WE THINK

What do you think?

BY M. B. D.

That the Whirlwinds kicked up too much dust.

That if the locals had kicked up as much dust in the last half as they did in the first half that Floydada would now be numbered among the buried cities of the world.

That Bill Thomas didn't treat his boss right in bringing back the short end of a short score, to be explained in LAMB COUNTY'S GREATEST NEWSPAPER.

That the next time we will go to the ball game ourselves.

That the fact we went to a ball game wouldn't help out a tall, no how.

What do you think?

PRIZES IN THE YARD AND GARDEN CONTEST AWARDED

GREAT IMPROVEMENT SEEN IN YARDS, GARDENS

The prizes to the winners in the Yard and Garden Contest, which was sponsored by the Yard and Garden Contest, were awarded at the Palace Theatre Friday evening.

Basis of grading were taken upon the improvement of the three features, permanency, utility and beauty, which was divided into two classes, new and old yards.

J. W. Hale, one of the judges in the contest, reported that owing to the illness of the chairman, Mrs. F. G. Sadler, the awarding of the prizes had been delayed. He stressed the benefits derived from the contest, saying that much improvement was seen throughout the city in the way of beautiful lawns and gardens as a result of the work and effort of the Woman's Study Club. This was followed by the presentation of the prizes by Mr. Hale, as follows: For the best old yard—Mr. and Mrs. A. F. Wright, first prize of \$5.00; and Mr. and Mrs. J. H. Lucas, second prize of \$2.50;

for the best new yard—Mr. and Mrs. R. E. McCaskill, first prize of \$5.00; and Mr. and Mrs. Raymond Renfro, second prize of \$2.50.

The members of Yard and Garden committee wish to express their appreciation to the citizens of Littlefield for their interest taken in the contest, and also to thank the members of the Chamber of Commerce, Rotary Club and other business men of Littlefield for their valuable assistance in making the yard and garden contest such a success.

The men gave their names as W. L. (Bill) McBride and Tom Thompson, and state that their homes are in the vicinity of Oklahoma City.

Their preliminary hearing has been set for today at Olton.

The pair was taken with six others, who gave their address as Olton, when the sheriff's department raided a poker game in an Olton restaurant at 2 a. m. Wednesday. Whirlwinds Stage Comeback In Final Period To Win From Littlefield Team 13 to 14

(By BILL THOMAS)

In seemingly a double-header football game at Tech field, Lubbock, Wednesday afternoon, the Floydada Whirlwinds savagely shifted themselves from the zero end of a 13 to 0 score at the end of the first half of a battle with the Littlefield Wildcats to the higher end of a final 13 to 14 count, to shatter the locals' pleasant dream of district champions.

The two half periods were truly as unlike as two games—with no break—but just football with each team justly claiming one each.

Due to Carter's proven ability at carrying the mail, Captain Harless' accurate passing to Cook, Powell and McCurry the local lads deserve the first period. Stevens, the Wildcats right tackle, seemed the bright spot in the line.

In the last half, however, the Whirlwinds, aided by the presence of Murray, Floydada quarterback, who was on the sideline during the first period due to injuries, out classed, out fought and out played the Littlefield crew to register a total of 116 yards gained to the locals' 33 yards, and bring their score to 14 points. During the first half the Wildcats gained 91 yards to their opponents' 41.

The bout started on the 20 yard line after Captain Harless, of

REV. C. B. MEADOR IS APPOINTED TO MIAMI CHURCH

REV. JOE BOYD NAMED NEW PASTOR OF LOCAL CHURCH

With much regret the members of the First Methodist Church here, and the residents of Littlefield in general, received the news following the Northwest Methodist Episcopal conference at Vernon, that Rev. C. B. Meador, who had occupied the Methodist pulpit here for the past eight months, had not been returned to Littlefield.

Mr. Meador, who took the place of Rev. R. B. Freeman, when he was granted a leave of absence on account of his health, has won the love and respect of large numbers of people in this district.

He has been appointed to the Methodist Church at Miami, Texas, and Rev. Joe Boyd of Matador, will be the new pastor for Littlefield.

Mr. and Mrs. Meador are planning on leaving Littlefield today for their new home, and Rev. Mr. Boyd, according to reports, will occupy the Littlefield pulpit Sunday morning.

Rev. Mr. Boyd is spoken of by those who know him in the highest of terms and the citizens of Littlefield, including the Lamb County Leader, extend the hand of welcome to Mr. Boyd and his family to this city.

The conference, which closed Sunday night, selected Amarillo as its 1932 meeting place. Abilene was the only other city to bid for the convention.

Seven pastors were admitted on trial at the conference, including Marvin L. Boyd and Ray N. Johnson, Abilene district; Lester L. Hill, Amarillo district; Horace R. Bennett, Perryton district; Cecil M. Ellis, Stamford district; George C. Hardy, Sweetwater district, and N. Henderson, Vernon district.

Rev. E. E. White, presiding elder for the Clarendon district, was transferred to the Plainview district, and Rev. M. M. Beavers, presiding elder for the Plainview district, in which Littlefield is located, was sent to the Clarendon district.

Rev. Marvin L. Boyd, who is a son-in-law of Rev. and Mrs. Meador, was appointed to the pastorate of churches in the immediate vicinity of Plainview.

CITY COMMISSIONERS MAKE INSPECTION OF CITY STREETS

WORK TO START IMMEDIATELY ON SEVERAL PROJECTS

An inspection of city streets was made this week by City Commissioners Homer Hall and Pat Boone, with a view to making additional improvements. Considerable work has been done on the streets in the past few months.

Many of the thoroughfares have been put in excellent condition in the past few months, and it is now the plan of the commission to direct special attention to a number of streets that require considerable work.

The plan is to keep the street improvement program underway as extensively as possible, in order that Littlefield may be a city of good streets, according to Commissioner Hall, who is directing special attention to the improvement of the thoroughfares of the city.

While considerable general work is done in the improving of the streets, the plan is to make all work as permanent as possible.

Work will be started immediately on several projects.

Clarence Whiteside of Lubbock, and a student at the University of New York, visited Monday with his aunt and uncle, Mr. and Mrs. J. O. Garlington.

ARREST COTTON PICKER ON ALLEGED ATTEMPTS TO PASS WORTHLESS CHECKS

City Marshal W. P. McDaniel took into custody Saturday night a man giving his name as W. E. Houser of Oklahoma, after he is alleged to have attempted to pass checks, which were believed to be forged, at three Littlefield establishments.

Suspicion was aroused, it is stated, when the man left on a counter at the Replin Dry Goods store a \$94.48 check after payment was refused. A \$73.50 check is said to have been presented at Ellis & Ware Dry Goods Store, and payment refused. It was while seeking to cash a check for ap-

proximately \$75 at the John H. Arnett Motor Co. that the man was arrested.

Houser is lodged in the Littlefield jail, charged with a felony, pending preliminary hearing Monday.

The man said that he had been picking cotton near Enochs.

Miss Irma McDaniel of Waco, and niece of Mayor T. S. Sales, arrived in Littlefield Tuesday for an extended visit in this city as the guest of Mayor and Mrs. Sales.

PROBABLY THESE LADS HADN'T HEARD OF "BATTLING" ROBERTS—AT LEAST THE INTRODUCTION WASN'T SOCIAL

"Battling" Roberts, who has gained considerable recognition as a boxer, and his father, J. E. B. Roberts, who live at the east end of Oklahoma avenue, about nine o'clock Friday night, discovered three strangers evidently in the act of removing the tires from Mr. Roberts' truck.

On approaching them, one man made his getaway. After overcoming one, Battling Roberts took charge of the other stranger, and with his father's assistance, brought the pair to Littlefield and turned them over to Constable Fred Hoover and City Marshal W. P. McDaniel. The third man was apprehended Saturday at Sudan

by Constable Hoover.

The three entered pleas of guilty Saturday before Justice of the Peace Sykes, and were fined \$15.00 each.

"Battling" Roberts is to be commended on the way he handled these men. He tied into them with his fists, and after downing one man, who outweighed him at least 20 pounds, he then turned on the other one, with whom his father was battling and subdued him.

The trio gave their names as John, Amos and Royce Hutson of Oklahoma, and said they were in this vicinity cotton picking, and were temporarily located at Sudan.

UNION COMPRESS HANDLES ALMOST 38,000 BALES

GINNINGS FOR LITTLEFIELD TO DATE IS 10,000 BALES

A total of 25,723 bales of cotton, counting round bales as half bales, had been ginned in Littlefield this year up to November 1, as compared with 15,846 bales in the same period of last year, according to Jake Hopping, special agent for the department of census.

A. D. Repp, manager of the Union Compress here, reports that up until Wednesday night, they had handled 37,400 bales, averaging 1,800 bales per day for the last several days. At this date last year the compress had handled 20,845 bales, showing an increase of 16,555 bales.

Statistics gathered by the Leader indicated that the total ginnings for the Littlefield gins up to Wednesday were 9,915 bales.

All records have been broken in the rapidity with which the crop thus far has been gathered. A. L. Porter, public weigher, who has been weighing cotton since 1926, said "the cotton crop has been moving faster this year than ever since I remember. I have never seen such a rush on cotton before."

Preliminary reports of cotton ginnings from South Plains counties indicate that the total ginnings for the season up to the present time is approximately 300,000 bales.

TEXAS' ARSON LAW

Under the old Texas statutes the only way you could convict a man of arson was to see him light a match to the house, but so badly has property been sinned against by the incendiaries in the past year or two that Texas now has an arson law, which is more reasonable. In other words the new law is such that circumstantial evidence can be used to some extent, at least, by the authorities in attempting to run down guilt.

Incendiary fires have earmarks that are plainly read by fire investigators. They can be read as easily as the "injun signs" used to be read by the frontiersmen. Undoubtedly incendiary evidences can be plainly read. In two cities alone in Texas there were more than 100 "fire for profit" in the month of September, the State Fire Marshal declares, and in a statement tells Texas people if they want cheaper insurance rates they can get them by cleaning up the "arsonites" in their state.

THE BETTER WAY

It is better to prevent a crime than to punish someone for having committed it. And, on the same principle, it is better to enforce a few basic laws than to pass new and restrictive laws which are unenforceable, and serve only to make law-breakers of otherwise law-abiding citizens.

This is a fact of which we seem to have lost sight in our passion for passing laws. Probably no other civilized people are bound by so many legal restrictions as we are—and it is certain that no other civilized people are plagued by so much crime, or have so conspicuously failed in apprehending and convicting criminals. That is something legislators and voters might take into account when the time for consideration of new laws comes again.

WHAT NOVEMBER BRINGS

A new note—an undercurrent of optimism and enthusiasm—seems to have been ushered in with the new month of November. Perhaps it is the cooler weather, added to the improvement in the national situation, aided by the natural stimulating influence of the fall season on business. Whatever it is, it is most pleasant, and here is one who hopes that it increases as the days go by until things get back to normal and everyone begins pursuing the even tenor of his or her ways again, after a most dismal period of dismal sluggishness.—Hico News Review.

EIGHT YEARS AGO IN LITTLEFIELD

(Exerpts from Littlefield Leader)

The Littlefield Wildcats flashed an offensive last Friday afternoon that eclipsed anything seen by local fans this season; connecting with it was an offense so stubborn that the Plainview scouts were only able to annex the two first downs during the entire game. Such a fighting spirit was due to win and it did win 58-0. Cap. Sid Hopping led the offensive for the "Cats," turning in the most brilliant game of his career.

At the conclusion of the game between Littlefield and Plainview, Friday afternoon, Coaches Merrell and Parnell awarded letters to the following members of the local squad:

Lorry Barber, Cecil Williams, Todd Williams, Scott Vickers, Kenneth Stagers, Lloyd Springer, Stanley Stripe, Fontaine Tarker, Earl Hopping, and Captain Sid Hopping.

In order to earn one of these coveted letters or "wild cats", a player must have played at least 15 creditable quarters during the season, at the same time making a passing grade in the majority of his studies.

BUCK JONES, WITH HIS FAMOUS HORSE, WILL APPEAR AT PALACE THEATER SATURDAY IN "THE FIGHTING SHERIFF"

There is just one thing that will stir Buck Jones up to the point of bragging a bit, and that is a new accomplishment acquired by his horse, Silver. You see, Buck, whose newest starring vehicle for Columbia is "The Fighting Sheriff," which will be shown at the Palace Theater this Saturday, has done so many remarkable things himself that it's practically impossible for him to wax enthusiastic over any of his own new stunts. But Silver is different! Silver is the ace cowboy's pride, and every time the

talented animal masters a new trick, Buck's chest swells with pardonable pride.

Leisure hours for Buck are usually working hours for Silver, and it was in the interim between the making of "The Texas Ranger" and "The Fighting Sheriff" that Silver practically leaped out of the horse High School and entered college. To be exact, he mastered the stunt of crawling on his stomach like a dog.

This stunt Buck deems of especial value, as it will enable Silver to successfully impersonate a horse that has been wounded in a shooting fray and wants to get under cover to prevent receiving further injuries.

Silver has shown approval of his master's new leading lady, Loretta Sayers, who plays opposite Buck in "The Fighting Sheriff," by condescending to eat a couple of lumps of sugar from her hand. Besides this accomplished trio—Buck, Loretta and Silver—the cast of the picture includes Robert Ellis, Nena Quartaro, Tom Bay, Paul Fix, Harlan E. Knight, Lillian Leighton, Lillian Worth and Clarence Muse. Louis King directed.

ADDITIONAL COTTON CLASSER STATIONED AT LOCAL OFFICE AS RECEIPTS INCREASE; LOCAL BRANCH PREDICTED TO LEAD STATE

The Littlefield branch office of the Texas Cotton Cooperative association during the past several weeks has been taxed to capacity to handle the very heavy deliveries coming to the cooperative association from producers of this area.

J. H. Carper of Corpus Christi was transferred here recently, and James M. Craw of Dallas, T. C. A. supervisor of classes, is spending considerable time here.

Up to the present time the local branch of the Texas Cotton Cooperative association has handled 4,500 bales, while receipts by the state have reached the 300,000 bale mark.

Present indications are, according to Mr. Clark of the local office, that the Littlefield branch office will lead all other branch offices in the state in cotton receipts.

"There is no question in my mind or anybody else's," said Mr. Carper, but that you can grow long staple cotton in West Texas.

Nineteen head of Kentucky horses were sold at auction in Brady recently.

Stores to Keep Sidewalks Clear Of Merchandise

Appreciation of the co-operation of the merchants in clearing the sidewalks of merchandise, was expressed Wednesday by Mayor T. S. Sales.

Many merchants of the city had been using the sidewalks as additional space for the display and sale of merchandise, but it was deemed advisable that the sidewalks should be kept clear for pedestrians.

The members of the city commission visited the merchants and the request that the sidewalks be kept clear was readily responded to.

Nothing will be appreciated more by your family and friends than your photograph. Chisholm's Studio and Gift Shoppe.

IN LOVING MEMORY OF A FRIEND
 (By a Friend)

A precious one from us is gone,
 A voice we loved is still.
 A place made vacant in his home,
 Can never more be filled.

He was his mother's pride and joy,
 He was his mother's baby boy.
 It was not our Savior's will
 For Elwood to come back again,
 So He took him on to Glory land,
 And there with the angels he stand.

Death is sure and certain,
 We know not when we will get our call;
 'Tis like dropping of the curtain,
 Darkness comes upon us all.

Now one more dear companion
 has crossed to the other shore,
 The while with us a blooming flower,
 But will bloom on earth no more.

Loved ones know that you will miss him,
 Please try and do not weep;
 Remember he is not dead
 But just fallen asleep.

Dear parents, do not worry,
 For he is at rest,
 And what a great consolation
 To be remembered with the best.

How we will miss him!
 But he is gone to stay,
 Let's all be ready to meet him
 Some sweet day.
 We'll all soon go to Jesus—
 Go there to stay.

Cash Prize Will Be Given for Best Trade Mark for Texas Fed Meats

WEST TEXAS C. OF C. WILL AWARD WINNER WITH ONE HUNDRED DOLLARS IN CASH; CONTEST TO CLOSE JANUARY 19, 1932

Only Paid Employees and Officials of West Texas Chamber of Commerce are Barred from Contest

The West Texas chamber of commerce is offering a cash prize of one hundred dollars to the person who suggests the best trade-mark for Texas fed meats to be used to identify such meats and popularize their use and demand at markets, cafes and hotels, according to an announcement made from the general office in Stamford, Monday.

Three judges will be named by the management of the West Texas chamber of commerce to pick the winners.

The contest originated with the livestock committee of the West Texas chamber of commerce, which is working for increased consumption of Texas meats and the promoting of feeding Texas livestock in Texas, the announcement disclosed.

Following are the complete rules and regulations for the contest:

Who may compete: This contest is open to everybody, regardless of residence, except paid employees, and paid officials of the West Texas chamber of commerce. Local directors and all officials who serve the West Texas

chamber of commerce without remuneration may compete.

Any contestant may submit as many different entries as desired.

Form of entry: Each entry should be on a separate sheet of white paper, or cardboard. The name of the entrant, and his complete address should be placed upon the same side of the sheet or cardboard upon which the proposed trademark appears, and should be printed or typed.

Explanations or descriptions of the trademark entries may be sent accompanying the entries.

Time of contest: All contestants must send in their entries to the West Texas Chamber of Commerce, Stamford, Texas, not later than midnight, January 15, 1932. Entries in the mail postmarked not later than January 15, 1932, will be accepted. The contest closes January 15, 1932, at midnight.

Ties: In case of tie, the tying contestants will each receive the full amount of the award. To tie, the entries must agree exactly in design

and working. Prize: The West Texas chamber of commerce will pay a prize of one hundred dollars to the contestant submitting the trademark selected as best by the judges.

All entries submitted, whether or not they win the prize, become the property of West Texas chamber of commerce, and may be used by it without payment, and none can be returned to the contestants.

Judging: A committee of three judges to be named by the management of the West Texas chamber of commerce will judge the entries, and select the trademark which will be declared the winning entry.

Basis of judging: The following will be considered in judging; (1) originality; (2) effectiveness; (3) ease of reproductions; and (4) distinctiveness.

It is possible that some art work may be necessary in developing a trademark. While neatness of entries will be considered to an extent, the judges will consider the idea presented, and not the skill displayed in drawing the design, in the event a design is employed.

Club Woman Reports Good Profit from Vegetables Grown

Mrs. H. K. Irvin, of seven miles northwest of Amherst, president of the Sod House Home Demonstration Club, reports a profit of \$163.93 from a small tract of land.

From a tract of less than one half acre she has harvested over 3,317 pounds of vegetable. Fifteen varieties were grown. These were canned, used in the home or sold to the local markets. The local hotel and restaurants have bought practically all her surplus at a good price.

Mrs. Irvin kept an accurate account of her garden. She charged herself the current price for the vegetables used at home in making her report. Her products used and sold were worth \$190.18. Her expenses, including labor, seeds and irrigation were \$26.25. Profit \$163.93.

She sold about one-third, canned about one third and used about one-third of the vegetables at home. The canned products that are not needed at home will be sold at the local market this winter. Mrs. Irvin has made a reputation for the canned goods at the hotels and cafes that makes a ready market for her surplus.

PEP PARAGRAPHS

Through the Pep Paragraphs the acquaintances of two old time friends who had lost tract of each other was renewed Sunday of last week. The two were neighbors and school mates in Schulenburg, Texas, and intimate friends in their boyhood days, but hadn't seen each other for 29 years. Mr. Edward Teichman, who is picking cotton near Littlefield, in reading the Pep Paragraphs in the Leader, noticed the name of Mr. M. J. Demel and immediately recognized the name as that of his old time friend and consequently came over to investigate. They spent a most enjoyable afternoon talking over old times.

The Pep school re-opened Monday after being closed for cotton picking, during which time the children have rendered most valuable help in gathering the vast cotton crop in this community, as pickers were hard to get, up until about a week ago, and the weather was splendid most of the time. Let's all show our appreciation of this to the school board by paying our school taxes promptly, that they may continue the full term uninterrupted, and that our children will be repaid for the services that they have rendered.

Miss Elizabeth Lupton, principal of this school, and her sister, Miss Jean, teacher, were in Pep recently.

Mr. Josef Bichsel Sr., of Nazareth and son, Al, of Amarillo, were in Pep
