

## Elmer L. Kimball To Get Commission In Air Corps

Elmer L. Kimball, formerly of Littlefield, will be commissioned a Lieutenant and receive his Pilot's Wings this morning at a ceremony scheduled for 9 o'clock at the Post Theater at the Blackland Army Flying School, Waco, Texas.

ELMER L. KIMBALL

Kimball is one of the graduating members of Class 43-D, in which is represented every state in the nation—plus France, Canada, Honoluli, Puerto Rico, and Alaska, and he is the fourth class unleashed since the Axis during 1943.

Kimball was graduated from Littlefield High School; was employed for a short time at the C. C. Spade here in connection with the Conservation Program; and later was connected with the County office, Amherst, for about two years. He enlisted in August, 1942, at San Antonio; took his preliminary training at Kelly Field; received instructions at Chickasha, Okla.; and basic training at Greenham, Tex., and advanced instruction at

## Russell Barker Reported Prisoner of War in Japan

Russell Barker, 24, son of Mr. and Mrs. J. P. Barker, formerly of Spade Community, but now of Ellington, Texas, who was reported missing in action at the time of the attack on Corregidor, has been recently announced by the War Department as a prisoner of War of the Japanese.

Mr. and Mrs. Barker last week received a telegram giving them the above information, and stating that they might write to him through the facilities of the Japanese Red Cross.

This information was furnished to the Leader through the courtesy of Mrs. Ada L. Bundick of Spade Community, whose daughter, Jane Bundick, received a letter Thursday from her friend, Betty Joe Barker, giving the encouraging news about her brother, whose life had been in doubt ever since the fall of Corregidor.

Another son of Mr. and Mrs. J. P. Barker, Jack Barker, 21, is in the Air Corps. He enlisted in the summer of 1942; received his training in California, and is believed now to be in foreign service.

## Last Rites Held For John Pinson

John Pinson, 63, former Lamb County resident, but recently of Richmond, Calif., passed away at an Oakland, Calif., hospital Wednesday afternoon, April 14, at 4:30 o'clock, following a major operation and about ten days' illness.

The remains were brought to Littlefield by train, arriving about 4 o'clock Sunday afternoon.

Funeral services were conducted at the Hammons Funeral Chapel Monday afternoon at 4 o'clock, with Rev. Lee Hemphill, pastor of the First Baptist Church, Littlefield, officiating; and interment took place in the Littlefield Cemetery.

Pallbearers were: L. E. Key, D. B. Matthews, W. F. Padgett, L. M. Elms, George Nicholls and J. M. Bowen.

Mr. Pinson was born December 9, 1879, in Crawford County, Ark.; moved to this area from Oklahoma in 1930, and lived here until August of last year, when he moved to California. He was employed in the shipyards at Richmond, Calif., when he became ill.

Deceased is survived by his wife, Mrs. Julia Frances Pinson; a daughter, Mrs. G. L. Powell, and two sons, Claude of Richmond, Calif., and Olen D. Pinson of Lubbock; two sisters, and five grandchildren.

### CHILD SCALDED

Truman Price, two-year-old son of Mr. and Mrs. J. C. Price of Maple, was admitted to the Littlefield Hospital Monday suffering from burns on his face, neck, shoulder and left arm, resulting from a coffee percolator falling off a stove and the boiling water from the pot burning the child. He was suffering considerably from the burns, but Wednesday was reported as better. Mrs. Price is remaining at the hospital with Truman.

## Two Injured Sunday in Auto Accident

Two persons were admitted to local hospitals Sunday morning about 1:30 o'clock suffering from injuries and shock received in an automobile accident on Phelps Avenue opposite Higginbotham-Bartlett company.

When a car reported to be driven by Wayne Martin, 19, occupied by several other young people, travelling south on Phelps Avenue was in collision with an automobile occupied by Mr. and Mrs. J. N. Bowen and son, going north.

Miss Ida Kay, 16, daughter of Mr. and Mrs. Louis Kay of Leveland, suffered a broken shoulder and severe bruises; and Darrell Odell sustained a hand injury, laceration on his head and bruises. Miss Kay was admitted to the Payne-Whitwell Hospital, where she was confined until Monday evening when she was taken home. Odell was treated at the Littlefield Hospital, where he remained until Sunday afternoon.

Charged with "driving an automobile on the wrong side of the street," Martin appeared before Justice of the Peace Sam Farquhar Sunday morning, and paid a fine of \$14.

## Local Red Cross Sewing Room Complete 40 Kit Bags

Miss Lula Hubbard, Production Chairman of the Red Cross Sewing Room in the Littlefield City Hall, announced Saturday the completion of 40 kit bags for the Armed Forces last week. These bags are made of green twill material, and will be filled by the Red Cross with such useful articles as soap, tooth brush, tooth powder, needles, thread, etc.

Miss Hubbard stated that more workers were needed badly at the Red Cross Sewing Room. She said there had been a falling off recently due to gardening, etc., but she urged that those who can try to spend some time at the sewing room, even if they are only able to remain an hour at a time, stating anyone will be welcome for whatever time they have available.

Blessing, following the ceremony at the Advanced Flying School, Ellington Field, Texas, Saturday, March 20, when he was commissioned a Lieutenant and awarded his wings. In the above group, who were present to witness his graduation, which took place at 9 a. m. at the Post Chapel, are, left to right: Mrs. Roy Blessing, J. M. Blessing, Mrs. J. M. Blessing, Mrs. Samuel E. Blessing, Lieut. Blessing, Mrs. Lois Blessing, and Roy Blessing.

## An Appeal To All Of The People Of Our County

"They Give Their Lives  
You Lend Your Money"

Our government has set a quota for each county of each state in the United States, as the share of each in the 2nd Victory Loan campaign—April 12, through April 30. Lamb County's quota is \$428,000 cash—which means about \$570,000 (maturity or face value of Series E bonds which we have been buying).

We are now in the second week of the campaign, with eight days to go—yet our people have only bought little more than one-third of the assigned quota. We must, as patriotic citizens, not fail, just as other people in other counties must not, won't fail.

Surely, certainly, everyone who believes in their country, and enjoys all of the Freedoms, will do—will want to do his or her full part.

Each community of our county has been assigned a quota, to be held responsible for the sale of a certain amount of bonds to their friends and to their neighbors. You have a part in buying—you have a part in urging others to buy.

When we think of the countless sacrifices our boys are making—think of the blood many of them have already shed, yet to be shed, we should be more than willing to invest, even to our last dollar, in Freedom, for the Peace of tomorrow will never come unless the home front does its full part.

Lamb county has, up until now, done everything that has been asked of us, in support of the war effort.

Volunteer now, to buy your share of bonds—where you have heretofore been buying one bond—you are now—in April—called upon to buy eight bonds, to meet the \$428,000 cash quota, assigned to our county.

Don't wait, until a committee has to call upon you. Volunteer, come forward unasked, do your full part, and assist in this drive for Freedom and Victory—Prove your loyalty to our fighting men.

- Lamb county can, will, must meet this quota.
- Pat Boone, County Chairman.
  - W. J. Chesher and L. C. Hewitt, Littlefield.
  - C. W. Warren and John Dean, Sudan.
  - Rogers Willett and Allan White, Amherst.
  - C. E. Bley and H. P. Webb, Olton.
  - Marshall Kelley and Norman Cleavinger, Earth-Spring Lake.
  - Bob Mann and W. E. Bentley, Spade.
  - J. W. James and Roy Hutson, Bainer, Linn's Chapel.
  - P. S. Hanks and Mrs. Lyle Brandon, Sunnydale.

## Sgt. Murray, Pvt. Cleary, Lubbock, To Be Guest Speakers

Splendid Program Being Arranged; Postoffice, Bank To Be Represented

A bond rally will be staged in front of the Palace Theatre Saturday afternoon, beginning at 3 o'clock according to an announcement made by W. J. Chesher, Chairman of War Finance Victory Committee for Littlefield.

A large space on Phelps Avenue will be roped off for this purpose. This special program is being sponsored to boost sale of bonds in the Second War Loan campaign, which is underway over the entire United States.

Lamb County's quota is \$428,000, with about \$170,000 raised for the first nine days of the drive. The Littlefield High School Band will take part in the program Saturday and render several numbers during the afternoon.

Principal and guest speakers of this occasion will be Sgt. Murray and Pvt. Cleary of the South Plains Flying School. There will also be other local speakers on the program, including W. J. Chesher.

Representatives from the First National Bank and Postoffice will be present at the Rally to take care of the sale of bonds Saturday afternoon.

**Bond Drive Results Reviewed**  
At a bond meeting held Monday night at the office of Postmaster W. D. T. Storey, the bond sale campaign was discussed, and a report was made by Pat Boone, County Chairman, of the bond sales for the first week of the drive in the County at \$132,690.50, which represents the sale price, and not the bonds at maturity.

Present at this meeting, besides Mr. Boone, were the following Committeemen: W. J. Chesher and L. C. Hewitt of Littlefield; W. C. Warren and Simon D. Hay of Sudan; (Continued on Back Page)

## Lloyd Reid Is Prisoner Of War

Mr. and Mrs. M. P. Reid received a telegram Saturday from the Adjutant General, Washington, D. C., stating that their son, Pvt. Lloyd Reid, is being held prisoner of war by the Japanese Government.

Pvt. Reid was a member of the 200th Coast Artillery, who participated in the battle of Bataan, and was reported missing by the War Department since May 7, 1942.

The telegram read as follows: "Your son, Private Melvin Lloyd Reid, reported a prisoner of war of the Japanese Government in Philippine Islands. Letter follows."

Mrs. Lloyd Reid, who is a teacher in the schools in Hobbs, N. M., received the last direct communication with her husband in March, 1942, and had not heard from him since the fall of Bataan April 7, 1942. He was believed to have been among those to evacuate Clark Field near Manila after the fall of Clark Field on December 8, 1941.

Mrs. Reid is expected to arrive in Littlefield Friday night for a visit with her parents, Mr. and Mrs. J. E. Brannen, and her husband's parents, Mr. and Mrs. M. P. Reid.

Lieut. Blessing was born at Wingo, Texas, but lived here practically all his life. He obtained his entire education in the local schools, and was graduated from the Littlefield High School about four years ago. He enlisted in the Air Corps at San Jose, Calif.; took his basic training at Chanute Field, Ill.; also took training at Kelly Field, San Antonio, Corsicana, and Waco before being transferred to Ellington Field for advanced flying.

Following his graduation, Lieut. Blessing was sent to Tuscon, Ariz., and later to Biggs Field, El Paso, but has now been transferred to Denver. His wife is also making her home in Denver.

—FOR VICTORY: BUY BONDS—

## Joe Wells Sells \$30,475 In Bonds In Second Drive

A total of \$30,475 in war bonds were sold through Joe Wells' second one-man war bond drive, which closed Friday noon of last week.

Mr. Wells' first drive sold \$14,225 in bonds.

Checks for bonds purchased through Mr. Wells are mailed to WHO, Des Moines, and the names of the purchasers broadcast by Bob Burlingame, famous radio announcer. But Lamb County's quota is credited with these sales.

It was not known late Wednesday afternoon at what time Mr. Burlingame would broadcast the names of the Littlefield bond purchasers, but Littlefield and Lamb county residents are asked to tune in on Mr. Burlingame's program and hear the results of the local bond drive

on whatever night they are broadcast.

Mr. Wells was called to Nebraska late Sunday night on account of the serious illness and probable death of his only aunt. He was accompanied to the northern state by Mrs. Wells.

*'til Johnny Comes Marching Home*

**YES--**  
*We'll*  
**Carry on----**  
*'til Johnny*  
**Comes**  
*Marching*  
**Home**

Lamb County Residents . . . true West Texans . . . are "carrying on" . . . and they will continue to "carry on" 'til Johnny comes marching home . . . Victorious!  
 Lamb County folks are buying Bonds and stamps . . . increasing the production of their farms . . . planting Victory Gardens . . . sewing for the Red Cross . . . and participating in numerous other war-time activities.

And they are keeping their chins up . . . cheerful in the face of the fact that husbands, brothers and friends are far away . . . cheerful despite numerous sacrifices as a result of the war . . . and they are remembering that any sacrifices on the "home front" are as nothing compared to the sacrifices being made by the men on the battle fronts . . . they have sacrificed everything . . . and many have made the supreme sacrifice.

This is an awful big war. But, like everything else, it has to be paid for. We get a tremendous kick—a real thrill—out of news like the African offensive, when we read that the United Nations put over the biggest troops movement ever before attempted in history.

Lots of us have boys already scattered through all parts of the globe. More will undoubtedly be going soon, again and again, till Victory is won. So that's the simplest way for us to look at this problem of paying for the war. See it in terms of what it means to the boys who are doing the fighting. Do we want that paratrooper to have the best possible parachute money can buy when he drops out of a plane over Africa? Of course we do. Do we want to be certain there will always be another round of ammunition for every machine gun facing the Japs? You bet we do. All right, then. Let's start where everything starts . . . with money. And let's remember that it's a mighty poor American who will set himself up as the one to decide whether his responsibility to the American soldier—his obligation—is fulfilled by 10 per cent or 12 per cent or any other self-determined limitation. There can be only one limitation on the amount we owe for Victory. That limitation is, simply, the maximum we can possibly afford to invest.

In April—this month—13 Billion Dollars in bond sales is the objective of our Government . . . a great fund for Victory . . . additional money to pay for what it takes to win the war for Liberty.

If you have bought bonds this month, buy some more if you can possibly spare the money . . . even the purchase of the smallest bond will help.

IF YOU HAVEN'T BOUGHT ANY BONDS THIS MONTH YOU ARE URGED TO MAKE EVERY EFFORT POSSIBLE TO PURCHASE AS MANY AS YOUR FUNDS WILL PERMIT. THE HELP OF EVERYBODY IS URGENTLY NEEDED TO RAISE LAMB COUNTY'S APRIL QUOTA OF \$428,000.

# MORE VICTORY GARDENS For LITTLEFIELD!

For the past several years, water users in the City of Littlefield have enjoyed the lowest water rate of any city in this entire area, with the single exception of Plainview—which has enjoyed a fractionally lower rate, even than ours.

## The City Rate Has Now Been FURTHER REDUCED

FOR THE NEXT FIVE MONTHS IN AN EFFORT TO ENCOURAGE THE GROWING OF VICTORY GARDENS TO AID THE WAR EFFORT!

### You Received 15,000 Gallons For \$2.50 Under The Old Rate

## Under the New Rates You Will Receive 20,000 Gallons For . . . . .

# \$2.50

Call at the City Hall and Sign Up for water under this new low rate now. You must sign an application to get this special low rate. Littlefield's New Low Water Rate is 12½ cents per thousand gallons, up to 20,000 gallons! Over that amount, the rate will be 15c per thousand gallons.

### Compare the Water Rates in Littlefield With these Other Towns:

Lamesa, 20,000 Gallons . . . . .	<b>\$4.25</b>	Wellington, 20,000 Gallons . . . . .	<b>\$4.70</b>
Lubbock, 20,000 Gallons . . . . .	<b>\$4.57</b>	Snyder, 20,000 Gallons . . . . .	<b>\$4.20</b>
Levelland, 20,000 Gallons . . . . .	<b>\$4.40</b>	Haskell, 20,000 Gallons . . . . .	<b>\$3.00</b>
LITTLEFIELD, 20,000 Gallons . . . . .	<b>\$2.50</b>		

### These Rates Effective Until September 20th Only

## Warning

LET US URGE YOU NOT TO USE ANY MORE WATER THAN YOU ACTUALLY NEED! There is no question but what the lower rate will result in a Tremendous upsurge in the use of City Water. A water shortage could develop, so PLEASE don't waste water. The pumping facilities at the City Water Plant are ample, BUT THEY ALSO ARE LIMITED—USE WATER—USE IT WISELY—Conserve the water you might use needlessly—for Victory—FOR VICTORY GARDENS . . . We urge everyone to have a garden.

### With South Plains Men In The Service

Mrs. Dick Jones, the former Miss Minnie Kate Grissom, arrived home Thursday for about three weeks' visit before she joins her husband, Cadet Jones, at Taft, Calif.

Cadet Jones, who has been stationed at Thunderbird Field, Phoenix, Ariz., was transferred last week to Gardner Field, Taft, Calif. Mrs. Jones has been living at Phoenix, and she will go to Taft after her visit with her parents, Mr. and Mrs. L. C. Grissom, here.

Thomas E. Lowe of the Engineering Corps, stationed at Camp Claiborne, La., has been promoted to Sergeant, according to his mother, Mrs. E. M. Lowe.

Maj. M. F. Green, son of Mr. and Mrs. L. T. Green of Littlefield, physician in the Medical Corps, who has been stationed in Hawaii for the past 15 months, arrived in Littlefield Tuesday of last week on a two weeks' leave. He is visiting his wife and two sons, Billy and Jimmy, who have been making their home here in his absence, and also his parents, Mr. and Mrs. L. T. Green.

Maj. Green is being transferred to Camp Cook, Calif.

Lieut. Marion Othell (Butter) Dunnagin, 20, of the Air Corps, has completed his training as a Bombardier at the Midland Air Base, and has been transferred to Orlando, Fla., where he is taking a ten weeks' course in navigation, which he expects to complete about June 1.

His wife has joined him at Orlando, Fla.

According to Mrs. A. M. Dunnagin, her son is getting along fine.

Sgt. Lesley Hunt, 25, Ground Mechanic in Air Corps stationed at Drew Field, Tampa, Fla., son of Mr. and Mrs. B. H. Hunt, recently of Spade Community, but who have this week moved to Georgetown, Texas, expects to get a furlough in

June, and to visit his parents. Sgt. Hunt has been in the Armed Forces over a year. Previous to being sent to Tampa, Fla., he studied the P-51 Plane at Englewood Field, Calif.

Herman T. Roper, 21, who is with the Anti-Tank Division, and who has been stationed at Camp Edwards, Mass., for the past four months, has been transferred to Camp Buttner, South Carolina.

He is the son of Mr. and Mrs. J. T. Roper of nine miles northeast of town, and enlisted in July of last year.

Billie Burton Roper, 18, another son of Mr. and Mrs. J. T. Roper, who was employed by the Consolidated Aircraft Corporation at San Diego, Calif., was called home by the draft board recently, and expects to go in the next call.

Noland Hukill, 20, son of Mr. and Mrs. T. H. Hukill of Fieldton, who has been stationed at Fort Ord, Calif., has been transferred to a new camp. He wrote his parents that he had been moved and liked his new location fine. Hukill is in the Signal Corps. He has been in the service six months.

Mr. and Mrs. W. E. Warner of near Bula recently visited their son, Cpl. George J. Warner, connected with an Ordnance Company of the Cavalry Division, stationed at Fort Bliss. He has been in the Service over two years.

Cpl. Warner says he is "getting along fine, still likes the Army, and wouldn't get out of it for the world."

Joe Wheeler Douglas, 21, of Littlefield, Texas, son of Mr. and Mrs. Jim T. Douglas of Littlefield, has arrived at Oklahoma City University for course of Army Air Force instruction lasting approximately five months prior to his appointment as an Aviation Cadet in the Army Air Forces. During this period he will take numerous academic courses, as well as elementary flying training. Upon completion of the course he will be classified as a pilot, navigator or bombardier and go on to schools of the Flying Training Command for training in these specialties.

Mr. and Mrs. A. L. Atkinson of Anton have two sons wearing the uniform of their country. Ensign Atmar Atkinson, who is an architect by profession, and a graduate of Tech and the University of Mi-

ami, is an instructor in Navigation in the Hollywood, Fla., Naval Base. Cadet Charles Pat Atkinson, the younger son, is a student in Aeronautical Engineering in A. and M. Upon graduation, he will enter service as a second lieutenant. Both are graduates of Anton High School.

Mr. and Mrs. Marion Fite of Anton had as guests over the week end the following people: Staff Sgt. J. L. Fite of Camp Barkley and Ewell Fite, who is in camp at New Orleans, their sons; two daughters with their husbands and families, Mr. and Mrs. Clarence Kimbell and family and Mr. and Mrs. Paul Colston and family, all of Hobart, Okla., also another daughter, Mrs. Edwin Cunningham and son of Oklahoma City.

Attention to duty won for Joseph W. Offill promotion to the grade of corporal at Key Field this week. Cpl. Offill, son of Mr. and Mrs. Woodrow Oliver Offill, Sudan, has been in the service since November 6, 1942, when he enlisted at Fort Sill, Okla.

Word has just been received that

Good Friday, April 23, evening service at 8:30 p. m.  
Sunday, April 25, feast of the Resurrection.  
Mass and sermon at 9 a. m. in Littlefield.  
High Mass at 11 a. m. in Pep.

Rev. David J. Foulkes, S. J., of Shreveport, La., will conduct a week's Mission at St. Philip's Church, Pep, starting Sunday, April 25, and closing May 2.

From May 2 until May 9 he will conduct a Mission at Sacred Heart Church, Littlefield.

Order of the Mission Services:  
8 a. m., Mass and short practical sermon.

8:30 p. m., Rosary, Mission Service and Benediction.

Father Foulkes is a well known preacher, with many years of experience in this kind of work. He comes here after just concluding a two weeks' Mission at Our Lady of Lourdes Church, New Orleans. Services are open to everyone.

### Attendance Good At Revival Meeting

Attendance has been good at the revival meeting at the First Baptist Church, which will continue through this week and close Easter Sunday.

There are morning and night services conducted by Rev. Lee Hemphill, pastor-evangelist, and Ira C. Prosser, evangelistic singer. The morning services are at 10:30 and the evening services at 8:45.

There have been a number of additions to the church by letter and profession of faith.

A special service for young people will be held at 8 p. m. Saturday. This meeting will be conducted by Mr. Prosser.

### F.H.T. And F.F.A. To Stage Backward Party Thursday

The F.H.T. Girls and F.F.A. Boys will have a backward party Thursday night in the Littlefield High School Gymnasium. The only entrance will be the back door, and the only way to gain entrance is in a very backward way—dress included. The affair will start at 8:30 p. m.

## Cherish An American Tradition

### COME TO CHURCH ON EASTER SUNDAY

America is at war . . . and with war comes turmoil . . . extreme mental strain . . . sacrifices . . . sadness. There is one thing left unshaken—the solace and peace to be found in church. Come to church Easter Sunday—find stable spiritual values which, in the last analysis, are enduring in peace or war or times of sadness. Go to the church of your choice . . . Easter Sunday and every Sunday—you need the comfort and companionship to be found there . . . the churches need your support. Go to church Easter Sunday in the traditional American way . . . to celebrate this great day in accordance with your beliefs. It's a perfect way to begin the day. You'll find a warm welcome at any of Littlefield's many fine churches—and you'll find great benefit in the special Easter Sunday services planned by each. Come to church Easter Sunday!

**Ben Lyman, Jr., Visits Here Over Past Week End**

Ben Lyman, Jr., student of State University, Austin, spent the past week end at home.

Mr. Lyman was met in Lubbock by his parents, Mr. and Mrs. Ben Lyman, Saturday, and accompanied them to Littlefield.

Inasmuch as the University has been notified that all students in the Reserve would be called into the Service by April 15, or immediately thereafter, Mr. Lyman, who is awaiting call, made the rush trip to Littlefield to visit his parents and other relatives.

He was accompanied back to Austin by his parents, who returned to Littlefield Wednesday night.

Mr. Lyman enlisted in the Army Reserve last fall. He will continue his studies at the University until called into Army training.

**Jones Hardware To Be Established In New Location, Ready For Business Saturday**

The removal of the stock of the Jones Hardware to the new location, the former Hall Motor Building, is in progress, and it is expected that they will be established and open for business Saturday.

The building is being completely re-decorated; new shelving made,

and painted and installed.

A general service shop for the repair of tractors, as well as other farm machinery, automobiles and trucks has been established at the new location, with Hilmar C. Braune, known to his many friends as "Brownie," in charge. The shop

is now open and ready for business.

New shop equipment has been purchased, and all shop mechanics will be factory trained.

Jones Hardware are Allis Chalmers dealers in Littlefield; and a large stock of Allis Chalmers parts will be maintained at the new location.

The new building will afford this concern much additional space for the display of their large stock of hardware, chinaware, and other gift merchandise.

Mr. and Mrs. Leo Peterman of the Hart Camp Community and Mrs. Vincent Peterman and son, Joe, of Amherst attended the Dairy Show in Plainview last Wednesday. Vincent Peterman joined the group when they arrived as he was already there.

### With South Plains Men In the Armed Forces

Lieut. Jack Garlington of the U. S. Army who is stationed in Reno, Nevada, arrived Monday night for a ten days' visit with his parents, Mr. and Mrs. J. O. Garlington, and his sister and brother-in-law, Mr. and Mrs. Ivan Fowler. Mr. and Mrs. Garlington met their son in Amarillo Monday.

Durwood Yantis, Seaman First Class of the U. S. Navy, arrived Monday for a week's visit with his parents, Mr. and Mrs. O. K. Yantis, and other relatives here. He came from near Boston, Mass.

Pfc. Edwin Coffman, who enlisted in the Air Corps in June, 1942, is stationed at Avon Park, which is near Sebring, Fla., being trained for a ground mechanic. Edwin has been at Avon Park since December last.

Cadet D. W. Holladay, Jr., keeps his fingers crossed and is hoping that the number 18 is his lucky

number, since his transfer from Sequoia Field, Calif., to Merced, Calif. He wrote his parents, Mr. and Mrs. D. W. Holladay, that he was the 13th man in barracks No. 13 at the field at Merced. He still likes the Army Air Force, and hopes to get to complete his training as a cadet. His nickname at the field is "Rabbit," because he is from Texas.

William L. Aldridge, stationed at Frederick, Okla., returned to Camp Tuesday after spending the week end with his wife, and parents, Mr. and Mrs. W. J. Aldridge, here. Previous to going to Frederick, Okla.,

he was stationed at Lubbock, where he took a course in Aviation Mechanics.

Guy Aldridge, another son of Mr. and Mrs. W. J. Aldridge, is in the Air Corps, taking Ferry Command Pilot training at Claremore, Okla. Previous to enlistment, Mr. Aldridge was a district manager for Proctor-Gamble Company, with his headquarters at Oklahoma City.

Durward Yantis, Seaman First Class, connected with Camp Edwards, Mass., arrived home Monday on a ten days' leave. He is visiting

his parents, Mr. and Mrs. O. K. Yantis, and other relatives and friends here.

Mr. and Mrs. Pryor Hammons had the pleasure of visiting about half an hour Sunday with their son, Robert (Babe) Hammons of the Marines who was enroute from San Diego, Calif., to Jacksonville, Fla., where he will attend school, taking Aviation Radio.

When Mr. and Mrs. Hammons learned that "Babe" would pass through Littlefield, and believing that the train he was riding on would stop longer in Slaton than

here; and they would have visit with their son, Babe, in Slaton Sunday afternoon.

A large group of homecoming Pvt. Hammons at the depot.

Mrs. Lloyd Reid of Littlefield is expected here Friday to spend Easter with three sons and Mrs. J. E. Brannan. She is the former Miss Sue Reid and Mrs. Morek was previously married, Miss Blanche Reid.

The bride was graduated from the Littlefield High School with the 1942 class; also attended Draughan's Business College at Lubbock, and for the past two weeks has been employed in the AAA office at Amherst.

The groom is a glider pilot, stationed at the South Plains Army Flying School at Lubbock. The happy couple will be at home in Lubbock for the present.

### Teacher Honorary Fraternity Elect Officers Recently

Officers were elected by Gamma Iota Chapter of Delta Kappa Gamma, honorary fraternity for women teachers, at the quarterly luncheon meeting of the organization Saturday, April 10, at the Hilton Hotel, Plainview.

Mrs. Evaugh Hackler of Abernathy was named first vice-president; Mrs. Helen Estes Richardson

of Dimmitt, second vice-president; Miss Mattie Devin of Plainview, treasurer; Mrs. Gladys Whitacre of Hale Center, recording secretary; Mrs. Walter Travis of Floydada, corresponding secretary; and Mrs. Charles Welker of Tulia, parliamentarian.

Included in the pioneer teachers of this section who were honored by the chapter in keeping with a national Delta Kappa Gamma project, were: Mrs. Louise Baar Wiseman of Littlefield; Mrs. Elise Porter Stone, Sudan; Mrs. Ruby Woods of Cotton Center; and Mrs. William C. Kennedy of Muleshoe.

Mrs. L. E. Slate of Sudan discussed pioneer women teachers in this section, their contribution to education, their influence upon community life, and their contribution to the life and thought of the day.

Besides Mrs. Slate of Sudan other Lamb County teachers attending the meeting were: Miss Verle Teague, Littlefield; Mesdames Carl W. Hopper, Carrol Griffiths, and Fred Gordon of Olton; and Mrs. Mary M. Hutchinson, Miss Reba Jenkins and Mrs. Anna Kittley, Sudan.

### Amherst Personals

Mrs. D. D. Badgett of Roaring Springs is visiting her daughter, Mrs. Neal Bench and family this week.

Miss Zelma Priddy, who is a student at Wayland College, Plainview, underwent appendectomy at the South Plains Hospital Tuesday night of last week. She is the daughter of Mr. and Mrs. W. H. Priddy of north of Amherst.

Mr. and Mrs. G. A. Bench spent a couple of days recently with George Bench and family of Plainview.

Mrs. Oma Toler and two children moved recently from Abernathy to Amherst. Mrs. Toler is employed at the Harris Brantley & Son Store. She is taking the place of Miss Oleta Templeton, who plans to visit in Amarillo.

### Named Secy.-Treas'r Of Hogg Society

"Corralling" vociferous debaters will be the extra-curricular job of six University of Texas students during the next school session, for they have been elected as 1943-44 officers of the Hogg Debate Society. Named after Texas' famed former governor, James Hogg, this debate society is one of the oldest on the campus.

Among the new officers for Hogg Society is Curtis Wilkinson of Olton, who has been elected secretary-treasurer.

### FIRST METHODIST CHURCH

R. H. Campbell, Pastor

Next Sunday is Easter Sunday. The day of the year when we, in our services come to remember our Risen Christ. As we come to the services on this Sunday let us not come in the spirit of frivolity, but let us come with the thought of what Christ as a living Christ means to us and to the world.

On Sunday morning, following the lesson study by the classes of the church school, a short program will be given by the different classes. The program will consist of readings and special numbers of music. This will be followed by the Easter sermon by the pastor on the theme "The Garden of Life." Also time will be given for the baptism of children and the reception of members.

Rodd of Olton underwent surgery at the Littlefield Hospital last Sunday. She is getting along nicely. Mrs. Edna Sisson, bookkeeper in the local REA office, is in Lubbock this week attending the Texas Bookkeeping Conference, which opened Monday and will continue through Friday. This bookkeeping school is staged annually by the REA. Mr. and Mrs. Ben Porcher made a business trip to Dallas Sunday, returning Wednesday. J. B. Wren, who underwent an operation for appendicitis Sunday, April 11, at the Littlefield Hospital, was released Monday and taken to his home 7 1/2 miles south of town. He will be confined to his bed for several days yet. Mrs. L. C. Strawn and daughter of Lubbock visited her sister and brother-in-law, Mr. and Mrs. R. M. Marshbanks, here Monday. Norma Lorene Buck, 3-year-old daughter of Mr. and Mrs. Ray Buck of Fieldton, underwent an operation Sunday at the Littlefield Hospital for intestinal obstruction. Charles Hauk, well-known farmer of two miles west of Littlefield, received treatment in the South Plains Hospital in Amherst for injuries sustained when he was hit by the power lift of his tractor while plowing Tuesday of last week. He suffered internal hernia, but his condition is reported to be improving. Pfc. and Mrs. Kenneth Houk of San Diego, Calif., arrived Sunday for a visit with his parents and other relatives, and friends. They plan to be here about 10 days. Mrs. Houk is the former Miss Gladys Jones. Mr. and Mrs. Lewis Garnett of the Spade Community, accompanied by their daughter, Mrs. Thurman Dobson, and Lathan Garnett, spent Sunday last visiting friends and relatives near Tahoka, Texas. Sid Pace returned to the Littlefield Hospital Tuesday for a second operation. He underwent surgery Wednesday. Miss Louise Whitaker, employed at the OPA office at Lubbock, spent a recent week end with her parents, Mr. and Mrs. L. K. Whitaker here. Visitors last week in the home of Mr. and Mrs. J. I. Carrell were their daughter, Miss Iva Dell Carrell, and Major Harry Phelps of Midland. Mrs. Bonnie Jackson left Tuesday of last week for Los Angeles, Calif., to work in defense work. E. A. Hestand of Spring Lake is still going about on crutches on account of running a nail in his right foot a few weeks ago.

**Child Has Button Removed From Throat**  
Ronald Lee Lueck, 18 months old son of Mr. and Mrs. Martin Lueck, underwent a Bronchoscopic operation at the West Texas Hospital, Lubbock, Saturday afternoon, for the removal of a button from his esophagus, swallowed by the child while playing at his home 2 1/2 miles northeast of Littlefield. As soon as the mother noticed the alarming symptoms, the child was rushed to the Littlefield Hospital, where an X-ray picture disclosed where the button was lodged, and the physician in charge advised that he be taken to a throat specialist at Lubbock. The child was retained at the West Texas Hospital until Sunday afternoon, when he was brought home. His mother reports her son as apparently alright.

### Fire Damages Property At Spring Lake

High Winds Late Friday  
Cause Sparks To Catch  
Barns, Feed Stacks, Etc.

Fire that threatened the town of Spring Lake late Friday afternoon damaged considerable property for Ernest Baker, who resides there.

Mr. Baker started burning shucks just afternoon Friday, and when the sandstorm struck about 7 p. m., the wind blew the sparks from the shuck pile to the barn. Loss, estimated at \$1,000, included the burning of one calf, and injuring several others,

the feed mill, large quantities of ground grain and corn, three stacks of feed, several barns, and a new hog shed that had just been completed that day.

Tractors and combines near the barns barely escaped being burned. The Fire Department from Olton was called to Spring Lake, and prevented the burning of the home of Mr. and Mrs. Baker. The floor of the house caught as sparks swept under the floor, and all furniture was removed, as the fire department extinguished the flames.

Due to the high wind, the sparks swept across the road from the Baker home and caught the floor of one of the buildings at the flour mill, but the flames were quickly extinguished before much damage was done.

Volunteer workers from the entire Spring Lake community worked several hours, plowing a furrow

around the burning barns, and assisting in removing numerous items from the path of the flames.

### Mrs. Wright To Take Care Of Duggan And Gracy Properties

An office has been opened by Mrs. Vernie V. Wright in the Duggan Building, where all business in connection with the Duggan and Gracy properties in this area will be taken care of.

For the next couple of months, however, Mrs. Wright will be in her office on Wednesdays only.

She has been connected with the Yellowhouse Land Company for the past 20 years, completing her secretarial work with that company as of April 1.

Mrs. Wright has been a resident of Littlefield since 1913, and was employed in the office of the late Senator Arthur P. Duggan when he put the Townsite on. She was also Assistant Postmaster from March, 1913, until April, 1915, when she was married to T. P. Wright.

## His Future IS IN OUR HANDS

BORN IN AMERICA! What a precious privilege during these days when tyranny and oppression threaten to "black-out" freedom and free men in every corner of this dizzy world!

Today—on the high seas, in the air, on foreign soils—Americans and their valiant Allies are battling for free lands, for free peoples, for the free-born of today and for those of posterity.

These little tots of ours—of yours and mine—are going to grow up some day. And we want them to grow up enjoying the same freedom and liberty and happiness that we and our fearless ancestors have fought for and enjoyed during this Nation's glorious history.

Let us dedicate this mighty effort of ours today not only to ourselves . . . not only to those with whom we are marching shoulder to shoulder—proudly and patriotically—as loyal, hard-fighting, freedom-loving Americans . . . but also to the future and to those tiny folk who will inherit the fruits of whatever destiny we mould during present hours and approaching days!

The Littlefield Primary School P.T.A. will meet in the High School Auditorium Wednesday afternoon, April 28.

The program will open with a song by the entire gathering, followed by a prayer by Mrs. L. L. Massengill, and a musical number by Jackie Farr, Glenda Hulse and Mary Jane Coen.

The remainder of the program will be presented by the First Grade Pupils.

Room mothers of Primary P.T.A. are planning Easter treats for the children of the various rooms Friday.

**Col. Joplin Returns To Service In India**

Col. Julian Joplin, brother of Arbie Joplin of this city, and B. N. Joplin of near Littlefield, who has seen considerable service in India, and who has for the past several weeks been commanding officer at Luney Field, Las Vegas, N. M., was recently ordered to Washington.

into the program for this evening's entertainment, and promises to be excellent.

where he received instructions to return to India.

Col. Joplin left by plane for India about April 1.

Mr. and Mrs. Arbie Joplin made a trip to Albuquerque, N. M., Saturday to drive the Dodge Coupe belonging to Col. Joplin, which he left there, to Littlefield, so that they might take care of it for the flyer "for the duration."

Col. Joplin was awarded the silver Star decoration in India in 1942 and was then promoted from Major to Colonel.

Mr. and Mrs. Joplin returned to Littlefield Monday.

**Spade Family Sell Farm; Locate At Georgetown Texas**

Mr. and Mrs. B. H. Hunt, residents of Spade Community since 1926, sold their farm there to W. M. Wood, about January 1, and moved into a residence at Spade, left this area Monday, accompanied by their daughter, Mary Vesta, moving to near Georgetown, Texas, where they have purchased a farm and ranch.

Mr. Hunt stated to a Leader reporter Saturday that they have an artesia well on the place, and that the renter previously on the place had planted a nice garden and crop on the farm, which they had purchased along with the property, which is located 3 miles east and two miles north of Georgetown.

Mrs. Hunt has a sister, Mrs. C. M. Nolan, living about five miles from the Hunt farm, which was also a deciding factor in the location.

Mr. and Mrs. Hunt had spent from February 22 until about April 14 touring around looking for a location.

They spent some time in San Antonio, Lockhart, Bastrop, Smithville, and Elgin and visited several relatives before locating at Georgetown.

Mr. and Mrs. Hunt also sold their half section of land four miles west and six miles north of Olton, in February last to C. E. Pickrell.

Mrs. Hunt, who is a woman of very pleasing personality, paid a pleasant visit to the Leader office, and renewed her subscription to this newspaper.

Mr. and Mrs. Hunt have a large circle of friends in Spade and over this area, who regret very much to see them leave for their new location.

Wanda White, daughter of Mr. and Mrs. W. C. White, and student of Denton's Women's College, was obliged to return home last week on account of ill health. Mr. and Mrs. White have the Post Office at Spring Lake.

## America's Food Emergency

**A Statement by Santa Fe**

**United States facing most critical "crop year" in its history.**

**During the coming months, the need for more food may be greater than the need for more guns, tanks and planes.**

Serving, as it does, "the breadbasket of America," the livestock and meat industry, and the great fruit and vegetable areas of California and the Southwest, Santa Fe pledges its all-out effort in the production and mobilization of food.

**What Santa Fe Is Doing**

Santa Fe employes are planting Victory Gardens along their railroad's 13,199 miles of right-of-way.

Everything that rolls on the Santa Fe is being kept in fighting trim.

Old cars with good running gear are being rebuilt into sleek new gondolas.

Many Santa Fe refrigerator cars that used to go back "dead-head" now hurry back loaded with other freight.

**They're On The Job, Too!**

For years the Agricultural Development Department of Santa Fe has cooperated with growers all along the line, for greater production per acre, through better seeds and better cultural methods. For example:

The people of the middle Rio Grande know how the desert has been converted into paying crops.

The folks in Blue Water Valley of western New Mexico know how the production of vegetables has increased from 86 to 1076 carloads in the past three years.

The potato growers of Kern County, California, know how Santa Fe cooperated in stamping out ring rot and blight.

This year, the people in the Texas Panhandle are bringing in their first harvest of waxy kafir which promises to produce the starch for tapioca and other important products that formerly came from the cassava roots of Java.

In the present national food emergency, these people of Santa Fe's Agricultural Development Department are working harder than ever, doing everything they can to help food growers all along the line!

Cars are few and hours are precious. Every hour a freight car stands idle holds back food or other vital war freight from folks who need it. Every unused cubic foot squanders vital space.

The supply experts of the Army and Navy, the ODT, and the Interstate Commerce Commission Bureau of Service are all focusing on this problem.

**How Shippers Are Helping**

Shippers are helping and can continue to help (1) by maximum loading; (2) by quicker loading; (3) by quicker unloading.

More than 57,000 Santa Fe folks join with the farmers, the livestock producers, the shippers, and the consumers of all America to help meet the greatest food crisis our nation has ever faced.

# U. S. To Be Power Of Balance In Postwar Balance Of Power

The United States will be the power of balance in the postwar balance of power!

Remove America, through one form or another of isolationism, from participation in world problems, and the British Empire will be compelled to orient its foreign policy in the direction of Soviet Russia. Affiliation between the British and Russians will of necessity force the Chinese to do the same.

Thus would an American isolationism drive two of its three principle allies toward identification with Sovietism rather than with American Jeffersonian democracy.

Quite the reverse will happen if the United States accepts its share of world leadership after the war. Great Britain will gravitate toward the United States albeit eager to cooperate with Russia in Eastern Europe. China, traditional friend of the United States, will become the Far Eastern bastion of democracy. The regenerated nations, particularly France, Holland, Poland, Norway and Greece, trusting in the strength and good neighborliness of the United States, will similarly lend their support to the democratic cause.

Of necessity Russia will have to move and adjust itself accordingly.

The United States, in other words, has it within its power to compel the major peoples of the world to unite for the maintenance of peace and the making of a better world.

That the British, endlessly wise in the art of political divination, realize that they must link themselves in considerable permanency with the United States and-or Russia is made plain in Prime Minister Winston Churchill's March 21 address in which he suggested the organization of regional council for Europe and Asia with the obvious inference that a similar council of Western Hemisphere Nations, possibly an enlarged and re-enforced Pan-American Union, would follow as a natural consequence. Clearly, the three regional councils, European, Asiatic and New World, would join in a powerful world organization which would establish and maintain world law and order.

It will be a great temptation to political charlatons to sell a weary postwar electorate a brand of isolationism which, similar to that which followed the last war, contributed so generously to the making up the present war. To achieve such a nefarious purpose all manner of demagogues may be expected to join up under a single banner for the purpose of sabotaging world liberalism.

To the credit of the intelligent leadership of both major political parties and to the good fortune of Americans, defeat of the hopes of democratic peoples the world over will only be over the dead political bodies of such Republican leaders as Willkie and Stassen and such Democratic Party stalwarts as Roosevelt and Wallace.

### RATION REMINDER

Gasoline—"A" book coupons No. 5 good for four gallons each until May 21.  
 Sugar—Coupon No. 12 good for 5 lbs. Must last through May 31.  
 Coffee—Stamp No. 26 (1 lb.) expires April 25.  
 Shoes—No. 17 stamp in War Ration Book One good for one pair through June 15.  
 Food—Blue stamps D, E, and F good from March 25 through April 30, for 48 points.

### "THEY GIVE THEIR LIVES—YOU LEND YOUR MONEY"

The Second War Loan Drive— which began April 12—must raise the astounding sum of thirteen billion dollars to support American Armies that are now attacking the enemy. An offensive Army requires ammunition and materials that cost staggering sums of money. For example—one night raid of 1,000 bombers over the Rhineland takes \$375,000 worth of gasoline. 9 million dollars worth of bombs may be dropped in that raid, and 10 or 11 million dollars worth of planes may

be destroyed.  
 In the future, America's armies will undertake still greater attacks, and these in turn will require still more money. The 13 billion dollars must be raised in addition to the regular purchases of war bonds and stamps that our people are making now. Slogan for the Second War Loan Drive is: "They Give Their Lives—You Lend Your Money."

### RATION BOOKS FOR SERVICE MEN

Service men who eat 10 or more meals per week away from the Army Post are entitled to Ration Book Two.

### TIN COLLECTIONS GAIN

Collections of collapsible tin tubes in the Southwest totaled 223,082 pounds during the first year of operation of the WPB's tube-for-tube swap order. Toothpaste and shaving cream purchasers turned in many more tubes in March than in February. National collections hit a new high of 522,359 pounds in March compared with 395,447 lbs.

the previous month.

### ARMY HAS VICTORY GARDENS

Many Army camps have their victory gardens, where suitable soil is handy to living quarters. They produce whatever the men prefer, or whatever crop seems best suited to the location. Army gardens are nothing new, but now they are on a larger scale. However, they will not interfere with training. The men who conduct them may do so only as a voluntary off-time recreational activity. Food produced will be for the consumption of military personnel only and not for sale.

### FARMERS GET POINTS FOR MEAT

When a farmer sells a slaughtered calf direct to a retail market, the market operator must surrender the right number of points to the farmer. The farmer must then turn the stamps over to the ration board.

### FEWER POINTS, LESS MONEY

Butchers may no longer reduce point values of rationed meats and fats without at the same time lowering money prices. If the retailer lowers the point value, he must lower the price at least 25 per cent below ceiling. If he lowers the point value more than 25 per cent, the selling price must be reduced below ceiling in proportion, but in no case more than 50 per cent.

### RUBBER TIRES FOR TRACTORS

A plan to assist farmers in their vital wartime food production will provide rubber tires and tubes for converting approximately 20,000 tractors and implements, originally equipped with steel wheels, which have been bought since May 1, 1942. Local OPA War Price and Rationing Boards will authorize conversions after certification of farmers applications by county war boards. Reasons for certification are: 1. Necessity of moving implement over the road from farm to farm; 2. Soil or topography such that tractor is seriously handicapped by not having rubber tires.

### IMPORT JAMAICAN WORKERS

Ten thousand agricultural workers will be imported from Jamaica to relieve the farm labor shortages in critical areas in the U. S. through an agreement between the two governments. The Jamaican worker will not displace U. S. farm laborers nor reduce established wage rates. Health authorities will check the physical fitness and when workers contracts expire, the laborers will be returned to Jamaica. Similar agreements have been made with Mexico and the Bahama Islands.

### SEED POTATOES

Retailers are now permitted to sell seed potatoes in any quantity for planting purposes only. The former requirement that they sold only in lots of 50 pounds, or more, has been removed by OPA.

### BINDER TWINE PRICE UP

Binder twine prices will be somewhat higher this year, because of the increased cost of materials. Cordage and twine fibers, from which binder twine has been made in the past, are scarce. WPB and the U.S. Department of Agriculture have, therefore, encouraged use of part cotton yarn combined with henequin and sisal. These fibers are more expensive than materials formerly used.

### MORE CANNED FISH THIS YEAR

The amount of canned fish available to civilians from the 1943 pack should be somewhat larger than from last year's pack. Due to a smaller carryover of canned fish in 1943, however, the per capita sup-

ply for this year may be about three-fourths of the 1942 civilian consumption.

### Suggestions On "Variety Meats"

With meat rationing at hand, the Department of Home Economics at Technological College offers following suggestions and recipes "Variety Meats":

No good reason, many Americans like the thought of using as many of the functional organs of animals. Yet the "variety meats," liver, heart, brains, kidneys and other organs are not only rich in nutritive value but when properly prepared are very tasty dishes. They are going to aid the war effort and behooves us to be open minded about trying new foods and new combinations. Also with 16 points per person per week to cover all meat, canned meat, canned fish, butter, cheese, cooking fats, shortening salad oil and cooking oil, we will have to learn to eat meat of low point value.

The "variety meats" are perishable. They do not ship well. They take time to prepare, the men in service are not accustomed to eating them, and, therefore, do not like them. These are all valid reasons why the Army does not use these meats. They are also valid reasons why civilians should learn to eat them.

In addition to being low in point value, variety meats are also low in cash value. However, they are extremely high in nutritive value. All muscle meat as well as variety meats are high in protein and iron and low in calcium, but liver, kidney and heart contain much more iron than does beef, and tongue contains very nearly as much. Liver, kidney, brains, heart and tongue surpass beef in another vitamin.

The least efficient of the organs from the standpoint of nutrition are sweetbreads and tripe. Tripe, the lining of the stomach, being the more deficient of the two. Tripe is also harder to prepare.

Following are recipes for variety meats which have been tested in the Department of Foods and Nutrition at Texas Technological College:

**Braised Liver and Vegetables**  
1 lb. liver.  
1 c. canned tomatoes.  
1 onion.  
3 Tbsp. fat.  
4 carrots, sliced.  
6 potatoes, sliced.  
1 tsp. salt.  
1/4 tsp. pepper.

Wash liver and cut in two-inch pieces, roll in flour and brown with onions in melted fat. Add vegetables and seasonings. Pour in greased baking dish and bake in moderate oven until tender (about 1 hour), or simmer on top of stove. (In this case water should be added).

**Liver Loaf**  
1 1/2 lbs. liver.  
1/2 c. tomatoes.  
1 tbsp. diced onions.  
1/2 green pepper, diced.  
1 1/2 c. soft bread crumbs.  
1 egg.  
1 c. milk or tomatoes.  
2 tbsp. melted fat.  
1 1/2 tsp. salt.  
1/4 tsp. pepper.

Parboil liver for five minutes. Grind liver, onions, and green pepper in food chopper. Add milk, bread crumbs, beaten egg, tomatoes, fat, and seasonings. Beat well and pour into greased baking dish. Bake 40 minutes in a moderate oven.

**"They Give Their Lives—You Lend Your Money"**  
U. S. Treasury Department  
Courtesy King Features

**Liver Sandwiches**  
Put left-over liver through food chopper. Add enough catsup to moisten and mash to a paste. Spread on slices of buttered bread. Chopped celery, green pepper or finely shredded cabbage may be added to an advantage.

**Braised Beef Heart**  
A beef heart will serve four to five generously. Wash heart thoroughly in plenty of warm water. Remove all fibers and veins. Dry, stuff with bread stuffing, and sew or skewer together. Brown on all sides in lard. Add 1/2 c. water, cover closely, and cook gently on top of range or in a slow oven (300 degrees F) until heart is tender (about 3 hours). Vegetables may be cooked with heart. Thicken liquid for gravy. A pressure cooker will shorten time of cooking.

**Braised Kidney and Vegetable Stew**  
1 lb. kidney.  
5 potatoes, cubed.  
4 carrots, cubed.  
1 large onion, diced.  
1 tsp. fat.  
1 1/2 tsp. salt.  
1/2 tsp. paprika.

1/4 tsp. pepper.  
Split kidney through the center; remove fat and heavy veins. Cut in pieces, cover with cold water, and heat slowly to boiling point. Discard the water. Brown onion in fat with seasonings (use kettle in which stew is to be made. Add meat and cook until brown. Add 4 c. water and vegetables; cover and simmer until meat is tender (about 2 hrs.). (Stew may be thickened with 2 tbsp. flour mixed with 1/2 c. cold water, if desired.)

**Scrambled Eggs and Brains**  
Parboil 1 set of brains for 20 minutes and remove membrane. Place about a tablespoon of fat in a hot frying pan and add the brains, stirring constantly. Cook over low heat about 10 minutes. Beat eggs slightly, add 3 tbsp. milk and salt and pepper to taste. Add the egg mixture to brains and stir until eggs are cooked. Add a little chopped parsley and paprika and serve at once.

## Beautiful Pageant Presented By Local Chapter O. E. S. Friday

One of the most outstanding programs ever presented by the local Chapter of the Order of Eastern Star was enjoyed Friday evening at the home of Mr. and Mrs. V. S. Cassel, when a beautiful Eastern Star story in pageant and song, "Littlefield Chapter Under Four Flags," written by Mrs. Pat Boone, directed by Mrs. W. D. T. Storey, with Mrs. Dewey Hulse as pianist, and Mrs. G. M. Shaw and Mrs. A. B. Haynes as vocalists, was presented.

The occasion was in honor of Mrs. J. D. Dodgen, Worthy Matron of the local Chapter.

The home was lovely with baskets and vases of Spring flowers, including Columbine, Tulips, Spyrea and Sweet Peas.

Soft music was rendered during the evening as the guests were arriving and being seated by Mrs. Sid Hopping.

Mrs. Sam Rumback presided over the register.

The tea table was laid with lovely Madeira line cloth. Miss Lula Hubbard presided over the punch bowl, and Mrs. L. C. Grissom assisted in the serving of delicious refreshment plates.

Twenty-six officers and members took part in the presentation of "Littlefield Chapter Under Four Flags"—U. S., Texas, Christian and Eastern Star Flags, with Mrs. Boone as reader and Mrs. Lloyd Sewell as flag-bearer, as follows:

Pantomime of "Betsy Ross"—Mrs. Grover Dennis with Mrs. Shaw and Mrs. Haynes singing accompaniment; "George Washington—Leader of Men"—Mrs. Oscar Wilemon, with Mrs. Shaw and Mrs. Haynes as accompanists in song; "Pantomime of Blue and Gray"—Mrs. H. C. Arnold and Mrs. J. A. Price, accompanied by Mrs. Shaw and Mrs. Haynes, who sang "The Blue of the North and the Gray of the South"; "Pioneer"—Mrs. Acree Barton, accompanied by Mrs. Shaw and Mrs. Haynes, who sang "Old Susannah"; "The Immigrant"—Mrs. E. S. Rowe, with Mrs. Shaw and Mrs. Haynes singing "Wait for the Wagon"; "Factory Worker"—by Mrs. Maude Street, who sang "I Am Working in the Factory"; "Cowboy"—Mrs. Lynn Dobbs, who sang "Home on the Range"; "Farmer"—Mrs. J. G. Singer, who sang "Carry Me Back to Old Virginia"; "Soldier"—by Mrs. Esta Mae Hopping, who sang "Over There"; "Soldier, Sailor and Marine"—Mary Jane Coen, Jackie Farr and Glenda Hulse, who sang "Three Little Sisters";

Presentation of the Texas Flag by Mrs. Lloyd Sewell;

Mrs. Allan White of Amherst represented the "Indian," and was accompanied by Mrs. Shaw and Mrs. Haynes, who sang the "Indian Love Call";

Mrs. Arbie Joplin represented "La Sallee," and as accompaniment, Mrs. Shaw and Mrs. Haynes sang "La Marseillaise";

A Spanish dance was presented by Mrs. Sid Hopping;

Mrs. I. D. Onstead represented the "Mexican," and sang "South of the Border, Down Mexico Way";

The Texas Pioneer was represented by Mrs. Acree Barton, and the song, "Beautiful Texas," was sung.

The Christian Flag was then presented by Mrs. Lloyd Sewell.

The Pantomime of Crusader by Mrs. L. C. Grissom followed, with Mrs. Shaw and Mrs. Haynes singing "Must Jesus Bear the Cross Alone";

As a symbol of Prince of Peace Mesdames Thelma Stephens, Jack Yarbrough, Prentise Holland, and V. F. Jones, and Miss Beatrice McCurdy enter carrying candles and

stand in attitude of silent prayer, paying tribute to the Christian Flag. Pantomime of Mary Magdalene—Mrs. Wm. Rumback, with Mrs. Shaw and Mrs. Haynes singing "Christ Has Risen From the Dead";

Presentation of the Eastern Star Flag, with Mrs. Shaw and Mrs. Haynes singing "Star of the East"; and Mrs. Boone paying tribute to the Flag;

Mrs. Boone also introduced the officers, and Mrs. Sid Hopping escorted the Worthy Matron, Mrs. J. D. Dodgen, to the Eastern Star Flag, which was followed by a lovely tribute to Mrs. Dodgen by Mrs. Boone, and Mrs. Shaw and Mrs. Haynes sang "We Love You Truly."

A lovely gift by the local Chapter was presented to Mrs. Dodgen by Mrs. Pryor Hammons in a very fitting manner.

The program was closed with the singing by the entire gathering of "Blest Be the Tie That Binds."

Those present were: Mesdames Newt Harkey, Wm. J. Aldridge, Kate Gimmel, O. K. Woodall, Irene Edmonds, W. G. Street, Geo. A. Staggers, Sid Hopping, G. M. Shaw, Lloyd Sewell, H. C. Arnold, V. S. Cassel, J. A. Price, Sam Rumback, L. C. Grissom, Grover Dennis, Lynn Dobbs, Lee Hemphill, Pat Boone, A. McGehee, Birdie Betty, J. H. Barnett, Thelma Stephens, Jack Yarbrough, Prentise Holland, V. F. Jones, Robbie R. Wright, S. J. Farquhar, F. O. Boles, Pryor Hammons, Allan White, Dewey Hulse, Anne Louise Wiseman, A. B. Haynes, George Harrell, I. D. Onstead, Oscar Wilemon, Wm. Rumback, J. R. Coen, J. G. Singer, Esta Mae Hopping, E. S. Rowe, Acree Barton, W. D. T. Storey, and J. M. Stokes, and Rev. A. B. Haynes, Pat Boone and George A. Staggers, and Misses Beatrice McCurdy, Lula Hubbard, Glenda Rene Hulse, Jackie Farr and Mary Jane Coen.

## Local Sub-deb Club Stage Annual Presentation Dance Friday Night

The Littlefield Sub-Deb Club had their annual formal presentation dance last Friday night at the Littlefield Legion Hut.

There were 19 spring pledges to be presented Friday night.

The girls were introduced to the strains of the club theme, "Star-lust." The girls stepped from the arch and descended the steps to meet their escorts. The room was in total darkness and as the girls stepped from the arch a spotlight was turned on them, ranging from blue to white.

Announcing the girls as they descended the steps was the Sub-Deb beau, Doyle Elliott.

They were presented as follows: Betty Jean James, wearing a blue sheer dress with a corsage of white carnations, escorted by Buster Owen.

Betty Jo Pinkerton, escorted by Richard Compton, wore a white chiffon dress with a sweet pea corsage.

Katherine Evans, wearing a red and white silk crepe and a corsage of white carnations, escorted by Billy Dan Stovall.

Louise Sparks wore a white silk dress with red carnations and was escorted by Wilfred Roberts.

Wanda Standifer, wearing a blue chiffon with a corsage of red and white carnations, escorted by Melvin Coley.

Stan O'Dell in a white dress trimmed in black lace with a corsage of red carnations, escorted by Jodye ones.

Georgie Lou Smith, in a red and white bemburg sheer with an arm corsage of red and white carnations, escorted by Maxie Dan Bagwell.

Ardilla Rowtan, in a colonie style silk print with a sweet pea corsage escorted by Wesley Faulkner.

Kitty Sou Wright, in a blue taffeta with a ping carnation corsage, escorted by Wesley Faulkner.

Wray Elliott, escorted by Gene Pratt, wore a summer print trimmed in green and a carnation corsage.

## Will Take Part In Easter Pageant At Mary Hardin-Baylor

Miss Evelyn Griffin, daughter of Mr. and Mrs. C. O. Griffin, Littlefield, will play the part of the disciple, Thaddeus, in the Mary Hardin-Baylor College Easter pageant which will be presented at 7 o'clock Easter Sunday morning.

The pageant, which will portray the last week of the life of Christ, will be given in an out-door setting with Miss Euodia Flagg, daughter of Mayor and Mrs. Henry W. Flagg, Galveston, playing the part of Christ.

The public is welcome to attend this annual production which is under the direction of Miss Emilie Johnson, head of the drama department.

Miss Griffin has also been elected by unanimous popular vote of the student body as the student forum lead for the coming year in the Student Government association. She is also chairman of the nominating committee for the senior class officers for 1943-44.

## Graduates From Mechanics' School At Merced, Calif.

Mrs. Lotella Jorgensen, formerly Mrs. Otis Jorgensen of this city, who left here about three years ago for Merced, Calif., recently was graduated from the Post Air Mechanics School in that city.

Mrs. Jorgensen and Miss Sally Love were the "first" from this school to be handed their certificates of graduation as Air Mechanics on this field. They attended the regular seven weeks' course along with the enlisted men from the field.

Lieut. Col. Brewer presented Mrs. Jorgensen and Miss Love with their Certificates.

Mrs. Jorgensen has been employed in defense work and going to mechanics' schools for the past year.

## Lieut. And Mrs. Hall Visit Friends Here

Lieut. and Mrs. Mancel Hall and daughter, Diane, of Midland, arrived in Lubbock Friday, where they visited Mrs. Hall's parents, Mr. and Mrs. E. R. Allen, and came to Littlefield Saturday, where they visited friends, including Mrs. C. E. Cooper over the week end.

Lieut. Hall is stationed at the Army Air Forces Bombardier School at Midland, where he is in charge of Motor Transportation at the

Post.

As announced by Capt. D. M. Brown of the Headquarters 2nd AAF Training Detachment, Cal-Aero Flying Academy, Ontario, California, James O. Landrum, son of Mrs. S. A. Landrum, now an Aviation Cadet, has graduated from the primary flying training course, and is now transferred to the 14th A. A.

F. B. F. S. at Lancaster, Calif., a basic flying school for further training in becoming a commissioned flying officer.

Harold Curtis Thurman, 18, son of Mr. and Mrs. Roy B. Thurman, Rural Route No. 2, Littlefield, Texas, may soon be a petty officer in the U. S. Navy. He was recently enrolled in the Naval Training School for machinist's mates at the University of Kansas at Lawrence, Kans., and is eligible for advancement in rate upon graduation.

Selected for this technical training on the basis of results from a series of aptitude tests given him while in recruit training, he is being given courses in the operation and repair of all types of mechanical equipment found aboard a modern warship.

Bluejackets graduated from this school are assigned to active duty at sea at some naval shore station.

Cpl. Thomas W. Sisson, who is with an Ordnance Company, Tank Division, Heavy Maintenance, and in service about a year, arrived home Thursday morning on a 14 day furlough to visit his mother, Mrs. T. J. Sisson, of three miles east of town.

Cpl. Sisson has been stationed at Camp Bowie. Mrs. Sisson is making her home with her parents, Mr. and Mrs. J. B. Denton, at Gould, Okla., while her husband is in the Service.

Cpl. Sisson paid the Leader a pleasant visit Friday.

Charles A. Sanders, who is connected with a Paratroop Battalion, in training at Camp Hoffman, North Carolina, was called home recently due to the serious illness of his sister, Mrs. Ray Long, who is confined in the Lubbock General Hospital.

Mrs. Long is the daughter of Mr. and Mrs. Sanders of this city.

Maurice C. Hall of the U. S. Navy, who has been stationed at the Naval Air Station, Norfolk, Va., has been transferred to Alameda, Calif. He is the son of M. D. Hall of Spade. In a letter to the Leader under date of April 12, received Friday last, giving this newspaper change of address for mailing of his Leader, Mr. Hall said:

"I have been in the Navy 13 months, and I want you to know I look forward for the paper more than anything else.

"I haven't been home. I joined the Navy, but we did pass through Littlefield on a troop train coming

Play Safe

According to the best authorities, the minimum daily A, D and B Complex Vitamin requirements of the average person are: A 4,000 USP Units, D 400 USP Units, B1 333 USP Units, B2 2,000 Micrograms, and approximately 10,000 Micrograms Nicotinamide. The required amounts for these B Complex Vitamins have not yet been established.

Many people do not get enough of these essential Vitamins. DO YOU? Why not play safe by taking ONE-A-DAY VITAMIN TABLETS. Each ONE-A-DAY Vitamin A and B Tablet contains 25% more of the good liver oil vitamins than the minimum daily recommended quantity. Each ONE-A-DAY Vitamin B Complex Tablet contains full minimum daily requirements of Vitamins B1 and B2 and 10,000 Micrograms of Nicotinamide together with a substantial amount of other B Vitamins. When you buy Vitamins, compare quantities and prices. Note how ONE-A-DAY Tablets conform to the average human requirements. See them at your drug store.

War Board, and Triple A, will work with farm industry groups to coordinate movement of agricultural products from producer to market.

All branches of the farming, livestock and dairy industries have been advised by ODT to formulate mileage conservation plans among producers, haulers and processors in order that the serious shortage of heavy-duty tires, trucks and replacement parts may not cripple the production and distribution of vital products. Committees are now being formed in the dairy industry throughout Texas, to adjust routes for mileage conservation and similar organization will be undertaken in connection with other farm products.

Operators Of School  
Buses May Receive  
Additional Gas

To assure continued school attendance for the remainder of the current school term, the ODT has announced that school bus operators who did not receive their revised Certificates of War Necessity before April 1, may obtain supplemental gasoline allowances if necessary.

Failure of some school authorities to return applications for revised certificates promptly is causing delays in the issuance of such certificates, the ODT pointed out.

So that the regular movement of children to school may continue during the second quarter of 1943, beginning April 1, the ODT has outlined the following procedure by which school bus operators whose present Certificates do not provide sufficient mileage and gasoline allowances may secure additional motor fuel for necessary operations.

An appeal form may be obtained from the nearest district office of ODT's Division of Transport. This form must be completed and presented to the Public School Superintendent for his consideration. The Superintendent will note his recommendation on the form and return it to the District Office. Thereupon, the District Office will prepare the necessary supplemental certificate and send it to the superintendent for transmittal to the bus operator.

The ODT emphasized that revised certificates of War Necessity will permit no more mileage than is necessary for school bus routes after they have been reorganized in accordance with a program of school bus conservation established by ODT

RESPOND TO APPEAL

Frank Scofield, War Bond Administrator for Texas, releases Series E War Bond sales of \$27,014,554.25 for the month of March against a quota of \$24,500,000 for Texas. This represents an increase of 10.2 per cent over the quota despite the impact of income tax payments. March sales rank with December 1942 and January 1943 among the top three months in E War Bond sales history. The people of Texas are responding to the appeal "It takes both—Taxes and Bonds."

Beatrice H. D. Club  
Meets With Mrs.  
Guy Gattis Recently

The Lum's Chapel "Beatrice" H. D. Club met Thursday, April 8, with Mrs. Guy Gattis. Mrs. Gattis and Mrs. Leonard Bryant were acting as joint-hostesses.

After the usual opening exercises which included club songs, and roll call of "something I've done for victory," the program of the day was presented.

Mrs. H. Spraberry gave a talk on "Care of Rubber in the Home"; Mrs. Edgar Purvis gave a useful recipe on "Home-made Soap"; Mrs. Leonard Bryant demonstrated a sleeve board which was made by Mrs. Emzy Hobbs; Mrs. Hershel Baker gave a talk on "Care of Our Irons"; and Mrs. Cecil Gipson concluded the day's program with "Duties and Rights of an American."

Those present to enjoy the program and refreshments were: Mes-

dames Edgar Purvis, Burl Rogers, Bill Steffey, Cecil Gipson, Hub Spraberry, J. T. Brown, Hershel Barker, H. J. Hodges, V. L. Baisden, Doss Maner, R. E. Watson, Vernon Cox, Floyd Brown, Fred Newsome, and the hostesses, Mrs. Guy Gattis and Mrs. Leonard Bryant.

The next meeting will be with Mrs. Cecil Gipson, April 28.

**Certificates May Not Be Transferred**

Certificates for War Necessity and "T" ration gasoline coupons may not be transferred along with titles to trucks or other commercial vehicles, the Office of Defense Transportation stated today. The action directly violates General Order ODT 21, the ODT pointed out, and may be punished by suspension or revocation of Certificates.

New operators receiving a motor vehicle through transfer must file an application for CWN immediately upon the transfer. Operators who already hold Certificates must apply for revised Certificates using Form CWN-5-S if a single unit operator, or Form CWN-5-F if a fleet operator. Failure to file such applications may also result in suspension of the operator's CWN, the ODT said.

Single unit operators (operators of one or two vehicles) must return Certificates to their ODT District

Offices and must surrender unused "T" coupons to their local War Price and Rationing Boards upon transfer. Fleet operators must advise the nearest ODT District Office of their action and return the appropriate Sub-Certificates.

Operators changing their area of operation or substantially changing the nature of their business must inform their local ODT District Office of such changes. Changes of address should also be reported promptly. Failure to comply with these rules, ODT stated, may result in reduction of gasoline allotments or possible suspension of Certificates.

**Think What Power Hath Done**

Only one thing keeps this scene from being a picture of your wife, your mother, your daughter. It is not a matter of time, for women still are working like this where the original photograph was taken. It is not a difference in land, for this European field is level, with soil much like that in many sections of this country.

The difference between this farm and yours is POWER. Where earth is turned by human muscle, much or most of the muscle is woman's. Where clumsy one-piece wooden plows prevail, travelers tell of the wife teamed with the ox to pull the plow. Wherever work is done the hard way, women and children have to help with it.

Every form of Power has brought its phase of freedom to the farm family. Waterwheels set woman free from grinding flour with mortar and pestle. Tread and sweep powers enabled animals to drive threshers, freed whole families from the flail. Steam power made possible the self-feeder and wind-stacker, did away with dirty drudgery in threshing. Finally came the tractor to lighten labor in field, at farmstead, and even on highway.

In the time it took to grow and harvest an acre of corn 25 years ago, a man now takes care of two acres. While he produced an acre of soybeans then, he produces over three acres now, with wheat nearly four acres, according to University of Illinois farm management records. The difference is that 25 years ago these farms had no tractors; now they have tractors, tractor planters and cultivators, combines and corn pickers.

All the glorious advance of American agriculture by the application of Power is fruit of the freedoms which are the American way... freedom of thought, of education, of employment, of enterprise. And because the American way gave them Power and machines, one family on the farm now feeds three other families and creates a huge surplus for export.

In time of peace those other people are free to provide plumbing and pianos, education and all the material blessings in our way of life. In time of war, farm machinery frees men to make weapons and to wield them in defense of all the freedoms of all the people.

**Four Times Faster**

Riding his Case "SC" tractor, a farmer turns as many acres as four men with one-plow tractors, or six to eight men with walking plows and two-horse teams. He fits the land to grow crops for making four times as many loaves of bread and quarts of milk to feed several times as many soldiers and civilians. If you have a Case tractor, use your Case dealer's service to keep it at the peak of performance.

**DAUGHTER BORN TO CPL., MRS. TIMMONS**

A daughter, weighing 7 pounds 7 ounces was born to Cpl. and Mrs. Paul Timmons, formerly of Amarillo, at the Littlefield Hospital Sunday night about 7 o'clock. She has been named "Sally Caroline," after her two grandmothers. Mrs. E. A. Bills' given name is "Sally," and Mr. Timmons' mother's name is "Caroline."

Cpl. Timmons, who is connected with the Public Relations Department at Fort Sill, Okla., arrived in Littlefield Thursday, and will return to duty this week.

**"Texas Poets" Is Theme For Club Program Thurs. Night**

"Texas Poets" and their works was the theme for the program led by Mrs. J. H. Carl at the regular meeting of the Junior Study Club Thursday night at the home of Miss Sybil Wiginton.

Mrs. Carl discussed the lives of Goldie Caper Smith, David Russell, Tom McNeal, and Randall Jarrell, and read several of their poems.

Climax of the program was the reading of several poems from the book "Sure Enough—How Come," by F. W. Van Emden. Mrs. Van Emden was born in Holland, educated to speak in English, and came to New York City to live where she had to learn a new language and "unlearn" an old one. She worked in the art and music department of the Metropolitan Press for eastern magazines. More than a decade ago she came to Texas, where she learned a new language, and wrote poems about "Texas Talk." Her observations, said J. Frank Dobie, were written "in such a way that not one soul will be induced to reform his speech, even indifferently."

Those attending the club meeting Thursday night were Mrs. Addie Spikes, Mrs. Edward Betts, Mrs. Carl, and Misses Olene Robbins, Katie Stith, Marion Short, and Margaret Bandy, and the hostess, Miss Wiginton.

**EVERY COTTON GROWER NEEDS CERESAN THIS YEAR!**

Every cotton grower now needs CERESAN to help keep disease losses low and yields high—to avoid serious waste of seed, fertilizer and labor. CERESAN treatment of cottonseed generally reduces seed rotting, sore-shin and certain other seed-borne diseases; commonly gives stronger stands; usually increases yields, often 10 to 25%. Inexpensive. Easily-applied. Treat your own seed, or buy seed marked with the CERESAN Certificate Tag. See your dealer!

TREAT OTHER SEEDS, TOO!  
Use Ceresan Jr. for seed corn. New Improved Ceresan for small grains. Semesan for vegetables. Semesan Bel for potatoes.
