

Christmas Lighting To Be Turned On In Littlefield November 28

Teams To Meet Brownfield Cubs Friday Night

DECORATIONS TO BE EXTENDED TO GREATER AREA

Santa Claus to Visit City On December 11

The Christmas lights will be turned on in Littlefield this year, as the Thanksgiving Holiday ends, the Retail Trade Committee, headed by Douglas Howell made the decision at a meeting this week, and set Nov. 28, as the official date for turning on Christmas lights in Littlefield.

Not only that, but they also voted upon and decided to extend and amplify the lights and decorative effects this year, to additional streets and additional locations.

Seven beautiful new streamers of aluminum tinsel have been ordered and will be put in position in the next two weeks, and all present strands of lights will be spruce roped.

The committee believes that 1952 will find Littlefield showing the prettiest decorative effect in its history, and the equal of any city on the South Plains.

A deal has also been made with Santa Claus, and he has tentatively set the date for his local visit for December 11, with the hour of his arrival scheduled at 3:00 p.m.

Again this year, Santa will have the assistance and co-operation of Littlefield Fire Department, who will provide a fire truck for Santa's ride through the downtown area, and distribution of Red Christmas treats to the kiddies.

The committee making the arrangement includes besides Douglas Howell, chairman, the following: Gene Bartley, C. G. Clark, Felix Haltom, Ed. Seelye, I. S. Sumner, Hill Rogers, Ralph Roden, and Winifred Stout.

Mr. and Mrs. Bill Lyman and little daughter Kay Lynn spent Sunday with her parents, Mr. and Mrs. J. H. Utterback at Amarillo.

SEEING DOUBLE—Twin sisters from Texas chose different branches of the service when they enlisted, but they were reunited during a visit to Philadelphia and the Liberty Bell in Independence Hall. Betty Marie Gibson, left, wears the uniform of a Navy WAVE. Her 18-year-old twin sister, Mary, is in an Army WAC uniform. The sisters home is Fort Stockton, Texas. —AP Photo

Television Dealers Invite Public To Attend First TV Program Tonight

Annual Spade School Harvest Festival To Be Held November 21

Under the sponsorship of Spade P-TA the annual Harvest Festival will be held Friday night, November 21st in the school building.

Proceeds from the festival this year will be used for a new flagpole, projector, screen, landscaping of the school grounds and help for the school lunchroom.

Those appointed to work on the food committee of the festival include Mesdames W. B. Jones, C. C. Byers, R. D. Sholars and Joe Oden.

On the booths committee are J. A. Lumsden, Albert Lockwood, E. C. Hardman and Harry Hamilton.

Contract Let For School Heating System Repairs

The Primary and Central School buildings, and the heating problem and facilities in each, were the top order of business at a meeting of Littlefield Independent School Board held here Monday evening.

The Board voted to revamp the heating equipment at both schools, and awarded a contract for the job to Roach & Newton company of Lubbock, at a contract price of \$1,750.00.

The contract calls for installation of new burners, pressure water and safety devices, day and night time switch, condensate return pump, to generally improve and make the heating condition in both buildings. Work is to start immediately, with no interruptions to school routine.

KDUB-TV in Lubbock, the first new television station in Texas since lifting of the freeze on TV, expects to go on the air today (Thursday) on channel 13.

Local Radio and Television dealers are cooperating in this event by keeping their places of business open tonight (Thursday) and extending invitations to the public to be their guests at the showing of the first television program coming over KDUB-TV, on Channel 13. Therefore, visitors from over this area are expected to visit their favorite local dealer and enjoy the first television program.

Opening of the station is sooner than expected when the construction permit was granted October 9. Original plans were to go on the air late in February or early in March, using a 2,000 foot tower at site of a permanent station now under construction.

However, a temporary transmitter has been set up, and the FFC gave permission to start telecasts this month.

It will be the fourth television station in the nation to start operations since the Federal Communications Commission resumed its regular operations.

Attend Anniversary of Borger Rotary Club

Dr. and Mrs. Ira Woods attended the Silver Anniversary banquet and program of the founding of the Borger Rotary club, held at Borger, Tuesday night.

Guests included past governors and representatives from clubs over the district.

Petition Presented Asking City's Inclusion In Canadian River Plan

The matter of whether the Littlefield area shall become a part of the proposed Canadian River Dam project, will probably finally have to be decided in a special election to be held here, in the near future.

Petitions asking Littlefield's inclusion in such a district have been circulated here among property owners, and about fifty singers attached their names to the petitions.

As the District Incorporation is now set up, in proposal form, a minimum of eleven cities would be a requisite for formation of the District.

A meeting was held here late Friday afternoon at Chamber of Commerce offices, when the matter was discussed and the above signed petition presented.

The matter of holding an election, and setting of a date for same, was also discussed, but no definite action taken.

New Car Dealers Association Donates Generously to P-TA Lunch Fund

Following a luncheon at the School Cafeteria Monday noon, the Littlefield New Car Dealer's Association took a good will offering, which amounted to \$125.00, and donated the money to the P-TA Welfare Lunch program fund.

The money will go toward paying for lunches of under privileged school children.

The Association is made up of approximately ten local automobile dealers.

Ellen Massengill Awarded Scholarship

Miss Ellen Webb Massengill, daughter of Mr. and Mrs. L. L. Massengill, senior student at Texas Technological college, Lubbock, was awarded the \$300 Borden Home Economics Scholarship Award, at a meeting of the Home Economics club held Tuesday

night at Tech, when awards and honors highlighted the meeting. It was the 27th birthday of the organization.

O. L. Gibson, manager of the Lubbock branch of Borden Co., presented the award, which has been presented for the eighth consecutive year to a senior home economics student who has maintained the highest grade point average for three years and who has completed two or more courses in foods and nutrition. Miss Massengill's grade point average for the first three years at Tech was 2.83 out of a possible 3.0.

Miss Massengill is a graduate of Littlefield High school, and (Continued on Back Page)

Minimum Wage For Mexican Nationals Has Been Set

The controversial minimum wage for Mexican National Cotton pickers, issue, which has involved thousands of South Plains Texas growers, who have contracted for and are using Mexican Nationals in the cotton harvest, as well as those Nationals themselves, was settled in Lubbock Tuesday, when Michael J. Gavin, Undersecretary of Labor, ruled that the wage paid could be as low as \$1.55 per hundred pounds.

The ruling merely stated that the "prevailing wage is from \$1.50 to (Continued on back Page)

"South" Conditions Spread To Lamb County Officers Mop-up Here, There, Everywhere

Recently appointed deputy sheriff-elect of Lamb County, may or may not have been in the papers about bootlegging activities in the past week, during the which a witness estimated "might be several bootleggers in that county."

In the past week, he did a little looking around the county, with the result that six have been arrested and charged with bootlegging, possession of liquor, or kindred offense.

Some are old-timers at the business, some first offenders, some are white, some Mexican, some colored. They all look alike to Sheriff Dewey Dennis and his deputies.

Some were picked up "en route," some for "at home" transactions, three were cafe owners or managers.

Also some have already been fined; some just paid off; some have pleaded not guilty, and are out on bond.

Here is the partial list of arrests in connection with liquor violations:

James Rogers, colored, Sudan, cafe owner, charged with possession of about \$600 in liquor for purposes of sale. Plead guilty to first offense, and paid \$250 fine, plus costs.

Bill Thompson Cafe, Littlefield, raided. Liquor found. Earl Bovine, cafe manager charged with possession. (Continued On Back Page)

Local Missionary Baptist Church Leads in Sunday School Contest

The Sunday School contest between the Littlefield Missionary Baptist Church, XII Drive and 8th Sts., and the Bible Baptist Church, Dumas, Texas had another high day Sunday. Littlefield is leading in the contest by 21. A great Sunday School revival is on in both Churches.

The Littlefield Church experienced one of the most glorious services Sunday morning that it had experienced in many days. Souls were saved, vows were renewed, old-time shouting was heard as the mighty power of God swept the audience.

This coming Sunday has been designated as Family Day in the Sunday School, which is an effort to reach every member of the family for Sunday School and also a challenge to the membership to en-

list whole families to be present in Sunday School. Whole families will be recognized in the morning service.

An invitation is extended to everyone who is not in regular attendance in some other Sunday School to come and help us "Beat Dumas" and Conquer Littlefield for Christ.

"B" String To Play Plainview Thursday

The B String of the Littlefield Wildcats will play Plainview here tonight (Thursday), at Seely Stadium. Coach Martin directs the B team. As Plainview has a good B team, the locals are looking for a rough time.

Somehow They're Able To Sleep Eight In A Bed But

As you count the new television aerials go up— As you make your plans for a big Thanksgiving dinner— As you do your Christmas shopping early— As you count the profits from bale to acre cotton— Even as you do one or all of those things, there is want, and suffering, hunger and cold, in many cheerless homes within a few moments drive of your shiny new automobile, which will transport you and your family to football game, theatre or church on Thanksgiving Day.

There are men, women, old and young, children, babies, sick, afflicted, hungry and cold human beings living within the very shadow of the comfortable, well-fed home, which is yours.

And Thanksgiving Day is only two weeks away—what have those folks got to be thankful for? You say you can't believe it—want proof. Alright, you can have it. Many, many proofs.

Lieut. Robinson of the Salvation Army, and his faithful workers have that proof, and they are doing everything in their power to help these sad, underprivileged folks who live right here in our own home town and county, but they need help—your help and they need it now.

The need is more acute than the Salvation Army had thought it would be, because their recent campaign for \$5,000 to carry on their charitable work here, fell far short of its goal.

On our call list, is a family of eight, father, mother, 3 children in school, 3 children too young—and their worldly possessions consist of one bed, one stove, and one table—but little food. Both mother and father pull bolts when they can, but six children, especially when (Continued on Back Page)

Expected Texas Harvest Up Sixty Thousand Bales

The U.S. Department of Agriculture Monday forecast a bigger cotton crop for Texas and the nation.

Texas expected harvest was up 60,000 bales—3,660,000—over the November prediction. The expected yield per acre for the state's 10,114,000 acres planted to cotton this year was 174 pounds.

The national forecast was 14,905,000 bales. The government's production goal had been 16,000,000 bales.

Texas' production of American-Egyptian cotton was figured at 28,000 bales.

There had been 2,559,880 bales ginned in Texas to Nov. 1, compared to 2,528,087 last year.

The indicated yield of line cotton was reported at an average of 289.7 pounds per acre, up from 271.9 last year and 267.6 for the 10-year average.

No estimate of cottonseed production was to be made until the crop was ginned. But production would be about 6,057,000 tons if the ration of lint to cottonseed is the same as the average for the past five years.

The indicated production compares with 15,144,000 produced last year and 14,755,000 for the 10-year (1941-1950) average.

Pvt. C. Williams Missing In Action

Pfc. Clarence Williams of Olton, and of the Marines has been missing in action in Korea since October 6.

Parents of the boy, Mr. and Mrs. Fred L. Williams, received word of their son's missing last week. Mr. Williams is employed by Murrie Machen.

EARTH CHILD IS TAKEN TO POLIO CENTER, PLAINVIEW

Bob Phipps, young son of Mr. and Mrs. J. D. Phipps of near Earth, was stricken last week with poliomyelitis. The boy was immediately taken to Plainview Polio Center where his case is reported as light.

Glenna Rutherford Crowned Queen Of Springlake High School

Glenna Rutherford, senior, was crowned queen of Springlake High school and Pat Armstrong, seventh grade, won the grade school queens crown recently at the Halloween Carnival as the class queen.

Gross income from the annual Halloween Carnival totaled nearly \$1700. The senior class raised \$223.75 for its queen and the seventh grade \$257.61. The athletic fund received \$840.09 of the carnival gross income which included money from various booths and the race.

W. T. CRISWELL, JR. TO ARRIVE IN STATES FROM KOREA

W. T. Criswell, Jr., of Olton is scheduled to arrive in the States from Korean waters some time late this month.

He is the brother of Mrs. Vaneta Stovall.

Mrs. Stovall said her brother has been serving with the Navy's Task Force off Korea.

Carnival Nets Earth Fire Department Funds Of \$100.00

The Earth Fire Department was financially benefitted from the carnival in town. A profit of more than \$100 was received by the sponsoring organization, according to Fire Chief Hammons.

The department was further benefitted by a donation of \$75, by the Paymaster Gln at Springlake Gln at Springlake Saturday when the fire truck made a run to the gin where several bales of cotton were burning.

Native Dancer is the 14th unbeaten two-year-old champion since annual records were first kept in 1870.

Dr. Weldon Meers Holds Meeting At Gatesville

Dr. Weldon B. Meers, pastor of the Littlefield Missionary Baptist Church, held a very successful five night meeting for the Central Baptist Church, Gatesville, Texas, last week.

There were 14 additions to the Church and 15 rededications. The Church was organized last summer by Dr. Meers, with a membership of 14.

The Church completed their building in February. They now have a membership of 70. Rev. D. B. Self is pastor of the Church.

Local Druggist Attends Funeral For Sister

Fred Wright attended funeral services at Rotan, Tuesday afternoon for his sister, Mrs. H. C. Gerth, 59, who passed away Friday afternoon, in a Rotan hospital. She had been ill and confined to the hospital for the past two weeks.

Services were conducted from the chapel in the Rotan Funeral Home, and interment was in Rotan cemetery. The pastor of the First Baptist church at Rotan officiated.

Survivors include her husband and 12 children; one sister and four brothers. All of the children were present for the last rites with the exception of a daughter who is in Japan and a son with the armed forces, stationed in Korea.

Bobby Adams stole the most bases for the Cincinnati Reds in 1952. He pilfered 11 sacks.

Gifts to CROP Should Be In By December 1

Has your gift been given to CROP (Christian Rural Overseas Program), is the question which shivering, starving children and adults of South Korea and other stricken areas are asking.

What can you give? Anything! Special emphasis in Lamb County is being laid on cotton. Your gift, however, may be in any form, also in cash. Gifts other than cotton will be changed into cotton again. This raw material provides work and at the same time gives clothing, medical bandages, infants wear. Our county has been asked to gather ten bales by December 1, but more cotton would only mean more bodies clothed and warmed.

To whom should your gift be given? If your church has a CROP chairman, leave your gift with him or tell him about it. Otherwise tell your pastor or minister. If need be, please inform your county chairman (H. Heckman, 409 W. 3rd, Phone 57-J, Littlefield). In the case of seed cotton or lint, ask your ginner to hold your gift until enough is gathered together to make a bale.

Will your gift get where it is supposed to go? The distribution of CROP gifts is in the hands of church representatives. Your gift is recorded on a designation card, thus making it possible for the distributor of your selection to receive your gift.

Will your gift do any good? Korea, for example, is getting much from America now, the most precious being the blood of American lads. Building Good Will among the world's less fortunate will be done more effectively by cotton and other gifts than by bullets and precious human blood, in the opinion of many.

A blessing shared brings double blessings—it blesses the receiver as well as the giver.

TOMMY MEERS ILL IN HOSPITAL

Tommy Meers, son of Dr. and Mrs. Weldon B. Meers, who is attending Bob Jones University, Greenville, South Carolina is in the University Hospital and will be confined there for three weeks.

A total of 13 players handled 33 pass completions in the University of Mississippi's first five football games.

Distinguished New 1953 De Soto Goes On Display Today

LITTLEFIELD MOTOR COMPANY LOCAL DEALERS

Features New Body; Longer Lower, Wider

The 1953 De Soto, a distinguished new automobile both inside and out, will go on display at the Littlefield Motor Company, 232 West Second Street, in this city, De Soto-Plymouth dealerships, today (Thursday) November 13.

Featuring an entirely new body the 1953 De Soto highlights beauty new De Soto a longer, lower, wider and lovelier automobile.

Interiors of the 1953 De Soto feature handsome, new upholstery fabrics, distinctive new door panels and richly-grained instrument panel and window mouldings—all in harmony with new exterior colors.

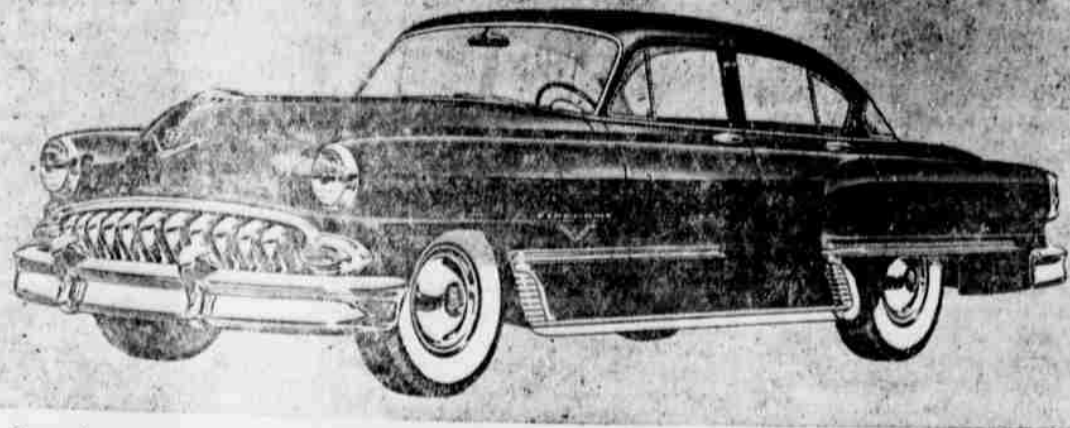

The new De Soto is offered in two great series—the Fire Dome tuating long, flowing lines, new longer swept-back fenders and a wider, lower rear deck makes the in every line. The new body accentuates the Fire Dome V-8, powered by the sensational 160-horsepower Fire Dome engine—America's most powerful engine design—and the famous Powermaster Six.

Both series are available with De Soto's Full Power Steering, the famous driving advancement which makes driving safer and easier under all conditions and parking and turning "easy as dialing a telephone."

An exterior highlight of the 1953 De Soto is the massive new grille with new parking lights set at the extreme edges of the grille, underneath the headlights. A chrome frame encircles both grille and parking lights.

A styling innovation on the new De Soto are the chrome fender

New DeSoto Bows to Public

Featuring a completely new body, the beautiful 1953 De Soto goes on display at De Soto-Plymouth dealerships Thursday, November 13. Shown here is a Fire Dome V-8 4-Door Sedan, which is powered by De Soto's sensational 160-horsepower Fire Dome engine. Six body styles are offered in the Fire Dome V-8 series, while five body types are available in De Soto's Power-

master Six line. The 1953 De Soto offers such features as Full Power Steering; Power Brakes; Fluid-Torque Drive; Solex glare-resistant glass; electric window lifts; curved one-piece windshield, and sweep-around rear window. The smart styling and long, low lines of the 1953 De Soto make the new car longer, lower, wider and lovelier than ever before.

mouldings on both front and rear fenders. These smart new mouldings accent its low graceful lines and add a "speed line" effect to the car.

Wheelbase of the new De Soto has been maintained at 125 1/2 inches, while overall length has been increased from 208 3/8 inches to 213 3/8 inches and overall width from 74 7/8 inches to 76 1/2 inches. The car is one inch lower, but road clearance is unchanged.

Long flowing lines characterize the new De Soto from the smart new grille to the swept-back rear fenders set off by handsome new large combination tail, stop and back-up lights.

A curved, one-piece windshield combined with new, narrower corner posts provides greatly increased visibility in the new De Soto. Glass area of the windshield has been greatly increased.

A one-piece, sweep-around rear

window increases rear vision while adding to the smart rear end styling.

Blended smoothly into the hood line is a new Air-Vent. This is De Soto's unique style feature with a purpose. It directs a stream of cool, fresh air to the carburetor which increases engine efficiency.

The long, low lines of the 1953 De Soto culminate in the beautiful new rear deck which is both wider and lower. The rear deck lid is unlatched by a push-button lock and is counter-balanced for easy opening.

In addition to its striking beauty, the trunk area of the new De Soto has been increased by 41 percent. The spare tire, mounted at a new angle, makes it easier to store luggage and there's no chance of marring the luggage on the deck lid hinges since they, too, have been relocated in out-of-the-way positions.

three-pillow type.

The 1953 De Soto has a new heating system. Mounted under a new cowl vent opening, the heater takes in fume-free fresh air. The cowl vent is also used for summer cooling. The heater features a new design with simplified controls which permit operation as a recirculating heater as well as one which supplies a constant stream of fresh, warm air.

Chassis improvements in the 1953 De Soto provide greater comfort than ever for passengers. Splayed rear springs give better directional stability and De Soto's famous Oriflow shock absorbers cushion the ride over the roughest roads.

Every modern motoring advancement is available on the 1953 De Soto. No-shift driving with Tip-Toe Shift and Fluid Drive, or Fluid-Torque for flashing acceleration, is offered, along with Power Brakes.

Also offered are such other famous features as electric window lifts; Solex glare-resistant glass; Safety-Rim wheels; waterproof ignition; two-speed electric windshield wipers; dual back-up lights; chair-high seats with Air Foam cushions; Super-Cushion tires, and big, 12-inch brakes with long-lasting Cyclebond brake lining.

Eleven body styles are offered in the two De Soto lines. Choices in the Fire Dome V-8 include; 4-Door Sedan, Club Coupe, Convertible Coupe, Sportsman, All-Steel Station Wagon and 8-Passenger Sedan.

Powermaster Six body styles are: 4-Door Sedan, Club Coupe, Sportsman, All-Steel Station Wagon and 8-Passenger Sedan.

Anton Resident Dies Enroute To Local Hospital

ESL. H. Washington, 63 of near Anton died enroute to a Littlefield Hospital, Monday morning, November 11. He was taken ill while on the streets in Anton, and was taken to an Anton physician, who advised that he be admitted to a hospital for treatment. Cause of death was believed to have been a heart attack.

Funeral services were conducted from the First Baptist church at Anton, Tuesday afternoon at 2 p. m., with the pastor Rev. Springfield, officiating. Burial was in Anton cemetery, with Hammons Funeral Home in charge.

His wife predeceased him in death in 1933. Survivors include three brothers, J. F., Will and Bob, all of Leon, Oklahoma. Not any of them were able to attend the last rites. A nephew Clyde Washington, son of J. F. Washington, who resides in Lubbock, was present for the services.

Burial bearers were Paul Easter, Robert Butler, Tom Hopkins, Hub Parker and Jim Hobgood.

Talks Insurance To Senior High

William Russell, local Veteran's Vocational instructor, met with the Senior High school Agricultural

A. C. S. S. Group Visits Schools

Admission of Littlefield schools into the Association of Colleges and Secondary schools, moved a step nearer, after a committee from the Society's Southern Regional headquarters, visited the school last Friday and spent the day checking various teachers' personnel files enrollment in classes, files, physical plant, and general movement of student bodies.

At the conclusion of their inspection, their unofficial preliminary report was apparently favorable. The committee pointed out several existing deficient facilities, but also had commendation and praise for an outweighing number of factors prevailing in schools here. Their report was of a generally complimentary nature.

A second committee will return here next spring to make the final evaluation, which local school officials hope will result in Littlefield being placed on the approved or membership list.

In the meantime the faculty here is continuing the job of evaluation, to further strengthen the position of the local school, prior to the second committee visitation.

classes Tuesday, and made an interesting talk on insurance of all kinds, but stressed and explained farm insurance fully.

Agricultural Tech Majors Practise Here

Two students from Texas Technological college, school of agriculture, will spend the next six weeks here, doing practice teaching in the Junior and Senior High school agricultural departments.

Raymond Holt of Sweetwater is instructing in the Senior High school under the director W. W. Hall, and Neil Tibbet, of Rule, is instructing in the Junior High department, under James Perkey.

Gin Is Damaged In Explosion

A New Deal gin building owned and operated by E. B. Hobbs, formerly of Littlefield, and well known here, was damaged and a ginner slightly injured in an explosion at the gin early last Friday morning.

The ginner was Bill Humphries. He had just lit a burner to the gin's dryer when the explosion occurred.

The blast ripped out holes in the top of the building and sides. The dryer, for conditioning cotton before it is ginned, was demolished. The ginner was merely shaken by the explosion. There was no appreciable fire following the blast. The gin is powered by electricity.

Muleshoe Teacher For Past 17 Years Dies Wednesday

Mrs. Mary DeShazo, 55, of Muleshoe, and well known here in school faculty circles, died in Green hospital and clinic early Wednesday morning. She had been ill for several months. She had taught in the Muleshoe schools for the past 17 years, and had been a resident of Muleshoe since 1923.

Funeral services will be held from the First Baptist church at Muleshoe today, (Thursday), at 2 p. m., with Rev. Blaine, pastor, officiating, assisted by Rev. W. C. Cox of Munday, a former superintendent of Muleshoe schools, Rev. J. E. Moore of Three Way and Rev. H. W. Hanks, pastor of Muleshoe Methodist church.

Mrs. Joe Prater Hostess to Spade H. D. Club Women

The Spade Home Demonstration Club met Tuesday, Nov. 11, at 2:30 o'clock in the home of Mrs. Joe Prater.

Mrs. Doris McCurry presided with the following members present: Mesdames H. P. Pointer, Hazel Hopper, Lee Hamilton, Prater, McCurry, and the agent, Mrs. Hazel Hickman.

Mrs. Hickman gave a demonstration on handlin, cutting, sewing and pressing nylon, corduroy, velvet and Jersey.

Refreshments of pecan pie, ice cream and coffee were served.

Methodist Minister Sneaks at P-TA Meeting Tuesday

A regular meeting of Junior High P-TA was held Tuesday afternoon in Junior High school building, with Rev. Ervay Vandercamp, Jr., pastor of First Methodist church as principal speaker. He used as his subject, "Blessings In the Home," and stressed two points, first, self discipline, and second, faith in the home. His talk was very inspiring.

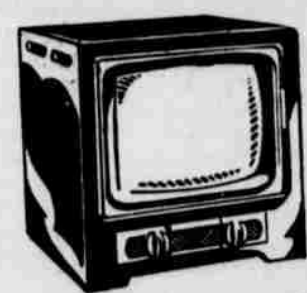

The speech department under the sponsorship of Miss Torrence, presented a skit.

A meeting of the executive committee of the two P-TA's met for a brief business session preceding the meeting.

Joins Husband In Oceanside, California

Candlelight Ceremony Unites Jolene Perkins and Roy McMahan

In a beautiful candlelight ceremony, performed Friday evening at 6 o'clock, at the First Baptist Church, Miss Jolene Perkins, daughter of Mr. and Mrs. J. G. Perkins of Littlefield, became the bride of Roy McMahan, son of Mrs. Emma McMahan of Abernathy.

Phil Russell of Lamesa was ring bearer. Justin McMahan of Dallas, brother of the groom was bestman. Ushers were Roy Dale Underwood of Dimmitt, cousin of the bride, and Gaylon Gill of Lubbock.

MR. and MRS. ROY McMAHAN

—PHOTO BY TAYLOR

signed with a deep "v" yoke of net and the long satin sleeves ended in points over the hands. The ballerina length lace overskirt was attached to a satin cap trimmed in seed pearls. For something old the bride wore her mother's engagement ring. She carried a white Bible topped with an orchid. The Bible was borrowed from Miss Bobby Yeary.

accessories. When they return the couple will live on their farm near Abernathy. Mrs. McMahan was graduated from Littlefield High school, and is a member of the class of '50. She attended Draughon's Business college, Lubbock. She has been employed in Lubbock for the past two and one-half years.

Miss Caldwell Becomes Bride Benn Kinslow In Service

In an impressive candlelight service performed at the First Methodist Church Saturday evening, November 8, at 8 p.m., Miss Janie Nadine Caldwell, daughter of Mr. and Mrs. Elam C. Caldwell, 815 E. 8th street, became the bride of Benn C. Kinslow, son of Mr. and Mrs. D. E. Kinslow of route two Lubbock.

MRS. BENN KINSLOW

The pastor, Rev. Mr. Harry Vanderpool, Jr. performed the double ring ceremony, as the couple stood before the altar, which was banked on either side by tall baskets of white chrysanthemums and double tiered candelabra.

The bride's sister, Miss Carol Ann Caldwell lit the candles. Miss Glenda Hulise played traditional organ music throughout the ceremony.

The bride given in marriage by her father, wore a baby blue fall informal dress, fashioned coat style. Her hat and gloves were white, and she carried a colonial bouquet of white roses.

Miss Lyriene Hofackert served as maid of honor, and she wore a gray knit suit with pink accessories. Her corsage was of pink carnations.

Lou Dickson stationed at Reese Air Force Base, Lubbock served as bestman.

For her daughter's wedding Mrs. Caldwell wore a navy fall suit, with navy accessories. Her corsage was of white carnations. The groom's mother chose a gray wool suit, with black accessories and pink carnation corsage.

After the wedding a reception was given in the church parlors. A green and white color scheme was used in decorations. The refreshment table was laid with a gray cloth. The bride's bouquet was placed in the center of the table.

The bride is a graduate of Grandview High School with a '51, and from Draughon College in Lubbock. Several months she has played at the City Hall.

The topic of the special program is "The Blessings in Every Home." Mary Lois and Fay Tate will present special music. Mrs. Clifford Hooley will be principal speaker.

Everyone is invited and urged to attend.

Make Mo' Molasses Cookies

Soft molasses cookies have been fist-bugged ever since they were first offered to children. This claim to fame lies in the distinctive flavor of unrefined molasses which is both mellow and aromatic.

Round, crinkly-surfaced molasses cookies are excellent just as they come from the oven, or you can make a confectioners' sugar and water icing to guild them for special effect.

Molasses will always win favor admirers if people are introduced to the old-fashioned, sweet kind. This unrefined type, the concentrated juice of sugar cane, is also a delicious syrup for pancakes or flavorer of milk drinks.

Soft Molasses Cookies

1 cup shortening
1 1/2 cups unrefined molasses
1/2 cup sugar
4 cups sifted all-purpose flour
1 1/2 teaspoons salt
2 teaspoons baking soda
2 teaspoons cinnamon
1 1/4 teaspoons ginger
3/4 teaspoon cloves
1 egg

Melt shortening in saucepan large enough for mixing cookies. Stir in molasses and sugar; cool. Sift together flour, salt, soda, cinnamon, ginger and cloves. Mix in small amount of flour; beat in egg. Add remaining flour, blending until smooth. Chill dough about 2 hours. Shape into 1 1/2-inch balls. Place on cookie sheets about 2-inches apart to allow cookies to spread during baking. Bake in a moderate oven (350°F.) 15 minutes. While warm spread half the cookies with confectioners' sugar glaze. Store in closely covered container.

YIELD: 4 dozen cookies.

School Lunch Room Menu

Monday: Roast beef, gravy, English peas, potato salad, bread, banana pudding.

Tuesday: Hamburger patties, combination salad, potatoes, buns, milk, cobbler.

Wednesday: Fried chicken and gravy, creamed potatoes, green beans, green salad, bread, chocolate milk, fruit jello.

Thursday: Baked ham, candied sweet potatoes, English peas, mired, milk, cookies.

Friday: Fried steak, scalloped potatoes, green beans, pickles, bread, chocolate milk and fruit cake.

RECENT IRRIGATION WELLS DRILLED IN COCHRAN COUNTY TOTAL 36

Robert C. Cross, FHA supervisor, has announced that 36 irrigation wells have been drilled, or have been started, within recent weeks in Cochran County, with funds made available through the Water Facilities Program of the Farmers Home Administration.

Wells drilled recently include those owned by D. C. Craven, W. A. Wood, Brad Stovall, L. L. Roundtree, F. G. Kennedy, Bert Jennings, W. E. Vernon, C. B. Betts, W. C. Key, Beryl Reed, J. C. Miller and J. R. Ward.

The best well drilled so far, is a 10-inch well completed on the Beryl Reed farm.

At least three farmers are using underground tile in irrigating their farms. Those are Ollie Smith, Glen W. Thompson and Eugene V. Thompson, Cross said.

Funds are available through the Water Facilities Program to "qualified applicants who wish to improve the existing water supply on their farms or to install new facilities, and who are unable to obtain the necessary credit from other local established sources."

Somewhere —

(Continued from Page 1) they are both hungry and cold, can't be left alone for long, and the boil pulling is almost over.

And another family, father, mother, two small children, and their grandfather, also until just recently. He was old, and a sufferer from cancer. His suffering is over now, but the expense of caring for him before he died, didn't leave much to care for the family now—on less than \$30 a week earnings, with sickness and death, it's pretty hard to save money even if you do know that winter is just around the corner.

Those are just two examples of what Salvation Army workers find—know exist right here in Littlefield today, and there are many others. They need your help, and they are asking for it through the Salvation Army.

Lieut. Robinson wants these families to have something of a Thanksgiving Day and Christmas this year, just as you will have Your Thanksgiving and Christmas. He said with prices as they are this year, a basket for the average size family will cost about \$15.00. For large families, an even bigger basket will be needed. And along with that, there is an acute need for clothing, food, bedding, beds, and even medicines.

Last year the Salvation Army delivered 51 Christmas baskets to needy families in co-operation with churches, civic clubs and warm-hearted individuals.

Fully as many, if not more baskets will be needed this year, if human beings right here at home are to have a Christmas in the meaning of the word, this year.

Today, right now, isn't too soon to make your contribution, be it one, five, or ten dollars, or the full \$15.00 to give a Christmas Happiness in the form of a basket, to someone, some family, less fortunate than are you.

Ellen Massengill —

(Continued from Page 1) was valedictorian of her class, in conjunction with her school work, she has taken an active part in Baptist Student Union work at Tech, and attended the Baptist encampment at Ridge Crest, North Carolina, this past summer. She is also an accomplished pianist, and sings in the church choir.

Minimum Wage —

(Continued from Page 1) \$1.75 per hundred pounds."

The hearing and trip here by the U.S. Labor Department secretary, followed mass meetings held in Terry, Lynn and Dawson county, where the figure had been set at \$2.00 as prevailing wage, which was violently protested.

Lamb county is included in the wage interpretation, and Lamb county farmers can pay at the rate of the \$1.55 minimum, if they have been paying other domestic cotton pickers at a wage no higher.

A mass meeting was also held in Littlefield a week ago, protesting the wage survey which had been made in this county, and which fixed prevailing wages being paid at as low as \$1.50 and as high as \$2.00.

J. D. Smith was one of those attending the Lubbock meeting Tuesday from here, and Congressman George Mahon, who was instrumental in getting Gavin to come here from Washington, was also highly instrumental in the Lubbock meeting.

Mexican Nationals not satisfied with the wage paid to them may protest to Texas Employment offices—and the matter will then have to be arbitrated between the Mexican and U.S. governments. A two government agreement was necessary this year before any Mexican Nationals could be brought in to this country.

The actual text of the determination, which was read to farm representatives present at the Tuesday meeting is:

"The secretary of labor, under Article 15 of the international agreement, makes the following determination of prevailing wages for domestic workers:

"For the week commencing Oct. 13, 1952, the prevailing wage for the three counties of Terry, Lynn and Dawson was \$1.50 to \$1.75 per hundred pounds in the field.

"For the week commencing Oct. 20, 1952, the prevailing wage for first cotton pulling in the 26 counties of Briscoe, Castro, Crosby, Floyd, Hale, Hockley, Lamb, Lubbock, Swisher, Lynn, Terry, Dawson, Bailey, Cochran, Deaf Smith, Gaines, Parmer, Borden, Dickens, Garza, Howard, Kent, Andrews, Martin and Midland was \$1.50 to \$1.75 per hundred pounds in the field.

"Under the provisions of the standard work contracts covering these counties, Mexican contract workers may not be paid less than \$1.55 per hundredweight for cotton pulling.

"Questions and complaints concerning the wage payable to Mexican contract workers in these counties will be determined on an individual basis dependent upon crop conditions on the particular farm.

"In no event, however, may an employer pay Mexican contract workers a wage rate that is less than the rate being paid to domestic workers engaged in the same employment on the same farm.

"This in no way affects the right of any employer to pay workers, whether Mexican national or domestic, a wage rate which is higher than the prevailing wage."

Television —

(Continued from Page 1) of Texas Telecasting, Inc., owner and operator of the station, said it is equipped with a five kilowatt VFH Dumont associated studio equipment. It will have INS-Tele-news daily news features and INS leased wire service. CBS and Dumont programs will be shown.

Drouth —

(Continued From Page 1) sion of liquor for purpose of sale, has pleaded not guilty. Bond \$500. Frank Mariquez, Latin-American cafe operator, charged with possession of liquor, first offense. Fined \$200 and costs.

Alton Turrentine, of Levelland, picked up downtown, while making "U" turn, was discovered to have a quantity of untaxed liquor in his car. Fine \$100 and costs.

R. W. Jones, Olton, arrested and charged with home sale of liquor, pleaded not guilty, and bond has been set at \$1,000.

L. H. LaDuke, near Springlake, arrested and arraigned in County Court or alleged home sale of liquor. Entered plea of not guilty, and bond was set at \$1,000.

Liquor was also directly related in the case of six Mexicans, one a Mexican National here under contract, who were charged with driving while intoxicated. Five of the six paid fines of \$75 plus costs, and the Mexican National was turned over to immigration authorities at Lubbock.

Just to cap off a busy week, the sheriff's office filed aggravated assault charges against L. R. Goynes, Olton area armer. In the charge it is alleged that Goynes assaulted a negro employee with a hammer, after an argument at Goynes' farm. County Judge Otha Dent assessed a fine of \$25, which was paid.

Heart Attack —

(Continued from Page 1) Deceased is a daughter of Mr. and Mrs. A. C. Braun, whose home is in Missouri, who hurried here immediately upon receipt of telephone notification, and this week accompanied the remains to the family home at Stamford where funeral services and burial were held Tuesday afternoon.

The dead woman is a sister to Mrs. Jeanne Cargile, who has been connected with the Amherst Hospital for the past eight years, and now holds the position as Superintendent of Nurses. She also accompanied the remains to the family home in Stamford.

Miss Braun had been a sufferer from asthma for some time past, but there had been no intimation of a serious heart condition.

She was first stricken at the Nurses' home, adjoining the hospital, and one of the other nurses accompanied her back to the hospital to secure medical attention. She suddenly collapsed and passed away shortly after arriving at the hospital, and after having just completed a full night shift working with the nursing staff.

The Gulf Stream is more than 6,000 miles long from the Gulf of Mexico to the seas north of Norway.
