The general rains were brought a touch of fall and cool weather to the area.

Slow, drenching rains of ov-

Amherst and Anton reported 3.20 inches, Morton and Sudan reported 2.50 to three inches. Olton received two inches, Earth one inch.

Bula received 3.1 inches and a mile south and a mile east of Bula got four inches.

Most agriculture officials expressed the opinion that the small amount of cotton that was open was damaged very little and that the rains would benefit late grain crops, rangeland and wheat crops.

School buses stayed on the highways during the rainy

Farmers Apply For Sugar Beet Acreages

County Agent Bill Kimbrough reported that 14,000 acres of sugar beets have been applied for by Lamb County farmers.

There are not allotments on sugar beets, but the ability to market them is the determining factor. The future of sugar beets in Lamb County depends upon whether or not a sugar beet plant is located in this area, by authority of the agriculture department.

Currently, both Plainview and Hereford have sugar beet plant companies seeking permission to put in a plant that would han- Over 800 Attend sugar per year.

Should a plant be located at one of the towns, there is a good possibility that Lamb County farmers would benefit from some of the acreages needed for plant production. A Tuesday Associated Press

To Carry

quite heated in Bula, Last spring, voters in that district approved a bond issue for building improvements which have been completed.

The Bula District is holding open house tonight of the remodeled facilities. They have issued a special invitation to all interested to view the work during the event.

Spokesmen in Bula do not think the voters in that district will approve the consolidation move. Both districts must approve the move at Saturday's election. If either district should not vote for the change, consolidation will not take

Polls will be open at the Bula School and at the Littlefield High School Library from 8 a.m. until 7 p.m. for voters to cast their ballots.

Any qualified voter in either district may vote. Property ownership is not necessary in order to vote in such specialelections.

Arthur Jones of Littlefield and Eddie Wallace of Bula have been named presiding judges for the elections.

The election in Lamb County was called by Judge Pat Boone, Jr., and in Bailey County by Judge Glen Williams, after each was presented with petitions bearing the required number of signatures of qualified voters.

Five persons received minor injuries in accidents investigated by city police late last week and early this week records show.

Four of those injured were in an accident at I p.m. Sunday on XIT Drive. Involved were cars driven by Dr. D. J. Staf-ford and Clyde Weldon Pace, both of Littlefield.

Dr. Stafford was going north on XIT and Pace was travelling south. They collided left front fender to left front fender. A large truck was parked on the west side of street and two cars were parked on the right, narrowing the street at the point of collision.

Dr. Stafford, his two children, Mike and Pam, and Mrs. (continued on page eight)

DWI Charged Minor Injuries Houston Man Ceodis C. Woodard speeded

through more trouble then he imagined as Highway Patrolmen operating a radar unit northwest of Littlefield on Highway 84 stopped the Houston man. Stopped for speeding the officers charged him with DWL

Woodard pleaded guilty to the charge and was fined \$150 and costs and sentenced to three days in jail.

In other county activity, officers arrested three for drunk and one for speeding.

Radar units and troopers were kept busy Friday night and again Saturday night halting the speedy drivers returning home from football games. There were 67 tickets passed out . . . higher priced than grid ducats . . . to speeders during the two nights.

Area Grid Teams Clash As Wildcats Are Idle

week as the remainder of the teams take to the gridiron for the fourth week of the season. But local fans won't be without a football game here Friday night as the Junior and Senior girls battle in the annual Powderpuff game. The flag game will begin at 8 p.m. at Wildcat Stadium. No favorite has been chosen and the match is billed as a toss-up.
Amherst's Bulldogs will tra-

vel to Bovina to attempt to get back into the winners circle. Amherst lost to Sudan last Friday and Bovina played to a tie with Whitharral, Amherst is a slight underdog going into the match, but should never be counted out.

Olton will host Hale Center in the hope of getting even for the season. They downed Springlake last week and are favored to defeat Hale Center Friday. The Mustangs won the game last year 19 - 12.

Sudan will have its hands full Friday as they host Sundown. Both teams are strong and neither is favored although Sudan has a slight edge because they are at home, Sudan will be out for revenge from last year's 27 - 13 defeat handed them by Sundown.

Penn Point

Well, West Texas State got

sweet revenge Saturday night as they downed Texas Tech (new member of the Southwest Conference) 27 - 30. Revenge was never sweeter because this is the final game between the two schools as Tech moves on to more "famous" opponents.

Just between you and I, Tech going to have a tough time finding any more formidable rival than West Texas . . . and picking more "Famous teams" to play should never be considered until you can lick those already on the schedule.

But this game was a thriller right from the opening kickoff until the final gun sounded and the 41,000 fans watching couldn't have asked for a better offensive battle than those two teams displayed.

40,999 fans came to see Pete Pedro perform and perform he did as he ran for two touchdowns and passed for a third. I said 40,999 fans because surely there was one who came just to see the game ragardless of whether Pedro played or not.

Now that the West Texas -Tech clash is over for the season I guess I'll settle down and support both teams and wish them both the best of luck . . . Tech appears to need it first as they tangle with "mighty' Texas this Saturday night.

There are lots of Tech supporters in and around Littlefield and quite a few who sup port WTSC and where we sat in the game the crowd was pretty evenly divided between the two.

There were a few fans living either in or north of Littlefield who were unpleasantly surprised after the game . . . by the Texas Highway Patrol. The troopers were hauling in speeders by the droves just east of Littlefield. So for some it was a double loss with the second defeat quite costly.

Today's music (I really don't think that is what it is.) has gone just a little too far. Original songs of the rock and roll or twist rage are bad enough, but when the old classics are slaughtered by the rock and roll singers something should be done to stop this "noise."

The othe day, I heard "Old Man River" massacred by one of those "rage" singers, I would never have recognized it if the disc jockey hadn't told the title. I had a woman remark to me

the other day that she didn't know much about music but she was sure that this new music was misnamed. While it is called rock and roll, she said it should be called "rock throwing" because to her it sounded like someone throwing rocks at a tin barn. I'll agree.

Oh to return to the good old music . . . real music . . . music that is pleasant to the ears and comforting to the mind. Music that's music and not noise.

Bula school students expressed their opinions in their weekly school paper this week. It is very evident that they want no part of the consolidation and were very plain in expressing their views.

One of them had this to say. "I believe Bula school can be just as good a school as any if people will just give it a chance. This construction going on will greatly improve the appearance of Bula and the spirit of the students which has always been high. People complain about the bond, but why have half a school

with run - down buildings?" Another had this to say, "Everyone has a right to his own opinion and this is mine ! I don't want to consolidate ! Saturday is the voting day and about 7:30 p.m. Saturday eve-

CARE

To everyone who plans to buy an Imperial, Cadillac or Lincoln this year

If you'd like the best perspective on what your next luxury car can offer, begin with a drive in the new Imperial - first luxury car having its power-train warranted for

five years or 50,000 miles. Your Imperial dealer is ready to furnish one of his new models for your comparison. You'll find Imperial is designed for spaciousness and luxury on the grand scale. Imperial's town-car look is deliberately

720 East 3rd

restrained - and timeless. But its famous roadability is evidence of very timely advances in high-performance power and the largest automatic-adjusting brake system in any American luxury car.

After you've tested and inspected and compared, we'd like your personal judgment of our major premise: that Imperial's differences afford important motoring qualities not found in either Cadillac or Lincoln. IMPERIAL - A QUALITY PRODUCT OF CHRYSLER

So accept our friendly challenge, please. We're confident that driving an Imperial will influence your ideas about what a luxury car should be and should do.

*Your authorized Imperial Dealer's Warranty against de-fects in material and workmanship on 1965 cars has been expanded to include parts replacement or repair for 5 years or 50,000 miles, whichever comes first, on the en-gine block, head and internal parts; transmission case and internal parts; torque converter, drive thall, universal joints (excluding dust convert, rear asle and differential, and rear wheel bearings, provided the vehicle has been serviced at reasonable intervals according to the Chrysler Certified Car Care schedules. Factory approved remanu-factured parts may be used for replacement.

Tech Tangles With Texas U Saturday

University of Texas, defend-ing Southwest Conference cochampion, and Texas Tech open the 1962 title campaign in Jones Stadium here at 7:30 p.m. Sat-

Another large crowd - possibly surpassing the record -smashing 41,000 who saw the West Texas State game - is expected.

Both Southwest Conference clubs had trouble in their opening games last week, Texas Tech succumbed to the sensational running of Pistol Pete Pedro in losing a 30 - 27 thril-ler to West Texas, and the Longhorns had to come from behind in the second half to down University of Oregon 25 -

University of Texas is ahead in the series rivalry, 10 - 1.

Whitharral 14 Bovina 14

The Whitharral Panthers and the Bovina Mustangs battled to a 14 - 14 grid tie Friday night. It was oh so close! Whitharra penetrated three times, Bo-Bovina twice. First downs were even 12 - 12.

blocked a punt and covered it for a TD. He ran the extra points. This was in the second stanza after a standoff 0 - 0 in the first quarter.

Whitharral got going in the third quarter with Lynn Simmons running 25 yards for a TD, Extra point try was no

Fighting down to the wire, Whitharral scored in the fourth quarter on a 1-yard blast by Simmons. This climaxed a 75 yard drive in 8 plays. Terry Gage ran for precious extra points.

Lloyd ran 10 yards for the Bovina final quarter TD, Point try failed. Simmons of Whitharral averaged 7.1 yards per carry for the night for a season average

of 10 yards per run. Whitharral had to fight off two Bovina threats in the fourth quarter. Fumbles were frequent, Whitharral got 228 net yards to 232 for Bovina.

Olton14 Springlake 7

Olton's Mustangs scored once in the third period and once in the fourth to defeat Springlake, 14 - 7, Friday night.

Halfback Jerry Don Sanders returned an Olton punt 78 yards in the third period for the only Springlake touchdown. Cary Latham kicked the extra Olton came right back to

score on a 15-yard pass play m George Jones to Charlie Burrus, Jones ran the extras to put Olton in front, 8 - 7. Jones added another touch-

Texas won the game played in Austin last year, 42 - 14, although the Raider total represented a season - high for points yielded by the Long-

This is only the third time for the Texas football team to come to the South Plains, Texas won by 12 - 6 in 1934 and by 28 - 14 in 1950.

Texas Tech's starting halfback and leading safety, Bill Worley of Midland, will miss the Texas game because of a knee injury suffered in the West

Tulia 21 Muleshoe 0

Tulia's Hornets pushed across touchdowns in the final three periods to grab a 21-0 victory over the Muleshoe Mules Friday night.

It was a Class AA melee and Tulia's third win of the season against no defeats. After a scoreless first quarter, Eddie DeVoll, fullback,

Dimmitt 16 Bovina scored first. Lloyd Hereford 12

It was Class AA Dimmitt on top at first and then Class AAA Hereford Friday night as the visiting Bobcats won a squeak-er, 16 - 12,

The 'Cats picked up 16 points (all they got) in the first quarter and then the Whitefaces of Hereford got 12 points (all they got) in the last quarter.

Roy Battles banged over from 7 yards out for the first Bobcat TD. Jim Ratcliff passed to James Cowell for extra points.
On a play covering 53 yards,
Ratcliff tossed to Mike Calvert who lateraled to Cowell, who scored, Ratcliff passed to Co-

well for two points after TD. These two double extra point plays proved to be the difference.

Arnold Powell plunged I yard for the first Hereford TD in the last quarter. Jim Haney ran 6 yards for another one as the Whitefaces rallied. But extra point tries failed. Dimmitt got 103 yards rush-

ing to 73 for Hereford. The Bobcats added 62 by air to be outdone by the home club, which got 90 aerial yards. The loss was a sad one for the Whitefaces, who were ded-

Defensive standouts were: Dimmitt - Robert Daniels and Jim Ax; Hereford - Bill Steele and Jim Haney.

icating a new stadium field-

Smart parents let their children learn something by exper-

Presenting: the Crisp, New, Custom Look of

Raise your eyes and take another long look at this beautiful '63 Chrysler.

How would you describe it? America's most prominent fashion leaders, stylesetters, and designers said this about the '63 Chryslers: "A stunning concept in restrained elegance!" "Has the custom look of a town car!" "Beautiful simplicity in line and form!"

Inside you'll find a style revolution in the making: gorgeous patterns; loop-pile carpeting that would grace any living room; wide, comfortable deep-cushioned seats.

Again in '63 you'll find no small-size Chryslers, no jr. editions, to undercut your big-car investment, penalize your pride or reduce your resale value.

All '63 Chryslers are big, beautiful and V-8 powered. All are pleasant price surprises, too. Take a good look at the customlooking '63 Chrysler . . . then take a big, beautiful step ahead in style.

A PRODUCT OF CHRYSLER CORPORATION

Now! 5-year/50,000-mile warranty!

Another First for Chrysler! The very highest standards of engineering leadership have resulted in an extended warranty* on the power-train of 1963 Chryslers.

*Your authorized Chrysler Dealer's Warrants spainst defects in material and workmanship on 1963 cars has been expanded to include parts replacement or sealer for 5 years or 50,000 miles, whichever comes first, on the engine excluding manual clutch; torque converter, drive shaft, universal points (excluding dust covers), rear axie and differential, and rear wheel beerings provided the vehicle has been serviced at reasonable intervals according to the Chrysler Certified Car Care schedules. year old daughter, Sandra for an airplane ride. It was his grandparents' first plane ride.

Mr. and Mrs. Joe Don Jackson and their daughter, Joedonna, Amarillo spent a few days in the home of his parents, Mr. and Mrs. S. L. Jackson.

Mr. and Mrs. John Lewis Goode, Sundown, visited in the home of Mr. and Mrs. W. D. Lackey Sunday.

Sheryl Stevens returned Sunday afternoon from A & M College at Bryan, Tex. where she participated in the second annual state 4-H Favorite Foods contest. She was one of four girls from District 2 who participated in the show. Sheryl displayed a Special Broiled Chicken and a place setting for one person. The theme for her display was an informal patio supper. Her exhibit was entered in the Meat Group. The three other events were the Milk Group, the Bread - Cereal Group and the Vegetable - Fruit Group. She placed second in her group on her display. She was judged not only on the taste and preparation of her chicken, but on her centerpiece, the table arrangement, her appearance, how well she knew the nutritive value of the food she was preparing and on her 4-H record book. There were 48 girls from the state of Texas at the State Show, Mrs. Lady Clare Phillips, the Home Demonstration Agent from Littlefield accom-

panied Sheryl to A & M. Mr. and Mrs. Russell Haberer and Bonnie Haberer attended the Springlake Parent - Teachers meeting Thursday night.

AMHERST NEWS by Mrs. La Grange

Annie Armstrong Circle Meets In Shipley Hon

The Annie Armstrong Circle of the Baptist WMU met with Mrs. Bennie Shipley, Monday, Sept. 17 at 2:30 p.m. for the last meeting of the year. "Revive us Again" was sung and Mrs. James Holland offered prayer.

In the business session, Mrs. J. P. Brantley, chairman, presided. Members of the year book committee to assist Mrs. Shipley, chairman, are Mrs. J. D. Bench, Mrs. Charles Jones and Mrs. Norma Molder.

In the social hour following prayer sisters for the past year were revealed and gifts were presented. New names were

drawn. The hostess served chiffon cake, topped with peaches and whipped cream and coffee to Mrs. Bill Bradley, Mrs. J. D. Bench, Mrs. Maurice Brantley, Mrs. J. P. Brant-ley, Mrs. James Holland, Mrs. Charles Jones, Mrs. Dwane Phillips, Mrs. Vic Reynolds, Mrs. Shipley and a new mem-ber, Mrs. Norma Molder.

Mr. and Mrs. Bill Weaver were hosts for a birthday dinner Sunday at noon, honoring several members of the family who have birthdays just past or in the near future. Honorees were Mrs. Harry Phelps, Mrs. C. V. Harmon, Phelps Blume, Ivan Dale and W. T. Weaver, Lana and Linda Weaver. Twenty one attended including Mrs. J. T. Harmon, Mrs. Weaver's grandmother.

Ir. visited in the Dwain Smith home at Hale Center Sunday afternoon.

Ford Division is pleased to announce your new Ford Dealer

Hall Motor Co.

LITTLEFIELD, TEXAS (See Story this Issue)

Mancil Hall Vice President

'63 Ford Galaxie . . . the look, the power-and now the feel of the fabulous Thunderbird! Three lively new series: Galaxie, Galaxie 500 and the Galaxie 500/XL. All models feature inspired new styling, spectacular performance, king-size roominess and the quietest ride you ever tried. You get greater service savings, too, from Galaxie's famous Twice-a-Year (or every 6,000-mile) Maintenance features.

'63 Ford Fairlane . . . hot new middleweight-with V-8 punch! Nine new, richly styled Fairlanes give you the full-family room, superbly smooth ride and spirited performance of big cars—with a choice of two optional V-8 engines and the standard Fairlane Six. What's more . . . prices are lower than some compacts. Fairlane Twice-a-Year (or every 6,000-mile) Maintenance features also multiply your service savings!

'63 Falcon-Fun is what's new in the '63 Falcon-the all-time economy champ! And your fun comes in 15 spunky, spanking-new Falcon models. Handsomely styled, each nimble, sure-footed Falcon goes farther on fewer gallons of regular gas. And Twice-a-Year (or every 6,000-mile) Maintenance features on all except Club Wagons and Buses, now make famous Falcon savings greater than ever before!

'63 Ford Pickups . . . "Built Like the Big Trucks!" In axles, springs, and frame, '63 Ford pickups (like the new F-100 Styleside shown here) give you the same kind of durable design as big trucks. And you'll find new styling inside and out, and a new feel at the wheel . . . new easier steering. new lighter pedal action, new smoother shifting, new comfort!

Ford...America's liveliest, most care-free cars

ner may compete.

Lamb County Wool **Contest Begins**

contest time again in Lamb County to the District Contest County or at least time to begin at Lubbock. Three winners to making plans for it. Many, many wonderful prizes are waiting for the winners in this contest. They include Scholarships, U.S. Savings Bonds, Singer Sewing Machines and the Grand prize of a 14-day All - Expense trip to California Fashion Centers and the Island State Hawaii.

Entrys do not have to be in until November 17 but if a girl is going to make a garment it would be well if she would send her entry forms before beginning her sewing as she will receive some very helpful information on sewing with wool.

Any girl who might be interested is asked to contact her home making teacher or the county home demonstration agent for further information. Anyone who wishes can write the Lamb County contest chairman, Mrs. Allen Haley, Route 1, Box 161, Muleshoe, for entry forms and other information about this contest.

(Continued from Page One) . . . wonder how hard it will be | DEFOLIATION to get loose from eight or ten committees

ARTHUR Summers called me Monday about two green seed trailers that have been borrowed by one or two of our area farmers. Arthur needs to get ready for the cotton seed delinting season out at Littlefield Delinting, so if you have his trailers, give him a call and he'll be glad to come get them.

HERE'S a funny for the bankers: "Drive-in banks were established," the father explained to his son, "so that the cars could see their real own-

THE PERSONS who paid \$5,00 for a closed circuit ty seat in Lubbock Tuesday night to see the Liston - Patterson fight hardly got their money's worth. The fight lasted about two minutes, so it cost about \$2.50 per minute. That's almost as expensive as these trout I've been catching

Anyway, I figured Patterson would win , . .just shows how wrong I can be!

THE FOLKS at Pleasant Valley were perfect hosts again this year at the annual farmer - merchant's dinner, A good musical program was enjoyed by everyone and I'll speak for myself in saying that those

women really know how to cook! John West was the perfect emcee . . . made everyone feel

(Continued from Page One) Pace were injured, Damages were estimated at \$250 to Stafford's auto and \$200 to the Pace

Sherron Kay Langford received minor injuries when the car she was driving collided with a parked car belonging to Hobson Grant of Amherst. The accident occurred on East 7th. The Langford auto hit the Grant auto in the left rear. Damage was estimated at \$175 to the Langford vehicle and \$150 to Grants.

A three - car wreck was in-vestigated Tuesday afternoon at 3:31 p.m. Mrs. Velma Smith was driving west on Delano and was attempting to make a right turn. Following her was a car driven by Roy Jackson, who police said was following too close and hit the Smith vehicle in the right front door.

After the collision with Mrs. Smith the Jackson auto struck a parked car belonging to Jerry Goheen. The Jackson vehicle hit the right rear tail light and fender of the Goheen auto.

Damage was estimated at \$60 to the Smith vehicle, \$40 to Jackson's, and \$40 to Go-

AREA GRID

new four - door hardtop model in the Galaxie "500 XL" series heads the list of 14 new Galaxies in three series for rear window and forward -1963. The Galaxie series includes two - and four-door sedans; the Galaxie 500 series includes two-and four-door se-1963 Galaxie repre- transmission is standard on all dans, two and four-door hardtops, and a two-door convertible. The sporty Galaxie "500 XL" series now includes a twodoor convertible and two - and four-door hardtop models.

Ford's station wagons will feature four models for 1963 including four-door, six - and nine - passenger Country sedans and Country Squires, Mitchell said.

A sharply delineated contourrunning from the outboard edge | distinguished by special ornaof the headlamps to the massive, circular taillights -- dramatizes the lithe and luxurious character of all new Galaxies. Lower on the body side is another sculptured line, artfully integrated to accent the wheels and the feeling of dynamic mo-tion embodied in the Galaxie

Because conventional suspensions absorb road shock vertically, a disturbance is felt and heard when the car is driven over tar strips or minor irregularities in the pavement.

"This is because the forces introduced by a minor bump must make too rapid a change in direction from the vertical," said Mitchell, in explaining the new suspension, "More than \$10-million has gone into the research and development leading to the compliance - link .n the new Galaxie suspension."

The "compliance - link" is designed to permit shock absorption in the less - resistant horizontal as well as in the vertical plane. To introduce horizontal resiliency in the new Galaxie suspension, the lower arm front anchor is hung on a crank. Road shocks are fed back to the suspension at a more acceptable angle to cushion road shock and give a smoother, quieter ride.

Completing the new suspension is a rear suspension horizontal component so that each rear wheel also can absorb disturbances horizontally as well as vertically.

All of this adds up to a much smoother and quieter ride in the 1963 Galaxie than has ever been experienced in the past. The 260-cubic - Inch Chal-

lenger V8 engine adds still more customer choice of performance and economy to the Galaxie power team for 1963. Quiet - running, incrediblysmooth and of modern short stroke design, the Challenger 360 develops 164 horsepower for plenty of punch on regular grade gasoline.

In racing trim, as used by Carroll Shelby in his Shelby-Cobra sports car, the Challenger 260 dependably delivers an amazing 260 horsepower. In the Galaxie, the Challenger 260with optional overdrive or without - offers outstanding durability and economy.

The Thunderbird 406 Super-High - Performance V8 heads the list of six lively 1963 Galaxie engine choices. Developing up to 405 horsepower, this engine proved its stamina and performance when it swept the compared with the owner of a

ing -- winning at Darlington, the 1962 racing season.

With triple carburetion and Ford's all - synchronized, fourspeed floor - stick transmission the Thunderbird 406 Super-High - Performance V8 offers For the ultimate in economy, there's the 223- cubic - inch 6 -cylinder engine with Ford's all-new three - speed transmission and overdrive.

Intermediate economy performance choices -- 35 in all -- are available. Other engines include the Thunderbird 390 special V8 developing up to 300 horsepower, the Thunderbird 352-cubic-inch Special \8 rated at 220 horsepower, and the Thunderbird 406 High -Performance V8 delivering 385 horsepower.

Nine rear axle ratios combine with five transmissions -standard synchromesh three speed, overdrive, Fordomatic, Cruise - o - matic and 4speed manual floor shift -complete the Galaxie performance and economy lineup for

Galaxie -- which pioneered in the field of reduced maintenance in 1961 with a 30,000 mile major lubrication interval, 4,000 - mile oil change and self - adjusting brakes -is more maintenance - free than ever for 1963.

The traditional 1,000 - mile new car inspection has been eliminated, "From the time a new Galaxie rolls out of the dealership, no routine maintenance is required for 6,000 miles -- about six months for the average driver," Mitchell

The major lubrication interval has been extended to 36,000 miles and the same figure apolies to change of radiator coolant, fuel filter, air cleanerelement, and front wheel bearing lubrication.

"Over a three year period the time it takes the average new-car owner to cover 36,000 miles -- the owner of a 1963 Galaxie will have saved \$153.12 in routine maintenance costs

"enough to buy gas for more Charlotte and Atlanta during than half a year of average driving."

A Thunderbird - style, swingaway steering column for added ease of entry and exit heads the list of factory - installed luxury options in the 1963 Galthe ultimate in performance. axie, Offered on all Galaxie models except station wagons, the column swings a full nine inches to the right easily and smoothly when the shift lever is in the "park" position, Moving the shift lever to any other position locks the steering column in the engaged position.

The new Galaxie optional AM-FM radio has five push buttonsthree for FM and two for AM stations. Merely pushing the pushbuttons switches from AM to FM stations. The optional rear seat speaker has the reverberance to give an effect like that in a concert hall.

Keyed to turnpike driving, Galaxie's optional new speed selector permits the driver to set the desired crusing speed. The selected speed is maintained up hill and won automat- and difficult road conditions. ically without foot pressure on taps the brake to stop or dis-When disengaged, the speedsewarning upward pressure on motor. the accelerator pedal when a selected speed has been reached.

Triple Grown of Stock Car Rac- | 1960 Galaxie," said Mitchell, | ing models to give easier driving and easier entry and exit.
Improved comfort and seating position result from 3 inches of foam rubber padding standard in all 1963 Galaxie bench - type front seats.

A self - centering door latch with improved strength and ease of operation is incorporated on all 1963 Galaxies.

A major improvement in the seal between the door and glass has been made with the installation of a rubber lip that makes noise - eliminating contact with the window frame. Openings at each end permit the water to escape.

Galaxie rear springs have three leaves on two-door models, four leaves on four - door models and convertibles, and five leaves on station wagons. Special interleaf liners provide controlled friction characteristics for smooth, quiet spring action. Tension - type shackles are used at rear ends and the movement of these shackles automatically changes rear spring rate to adjust for heavy loads
