Charter Granted to Establish State Security Bank Here

According to information furnished the Lamb County Leader Tuesday, the application for a charter filed the middle of August for a second bank in Littlefield, the Security State Bank has been approved by the

State Banking Commission. This followed a hearing held at Austin Wednesday of last week at which Mayor A. C. Chesher, Paul Hyatt and Arthur P. Duggar, Jr. attended in the

interest of the application for Charter.

The new bank will have a capital stock of \$50,000 with a surplus of \$50,000 and reserve of \$25,000.

The proposed President of the bank is Mayor A. C. Chesher with L. C. Hewitt, as the proposed Vice-President.

Paul Hyatt will be director and cashier of the bank, with other officers to be decided at a meeting of the stockholders to be held at an early date.

Proposed directors are: Mayor Chesher, L. C. Hewitt, Paul Hyatt, E. J. Foust, and Arthur P. Duggar, Jr.

The Security State Bank will be a member of the Federal Reserve System, and all deposits will be guaranteed up to \$5,000.

According to the officials of the new bank, this institution will open about November 1, or sooner if possible, in a central and convenient location.

Presents Premium For First Bale

The Chamber of Commerce pays off. Presenting the \$297.50 check to O. D. Bingham is James Roberts, C. of C. secretary. Left to right in our picture: Roberts, Paul Pharris, Mrs. Bingham, Mr. Bingham.

Fleecy Staple Grown By O. D. Bingham of Spade Check For \$297 Is Presented To Grower By C. of C.

Lamb County's first bale of cotton this year was sold at an auction held on the bank corner last Saturday afternoon at 3 p. m. The 595-pound bale was grown by O. D. Bingham of Spade, and bought by the Chamber of Commerce, when Paul Pharris bid a high of 50c a pound.

Auctioneer was County Attorney Bob Kirk, who performed so well that observers commented that he had missed his calling. Waving his ubiquitous cigar, he sparked the bids from a low of 35c to the final high of 50c.

Mr. Bingham, twenty-five-year-old Navy veteran, said this was the first bale of cotton he had ever produced. He is farming this year for the first time. "I'm proud to have produced this first bale," said Bingham, "and appreciate the good price it's bought." The bale was brought into the Farmers Co-operative Gin last Thursday.

The cotton was taken from about 8 acres of dry land; 2,045 bolls were required to make up the 595 pound weight.

Main bidders at the auction were Floyd Ferrell, Harvey Lee, Wolfe Shaw, and Paul Pharris, bidding for the Chamber of Commerce.

A check for \$297 was presented to Mr. Bingham by Jim Roberts, secretary of the Chamber of Commerce.

Bingham is farming a half-section near Spade. He is married and has a little daughter, Darla, four years old.

R. L. Byers Installs New Scales; Also Will Erect Building

Howard Atwood To Erect 2 Buildings

Foundations were laid Friday by W. B. Hogan of Lubbock for two buildings, each 25x25, for Howard Atwood, Littlefield, on his property on Highway 84, adjoining the former Day & Night Camp property now owned by Ellis Foust.

The Atwood lot extends from Highway 84 back to LFD drive. One of the buildings will front on Highway 84 and the other on LFD Drive. Both these buildings will be of steel construction, supplied and assembled by the Steel Built Products company of Lubbock.

One of the structures when completed will be occupied by Grady Bevel's fruit and vegetable store.

Senior Band Numbers 60; 65 Beginners

The senior band now has about sixty members, according to Don Hayes, school band director. The band will play at all varsity football games but for the first few games the entire band won't be in uniform due to the fact that uniforms which have been ordered haven't arrived yet.

Hayes also stated that 65 beginners have enrolled in the band this fall; instruments for the newcomers are being secured as fast as possible. He pointed out that parents who want their children to play in the band should contact him at the school within the next two weeks.

Mixed Chorus Largest Approximately 80 boys and girls make up the high school's mixed chorus, largest in the school's history.

Work got underway last week in the tearing down of a portion of the R. L. Byers feed building, preparatory to installing a Fairbanks Morse & Co. motor truck scale, which is 45 feet by 10 feet wide, and of 50-ton capacity.

Joe Wells is in charge of erecting the scales.

It is also the plan of Mr. Byers to build a new building at this location, which will be constructed of brick and tile, and be used for his retail feed business.

Miss Jessie Lee Park And Marion G. Young Wed

At 6 o'clock Sunday afternoon, August 24th, at St. John's Methodist church Lubbock, Miss Jessie Lee Park, daughter of Mr. and Mrs. Jesse Park of Sudan, and Marion G. Young, son of Mr. and Mrs. Wesley I. Young of Bonham, were married by Rev. L. L. Richardson of College Avenue Baptist church Lubbock. The double ring ceremony was read before the altar decorated with candles, palms and gladioli.

Miss Imogene Webster, organist, played "Oh Sweet Mystery of Life", Clair de Lune, and accompanied

Rex Webster who sang "Till the End of Time" and "Because," followed by the traditional wedding march.

The bride, given in marriage by her father, wore a cream satin wedding gown with a finger-tip veil of net attached to a heart shaped halo. She carried an arm bouquet of Gardenias, centered with an orchid.

Miss Elnora Boyles, maid of honor, wore an orchid evening dress with a wrist bouquet of pink roses. Miss Juanita Moses and Sybil White, bridesmaids, wore pink and blue gowns and carried bouquets of American Beauty roses.

Herman Courtney served as best man and Fray H. Smith and William J. Kent were ushers.

At the close of the ceremony Rex Webster read "Melody of Love."

A reception was given at the couple's home 2323 Fifth, Lubbock, with the bride and groom as hosts. The bride's table was laid with a white linen cut-work table cloth and a heart centered wedding cake topped with a miniature bride and groom.

The bride attended the Sudan school graduating in 1941. She attended Texas Tech and Beauty School and is now operating her shop in Lubbock. Mr. Young will be a senior electrical engineer at Texas Tech this fall.

Miss Jonelle Foster and Dewey Bandy Married Recently

Amid a beautifully arranged setting of lighted candelabra, palms and white gladioli, Miss Jonelle Foster, daughter of Mr. and Mrs. J. B. Foster of Sudan, became the bride of Dewey Bandy, son of Mrs. Lloyd Lawson of Duncan, Okla., in a home ceremony Sunday evening, August 31.

Bro. O. C. Hartsell of Marlin read the single ring ceremony before the fireplace of the Foster home. A huge mirror was hung above the mantelpiece reflecting the silver candelabra and the wedding scene below.

The bride wore a softly-draped dress of sheer white wool and a tiered, shoulder-length illusion veil, falling from a pearl tiara. She carried a white Bible, adorned with white tube roses and gladioli. Carrying out the traditional bride's costume of "something old, something new" she wore an heirloom belonging to Mrs. C. E. Nichols' mother. The new was a gold bracelet, a gift from the bridegroom. She carried a blue handkerchief which she received as a graduation gift last June when she was among the departing seniors at Sudan High School.

Miss Erma Cook, maid of honor, chose a dress of rose crepe and a shoulder corsage of white gladioli. J. B. Waller was best man.

Several musical selections were included in the marriage ceremonies, beginning with "Clair de Lune" played by Maxine Wiseman while June Hasty and Eugenia Moore, were lighting the tapers. As the bride entered the room, escorted by her father, her brother, Cal Foster, played Lohengrin's "Wedding March."

During the reception following, Brahms' "Lullaby," and Chopin's "Till the End of Time" were played and Miss Mary Pearl Markham sang "Always."

Mrs. Foster, mother of the bride, and Mrs. Lawson, the bridegroom's mother, both wore black dresses and corsages of red rosebuds.

Lavendar asters and a three-taper candelabra graced the buffet table for the reception in the dining room. The tiered wedding cake was topped with a miniature bridal couple and was set beside a large punch bowl. White roses and bridal wreath were used to complete the table. Miss Leoto Vincent, the Misses Hasty and Moore presided.

A satin-bound bride's book, hand-painted by Mrs. Foster and Mrs. Milton Wiseman, registered names of guests, in addition to those named above: Mr. and Mrs. John C. Adams of Cohama, grandparents of the bride; Allie Rae Adams, also of Cohama; Mrs. O. C. Hartsell, Mr. and Mrs. C. E. Nichols, Joyce S. Murray, Mr. and Mrs. Marvin May, Mr. and Mrs. Ves Patterson and Fredda Lou Waymon Bellar, Mary Pearl Markham, Ted Greer, Mr. and Mrs. W. C. Warren, Marilyn and Ellen, Yvonne Hartsell, Harold May, Mr. and Mrs. A. W. Ormand, Mr. and Mrs. A. W. Ormand, Mrs. Wilcox, Denver Anderson, Mr. and Mrs. Dick Gatewood, Mrs. Lincoln Warren, of Fort Worth; Brother and Mrs. J. A. Bristow.

Miss Lee Bagwell, daughter of Mr. and Mrs. J. D. Bagwell of 10 miles southwest of Littlefield, became the bride of William Neinast, son of Mr. and Mrs. John Neinast of Hart Camp, in a beautiful church service Saturday at Posey, Texas.

The single ring ceremony was performed at 2:30 P. M. by Rev. C. Schulte, pastor of St. Martin's Lutheran Church at his home at Posey, Texas.

The bride was becomingly attired in a black faille crepe dress with black accessories. Her corsage was of red roses.

Picture by Taylor's
MRS. WILLIAM NEINAST

The bride's attendant, Miss Marie Jones, wore an aqua blue woolen dress with black accessories and a corsage of pink carnations.

Nolan Hukill of Hart Camp attended the groom.

Mrs. Neinast attended Whitharral High School, and was employed as a nurse in Payne-Shotwell Hospital for one and a half years.

The groom is a former student of Hart Camp School and spent three years in the service, with two years overseas. He was released in November 1945. He is now operating a farm at Hart Camp, where the couple will make their home, after a short wedding trip to various points in Texas.

Prominent Farmer Dies Suddenly Friday Morning

George W. Ross, 56, prominent farmer and pioneer of this section, passed away suddenly about 4:30 A. M. Friday at his home three miles east of Littlefield on Oklahoma Avenue. He had been in poor health for sometime. A heart ailment caused his death.

Mrs. Ross, sleeping in an adjoining room, thinking she heard an abnormally heavy breathing went into her husband's room to find he had passed away.

Funeral services were conducted Sunday afternoon at 4 o'clock at the First Baptist Church, Littlefield with Rev. Lee Hemphill, pastor, officiating, and with the Oddfellows Lodge, of which deceased was a member for many years, taking part in the service.

Interment under the direction of Hammons Funeral Home took place in the Littlefield cemetery with the Littlefield Oddfellow Lodge in charge of the service.

Pallbearers were members of the local Oddfellow Lodge, and Flower bearers were members of the Sunday School class of the First Baptist Church, of which Miss Thetogene Ross is a member.

Mr. Ross was born January 30, 1884, at Dossyville, Texas. He married Mrs. Jessie M. Taylor.

Littlefield Area Receives Showers

Littlefield and area received showers early Monday morning, bringing temperatures down, and giving this area some relief from the hot dry weather.

According to the gauge at the West Texas Cotton Oil Company, 16-100ths of an inch fell here. Seven miles southwest of Littlefield reported half an inch, while west of town is said to have received quarter of an inch of moisture. Fieldton area reported a sprinkle, while Morton and that territory are said to have received good rains. Abernathy, Levelland, and Post reported good showers.

New High School Course is Well Received

The course in Distributive Education, which was newly added to the curriculum at Littlefield High school this year, has become well established according to Supt. Joe C. Hutchinson.

"Although the program wasn't started until a late date, it has been well received by both the local stores and juniors and seniors at school. We are pleased to see this course in selling training so widely accepted," stated Supt. Hutchinson.

The records of Mr. E. F. Bingham, Coordinator of this vocational train-

ing show that 18 Juniors and Seniors have availed themselves of the opportunity to get a headstart in the world of business.

Seniors registered in Distributive Education and their training stations are as follows:

Billie Frances Reed, Reese Drug Co.; Keith Glover, Hall Motor Co.; Glehna Moss, Dunlaps; Eloise Bolton, Penn'c; Herbert Hattaway, Ben Franklin Store; Harold Johnson, Firestone's; Mary Joo Hollingsworth, Reese Drug Co.; John T. Street, Street Flower Shop; Zelma Huggins, Hattie's Shop; Eugene McNeely, Western Auto Store; J. D. Kirkland, Jr., not placed as yet.

Included in the list of Juniors taking the course are:

Katherine Epperson, Dunlaps; Bobby Bell, Nelson Hardware; Herbert Walker, Onstead Furniture Co.; Otho Lindley, Dunlaps; Stafford Shipley, Nail Photo Shop; Z. T. Byers, Byers Feed Store.

Every effort is made to find a business for a student in which he or she is primarily interested. A number of other business firms were interested in the training, but the number of students was not sufficient to supply the demand.

Peak Rosters Mark School Opening

Peak enrollments and overcrowded classrooms marked the opening of school here last week. More than 1600 students were enrolled in the primary, central, and high schools. About 140 of this number were students in the colored school.

Officials state that in spite of the overcrowded condition the opening of school this year was the most auspicious in several years. For the first time since pre-war days there is a full teaching staff and it is believed that the morale of instructors is vastly improved due to the ameliorating effect of the hike in teachers' pay.

In addition to the courses offered last year there are four new courses: Latin, Spanish, Latin-American history, and World-Geography.

During the summer months, the school buildings received needed

Foust To Start Building At Once

Work will get underway at once on the construction of a building on the Ellis Foust property on Highway 84, formerly known as the old Day & Night Camp property, according to Mr. Foust Friday.

The vacant lots from which the buildings burned some time ago, or were taken down, is composed of 112 feet on the highway, running back at the widest place 180 feet to LFD Drive.

The new building will be constructed of brick and tile, and will provide sufficient office space to house five or six firms on Highway 84, with a garage building on LFD Drive, which will be occupied by Ralph Foust.

The tile has been on the ground some time. Ernest Goertz will have charge of the carpenter work.

Phil Adkins Will Carry Groceries At Present Location

Phil Adkins, owner and operator of Adkins Produce, announced Tuesday that in addition to his produce he is preparing to carry a full line of groceries at his location 700 East Third Street, and that beginning Saturday he will also be open for business in this line.

Mr. Adkins has been in the produce business since 1935. He also does custom dressing.

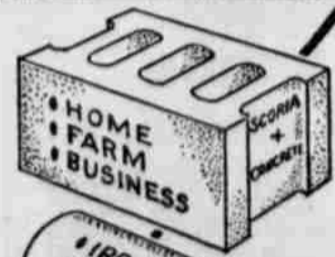

Mr. Adkins will be ably assisted in the business by Mrs. Adkins.

Mr. and Mrs. R. L. Murdock and son, Bobby returned Tuesday of last week from a few days sightseeing trip. They visited Los Vegas, Pueblo, Colo., Royal Gorge at Canon City, Colo., Grand Junction and Monticello, Utah. They returned by way of Durango, Colo., Santa Fe and Albuquerque, N. M. They left Friday and returned the following Tuesday.

repairs. In the interests of safety, a traffic light was installed at First Street and Westside Avenue. An officer from the City police force will be on duty during the hours when students require supervision for the sake of safety.

Among recent additions to the curriculum is distributive education designed to combine theory and actual practice.

CLAIMS SMALLEST CALF IN STATE . . . William Gahl, a farmer living near Huntington, Ind., claims that this midget member of the bovine species is one of the smallest calves ever born in Indiana. The calf, a mixed Guernsey-Shorthorn breed, is 17 inches tall, 21 inches long and weighs only 15 pounds. Photo shows Gahl holding a normal size calf while the little fellow is dwarfed in the foreground.

FFA Elects Officers At Monday Meeting

The FFA met Monday to elect officers and plan the program for the coming year, according to an announcement by Raymond C. White, high school vocational and agricultural instructor.

Gene Ratliff was elected president; Ernest Mills, reporter; Dennis Zahn, treasurer; Jim Solesbee, vice-president; Herbert Walker, secretary.

FFA Sweetheart Contest
Also planned at the FFA meeting was a sweetheart contest. Ballot boxes have been placed in the high school. Duration of the contest is eight days, ending next Friday.

The contestants: Seniors, Patsy Elkins and Virginia Fields; Juniors,

Arlene Packwood and Wilma Deen Trotter; Sophomores, Marilyn Black and Connie Hopping; Freshmen, Barbara Ferguson and Druanne Harlin.

District Meet Tuesday
A district meeting of the FFA, including all towns in the Littlefield district met at 4 p. m. Tuesday to elect officers and map a work program for the year.

Mr. White requested that all tools from the vocational and agricultural shop be returned unless the holder of the tools has signed a slip.

Re. Carter McKemy To Be Installed

Rev. Carter McKemy, pastor of the First Presbyterian church, Littlefield, who preached his first sermon here July 13, will be officially installed as pastor next Sunday.

The service will open at 8 o'clock P. M., with three visiting pastors taking part in the installation.

Rev. A. B. Haynes of Canyon will deliver the charge to the congregation; Rev. Russell Wiggert of Hereford will give the charge to the pastor, and Rev. Don Harris of Jacksonville, Texas, will preach the sermon on that evening.

Mrs. Weldon Meers Given Food Shower

The Ladies Bible Class of the Littlefield Missionary Baptist Church, surprised the teacher, Mrs. Weldon B. Meers, with a home-canned food shower at the close of the class on Sunday evening. One hundred fifty-five jars of home-canned foods of wide assortment was presented to Mrs. Meers.

School Board Has Modernization Plan

At the last regular meeting of the school board it was decided to adopt a long range modernization program to put the local school buildings in shape. For several months school officials have been trying to develop such a plan but due to the prohibitive costs of building materials it has finally been decided to space the modernization program over a period of time. Several new rooms will be added to the primary school under the plan. It is hoped that in time the crowded condition of the Littlefield schools can be alleviated.

Singing Convention To Meet Sunday

The Lamb County Singing Convention will meet at the Hopewell Baptist Church, three miles east of Spring Lake Sunday Sept. 14. Everyone is invited.

Pair Charged After Two-Car Collision

Charges were filed here September 6 against two persons in connection with a collision five miles west of Sudan of a light automobile and an allegedly parked car. Two persons suffered slight injuries.

Jimmy Taylor, about 25, of Littlefield was charged with drunken driving and having no operator's license, and Landon George Standifer, 26, of Littlefield, was charged with assault with a motor vehicle and with having no Texas operator's license, officials said.

Two young ladies are said to have been passengers in Standifer's car, which investigators said was being driven eastward on U. S. highway 84 when it struck a heavy convertible said to have been parked alongside the pavement. Taylor occupied the convertible, they said. The light car then slid into a ditch.

Miss Bell was treated for facial injuries and Standifer suffered a left eye injury.

Investigation was conducted by County Attorney Robert Kirk, Littlefield City police and Sam Fort of the state highway patrol district headquarters in Lubbock.

Standifer and Taylor were fined after pleading guilty to the charges, according to a statement from the County Attorney's office.

Seek Location For New Hotel

Much difficulty is being encountered in the securing of a suitable site for the hotel, proposed to be financed by Homer Snowden, millionaire oil man, of Dallas, a former Littlefield resident.

Mr. Snowden on a recent visit to Littlefield promised to build a 100 room hotel, which would represent an investment, with furnishings, of \$500,000, provided the city would donate a suitable site, stipulating that he would require a corner location in the business section of Littlefield, with 100 feet frontage.

Tightly woven light wool suit, shown above as pictured in the September issue of Good Housekeeping magazine holds its shape, takes hard wear, and is suitable for all day-time occasions.

C. of C. Membership Drive Extended

The Chamber of Commerce has announced that its membership and finance drive will be extended due to the fact that many business men have been on their vacations during the month of August. A shortage of workers has also contributed to the decision to extend the time limit on the drive. Every effort will be made to contact all the business firms and the local business men before the drive closes.

Construction Started
The C. of C. sponsored Information and Contact center which was designed to facilitate placement of incoming harvest workers is underway according to an announcement by chamber of commerce secretary Jim Roberts.

Located west of Beck's Gin, the center will provide sanitation facilities and a headquarters for employers and employees. The idea for a contact center was conceived this year and it is hoped that it will eliminate the confusion and inefficiency which often attends the arrival of the harvest workers.

Personals

Work got started Monday in the tearing down and the erection of a new front on the building occupied by the Western Auto Store on Phelps Avenue. Ed Drager is doing the work.

Mr. and Mrs. J. S. Hilliard of Lubbock and grand-daughter, Debora Dan Edwards of Amarillo were visiting friends in Littlefield Monday.

Alex Gallagher of Mountaineer, N. M. visited his sister, Mrs. G. W. Riggle, in the home of Mr. and Mrs. G. W. Falls Monday. Mr. Gallagher is spending some time with his daughter at Abernathy, and she accompanied to Littlefield for the day. Mrs. Ruggles is also the mother of Mrs. Falls, and makes her home in the Falls residence.

Mr. and Mrs. Pryor Hammons, Sr., left last week for Tres Ritos, N. M. They returned here Thursday and went back to New Mexico Friday.

Local business men have been endeavoring to secure such a site, but to date have been unsuccessful.

Mr. and Mrs. Pryor Hammons Jr. accompanied them back to Tres Ritos, and spent the weekend.

Mrs. Oscar Reed of 11 miles south of Muleshoe received treatment at the Payne-Shotwell Hospital Monday for a nervous disorder. Mrs. Reed is a sister of Mrs. R. L. Murdock of this city.

Merlin Yarbrough had his tonsils removed at the Payne-Shotwell Hospital Monday. He has been troubled with rheumatism, believed caused from his throat.

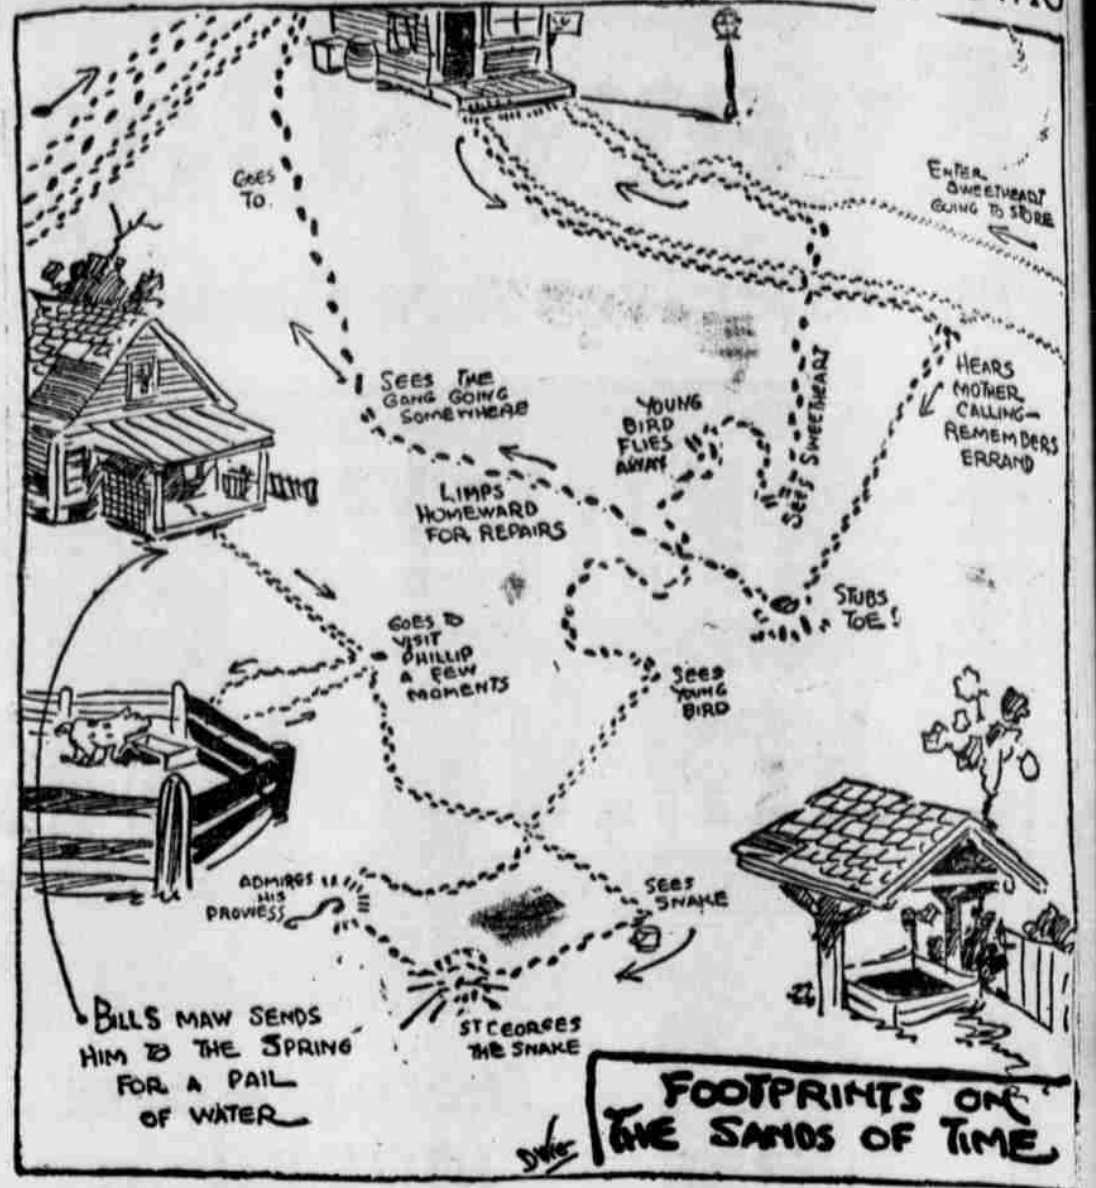

Darrell Laandrum, who was suffering from a lung hemorrhage has been taken to a Veteran's hospital at McKinney, where he is getting along better.

Mr. and Mrs. Robert Johnson formerly of Scranton, Ia., but now of

Porterville, Cal., visited from Thursday until Saturday in the home of Mrs. W. R. Alexander and daughter, Polly Lou. They were enroute from Iowa to California. Mrs. L. L. Manley and sons, Alfred and James and Mr. and Richard Heinecke, all of Long Beach, Calif., are visiting in the home of Mr. and Mrs. F. R. Jones and relatives.

Reda Evans, Allan Rhodes Establish Helpy-Selfy And Finish Laundries

Reda Evans has just completed the erection of a building on Highway 54, a block east of the Lamb County Frozen Food Locker Plant, and about two blocks east of Standifer's Grocery, in which he is establishing a Helpy-Selfy Laundry on one side of the building, and Allan Rhodes is using the balance of the building for a steam laundry. In other words a Helpy-Selfy and also a finished laundry service will be offered under the one roof.

Mr. Evans and Mr. Rhodes announce they will be open and ready for business Monday morning next. Mr. Evans has installed 16 new

Maytags, and Mr. Rhodes is installing new and up-to-date laundry equipment.

The building is unusually large, and with everything new, offers patrons a most complete and comfortable place in which to do their laundry.

Also, Mr. Rhodes, who owned and operated the Easy-Way Laundry for seven years, is extending an invitation to all his friends and former customers to visit the new establishment for their laundry needs.

On opening day, next Monday with each washing, Mr. Evans will give away a large size package of soap flakes.

Mr. Evans has been a resident of Littlefield since 1924, and Mr. Rhodes for 19 years.

Whirlwind Causes Ship To Fall Near Olton Friday

Calvin Dodd, Pilot Of Plane Escapes With Few Scratches

A plane accident which might easily have cost the lives of two Olton residents, a father and son, occurred about 1:30 Friday afternoon.

Earl Dodd, farmer of 6 miles north of Olton, and his son, Calvin, 18, were returning home from Plainview in a Funk plane, owned by Calvin and his brother, Jackson, and were in the act of making a landing when a whirlwind caught the plane. Seeing they were not going to be able to land successfully, the younger man, who was piloting the plane, attempted to gain altitude, but the plane hit a fence and broke half the propeller off, and went up about 50 feet and fell.

Mr. Dodd, Sr., received severe face injuries. His nose was broken, and the right side of his face bruised and lacerated. His right eye was swollen closed. His son, Calvin, escaped with only a few scratches.

He was resting fairly well, however, at the Payne-Shotwell Hospital, where he was admitted soon after the accident.

In an interview Saturday afternoon with a Leader reporter, Mr. Dodd stated he considered himself and son very lucky to be alive, and not be more injured than they were.

Cats Poised For Season's Tilts

According to Lubbock's Westerners, the Wildcats are something to reckon with and District 5-A coaches are advised to proceed with caution when the local griders are on the prowl.

The Wildcatts and Westerners held an scrimmage session, and touchdowns, first downs, or any other features of a regular game, last Friday afternoon at Lubbock's Chapman Field and the Wildcats showed off a smooth working T-formation offense behind a scrappy, heavy line.

Fullback Jack Shelby led the Littlefield attack, while Billy Sisson bulwarked the line from his guard slot. End Jack Davis turned in a top notch passing and catching exhibition.

From a sputtering start, the westerners offense improved rapidly in the session's final stages. Conditions of the scrimmage made actual evaluation of either team virtually impossible.

OFFICE SUPPLIES AT LEADER OFFICE

Peak Rosters Mark School Opening

The electric show held last Saturday at the VFW hall was pronounced an outstanding success by REA officials and local merchants who participated in the all-day exhibition.

Fourteen appliance dealers in Littlefield took part in the show which was under the sponsorship of the Lamb County Electric Cooperative, Inc., according to J. H. Carl, manager of the REA office here.

Fundamental purpose of the show was to acquaint consumers of Littlefield and area with the appliances which are being manufactured today. Many of the items on display were unknown to consumers because of the fact that shortage of material have kept down their production.

Many of the appliances shown were secured above dealers' quotas, especially for the show. The special effort was made by manufacturers who supplied the appliances in the interests of advertising.

Visitors to the electric show were served with free soda pop.

'Twas a Great Day

When the first gusher started the Panhandle's oil boom just 26 years ago, the area we serve became one of the most productive of crude oil in the world!

But... greater days are yet to come! We have more than one fifth of this nation's reserve... still underground! Oil is destined to become even more important to folks in this area in the years to come.

We have so much faith in the oil industry—and all other industries we serve, that we are investing 35 million dollars in a building program. This expansion program in our territory will bring more dependable electric service to industry and better living—electrically—to everyone.

CONSIDERED ALL THE ANGLES YET RAIN-MAKIN SCIENTISTS HAVEN'T BULL LAKE PHILOSOPHER SAYS

Editor's note: The Philosopher on his Johnson grass farm on Bull Lake probably is worrying ahead of time, but he may have a point in his letter this week.

Dear editor: While ordinarily you'll find me in the lead mentally anyway when it comes to progress, of the kind that eliminates unnecessary work and I don't mind saying after years of experimentation and resistin and continuous deep thinkin I have discovered most work comes under that category if you just leave it alone long enough, there is one piece of news lately which has me disturbed. I was readin in a copy of the Avalanche-Journal which drifted down the lake this mornin and lodged against a snag right in front of where I was sittin and a man that ain't got enough ambition to bend over and pull in a newspaper when it's in reach in front of him ain't got enough ambition to endorse a government check and which I pulled in when I got around to it where scientists themselves instead of crack-pots is now experimentin with rain makin tests and in several instances has produced rain by scatterin dry ice in

the clouds. Now understand I never have stood in the way of progress, bein' perfectly willin to let it flow around me without raisin no fuss as long as it didn't disturb me, but I have been wonderin if them scientists have taken a practical view of their rain-makin? Have they considered what it will mean to be able to produce rain? You take me right now. A good rain every week would be fine for my Johnson grass and the two Jersey steers I'm fatten out for the market, but my neighbor across the lake considers it outrageous to be wishin for a rain when his cotton don't need it and if it rains will blame me, as though my wishin was what done it. But under the present system it ain't really possible to put the blame on anybody. However, if them scientists start producin rain anytime they got the price of a sack full of dry ice and a plumb handy and a customer, they ain't gonna take their lives in their own hands. Say for exammple Roy Gilbert wants a rain on his young cotton and hires a rain-makin outfit and it rains and some runs over on Jess Elms' farm south of town who ain't got no young cotton at the moment and the

Mr. Christian stated that the meeting got underway with a round table discussion at 3 p. m. and closed with a banquet in the evening.

lastt thing he wants is a rain on his open bolls. It ain't no business a peaceful man would want in.

Or right in town, which I ain't no expert on, but say Dave Holaday needs a rain on his fall turnips and Mrs. Clarence Stone is gettin ready for a lawn party, and the former hires a rain-maker.

Tell you, they better leave that rain business alone, or else get it perfected so they can handle it from a hose and direct it only where it's ordered. Personally, I ain't interested in the rain-makin franchise in this area.

Yours faithfully, J. A.

Now is the time to get your heating equipment ready

FOR WINTER

It should be thoroughly cleaned, checked, adjusted, and if necessary repaired. Call your plumber or heating contractor NOW and have this done before the "big rush."

If you have a floor furnace, and wish to clean it yourself, it's easy this way: Lift the grill and remove accumulated dust and spiderwebs with vacuum cleaner and suction hose attachment.

Now is a good time, too, to light your gas furnaces

You'll be glad, later, if you go ahead now and light the pilot lights on your gas floor furnaces or central gas furnace. The quantity of gas burned by these tiny pilots is so small that you'll not be able to tell the difference on your gas service bill. Then when cold weather does come, you'll be ready.

Big engines... long trains
mean lower cost to you!
But union leaders want "half-trains" - double crews!

Big locomotives are built to do a big job in the big country which is America—a big job in peacetime as in wartime. They are built to pull long trains.
Long freight trains can handle more goods at less cost—to you—than short trains.
Long trains mean fewer trains—fewer chances for accidents—fewer interruptions to traffic.
But a few railroad union leaders oppose long trains—among their current 44 demands for changes in rules is one limiting the length of freight trains to 57 average cars. Why do they demand this?

For "safety," they say. But is it? Government figures show definitely that long trains mean greater safety to railroad employes and public alike.
Then, if safety is not the real reason—what is the reason behind this demand? It is to make more jobs which are not needed—to get more pay! This "made work" would be sheer waste. Think of big, modern locomotives using only half their power.
For this waste, you—the public—would have to pay. Higher costs mean a lower standard of living for everybody. Nobody wants that!

Here's the record...
In the quarter century... 1921-1946...
Average length of freight trains has gone up... 39%
Average speed of freight trains has gone up... 39%
The rate of injuries to railroad employes has gone down... 60%
Average wages paid railroad workers have gone up... 84%
Price of railroad materials and supplies has gone up... 58%
Railroad taxes have gone up... 76%
But the average charge by railroads for hauling a ton of freight one mile has gone down... 23%

STRETCHABLE COTTON

Snug-fitting cotton slipcover made of a new stretchable cotton fabric is examined by Tuley Wright of New York. The National Cotton Council reports that the fabric—made without use of rubber—can be stretched out of shape, but always snaps back into place when released. It's also being used for sportswear and other garments.

CHRISTIAN SCIENCE SERVICES
"Substance" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, September 14.
The Golden Text is: "The invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead" (Romans 1:20).
Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Every good gift and every perfect gift is from above, and cometh down from the Father"

of lights, with whom is no variableness, neither shadow of turning" (James 1:17).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "As God is substance and man is the divine image and likeness, man should wish for, and in reality has, only the substance of good, the substance of Spirit, not matter" (page 301).

HENRY'S PONTIAC SERVICE

ANNOUNCES

Announces the Formal Opening Saturday, September 20, of HENRY'S PONTIAC SERVICE in our New Location on East Fourth Street, just across from the telephone office. We invite everyone who will to visit us on that day and inspect our new plant.

We shall be equipped to service all makes of cars and trucks completely, offering complete overhaul on motor, transmission, differential, starter, generator, ignition, and carburetor, plus paint and body work. We shall also offer the best in service station facilities, featuring washing, greasing, tire repair, gasoline and all popular brands of motor oil.

We shall have the most complete safety lane in this section, offering frame and wheel alignment and wheel balancing, and a complete and separate department for brake repair.

GOOD NEWS

Because of Pontiac's increased production and increase in our allotment, we are again in a position to take a limited number of bonified orders for Pontiac cars and GMC trucks. These orders will be delivered at bonified list prices, no trade in required. A small down payment will secure your order. This is strictly limited to a small number of orders.

Mr. and Mrs. James Stokes arrived home last week from Norman, Oklahoma, where Mr. Stokes has been enrolled at the Oklahoma State University. He has been attending the summer session, which has just closed. Mr. and Mrs. Stokes will leave again today to return to Norman as the fall term opens September 11.

Mrs. E. B. Luce and Mrs. Ralph Nelson spent Thursday in Lubbock.

Mr. and Mrs. J. H. Houk returned late Friday from a five-weeks' vacation trip to points in Indiana, Washington, etc. They recently purchased a ten acre tract and rock house on

Highway 51, formerly owned by Mr. and Mrs. Tunnell, and will move to the property soon.

Miss Irma Mae Hill left Wednesday of last week for Selma, Calif., and other points on a two weeks' vacation trip. She will return to her duties at the Rowe Abstract office the middle of this week.

Mr. and Mrs. E. S. Rowe, Sr., left Monday on a week or two vacation at their cottage at Tres Ritos, N. M.

Mrs. W. C. Parker of Hart Camp fell on her waxed floor recently and cracked a rib. She has had the injured side taped up, and is getting along nicely.

Donna Melton, little daughter of Mr. and Mrs. Raymond Melton, who is suffering from sleeping sickness, was taken home Friday. Although still asleep, the child is able to take sufficient food, and it is believed that the family can take care of the child nicely at home. It is thought she will get better as she gains her strength. Donnan was 95 days in the Littlefield hospital.

Mrs. S. G. Underwood visited Mr. and Mrs. J. P. Davis and children, Patsy, 8, and Tommy, 6, in Lubbock, a few days last week. The Davis family lives in Kerrville, but were in Lubbock visiting relatives, and Mrs. Underwood took advantage of their trip to Lubbock to visit with them.

Mr. and Mrs. William Rumback are reported to have sold their home to Mr. and Mrs. Travis Jones. Mr. Rumback is also said to have sold the business building he erected at Odessa.

Mr. and Mrs. E. A. Bills left Saturday afternoon for Amarillo. Mr. Bills will attend the lawyers' banquet honoring the district judge, while Mrs. Bills will visit with her daughter and son-in-law, Mr. and Mrs. Paul Simmons.

Mr. and Mrs. Joe Guthrie and sons, Robert Earl and James, of Wichita Falls, visited over the week end with Mrs. Guthrie's sisters and brothers in law, Mr. and Mrs. W. H. Roberts and Mr. and Mrs. Les Barker.

Mrs. M. E. Lowe had as guests the past weekend in her home Mrs. E. D. Johnson, her grand-daughter, the former Veima Lee Lowe, of Houston; Mrs. Roy Martin, her daughter, of San Angelo, and Mrs. E. H. Johnson of Hobbs, N. M., and Mrs. Warner, M. Petticolas of Lubbock, daughters of Mrs. Lowe.

Mrs. Fletcher Sowders and Mr. and Mrs. Harold Weedell left Tuesday of last week for Red River, N. M., returning Thursday.

Mrs. John Porter of Farwell spent from Sunday until Wednesday of last week in the home of her mother, Mrs. E. M. Davis, and in the home of her sister and brother-in-law, Mr. and Mrs. Tom Matthews.

Mr. and Mrs. Barteo Haile and son, Barteo, Jr., of Dallas, spent Sunday here with Mr. Haile's father, Starr Haile, and Mrs. Haile, and enroute home visited Mrs. Haile's parents, at Lubbock.

Mrs. Guy Covington and son, Gerald Mac, have returned to their home in San Angelo after a visit with Mrs. Covington's aunt, Mrs. Lulu Hoover, for the past weekend. Her husband is a sergeant at Camp Ord, Calif. Mrs. Covington and son are expecting to join Sgt. Covington soon.

Miss Elwyn Packwood left Sunday for Shawnee, Okla., to resume her studies at the Oklahoma Baptist University. She will complete her work and get a BS and secretarial science degree in January next. Miss Packwood is the daughter of Mr. and Mrs. E. J. Packwood.

Misses Linda Matthews, Nina Jo

Church Has 120 Additions In Past 18 Months

The First Baptist Church of Earth during the past 18 months, since Rev. C. T. Jordan returned to the pastorate of this church, has had 120 additions to the church, with 78 for baptism.

This is indeed, a high record of achievement for this church, and would indicate a very capable and hardworking pastor in the person of Rev. Jordan.

During the past 12 months the church has also made another outstanding achievement in that it has raised \$14,866.72 for all causes of the church, including missions, benefits to colleges and orphan's home, old ministers' relief, etc.

Dunn, and Juanita Hamilton are among those who plan to leave about September 15 for Canyon, where they will attend West Texas State College.

Mr. and Mrs. James Siems and little daughter, Cynthia Maire, of Hamilton, spent a week recently with Mrs. Siems' parents, Mr. and Mrs. Ed Drager.

Mrs. L. L. Manley of Long Beach, Cal., recently visited her parents, Mr. and Mrs. R. F. Jones, and Mr. and Mrs. Otto Jones. She accompanied Mrs. Kenneth Houk to Goree to visit relatives for a few days, returning here and spending a few days before continuing to her home in California.

Mr. and Mrs. J. M. Rafferty of Fort Worth arrived Saturday to visit her parents, Mr. and Mrs. L. L. Hendricks, and accompany them on a week's trip to Juarez, Albuquerque, Santa Fe and Ruidoso, N. M.

Mrs. A. H. Lollis attended a class in Lutzer's cosmetics at Lubbock last week. She was accompanied to Lubbock by Mrs. E. M. Davis of Littlefield and Mrs. John Porter of Farwell.

The residence being constructed by Mr. and Mrs. Frank Bartley on Phelps Avenue is about completed, and they expect to move to their new home in about a week. The residence is of frame construction, and contains four rooms and bath.

Wheat And Sorghum Prices Reach New Peak; Oats And Barley Advance

Southwest farm products sold generally firm to higher last week, with cotton and some cattle classes the major exceptions, U. S. Department of Agriculture's Production and Marketing Administration reports.

Demand for all grains continued good last week. Wheat and sorghum prices reached new peaks, while oats and barley advanced sharply, and corn held firm. At Fort Worth and Galveston, bulk carlots of No. 1 hard wheat closed Friday at \$2.71 to \$2.72 per bushel; No. 2 white corn \$2.98 to \$3.05; yellow \$2.50 to \$2.55; No. 3 barley \$1.84; No. 2 red oats \$1.27 to \$1.31; and No. 2 milo \$3.55 to \$3.60.

Rough rice sold at firm prices last week. First Arkansas Lady Wright brought \$12.60 per barrel. Demand improved for alfalfa hay, which moved at slightly higher values. Prairie hay eased. Most sales of new farmers' stock peanuts have been at support prices. Higher foreign wool prices induced active domestic wool buying.

Good demand and light offerings kept egg prices firm last week, while all classes of poultry found strength at some markets. Top quality white candled eggs sold generally around 50 to 55 cents per dozen, and grade "A" mixed eggs 45 to 50. Heavy hens ranged largely from 22 to 32 cents per pound, and fryers from 32 to 39.

Colorado fruits and vegetables met generally good demand last week. Peach shipments dwindled, but Arkansas Valley onions moved in volume at \$1.30 to \$1.50 for 50 pound sacks of U. S. No. 1 sweet Spanish. Potatoes strengthened, and peas and cauliflower scored sharp early-week gains but weekend some later. Louisiana sweet potatoes found slow demand at weaker prices. Declining watermelon receipts at Fort Worth sold a little stronger, but cabbage, lettuce, and onions weakened.

Spot cotton marketings increased last week, as picking and ginning moved farther north. Strict Low Middling and above found good demand, but farmers sold less freely, as prices declined \$4.00 to \$6.50 per bale for the week.

Spring lambs sold firm to \$1.00 or more higher last week, and aged sheep gained up to 50 cents. Medium to good spring lambs brought \$18 to \$20.50 at San Antonio, and \$20 to \$22.50 at Fort Worth. Good and choice kinds went at \$24 to \$24.50 at Wichita, \$22.50 to \$23 at Oklahoma City, and \$25.50 at Denver. Sows brought mostly \$20 to \$25 and pigs \$20 to \$26.

Slaughter and stocker calves dropped sharply at most southwest markets last week, and cows lost at some places. Common to medium slaughter cows ranged largely from \$12 to \$16, and calves \$13 to \$19. Most good calves sold at \$19.50 to \$22. Common to medium stocker calves brought mostly \$16 to \$18.50.

E. S. Rowe, Jr., BUYS WELDING SHOP

E. S. Rowe, Jr., has purchased the South Plains Welding shop on Highway 84 from Alvin Mueller, and took possession Thursday.

Mr. Rowe returned to Littlefield last month from Crosbyton, where he has been engaged in road construction.

Mr. and Mrs. Mueller and family left Friday on a trip to East Texas.

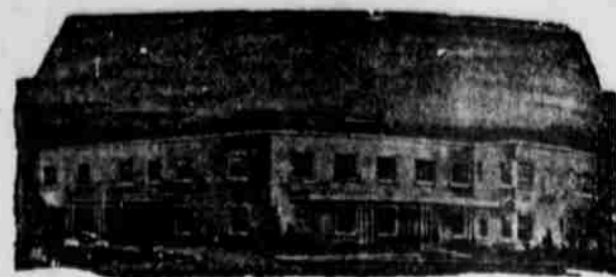

Mr. and Mrs. Rowe moved into one of T. I. Batson's apartments in the block across from the ice plant, which was vacated by Mr. and Mrs. J. L. Walraven, who moved to the Mrs. Maude Street house on East Fifth Street.

Kidneys Must Work Well

For You To Feel Well 24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood. If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly. Burning, scanty or too frequent urination sometimes warns that something is wrong. You may suffer nagging backache, headaches, dizziness, rheumatic pains, getting up at night, swelling. Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulates the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.

A Message From Reda Evans

I am proud to announce the opening Monday, September 15, of my new Helpy-Selfy Laundry, where I will have the very latest laundry equipment, including 16 new maytags, and offering the public a brand new, cool, large building in which to do their laundry, with every convenience, and plenty of parking space.

I invite all my friends, and those needing this service, to come out and visit us. Your patronage will be appreciated.

REDA EVANS

A Message From Allan Rhodes

I want to take this opportunity to thank all my old friends and former customers for the fine volume of business extended me during the seven years I was in the laundry business. Your cooperation and friendship has always been appreciated. It was always a pleasure to serve so many people of Littlefield and trade territory, and now that I am re-entering the laundry business I am soliciting your continued business and friendship.

I offer a complete laundry service and will appreciate your business. Allan Rhodes
