Congressman Mahon Talks To 300 At C. of C. Banquet

Littlefield Chamber of Commerce staged the most successful annual banquet of its long, vigorous and worthwhile career last Tuesday evening, when more than 300 members, their wives and guests gathered at Littlefield Country Club, to enjoy a delightful banquet menu, and a splendid program, highlighted by a stirring talk by Congressman George Mahon, now on a vacation tour of his District during the current Congressional adjournment.

All through the years since organization, the banquet has been an annual highlight, but as both the city and the chamber membership have grown by leaps and bounds, it has become with each succeeding year more difficult to properly and adequately house and entertain the gathering.

A Beautiful Setting
 The completion of the new Country Club this year, a project in which Chamber membership was active, paid dividends last Tuesday night, in providing a site and setting for the annual banquet—made it possible to invite and seat more than 300 at the banquet tables in the spacious ball room of the beautiful new club house.

A Yellow Moon
 Even the weather man smiled, and as members, and guests, accompanied by their ladies, drove out Oklahoma Avenue to the club house, passing countless bales in still loaded wagons of newly harvested cotton enroute, attesting to the tremendous prosperity which has blessed this area, a huge yell—

To Represent Tech In "Who's Who In American Colleges"

BOBBY JO SALEM

Bobby Jo Salem, son of Mr. and Mrs. Joe Salem of Sudan, was one of 21 students who was selected to represent Texas Technological college in Who's Who in American Colleges and Universities, as announced Saturday, December 3, in the Toreador, Tech school paper, by James G. Allen, chairman of the selection committee.

Senior Arts Student
 The Lamb county boy, is a senior arts and sciences major, with a grade average of 1.89. Activities, honors and offices he has held, or is filling at the present time at Tech are: President and vice-president of Silver Key; vice-president Alpha Epsilon Delta; Dunlap scholarship; Junior Rotarian; All-college recognition service. Member: Silver Key, Alpha Epsilon Delta, Student Council, Men's Inter-Club council. He is a pre-med student, and will receive his B.S. degree in June.

Bobby Jo Salem was born in Ranger in August, 1929, and moved to Sudan with his parents in 1930, where the family has made their home since that time. He has one sister, Betty Salem, who is a freshman at North Texas State College at Denton. His maternal grandparents are Mr. and Mrs. W. N. Harkey of Littlefield, and he is

Arthur Duggan Named President Of 6 County Bar Association

The annual meeting of the six-county bar association, an organization whose membership comprises practically every attorney in this judicial district, held its annual meeting and following banquet at Hilton hotel, Plainview, Saturday night.

High honor at the business meeting and accompanying election of officers, went to a Littlefield attorney, Arthur P. Duggan, who was named president of the organization to serve for the ensuing year, succeeding George Jennings, of Tulla.

Judge Russell Honor Guest
 The banquet following had for its honor guest, Judge C. D. Russell of Plainview, who will retire from the district bench on January 1, and to E. A. Bills of Littlefield, who has been named to fill the vacancy by Governor Allen.

Other officers elected at the business session were: Pat Bobo, of Muleshoe, vice-president; Jim Norman, Plainview, District Court reporter of Plainview, was re-elected secretary.

During the course of the banquet Judge Russell was presented with a handsome set of golf clubs, as a testimonial of the affection and esteem of the bar association membership. The presentation was made by Frank Day, of Plainview. The newly named judge, E. A. Bills, a long-time member of the association, was formally presented at the banquet by George Jennings.

The elevation of a Littlefield man to the high place in the bar association, marks the third time that the honor has been conferred upon a Lamb county member. T. Wade Potter and E. A. Bills both are past-presidents.

P.T.A. NOTICE
 The December meeting of Central P.T.A. will be Tuesday at 2:30 in the High school auditorium. A musical program will be given by Mrs. McClain's students.

 All 1948 Cotton
 Acreage In 1950
 Fourteen Voting
 Booths Provided
 In Lamb County

Lamb county farmers, or practically all of them, who were cotton farmers in 1948, will go to one of fourteen voting places in the county next Thursday, Dec. 15, and vote upon acceptance or rejection of acreage quotas and marketing controls, for the 1950 cotton crop.

The 14 county polling booths will be presided over by as many PMA committeemen, already named. A two-thirds majority of all the votes in the cotton producing area is necessary, if controls last employed in 1941, are to be re-established. It is almost a certainty that the required two-thirds majority will be attained, as the entire price support program is predicated upon enactment of new acreage controls.

The voting will be a leisurely all-day affair, with voting places open from 8:00 a. m. until 7:00 p. m.

Eligible to vote are owners, lessees, tenants (not of the latter) share croppers, anyone who was in any manner or form, a cotton producer in the year 1948.

The Amherst PMA offices have been working long hours since the county quota was announced about

Community Chest Funds Total \$5667

As reported Tuesday morning by Mrs. F. L. Newton, Community Chest secretary, a total of \$5,667.84 had been collected. The chest goal for 1949-50 is \$14,000.00.

A meeting of the board of directors of the Chest was called Monday night, and the list of workers was revamped, and names of new workers added to the list, including workers from the local Rotary and Lions clubs.

Workers are being urged to make their calls immediately and turn in their contributions as early as possible. "The drive will remain open until the goal is approached," Bob Kirk, president, announced.

Local Postoffice Prepares To Care For Largest Volume In History

Postmaster W. D. T. Storey announced this week that the local postal force at Littlefield postoffice has accepted the task of caring for the largest business in the history of the office.

Postal receipts have already passed the \$40,000 mark in the month of November. Mr. Storey asks the cooperation of the public in asking that patrons buy stamps in quantities at the

Correction

In last week's Leader it was inadvertently stated that Jarold Jones made a trip to Oklahoma City, where he attended to business and brought back to Littlefield a new "Packard" automobile, of which the Jones Motor & Tractor company are dealers. This was in error, as the Wayne Motor Company are the local dealers for the Packard automobile, and Mr. Jones Company are local dealers for the Cadillac, for which cars they are dealers along with the Oldsmobile, and not the Packard. The Leader apologizes for this mixup.

VAN CLARK CALLED TO PHOENIX

Van Clark left Tuesday morning for Phoenix, Arizona, where he was called on account of the illness of his brother, Ed. Clark, who suffered a heart attack Monday. He was accompanied by his brother's two daughters, Mrs. Ruby Caldwell of Big Spring and Mrs. Roy Coffin of Belton.

passed away at 5:30 a. m., Monday. Services were conducted from the First Baptist church at 3 p. m. Tuesday.

Rev. J. E. Moore, pastor of Longview Baptist church, brought the message, assisted by Rev. J. H. Cox and Rev. Clyde Coffman.

Mary Brantley was in charge of the music. A special song was rendered by Mrs. Cox.

Burial took place in the local cemetery.

Literary Department To Have Christmas Party At S. E. Ayres Home

Mrs. S. E. Ayres, Jr., will be hostess at the December meeting of the Literary Department of the Woman's Club on Wednesday afternoon, December 21st, which was formerly scheduled to meet with Mrs. J. H. Barnett.

A Christmas program will be presented, with Mrs. Pat Boone in charge.

At a called meeting of the department held last Wednesday afternoon at Dyer's cafeteria, members voted to make up a fund to be used in bringing Christmas to two needy families in Littlefield, instead of the usual gift exchange. At the same meeting, Mrs. C. S. Duncan was elected secretary of the club, filling the vacancy made by the resignation of Mrs. Ralph Douglas.

Hostesses for the meeting will include Mesdames J. H. Barnett, W. G. Morris, T. B. Duke, and S. E. Ayres, Jr.

Enjoy Turkey Dinner At Doss Maner Home

Mr. and Mrs. Doss Maner of six miles south of Littlefield, were host and hostess to a number of relatives at a turkey dinner Sunday.

Those enjoying the hospitality of the Maner family were Mrs. W. L. Simpson of Fort Worth and her son Lee of Andrews, Texas; Mr. and Mrs. H. H. Harrelson and two daughters Melba and Lavon of Cisco; Mr. and Mrs. Chester Allen of Hobbs, N. M.; and Mr. and Mrs. L. D. Stanford and three sons, Peyton, Jimmie and Jerry, all of Littlefield.

Mrs. Simpson and Mrs. Harrelson are sisters of Mrs. Maner, and Mr. Stanford is a brother.

Notice is hereby given that I, Esta Mae McGuire, guardian of the estate of Connie Wray Hopping and Richard Coke Hopping, minors, have, on the 6th day of December, 1949, filed with the County Clerk of Lamb County, Texas, in Probate Cause No. 458, in the Matter of Guardianship of the Estate of Connie Wray Hopping and Richard Coke Hopping, an application under oath for authority to make an oil, gas and mineral lease with pooling and unitization provisions covering an undivided one-fourth (1/4) interest in the oil, gas and other minerals in certain land situated in Lamb County, Texas, and being the Southeast Quarter (SE 1/4) of Labor No. 14, State Capitol League 664, which said land is fully described in said application; and further notice is given that Honorable O. F. Dent, Judge of the County Court of Lamb County, Texas, on the 6th day of December, 1949 duly entered his order designating the 19th day of December, 1949 at 10:00 o'clock A. M. in the County Courtroom in the Court House of Lamb County, Texas as the time and place when and where such application shall be heard, and notice is given that such application will be heard at such time and place; and this notice is given by publication in a newspaper published in Lamb County, Texas for the time and in the manner provided by law.

(signed) ESTA MAE MCGUIRE
Guardian of the Estate of Connie Wray Hopping and Richard Coke Hopping, Minors.

Missionary To Speak At Assembly Meeting

Rev. Holder, a returned missionary from South America, will be guest speaker at the regular high school assembly meeting to be held next Wednesday morning, December 14, at 11:00 o'clock.

TO ATTEND AIR CLASSES

Ten RAFB officers have been chosen to attend the next class at air tactical school, starting January 5, 1950 at Tyndall AFB, Panama City, Florida.

Officers named are Maj. Albert H. Schneider, Captains Harry A. L. Jones, James T. McStroy, Geo. V. Wendling, Donald F. Karaschner, Gordon E. Jones, John H. Slinde and Walter R. H. Berger and 1st Lt. Theodore B. Goff and William W. Overton.

The air tactical school prepares officers for the command positions and for the staff duties appropriate to the higher grades. They are given an opportunity to study the organization and function of other Air Force Commands and of other services. Each class lasts approximately 16 weeks.

WILDCATS TO PLAY BALLINGE IN ODESSA FRIDAY AFTERNOON

Winner Will Be Favored By West Texas Fans To Win Class A Title

The Littlefield Wildcats will leave here at 8 o'clock Friday morning in a chartered bus to journey to Odessa where they will tangle with the Ballinger Bearcats for the right to represent West Texas in the Class A playoffs.

Game time is set at 2:00 o'clock at Broncho stadium.

The game, expected to be a standout, will feature two rough, hard-running elevens. Littlefield has an 11-won and 1-lost record while the Bearcats have an undefeated-but-uncertified record. They were held to a 13-13 tie by Coleman earlier in the season.

The site of the game, third neutral field for the Cats this season, was decided upon by agreement at a meeting Saturday night after Ballinger had upset Wink 33-7 to win the Region Two championship. Since the uniforms of both teams were almost identical, a flip of the coin was necessary to decide who should make the change. Littlefield lost and will use Littlefield's uniforms for this game.

Littlefield is near top condition for this contest as Ballinger is also. But reports in Odessa favor the Bearcats by about seven points.

Ballinger is coached by Waymon Wilson, onetime performer at Howard Payne College. He's one of the veterans of Texas Class A football coaches, having about 15 years behind him.

He spent four years as an assistant at Ballinger, went to McCamey in District 5-A for four campaigns, returned to Ballinger as head coach. This is the seventh season in that capacity.

His Bearcats have won four district titles, two regional banners and were regional runners-up to Monahan last year, losing a 33-28 thriller which Waldo Young decided with a cross-country dash in the facing minutes.

The 1948 Bearcats have surged to 11 victories in a record that is barred only by a 13-13 deadlock with the Coleman Bluecats. Ballinger was hampered by five costly fumbles in that one.

A controversy raged following the 6-2 triumph over Ranger in

Littlefield Man Plays With Clovis Pioneers Ball Club

I. B. PALMER

As the season closes for sportsmen of the hardball world, we find among our travels an honored player. Mr. I. B. Palmer, 209 Ripley St., formerly of Little Rock, Ark., has received a statement from his ball club to the facts and figures of last year's work with baseball league with the Clovis Pioneers of which the Dean brothers (Paul and Dizzy) are owners. This club has a working agreement with the Chicago Cubs.

To obtain a rating with the outstanding players you have to play at least 100 games. In this category Palmer has the following marks with the competition in the Texas-New Mexico league during last season:

Second in runs, with 119; Batting average, of .369; Second in hits with 212; Leads the league in runs batted in with 148; Second with two-base hits with 53; and is the fifth batter of the league standing. Also he has 18 home runs to his credit. Palmer will be back with the Pioneers next year, if he is not drafted to another club. During his off-season, Palmer is employed with the Littlefield Implement company. I. B. has a wife and two children, boys, 8 years, and

LEE HEMPHILLS CALLED TO HOUSTON

Rev. and Mrs. Lee Hemphill are expected to return home today, Thursday, from Houston, where they have spent the past few days at the bedside of Sidney A. Smith of Dayton, who is ill at the Baptist hospital at Houston. Enroute to Houston, Rev. Hemphill attended an annual executive board meeting of the Texas Baptist Convention, held at the First Baptist church of Dallas Tuesday evening.

14-0.

The last half, except for Combs' touchdown jaunt, was Littlefield all the way. The Lamb county crew took the third-quarter kick-off and had a touchdown three plays later. Starting from their own 42 the Cats moved six yards on Askew's left end, and 11 more on his re-crosley. Then Bailes popped through the middle of the Pirates' closely-packed defense and sprinted 41 yards to score. Gage's running try for the extra point was stopped.

Lefors' lone touchdown came without warning. After Renfro kicked out-of-bounds on the Pirate 26, three running plays gained only four yards. Combs dropped into the right, reversing his field, and he broke into the clear at the 50-yard line with a five-man convoy of blockers behind him, and ambled on down the field to pay dirt. Todd's plunge for the extra point failed.

Littlefield's last touchdown came late in the fourth stanza, when Brock intercepted Billy Watson's wobbled pass and dashed 25 yards untouched. Askew tried to run the extra point, but was halted.

As usual, singling out the Littlefield stars was difficult because the triumph was primarily a team achievement. Although the Cats had been expected to make considerable use of their superior reserve strength, Fikes used only five substitutes—one more than the out-manned Lefors club. The entire Maroon wall was superb, while Bailes, Askew and Renfro sparked the offense. Brock was outstanding on the defense in the secondary.

Combs and Todd accounted for practically all of Lefors' limited offense. The Pirates' top linemen were Stokes, the agile 263-pound six-four tackle; and Ike Doom, sure tackling 160-pound guard.

Olton Tangles With Kress In Plainview Friday

An air of feverish activity prevails among the member of the Plainview Chamber of Commerce this week as they make plans to stage the Region 1-B football championship tilt in Plainview Stadium Friday afternoon.

The contest will feature the two survivors, Kress and Olton, of a rigorous and lengthy Class B grid campaign which started early in September.

R. V. Payne, president of the Plainview Chamber of Commerce, announced Monday that arrangements already have been made to

Littlefield Defeats Lefors Pirates 26-6 For Regional Championship

The Littlefield Wildcats literally bulldozed their way to a 26 to 6 victory over Lefors Pirates last Friday at Amarillo stadium.

Coach Jay Fikes wrapped up the second Regional Championship since he came to Littlefield in 1944.

A crowd of 6000 wind-chilled fans saw the Wildcats hammer out the win—their eleventh in a row since losing to Dalhart at the start of the season. The loss snapped Lefors' 10-game 1949 winning streak, erasing the Pirates' name from the state's perfect-record list.

Littlefield went into Friday's tilt as the 3-4 bi-district Class A titlist, while Lefors was the 1-2 bi-district kingpin.

Fumbles Mark Starting Play The game opened with three mid-field exchanges, then Lefors launched a threat by blocking Gene Renfro's fourth-down punt and taking over on the Cats 34. Two runs each by Combs and Friday Todd picked up a first on the 24, holding penalty shoved the Pirates

Cats' Line Drives Score

But that potato was still too hot to handle. On the first play from scrimmage, Combs' short pass over the middle was intercepted by Donald Crossley on the 10 and returned to the five. From there, four line smashes—Renfro, Gage, and Renfro twice—produced the opening touchdown. Askew then swept around right end for the extra point.

Half Ends 14-0

Arlen Wesley toed a kick-off that bounded around crazily, down on the Pirate ten, where two Pirates waited for it to bounce out. Billy Frank Davis of the Wildcats bounced it first, and the Wildcats took over, presented with another fantastic break.

Bailes bumped once, then threw a key block as Askew went seven for a touchdown. Askew ran another extra point. The half expired two plays after the next kick-off

GAINING NEEDED YARDAGE — Frank Gage, driving Littlefield tail back clear right end for a substantial gain in the regional game with the Lefors Pirates at Amarillo Friday afternoon. Friday Todd, Pirate linebacker, right, made the tackle. Watching to the rear of Todd is Littlefield tackle Jerry Cotter, who promptly to his left blocked the tackle back from scrimmage. Gage and Cotter were co-captains for the Littlefield Wildcats in the game, which they won, 26-6. PICTURE COURTESY AVALLON

WOW Lodge To Sponsor Stamps All Star Quartet Concert Monday

The Littlefield W.O.W. lodge is sponsoring a concert by Stamps All Star Quartet of radio station KRLL, Dallas, Texas, in the Littlefield High School auditorium, on Monday night, December 12, opening at 7:30 o'clock.

A percentage of the returns will be received by the WOW and go into the general camp fund.

The admission to the concert will be 25 cents and 50 cents.

The quartet is coming here from Amarillo, and will put on a program over KVOW at 12:15 and 5 p. m., Monday, Dec. 12.

Members of the quartet are: Clyde Garner, Roger Clark, Glen Payne, Jack Taylor, and Haskell Mitchell.

Mitchell is a brother of M. O. Mitchell, local manager of Penney's.

Sister of L. A. McGraw Killed In Car Accident

Mr. and Mrs. L. A. McGraw of Star Route 2, Littlefield, were passengers in the car wreck, in which his sister, Mrs. Luther Champion, 38, of Lubbock, was fatally injured, last Saturday night, when the car collided with a truck near Shallowater on Lubbock highway.

The Littlefield couple escaped with minor injuries, as did the husband.

Mrs. Champion was taken to a Lubbock hospital, and passed away about 4:55 o'clock, Tuesday morning. Funeral services are being held at Henderson today.

Brotherhood To Meet Monday Night

One hundred men are wanted at the meeting of the Baptist Brotherhood, which will be held at Dyer's cafeteria Monday night at 7:30 o'clock, for a regular monthly business meeting and social evening.

Rev. J. Henry Cox, pastor of the First Baptist church at Amherst, will be guest speaker, and musical numbers will be given by W. D. Kay, Amherst school principal. Charles Heathman is president of the organization, and will preside at the business session. E. J. Packwood is program chairman.

Ray Hulse In Charge Of Rotary Program

A "rural-urban" program will be presented at the regular meeting of Littlefield Rotary club this afternoon, with Ray Hulse, prominent Lamb county farmer and business man, in charge.

WASHINGTON VISITORS
Mr. and Mrs. T. Capps of Yakima, Washington, returned home yesterday, after having spent the past three weeks here visiting her brother, W. R. Sewell, who is seriously ill, and who has been a patient at Amherst Co-Op hospital the past several weeks. They also visited another brother, Homer Sewell and wife, here.

Parcel Post Is Heavier Than Ever

With express rates sharply higher than last year, Postmaster Storey says that Parcel Post parcels, both incoming and outgoing, are heavier this year than ever. Not only are the heavier parcels being carried through the mail, but the number of them has vastly increased.

Trains are running late, the postmaster adds, as a general rule, and this invariably prevails during the holidays.

He compliments his parcel post carrier and deliveryman, E. A. Russell, but admits that even Mr. Russell is going to have both hands full in handling the delivery of parcels this year.

The postmaster urges early mailing of all Christmas parcels; suggests that in event that they be posted not later than Dec. 15, to insure Christmas delivery, on time.

Unsealed Christmas cards this year require the affixing of a 2-cent stamp, instead of 1½-cent denomination as heretofore. Sealed envelopes, carrying cards, are regarded as first class mail, and require a 3-cent stamp. Also any card carrying writing in any form calls for a 3-cent stamp.

Another postal ruling not generally known, is concerning small-sized Christmas cards, less than 3 inches on two side or also those more than twelve inches in length. Being classed sub-standard size, they require a 3-cent postage stamp, whether sealed or not.

FACTS ABOUT 1950 COTTON ACREAGE ALLOTMENTS AND MARKETING QUOTAS

ALLOTMENTS

No farm will receive an allotment less than the smaller of (a) 5 acres or (b) the highest acreage planted (or regarded as planted) to cotton in 1946, 1947, or 1948.

Farm allotments of more than 5 acres are established primarily on the basis of a uniform county (or administrative area) percentage of the adjusted cropland. No farm, however, can receive an initial allotment based on the percentage factor which is in excess of the highest acreage planted (or regarded as planted) to cotton on the farm in 1946, 1947, or 1948.

The adjusted cropland for the purpose of determining a farm cotton allotment is the land on the farm that was tilled or in a regular rotation the preceding year, less certain specified acreages of wheat, peanuts, tobacco, rice, sugar cane, sugar beets, orchards and vineyards, and non-irrigated lands in irrigated areas.

Farms on which cotton was not planted (or regarded as planted) in 1946, 1947, or 1948 are eligible for consideration for an allotment provided an application is made in writing to the county committee by a prescribed closing date.

Acreage planted to cotton in excess of the 1950 allotment cannot be considered in establishing future cotton allotments for States, counties, or farms.

When a farm allotment is underplanted by not more than the larger of 10 percent or 1 acre, the farm allotment will be considered the official cotton acreage for the farm for that year. If the allotment is underplanted by more than the above amount, the actual planted acreage will be the official cotton acreage for the farm for that year.

Each cotton acreage allotment is established for a specified farm and cannot be planted to or transferred to any other farm.

MARKETING QUOTAS

The farm marketing quota is the actual production of the acreage planted to cotton on the farm less the farm marketing excess.

The farm marketing excess will in no case be larger than the normal yield per acre times the acreage planted in excess of the allotment. If the actual yield is less than the normal yield and the production establishes this fact, the farm marketing excess will be reduced to the amount by which the total production on the farm exceeds the normal yield times the allotment.

The penalty rate on the farm marketing excess is 50 percent of parity as of June 15 plus interest at the rate of 6 percent per annum from the date the penalty becomes due until paid.

When the acreage planted to cotton on a farm is within the farm allotment, a marketing card will be issued so that the entire cotton crop on the farm may be marketed penalty free.

A marketing card will not be issued for a farm with excess cotton until the penalty has been paid on the entire farm marketing excess. Until such penalty is paid the entire cotton crop is subject to a lien in favor of the United States. After the penalty has been paid a marketing card will be issued that will permit the marketing of the entire crop.

Little Decoration Employed

The club house banquet room, itself, is a thing of beauty, and little was needed in the way of decoration to complete its attractiveness. Room and table decorations were held at a minimum. The speaker's table centered a colorful floral piece of red, embellished with green ferns, while the four, long banquet tables placed in opposite floor arrangement, carried small potted plants of green, and with a tiny green streamer centering the length of each table.

Promptly at 7:30 the banqueters were seated, and Hardy Shelby, president, acting as toastmaster, called upon Rev. Carter McKemy, pastor of First Presbyterian church for the Invocation of God's Blessings.

H. D. Ladies Serve

The Ladies of Oklahoma H. D. Club had accepted a commission to serve the banquet, and with a corps of volunteer helpers, immediately then commenced the serving of a delicious banquet menu consisting of smothered steak with gravy, green beans, french fried potatoes, vegetable salad, pickles, hot rolls with butter, cherry tarts topped with ice cream, and coffee.

It was an hour and a half of good food intermingled with gaiety and fellowship, and praise for the delicious menu, and its fine service was constant and unanimous.

Toastmaster Takes Over

As the banquet concluded, Toastmaster Shelby took up the microphone and after a few remarks in both a serious, and humorous vein, introduced the personnel of a Lubbock vocal quartet, L. L. Jones, Dick Richards, Jim Black, and J. Ray Dickey, who beautifully rendered four numbers "I'm Going Over the Hills to Virginia", "My Blue Heaven", "Old Joe" (which brought down the house), and "Were You There". Yielding to a thunderous applause, they returned to render an encore number.

The toastmaster next introduced the large number of out-of-town guests present, calling upon each by name to take a bow. He next called upon Mayor Art Chesher, who spoke briefly, and paid a personal word of tribute to the guest speaker for the evening, Congressman George Mahon.

W. D. T. Storey was then called upon to introduce E. A. Bills, newly appointed District Judge from this District, and he in turn in simple, friendly, welcoming words, made the formal introduction of the guest speaker for the evening, Congressman George Mahon, who with Mrs. Mahon came in from Levelland just prior to the banquet hour.

Congressman's Talk Inspiring

The Congressman's talk was able, and inspiring. He brought a message which suggested that we be duly thankful for our abundant material blessings, yet cautioned that even as we had learned how to provide and make an abundant living, that we must not forget the importance of learning how to live.

The caution was couched in the broad vein, that we must not only seek to live in the home sense, but learn how to live in a world in which Communism had grown, might still be growing.

Threat Of Communism

He called attention to our abundant prosperity, the enormous cotton and grain crop, but in a humble vein reminded that the road to freedom and fear from the threat of Communism is neither easy nor cheaply procured. "There is no easy road to Security," he said, and added, "We cannot gloss over the threat of Communism."

Report on His Stewardship

In conclusion he brought a brief report on his stewardship as a member of Congress from this district, and stated that as the second highest member of the House finance committee, and as chairman on the Financial Committee for National Defense, both responsible for the appropriation of enormous sums, he had hoped that government expenditures could and would be reduced, but reminded that defense against Communistic encroachment must come first, no matter what its cost.

He received a splendid ovation at this point, and again as he concluded his address.

Those Seated at the Speaker's Table

Those seated at the speaker's table, with Toastmaster Shelby were: Mrs. Shelby, Congressman and Mrs. Mahon, Mr. and Mrs. W. B. Little, Mr. and Mrs. E. A. Bills, Mr. and Mrs. W. D. T. Storey, Mr. and Mrs. Harvey Lee, and the Rev. Carter McKemy.

Praise For Committeemen

Just before announcing adjournment, and the end of the evening's festivities, President Shelby introduced the chamber's vice-president, W. B. Little, and Treasurer Harvey Lee. He also mentioned a loyal directorate of 16 members, and the

personnel of the 13 committees, with a special thanks to the Arrangements committee, composed of Harlan Keithley, and J. R. and gave them full recognition for their ranging the highly successful annual banquet.

The banquet was the lines of "Our Democracy", which carried out in Congress address.

And in concluding evening the banquet maybe just once more the paragraph phrase "I am not a quitter" is in no question that watched test of a competitive, enterprising Chambers of Commerce, continue to make a contribution. In the effectiveness of the willingness and ability to work together."

ten days ago, setting farm allotments, which in farmers' hands primarily, but after these it has been set, they are certified to the before they can be marketed. It is, therefore, able that farmers with their individual allotment a day or two before is taken.

The formula applied at quotas was based on cotton acreage for a year in either the year 1947-48. Each county highest of the three years for quota figures and 1948 was the highest in Lamb county figurative unit employing county's allotment.

Using the 1948 cotton yieldstick, each county has been permitted, and it has definitely announced the proposed quotas, county farm will be planted to cotton 41.4 their total farmable however, some of the was planted to wheat other price-supported amount of such acre deducted, and 41.4 percent remainder is then planted to cotton next voting is favorable.

To illustrate, a far labor of land, which is ed to wheat (or other crops) would receive permitting the plant acres to cotton in 1 percent of 177 acres.

If that farmer in acres of his land, say, in wheat, he would be for an allotment of to be planted to cotton figured on basis of of 100 acres.

No matter whether is 20, or 1,000, the percent can be used to compute your own allotment. Just multiply cotton acres by 41.4. The county PMA of yet completed their and therefore cannot how many in Lamb eligible to vote. Their mated between \$500 and 275 that more than of the eligible will vote.

In another column a general outline of the and penalties are urged farmers are urged this carefully, to be ed. Whether you be against the quotas, the urge everyone qualify next Thursday.

State PMA offices nounced that Lamb been allotted approximately acres.

The 41.4 percent in making individual ments, will approximate acre figure. However, amount of acreage to serve, to care for smother, adjustments, and derline cases, by the Land that was not 1946, 1947, or 1948, eligible for an allotment.

To Attend Meeting Editorial Association At Fort Worth

The Thirty-third annual convention of the Texas Editorial association, will be held at Ft. Worth, with headquarters and many convention activities at Hotel Texas, Friday and Saturday, Dec. 9 and 10.

John A. Price of Littlefield, president of the organization for the past two years, will preside at the several scheduled sessions.

The group will be welcomed by Fort Worth's mayor, Edgar Deen, and several prominent newspapermen including Lynn Landrum of Dallas News, and Don Hinga of the Houston Chronicle.

The attending members will visit the huge Consolidated-Vultee aircraft plant, where the big B-29's are built, and will also visit Carswell airbase. The aircraft corporation will be host to the group at a special luncheon at their plant.

Friday evening, the visiting editors will be guests of the Fort Worth Press and Fort Worth Star-Telegram at a dinner, when Walter R. Humphrey will be toastmaster.

Election of officers will come on the closing day, with Jack Estus of the Dallas News, scheduled to move up to the presidency of the organization.

This is the veteran newspaper organization of Texas, with membership restricted to those with 20 years or more of service in the editorial profession.

NEWS FROM LHS

GROUP PARTY

The FFA, DE, and FF9 clubs gave a joint party Tuesday at the Legion Hut. The group enjoyed a series of games, and refreshments of cakes and cookies were served.

LHS STUDENT ON RADIO

Miss Cathrine Folytn, senior student at LHS, was heard over a national radio hookup last Wednesday morning when she was on the "Breakfast Club" from Chicago. Miss Folytn was in the city attending the 4-H National Club contest, as a delegate from Texas, for outstanding 4-H work.

WHO'S WHO IN SPORTS

Floyd Pinkerton was given the title of Who's Who in Sports in LHS last week. Floyd was born in Littlefield, July 1, 1932. He has attended the local schools the past 11 years. His favorite hobby is making model airplanes. He is a class favorite among students and faculty members.

TEACHER OF WEEK

Mrs. A. Y. Doherty was selected the teacher of the week, in Littlefield Central school. Mrs. Doherty has a BS degree and is a native Texan. She is one of the most popular and outstanding teachers in Junior high. She loves teaching children—good books—and good music. She is the mother of two sons and has a three-year-old granddaughter.

Rebekah, Odd Fellows Planning Gala Christmas Party

A joint Christmas party of Rebekahs and Odd Fellows and their families will be held at the Odd Fellow hall, Monday night, December 19, at 8 o'clock.

Santa Claus will be there, and will have treats for all children, which will be distributed from a Christmas tree.

Everyone is asked to bring a "white" gift, which will be presented to a local organization, for distribution at Christmas time, to needy families.

There's Reasons—

(Continued from Page One)

Just at Christmas time, should be an influence in suggesting, that you make both their and your Christmas a bit happier, by letting them serve your Christmas needs.

Certain it is, with stocks bulging, with prices not just as low, but lower, and with the knowledge that you can do that shopping with a minimum of inconvenience, as well as with the assurance that after-Christmas corrections and exchanges can and will be so much more simple, if they should be necessary, only leads additional emphasis to the fact that Littlefield folks have every reason to make this a "Home Shopping Christmas."

Man Killed When Tire Blowout Causes Car To Turn Over Twice

Alfonzo Gutierrez, about 45, of Littlefield, was killed instantly at about 1:30 a. m. Saturday, 1 1/4 miles east on the Spade road, when the automobile which he was driving turned over twice as the result of a rear tire blowout.

The two men had been to Spade and were returning home to Littlefield when the mishap happened. Deceased had lived here for over 15 years. He is survived by his wife Mrs. Shina Gutierrez, and four children, three daughters and one son. The daughters are Ramona, Golla and Aneta, all at home; and the son is Richard Gutierrez, also of Littlefield. He is also survived by several children to his first wife, who live in South Texas.

Funeral services were conducted at 4 o'clock Sunday afternoon at the Mexican Mission, with Rev. Cotello, pastor, in charge. Burial took place in the Littlefield cemetery. The highway patrol investigated the accident.

Lamb County Farmers Expected To Favor Marketing Controls

The indications are that Lamb county farmers, as well as probably every county on the South Plains, will vote overwhelmingly in favor of quotas, or government marketing controls at the elections to be held December 15th.

As a matter of fact, after studying all available information that has been released in regard to the quotas assigned in this state, it seems that Congress smiled on this particular, haviest-producing cotton area of the nation, and that the South Plains counties quotas, as a whole, were higher than had been anticipated.

Animals Not Treated Will Be Picked Up By City

To Accept Bids On 2 Lots On W. 7th Owned By City

Members of the City Commission met Thursday night and instructed W. G. Serret, city secretary, to get out a notice to the effect that the city will accept sealed bids until Thursday, December 22, at 7:30 p. m., for two lots on West Seventh street, which the city owns.

To Vaccinate Dogs
 The Commission also instructed Ralph Douglas, city engineer, to make arrangements for a veterinarian to come here from Lubbock as soon as he can, to vaccinate all dogs for rabies; and to advise the city when he can come. The dogs not vaccinated at that time will be picked up by the dog catcher, Charlie O'Mary.

Court Of Criminal Appeals Affirms County Court Judgment

As announced by Lamb County Judge Otha Dent, he has received the mandate back from the Court of Criminal Appeals at Austin, affirming the decision in the State of Texas vs Jimmie Spencer case, wherein there were assessed a fine of \$1000 and 60 days in jail.

Do you suffer distress from

'periodic' FEMALE WEAKNESS

With its Nervous, Highstrung Feelings?

Are you troubled by distress of female functional monthly disturbances? Does it make you feel so nervous, cranky, restless, weak, a bit moody—at such times? Then so try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms! Women by the thousands have reported remarkable benefits. Pinkham's Compound is what Doctors call a uterine sedative. It has a grand soothing effect on one of women's most important organs. Taken regularly—Pinkham's Compound helps build up resistance against such distress. It's also a great stomachic tonic! All druggists.

Change of Life

If the functional 'middle-age' period peculiar to women makes you suffer from hot flashes, weak, highstrung, irritable feelings—try Pinkham's Compound to relieve such symptoms. It's famous for this purpose.

Monthly Female Pains
Pinkham's Compound is very effective to relieve monthly cramps, headache, backache—when due to female functional monthly disturbances.

Double-Duty Combine Presses Two Crops
 The new type boll pulling machine was recently invented by a farmer from Sinton. In fact it is a double-duty machine which serves as a two-row harrow, the inventor, designed the dual-purpose, four-row machine to harvest grain in the fall and strip cotton in the fall. The farmer wants to harvest cotton with stripper teeth and a roller to the front of the machine. Barrier estimates the stripper can cover an acre and remove 90 percent of the bolls from the stalks in 20 minutes. The attachments, the farmer says, are as ordinary as a harrow.

BUILDING GOAL FOR DECEMBER IS \$15,000
 The First Baptist church building fund goal for December has been set for \$15,000. This amount, it is hoped, will be raised by the offerings on first and third Sundays. All the offerings on these days will go into the building fund unless otherwise designated. It will take everyone doing his best to put the church over the top for December. The contractor hopes to have all the brick work done by Christmas. The contract calls for the completion of the entire building by March 1. The present delay on a small portion of the steel will likely delay the building about two weeks.

Farmers Should Protect Livestock Against Disease
 As a protection against falling livestock prices, farmers can take a few simple steps now, on their farms, that will help protect their profits for 1950. This suggestion, issued today by the American Foundation for Animal Health, said that the multi-million dollar toll extracted by animal diseases and parasites far exceeds what farmers are likely to lose due to market declines. Pointing out a few examples, the Foundation said: "Recent estimates indicate that poultry diseases alone cost the nation's farmers and poultrymen about \$1,000,000,000 a year. "Brucellosis in cattle is responsible for losses of another \$100,000,000 annually, while the cost of brucellosis in swine and goats accounts for many millions more. "The annual loss from grubs and shipping bruises alone has been set at \$150,000,000 by livestock health authorities. "With stakes running this high, it is more apparent now than ever before that farmers are taking far greater losses from diseases and parasites than they are likely to take from market declines." To cut down disease losses in the coming year the Foundation stressed: 1—better farm sanitation; 2—early examination of all animals by a veterinarian; 3—proper vaccination of susceptible animals when vaccination is required; 4—more prompt reporting of disease outbreaks; 5—increased "disease awareness" by livestock owners.

LT. RAMEY WILSON WINS UNIT BADGE
 With the 24th Infantry Division on Kyushu, Japan, November 17.—First Lieutenant Ramey E. Wilson, Amherst soldier now serving with the 24th Infantry division on Kyushu, Japan, won the unit's bridge tournament here recently. For this achievement, he was presented a beautiful trophy. Lt. Wilson, who is presently serving as athletic and recreation officer, is the son of Mr. A. F. Wilson of Amherst. Prior to entering the Army in 1942, he attended Southwestern Tech university. One of his brothers, Pfc Howard Wilson, is also serving with the same unit. Lieutenant Wilson, who was a star guard and coach of the headquarters top-flight football team before relinquishing his playing to allow more time for his studies, served at Camp Bowie, Texas, and Fort Bragg, North Carolina before coming to Japan.

Amherst Senior Class To Present Play December 15
 The Amherst Senior class is announcing its class play "A Case of Springtime" which will be presented Thursday night, December 15, at the High school auditorium. Tickets will go on sale in the near future. The play is a comedy of three acts and a laugh from start to finish. It stars the Parker family and son, Bob, up to his knees in trouble with his girl friend, Joan, and the school board. The jams he can get into are hilarious. Don't miss it. The cast is: Bob Parker, J. C. Hall; Mr. Parker, Wendell Clayton; Mrs. Parker, Marcia Hinds; Betty Parker, Betty Campbell; Dickie Parker, Willis Blair; Gwen Anderson, Jo Enloe; Joan Allernaker, Helen Jackson; Eddie Ellernaker, Gary Tollett; Mr. Allernaker, Winston Cummings; Mrs. Brunswick, Bonnie Dutton; Mrs. James, Lois Turen; Mrs. Hill, Joyce Pettit; John Planelclothes Man, Clyde Johnson; Miss Bughs, Jo Simmons.

Invited To Have Day Designated In Its Honor
 Littlefield has been extended a special invitation to have a "day" designated in its honor at the Southwestern Exposition and Fat Stock Show which will be held in Fort Worth, Jan 27 through Feb. 5. The invitation was extended by Mayor Edgar Deen of Fort Worth, secretary-general manager of the Stock Show in a letter to Pat Mann manager of the Chamber of Commerce here. On this city's "day" the high school band is invited to give a concert in front of the Will Rogers Memorial Coliseum. Band members in uniform are admitted free to the exposition grounds and are given aisle seats at a rodeo performance. This city is invited also, as a feature of its "day," to designate a young lady as its "cowgirl sweetheart" and she will ride in the rodeo grand entry and will be introduced to the audience. "We appreciate greatly the cooperation you and your citizens have given in the past and we are counting on you again this year," Deen states. The exposition in Fort Worth, founded in 1896, is the oldest and largest stock show in the Southwest. The show holds the world's greatest indoor rodeo. Cash awards offered for the 1950 exposition represent an all-time high—approximately \$112,000.

Ground-Breaking Ceremonies For Memorial Center

Ground-breaking ceremonies for the Col. C. C. Slaughter Memorial Center at Wayland college will be held Monday, December 13. This building, which will be used for a dining hall, has been given to Wayland in memory of Col. Slaughter by his daughter, Mrs. Minnie Slaughter Veal of Dallas.

Pioneer cattlemen from all over the territory—not only those who were personally acquainted with Col. Slaughter—are being invited. The Wayland International Choir will be one of the features.

If good weather permits, the entire program will take place outside. A public address system will be available.

The program will begin at 10 a. m. and continue on throughout the day.

BULL LAKE PHILOSOPHER WILLING TO KEEP PROSPERITY BY HELPING GOVERNMENT OVER-SPEND ITS INCOME

Editor's note: The Philosopher on his Johnson grass farm on Bull Lake no doubt has misinterpreted what he has been reading, as his letter this week will reveal.

Dear editor: With newspapers not turning up as regular as they ought to out here, I have had to resort to all sorts of means lately to keep posted on the world, can't afford to live out here in ignorance of whether Russia has any more atom bombs or Princess Elizabeth is smoking, and once even that of subscribin to your paper, but got control of myself and walked down to my neighbor's mail box and borrowed his papers and went down in the pasture and hadn't gotten half way through the Amarillo Globe-News when I saw an article that excited me.

Individuals and corporations and stimulate them to re-spend." Now what I've been thinkin is this: if the government can help the country by over-spendin its income, why can't I? I have never believed that the people should sit back and rely on the government altogether. Maybe 75 percent, but not altogether, and if I can help prosperity continue right through 1950 by over-spendin my income, I stand ready to make the sacrifice. Let the government say do the over-spendin one month, let me do it the next, thus passing the responsibility for prosperity around and keepin the government from bein centralized too much in Washington.

I don't know how far I'll have to over-spend to keep up my share of the prosperity load, but I'm willin to do my part as any American citizen should and will over-spend just as much as the government and the merchants and others interested in maintaining prosperity will allow. I can't say I have encountered this idea before, but if over-spendin is the key to continued prosperity, put me down as a volunteer. I've had years of practice at it. Yours faithfully, J. A.

OFFICIALS OF 4-A VOTE ON TEAMS

Officials of District 4-A of Interscholastic League met last Wednesday night at Levelland High school to make plans for the coming year.

Representatives of Sudan, Seagraves and Sundown schools met with the group in an effort to gain readmittance to the District 4-A of the Interscholastic league, but failed in their effort.

The three high schools recently were tentatively dropped from the district because their individual enrollments had fallen below the required minimum of 200.

A unanimous vote was necessary in all three cases, and each school fell short in the mark. Applications were voted on separately, with the following results:

Sudan—four, for; five against. Sundown—Five, for; 4, against. Seagraves—Three for, 6 against. As a result of the vote, the three schools now will be assigned to suitable class B districts by Interscholastic League headquarters in Austin.

School superintendents from the district were in attendance at the meeting, and included Supt. Joe Hutchinson of Littlefield; Carl Macon, Morton; C. W. Grandy, Muleshoe; O. W. Marcom, Loyal; S. P. Cown, Brownfield; P. L. Vardy Jr, Slaton; Vernon Brewer, Tahoka, and G. R. Day, Post.

That Nagging Backache

May Warn of Disordered Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!

THAT'S YOUR BUDGET NUDGING YOU

TAKE THIS, FOR EXAMPLE—A roomy 6-passenger of 115 hp. Ideal for a family car. Available with optional equipment at extra cost.

LOOK this tidy Buick over—and you may hear a still small voice, saying "go ahead—get it!"

If so, don't think it's mere ambition urging you to splurge.

The simple fact is that this lively fashion setter is not only a car straight from your rosiest dreams, but a brauney straight-eight Buick that practically any budget can handle!

Match prices—and you'll find that many a six costs you more than this does.

Boil it down to costs per pound—and poundage in a car often means more durability and longer life as well as smoother riding—and you'll find this one right down among the so-called lowest priced cars.

Figure your investment over the extra years you'll be happy in a Buick—check the used-car listings and see how Buicks hang onto their resale value—and you'll see the wisdom in buying a better car to begin with.

And just figure how much more

automobile you're getting here.

The extra value of Buick's own Fireball valve-in-head straight-eight power.

The bump-smothering gentleness of soft coil springs on all wheels, both fore and aft.

The roominess of Buick's king-size interiors—the lightness of Buick controls—the new parking and garaging ease of traffic-handly size—

And that completely different and distinguished look of Buick's tapered fenders, sleek jet-plane lines and the sturdy, shock-deflecting protection of that bold new front-end design.

So go ahead and listen to that still small voice. It's your budget, nudging you to go get the actual figures and replace guesses with facts.

The place to go is your Buick

dealer's—and if you want to like fortune's favorite, the sign on the dotted line is now!

TEN-STRIKE! Only Buick SPECIAL has these Features!

- TRAFFIC-HANDY SIZE • MORE ROOM FOR THE MONEY • DYNAFLOW DRIVE optional at extra cost • JET-LINE STYLING • NON-LOCKING BUMPER-GUARD GRILLES • HIGH-PRESSURE FIREBALL STRAIGHT-EIGHT ENGINE • COIL SPRINGING ALL AROUND • LOW-PRESSURE TIRES ON SAFETY-RIDE RIMS • GREATER VISIBILITY FORE AND AFT • SELF-LOCKING LUGGAGE LIDS • STEADY-RIDING TORQUE-TUBE DRIVE • THREE SMART MODELS WITH BODY BY FISHER

with the absorbing and important subject of the trials and troubles, the joys and thrills of courtship in the lives of youth today.

Plans were also made for a Christmas party and a Watch Party, the latter to take place on the evening of December 31st and the morning of January 1st, 1950.

The topic, dealing with the coming event of Christmas, was led by Mr. Alton Synatach of Anton. The primary thought was that Christmas is a time to share earthly blessings and also spiritual blessings, especially Jesus Himself.

Texas Youth Given High Honor in 4-H Meat Animal Program

Bennie Gallagher

TO be selected as one of the eight high ranking members participating in the 1949 National 4-H Meat Animal program—a sectional winner—was the distinction accorded Bennie Gallagher, 18, of Clarkwood. During 10 years in 4-H, he completed 68 projects, handling 119 baby heaves, 116 breeding cattle, and 21 swine. His income from sale of beef in this period was nearly \$21,000, and \$1,100 from swine. He has won many awards on showmanship, and cash prizes totaled \$791.70. Bennie served his club as junior leader and in other offices. His reward was an all-expense trip to the National 4-H Club Congress in Chicago, provided by Thos. E. Wilson, meat packer, Chicago.

This activity is conducted under the direction of the Cooperative Extension Service.

25 Members of Local High School Band To Attend Clinic

Don Hays, Wildcat school band director, announced this week that approximately 25 members of the band plan to attend the band clinic at Lubbock Saturday, and will play in the band clinic.

The annual clinic is being held two days, but due to the Littlefield-Ballenger football game to be played Friday, the band will only attend the meeting one day.

It is the seventh annual clinic, and is being held at Texas Tech, with the Tech Concert Band, the Lubbock Senior High School band, and the three junior high school bands of Lubbock acting as hosts.

An all-clinic band is being selected from bands in the area attending the clinic.

Mr. and Ms. Murdock Visit Friends In Snyder, Texas, Sunday

Mrs. R. L. Murdock received a long distance phone message from Mrs. B. L. Sublett, a former Littlefield resident, now of Dallas, suggesting that Mr. and Mrs. Murdock meet her and her husband Sunday at the home of her daughter and son-in-law, Mr. and Mrs. Roy Peace at Snyder.

Mr. and Mrs. Murdock met their friends in Snyder Sunday, and Mrs. Peace and small daughter, Marsha Lynn, went home with her parents, to Dallas, for a few days visit.

Mr. and Mrs. Murdock returned to Littlefield late Sunday night.

IN HOSPITAL

Carl Morrow, owner and manager of Morrow Lumber company, was admitted to the West Texas hospital, Lubbock, Tuesday morning of last week suffering from stomach trouble. Much improved, he expects to be released soon.

GUESTS IN HECKMANN HOME

DEFOILING THE CENSUS

SOME OF US WON'T BE ANY OLDER, BUT WE'LL ALL HAVE A LOT MORE COTTON AND CENTSUS.

By TOM DICK
(and Harry)

The census takers will go into action shortly after the turn of the year, and a year or so later, we'll all know with a reasonable accuracy, how many of us West Texans there are here in Littlefield, with the same thing, of course, holding true for the confines of the county. Besides telling how many of us there are, it will also prove that we are ten years older than we were the last time he took us.

There will be exceptions however, and ninety-nine of them will be feminine.

But there's one question that isn't on the census questionnaire, that ought to be, with this coffee shortage being what it is. If they'd just ask, and demand an answer to "how many pounds of coffee do you have stashed away", and then make a little extra burst of speed in getting the word out to the grocery stores, not only would the price head for the cellar, when the word got around that most every family had a dozen cans on hand, but a lot of folks would just quit drinking the stuff altogether, because it was just too common, and start drinking something like tea, which some of us swore off on in 1941, because they mistakenly thought the stuff came from Japan, when actually it was probably Chi-

nese grown, with British packing, labeling and taxing.

And that brings to mind another little thing that happened right here in Littlefield, following the Pearl Harbor debacle on December 7, in 1941. According to our calendar, that was exactly eight years ago, to the day, on which we are writing this, and therefore it was also exactly 15 more shopping days until Christmas. Well, a certain Littlefield business house had just received a few days earlier, a big shipment of Japanese made toys, and gadgets, and ornaments, etc., which he had planned to unpack and place on his counters the very following day, Dec. 8, 1941, to be exact. But, following Jap custom, when opened, each of those gadgets was plainly marked "made in Japan", and the merchant immediately knew that not only would he be unable to sell them, but further, if he put them on display, he might precipitate a riot within his store, but also he might be accused of being something of a pro-Jap, which was just about 108 degrees lower than a snake's hips, in people's minds, that day. We still would like to know what he ever did with all of that Jap made junk. Maybe the census takers could dig out the answers.

And then, there's another thing this census ought to be able to give us a basis for figuring out, is just how many centsus, is rightfully ours, "if all the centsus in the county was equally apportioned to each man, woman, and child, etc." We know how many dollars there are in the county banks, but we don't exactly know what each of our shares is, and won't, until they finish counting our noses, or maybe in these days of inflation, they count eyes instead, and then divide by two. Anyway, if, for instance there are 20,000 of us Lambs, and there is twelve million bucks in our banks, when the government goes all-out socialist, your share, and ours too, will be 60,000 centsus, or, 6000 dimes, or 600 bucks. Sorta nice thing to think about, along about Christmas time. Or it would be, if it weren't for the fact that along about next March, the income tax will come along and take most of it back. "It" is just a something—not a male, not a female, either. Always rather liked the word, until I happened to think what those two letters stood for—Income Tax.

But getting off of taxes, and Japs and coffee, and "how old is Ann", and back into the topic under discussion, which is census, and centsus only, just got to wondering what a farmer is going to answer

when they ask "how much cotton you got". Some of them of course is going to be able to just count up their government loan slips, and cancelled mortgages. But a lot of others are just going to have to answer that one by saying "I got 119 piles out in the field, and I hope the weather stays about like it is for another few weeks".

But we also got to thinking, if its fair to apportion and theoretically, at least, divide up all the money in the banks to every man, woman, and child, what would be wrong with doing the same thing with the cotton, especially as how, even the government don't seem to know what to do with it either. Being as how we believe everything we read in the papers, we know that we're going to make exactly 175,000 bales in this here county, and this may not be exactly correct, as it hasn't been in the papers yet, but if there are 20,000 of us, to divide all that cotton up amongst that means that in addition to the 60,000 centsus, you're also going to come into ownership of eight round square or running bales of cotton, and 375 pounds left over to make a nice mattress out of. And if each one of those bales weighs exactly what it's supposed to weigh, namely 500 16-ounce pounds—well, sir, along with your centsus share of the county currency, our super duper counting machine has it all figured out, that you'll be the proud possessor of exactly 8,375 pounds of cotton.

So the formula for a merry Christmas is simple, and a cinch. Just write a letter to Santa Claus, and ask him for a piggy bank for your centsus—and a storage warehouse for your cotton. And then, last but not least—don't say a word about either one to "I. T."

Congratulations To--

Police Officers Continue Busy With Several Paying Fines

Lamb county police officers and highway patrolmen continue to keep busy.

Floyd Smith of Castro county was arrested by the highway patrol about 8 p. m. Friday, about four miles north of Springlake, and charged with driving an automobile while intoxicated. He entered plea of guilty in county court here Saturday morning, and paid a fine of \$50 and costs.

Pays Fine of \$100 and Costs
Deputy Sheriff Dewey Dennis arrested Jodie Nelson, colored, at Olton Saturday on a charge of carrying a concealed weapon. He pled guilty in county court the same day, and paid a fine of \$100 and costs.

Hotel Room Entered
According to the sheriff's department the room of Earl Moore at the Murdock hotel was entered Friday night while the occupant was asleep, and between \$85 and \$90 cash taken from Moore's trousers. A watch was also missing. The door to the room was said to have been locked.

A man giving his name as E. W. Tillman of Littlefield was arrested Saturday charged with theft, and

lodged in the city jail. He appeared before Justice of the Peace Sam Farquhar; his bond set at \$1500; and he will be bound over to the action of grand jury in February.

TO VOTE ON BONDS FOR NEW POOL

Voters of Muleshoe will go to the polls Tuesday, Dec. 13 to answer the question of whether the city commission shall be authorized to vote bonds in the sum of

\$30,000. The bonds are provided funds for the municipal swimming pool.

Seed Cotton May Not Be Moved To Certain Areas For Ginning

Harold S. Conrad, control supervisor with the pink boll worm division of the department of agriculture, who has been stationed here for the past year, handed the Leader a bulletin in connection with inter-county ginnings, which states the following:

Federal Quarantine 52 as well as the state quarantines for the Pink Bollworm of cotton in the states of Arizona, New Mexico, Oklahoma and Texas authorizes the inter and intra-state movement of seed cotton only from lightly infested areas into (1) contiguous regulated counties in which similar conditions of infestation exist; (2) to designated gins (operating under Dealer-Carrier Permit) located in free areas but immediately adjacent to the regulated areas for ginning, for which no permits are required. Any other movement of seed cotton (including grablots or bollies) or parts of the cotton plant shall be made only under permit duly authorized by the appropriate quarantine officials.

In view of the large amount of seed cotton produced within the pink bollworm regulated areas located in the states of Arizona, New Mexico, Oklahoma and Texas for the crop year of 1949-50, it is deemed advisable at this time to call to the attention of all concerned the importance of adhering strictly to the above provisions of the Pink Bollworm Quarantines under question. Inspection for the pink bollworm during the current crop has revealed the intensity and degree of infestation of the pink bollworm existing in the various pink bollworm regulated areas.

Seed cotton produced in Bailey, Lamb, Hale, Floyd, Cochran, Hockley, Lubbock, Crosby, Dickens, Yoakum, Terry, Lynn, Garza or Kent counties, Texas, are not permitted to be taken to any of the following counties for ginning: Oklahoma; counties of Gray, Wheeler, Donley, Collingsworth, Hall, Childress, Hardeman, Wilbarger, Wichita, Motley, Cottle, Foard, King, Knox, Baylor, Stonewall, Haskell, Throckmorton, Shackelford, Callahan, Scurry, Fisher, Jones, Taylor, Brown, Coleman, and San Saba.

However, seed cotton produced in Bailey, Lamb or the other counties first listed above, may be moved to the following counties for ginning:

Sterling, Coke, Runnels, Tom Green, Concho, Mason, Schleicher, Menard, McCulloch, Irion, Reagan, Texas; Lea, N. M., and Gaines, Dawson, Borden, Andrews, Martin, Howard, Mitchell, Ector, Midland, and Glasscock in Texas.

Rural Telephone Cooperative Formed

About fifty men of the five county area, Bailey, Farmer, Castro, Lamb and Cochran counties, assembled in the district court room in Muleshoe recently and organized a rural telephone cooperative, to be known as "Five Area Telephone Cooperative".

There were 32 voting delegates from said five counties, present and said delegates elected the following men to be the Directors of the Cooperative as follows:

W. R. Damron, Circleback, Bailey county; C. E. Roark, Muleshoe, Bailey county; Hugh Smith, Morton, Cochran county; Chester B. Setliff, Enochs, Star Route, Bailey county; R. C. Gaede, Muleshoe, Bailey county; J. H. Angeley, Star Route 2, Muleshoe, Lamb county; Glen Williams, Arch Route, Baileyboro, Bailey county.

After the election of the directors, the directors met in session immediately, and elected officers and carried on other business, to-wit:

Walter Damron was elected president; C. E. Roark, vice president;

J. H. Angeley, secretary-treasurer. Cecil Tate, of Muleshoe, was selected as the attorney for said Cooperative.

Hasle-Green Engineering company, Lubbock, was selected as the engineers for said Cooperative. The board of directors decided to meet on the third Monday of each month, for their monthly meetings.

It was decided by the board of directors to make inquiry immediately as to the rules and regulations concerning a cooperative of this nature, in order that a charter might be obtained from the State of Texas. It is possible that the State Legislature may have to pass an enabling act, in order for the Cooperative to function.

The law as passed by Congress will enable the Cooperative to borrow money from the government. The same law provides that telephone companies serving said area shall have a period of one year, from the passage of said act to provide rural telephone service.

South Plains Ginnings Pass Millionth Bale Mark Saturday

Cotton ginnings on the South Plains passed the 1,000,000-bale mark Saturday for the first time in any year in history.

Authoritative estimates were that 500,000 to 600,000 bales still awaited harvest, comprising the largest cotton crop ever grown within a comparable area upon earth.

The crop represents a cash value conservatively placed at a minimum of \$225,000,000.

The closest this area ever came to the million-mark before was in 1927, when 959,000 bales were ginned. The next largest year was 1947, with 944,000 bales.

The 22 cotton producing counties of the region, with a total area of about 30,000 square miles will harvest about 10 per cent of the staple grown in the U. S. and 25 to 30 per cent of that grown in Texas.

The U. S. cotton classing office at 1702 Avenue H, Lubbock, supplied the official records which established that the 1,000,000-bale ginning mark had been reached and passed. More than 90 per cent of the staple grown in the area is classed as to length, color and quality as fast as a sample from every bale ginned can be rushed to that office.

The office, incidentally, is the largest of its kind in the world, now employing approximately 150 people.

L. O. Buchanan, head of the office with the title of chairman of the board of cotton examiners, reported that 655,695 bales had been

classified at the close of business on Saturday.

He estimated that approximately 95,000 samples were in the office waiting to be classed, with samples from about 50,000 additional bales en route from gins and/or compresses.

The figures add up to approximately 1,010,000 bales ginned. The estimates were extremely conservative so that actual ginnings doubtless were several thousand bales larger than this total.

According to Buchanan's computations, the millionth bale probably was ginned Saturday morning.

However, with 287 South Plains gins turning out a bale of cotton each at the rate of one every six to 12 minutes — most of them operating in a round-the-clock schedule — it would be impossible to designate any particular bale as No. 1,000,000.

In the aggregate, the gins of the area are turning out about 28,000 bales and the classing office is handling about 23,000 samples a day. Both of these are record-breaking figures, not alone for this area, but for the nation and the world.

The South Plains and Caprock counties which have contributed to the amazing record this year are, alphabetically, Bailey, Borden, Briscoe, Castro, Cochran, Dickens, Floyd, Gaines, Garza, Hale, Hockley, Lamb, Lubbock, Lynn, Motley, Parmer, Swisher, Terry and Yoakum.

The ginning of the millionth bale marked a significant milestone in the dramatic history of cotton in this region.

The fact that this area would produce the staple abundantly was recognized by the earliest pioneers. Most of them were from cotton growing regions.

The first South Plains cotton to be ginned, around 1900, was hauled in a wagon to a plant near Big Spring. Sometime after that, the

CHAMP AND "QUEEN" OF TEXAS CORN FIELDS

Plainview, Texas (Special) — Little Linda Sue (below) is mighty proud of the outstanding yield of 100.32 bushels per acre her Daddy, W. E. Hill (right), Hale County, Texas farmer, made to win Texas State Championship honors in the 1949 National DeKalb Hybrid Corn Growing Contest.

The yield of 100.32 bushels was produced on a selected 5-acre contest plot.

Hill, (above) who likes his corn land to be slightly sloping for good drainage, spring plowed his field and listed before drilling his seed corn about 38 inches between rows. Hill says, "If you want to raise good corn, plant DeKalb Hybrid." His yield is more than six times the U.S.D.A. average 1948 Texas corn yield.

INFORMATION For VETERANS

QUESTIONS AND ANSWERS

Q—If there is a recurrence of my brother's service-connected ailment while he is at home, may he be treated by his own physician at VA expense?

A—Yes, if he receives prior approval from VA for such care, and providing a VA hospital or outpatient clinic is not "feasibly available."

Q—I have seen the splendid work accomplished by the Veterans Administration Voluntary Services. How may I take part in this work?

A—If you are a member of a service of welfare organization, ask your president about the participation of your organization in the VA program at the nearest VA hospital. If you are not a member of such an organization, get in touch with the chief of Special Services at your nearest VA hospital.

Q—If I apply for volunteer work in a VA hospital, will I have to take a course as practical nurse before I am permitted to participate?

A—No, but you will be required to take a course that will inform you of the hospital's care and treatment program for patients and will show you where you, as a volunteer worker, could fit in the hospital's program for patients.

Q—My estranged husband, a World War II veteran, died recently. Who is entitled to the last check due him at the time of his death?

A—It depends on whether the check was received at his residence prior to his death. If so received, it becomes an asset of his estate otherwise it is payable to a limited class or may be used to pay the expenses of his last illness or of burial.

James Lee, sophomore student at Texas Tech, spent the weekend with his parents, Mr. and Mrs. J. H. Lee and family.
