Notes On Grain Sorghum Situation

By GEORGE MAHON

WASHINGTON, D. C.—For a period of three weeks I have heard of the critical grain sorghum situation in West Texas, getting my information from individual producers and County AAA offices. The price slump, and lack of storage and railroad cars for transportation have cost West Texans many thousands of dollars.

Throughout this period I have been in constant touch with the proper officials here urging and demanding prompt action to prevent

the sacrificing of our grain sorghum crop.

The government loan rate on grain sorghum is \$1.69 per hundred, but to be eligible for the loan the grain must be stored in warehouses or on the farm, and adequate storage has not been available.

Briefly, the following steps have been taken to assist the producers:

1.—To afford a greater market demand for grain sorghum, the War Production Board and War Food Administration have agreed to permit the unrestricted use of grain sorghum in the manufacture of industrial alcohol for the war effort. There has not been any restriction on the use of grain sorghum by the brewers, but October 1 is the first

date that the use of sorghum will be permitted for industrial alcohol. It is estimated that alcohol producers will consume about 6 million bushels of grain sorghum per month. The brews and the mixed feed manufacturers will probably take 10 million bushels per month.

2.—In order to make better use of present storage facilities, the maturity date of the sorghum loan has been changed from June 30, 1945, to April 30, to enable warehousemen to clear their storage for wheat by next spring, thereby permitting the warehousemen to accept more grain sorghum.

3.—In an effort to provide additional storage space, some lumber and prefabricated granaries are being provided, but this is not very effective as demand is so great in relation to supply.

4.—Director Johnson of the Office of Defense Transportation has agreed to provide additional railroad cars to move the grain but declares that it is not possible to fully meet this important need on account of other demands of the war effort for cars.

These matters are of the greatest concern because West Texas is producing millions of bushels of grain sorghum. The production costs have been great, and a price of less than the loan rate of \$1.69 per hundred is intolerable. National grain sorghum production last year amounted to 103,000,000 bushels. Texas, principally West Texas, producing 74,000,000 bushels of that amount. I shall continue to urge adequate price support for grain sorghum and every possible assistance toward more adequate storage and transportation facilities.

J. G. WEST KILLED B-24 BOMBER CRASH

Lieut. West was a graduate of the Littlefield High school, and was a medical student at Tech college, Lubbock, two and a half years before entering the service. He was commissioned and received his wings at Marfa Field, Marfa, Texas, on April 15, 1944.

Lieut. West married Miss Hazel Holladay at the Marfa Army Airfield Post Chapel Sunday, March 4, 1944.

His parents have been living in Lubbock for the past two years, where Mr. West is employed at the Kuykendall Chevrolet Company. He was formerly connected with the Hewitt Chevrolet Company here.

Eight of the victims were officers and three enlisted men, all of whom were stationed at Albuquerque's field.

Besides his wife and parents, Lt. West is survived by two brothers and two sisters. The brothers are: Leon and Johnny, and the sisters, Moneta and Peggy, all of Lubbock.

The remains arrived in Littlefield Saturday afternoon, accompanied by Lieut. Russell Markstorm of Kirkland Field, Albuquerque, N. M.

Funeral services were held at the First Baptist church here at 4 p. m. Sunday, with Rev. Roy Shahan, formerly pastor of the local church, and now of Snyder, officiating, assisted by Rev. Lee Hemphill, present pastor.

In charge of Hammons Funeral Home, Littlefield, the body was taken overland to Lubbock, where a service with all military honors was conducted and interment took place in a Lubbock cemetery.

Pallbearers were four brothers of Mrs. J. G. West, Sr., of Munday, Texas, and John Ross and Jim Douglass.

Flower bearers were: Martha McCormick, Faye Johnson, Wanda Johnston, all of Lubbock; and Miss Mary Beth Bilderback, Mrs. Roy Hutson, Jr., and Misses Betty Ruth Walters, Lois Lee, Linda Beth Stokes, Camille Arnold and Faye Repass.

J. G. West, Jr., 21, son of Mrs. J. G. West of Lubbock, formerly of Littlefield, was one of 11 men killed Wednesday of last week, when their four-engine B-24 bomber crashed and burned 23 miles east of Tucumcari, Mexico.

Information was received Thursday by Mr. and Mrs. W. Holladay, parents of Mrs. West, accompanied by Leon West of Lubbock, a brother of the service, and Jim Douglass of Littlefield, left immediately for Albuquerque, N. M. Lieut. West had been assigned at Kirkland Field, Albuquerque, N. M., as an instructor on the B-24, and the couple were maintaining a home there. Mrs. West is the former Miss Hazel Holladay.

The ship had been on a cross-country combat training flight to Mexico, and was returning to its base at Albuquerque when it crashed.

Wildcats Trounce Morton Friday

The Littlefield Wildcats journeyed to the Morton Indians Friday afternoon to play a crowd of about 250 spectators. In the first quarter neither team showed much and no scoring was made. Early in the second quarter Homer Peel end blocking men, Walter Sewell made a run around center for the touchdown of the afternoon. The Owens' attempt for extra point was no good. About the middle of the second quarter the Indians had the ball on Littlefield's yard line and it was the fourth yard. Morton kicked and Walter Peel received on the 20-yard line and ran 80 yards for the second touchdown of the game. Owens failed to mark up extra point. Late in the second quarter Oscar Perry ran 20 yards over center for third touchdown of the afternoon with very good blocking. Buster Owens failed again for extra point. At the half the score was 18 to 0 in favor of the Littlefield Wildcats. In the third quarter Oscar Perry plunged through center for fourth touchdown of the afternoon, and also made a center plunge for extra point. Later Arend carried the ball around end for another touchdown. Try for extra point was successful.

Eugene Carter, substitute for Arend, took the ball in the fourth quarter and ran over the center for sixth touchdown of the evening. Stanley Lyman passed to Stanley Smith for extra point. The last touchdown of the evening came when Lyman carried the ball around end for a tally. Owens marked up the extra point on a run.

The Indians' closest venture to pay dirt was on a fumble when the Indian guard carried the ball 20 yards in the clear until Homer Peel tore through heavy interference to down the runner.

Littlefield was well represented at the Morton game when the local pep band under the direction of Miss Lyhart journeyed to that town to show a little pep from the side as they entered the game.

Nov. 15 Last Day For Sending Gifts To Wounded Heroes

**Packages To Be Taken
To Ware's And Be
Displayed In Window**

The campaign to collect gifts for the disabled veterans of McCloskey General Hospital at Temple for Christmas is now underway, and Mrs. Ves Terry of Sudan, chairman of the Camp & Hospital Council for this district, taking in the 14 counties of this area, has pointed out that only a few more days remain for residents of this area to contribute gifts to help make the holidays brighter for hospitalized veterans. November 15 is the deadline for completing this project.

Mrs. L. E. Slate, also of Sudan, is county chairman of the Camp & Hospital Council.

Gifts of merchandise or money will be very acceptable.

Gifts may be bought at any store and a card enclosed with each gift showing who contributed it.

Those wishing to contribute Christmas gifts of either merchandise or money for these wounded veterans are asked to leave their gifts at Ware's Department store, where they will be displayed in a window.

Mrs. Terry asks that no one gift wrap their package; that the "Enlisted Men's Wives Clubs" at Lubbock are taking the responsibility of gift wrapping the gifts.

When the project is completed, Mrs. Terry and Mrs. Slate will take the gifts to Lubbock, where they will be wrapped, and put on display in the Hemphill-Wells window, before being sent to Temple.

Every resident of this area is urged to cooperate in this most worthy and patriotic effort to make happy these wounded veterans at Christmas time.

WAR CHEST DRIVE GETS UNDERWAY TUESDAY

Judge I. B. (Dock) Holt, chairman of the War Chest Drive for Lamb county, announced Wednesday that the various cities and communities in the county were organized and everything in readiness to start the drive Tuesday, October 10.

The quota for Lamb county is \$9,335.

The drive for Littlefield will get underway Tuesday, with J. H. Ware, chairman of the Littlefield School district. Mr. Ware states that the organization for the National War Fund drive and everything is ready for the big start on Tuesday morning.

Over 200 volunteer workers from the school district will assist in the drive. The Rotary club, cooperating with the businessmen of Littlefield, who are not members of the Rotary club, will take part in the downtown business section, meeting at the office of E. S. Rowe and C. O. Stone at 9:15 for final instructions.

Mrs. C. O. Stone, who has accepted the chairmanship for the residence to residence drive, will use around 50 to 60 for house-to-house canvass.

These workers will be furnished from the different churches in the Littlefield school district.

Mrs. Stone's group will meet Wednesday morning, October 11, at 9:30 o'clock in the basement of the Methodist Church, where the workers will be given final instructions.

Rev. Lee Hemphill has been appointed chairman of the Church committee and it will be through Rev. Hemphill's efforts that all churches, city and rural, will be notified how many workers they will be asked to supply.

The school committee headed by Supt. Fred Miller, and his co-workers are: High school, Mrs. Dick Edwards; grade school, Mrs. A. Y. Doherty; primary, Mrs. Johnny Carl.

Mr. Ware will address the student body in all three buildings of the Littlefield school system on Monday morning, conveying to the students just what this drive stands for, that they in turn may take this information to their parents and bring back to their instructors at school their contribution in this drive.

Mrs. Phelps Walker is chairman of the Booth Committee and will operate a booth in the First National Bank Wednesday, Thursday, Friday and Saturday of next week.

Another booth committee will be the street booth committee operating in the Palace Theatre block, and in front of Stokes Drug store, on Saturday only. The chairman of this committee is Mrs. Ann Barnett with co-chairman, Mrs. Ann Rutledge.

Mr. Ware is very enthusiastic over his committee and feels that if the committee receive the cooperation they should, they will complete the Littlefield School District drive within two or three days, raising over \$3,600 which is the quota for this school district.

W. J. Bill Chesher of the Palace and Ritz theatres is chairman of the theatre committee. Mr. Chesher is perfecting his organization, and will have everything ready for the big drive in his theatres each night starting Tuesday night and running through Monday night of the following week. Mr. Chesher's contribution through his patrons in the Red Cross drive were very successful and he feels sure that the response to this war fund drive will be just as successful.

Announcement of adjustments in residential and commercial rates for customers in most South Plains cities and communities was made today by Southwestern Public Service company. The new rates are now in effect and will apply on customers' statements beginning with those rendered for October use.

Public Service Co. Reduce Rates Week Of Oct. 9-14

This adjustment in rates downward is in line with the Southwestern Public Service company's long established policy of reducing rates as rapidly as possible, consistent with adequate and reliable service. The company assumed responsibility for electric service in the South Plains territory under war conditions in September, 1942, and this is the first rate change since that time, Hardy Shelby, manager, stated today. This adjustment will save the electric customers on the South Plains an estimated \$42,100 a year on their residential and commercial lighting rates.

This adjustment brings the rates in the territory to a new low. The continuation of the company's long established policy of reducing rates in the post war era will enable everyone to enjoy all-electric homes when appliances become available again.

Having unbounded faith in the future of the territory served by the company and anticipating the increased use of electric service throughout the system, the Company will, in the next 12 months, make major additions to lines, substations and generating plants.

Both Teams Are Undeclared In Conference Play

**Both Mustangs And
Wildcats Expected To
Put Up Stiff Scrap**

What will be the "top game" in class A football in this section will be unreeled at the Seely Stadium here Friday night, when the Otton Mustangs meet Littlefield Wildcats on their home ground, at 8:30 o'clock.

This will also be the first game under floodlights mounted on new 60 foot towers, which have been installed at Seely Field at considerable trouble and expense.

Friday's game will go a long way towards establishing a contender for conference champions. Otton and Littlefield are both undefeated in conference play. Due to traditional friendly rivalry between the teams, both squads are expected to put up a stiff scrap.

The Wildcats are off to a good start winning their first three games over Dimmitt, Sudan and Morton. The Otton team is strong again as usual having defeated Lockney and Morton by decisive scores. Their only loss was to Hereford in the season opener. Both Otton Mustangs and the Wildcats have a perfect record in the conference and each will be battling to eliminate the other from the title race.

The Wildcats are expected to be in fair shape with exception of Oscar Arend who has missed practice most of the week because of a bad throat, and Billy Lyman who received a broken nose in scrimmages. Arend is expected to be able to play, but may not be up to par.

The starting line-up will probably be:

Buster Owens—R.E.—156 pounds
Sabin Hendrickson—R.T.—170;
Gene Pratt—R.G.—130;
Sidney Buell—C—194;
Kenneth Ware—L.G.—140;
Dal Brandon—L.T.—156;
Homer Peel—L.E.—165;
Billy Lyman—Q.B.—165;
Walter Sewell—F.B.—170;
Oscar Arend—H.B.—140;
Junior Graham—B.B.—145;

The starting line-up for Otton will probably be:

Joe Hysinger—L.E.—169 pounds;
George Clark—L.T.—230;
Charles Vaughn—L.G.—165;
Bill Langford—C—135;
Elmo Hall—R.G.—153;

Bank Daughter Of And Mrs. J. R. Griffin Passes Away

Mrs. J. H. Attaway returned from San Antonio, Texas, where she was called two weeks previously due to the serious illness of her daughter, Mrs. J. R. Griffin, whose infant daughter lived six hours after birth.

The child, named Patricia Sue, died away Wednesday, Sept. 13, at the New Braunfels Hospital, New Braunfels, Texas, where Mrs. Griffin has been a patient for the past two weeks, and is reported to be recovering.

Funeral services were conducted at the First Baptist church, Waco, Texas, Sunday morning, September 16, at 10 o'clock, and interment took place at the cemetery.

Mrs. Griffin is electrical engineer and employed in the wiring of the field run-way, San Antonio.

Mrs. J. H. Attaway, 13, who had his death on September 17 while working at an ice plant, and was a patient for four days at the Littlefield Hospital, is now getting along. He is the son of Mr. and Mrs. J. H. Attaway. He is still using the medicine to get about.

Mrs. Jim Blessing and Zed Robinson made a business trip to Lubbock Friday.

Billy Joe Johnson had the misfortune Sunday to get his finger broken, while riding his bicycle. He reached back to put on his fender that had come loose and caught his finger in the spokes. He is being treated at Payne-Shotwell Hospital.

CARNIVAL UNDERWAY HERE THIS WEEK

The Byers Bros. Combined Shows and Carnival, sponsored by the Richard New Post of the American Legion, got underway Monday, and will continue throughout the week. It is being held west of town.

Gives 500 GI Haircuts Monthly

Cpl. Otis M. Smith, of the Signal Corps, and stationed in India for the past year, is getting along fine, according to Mrs. Smith, who says she hears from him almost daily.

Cpl. Smith states it is hot in India, but it hasn't been as bad as he expected as the monsoon season is longer this year than usual. He says it rains a lot. He is a teletype operator, and operates a barber shop on the side. He says he gives about 500 G. I. haircuts a month there.

S-Sgt. Yantis Wears Marksman's Badge

S-Sgt. Oswin K. Yantis, Littlefield, Texas, recently qualified as marksman with the carbine rifle, it was announced at the Ephrata Army Air Base, Wash., a Fourth Air Force fighter pilot training base. S-Sgt. Yantis now wears the Marksman's badge.

Mrs. Boozer of Goodland was received at the Payne-Shotwell Hospital Sept. 27 for treatment.

LOYD C. HOOD PROMOTED TO SGT.

Lloyd C. Hood, stationed in the China-Burma-India Theatre of Operations for the past 19 months, has been promoted to sergeant.

Hood, whose parents, Mr. and Mrs. Joseph C. Hood, live at Route 1, Olton, was employed by his father prior to serving with the Armed Forces. He is now assigned to a Combat Engineer unit along the famed Ledo Road which Brig. Gen. Lewis A. Pick's Service Forces have forged across the rugged mountains and through the dense jungles of northern Burma. Sometimes called "Pick's Pike," this lifeline of supply has followed close on the heels of General Stilwell's return march into Burma.

Sgt. Hood is authorized to wear the Good Conduct Medal and the Asiatic-Pacific Ribbon with Bronze Star.

W. H. Winningham was ill and confined to his home Monday.

Mrs. Sam Hutson returned Thursday from a seven weeks' trip to California. She visited her sister and brother-in-law, Mr. and Mrs. Bob Ferrier, at San Francisco, and another sister and brother-in-law, Mr. and Mrs. Charles Harvey, at San Diego, and her brothers and sisters-in-law, Mr. and Mrs. Ernest Smith, and Mr. and Mrs. D. A. Smith at San Bernardino, Calif.

Mr. and Mrs. C. Paul Burrus of Olton are the parents of a son weighing 7 pounds 1 ounce, born at 1:30 p. m. Saturday at St. Mary's hospital. The father is a farmer.

Mrs. J. H. Lyda of Littlefield was admitted to the Payne-Shotwell Hospital Thursday last for medical treatment.

Mrs. Earl Houston and little son and daughter, Michael and Jacquelin, visited the past week with Mrs. Houston's grandparents, Mr. and Mrs. B. A. Michael and left Sunday for home at Childress.

LITTLEFIELD B BEATS AMHERST A STRING

The Littlefield Wildcats B string defeated the Amherst Bulldogs A

string at Seely Field in Littlefield Thursday afternoon of last week, 19 to 6.

Jackie Shelby, captain of the second string, called the plays for the

afternoon. This B team looked very prospective for a good team next year.

MASSEY-HARRIS SELF-PROPELLED HARVEST BRIGADE

INVADES THE TEXAS MAIZE CROP

For the past few months, throughout America's great grain belt, bumper crops of grain have been harvested in record time with fewer men and at lower cost than ever before. Five hundred Massey-Harris Self-Propelled Combines, manned by capable custom operators have provided the answer to America's 1944 harvest in the face of serious shortages of men and machines.

Just as soldiers with Massey-Harris built M-5 Tanks are fighting on the battle fronts of the world, the Harvest Brigade operators have been fighting the battle for grain production on the home front. Some of these operators have harvested more than 3,000 acres this season.

THE BRIGADE NOW HARVESTS MAIZE IN ANTON TERRITORY

Because of the millions of acres to be harvested in our own State, Texas was given its own Harvest Brigade. It began in Flax, followed through in oats, wheat and other grains and is now tackling the maize crop in Hockley, Lamb, Hale and Lub-

bock Counties. The estimated maize crop for these four counties is 1,090,000 acres which should produce 37,656,000 bushels, and wherever there is a need for extra harvesting help, the Brigade will operate. Be sure to see the Massey-Harris Self-Propelled Combine in operation.

AN AMAZING IMPROVEMENT IN HARVESTING METHODS

Even before the war, the Massey-Harris Self-Propelled Combines proved its ability to HARVEST MORE GRAIN IN A GIVEN TIME, WITH FEWER MEN AND AT LESS COST than ever before in history. One man operates this marvelous harvester . . . one engine propels the combine and drives the mechanism. No tractor or tractor crew

needed. Saves the grain normally tramped down on the opening cut—saves manpower and fuel.

The Harvest Brigade is working hand in hand with Uncle Sam through the county AAA Boards and in co-operation with Massey-Harris dealers and custom operators.

See us or phone at once if you need harvesting help

Practical Tribute

The American Red Cross in Merced County, Calif., recently received a \$250 donation, raised by the sale of the "best cow" from the prize dairy herd of Mr. and Mrs. Mel Hultgren of nearby Winton. The donation was made in honor of the five young men, now in the armed forces, who helped them build up their prize stock.

The Hultgrens were forced to abandon dairy operations when the young men who worked for them one by one joined the armed forces.

Don't Fire On Our Own Men!

The Germans and the Japs would like for us to believe that the war is almost over. Nothing would suit them better than to have Americans let down on the home front.

That is why the enemy propogandists are working overtime—to lull us into a false sense of security. They know that only if we grow overconfident can they hope to stage a successful comeback and win the war.

Soldiers in the thick of the fight know better.

Out where the bullets are flying, no one is thinking about the end of the war. The boys there are thinking of only one thing—to fight to the finish.

If we let them down now—if we let down in our homefront jobs just because of good news from Europe—our fighting men will be endangered not only by the enemy in front of them, but by their own people at home!

We just can't let them down!

Now, more than ever before, they need our full support. Now, when victory is in sight but the fighting harder than ever, they need to know that we are solidly behind them.

All Texans can show that support by working and contributing toward the success of the National War Fund Campaign. Through this single state-wide drive, Texans may contribute to USO, War Prisoners Aid and all the other National War Fund agencies that are serving our own fighting men, our Allies, and war victims everywhere!

The county leaders who are conducting the campaigns are the leaders in the home-front fight for victory. They deserve the support of every Texan.

F.H.T. held a meeting Tuesday night. We discussed several business matters; including our dues. We decided on 25 cents a semester. The Scrap-Book committee gave a report as did the Year-Book committee.

The nominating committee made its report, then we voted for officers, who are:

- President—Glendolyn Bales; Vice-Pres.—Linda Matthews; Sec.-Treas.—Nadene Fields; Reporter—Sybil White; Song Leader—Patsy Steffey; Pianist—Billie Marie Hopping and Nina Jo Dunn; Parliamentarian — Anna Jo Edwards.

Our program leader was Nadene Fields. The theme was: "No Progress Can Be Made Without Faith." Then a religious song by Geraldine Clements and Frances Newton, with Nina Jo Dunn at the Piano. A talk was given by Nellie Carter.

Just following was a poem by Sybil White, "Life Is A Ladder." Our guest speaker was Supt. Fred Miller. "They Will Come Back" was given by Glendolyn Bales. We sang our club song, "Sing Your Way Home."

Then the president appointed some new committees.

Business Committee: Allyn Williams, Nellie Carter and Jureta Simmons.

Social Committee: Anna Jo Edwards and Lavon Dowdy.

Scrap-Book Committee: Oleta Byers and Leta Mae McCormick.

Central School P.-T.A. To Meet Oct. 11

Hunt Down Nazi Snipers in Lyon

After a pitched battle between French forces of the interior and Nazi sympathizers hiding in Lyon's Hotel Dieu (the city hospital), the hospital is ablaze in the background as Lyon civilians wait to cross the single-path bridge over the River. (OWI-PWD)

Number Of Thefts Reported In Area

A number of thefts in this area have been reported by Sheriff Sam Hutson.

An electric welding outfit was stolen Tuesday of last week from the blacksmith shop of John Holder, valued at about \$35; and a local man was arrested by Deputy Sheriff Sid Hopping Thursday, and lodged in the Littlefield jail. Bond had been set at \$250. His case came up Monday before Judge I. B. Holt when he pled guilty and was fined \$51. Sheriff Sam Hutson and Deputy Sheriff Sid Hopping recovered the stolen property.

A bicycle and watch were stolen last week here. Sheriff Hutson of Littlefield and Deputy Sheriff Jack Anders arrested a Mexican boy at Anton. He is being held in the Littlefield jail, charged with alleged "theft by bailer." This is a juvenile case, and the Mexican boy has paid for the property, and will be paroled to some guardian to work, according to Sheriff Hutson.

Two boys, giving their names as Doyle Rae Londi, 17, and David Willis, 16, of Trenton, Texas, were arrested at Littlefield recently on charges alleging forgery, and lodged in the local jail.

The case arose out of the alleged attempt to pass a check at a local store for \$22.50 on Reuben Brock of Fieldton.

The boys are still in jail. A colored man was arrested Friday by Deputy Sheriff Sid Hopping, and a representative of the Liquor board, and fined \$100 and costs in County Court at Olton Monday. He was charged with possession of in-

toxicating liquor. He is also being retained in the local jail.

A colored man giving his name as Jimmie Brown of Petersburg, Texas, was arrested Friday night, on a charge of alleged possession of liquor for the purpose of sale; and he was fined \$100 and costs in County Court Monday.

Sheriff Hutson also announced several other arrests made over the week end, including arrests for disturbance of the peace.

Has Elbow Wound

Cpl. Thurman Brown, son of Mr. and Mrs. J. T. Brown of Lum's Chapel, was wounded in the arm in August last, while in action in Italy.

Although his parents had been informed their son was wounded, they had no information for some time as to how he was wounded; and on an investigation by the International Red Cross, brought about through the local office, Mr. and Mrs. Brown received a letter Saturday from a Red Cross worker saying Cpl. Brown was a patient in the hospital with an elbow wound, and "with a number of congenial companions," was doing nicely.

Miss Hastings And Charles Stegall Wed At Clovis

Miss Betty Jo Hastings, daughter of Mr. and Mrs. Joe Hastings of Littlefield, became the bride of Charles Stegall, son of Mrs. C. K. Stegall of Levelland, at Clovis, New Mexico, Wednesday.

The double ring ceremony was read by a justice of the peace at his office early Wednesday morning.

The bride wore a black suit with black accessories.

Their attendants were: the bride's sister, Miss Bonnie Hastings, the groom's niece, Miss Rosetta Bates, and Mr. and Mrs. Arnold Rouse.

Mr. Stegall is now employed as a truck driver in Sundown oil wells.

A daughter was born to Mr. and Mrs. Hugo Beyer at the Payne-Shotwell Hospital on September 25. She has been named Donna De Niece. Mother and baby are doing nicely.

Miss Laveta Pryor And Lt. J. C. Harris Wed At Kearney, Neb.

Miss Laveta Pryor, daughter of Mr. and Mrs. W. D. Pryor, of 10 miles south of Littlefield, became the bride of Lieut. James C. Harris, Jr., son of Mr. and Mrs. James C. Harris, Sr., of St. Louis, Mo., in a beautiful double ring ceremony at Kearney, Nebr., Saturday, September 16.

Rev. Herbert Ford, Baptist pastor, performed the ceremony at his home at 8:30 p. m.

Lieut. Joe Messenger was the couple's only attendant.

The bride was beautiful in a turquoise wool jersey dress with black suede accessories, and her corsage was of tiny tulleman rosebuds in a half moon design.

Mrs. Harris was graduated with high honors with the 1940 class of Sudan High school. She attended business school in Lubbock, and was employed at the Clovis Air Base, where Lieut. Harris was stationed for sometime.

Lieut. Harris is a navigator on a B-29 Superfortress, and stationed at Kearney, Nebr., where he is awaiting overseas assignment.

At present the couple are making their home at the Lincoln Hotel, Kearney, Nebr.

R. A. Hawkins And Mrs. Criene Garrison Wed At Floydada

Mrs. Criene Garrison of Childress and R. A. Hawkins of Littlefield were married Sunday evening at 7 o'clock at Floydada.

The single ring ceremony was performed by Rev. Doyle, pastor of the First Baptist church, Floydada, at the parsonage.

The bride has been a resident of Childress for many years. Mr. Hawkins was a former resident of Childress also, coming to Littlefield in June last when he accepted employment with the Doggett Grain Company.

The couple are at home at 816 East Fifth street, Littlefield.

Lieut. And Mrs. Geo. White Visit Here

Lieut. George White, who has been in the service over two years, accompanied by Mrs. White, are visiting friends here and attending to business.

Lieut. White has been in the States some time. He served with the Marines, and contracted double pneumonia and malaria fever in Australia, where he was a patient in an Army hospital some time, and later after returning to the States he was confined in a Corpus Christi hospital over eight months.

He had spent considerable time in the South Pacific Islands.

Lieut. and Mrs. White are spending some time in the homes of Mr. and Mrs. P. W. Walker, and other friends here.

They will live at the Yellowhouse Ranch, which Lieut. White owns, as soon as the ranch is available. It is at present leased. They are leaving this week for Roswell, N. M., where they will remain until such time as they may return and live on their ranch.

Ginning Season Is HERE

We Are Ready To Go—
And Will Appreciate
Your Business.

We are now ready to gin your cotton crop.

Our plant has been completely re-conditioned throughout, and is in first class condition.

We have installed the latest thing out in the way of cleaning, and burr extracting equipment, and with the addition of this, and a new press, we sincerely believe that our service cannot be excelled.

This year it is more important than ever that we have a good grade of cotton, therefore, we have installed the machinery to give you these better grades.

The past records of this organization will bear out the fact that EVERYONE who gins with us will receive his rightful share of the profits, and we guarantee that this policy will be followed in the future.

Your business, whether great or small, is sincerely solicited and greatly appreciated.

We urge that you give us a trial and be convinced for yourself.

"Gin With Us And Share In The Profits"

We're Ready To Gin For You

We have completely reconditioned our machinery, and it is all ready for the new ginning season. We have made all the necessary repairs and adjustments on all parts to give you the best possible turnout. We have good men to "Keep 'em Rolling."

Our interest in the cotton this year is greater than ever... because it is vital to the war effort. No gun can be fired without some cotton. Let's keep the men at the front in supplies by Keeping 'em Rolling at Home.

We appreciate the patronage you have always given us. We want it again and solicit it in the strongest terms... We thank you over and over for your past friendship and patronage, and trust you will accept this as a personal message to gin with us this season. We will do our utmost to please you.

Sgt. Brooks Awarded Army Air Medal

An Eighth Air Force Bomber Station, England.—The Air Medal has been awarded to Sgt. Ernest D. Brooks, 21, for "meritorious achievement" while participating in several bombing attacks upon war plants deep in Germany and upon military defense points of the Allied group.

Eighth Air Force B-17 Flying Fortress, "Choo Choo," in the heavy bombardment group commanded by Lieut. Col. George Y. Jumper, Natomas, Calif.

Sgt. Brooks is the son of Mr. and Mrs. E. D. Brooks, Littlefield, Texas. He is a former student of the University of Texas.

He won his aerial gunnery wings at Harlingen Field, Texas, in March, 1944.

Mrs. R. B. Gladden of Morton was admitted to the Payne-Shotwell Hospital on September 24 for treat-

ment and medications, and is improving.

Child Suffers Burns When Home Burns

Wade Trammell, aged 3 years, little son of Mr. and Mrs. P. I. Trammell of west of town, suffered shock and first degree burns, about his legs, hands and face, Tuesday afternoon about 3 o'clock when their two-room home burned to the ground with all their personal be-

longings. The child was taken to the Littlefield Hospital where he is reported to be getting along nicely.

Mrs. Trammell was working in the garden at the rear of the house, it is reported, when the fire broke out. She managed to get her two children out of the house, but saved no personal effects. The second child, a daughter, was also burned, but rendered first aid at the hospital, and taken home.

It is reported that the children opened the gas cock, and that the

gas so escaped caught fire from the cook stove.

Pfc. Dennis Cary, Mechanic in the Engineering Division, is now "Somewhere in Belgium." His parents recently heard from him, and his arm, which was injured, is better.

Pfc. Jack L. Sanders, who is stationed at Camp Gordon, Ga., and a son of Mr. and Mrs. E. A. Sanders of half mile east of town, arrived home Tuesday on a furlough until Monday. He is with the Field Artillery and has been in the service since April.

Mary Estell Stewart of Sulphur was dismissed from the Payne-Shotwell Hospital Saturday after having received treatment.

Virgil McMillan of Olton was admitted to the Payne-Shotwell Hospital Wednesday of last week for treatment.

Anton Man Reported Missing In Action

Jim Hobgood of Anton received a message last week to the effect that his brother, S-Sgt. John E. Hobgood, 24, has been missing in action over Germany since Sept. 9.

S-Sgt. Hobgood, who was waist gunner aboard the Flying Fortress "Heli's Angels," had been overseas since early in June of this year, and had completed 26 missions against Germany before he was reported missing. He has been in service slightly more than a year.

Sgt. Hobgood was graduated from Lubbock High school, and had attended Texas Tech two years before going into the Army Air forces.

Sgt. Keith Kennedy Is Returned For Special Course

Sgt. Keith Kennedy of the Marines and brother of Mrs. L. C. Grissom of this city, who arrived recently from overseas service, has the distinction and honor of being one of three Marines chosen out of a total number of 20,000 to return to the States to take special advance courses.

Sgt. Kennedy is with the Signal Corps.

Enroute enrough from California to Lajune Camp, North Carolina, he spent the night at Clovis, N. M., and Mr. and Mrs. L. C. Grissom, Mrs. Dick Jones and son, Richard, and Miss Marion Crowley went to Clovis to join Sgt. Kennedy and spend the evening.

At Lajune Camp he expected to take examinations and be assigned to a school of his choice to take the special course designated.

Stamps Validated For October

Acting Food Rationing Officer Opal Wood of the District OPA has announced that additional stamps for processed foods and meats have been validated for October.

Blue stamps M5, N5, P5, Q5 and R5 will be used for purchasing processed foods beginning October 2. On the same date red stamps H5, J5, and K5 will be valid for meats and fats. All stamps will be worth 10 points each, giving a total of 50 points for processed foods and 80 points for meats.

A good hen deserves good feed, good housing and good care. If you expect your flock to lay eggs they must have access to things which eggs are made of. EVERLAY EGG MASH supplies these with vitamins, minerals, Proteins and Fats which fed with your home grains and plenty of good clean water will fill the egg basket.

The EVERLAY WAY of feeding hens is very simple and well adapted to feeding in West Texas, as it is made especially to be fed with sorghum grain.

Cpl. Jimmie King, son of Mr. and Mrs. Dock King, who has been overseas about seven weeks, is a bombardier on a plane, and is now on Saipan Island. He says it is hot and rains every day. He asked that his parents send him a wrist band to carry his money in, as everything was so damp and wet.
S-Sgt. Bob McKnight, son of Mrs. Larado McKnight, is in the same group as Cpl. King.

Pfc. Gene Clark left Sunday for Camp Polk, La., after spending 10 days with his parents, Mr. and Mrs. Van Clark. Gene is with the Armoured Infantry.

Pvt. Kenneth Dale Posey, known by his friends in Littlefield as Red Johnson, who was inducted into the Army July 11, 1944, and was sent to Fort Sam Houston, has now been transferred to the air field at Amarillo. He is with the ground Air Corp, and is the son of Mrs. A. R. Johnson of this city.

Sgt. Eugene Rader, son of Mr. and Mrs. J. A. Rader of near Spade, has been promoted to S-Sgt. He is somewhere in France. Sgt. Rader has sent some invasion money home. He wrote his mother that France was badly torn up, and also stated when the Germans had to move back, they would destroy everything they couldn't take with them. He also said he'd rather be in England than France, since he couldn't speak French.

Jarold Jones of the U. S. Navy,

who has been going to school at the Great Lakes Naval Training Center, arrived home Tuesday of last week on a furlough to visit his parents, Mr. and Mrs. Otto Jones. He expects to be through his naval course there soon.

Jodye Jones, another son of Mr. and Mrs. Otto Jones, who is going to Signal school at San Diego, completes his course about October 13, following which he hopes to get a leave home. Jodye is also in the Navy.

Lieut. Bruce Wren, Jr., son of Mr. and Mrs. J. B. Wren of eight miles south of Littlefield, came through Littlefield last Friday evening. He was accompanied to Amarillo by his family and Miss Gene Phillips, 1 o'clock Saturday morning. Lieut. Wren volunteered to a B-29 base at Victorville, Calif., for a secret mission. He has been in the service about 20 months.

Mr. and Mrs. Wolfe Shaw are going to Dallas to market Monday night.

Mrs. B. F. Eidson is visiting sister, Mrs. Tom Moore, in Wichita Falls this week.

Mrs. G. L. Jackson and daughter Sharon Kay, and Mrs. Lorene Grall of Seagraves, spent from Sunday until Tuesday in the home of their parents, Mr. and Mrs. B. F. Eidson.

Mrs. W. H. Thurmond of Seymour returned home Tuesday after spending since Thursday with her sister and brother-in-law, and Mrs. Otto Jones.

Church Of Christ Membership Honors Pastor With Shower

The membership of the Church of Christ, LFD Drive, honored their new minister, Bro. J. R. Hicks, and Mrs. Hicks, with a lovely grocery shower Friday evening at the home of Mr. and Mrs. J. B. Young, four miles east of Littlefield.
Bro. and Mrs. Hicks have been here a month, and are much pleased with Littlefield and their work.
Almost the entire membership were present Friday evening honoring their minister and his wife.
In reporting the occasion to the Leader, Bro. Hicks said: "The only way I can say "Thank You," is to live a good life and do all the good I can while here."

CARD OF THANKS

Words cannot express our appreciation for the many acts of kindness shown us in our time of sorrow. We especially wish to thank you who sent the beautiful flowers, prepared and served the meals, and offered words of sympathy. May God bless each and

every one of you.
Mrs. J. G. West, Jr.
Mr. and Mrs. J. G. West, Sr., and Family.
Mr. and Mrs. D. W. Holladay, Bettye and Bob.

CARD OF THANKS

Words are so inadequate to express our appreciation and thanks to our friends and neighbors for their many acts of kindness and expressions of sympathy extended us during the illness, and at the death of our darling wife, mother, daughter and sister. Everyone was so kind and thoughtful, and it helped us more than you know.

We especially want to thank the doctors and nurses for their attentiveness and kindness; and also the ladies who prepared and brought the delicious food to the holder home; and also those who contributed to the beautiful floral offering. May God bless each and every one of you.

Scout Memorial To Be Erected At Camp Post

Information is needed concerning all Scouts in service who have attended Camp Post from Littlefield. Their names will appear on a memorial to be erected at the summer camp.
Anyone, especially parents, knowing the names of Scouts who attended one or more sessions at Camp Post and are now or have been in the service of their country, are requested to send their names to Dr. Wm. N. Orr, Littlefield, district chairman. In addition to the names, as much of the following information as possible is desired: Troop No. when attending; year (or approximately) when attending; when they entered service and whether or not still in service; and any other information you may wish to add. A penny postcard would be best for filing purposes and would minimize the work involved in this project.

Workers Urgently Needed

Workers are urgently needed at the local Red Cross Surgical Dressing Room, according to Mrs. L. M. Brandon, Executive Secretary, who states that they have not had more than four or five workers each day at the room; whereas to complete September quota and furnish these urgently needed dressings, they need 15 to 20 workers a day. She states if they could have this number for several days that they could finish the dressings assigned to the Chapter for September.

WILL EVERY WOMAN WHO CAN GIVE SOME TIME TO THIS URGENT WORK, EVEN IF IT IS ONLY A COUPLE OF HOURS? HEADQUARTERS ARE URGING ON THE CHAPTER TO COMPLETE QUOTA AND SEND IN, BUT THE SUPERVISOR IS HELPLESS WITHOUT WORKERS.

Washing War Bonds Hinders War Effort

The following letter was received from Don Bridge, Chairman, War Aid committee, in connection with bond advertising: The accomplishments of the newspapers during the Fifth War were absolutely tremendous. The job in support of the war was done directly in the sale of \$72,113,000 separate "E" bonds during that drive. Despite the great importance of the intensive drives, we all know large sales of War Bonds must be made day after day and week after week during the interim period. The corollary is that consistent sales of newspaper advertising are essential. Hundreds of newspapers have the answer. It is in the constant schedules of a page, or a line advertisement, each week during the interim months and extended during the War Loan campaigns. These newspapers found they could sell a consistent volume in advance on a long-term basis for a year or for the duration.

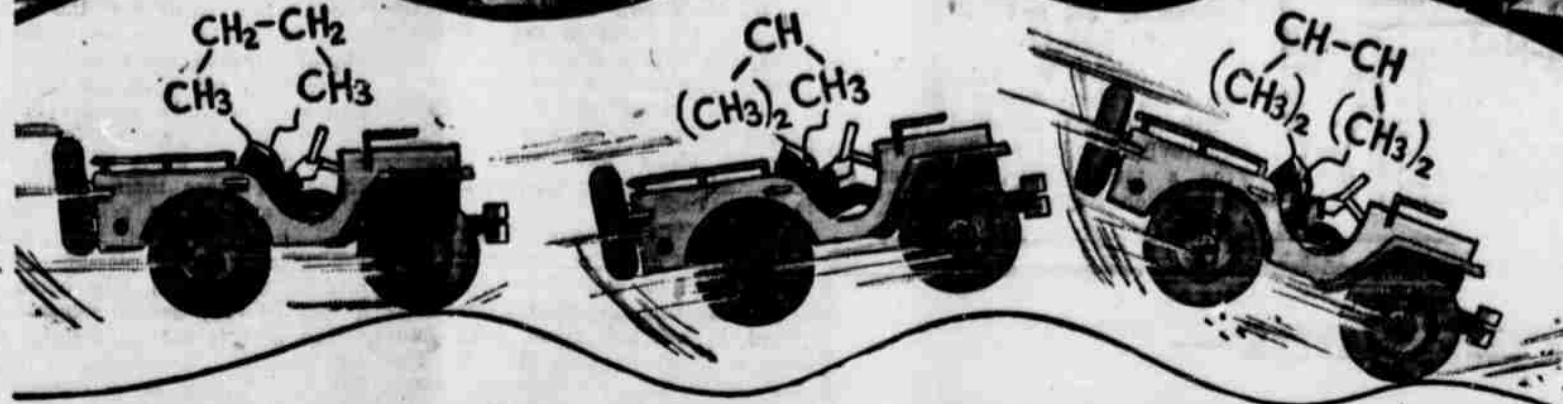

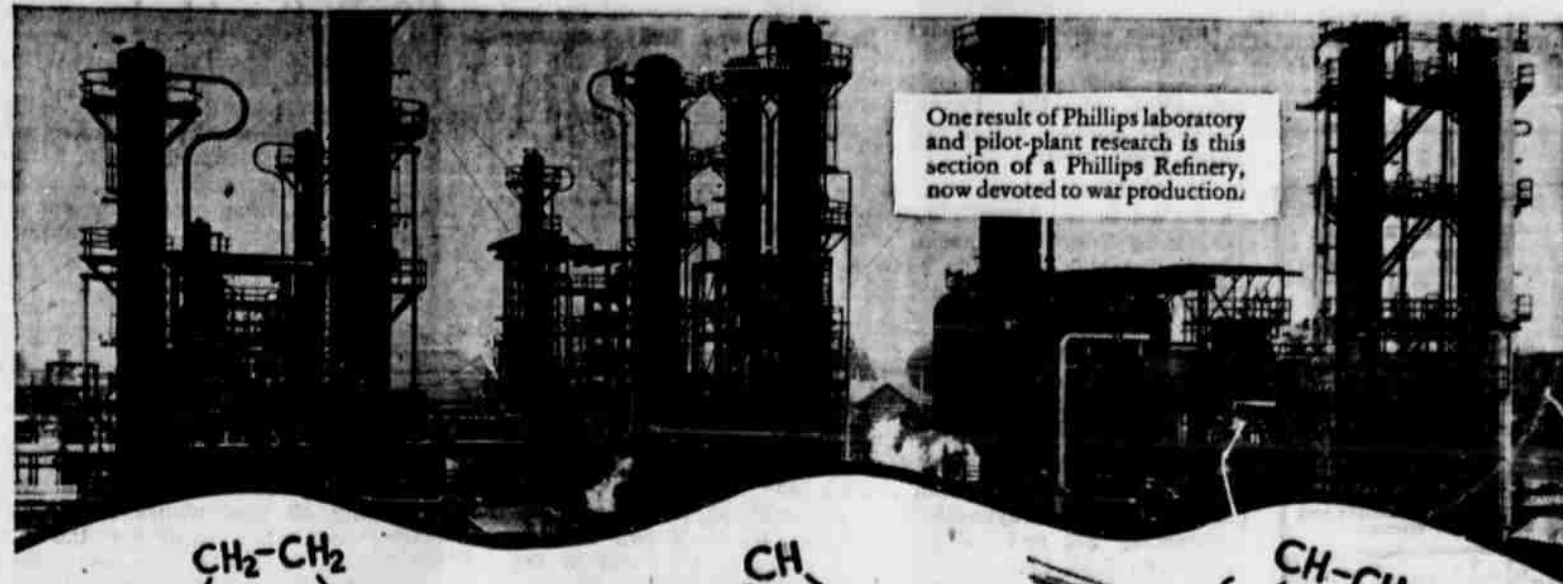

("Duration" includes the Pacific war and we must be sure that no one considers the War Bond advertising job completed when Germany folds.) "It will be necessary to continue the war financing program for a considerable time even after victory in the Pacific. Our boys will not return home immediately after peace and they must still be financed until their work is finished. "In addition to our nation's financial needs, the War Bond advertising program will be even more essential, immediately following victory, because during that period inflation will be more difficult to control. Large sums must be diverted into war bonds in order to hold prices down. "Although the basic objective of newspapers, when selling this advertising, is to give patriotic support to the war effort, this advertising has become a primary classification contributing considerably to advertising volume. It might prove to be most welcome lineage during

MOLECULES TAKE THE HURDLES ON PHILLIPS NEW "PROVING GROUNDS"

Almost buried in a recent Phillips Petroleum Company report was this simple statement: "The Company has completed . . . an additional research laboratory which is one of the largest in the industry."

To every patriotic citizen interested in new products, and particularly excited by the thought of our nation's finest product—complete and final victory over the Axis powers—the statement deserves to be underscored and spotlighted.

The new research laboratory at Phillips, Texas, more than doubles Phillips existing research facilities. Judging from the previous record and long list of achievements of the Phillips research and technical staff, it is obvious that this enlargement will mean new weapons for the war effort, significant improvement in old ones, and vastly better post-war gasolines and lubricants for car owners.

A laboratory originally meant "the workroom of a chemist." But the new Phillips laboratory is much more than that. It is a series of

experimental, pilot (small-scale) plants : : which are true proving-grounds for products, processes, and full-scale manufacturing plants.

And these are the workroom, not of a chemist, but of literally hundreds of technically trained enthusiasts, whose ranks represent graduate degrees from 142 universities.

Devoted to science, both pure and applied, these experts are engaged in the never-ending study, test, and analysis, which has made Phillips a leader in extending the frontiers of knowledge concerning hydrocarbon chemistry. Always they are seeking new and better ways to make new and better things from petroleum gases as well as from petroleum: 100-plus octane aviation gasoline : : synthetic rubber : : explosives : : plastics : : medicines : : and an almost limitless list of other synthetic chemicals.

No wonder the Phillips 66 Shield reminds so many people that Phillips refineries, in addition to producing gasolines, lubricants, and fuel oils, are also gigantic chemical plants, pouring out weapons for victory.

Sgt. Barker Awarded Distinguished Unit Badge

15TH AAF IN ITALY.—Sgt. Alvin B. Barker, son of Albert J. Barker of Star Route 2, Littlefield, Texas, is serving with a group recently commended for outstanding performance in the European Theatre of Operations.

As a member of a heavy bombardment B-24 Liberator Unit, based in Italy, which has been cited for a sensationally successful operation against the railyards at Bucharest, Rumania, he is now entitled to wear the Distinguished Unit Badge.

This group received its citation for its remarkable feat in destroying 40 Nazi planes of all descriptions while achieving the destruction of the target. More than 90 planes attacked the Liberators, then unescorted, using rocket guns, cannon and machine guns, and aerial bombs in a desperate effort to halt the American bombers. The battle raged for more than an hour and a half and at its zenith, the big bombers dropped their lethal load on the marshalling yards and accomplished the return trip home with a loss of only seven planes.

The unit is commanded by Colonel Thomas J. Gent, Jr., of Victorville, Calif., and has participated in over 130 attacks against widespread targets in Hitler's dying empire.

W. J. (Bill) Chesher returned Friday after spending since the Tuesday previous in Dallas. Mr. Chesher flew his plane there and back.

Wanda McCauley, daughter of Mr. and Mrs. E. M. McCauley of Littlefield, left the Payne-Shotwell Hospital Wednesday of last week, following treatment.

Mrs. Thurman Dobson of Lubbock visited her husband's parents, Mr. and Mrs. Henry Dobson of Whiteharral, over the week end.

Mrs. T. G. Wilson of Littlefield was dismissed from the Payne-Shotwell Hospital Thursday after being a patient a couple of days taking treatment and medication.

Language is the armory of the human mind; and at once contains the trophies of its past and the weapons of its future conquests.

Cashing In Plan Should Be Used Only In Emergency

The Treasury Department, Washington, in explaining its reason for making eligible War Bonds in the hands of individuals cashable directly by banks beginning October 2, sent the Leader the following announcement, with the request that it be published:

"The new system was organized solely as a convenience for those who of sheer necessity must cash bonds. It is intended to make it possible for them to hold their bonds longer because their money will be at once available upon the actual occurrence of any necessity.

"Some have been cashing in advance of necessity in order to have their cash in time. Their bonds henceforth will be as negotiable as a government check and are the most patriotic and safest way to hold interest earning money for any future need. Their money is always instantly available after the required 60 days have passed.

"Please, in your treatment of this new system make it plain that the plan is another reason for holding one's bonds to the last minute and for putting all of one's savings into bonds.

"Please help us to make it plain that the government does not want bonds cashed, that those who cash theirs, except in extreme emergency, are unnecessarily hampering the war effort and that for every bond cashed they or some fellow citizen must be sold another.

"Thanks in advance for this co-operation and for all your grand help in the past.

"Very truly yours,
"TED R. GAMBLE,
"National Director,
"War Finance Division.
"FRANK E. TRIPP, Chairman,
"Allied Newspaper Council."

M-Sgt. Lloyd Schroeder, who left the States recently, is now located somewhere in New Guinea, his wife, the former Miss Ruth Wells, reported Wednesday.

T-Sgt. Kenneth L. Manuel, 19, son of Mr. and Mrs. J. L. Manuel of three miles west of town, has recently arrived in England, according to a letter received by his parents Friday, which was dated September 18.

T-Sgt. Manuel stated he was feeling fine, had plenty to eat, and had received 15 letters on arrival at his destination. This was the first letter Mr. and Mrs. Manuel had received from their son since August 21.

T-Sgt. Manuel is with a tank division, and is a driver.

He also stated that he had met up with one of his "buddies," Cpl. Lewis Fleming, who had been in England a month.

Joe Blythe, S 3-C, formerly of Olton, is in the hospital at Camp Bradford, Va., suffering with pneumonia and an infected heart muscle. Joe was home in August after completing his seventh trip around the globe.

Mrs. Blythe planned to leave at once by air to be at his bedside. He has been in the U. S. Navy two years, spending most of this time overseas.

Sgt. Leon A. George, 26, son of Mr. and Mrs. Leon A. George, Olton, a crew chief in the engineering section of his squadron, is rounding out his 20 months of overseas duty with a 12th Air Force B-25 bombardment group which enables him to wear three gold bars on the left sleeve of his service coat, blouse, jacket, and shirt.

According to a recent directive by the War Department, each member of the United States Army is authorized to wear an additional gold bar for each six months period spent overseas.

Sgt. George's B-25 bombardment group has been fighting in the Mediterranean theatre for 20 months, backing the attack through Tunisia, Sicily and Italy. At present it is concentrating on vital Jerry supply lines and communications routes in France and Northern Italy.

AN EIGHTH AIR FORCE LIBERATOR STATION, England.

T-Sgt. Marion R. Harrison, son of Mr. and Mrs. C. M. Harrison of Route 2, Hale Center, Texas, a radio operator gunner, on a B-24 Liberator, has been awarded the Air Medal. The presentation was made by his group commander, Colonel Jacob J. Brogger, at this Eighth AAF base in England. The citation read: "For meritorious achievement in accomplishing with distinction aerial operational missions over enemy occupied Continental Europe. The courage, coolness and skill displayed by him in the face of de-

termined opposition materially aided in the successful completion of these missions. His actions reflect great credit upon himself and the Armed Forces of the United States." Sgt. Harrison has just recently been promoted from staff sergeant to technical sergeant. He has been in England for sometime, and his squadron has taken part in the all-out bombing offensive of Germany's continental fortress and in the Eighth Air Force's attack on the invasion coast of France. His squadron was among the Eighth Air Force's first "heavies" over the invasion coast on D-Day. Sgt. Harrison entered the armed forces February 10, 1943, and at the time was employed by the Solar Aircraft company, San Diego, Calif. He is a graduate of Anton High school. Sergeant Harrison received his wings at Tyndall Field, Fla., and attended radio school at Scott Field, Ill.

Aviation Cadet Nila William Whitwell, 26, son of Mr. and Mrs. C. F. Whitwell of Sudan, is attending the Army's primary flight training course at Thunderbird Field, Phoenix, Ariz. He entered the Armed

service in October of 1943 after employment by Home Lumber and Supply company, Lubbock. His wife lives at 1517 33rd Street, Lubbock.

Air power and more air power was the order of the day recently when high-flying men from 41 states received their prized silver wings in graduation ceremonies held for Class 44-H at Lubbock Army Airfield. Included among the graduates was 2nd Lt. Billy H. Miller, a student officer, son of Mr. and Mrs. Leonard Miller of Morton. After brief transitional training, Lt. Miller and other graduates will assume their places in combat theatres of operation all over the world.

Pvt. Loyd Kirk, son of Mr. and Mrs. C. R. Kirk, of Route 1, Anton, Texas, has been graduated from the Infantry and Browning Automatic Rifle section at Training Command at Camp Pendleton, Calif.

Graduates of this school have completed thorough training with the B. A. R., M-1 Garand and Carbine rifles, hand grenades, anti-tank grenades and are exceptionally well versed in the use of bayonet and knives for jungle warfare.

Marines graduating from this school will be assigned to Infantry battalions and their training has prepared them for amphibious landings and establishing and securing beach heads.

Pvt. Kirk attended Anton High school where he played football.

S-Sgt. O. K. Yantis arrived home Wednesday morning from Ephrata Airfield, Ephrata, Wash., on a 24 day furlough.

S-Sgt. Yantis will leave here October 13 to return to his station.

Pvt. Clarence (Fat) Miller, who has been stationed at Camp Bartley, has been given a discharge to take care of his two children, whose mother passed away on June 26 last. He received his discharge last week, and is now employed by Ellis Foust.

Pvt. Cecil C. Smith, stationed at Sioux Falls, So. Dak., has been called home on an emergency furlough due to the serious illness of his baby, who is a patient at the Payne-Shotwell Hospital suffering from pneumonia and measles. He has also been granted a five day extension.

Notes On Grain Sorghum Situation

By GEORGE MAHON

WASHINGTON, D. C.—For a period of three weeks I have heard of the critical grain sorghum situation in West Texas, getting my information from individual producers and County AAA offices. The price slump, and lack of storage and railroad cars for transportation have cost West Texans many thousands of dollars.

Throughout this period I have been in constant touch with the proper officials here urging and demanding prompt action to prevent

the sacrificing of our grain sorghum crop.

The government loan rate on grain sorghum is \$1.69 per hundred, but to be eligible for the loan the grain must be stored in warehouses or on the farm, and adequate storage has not been available.

Briefly, the following steps have been taken to assist the producers:

1.—To afford a greater market demand for grain sorghum, the War Production Board and War Food Administration have agreed to permit the unrestricted use of grain sorghum in the manufacture of industrial alcohol for the war effort.

There has not been any restriction on the use of grain sorghum by the brewers, but October 1 is the first

date that the use of sorghum will be permitted for industrial alcohol. It is estimated that alcohol producers will consume about 6 million bushels of grain sorghum per month. The brews and the mixed feed manufacturers will probably take 10 million bushels per month.

2.—In order to make better use of present storage facilities, the maturity date of the sorghum loan has been changed from June 30, 1945, to April 30, to enable warehousemen to clear their storage for wheat by next spring, thereby permitting the warehousemen to accept more grain sorghum.

3.—In an effort to provide additional storage space, some lumber and prefabricated granaries are being provided, but this is not very effective as demand is so great in relation to supply.

4.—Director Johnson of the Office of Defense Transportation has agreed to provide additional railroad cars to move the grain but declares that it is not possible to fully meet this important need on account of other demands of the war effort for cars.

These matters are of the greatest concern because West Texas is producing millions of bushels of grain sorghum. The production costs have been great, and a price of less than the loan rate of \$1.69 per hundred is intolerable. National grain sorghum production last year amounted to 103,000,000 bushels. Texas, principally West Texas, producing 74,000,000 bushels of that amount. I shall continue to urge adequate price support for grain sorghum and every possible assistance toward more adequate storage and transportation facilities.
