Bank of Littlefield showed total deposits of \$7,080,729—a boost of almost \$800,000 over last year.

The First National of Littlefield recorded deposits totaling \$7,074,771, an increase of about one million dollars over last year.

Deposits in other county banks (with 1957 figures in parentheses) were: First National Bank of Sudan, \$2,571,079 (\$2,053,768); Olton State Bank, \$5,811,515 (\$4,382,471); First National Bank of Amherst, \$4,596,076 (\$3,443,199); Citizens State Bank of Earth, \$2,637,254 (\$1,937,960).

The Littlefield Federal Savings and Loan reported total assets of \$2,901,496.14—an increase of almost a half-million dollars over 1957.

## WHAT CHARLIE SAYS... GOES

"Charlie Challenge," the Chamber of Commerce's protegee for 1959, will be appearing in the News and Leader throughout the year, pointing out pertinent reminders for citizens. Charlie replaces "Master Planner," who tickled the funny bone on some occasions and made some serious points at times in 1958. Charlie was dreamed up by C-C Manager Jack Lacy Jr., in connection with the C-C "Challenge of the Space Age" program for the new year. Charlie's first quote, which appears on this page, could be the secret to Littlefield's success in 1959.

## '58 Building Doubles '57 Production

Building permit totals announced by city officials this week indicated twice as much construction in the city in 1958 over 1957 figures.

The total for 1958 came to \$566,675, almost double the 1957 total of \$280,500.

Permits issued in December totaled \$53,900.

These permits were issued during the month:

- Frank Angeline, addition to home at 212 E. 13th, \$2,500.
- W. T. Jungman, dwelling at 301 E. 11th, \$9,000.
- H. G. Ferguson, dwelling at 100 E. 16th, \$9,500.
- D. Morgan, workshop at home on Irwin Street, \$400.
- Harold Clements, dwelling on West 9th Street, \$4,500.
- C. T. Walden, dwelling in Crescent Park, \$10,000.
- R. G. Hanvey, dwelling in Crescent Park, \$8,000.
- Willson-Crump Lumber Co., dwelling on 16th Street, \$10,000.

## City Pays Off \$25,000 In 1947 Street Bonds

City commissioners said Tuesday they have paid off \$25,000 in street improvement bonds, saving about \$4,000 in interest in the process.

The bonds were in the city's Sinking Fund No. 4. The street improvement warrants were issued in 1947.

In another announcement, the commission said it would hold a regular meeting Thursday night at 7:30 p.m. Only routine action is on the agenda.

## Charlie Challenge:

Littlefield's projects succeed or fail for two reasons . . . you and I.

CONSTRUCTION IS UNDER WAY on a new privately operated public swimming pool here, located in Crescent Park just west of Crescent Park Motel. The pool, being built by Buck Oldham and Ace Bridwell, owners of the motel, is scheduled to be completed in time for the summer swimming season. The owners announced earlier this year that the pool would be about 60 by 150 feet, complete with filter system, heating unit, modern shower and dressing rooms and a concession stand. (STAFF PHOTO)

## If Approved Charter Affects Next City Vote

This is the first in a series of articles discussing the 13 sections of the proposed city charter, which will be voted on Friday, Feb. 20.

poses the council-manager form of government. Recognizing the growth of the city and its increasing demands made upon the city administration, the charter provides for a city council, composed of the mayor and four councilmen, who shall appoint a city manager as chief administrative and executive officer. The (Continued on Page 8)

Voters will decide in the next six weeks whether they want a new city charter and home rule government.

The charter election has been set for Feb. 20, giving citizens time to study the proposal in detail.

Copies of the charter will be mailed to voters 30 days before the election. The proposal also will be printed in the News and Leader.

If the charter is approved, the city administration would be valid. It is not more than five days after the election.

That would give candidates time to file for positions on the April 7 city election ballot. March 7 is the filing deadline.

The charter provides for the council-manager form of government.

If it is approved, these positions would be open in the April 7 election:

Mayor, two-year term; two councilmen, four-year terms; two councilmen, two-year terms.

Which of the first councilmen would get four-year terms and which would get two-year terms would be determined by the elected council.

After the first election, a mayor and two councilmen would be elected every two years—the mayor for a two-year term and the councilmen for four-year terms. This method would provide for staggered terms, keeping two councilmen in office during each election, when a mayor and two other councilmen are being voted upon.

In a letter of transmittal to the city commission, the charter commission wrote:

"This home rule charter pro-

## Car Repair Firms To Close Early On Saturdays

Twelve independent garages and auto service parts firms and six franchised automobile dealers announced this week they will close their shops each Saturday at 1 p.m.

The firms said public demand for auto repair service had increased in the early part of the week and decreased on Saturday afternoon to such an extent that they feel the change will better balance their employees' work week.

Garagemen and auto service parts firms closing at 1 p.m. on Saturdays are Grady Bassett Motors, Bolton Bear and Brake, Duncan's Auto Service, Robertson Body Shop, Littlefield Battery and Electric, Ted Evans Auto Service, Allen Purdy Motor Machine Shop, Littlefield Motor Parts, G&C Auto Supply, Todd and Cox Automotive, Massengale Radiator Shop and Fulton Radiator Shop.

The six automobile dealers will close their service departments only. Sales departments will remain open.

The dealers are Jones Motor Company, Hall Motor Company, Batson Motor Company, Ray Keeling Buick, Garland Motor Company and Arnes Chevrolet.

## C-C Outlines 1959 Plans, Open Banquet Ticket Sales

Chamber of Commerce directors and committee chairman got together for the first time in 1959 Tuesday night and out of the meeting came this word from President Howard Horne:

Start to work. Committee heads went over their projects for the year and the start of ticket sales for the annual C-C banquet was authorized.

The orientation program and planning of the banquet topped the agenda in a special board meeting designed to kick-off the Chamber's program for the year. C-C Manager Jack Lacy Jr. outlined the year's program, emphasizing the important steps which will help each committee chairman do an efficient job in his particular phase of the C-C work.

General theme for the C-C's year is "Community Unity, The Challenge of the Space Age." Directors began selling tickets

to the annual banquet Wednesday. The guests also are on sale at the C-C office.

The event is scheduled Thursday, Jan. 22, at 7 p.m. in the high school cafeteria.

Mrs. Joe Coffee of Amarillo will be the speaker. Plans call for a space age theme at the banquet.

In other action, the C-C also:

- 1. Announced that a drive to enlist farm support for the Chamber will be started in late January. The drive will be headed by Jack Christian, membership and finance chairman.
- 2. Discussed the forthcoming city charter vote and said it would campaign for a large voter turnout for the election.
- 3. Set up a planning meeting for Soil Fertility Day. The session is scheduled at noon Thursday at Mae's Downtown Cafe. County Agent Bill Kimbrough will be in charge at the meeting and the session will be sponsored by the Burlington Railway.
- 4. Inspected landscaping plans for the park in Crescent Park. This program should be ready to begin in early spring, said President Horne.

The cartoons are designed to show, usually in a humorous way, the advantages and importance of buying in Littlefield.

The first in the series can be found on page 1, section two.

## NEW CARTOON SERIES STARTS

A new series of cartoons on cartoons on local business firms starts in today's Leader.

The cartoons are designed to show, usually in a humorous way, the advantages and importance of buying in Littlefield.

The first in the series can be found on page 1, section two.

## Overtime Win, 65-64

## Goal-Tending Call Tops Denver City For Cats

A goal-tending call against Denver City in a sudden-death overtime period gave the Littlefield Wildcats a basket and a 65-64 upset victory over the strong Mustangs here Tuesday night.

The call, made by officials Bill Boston and Edsel Buchanan, both of Lubbock, allowed two points for a shot by the Wildcats' Bill Jeffries after the two teams battled a minute and 10 seconds in the sudden-death period.

Both Boston and Buchanan ruled that Denver City's Victor Coats stuck his hand through the net while Jeffries' shot was on its way to the bucket. The shot hit the rim and bounced away.

Jeffries' winning "basket" came after Denver City muffed a chance to win the ball game.

The two teams were tied 63-63 after the first overtime period and Denver City got the first break in the sudden-death playoff.

The Mustangs, needing two points to win, sent John Hol-

combe to the free throw line for two shots. Holcombe made the first one, but his second was off the rim, and Littlefield stayed in the ball game.

The Wildcats came back down court after getting a rebound and Littlefield's James Pressley fired once and missed. The Cats rebounded again, fed to Jeffries, and then got the goal-tending call.

James Goldston, Littlefield's leading scorer, paved the way for the sudden death period. Goldston, who scored 25 to take scoring honors, hit a bucket with 30 seconds left to make it 63-63 at the end of the first overtime.

Hilton Hemphill sank a pair of free throws with a minute left in regulation play to send (Continued on Page 8)

## PLAY MORTON NEXT

Littlefield's Wildcats take on Morton here Friday night, with the b-game to start at 6:30 p.m. and the varsity clash to follow.

JAMES PRESSLEY'S crip rolled in and out.

ALL WADE drops third quarter two-pointer.

# Lately In Littlefield

By Bernita Ratliff — Phone 709-R

Mr. and Mrs. Carl Burton and their three daughters, Carolyn, Marilyn and Kay visited Mr. and Mrs. L. W. Barron and Mrs. J. L. Shoemaker in O'Donnell during the holidays.

Mr. and Mrs. F. H. Barker and family recently visited with Mr. and Mrs. Don Tindal of Spade. Mrs. Tindal is the daughter of Mr. and Mrs. Barker.

Mr. and Mrs. A. L. Baldwin recently received word that their son Corp. James Baldwin of Washington, D.C. had married a girl from there.

Visiting in the First Baptist Church Sunday were Jan Hollan of Amherst, Mrs. Mae Vandever of Seminole, Okla., and Gracie Russell, who plays the organ for the College Avenue Baptist Church in Lubbock.

Eob Chesley of Arkansas Pass visited Larry Cox in Littlefield last weekend.

Mr. and Mrs. Buck Ross, Mr. and Mrs. Ben Ross and son Randy, and Mr. and Mrs. Bill Ross, Kent and Terry visited in Hale Center Sunday with Mr. and Mrs. Allen Dickson and Mr. and Mrs. Bill Murry.

Mrs. Bob Mills of Otton was in Littlefield Monday visiting her parents, Mr. and Mrs. C. C. Solesbee.

Mrs. W. K. Bagwell and Earl Bagwell of Dumas recently visited with Mr. and Mrs. Tom Rice, Donna, Ricky and Tommy.

Mr. and Mrs. Clyde Spann Jr. of Plainview spent Sunday with Mrs. Spann's parents, Mr. and Mrs. E. L. McCain.

Miss Georgene Albus spent New Year's Day in Slaton with Mr. and Mrs. Eugene Sokora.

During the holidays, Mrs. Mable Alexander was visited by her nephew and family, Mr. and Mrs. Leonard Belew and son, Mike, of Dallas, Mr. and Mrs. Jack Purdy and daughter, Debby, Mr. and Mrs. Bob Inman, all Littlefield.

Mr. and Mrs. Donnie Allen and sons, Darris and Timothy, of Ackerly, N.M. are visiting with Mrs. H. J. Allen.

Mrs. Joe Alfred returned home Sunday from Fort Worth where she has been visiting Mr. and Mrs. Dennis Alfred and three children, Lila Mae, Robert and William, since Dec. 26.

Mr. and Mrs. Alvis Tubbs visited in Plainview with Mr. and Mrs. Jack James and family last weekend.

Mr. and Mrs. E. J. Brandt had their children home for the holidays. They were Bill Brandt from Texas Tech and Mr. and Mrs. Hubert Teichert and daughter, Lisa of Wilson. Mrs. Teichert is the daughter of Mr. and Mrs. E. J. Brandt.

Willis Giddens, son of Mr. and Mrs. J. W. Giddens, was home during the holidays from Shamrock where he teaches school.

Mr. and Mrs. R. C. Blevins had their daughter, Oleta Faye Blevins, home during the holidays from Lubbock Christian College.

Mr. and Mrs. W. H. Blackwell were recently visited by Mr. and Mrs. Sam Blackwell of Muleshoe, Mr. and Mrs. Bernard Gaston of Columbus, Ohio and Mr. and Mrs. Ira Mescher of Swan, Iowa.

Mr. and Mrs. B. D. Birkebaeh and family were visited last week end by Mrs. Martin Lueck and Charlene of Hamilton, Mr. and Mrs. Hugh Coston of Temple and Miss Janet Lueck of West Texas State College.

Mr. and Mrs. E. C. Stabeno of Bartlett and Mr. and Mrs. Coy Rogers and family of Wilcox, Ariz., recently visited with Mr. and Mrs. S. C. Beyer.

Mr. and Mrs. Bill Chesher have recently returned from Dallas where they visited their daughter and family, Mr. and Mrs. Jim Kinzer and son, Mark. Mark returned to Littlefield with his grandparents to stay for awhile.

Mr. and Mrs. L. F. Bell had all of their children home during the holidays. They are Mr. and Mrs. Foy Bell and three children, Rhonda, Randy and Rex, of Grand Saline, Mr. and Mrs. Bob Bell and two children, Debbie and Mike of Emice, N.M., Mr. and Mrs. Edward Bell of Earth, Mr. and Mrs. Jimmy Reese and daughter, Donna, and Carolyn Bell of the home, Reese is stationed at Fort Hill, Okla.

During the holidays Mr. and Mrs. D. W. Bawcom visited Mr. and Mrs. W. L. Waggoner, parents of Mr. Bawcom, at Blackwell and Mr. and Mrs. Charles R. Moore, parents of Mrs. Bawcom, at Wheeler, Okla. Also accompanying them to Oklahoma were Mr. and Mrs. Lawrence Nickles.

Mr. and Mrs. D. W. Bawcom and their son, David, spent last week in Gaymas, Old Mexico, fishing.

Mr. and Mrs. James Robertson and family of Muleshoe and Mr. and Mrs. M. D. DeLano of El Paso visited with Mr. and Mrs. H. C. Robertson, New Years.

Mr. and Mrs. A. C. Daniel of Sudan visited in the home of Mr. and Mrs. Buck Ross Monday night.

## Jackson-Berry Marry On First Day Of New Year

On the first day of the New Year, Miss Barbara Jackson of Littlefield became the bride of Pvt. Robert Allan Berry of Muleshoe. The double-ring ceremony was held at 2 p.m. in the sanctuary of the First Baptist Church of Muleshoe with the Rev. J. E. Moore officiating. Mrs. Lester Hanks of Denver City, sister of the bride, was matron of honor and Tony Harper, cousin of the groom, served as best man. Miss Judy Murrah played traditional wedding music. The bride was attired in a street length white lace dress

with matching white accessories. She carried a white B-bble, borrowed from her niece, Miss Laura Beth Hays. A reception was held immediately following the ceremony in the T. W. Berry home of Muleshoe. The bride is the daughter of Mrs. Bessie Jackson of Littlefield and the groom is the son of Mr. and Mrs. T. W. Berry of Muleshoe. After returning from a short honeymoon trip the couple will leave Jan. 6 for Milwaukee, Wis., where the groom is stationed, to make their home.

## Dinner Held For Chester-McDaniel Wedding Party

AMHERST—A rehearsal dinner for members of the Chester-McDaniel wedding party and other guests was held in the dining room of the Baptist Church at 7 p.m. Friday evening. The dinner of baked turkey and ham, assorted salads, scalloped potatoes, baked beans, garlic bread, cake squares and coffee was served buffet style. Guests were seated at two long candle-lighted tables, decorated in red and white, the bride's chosen colors. Guests from Fieldton, Lubbock, Littlefield and Amherst were present.

## Cowen-Hampton To Marry Feb. 14 In First Baptist

Mr. and Mrs. Albert M. Cowen of Route 1, Amherst, announce the engagement and approaching marriage of their daughter, Peachy, to David Hampton, son of Mr. and Mrs. W. O. Hampton of Littlefield. The wedding will be solemnized in the First Baptist Church in Littlefield on Feb. 14 at 7 p.m. Friends are invited.

## Birthday Skating Party Held For Gary Bishop

A birthday skating party was held Friday for Gary Bishop of Anton at the Littlefield Sports Arena in Littlefield. Those attending were Karen Bryce, Roxanna Thurman, Vicki Jones, Karen Lyda, Kleus Keifer, Larry Crews, Donnie Richards, Danny McLarty, Jo Lynn Adkins, Nicke Biffie, Jo Ellr Roe and Deana Adkins. Cakes and cup cakes were served to the group by Mrs. Bishop, Mrs. Thurman and Mrs. Adkins.

Bovd and Lois St. Claire of Littlefield.

Mr. and Mrs. Hal Wilson of Fort Worth visited his parents, Mr. and Mrs. A. F. Wilson during the holidays.

Eme and Mrs. Martin Deery of Norfolk, Va., are the parents of a baby daughter born Dec. 22. Rose Marie was the name given to the infant. Mr. and Mrs. Ed Deery are the grandparents.

Mr. and Mrs. Charles Smith have recently moved to Littlefield and are making their home at 810 West 2nd St. Smith is employed with Telfer Pipe Co. The are members of the Littlefield Church of Christ.

A split-second microwave service has been installed by Canadian National Railways. It transmits two TV channels and dozens of telegraph circuits on a single beam.

SERGE MATTA: Designer inspects new normal silhouette.

## Paris Revives Normal Waist

By NADEANE WALKER  
PARIS (AP)—Hemlines and waistlines are coming down for spring 1939. Paris dressmakers are about to rediscover the female form, "as God made it," after seasons of fashionable distortions and exaggerations. This is my impression after talking to some of the high fashion designers, who are already working on their top-secret spring collections, to be unveiled from a radical one, but it will cover the hemline drop is unlikely to Jan. 26. the kneecap with a few inches to spare. As for the waistline, it will be back to normal, or nearly so. The high-waisted Empire line was literally run into the ground with the last fall season, when it blanketed not only Paris collections, but those of New York, Rome and London as well. As Mme. Jeanne Carven, one

of the few well-known women designers, puts it, "Skirts can't go any higher without becoming indecent, and waistlines can't climb further without strangling the neck. Besides there is always a change after the extremes have been reached." With the smiling plea, "let's leave a surprise for January," she readily admits, "I personally am a partisan of the natural female form." Like an echo, one of this fashion capital's newest designers—and its only South American—Serge Matta, says, "I find most women like their body as God created it." Chielan Matta, who opened his house only last season, boldly admits, "I don't like the very short skirt as well as I did, and the Empire line is finished. I has already arrived in the streets

## Henderson-McAllister Exchange Wedding Vows

OTTON — Standing before an arch of ivy and holly, flanked by baskets of white gladioli, mums and fern, Miss Margie LaVonne Henderson and Billy Warren McAllister repeated wedding vows. Miss Henderson is the daughter of Mr. and Mrs. H. M. Henderson, Otton, and parents of the groom are Mr. and Mrs. C. H. McAllister of Muleshoe, formerly of Otton.

The double-ring ceremony was performed by the Rev. Russell McAnally in the Henderson home. The bride entered the room on the arm of her father. She wore a ballerina length dress of white lace and net. The dress bodice was of imported lace with a scalloped neckline. The skirt of nylon tulle was gathered at the hipline with spaghetti and pearls scattered on it. Her gloves were of net and came to points at the fingers. She wore a finger-tip veil of illusion attached to a crown of lace. Spanglies and pearls made scallops around the edging of the veil. Her bouquet was of white gardenias and tiny pink roses. The bouquet was carried atop a white B-bble. Tied in the bouquet was a gold piece belonging to the bride's great-great-grandmother. The bride's something new was her dress and for something blue she wore a garter. She wore a penny in her shoe and the gold piece was something old. Her

head piece was borrowed from Mrs. Brown of Plainview. Mr. and Mrs. Landon S. Soren, attended the couple. The bride wore a pink dress. The dress featured a pink "V" in the back. She wore feathered hat and carried callered carnations. A reception was held immediately following the ceremony. The bride's table was with a white over pink cloth on it were streamers of gold and white. Margie and Billy sat on them. Pink frosted centered the table. The bride's cake was white trimmed pink. Mrs. Bobby Johnson, the cake and Miss Mary had led punch. Guests were entertained by Mrs. Bob Cooper. Mrs. McAllister wore a wool suit flaked by white black accessories for her outfit. She wore a white at the neck and a coral-colored Louquet.

After a trip to San Antonio couple are at home in where both the bride and are employed.

## Engagement Of Betty Lou Sides Announced

Mr. and Mrs. G. T. Sides announce the engagement of their daughter, Miss Betty Lou Sides, to Danny Smith, son of Mrs. A. A. Smith. Miss Sides and her fiancé are both seniors at West Texas College, Canyon. The wedding will be held in the First Methodist Church at Otton at 3 p.m. with Rev. Campbell officiating.

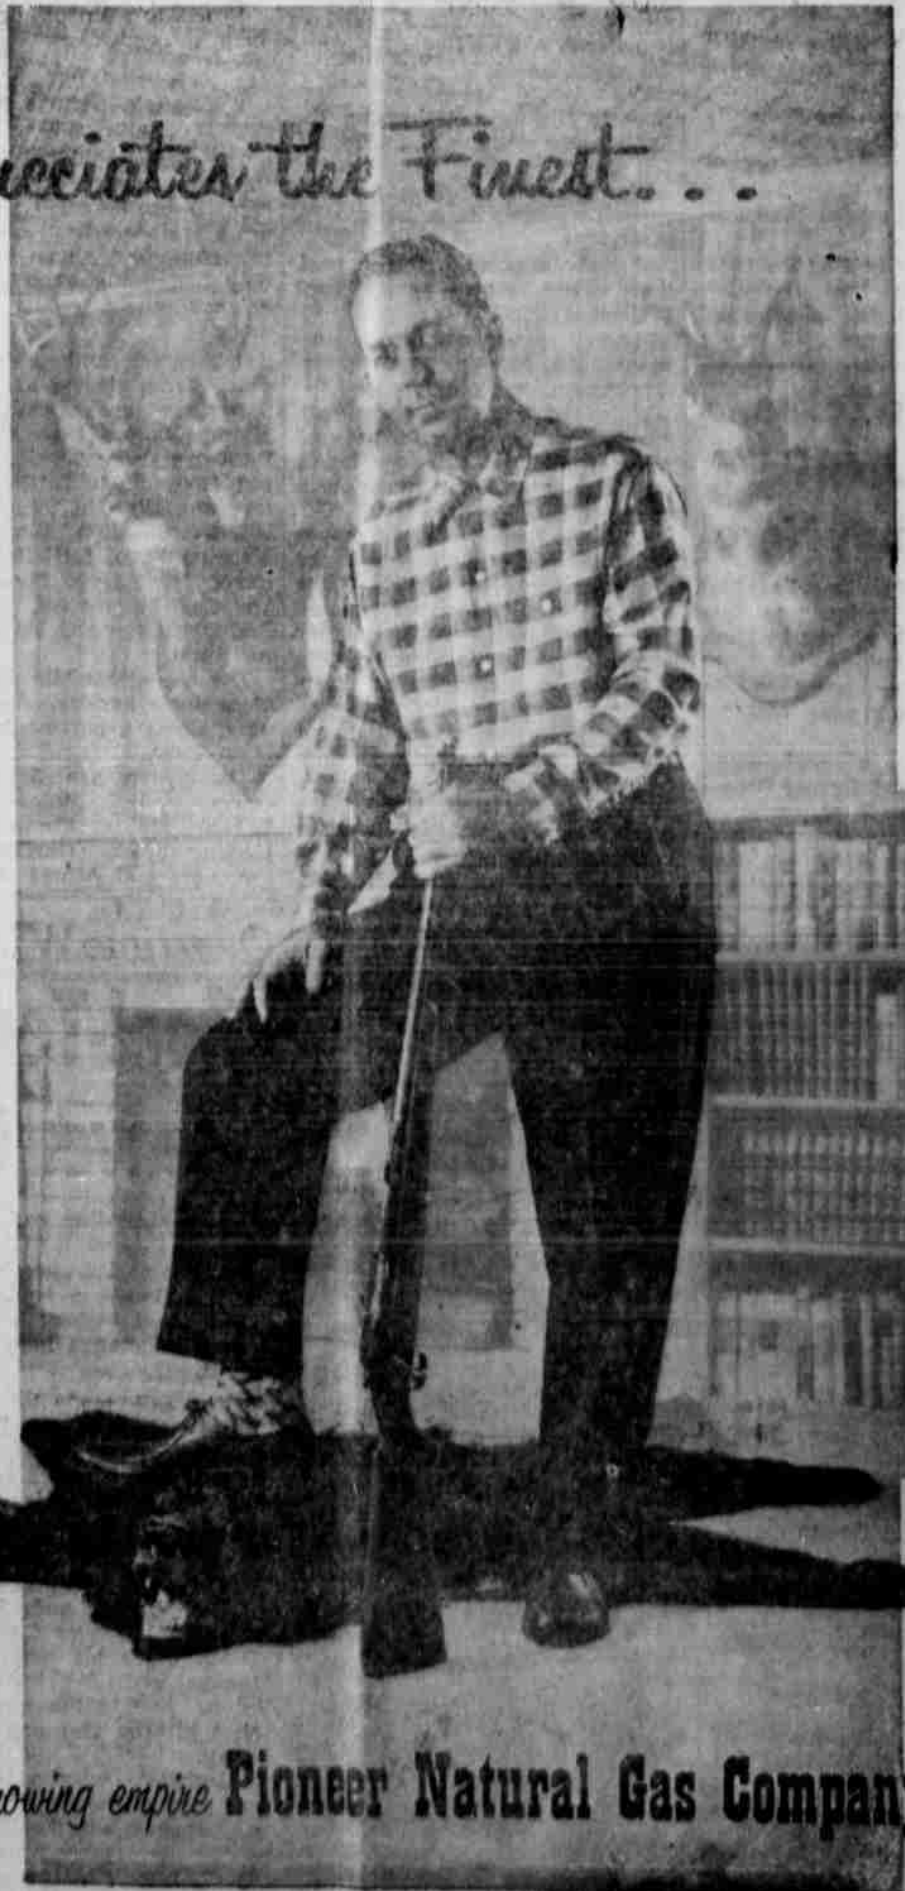

## Spade PTA To Meet Thursday In School

The Spade PTA will meet Thursday, Jan. 8, at 7:30 in the study hall of the school. Speaker for the evening is the Rev. Bill Wadley. Music will be furnished by the Senior class.

# The Man who Appreciates the Finest...

BUYS HIS WIFE GAS APPLIANCES!

Skill alone won't bag a Bighorn or cook a crepe suzette. It takes fine equipment, too! That's why the man who buys the best hunting rifle for himself, appreciates his wife's choice of a fully automatic, built-in GAS Range. More impressed with performance than fads, he agrees there's no point in paying more when you can buy the finest, for less. Only a GAS Range offers the advantages of closed-door, smokeless broiling... no warm-up wait... instant shut-off with no heat hang-over. What's more, GAS cooks with less heat fluctuation than any other fuel! Yes, in every way, (economy included) GAS gives you more. And where the finest is truly appreciated... Gas belongs.

# Water District Election Slated

Lamb County voters in the High Plains Underground Water Conservation District will elect two committeemen in the district's annual election Tuesday.

Candidates for committeeman-at-large in Lamb County are J. B. Davis and Robert Dysert, both of Rt. 1, Amherst.

Only candidate for precinct committeeman is Price Hamilton of Rt. 4, Muleshoe.

Voting places in Lamb County include the county courthouse at Littlefield, the city hall at Olton, the Springlake Elevator office, the city hall at Sudan and the Spade school.

# Jaycees To Take Boxing Hopeful to Plainview Meet

Littlefield Jaycees plan to take about 15 boxing aspirants to Plainview Friday night to look on at the second Kiwanis Fight Night here, President Elmo Jones reported Tuesday.

The event is set for 8 p.m. Friday at Plainview city auditorium. Jones said the Jaycees are looking into the possibility of having a Golden Gloves Fight Night here later.

About 15 high school-age boys met with the club recently and indicated their interest in such a meet.

Workouts are expected to start here this week. In charge of plans for local fights are Gene Robertson and Jimmy McCain.

The fight night at Plainview is the second of this season. The events are preliminary to the annual Plainview Golden Gloves Tournament, which will be held Jan. 20-23.

# Mrs. Vess Brock Wins Jaycee-ette Christmas Doll

Mrs. Vess Brock of Littlefield won the Jaycee-ette doll clothed in 25 one dollar bills that was given away Dec. 23 in front of Anthony's Department Store.

Proceeds from the doll went to help a needy family at Christmas time.

The Jaycee-ette officers for the coming year will be installed at a luncheon in Thornton's Cafeteria Jan. 14 beginning at 11 a.m.

# Mrs. Neal Hicks Honored With Bridal Shower

OLTON—A bridal shower honoring Mrs. Neal Hicks was given Thursday evening at 7:30 in the home of Mr. and Mrs. Lester Howard.

Mrs. Hicks is the former Margie Grey. Approximately 25 guests attended.

Hostesses for the shower were Mrs. Duane Walker, Mrs. Lester Howard and Mrs. Naomi Shaw.

Member firms of the New York Stock Exchange maintain 87 offices in 17 countries.

More than 60,000 people come and go each month on the four air lines that serve Las Vegas.

# State Jaycees Announce Outstanding Young Men

GRAND PRAIRIE — The Five Outstanding Young Texans for 1958 — a rancher, a farmer, a concert pianist, an insurance account executive, and a petroleum company executive — were announced today by Dr. Douglas Guthrie Jr., president of the Texas Junior Chamber of Commerce.

Cited for outstanding contributions to the general welfare of the community, state, and nation as well as for excellent achievement in their chosen profession or business are: Dolph Briscoe Jr., 35, Uvalde; Fred C. Chandler Jr., 32, Fort Stockton; Van Cliburn, 24, Kilgore; Bob Hollingsworth, 33, San Antonio; and Dan M. Krausse, 33, Big Spring. Hollingsworth and Cliburn are single.

Selections were made by a panel of judges composed of leading Texas business and professional men from numerous nominations submitted by organizations and individuals from throughout the state. Judges for this annual program sponsored by the Texas Jaycees were: Robert Calvert, Associate Justice, Supreme Court of Texas, Austin; H. E. Chiles, president The Western Company, Midland; Jack W. Gray, Judge 16th District Court, Denton; Don H. Morris, president of Abilene Christian College, Abilene; Wilson P. Southwell, president The Southwell Company, San Antonio; E. A. Stumpf, secretary of the National Standard Insurance Company, Houston; and D. O. Tomlin, president of Lone Star Boat Company, Grand Prairie. Gray was a recipient of this award in 1954.

The Five Outstanding Young Texans will be honored at a banquet in Denton on Jan. 10, 1959.

The Five Outstanding Young Texans Program sponsored annually for over nineteen years by the Texas Junior Chamber of Commerce is a featured event for the Texas Jaycees as well as the State of Texas. The award is restricted to men between the ages of 21-35. It is not necessary for a recipient to be a member of the Junior Chamber of Commerce. Presentation of the awards is always made in January, the month in which National Jaycee Week is observed. National Jaycee Week will be Jan. 18 through 24, 1959.

Briscoe is active in the management of numerous ranches in Southwest Texas that total in excess of 800,000 acres. He is also president of the Uvalde Wool and Mohair Company. A native of Uvalde, Briscoe graduated from the University of Texas and served in World War II. He has served four terms in the State Legislature. Realizing the need of restoring denuded land to produc-

ive land during the drought, he began developing methods and equipment for range seeding and brush control, which ultimately led to increasing beef productivity of the land from ten pounds per acre to fifty pounds per acre without additional feeding. This also stopped soil and water losses completely. He served as chairman of the Garner Day Activities held in Uvalde recently. Briscoe is a member of St. Phillips Episcopal Church and numerous business and civic associations.

Chandler, who began his farming career while living in a tent near Salt Flat, Texas, operates the Chandler Farm Company near Fort Stockton, one of the largest irrigated farming operations in the county. He directs the work of some one hundred employees and the farming of 14,000 acres, 3,400 of which produce high quality cotton with an approximate yield of 8,000 bales. In addition to his routine farming interests, he has conducted intensive experiments with fertilizers, crop rotation and mechanical cotton picking equipment. A member of the First Christian Church in Fort Stockton, Chandler is also a member of the Committee of Forty of the University Christian Church in Austin, a graduate of the University of Texas, and a Veteran of World War II.

Cliburn, while the youngest of the five, probably is better known around the world due to his accomplishments in Russia in April, 1958. Cliburn won first prize in the Soviet Union's International Tchaikovsky Piano Competition. Since 1947 when Cliburn won the Texas State Prize, he has been winning awards and honors at the key board. He has appeared with the Houston and Dallas Symphonies in Texas as well as with the orchestras of Cleveland, Pittsburgh, Denver and Buffalo. He has appeared at Carnegie Hall and with the New York Philharmonic. Cliburn is a member of the Baptist Church and the Kilgore Junior Chamber of Commerce. He holds a Doctor of Humanities Honorary Degree from Baylor University.

Hollingsworth is an account executive with the Texas Employers Insurance Association and Employers Casualty Company. In the last six years he has exceeded his quota by 250 per cent to become the top individual producer. In addition to his successful business career, Hollingsworth, a past president of the San Antonio Jaycees, is currently holding an office in nine business or civic organizations, including Alamo Area Council Boy Scouts of America and the Boys Club of San An-

tonio. He is a member of the First Presbyterian Church and will serve as co-chairman, representing the Protestant Faith in San Antonio, for the National Brotherhood Week in February.

Krausse is senior vice president of Cosden Petroleum Corporation, where he has led that Company in establishing a multi-million dollar styrene plant for the purpose of producing styrene by direct recovery of ethylbenzene from gasoline. This, a totally unproven process was termed impossible by refining and chemical experts. Since February 1957, this plant has competed successfully with fully depreciated facilities of ten times its capacity. This process is acclaimed as one of the refining industries most outstanding innovations in recent years. A past president of the Big Spring Rotary Club, Krausse is an active Boy Scout worker and in 1954 was selected as the Outstanding Young Man in Big Spring. He is a member of St. Mary's Episcopal Church.

Hjalmar Schacht, former Minister of Economics under Hitler, today receives a monthly pension of about \$700.

England's Queen Elizabeth I had 80 wigs in shades of auburn, orange and gold. That was when her own red hair began to thin.

# Funeral Services For W. W. Beall To Be Held Today

Funeral services for Walter W. Beall, 76, of Lockney, brother of Orin Beall of Littlefield, will be held at 2:30 p.m. today in the Carter Funeral Home Chapel at Floydada. The Rev. Charles Broadhurst, pastor of the First Baptist Church, will officiate.

Burial will be in Lockney Cemetery.

Beall was one of Floyd County's early settlers. He was born in Van Zandt County and moved to Floyd County in 1908. He married the former Miss Ruth Ann Kincaid Nov. 11, 1911, in Lockney. She died in 1956.

He farmed near the Erick community for several years.

In recent years he was sexton for the Lockney Cemetery and also was a windmill repairman.

Beall had been in ill health since 1945. He died Tuesday morning in a Wichita Falls hospital.

Survivors include a son, Fred W. Beall; a daughter, Mrs. Pauline Viall; two grandsons, all of Amarillo; three sisters, Mrs. Nora Underwood, Clovis; Mrs. Rufus Crosswhite, Bird City, Kans.; Mrs. Ollie Mitchell, Greeley, Colo.; and four brothers, Irin Beall, Idaho; Jim Beall, Lubbock; Orin Beall, Littlefield and Otho Beall, Oklahoma.

# Damages In Church Fire At Sudan About \$35,000

SUDAN—An unofficial estimate of fire damages to both the building and the contents of the First Baptist Church was released this week. Rev. Wayne Perry, pastor of the church, estimated damages would be in the vicinity of \$35,000.

Rev. Perry said this was about 65 per cent of the total property value consisting of \$53,700.00. The fire occurred in early December.

A church building committee has been appointed by the church to study plans and make recommendations to the church for a rebuilding program.

Named to the committee were Joe West, chairman, and members, Drew Watkins, Lee Roy Fisher, Richard West, and Homer Morris.

Three sub-committees, including finance, plans, and promotions and fact finding, have also been named. Chairmen of these committees are Drew Watkins, finance; vice chairman, Richard West; plans, Homer Morris; promotions and fact finding, Lee Roy Fisher. A number of officers

have been elected to serve on the various committees including Mrs. Nolan Parrish, secretary of finance; Mrs. Paul Chisholm, secretary of record of moneys; Mrs. Dorman Chester, assistant secretary; news letter secretary, Joy Beth Vinson; statistician, Sara Woods; Mrs. Dewey Haragan, secretary and reporter of the plans committee. Named co-chairman of costs were C. O. Gregory and Nolan Parrish; vice chairman of inventory, D. W. Wilkerson; vice chairman of style and structure, Mrs. Fred Meeks; reporter of plans committee, Mrs. R. E. DeLoach.

The building committee has held one meeting since its appointment, at which time the election of officers for the committee was held. The group will report to the church in the near future when further plans will be made as to the building program of the church, according to Rev. Perry.

Napoleon used 60 bottles of egg de cologne each month — even when he was on the battlefield.

Texans In Washington

Levelland Man Among Six Cadets In Experimental Pilot Training Plan

By TEX EASLEY Associated Press Special Service WASHINGTON (AP)—Six Texans are among flyers in an experimental pilot training project the Pentagon is watching with keen interest.

Under it, Air Force cadets and officers learn to fly from scratch in jet aircraft, bypassing the heretofore required stage of first sitting in a propeller-driven plane.

The Texans in the 20-man class, which is in training at Bainbridge Air Base in southwest Georgia near the Florida line, are: Ronald N. Brown, Levelland; William E. Dunlap, Lubbock; James S. Freeman, Austin; Leo E. Wotipka Jr., Baytown; 2nd. Lieut. Calvin B. Popp, West; and 1st. Lieut. Earl R. Smithheart, Houston.

The first four are Air Force enlisted men now rated as Cadets. Mostly men with two to three years college, they took ground indoctrination courses at Lackland Air Base, at San Antonio, and on Nov. 30 began studies at Bainbridge. If they go through 130 hours flying there, then finish a more advanced basic flying course elsewhere, they will get their wings and a lieutenant's bar.

The Bainbridge base is operated by Southern Airways under private contract with the Air Force. Instructors are civilians wearing uniforms like those of commercial airline pilots.

The experimental project, which may drastically alter present programs for turning out pilots, was outlined by officers of the Air Training Command headquarters at San Antonio, who flew a group of Washington correspondents to Bainbridge to see what's being done there.

The current class at Bainbridge was carefully divided into two groups, with neither rated superior to the other in any respect.

The group in which the Texans were placed are having 10 to 15 hours instruction in small, twin-engine T-37s.

The other group at the base is taking about the same amount of instruction in light propeller-driven planes and then are ready for their solo hop. There is no Texan in this "control" group which will serve as a standard to check the progress of the students in the experimental class.

"We hope to learn or prove many things from this test," explained Col. James S. Edney, director of the ATC's primary pilot training division.

He said the test, results of which won't be known for several months yet, will show the relative efficiency of the pilots turned out under each program and the comparative costs.

If the project proves a saver in man hours and money, and at the same time increases efficiency, the alike training will be put in effect at the other private-contract operated bases around the country.

These schools, which do all the initial pilot training of Air Force personnel, have a Washington headquarters organization, the Aeronautical Training Society.

38th Pastor-Layman Meet Set Jan. 26-27 At Wayland

PLAINVIEW — The 38th Panhandle Plains Pastor's and Layman's Conference, set for Jan. 26-27 at Wayland Baptist College, will have as guest speakers, Dr. C. Oscar Johnson, former president of the Baptist World Alliance, and Dr. Jack MacGorman, Southwestern Baptist Seminary professor.

To join with Wayland in celebrating its Golden Anniversary, this year's program committee, headed by Dr. Carl E. Bates, Amarillo, has invited five persons to prepare historical sketches of five men who helped establish Baptist work in West Texas and has arranged for one session to include the historical pageant to be produced by the college at Plainview High School auditorium.

Monday morning's service begins at 10 o'clock with Bill Sutter, Amarillo, directing the singing. President A. Hope Owen of Wayland brings the welcome address. Dr. MacGorman, associate professor of New Testament at Southwestern Baptist Seminary, begins the five Bible study periods at 10:35. Tom Parrish, Wayland's director of development, will give the first historical biography on Dr. J. H. Wayland, founder of the college, at 11:30 and Dr. Johnson, visiting professor of Bible at Berkeley Baptist Divinity School, Berkeley, Calif., will bring the first sermon at 11:35.

The afternoon session begins at 2 o'clock with Harold Davis, Levelland, in charge of the music. Dr. Cecil Goff, Dumas, speaks on "The Reach of God" and Dr. D. M. Wiggins, Lubbock, gives the historical sketch on Dr. J. E. Gates, first president of Wayland and former pastor of First Baptist Church, Plainview. Both Dr. Johnson and Dr. MacGorman will continue their Bible study and sermons at each of the sessions.

Monday evening the hundreds of Baptists in attendance will see the historical pageant depicting Wayland's 50 years history since its charter was granted in 1908. Tuesday morning at 10 Bob Callahan, leads in the song service. Dr. Roy McCune, Plainview, speaks on "Today's Problem in the First Century." Dr. G. W. McDonald, president emeritus of Wayland, gives the historical sketch on the Rev. G. I. Britain, pioneer pastor and missionary on the Plains.

For the 2 o'clock afternoon session, Gene Klitterman, Odessa, leads the song service. Rev. Jack Peavler, Lorenzo, speaks on "Unfeigned Faith." Floyd Stader, Amarillo, gives the third historical sketch on Dr. J. E. Nunn, pioneer Plains businessman and leading Baptist layman of the first quarter century. Nominating committee will report at this session before Dr. Johnson brings the sermon.

For the closing session at 7 o'clock Tuesday evening, Donnie J. Adams, Wayland musician, leads the song service. Rev. W. F. Vanderburg, Clarendon, speaks on "Why We Love Jesus." The concluding historical sketch about Dr. George W. McDonald, who served as teacher, dean and president of Wayland from 1918 to 1947, will be given by Dr. E. Douglas Carver, Pampa, a former student.

The Panhandle Plains Pastor's and Layman's Conference was founded in 1922 at Wayland Baptist College and through the ensuing 39 years has met on the college campus. Annually some 500 to 700 Baptists come from West Texas and New Mexico to hear outstanding Baptists preach and teach for two days. This is one of the oldest, continuous

NOTARIZES OATH OF OFFICE—At a Notary Public, Charles Richard Yarborough, 94, of Chandler has put his seal on a great many official documents. However, the one he notarized shown here held special significance. It was the State Oath of Office for his son, Ralph, who was re-elected to the United State Senate from Texas. The oath was administered in the room in which the senator was born in the Yarborough home in Chandler. The elder Yarborough, once a Justice of the Peace here and a former mayor counseled his son to "do a good job." (AP PHOTO)

Anton, Olton Drop Pair; Amherst Tourney Under Way

Anton and Olton lost a pair of games Tuesday night and the 24th Annual Amherst Basketball Tournament got under way to highlight area cage action.

Anton lost a squeaker to Morton, 37-66, although the Bulldogs got good scoring performances from Doug Coen and Charles Richards, both of whom scored 16 points. Paul Zuber had 16 for Morton.

The Anton girls also lost, 42-35. Betty Oliver of Anton had 25 points, Bernice Fincher led Morton with 20.

Olton's boys fell to Tulla, 64-46, and the Olton girls lost, 78-18. Jim Robbins and Arno Hall paced the Olton boys with 12 points each. Gayle McAnally had nine for the Olton girls.

At Amherst, six games kicked off the Buildgetourney Tuesday. After an open day Wednesday, first round games will continue Thursday.

Games scheduled today include Shallowater girls vs. Hart girls, 7:30 p.m., followed by a boys contest between the two schools. Second round games will be played Friday, with the finals set for Saturday.

Other teams entered include Whitehall, Amherst, Spanglers, Pettit, Sanger and Three V's.

Red Cross Offers Help To Former Philippine POW's

The American Red Cross has agreed to offer its services to Philippine nationals who were prisoners of war of Japan. Compensation is available to those eligible under Article 16 of the Treaty of Peace with Japan. They may register on forms which are available from the Lamb County Red Cross, field directors serving with the armed forces, or American Red Cross, Washington 6, D. C.

The registration in the United States is being carried out in accordance with the request from the International Committee of the Red Cross, Geneva, Switzerland, which has responsibility for distributing compensation under Article 16 of the Peace Treaty with Japan. A person who was a Philippine national serving with U.S. armed forces at time of capture is eligible to register for compensation. The next of kin may apply if the former prisoner is dead.

U. S. 385 Highway Meeting Slated

A quarterly meeting of the Texas division of the International Parks Assn. will be held at Andrews Feb. 5, a noon meeting. former Hockley County Judge Paul Williams announced Wednesday.

The meeting will discuss the possible future program following the designation of the north-south route as U. S. Highway 385.

Dewitt C. Greer, state engineer and Marshall Formby, chairman of the state highway commission, will be among the chief speakers. Greer is president of the national numbering board which gave the north-south route a number of 385.

Plans for the meeting provide for a special program honoring past presidents and past secretaries of the state association.

DESIGNATES DIMES DRIVE—Governor Price Daniel proclamation in Austin designating January "March of the Month" in Texas with the smiling approval of three-year-old victim Billy Woodland, of Austin. The governor urged people to support the cause that has helped thousands of patients and created Salk vaccine and is now working on a and other crippling diseases. (AP PHOTO)

Reese AFB Sets B-25 Open House

A B-25 commemoration and an open house at Reese Air Force Base the latter part of this month will mark the end of basic reciprocal pilot training and the institution of basic single jet training throughout the Air Training Command.

The commemoration will include the unveiling of a mounted B-25 at Reese's main gate on January 23. A bronze commemorative plaque has been presented by the Lubbock Chamber of Commerce and dignitaries from the city will be present for the ceremony.

The open house will be held from 8 a.m. until 2 p.m. on Saturday, Jan. 24. The public is invited to see a Wing parade and aircraft flyover, inspect aircraft on the flightline, see an F-100 put through its paces by Bob Hoover, fourth American Aviation Corporation test pilot, see Capt. Robert Clegg, Air Force test pilot, demonstrate the T-37, and watch the "Colorado Minute Men," an Air National Guard flying team that ranks with the Air Force "Thunderbirds" put on a precision flying demonstration.

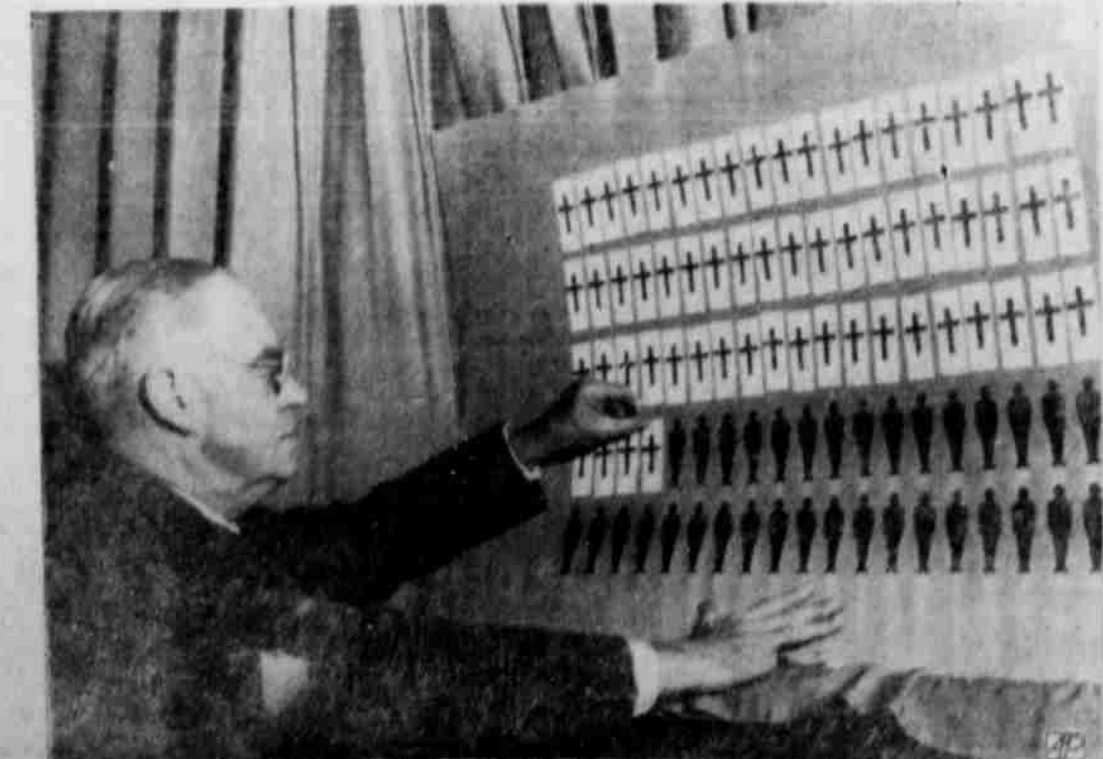

Reese is the last ATC base to train basic reciprocal engine pilots. With the graduation of Class 59-E, currently training in the B-25, the end of an era of reciprocal pilot training will have been reached. In the future, all Air Force student pilots will graduate jet qualified.

ACCUSED SLAYER QUESTIONED—Robert Branum, accused of murdering his wife, Mary, Dec. 27, looks at a shell held by Oklahoma Trooper Ed Vandergriff after near Paris. (AP PHOTO)

NEED HOUSE REPAIRED? SEE "MAMA"—"Mama" otherwise known as Mrs. Bils Davis Herrin is shown at work cutting rafters for her sons house at Kirbyville. "Mama" who is 71 has been carpentering for more than 50 years. (AP PHOTO)

24 SAVED—The Department of Public Safety forecast 95 highway deaths for the 9-day Christmas and New Year's Day period. DPS Director Homer Garrison, Jr., plants the last cross on victim 61 in Austin as the Operation Deathwatch chart shows 34 persons still alive who had been predicted to die. (AP PHOTO)

Stock Market Round-Up

Prepared by The Investment Research Department of Hemphill, Noyes & Co. Members of the New York Stock Exchange January 7, 1959

STOCKS IN COMPANIES MAKING AUTO PARTS

Good Statistical Values in a Recovering Industry Today it is particularly difficult to find stocks with good statistical values; that is, stocks whose prices are relatively low as compared to their earnings and which offer a return on capital of better than 5 1/2%.

We have found that stocks in the auto parts industry fall into this category. There are probably two reasons for this, first, because the auto industry may arrest their poor performance in 1958 and, second, because it is the feeling that many of the companies making auto parts will be the waylaid as the auto companies go further into making parts for their own component parts. The second view is a long range one, while the first one should be changed this year as the inventory of cars in dealers' hands and dealers' sales already indicate that 1959 will be a considerably better year for the auto industry than 1958. Consequently many of the companies making auto parts that had relatively poor showings in 1958 should in 1959 have their earnings back to the former levels of previous years. This is particularly true in view of the fact that these companies have done a great deal of cost cutting and consequently their profit margins are wider and they can make more money on fewer sales. Therefore the investor interested in a good return on his money and some capital appreciation over the next six to twelve months would do well to look at auto equipment stocks.

The auto equipment stocks can be broken down into three categories. The first category are those stocks of companies which are largely dependent on the auto industry. Many of these stocks are selling at very reasonable prices statistically and could be good media for capital gains over the next few months assuming a good recovery in the auto industry. Among these are Rockwell Standard and Raybestos-Manhattan which offer the best statistical

values; Dana Corp. and Eaton Manufacturing which have good mechanical ratings in this group; and Budd Co. and Hayes Industries as low-priced speculations in the auto recovery.

The second category consists of stocks of companies making auto accessories which have become well diversified in other fields. The most attractive of these are: Bendix Aviation, A. O. Smith and Thompson Radio-Woolbridge.

In the third category are so called "special situations" auto parts stocks. Kelsey Hayes may be included in this group because of its trend towards diversification into other fields. Borg-Warner, which has already diversified widely and is in fields that should benefit from the improvement in the economy, is another particularly attractive situation.

On the more speculative side are Arvin Industries, a company which has been very successful in entering the highly competitive consumer goods field and American Motals Products, which has developed a new fabric bearing for automobiles which requires no lubrication.

As the major automobile companies are continuing to integrate their operations, there is some question as to the long range future of the auto parts companies except those with wide diversification in other fields. Consequently many of these recommendations are made for a six months to a year holding basis rather than over the longer term. It seems likely that with the recovery in the auto industry which now is under way that earnings will improve substantially in all the companies mentioned.

Southwestern Public Service Company

HEALTHFUL RURAL LIVING WITH RADIANT GLASS HEAT

"Independent room control" is feature of electric heating system at H. H. Miller farm, Dawn, Texas. Radiant glass panels make attractive and safe installation and give exact degree of heating desired.

"NO COLDS"

"No chest colds or headaches," say the Millers installing their draft radiant electric heating system. The Miller home approximately 1200 square feet of living area, find that seven properly placed 1000 watt radiant glass panels can supply more than adequate for the personal winter comfort of the family.

OPERATING COST REASONABLE

Mr. Miller says, "I wouldn't consider heating our home in any other way. Our electric heating system offers many advantages for the family and the operating cost is reasonable."

## THIS WEEK

Washington

LINTON DAVIDSON  
 Congress convening in Washington has its own problems. Since the first Congress convened 180 years ago, the nation has faced more complex and difficult problems in its history than it has in any other world.

As a struggling nation in a hostile world when the Congress met, the threat to our freedom is no less serious today than it was almost two centuries ago.

The Free World is looking to the United States for leadership in making decisions on the strong hope of keeping the world free from the oppression of communism.

**The Verge of War**  
 As we close to total war, the choice is either the democracy or communist civilization of the Dark Ages. The terrible responsibility of this choice rests on the President as well as on the Congress.

Must we be willing to spend more than \$50 billion in foreign arms to keep democracy from the Free World? The enemies of democracy must know that we will spend everything we have if need be, to keep our country alive in the world.

**Calm Leaders**  
 It is fortunate in that we have able and experienced leadership in the Congressional Committee which will be directly involved with military and foreign affairs. They are men who place national welfare above partisan politics.

**Armed Services Committee**  
 The chairman of the Armed Services Committee is Russell of Georgia, a member of the House for more than 25 years. A Republican member, Everett Saltonstall of Massachusetts, a member of the House since 1944.

**Senate Foreign Relations Committee**  
 This committee is headed by the old man of Congress, Senator Francis Green of Rhode Island, who was first elected in 1904. He is 71 years old in the Senate, ranking minority member, and equally able House Foreign Affairs Committee chairman, James Thomas S. Gordon of Illinois, 7 years in Congress. The Republican member is Clifford D. Chappinfield, also of Illinois, a member since 1938.

**Jailed On**  
**Charges, For DWI**  
 Drivers were arrested on violation charges and jailed on a driving charge this afternoon.

**Way 51, 54**  
**Of Mishap**  
 Investigated a mishap intersection of Highways 51 and 54 here Saturday about 10:30 a.m. were cars driven by Albert Weich of Littlefield and Don Ench's. Officers said car struck the Cox car attempted to turn right at station. amounted to \$150 for car and \$140 to the Cox car. Neither driver injured.

**YEAR'S FIRST**—Linda Ann Weatherby, 18, of Hillsboro, became the new year's first beauty entry by turning in her Miss Universe entry blank at 12:01 a.m. Jan. 1, to Lake Whitney Association the Texas sponsor. Her mother, Mrs. H. A. Weatherby, Jr., is shown measuring Linda's waist, which is a trim 23½ inches. Miss Weatherby, a 5 foot, 7 inch blonde, is a freshman at Texas Tech. Texas' Miss Universe finals are scheduled June 16 at Lake Whitney. (AP PHOTO)

## Furr's, Piggly Included 'Checker Of Year' Event Starts Today Over U. S.

CHICAGO—Twenty million super market shoppers in the United States, Canada and Latin America will have an opportunity to vote for their candidate for the 1959 Checker of the Year, Henry J. Eavey, president of Super Market Institute and operator of one of the world's largest super markets in Ft. Wayne, Indiana, announced this week.

Checker of the Year campaigns will begin in more than 2,000 super markets today. About 25,000 checkers-cashiers have been enrolled in the international competition.

Stores will be specially decorated during this industry's unusual tribute to its front-line shock troops — the girls (and some young men) who ring up and bag hundreds of food orders daily and manage to keep smiling all the while.

Customers will mark their ballots and drop their votes into bit red-and-white ballot boxes until the closing day, which, appropriately enough, is Feb. 14, St. Valentine's Day.

Both Furr and Piggly Wiggly super markets in Littlefield will take part in the competition.

The Checker of the Year Awards, sponsored by Super Market Institute and the National Cash Register Company, is not a beauty contest, Eavey explained. While customer votes count in selection of the Checker of the Year, customer voting is only one phase. Proficiency and personality tests also are conducted by independent boards of judges.

There will be company winners state winners and then ten regional winners from nine regions of the United States and one inter-

national region. International entries include candidates from Cuba, Puerto Rico and New Foundland. The ten regional winners will be flown via United Air Lines to Atlantic City, where the final judging and selection of the 1959 Checker of the Year will take place on May 25, during the annual convention of Super Market Institute.

The winning checker's prizes will include a two-week tour of the Hawaiian Islands as a guest of the Dole-Hawaiian Pineapple Company, a chest of Allswest silverware donated by Swift and Company, a mink stole, and many merchandise prizes.

## Man Charged With Car Theft, Hurt In Wreck

Morton officers filed a charge of car theft against a Littlefield man this week after the man wrecked his own auto and wound up in the hospital.

In Littlefield Hospital was Grady Thomas, about 30. He was recovering from injuries suffered when his car overturned near Morton Sunday.

Officers here said Morton authorities planned to pick up Thomas as soon as he is released from the hospital.

Officers said Thomas' car overturned near Morton. Later, a Morton farmer's auto was taken and driven here. It was found by officers about a block from Thomas' home. Morton authorities then filed the car theft charge against the Littlefield man.

## Three Checkers At Piggly Wiggly Are In Contest

Lillie Hobbs, Vilas Doss and Faye Kuykendall, checkers of the Littlefield Piggly Wiggly store will have a chance for a free trip to Atlantic City this spring, perhaps another vacation to Hawaii or Florida, and to wear a mink stole this fall.

H. E. Humphries announced the super market firm had entered these Littlefield checkers in the Checker of the Year contest, an annual event sponsored by Super Market Institute and the National Cash Register Company.

Each year the institute conducts a search for the girl in each company who is most representative of the best checker in the super market industry.

Davis & Humphries will conduct their company promotion throughout the 18 Piggly Wiggly and D & H Super Markets during the month of January. Customers will be asked to vote for their favorite checker during that period. The company winner will receive cash awards.

The event is not a beauty contest. The checkers are judged on customer courtesy, efficiency, neatness and cash-register accuracy.

## SCHILLING ATTENDS MEET

Dr. Ralph Schilling, superintendent of Littlefield schools, left Wednesday to attend the mid-winter conference of school administrators at Austin. He will return Friday.

In Havana a daily newspaper recently was printed on paper made entirely from bagasse, a by-product of sugar cane.

Canada's air defense system is substituting missiles or jet plane interceptors, a vast saving in the budget.

## NEWS FROM OLTON

Mrs. John Gatewood of Earth was admitted to the Littlefield Hospital Tuesday for medical treatment.

Dorothea and Juanita Demel, daughters of Mr. and Mrs. Con-

## Cats Win -

(Continued from Page 1)

But Dan Nicewander, Denver City's top scorer, hit a bucket just before the clock ran out to make it 57-57 at the end of regulation play.

Nicewander scored 23, Holcombe 17 and Coats 14 for Denver City.

Although Goldston led Littlefield with 25 points, he had plenty of support from Hemphill, with 14, Bill Wade, with 12, and Jeffries, who sank 10 points. Pressley got four.

The win gave Coach Kenneth Chapp's Wildcats a 7-8 record for the season.

The Cats were down through almost three quarters. Denver City took an 18-14 lead at the end of the first period and made it 34-29 at the half.

Hemphill's bucket late in the third period put the Cats ahead at 39-37, but Denver City regained the lead.

Littlefield went ahead again in the fourth quarter when Goldston's shot made it 46-45.

Denver City came right back to take a 55-50 lead before Goldston hit five straight points to tie it up at 55-55.

The varsity's win came in the second overtime game of the night.

The Denver City B-team won its game, 46-40 in overtime. Jerry Koller hit 18, Max Ball 11 and Bobby Banks 9 to pace the Littlefield B-team.

## Charter Affects -

(Continued from Page 1)

city manager shall be responsible directly to the city council for the administration of its policies in all affairs of the city.

"We commend this charter to the citizens of Littlefield and recommend its adoption. It is our belief that it will permit our city government to operate more effectively and satisfactorily to the best interest of all citizens."

The first section of the charter deals with "The City," it boundaries, form of government and general powers. It will be discussed in the next article of this series.

Mad Demel were admitted to the Littlefield Hospital Tuesday for medical treatment.

Mrs. Lee Holtkamo was admitted to the Littlefield Hospital Tuesday for medical treatment.

Fred Martinez was admitted to the Littlefield Hospital Tuesday for medical treatment.

Mr. and Mrs. Robert Davis are the parents of a 6-pound 12-ounce boy born Tuesday in the Littlefield Hospital. Jimmy Lloyd was the name given the infant.

Mr. and Mrs. Billy Jack Prentice are the parents of a 5-pound, 13-ounce girl born Sunday in the Littlefield Hospital. Brenda Faye was the name given the infant.

Mr. and Mrs. Ray Arden Boyce are the parents of a 8-pound, 10-ounce boy born Sunday in the Littlefield Hospital. Ricky Lane was the name given the infant.

## Newspaper Starts Cartoon Series in Business Here

The News & Leader is beginning a series of editorial and cartoon series that pertain and reflect to the various businesses that are in Littlefield. They show, usually in a humorous way, the advantages and the importance of doing business in Littlefield with local merchants.

Your money means more to you when you spend it here in Littlefield. Let's you and I reflect on this for a moment.

Local merchants and their employees are usually your neighbors, your friends. They stand behind their counters, on their display room floors, always ready to serve you in a courteous manner though the hours are long. They are always ready and anxious to stand behind the counter and the merchandise that is sold. That is why great care is taken in the way they do their buying for your buying pleasure.

Prices are usually the same if not lower, especially in the off-peak days when competition is so keen. The service is certainly better, the delivery is much quicker, and its far less expensive all around. Remember, the more you buy from our local merchants, the better they can serve you.

Another reason and probably the most important reason you should buy in Littlefield is—money spent with local merchants helps meet local payrolls, helps pay local taxes, supports local charities, helps support local school, helps support fire dept., police dept., improves sanitary services and what have you.

Your money works its way directly into the lifeblood of the community and works directly or indirectly for the good of the people who live in the community.

This series of cartoons is sponsored by the Littlefield Chamber of Commerce for 1959.

## Dun & Bradstreet List 485 Businesses In Lamb County

Each January business concerns in all parts of the United States receive from Dun & Bradstreet requests for their annual financial statements. This year the number of requests going out nationwide will approximate three million, with over 475 going to Lamb County businessmen.

The Lamb County section of the current issue of the Dun & Bradstreet Reference Book contains listings of 485 local names comprising manufacturers, wholesalers, and retailers. It does not include some of the service and

"professional" businesses, such as barbers and beauty shops, real estate and stock broker. Thus the figure for business in Lamb County would actually be higher than the 485 quoted above.

Better than 95 per cent of all commercial transactions in the United States are made on credit terms and the buyer and the seller are brought together by means of credit information.

When the owner of a business or his accountant returns his financial statement to Dun & Bradstreet, the owner has taken

the first step in establishing his responsibility as a seeker of credit.

The statement becomes a part of the credit report on his business along with a financial analysis, a description of what the business does, and a record of how it pays its bills.

On the basis of the information in the report, a rating is assigned and the businessman is listed in the Dun & Bradstreet Reference Book. This makes it possible for his suppliers and insurance underwriters, who use the book, to look him up and in this way he is assisted in getting his goods and insurance.

In other words, should a manufacturer or wholesaler receive an order for merchandise from a merchant in Lamb County the listing and the rating of the merchant can be checked in the Reference Book. And it makes no difference where the seller is located. The listing of the Lamb County businessman appears in every issue of the Reference Book in the United States.

A Reference Book listing contains the name of the business and the rating. The rating consists of two symbols. The first, a letter of the alphabet, indicates financial strength and capital. It is the difference between what the business owes and what it owns. The second symbol, a numeral, reflects a composite of financial stability and payment record.

## Bula Defeats N. Hopkins For Title In Girls' AAU

Bula's girls won a 43-42 victory over North Hopkins, defending Class B state champs, to take in all the chips in the Southwestern AAU women's tournament at Duncanville Saturday night.

Bula, pre-tourney favorite for

the title, edged the North Hopkins crew by taking a three-point lead with a minute to go.

North Hopkins tossed in a field goal just before time ran out to make the final 43-42.

Carol Cook, a forward, and Opal Bogard, a guard, paced the victory.

Miss Cook was voted the outstanding forward in the tourney and Miss Bogard was named the top guard.

Top pointmakers for Bula in the finals win over North Hopkins were Miss Cook with 29 and Linda Holt with 13.

Bula led 10-9 at the end of the first period and added another point to the margin at half-time, when the score was 22-20.

The score was 30-27 at the end of the third quarter, and the two teams traded baskets the rest of the way.

Sammie Reynolds, Bula guard, also made the first all-tournament team. Miss Holt and guard Phyllis Fred made the second team.

Duncanville won over Brewer for third place.

## THE QUESTION . . .

Just about everything in this country has been getting bigger.

This trend, the economists confidently tell us with hardly a dissenting voice, is not only sure to continue but to accelerate. They blueprint a future of ever-increasing incomes, ever-improving living standards, the mass enjoyment of luxuries which would have been beyond the imagination of man not long ago.

We are on the verge of explosive break-throughs in physical sciences. The age-old mysteries of space are being fathomed, and soon will be mysteries no more. The miracles of nuclear physics are at hand. Longer, healthier, happier lives for all are promised. And we are not alone. All over the world, peoples and nations are swept along, to varying degrees, in the same tide.

This is fine. Almost everyone wants more money, more of the things that money can buy, more of what we know by the word "progress".

Yet a nagging question arises—the biggest unanswered question that confronts the changing world. While just about everything is getting bigger, is the greatest resource of all getting smaller? That resource is the individual. Not just people in the mass, but individual people — each different, each unique, each a spirit as well as an appetite. Is the individual in very real danger of being dwarfed by the bigness around him, and of being reduced to a statistic?

It's easy enough to say that it can't happen here, even though we have all seen it happen in vast reaches of the earth. Easy enough, but untrue. This nation was founded on certain concepts—the fullest freedom for all, an unflinching sense of the spiritual nature of man, a passionate regard for the worth of every individual human being. But these, like all other concepts and philosophies, will wither away to nothingness unless they are eternally prized beyond all else and faithfully protected. They must be supported in absolutely specific ways. They demand the highest degree of individual independence and responsibility. If, for instance, we give to government the initiative and the power to regulate and dominate our lives in the name of security, the ultimate end will be the security of the penitentiary. Power once granted to government must always be balanced against a greater power in the hands of the people.

We pride ourselves on our material achievements. But pride can result in a deadly blindness. Other nations, whose concepts are utterly opposed to ours, are producing their own wonders. Communist Russia and Communist China are, so speak, moving mountains. The whip and the chain, used in a dedicated ruthlessness, can also get out the goods, while a soul of man dies.

It took centuries of turmoil, war and revolution to establish the rights of man—the rights of the individual. They can be lost overnight by sins of omission no less than sins of commission. A people whose eyes and minds are fixed on material ends alone will not long remain a free people. They will merely become instruments of power.

There is no foreseeable limit to what we, through our economic, social and political organizations can achieve. It will be the ultimate irony if, in the light of this, we surrender the individual to material bigness—whether in government or anywhere else. We never had a more urgent need to uphold age-old principles and convictions that make for the only worthwhile kind of progress—confidence in something, faith in ideals, fairness, the determination to defend what one believes to be right.

Walt Whitman wrote, a century ago: "The whole theory of the universe is directed unerringly to one single individual—namely to You." Man in the mass must never hide the face of the individual man.

## Grassroots Opinion

General C. P. Cabell, Deputy Director of Central Intelligence, states: "The Communist international propaganda apparatus, for sheer magnitude, is unique in world history. It takes many forms and assumes many disguises. There is the Moscow radio, broadcasting nearly 900 hours a week in virtually every language and dialect in the world. There are those newspapers and periodicals and radios, in the free world, which are controlled or influenced by the local Communist Parties. There are the Communist front organizations, both international and local . . . Right here in the United States there are . . . hundreds of Communist fronts on the Attorney General's list of subversive organizations . . ."

### BANK NOTES . . . . . by Malcolm

**DID YOU KNOW...**

**GUIDED MISSILES** recently highlighted a display at the opening ceremonies of a new bank building in New York.

**BUS** to destroy Manhattan projects were the dream of a Louisiana professor some years ago. When he had developed the know-how a local bank advanced capital. His invention today is business. It makes and makes the manufacture of household pest control.

**CASH** WASN'T ALWAYS USED IN THE U.S. In 1642, a Harvard student who later became president of the University settled his bill with an old cow.

### STATE CAPITAL

## Highlights AND Sidelights

by Vern Sanford

TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — Holidays are over, but Austin is entering another period equally festive, active and exhausting for participants.

Tuesday (the 13th) the 56th Legislature convenes, bringing hundreds of new residents to the Capital City for five or six months or more. Their arrival steps up demand in many areas—for rent houses, hotel rooms, catering services, typewriters and stenographers.

A week later comes the Inauguration of Gov. Price Daniel, with a parade, swearing-in ceremony, Capitol reception and a multitude of ballas and special parties.

Thereafter, if the usual pattern continues, there'll be more social activities for and by the visitors. Lawmakers' wives, separated from home-town friends and, often, from their husbands by long hours of debate and committee hearings, form their own luncheon clubs.

Many organizations send delegations to Austin during the session. These groups — over breakfasts, dinners, barbecues or maybe just coffee — meet with their legislators to tell them their special woes and hopes.

Even school children come by the busload to supplement their civics studies by observation.

Last session a period of uncomfortable concern over ethics and lobbying, saw a dropping off in the lavishness of party-giving for legislators. This round may be even more grim and business-like. Lawmakers will face staggering problems in trying to pull the state out of debt and find money for new needs. No group would want to appear too flush lest it be seen as a likely tax target.

What ever the social leanings of the lawmakers—for champagne in crystal goblets or coffee in paper cups—their activities give Austin its liveliest, newest months. One frequently gallery-sitter, who no particular legislative interest, said he came regularly because a session provided spectators absolutely free "the excitement of a football game, the fervor of a revival meeting and more education than a year in the University."

Some events and issues on which interest is likely to focus immediately:

**SPEAKERSHIP** of the House of Representatives still is in doubt. Even those who claim it's "sewed up" know that pledges can come unhitched. There'll be a big crowd on hand to find out whether the secret vote hands the gavel to Waggoner Carr of Lubbock or Joe Burkett Jr. of Kerrville. Secretary of State Zolie Steakley will preside at the suspenseful opening session.

After the speaker is picked, attention will shift to committee assignments—who'll get the top jobs. There's also speculation as to how well members who've fought each other so hard in the speaker's race are going to get along afterward.

### NOTICE OF ELECTION TO BE HELD

## Tuesday, January 13, 1959

### for County Committeemen

Polling Places in Lamb County:

1. Littlefield Courthouse
2. Olton City Hall
3. Springlake Elevator Office

2. Robert Dysert, Route 1, Amherst, Texas
- 3.

(Vote for one - Commissioner's Precinct No. 2)

1. P. Lee Hamilton, Route 4, Muleshoe, Texas
- 2.

### BE SURE TO CAST YOUR VOTE

## HIGH PLAINS UNDERGROUND WATER CONSERVATION DISTRICT NO. 1

## DOWN MEMORY LANE

(Taken from the files of County Wide News, Jan. 8, 1942)

Littlefield was designated as one of the new 51 highway patrol substations open in Texas last Thursday, and the two highway patrolmen, W. C. Lehman and Herman Couser, have already arrived to take up their duties here, with headquarters at the Hiway hotel.

The annual Littlefield Golden Gloves tournament is to be held January 22-23 in the high school gymnasium. This tournament is sponsored by the Littlefield Downtown Quarterback club, and is promoted by Abe Murphy, athletic coach of the local high school.

A group of amateur geologists have been taking soundings, etc. in Gaines county, trying to locate a big meteor which fell there six weeks ago.

Littlefield bank deposits in the First National Bank soared to a new all-time high Wednesday night of last week when their quarterly financial statement showed a total of \$1,707,882.46, almost half a million dollars above the same period last year.

J. M. Ware and Bob Armstrong attended the football game at the Cotton Bowl at Dallas New Year's day. They returned home Friday.

MONEY gets top billing on almost everybody's list of legislative problems.

Governor Daniel's recommended budget calls for spending \$2,311,434,306 during 1960-61. An extra \$185,000,000 in new tax revenue would have to be raised to cover it and wipe out the current deficit.

Overall, the governor's budget is a 10 per cent increase over present spending. Almost all the increase, he pointed out, would go to meet a growing population's need for basic state services—education, highways, welfare and hospital and correctional institutions. Governor Daniel said he had found "no public sentiment" for reducing these services.

Not included in this budget are several items for which there is certain to be demand, such as teacher pay raises and medical aid for persons on the welfare rolls.

EDUCATION, on all levels, will be a broth that many will try to stir.

For public schools, the Hale-Alken Committee of 24 is presenting a lengthy report on ideas for improving programs. Included are more pay for teachers, longer school terms, special instruction for the gifted, driver education, etc. Total cost of the additions would be \$80,000,000 a year for the state, about \$32,000,000 a year for local districts.

Both the Commission on Higher Education and Governor Daniel have recommended increased appropriations for state-support-

## Sandhills Philosopher

### There's Solution To Almost Everything Except People

Editor's note: The Sandhills Philosopher on his Johnson grass farm takes another look at the new year this week. Can't tell what he sees.

Dear editor: During the first week in January of this new year I have been reading predictions from the experts and have come to the conclusion they all make one serious mistake that undercuts the value of their prophecies.

It's easy for example to predict that man will conquer space, that he'll perfect a guided missile so powerful it'll circle the earth and hit him in the back of the head if he doesn't duck, that he'll perfect an automobile that doesn't need oiling and a frying pan that doesn't require grease, and such similar mechanical things. In fact, there's probably not a single thing mechanical that man can't finally figure out, except maybe the need for plowing or may-

be planning directed toward capturing for use some 20,000,000 to \$25,000,000 acre feet of the 42,000,000 acre feet estimated to run annually into the Gulf from Texas.

SMALL LOAN COMPANIES likely will be the center of some heated legislative debate as they have been in the past.

Texas Legislative Council has suggested a law giving the State Banking Commission authority to police the small loan industry and a constitutional amendment to allow the Legislature to fix interest rates.

INSURANCE will, as usual, be the subject of a few bills. Probably the most controversial will be a measure to provide for "flexible auto insurance rates," as opposed to the present state-set rates. Legislative Council declined to endorse this, but suggested the Board of Insurance work on a plan to reward careful drivers.

Several proposals are likely to emerge in an effort to resolve present uncertainty as to whether the Board of Insurance should operate full-time or part-time.

# Give God A Chance—God Will Open Doors For You

## Diligently Pray For The Work of Your Church

This Series is Sponsored By the Business Firms and Individuals Listed On This Page. These Firms Along With the Ministers of Littlefield Hope That Each Weekly Message Will Be An Inspiration To Everyone.

### Kittens, Mittens, and Life

"Three little kittens lost their mittens . . ." Bobby is thoroughly absorbed in the antics of the kittens. He will be pleased to discover that at the end of the story they find their mittens again. Like all children, he wants his stories to have happy endings.

But soon Bobby is going to find out that life's stories don't all have happy endings. Bobby is growing up, out of the land of fairies and elves, into the world of reality. Bobby must learn to meet sorrow with understanding, pain with courage, prosperity with thankfulness, defeat with hope, success with humility—he must learn to face life.

The Church School is waiting with open doors for Bobby, your Bobby. The Church School is prepared to show your children the best ways to make life a success. The Church School is ready to teach your children—in the language of children—the eternal truths of life.

Copyright 1968, Kester Adv. Service, Stralburg, Pa.

#### THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

 Installation of officers for six Texas Hermann Sons lodges also place at 2 p.m. Sunday, Jan. 12, at the Hermann Sons lodge at Haskell.

Members of the following Hermann Sons lodges will be installed during the coming year: Rhein No. 295; Brasos No. 228, Old Point Creek No. 241, Hasland No. 256, Hermleigh No. 257; and Pep No. 311. Paint Creek Lodge will serve as group for the ceremony.

David Schmid, Shelby, Tex., will serve as installing officer. He is second grand vice president of the 48,000-member fraternal order which has 100 offices in San Antonio. Schmid also is a member of the Texas legislature.

Assisting Schmid with the ceremony will be Louis Engelke, San Antonio, grand lodge public relations director, and Gilbert Clemen, San Antonio, grand lodge secretary.

**Zero Labor**  
**at Scheduled**  
**Day in Lubbock**

Lubbock—A meeting of Mexican Labor Associations here who use bracera laboring operations has been called for 10 a.m. today in the Hotel, here by the Plains Growers, Inc.

The U.S. Department of Labor called a meeting of its bracera committee for Jan. 14-15 in Dallas City, and the Lubbock meeting is being held in order to inform High Plains users of the labor law and to present a united front at the Dallas City meeting.

Items on the agenda of the Lubbock meeting include formation of a permanent committee of labor association members to attend the Dallas City meeting, and a discussion of future problems of the bracera program by Edward Brownfield, who is a member of the Department of Labor's Bracera Subcommittee.

Meeting in Lubbock is open to the public and all laborers are urged to send representatives, George F. Pfeiffer, executive vice president of the Plains Cotton Growers, Inc., said.

**Disabled Vets Reminded**  
**Report Income Soon**

Approximately 50,000 disabled veterans and widows of veterans who receive monthly payments are being reminded by the Veterans Administration to report their annual income promptly and thus avoid interruption of their payments.

The VA is now mailing to all recipients a tabulating card which will be used to report the income reported for the year. Pensions cease if a single individual reports more than \$1,400, or \$2,000 if he has dependents. Regular payment to be stopped if the income report is not received within 30 days.

The VA warned that the tabulating card will be processed mechanically if it is returned and that folding or otherwise mutilating it will delay the record of the information and risk a suspension of payments.

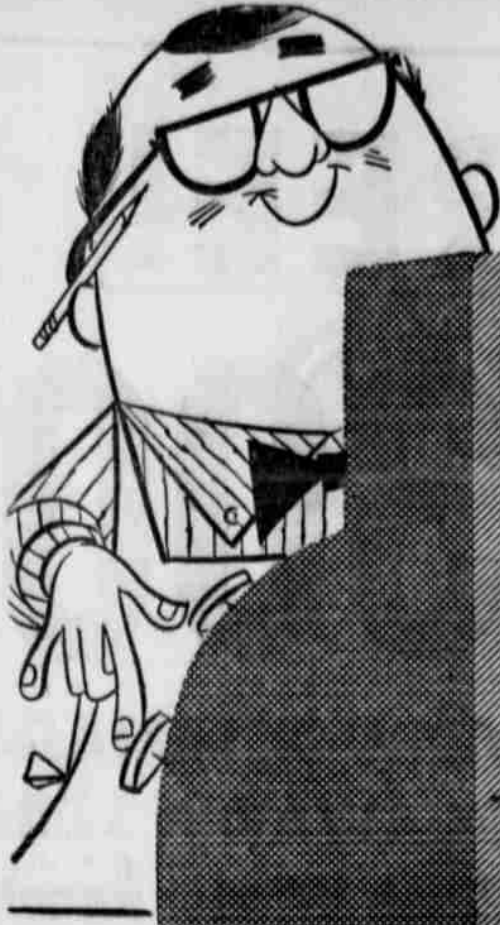

An income questionnaire is sent to veterans or dependents receiving service-connected compensation.

State of Iowa was first to be purchased by France and Spain. It was then sold to the United States by the Louisiana Purchase.

for peace of mind...

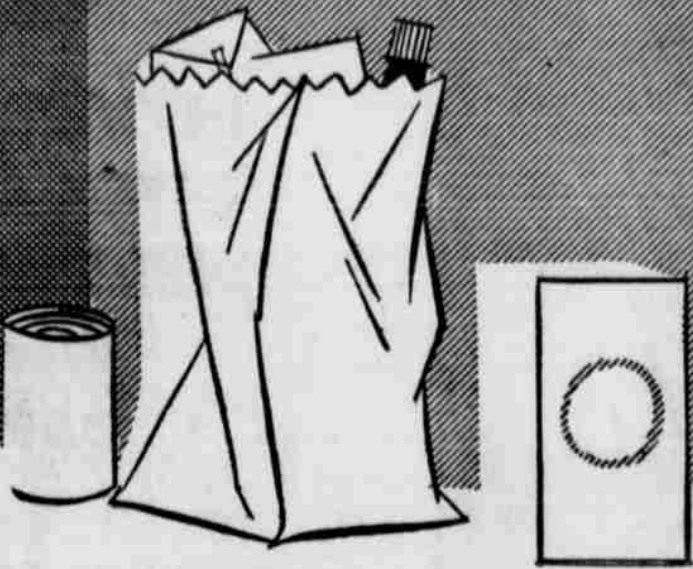

Our aim is to always provide funeral services that are beautiful and reverent, truly the perfect tribute. Anytime, day or night, our experienced staff is at your call, to help in your hour of need.

HOME OF CAPROCK FERTILIZER -- LITTLEFIELD, TEXAS

**FREE!**  
**\$300<sup>00</sup>**

**IN CAPROCK FERTILIZER TO BE GIVEN AWAY IN 3 DRAWINGS With Each Winner Receiving \$100 Worth Of Your Favorite CAPROCK FERTILIZER**

**RULES OF THE CAPROCK FERTILIZER DRAWING**

1. FARMER MUST FILL OUT THE COUPON ON THIS PAGE.
2. SEND OR GIVE TO YOUR FAVORITE FERTILIZER DEALER.
3. DEALERS PLAN ON DINNER MEETING ON JANUARY 15, 1959 AT WHICH TIME DEALERS WILL SUBMIT ALL COUPONS FOR THE DRAWING.
4. ONLY LANDOWNERS OR TENANTS WILL BE ELIGIBLE FOR THIS DRAWING.

**1**

**CAPROCK FERTILIZER WILL SAVE YOU MONEY!**

Caprock Fertilizers can save you money in several ways. For example, the freight allowance from our plant to your dealer's warehouse is approximately \$2.00 per ton. Why not have your dealer to give you a purchase order and let you come to the plant and pick up your fertilizer, thus saving both additional labor and handling as well as the freight allowance. In addition, you can have additional savings by telling your dealer you want to pick up this material in the bulk. This will give you an additional saving of \$3.00 per ton. In combining plant pick-up and bulk purchasing, you have a saving of \$5.00 per ton on any grade of Caprock Fertilizer you may purchase.

Think about this seriously in planning your fertilizer requirements for the coming year. Such savings have never been offered to you before. \$5.00 per ton will just about pay for you cost of application. Be sure to take advantage of this money-saving way of buying your fertilizer requirements.

**3**

**CAPROCK FERTILIZER Maintains High Quality!**

Caprock Fertilizers are manufactured by the latest processes to give you a product that meets the requirements of the South Plains Farmer. The product has a uniform pellet that drills excellently. Caprock Fertilizers contain both fast-acting and slow-acting ingredients. It is manufactured from 20% and 46% Super-phosphate, 44% nitrogen solution, Ammonium Sulphate and Muriate of Potash. The above ingredients contain ample quantities of secondary elements such as magnesium, boron, sulphur, iron, zinc, manganese and copper. These elements are not found in such abundance in highly-refined concentrated fertilizer formulas.

As stated before, Caprock Fertilizers contain both fast-acting and slow-acting ingredients to feed the plant from seeding time to maturity. You have heard lots about water solubility of fertilizer. We would like to quote a news article taken from "CropLife Magazine".

COLUMBIA, MO.—Whether or not a mixed fertilizer dissolves in water has little, if any, effect on crops, Alva Preston, University of Missouri extension soils specialist, said at the recent Soils and Crops Field Day at the university's south farm.

To test the value of water soluble plant foods, different south farm experimental plots were treated with mixed fertilizers for varying ability to dissolve in water and seeded to barley. Mr. Preston showed Field Day visitors all of the plots of barley appeared to be equal in growth whether they were treated with a mixed fertilizer that was five or 95% water soluble.

"Despite considerable discussion on the subject of water soluble fertilizers, the important thing is that plants get the needed nutrients whether or not they dissolve in water," he said.

In view of the above, why buy a fertilizer that may "fizzle out" early in the growing season, when you can buy Caprock Fertilizer and be assured ample plant food during the entire growing season.

**2**

**CAPROCK FERTILIZER Give You Economy & Service!**

The home of Caprock Fertilizer is at Littlefield, Texas. Therefore, you can pick up your fertilizer in an hour or so. No more do you have to depend on sources of supply many miles from your farm. No longer, do you have to buy larger quantities and store them in your garage, barn or under a tarpaulin. Be sure and ask your dealer for an order and pick up your fertilizer right here in your front door.

Caprock Fertilizer has a shipping capacity of 30 tons per hour in the bulk and 20 tons per hour in the bag making a total shipping capacity of 50 tons per hour. This should be sufficient to take care of all requirements.

No more do you need to worry about storage, bag disposal problems, delays in delivery, or uncertain availability. Caprock Fertilizers will be available when you need them.

**4**

**CAPROCK FERTILIZER Is Available In All Grades!**

Caprock Fertilizer manufactures a complete line of Dry Commercial Fertilizer. We have essentially two operations. One department acidulates 0-20-0 super-phosphate, while the other manufactures mixed grades such as 16-20-0, 13-39-0, 10-20-10, 12-24-12, 0-16-8, 0-20-10, and any special blend you may desire.

Caprock Fertilizer also has available a line of X-TRA Premium quality grades that contains liberal amounts of trace elements derived from Sul-Po-Mag.

Caprock Fertilizer is manufactured on the High Plains for the High Plains farmer. Why accept fertilizers manufactured for regional areas when Caprock fertilizers meet your exact requirements.

## Social Security Increase Starts With First '59 Pay

First paychecks of the Nation's workers to pay more for their protection. The amounts to 25 cents more of earnings.

the checks delivered early in February, retired workers will get an increase of about 7 per cent — some slightly more, some slightly less.

Retired workers' payments now range from \$30 (except for women who retired when they were between 62 and 65) to \$108.50.

Beginning with benefit payments for the month of January, the minimum retirement payment for those now on the benefit rolls will be raised from \$30 to \$33, and the maximum will be \$116.

For those who become eligible for benefits in the future, payments may be as high as \$127 (as a result of counting earnings of up to \$4800 in years after 1958).

Payments to those receiving benefits as dependents and survivors will also be increased by about 7 per cent effective with the checks mailed out in February.

in 1958 was 2 1/2 per cent employe and for the em- wages up to \$4200. The rate applies to wages 1959, even if the wages or work done in 1958.

Year will also bring benefit checks to the on men, women, and now receiving monthly survivors, or disability benefits. Effective with

Another U. S. Army Gyroscope enlistment option is now available to qualified young men who desire to go to Europe, SPC Bill Hanna, U. S. Army recruiter, announced this week.

The new option allows young men who qualify to enlist for the 1st Battle Group, 15th Infantry, with assignment in Europe.

Anyone enlisting for service with one of the units may take advantage of the "buddy enlistment," which allows qualified young men and their friends to join together and choose the same unit and overseas assignment.

Further information on qualification requirements and termination of these three Gyroscope enlistment options may be obtained from Sgt. Hanna at the Reserve Armory, 507 Phelps St., Littlefield every Monday.

## Now—call long distance anywhere with a Telephone Credit Card

You're welcome to use anyone's phone—no embarrassment with your host—no need to reverse charges, either—with a Telephone Credit Card taking care of all charges on your long distance calls.

It not only makes phoning faster—but the charge, placed on your home or office phone bill, is a record for accounting purposes.

A General Telephone Credit Card is good anywhere in the country. We'll be glad to issue one to you—without charge—if you'll phone our Business Office.

## First In State Russian Language Class Being Taught At Alice

ALICE, Tex. (AP) — Larry O'Rear of Williams Adams High School teaches what is believed the state's first fully accredited high school Russian language class.

O'Rear said the speakers of Russian live under a powerful government with a distinct ideology at variance with the rest of the world.

Already he has 10 students, indications are that the class will expand next year.

O'Rear is no Russian specialist. He keeps a hop, skip and jump ahead of his class by correspondence studies.

When the Soviet Union put the first Sputnik in orbit, it should have astounded no one, says O'Rear.

The husky, 27-year-old teacher said the first Sputnik was discussed in length in Russian scientific journals for months before its rocket was fired.

"The United States was taken aback because most of our scientists, knowing nothing of the Russian language, had never read of the preparations to launch the world's first satellite," O'Rear said.

With a penchant for languages, the young science instructor got permission from School Supt. Jack Ryan and High School Principal Harold Beam to organize his Russian class.

"As far as I know," he said, "it is the first class of its kind in the state on a high school level. Last year, only eight public schools in the United States had classes in Russian. There was none in Texas.

The Alice Senior High School Russian language class is composed of 3 girls and 7 boys. They are: Margaret Dvoraczky, Virginia Moffett, Patricia Fried, Raymond Johnson, John Carroll, Carlos Rodriguez, Oscar Ortiz, Jack Gibbs, Roger Groot and Robert Easterling.

What textbooks do they use? "There are no Russian language textbooks available on the high school level at the present time," said O'Rear. "The class uses first-year college textbooks."

O'Rear said a knowledge of the Russian language is highly important outside the field of science. He said:

"Russian, the mother tongue of 150 million people, use one of the world's major languages. Only Chinese and English are spoken by more people."

## Reese To Attend Company Show

Howard Reese of Littlefield, owner and operator of the Western Auto Associate Store here, will attend a Western Auto Merchandise Show at Dallas Jan. 11-12.

"There are demonstrations, product information clinics, and meetings, all designed to enable us to serve our customers better and formulate our selling plans for the coming year," Reese said.

## Surprise Birthday Party Is Held For Robert Strickland

WHITHARRAL — Mrs. Robert Strickland was hostess Wednesday night with a surprise birthday party for her husband at their home in the Oklaoma Flatt community.

Games of "42" and dominoes were played. Refreshments of coffee and cake were served. Attending were Mr. and Mrs. Vernon Tipton of Snyder, Mr. and Mrs. Ray Strickland and girls, Mr. and Mrs. C. L. Strickland, Wayne and Gary of Levelland, Mr. and Mrs. Rafe Rodgers, Terry, Monty and Brady, Mrs. Ruth Lambert of Amarillo, Mrs. Wade Strother, Wadonna and Juandell, Mr. and Mrs. Hugh Buckner and Clifford, Mr. and Mrs. J. E. Gravitt and Johnny, Mr. and Mrs. R. W. Cotton, Miss Emily Ruth Cotton, Rev and Mrs. Elmer Ward and girls and Velma Lee, Loyd Dale, Linda Faye and Gary Dean Strickland.

# CLOSING NOTICE

The following independent garagemen, and auto service parts companies will close each Saturday at 1 p.m.

Public demand for auto repair service has increased to such an extent in the early part of the week and lessened to such an extent on Saturday afternoons that we feel this new closing hour will better balance our employe's work week and still take care of your service needs.

We trust that this new closing policy will be agreeable with the motoring public and we look forward to giving you even better service under this new plan.

# another First AT Piggly Wiggly SUPER MARKETS

## DUNCAN HINES DELUXE CAKE MIXES

PIGGLY WIGGLY INTRODUCES NEW FLAVOR! "THE HEART AND SOUL OF ANY CAKE!" says Duncan Hines. In addition to the flavor you will find Duncan Hines Deluxe Cake Mixes, faster mixing . . . only two minutes to mix . . . and the results will be a fluffier, bigger and more moist cake. A real DELUXE cake mix in White, Yellow, Spice, Fudge Marble, Devils Food and Burnt Sugar. Try them all. Piggly Wiggly is always FIRST with the BEST.

DELUXE WHITE, YELLOW, SPICE, FUDGE, MARBLE, DEVILS FOOD, AND BURNT SUGAR, YOUR CHOICE . . . . . **3 FOR \$1**
