

MCCASKILL WINS LOCAL GOLF CROWN

R. E. McCaskill mounted the top step of the Littlefield Golf club ladder Tuesday afternoon by taking the final match in the Littlefield golf tournament from Bob Bigham 3 up and 2 out. The local golf crown was formerly held by C. H. Grow, who vacated the throne in the latter matches of the tournament Sunday by losing to Beeman Phillips 3 up and 2 out.

Worn from three weeks of continuous playing, neither McCaskill or Bigham shot their regular line of golf during the final bout. Beeman shot a 77 for the lowest score turned in during the tournament.

In the five tournament matches played off Sunday Carl Arnold won from Jim Bartlett 1 up; Beeman Phillips defeated Grow 3 up and 2 out; R. E. McCaskill defeated Carl Arnold 7 up and 6 out; Bob Bigham defeated Phillips 3 up and 2 out; and McCaskill also eliminated Terry of Sudan 6 up and 5 out.

Start Second Tournament
Qualifying for another tournament of the local club is already underway and qualifying scores must be turned in by Sunday night, according to members of the tournament committee. Those not qualifying will be placed in one of the two flights, according to the judgment of the committee which is composed of R. E. McCaskill, C. H. Grow and Bob Badger.

Each of the two flights will be composed of 16 contestants with members from nearby towns participating.

To Elect Officers
Friday night, July 24, officers will be elected for the local club, at which time a caddy master will be named.

The caddy master's duty will be to instruct the caddies and to supervise their work. Each caddy will be assigned to a player by the master and should his work prove unsatisfactory, his card will be taken up. No person will be allowed to caddy on the club course without presenting a card, according to the new ruling.

A golf tournament will be held at the club for the caddies Saturday morning, it was announced.

The Littlefield club has received an invitation from the Meadow Brook country club at Lubbock, to participate in an inter-city tournament to be held in that city Sunday, July 28. Siston, Lovelland, Post, Crosbyton, Ralls and many other places through out this section will be represented in the meet.

WE THINK

What do you think?

BY M. B. D.

We think that the Texas & Pacific Railway are quite confident of their ultimate success in building the entire 333 miles of railroad from Big Spring to Vega, as originally sought, instead of the south portion of the route, as recommended by Examiner Wood, which would not include the Littlefield territory.

We think that the railroad is even more desirous to build through this section than the south portion, and that if everybody will co-operate to the utmost with the railroad, we will eventually get the line the full length as contemplated.

We think that the examiner's report may be overruled before the commission. In any case, we think the following letter received by A.P.

LAMB COUNTY UNDERGOES TEN YEARS OF RAPID GROWTH, CENSUS SHOWS

Cotton Seed Breeding Farm Here Assured

Land Purchased Near Littlefield For Seed Farm

Will Probably Buy Interest In Gin; Improvements Underway

A representative of the Galloway Mebane cotton seed breeding farms in Texas has purchased approximately 177 acres of land one and one-half miles west of Littlefield and will open a cotton seed breeding farm for this section, it was announced by J. W. Hale, secretary of the local chamber of commerce.

Improvements of the place are already underway, Mr. Hale states, and it is the intentions of the concern to buy an interest in a Littlefield gin to handle their cotton exclusively. According to Mr. Hale, the seed will be sold on a co-operative basis. Only the purchasers of the seed which will be at least a one-inch staple product, can have their cotton ginned with the gin connected with the seed farm.

Details of the new concern are lacking. Mr. Hale stated however that the farm was assured.

LOWE LEADS LOCAL TEAM IN VICTORY OVER FIELDTON

ETTER AND LOWE TAKE TWO HOME RUNS EACH

Showing form characteristic of Littlefield the local Yannigans, Littlefields contribution to the second string roster of worlds famous baseball teams, defeated the fast Fieldton aggregation in a nine inning battle last Sunday.

Lowe of the Yannigans put his team out in the lead never to be headed by knocking a home run to the far corners of the lot, at his first trip to the bat, but Wayne of the Fieldton outfit tied the score by duplicating Lowe's feat in the other half of the inning. Tremain, the pitching sensation for the local crew, held the opposition helpless thereafter, while his mates were pounding out a 16 to 7 victory.

Etter and Lowe took batting honors of the day getting 2 homers each, and knocking in a total of 7 runs. Tremain managed to be on base three times to score 3 runs during

LEGION SELECTS REPRESENTATIVES TO STATE MEET

FRUIT AND VEGETABLE SALE PLANNED AUGUST 8

At a regular meeting of the local unit of the American Legion, July 13, at the Presbyterian church, delegates and alternates were appointed to attend the State convention of the American Legion to be held in El Paso, from August 24 to and including August 26.

The delegates elected were R. E. Riley, J. H. Ware, H. C. Yeary, T. Wade Potter, and the alternates: Jim Beard, Arbie Joplin, Roy Blessing and Arthur Mueller.

It is expected that all the delegates will attend but according to Mr. Riley, commander, Littlefield is entitled to four votes, and in case all those appointed do not attend, they will empower one of the delegates to cast all votes.

The Ladies auxiliary also met on Monday evening, with Mrs. T. Wade Potter president, occupying the chair. A committee was formed to take care of the sick, composed of Mrs. Neal A. Douglass, Sr., chairman, and Meadames R. C. Childress and H. C. Yeary.

Also a fruit and vegetable sale was planned for Saturday, August 8. The proceeds of this sale will go towards payment of the salary of the nurse at the health center for veterans' children at Kerrville, Texas.

The plan of working up a cradle roll of all veterans' children, to be called the Junior Department, was also discussed.

CROPS IN BEST OF CONDITION MR. BADGER SAYS

W. H. Badger, manager of the Yellow House Land company has been here since last Saturday attending to business at the local office, and viewing the crops in this section.

In an interview with the Leader Wednesday, Mr. Badger said: "I have driven all over this section in the past two days—I must have driven 250 or 275 miles, and I never have seen as universally good crops as we have at this time. In my opinion the crop this year is at least two weeks ahead of other years. Some of the grain will need more rain, but I did not see cotton anywhere that was needing moisture. I don't believe there ever has been a time when the Littlefield section had a better prospect for a crop than right now, and the farms are much better cultivated than they have been in previous years."

4,000 Cars of Wheat Are Shipped Over This Division of Santa Fe

According to H. C. Pumphrey, local agent for the Santa Fe, the railroad had shipped up to Monday last, over 4,000 cars of wheat over this division of the Santa Fe into Sweetwater terminal for distribution to different parts.

so discussed.

Meadames T. Wade Potter, R. E. Riley and H. C. Yeary served refreshments at the conclusion of the meeting.

STANDARD MILK ORDINANCE IS NOW EFFECTIVE

NOT TO BE ENFORCED UNTIL AFTER 90 DAYS

Two health ordinances, the standard milk ordinance and the pit-type toilet ordinance, were passed by the city commission at a recent meeting of the body.

The passing of the ordinances followed a health campaign by James B. Curtis, state health sanitarian of this district, in this county.

Explains Milk Ordinance
In explaining the milk ordinance, Mr. Curtis said, "It is a system for classifying fluid milk into four grades, 'A' 'B' 'C' and 'D' and providing for its sale under a grade label. The sale of no grade of either raw or pasteurized milk is restricted so long as it is properly labeled, but a discriminating public can be depended upon to use the highest grade. Some cities, however, have seen fit to limit the sale of milk to the highest grades but this is optional. The purpose of the ordinance is to encourage the production of high grade milk that is safe for human consumption. It is distinctly a public health measure, but it has sound economic value as well because it increases the confidence of the milk drinking public in a milk supply amply guaranteed by the custodians of community health."

"Under the standard ordinance the grades of milk are awarded by

(Continued on back page)

Number of Farms Given At 2,381; Cattle Decline

Farm Lands and Buildings Show Valuation of \$24,890,191

Probably the most rapid progress ever experienced by an agricultural section has been made by Lamb county during the past ten years, it was revealed by a preliminary announcement of the Lamb county 1930 farm census, issued recently by the department of commerce.

The number of farmers residing in the county has increased many hundreds of times, the census reveals, and the value of farm lands and buildings in the county has increased from \$10,002,900 in 1920 to \$24,890,191 in 1930.

The average value of land and buildings given for 1920 was \$18.06 per acre and \$44.79 per acre in 1930.

In 1920 the government census reported 172 farms in the county with an average of 8,219.7 acres each, as compared with 2,381 farms in the report just issued with an average of 238.4 acres each.

Due to the converting of a few large ranches in this section to hundreds of farms during the recent years, a vast increase is shown in the value of farm implements and machinery in the county. In 1920 the value of implements and machinery was reported at \$178,172, as compared to \$1,857,245 in the last report.

Approximately half of the farms in the county are operated by owners, the report shows. There are 1,161 owners operating their farms in the county, 22 farms operated by managers, and 1,198 operated by tenants. In 1920 there were 116 owners operating farms in the county, 12 managers and 44 tenants.

Acreage operated by owners in 1930 is shown at 258,235, as compared with 91,408 in 1920; acreage operated by managers in 1930, 94,701 acres, as compared to 433,657 in 1920; acreage operated by tenants in 1930 is shown at 202,770 acres, as compared with 28,725 in 1920.

The report shows an increase of all livestock in the county during the past 10 years with the exception of cattle, which decreased by approximately 9,000 head.

It also shows 6,302 horses in the county as compared to 1,436 in 1920; 5,019 mules in 1930 and 460 in 1920; 19,118 cattle as compared to 28,006 in 1920; 7,800 hogs in 1930 and 2,146 in 1920; and 134,099 chickens in 1930 and 14,963 in 1920.

In the crop reports, the cotton figures were not shown in the preliminary announcement, but will be given in a later report.

The number of acres planted in corn and harvested for grain in 1929 were 26,451, producing 487,712 bushels, as compared with 744 acres producing 19,340 bushels in 1919. The number of acres planted in wheat in 1929 were 37,903, producing 583,846 bushels, as compared to 2,551 acres in 1919, which produced a total of 21,177 bushels. In 1929 there were 558 acres planted in hay, which produced 1,301 tons and 1,471 acres planted in 1919, which produced 1,978 tons.

The report shows 16,613 acres of idle land in 1930 and 40,369 acres idle in 1925. No report was made on the amount of idle land in 1928.

LITTLEFIELD LOSES TO HUBBERS IN TEN INNING BATTLE

COUNTY HEALTH CONFERENCE TO MEET MONDAY

EIGHT ORGANIZATIONS TO BE REPRESENTED HERE

A meeting of the local health organization will be held here Friday afternoon in the library rooms at the city hall to make final plans for the adult and county health conference to be held in the court room of the Littlefield city hall Monday, Mrs. C. G. Stone, chairman of the local organization announced.

The adult conference will convene at 10 o'clock Sunday when educational talks on health will be made. At the county conference, which will meet at 8:30 o'clock Monday afternoon, the eight different health organizations composed of the seven independent school districts and one common school district of the county, will be represented.

ODD FELLOWS TO CONVENE IN LUBBOCK THURSDAY FOR DISTRICT CONFERENCE

Doss and Owens Will Meet Thursday To Settle Ring Dispute

Jack Doss and Marlin Owens are to meet in a 12 round boxing bout at Clovis, New Mexico, next Thursday night, to settle a dispute that has raged between fighting fans of this section for the past 14 months.

Thursday night's bout will make the fourth time these two middleweights have met in the ring. They first were pitted approximately 12 months ago in Littlefield, when Doss knocked out Owens. The second bout was staged six weeks ago in Clovis, and was fought ten rounds to a draw. The last fight was staged in Forties last Thursday night and lasted only two rounds when Owens knocked Doss out.

Owens tips the scales at 160 lbs.

The Littlefield chapter of the Odd Fellow lodge will be well represented at district meeting of the order to convene in Lubbock next Thursday.

The one-day session, which will open at 9 a. m., will be for the purpose of planning the work of the Order in Texas for the remainder of the Grand Lodge year, dealing mostly with the problems of building up the membership and organizing new lodges in this district. This district is composed of 24 counties.

Grand Master F. M. Crompton of Waco will preside over the meeting and will be assisted in the work by other Grand Lodge officials of Texas.

Mr. and Mrs. B. L. Myrick returned Sunday from Clovis, where they were on business last week.

LUBBOCK WILL GIVE RETURN GAME, JULY 26

FLY THORNTON IS DEFENSIVE STAR OF GAME

The local baseball team played their initial game under the lights Friday night at Lubbock when they were downed in the tenth inning by the Lubbock Hubbers to the tune of 3 to 2.

The game turned out to be a pitcher's battle with neither side having an edge in the argument until a costly error by short-stop Radtiff decided the ten inning battle.

Newly hoove of a neat job of pitching his ball game for Littlefield this season. Lacking the hard hitting Lubbock also team with five hits while his team water collected a like number. Chief Smith struck a

MORLEY B. DRAKE

Editor and Publisher

Subscribers who change their addresses, or fail to get their paper, should immediately notify this office, giving both new and old addresses. Communications of local interest are solicited. They should be briefly written, on only one side of the paper, and must reach this office not later than Wednesday noon of each week. The right of revision or rejection is reserved by the publisher.

Advertising that does not show in its text or typography that it is paid for must be marked as an advertisement. All local advertisements remain in this paper for the time specified or until ordered out. All notices of matters not by whom nor for what purpose, if the object is to raise money by admission fee or otherwise, is an advertisement and when sent in for publication must be paid for at the regular advertising rate per line for each issue printed.

Obituaries, cards of thanks, and resolutions of respect will also be charged for at the same rate.

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of the Lamb County Leader will be gladly corrected upon its being brought to the attention of the publisher.

In case of errors or omissions in local or other advertisements, the publisher does not hold himself liable for damage further than the amount received by him for such advertisement.

CITY METHODS IN ADVERTISING

Time was when many merchants in the smaller towns would argue that price advertising such as now the vogue all over the country, was only for the cities where daily editions were read by great masses of humanity.

New methods of merchandising have forced merchants everywhere, and newspapers too, to a different system of operation, and today there is hardly a small town newspaper, anywhere, where regular weekly advertising of the necessities of life is not the rule.

Human nature is largely the same the world over, and advertising methods of the cities are effective in relative scale in any community. The only sad feature to the change is certain merchants who have not met the changed conditions and who are losing their volume of sales to competitors who have recognized the new conditions and have met them.

Regular and systematic advertising of any business is now a necessity.—Clarendon News.

NOT EVERYONE CAN RUN A STORE

The typical American who, getting some money ahead, "starts a store" in hopes of an easy living, is one of the prime tragedies of the commercial world and is responsible for a large percentage of retail bankruptcies, according to Dr. Julius Klein, U. S. assistant secretary of commerce.

"There is an appalling tendency to regard storekeeping as an easy way of making a living—simply an affair of making pretty piles of goods in windows, and on shelves, tying up neat packages, and extending the "glad hand" to customers," Dr. Klein writes in the current "Rotarian Magazine." "Anybody, they think, can tie on a white apron, weigh sugar, and make change. But the overwhelming weight of evidence proves that this attitude is tragically mistaken.

"Successful retailing is today a science, even perhaps, a profession. It requires an extensive background of knowledge, an understanding of many complicated problems, a high degree of insight, a capacity for careful study, sized proficiency, and skill—all in addition to robust health."

Conducted by the U. S. department of commerce show scant justification for many stores. Often the location is inept, and chost regard to proximity of competitors, the nature of the surrounding convenience to car-stops, advertising necessities or the numbers, types estimations of passerby. But most significant of all, is the lack of ability and experience in the personnel.

Competition is vastly over-rated as a source of retail bankruptcies, accounting for but two to seven percent of the failures in American business, according to department of commerce and other statistics.

"The independent retailer can in most cases," Dr. Klein concludes, "withstand competition if he is prepared to meet the principal challenge embodied in that competition—the challenge of efficiency. If his attitude is right, if his approach to the problem is practical and scientific, if he is mentally equipped and temperamentally fitted to introduce methods of rigid efficiency, in addition to his advantages of special service, he can weather the storm of competition and come through with colors flying."

AND NOW—NEWGIRLS!

Radio play-by-play reports of the ball games had already hurt his business. The new boy is in a fight to the finish for survival.

And now his position in the business world is threatened from another source—the competition of the newgirl.

"Girls ain't got no business in business," one of the craft who is fighting with his back against the wall confided. "They don't sell newspapers; they sell smiles. It ain't fair."

The newboy is more than a personality. He is an American business institution. From his ranks have come recruited editors, publishers, and the business executives for many other lines of business. But now he, too, trembles before the feminine aggression.

More and more our age becomes a woman's age. Every prerogative of man has been usurped, all of his peculiar privileges attacked. If the newboy fall—then men may as well begin the study of tanning, and resign themselves to research in the sciences of dishwashing and cooking.

For the newboy was one of man's last strongholds.

MRS. ANNE LOUISE WISEMAN HONORED AT O. E. S. MEETING

At a regular meeting of the order of the Eastern Star last Friday night Mrs. Anna Louise Wiseman, Deputy Grand Matron, was honored.

The meeting opened with a beautiful drill by the officers.

At the close of a short business session, Mrs. Wiseman was presented with a bouquet of roses and a beautiful rocking chair from the Chapter, and several gifts from the individual members.

J. M. Stokes, as Worthy Matron presented the gifts, at the same time her how the Chapter appreciated her work, and of the ever success which had chapters from over

ended thanking appreciative

ed her class with a party Friday evening, July 3, at her home 3 miles south of the city.

Various games were played, which were much enjoyed, and at the close of the evening, refreshments of ice cream and cookies were served by the hostess.

The guest list included her Sunday school class, and Miss Blanche Crockett, and Miss Betty Ann Hilliard, visitors from the First Baptist and Presbyterian churches.

CHARLES TOUCHON IS HONORED ON BIRTHDAY

Mr. Charles Touchon was agreeably surprised and pleased last Thursday evening, when Mrs. Touchon and a number of friends planned a surprise picnic supper at their home 5 miles east of Littlefield, celebrating his sixty-sixth birthday.

The supper was served on the lawn in picnic fashion and much enjoyed.

Many beautiful gifts were presented to the honoree during the evening.

"IT'S BEEN A WILD RIDE"

Ramon Navarro Picks Clever Supporting Cast In "Daybreak" at Palace

A great stage star once said, "A star is never any better than the individual acting strength of each member of his supporting cast." This thought was very apparently uppermost in Ramon Navarro's mind during the selection of those who aid him in his new Metro-Goldwyn-Mayer vehicle, "Daybreak," which will close at the Palace theatre tonight, Thursday.

"Daybreak," first of all, is a story which demands a good cast. It is an adaptation of a famous stage play by Dr. Arthur Schnitzler author of "The Affairs of Anatol." Those familiar with the delightful Schnitzler manner of writing, know that this great Viennese author is a master of deft characterizations. Inept players can never expect to appear at advantage in a Schnitzler story.

The tale, first of all, is a sparkling continental romance, and a continental director, Jacques Feyder of Paris, was chosen to film it, in order that its rare savor should be retained intact.

Plays Viennese Officer

Navarro, as Kasada, returns to the type of thing he did in his "Student Prince" days, as the gay young Viennese officer and adventurer in love. The object of his desires, Laura, is interpreted by Helen Chandler, the well known stage actress who scored in "Outward Bound" and "Dracula."

The "other man" in the case, Schnabel, is none other than that extremely clever character actor, Jean Hersholt, who hardly needs an introduction. Another featured role, that of the relentless general, is played by C. Aubrey Smith, who recently scored in the title role of "The Bachelor Father."

William Bakewell of "Dance Fools Dance," Karen Morley, who had an outstanding part in "Inspiration"; Kent Douglass, last seen opposite Joan Crawford in "Paid"; Glenn Tryon, Clyde Cook, Sumner Getchell, Clara Blumfield, Edwin Maxwell and Jackie Searle round out an unusually fine group of players.

U. S. Immigration Branch Office Is Opened In Lubbock

A branch office of the United States immigration service has been established in Lubbock, with Inspector Oscar S. Norling in charge, according to an announcement made recently by R. B. Matthews, assistant director of the El Paso immigration district.

Immigration offices will be in the Federal building, which is under construction.

"Shirred" eggs sounds as if the hens had taken up dressmaking, but it is merely another name for baked eggs that are cooked in individual shallow dishes with butter, salt, and pepper added. The dishes should be placed in a pan of water and the eggs cooked in a moderate oven until the whites are set.

to clean, is not damaged by grease or water spots, and has a smooth resilient surface, comfortable to walk on and to stand on.

ANTON

Contract for another test well northeast of Anton has about been completed, the land having been promised but all of it has not been signed up. As soon as acknowledgments have been taken, the well will be spudded in. The location will be about 6 miles northeast of Herd No. 1, and will be drilled by Wheeler & Doss.

Rev. Worley Ingram of Altus, Okla., gave a picture lecture at the school auditorium Sunday night. Mr. Ingram is a world traveler, and had many interesting scenes of the Holy Land, about which the lecture was given.

According to reports some unknown parties entered a store at Whitharral recently, and got away with considerable merchandise. It is understood one side of the store was stripped, and the goods hauled away in trucks.

OLTON

A sanitary ordinance has been passed by the city council of Olton, and all residents who do not use sanitary flush toilets or chemical toilets will be asked to construct toilets of this type.

According to James R. Curtis, sanitarian from the State Health department who will assist in the work, the cost of changing an ordinary open type toilet to one of the state approved sanitary fly proof toilet is very little, mostly the cost of labor. Scrap lumber can be utilized to a great extent in the construction.

SUDAN

Mr. James R. Curtis, sanitarian of the State Health department, was in Sudan Monday and Tuesday of last week. He made a round of all tourist camps, took a sample of the city water to send to Austin for analysis, and inspected the dairies.

Walter Patterson was taken to the Lubbock sanitarium Tuesday of last week to undergo an operation, which was performed Wednesday. He is reported to be getting along nicely.

E. P. Wilson and J. M. Carruth and their respective families entertained their week end guests recently with a sunrise breakfast in the canyons south of town. Among those present were: Mrs. T. D. Humphries, and children of Clovis, N. M., Mr. and Mrs. Jno. Davis and son of Fairview; Misses Sue Wilson, Lillie Mae Carruth, Walter Marie, and Katherine Carruth, Messrs J. M. Carruth, and E. P. Wilson.

Mrs. C. A. Daniels, who underwent an operation for appendicitis at the Lubbock sanitarium Tuesday of last week, is on the way to recovery according to reports received.

AMHERST

J. L. Fisher, aged 81, died at the Lubbock sanitarium at 8:06 p. m., July 3, as the result of injuries received on July 1, when he accidentally fell and broke his hip while playing with a grand-daughter at the home of his son, Henry Fisher, who resides a few miles west of town. The remains were sent to Mullen in Mills county for burial in the Duran cemetery. Services were conducted by Rev. A. J. Dickes on July 6, at 4 p. m., and interment immediately after.

Surviving the deceased are four sons, Henry Fisher, of Amherst, R. M. Fisher of Sudan, Ben Fisher of Pampa, J. W. Fisher of Del Rio, and one daughter, Mrs. Mary Baker of Bakersdale, Calif.

At a meeting of the school board last Monday night the body elected Harold Welch as the new secretary succeeding D. M. Cravens, resigned. Mr. Welch is manager of the Higginbotham-Bartlett Co.,

The school trustees have appointed Andy Lee, Mr. Drury and W. F. Rowland to serve on the Equalization Board for the Amherst school district, which will meet at some future date.

MULESHOE

E. L. Corr, recently of Stillwater, Oklahoma, where he has been attending the Oklahoma A. & M. college, has purchased from David Anderson the Muleshoe Tailor & Pressing shop, taking charge Tuesday of last week.

Funeral services for Hugh T. Kennedy, whose death was caused by an automobile accident, were conducted Wednesday, July 1, at the Methodist church by Rev. W. B. Hicks, pastor, assisted by Rev. C. A. Joiner, Baptist pastor. Interment was made in the Muleshoe cemetery.

Deceased is survived by his wife and two children, besides a host of friends to mourn his passing.

More than two inches of rain since July 1, has put crops of this section in excellent condition. Wheat harvesting was only halted for a day or so, and no damage reported to it on account of the rains.

LUM'S CHAPEL H. D. CLUB MEETS AT CHAPEL

The Lum's chapel home demonstration club met in regular session on Wednesday, July 8th, at Lum's Chapel church with the president, Mrs. Pierce, presiding.

Fourteen members answered to roll call. There were also three visitors present.

This was strictly a business meeting, the entire time being spent in discussion of problems pertaining to the duties of our club.

Next meeting will be held August 5th at the same place.

—Reporter.

MRS. R. C. MATTHEWS HOSTESS PLEASANT VALLEY H. D. CLUB

The Pleasant Valley home demonstration club met Monday afternoon July 6, at the home of Mrs. C. R. Matthews, with Mrs. I. F. Willman as assistant hostess. Seventeen members and two visitors were present. Plans were discussed for the club encampment. Mrs. O. P. Burnham and Mrs. Harrell were elected delegates to College Station.

Refreshments of ice cream and cake were served at the close of the meeting.

INDIGESTION

"My work is confining, and often I eat hurriedly, causing me to have indigestion. Gas will form and I will smother and have pains in my chest."

"I had to be careful what I ate, but after someone had recommended Black-Draught and I found a small pinch after meals was so helpful, I soon was eating anything I wanted."

"Now when I feel the least smothering or uncomfortable bloating, I take a pinch of Black-Draught and get relief."

—Clyde Vaughn, 16 Shipley St., Greenville, S. C.

Sold in 25¢ packages.

BEAUTIFUL NEW FORD

De Luxe Bodies

- TOWN SEDAN DE LUXE SEDAN
- CONVERTIBLE SEDAN
- DE LUXE TUDOR VICTORIA
- CABRIOLET

THE most striking fine car types ever offered at such low prices are now being presented by Ford dealers. These are the six newest de luxe creations of the Ford Motor Company. They are designed and built to meet every need of the automobile buyer whose desire for motoring luxury and outstanding performance is tempered with sound economy.

Get the facts about these fine cars. Compare their lithe, clean-cut style with any you have ever created in your own imagination. Learn about the de luxe materials with which each car is trimmed and upholstered, and how carefully these are tailored. Sit and ride in the wide, restful seats and you will realize that just as no restrictions have been put on mechanical performance, so no limits have been placed on comfort and beauty.

There is much to interest the careful buyer—a choice of sparkling colors, a variety of rich upholstery materials, Rustless Steel, safety glass, Houdaille double-acting shock absorbers, one-piece welded steel wheels, slanting windshields, and many other features which make the Ford a happy investment.

50% to 100 per cent more mileage.

- Bringing Big City Prices To Your Front Door -

To the many friends of SEIBERLING TIRES and the tire buying public "we greet you". For fifteen years we have been distributors and merchandisers of tires in West Texas. During that time our constant aim has been to sell the highest quality product obtainable at a minimum cost to the public. We bring the same prices to you here in Littlefield that prevail in the larger trading centers. Every tire we buy comes to us in CARLOAD LOTS. Powerful buying enables us to offer these outstanding values.

We take pleasure in aligning ourselves with a company whose first consideration in tires is "not down to a standard but up to a quality", combine this with the fact that your tire dollar will buy more with SEIBERLING TIRES than any other line, then pay us a visit and be convinced. We will be glad to make your acquaintance.

ALL NEW 1931 STOCK — BE ONE OF THE FIRST TO BUY

We have the newest, latest and best Tire the world has ever seen for you now. One of Most Delightful Parties of Season Given By Mrs. F. G. Sadler Thursday

Mrs. F. G. Sadler was hostess Tuesday afternoon to five tables of bridge complimenting the Thursday Bridge club and several guests.

The already attractive reception suite was made even more lovely by the use of garden flowers in profusion arranged in beautiful old fashioned china vases, which lent color and charm to the occasion.

The tables were covered with sheer organdie spreads of pink, rose, yellow, orchid and blue. The score cards very original in design and further accentuating the period design, were quaint little hand made colonial ladies dressed in organdie skirts of pastel shades. Iced punch in rose glasses was served during the afternoon, and at the conclusion of the games a lovely refreshment plate of Bavarian ice cream topped with fresh straw berries, and whipped cream and

angel food squares was served. Plate favors were miniature colonial ladies made of hollyhock blossoms and buds.

Mrs. Sadler's pleasing personality and gracious manner, has caused her to be called the perfect hostess, lent much to the happy occasion, and her guests expressed their opinion that this was one of the prettiest and most enjoyable parties of the season.

The guest list included: Mesdames R. T. Badger, J. C. Whicker, E. S. Rowe, T. S. Sales, H. W. Wiseman, Farquhar, Wilbur Stockton, J. C. Hill, Lena Howard, C. O. Stone, Payne Wood, G. M. Shaw, J. R. Coen, Misses Edythe and Katherine Walker, Mrs. C. E. Cooper of Orlando, Fla., Mrs. Andrew Colgin of Weatherford, Texas, Mrs. Roy Lee of Dallas and Mrs. R. S. Thomas of Philadelphia, Pa.

and green were placed in the center. Baskets and vases of flowers were placed in other places over the hall.

Miss Vessie Strawn acted as Toast mistress and sat under the arch at Noble Grand's chair. The five past Noble Grands of the lodge, Mattie McCoy, Bodie Baird, Jessie Ross, Madina McCoy and Nell Evanson, sat under the arch at the Past Noble Grand's chair.

A lovely program was given. Mrs. Igou sang the welcome song, and we are every one present knew they were welcome. Mrs. L. M. McCoy, Maurine Igou and Marguerite Brannen, each gave a reading. Maurine Igou sang the welcome song, and every one present knew they cry one enjoyed. Mrs. H. F. Moody gave several piano solos. Miss Fleeta Eagan and Miss Olga Reede Henson sang a duet, accompanied by Miss Ruth Courtney, and Miss Stella Bob Turner whistled two selections, accompanied by Mrs. Moody.

After the program refreshments of ice cream and cake were served to about one hundred Odd Fellows and Rebekahs.

Dallas are expected to arrive in Littlefield about the end of this week to visit Mrs. White's parents, Mr. and Mrs. E. G. Courtney, and Mr. Wright, mother, Mrs. V. V. Wright. They will be accompanied by Mrs. Homer Snowden and little daughter Jacquelin, who have been in East Texas as the past several weeks.

Mr. and Mrs. Olin Lancaster of Dallas, are guests in the home of Mr. and Mrs. W. J. Harris.

Mrs. W. T. Jones and Mrs. Herbert Teal spent Thursday in Lubbock.

Mr. and Mrs. Shorty Thornton returned Thursday from spending a week in Lamesa with her mother.

Mr. Dwan Kennedy of Tahoka, formerly of Littlefield, was a guest in the home of Mr. and Mrs. L. C. Grissom Thursday.

T. S. Sales and John Arnett made a business trip to Plainview Tuesday.

Mr. and Mrs. Lon Campbell returned last week from a week's visit in New Mexico.

Pat Boone and Pat Boone, Jr, accompanied by Gale and Daniel Hemphill, left for the ranch in New Mexico Thursday morning.

Mrs. Len Irvin of Olton spent Friday in Littlefield.

Mrs. A. G. MacGavock visited friends in Littlefield Friday.

Mary Ruth Newgent is visiting her aunt and uncle, Rep. and Mrs. A. B. Tarwater at Plainview.

Mrs. Andrew Colgin of Weatherford returned home the first of this week after a ten day's visit with her sister, Mrs. C. O. Stone, and Mr. Stone.

Ross Renfro of McKinney is visiting his brother, Raymond, and Norman Renfro, and other relatives here.

Mrs. M. B. Welborn left Friday for a month's visit with her parents, Mr. and Mrs. G. Renfro at McKinney. She will also spend some time with Mr. Welborn's mother, Mrs. J. H. Welborn.

Mrs. Jake Hopping, who is attending Tech at Lubbock, spent the week end in Littlefield.

Mrs. Jimmie Brittain returned home Friday after spending the past month with her parents, Mr. and Mrs. Lively at Seymour, Texas. She was accompanied home by Mr. Brittain, who joined Mrs. Brittain in Seymour for a week's visit.

Mr. and Mrs. Jeas Mitchell were shaking hands with old friends in Littlefield Saturday.

Mr. and Mrs. Luther Hargrove, and Mr. and Mrs. Carl Smith enjoyed swimming at Cundiff's pool Sunday.

Minimum length inside curbing 4 feet.

Minimum depth from ground surface 4 feet.

The pit shall be provided with a box curbing, fitted closely to the sides of the pit.

(c.) Over the pit shall be placed a fly-tight seat which shall be ventilated by a flue extending from the pit to 8 inches above the roof of the building and screened at the top and bottom with 16 mesh wire.

4. The cost of installing a sanitary flush toilet and connection to the public sewer system, or the construction of a sanitary pit privy, chemical toilet, or concrete vault privy shall be borne by the owner of the property on which the improvement is to be located.

5. All sanitary pit privies in the corporate limits of Littlefield, Texas, shall be kept in a clean condition at all times. Self-closing lids shall be kept closed when not in use. Such pits shall be used only for the disposal of human excreta and no wash water or garbage shall be deposited therein.

6. If any defect occur in the pit privy which would affect its Sanitary condition, the defect shall be immediately repaired.

7. All privies existing or maintained within the corporate limits of the City of Littlefield, Texas, after this ordinance becomes effective which do not conform to the requirements of this ordinance shall be, and are hereby declared a nuisance, dangerous, and a menace to public health, and the City of Littlefield shall have the power and authority to abate such nuisance in accordance with the law, or in accordance with the ordinances of said City of Littlefield, Texas.

8. It shall be the duty of the health officer having jurisdiction, or his duly authorized assistant, to enter all premises as may be necessary in the enforcement of this ordinance and he is hereby so empowered.

9. Any person, firm or corporation who violates, refuses or fails to comply with any of the provisions of this ordinance in the corporate limits of the City of Littlefield, Texas, shall be punished by a fine not exceeding \$100.

10. All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed.

Passed and approved by the City Commission of the City of Littlefield, Texas, this 7th day of July, A. D. 1931.

T. S. SALES, Mayor

Attest—
W. G. STREET, City Secretary.
(Seal)

to be sold under the permits herein provided for; provided said officer shall have authority to grade such equipment and milk according to the current requirements of the United States Public Health Service Standard Milk Ordinance with the assistance of the State Health Officer or his authorized representative

Section 3. No person, firm, association or corporation shall within the City of Littlefield, sell, offer or expose for sale, or have in his possession with intent to sell, any milk or milk products which are adulterated or misbranded. Any substance claimed to be any milk or milk product defined in the United States Public Health Service Standard Milk Ordinance but not conforming with its definition shall be deemed adulterated and misbranded. The use of the word "pasteurized" on the label unless the milk or milk product has been pasteurized, and the use of the Grade letter "A" unless such grade letter has been authorized and awarded by the city and State Health Officers, or their representatives, according to the Grade "A" requirements of the Standard Milk Ordinance, shall be deemed misbranded.

Section 4. The City Health Officer at any time after three days' notice to a holder of a permit, and after a hearing before said officer, which hearing it shall be proved to the satisfaction of such officer that a permit holder has failed, or refused, or neglected to obey any rule, regulation, or order of the health officer concerning the production, labeling, handling, or sale of milk, such officer may suspend or revoke any permit issued.

Section 5. In the event a health officer refuses a permit to an applicant, or a permit is suspended or revoked by said officer, the applicant whose permit is refused, or the holder of a permit which has been revoked or suspended shall have the right of appeal to the city Commission by filing a written appeal with said City Commission within five days from the date of refusal to grant said permit, or the revocation or suspension of said permit by the City Health Officer. The City Commission, after a hearing at a time to be set by said Commission, shall either modify or otherwise change the action of the City Health Officer in the event the action of the officer is not affirmed, give such instructions as it may deem necessary to the City Health Officer, who shall carry out such instructions as given by the City Commission; provided that pending action on the appeal herein, a permit which has been suspended or revoked shall be considered as suspended or revoked, and the holder shall not have any right thereunder unless the action of the City Health Officer is changed. "If a permit is revoked because of the unauthorized use of the grade "A" label, such action shall not be included in appeal, but may be submitted to the State Health Officer or his representative."

Section 6. Each permit issued by the City Health Officer shall be numbered and dated, and shall expire midnight December 31st following date.

Section 7. No permit herein authorized shall be assignable or transferable.

Section 8. Any person, firm, or corporation, or association of persons who shall sell or possess for the purpose of sale any milk within the city of Littlefield, without having a permit authorizing the sale of same, issued by the City Health Officer of the City of Littlefield, Texas, or who shall sell or possess for the purpose of sale any milk after a permit has been revoked or suspended shall be fined in a sum not exceeding One Hundred Dollars, and each separate sale, or possession for sale, shall constitute a separate offense. Or whoever shall violate Section 3 of this Ordinance shall be fined in accordance with the penalty provided in the Texas Food and Drug Act for adulteration and misbranding.

Section 9. Nothing in this ordinance shall affect or apply to any retail merchant, restaurants, or other persons selling milk at retail in original containers, which milk has been purchased from any holder of a permit, as herein provided for, authorizing the sale of milk, and to the cooling and storage of the milk while in the hands of the City of Littlefield.

Passed and approved by the City Commission of the City of Littlefield, Texas, this 7th day of July, A. D. 1931.

REBEKAH LODGE NO. 61 CELEBRATE THEIR SECOND ANNIVERSARY

On Thursday night, July 9, 1930, the Littlefield Rebekah lodge No. 61 celebrated their second anniversary.

The hall was beautifully decorated with cut flowers and ferns. The arch over the chair of the Noble Grand was beautifully arranged with shasta daisies and ferns with baskets of cut flowers at the edge. The arch over the Past Noble Grand chair was made of shasta daisies and ferns, and the letters P. N. G. made of pink

MRS. T. B. DUKE HOSTESS CHURCH OF CHRIST LADIES

Mrs. T. B. Duke was hostess to the ladies bible class of the church of Christ on Monday, July 13, with our new teacher, Mrs. Ross Mayhew, presiding.

The program for the afternoon was as follows:
Song prayer by Mrs. Hood.
Lesson on Prophecies concerning Christ.
Closing prayer by Mrs. Jackson.
This lesson finished our study of old bible for the present. Next week we take up Matt. chapter 1 to 3 inclusive.

After the lesson a very pleasant social hour was spent with the following: Mesdames Hood, Brown, Mayhew, Pace, Adams, Stone, Vernon, Smith, Hilburn, Stewart, Foust, Kimmell, Mills, Ross, Beebe, Duke, Jackson, Clements, Bigham.

The class meets next Monday, July 20, with Mrs. Burford, east of town. Visitors are always welcome.

MRS. JACK HENRY ENTERTAINS AT BRIDGE

Complimentary to her sister, Mrs. Ted Ball, who is visiting her from Dallas, Mrs. Jack Henry entertained a number of friends at a bridge party at her home, 805 Phelps Avenue, Wednesday evening, July 8.

The entertaining rooms were beautifully decorated with sweet peas and shasta daisies, featuring the color scheme of yellow and blue.

Four tables of bridge were played. Miss Pauline Courtney and Mrs. Ted Ball won high score for the ladies, the prize being two decks of cards. Mr. Jack Farr won high score prize for men—a box of men's handkerchiefs and Miss Ruth Courtney was presented with low score prize—a score pad.

The guest list included: Mr. and Mrs. Leonard Wright, Mr. and Mrs. Harold Cook, Mr. and Mrs. Jack Farr, Mr. and Mrs. Homer Sewell, Misses Pauline and Ruth Courtney, and the honoree.

LEGAL NOTICES

PRIVY ORDINANCE NO. 46

An ordinance to provide for the construction, regulation, maintenance, inspection, and operation of privies in the City of Littlefield, Texas, and area of police jurisdiction thereof; and to provide a penalty for the violation of said ordinance, or any section thereof. Be it ordained by the Board of Commissioners of the city of Littlefield, Texas,

1. That on or after August 16, 1931, it shall be unlawful to dispose of any human excreta within the corporate limits of the City of Littlefield, except in a sanitary water flush closet or a chemical toilet or concrete vault toilet or an approved sanitary pit privy built according to the specifications of the State Department of Health, as set forth in Section 3 below; provided that in no instance shall a toilet of either of the types enumerated be permitted within 50 feet of a water well.

2. Every building intended for human habitation or occupancy abutting on a street or alley in which there is a public sewer, or within 200 feet of a public sewer, shall be connected with the sewer by the owner or agent of the premises in the most direct manner possible and with a separate connection for each house or building.

3. The minimum requirement of a privy are that it shall be so constructed, built, or rebuilt that:

(a.) The excreta deposited therein shall not fall upon the surface of the ground but enter into a pit or vault in the ground, or a compartment built for the purpose.

(b.) The contents of said compartment vault or pit shall be inaccessible to flies, fowls, or small animals at all times.

(c.) Self-closing lids shall be provided for each unit.

(d.) For a pit toilet the pit shall consist of an excavated chamber conforming to the following dimensions: Minimum width inside curbing 3 feet.

PERSONAL ITEMS

Miss Dess Key, who has been operating since July 1, a rental library in the Hilton hotel in Lubbock, spent the week here with her parents, Mr. and Mrs. L. E. Key.

W. J. Chesher returned Friday from a business trip to Dallas.

Mr. and Mrs. H. F. Moore of B. & M. Grocery returned Friday from a two weeks' motor trip to Oklahoma, Arkansas and Tennessee. While away they visited Mr. Moore's parents at Blythville, Ark.

Mr. and Mrs. T. A. Henson and son T. A. Jr., Misses Olga Henson, Maurine Harvey and Prudence Courtney motored to Albuquerque, Monday on a trip. They planned on visiting Mrs. Henson's mother and returning about the end of the week.

LEGAL NOTICES

CITY ORDINANCE NO. 47

AN ORDINANCE regulating the sale of milk and providing for the issuing and revoking of permits for the sale of milk; providing for the regular inspection of dairies and milk plants; authorizing the local health officer to promulgate rules and regulations as he may deem necessary; providing for the grading and labeling of the milk; providing for the enforcement of this ordinance and fixing a penalty.

BE IT ORDAINED by the City Commission of the City of Littlefield, Texas:

Section 1. The regulation of the sale of milk within the City of Littlefield, Texas, is hereby declared necessary and expedient for the promotion of health and the suppression of disease within the said city.

Section 2. The City Health Officer of said city or his representative, is hereby authorized to issue permits to any person, firm, or corporation, or association of persons making application on therefor, authorizing the sale of milk within the limits of said city. The health officer is hereby vested with power and authority and it is hereby made his duty upon the filing of an application for a permit for the sale of milk to ascertain and determine, and under such rules and regulations as he may promulgate, the fitness and ability of the applicant to furnish and sell pure and wholesome milk under proper sanitary conditions, and if he finds that any applicant for a permit for the sale of milk is fit and able to furnish and sell milk, as aforesaid, he shall grant the application and issue a permit. The City Health Officer is further authorized to make such rules, orders, and regulations as he deems necessary for the proper production, handling and sale of milk, applying the current requirements of the United States Public Health Service Standard Milk Ordinance as his guide, and he is further authorized, and it is hereby made his duty, to provide for the grading of the equipment and for the grading and labeling of the milk.

CHURCHES

AT THE METHODIST CHURCH
Sunday, July 19

Preaching next Sunday at usual hours, 11 a. m. and 8:30 p. m.
A helpful Gospel sermon at the morning hour; a live discussion Sunday night of the crime wave, subject: "Crime, its Cause and its Cure." You are cordially invited to these services. At the 11 o'clock service, Mrs. Shaw, voice teacher of Littlefield, will sing. Also special music at the evening hour. We had very large congregations at both preaching services Sunday. Were you there? If every one treats the Church as you treat it, would there be any Church? If the Church dies in Littlefield, who are the murderers? Sunday School continues with great interest. Our young people all are not as enthusiastic for the League as they should be. We urge them to attend one of the Leagues next Sunday at 7:45 o'clock. You are cordially invited to be with us in all our services.
C. B. MEADOR, Pastor.

Questions for oen discussion. League Benediction.

FIRST PRESBYTERIAN CHURCH
Sunday school is conducted at the First Presbyterian Church every Sunday morning at 10 o'clock.

Rev. Mr. Robinson of Lubbock will preach at the morning service at the Presbyterian Church here Sunday morning, August 2. All members urged to be present, and visitors cordially invited.

TABERNACLE BAPTIST CHURCH
Sunday, July 19
Sunday school—9:45 a. m.
Preaching—11:00 a. m.
B. Y. P. U.—6:30 p. m.
W. M. U., Monday, 2 p. m.
Preaching—8 p. m.

METHODIST SENIOR LEAGUE ENTERTAIN BAPTIST B. Y. P. U.
The Senior League of the Methodist Church entertained the members of the Senior B. Y. P. U. of the First Baptist Church Tuesday evening with a picnic in the sandhills north of the City. Rev. R. B. Meador, Mr. and Mrs. B. L. Cogdill, Mrs. Cogdill's sister, Mrs. Lewis, and Mr. and Mrs. W. C. Thaxton championed the party. Various games were enjoyed by the large number attending.

MRS. G. H. JACKSON HOSTESS SPADE H. D. CLUB
Mrs. G. W. Jackson was hostess to the Spade Home Demonstration Club in her home Wednesday afternoon. The subject led by Mrs. V. Blasse-game was "Health in the Home."

Mrs. Lane discussed "Typhoid and Malarial fever," Mrs. Bentley "Giving the child a fair start" and Miss Azalea Stanfield "Home Sanitation" Mrs Bentley also gave an interesting discussion on the care of the teeth. There were fourteen members and two visitors, Miss Ima Jewell Lane, and Mrs. Muckleroy of El Paso, present.

The next meeting will be at the Spade Baptist Church with the Littlefield club as our guest. Everyone is cordially invited to come.

committee declared upon his return from Sweetwater, from a conference with W. S. Cooper, president of the organization, when the program for the fifth annual convention here on August 14 and 15 was drafted.

Speakers are now being invited to appear on the program. The program is expected to be ready for release in a short time.

A number of successful newspaper men are being asked to appear on the program.

Lubbock citizens are planning a program of entertainment that will match the constructive business and educational program.

Two hundred West Texas newspapermen are expected.

El Paso and Big Spring will invite the 1932 convention.

Lions' Clubs Of Texas Well Represented At International Meet

Toronto, Ont. July 15—The Texas delegation of Lions arrived here yesterday morning by special train for attendance at the International convention of Lions clubs which opened with over 5,000 Lions and guests in attendance.

A carload of Texas produce consisting of Elberta peaches and pecans together with over 2,000 Mexican sombreros was distributed to Lion delegates last night at a celebration set aside by the International convention committee as "Texas Night." Colonel W. G. Higgens of the Lions club of San Antonio was in charge of the celebration.

Most of the talent for the Texas Night celebration was brought from Texas. The famous Romanelli's orchestra of Toronto assisted in the program.

Texas Night was an open bid for the support of other Lion districts in bringing the 1932 convention to El Paso, Texas, and for the support of their favorite son, Julien C. Hyer, as International President.

FIRST BAPTIST CHURCH
Sunday, July 19

9:45 Sunday school
11:00 Worship in song, announcements and morning offering.
11:30 Morning sermon.
7:45 B. Y. P. U.
8:30 Song program.
9:00 Evening sermon.

Though the weather has been unusually warm for the past few weeks the attendance on all our services have been good, we are glad to see many of the men attending service in their shirt sleeves. Men keep this up, leave the coat at home, and come to the services to be comfortable. We want to call attention to our mid-week service. These services are as much a part of our Church work as the Sunday morning worship hours; in fact they are the preparation services for the Sunday morning hour. Come to Prayer meeting.

Dr. R. C. Campbell of Lubbock will be with us for a revival from August 23 until September 6.
JOE F. GRIZZLE, Pastor.

CONTRACT BRIDGE

Written Especially for The Leader By Ethel Louise Cooper

Editor's Note: After receiving several requests from Littlefield bridge players interested in learning the game of contract bridge, Mrs. Ethel Louise Cooper has consented to write a series of articles on the game for the Leader.

(Second Installment)

At the game of Contract Bridge every original bid of one made by the first or second hand, when not vulnerable is an absolute promise of two and one-half honor tricks at any declaration which may eventually win the contract.

The correct initial bid is always a one-bid unless the hand holds as many as five honor-tricks divided among three suits in which case the forcing two-bid is made, or unless the hand is of such freakish distribution that a preempting bid is in order.

After the original bidder holds more than two and one half honor tricks, these additional values will be used for re-bids after he has heard his partner's response.

mitting the responding hand to show a stronger suit without crowding the bidding. Any raiser by the responding hand or any no trump take-out must show the limit strength in the hand so that the original bidder, adding the number of tricks shown by the response to his two and one-half declared tricks plus his undisclosed tricks, may contract at once for the full value of the two hands.

If the responding hand holds as much as one and one half honor tricks and has neither support for the original bid nor a biddable suit of his own he overcalls with a bid of no-trump, thus permitting the declarer to show another suit if he has one to re-bid his original suit if it is longer than a four card suit and can be played with less than normal sup-

port; or to play the hand at no-trump if that seems advisable (incidentally the writer considers the no-trump take-out the most useful bid in Contract Bridge playing).

If the responding hand replies with the no-trump take-out, his bid is one no-trump if he holds from one and one half to two honor tricks in two suits. His bid is two no-trumps if he holds from two and one half to three honor tricks in two suits. His bid is three no-trumps if he holds at least three honor tricks in two suits and holding as much as four and one half honor tricks he bids four no-trumps which is a signal that a slam is in sight.

If the responding hand has normal support for the original bid and no biddable suit of his own he at once raises the bid to the extent of his assisting tricks, for the responding hand unlike the original bidder counts his short card tricks as well as his honor tricks and his long card tricks. (The declarer has already counted the trumps with which he could trump short card suits in estimating his trump strength.)

As we learned last week average suit distribution is three. Any suit with four cards therefore has one long card. If it is the trump suit the long card counts as one trick. If it is a side suit it counts as one-half trick. On the same basis any two card suit has one short card. If the trump suit is a four card suit this short card counts as one trick. If the trump suit has only three cards the short card is only counted as one half trick because the opponents will certainly lead trumps to prevent the ruff if possible.

EXAMPLE - Declarer bids one spade. The responding hand holds; Spades 9-7-4-2 Hearts, Diamonds A-9-8-5 Clubs K-J-9-2.

In spades there is one long card which equals one trick. In hearts there are two short tricks which equals two assisting tricks. In diamonds there is one honor trick and one long card trick which equals one and one half tricks. In clubs there is one honor trick and one long trick which equals one and one half tricks. Adding these tricks we find we have six assisting tricks in the responding hand. Deducting from this the three tricks counted by declarer in his original bid and we find that there are three full raises. Responding hand therefore raises the bid from one spade to four spades at once. Isn't it exciting?

AGRICULTURE NOTES

By D. A. Adam, County Agent

The twenty second annual farmers short course will be held at the A. & M. college from July 27 to August 1. A fine program has been arranged for men, women, boys and girls, and every farmer in the county who can possibly attend is urged to do so.

Four 4-H club boys reported to the county agent Friday, that they are planning on feeding one car lot of calves each this fall if feed materializes. There are 110 4-H club boys in Lamb county working under

the supervision of the county agent, and practically all plan on feeding some form of livestock. Boys reporting Saturday are: Weldon Criswell, Elmer Johnson, John Hanks, and Niles Lumpkin.

Bulls in the first bull circle formed in Lamb county by the county agent in 1929 at Sudan were exchanged last week. Farmers who have dairy cows and want to see what an improvement a bull can make for the herd are invited to visit the following farms, and see the results of last years work: C. S. Sullivan, M. E. Lindley, W. M. Pool, H. P. West, M. Slaughter, N. C. Chisholm, A. E. Mann, Mr. Lane, and others, who are interested in these bulls.

Beginning with one soy bean demonstration in 1929 in Lamb county there are now approximately 50 men in Lamb county that are growing soy beans for legume hay, according to V. H. Jennings, of Amherst, and 20 or more other reports that have come to the county agent during the past month: "That these soy beans are the prettiest crop on the place and are growing off, and look like a mighty good hay crop."

Your Customers

... Are Aided by Patronage to The Home Bank

Everywhere people are coming to realize more and more how interdependent we are upon each other. The only individual who is self-sufficient is a hermit.

The farmer—who is not only your customer, but on whom this entire section depends for existence and continuous progress—looks to the Home Bank for assistance at times of need.

You, the local residents, furnish the farmer with this aid through your patronage to the Home Bank. Failing to support the Farmers in their labors is curbing community progress. Keep your deposits in The Home Bank at a maximum and you are not only supporting a local institution, but insuring the continuous growth of your city.

Practical Economy

YOU need never entrust anyone else with your doilies, table runners, scarfs, and embroidered center pieces—those pieces so dear to a woman's heart. With an efficient hot water system installed in your home it will take but a few minutes of your time to wash them and you will know that they are beautifully clean.

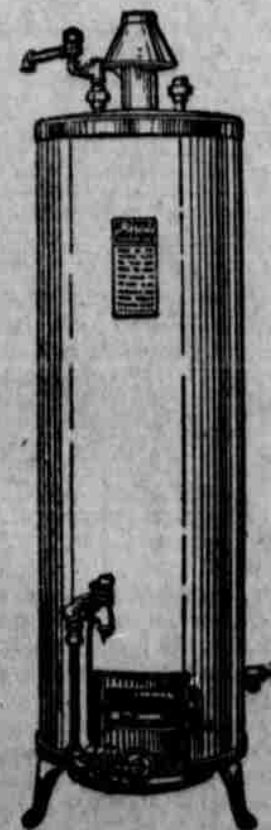

All this is yours with a

Rival Automatic Water Heater

It is important to have a good water heater. This does not necessarily mean an expensive one. You can get a thoroughly good one, correctly designed and well insulated, at moderate cost.

A revelation awaits you in the Rival Automatic Water Heater—its countless new conveniences—the stamp of up-to-dateness of the modern accepted things, hot water, free flowing—day and night—from every faucet.

Rival Automatic Hot Water Service, tested and proved by thousands of successful installations, can be yours under the budget plan. It is easier to enjoy the luxury of a Rival Automatic Water Heater at once than to save and wait a year for it, for the Rival will pay for itself as you pay for it.

H. M. CURTIS OF PLAINVIEW WILL ESTABLISH NEW TIRE STORE HERE

T. S. Sales' Car Is Demolished

What might have been a more serious and probably fatal accident occurred at Posey, between Lubbock and Slaton. Sunday afternoon, when the Chrysler 8 coupe, driven and belonging to T. S. Sales was struck by a LaSalle sedan. Mr. Sales' car which was practically new, having been purchased last fall, was completely demolished.

W. H. and R. T. Badger spent Tuesday in Lubbock on business.

An important addition to the business establishments of this city will be the Shook Tire company, which will be opened Sat. July 18, across from the J. H. Arnett motor company at the rear of the M-System grocery, by H. M. Curtis of Plainview.

Mr. Curtis, who has been 15 years in the tire business, will handle Sciberling tires and tubes in all sizes, and at a later date will add the Sciberling batteries.

According to Mr. Curtis, the tires for this company will be bought in car load lots and distributed to stores over this section from Lubbock.

Mr. Curtis is planning on moving his family from Plainview the end of this week to make their home in Littlefield.

T. L. Matthews of Olton, formerly of Littlefield, is undergoing treatment at the Veterans' Hospital at Muskogee, Okla.

Clifford Geldhart and Chester of Marlboro, Mass., were the guests of Mr. and Mrs. Roy Blessing several days this week. They were on a two weeks' vacation, and motored to Texas.

Rotarians Hold Regular Meeting Thursday Noon

The Rotarians met as usual Thursday, July 9, at the Methodist church for their weekly luncheon.

The meeting was presided over by R. T. Badger, president, who made a short address relative to the future activities of the club. As no special program was planned, the meeting was then turned over to R. E. McCaskill, former chairman of the program committee, who called on the Rotary quartette, composed of Herbert S. Brown, song leader, Pryor Hammons, Ross Mayhew and E. A. Bills, who sang several numbers. The members of the club then joined in singing several rotary songs, led by the song leader, Herbert S. Brown, after which the meeting was adjourned.

Littlefield Child Undergoes Operation

Bobby, aged 13, son of Mr. and Mrs. R. M. Pierce of four miles south of the city, was operated on for appendicitis at the Lubbock Sanitarium Sunday evening about 7:30.

Last reports received were to the effect that he was doing fine.

We Think—

(Continued From Page 1)

Duggan from Woodward & Coffee, attorneys representing the T. & P. Railway in the Big Spring section, gives us much encouragement:

Dear Mr. Duggan:
The Texas & Pacific railway are confident of their ultimate success in building the entire 333 miles of rail road from Big Spring to Vega, as originally sought, instead of the south portion of the route as recommended. Do not feel disheartened in the least, because the fight for the complete road has just begun, and I feel that ultimately we are going to be successful.

Examiner's Report, I believe, can be overcome before the Commission, and that the entire line, as originally sought, will be constructed.

Sincerely your friend,
G. A. Woodward.
What do you think?

UNIQUE PLAN OF PAYING CHURCH EXPENSES

The Methodist church of Amherst, of which Rev. Smallwood is pastor, is trying a new method this year of raising their church expenses. They rented 100 acres of land about 4 miles southwest of Amherst, and planted 85 acres in cotton, and fifteen in feed. The church congregation, directed by their pastor, are working the crops. Tuesday was one of the days the congregation gathered together to work the crops, and some eight or ten teams, together with a large number were seen hoeing and working over the land.

The funds derived from the sale of their crops will be used in defraying the general expense of the church. We think this is a bright idea, and indeed worthy of mention.

What do you think?
We think this is a fine demonstration of what can be accomplished by co-operation, by all working together.

What do you think?

Mr. and Mrs. W. E. Jeffries, Jr., returned from their honeymoon in New Mexico and Colorado Sunday.

Mr. J. T. Bellomy left last week for a two week's fishing trip at Corpus Christi, Texas.

Mr. and Mrs. Art Chesher of Hobbs, arrived Friday for a visit with Mr. and Mrs. W. J. Chesher. Mr. Chesher went on to East Texas Monday but Mrs. Chesher will spend the rest of the week here.

Mr. and Mrs. Dick Hampton of Eagle Lake visited in the home of their uncle and aunt, Mr. and Mrs. S. L. Adams, Friday and Saturday last.

Miss Donny Lou Adams, who has been visiting her grandmothers, Mrs. I. D. Tankersley and Mrs. Ella Adams at Kileen, Texas, returned home Tuesday, accompanied by Miss Artie Lee Adams.

Lloyd Springer, who is connected with the Douglas Air Plane Company of Los Angeles, Calif., arrived home Monday for a two weeks' visit with his parents, Mr. and Mrs. T. M. Springer of four miles east of town.

Mr. and Mrs. T. M. Springer have as their guest this week, their granddaughter, Miss Udell Kincaid of Stamford, Texas.

J. J. Grubbs, who underwent an operation at the Veterans' Hospital at Muskogee, Okla. and has been there for the past month, returned to his home last week. Reports are that he is getting along nicely.

Littlefield Party Visits Carlsbad Caverns Saturday

Mr. and Mrs. J. S. Hilliard and daughter, Betty Ann, visited Carlsbad Caverns Saturday, returning to Littlefield Monday evening.

According to Mr. Hilliard, 650 visitors representing 28 different states registered at the Caverns Saturday. They started about ten a. m., had lunch in the cave at noon, and were through the sightseeing tour between three and four o'clock in the afternoon.

Ordinances—

(Continued From Page 1)

some official, usually of the health department, according to the extent to which the dairyman has observed the protective and sanitary standards laid down in the ordinance for the production and handling of the milk. These items are designed to prevent infection of the milk by disease organisms and to insure a clean, good quality. The producer is given credit for his efforts through the grade label. The consumer is also thus informed as to the quality of the milk and can make his choice.

Twenty-five items control the grading and constitute the 'standard' for grade "A" raw milk. Before the test for the bacteria count will be made it is necessary that these 25 items be complied with.

Pasteurized milk must meet the 25 requirements of the raw milk and 24 additional items before it will be given the test for bacteria count determining its grade.

The other ordinance passed by the commission makes compulsory the pit-type toilet in the city limits. Mr. Curtis stated that all toilets could be easily changed to the pit-type with only a few cents cost.

He explained that the latter ordinance was to prevent the spread of typhoid fever through flies.

Both ordinances, which are published in this week's issue of the Leader, are effective immediately after their publication. Neither will be enforced until after ninety days, however.

Yannigans—

(Continued from Page 1)

Lowe's and Etter's batting melee.

Carter took fielding laurels by accepting seven chances without an error. The Wayne brothers were easily the stars for the Fieldton crew both in fielding, and batting. Carl Fieldton, catcher from Amherst, imported to bolster the defense of the home team, cleaned the bases in the last of the sixth inning to score three runs with a double over second base for the only scoring rally. This hit came after loose playing on the part of the Yannigans had filled the bases.

Local fans have taken an interest in the work of the second stringer in some good and credible games recently, and several of the team promise to develop into baseball players of no mean ability.

The starting lineup for the locals was Thompson r. f.; Carter ss; Lowe, catcher; Thaxton, cf; Tremain p; Etter 2b; Hemphill 1b; Baird 3b; and Smith 1b.

Cuenod's Dry Goods Company To Stage Clean-Sweep Sale

T. S. Sales, manager of the Cuenod's Dry Goods company of this city, has announced a clean-sweep sale for their store, to open Saturday morning.

Mr. Sales states that his entire store has been re-arranged for the event, and is offering special prices on new merchandise. The purpose of the sale is to make room for fall merchandise which will soon arrive, he states.

All of the publicity work is being done through the Lamb County Leader plant.

Lose to Hubbers—

(Continued from Page 1)

mask and protector for the locals, while Baize, Knight and Gaily formed the battery for the Hub City crew.

Lubbock scored one in the second when Hardwick's swinging bunt gave him a ticket to first base. He stole second, advanced to third on a sacrifice by Hambricht and Ray Waller's squeeze play ball brought in Hardwick.

Littlefield counted one in the third when Gregory doubled to Littlefield, advanced on Moore's out and scored when Galey dropped Hambricht's throw from center to catch the runner. The second Littlefield score came in the sixth when Ratliff walked, moved to second on Art Mueller's sacrifice and Chief Hanks came thru with a long single to center sending Ratliff home.

The Hubbers tallied their second counter in the seventh inning when Ray Waller doubled to left, advanced on Breedloves sacrifice and came home when Galey got an infield hit between first and second with the infield coming in close on the play. With three up and three down in the ninth the game went into extra innings.

In Lubbock's half of the ten inning, Galey flied out to Thornton, who made a nice catch after a long run. Willis Knight hit to left for two bases; France grounded out to M. Ratliff. Waller and Red Gaither

were purposely walked. Hardwick hit a boundary too short which Ratliff misjudged and the ball game was over.

Fly Thornton proved the defensive star of the game, making three sensational catches on some difficult chances. The game was indeed one that had all the earmarks of a championship affair, and was hotly contested throughout.

Littlefield and Lubbock are to meet again following the tournament at Amarillo. The game will probably be held July 26, in Littlefield. This is the second time this season that the Hubbers have defeated the locals by a one run margin.

Littlefield and Spade Lands

18,000 acre ranch right in the center of development in the Littlefield-Levelland Section. This is the old Yellow House headquarters, and is a real buy.

A large number of 100 per cent farm tracts — a few improved farms.

Some splendid combination tracts in quarter sections, or larger, at attractive prices.
