Red Cross Begins 1-Day Fund Drive

Red Cross fund drive members in Littlefield began a one-day campaign to contact local businessmen Wednesday morning after a kickoff breakfast at Fisher's restaurant at 7:30 a. m.

Chisholm Gives Assignments
Joe Ferrell, Littlefield chairman, was in charge of the kickoff breakfast. J. C. Chisholm, Red Cross board member, assigned portions of the city to be covered Wednesday by the volunteer workers.

Present at the breakfast were Mrs. Lyle Brandon, Ferrell, Chisholm, Rev. Harry Vanderpool, John Alford, Nelson Naylor, Virgo Peterson, Jimmy Brittain, Dr. Glenn Henry, Buster Owens, W. O. Hampton, Earl Rodgers, Hubert Henry, Deverelle Lewis, Marion Williams, Carl Keeling, Truett Vinson, and Luther Faulkner.

Workers hoped to reach the \$4,192 local quota in the one-day campaign. Booths will be open in both local banks to accept donations for the Red Cross this week.

The county quota of \$9,212 is \$800 less than last year's quota, and a one-day drive was being conducted throughout the county. Mrs. Brandon said Wednesday morning that some of the communities had already reached their quotas.

W. C. Cannon Files For School Job

The filing period for election of school board trustees is now open, School Secretary Sid Hopping announced this week. So far, only one person has filed—Incumbent W. C. (Hoot) Cannon.

Cannon is one of three trustees whose terms expire this year. The others are Jack Yarbrough and Boyd Montgomery.

Filing period ends 10 days before the election April 3.

Band Concert

The Littlefield Wildcat bands will present a free public concert at 7:30 p. m. Friday in the high school auditorium. Both junior and senior bands will present several numbers.

Two \$50 Special Prizes Offered This Last Week of Big Prize Campaign

These prizes will be awarded to the person who turns the greatest number of sales in their sealed envelope next Tuesday night regardless of what other prize he or she may win; the other will be awarded to the person who turns in the greatest number of sales in their sealed envelope Tuesday night, fails to win either of the four major awards in the first announced or either of the three \$100 Special Awards announced last week.

These two special prizes are being given for the benefit of those who have had some misfortune or handicap and feel that they cannot win one of the larger prizes. No commission will be deducted from these prizes.

A number of candidates who have not reported recently would quickly see the opportunity that these prizes offer for them to go out and put in a little concerted effort these last days and emerge with a nice prize in addition to their cash commission or whatever other prize they may win.

It is likely that these prizes will be won with a very small amount of business this last week as most everyone has closed for two weeks of big votes and feel that they have turned in all the subscriptions they can secure.

The main reason for giving these prizes is so that the manager can conscientiously encourage each candidate in these last days.

In most campaigns candidates keep entering during the campaign, and by the time each has finished his or her individual two weeks of big votes the territory is well worked, but this campaign very few entries were made after the first week, leaving some localities to be worked by candidates from other parts of the territory. This made it necessary to give out awards in an attempt to get the job completed.

As candidates became separated in their vote standing, all would do was to give additional prizes so that we could conscientiously encourage each one; now we are giving these prizes for results these closing days as it is necessary for us to get each one's help to the end, to accomplish what we set out to do. No candidate in the entire list has any reason for being busy these last days of this great drive. Candidates who do not win some kind of prize in this campaign, with the prizes being given, have no one but themselves to

School Asks Experts To Study Needs

At the request of a group of citizens, Littlefield school board held a special meeting Tuesday night and asked a Lubbock architect firm, Haynes and Kirby, to make a study of needs of the local school system and costs of filling them.

The Lubbock firm will present a layout of what would fit the local program to the board next Tuesday.

The experts will study needs of the school and present buildings and estimate the number of classrooms Littlefield will need in the next 10 years and cost of building them.

There will be no charge for the study unless a new school is built. At that time, Haynes and Kirby would be paid a fee for its work in the survey of needs.

Members of the Junior Chamber of Commerce and their wives met at the school cafeteria Tuesday noon and toured the school plant as part of the observance of Texas public schools week. The Lions club ate at the school and made a similar tour Wednesday.

Drillers Fish For Tools In Rogers Well

Drillers at the Hill Rogers No. 1 well, east of Littlefield, were fishing Wednesday for a portion of the drill stem lost in the well Tuesday night.

Drilling was at 3,890 feet in lime when the stem was lost. Homer L. Cain, whose bad luck in Littlefield began last week when his L. C. Gregg No. 1 north of town was plugged at 4,290 as a dry hole, said "We hope to go ahead with drilling soon."

He said, "We hope to recover the drill tools today, but there've been cases where they've had to move over and drill a new hole." He said if that's necessary at the Hill Rogers, it'll be done.

The George P. Livermore No. 1 A. C. Chesher in Labor 13, League 663, State Capitol Lands Survey, was at 4,040 Wednesday noon and coring started Tuesday night at 3,990.

Livermore said there was no show in coring from 3,990 to 4,040 and "we're reaming the hole now preparing to core again." He said drillers are still in lime.

The Texas Company No. 3 Ida Daimont Hewitt in Labor 9, League 658, State Capitol Lands Survey, was drilling below 3,900 feet and preparing to set casing.

H. J. Moncrief, Sudan route 1 (two permits); Wix Price, Olton star route 2; W. B. Combest, Olton; J. P. Ratliff, Paducah; Cleve Hamilton, Muleshoe route 1; R. C. Hyde, Earth star route 1; L. H. LaDuke, Olton route 1.

J. W. Emfinger, Littlefield; J. R. Inkiebarger, Anton route 1; Mrs. M. M. Dubose, Littlefield route 1; W. E. Priddy, Amherst route 1; N. F. Cleavinger, Dimmitt.

Children Of Mrs. Rudd Ask \$27,000

The children of Mrs. Alice Rudd, 52, who died after a traffic accident Sept. 24, 1933, have filed suit for a total of \$27,250 in damages against Ruben Bartlett of Springlake.

Injured Near Littlefield
The suit in district court was filed on behalf of L. C. Rudd, Denver Rudd, Chresty Rudd and John D. Adrian, for his wife, Alma Fay Rudd Adrian, as the surviving heirs and children of Mrs. Rudd.

The petition claims Mrs. Rudd was walking across a state highway two miles north of Littlefield last Sept. 24 when she was struck by a car allegedly driven by Bartlett.

The petition claims Mrs. Rudd suffered "severe and excruciating physical injuries" and died three hours later.

\$20,000 for Gifts
The petition claims she earned \$500 per month from her business interests and was in the habit of giving gifts averaging \$400 per year to each of her children.

They claim they "could reasonably have expected their mother to contribute to them" some \$5,000 each during her normal lifetime.

They're asking a total of \$20,000 for loss of the gifts, \$5,000 for Mrs. Rudd's "severe and excruciating mental and physical pain and suffering," \$1,500 for hospital and funeral expenses and \$750 for a tombstone and grave marker.

Norris Ostead To Enter Ministry

Norris Ostead, manager of Onstead Furniture, has announced plans to enter the ministry and will enter college either for the summer semester or next fall, preparatory to attending Baptist Seminary.

Ostead said of the major decision, "I was called to preach last summer. After lots of planning and studying I made a public surrender last Sunday."

Ostead, a graduate of Littlefield high school, has been with Onstead Furniture for eight years. Mr. and Mrs. Ostead and their 3-year-old daughter, Janith, plan to sell their home and will move when he enters college. He will remain with the furniture store until then.

Farmers To Receive Revised Allotments Within Two Weeks

The increase in cotton allotments will give Lamb county 25,854.7 more acres, Office Manager Charlie Hill of Agricultural Stabilization and Conservation committee announced Wednesday.

The previous allotment was 193,657 which, with the increase, will give Lamb county farmers a total of 219,511.7 acres to plant to cotton this year.

Shared by 2,640 Farms
An estimated 294,879.2 acres were planted to cotton in Lamb county in 1933, when cottonians harvested an all-time record of 193,590 bales.

Hill said revised allotments will be mailed to the county's 2,640 cotton farmers "within the next couple of weeks."

The county committee was to meet this week to allocate a "spare" 1,524.5 acres to hardship cases and farmers who got no increase under the regular 65-40-47 increase set-up. Hill said this 1,500 acres was the county's share of a statewide margin of increase after allotments revised under the 65-40-47 setup did not quite equal the 1,342,320 additional acres given Texas.

From 1/10 Acre Up
Under the 65-40-47 formula, farmers get 65 percent of their 3-year average or 40 percent of highest planted year but not more than 47 of total cropland.

Hill said individual increases will average one-tenth of an acre. Looking at one page of revised allotments, he found increases of from three to 27 acres.

Members of the ASC committee are Chairman Henry Gilbert of Sudan, Vice-Chairman W. T. Clayton of Springlake and R. L. Stubblefield of Spade.

The new allotments were worked out in Hill's office according to the 65-40-47 formula and then went to the state office for approval.

The committee's allocation of the other 1,524.5 acres will be sent to Lubbock district office Thursday for approval.

12 Arrested For Gambling After Raid

City police and county officers Sunday raided a cafe in the flats and charged 12 men with gambling and one of them, the cafe-owner, with running a gambling house and drunkenness.

One of the 12 men ran to the second floor of the building and jumped out a window when officers closed in Sunday night. But he was captured, limping, in Sudan Monday and was fined along with the others.

Cafe Man Posts Bond
Officers said the men were playing poker when they entered the cafe.

Six of the men were fined \$25 each by city police. The other six were charged in the peace justice court of G. S. Glenn.

Perry Lee White paid a \$10 fine and costs on a charge of drunkenness and gambling and was freed under \$500 bond on a charge of running a gambling house.

Fines of \$10 and costs each were levied by Glenn against George Nelson, Bill Williams, Curtis Burks and Walter Smith. Willie Jones, also charged with gambling, was placed under \$200 bond.

Nine Other Arrests
(Names of the five fined by the city are not published since police court is not a court of record.)

The arrests on gambling charges were among a total of 21 made by busy local officers during the weekend. Four persons were arrested for disturbing the peace, three on traffic charges, one for drunkenness, and one for Sinton officers.

Mr. and Mrs. R. R. Ater of Albuquerque, N. M., spent Sunday and Monday in Littlefield visiting her parents, Mr. and Mrs. John Akers. Mr. and Mrs. Ater are former Littlefield residents.

Jimmie Hine New Prexy For Teachers

Jimmie Hine, Littlefield distributive education instructor, was elected president of the Lamb County Teachers' Association at a Monday night meeting of the group in the Littlefield high school cafeteria. Hine replaces Odell Wilkes, principal of Sudan high school, who is the outgoing president.

Mrs. Mable Laughlin of Springlake was elected vice-president and Mrs. Fred Gordon of Olton was re-elected secretary-treasurer of the organization.

Rev. Harry Vanderpool, pastor of the First Methodist church, was principal speaker for the meeting, with the topic "Doing What You'd Rather Not Do."

The invocation was given by C. E. Williams and the welcome address was given by Supt. Haldis Pearce of Littlefield. The Littlefield capella choir, directed by Dick Daughtry, furnished musical entertainment. Members of the Littlefield Future Homemakers of America presented a pantomime take-off on Spike Jones' band.

Wilkes, who presided during the business meeting, introduced the numbers on the program and expressed the group's appreciation to Mrs. Forrest Martin and the cafeteria staff who prepared the meal.

County Supt. J. Ernest Jones introduced Rev. Vanderpool. During the business meeting, an announcement was made to the effect that the district Texas State Teachers Association meeting will be held March 12 in Big Spring. Next meeting of the county group will be next fall.

JIMMIE HINE, newly-elected president of the Lamb county Teachers' Association, left, is pictured above with Mrs. Mable Laughlin of Springlake and Odell Wilkes of Sudan. Mrs. Laughlin was elected vice-president of the group and Wilkes is the outgoing president. Election of the new officers took place at a meeting of the group Monday night in the Littlefield high school cafeteria. Rev. Harry Vanderpool was principal speaker for the meeting. Not pictured is Mrs. Fred Gordon of Olton, who was re-elected secretary-treasurer. (See inside pages for more pictures of Littlefield teachers who this week are observing Public Schools Week.) Mrs. Pat Boone Reviews Father's Book For Club Dinner Meeting at Springlake

EARTH, (Special)—The Town and Country club and the Good Earth club gave a chuck wagon supper Thursday night at the Springlake school cafeteria, and proceeds will be used for fixing up the community hall.

Mrs. H. F. Axtell was in charge of the program which consisted of hillbilly music and a book review by Mrs. Pat Boone of Littlefield. Mrs. Boone reviewed "A Sheriff Ranger in Chucawagon Days," by Richard C. Hopping. Hopping is Mrs. Boone's father and now lives in Littlefield. The theme of his book is the experiences of his life and that of his family in early days of this area.

Guests were entertained by a hillbilly orchestra composed of residents of Littlefield and Springlake. There were also vocal numbers by the choral club of Springlake when Mrs.

Freda Axtell was their director, and the Mothers Choral club of former days sang some of their old numbers.

Rev. J. Henry Cox, the county chairman of the Red Cross, spoke.

Mrs. M. T. Howard, first P-TA president, was honored, as was J. L. Hinson, one of the earliest school board members. Mrs. Hinson was honored as the first student to graduate from Springlake school.

Purpose of the program was to encourage visiting the school during Texas Public Schools Week March 1-6.

If your Venetian blinds are very soiled, you may want to wash them in the bathtub. To do so, fill the tub about two-thirds full of warm soapy water, and lift the blinds in and out fo the suds until they're clean. Use a sponge on stubborn spots. Rinse the blinds in clear water, hang full length to drain, then wipe dry. Weight the bottom to keep the tapes from shrinking.

Martinez Meets Champ Lfd Arena Saturday

Luis Martinez of Mexico definitely has demonstrated enough wrestling ability to earn a real test in the heavyweight division. He meets Dory Funk, champion, in the top seat of a double main event.

Martinez a modest, pleasant Mexican who has a ready smile for everybody, is possessing a set of muscles and a rate of speed that makes him one of the most popular and better wrestlers in this part of the country. Promoters are requesting his services and he could leave any time with assurance of full book for other parts of the country.

"I would like to stay here for a while and maybe chance at Dory Funk's title," smiles Martinez. "He is much better and stronger than I, but I believe we will have an interesting match."

Martinez was putting it mildly in an interesting match with everybody he meets; he wrestles cleanly and like a champion, or he can get tough in a fore-arm smash and is prone to using his fists in the occasion demands.

The Funk-Martinez match Friday night does not include the title, but it could develop into one of the better

contests of the season. It's up to Funk how the wind blows. If Dory wants to get tough, he'll find a willing opponent; if the champ wishes to wrestle according to the rules, Martinez will go along.

George Overhuls of Amarillo, one of the more improved young wrestlers of the territory, takes on French-Canadian Joe Tomasso in the first part of the double feature. Tomasso is new in the territory, but is reputed to be tough and strong. Overhuls is especially strong, depending on one of wrestling's oldest holds, the full nelson, for most of his victories.

Coaches Clinic Slated at Tech

Area highschool coaches have been invited to the 4th annual Texas Tech Coaching Clinic March 12-13, Coach DeWitt Weaver announced.

The clinic will be held in Tech gym and Jones stadium. It will conclude with a Red Raider scrimmage. Game movies and a barbecue, as well as lectures by coaches, are on the program.

Wayne Cunningham

That wonderful golf story we promised went like this (and it's true):

Fly Thornton two summers ago was playing in the Littlefield-Hereford match with more than 120 players. One of his outsmore was very, very talkative and used very abusive language repeatedly (good and bad shots alike).

Fly had been a boxer in younger days and felt he could tolerate quite anything. The other two got quite a kick out of this

"Herefordite." The fellows said he even coined a few new words in going through the list.

At hole 9 1/2 (that's for soft drinks), the pro then, Kenneth Wright, saw his chance to kid. Fly when the Hereford orator (?) continued his cussing in the Pro shop.

Kenneth said, "Oh Mr. se and-so, have you met Reverend Thornton, the preacher in your foursome?"

Well sir. This poor Mr. so-and-so looked whiter than the shirt he had on. For the first time that afternoon he was a loss for words. He fell all over himself apologizing to Fly Thornton. The others standing around were laughing so hard they couldn't hear a thing. Finally Fly was able to make himself heard by the Hereford man that he isn't a Reverend.

In the following Pro-Am tournament in August, things were a little dull when Lubbock's Gene Mitchell and Littlefield's Ken Wright had finished their rounds. The announcer cleared his throat to announce the next foursome and the words rang out all over the 9-hole course, "The next four, Mancil Hall, (two names we don't remember) and REV. FLY THORNTON."

You could hear Jack Christian laughing all the way up to the clubhouse from the tee on No. 7.

It seems Reverends topped the 1953 golf joke in Littlefield; also. Fly Thornton again. Fly was out with his pastor, Rev. Harold A. Heckman, then pastor of the Immanuel Lutheran church, and two other ministers, a Baptist and a Presbyterian, Rev. Henry Haupt.

The Baptist hooked a shot way over into the dried up stock tank on No. 2. He let out some words in a foreign language.

Fly is not always serious but once or twice a year throws in a little teasing on the course. He said, "Preacher, you don't fool us with that foreign language. We know you're cussing after that hook."

Henry Haupt knew a little Greek himself (the preachers study it in seminaries) and said, "Fly, he's not cussing. He's saying the Lord's Prayer in Greek."

Fly said, "Well, boy, he needs to pray after a shot like that."

With Mr. Moore, the new Pro, on the job, maybe we'll hear of all the holes-in-one now. Pop Hodges and I were on No. 9 and saw the birds fly off the roof of the club like they were scattered by shot, then the sound waves brought Jack Christian's voice

over to us. It sounded like Jack made a hole in one over on No. green.

When he got to the Pro shop I just learned that he made his first par for the day.

If you golfers have never been around with Jack, you've missed if your golf. He's one that plays for fun.

Speaking of Reverends again, the best golfer of the Ministerial seems to be the Presbyterian, Henry Haupt, who used to shoot good scores before he became a "Ham" (radio operating, of course). Methodist Underpool is the only Reverend that doesn't puff himself around the course. Wayne Cunningham would like his secret of keep trim in the 30's.

Jay Fikes, the Littlefield high school football coach, asked a friend of his what there was in golf. He was teasing his friend and said, "If you want exercise why don't you just walk about a mile. It would be a lot cheaper and take a little less time."

The friend (we can't give his name because the scores revealed would embarrass him) said, "Those guys that shoot in the 70's and 80's don't get near as much as I do. I have to stoop and pick up my ball over 120 times a round."

It's the combination of stooping, swinging and walking that gives a guy the exercise. Then, too, the dodging and excuse-making, when a guy comes home in the dog house, keeps him sharp for the business world.

The independent basketball team has caught the fire of the highschool Wildcats. They are winning them right and left, too. We should have gotten a picture of the first game they played this season before the fat wore off the players.

Senior Boyd Mears not only lettered in football, basketball and track three years but co-captained the football team his senior year and made All-District the same.

His extra-curricular activities include FFA two years, Junior representative on Student Council, secretary of the council his senior year. Boyd made the Honor Roll of the Principal frequently and played in the senior play last Tuesday night as well as getting elected to "Who's Who in Boys' Athletics."

We'll see what is happening around the Wildcat woods over

COACH ROY CARTER and County Supt. J. Ernest Jones watch another team member make a wild shot for the goal in the basketball game last Friday night which pitted the Wildcat girls team versus the men's faculty team. The game began with regular girls' basketball rules in force and ended with every member of the girls' team and all the faculty team plus the coach on the court. Coach Eugene McCannles scored two points by shooting from behind the basket and over the board, and eventually lost his shirt even though the faculty won. Also playing that evening were the Littlefield Independents, who defeated the highschool Senior boys. Proceeds from the game will be used for the Senior trip. (Photo by Taylor Studio).

on Westside avenue today and tomorrow. The workouts look more like football spring training, the grind the boys are going through. The workouts do them good.

The boys kid Gene McCannles a lot about his middle-age sprad coming before he has approached the middle age. Gene says the doctor told him to watch his figure and he's trying to get it out where he can see it.

McCannles loaned the Junior high equipment (gym and balls) and turned on lights, refereed, etc., for the Dunbar highschool basketball teams. He went much out of his line of expected duty as junior high coach to help the Dunbar boys get a good opportunity at basketball.

Dunbar brought another good record to Littlefield this year, losing only about three games for the season.

200-Horsepower Performance and priced far below it

The Look of Tomorrow is in every '54 BUICK Today

With completely new "years-away" styling — epitomized by the dream-car design of the panoramic sweep-back windshield.

Come drive the CENTURY

biggest horsepower bargain of 1954!

THE invitation you see headlined here calls for action — and comparison.

For you have to see and drive the 200-horsepower CENTURY — and check its local delivered price — to know how it puts other automobiles in this Buick's dollar class on the spot.

Look for yourself — and you'll see what we mean.

Look at styling, new-day features, visibility, interior modernity, ride comfort, handling ease — we believe you will find nothing on the automotive horizon to equal the CENTURY on all counts.

But what will prove to be the most eye-opening news of all is the power buy you make in this spectacular Buick.

When you compare — when you check the facts — you find that you are buying more horsepower per dollar in a CENTURY than you get in any other standard-production American automobile, bar none.

And it is horsepower that gives you brilliant performance, greater economy, new safety — for here you get the highest power-to-weight ratio in all Buick history.

Why not come in and see the whole story come alive when you take the wheel of a Buick CENTURY?

We know of no better way to prove to you that this gorgeous, glamorous sweep of automobile is the power buy of the year — by far.

Now you can buy the famed Buick Estate Wagon at new low prices — for this all-new, all-steel beauty is now available in Buick's lowest-priced Special Series, and in the sensationally powered CENTURY Series.

Really Good Rice and Egg Casserole

This Rice and Egg Casserole is truly spectacular in flavor and appearance. Every bite has "come-back-for-more" appeal. The peas, pimento and cheese, along with a dash of onion combine flavors in the rice to produce out-of-this-world eating and to make a delicious combination with the decorative eggs. This oven dish may be assembled ahead of time, stored, covered, in the refrigerator until just before the meal is to be served. Then, the eggs are added and while they bake the rest of the meal may be prepared.

INGREDIENTS:

- 3 cups cooked rice
- 1 1/2 cups cooked green peas
- 2 tablespoons diced pimento
- 2 tablespoons chopped parsley
- 1 tablespoon grated onion
- 1 teaspoon salt
- 1/3 cup melted butter or margarine
- 1 cup grated American cheese
- 1/2 cup milk
- 6 eggs

QUICK METHOD FOR COOKING FLUFFY WHITE RICE:

To make 3 heaping cups of white, fluffy, perfectly cooked rice:

1. Put 1 cup uncooked rice,
- 2 cups cold water and 1

teaspoon salt into a 2-quart saucepan and bring to a vigorous boil.

2. Turn the heat as low as possible. Cover the saucepan with a lid. Do not remove lid or stir rice while it is cooking.

3. Leave saucepan over this low heat for 14 minutes. Turn heat off. The rice is now ready to use. However, leave the cover on the saucepan to keep the rice warm if you are not ready to use it immediately.

For extra fluffy, tender, separate grains—allow the rice to steam

for an additional 10 minutes—with heat off, but without removing lid.

METHOD: Mix together the rice, peas, pimento, parsley, onion, salt, butter or margarine, and half of the cheese. Spread evenly in a greased baking dish (10" x 8" x 2"). Pour the milk over the rice mixture. Make six wells in the rice mixture and drop an egg into each well.

Sprinkle the remaining cheese over the top of the eggs and rice. Bake at 350°F. for 30 minutes, or until the eggs are set. This recipe makes 6 servings.

Here's a Favorite Lenten Supper

By Lydia Brown, Associated Press Food Editor

Measure this Lenten supper first, tasted it at the home of a friend of mine who cherished it. What a treat! Cheese, and shrimp, fondue, tomato aspic, with fresh salad greens, crisp golden potato chips—three dishes that taste just right together.

You'll like this menu, too, because you can get most of it ready ahead. Shrimp to be cooked in water to cover for several minutes and then drained. The bread, made the day before, has the seasonings at hand for the fondue. Prepare the tomato aspic early in the day and let it set, wrap the greens in a kitchen towel and put them in the refrigerator to the last minute. Open potato chips at last minute. Add hot rolls and coffee and you'll have a most enjoyable meal.

FINE LENTEN COMBINATION — Cheese and shrimp fondue, tomato aspic and potato chips.

Put the shrimp in a saucepan with water to cover, salt and a dash of pepper. Boil for 10 minutes. Drain and rinse with cold water. Put in a bowl and add 1/2 cup of melted butter, 1/2 cup of grated cheese, and 1/2 cup of cream. Mix well and pour over the shrimp. Bake in a casserole for 15 minutes.

Yolk with thick and some cold cream; slowly stir the yolk into the cream mixture. Add 1/2 cup of melted butter, 1/2 cup of grated cheese, and 1/2 cup of cream. Mix well and pour over the shrimp. Bake in a casserole for 15 minutes.

LHS Plans "Back to School" Program For Parents Sunday

A "Back to School" for Parents program, including brief classes and a general assembly, will be held at the Littlefield Senior high school Sunday afternoon, according to Ralph Seiffing, principal.

Registration for parents, who will attend classes according to their own or daughter's schedule, will be from 1:30 until 2 p. m. Classes will start at 2 p. m. and each class will last seven minutes with three minutes between classes for moving from room to room.

A general assembly program will be presented at 3 p. m. by the high school band and chorus and members of the different departments in high school.

Principal Seiffing issued a special invitation to parents of ninth grade students who will enter high school next fall. An orientation program for this group will be held following the assembly, explaining what subjects the students will take and requirements for graduation.

Members of the National Honor Society will serve as guides during the afternoon and be in charge of enrolling parents for class.

The program will conclude the local Public School Week activities.

Cub Scout News

New officers were elected to serve for the next three months when Cub Scout Den 2 met Monday at the Community Center. Larry Young was elected Denner, Jack Brooke, Assistant Denner, and Spike Jones, Keeper of the Buckskin.

Roll was called, with each cub giving a way to improve the den meetings. Mrs. Jack Brooke, den mother, read part of the story of the Wizard of Oz, which is to be the theme of this month's pack meeting.

Games were played and the citizenship award was given to Dwayne Jones.

David McNeese was host and refreshments were served to Jack Brooke, Shelley Duval, Tim Chambers, Jimmy Zoth, Larry Young, Spike Jones, Dwayne Jones, Mrs. Brooke, Assistant Den Mother Mrs. Zeal Young, and a visitor, Sylvia Young.

The meeting was closed with each cub giving the Cub Scout promise and the singing of Good Night Cub Scouts.

Plans for the program at the next pack meeting were made when Cub Scout Den 5 met Monday in the home of Mrs. Ralph Douglas, den mother. Boys also discussed the magazine, "Boys' Life," and played games.

Richard Reese served candy bars and drinks to Ralph Maurer, Jerry Pettit, Allen Swain, Charles Heathman, David Douglas, Steve Eaton, Calk Huff and Den Chief Gary Rodgers.

Cub Scout Den No. 1 met Monday with Mrs. Carl Keeling, den mother. The boys finished their aluminum ash trays during the meeting. Paul Keeling, host, served cokes and peanuts.

Present were Jimmy Brantley, Paul Keeling, J. E. Brown, Terry Jones, Jim Nelson, Don Roper, Daryl Roundtree, Jimmy Don Whitson, the den chiefs, Stevie Sullins and Ronnie Smith, and a guest, Haydon McCary, and Mrs. Keeling.

Mother Of Local Woman Dies At Higgins, Texas

Mr. L. Goodman of Estancia, a mother of Mrs. L. L. Sharp of Littlefield, died last Wednesday morning in a Higgins, Texas hospital. Funeral services were held Saturday at the Higgins First Methodist church and burial was in the Higgins cemetery.

Mrs. Sharp left Wednesday for the services. Sharp had been with Mrs. Goodman, who had been ill nine months, for about two weeks.

Mrs. Goodman, who was a former resident of Higgins, is survived by her daughter, Mrs. Sharp, and son, Guy Goodman of Higgins, Calif., and four grandchildren.

House, Car Catch Fire

The Littlefield Fire Department answered two calls last week, one on Fourth street Saturday and one Sunday night in the flat.

The Sunday night call was to a house which was on fire, but Fire Chief Bob Cox said little damage was done. He also said there was little damage done Saturday at the fire in the residence of Mrs. Della Bedford at 502 W. Fourth street.

Auto Accident Results In \$450 Damages to Cars

City police investigated an automobile accident Saturday at the intersection of Highway 51 and East 7th. An automobile driven by Tommy Duke Sisson, 17, and one driven by Allen Frank Jones, 81, both of Littlefield, collided as Sissons was driving on Highway 51 and Jones was making a left turn from East Seventh street.

Party Line ...

Mr. and Mrs. P. W. Walker, who spent last weekend in Amarillo, attended a birthday dinner for Margaret Teel, formerly of Littlefield.

Mr. and Mrs. Calvin Johnson and children spent last weekend in Estelline.

Mr. and Mrs. Otis Witcher visited relatives last weekend in Winters and San Angelo. They were accompanied by her brother and family, Mr. and Mrs. E. B. Kelsay and Barbara, to Winters. In Winters they visited Mrs. Witcher's sister, Mrs. G. C. Murphy, and in San Angelo they visited their daughter, Mrs. Jack Lieber.

Mr. and Mrs. Herschel Lowe spent Sunday in Bovina visiting her parents.

Mrs. Charles Joplin visited in the home of Mr. and Mrs. G. A. Joplin Sunday. She is making her home in Lubbock while Lt. Joplin is stationed overseas.

Miss Pauline Young visited her parents, Mr. and Mrs. R. Young of Dimmitt, over the weekend.

Gene Bartely, Henry Saeger, Red Grisham and H. L. Atwood are in Old Mexico fishing. They left Sunday and plan to remain about ten days.

Mr. and Mrs. William V. Park and Judy of Corpus Christi spent last week here visiting her mother, Mrs. Belle Dow. They returned to Corpus Christi last Friday. Visiting Mrs. Dow last weekend was Mrs. O. C. Cook of Clovis, N. M.

Jodye Jones of Brownfield spent last weekend here, visiting his parents, Mr. and Mrs. Otto Jones. Mrs. Jodye Jones and son, Larry, spent the weekend in Waco.

Mr. and Mrs. Ralph Nelson and family and Mrs. J. O. Nelson spent Sunday in New Mexico visiting Mr. and Mrs. Conrad Nelson and family.

Mr. and Mrs. E. B. Luce visited Mr. and Mrs. Jack A. Nelson of Belview, N. M., Sunday.

Mr. and Mrs. Lon Campbell and Mr. and Mrs. Walt Fraley left Wednesday morning for Riverside, Calif., where they will visit Fraley's and Mrs. Campbell's brother, J. C. Fraley, who is seriously ill.

Child's Rice and Raisin Pudding

If desired, the pudding may be topped with a meringue.

Ingredients:
 1/2 cup uncooked rice
 2 cups milk
 1/2 cup cream or top milk
 1/2 teaspoon salt
 1/2 cup beet or cane sugar
 1 teaspoon vanilla
 1/2 cup raisins

Ingredients for Meringue:
 2 egg whites
 1/4 cup beet or cane sugar

METHOD: Beat the egg whites until they are foamy. Very slowly, a tablespoon at a time, beat in the sugar. Beat until the egg whites are stiff and shiny. Spread the meringue over the pudding. Bake in a 350° F. oven until the meringue is browned. Serve the pudding hot or cold.

METHOD: Put the rice, milk, cream or top milk, and salt into a greased baking dish. Bake in the oven at 350° F. for 45 minutes. Stir occasionally. Add the sugar, vanilla and raisins and return to the oven for 35 minutes or until the milk has cooked into the rice. Stir occasionally.

Not only will children love this creamy and delicious pudding, but adults as well, will consider it a dessert favorite. This recipe makes 6 servings.

A TIN CAN serves as a handy jig to hold wires when soldering a splice. Slits cut in the edge will hold the wires, leaving your hands free to handle the solder and the iron. Popular Mechanics says even a paper drinking cup will do. But a can is more fire safe.

Divorce Filed

Annie McNeill has filed suit in district court asking a divorce from Jack McNeill.

Mr. and Mrs. Edgar Purvis of Stephenville are visiting here a couple of weeks with her mother, Mrs. J. W. Chapman of Fieldton, her brother, D. W. Chapman, and her sister, Mrs. C. A. Pigg, both of Littlefield. They are also visiting his sister, Mrs. Bentz Roberts of Littlefield.

➔ Details For The Final Count

In Littlefield Newspapers' Big Prize Campaign Published Below

Help Your Favorite Now — Many Candidates Finishing with Only Hairline Difference Between Them

Subscribers Can Get BOTH Papers Now for Less Than One After Next Tuesday, March 9th That LAST SUBSCRIPTION May Be the DECIDING ONE, Even Though The Count Is Less This Last Week.

Who Will Win The Three \$100 SPECIAL PRIZES Being Given These Closing Days?

In order to maintain the utmost secrecy to the number of subscriptions and votes turned in by each candidate in this, the last period of the Littlefield Newspapers' Big Prize campaign, the race is being brought to a close under a sealed ballot box system.

No subscription whatever will be accepted through the Campaign Department this period, but instead, candidates themselves will deposit their final collection in the SEALED BALLOT BOX located in the Security State Bank. By doing so, no one, not even the publisher or campaign management, can possibly know the voting strength of the respective candidates this period, which precludes any possibility of favoritism and insures fairness to the minutest degree.

The sealed ballot box will be in the lobby of the bank, where it will be available for turn-ins during the regular banking hours Tuesday; and after 7:00 p. m. Tuesday it will be available in the BANK LOBBY for candidates to make their reports until the closing hour of the campaign, 9:00 p. m. Tuesday, March 9th, when the race is declared closed.

When the final hour arrives, the campaign will be declared closed. The judges will break the seals and immediately thereafter, or as soon as the votes can be issued on the subscriptions contained therein, the last vote count will begin. The winners will be determined by merely adding the vote totals and those contained in the ballot box.

It is expected to require some time to tabulate the reports in the ballot box to determine the winner. However, the official count will be completed Tuesday night and the names of the winners and the number of votes of each will be announced in Thursday's Leader.

Candidates Attention!

Heretofore, candidates have had the privilege of reporting subscriptions by phone as late as the closing hour of the various vote reductions. This will not be permitted the last night of the campaign.

All Votes and Subscriptions Must Be in the Sealed Box When the Race is Closed at 9 O'Clock Bank Time on Tuesday Night, March 9.

IMPORTANT NOTICE

Make sure the stubs and money check perfectly in the ballot box and observe the rule printed elsewhere on this page, which says in part: "PERSONAL CHECKS WILL POSITIVELY NOT BE ACCEPTED IN THE BALLOT BOX FOR MORE THAN \$8 DRAWN ON THE SAME PERSON." All subscriptions deposited in the sealed box must be accompanied by cash, or personal check not to exceed \$8, drawn on the same person. This rule is made in fairness to all candidates and will be strictly adhered to.

How Subscriptions Count This Final Period:

Each 2 years subscription, old or new 20,000 Votes
 Each 1 year subscription, old or new 4,000 Votes
 Each year, old or new, counts 5 points on the Three \$100 special prizes this last period.

Advisory Board

It was the desire of the newspapers to conduct this drive from start to finish in a fair, honorable and impartial manner. Every precaution has been taken to safeguard the interests of participants and absolute honesty in all dealings is guaranteed. However, not all wisdom lies with one man or institution; for that reason an Advisory Board was selected at the beginning of the campaign whose function was to decide any question of sufficient moment that might have come up during the campaign, and from which a committee shall be selected to act as judges and count the votes the last night of the campaign.

J. C. HILBURN
 President Security State Bank

DON BELL
 Cashier First National Bank

BOB KIRK
 Lamb County Judge.

All these gentlemen are well known to everyone in this locality and their decision will be absolute and final, but all candidates have the privilege of checking the count after the close of the campaign.

Dream Materializes Into Center For Anton Community Young People

By Mrs. Madison Newton
Anton's 1950 Study Club

It was once a dream in a few people's minds, but reality in Anton. This dream was a youth center or hall for the young people of the community. Through hard work, faith and generous donations from innumerable persons, the dream gradually materialized.

Over 100 members of the Anton Study Club realized the dream of such a place, and the center was born. The club adopted this project for the year and it has continued to be active ever since.

The American Legion offered the use of its building. The center is adequate with one room, a small kitchen, restrooms, but it was in need of repairs. The "Youth Center" as it was then called, was on one night a week, recreational facilities including ping-pong tables, pool tables and card tables. The club women furnished

chaperones for the center which also furnished the first month's rent. The first real party on the center was given by the Anton Producers. They began furnishing the center and to do so they continued to do so until 1953. The center was organized at this time and the Hockley County Youth Center.

Each of the following organizations represented: American Legion, Lions Club, Anton Study Club and 1950 Study Club. Plans and laid out plans for the center, games and other activities.

Young people also had a part in the plans. They chose the name, "Teen Canteen." The night was the night when the center was opened. Representatives from the center met with the adults. The meeting at the end of the plans rolling.

Plans of Anton were very successful in the project, which was aided by their generous contributions. These were: Anton Study Club, \$200; Co-op Gin, \$100; Anton Study Club, \$50. The Study Club donated its time and efforts. From June until July 10, the Study Club worked on repairs. Three entire days were spent by the members repairing the interior of the building. The center was scraped from the ground and all the woodwork replaced. Ping-pong tables, pool tables and tables, gun

THE MOVE TO MODERN LIVING

See why the trend is growing to the 1954 Lincoln

The facts are simple: Lincoln is the one fine car whose sales have more than doubled in two short years. There are good reasons why this trend keeps growing. The great new Lincoln for 1954 is the most dramatic edition of the car that started the big change in American motorists' ideas about fine cars. Take, for instance, Lincoln's new styling—from the stunning new grille to the crisp, new rear deck and distinctive new taillights. It is a completely new design—akin to the ground-hugging, functional look found wherever the living is modern. Note, too, how well

Lincoln's new colors and fabrics go with Lincoln's new styling; dramatic new shades in nylons, gabardines, and leathers. Above all you have incredible performance. Lincoln's world-famous V-8 engine has the new automatic 4-barrel carburetor—gives you superbly controlled action at all times. Add to all this the optional features—power steering, power brakes, the 4-way power seat and electric power window lifts—and driving becomes practically effortless. You'll know what we mean the moment you drive a wonderful new 1954 Lincoln or Lincoln Capri.

Performance proof: Lincoln again won 1st, 2nd, 3rd and 4th places over all stock cars in the 1,912-mile Mexican Pan-American Road Race.

RED CROSS WATER SAFETY 40 YEARS OLD

Only forty years have passed since February 1, 1914, when the first Red Cross Water Safety courses were introduced to the world by the "amiable whale," the late Commodore Wilbert E. Longfellow (on running board). And, though styles in bathing attire have changed drastically in that time, the principles of water safety which the Red Cross has taught to 9,300,000 persons have remained constant. Waterproofing America has paid big dividends; since 1914 the drowning rate per 100,000 population has been cut in half. Water Safety is one of the many Red Cross services you support by your contributions to the annual Red Cross Campaign in March.

Dead on Your Feet?

IF YOU SUFFER FROM Fatigue, Nervousness, Poor appetite, Digestive upsets, Insomnia, Constipation

These symptoms if due to a vitamin deficiency occur only when daily intake of vitamins B₁, B₂, and nicotin is less than minimum daily requirements over a prolonged period. In themselves, they do not prove a dietary deficiency as they may have other causes or be due to functional conditions.

See your doctor. The basic cause of your trouble may be iron-and-vitamin starvation over a prolonged period. BEXEL, the Special high-potency Formula supplies supplementary quantities of iron for rich red blood to start new strength and energy pouring through your entire body.

Each wonder-working BEXEL capsule gives you more than 5 times the daily minimum requirements of blood-building iron; more than the daily minimum requirements of all the essential B-vitamins plus Vitamin B₁₂ plus trace minerals.

Join the thousands of grateful men and women of all ages who thank BEXEL Special Formula for giving them a glorious outlook on life. Get BEXEL today—now available at all drug stores.

Experts Advise More Hogs For South Plains
 Lost cotton acres into grain—more grain into hogs. This was the forecast for Texas' South Plains given in the March issue of The Progressive Farmer magazine.
 Reasons for this thinking is given by Stanley Anderson, assistant professor of animal husbandry at Texas Tech.
 With cotton acreage down, there will be more grain produced on the South Plains, he points out. Among meat animals, hogs are the most efficient producers for feed consumed. Each sow will usually produce two litters of six to nine pigs each in a year.
 It doesn't take much money to get into the hog business. The equipment need not be expensive and the climate is favorable to reduce shelter requirements.
 Hogs consume less roughage than cattle and sheep and require less pasture. They need more grain in proportion.
 But, perhaps the biggest reason for expecting them to be raised is the demand.

Spade Baptist Start Revival
SPADE. (Special)—Rev. Alton Towery of Royalty will conduct a revival meeting at the First Baptist church of Spade March 5-14.
 Rev. W. F. Smith, pastor, said there will be services each evening at 7:30. There also will be special morning services.
 Mrs. W. F. Smith will conduct the singing.

Bible Words to Live by

SECOND SAMUEL 11:27—"But the thing that David had done displeased the Lord."

These words are loaded with tragedy. They have always impressed me profoundly. David had just arranged the death of Uriah the Hittite in order to take the widow as his wife. David's plan succeeded perfectly; but he found that even a great king cannot break the fundamental laws of the universe with impunity. This thing that David had done displeased the Lord. He had disregarded some basic moral laws, and those laws had broken upon his own head. The curse of having done wrong hung over his life.

It is good to know that David later realized the enormity of his deed, that he repented and was forgiven. This incident formed the basis for perhaps the most profound insight into sin and forgiveness to be found in the Old Testament. The great Psalm 51 is a later expression of the same insight.

I have always found it stimulating to know I can depend upon God. He is not capricious and He deals with facts; however, in doing so, He is no mere Judge, but is always the God and Father of our Lord Jesus Christ. I want to avoid displeasing the Lord; yet if I do, and repent, I know God will be more generous than I am and will forgive.

Mrs. Jack Hankla
GUYMON, OKLAHOMA

says ...

My **ELECTRIC** dryer's so gentle - the life of my clothes has increased!

"What's more, my electric clothes dryer gives me 'all weather' drying, any season of the year. My time's my own when it comes to picking a drying day."

"By just opening my dryer door, and putting in the clothes, I save an hour and a half every washday. My trips to the clothesline are over, which saves one hour, and I no longer have to sprinkle the clothes for ironing, and that frees me from a half-hour of work."

"Because washing and drying is no longer back-breaking work, I wash more often. This saves money for me, because I can buy fewer clothes for the children. The dryer passes all the tests of true economy, it saves time, money, work, effort, and the clothes."

"You can't neglect your children just because it's washday. But it was hard not to neglect them before I had a dryer. Now I have much more time for the children and my other household duties."

TRY BEFORE YOU BUY

For 15 days, in your own home, you can try an electric clothes dryer without obligation. Tell your Ruddy Kilowatt Dealer you want to TRY BEFORE YOU BUY and see for yourself, as Mrs. Hankla has, how much a dryer will do for you.
