Industrial Foundation Appoints Directors

State Spotlight On Cat-Phillips Tilt

MEMBERS OF THE BOARD of Directors for the Littlefield Industrial Foundation Monday morning were, left to right, Pat Boone, Jr., Homer Garrison, C. O. Stone, Howard Horne, J. C. Duggan, Jr., and M. L. Hall. In their first session, the directors named Garrison as president, Boone as vice-president, and Horne as secretary-treasurer. The directors will serve until the final annual stockholders meeting, slated for January, 1957.

Corporation Stock Jumps To \$33,100

Temporary directors of the Littlefield Industrial Foundation were named Monday morning in the weekly industrial breakfast as a local drive to attract industry gained momentum.

And during the early part of the week, another 143 shares in the corporation — at \$50 per share — were added to bring the total number of voluntary subscriptions to 662 — \$33,100.

Named to the board of directors Monday were Homer Garrison, Pat Boone, Jr., C. O. Stone, Howard Horne, J. C. Hilban, Arthur Duggan, Jr., and Manell Hall.

In a meeting later Monday, the board elected Garrison as president, Boone as vice-president and Horne as secretary-treasurer.

At the directors session, the board adopted a permanent policy of dividing all Foundation funds equally between the two local banks for deposit.

The largest purchaser of stock this week was the Security State Bank, whose stockholders voted unanimously Saturday to purchase

WILDCAT TRI-CAPTAINS for the District 1-AAA contest with Phillips Friday night are, front to back, Tackle Joe Hoover, Guard Lawrence Hutson, and Tackle Wallace Lee. The three have played a big part in the Cat's 5-0-1 record this season.

Blackhawks Get Nod In Lid-Lifter

By BILL TURNER

Undeclared Phillips, the number two ranking AAA team in Texas, and unbeaten-but-tied Littlefield lock horns in Phillips Friday night in the state's top schoolboy football clash — bar none.

The winner will be favored to take District 1-AAA, which appears to be the most well-balanced league in the nation's greatest high school football state.

Explosive action and bone-jarring combat are expected in the conference lid-lifter for both clubs. Phillips, with its 6-0 season record and an attack that has scored better than a point a minute, rates as the favorite and some observers predict an easy win for the Blackhawks.

Most sportswriters are saying Phillips — by three to four touchdowns — will put the upstart Wildcats back where the same sportswriters predicted they would be in the first place.

When the season started, Littlefield was said to be good for three, maybe four, victories all year long. After six games, the

After 10 Days In Hospital Gunshot Victim Improved

Robert McBride, 25-year-old Spade man who was wounded critically after a card game in the Flats about 10 days ago, is in good condition, doctors at Littlefield Hospital said Wednesday.

McBride took a sudden turn for the better early this week and is now able to get out of bed for short periods. The Spade man was unable to eat for a time after the wound, but doctors say he can take food now.

Wounded by a .38-calibre bullet that tore into the left side of his abdomen and ripped across his body, McBride was given only a 50-50 chance to live when first brought to the hospital.

The incident occurred early Sunday morning, Oct. 25, when McBride, a white man, said an unknown assailant jumped him after a card game in the Negro section.

County officers have charged a Causey, N. M., Negro with assault with intent to murder in connection with the incident. The Negro, Sammie Lee Jones, 27, was picked up in Causey on a waiver of extradition last Wednesday by Sheriff Dick Dyer. Jones later signed a statement admitting that he shot McBride, according to officers.

Jones is still in the county jail. His bond has not been set.

Goal Still \$1473 Away Salvation Army Fund Drive Heads Into Last Few Days

Some \$1,473.67 short of its goal, the Salvation Army fund drive heads into its final week. According to Lt. Roland Chambless, local SA representative, \$3,474.83 has been contributed in cash and \$426.50 in pledges making a total of \$3,901.33. Of this amount, Sudan donated \$423.47, and the Littlefield Schools, \$30.58.

With a little less than a week to go, Lt. Chambless seemed optimistic about reaching the \$5,375.00 goal.

Aiding in the local drive were Jack Sharkey, district SA representative; Lt. Col. John A. Morrison, state commander of SA; and Capt. Orville Salmon of the San Angelo post who spoke to the local Lions Club members; Boyd Roberts, drive chairman; Rev. Harry Vanderpool, a member of the advisory board; T. A. Hilban and Chambless, co-chairman of the employees' solicitation; Mrs. Dennis Jones and Mrs. J. M. Farmer, chairmen of the women's drive; Bob Manley, general solicitation over the county, Joe Salem, Sudan solicitation; and Mrs. Joyce Oliver, school solicitation.

During the year, Lt. Chambless reported the SA furnished 72 grocery orders, 16 fuel, 18 medicine, 75 Christmas, 8,624 clothing, 1122 pair shoes, 14 summer camps for youths, and other aid, 153. For transit welfare, Lt. Chambless listed these aids: meals, 1117; lodging, 365; transportation, 26; and clothing, 394.

John Adams was the first U. S. ambassador to England.

Witcher Is Named City Inspector; Succeeds H. L. Byrd

Jack Witcher, for the past four and one-half years an electrician for W-W Electric, has been named city inspector for Littlefield.

The 34-year-old electrician replaces H. L. Byrd, who resigned recently to go into electrical contracting business.

Witcher, who came to Littlefield in 1924, officially took over his new duties Tuesday. He and his wife, Oleta, have three children, two boys and a girl. They are Norman, 13, Jimmy, 10, and Bennie Jo, 5.

As city inspector, Witcher will be responsible for inspecting all electrical and plumbing facilities.

Street And Carr To Be Honored By City Tuesday

W. D. Street, Sr., who served as city secretary for 28 years, and H. C. Carr, an employee of the city maintenance department for the past seven years, will retire officially Tuesday night in a banquet in their honor.

The city has scheduled the retirement dinner in Thornton's Cafeteria for the two long-time employees. About 100 persons who worked with the two men in their tenure are expected to be on hand for the dinner. Street, 72, was forced to leave his job in the summer due to a heart ailment, while Carr, 67, is still on the job.

100 more shares, giving the bank a total of 200.

More than 80 per cent of the total shares sold were represented at the breakfast as some 425 votes were cast. Final details in plans for incorporation were being worked out Wednesday before papers are filed for approval.

Also highlighting the morning meeting was the presentation of a 24-page brochure that will be sent to industries all over the nation in an effort to attract more

(Continued on Page 8)

LOOKING OVER THE NEW BROCHURE are, left to right, Van Coltiarp, John Nail and Dan Staggs. The 24-page booklet will be sent to industries all over the nation in an effort to attract industries here. Coltiarp donated free printing labor and the Littlefield Press gave all materials used, while Nail contributed photography on the brochure. The brochure was published as a community service. Rev. Harry Vanderpool authored the copy while Staggs served as committee chairman, coordinating the effort.

Phillips' "Chesty" Pulls Out The Old Crying Towel

"Chesty" Walker, coach of the Phillips Blackhawks, is well-known for pulling out the old crying towel just before a big game.

In a telephone conversation with Leader Editor Bill Turner Tuesday, "Chesty" was at his best, using an old psychological weapon that may or may not be effective.

"How's the game look to you, Coach?" Turner began.

"Chesty: "We're just working hard to keep Littlefield from running up a big score on us." (That's Mayfield's line.)

"Of course, you know you'll be favored to win, don't you, Coach?" Turner continued.

"Chesty: "Oh, I suppose we'll be favored—just on past record—but take it from me, we haven't got a thing." (Six straight wins, and the highest scoring team in the state.)

"Coach, what about that boy Newman of yours—is he ready?" Turner went on.

"Chesty: "He's pretty well bruised up from the Vernon game, but we hope he'll be ready." (Probably in the best shape of his career.)

"What was your best game so far this year, Coach?" Turner asked.

"Chesty: "Probably the Vernon game." (Naturally, Vernon played the Blackhawks a fine game in the first half.)

"How about the rest of your boys, Coach... any injuries," he was asked.

"Chesty: "They've all got a-bout the usual amount of bruises." (They're in great shape.)

"How's your team speed, Coach?" the conversation continued.

"Chesty: "We're pretty slow. Like I said — haven't got a thing." (Second ranked in the state.)

Deadline For Bus Tickets Is Noon Today

Football fans have only until noon today to purchase tickets for a round-trip chartered bus ride to Phillips for the Wildcat-Blackhawk District 1-AAA game.

The Chamber of Commerce reported Wednesday morning that it must clamp a deadline of Thursday at noon on the tickets.

At least two chartered buses, with a capacity of 41 each, are expected to make the trip. If tickets go well Thursday morning, additional buses will be chartered.

At noon Thursday, more than 50 tickets had been sold. The fare is \$5.50 per seat. Reserve seat tickets to the game are still available at the Chamber office and at Brittain's Pharmacy. Buses will leave Littlefield from the City Hall at 3 p.m. Friday and will arrive in Phillips about 6:30 p.m.

WINKLES LOSES HUB CAPS ON HIS NEW 1956 AUTO

Ballard Winkles, 100 E. 12th, is minus a couple of hub caps on his new 1956 sedan this week after someone decided to cart them off.

Winkles told police that the incident occurred Monday night.

Paul Revere made George Washington's first set of false teeth.

STANDINGS

District 1 AAA		
Phillips	6-0-0	306-43
Littlefield	5-0-1	165-76
Levelland	4-1-0	128-61
Dumas	4-2-0	134-164
Hereford	2-3-0	136-135

Schedule: Littlefield at Phillips; Levelland at Dumas; Hereford at Clovis, N. M. Last week's results: Littlefield 33-Clovis 12; Levelland (idle); Phillips 34-Vernon 5; Snyder 27 — Dumas 7; Hereford 46—Porales, N. M. 7.

Wildcats are still looking for an opponent that can beat them.

The Blackhawks, always tough and even tougher this year, haven't seen a club that can play them close, lest it be Perryton, which fell to Phillips, 20-12, in an early season game. The Hawks rummled Mangum, Okla., no slouch in the Sooner State, by 30-0. They clobbered Jefferson High of El Paso, 79-18. They ran past Vernon, which played AAAA Wichita Falls a great ball game, by 34-6 last week. Childress and Wellington fell by lopsided scores.

The Wildcats' victories haven't come easy, and one didn't come at all — when Olton's Mustangs galloped (Continued on Page 8)

J. D. Jordan Wins Leader's Grid Contest; Greer Second

A newcomer to the winning ranks walked away with the honors in the Leader's weekly football contest this week.

He is J. D. Jordan, office manager of the Texas Employment Commission office here, who picked 16 games correctly and barely nudged another newcomer, Mackey Greer of Littlefield.

But, third this week was a familiar name in the contest — Ronnie Onstead of Littlefield, who picked 15 winners on the nose and edged another familiar contestant, Miss Balle Duggan, a fifth grade student at Littlefield elementary who's just about as good an expert as the professionals.

Jordan and Greer both got 16 games right, but Jordan slipped into the driver's seat when his score was closer on the tie-breaking game of Texas A&M vs. TCU.

Jordan will receive a check for \$5.00. Greer will get \$3.00 and Onstead wins \$2.00.

Besides Onstead and Miss Duggan, there were five other contestants who missed five games, but all of the others missed on the tie-breaking game, predicting TCU to win.

Another contest, the Leader's seventh this year, gets underway today with Southwest, Big Ten and area high school games highlighting the card. See the contest page inside.

THE SUDAN EPSILON SIGMA ALPHA SORORITY entertained Saturday morning with a Squaw coffee when a squaw dress was presented as a door prize. Winning the dress was Mrs. J. E. Dryden. The dress will be made to order by Mrs. E. P. West. Approximately twenty attended the coffee. Members assisting with the hospitalities are pictured above. They are left to right: Mesdames Dean Slaughter, Joe Burt Markham, Bud Provence, Bobby Jack Markham, Dexter Baker, Bob Masten. (Scott Photo)

Over 200 Persons Attend Sudan Homecoming

Over 200 ex-students and visitors were registered Friday for the homecoming activities of ex-students and teachers at Sudan High school. Highlights of activities included the Springlake, Sudan Home; a supper, and the crowning of the homecoming queen, Miss Arlene Hogue, daughter of Mr. and Mrs. Clyde Hogue, a member of the Junior class of Sudan High.

Host attendants were Miss Mary Lee Masten, and Miss Charlotte Howell. Miss Hogue chose as her escort, her brother, Arlis Hogue of the Class of '52. Escorts for Miss Masten and Miss Howell were Robert Wells of the class of '50, and Pete Phillips of Amarillo, of the class of '48. Miss Hogue was escorted by Hoyt Robertson, president of the ex-students and teachers association. She was presented a long-stemmed yellow rose and a bouquet of long stemmed yellow roses. Miss Masten and Miss Howell were presented corsages. Following the game a social hour was

Reformation Day Observance Slated Sunday

St. Martins Lutheran Church will observe Reformation Day Sunday. The pastor, Rev. Donald Luckemyer has selected "Is Ours a 'Sanitized' Faith?" Highlight of the service will be a film strip with scenes from the recent "Martin Luther" movie.

Thursday, the women of the church met for their regular meeting. Mrs. Irene Walker presented the opening devotional entitled "Genuine Faith Produces Fruit" followed by the Bible study conducted by Mrs. Wanda Fern Neinst. The study was a combination of first and second Corinthians.

Young Business Women's Circle Is Organized

Ten women were present Monday night for the organization of a Young Business Women's Circle in the home of Mrs. Lee Hemphill at 401 East 8th. The new circle will be a part of the Women's Missionary Union of the First Baptist Church.

Preceding the business session, dinner was served. The dining tables, laid in white cut-work clothes, were centered with straw baskets filled with artificial fruit and autumn leaves. The menu consisted of baked chicken, dressing, gravy, green beans, fruit salad, hot rolls, butter, tea or coffee and pie. Mrs. Forbes Tatam assisted the hostess with the serving.

Auxiliary Stages Salad Supper And Guest Night

EARTH — The Fireman's Auxiliary met Tuesday night in the home of Mrs. Gene Templeton, for a salad supper and guest night.

Guests present were Mesdames Clyde Knight, Edward Jones, Homer Starkey, Cletis Clayton and Clyde Roy Davis.

Members present were Mesdames Keith Chastain, W. F. Williamson, Carl Jones, Harold Brittain, Jerry Kelley, Ray Glascock and the hostess.

The next meeting will be Nov. 6, in the home of Mrs. Rex Angeley.

The Springlake Garden Club met Thursday at 7:30 p.m. in the Community building with Mrs. Aileen Hodges of the Littlefield Garden Club as guest speaker. Mrs. Hodges discussed conservation of Wild Flowers, Birds and Trees.

Mrs. Kenneth Boone presided at the business session. Hostesses were Mrs. Orlan Bibby and Mrs. Lorne McNamara. Refreshments of banana cake,

Date Set Is Oct. 29 Sudan Garden Club To Sponsor Canasta Party

SUDAN — The Sudan Garden club met Thursday morning in the home of Mrs. Ray Wood. In a business meeting presided at by the president, Mrs. Joe Rome, plans were formulated for a canasta party to be sponsored by the organization, October 29th, in the community center. Also an invitation from the Anton Garden club was read to attend the Anton Garden club show when Mrs. Joe Rome and Mrs. A. L. Robinson will act as judges.

Mrs. A. E. Perkins introduced Mrs. A. L. Robinson, who spoke to the group on the care of houseplants.

Present for the meeting were: Mesdames A. L. Robinson, Bill

Party Honors 8-Year-Old Danny Beach

AMHERST — Danny Beach was eight years old Thursday and his mother entertained with a birthday party for him, from three to five o'clock.

Games were played, home movies were made and much excitement was created when the honoree opened his gifts.

Ice cream, birthday cake and Halloween candy were served to Jimmie Tapley, Stevie Liles, Stevie Graham, Billy Sherrill, Rocky Carpenter, Carty Mac Shipley, Elaine Black, Linda Clayton, Nicki Pigg, Neil Duffy, Kita and Nita Nuttall, Donald Osborne, Len Nixon, Gary Lee Bradley, Gary Johnson, Sherry Tomes, Kathy Campbell, John Norwood, Leon Hardwick & David Lightner.

Linda Wade Has Fourth Birthday

Mrs. J. E. Wade honored her small daughter, Linda J. Wade, at their home on the Anton Highway north of Whitharral with a party on her 4th birthday, recently.

Games and the making of movie pictures were enjoyed with each guest receiving a whistle lollipop. Miniature umbrellas marked the plates of ice cream and cake served to the honoree and Monty and Arlene Wade, Johnny Allen Waters of Levelland, Johnny and Carolyn Hodges of Anton, Kathy Sharon, and Randy Wade, Lonnie Dale and Dennis Slape and Mesdames J. C. Hodges, Joe Wade, Johnny Waters, T. C. Wade and Leon Slape.

Whitharral H.D. Club Meets

WITHARRAL — Mrs. L. C. Jordan presided at the meeting of the Whitharral Home Demonstration Club here Wednesday afternoon in the Home Ec. Cottage.

The meeting opened with the T.H.D.A. Prayer, Mrs. Alvis Jones led the group singing of "My Wild Irish Rose."

Roll call was answered with "An Idea for Party Refreshments." The council report was given by Mrs. W. C. Hawks.

Mesdames Jack Long and George Whittenburg of The Farm Home Club were present to discuss plans for the Christmas party on Dec. 7. Committees for program decoration and refreshment were appointed.

Mrs. Jewell Robinson, county agent discussed Entertainment at Home, with a demonstration of Cheese Dip, later served to the group.

Mrs. Ervin Sadler and Mrs. Don Redding served sandwiches, punch and cookies to the visitors. Mesdames Long, Whittenburg, Robinson and Roy Taylor, Jordan, Jones, Jack Bennett, Rafe Rodgers, Ella Hewitt, W. C. Hawks, Russell Colton, Guy Hughes, P. A. Wynn of Meadow and Hub Spraberry.

THREE HART CAMP BOYS JOIN OLTON FFA

Three Hart Camp boys, Clayton Vandlingham, Phil Neifast and Joe Pendleton have been initiated in the Olton FFA.

Birthday Party Honors Teacher

SPADE — The Mary - Mathra Sunday School Class and their families had dinner in the Baptist Church Annex Sunday. Rev. Wadley led the prayers of thanks following by the class members singing "Happy Birthday" to their teacher, Mrs. J. R. Inklebarger. She was presented a white birthday cake decorated in blue and yellow with "Happy Birthday Teacher" written across the top.

Those present were: Mr. and Mrs. J. R. Inklebarger, Mr. and Mrs. Ernest Savage, Mr. and Mrs. Jess Emmons, Mr. and Mrs. Sam Tindal and Don, Mr. and Mrs. E. C. Glass, Mr. and Mrs. Roy

L. E. McNeese Awarded Engineering Scholarship

LUBBOCK — Leonard E. McNeese, son of Mr. and Mrs. Leonard McNeese of Littlefield was one of five Texas Tech students in the Department of Chemistry and Chemical Engineering awarded scholarships ranging from \$100 to \$600.

Dr. S. M. Kennedy announced the winner in behalf of the Tech committee on scholarships and awards.

Scholarships were donated by the Dow Chemical Co., Eastern States Petroleum Co., Monsanto Chemical Co., and the faculty of the Department of Chemistry and Chemical Engineering.

MC NEESE is the recipient of the Eastern States Petroleum Co. Scholarship. A senior chemical engineering major, he is president of the American Institute of Chemical Engineers and a member of Tau Beta Pi. McNeese and his wife reside at 3302 21st in Lubbock.

Other winners of the scholarships are Monte J. Wise, David M. Groves, Ray Neil Lewis, and Roger C. Sewell.

Wise received a Dow scholarship. He is a senior chemical engineering major at Tech. He and his wife reside at 1509 29th Lubbock. His mother is Mrs. Novelle Wise of Quitaque.

Groves also received a Dow scholarship. He is a senior in chemical engineering. He is vice president of Tau Beta Pi, engineering society, and a member of the Associated Institute of Chemical Engineers. He and his wife reside at 2201 23rd in Lubbock. He is the son of Mr. and Mrs. F. A. Groves of Hereford.

Lewis, a junior chemical engineering major, received the Monsanto Chemical Scholarship. He is a member of Phi Eta Sigma freshman scholastic society, and Kappa Mu Epsilon, mathematics honorary. He is the son of Mr. and Mrs. C. R. Lewis of Lakeview.

Sewell is a freshman chemical engineering major. He received the Dennison Scholarship. Money for this scholarship was raised by contributions of the staff to en-

courage graduating high school seniors in the fields of chemistry and chemical engineering. He won an essay contest last spring to qualify. The title of his paper was "The Relative Abundance of Certain Elements in Connate Water." He is the son of Mr. and Mrs. Jack McMichael of 1813 East 36, Odessa.

Scholarships to the other students were awarded on the basis of academic performance and prospects of professional success.

Enochs News

Miss Opal White of Lubbock and Mrs. Irene Miller also of Lubbock visited this weekend with their parents Mr. and Mrs. W. H. Parsley.

Miss LaVerne George of Midland spent the weekend with her parents Mr. and Mrs. Roy George.

BULA HIGH HOLDS ANNUAL HOMECOMING

Bula High School held its 3rd annual homecoming Saturday Oct. 19th. The Exes began arriving at about four o'clock where they gathered in the auditorium for the electing of new officers at 5:30, a barbeque supper was served. After the ball game they again went to the lunchroom where they were served cake and doughnuts.

Rev. and Mrs. C. C. Dorn, Mrs. W. L. Welch, and Mrs. J. S. Snitker and four girls, Linda Welch, Yvonne Mansell, Elizabeth Dorn, and Minnie Mansell attended the M.Y.F. District meeting in Seminole Saturday.

Mr. Robert George sent the weekend with his parents, Mr. and Mrs. Roy George, Robert is attending Draughts Business College.

Mr. and Mrs. J. C. Sniker, Judy and Cathy and Mr. and Mrs. C. C. Snitker and Stanley visited Sunday in the home of Mrs. C. C. Snitker's brother and family, Mr. and Mrs. Ike Shults of Sunday.

Mr. and Mrs. Leonard Lee of Albany, Texas, visited Saturday in the home of Mrs. Minnie Mae DeWitt. The Lees are former residents of Enochs.

Mr. and Mrs. W. E. Speck of Lubbock spent the weekend with their parents, Mr. and Mrs. Joe Speck and Mr. and Mrs. J. Logan Green.

Mr. and Mrs. J. J. Foster of

Pleasant Valley Man Loses Arm

PLEASANT VALLEY — Vidal Maldonado, an employee of O. C. McBride gin, in Pleasant Valley lost his left hand last Monday night in a gin accident.

Maldonado's hand was caught in some of the gin machinery. He was taken by ambulance to the West Plains Hospital in Muleshoe.

Vernon visited Saturday in the home of Mr. and Mrs. C. C. Snitker. Mrs. Foster and Mrs. Snitker are sisters.

Mrs. H. H. Snow visited in Hereford Sunday with her sister and family Mr. and Mrs. James Cash and children.

Mr. and Mrs. Jessie Motes of Lubbock visited Saturday in the home of Mrs. Motes' parents, Mr. and Mrs. John Gunter, Sr.

Mr. and Mrs. Carl Wayne Hallford of Lubbock visited in the home of his parents, Mr. and Mrs. A. D. Hallford. They also attended the Bula homecoming.

SEVERAL ENOCHS FARMS HIT BY HAIL MONDAY

Several farms in the Enochs community were considerably damaged by hail Monday night. The hail was accompanied by a bout an inch and a half of rain.

Mr. J. Logan Green is recovering from a mild heart ailment in the Littlefield Hospital. He is to be released soon.

Mr. and Mrs. Dale Beasley and children of Friona visited Saturday in the home of his mother, Mrs. Minnie Beasley.

Mrs. Ida Mansell, Minnie, Ruth, Arthur Glenn and Terry Lynn Thursday with Mrs. Mansell's visited in Roswell Tuesday through daughter and family, Mr. and Mrs. James Fike.

Congratulations go to Mr. and Mrs. Bonnie Gale Hall on the birth of a 6 lb. 15 oz. daughter named "Ronda Rae" Oct. 11th at 9:15 a.m.

Mr. and Mrs. James Becker and daughters Linda and Carla of Lovelland visited Wednesday with Mrs. Beckers parents, Mr. and Mrs. Charlie Van.

Mr. and Mrs. Steve Monroe, Rikie and Beta of Morton visited Sunday with the Dan Hall's.

Mrs. Viola Bates was released Tuesday morning from West Plains Hospital in Muleshoe. Mrs. Bates is confined to bed in the home of her daughter, Mrs. Roy George.

W.M.U. met Wednesday afternoon at 2:00. Mrs. Carl Hall, Royal Service Chairman gave the program. Mrs. J. M. Angel presented a devotional. Mrs. W. A. Pool and Mrs. Whitfield were added as new members. About 12 members were present.

Mrs. F. C. DeLamater of Denver, Colorado visited a week with her daughter and family Mr. and Mrs. Bob Darnell, Larry and Peggy. Peggy returned with her grandmother, Mrs. DeLamater after a 6 weeks visit in Colorado.

Mr. R. B. Henderson was burned on the hands and face Wednesday morning while lighting the boiler in the Enoch Laundry.

Mr. and Mrs. J. O. Dane visited Oct. 13 and 14th in Carlsbad, N. M. with their daughter and family, Mr. and Mrs. Linsey Bates, Larry and Gerald.

Rev. and Mrs. C. C. Dorn were in Amarillo Tuesday and Wednesday to attend the Dennis Lecture Conference. The Dorn's also visited with Mrs. Dorn's twin sister and family, The Harry Bethel's.

Curtis Green of Lubbock spent the weekend with his parents, Mr. and Mrs. J. Logan Green and Steve.

Speaker Talks On Civil Defense

WHITHARRAL — James Beard, Director of Civil Defense for Lovelland and Hockley County was guest speaker at the Whitharral High School Thursday afternoon.

He stressed hydrogen bombing, radio-active fallout, giving as the best remedy an evacuation (You just shouldn't have been there).

He used slides for explanations with special mention of food, water, blankets, and clothing. Directors in case of bombing of any kind were discussed also.

Doleful Senators Due Shock When Ike Wins, Fears Doc

One of the strongest Eisenhower men in our town is Doc Brown. Doc says he just can't put up with Stevenson's socialized medicine program; there are a lot of other things he doesn't like about Adlai, but that one is enough for him, he says. Doc is a pretty outspoken cuss, but he's a good doctor. At least, he's the best one in town, being the only one, and our people always call him when they get sick whether they like his politics or not.

The other day several of us were standing around in front of the post office, talking politics—some Eisenhower men and some for Stevenson—when Doc walked up looking glum. One of the Stevenson men said: "Hey, Doc, what's the trouble, did Ike just call you in some bad news?"

Doc Brown said no, he hadn't heard from Ike this week, but he was worried.

"Not about Ike, you understand," he told the Stevenson fellow. "Ike has got it made. Even the Stevenson people are beginning to admit that. Poor old Adlai isn't going to get any farther in this race than he could throw Kefauver's coonskin cap with the tail cut off."

"The ones I am worried about are these out-of-state senators who are coming down here to Texas to tell us how to vote. I sure feel sorry for those boys. It must be tough to face life with their attitude."

"To hear them tell it, this country is in a terrible shape. All the farmers are starving, all

the businessmen are going broke, and all the working people are just barely making enough to keep body and soul together. The only reason some little country doesn't step in and whip us tomorrow is that they know they can just wait a few days and the United States will fold up of its own accord. That's what I understand from listening to the visiting senators."

"Of course, they know how to correct the situation overnight. Elect Adlai, and let him abolish the draft and do away with the H-bomb, and let Estes establish the Atlantic Union which he has made speeches about all over the country, and everything will be all right."

"These things are too important, of course, for these senators to waste time telling us Texans why they voted against the Texas tideland bill."

"As a medical man, I am worried about the great shock these senators are going to get, after the election is over and Ike is re-elected and this country keeps on being peaceful, prosperous and progressive. It's liable to put them all in bed."

And Doc Brown walked on off, shaking his head. Of course, the Stevenson man caught on that Doc was furranging him, and he didn't like it much, but he'll still have to call him the next time one of the kids gets the croup, because like I said he's the only doctor in town.

Mr. and Mrs. Charles Adams, and children, spent the weekend, near Tulla, with a brother of Mrs. Adams and his family.

Mrs. J. E. Elliott received word Monday, from California, that her father, who had been seriously ill had undergone an operation, and was much improved.

R. W. Stanfield who has been ill for several weeks, is well enough to be up part of the time, now.

weeks here. They took Mrs. Vann home, where Mrs. Vaughn visited three days.

Mr. and Mrs. Bill Tadlock, Susan and Gina Marie of Lubbock spent the weekend with Mr. and Mrs. Leo Payne.

Mrs. A. F. Copeland is spending some time with her daughter, Mrs. Don Turner and Mr. Turner in Levelland. He continues to improve following major surgery in Dallas.

W. E. Smith, who has spent some time with his daughter, Mrs. Paul D. Bennett and family, left during the weekend for a stay at Hot Springs, N. M.

Mrs. Albert Johnson and Mrs. James Cox were in Norman, Okla. last week. Mrs. Johnson's son Dor-man, wife and infant daughter returned home with them for a few days.

He is in Navy training there. She is the former Mini Peel of Littlefield.

Mrs. C. F. Thompson left Friday for a visit with her sister, Mrs. True Cannon and family, in Dallas.

Mr. and Mrs. Allan White and granddaughter Debbie Kindred of Lubbock were in Tres Ritos, N. M. during the weekend. The Whites

closed their cabin for the winter.

AMHERST COUPLES ATTEND MUSEUM MEETING
Mr. and Mrs. Lester La Grange and Dr. and Mrs. Henry Prettyman attended the dinner, and the annual meeting of the West Texas Museum Association at Texas Tech Thursday night.

Dave Black, Mr. and Mrs. Ert Baucus and Mrs. Lucy Cantrell attended funeral services for Mrs. A. E. Boyd at Vera Sunday afternoon. She resided in Amherst several years ago.

Mrs. Loe Searight of Hollis, Okla., and Mrs. Zora Bolles of Marlowe, Okla., spent last weekend with their aunt, Mrs. W. M. Garton.

Mrs. D. L. Britt and Mrs. Lula Harlan spent Sunday with Mr. and Mrs. Nolan Harlan and daughter at Bula.

Mr. and Mrs. Wade Britt of Portales, N. M., visited his mother, Mrs. D. L. Britt and brother Roger and family, during the weekend.

Mr. and Mrs. Jim Traugott and daughters were Snyder visitors during the weekend.

Mr. and Mrs. T. L. Adams of

EVER AIR UP YOUR THUMB?
Ever blow your thumb up? Take it from Elmer W. Walker, it's not much fun. Tuesday morning, Walker, an employee of B. D. Garland motor company was busy cleaning a motor part with an air hose. Noticed by Walker, the air was forced through a vertical cut on his left thumb and it gradually began to swell as it filled with air.

Walker finally noticed it when his thumb began to hurt. By that time, the thumb on his left hand resembled a small balloon.

Walker collapsed before he could make it to the hospital. He was admitted to Medical Arts Hospital Clinic and remained overnight.

Post visited Mrs. W. T. Attaway Sunday.

Mr. and Mrs. Larry Atkinson and twin daughters returned to California during the weekend, after attending funeral services for his mother, Mrs. L. M. Atkinson Thursday.

Looking At Area Games

Six District Encounters Are On Tap For Area Teams

Six district games are on tap this week for area teams, with at least four of the area teams in contention for their respective titles.

Olton hosts weak Tulla in a District 2-AA ball game, and should win handily. Olton tied Littlefield, which romped over Tulla, 48-14.

Sudan, which pulled a mild surprise last week in its victory over highly-touted Springlake, plays at home against Morton, thought to be a weak sister in District 3-A. Morton lost to Farwell in a district encounter last week, 9-6.

Strong 6-man Bula is an overwhelming favorite over Pettit, Coach Claude Morrison's team is 4-2 for the season and hold a 4-0 record in six-man District 2-B. Whitharral, as yet undefeated in its district, gets Hart at Whitharral.

Whitharral and Amherst, both contenders in their district 3-B, won't know how they stand until the last two weeks of the season, when both meet Happy, the district favorite.

Anton, getting tougher opposition each week, will be the underdog when it travels to Ralls, a contender in 4-A. Anton has won only one of six ball games this year.

Spade, looking more and more like the doormat of district 2-B (six-man), hosts strong Cotton Center. Cotton Center played Bula a close ball game before falling, 21-13.

Springlake and Amherst are idle this week. They pick up next week when the Wolverines play Morton at Springlake and the Bulldogs take on Bovina at Bovina.

SEASON RECORDS

Area Schools	Season	District
Olton (AA)	4-1-1 .750	119-88 1-0-0
Springlake (A)	5-2-0 .714	159-60 0-1-0
Sudan (A)	4-2-0 .667	91-77 1-0-0
Bula (6-Man)	4-2-0 .667	201-119 4-0-0
Whitharral (B)	3-2-1 .583	93-79 1-0-1
Amherst (B)	3-3-1 .500	78-121 2-0-1
Anton (A)	1-5-0 .167	53-134 0-1-0
Spade (6-Man)	1-5-0 .167	132-182 0-4-0

Schedule: Tulla at Olton; Springlake, (idle); Morton at Sudan; Pettit at Bula; Hart at Whitharral; Amherst (idle); Anton at Ralls; Cotton Center at Spade.

Springlake Jr. Top Bovina, 56-25

SPRINGLAKE — The Springlake Jr. High football team won 56 to 25 over the Bovina team in a game played on the Springlake field Tuesday night. Coach Hahn played his 2nd and 3rd string boys part time.

Points for Springlake were made by Johnny Bacon & Johnny Anderson, Bill Starkey and Jerrell Hadaway and Mike Stockard.

This was the team's 5th victory for the season against no defeats. The starting players are Bacon, Anderson, Starkey, Hadaway, Wayne Cole, Dale Montgomery, Sandy Sanders, Robert Cortez, Hal Hudson, Larry Tunnell, Mike Stockard.

The defensive team is composed of Ronnie Johnson, Ronald Spies, Tommy Keilar, Stanley Irvin.

Wayne Watson, Mike Price, Carl Sanderson, Bobby Sloan, Billy Chaney, and R. C. Davis.

Absentee Voting Continues On General Election

Absentee balloting for the Nov. 6 General Election continued this week and County Clerk Charles Jones reported Wednesday that 14 persons had voted since balloting opened Oct. 17.

Jones reminded voters that absentee voting closes Nov. 2, and that poll tax receipts, or affidavits to the effect that the receipts are lost, will be required before residents will be allowed to vote.

He added that absentee balloting for the Nov. 13 special election on a constitutional amendment begins Thursday.

Negro Charged With Forgery

Johnny J. Johnson, a Negro male, was charged with forgery and passing after the victim identified him Tuesday for Sheriff Dick Dyer.

Johnson was arrested in Muleshoe and brought before Doc Dean, local grocery store proprietor. The Negro is lodged in the county jail.

Over the weekend, county officers had a busy time with drunks as they picked up a Littlefield white man and a Robstown Mexican male Saturday, and added two Lockney white men Sunday.

A Littlefield Negro male was arrested Sunday on Liquor Law violation, but was later released on \$500 bond. A Springlake Mexican was arrested Sunday on the same charge.

Saturday, a Littlefield white man was arrested on the same charge.

Youth Suffers Broken Shoulder In Accident

Gerald Young, 15 year-old son of Mr. and Mrs. A. J. Young of near Olton sustained a broken left shoulder Monday night. Gerald and two companions, Hal Dean Nickelson and Lenon Young were driving a "cut-down model A" on a field road when one of the car wheels came loose causing the car to turn over.

All three of the occupants were thrown clear of the car. Gerald, a junior at Olton High School was admitted to Medical-Arts Hospital Clinic. He hopes to be able to return to school Monday.

Mrs. Zeissel Buys Restaurant On 84

Mrs. Wanda Zeissel has purchased McElroy's Cafe on the Lubbock Highway and will open for business Saturday at 11 a.m.

Specializing in Mexican Foods, Mrs. Zeissel plans to name the restaurant El Fonda.

Mrs. Zeissel, who formerly worked at the El Monterey in Clovis, N. M., and at this same restaurant when it was known as Clay's, has one daughter and two sons.

Mr. and Mrs. James Green were presented with a son at 6:05 a.m., October 17th.

Services Pending For Floyd West, Accident Victim

Services were pending Wednesday at press time for Floyd Ray West, 28, of Sudan who was killed at 10:15 p.m. Tuesday when his car overturned six miles north of Friona. He was driving alone when the accident occurred.

West was employed as bookkeeper for Massey Brothers Drilling Company in Friona.

He is survived by his wife, La Verne, two sons, Ricky Lee, and Danny Lynn; his parents, Mr. and Mrs. E. P. West of Sudan; three sisters, Mrs. Kenneth Ware of Littlefield, Mrs. Cleo Whitmire of Sudan and Mrs. Louie McBroom of San Angelo; three brothers, G. W., Carlos and Aubrey all of Sudan.

Burial will be in Sudan cemetery under the direction of Cleburne Funeral Home, Friona.

Damages Light In Accident

Light damages occurred in a wreck Tuesday afternoon at the intersection of Highways 84 and 51.

J. C. Price of Hereford, driving a 1956 sedan, collided with a car driven by Benito Musques of Missoula, Montana, after the latter's auto rolled into the intersection following his stop at a stop sign.

Musques was given a ticket for failure to grant right of way.

In other traffic news this week, seven other tickets were issued—three for disturbance with a motor vehicle, one for speeding, one for no driver's license, another for no driver's license and failure to stop at a red light, and one for making an illegal u-turn on Phelps Ave.

Nearly News

(Continued From Page 1)

The wildcat mascot, Sidney, got their share of attention at the state fair . . . and from Dallas newsmen.

In his column, Tolbert's Texas, Frank N. Tolbert, former Littlefield resident, talked about his home town band . . . and the two oil wells located on the school grounds.

Drilling Begins On Harold Estate - 2

The Livermore Drilling Company began drilling on the Harold Estate No. 2 well this week for Geochemical Surveys of Abilene. The well is in the Littlefield-San Andres field.

In the only other oil news in the county, the Shell Co. was drilling at 6490 feet on its Helen Reed Thompson No. 1 near Bula. No shows enough for production had been reported on the wildcat.

State Spotlight

(Continued From Page One)

into town, keyed high as a kite, and bottled Littlefield to a draw, 12-12.

Plainview, a weak AAAA club, couldn't have beaten the Cats with a ten-foot pole. The Bulldogs fell, 38-13. Brownfield made the hair stand up all over Sid Jr.'s back, but didn't make it, 20-19.

In turn, the Wildcats then put the bite on Tulla, Canyon and Clovis, N. M. Canyon was the best of the lot, but didn't seem to want to win bad enough and lost, 14-6. The Canyon coach mumbled in effect after the game that Dumas, a team that had beaten the Eagles a week before, 19-12, would make mincmeat of the Wildcats. And Dumas is rated after Phillips and Levelland in this league, which gives you another idea of how they stack the Cats up against Phillips.

Coach Gene Mayfield and Blackhaws mentor Chesley Walker are both being eyed about this one. They both say they're hoping that the other doesn't run all over them, but Walker probably has his tongue in his cheek.

One of Mayfield's big worries is Big Max Morris. Morris a full-back who thrives on contact, is nursing a charley horse, but is expected to be ready for the game. Floyce Pierce, the Cats' point-after man, and Wallace Lee, a strong tackle, both have sprained ankles, but should see action.

Wildcat tri-captains are Lee, Lawrence Hudson, and Joe Hoover, a big part of Littlefield's ground-begudging defense.

The Blackhawk stickout, tabbed by Coach Mayfield as the best all-around back the Cats will face this year, is Tommy Newman, a sparkling quarterback who can

payrolls and citizens field.

The brochure, prepared by a community service center, is available at the Littlefield Press, and Dan Stagg, chairman, carries on sending baseball team to Littlefield to spect.

Featured in the brochure is the "team captain" City Development, Littlefield Foundation, member of Commerce, Insurance, "potential" area population, "play" (climates), "the" (Littlefield homes, recreation, etc.), "labor supply," "heavy" (power—utilities), and "system" (the area's agriculture).

run and pass with them. He has a favored snagger—an end named Ly who has glue on his Both of the Blackhaws all - state timber, and Mayfield.

The two teams are at same size, but Phillips edge in team speed. Both from the T formation.

"Their biggest asset is size," Mayfield said Tuesday, adding that "the stop scrapping."

"Canyon probably has good personnel, but it would be no match for Mayfield said.

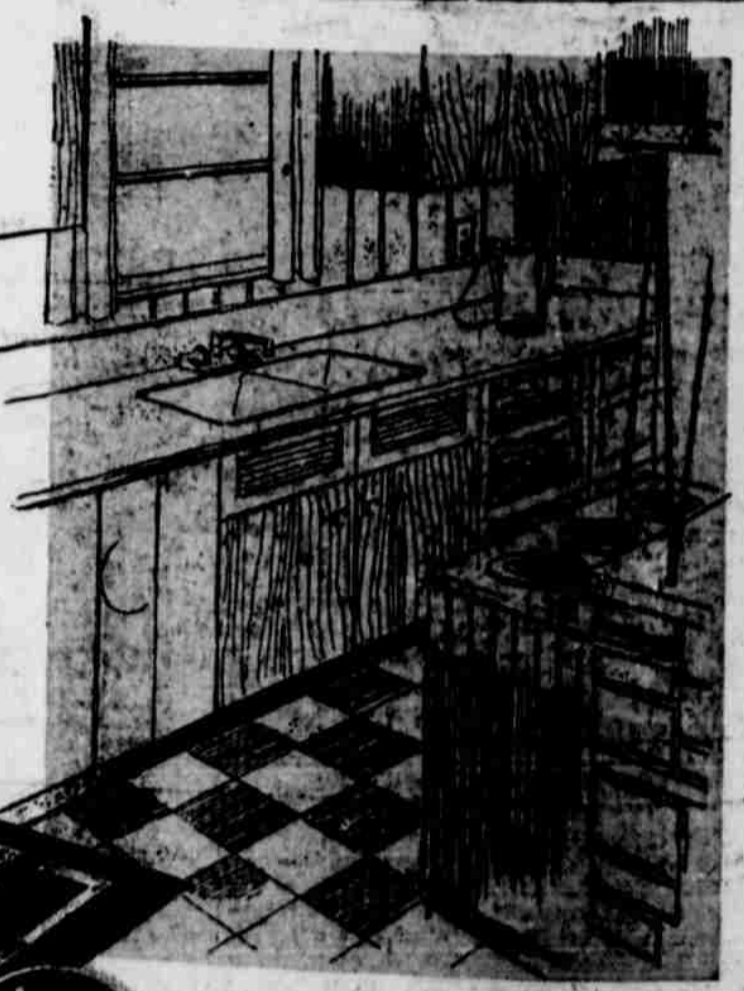

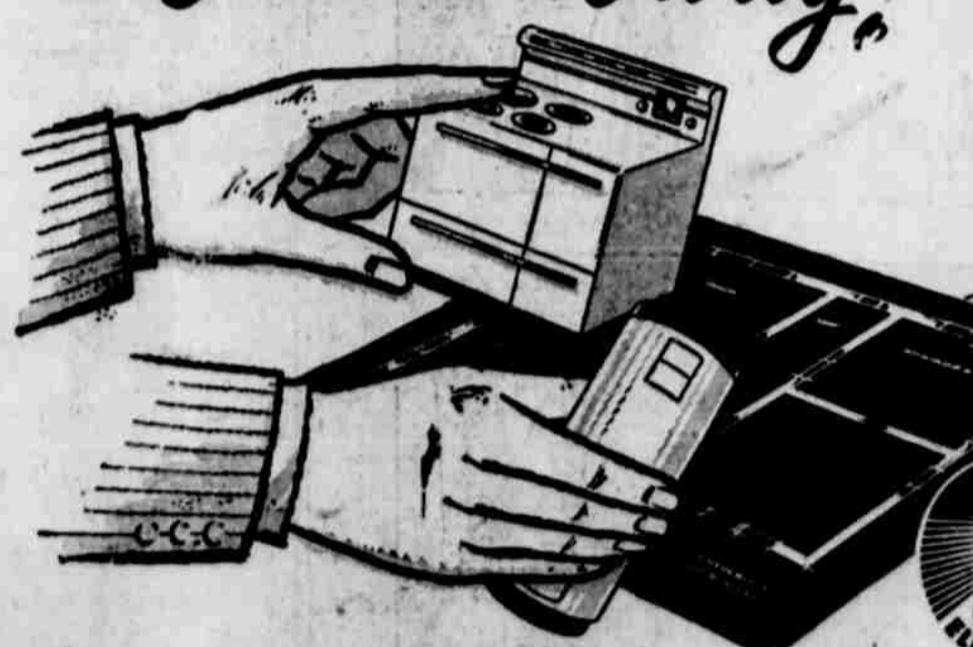

Littlefield, in the ranks 13th in the state back of Phillips and another 1-AAA club that the top ten in the poll.

Probable starters for the Andy Parker and the wall at the terminals. Hoover at the tackles. Ernie Hoppe at the guard. Lowe at center. James at quarterback. Mike at center. Buddy Jones at the Morris at fullback.

Phillips will probably Jolly and R. Smith at Williamson and W. tackles. H. F. Ritchie Phares at guards. G. at Center. Newman at Ned Jolly and D. haves and E. Gipson

ELECTRIC RANGE AND WATER HEATER FIT INTO ANY PLAN . . .

the modern way!

It's 1956... start now to live better electrically. See your Reddy Kilowatt Electric Appliance Dealer

Plan your home around electric living. You can start with a built-in electric range which consists of the electric surface units and the electric oven, or, if you prefer, you can choose the popular "stand-up" electric range. Either way you'll find that electric cooking blends into the decorative scheme of the modern home. Electric appliances are modern to use; best of all they even LOOK modern. The electric water heater can be a part of the kitchen cabinet line giving you more table top work space and a silhouette which marks your kitchen as up-to-date. And, remember, an electric range and water heater require no vents or flues. They are perfectly safe, too. Yes, electric cooking and electric water heating fit any plan whether you're building new or remodeling. You CAN live better electrically!

County FFA-4H Youths Sell Steers At State Fair

Fourteen Lamb County FFA and 4-H youths came home from the Dallas State Fair Saturday after winning high places in the Junior Market Steer Show. The show was held Thursday and attracted boys and girls from all over the state.

The youth sold 14 steers for FFA and 4H contestant from nearly \$5,000 in all, and every the county came home with money jingling.

J. C. Lane, Agriculture teacher at Olton High, and Asst. County Agent Bob Haney went along on the trip.

Prime beef sold for 36 a pound at the show and choice beef went for 32 cents. The average of the 14 steers was \$340 a head.

Showing that the youths took care of their stock after they arrived in Dallas, Haney said this week that all but one of the steers weighed more at the show than it did when it left Lamb County.

continued production, such as breeding stock. If that is the case, farm income may drop more substantially in the next few years.

"Agricultural economists have not yet determined just what is sustaining the farm income this year, but there seem to be substantial grounds, in some parts of the state at least, for farmers' claims," Staff Writer James H. Keahey reports.

Eleven of the 19 major farm commodities brought increased income, seven decreased and one showed little change in the 1955-1956 comparison for the first eight months of the year.

Increases were made by cattle, up 1 per cent; corn, 5 per cent; calves, 6 per cent; wool, 7 per cent; grain sorghums, 11 per cent; hogs, 16 per cent; peanuts, 23 per cent; milk and milk products, 24 per cent; poultry, 29 per cent; fruit and vegetables, 37 per cent, and sheep and lambs, 38 per cent.

Showing decreases were wheat, down 2 per cent; eggs, 6 per cent; rice, 18 per cent; cotton, 19 per cent; oats, 44 per cent; cottonseed, 5 per cent, and flaxseed, 49 per cent. Mohair registered an insignificant change.

County . . . that's after a long trip to Dallas that cost plenty of weight.

Rated as prime beef in the Aberdeen-Angus Heavyweight division were steers belonging to Nancy Brigance and Houston Hamby, both of Olton.

In the Hereford Heavyweight division, Hal Clarida of Littlefield had his steer rated as choice.

In the Heavyweight Shorthorn division, Elmer Houston of Olton had his steer rated as prime and Ronnie Kidd of Olton wound up with his steer as choice.

Bill Mote of Littlefield won a choice rating in the Aberdeen-Angus Middleweight division and Louis Clarida of Littlefield and

Dewey Hukill of Olton won choice ratings with their steers in the Hereford Middleweight section.

In the Lightweight Class, Harlan Carson of Olton rated prime with his Aberdeen-Angus steer. Royce McFadden of Olton received a prime rating on his Hereford steer. Three other Olton youngsters—Lennon Young, Sandra Hamby and Don Kidd—won choice ratings with their Shorthorn Lightweight steers. John A. Adams of Olton got a choice rating on his Hereford lightweight steer.

In addition to the money received from selling their steers, the youths also won \$20 if their beef was rated prime and \$16 if their beef received a choice rating.

James Enrolls In Foreign Trade Course At Phoenix

Glen W. James of Littlefield has enrolled as a member of the June 1957 class of the American Institute for Foreign Trade, Phoenix, Arizona.

Specializing in Latin America, James is taking the school's intensive training course in preparation for a career in American business or government abroad.

James attended Littlefield High School and received his Bachelor of Business Arts degree in International Trade from Texas Technological College, Lubbock, Texas, where he was a member of the Economics Club, International Relations Club, and Circle "K" Club. He served in the Navy for four years with duty in the Pacific.

The course of study at the Institute, concentrates on techniques of international business relations, foreign languages and characteristics of foreign countries.

The extended right arm of the Statute of Liberty is forty-two feet long.

REHEARSALS FOR THE MESSIAH, which will be presented by a city-wide choir on December 19, got underway Sunday afternoon. Hugh Ellison, high school choral director, discusses the score of the oratorio with R. L. Graham, high school senior, and Mrs. Charles Heathman, a member of the Baptist choir. Ellison also directs the Methodist Church choir. Rehearsal hours have been set for 2:30 p.m. each Sunday afternoon and 7:30 p.m., Monday. The public is invited to participate.

with a fish in his mouth." We wish the Cats a whole ocean of good luck, so thick

with fish that it would be impossible to stir them with fancy efficient deep sea equipment. — M B D —

We'll bet you the coffee to be consumed at any "Coffee Break" you wish to designate that you don't know what "MM" means without cheating by looking down into the next two or three paragraphs.

And right at the outset we'll tell you it doesn't mean Marilyn Monroe.

But it does stand for something pulchri tudinous.

Here's the answer: "Meter Maids" . . . the young women who put the little yellow envelopes under the windshield wiper on your car when the parking meter reads "expired."

'She was a Phantom of delight When first she gleamed upon my sight;

A lovely Apparition sent To be a women's ornament — until she put an over parking ticket on my car. — M B D —

Mexico and the United States have begun talks in Mexico City on a treaty to eliminate radio interference between the two nations. Mexico demands more air space than the United States is willing to give.

This scientific business is getting too deep for us folks of average mentality (that could be a point in dispute) to understand. It looks to us like there's

Texas Farm Cash Income Stays Steady

AUSIN, (Spl.) — Texas farm cash income appears to be holding up, despite one more year of drought, the University of Texas Bureau of Business Research says.

This year's total, to the end of August, was \$927,160,000, a gain of less than one-half of one per cent over the January-August, 1955, income (\$925,569,000).

However, many farmers say farm income has been kept at its 1955 level through the sale of what financiers would call capital — materials needed for

plenty of room away up in the air for everything to get by without dodging.

But what has got us worried is this:

What's going to happen when trips to the moon go on regular schedule.

Pilots will be yak yaking to earth for weather reports. And, too, Auntie Sue will be radiogramming back to terra firma that "we've made thousands upon thousands of miles without engine trouble, the stewardesses are dears, and the pilots are such handsome men."

"An editorial is not a writ from on high; it's just one man's opinion."

Sand Hills Philosopher

Editor's note: The Sandhill Philosopher on his Johnson grass farm is no student of Abraham Lincoln, his letter this week reveals.

Dear editor:
You wouldn't exactly call me a student of history, I'm like most of us, I'm not sure what happened yesterday, not to mention century before last, so it was with considerable pleasure I read in a campaign speech the other day what a candidate said about Abraham Lincoln.

According to him, it was Lincoln's idea that the Federal government should "do for people the things they can't do well themselves," and he was in favor of that philosophy for government.

I want you to know that I'm in favor of it too, but the trouble is not enough government officials will follow up on it. They've left me and Abraham Lincoln high and dry.

For example, like writing a check. I don't know why it is, but the government is a whole lot better at writing checks than I am; that is, if you take the long-range view of writing a check and include getting it cashed. I don't mean to say the government doesn't write a lot of checks. My complaint is not enough of 'em are addressed to me.

Or take plowing. That's something I never have been able to do well for myself, although up to now the government has ignored Lincoln and left the job to me, as the shape my farm is in

will demonstrate.
Other things I can't do very well are build a fence, patch a roof, clean out a well, butcher a hog, hoe a garden, mow the lawn, etc.

As far as I'm concerned, to take just one example, I think I can prove I can't plow very well for myself, and while I don't know that the government can do it any better, my notion is a lot of government workers are where they are in order to escape the plow, but that's not what Lincoln said. What he said was, according to this candidate, the government ought to do for me what I can't do well myself.

Obviously this opens up a brand new field for government activity, and I am now working on a list of all the things I can't do very well and will appreciate you finding out and telling me where I'm supposed to mail it. I'm on page five of my list now.
Yours faithfully,
J. A.

Brotherhood Combines Breakfast, Business Meeting
SPRINGLAKE — The Executive Committee of the Brotherhood of the Baptist Church met Tuesday morning at 7 for a breakfast and business meeting in the home of Leslie Watson, president of the Brotherhood.

Mrs. Leslie Watson, Mrs. Lowell Waldon and Mrs. John T. Williams prepared and served breakfast to Rev. John T. Williams, Ernest Boone, Lowell Waldon, Ernest Green, W. T. Jones, Troy Blackburn, Billy Wayne Clayton, and Leslie Watson.

There is no law requiring Justices of the Supreme Court to be lawyers.

THE AMERICAN WAY

Political Planning Paternalism

Timing Polio Vaccination

Polio has brought needless tragedy to thousands of Americans this year . . . needless because we now possess the means of preventing better than four out of five cases of paralysis from this cause . . . and more will be stricken next year. Just how extensive the human damage will be in 1957 depends on how many of us act now to protect ourselves and our families.

The time element is vital because it takes eight months to space out properly the vaccine shots required for maximum protection. Only by starting at once will you have time to complete the three-shot series before warm weather brings another uptrend of the disease next year.

Each of the three shots is important. The whole effect is to enable the human system to produce the antibodies that destroy polio virus before it can reach the nerve centers. The third is the clincher; it provides long-lasting protection at the highest level attainable . . . a level comparable to the immunity conferred by a natural attack of the disease itself.

Medical authorities recommend that the second shot be administered four to six weeks after the first, and the third, seven months after the second. If you have already begun the series you should get the remaining shots according to the schedule. If you haven't started yet, there is no better time than the present.

Don't be put off by that old misnomer, "infantile paralysis." Your children need this protection, but if you are under 36 years old you should have it too . . . for your security as well as your own. Polio's attack has been shifting in recent years. It is striking more frequently at adults and as a rule it hits them even harder than it does children. This may mean disaster to the whole family.

Don't let it happen to you and yours. Get in touch with your doctor now.

Highlights and Sidelights From Your State Capitol

By VERN SANFORD
Texas Press Association

AUSTIN, Tex. — Gov. Allan Shivers again is heading the ranks of Texans for Ike. After killing a 1,000-pound bear in Alaska, the governor came home gunning for Adlai Stevenson.

Shivers is to make three out-of-state speeches for Eisenhower this week. He said he is ready to make more "any time, an place."

He criticized scheduled appearances in Texas of out-of-state U. S. senators who voted against the tidelands bill.

In reply Sen. Lyndon Johnson said that the Governor was "being discourteous and insulting" to visitors to Texas. "The tidelands issue," he said, "is as dead as Allan Shivers."

SPECIAL ELECTION DANGLES — Campaigners for Price Daniel's U. S. Senate seat are in for more tortuous waiting.

Governor Shivers has said he will have no announcement on calling an election until after Nov. 6. A special senate election, he added, "has no place being mixed up with a presidential election."

COTTON REFERENDUM SET — Texas cotton farmer will vote Dec. 11 on whether to extend federal marketing quotas to the 1957 crop.

Two-thirds approval of farmers voting nationwide is required to put quotas into effect. Continuation of wheat quotas has already been voted.

USDA also announced that each Texas county's 1957 cotton acreage allotment will be within at least one percent of its 1956 level. This decision apparently was aimed at quelling a prolonged rivalry between East and West Texas counties for increased acreage.

Total Texas cotton acreage for 1957 is to be 7,810,893 acres, slightly higher than 1956.

ELECTION INVALIDATED — Local option elections held in an area less than a justice precinct are illegal, say the courts.

Texas Supreme Court has upheld a Civil Appeals Court decision to this effect. As a result, a section of Austin considered "dry" since 1935, is now legally "wet."

Local option elections, said the appellate court, can be held only county-wide, city-wide or in an entire justice precinct.

STATE GROWTH FORESEEN — Texas' need for state office space will be tripled by 1980.

So say planning consultants for the state building program. They estimate that Austin alone will have some 11,500 state employees 24 years hence. Statewide the total is set at 24,000 to 30,000.

Planners say the 200,933 square feet of floor space in the Capitol should be augmented to make a total of 1,720,000 square feet. To accomplish this, four new office buildings would be built. Capitol

grounds would be extended north six blocks to 19th Street.

"Broad estimate" of the cost: \$87,000,000.

Another recommendation in the recently completed Capitol area master plan is to sell or abandon four older state-owned buildings dotted over Austin.

GAS TEST CASE SET — Whether the state should refund some \$4,000,000 in natural gas taxes will be considered by the Third Court of Civil Appeals on Feb. 6.

District court ruled for the gas company in the test case. An issue is whether some 30 companies who paid taxes, without protest, can get their money back.

Companies which paid under protest were repaid shortly after the law was declared unconstitutional.

ALCOHOLICS INCREASE — A sharp rise in alcoholism among Texans during 1956 is indicated.

Twice as many patients have been admitted to alcoholic wards this year as last, reports the State Hospital Board.

Total number of alcoholics in the state is estimated at 155,000. This is almost twice the 1940 estimate of 83,304, represents about 3 per cent of total population.

FARM INCOME UP — Texas cash farm income for 1956 is running slightly higher than 1955, despite the drought.

But, according to the University of Texas Bureau of Business Research, the figures reflect desperation, not prosperity.

High income, it is explained, comes from sale of production materials, such as breeding stock. Specialists compare it to the situation of a factory which keeps income up by selling its machinery.

Total through August was \$927,000,000, compared to \$925,000,000 a year ago.

SCHOOL TRUSTEES CONFER — Texas school board members talked all around their integration problems, finally settled on a resolution urging each district to approach the question with "dignity."

Only one dissenting vote was heard among the some 200 attending the Texas Association of School Boards convention in Austin.

One speaker declared integration should be handled on a local basis. Another deplored that school boards should have been made the "goats" in the controversy.

Galley Two Highlights and Side

SHORT SHORTS — Number of Texas factories increased 25 per cent from 1947 to 1953, according to the Dept. of Commerce. Value of manufactures rose to \$1,780,600,000 or 103 per cent. It put Texas industrial growth well ahead of the nation as a whole . . .

DOWN MEMORY LANE

From the files of the Lamb County Leader, Oct.

J. W. Greene, of Amarillo is this week erecting the electric light plant a wood working shop and do all kinds of frame and cabinet work.

★ ★ ★

W. B. Quilian, one of the older citizens of Littlefield and father-in-law to our fellow townsman, C. L. Yarnall, moved to Littlefield, and is this week erecting the Higginbotham-Bartlett Lumber yard a room 24 x 80 feet.

★ ★ ★

The Sophomore class of high school entertained Seniors last Friday evening, at the home of Miss Lillian class. Teachers, Misses Patsey Lively and Marie Pugh honored guests of the occasion.

★ ★ ★

Last Friday evening at the home of Miss Lillian an old time "hen party" was enjoyed by the Soph and Senior classes of the high school. Old time games were played. At a late hour the hostesses went to a down town drug store where delicious refreshments of Coca Cola, marshmallows and lemons were served afterward an old time serenade was enjoyed by all, pullets went home to roost.

★ ★ ★

Mr. and Mrs. E. C. Conklin, of Lamesa are this week opening confectionery in the building formerly by the Neal Douglas Land Co. Mr. Conklin proposes to handle a nice line of candies, cigars and light lunch.

SCALE WATCHING IS AN EXCELLENT HABIT

A scale in every home might be very beneficial to personal health, for weight is an excellent guide to future well-being — and should be watched carefully.

There is no short-cut to weight control. With each person, it is an individual problem, and subject to personal discipline.

Normal living and eating are likely the keys to health. If over-weight or under-weight, see your Doctor. He is the one qualified to determine the necessity and prescribe for such treatment.

Only with his guidance should you engage in any weight control project.

The Biggest The Best is grown from Northern Star Seed

Our Northern Star cotton is bred for yield, quality of lint, earliness, burrs which hold their seed cotton and ginning qualities. It is grown on good land, harvested when mature, ginned in exclusive gins; the seeds are cured to prevent heating, cleaned of all foreign matter, treated to control diseases, sacked in new clean sacks and stored in a dry, well ventilated place to await planting. Northern Star is making quality staple and grade in the drouth areas of Texas. Again this year our germination is extremely high.

Church Schedules Annual Festival
 The Emmanuel Lutheran Church has scheduled its annual Mission Festival for Sunday.

Following regular morning services which begin at 10:30 o'clock, a special dinner is planned for all members and guests.

In the afternoon portion of the program, Pastor Paul Elbrecht of Lubbock will deliver the sermon at 2:30 o'clock.

Earth.

An array of gifts was displayed and refreshments of cake and coffee were served to the following: Mrs. Douglas Parish, Mrs. C. T. Jordan, Carolyn Parish, Mother Carter, Mrs. Baker, Mrs. Clayton, Mrs. Loftis, Mrs. Parish, three grandsons and the honoree.

Harold Allison went by train to Dallas for his monthly check-up and treatment. He returned home last Monday.

Mr. and Mrs. J. W. St. Clair and daughters, Darlene and Juanita, went to Hale Center recently where they helped Mrs. J. I. Dyer celebrate her 78th birthday. Mrs. Dyer is the mother of Mrs. St. Clair.

Mrs. Bonnie Haberer attended the birthday dinner in honor of Mrs. John Haberer of Hereford in Lubbock last Sunday in the home of Mr. and Mrs. A. L. Haberer.

Mr. and Mrs. C. B. Landers and Boyd Landers, and little daughter Debora, visited relatives in Amarillo, Canadian, and Higgins several days last week.

Mr. and Mrs. Johnnie St. Clair and family and Mr. and Mrs. Matt Mosely all of Hale Center visited recently in the home of Mr. and Mrs. J. W. St. Clair and family.

Word has been received by Leroy Hicks that his mother Mrs. Agnes Hicks who is in a hospital in Oklahoma has regained her speech. Mrs. Hicks suffered a paralytic stroke during August while visiting relatives here.

Put two and two Together You Save Money

When You Store Your Cotton At Home

The services of an approved cotton warehouse are essential to the Government loan program. This company has always co-operated with the Government and the farmers in making the loan available to our customers. We have served this territory for twenty-five years and during this time have built sprinklered cotton warehouses to serve this area with nearly 600,000 square feet storage space. These warehouses, approved by the Commodity Credit Corporation, offer the farmer the best and most efficient cotton storage facilities. Such warehouses reduce holding costs until such time as the owner may sell the cotton or place is under the government loan program. The savings in insurance costs, which are paid by the farmer as a result of these modern facilities will average in excess of \$5.00 per bale.

Send us your cotton
 We have nothing to sell but service — Our time and energy is devoted to compress and warehouse work only.

Littlefield Compress

for peace of mind... Our aim is to always provide funeral services that are beautiful and reverent... truly the perfect tribute. Anytime, day or night, our experienced staff is at your call, to help in your hour of need.

High Plains Field Station Nears Reality

A High Plains agriculture research station, working independently on fact-finding that should lead the West Texas farmer to better things for his investment, is nearing reality.

Fund-raising work toward the project will get underway in a massive drive beginning Nov. 26, it was learned this week.

Work will be projected on grain sorghum, soybeans, corn and other crops, with the data to be used to improve farming in a 19-county High Plains area.

The Texas Research Foundation was invited early this year by the Agricultural Committee of the Plainview Chamber of Commerce to consider establishment of a High Plains Field Station in Hale County, to be financed by farmers and businessmen of the High Plains. Total estimated cost of the project is \$550,000 for five years. This would provide \$150,000 for capital needs, \$400,000 for operating purposes at the rate of \$80,000 a year.

"We are now well on our way toward obtaining a Field Station for the High Plains," Harold Hinn, chairman of the board and president of Harvest Queen Mill & Elevator Company, told more than 50 leaders of the area meeting in Plainview Wednesday.

"We have made arrangements for 310 acres of land in Hale County, for a permanent site for the field station, and it is now a matter of obtaining operating capital. Just as soon as we can secure pledges for the five-year operating fund, we can begin a research program which should in-

crease the productivity of this 19-county area many fold in order to guarantee the success of the effort, Texas Research Foundation requires that we must underwrite the work in advance for five years," he continued.

"Not only the best interests of the whole High Plains, but the self-interest of every businessman and farmer in the region, gives us but one choice. And that's to subscribe the money which is required to do this job," Mr. Hinn said. "All anybody with doubts has to do is to study the wonderful results which the 13-year program of Texas Research Foundation has achieved for some of the other agricultural areas of the state and this investment in research is the only certain way I know to underwrite our future success."

Hinn said that the Harvest Queen Foundation will purchase immediately 160 acres of land which will be turned over indefinitely to Texas Research Foundation for experimental purposes, and that 150 acres adjacent at Halfway will be purchased in the name of Texas Research Foundation. The purchase of the 150 acres will be underwritten by George Green, president of Green Machinery Company of Plainview, the purchase price to be repaid over a five-year period out of capital funds subscribed by businessmen and farmers of the High Plains. The site is located 15 miles west of Plainview on U. S. Highway

70. The soil is described as the highly typical Pullman clay loam with a small part of it being Amarillo clay. There is one irrigation well on the property.

Hinn said that Dr. T. C. Longnecker, assistant director of Texas Research Foundation and its chief soil scientist, already has been assigned by Texas Research Foundation as head of the High Plains Field Station, subject to the completion of present plans. A scientific staff will be employed for the High Plains to meet the requirements of the research program as it develops here.

Counties which have indicated they would cooperate in the program are Hale, Lubbock, Lamb, Bailey, Castro, Farmer, Hockley, Floyd, Deaf Smith, Lynn, Dawson,

Potter, Terry, Briscoe, Randall, Crosby, Swisher, and Cochran in Texas and Curry County in New Mexico.

In addition to the main unit of the High Plains Field Station which will be located in Hale County, it is possible that testing areas for new crops and for fertilizers will be set up in other counties as the research program develops.

Dr. C. L. Lundell, director of Texas Research Foundation, and Dr. Longnecker report that at least one third of the land at Halfway will be utilized for evaluation nurseries where new crops of all kinds will be tested for their adaptation to soil and climate under both irrigated and dry land conditions. Another third of the cul-

tivated land will be used for field scale tests and demonstrations of soil and water management practices. Included in these will be all phases of fertilizer usage so as to test and demonstrate the most efficient use of fertilizer to obtain the greatest economic return.

Tests and demonstrations with grasses and legumes for soil improvement, cropping systems, rotations, and water conservation will also be included. Crop varieties which show promise for the High Plains will also be grown in large blocks to further test their desirability, and also for seed production, if their performance justifies their release to farmers of the region.

"The solution to the agricultural problems of the region lies in projecting a sound and continuing program of research, and in the wide and diligent application of the best results of this research," Dr. Longnecker told the group. "The problems must be viewed as local to be resolved best by local people—the businessmen and farmers of the High Plains."

He said that the purpose of the High Plains Field Station will be to provide an immediate program for farm and range improvement in the region based on practices developed by Texas Research Foundation at Renner.

"The pattern of such a self-help program has been clearly demonstrated by Texas Research Foundation in its operation at Renner where it now has a plant worth in excess of \$2,000,000 and

a yearly operating budget of more than \$400,000 supplied by private firms and individuals."

The Foundation is an independent, nonprofit research and educational institution operated wholly by funds contributed by businessmen, farmers and ranchers and receives no tax money for its support. Dr. Longnecker pointed out. He declared that the work done by the High Plains Field Station will be closely correlated and integrated with the work of the parent organization at Renner.

The following have been named to a Regional Council to work for the development of the High Plains Field Station: Frank Moore, Virgil Payne, Harold Hinn, H. M. LaFont, Jason Gordon, and Wendell Green, all of Plainview.

Grady Shepard, Leo Wall, Jim Bob Curry, of Hale Center; Harmon White, Cotton Center; Lawrence Hagy, Frank Triplett, Art P. Brally, and Virgil Patterson, Amarillo; George W. Pfeifferberger, W. O. Fortenberry, Arch S. Underwood, George P. Kuykendall, Roy Davis, Dixon White, and Roy Mack, Lubbock; E. R. Steen, Idalou.

B. M. Granberry, I. B. (Doc) Holt, Olton; Jack Yarbrough, Sudan; and Paul Lewis, Littlefield; Joe Foster, Ewald Quebe, Lockney; Jim Willson, Jr. and E. A. Robertson, Floydada; R. B. Dawson, Tulla; Leroy Saul, Kress; and Bob Francy, Happy.

Lamb County Reaches 70% Mark In Savings Bond Goal

C. O. Stone, County Savings Bond Chairman, reported today that Series "E" Savings Bonds sales in Texas for September had increased 9 per cent above sales of September 1955. But sales in Texas must be increased if we are to make our quota, Stone continued.

The Series "E" sales for September were \$12,853,819; Series "H" sales were \$1,811,000. These figures compare with Series "E" sales of \$11,716,088 and Series

"H" sales of \$2,378,000 for September 1955.

Sales in Lamb County for September were \$6,750. Sales in Lamb County for the nine months were \$332,193. This represents 70.7 per cent of the quota for Lamb County.

Stone stressed the importance of the Savings Bonds Program to the individual, the community and the nation. He stated that 2 million Texans have \$2 billion dollars invested in Savings Bonds. That much stored up buying power is reassuring for the future of our economy, he concluded.

THE LARGEST TRUCK CROPS operation in Lamb County is that conducted by Bill Langford and Johnie Gallini, who have their own grading, packing and shipping shed on Highway 51, a short distance east of Littlefield. Langford and Gallini have 100 acres in tomatoes and 70 acres in bell peppers this year are yielding as high as five tons per acre in Lamb County. Langford, at the right in picture is shown holding two of the peppers grown in the Langford project. At the left in the picture is Martin Gallini, a friend of Langford, and a former Lamb County resident. A son, Martin Parmer, Jr., resides three miles east of Littlefield on Highway 51. A resident of the Rio Grande Valley for the past six years, Parmer has three farms in that county of the state, with a total of 260 acres.

Here! New Task-Force 57 Chevrolet Trucks!

Performance-proved in a history-making test on the ALCAN Highway to Alaska

The Alcan Highway is the road where trucks grow old before their time. The road where gravel endlessly sledgehammers the life out of trucks. Where a fog of superfine dust chokes engines, and vicious ruts subject chassis to months of wear in a few hundred miles.

Six new '57 Chevrolet trucks, heavily loaded with cargo, roared north from Dawson Creek, B.C., through 1,520 miles of mountains and mire, rain and hail to Fairbanks, Alaska. Running around the clock, they made this tortuous trip—normally a 72-hour run—in less than 45 hours. As a special test during the run, two of the trucks went the entire distance without once having their engines stopped!

Come in and see how well these new Alcan champs measure up to your job.

FIRST WITH THE MOST MODERN FEATURES:

New 283-cubic-inch Taskmaster V8 is standard in Series 5000, 7000 and 8000, optional in Series 6000 at extra cost. Horsepower ranges up to 210 in Chevrolet's complete line-up of modern V8 and 6 truck engines.

Revolutionary Powermatic Transmission—exclusive with Chevrolet trucks! This six-speed automatic, designed specifically for heavy-duty hauling, is an extra-cost option in Series 5000 and 6000 and all heavy-duty truck models. Hydra-Matic is offered in 3000 and 4000 Series models at extra cost.

L.C.F. models outdate C.O.E. trucks in every way; yet offer all the traditional C.O.E. advantages.

Heavyweight! Champs with Triple-Torque tandem are rated at 32,000 lbs. GVW, 50,000 lbs. GCW. Special features include built-in 3-speed power divider.

Alcan fleet reports up to 18.17 miles per gallon! That's the mileage reported by the Cameo Carrier, with Thriftmaster 6 and Overdrive (optional at extra cost).

All the way in DRIVE range with Powermatic! This Powermatic-equipped 10000 Series tractor traveled the Alcan Highway in a single forward-speed range!

The Skat's Impressions

LHS Band's Dallas Trip Provided 'Inspiring Sights'

Editor's note: This article is a reprint from the Littlefield High School "Skat", official student publication at the school.

How wonderful it would have been if everyone could have seen the Music Festival in the Cotton Bowl! It was one of the most inspiring sights you can imagine! Thirty two bands, amassed choir, and an orchestra put on such a patriotic show that everyone who saw it should run scurrying to the polls.

The massed choir and orchestra came in for their share of the limelight and they were wonderful.

Against a dungeon black background the American flag was spotlighted as it was unfurled, and the chorus sang "The Star Spangled Banner" to band and orchestra accompaniment. In a special arrangement for band and chorus the strains of "Battle

Hymn for the Republic" and "God Bless America" simply made a lump come into my throat and goose pimples break out all over me. It was out of this world!

The band formations were such arrays of color and the music so overpowering it simply made you so proud to be an American that you wanted to pop.

The members of the Wildcat Band played an important role in this festival. In the formation of the map of the United States the Littlefield kids were highly complimented when they were assigned the formation of the state of Texas. Texas never looked better and LFD never will have any better representation. "Ole" Gary Pickrell had that big bass drum with all the LHS insignia on it right in the fore front. They knew we were there. Oh, we're not modest—just stating plain facts.

We made the I for Ike—when Adlai and Ike, presidential can-

didates, were spelled out on the field. There were almost 4,000 boys and girls in all the massed groups. That meant somebody bought a lot of hamburgers at the State Fair. Now—more about us. We were in the spotlight again in the last formation. The Torch of Liberty, the Presidential Shield, and the Cross of Christianity. Everyone liked this—and all those horns really sounded "Right" as we played "National Emblem March". In rehearsal, Band president, Jimmy Bennett, was the only cornet that got some of those difficult notes. That's what one of the directors said. We just had to take a bow and let the fireworks display come on. It was brilliant too, and featured the "Get out and vote" theme. We'd like to watch such a show every week.

Sid, the real live Wildcat, made the trip with us just like an old trooper that has been making band trips as long as we have. He rode the monorail with reports and Photographers from both Dallas papers gingerly trying to get near enough for an interview. Jimmy, R. L. and Palmer acted as his escorts. Sid was treated with "respect" by all who met him!

Do you know we should be

ALMOST A SURE BET, TAXPAYER

Chances that your tax form—one of 60,000,000—would be picked for checking might seem low, yet the government does a surprisingly extensive job of scrutinizing, say the editors of *Changing Times*, *The Kiplinger Magazine*.

Not all returns get the same attention although every one

downright glad we're Wildcats from LFD. Everywhere we went people complimented the group as a whole. There we go tootip' our own horn again, but our sponsors and director were discussing the reports within our hearing. In all sincerity, I am proud of the way the band represented Littlefield, too. We couldn't have asked for a better ambassador.

This was certainly an unforgettable trip for the band. The members want every one who worked so hard to make the trip possible to know just how much they appreciate their efforts. It was a trip of a lifetime! Just wish everyone could have been with us!

Sudan School Happenings

By MRS. EVELYN SCOTT
School Administrators, Supt. C. O. Gregory, High School principal Odell Wilkes, Grade School

is checked for arithmetic. Some 40,000,000 small wage and salary earners' returns have little more on them than notations of total income, tax withheld and dependents. These are subject to only cursory examination.

But about 20,000,000 returns receive greater attention. If you earn between \$5,000 and \$50,000 or have a business that doesn't gross over \$30,000, it's likely your form will be reviewed. The probability is increased if you list unusually large medical deductions, interest payments or contributions. And, if you request a large refund, you can be sure that your return will be audited. Even in the case of smaller refunds, increasingly greater care is being exercised in making payments.

principal Bernard Wilson, attended the Lamb County School Administrators meeting held in Spade Tuesday evening—Supt. Gregory states construction of the new elementary building and Vocational Ag building is in the stage of coming above ground with the foundation work being near completion—The second six weeks of school began this week. First six weeks test were given last week and report cards will be issued the later part of the week—Band Director Jimmie Strange is working with the band in preparation for half time activities to be held Friday night during the football game between Sudan and Springlake, musical numbers will be played during the crowning of the homecoming queen.

Supt. Gregory returned Monday night from Austin where he attended the State Association of School Administrators meeting—Members of the Senior class began selling magazine subscriptions this week for both the Cur-

tis Publishing Company and the Collier Publishing Company. The Curtis Company will give awards for those selling more than \$40.00 worth of subscriptions.

Candidates for the Halloween Queens to be crowned at the Halloween Queens carnival to be held at the School Saturday evening, Oct. 27, by the 1956 Study Club, have been selected from classes in grade and high school.

The winning candidates, one from grade and one from high school, will be chosen by popular votes, with a number of votes costing 1c. Cannisters to contain votes for the entries may be found at school and at the business houses. Classes will receive a percentage of money received for votes for their candidates.

The crowning of the queen at 9:30 p.m. in the high school auditorium will climax the evening's activities which will include a costume parade beginning at 6:30 p.m. at the city park; a carnival at 7 with booths and games being conducted in the grade school building.

Candidates and classes they will represent are: two first grades, Nancy Lance, Andrea Thomasson; the two second grades, Susan Jones, Dianne Clark; the two

Be smart and make your Christmas sweets before the last-minute rush gets under way. Orange Marmalade, made now and put into glasses, small jars or crocks, will be all ready for a bit of fancy packaging, or for tucking "as is" into family boxes or stockings.

Of course you will want to use liquid fruit pectin to make delicious marmalade the quickest and easiest way.

Orange Marmalade
Yield: about 7 medium glasses (3 1/2 lbs. marmalade)
3 cups prepared fruit (2 oranges, 2 lemons)
5 cups (2 1/4 lbs.) sugar
1/2 bottle liquid fruit pectin

First, prepare the fruit. Remove skins in quarters from 2 medium-sized oranges and 2 medium-sized lemons. Lay quarters flat; shave off and discard about half of white part. With a sharp knife or scissors slice remaining rind very fine, or chop or grind. Add 1 1/2 cups water and 1/2 teaspoon soda; bring to a boil and simmer, covered, 20 minutes, stirring occasionally. Section or chop peeled fruit; discard seeds. Add pulp and juice to undrained cooked rind. Simmer, covered, 10 minutes longer. Measure 3 cups into a very large saucepan.

Then make the marmalade. Add sugar to fruit in saucepan and mix well. Place over high heat, bring to a full rolling boil, and boil hard 1 minute, stirring constantly. Remove from heat and at once stir in liquid fruit pectin. Skim off foam with metal spoon. Then stir and skim by turns for 7 minutes to cool slightly, to prevent floating fruit. Ladle quickly into glasses. Cover marmalade at once with 1/4 inch hot paraffin.

Sir Francis Drake was the first Englishman to sail around the world. Thomas Jefferson invented the sliding doors used on our street cars, over 125 years ago.

Springlake News

By MRS. W. T. CLAYTON

Jimmy Burgess, Franklin Starkey and Don Clayton left Thursday night for Colorado on a hunting trip.

Almon Whitford returned home Tuesday from Scott and White Clinic at Tempel, by way of Knox City where he visited his brother Dave Whitford and family.

Tom Breeze left for California this week to visit his children. Mrs. Breeze will return with her husband. He has been visiting in California the past month.

Those from Springlake attending the Central Zone meeting of the Federated Garden Clubs at Levelland last week were Mesdames Orlan Bibby, Kenneth Boone, Jack Sanders, Edna McClure, Herschel Sanders, Leland Le Duke, Ralph Rudd and Elma Criswell.

Billy Burrow, Sandy Sanderson, Jack Willingham and Billy Wayne Clayton left Saturday for Bryan, by plane to attend the T.C.U. and

A&M football game. They returned Sunday evening.

Mrs. John T. Williams left Saturday for Rioxi, Mississippi to visit her daughter and son-in-law, Mr. and Mrs. Don Stout and son. She will also visit in Houston with Mr. and Mrs. Wayne Parton and family and Mr. and Mrs. Jimmy Burnett and family before returning home.

JUNIOR DEPARTMENT IS FETED SUNDAY NIGHT

The Junior Boys and Girls Training Union Class attended a fellowship in their department after services Sunday night at the Baptist Church. Mrs. Ernest Baker directed several games and Mrs. Jim Stone, Junior Leader, led the closing prayers. Mrs. Lester Kelley and Mrs. F. W. Beardner served cup cakes and punch to Noble Miller, Jimmy Stone, Phil Beardner, Ronnie Huckabee, Joyce Jones, Janice Blackburn, Beverly Kelley and Judy Jones.

Mr. and Mrs. Rube Carruth-

Plans Laid For Clovis Fiesta

Plans were made recently for the annual Fiesta to be held in Clovis on April 13, 1957, by the Llano Estacado Chapter of American Teachers of Spanish and Portuguese.

Teachers from Lubbock, Dumas, Amarillo, Littlefield and other area schools attended the meeting. President of the chapter is Dr. J. C. Dowling, a teacher in the Foreign Languages department at Texas Tech.

Mr. and Mrs. E. W. Johnson of Amarillo visited Sunday with Mr. and Mrs. B. V. Padon and Mr. and Mrs. Almon Whitford.

Mr. and Mrs. Richard McCaskill of Denver City were Saturday night guests of Mr. and Mrs. Dwayne Louder.

Mr. and Mrs. T. W. Clayton went to Pampa Sunday evening to visit with her sister-in-law, Mrs. T. H. Chitwood who is a patient in the Pampa Hospital. Mrs. Chitwood is improving.

Texas Tech Schedules Homecoming November 2-3

LUBBOCK — The largest Texas Tech student body in history — 8,055 strong — will greet exes and friends during annual Homecoming Activities Nov. 2-3.

The two-day gathering will include a Homecoming Queen coronation and bonfire Friday night, downtown parade Saturday morning, Tech-Oklahoma A&M football game Saturday afternoon and mammoth homecoming ball Saturday night in the Lubbock Coliseum.

Woody Herman and his nationally famous Third Herd will play for the dance.

Sandwiched between the major events will be numerous reunions and gatherings sponsored by classes, student organization and other Tech Units.

Registration of former Techs begins Friday afternoon (Nov. 2) at the Student Union Building and all major hotels. Lubbock hotels and motels are expected to be overflowing, and Tech exes are urged to make reservations early to avoid disappointment.

First major event will be election of new officers of the Ex-Students Association at the annual

Council meeting from 1:45 to 4:30 p.m. Friday in the Student Union Building ballroom.

The Homecoming Queen Coronation will be at 7 p.m. in front of the Science Building. A pep rally and bonfire will follow. Tech students will pick the queen in an election the week before Homecoming.

Class reunions will be held Friday at 8:30 p.m. Members of the classes of '26-'28 meet in the Student Union Building Anniversary Room. Classes of '39-'46, in the Union Student Workroom; and Classes of '47-'51 and '52-'56, in the old Rec Hall.

Registration continues Saturday morning from 8-11 a.m. The giant homecoming parade gets under way Saturday at 10:30 a.m. and will move from downtown Lubbock to the campus.

THREE HART CAMP GIRLS IN OLTON GIRL SCOUTS

Three Hart Camp girls who are members of the Girl Scouts at Olton include Carolyn Osthus and Lomi Lou Covington, of Troop 27 and Myra Dell Wells of Troop 20.

"You can still win, friends. Gulf's gala 'Life of Riley' Contest closes October 31!"

WILLIAM BENDIX, star of "The Life of Riley" TV show...and your royal Riviera playground.

GRAND PRIZE: LIVE THE LIFE OF RILEY IN A PALACE ON THE RIVIERA

WIN 30 FABULOUS DAYS WITH \$200 A DAY TO SPEND

Fly via a luxurious PAN AMERICAN Super 7 Clipper

Fly direct to Nice, France, in 20 hours, via the world's most experienced airline. Live in a Riviera mansion for four fabulous weeks. Reign in a royal home, with all modern conveniences.

Servant staff, luxury furnishings, glamorous patio, private swimming and boating facilities... all this and more... all yours in a stunning setting on the Mediterranean!

It's a once-in-a-lifetime trip for

two. You enjoy scores of exciting holiday adventures—with \$200 a day to spend! Your own limousine whisks you through a gay round of gala events in nearby Nice, Cannes and other Riviera playgrounds.

A world of pleasure awaits you. Golden beaches, festive occasions, dazzling scenery... sports, pleasure, regal relaxation... you live the Life of Riley for a magnificent, memorable month!

Simple to enter—Easy to win!

Just complete this jingle. Enter as often as you wish. All entries must be on official Contest Entry Blanks, which contain complete contest rules. Get yours free at any Gulf station. Contest closes midnight, Oct. 31.

Gulf No-Nox is the gasoline that's famous 'cause it burns so clean.

Fill up at Gulf and you will see

(Make your last word rhyme with "see.")

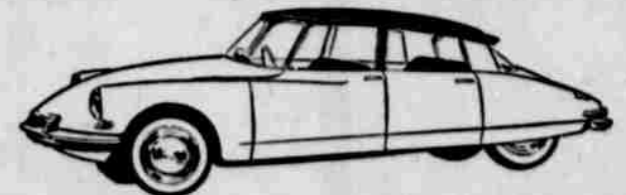

Clean-burning No-Nox gives you many more miles of new-car power!

HINTS TO HELP YOU WIN!

1. No-Nox burns clean because Gulf refines out the "dirty-burning tail-end" found in ordinary gasoline.
2. No-Nox combats formation of carbon deposits which "shrink" engine power.
3. No-Nox protects your engine, keeps new-car power intact for thousands of extra miles.
4. Gulf No-Nox is a high-octane gasoline—gives more miles per gallon in short-trip driving.

IT'S THE LAW
★ in Texas ★
A public service feature of the State Bar of Texas

LAW OF NATIONS

You will find strange words in the U. S. Constitution: "Congress has the power to define and punish piracies and felonies committed on the high seas, and offences against the law of nations." No man owns the high seas, and no nation rules it. So that when a crime like piracy takes place, the law does not look upon it as against any one nation, but against the law of nations.

For centuries, all maritime nations have had the right under international law to capture on the high seas persons guilty of practical acts and to punish them.

Piracy is an international crime, but each country punishes it under its own laws. Any nation has the right and duty to police the high seas, and any pirate loses the protection of the flag he may be flying.

As one court put it, 'the pirate is treated as an outlaw, as an enemy of all mankind.'

How far this idea of the "enemy of mankind" may go, is now a question before world opinion.

The Treaty of Versailles, for example, held that Germans who had broken the law and customs of war should go to trial before the courts of the victors.

Through World War I did not do so, those of World War II faced trial and were convicted at Nuremberg. The right of victors to try war criminals has been warmly debated ever since.

Where did we get the idea that there is a law of nations?

It comes to us through centuries of international trade, commerce, war, and treaty making. Chiefly it came down through Roman law, and found expression in the belief that God promulgated a law of nature through man's reason which is binding on men and nations.

(This column, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

Pep 4-H Girls Club News

PEP — The 4-H Girls Club meeting was called to order by the president, Elaine Sinnacher Monday night at 7:30. The 4-H Pledge was led by Deloris Schlottman. Harriet and Loretta Sinnacher led the members in singing "The Eyes of Texas". Roll call and minutes were read by Secretary Georgia Albus. Committees were assigned to the girls to help plan the Community Halloween Party which will start at 7:00 p.m., October 30. Everyone will have to wear a mask or pay 25c. Those under four years of age will not be charged.

Composing the decoration and entertainment committees are Harriet and Loretta Sinnacher, Deloris Schlottman, Marilyn McDaniel, Joyce Schlottman, Jeanette Diersing, Georgia Albus, and Elaine Sinnacher.

On the refreshment committee are Rose Demel, Joan Hawkins, and Bernedette Decker. Elaine Sinnacher took over the business part of the meeting and gave a demonstration on projects which the girls may select for the year. She said that the club should work on another project of its own besides recreation such as safety to improve the community.

Next month Joyce Schlottman will give a demonstration on sweaters for the family. In December Loretta Sinnacher will show the girls new ideas on how to wrap Christmas packages. Harriet Sinnacher will give a demonstration on vegetable cookery in January.

Square dancing was held afterwards and refreshments were served. Those attending were Bernedette Decker, Rose Demel, Jeanette Diersing, Georgia Albus, Joan Hawkins, Deloris Schlottman, Joyce Schlottman, Loretta, Harriet, and Elaine Sinnacher. Adult leaders Mrs. Frank Sinnacher and Mrs. V. Diersing were also present.

Army Recruiters In Town Saturday

Two U. S. Army recruiters will be in Littlefield Saturday and will be open from 12 noon to 2 p.m.

The two men, M-Sgt. Ocie Nelson and Frank Lockman, will operate at 404 Phelps Ave., next to the Louise Dress Shop.

THE STATE OF TEXAS
 To any Sheriff or any Constable within the State of Texas—
GREETING:
 You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Lamb County, Texas, the accompanying citation, of which the herein below following is a true copy.
CITATION BY PUBLICATION
THE STATE OF TEXAS
 TO: Will Clay, Defendant,
 Greeting:
 YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Lamb County at the Courthouse thereof, in Littlefield, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 9th day of November A.D. 1956, to Plaintiff's Petition filed in said court, on the 5th day of October A.D. 1956, in this cause, numbered 4135 on the docket of said court and styled Mary Clay, Plaintiff, vs. Will Clay, Defendant.
 A brief statement of the nature of this suit is as follows, to-wit: This is a suit for divorce, alleging that there were no children born of this said marriage, alleging that there is no community property, real or personal, owned by plaintiff and defendant, and alleging cruel treatment.
 Praying for a divorce and general relief, as is more fully shown by Plaintiff's Petition on file in this suit.
 If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.
 The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.
 Issued and given under my hand and the seal of said court at Littlefield, Texas, this 5th day of October A.D. 1956.
 Attest: Ernest L. Owens Clerk, District Court Lamb County, Texas.
 Oct. 11, 18, 25, Nov. 1

Industrial Foundation Appoints Directors State Spotlight On Cat-Phillips Tilt

★ ★ ★ ★

★ ★ ★ ★

★ ★ ★ ★

SEE STORY COL FIVE

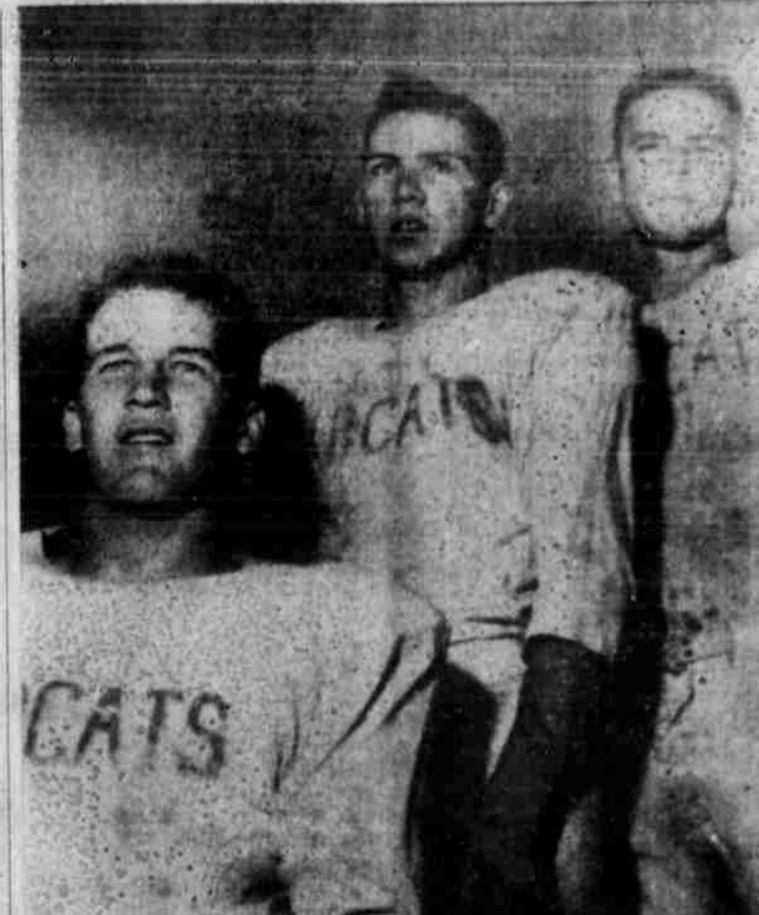

MEMBER OF THE BOARD of Directors for the Littlefield Industrial Foundation Monday morning were, left to right, Pat Boone, Jr., Homer Garrison, C. O. Stone, Howard Horne, J. C. Duggan, Jr., and M. L. Hall. In their first session, the directors named Garrison as president, Boone as vice-president, and Horne as secretary-treasurer. The directors will serve until the final annual stockholders meeting, slated for January, 1957.

Corporation Stock Jumps To \$33,100

Temporary directors of the Littlefield Industrial Foundation were named Monday morning in the weekly industrial breakfast as a local drive to attract industry gained momentum. And during the early part of the week, another 143 shares in the corporation — at \$50 per share — were added to bring the total number of voluntary subscriptions to 662 — \$33,100.

Named to the board of directors Monday were Homer Garrison, Pat Boone, Jr., C. O. Stone, Howard Horne, J. C. Hillman, Arthur Duggan, Jr., and Mancel Hall. In a meeting later Monday, the board elected Garrison as president, Boone as vice-president and Horne as secretary-treasurer. At the directors session, the board adopted a permanent policy of dividing all Foundation funds equally between the two local banks for deposit. The largest purchaser of stock this week was the Security State Bank, whose stockholders voted unanimously Saturday to purchase

WILDCAT TRI-CAPTAINS for the District 1-AAA contest with Phillips Friday night are, front to back, Tackle Joe Hoover, Guard Lawrence Hinson, and Tackle Wallace Lee. The three have played a big part in the Cat's 5-0-1 record this season.

Blackhawks Get Nod In Lid-Lifter

By BILL TURNER
Undefeated Phillips, the number two ranking AAA team in Texas, and unbeaten-but-tied Littlefield lock horns in Phillips Friday night in the state's top schoolboy football clash — bar none. The winner will be favored to take District 1-AAA, which appears to be the most well-balanced league in the nation's greatest high school football state.

Explosive action and bone-jarring combat are expected in the conference lid-lifter for both clubs. Phillips, with its 6-0 season record and an attack that has scored better than a point a minute, rates as the favorite and some observers predict an easy win for the Blackhawks. Most sportswriters are saying Phillips — by three to four touchdowns — will put the upstart Wildcats back where the same sportswriters predicted they would be in the first place. When the season started, Littlefield was said to be good for three, maybe four, victories all year long. After six games, the

AFTER 10 DAYS IN HOSPITAL Gunshot Victim Improved

Robert McBride, 25-year-old Spade man who was wounded critically after a card game in the Flats about 10 days ago, is in good condition, doctors at Littlefield Hospital said Wednesday. McBride took a sudden turn for the better early this week and is now able to get out of bed for short periods. The Spade man was unable to eat for a time after the wound, but doctors say he can take food now. County officers have charged a Causey, N. M., Negro with assault with intent to murder in connection with the incident. The Negro, Sammie Lee Jones, 27, was picked up in Causey on a waiver of extradition last Wednesday by Sheriff Dik Dyer. Jones later signed a statement admitting that he shot McBride, according to officers. Jones is still in the county jail. His bond has not been set.

Goal Still \$1473 Away Salvation Army Fund Drive Heads Into Last Few Days

Some \$1,473.57 short of its goal, the Salvation Army fund drive heads into its final week. According to Lt. Roland Chambless, local SA representative, \$3,474.83 has been contributed in cash and \$426.50 in pledges making a total of \$3,901.33. Of this amount, Sudan donated \$423.47, and the Littlefield Schools, \$39.58. With a little less than a week to go, Lt. Chambless seemed optimistic about reaching the \$5,375.00 goal. Aiding in the local drive were Jack Sharkey, district SA representative; Lt. Col. John A. Morrison, state commander of SA; and Capt. Orville Salmon of the San Angelo post who spoke to the local Lions Club members; Boyd Roberts, drive chairman; Rev. Harry Vanderpool, a member of the advisory board; T. A. Hillman and Chambless, co-chairman of the employees' solicitation; Mrs. Dennis Jones and Mrs. J. M. Farmer, chairman of the women's drive; Bob Manley, general solicitation over the county; Joe Salem, Sudan solicitation; and Mrs.

Witcher Is Named City Inspector; Succeeds H. L. Byrd

Jack Witcher, for the past four and one-half years an electrician for W-W Electric, has been named city inspector for Littlefield. The 34-year-old electrician replaces H. L. Byrd, who resigned recently to go into electrical contracting business. Witcher, who came to Littlefield in 1924, officially took over his new duties Tuesday. He and his wife, Oleta, have three children, two boys and a girl. They are Norman, 13, Jimmy, 10, and Bernie, 5. As city inspector, Witcher will be responsible for inspecting all electrical and plumbing facilities.

Street And Carr To Be Honored By City Tuesday

W. D. Street, Sr., who served as city secretary for 28 years, and H. C. Carr, an employee of the city maintenance department for the past seven years, will retire officially Tuesday night in a banquet in their honor. The city has scheduled the retirement dinner in Thornton's Cafeteria for the two long-time employees. About 100 persons who worked with the two men in their tenure are expected to be on hand for the dinner. Street, 72, was forced to leave his job in the summer due to a heart ailment, while Carr, 67, is still on the job.

100 more shares, giving the bank a total of 200. More than 80 per cent of the total shares sold were represented at the breakfast as some 425 votes were cast. Final details in plans for incorporation were being worked out Wednesday before papers are filed for approval. Also highlighting the morning meeting was the presentation of a 24-page brochure that will be sent to industries all over the nation in an effort to attract more.

Deadline For Bus Tickets Is Noon Today

Football fans have only until noon today to purchase tickets for a round-trip chartered bus ride to Phillips for the Wildcat-Blackhawk District 1-AAA game. The Chamber of Commerce reported Wednesday morning that it must clamp a deadline of Thursday at noon on the tickets. At least two chartered buses, with a capacity of 41 each, are expected to make the trip. If tickets go well Thursday morning, additional buses will be chartered. At noon Thursday, more than 50 tickets had been sold. The fare is \$5.50 per seat. Reserve seat tickets to the game are still available at the Chamber office and at Brittain's Pharmacy. Buses will leave Littlefield from the City Hall at 3 p.m. Friday and will arrive in Phillips about 6:30 p.m.

Winkles Loses Hub Caps On His New 1956 Auto

Ballard Winkles, 100 E. 12th, is minus a couple of hub caps on his new 1956 sedan this week after someone decided to cart them off. Winkles told police that the incident occurred Monday night. Paul Revere made George Washington's first set of false teeth.

Phillips' "Chesty" Pulls Out The Old Crying Towel

"Chesty" Walker, coach of the Phillips Blackhawks, is well-known for pulling out the old crying towel just before a big game. In a telephone conversation with Leader Editor Bill Turner Tuesday, "Chesty" was at his best, using an old psychological weapon that may or may not be effective. "How's the game look to you, Coach?" Turner began. "Chesty: 'We're just working hard to keep Littlefield from running up a big score on us.' (That's Mayfield's line.) Of course, you know you'll be favored to win, don't you, Coach?" Turner continued. "Chesty: 'Oh, I suppose we'll

Buses will leave Littlefield from the City Hall at 3 p.m. Friday and will arrive in Phillips about 6:30 p.m.

J. D. Jordan Wins Leader's Grid Contest; Greer Second

A newcomer to the winning ranks walked away with the honors in the Leader's weekly football contest this week. He is J. D. Jordan, office manager of the Texas Employment Commission office here, who picked 16 games correctly, and barely nudged another newcomer, Mackey Greer of Littlefield. But, third this week was a familiar name in the contest — Ronnie Onstead of Littlefield, who picked 15 winners on the nose and edged another familiar contestant, Miss Sallie Dugan, a fifth grade student at Littlefield elementary who's just about as good an expert as the professionals. Jordan and Greer both got 16 games right, but Jordan slipped into the driver's seat when his score was closer on the tie-breaking game of Texas A&M vs. TCU.

STANDINGS

District 1-AAA		
Phillips	6-0-0	300-43
Littlefield	5-0-1	165-76
Levelland	4-1-0	128-61
Dumas	4-2-0	134-104
Hereford	2-3-0	130-125

Schedule: Littlefield at Phillips; Levelland at Dumas; Hereford at Clovis, N. M. Last week's results: Littlefield 33-Clovis 12; Levelland (idle); Phillips 34-Vernon 5; Snyder 27 - Dumas 7; Hereford 46-Parales, N. M. 7.

Wildcats are still looking for an opponent that can beat them. The Blackhawks, always tough and even tougher this year, haven't seen a club that can play them close, lest it be Perrinton, which fell to Phillips, 20-12, in an early season game. The Hawks summoned Mangum, Okla., no-doubt in the Sooner State, by 80-0. They clobbered Jefferson High of El Paso, 79-18. In our past Vernon, which played AAAA Wichita Falls a great ball game, by 34-6 last week. Childress and Wellington fell by lopsided scores. The Wildcats' victories haven't come easy, and one didn't come at all — when Olton's Mustangs galloped. (Continued on Page 8)
