Italian Prisoner Labor Plan For Lamb County Discussed

At the suggestion of the County Commissioners' Court, Mayor Homer Hall called a mass meeting of the citizenship Wednesday night at 9 o'clock at the City Hall to discuss the project of securing Italian prisoners from the internment camp at Hereford to assist in the gathering of this fall's crops in Lamb County.

Judge I. B. Holt and the County Commissioners were present at the meeting, as well as good representation of Littlefield citizens; and after considerable discussion, it was decided to secure more definite information before the project was proceeded with.

Judge I. B. Holt and County Commissioners had previously visited the Hereford Internment Camp to get firsthand information as to what would be required financially, and otherwise, of the County, in order to secure this farm help.

It is understood that Lubbock is endeavoring to secure about 500 (Continued on Back Page)

Good General Rains Fall Over South Plains Territory

Littlefield And Area Get 2.16 Inches; Plenty Of Moisture Is Reported

Rain fell in Littlefield and over the South Plains Thursday night and again Friday evening and well into the night adding considerably to the moisture received last week, and providing plentiful moisture to portions of this area which had not heretofore received enough moisture. The rain was general over this area, and provided the best moisture received this season.

According to a reading of the gauge at the West Texas Cottonoil Mill, 1.35 inches of rain fell Thursday night, with .81 of an inch Friday night, making a total precipitation of 2.16 inches. Rain fell all the way from here east to Slaton, and west to Clovis, with the moisture heavier west of here. Three inches of rain were reported by the Santa Fe Railway between Bainer and Shallowater, with about an inch from there to Slaton. Muleshoe reported three inches or more; Amherst and Sudan received over two inches, while Enochs and Bula and area received good moisture. Hart, Olton and Spring Lake received a good rain Friday. Lum's Chapel Community reported about 1½ inches Thursday night.

A Levelland man reported heavy rainfall between Lubbock and Levelland, with the heaviest fall at Snyder, and Levelland received about an inch of moisture. Moisture that fell at Brownfield for Thursday and Friday were measured at over 3½ inches. Hale Center also reported an inch, with Anton reporting two inches Thursday night, and an additional inch of moisture Friday night.

Lamb Credited With \$100 Bond Bought By Khiva Temple

Lamb County has been given credit in its war bond quota for a \$100 purchase by Khiva Temple of the Mystic Shrine.

T. Wade Potter of Littlefield, Postmaster's Aide in this county, explained Khiva Temple was pledged to buy a war bond for each novice who crossed the hot sands at the Victory Ceremonial in Amarillo on May 31, and to credit the purchase to the county in which the novice resides.

These purchases, totaling more than \$17,000, have been made by C. Willard Smith, the Temple's treasurer, in the various counties from which the novices came.

Among the novices from Lamb County was E. L. Yarbrough of Amherst.

Khiva Temple is planning another big ceremonial for November 1, but meantime wearers of the Red Fes are conducting another war bond campaign with the aid of Masons (Continued on Back Page)

Last Rites Held Saturday Morning For W. O. Stogner

Father Of Mrs. W. J. Chesher Passes Away After Lengthy Illness

W. O. Stogner, 65, father of Mrs. W. J. Chesher, passed away Thursday morning about 5:30 o'clock at an Oklahoma City Hospital, as a result of a heart ailment from which he had been suffering since January.

Mr. Stogner suffered a stroke of paralysis in January last, and since that time had been confined to his bed. Ten years previous he had his first stroke, but seemingly had recovered from that illness.

He had suffered considerably for the past several weeks, and for the greater part of that time was administered oxygen.

Funeral services were conducted at the Corpus Christi Church, Oklahoma City, Saturday morning at 9 o'clock, with Father Walde officiating; and interment took place in Rose Hill Cemetery.

Mr. Stogner is survived by his wife; four daughters, Mrs. Chesher of Littlefield; Mrs. C. D. Lyne of Dallas; Mrs. Walter Nashert of Oklahoma City; and Mrs. Baroness Young of San Francisco, Calif.; one son, George Stogner of Oklahoma City; and several brothers and sisters.

Mrs. Chesher has been remaining at the bedside of her father, and Mr. Chesher went to Oklahoma City the first of last week. He returned Sunday, but she is remaining with her mother for a few days before returning to Littlefield.

Civilians Urged To Donate Articles To Camp Projects

Citizens Are Asked To Cooperate With Chairmen And Assist In Drive

Every civilian on the South Plains is offered an opportunity to aid in the program of Llano Estacado Camp and Hospital Council, just organized and which is seeking to supply articles to the two camps which the War Department does not provide. There is a vast need for articles at the present time and a concerted campaign is now on to secure them.

Articles which are donated to the council may be left at the production room of your local red cross.

"This is truly a morale builder to give our men and women in service so far away from home a few of the comforts of life," Mrs. Morley Jennings, one of the leaders of the drive said Saturday. "One visit to the air bases would soon convince the most skeptical person of the many needs there."

Mrs. W. D. T. Storey, chairman of the Llano Estacado Chapter of the Red Cross, urges all chairmen to be busy and to respond to the call as quickly as possible. The Lamb County co-workers are Mrs. G. W. Chesher, Sudan; Mrs. Lester LaGrange, Amherst; Mrs. Marshall Kelly, Earth and Spring Lake, and Mrs. Fred Jones, Olton.

Mrs. Storey also asks that the people please cooperate with the various chairmen in searching their attics and storehouses to get the things which will add to the comfort and pleasure of our soldier boys.

This campaign is not a financial drive but money will be needed to purchase articles which otherwise cannot be obtained.

When the material is gathered at the local Red Cross Room, an Army truck will pick it up and take it to where it is needed.

The drive will last until July 21.

To Take Place Of Those Not Signing 1943-44 Contracts

Local Women Teachers Offer Services To School If Needed

At the regular monthly meeting of the members of the Littlefield School Board Monday night, eight new teachers were elected to the faculty for next year, replacing teachers who did not sign their contracts for another year.

New teachers elected were: Mrs. M. B. Williams, Amherst; Miss Helen Alsop, Maple; Mrs. Ethel French; Maple; Mrs. Ruby Hulise, Anton; Mrs. J. G. Johnson, Progress; Mrs. Floyd Blackwell, Roscoe; Mrs. Marion Marks, Hart Camp; Miss Loueva Taylor, Commerce, Texas; and Miss Cleo Crabtree of Olton.

Teachers who did not accept contracts for 1943-44 are: Mrs. Pat Boone, Mrs. Rin Etter, Mrs. Lenton Smith, Miss Syble Wigginton, Mrs. Lucille Betts, Mrs. J. D. Armistead, Miss Melvell Nystel, Miss Martha Rae Glass, Mrs. F. O. Boles and Miss Billye Buckner, Miss Dora Jo Covington, Mrs. L. T. Green, Mrs. Ed. Piley and Miss Verle Teague.

A number of the above teachers are local women who had not been teaching, but when an acute shortage of teachers occurred, they offered their services in courtesy to the school, and are much appreciated for the service rendered.

Supt. F. A. Hemphill stated Wednesday that these local women are again offering their services in case they are needed this fall.

Colored teachers who resigned were: Miss Theresa Graves and Mrs. A. Carmichael. New teachers elected to replace the above are Mr. and Mrs. Maurice Powell of Slaton.

FFA Meeting Next Tuesday

The regular monthly meeting of the Littlefield FFA Chapter will be held Tuesday night, July 13, at 9 o'clock in the Agricultural Department. A softball game will start at 7 for those who are interested. Regular business will be conducted and a movie will be shown. All members and prospective members are urged to be present.

Dr. W. T. Walton To Preach At First Baptist Sunday

Rev. Lee Hemphill left Sunday night to conduct a revival meeting at Katy, Texas. He was accompanied by Mrs. Hemphill and children.

In his absence Sunday, Dr. W. T. Walton of Hardin-Simmons University will occupy the pulpit both morning and evening, according to a telegram received from Rev. Hemphill from Coleman Tuesday, sent enroute to Katy, Texas.

Dr. Walton is a well known educator and preacher, and will be well worth hearing Sunday.

Pictures Of Short Family Appear In Star-Telegram

Lowell Short, manager of the local Higginbotham-Bartlett Company, was going around Thursday carrying a broad smile and a copy of Tuesday's issue of the Star-Telegram.

Mr. Short has just reason to be proud, for right on the front page of this popular West Texas daily newspaper were pictures of three members of the Short family serving Uncle Sam.

Mr. Short's parents, Mr. and Mrs. S. E. Short, are residents of Hale Center, Texas.

His sister, Auxiliary Mildred Clayton, 44, formerly of Dallas, who enlisted in the WAACS about a year ago, operated a dressmaking establishment prior to entering the Service. Her husband is in defense work, and her son also is in the service. He was recently awarded his degree in law from Baylor University; has ROTC training, and has been in Officers Reserve for two or three years, prior to enlisting.

Mr. Short's brother, Cpl. Cayce Short, 30, is in the Coast Artillery, Anti-Aircraft; has been in the Service 1½ years, having entered the

Service the day after Pearl Harbor was attacked. He is stationed somewhere in the Aleution Islands, and his parents hear from him every week or ten days.

Pvt. Philip Short, 20, another brother, is with the ground crew in the Air Corps. He has been in the Service six months, and is stationed at Jefferson Barracks, Missouri.

And to think—that Mr. Short didn't know his family were taking such a prominent part in the news and pictures until some customer asked him if he "were any relation to the Shorts at Hale Center," and this was two days after the issue was published.

Reid Passes June 30 In Prison Camp

Mrs. M. P. Reid received news by telegram Saturday that her son, Pvt. Melvin Lloyd Reid, had passed away Wednesday, from disease, and that a would follow.

Reid was a member of the Coast Artillery, who participated in the battle of Bataan in April, 1942, and was released. It was not until this year that the parents advised by the War Department that their son was a Prisoner of the Japanese Government interned in the Philippine Islands. They have since that time endeavoring to get some word from him, but had not been successful.

Funeral Service For Pvt. Lloyd Reid Afternoon

Funeral services will be held at 4 o'clock in the Methodist Church for Pvt. Lloyd Reid, who died as a result of Japanese captivity in Frank York, local Methodist will conduct the services.

Completes Basic Training

Cadet Dan W. Holladay, son of Mr. and Mrs. David W. Holladay, has just completed his basic training at the Army Flying School, Merit, with Class 43H. Cadet's wife, Mrs. Doris Holladay, at Lubbock.

Holladay assisted his father in entering the Service, and will go to Yuma, Ariz., for instruction. At the completion of his course there he will join the "Wings," and will join the Legions in the skies.

Available For Farmers Use

National Defense Shop of the War Production Training is now open for farmers who might be interested in using the shop.

Watch For Enemy Agents!

This year more than ever before, Americans in all walks of life, and in every profession — housewives, war workers, citizens in the armed services, and civilians in private business — must consider themselves eyes and ears for the Federal Bureau of Investigation.

According to J. Edgar Hoover, director of the FBI, "The need for citizen cooperation was never greater than at this very time when more than a score of saboteurs are being trained by the German High Command at its highly organized sabotage school, to be sent to all parts of the world to obstruct the war effort of the United Nations. Some of these Nazi agents will try to enter the United States. We must, therefore, be on guard."

Examples of citizen cooperation were shown in the identification of a mysterious "Heinrich" as Edmund C. Heine, in the Duquesne spy case in which 33 spies were sentenced to prison, through the suspicions of a Connecticut aircraft photographer about an extra large order for 250 aerial photographs; in a truck driver's report of suspicious actions in a Kaiser shipyard on the Pacific coast which resulted in the arrest of a former Storm Trooper and prevented a sabotage fire; and in the alertness of a San Antonio woman hotel manager who recognized a Nazi pilot escaped from a Canadian internment camp from his photograph on a "Person Wanted" circular and so caused his arrest.

Any report of suspicious persons or actions should be made to the FBI, and not to neighbors, if we are to avoid the dangers of unnecessary and often harmful rumor-spreading. The Federal Bureau is the expert agency, working significantly under the Department of Justice, which is best equipped to separate for investigation the true from the false in all such reports.

Fewer Draft Evasions

In the present war, only 171,642 Americans have been charged with draft delinquency, compared with 474,861 in the first World War. This comparison is all the more significant when it is realized that the current war already has lasted longer than the previous one, in terms of American participation, and that we began drafting men for the Army prior to the outbreak of this war. Many of those reported by draft boards are found to have misunderstood their instructions or to have joined the armed services voluntarily.

One advantage is that the country has fewer aliens now than a quarter century ago and the aliens remaining have been more thoroughly Americanized than those of 1917-18. The sudden attack on Pearl Harbor tended to unite the nation behind the war effort

Over-Optimism

Maj. Gen. L. H. Williams, who took part in the North African offensive that culminated in the defeat of Axis forces, warns against the civilian over-optimism that envisions an early victory over Germany and Japan.

The British general, a visitor in Fort Worth, anticipates that Germany will be eliminated by the end of 1944 but that thereafter Japan will be beaten. As a sufficient stimulus to our morale, General Williams asserted that the United Nations were well prepared for complete victory, even if it should take years.

The poisonous effect of over-optimism, the cocksureness as to victory which is far from won, was described by General Williams as a consequent letup in the war effort on the home front, "because we subconsciously don't try as hard." Manifestations of this relaxation by civilians, when the armed forces are giving their utmost against the enemy, are strikes and other upsurges of domestic concerns, such as controversies and clamor for selfish gain from war spending. General Williams reminded that British and Americans are prone to lapse into the dreams of speedy victory.

This letup in the war effort impairs the effectiveness of our fighting forces, at times even leads to the needless sacrifice of men and materials and the ignominy of defeat. Bataan, Corregidor and Singapore should have indelibly written those harsh facts upon the minds and hearts of the American people.

Even 18 months after the catastrophes in the Pacific, people still conjure up the vision of an early peace, which is a justification of half-hearted war work and selfish interferences with the war effort. In a democracy, these repeated lapses are regarded tolerantly as the errors of well-meaning, patriotic people, but after that extenuation is accepted there still remains the fact that such persons are not intelligent. And the cost of blind optimism will be greater loss of American lives, more spending of billions, more months of war and more of the inconveniences and arbitrary controls which are so objectionable to many citizens. —Star Telegram.

and to remove the incentive some otherwise might have had to try to escape military service. Draft boards have been diligent in their duties; and the Federal Bureau of Investigation, with the help of local police departments, has kept close on the trail of draft delinquents.

While cases involving failure to understand draft regulations have been handled sensibly, with the delinquent sent to the Army instead of to prison, deliberate evaders who have been convicted have had stiffer sentences than in the first World War, when the average penalty was a month in jail. Convictions in this war have brought prison terms averaging nearly three years.

HERBERT C. MARTIN AND C. E. JONES MAKE HONOR ROLL

Among the Arts and Sciences students listed on the Scholastic honor roll at the University of Texas for the spring semester, as announced by Dean H. T. Parlin, are Herbert C. Martin, Jr., of Littlefield, son of Mr. and Mrs. Herbert C. Martin; and Charles Everett Jones of Anton.

These students maintained an "A" average.

To be included in the honor list, a student must have better than a "B" average.

CLOVIS TO HOLD ELECTION ON LOCAL OPTION PETITION

City Commission of Clovis, New Mexico, have ordered an election held on a local option petition, in that city on August 24. Clovis, only wet town in Curry

county, is also the only oasis spot for a distance eastward 400 miles to Fort Worth, Texas.

All City Liquor licenses in Clovis fall due on July 1, and the Commission has ruled that the new 6-month licenses must be purchased, election or no election, with the alternative of closing up.

That I assume my duties as wholesale agent for the well known line of Conoco Motor Fuels. I have long been sold on the qualities of each of these products, through actual sale and the study of their merits, when I operated for a number of years the Sewell Conoco Service Station, handling the Continental Oil Products. I know the history of the Continental Oil Company, and have studied their development of motor fuels, which means longer life and lower upkeep cost for all types of automobiles and farm equipment engines.

I THANK YOU—

To each and every one of my good customers who favored me with their business while I operated the Sewell Conoco Service Station—I offer my thanks and appreciation.

My Pledge To You

As Wholesale Agent, I pledge my wholehearted efforts to bring you the same high type of service you enjoyed while the Littlefield wholesale agency was under the direction of G. R. Sandidge, and earnestly solicit a continuance of the splendid patronage accorded the Continental Oil Company in years past by the citizenship of this city and area.

With South Plains Men In The Service

All three sons of Mr. and Mrs. Lee Bruce, who are in the Service, were not able to be here for the funeral of their father, who met such an untimely death in an automobile-train crash Thursday, June 24, and whose funeral was held Monday, June 28.

Cpl. Harvey Bruce and Lieut. John Bruce came home on leave, but Sgt. Charles Bruce, who is stationed in Hawaii, was not able to come.

Cpl. Harvey Bruce, 28, is a mechanic in the Air Corps, stationed at Westover Field, Mass., and has been 1½ years in the Service. He was home on leave in December last. He arrived on a 14 days' leave Sunday, the day before the funeral. Mr. and Mrs. Bruce had been living in the Spade community, but moved about the first of this year to two miles north of Plainview.

Lieut. John Bruce, 26, is with the Infantry Division. He was formerly stationed at Camp Shelby, Miss.,

but was on Maneuvers in Southern Louisiana when he received the message of his father's death. He was granted 10 days' furlough.

Sgt. Charles Bruce, 24, with the Coast Artillery, has been in the service four years. He is now stationed in Hawaii, where he has been for the past year and a half. No response to the death message sent Sgt. Bruce was received, but since his father's funeral Mrs. Bruce has received a letter from her son, Charles, stating that he had been ill with pneumonia, but was better and released from the hospital. This letter was received Thursday.

Mrs. Bruce had a nervous collapse following the automobile-train wreck which caused the death of both Mr. Bruce and his grandson, Billy Tolbert, but is now reported to be better.

Mr. and Mrs. J. C. Kendrick have just received word from their son, Sgt. Allen Kendrick, that he has been transferred to New Guinea.

Before Sgt. Kendrick entered service some nine months ago, he was employed as an electrician with the Electric Company at Olney. Mrs. Allen Kendrick is still employed there. He reports in his letter that he is feeling fine. He is serving in the Signal Corp.

PERSONALS

Aubrey Burton, who has been ill and confined to his bed for the past three weeks with Strept throat, is some better.

Mr. and Mrs. Dan Bergolofsky left Sunday morning to visit his parents, at Wichita Falls, over the 4th of July.

Mr. and Mrs. L. C. Steuart and children spent the Fourth of July at Crosbyton visiting his grand-parents, Mr. and Mrs. A. A. tSeuart.

T. M. Thurman, formerly of Littlefield and who is now employed with the Texas Gas Company in Canyon, underwent major surgery in the Littlefield Hospital Friday morning. However, he was taken home Tuesday and is reported to be getting along nicely. Mrs. Thurman and son, Gary, were with him while he was in the hospital.

Mrs. Jim Mooney and daughter, Mary Lou, returned home to Clovis Saturday after visiting in the home of her parents, Mr. and Mrs. J. E. Chisholm, three weeks.

Mrs. L. M. Easley returned Monday from a six weeks' trip to various points in Texas. Among the places where she visited relatives were Mineral Wells, Fort Worth, Dallas and Groesbeck.

I. D. Onstead left Monday night on a trip to Dallas to buy furniture for the Onstead Furniture.

R. L. Byers was released from the Payne-Shotwell Hospital Monday, after being confined for ten days suffering from pneumonia. He still has pleurisy pains, but is getting along nicely.

Miss Alma Byers arrived at Cedar Rapids, Iowa, July 1, and is liking her new work fine, according to her mother, Mrs. R. L. Byers.

George A. Vaught, who has been ill and confined to his bed for the past two weeks, is able to be up and around again.

Mr. and Mrs. Otto Jones and niece, Miss Shirley Thurmond of Seymour, a house guest in the Jones home, spent Monday in Lubbock, and visited Jodye Jones, who is attending summer session at Tech.

Miss Marie Morley And Eugene Gerik Wed In Church Ceremony

Miss Marie Morley, attractive granddaughter of Mr. and Mrs. M. A. Burt, and Eugene Gerik, son of Mr. and Mrs. J. F. Gerik of Pep, were united in marriage Wednesday afternoon, June 23, at the St. Helena Church at Hobbs, N. M., with the Rev. Hugh Performing the single ring ceremony.

Attendants were John D. Sullivan and Bertha Roth.

The bride was attractively attired

in a white dress with red accessories.

Mrs. Gerik attended school at Pep and is a very popular member of the younger set.

Mr. Gerik is a very prominent farmer in the Pep Community.

After a brief honeymoon at various places in New Mexico the couple are temporarily making their home with the groom's parents, Mr. and Mrs. J. F. Gerik.

Mrs. Eugene Gerik Honored At Bridal Shower Sunday

Mrs. Leonard Hill and Mrs. Jack Smith complimented Mrs. Eugene Gerik, the former Marie Morley, with a lovely bridal shower Sunday, July 4, at the home of Mrs. Leonard Hill.

The home was attractively decorated with the patriotic colors, with red and white flowers in an Uncle Sam hat centering the dining table.

The guests were received by Mrs. Leonard Hill, Mrs. Jack Smith, and Miss Adeline Jungman.

Mrs. Jack Smith presided at the lovely bride's book and registered the guests.

After several games were played and the bride found her gifts, cake and punch were served to: Mesdames W. T. Jungman, R. H. Wapitika, A. H. Diersing, J. F. Gerik, M. A. Burt, Helen Diersing, M. T. Scott, Alton Longston, W. A. Simmons, Fritz Diersing, George Simonizh, George Silhan, L. H. Albus, A. G. Jungman, V. E. Glumpler, C. A. Kuehler, J. B. Reneau, E. F. Victims Of Truck Accident Were Enroute To Hart Camp When Killed Saturday

Medical Center Opens in Dallas

DR. DONALD SLAUGHTER

Registration of summer classes of the Southwestern Medical Foundation, starting Monday, will continue through two weeks up to the opening of the new medical school in Dallas, July 1. According to Dr. Donald Slaughter, dean of the medical school, most classes are full. A \$1,500,000 fund-raising campaign is now in process to build and equip the first unit of the Greater Medical Center in Dallas. Temporary buildings are being erected to house the school until such time materials can be had for the construction of the main building. The Medical Center is a \$25,000,000 project and is to render service to more than 14,000,000 people in the Southwest.

James Benton Matlock, 51, who was killed instantly, and his wife, Mrs. Willie Mae Matlock, about 36, who died on arriving at the Mercy Hospital, Slaton, as the result of a truck plunging into their beds arranged alongside the highway early Saturday morning, were enroute to Hart Camp, when the tragedy occurred.

Mr. Matlock had been appointed superintendent of Hart Camp schools, and Mrs. Matlock had also been elected to teach.

Mr. and Mrs. Matlock had visited in the home of County Superintendent J. Ernest Jones and Mrs. Jones here last month, and Mr. Jones had accompanied them to Hart Camp, where the school board called a special meeting that same night, and elected him superintendent.

The accident, which cost their lives occurred about 5:30 a. m. three miles south of Southland.

A trailer containing their household effects was attached to their car. A flat tire caused them to stop. They put down two mattresses in the bar ditch and went to sleep, leaving a lighted lantern on the tailgate of the trailer.

A truck said to be driven by Milton N. Carter, 30, of Dallas, approached the rear of the trailer and, under presumption a "one-eyed" automobile was approaching him, swung to the right to avoid it. Seeing the car loom up in his path, he swerved his truck into the bar ditch.

The two beds were revealed in his lights at that split-second—too late, he said, to avoid them.

His wheels straddled the mattress on which three daughters of the Matlocks—Elsie Ray, 12, Lora Lee, 11, and Jotn, 7—were sleeping, but passed across the bodies of Mr. and Mrs. Matlock and their 3-year-old son, James Benton, Jr., on the other mattress.

The four children were only slightly injured.

The bodies of Mr. and Mrs. Matlock were sent to Eden, Concho County, for burial Sunday.

OLD, BOLD AND INDUSTRIOUS

More than 90 percent of the 53,000 men in the Australian Civilian Construction Corps are veterans of the first World War. It is to these men that much of the credit is due for the magnificent program of airbase, road, military camp and munition plant construction since arrival of the American forces in the Island Commonwealth. This man, a master carpenter, veteran of the fighting in France in the last war, is typical of the older men who are doing their bit in the conflict. He volunteered for work with the American and Australian forces in New Guinea.

The Early Bird Gets the Groceries

There are two main reasons for shopping as early as possible each day: (1) You will always find a more complete selection of groceries, and (2) you will get better service for yourself and help your grocer give better service to his other customers. Of course, it's patriotic these days to carry your own bundles.

PRICES SET ON WOODEN FENCE POSTS

Prices have been set by OPA for all principal grades of wooden fence posts. The new maximums authorize increases up to 35 per cent in the prices of posts made from Southern yellow pine and Western Red Cedar. No change from the March, 1942, level is made in other species.

CERTIFICATE FOR SLAUGHTERING

A livestock owner who buys custom slaughtering must, after July 1, sign a certificate giving his address, the slaughter permit number, the kind and number of livestock killed and the total dressed and live weight. This certificate must also be signed by the custom slaughterer.

CANNOT RAISE BATTERY PRICES

Complaints have reached OPA from various parts of the country that farm radio batteries which retailed for \$5 to \$7, lately—because of scarcity—have been selling for \$10 to \$14 each. Retail prices on batteries are "frozen" under the general maximum price regulation at the March, 1942, level of the individual dealer. OPA encourages farmers to report any overcharge.

CLOTHING PRICES STABILIZED

Women's girls' and children's fall dresses, suits, coats, blouses and similar apparel will cost approximately the same as last year, as a result of a revised maximum price regulation for manufacturers issued recently by the OPA.

FEWER DRIVERS ELIGIBLE FOR USED TIRES

Beginning July 1, a motorist to be eligible for a used tire must show he used his car for an essential occupational purpose. The applicant must also meet certain other tests, including formation of a ride-sharing club where possible, or establishing the lack of reasonably adequate alternative transportation.

MORE FARM GOODS SET ASIDE

Batteries for flashlights, radios, telephones, fence controls and for ignition; stockmen's knives; and galvanized pail and tubs have been allocated for farm use by recent WPB directives. This follows WPB's action of last week which established percentage allocations of over 50 farm items.

"EMERGENCY TIRES" NOW FOR SALE

Unrepaired tires, branded with an "O" on the sidewall, may be sold to holders of Grade III rationing certificates now. Previously, sale of tires needing repairs was forbidden. These tires, which are unfit for recapping but which still have some mileage in them, may be sold unrepaired or with temporary repairs such as reliners, boots, and patches.

CIVILIAN MEAT QUOTAS

More pork, lamb, and mutton, and less beef, will be available for civilian consumption during the 3-month period beginning July 1, the War Food Administration has announced. New quotas that commercial slaughterers may deliver for civilian consumption during the 3-month period beginning July 1 are: beef and veal, 65 per cent; pork, 85 per cent; and lamb and mutton, 80 per cent. WFA officials said the changes in percentages are not expected to make any material change in the total quantity of meat available to civilians from commercial slaughtering.

MILITARY SCHOLARSHIPS FOR BOYS

Approximately 25,000 high school boys between 17 and 18 years of age will be enrolled in an army specialized training program and sent to school at selected colleges and universities. The reserve program will be limited to those volunteers who received qualifying scores on the preinduction test administered last April 2, and to those who qualify in similar tests to be given in the future. The next test is scheduled for early November.

PICK UP GAS APPLICATION FORMS

Application forms to renew present "A" and "D" gasoline rations are available at places announced by local ration boards. OPA urges car and motorcycle owners to pick up copies of the application and mail them to their ration board immediately. Present "A" books expire July 21.

STOVES TO BE RATIONED

New heating and cooking stoves designed to burn coal, wood, or gas for domestic use (with a few exceptions) will be rationed August 1. The OPA has announced the plan was originally intended to go into effect in late July. If you have no cooking stove and need one, you may apply for your nearest War Production Office. If your present cooking stove is worn beyond repair and wish to replace it before the ration order becomes effective, go to your local dealer for ration.

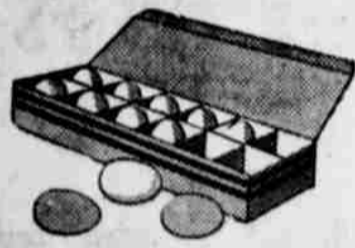

CHRISTMAS PACKAGES FOR SOLDIERS

Christmas packages may be mailed to American soldiers overseas with a request from the soldier, from December 15 to October 15. The packages must be no more than five pounds in weight, 15 inches in length and 36 inches in length and combined. They should be labeled "Christmas gift parcel." One such package will be accepted for mailing by or on behalf of the same person or concern to the same addressee during one week.

Edward Worm, formerly of near Earth, was reported a prisoner of the Japs in the Philippines, by the War Department. His parents were notified last week. He had formerly been reported as missing in action.

Flight Officer Jerry Montgomery with the 4th Fighter Group in England, writes his parents, Mr. and Mrs. C. P. Montgomery of Hart Camp, of numerous operations over enemy territory flying the new Thunderbolts. At last writing he was off on sick leave and expected to make a short tour of England before going back on duty. He is hungry for news from the good old U. S. at all times, having served nearly two years with Royal Canadian Air Force before getting into U. S. Air Force last February.

E. S. Rowe, Jr., recently of El Paso, is leaving shortly for Panama with an engineering group, and Mrs. E. S. Rowe, Jr., is at present on

the nursing staff of the Payne-Shotwell Hospital. Mrs. Rowe arrived last week from El Paso. Her sister, Mrs. N. D. Ford, whose husband is connected with a Cavalry unit, and in foreign service, is making her home here with Mrs. Rowe. Later Mrs. Rowe and Mrs. Ford plan to go to San Antonio to make their home in the absence of their husbands.

First Lieut. Charles R. Cook, navigator on the Flying Fortress "Honey Chile," who has been awarded the Distinguished Flying Cross and the Air Medal with 11 Oak Leaf Clusters, flew 51 combat missions from bases in England and North Africa before his recent return to the United States on leave.

After a visit here with his parents, Mr. and Mrs. C. L. Cook of Route 1, Littlefield, he has reported for duty under a new assignment at Wright Field, Ohio.

Cook participated in the first all-American heavy bomber raid over occupied France last August 17. Rouen was bomber that day. He went to North Africa with the invasion forces last November. Once he flew over the Isle of Capri, but was in no mood to sing the song.

He said he had seen anti-aircraft fire so thick it looked like a black thundercloud, "but we always waded through to bomb the target. The most impressive sight in the world is a large group of bombers in perfect formation, under attack by enemy fighters, proceeding as if they were on a Sunday flight. Nothing the enemy fighters could do would make them vary in the slightest degree from formation or turn back from the target."

He said his Fortress had been attacked by as many as 50 enemy fighters at one time. "Often the German pilot came so close I could see his face in the cockpit."

Cook regards the Flying Fortress as a wonderful ship. "I have seen them return home many times when engineers said it was aerodynamically impossible for them to fly."

He led his group on many important missions over Tunis and Tripoli and objectives in Italy.

Cook has been officially credited with shooting down two Messerschmitt 109s.

He is a graduate of Littlefield High School and is known here as Russel Cook. He was graduated at

Texas Technological College in 1939 and was a member of the college junior livestock judging team and senior International and American Royal crop judging teams. Before entering the Army Air Forces in 1941 he was a member of the Farm Security Administration staff at Lubbock, where his wife is a member of a hospital nursing staff.

M. B. Edwards, 18, son of Mr. and Mrs. Dick Edwards, who is in a Paratroop Division, stationed at Camp Toccoa, Georgia, writes his parents that he is liking his work fine; and is going to night school. He has been in the Service since April 13, and has gained 13 pounds.

Pfc. Jess Wright, Jr., son of Mr. and Mrs. Jess Wright of Spade Community, has completed training and has been graduated from the school of the Army Air Forces Technical Training Command, at Chanute

Field, Ill.

Mrs. Wright is the former Miss Ferguson, who at the present time is assisting her father, Roy E. Ferguson, who owns and operates the Ferguson Implement Company.

D. D. Lippard, of Marlin, Texas, formerly with the Texas Utilities Company here, has volunteered in the U. S. Navy, and is stationed at Williamsburg, Va. He is now serving as a Warrant officer.

When Mr. Lippard left for the service, Mrs. Lippard and daughter, Ruth, came to Littlefield to visit her parents, Mr. and Mrs. M. E. Wilf, and Mr. Lippard's parents, Mr. and Mrs. Lippard.

With D. D. Lippard entering the Service, this makes all of the Lippard sons serving Uncle Sam.

Sgt. G. H. McCall, son of Mr. and Mrs. L. C. McCall of Enochs, Bailey County, is now stationed at the

303rd station hospital at Camp Marshall, N. C. A graduate of the Bula High School at the age of 16 McCall attended Draughon's Business College, Lubbock, and was employed by Lester's Credit Jewelers four years prior to his enlistment in the Army September 16, 1942. His wife and small son, G. H., Jr., are residing at Robstown while Sgt. McCall is in the Service.

Wayne Kittley, son of Mrs. Anna Kittley of Sudan, recently received his discharge from the U. S. Navy, in which he was in training, due to a heart ailment.

Kittley was stationed at various places, including San Diego, Brem-

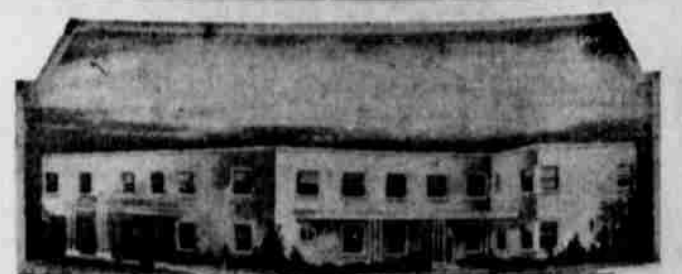

erton, Wash., Seattle, Wash., Farragut, Idaho. He, however, developed rheumatic fever while in Bremerton, and spent 110 days in hospitals before receiving his charge, and returning to his home at Sudan.

KEY FIELD, Miss.—George Thornton received recognition his attention to duty at this Corps base when he was advanced to the grade of Corporal. Cpl. Thornton, son of Mrs. Lela M. Thornton of Hale Center, enlisted at Lubbock in August, 1942. Cpl. Thornton attended Littlefield High School and was employed by Consolidated craft company, in San Diego, Cal.

Stamp 'em Out WITH BONDS

TO: Every American on a Payroll
FROM: The Secretary of the Treasury

SUBJECT: The New Pay-As-You-Go Method of Collecting Your Income Tax

Starting July 1st, both your Income and Victory Tax will be collected by an entirely new and more convenient method.

Under the old system, you were obliged every March 15th to pay either the full tax for the previous year, or a quarter of that amount. Under the new system, you will keep paid up from month to month.

After July 1st, your employer is obliged by the new law to withhold every month a part of your wages and turn the money into the United States Treasury as payment on your Income and Victory Tax.

Of course, the amount that your employer withholds will depend upon your pay and your exemptions. But this is the important point: For most of us, the amount withheld over a year's period will add up to the same that we're paying now—plus or minus a few dollars.

At the end of the year, we may owe the Government a few dollars or the Government may owe us. (See the tables below.)

You may have heard 20% mentioned as the proportion of your wages that will be withheld. Actually, this is incorrect. To figure the amount that will be withheld, take your total wages and subtract your allowance for exemptions and allowance for dependents; 20% of this lesser amount is the total that will be withheld.

Now please remember this: You must claim those exemptions to take advantage of them. Before July 1st, you must file with your employer an Exemption Certificate. If you do not do this, your employer will have no choice but to deduct 20% of your full pay check.

Here is how the new tax collection method will work: Let's say you are a working man earning \$3,000 a year; that you are married, and have two children.

First of all, as a married man you are allowed a personal withholding exemption of \$1,248, plus an exemption of \$312 for each dependent (other than your wife). This makes a total exemption of \$1,872 (\$1,248 for yourself and wife, plus \$624 for your two

dependents), which is deducted from the \$3,000 you earn before your tax is computed. You are thus paying tax on \$1,128, of which your employer will withhold 20%, or \$225.60 for the year. Therefore, in your pay envelope, after July 1, you will receive about \$4.40 less each week.

In March, 1944, when you ordinarily would be faced with paying taxes on your 1943 income, you will file a return showing how much you have already paid, and how much your total tax actually amounted to. If, by that time, you have already paid more than your actual tax due, you will be given credit for the difference. If you owe more than you have paid, you will pay the difference.

Since this plan starts July 1, many wonder what happens to the tax payments they will already have made by that time—on March 15 and June 15.

For a great majority of people, here is what happens. . . . Your 1942 income tax is "forgiven" (either all, or most of it). The March and June installments which you originally paid on that 1942 income tax are credited, instead, as payments on your 1943 tax. With the result that on July 1st, with the year half gone, you have already paid tax on that half-year's income. In short, you are "paying as you go."

There is one thing more. Since this pay-as-you-go method leaves you just as much of your net income as you had before, you will probably find it possible to at least maintain your present rate of buying War Bonds. Do this by all means!

Taxes alone will not bring to the Treasury nearly enough money to finance the great invasion war that lies ahead. The war needs every cent of your money that does not go for the necessities of life.

"The Pick of the Plains"

Last Rites Held For L. M. Williams

Funeral services were conducted Tuesday morning, June 29, at 11 o'clock at the Amherst Methodist Church, for Lycurgus Mino Williams, 88, one of Amherst's pioneer residents, who passed away Monday, June 28, at his home.

Rev. Ray Lee of Throckmorton officiated; and the interment, in charge of the Payne Funeral Home, took place in the Amherst Cemetery.

Deceased was the son of Mr. and Mrs. W. B. Williams, and was born October 26, 1854, at Savannah, Tenn. He lived in Tennessee and Alabama during the early part of his life. On July 25, 1878, he married Miss Fannie Beavers at Savannah, Tenn. Seven children were born to the union, five daughters and two sons. His wife preceded him in death, August 30, 1937, and one daughter, Mrs. Lula Lane Painter, died several years ago. Surviving are Mrs. Girtle Kelley, Amherst, with whom the deceased made his home; Mrs. Pearl Abbott, Amherst;

Mrs. Emma Coulson, Amherst; Mrs. Bernice Coulson, Elk City, Okla., and two sons, Clarence and Sherrill Williams, both of Amherst. Twenty-one grandchildren and fourteen great grandchildren also survive. Three of the grandsons are in the armed service.

Mr. Williams moved his family to Texas from Alabama in 1882, to Hunt County. Later they went to Deaf Smith county, where they lived for several years. In 1925 they moved to Amherst, where they have continued to make their home since that time.

Deceased was a devoted Christian, and had been a member of the Methodist church since early manhood.

Serving as pallbearers were T. E. Spear, W. H. Strong, D. B. Sherrill, A. W. Messamore, L. D. Criswell, and J. W. Gates.

Flower bearers were: Mesdames T. E. Spear, S. B. Sherrill, Lester LaGrange, David Harmon, A. W. Messamore, W. J. Warren, Hugh Simmons, and W. H. Masten.

Those from out of town who attended the funeral were Dr. J. W. Coulson and daughters, Merle and Betty, from Elk City, Okla., Mrs. Thyra Loose and daughter; and those from O'Donnel, Texas, were: Mr. and Mrs. Jake Gates, Mrs. Cora Williams and daughter, Maud; Mr. and Mrs. Mart Foster and son from Clovis, and Mr. and Mrs. Walter Coulson and son of Morton.

Dr. Randolph Brantley To Leave July 28 For Naval Air Training

Dr. Randolph Brantley, son of Mrs. Harris Brantley, near Amherst, will report for active duty in the Navy at the Naval Air Technical Training Center, Jacksonville, Fla., July 28.

Dr. Brantley is a graduate of Littlefield High School and Texas Dental College of Houston, Texas, and has been a member of the Texas Dental College faculty since his graduation in March. He was also taking his intern work in Jeff Davis Hospital there when he received his orders to report for active duty.

He has been in the Naval Reserve

The following letter was received Tuesday by the Leader:

"Somewhere in the Pacific"

"Dear Sir:

"Well, I thought that I would let you know that my address has changed. I am a long way from home, but I hear from the folk through the Leader. It takes a long time to get here, but I always look forward to reading it. I am now Second Class Petty Officer.

"Some of the news about the Service I like to hear, but I hate to hear the bad news because it makes me feel sad and I should not feel that way over here; if I can help it. I am trying to do my part.

"DARWIN T. PIERCE."

According to Mrs. Roy Wade, his sister, James Courtney, who has been employed in a synthetic rubber plant at Port Arthur, Texas, passed his physical examination in Dallas last week to enter the Army, and will report for training in 14 days.

letter to her family, "Army life is O.K. and I like it fine." She has been in the WAACS since April 9, and she got her training in Louisiana. She was graduated from the Plainview High School in 1940.

Her new job is driving Army Jeeps.

Pfc. Robert N. Lentz, who is an aerial gunner at Kearns, Utah, arrived home July 2 to spend a ten day furlough with his parents, Mr. and Mrs. G. E. Lentz, of Littlefield.

Pfc. Lentz is a '42 graduate of the Littlefield High School. He received his Gunner's wings at Laredo June 5, where he attended school for six weeks.

and Mrs. H. J. Dobson of Spade, has arrived in England, according to a letter received by his wife this week.

Cpl. Dobson said that he "sure liked the country; that they had good beds and plenty to eat, and that they were playing ball for pastime."

S-Sgt. Thomas E. Lowe arrived Monday on a 15 day leave to visit his mother, Mrs. M. E. Lowe. He was accompanied by Mrs. Lowe. They will leave Friday for Booker, Texas, where they will visit his wife's parents, Mr. and Mrs. Andy Meyer. Mrs. Lowe has been making her home near Camp Claiborne, where S-Sgt. Lowe is stationed.

Dean (Red) Morgan, 18, son of Mr. and Mrs. R. E. Morgan of Littlefield, Second Class Seaman in a Landing Craft Division, who has been in the Service since January, is now "Somewhere in the South Pacific," according to a letter received by his parents Tuesday.

He was attending a Landing Craft school at San Diego, Calif., until six weeks ago.

Jarold Jones, son of Mr. and Mrs. Otto Jones, of the U. S. Navy, who left here about July 1, arrived at Lafayette, La., Friday last, where he is in school at the Southwestern Louisiana Institute. There are 645 students of the Navy and Marines taking instruction there. The Thomas H. Harris Hall is serving as a dormitory for the boys.

Jarold wrote his parents that Fayette was a beautiful place, that the climate was unbearably

Cpl. J. L. Vaughn, son of Mr. Mrs. A. O. Vaughn of Amherst, has returned to his station at Ft. Dix, N. J., after spending a furlough with his parents. A graduate of Littlefield High School and a former student of Texas Tech, Cpl. Vaughn in the ordnance department at Ft. Dix. He enlisted in the Army April, 1942, and was first stationed at Camp Bowie and later at Ft. Sam Houston, San Antonio. At several months at the Aberdeen Md., proving grounds, he was stationed at a camp in Canada, returning to the States in March.

Phillips Petroleum Company
Announces the Completion and First Operation of its
90,000,000 Lb. Butadiene Manufacturing Plant

For an annual production of rubber equivalent to 11,000,000 tires

A MODERN miracle of petroleum research and chemistry has figuratively transformed a few acres in the Panhandle of Texas into one-third of a million acres of rubber plantation.

Here rubber will be drilled from the depths of the U. S. earth, instead of tapped from East Indian and Malayan trees:

From wells overlying the greatest raw gas field ever discovered, will come the natural gas to be processed into butadiene, the basic and major ingredient in synthetic rubber.

This great plant . . . designed and built by Phillips . . . based on Phillips research . . . using Phillips own patented processes . . . independent of German research . . . will make butadiene for an equivalent of 30,000,000 foreign rubber trees.

Thus is brought nearer the no-longer distant day of U. S. self-sufficiency in rubber. Thus is Victory made more certain. And with that great day will come to all Americans the full peacetime benefits of this outstanding wartime development.

PHILLIPS PETROLEUM COMPANY, Bartlesville, Oklahoma

PHILLIPS RESEARCH

Brief Notes about Phillips as Trail Blazer in the Synthetic Rubber Field

Three containing rubber produced from Phillips butadiene have been on the nation's highways for more than two years.

have been placed under Government secrecy restrictions because of their importance in the war effort.

In 1941 Phillips produced, for commercial rubber use, more than four times as much butadiene as any other oil company.

Almost three years ago, Phillips proposed to U. S. Government agencies the manufacture of butadiene by catalytic dehydrogenation, based on four prior years of actual pilot-plant operations.

Phillips was first to discover and report, in 1933, the efficient dehydrogenation of butane, the most important process in the production of butadiene.

Phillips has several hundred inventions, covered by U. S. patents and patent applications, relating in various ways to the manufacture of butadiene; exclusive of nearly one hundred pending patent applications which

Phillips has freely supplied technical data on butadiene, styrene, and other related processes, to the petroleum and other industries participating in the Government rubber program. As a matter of company policy, Phillips advocated the production of butadiene by all dependable processes, from all possible raw materials, including products of the farm.

Ready Market For Peanuts Is Assured

A ready market for peanuts when they are harvested was assured Texas farmers this week by the State USDA War Board.

Facilities of the peanut shellers and crushers throughout the state will be utilized from the very beginning of the marketing season in order to move the maximum quantity of the peanut crop directly into food and feed channels, the board emphasized.

Under this year's agricultural production program, Texas farmers have pledged 1,297,935 acres as their share of the national peanut goal. Last year's production approximated 1,060,000 acres.

prisoners for help in that county's harvest this fall.

Of course, there is nothing certain as yet, about the use here of Italian prisoners of war, now behind wire on the flat wheatlands of Deaf Smith county following the U. S.-British cyclone which struck the forces of the dumpy Duce in North Africa.

It is explained that the following steps must be taken before a County could secure help from this internment camp:

1. The County Commissioners Court must certify to the best of its ability the number of prisoners which are needed over and above the amount of free labor available; it must guarantee that certain minimum wages must be paid; that at least 50 per cent of the number of prisoners furnished will be kept busy for half the number of days within a set period of time; it must make available to the government, without cost, suitable grounds upon which a small cantonment can be constructed at government expense; it must incorporate in an official application to the Eighth Service command, at Dallas, all this information.

2. From the Eighth Service command will come an inspector who will check the information contained in the application; and if he finds everything "ship-shape," will recommend that the prisoners be made available. Then:

3. The Eighth Service Command will order Hereford camp authorities to make available the prisoners needed, together with a complement of officers and men of the U. S. Army who will administer to the prisoners and guard against attempts at escape.

This war bond campaign will be given a boost July 14 when a Bond Rally for all Masons and their families will be held at Buffalo Lake, southwest of Amarillo.

Increase In Scholastics Scheduled

The State Monday ordered payment of \$25 per scholastic to school districts as the state's aid to other than rural schools for the next school year.

Besides the \$25 per scholastic, rural schools will receive approximately \$8,000,000 under a special appropriation to equalize school opportunities.

The \$25 payment is an increase of this year's payment of \$22.50. The larger amount was made possible by an act of the recent legislature raising the maximum allotment to \$25.

Despite the increased payment it is expected that the state ad valorem school tax, which was 33 cents for this year, will be lowered.

The \$25 distribution will go to the school districts for each person of scholastic age living in the district, whether or not they are attending school. A scholastic census is used to determine the amount of payment.

The board of education voted also Tuesday to set aside \$1,600,000 for free school text books. Both this \$1,600,000 and the payment of \$25 to each of the approximately 1,562,900 children shown in the scholastic census must be considered by the state automatic tax board which will meet later this month to set the state ad valorem tax rate.

It is understood that there is a \$10 raise for the teacher with college degree; and an increase of \$1.50 per year of experience has been made over the \$1.00 previously given experienced teachers.

SOME SCHOOLS OPENING EARLY

Spade, Hart Camp and Fieldton schools will open for fall terms on August 9, according to County Superintendent J. Ernest Jones. No date as yet has been set for the opening of Littlefield Schools, Mr. Jones said.

Payroll Savings Buys Comfort For Your Fighting Relatives

Not all of your payroll savings and other War Bond purchases are used for tanks, planes and gunpowder. A part of your investment goes for the comfort of your father, brother, son or friend. Put your war bond buying through your payroll savings plan on a family basis to do the most effective job in providing for the care and safety of your men in the armed forces. Figure it out for yourself how much beyond 10 per cent of the aggregate income of your family you can put into war bonds above the cost of the necessities of life.

Remember a single \$18.75 war bond will buy for a fighting soldier on the front: Two cotton undershirts at 44 cents; two pairs of cotton shorts at 76 cents; two pairs of cotton socks at 34 cents; one pair of shoes at \$4.31; a cotton khaki shirt at \$4.64; pair twill trousers at

\$4.16; one web waist-belt at 23 cents; two cotton neckties at 44 cents; 2 khaki caps at \$1.26 and one twill jacket at \$2.16. Total \$18.74.

An \$18.75 war bond should make a marine comfortable for the night with a 23-pound mattress at \$4.20; two blankets at \$13.54; a pillow at 56 cents and two pillow cases at 30 cents. Total \$18.60.

Or he could be provided with a rubber poncho at \$4.77; a helmet with its lining and other items of its assembly at \$5.62; a rifle cartridge belt at \$2.15; a marine corps pack consisting of haversack, knapsack and suspenders at \$5.10; a canteen and its cover at \$1.05. Total \$18.69.

Those of you who worry about the comfort of your boy in service can help insure his comfort by buying war bonds. And 10 years from now you'll take back \$25 for every \$18.75 you put in. U. S. Treasury Department

Figure It Out Yourself. How can you effectively join in saving all the little children of the world from human slavery, death and injury from the Nazis and Japanese? Put more and more of your pay into war bonds every payday. Your savings will go to war in the form of war equipment and other munitions. How much more should you put into war bonds? The only ones who can answer that are—you and your family. It's up to you to decide just how much more you'll do to win the war.

If you were fighting in the Solomons or in Africa or forcing a landing in Europe you'd like to feel that the folks at home were back of you—all the way—you'd be proud of your family and your friends if you knew they were buying war bonds not at 10 per cent or 15 per cent, but with every cent beyond that which they need for necessities. U. S. Treasury Department

Lamb County Schools Well Represented At Lubbock Meeting

Schools in Lamb County were well represented at the Superintendents and teachers meeting held at Tech College Wednesday, when the main topic of discussion was the "Valuating Criteria of Elementary Schools" in this part of Texas.

Miss Edgar Ellen Wilson, Director of elementary education of the State Department of Education, was one of the main speakers.

Attending from Lamb County were: Supt. F. A. Hemphill, and County Superintendent of Schools, J. Ernest Jones, from Littlefield; Supt. Lester Rogers from Amherst; Supt. C. L. Davidson of Spade; and Supt. James C. Alvis, new head of Spring Lake schools.

Chamber of Commerce Ballots Mailed Out

Ballots to be marked by members of the Chamber of Commerce for the election of Officers and Directors for the ensuing year have been mailed out. President, Vice-President and three Directors will be elected by these ballots, which must be returned by Tuesday next, when same will be announced.

Janey

Janey closed the bedroom door and locked it. Alone at last! She threw back her head and heaved a deep sigh. Then she peeked out of the corner of her eye at the mirror to see whether she really did look like Hedy LaMarr. Quite a lot, she decided.

And now to business. She drew forth from the bottom of her top bureau drawer the sheet of pink writing-paper and the envelope that she had been saving for this day. She sat down at the table by the window and dipped the pen into the bottle of green ink that her sister Rose was such a pig about.

She wrote, with beautiful arabesques, "Dear Mr. Morgenthau," and held her head back to admire this effort of the best pupil in penmanship class.

"Here are my stamps for a bond. \$18.75. I started last Christmas when I got \$3.00. Not counting 50 cents, I have earned all the rest, working one or more days a week at a local grocery store, and I'm quite proud to say I worked hard to get it."

Janey stared out of the window at Peterson's house and beyond at the big yard where the kids were playing football. She held her pen elegantly in air.

"Sitting here looking out the window, I see a peaceful little town, and I wonder how the world can be in such a turmoil and the people of this world can have such hate for their fellow men. So I'm proud to send these stamps because I know I'm helping to make the whole world peaceful again like our little town."

She signed her name with an important flourish, not forgetting a conspicuous "Miss" in front of the "Janey." After she had sealed the letter she went on staring out of the window. It really was awfully peaceful. Overhead she heard a plane humming by through the sunny afternoon air.

Then the voice of her best friend, Betty, called from outside—"Janey!" In an instant Janey was on her feet and tearing downstairs and out. She was not Hedy LaMarr nor a deep philosopher any more, but exactly twelve years old.
