Funeral Services Held Monday For A. J. Beckner

Funeral services were held Monday morning at the First Methodist Church for Abner J. Beckner, 69, who had been a resident of Littlefield since 1927. Mr. Beckner had been a semi-invalid since 1954, and was admitted to the Littlefield hospital last week for surgery.

Mr. Beckner, who was born in Wichita Falls, had farmed near Olton before moving to Littlefield. He is survived by his widow, Mrs. Mae Sue Beckner; four sons, Capt. Lee Beckner, who flew here from Weisbaden, Germany, where he is stationed, for his father's funeral; Clayton B. Beckner, Las Vegas, N. M.; Roy Beckner, Lubbock, and Jack Beckner of Littlefield; and two daughters, Mrs. O. B. Eades, Junction City, Kas., and Mrs. John A. Pilgrim of Abilene.

Rev. Harry Vanderpool officiated at the services, and interment was in Olton Cemetery, with Hammons Funeral Home in charge. Pallbearers were: Lowell Short of Post, Bob Cox, Guy Willis, Jimmy Brittain, John Crawley, and Elbert Yearly, all of Littlefield.

## First Christian Begins Building

Final plans were approved by the congregation of the First Christian Church Sunday night for the issuance and sale of \$25,000 in bonds, which will finance the erection of a handsome new educational building for the church.

The grounds for the structure, covering four lots at East 14th Street and Phelps Avenue, have already been cleared, and the concrete foundation has been poured. O. N. Robison, president of the board of trustees, working with L. C. Simmons and Nelson Naylor, trustees, signed the necessary papers to approve the issuance of the bonds under the Unified Church Budget Plan.

The bonds, which will be sold by church members in denominations of \$100, \$200 and \$500, will be guaranteed by the church through its board of trustees. The church itself has been incorporated so that it may own property as a unit. Each bond will pay the purchaser 5 percent interest for five years, after which the bonds may be retired on a yearly maturity plan for 13 years and the value will be paid through (Continued on Back Page)

## Dub Collier Benefits, With Family, From Self-Reliance Over Handicap

We owe a debt to the movies for dramatizing the idea that because a person is physically handicapped, he is no longer considered useless to society. This was graphically carried out with the appearance of Harold Russell, a veteran of World War II who lost both hands, yet could live a normal life and do the operations of everyday living with the "hooks" which served as his hands.

Here in Littlefield we have our own "Harold Russell," a man whom so many people know that they stop in surprise when they realize that W. J. "Dub" Collier is also without hands. Dub, who lives with his wife and family on Wicker Avenue, will tell you that if you put your mind to your problems, you can conquer them. Not in so many fancy words, perhaps, but you get the idea that anything (Continued on Back Page)

## Jaycees Open Member Drive

The Littlefield Jaycees will conduct a membership campaign, continuing through October 20, it was announced at the weekly meeting Tuesday by Skipper Smith, president.

Three prizes of a suit, a hat, and a pair of shoes will be given to the members bringing in the most new members during the campaign. Cloise Foust, chairman of the social committee, had previously announced that the Jaycees cleared \$230 as a result of the dance which they sponsored the last night of the County Fair. ### Odie G. Bell Named Manager Of City Airport

Maury W. Alford, who has been manager of the Littlefield Airport, has accepted the managership of the Pampa Airport, effective today. Mr. and Mrs. Alford, with their children, Claire Ann and Kathy, will move to Pampa, where they have a 3-bedroom home on the airport grounds.

A council composed of Paul Pharris, Bill Chesher, Alvin Bagwell, and T. Wade Potter, who have authority over the jointly owned city-county airport, has announced that Odie G. Bell will be the new manager.

Mr. Bell has been doing carpentering with his plane through this area, and owns an airport in Pensacola, Fla. He was a navy pilot during the war, and moved here in June with his family from Houston. The Bells have two little daughters, Belinda, 17 months and Deborah Ann, 7 months, and live at 505 East 14th Street.

## Band Wins At Lubbock Parade

The Littlefield High School band of 90 pieces, under the direction of Beryl Harris, won second place for Class A bands in the parade opening the Panhandle-South Plains Fair at Lubbock Monday. Andrews High School received first place in the same class.

Fair Association President Charles L. Adams, Jr., was master of ceremonies for the awards, and introduced Capt. George Attridge, superintendent of bands for the Air Training Command, Scott Air Force Base, Ill., who judged the 19 competing bands.

Prof. D. O. Wiley, Texas Tech band director, presented directors and drum majorettes of the winning bands with engraved trophies.

BULLETIN At 11 p.m. Wednesday excitement was running high at the oil test well.

A good showing was indicated as the well was being swabbed following the first acidization process. It is expected that the well will be further acidized today.

Texas company officials were at the well during the night. No official information had been released by the company spokesmen as the Leader went to press at 11 p.m.

The prospects for Littlefield's oil test well looked bright late Wednesday afternoon. The well had been plugged back to the Sam Andre formation at a depth of 4,080 feet, the casing was perforated and the workmen were washing the formation with 500 gallons of mud acid. After this was completed plans were to then acidize the well with 1,000 gallons of acid. The size of the well is expected to be known within a few hours.

If you see twelve men on the Littlefield team this coming Friday night, don't be surprised—Coach Jay Fikes, always noted for his mournful predictions, says he may have to don a suit himself to help his team win. The mere thought of Levelland's 191-pound line average, against the 163-pound Wildcat line, sends shudders down the coach's strong backbone.

The Lobos, with an experienced line back from last year, have been mowing down everyone who came their way this season, but a sharp passing attack by Dan Howard and his receivers may put a stumbling block in their way tomorrow night.

"I've got a clean, hard-hitting bunch of boys," says Fikes, "but they were just outwitted last week against Brownfield. Thomason managed to sail over right and left tackle for his good runs, so we're patching up our guard and tackling this week."

Halfback Eddie Mitchell and offense Barns will be boys to stop on Coach Truett Rattan's team Friday night, says Fikes. Mitchell's outstanding play and 80-yard punt return brought the stands to their feet in last week's Levelland and El Paso game; and Barns aimed a 20-yard touchdowns pass.

Wildcat rooters will be glad to know that the leg injury suffered by Tom Shelby in the Hereford game is well, and he can be counted on for some running against the Lobos.

Littlefield's probable starting lineup tomorrow night will be: left end, Keith Davis; left tackle, Fred Martinez; left guard, Glenn Richardson; center, James Renfro; right guard, Glen Hatla; right tackle, Bob Hoover; right end, Dwayne Hoover; fullback, Tom Shelby; quarterback, Dan Howard; wingback, Boyd Mears; tailback, Milton Vaughn or Paul Williams.

HELP! We are badly in need of copies of the Leader for the past month. Our files are depleted. If you have any of the copies which you no longer need, we would appreciate having them. Call 27 and we will pick them up.

# Littlefield to Greet Returned Hero

Plans are now underway for Littlefield to do its share in giving a hero's welcome to Lt. Vernon Lee Wright, repatriated war prisoner.

"Sunshine" Wright, as he was called when he played football with the Wildcats in 1945, returned to his home in Odessa last week. Thirty thousand people turned out to say "Welcome Home, Lieutenant," as he rode into town leading a two-mile parade.

Local friends and former classmates of the airman are enlisting the help of local organizations in planning a celebration for Friday, October 9. Tentative plans have been made for an open house reception to be held in the Community Center building immediately after the game next Friday night.

"We want all of his friends to get a chance to see and talk to him during the short time he will be in Littlefield," one of the sponsors of the affair said.

Hardy Shelby is in charge of collecting a fund to buy a gift for the former Littlefield man. The presentation of the gift will be made by Mayor Lee Hewitt during the half-time of the game. Any organization wishing to help with the celebration is asked to contact the Leader office.

Lt. Wright was in Littlefield for a few minutes Wednesday morning visiting the L. M. Brandons. In the fall of 1945 Lt. Wright's mother, Mrs. Alta Mae McKinney, moved from Littlefield to Lubbock. "Sunshine" remained here where he lived with the Brandons until mid-term while he completed another season with the Wildcats. Later his mother moved to Odessa.

Lt. Wright was taken captive by the Communists on January 16, 1952. As a pilot of a jet fighter, he was forced to leave the plane at 30,000 feet near the Yalu river. He had been shot down twice previously, but had not been captured before.

The young pilot was reported "missing in action" until the first repatriation of sick and wounded soldiers took place.

At that time the War Department notified Mrs. McKinney that there was reason to believe her son had been taken prisoner. After 18 months in a Communist prison camp, Lt. Wright reached Freedom Village in the next to last group of prisoners.

## Storey Scholarship Is Given At Tech

Each year officials of Texas Tech search their student body for the boy who most nearly exemplifies the late David Clark Storey.

To one boy each year goes a \$100 David C. Storey scholarship provided by David's parents, Mr. and Mrs. Storey.

To receive the scholarship the student must have a B average, show leadership qualities, and be an outstanding tennis player. This year's recipient has all of these attributes, which is actually a description of the late army private in whose memory the scholarship fund was set up. In addition he has an almost identical name.

This year's scholarship went to David Clark of Lubbock, a junior journalism student who has lettered in tennis two years. He works part time on a local telecasting staff and maintains a grade-point average of two.

The Storeys set up the scholarship fund soon after their son's death in 1945. A graduate of Littlefield schools and Texas Tech, Pvt. Storey was killed in Germany in February of that year. In a letter to the Storeys not-

## IT'S THE LAW IN TEXAS

### HOME PURCHASE CONTRACT NO CASUAL MATTER

The signing of a contract of sale is an extremely important step in the purchase of a home. Once buyer and seller have signed, they are bound by the provisions of the contract. Their respective legal rights in the transaction are thereby set and determined. If the contract is poorly and haphazardly drawn, a harvest of regret may be reaped at a later date.

Sales contracts are often called by other names, such as earnest money contracts, binders, receipts, etc. All of them are for the same purpose and almost without exception involve the deposit of money by the buyer. Some require the seller to put up a good faith deposit. The fact that such deposited sums are usually to be forfeited in event the depositor later fails to go through with his specified contractual obligations lends additional weight to the often stated admonition that no contract should be signed without complete understanding as to its terms.

But many home purchasers (and sellers) rush to sign a hastily prepared contract with very little knowledge of its contents. The pressure of time, the informality of the occasion, the casual appearance of the contract, and perhaps the fact that a partially printed form is used may contribute in causing the true importance of the act to be overlooked. At any rate, many are lulled into a lapse of good business judgment.

Every significant detail of the

bargain should be crystallized in unmistakable terms in the contract of sale. Land and fixtures being sold should be clearly described. A complete description of the property by lot and block, or by metes and bounds, is a must, the street number being inadequate by itself.

Articles and fixtures included in the sale but not always sold with houses generally should be specifically listed. Included in this category are such items as venetian blinds, removable floor coverings, draperies, air conditioning units and others. In purchasing property under construction, complete plans and specifications for an essential part of the agreement.

The price to be paid must, of course, be specified, along with method and terms of payment. If a certain sized loan is a prerequisite to the buyer's ability to complete the purchase, this fact should be noted. Sad indeed is the prospective purchaser who loses his earnest money when a contemplated loan transaction falls through, his contract requiring payment of the entire consideration in cash.

The sales contract should also state the quality of the title to be conveyed to the buyer and the type of title evidence to be furnished.

The buyer's individual circumstances and desires may require that various matters not mentioned above be provided for in the contract. All too often people try to squeeze a sales contract to fit the type of printed form on hand, omitting or leaving to easily misconstrued or forgotten oral agreement many vital provisions. Do

## Springlake Wins Over Friona, 19-0

Springlake's Wolverines punched over two first period touchdowns, added a third score in the third stanza and coasted to their third consecutive victory of the year at Springlake Friday night as they blanked the Friona Chiefs, 19-0.

Halfback Dwayne Loudder jammed his way two yards off tackle to chalk up the first tally, climaxing a march of about 60 yards. The extra point was missed.

Later in the same period, Halfback Kenny Watson raced 25 yards for the second touchdown to give the Wolverines a 12-0 lead at the half.

not fall into the "pitfall of the printed form." Too many unfortunate entanglements have been announced by clients to lawyers with the words, "I have just signed a receipt for a house on Blank Street. Will you take over now and see that everything is O. K.?"

A free pamphlet containing useful information on legal and other problems involved in buying a home has been prepared by Texas lawyers. To obtain a copy, print your name and address on a postcard and mail to State Bar of Texas, Austin 15, Texas.

Fullback Wayne Davis punched three yards up the middle for the final six points in the third quarter and Quarterback Jimmy Hadaway sneaked over for the extra point.

A good crowd of about 700 fans watched the Wolverines roll to 18 first downs to 10 for Friona and pile up 276 yards rushing to 148 for the Chiefs.

## Brownfield Girl Is Bride of Anton Man

Miss Dorothy Lee Short of Brownfield became the bride of Mr. Jimmy Jay Parker, son of Mr. and Mrs. Arthur Parker of Anton, in a double ring ceremony read at the First Baptist Church in Brownfield on September 26.

Mrs. Parker is the daughter of Mr. and Mrs. Lee Short of Brownfield.

Before a background of palms and candelabra, Rev. Cecil L. Springer of Abilene read the vows. Mrs. O. L. Springer, organist, played a medley and accompanied

Mrs. Bill Cope of Brownfield, who sang "Oh, Promise Me" and "Because."

The bride, given in marriage by her father, wore a wedding gown of blush satin, made floor length with a white lace bodice, featuring a scalloped neckline with illusion yoke and long pointed sleeves. Her fingertip veil of blush illusion fell from a crown of crushed illusion entwined with pearls.

She carried a white Bible topped with gardenias and stephanotis, showered with white stream-

ers. Her pearl earrings were "something new," and she wore a pearl choker for "something old," with a penny in her shoe for luck.

Miss Jo Ann Short, the bride's sister, was maid of honor, and Mrs. Tom G. Scott of Lubbock served as matron of honor. They wore strapless floor-length turquoise taffeta dresses, designed with sweetheart necklines and blired bodices and joined to circular skirts. Their brief boleros of taffeta were fashioned with short sleeves, and they wore matching headresses and carried feathered pink carnations.

Mr. Vernon Stone of Anton served as best man. Mr. Lynn J. Wright of Brownfield was groomsman, and ushers and candlelighters were Mr. Mayne Parker of Anton, brother of the groom, and Mr. Bud Stone of Anton.

A reception at the church followed the ceremony.

For a wedding trip to New Mexico, the bride wore a turquoise pure silk dress, white hat and gloves, and her other accessories were black suede.

Mrs. Parker is a graduate of Brownfield High School, and is now employed as stenographer for Magnolia Petroleum Company in Brownfield. The bridegroom, a graduate of Anton High School, spent two years in the armed service, and is employed by Laughlin-Porter Drilling Company.

## Junior High P-TA Visitation Day Climate With Tea Honoring Superintendent Pearce

### SHE'S A WINNER

Miss National Salesgirl is the title won last week by Nancy Milford, a salesgirl for Little's Dress Shop of Hereford. The firm is owned by W. B. Little of Littlefield.

Miss Milford, who was named

Miss Texas Salesgirl earlier this year, was given \$500 in clothes, a week's expense paid trip to Las Vegas, and a trip to the national market in San Francisco this fall, where she will serve as hostess.

Over 200 mothers and friends of junior high students visited teachers and classrooms for the successful Visitation Day held Tuesday morning by the Junior High P.T.A., of which Mrs. O. A. Wilmon is president.

Speaking to the audience assembled in the high school auditorium, Rev. Harry Vanderpool discussed the importance of P.T.A. activities, and said "It is better to be satisfied in life than to have an easy life. Working with the P.T.A. will not be easy, but will be satisfying."

"What American schools need more than anything else is moral integrity and honesty among our parents and teachers," Rev. Vanderpool continued. "We are the only major problem our schools face today. We are the only answer to the problems of our schools."

At a short business meeting preceding the address, Mrs. Paul Hyatt was elected treasurer of the Junior High P.T.A.

Superintendent of Schools Halldis R. Pearce was introduced to the

group, and mentioned an effort the schools are making to prepare children for life in society. "We should every boy and girl be responsible for his own added."

Superintendent Pearce following the meeting held in the school building the new superintendent schools. The Junior High elementary P.T.A. group on arrangements, and color schemes of marriage carried out throughout. The table was covered with room cloth, with napkins in white holders and arrangement of white mums. Mrs. W. C. Elmo Jones, Mrs. Mrs. Carl Keeling, and Yohner served punch and cookies.

The hospitality committee Elementary P.T.A. Skipper Smith, Mrs. Mrs. Yohner, greeted the door.

### Oven-Ready Meal Emphasized To Sunnydale Club

Mrs. A. L. Aldridge was hostess to the Sunnydale H. D. Club Friday, Sept. 25, when Mrs. Hazel Hickman gave a demonstration on oven cooked meals. Mrs. Hickman cooked stuffed tomatoes, baked potatoes, creamed asparagus, bran muffins and carrots baked in foil. She distributed recipe leaflets emphasizing oven cooked vegetables.

Mrs. Edd Mote, president, was in charge of the short business meeting, at the close of which she presented Mrs. Aldridge with an array of gifts to use in her new home.

The hostess served refreshments of canapés, chocolate cake and punch to the following who attended: Mesdames E. D. Brooks, Paul Lewis, J. F. Minyard, Bill Cape, C. F. Bryce, Dale McLaugh, L. G. Grizzle, Edd Mote, R. C. Jennings, W. I. Banks, J. G. Perkins, and Hazel Hickman.

The next meeting will be on Oct. 9 in the home of Mrs. Dale McLaugh.

### Don Burk Given Birthday Party

Don Burk, son of Dr. and Mrs. Glenn S. Burk, was honored with a party on his fourth birthday Saturday, Sept. 26. Outdoor games were played, followed by refreshments of golden cake iced in yellow with "Happy Birthday, Don" in blue, drumsticks, and limeade. Little friends who enjoyed the party were Don's sister, Kay, and brothers, Jimmy and Roy. Linda Lance, Diane Martin, Mollie Albares, and Allen Armistead, Sunny McCormick helped Mrs. Burk serve the children.

## Fortune-Telling Shower to Honor Mrs. Roy Bridges

Mrs. Roy C. Bridges, Jr., who was Miss Rita Dunlap, daughter of Mr. and Mrs. T. L. Dunlap, before her marriage in Portales, N. M., on September 12, will be honored at a "fortune-telling" bridal shower this evening at the home of Mrs. Gene West.

Hostesses assisting Mrs. West with preparations will be Mrs. R. W. Manley, Mrs. Prentice Caraway, Mrs. Fred Hinkle, Mrs. T. T. Harrison, and Mrs. Tom Grant.

Clever invitations with the bride's "past" and "future" have been sent to nearly 50 friends of the bride and her mother.

Mrs. Bridges was graduated from Midland High School, attended Abilene Christian College, N. T. S. C. at Denton, and Draughton's Business College in Lubbock. She is presently employed in the Retail Merchants' Office in Lubbock.

Mr. Bridges is the son of Mr. and Mrs. R. C. Bridges, Parkersburg, W. Va., mentioned at Reese Air Force Base, Lubbock. After graduation from Parkersburg High School, he attended West Virginia at Morgantown before coming into the service.

## Garden Club Tea Next Wednesday Will Honor Frau von Bronneck

The Littlefield Garden Club will entertain out-of-town guests and members at an autumn tea next Wednesday, October 7, at the Community Center, honoring Frau Renee von Bronneck, distinguished Austrian lecturer.

Mrs. von Bronneck will appear in the peasant costume of her native Austria, and will speak informally on the customs of women in Austria and the various contrasts of the American standard of living with that of Europe.

The Garden Club will be assisted by the Woman's Club and Art Club of Littlefield, and the presidents of the three groups, Mrs. J. M. Farmer, Mrs. Roy B. McQuatters, and Mrs. C. O. Stone, will receive guests.

Mrs. Cecil M. Johnson is general chairman for the tea, and the table decorations will be done by the Garden Club, room decorations by the Art Club, and the Woman's Club will arrange the tea service.

Among the guests who have been invited are the presidents of the Junior Women's Club, Maids and Matrons Cultural Club, 1926-30 Study Club, and the Woman's Club, all from Levelland; the president of the Forum in Littlefield; the Muleshoe Study Club president; officers of the Olton Study Club and Olton Garden Club; from Sudan, officers of the 1935 Study Club, the 1950 Junior Study Club, and the Tuesday Study Club; from Amherst, presidents of the Junior Study Club, the Study Club, and the Garden Club; from Anton, presidents of the Study Club and the 1950 Study Club; and the president of the Earth Town & Country Study Club.

### Bula F. H. A. Holds Recent Ceremony

The first meeting of the Bula F. H. A. was held Sept. 21 with a candlelight ceremony installing the new officers for the 1953-54 school year.

Susie Jones was named president of the group. Other officers installed include Zelma Harris, vice-president; Mary Ann Harris, secretary; Wanda Bayless, treasurer; Juanita Pearson, historian; Grace Aitman, parliamentarian; and Sharon Holt, reporter.

## Neta Pinegar Becomes Bride Of Sudan Man

Mr. and Mrs. T. J. Hollingsworth of Fort Towson, Okla., announce the marriage of their daughter, Neta Pinegar of Amarillo to Mr. Arthur O. Shuttlesworth of Sudan on September 7. Mr. Shuttlesworth is the son of Mr. and Mrs. J. M. Shuttlesworth of Sudan.

The ceremony was read in Las Vegas, Nev., and the couple is now at home in Sudan, where Mr. Shuttlesworth is employed at the post office.

Previously the executive committee had met to outline the year's program based on stimulating interest in the F. H. A.

## Pennies for Inches to Be Given By Girl Scouts on Founder's Week

Girl Scouts in Lamb County will measure their height with pennies to be contributed at meetings in October for the Juliet Lowe birthday fund. Mrs. Tom Hilburn, president of the Lamb County Executive Girl Scout Council, announced the project at the meeting held Thursday night in Amherst.

Mrs. Leonard McNeese presented the council with a check for \$12.50, won as second prize for organizational exhibits at the County Fair. The red ribbon will be placed in the Girl Scout scrapbook.

A new representative to the council from the Amherst Study Club, which sponsors scouting in Amherst, was announced by Mrs. Ray Blessing, president of the Study Club. Mrs. Eugene Priddy has been named to the council post. Mrs. Ralph Albares of Littlefield was appointed publicity

chairman for the council by Mrs. Hilburn.

Plans for the cooks drive in March, the leaders' training course to be held in the near future, and the necessity for moving the Littlefield Girl Scout Hut off the school grounds were discussed. Donation of a lot near the grounds is being sought, and if that plan does not meet success, waste bales of cotton from nearby gins may be solicited to raise funds to buy a lot.

Council members present were Miss Elaine Green, Mrs. Blessing and Miss LaNelle King, of Amherst; Mrs. McNeese, Mrs. Joe Thomson, Mrs. Albares and Mrs. Hilburn, from Littlefield. Next month's meeting will be held at Olton on October 15, and members will drive to Olton and have dinner at a cafe before the business meeting.

## Drapes Hung At Community Center

Another step forward in the beautification of the Community Center was completed last week when the Oklahoma Avenue Home Demonstration Club, assisted by the Littlefield Woman's Club, completed and supervised the hanging of colorful drapes for the Center.

Mrs. C. E. Jones, president of the Oklahoma Avenue Club, expressed great satisfaction with the fine work her group had done in making the drapes. Mrs. Roy McQuatters, president of the Woman's Club, together with members of both groups, worked all day last Wednesday to finish the job.

Funds for the purchase of the material for the drapes was raised last June with a series of diminishing coffees given by the Woman's Club, the Art Club and the Garden Club, who were combined

## Frankie Marsh Honored at Shower

Soft greenery with pink rosebuds decorated the home of Mrs. Lonnie Taylor Thursday night when she and Mrs. Tracy Perkins honored Mrs. Larry Marsh, the former Miss Frankie Ruth Douglas, with a lovely bridal shower.

Mrs. Jan Jolly received guests at the bride's register.

The bride's table was laid with pale sea green damask, centered with a mirrored arrangement of pink rosebuds and tiny flower cookies. White satin ribbons, with a miniature bride and groom standing beneath, led to the display of gifts. Crystal appointments were used in serving punch, cookies, nuts and mints to the guests. Miss Jean Brown presided at the table, assisted by Mrs. Donald Gilbreath.

Entertainment was furnished by Mrs. Ima Jean Parkman, who played selections on the piano as the guests were served, and accompanied Mrs. Taylor as she sang "I'll Never Turn Back" and "A Closer Walk with Thee."

The hostesses' gift to Mrs. Marsh was a pair of handmade pillowcases. W. V. Douglas, father of the bride, sent a gift, as did Mrs. E. Marsh of Seymour, the groom's mother.

Guests included: Mesdames F. L. Newton, L. L. Massingill, D. C. Lindley, Gilbert Campbell, Edith Anders, Nadine Rice, Mamie Perez, B. Phillips, Guy Hawkins, M. J. Gibson, Harvey Bishop, J. G. NEWS OF FIELDTON

**New Cafe Being Built In Fieldton**

A new cafe is being built in Fieldton. It will be operated by Robert Jennings of Littlefield.

The Fieldton Co-op Gin has ginned about 75 bales of cotton this fall. The Draw Gin began operating on Tuesday.

Mr. and Mrs. Tom Maddox and Mr. and Mrs. Loy Maddox of Porterville, Calif., have visited here last week with Mr. and Mrs. H. C. Pickrell.

Mr. and Mrs. R. A. Reed spent the weekend at Kansas City, Mo., visiting their son, Raymon Reed, his wife and two children. They took a TWA plane from Amarillo and returned home the same way.

Mr. and Mrs. Eldon Hill of Fieldton and her brother and wife, Mr. and Mrs. Leslie McCain of Bovina, returned home Thursday after 19 days' vacationing in New Mexico, Colorado, Utah, Nevada, and various parts of California.

Mr. and Mrs. H. C. Pickrell, Mr. and Mrs. Tom Maddox and Mr. and Mrs. Loy Maddox from California visited Sunday afternoon at Plainview, with a niece of Mrs. O. C. Collins and family. They enjoyed a picnic on the lawn. Twenty-four were present and a photographer made pictures of the group.

Sunday for dinner the Pickrells had as guests the Maddoxes and also Mrs. Terra Pickrell and children, Gary Gene and Twolla, of Littlefield.

Mr. and Mrs. C. W. Hunt were Lubbock visitors Sunday.

Mrs. Ted Royal, Ann and Gary, and Mrs. Beulah Robison were visitors in Lubbock Saturday.

**Swine Vaccination Urged For Cholera**

With midwest swine raisers again facing possible million-dollar losses this fall from hog cholera, the American Foundation for Animal Health urged farmers today to adopt proper vaccination measures.

"The fact that there are now seven types of hog cholera vaccination which have been government approved has confused many farmers," the Foundation said. "It would be a tragedy if this confusion interfered with having hogs vaccinated for protection from the nation's number one hog killer."

The choice of the proper type of vaccination is important for maximum protection, officials said. Each method has certain advantages and disadvantages depending on the local situation.

Such factors as herd history, the presence of hog cholera in the past, general herd health and other variables may all enter into the choice of the proper vaccine. The Foundation pointed out also that vaccination at the wrong age or wrong time must be guarded against.

"Every farm and every herd is a different problem," the Foundation said. "That is why a herd owner would be wise to leave the selection of the proper type of vac-

**Sudan Stung Again By Andrews, 34-6**

The Andrews Mustangs lambasted the Sudan Hornets 34-6 Friday night before an estimated 3,000 persons in a non-conference game.

Running one touchdown each for Coach Glenn Frazier's Mustangs were Don Hustace, halfback; Leon Chester, quarterback; Bob Wright, fullback; Gerald Pflgrim, left halfback; and Gene Ellis, defensive halfback.

Sudan passed and ran 49 yards for its one and only touchdown.

**Bula Girls Practice For Basketball Win**

Though feeling the loss of seniors Joyce Sanders and Wilma Emersan, the Bula girls are back practicing basketball again all ready for the opening of the 1953-54 season with what Coach Curly Risinger expects to be a top notch team.

The Bula girls hung up an impressive record last season and with star Susie Jones and several other high scorers back they expect to win their district championship.

The girls team has already slated four practice games. They played at Lazbuddie, Sept. 15 and accepted a return game with the conference rivals on Sept. 23. Oct. 13 they travel to Cotton Center to meet that perennially strong girls' team and will entertain the Cotton Center sextet Nov. 3.

**Muleshoe Resident Dies After Illness**

Mrs. Albina Belle Graves, 69, died at 1:50 p. m. Sunday in the Green Hospital and Clinic in Muleshoe after an illness of several months.

Mrs. Graves, who was born April 27, 1884, had been a resident of Bailey County for the past 22 years.

Funeral services were held at 3 p. m. Tuesday in the Muleshoe Church of Christ with Ebb Randol, minister, officiating. Burial was in the Bailey County Cemetery under the direction of the Muleshoe Funeral Home.

She is survived by a son, Coley B. Graves, and a daughter, Mrs. W. E. Duncan, both of Muleshoe; four sisters, Mrs. Viola Pitcock, Altus, Okla.; Mrs. Molly Graves and Mrs. Sally Graves, both of Tompkinsville, Ky.; and Mrs. Lee Ann Smith, Celiva, Tenn.; two brothers, T. J. Kidwell, Vernon; and C. R. Kidwell, Tompkinsville, Ky.; 8 grandchildren and 6 great-grandchildren.

inuation and the proper time to vaccinate to his veterinarian."

The Foundation urged all farmers to have their pigs vaccinated this fall.

"Vaccination is the only reliable means for controlling this swine threat," officials said. "Failure to protect the herd will increase the chances for heavy losses."

**Committee Named For Wage Study**

Troy Armes, Clifford B. Jaques, and J. W. Emfinger today were notified by the Texas Employment Commission at Austin of their appointment as members of the Consultant Committee for Lamb County to assist the commission in its efforts to secure a prevailing wage survey for this crop wage area. J. B. Jordan, local office manager of the TEC, has announced.

As the returns from the survey come into the local TEC office, Jordan said tabulations will be made and reviewed each two weeks by this committee in order that completeness, impartiality, and accuracy will be assured. Farmers who contract Mexican Nationals have agreed to pay a wage which will not be disruptive of local wage rates and must not be lower than those paid for similar work in similar crop conditions with a crop wage area.

"If wages paid to domestic workers fluctuate in this area," Jordan said, "wages paid to Mexican Nationals under contract may also be expected to fluctuate. Therefore, the wage survey must be completely understood by all farmers in this area."

The appointed committee will undertake to assist the commission in keeping all farmers who contract or expect to contract Mexican Nationals apprised of the conditions. The committee will have access to the wage survey cards returned by area farmers to the TEC at all times, and will assist in settling differences if, and when, they occur. Wage information received from individual farmers is strictly confidential, but if results of a survey indicate error, committee members will review all information obtained.

Another 1,000 cotton pickers are needed in this area to aid the nearly 1,000 already at work in the fields. The tomato bumper crop has also raised the need for tomato pickers. Four thousand pickers are needed at Lubbock and all over the area.

**Bula Favorites Named At School**

Laverne George and Richard Skinner were named class favorites at Bula school last week after final tabulation of votes by the students. Each class had students entered in the voting.

At the same time Carolyn Reynolds was named most beautiful girl and Bobby Pool, most handsome boy. The quartet will be featured in the school's annual "The Bulldog" to be published next spring.

Class favorites for the other classes included: sophomores, Carl Hailford and Barbara Bogard; juniors, Walter Cunningham and Wanda Bayless and seniors, Marcelee Austin and Bobby Pool.

Other school favorites were: Gall Lancaster and Pat Risinger, 1st; Linda Pearson and Mike Risinger, 2nd; Mickey Blanton and Carolyn Rogers, 3rd; James Parsons and Ruby Cash, 4th; Elmore Warren and Kay Spence, 5th; Del-

**Local Residents Receive Prizes At Lubbock Fair**

Littlefield's F. F. A. chapter won a number of awards for agricultural exhibits at the Panhandle South Plains Fair at Lubbock this week. They had previously won first place at the Lamb County Fair on their soil and water conservation booth, and placed second with their education booth. Another first prize went to them at County Fair for their crops booth.

At the Lubbock Fair, awards went to Ernest Gohlke, Max Barnett, Eldon Gohlke and Walter Hill. First prize for individual 4-H Club farm exhibits went to Gohlke Brothers, second to Walter Hill, and third to Max Barnett.

Other awards at the Fair included the selection of Art Chester's Aberdeen Angus as grand champion female of the show.

Anton received 12th place for the vocational education division, with the theme "Sesame." Ray Lewis is teacher.

**Hale Center Man Buried On Tuesday**

Funeral services were held Tuesday at the Hale Center Church of Christ for Joseph L. Walker, 53, who died at the home of his daughter, Mrs. Arrie Brinson, 7 miles southeast of Hale Center Sunday afternoon.

Mr. Walker moved to Hale Center from Shelbyville, Ind., in 1947, and his wife died in November, 1947. He is survived by his daughter, 5 grandchildren and 3 great-grandchildren. Burial was in Center Plains Cemetery.

Mr. and Mrs. L. C. Simmons are attending the National Cemetery Association convention in Dallas this week.

vin Walden and Minnie Mansell 6th; Virgil Vaughn and Judy Young, 7th; Dusty Bogard and Sandra Spence, 8th and Carolyn McCall and Shirley Roberts, 9th.

**About People You Know**

Rev. Henry Haupt attended the semi-annual meeting of the Presbyterian held in Memphis, Texas, Thursday. Rev. Haupt is chairman of the Presbyterian life committee and social education and action committee.

Mr. and Mrs. V. R. Jones returned last Wednesday from a four-day trip to their cabin at Lake Brownwood.

Mrs. J. I. Connell, who was admitted to the Payne-Shotwell Foundation Wednesday of last week suffering from a heart attack, is reported much improved.

Mr. and Mrs. R. C. Ewins of Amarillo spent Monday in the home of Mr. and Mrs. J. D. Ewins. Mr. Ewins said their son was now a student of the Midwestern University at Wichita Falls.

Mrs. M. V. Robinson, mother of Mrs. R. L. Murdock, was admitted to the Payne-Shotwell Foundation Friday. She is suffering from a heart ailment and has been very ill.

# A LION OR TWO

The Tail Twister says you can always tell a well-informed man; his views are the same as yours.

The best proof of a mother's love is your photo taken at age twelve.

The mighty and domineering lion went for a stroll one day. Meeting an antelope he demanded, "Who's king of the jungle?" "You, oh mighty lion," quavered the antelope. Satisfied, he walked on and met a zebra. "And who is the king of the jungle?" "Oh, you," squeaked the zebra. Now a wise old chimpanzee and the same question. "Why, who else but you," soothed the chimp, "what monkey doesn't know that?" Happily continuing his walk he met an irritable and cross old bull elephant. "Who's king of the jungle?" he demanded. Without further ado the elephant tossed him up, whirled him around in mid-air a half dozen times, and finally deposited him in a bramble bush 20 feet away. The bruised lion got to his feet with great difficulty and observed plaintively, "Just because you don't know the answer, you don't have to lose your temper."

The Littlefield Lions have two new faces with us now. Ex-Lion Rhenard McCary is back with us as a reinstated member. The McCarys have been in Littlefield since 1946, having been in Matarador for many years. Lion McCary, Lioness Dorothy, and Hayden (11 years) live at 202 E. 18th St. Lion McCary is in the real estate business with his father, Hamp McCary, under the firm name of Hamp McCary and Son. Lt. Johnnie Robinson, Salvation Army officer, is a new member with us. He comes to us from Lubbock where he assisted for 16 months. Lion Robinson, Lioness Irene, and the four children live at 621 E. 6th Street. The children are Eugene (15 years), Billy (14 years), Rolland (11 years), and Elzana is 8. We are certainly happy to have

these new members in our club. They will be a real asset.

Little girl?  
 Lady: "What your cat's name, Girl: "Ben Hur."  
 Lady: "That's a funny name for a cat. How did you happen to pick such a name for it?"  
 Girl: "Well, we just called him Ben until he had kittens."

A hill-billy found a mirror which a tourist had lost. "Well, if it ain't my old dad," he said, as he

looked in the mirror. "I never knowed he had his pitcher tuk." He took the mirror home and stole in the attic to hide it. But his actions did not escape his suspicious wife. That night while he slept she slipped up to the attic and found the mirror. "Humpus," she said, looking into it. "so that's the old hag he's been chasing."

The Lion Tamer says women can never be successful like men because they don't have wives to help them.

### Mrs. Aiken Attends Nephew's Funeral

Mrs. E. M. Aiken of Littlefield, accompanied by her daughters, Mrs. "Chick" Smitley of Leveland, and Mrs. Joe Oden of Spade, attended the funeral of Mrs. Aiken's nephew, Clorin Aiken, at Amarillo Saturday.

Mr. Aiken, 47, passed away suddenly as the result of a heart at-

tack at his home in Amarillo last Thursday at 1:30 p. m. He had been suffering from a heart ailment for the past three months. Mrs. Aiken returned home late Saturday.

The local hospital began their one-year courses a year ago. Jean Brown, who completed her work last week is one of the first graduates.

# MISS KAY GRAUBERY VOTED SWEETHEART BY OLTON LIONS CLUB

Miss Kay Granbery, daughter of Mr. and Mrs. Roy Granbery of Olton, has been chosen Lions Club Sweetheart at Olton. She succeeds Miss Jan Prestridge, who was 1953 Sweetheart of the Lions.

Miss Granbery was the guest of the club at their meeting last Tuesday, with Miss Wylene Freeman. Miss Granbery is a member of the Olton High School band and the Order of Rainbow for Girls.

### PERSONAL WORK

HARTFORD, Conn. (AP) — The Connecticut Supreme Court has ruled that the state is not required to pay for work assigned to mental patients for therapeutic purposes.

Denying a \$2,000 claim made in behalf of a woman patient for work in a hospital laundry, the court held: "Her labor was required not primarily for the benefit of the hospital, but for her own welfare."

# Brownfield Hands Wildcats First '53 Loss, 20-

The Brownfield Cubs ranked up their first win of the season against the favored Littlefield Wildcats at Seely Stadium last Friday night, going home with a 20-12 victory. Both teams showed a strain of inexperience, and the Wildcats still were too eager, picking up offside penalties by the handful.

The Wildcats didn't show the sparkle and push they had against Hereford, and were overshadowed by big Billy Thomason of Brownfield, who made two spectacular gallops down the field to touchdown territory, tralling the teams behind him.

Both sides tried air attacks which bogged down, and the pile-up on fumbles looked like a "whodunnit" mystery. The Cubs surprised the Wildcats in the opening period when Thomason came over right tackle, cut towards the middle and had a clear field to make it 6-0 after the last defender was cleared away by a block by Delbert Bradley.

In the second quarter, Brownfield was forced to punt after winning the ball from Littlefield on downs, and Dan Howard scored a pass to Davis in the end zone for the Wildcats' first tally. Fifteen passes from Howard to Shady, Duane Hoover, Davis and Boyd Mears failed to score in the final two minutes before the half, but in the third quarter Howard connected with a screened pass to Mears, who went over for the six points.

A touchdown by Paul Williams had previously been called back on a clipping penalty, one of the many penalties that caused Littlefield trouble all night.

**Foshee Scores on Long Run**  
Joe Foshee of Brownfield took over for a 58-yard scoring run in the last of the third quarter, with a quarterback sneak by Jerry Don Brown making the conversion point, and after that it was all for the Brownfield fans' joy.

Lack of effective blocking on the part of the Wildcats left big holes for the Cubs to step through, but Kenemer of Littlefield was a momentary hero when he made a last-stand tackle to stop another scoring attempt by the Cubs in the third quarter.

In the fourth quarter, Brownfield backs pushed the ball down to the 5-yard line from their own 25. Foshee started a stumbling goal run when the ball squirted out of his arms, but luck was with Brownfield and Howell fell on it for the touchdown. Another line plunge, this time by Thomason, saw the extra point for the victory.

At the half, Brownfield's band put on a spectacular show with a lights-out twirling stunt by the majorettes, with double fiery batons. The Littlefield band, showing up a good brass section under the direction of Beryl Harris, spelled out "Cubs," with assistant drum major Nancy Ann Harris in charge of the field.

**Starting Lineup**  
LITTLEFIELD—D. Hoover, B. Hoover, G. Rogers, Renfro, B. Murdoch, F. Martinez, Davis, Howard, B. Mears, T. Shelby, F. Williams.  
BROWNFIELD—Delbert Bradley, Jimmy Odum, Ronnie Swan, Nicky Green, Chas. Wilkes, Chas. Lassater, Lloyd Martin, Richard Baggett, Lee Allen Jones, Billy Thomason and Jerry Don Brown (co-captains).

**Game Statistics**  
Firs downs: Littlefield, 17—Brownfield, 7.  
Yards rushing: Littlefield, 193—Brownfield, 229.  
Yards passing: Littlefield, 154—Brownfield, 25.  
Passes completed: Littlefield, 9 of 24—Brownfield, 3 of 5.  
Punts, average: Littlefield, 3 for 30—Brownfield, 6 for 30.4.  
Fumbles lost: Littlefield, 1—Brownfield, 0.  
Penalties, yardage: Littlefield, 11 for 75—Brownfield, 2 for 10.

## Muleshoe Tr Amherst Bulldogs

With Quarterback holding the reins, the Muleshoe Bulldogs kicked up their heels and ran roughshod over Amherst Bulldogs, 44-0, first win of the season.

Willis was the big seven-touchdown attack counted for two tallies on another pair of passes to Left End. The quarterback also scored an extra point.

Mule Right Half started the scoring by over right guard for the first quarter. In the second quarter, Willis and converted. Moore scored to 19-0 as he ended for one yard and a tie Bickel, fullback, the extra point.

A 31-yard pass from Holt and a 5-yard pass accounted for the period scores. In the third quarter, Willis and converted. Moore scored to 19-0 as he ended for one yard and a tie Bickel, fullback, the extra point.

The lone Amherst made in the fourth quarter pass from Quarterback or Nuttall to Right Halferson. The extra point on a plunge by Left Halferson.

The Mule forward paced by the defensive Center Sammy Doolittle, Right Tackle D. I. Halferson was outstanding Bulldogs.

## Anton Bulldogs Muzzled 38-6 By Untamed New Deal Lions

Coach Cordell Brown's New Deal Lions muzzled the Anton Bulldogs 38 to 6 for their third straight victory in as many games Friday night at New Deal.

Long runs, spectacular passing, and sparkling defensive play by the Lions featured the contest. One 89-yard dash was called back because of a backfield-in-motion penalty against the New Deal grid-ers.

Scoring came early in the first quarter when Lion Fullback Willie Cox reared 83 yards to paydirt from his own 17. Soon after, Harold Williams, New Deal quarterback, scored from the 4 on a quarterback sneak. The first quarter ended with the Lions ahead 12-0.

Robert Jeffcoat, Lion halfback, caught a 15-yard pass from Williams early in the second quarter and ran 45 yards for the touchdown to make it 18-0. A Williams pass to end James Perkins was good for the extra point.

Jeffcoat scored again with the second quarter still young on a 20-yard dash over right tackle before Anton got into the ball game with their lone touchdown. This came on a 2-yard push through the middle of the line by Bulldog Hice, who played an outstanding but unsupported game for Anton.

The half ended with New Deal ahead 25-6, and Anton never threatened again. The Lions scored twice more in the third, on a two-yard dash through tackle by Cox, and a Williams to Perkins pass to the end zone. Cox kicked the extra point. Then Jeffcoat's 89-yard dash was called back on the penalty, and the game ended 38-6 for the Lions.

Outstanding players in the game witnessed by 300 fans were Stevenson, Hice and Spears for Anton, and Brownlow, Kelly and Castner for New Deal. Other than the scorers, Spears was taken out of the game.

## Whitharral Loses Third Straight

Bovinis opened District 2-B play at home Friday night with a 21-13 victory over the visiting Whitharral Panthers, taking a quick lead in the second quarter and protecting it the rest of the way.

Leon Ware blasted over from the four and Darrel Read got the extra point to put the winners ahead, 7-0. Then in the third period, Larry Ezell went three yards and Read passed to Dwon Owens for the PAT.

Jerry Gage scored for Whitharral in the third by passing to Claude Horton for 15 yards and James Fagan bucked over from the one after Vertie Throckmorton had added a conversion to make it 14-13, but Read won 20 yards for the winning touchdown, then added the point after to clinch things.

## Hereford Stomps Tulla Friday, 20-0

Dwaine Wallace and Wayne Smith combined to give the Hereford Whitefaces a 20-0 win over Tulla Friday night. Wallace scored the first touchdown and Smith the last two.

All three scores came from far out, Wallace going 20 yards for his and Smith 50 and 45 for his. Extra points—two of them—were made by Ed Boyd.

## Olton Scalps Morton

The Olton Mustangs continued to roll along in high style at Morton Friday night as they scalped the Morton Indians, 44-0 for their third win of the year.

Approximately 1,100 persons were on hand to see four Mustangs share in the scoring.

Fullback R. V. Allcorn passed to Halfback Bobby Straw on a play covering 45 yards for the initial score. Allcorn then punched over two fast TD's on runs of five and 21 yards. The halfback kicked the extra point which followed his second scoring dash. Before the first half ended, Bud Charley Shelly caught a pass from Allcorn and raced 29 yards for a six-pointer. The fullback had thrown from the 50.

Two tallies were racked up in the third period. Fullback Guy Granberry smacked right tackle for three yards and the first TD. Later, Straw intercepted a pass on the Morton 42. On the next play Granberry passed to Shelly for the touchdown.

Straw plunged three yards for the final score and then kicked the extra point.

The Mustangs intercepted two Morton passes during the evening

and completed six out of 16 attempted passes to mark up 103 yards through the air. Olton added 46 yards rushing.

For the Indians, statistics show a gain of 103 yards rushing and 43 yards on five completed passes. They attempted 14.

This week Olton travels to Happy for a non-conference encounter.

## Skinner's Runs Aid Bula Over Spade

Richard Skinner played six plays on offense, but scored three times to give Bula a 22-6 win over Spade in a six-man football battle.

Both teams went scoreless in the first half, with the winners breaking the ice first in the third stanza by tallying a safety. A pass from Jones to Odum, covering 63 yards, gave the losers a temporary lead.

Skinner then crossed the double stripe three times on runs of 15, 10 and 5 yards to put the game out of reach.

Jones and Odum starred for the losers on defense, while Skinner was the defensive star for the winners.

# Kat's Korner

By Karen Williams

Hi Kids! Well, last Friday night whether we won or lost, I still think we played a darn swell game. Even though the actual winning and losing goes by score, playing is really, in my opinion, what counts. We did lose the game to Brownfield by the score of 20-12. A real heartbreaker if I ever saw one.

The game that everyone is out to win is the game with Levelland this Friday night. The window panes in the front doors of the school are painted up, huge signs are displayed in the hall and also everyone has "Beat the Lobos" tags on their lockers. Real campaignin' to win this game. The maroon and white beat tags are all over the place.

The band journeyed to Sudan Saturday morning and did a swell job in the parade there. And not only that but they came back with loving cup, too. The trip to Lubbock seemed to be a success. Monday afternoon the band marched in the sweltering heat for two and a half miles in the Fair Parade. The band walked away with second prize in class AA division, being beaten only by Andrews, Texas. We have one big thing to be proud of and that is that we beat Brownfield. A lot of the band kids seemed to be having fun in the carnival part of the fair. Delores Wall has a panda bear to her credit as a result.

Tuesday afternoon at 2:30 the Junior High P.T.A. had a meeting in the auditorium and were later served refreshments in the Library.

I've heard that if there isn't a dance this week after the game some kids are really going to be unhappy. As one smart soul put it, "If they don't have a dance pretty soon, I'm going to forget how to dance."

The teachers were treated to a banquet last Thursday by the Rotary Club. The guest speaker was Dr. Yeager of Wayland College. Thursday afternoon teachers' meeting will be held in the Home Economics room. One of the main topics for discussion will be the photostatic copies of the teachers' records for the files.

Tuesday morning the Student Council had a meeting in which the basketball concessions were

## Services Are Held For Mrs. Strain

Funeral services for Mrs. Florence Elizabeth Strain, 54, who died at the Littlefield Hospital Monday, were held Wednesday afternoon at the Luma Chapel Baptist Church with Rev. W. H. Hughes officiating.

Mrs. Strain, who lived 6 miles southeast of Littlefield, was the mother of two sons, Curtis, of Littlefield, and Kermit, of Hereford; and two daughters, Mrs. John Moore of Littlefield, and Mrs. Mae Drake of Midland. She is also survived by 24 grandchildren and 11 great-grandchildren.

Palbearers were Herschel Barker, Doss Maner, Ed Jones, Roy Jones, Percy Carter, and Johnnie Graham. Interment was in the Littlefield Cemetery.

turned over to the Senior Class. The FHA and Senior Class were contesting for that position.

The FHA held a meeting in the Home Ec department Tuesday evening at 7:30 o'clock. Plans were discussed for the trip to the Lubbock Fair Thursday night. Getting the annual honor of "Dreamboy" was Bob Hoover and Johnny Fields was elected "Buddy."

And say, kids, have you noticed the new trash boxes outside the front door and the band hall door? They're there for a purpose, let's put them to use.

Tuesday evening there was a great plot in the air. Mary Cameron Hulse and Edna June Wallace were supposedly supposed to be having double dates with David Hampton and Paul Yarborough. But it just so happened that somewhere or other Edna June got in Cameron's house about 7:30 p. m. and little heads popped up yelling "Surprise!" Since Edna is moving to Capitan, New Mexico, her old chums got together for a going-away party. Sure hate to lose such a swell gal as Edna June!

And, football boys, now that you have seen the school spirit for the past week, let's see you beat Levelland!

organizing public sentiment for the tidelands return than others who have been quick to assume most of the credit.

"Lamb County's Judge Dent appears to be as qualified to serve in his new post as anyone in this area and, certainly, his long and distinguished residence on the South Plains equips him to well represent this section."

With the Canadian River dam project, the High Plains Underground Water Conservation District, the increasing spread of irrigation on the Plains area and the diminishing supply of underground water as an ever-threatening problem, water conservation enthusiasts feel it is highly important that the Plains be represented on the state board.

One of the principal powers of the water board is the decision on granting or denying of applications for appropriation of public waters.

Dent will represent the large West Texas area on the board.

### She Will Be Missed

Speaking of the Fausts, Jimmie Brittain told us Sunday night of the unusual contribution Mrs. Faust has made to the community.

Dr. Helen Thomas was the professional name Mrs. Faust used when she practiced medicine before coming to Littlefield. After the heavy strain of taking care of a private practice with two small children at home while Dr. Faust was in the service, Mrs. Faust gave up her profession to become a full-time mother and housewife at the end of the war.

Four years ago when the Littlefield schools employed a full time school nurse, Mrs. Faust offered her services free of charge to the school children.

During each school year she examined all students in the third, fifth, and seventh grades. At some time since the project began, she has examined practically every child above the third grade who is now attending Littlefield schools.

I asked Mrs. Faust about what she had accomplished during the time. She smiled and said:

"Getting rid of head lice in the schools probably is the most practical thing the school nurse and I have done."

She says the children in the community are in much better general health now than they were four years ago.

"One of the biggest jobs we have done has been to get parents more conscious of their children's dental needs."

An then there were the more rare and dramatic incidents when she probably saved children's lives by discovering such troubles as heart murmurs and the like.

It's hard to evaluate in dollars and cents the contribution Dr. Helen Thomas Faust has made to the children of Littlefield.

### Long Hours . . .

Monday night I talked to Paul Green, manager of the new Draw Gin at Fieldton. Paul said he sure was tired. In a front page story last week we said the gin would operate 224 hours a day, and it really was getting that beat of him trying to keep up that pace!

## DUB COLLIER

(Continued from Page 1)

you can do with your hands, he can do with his—and maybe do it better! Dub lost his hands in the battle for the Siegfried Line in Europe in World War II, and spent 8 months in a hospital in 1945.

Dub had attended school at Whitharral, and returned to Littlefield after his release from the hospital. Here he met Jane Johnson and married her, and they now have three children, Carolyn Jane, W. J., Jr. (better known as Jeff), and Polly.

The city reports that Dub was one of their best employees, driving a truck. Recently he has been farming, but due to drought conditions, things were pretty lean this year, and he's debating on trying it next year.

There are others in this area gainfully employed despite—or perhaps because of—their handicaps. One young polio victim is employed with a Sudan firm, after discovering that in spite of a weakness in one leg, she could attend business college and find an occupation that would not require the active use of feet and legs. Another older man, lacking one hand, is firing a steam boiler in Muleshoe, and his employers are well satisfied.

But there are others to consider during "Employ the Physically Handicapped Week." Take, for instance, the case of a polio victim who is confined to a wheelchair. He has completed a course in watchmaking, realizing that his work must be done with his hands and his mind. But in as small a town as Littlefield, there are only a certain number of openings in a field as specialized as his, so he remains unemployed.

J. B. Jordan, manager of the Texas Employment Commission here, has other physically handicapped applicants on his rolls. They can do good jobs for you—if you consider their capabilities, rather than their handicaps. If you're an employer who is dissatisfied with the average workers, consider these workers who work hard, because they appreciate their opportunities.

the First National Bank of Littlefield, where the church building fund will be deposited.

### Large Building Site

The educational building, designed by architects Miller & Miller of Lubbock, will be 50x100 feet, standing on lots which are 215 feet deep by 218 feet wide. The practical, modern lines of the building will feature a steel span roof with 24-inch overhanging eaves, and the exterior will be of either brick veneer or stucco.

Inside, a completely equipped kitchen will serve the banquet room facilities which will also be a children's assembly room, and there will be complete air-conditioning and central heating. Five large classrooms and a nursery will be constructed at the outer sides of the building, so that the central portion may be used as a sanctuary. A complete sanctuary building will be added later as the educational building will contain a choir loft situated behind the altar, facing the congregation.

Rev. Archie Gray, pastor, has announced that the new building will be beautifully decorated inside to complement the place of

worship. "Work on the building should be completed within 90 days," Rev. Gray added, "at which time the congregation is looking forward to moving from the present building on the Levelland Highway into the new educational building."

Now pews will be ordered from a church supply firm, and an organ will be installed in the sanctuary. Frank Hicks is superintendent of the building project, and the contract for the plumbing and the contract for the plumbing and the contract for the plumbing has been let to Campbell Brothers Plumbing Company of Littlefield.

Electrical work has been sublet. T. Wade is arranging the bonds. Mrs. J. D. Dodson is chairman of the building committee.

## Parade Festival Attracts Thousands; Organizer Praises Spirit of Program

A small community but a great spirit, a great organizer, Tjondronegoro, United Nations delegate, told the thousands who jammed the streets of Littlefield last night.

People from the U. N. represented the climax of the festival celebration. Eighty representatives participated in the parade of nations which preceded Dr. Sudjarwo's address.

5,500 persons lined the streets from 11 a. m. as the day began unfolding. The parade was poured in before the festival part in the parade of nations which preceded Dr. Sudjarwo's address.

The parade was led by the band of Cochran Counsellors, with horse-drawn floats of each of the countries of the world.

Among the floats were the Springlake, Morton, and High School Texas Tech. In commercial organization, agricultural floats promoted the "United World Peace" theme.

Afternoon the view of the City Park, concerts by the band, watchmen and other attendants lined the streets to play representing the United Nations.

After the parade, the honored guest for the festival, after complimenting Sudan on its festival idea, Dr. Sudjarwo said that "measured against settlement of political problems," the UN

Then, late in the afternoon, the thousands gathered around the open-air stage to see Sudan residents emerge from a "United Nations book" in the native dress of foreign lands in a "parade of nations" pageant.

A narrator, Mrs. Sib Stone of the 1935 Study Club, sponsors of the pageant, gave brief histories of the countries represented as the citizens gave brief skits or sang or danced to rhythms native to the lands they represented.

Following them was a program by the International Choir of Wayland College of Plainview, which sang in several languages. But that came only after Sgt. Paul Swanson of Amarillo AFB stood before the audience to sing "One World."

Dozens of Sudan residents took part in the pageant, emerging from the United Nations book as Linda Parrish and Faye Scott opened the pages.

After the pageant, Dr. William Davis, head of the government department at Texas Tech, introduced Rep. George Mahon, U. S. congressman from Lubbock.

"There is no hope for the world unless free nations work together in a program for stability and peace," said Mahon. "The United Nations, with all its faults, is our best hope for settlement of world problems."

Points Out UN Gains  
Mahon introduced Dr. Sudjarwo, the honored guest for the festival. After complimenting Sudan on its festival idea, Dr. Sudjarwo said that "measured against settlement of political problems," the UN

might be regarded as disappointing.

He added, however, that the world organization to which he is a delegate has done much to promote love and brotherhood among peoples throughout the world. He specifically mentioned such organizations with the UN as UNESCO and UNICEF (United Nations International Children's Emergency Fund.)

It was to this fund that a bale of cotton was auctioned to the highest bidder for 99 cents a pound during the celebration. John Dean, real estate dealer, was the successful bidder for the cotton, donated by Watkins and the Farmers' Co-operative gin of Sudan.

People among the audience donated another \$244 to be distributed through UNICEF to needy children. The collection was taken in bushel baskets after the Rev. Wayne Perry had explained UNICEF objectives.

Saturday night's concluding program was opened with an invocation by the Rev. Harry Vanderpool of Littlefield. Mayor Harold Close of Sudan welcomed the visitors. Joe Salem, chairman of the festival committee, spoke briefly, saying "there are differences among men, but these differences can be reconciled through love and brotherhood."

During the afternoon, Wayne Brown was master of ceremonies for the continuing activities. It was he who announced winners in the various float divisions of the opening parade. Winners included:

Youth floats — Sudan Student Council, Future Farmers of America and the Cub Scouts. Business floats—Southwestern Public Service Co., Watkins Gin and Salem's store. Agricultural floats—Bill Nix

and Robert Masten. Adult clubs and organizations—Tuesday Study Club, 1950 Study Club and E. S. A.

Other activities of the day included singing by the Sudan Junior Choir, directed by Mrs. R. D. Nix, and a magician act by Harvey Gaddis of Amarillo. General Manager J. W. Miller directed the festivities. Organ music was provided by Mary Sue McAllen of Jenkins Music Co. of Lubbock.

Lunches were served at noon in the school cafeteria for the visiting group by the Parent-Teachers Association. Throughout the day, the Sudan Rotary Club sold barbecued chicken lunches. Women's arts and crafts exhibits were open all during the celebration and the United Nations "headquarters" building gave out information to those seeking it.

### PRISONER IN A RUT

PITTSFIELD, Mass. (AP)—It may have set a time-record recently for arrests on the same charge. The prisoner was given a six-months suspended sentence to district court for drunkenness. Four hours later, police had him in tow again. The charge: drunkenness.

Typical of the windows promoting peace and brotherhood designed by the Sudan merchants, is the one pictured above of the Salem department store. Joe Salem, owner of the store, has served as chairman of the unique celebration for the past two years.

## "Employ Physically Handicapped" Is National Observance This Week

One of the finest movements in the United States, endorsed by a law of Congress in 1945, is "National Employ the Physically Handicapped Week," which is being observed this week in Littlefield following a proclamation by Mayor L. C. Hewitt.

The need for gainful employment of persons wounded in the wars or in daily life so that in some way they are handicapped has been recognized by many employers, who agree that often those who cannot handle all sorts of work are exceptionally good at specific jobs.

The Texas Employment Commission, through J. D. Jordan, local

office manager, is urging that their physically handicapped applicants be given the chance to show that they have the same range of abilities, skills, and interests as other workers.

"By hiring handicapped workers with confidence through our office, and placing them selectively on jobs," Mr. Jordan said, "employers will find that employees assigned according to their abilities, skills, interest and physical capacities are not actually handicapped."

The local TEC office will be glad to consult with prospective employers and co-ordinate their list of physically handicapped applicants with the job requirements.

### ALTMAN SERVICES HELD AT HEREFORD

Funeral services were held last Wednesday at Hereford for Oscar H. Altman, who was stricken with a heart attack while working at the Black Elevator last Monday morning. Mr. Altman was the brother of Mrs. Dee Kirk of Anton, and is also survived by his wife, of Hereford; one son, Lee Altman, of San Diego, Calif.; two daughters, Mrs. Eleanor Brown of San Diego, Calif., and Mrs. Jeanette Poff of Levelland.

Five brothers also survive: Mike, Walter, and Martin Altman of Lubbock; Ben of Post, and Nathan of Memphis; and three sisters, Mrs. Julie Williams of Fabens, Mrs. Artie Davidson of Comstock, and Mrs. Myrtle Houston of Austin.

## 1953 Texas State Fair Will Inaugurate Pan-American Livestock Exposition

A tremendous increase in beef  
cattle entries over last year as-  
sures great success in its in-  
augural year for the Pan-American  
Livestock Exposition of the 1953  
State Fair of Texas, Oct. 10-25,  
Livestock Manager Ray W. Wilson  
has announced.

Wilson predicted that entries for  
the five beef breeds to be featured  
in the show will show an increase  
of 75 per cent over 1952.

Breeders of 14 states have al-  
ready entered beef cattle in the  
Pan-American exposition, which is  
designed to make the State Fair  
a market gateway to meet breed-  
ing stock demands of Central and  
South American cattlemen.

Wilson also announced that res-  
ervations are pouring in from  
prominent cattlemen, businessmen  
and government officials of Mexico  
and other Latin-American nations.  
The vanguard of Pan-American  
guests will be led by the Hon. Don  
Lignacelo Soto, governor of the state  
of Sonora in Mexico, who will be  
accompanied by a group of 50  
breeding cattle raisers.

A preliminary survey of 1953 en-  
tries shows a beef cattle total of  
6369 head, as compared with 281  
last year. Moreover, the 1953 fig-  
ure does not include show strings  
at the fair solely for exhibition.

Hereford, Brahman, Shorthorn,  
Aberdeen-Angus and Santa Ger-  
trudis beef cattle will be shown in  
the Pan-American Exposition, Oct.

10-21. Guernsey, Milking Short-  
horn, Jersey and Holstein dairy  
cattle will compete.

Wilson said heavy entries are  
also expected for the fair's horse  
shows, which will spotlight Quar-  
ter horses, Palominos, Shetland  
ponies and the open cutting horse  
contest.

A heavy increase was also noted  
in classes for sheep and Angora  
goats and in the Junior Show  
which will be held the final week  
of the fair.

The King Ranch, largest in the  
nation, will have an outstanding  
exhibit at the fair which will in-  
clude quarter horses, and Santa  
Gertrudis steers, cows and calves.  
They won't compete in the show,  
however. The ranch also will  
show its famous collection of  
saddles.

The 14 states supplying beef  
cattle herds include Texas, Okla-  
homa, Missouri, Kansas, Louisiana,  
Arkansas, Colorado, Iowa, Indiana,  
Georgia, Minnesota, New Mexico,  
Washington and New Jersey.

The exposition will be climaxed  
the night of Oct. 15 by a spectac-  
ular Parade of Champions of all  
cattle breeds, with added enter-  
tainment by the famous Mexican  
troubadour, Tito Guizar.

The average score of 55 football  
games played since 1947 by Mich-  
igan State teams under coach  
Biggie Munn is 30-11 in favor of  
the Spartans.

Gov. Allan Shivers, above, signs a document proclaiming the  
week, Oct. 5-10, official "Texas Farm Bureau Membership Week."  
Looking on at the signing ceremony are (left to right) Loys D. Bar-  
bour of Iowa Park, District 8 director; Alton Weiss of Manor, pres-  
ident of the Travis County (Austin) Farm Bureau; and C.H. De-  
Vaney of Coahoma, vice-president of the Texas Farm Bureau Fed-  
eration.

## Farm Bureau Week Will Be October 5

Gov. Allan Shivers has official-  
ly proclaimed the week of Oct. 5-10  
"Texas Farm Bureau Membership  
Week."

During that week more than 10,  
000 volunteer workers in some 180  
organized counties will spread out  
over the countryside contacting in-  
dividual farmers and ranchers to  
invite them to join Farm Bureau.  
The membership goal in Texas  
this year is 75,000 farm families.  
At the present, there are more  
than 53,000 Texas farm families  
with membership in Farm Bureau,  
an independent farm organization  
of, by and for farmers.

On the eve of the gigantic state-  
wide membership campaign, J.  
Walter Hammond, president of the  
state farm organization, stressed  
the need for a stronger state Farm  
Bureau in a letter sent to all county  
Farm Bureau officials in the  
state.

"The people engaged in farming  
and ranching have a great respon-  
sibility facing them this year," he  
declared. "This is a year of deci-  
sion. Farmers must decide what  
policies we want incorporated into  
the national farm program, and  
they must decide who shall speak  
for farmers. Next year will be a  
year of action on a national basis,  
and the voice of Texas farmers  
and ranchers will be determined  
by the membership in the Texas  
Farm Bureau Federation."

The Texas Farm Bureau is affil-  
iated with the American Farm Bu-  
reau Federation, which has a mem-  
bership of 1,492,282 in 47 states  
and Puerto Rico. Illinois, the  
largest state in membership stand-  
ing, has nearly 200,000 members,  
while several other mid-western  
states have more than 100,000 mem-  
bers. Texas has the largest poten-  
tial, with some 350,000 farm fam-  
ilies in the state. Many of the  
larger Farm Bureau states have  
already reached their maximum  
membership potential.

Farm Bureau policies are de-  
termined democratically through a  
resolutions process in county,  
state and national conventions.  
The number of official voting dele-  
gates at these conventions is de-  
termined by the number of Farm  
Bureau members in the county or  
state.

Texas Farm Bureau officials  
are looking forward to the day  
when the farmers and ranchers of  
this state have a more powerful  
voice in determining what the na-  
tional farm program shall be.

## Property Seizure Is Allowed For Delinquent Tax

In a letter to Miss Elaine W.  
Green, secretary of the board of  
trustees of the Amherst Independ-  
ent School District, State Director  
of Administrative Services Bascom  
Hayes has explained the new  
amendment on personal taxes pass-  
ed in Article 7298, R.C.S., by the  
53rd Legislature, as follows:

"Article 7298. No delinquent  
taxpayer shall have the right to  
plead in any court or in any man-  
ner rely upon any Statute of Lim-  
itation by way of defense against  
the payment of taxes due from  
him or her to the state, or any  
county, city, town, Navigation Dis-  
trict, Drainage District, Road Dis-  
trict, Levee Improvement District,  
Reclamation District, Irrigation  
District, Water-Improvement Dis-  
trict, Water Control and Improve-  
ment District, Water Control and  
Preservation District, Fresh Water  
Supply District, School District or  
other taxing authority; provided  
that this law shall not apply to  
collection of delinquent school  
taxes assessed prior to July 1, 1941;  
and provided further that no suit  
shall be brought for the collection  
of delinquent personal property  
taxes of any taxing authority  
instituted within four (4) years  
from the time the same shall be-  
come delinquent."

In effect, this means that per-  
sonal property may be seized by  
the various authorities mentioned  
and held until delinquent taxes  
have been paid.

## Over 200 Attend First Teachers' Workshop Held In Lamb County

Lamb County's first teachers  
workshop took place in Littlefield  
Friday, Sept. 18. It was sponsored  
jointly by the Lamb County Teach-  
ers Association and the Texas Ed-  
ucation Agency, and was attended  
by over 200 teachers and lunch-  
room people.

Planning of the very successful  
affair was done by a committee of  
supervisors headed by Mr. William  
Brune of Littlefield and included  
Dave Tullis of Olton and Sudan  
and Tom Ernest of Amherst and  
Springlake.

The teachers divided into several  
sections, according to the type of  
teaching they do. A local chair-  
man and an out-of-county con-  
sultant conducted the discussion  
in each group. Mr. Paul Kantz  
headed the group of four consul-  
tants from the Texas Education  
Agency. Of the other eight, two  
were area supervisors, two were  
from Texas Tech, and four from  
the Lubbock school system.

Chairmen of the sections were  
Mrs. Lunell B. McDaniel, Mrs.  
Fred Gordon, Mr. James Taugott,  
Mr. Claude McDougal, Mrs. John-  
nie Patterson, Mrs. Flora Burke,  
Mrs. Gladys McCaskill, Mrs. Tru-  
man Jones, Mr. Jim Green, Mr. Jim-  
mie Hine, Mrs. Glenn Reeves,  
Mr. Gomeray Allen, Mr. Carl Ma-  
con, and Mrs. Marjorie Slotton.

Discussions covered problems  
which the teachers themselves  
had previously submitted. So much  
benefit was derived from the work-  
shop that Mr. Brune predicts there  
will be at least one held in the  
county each year from now on.

#### SPADE-ING UP NEWS

By Betty Byars

Hi everybody. I'm here again and I presume quite a few have discovered this little deal. Anyway, I'm going to ask one more time. Please help me with this. After all, it's for your enjoyment and we do want it to get bigger. School is in full swing by now and I hope everyone is happy with their teachers. I am and I'm also happy with my schoolmates.

Ann Adams and some boy from Anton went to the Lubbock Fair Monday night. Ann could that be Wayne George?

The other day in the dressing room Maxine Lawrence was yelling about some boy from Olton. Who was the poor boy, Maxine?

The Spade High School basketball girls played well against Springlake. The B team got beat three points. The score was 28-25 in Springlake's favor. The A team got beat 13 points, but they

really made those tall girls from Springlake work.

I wonder why Lu Stubblefield doesn't like to be called Minnie? Harold Byars called him that, so she called him Wiseman. Neither seem to like their nickname!

The senior boys must have been very happy to have Mrs. Grigsby ride in their car with them to Lubbock Friday. I wonder what Mr. Grigsby said when he found out?

The football boys played very hard Thursday night. Bula scored 22 and Spade 6. Play harder boys and we'll root for you.

Wanda Bryant and Margaret King spent Thursday night with Pat Pointer. Tam, did you sleep good? I doubt you did.

The Freshmen girls did a good job baking their cookies, but what happened to the ones the second year girls made? There weren't as many out there as there were when the Freshmen girls left. Mary Shaw, did you eat them?

I heard that Maudean Tinsley and Doyle White were together at the fair. Maudean, the person that reported to me didn't remember whether you had one ice cream cone or two. oCuldn't Doyle afford one?

I saw Pat Pointer and Jerry Bryant together Tuesday night. Did anyone else?

Wanda Bryant and Meredith Tinsley were seen with Rene Elkins and Tommie Pierce. Which one was with which?

If you were at school Friday night you probably saw some eighth graders with their clothes on wrong side out. No, they aren't crazy. If they say ain't, they have to do that.

The English I class is reading "I Remember Mama." Ruby Vaught and Thomas Anderson seem to be enjoying the parts.

If you want some good pictures,

## Lamb County Is Designated Crop Wage Area

J. D. Jordan, local office manager for the Texas Employment Commission here today said that Lamb County has been designated as a Crop Wage Area.

Crop Wage Areas, he said, are designated as such only when Mexican Nationals are expected to be employed in the area to help farmers harvest their crops.

A survey will be undertaken in this county shortly to determine the range of wages being paid domestic workers. The survey is made necessary by a law passed in Congress—Public Law 78—which provides, in part before Mexican Nationals can be admitted to this country for farm employment, it must be first determined whether or not the wages and working conditions of domestic farm workers will be adversely affected. Mexican contract workers, according to the Migrant Labor Agreement of 1951, as amended, requires that the latter be paid the prevailing wages which domestic workers are receiving at the same time for similar work in the same area of employment.

A special consultant committee will be set up to assist the Texas Employment Commission in making the "range of wage" survey. Wage information received from individual farmers is strictly confidential, but if results of a survey indicate error, committee members will review all information obtained.

Mr. Jordan said that in areas containing more than one county there will be at least three persons from each county on the committee. This provides an area committee and a sub-committee for each separate county.

INTERNATIONAL SUNDAY SCHOOL LESSON

# God's Plan for World Timetabled In Passages From Bible Books

(Below is a discussion of next Sunday's International Sunday School lesson written by Rev. Henry Haupt, pastor of the First Presbyterian Church of Littlefield. Each month another local minister will write this column.)

God's Plan for the World  
Isaiah 42:5-9

(5) Thus says God, the Lord who created the heavens and stretched them out, who spread forth the earth and who comes from it, who gives breath to the people upon it and spirit to those who walk in it: (6) "I am the Lord, I have called you in righteousness, I have taken you by the hand and kept you; I have given you as a covenant to the people, a light to the nations, (7) to open the eyes that are blind, to bring out the prisoners from the dungeon, from the prison those who sit in darkness. (8) I am the Lord, that is my name; my glory I give to no other, nor my praise to graven images, (9) Behold, the former things have come to pass, and new things I now declare; before they spring forth I tell you of them."

Mark 1:14-15

(14) Now after John was arrested, Jesus came into Galilee, preaching the gospel of God, (15) and saying, "The time is fulfilled, and

the kingdom of God is at hand; repent, and believe in the gospel."

John 3:16-17

(16) For God so loved the world that He gave His only Son, that whoever believes in Him should not perish but have eternal life. (17) For God sent the Son into the world, not to condemn the world, but that the world might be saved through Him.

Revelation 1:1

Then I saw a new heaven and a new earth; for the first heaven and the first earth had passed away, and the sea was no more.

You will no doubt notice that I have here used the Revised Standard Version of the scriptural bases of the Sunday School lesson for this week. This is done in order that you might make a ready comparison of the two translations. Almost everyone will have a King James Version and may study with it.

First let us look at the texts selected to illustrate the meaningfulness of the subject of our lesson for this week. GOD'S PLAN FOR THE WORLD. It would be nice to think that these scriptures would give us the total plan for this world, for it does in no wise do so nor is it intended that it should.

In understanding the scripture

from Isaiah we need to consider the time at which it is written. Isaiah, chapters 40 thru 48 were written at a time later than some of the rest of the book. Jerusalem has been laid waste; many of its people are in exile. This demands a date subsequent to its siege and capture by the Babylonians in 587 B. C. The date can be more precisely determined. Cyrus is mentioned by name, and his career depicted at a time when, though he has already won renown, Babylon is yet to fall in his attack, the imminence of that event being one of the keynotes of the prophecy. This then dates the writing between 546 and 504 B. C.

In the light of this we may then say that God has made a covenant with the children of Israel that they might be a light to the nations. The fulfillment of the former predictions sets God apart from the Gods of the nations and establishes Him as the planning and Guiding God.

Mark 1:14-17 sets its own theme. Not immediately after the Temptation, but after the arrest of John Jesus returned to Galilee from the south country and took up John's message. Like John, Jesus calls men to repent because God's kingdom is near. The word "believe the Gospel" rightly characterizes the contrast between Jesus and His forerunner.

The sudden call and unhesitating response argue, according to many secularists, either the incomprehensibility of the writer or the stupidity of the disciples. But Mark does not imply that this was the first these men had seen or heard Jesus. He does however imply that the words and message and personality of Jesus were attractive and supernatural.

This passage of scripture stresses to me one of the linking realties between Old and New Testament theology. The control and direction of the affairs of men are in the hand of God and Jesus is God. This is one of the best proofs of the divinity of Jesus, yet is in a

## State Baptist Convention Oct. 16 Will Include Four Annual Meetings

San Antonio will be host to four annual state meetings of Texas Baptists beginning October 16, and continuing through October 23.

The biggest meeting, expected to draw more than 10,000 in attendance from 3,434 churches in the state, will be the General Convention which begins Tuesday evening, October 20. The opening session will be a joint meeting with another convention, the Woman's Missionary Union, and will feature the Rev. Thomas Rees from London, England's outstanding Protestant evangelist. The W. M. U. meeting will begin Sunday.

Other speakers for the four-day General Convention will include Gov. Allan Shivers of Austin; Dr. Woodson Armes of Fort Worth; Dr. R. G. Lee of Memphis, Tenn.; and Southern Baptist Convention president, J. W. Storer of Tulsa, Okla.

Secretary of the Navy R. B. Anderson and Sen. Price Daniel, both of Washington, D. C., will be featured speakers at the annual Brotherhood Convention which begins Monday evening, October 19. A conference of the 1600 presidents of local church brotherhoods will precede the convention sessions.

The fourth state meeting will be that of the Baptist Student Union, an organization of Baptist students on some 60 Texas college campuses.

The students will hear Dr. Baker James Cauthen, secretary of the Orient for the Southern Baptist Foreign Mission Board; Prof. Culbert G. Rutenber of Eastern Baptist Seminary in Philadelphia; Prof. George Schweitzer of the University of Tennessee in Knoxville; and Dr. William Hall Pres-

ton, secretary of Southern Baptist Student Work Department, Nashville.

A highlight of the BSU convention will be a report from 11 students sent by the Texas BSU to mission fields this summer. The student missionaries will report at the Sunday morning session preceding a message by Dr. Perry F. Webb, pastor of the First Baptist Church in San Antonio.

All sessions of the W. M. U. and General Convention will be held in San Antonio's Municipal Auditorium. The BSU meeting will be held at the First Baptist Church, and the Brotherhood will meet in the Alamo Stadium gymnasium on Monday and the First Baptist Church on Tuesday.

Texans, who take great pride in boasting of their state as the world's biggest cattle range, are being asked to eat more beef this fall.

With an already low-price picture to stare at, cattlemen have been told by their own industry representatives and by government authorities to expect a heavier-than-normal marketing of grass-fed cattle during the period September 15-October 31.

The Texas and Southwestern Cattle Raisers' Association called on the West Texas Chamber of Commerce to "do something," and a statewide campaign is now underway to encourage greater per Texan consumption of beef during this period.

The program was planned in July by the WTCC's agriculture and livestock committee with the assistance of restaurant, hotel, grocery, and bankers associations as well as railroads and meat packers, state press and advertising associ-

way so obscure that we rarely think of it in that way. John 3:16-17 gives the purpose and nature of the goal to be attained and the method by which it is to be accomplished. It establishes the intrinsic value of man in the eyes of God. It establishes the hope of the planner and the true nature of God.

Revelation 1:1 is one of the most quoted verses in the Bible and has had more publication, song and word than the average verse of scripture. We could go on to great length to bring up argumentative aspects of it, but this would not be fitting to the purpose of this lesson. It is added here to serve as the clincher to the theme GOD'S PLAN AND THE WORLD.

The passing of the old heaven and the old earth and the establishment of the new shows clearly God's continuing creativity and planning. It takes God out of the class of the dormant God who lives in most people's minds, and puts Him in an altogether different light.

God's plan for the world is so far ahead of ours that it exceeds our wildest imaginings and supercedes our fondest dreams. The world belongs to Him and He may do with it as He sees fit, but it will not be a haphazard affair. It is also inevitable and we nor any other power will be able to prevent or deter Him in His plan. We are however given the opportunity and privilege of being a part of it. It seems to me, in this time and age, that we ought to be making up our minds with dispatch and decision.

NEWS OF AMHERST

## Glynn Brandstatt Heads Officers Elected at Amherst High School

By Joan Crosby

Glynn Brandstatt has been elected president of the senior class at Amherst High School this year. Bennie Harmon is vice-president, Joyce Holland is secretary, Joy Harmon will serve as treasurer, and LaVelle Caraway is reporter. Mrs. Carpenter and Mr. Kelly are class sponsors.

Junior class officers include: President, Lewis McDaniel; vice-president, Colene Davis; secretary, Fannie Sue Williams; treasurer, Shirley Purdy; and reporter, Janice Cantrell. Miss High and Mrs. Dungen are sponsors of the class.

Serving the sophomores will be David Sager as president; vice-president, Billie Grant; secretary, treasurer, Leroy Nutall; and reporter, Peachy Cowan. Mr. Harris is class sponsor.

Joe Embry was chosen president of the freshman class, with Gail Stagner as reporter. Mrs. Ronder is sponsor of that class.

In another election held recently, the F. H. A. girls chose Laura Jones as president, Shirley Purdy vice-president, LaVelle Caraway secretary, Fannie Sue Williams treasurer, Sandra Harmon historian, Colene Davis parliamentarian, Glenda Blair sergeant-at-arms, and Gail Stagner reporter.

**Annual Staff**  
Laura Jones will be editor of this year's Amherst annual, and Bobby Reynolds is assistant editor. Murrell is business manager, Lewis McDaniel is assistant business manager, Jean Nix is sophomore helper, and Aron Swart is freshman helper.

**Brenda Batson Honored at Party**  
Brenda Batson was honored on her birthday, September 22, with a Halloween party. Halloween hats and horns were given as favors. Cake and ice cream were served to: Susie Cargile, Sherry McWilliams, Paryland Sue Ronder, Cecelia Brantley, Jan Holland, Sherry Tomes, Kathy Campbell, Susie Grimes, Linda Clayton, Susan Birdsong, Gayne Ann Batson, Cristie Batson, and Paul Holland.

**GARDEN CLUB NEWS**  
The Amherst Garden Club met in the home of Mrs. Jim Nix Friday, September 22. Mrs. Embry was co-hostess. They discussed and made final plans for the flower show to be held Saturday at the Amherst Legion hall, with the Earth Garden Club assisting. Refreshments of date nut pie and coffee were served to the members.

Winfred Crosby will be advisor of the Explorer Scouts, effective Oct. 1. He will replace Richard Daugherty, who has been the Scout leader for the past year.

T/Sgt. and Mrs. Bobby Ray Vaughn recently enjoyed a short vacation with their parents, Mr. and Mrs. Pete Vaughn. Sgt. Vaughn has been doing overseas duty.

W. V. Reynolds, who had the first bale of cotton ginned in Amherst this season, received a total of \$392.61 in premium money for the bale, stated C. D. Jarman, manager of the Farmers Co-op Gin. Reynolds received \$200.50 in premiums and \$192.11 for the bale of cotton.

**GIRL SCOUT NEWS**  
The Girl Scouts of Amherst met on Thursday afternoon. They started a leathercraft project that will last from four to six weeks. Miss La Nell King is their leader and will help and advise them in their work.

Mr. and Mrs. Bill Jungman visited her sister and family, Mr. and Glenda Batson, Sunday.

Miss La Wanda Terrell, who is now employed at the telephone company in Clovis, visited her parents, Mr. and Mrs. W. H. Terrell, over the weekend.

### East Zone B. T. U. Has Monthly Meet

Representatives of the member churches of the East Zone Baptist Traffing Union met at the Littlefield First Baptist Church Sunday, Sept. 29, for a monthly meeting.

"The Meaning of Stewardship," theme for the meeting, was carried out with a talk by Delmar McCarty of Earth on "The Purpose of Stewardship." Ernest Hock of Littlefield discussed "The Results of Stewardship."

The Springlake Baptist Church sang special music, and the inspirational message was delivered by Rev. Hughes, pastor of the Lums Chapel Baptist Church.

Churches represented included Earth, Springlake, Amherst, Spade, Lums Chapel, Hart Camn, Parkview, and the First Baptist Church of Littlefield.

### Spade Gin Company Completes Office

A new pumice block office building was completed last week at the Spade Gin Company.

The new mint green building has four rooms and a bath, with an overall size of 22'x44'. A comfortable lounge for customers is one of the features of the new building.

According to D. L. Greenwood, who is beginning his tenth year as manager, new 40' Winslow scales have been installed. Other new equipment added this year are four new Mitchell lint cleaners, and a Mitchell Jembro burr-extracting unit.

An approximate 10 percent increase in capacity will bring the plant up to an average of six bales an hour.

New electric motors will divide the horsepower load between steam and electricity.

#### HE WASN'T YOUNG

NEW BRITAIN, Conn. (AP)—No one will ever know for sure whether Isaac A. Alkas was 124 or 127 years old when he died. His 90-year-old widow and state records gave his age as 127. Alkas always insisted, however, that he was three years younger.

### Will Rogers Group Names Officers

The Will Rogers Roundup Steering Committee at Muleshoe has announced officers for the coming 1954 celebration. Carroll Goss of the Lions Club is president; vice-president is Paul Scott, Rotary Club; H. B. Flanagan, Jaycees, is treasurer, and Ray Frank of the Chamber of Commerce is permanent secretary.

Books of the 1953 celebration have been closed and new representatives on the committee will meet in session on Oct. 13.

New representatives from the civic clubs are: Carroll Goss and Windy Young, Lions Club; Paul Scott and James White, Rotary; Harold Cowan and H. B. Flanagan, Jaycees; Walter Wittee and Jack Julian, Roping Club.

The improved moisture conditions over the state favor a greatly expanded planting of winter legumes. Legumes can be used successfully for supplementary pastures, for soil building and in some sections for seed production. Thus they are a real triple-purpose crop.

### Office Completed At Hampton Gin

A new 50' Howe scale system equipped with a weight-graph is one of the features of the new office building at the Hampton gin in Spade.

The 20'x40' stucco building has a large reception office with a lounge in one end, a bookkeeper's office and a cotton buyers' office. Modernistic fluorescent lighting has been installed. The walls and woodwork of the interior are finished entirely in a soft blue-grey.

According to Gene Williams, manager, four new 90 Murray stands, a Moss-Gardin line clearer and a Lummus Speedex press pump have been installed in the gin which began producing last week.

The capacity of the gin has been increased to 10 bales per hour. A crew of 20 men will work 12 hours each, keeping the plant running 24 hours a day.

### General Telephone Moves Main Office

The General Office of the General Telephone Company of the Southwest was moved last week to San Angelo from Dallas, and operations were resumed there this Monday.

The move fulfills a desire of the company to locate its headquarters in a city in which it operates. San Angelo, which was this year purchased and consolidated recently into the Southwest subsidiary, was selected on the basis of its size and its central location in the five-state area over which the company serves.
