Interstate Securities Purchase Citadel Finance Company

Interstate Securities Com- | Texas, is a native of Hughes pany of Texas Tuesday announced the purchase of the entire loan and finance operation of Citadel Finance Company of Littlefield. The new Interstate "financial house" is located in the former Citadel office at 118 West 4th Street, James E. Weeks has been promoted to manage the Interstate office. and is currently looking for a home in Littlefield.

Experienced Citadel staff members retained by Inter-state are Ben Pickrell, anative of the Littlefield area, as adjustor, and Sue Sanders, 714 West Second Street, as cashier.

Paul Hamilton, Jr., president of the national consumer loan firm, while visiting in Littlefield just after the purchase, expressed considerable enthusiasm over the Littlefield marketing area. "The dynamic improvements you are making in Littlefield's business district confirm our own conclusions that this city will be a leader in further business improvement in the West Texas area," Mr. Hamilton commen-

Negotiations for the purchase which included over \$100,000 in accounts receivable were conducted by J.W. Jurden. III, vice president; L.E. Akin, district supervisor; and F.L. Butler. district supervisor, repre-Interstate. Partners senting Glenn Batson and E.M. Lowe. who formed Citadel Finance Company in 1960, represented their firm in signing the sales

Permits Total \$1.1 Million For This Year

Building permits for the construction of new residences took leap upwards during August as permits were let for the construction of five new homes at a total cost of \$82,100.

The five during the month was the largest in recent months as only 21 permits for new homes were issued during the first seven months of this year, The permits for the new ho-

mes ranged in price from \$13,000 to approximately \$21,000.

In addition to the residences two other permits issued during the month were one for an erection of a two-car garage at a cost of \$2,000 and one for a car port for \$300. The two brought the month's total to

The figure for the month brought the year's total to \$1,128,165 as compared to a figure of \$1,385,875. In August of 1964 the building permits totaled \$175,910 for the month as 20 permits were is-

The decrease from that of last year is in the number of permits issued for new residences as the five during August only brought the year's total to 26 as companed to over 50 at the corresponding time a year ago.

they have complete and lasting trust in everyone and everything. To them there is no question of other people's opinions, they accept and reject certain things by their personal con-

It is a rather unkind fact that requires we each grow up and develop certain standards, which in some cases are prescribed by society.

Did you ever think how wonderful it would be if we could gain adulthood with all its responsibilities, yet retain the trust and faith of children. This would be a tremendous step toward the solving of many of the world

SATURDAY

Barbecue Ticket Sale **Ends Saturday**

VOLUME 32

Leon Slaughter, executive vice-president of the Littlefield Chamber of Commerce, has announced the sale of tickets for the "Keys-to-Progress" Friday, Government Day barbecue, will end Saturday September 4.

Slaughter said the early deadline is being imposed to give the ticket committee time to tally the total sales and inform Walter Jetton, who will cater the event. The C of C executive also stressed the importance of purchasing the tickets early saying we have to shut off sales at noon Saturday, "We are currently conducting a telephone selling campaign to insure everyone in the area is given an opportunity to purchase a ticket to this event which will feature Lt. Governor Preston Smith as well as other noted State government officials," he

Tickets for the event are \$1.50 per person and can be purchased by calling the Chamber office at 385-4451, in the event you are not reached by some-

one from the office. Chamber President C.W. Conway has encouraged as many as can to make the noon event, and to stay for the short program that will follow the barbecue lunch, Conway said, "Jetton is the President's caterer and the type of barbecue he prepares is known Nationwide. We look for a good crowd but hope through the interest generated by the overall event it will grow."

Traffic Flow To Change

LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, SEPTEMBER 2, 1965

traffic flow on XIT Drive and LFD Drive which will go into effect Saturday morning. The traffic will only be changed on the two str Traffic will still flow in both directions on

Phelps Ave, and also on the streets intersecting Phelps, XIT and LFD, City employees will erect new signs on the two streets Friday night and erect temporary barriers

Proposed Amendment Passage **Would Benefit County Residents**

Lamb County voters will go | with Wichita County which in- | is now in. to the polls next Tuesday, September 7 to vote on a constitutional amendment of great importance to the people of the

The amendment up for approval is Senate Joint Resolution 44 that will permit the State Legislature to increase the membership in the State Senate from 31 to 39 members and thereby avert the possibility of decreasing the voice of Lamb County and other rural Texans in State government af-

Unless the amendment is approved at the election, the remaining alternate will be the adoption of another re-districting plan which would have Lamb County in the same district

cludes Wichita Falls. Under the re-districting plan. voting strength in most of the small and medium-populated counties would be taken away and added to the voting strength of urban areas. Under the plan, Houston would get three additional State senators, Dallas two and San Antonio one, This would be done by expanding the senatorial districts in sparcely-populated areas such as the 30th which Lamb County

Hundreds Attend Pioneer's Meeting

More than 325 Lamb County Pioneers attended the 16th annual reunion Thursday afternoon and evening in the Community Center in Littlefield,

The members were welcomed by Littlefield Mayor J.E. Chisholm, a resident here since 1925, and a member of the association. He invited all members to return to Littlefield during the three day "Keys to Progress" celebration Sept.

Following the business meeting at which Roy Byers, Jr., Springlake, was elected president for the coming year, suc-eeding L. L. Uselton, a variety program was presented.

Gifts were given to the oldest resident attending the meeting. Mr. J. Frank Norfleet, Hale Center, who celebrated his 100th birthday last February 23 won the award for the oldest man while his wife, who was 94 last February 18, won the award for the lady.

Mrs. Gus Shaw, whose husband was the organizer and first president of the Lamb County Pioneers, also received a gift for the person traveling the longest distance to attend the meeting. She came to the meeting from Jacksonville, Florida where she now resides with her daughter.

included a Entertainment style show in a humorous vein and a variety program given by several children of pioneers. A barbecue supper was ser-ved to the members following

the afternoon meeting.

By adding the eight new senate positions (increasing the Senate membership to 39), such as proposed in the amendment to be voted on September 7, equitable reapportionment as ordered by the U. S. Supreme Court can be met. Under this plan, the big cities would have equitable representation, but not at the expenses of rural Texas.

If the proposed amendment is defeated, ten counties would be added to District 30. These would include Cottle, Hardeman, Wilbarger, Wichita, Dickens, King, Knox, Foard, Baylor and Archer. At the same time, four counties which are now in District 30, Deaf Smith, Armstrong, Donley and Collingsworth would be placed in District 31.

At the present time Senatorial District 30 includes Lamb, Bailey, Hale, Floyd, Motley, Childress, Hall, Briscoe, Swisher, Castro, Parmer in addition to the four counties. Deaf Smith, Armstrong, Donley and Collingsworth. The population in these 15 counties comprising the district is estimated at 168,300. Under the new re-districting plan, District 30, with the addition of the ten counties, would have a population of almost 320,000.

A map showing the boundries and counties which would be in District 30 if the amendment fails to pass is shown on page today's Lamb County

If the amendment passes, the egislature would have to be called into special session to re-district the state. While under the 39 member senate, the larger cities would gain in the number of senators from the urban areas; the number of senators from rural areas would not be decreased in nearly the same numbers as under the 31 man senate, if the proposed a-mendment is defeated.

Absentee ballots are now available at the Lamb County Court House in the County Clerks office for persons who will be unable to vote on election day. The ballots are only available until September 3,

The traffic flow on XIT Drive and LFD Drive will be changed starting Saturday morning. City crews will work Friday night and early Saturday in order to have the signs in place prior to regular business hours Saturday morning.

NUMBER 17

City Manager Richard Bean stated that "One Way" signs will be on the stop signs located at each intersection on XIT and LFD, in addition temporary signs will be erected at the corners of XIT Drive and Delano and at LFD Drive and 6th Street.
"We will probably have some sort of sign in the middle of the street at these two corners for the first few days to assist the drivers in remembering that the traffic flow has been changed," stated Bean,

"The only difficulties we expect to encounter in the change of traffic is having people get used to the change and to remember that with the change, angle parking on the two streets will be on the left side instead of the customary right side," Bean continued,

"With regard to the angle parking, plans are to start the repainting of the parking spots Friday night but we cannot expect to complete the entire two streets before the traffic is changed Saturday morning. At the present drivers are urged to disregard the lines now in use on the two streets until such time that we are able to complete the job," the City Manager stated.

It is felt that the change of traffic flow will greatly in-crease the visibility on most corners coming onto XIT or LFD. It certainly will eliminate a bad traffic hazard at the corner of XIT and 6th where drivers have to come well out into the intersection to see traffic coming from the north.

"We also hope to have the new green and white street signs erected at the same time we change the traffic flow," Bean stated, "We should be receiving them within a day or two and certainly in time for the three day celebration,"

Littlefield Police Chief F.A. Fitzgerald stated that he will have city police at the corners of XIT and Delano and LFD and 6th to assist drivers in becoming accustomed to the traffic change, "They will be there to assist drivers and not to give out tickets as it must be expected that a certain percentage of drivers will not realize the traf-

fic has been changed." The traffic flow change will also help in traffic conditions as all turns off either of the two streets toward Phelps will now be right hand turns.

Offices To Close On Labor Day

All Federal, State, County and City offices in Littlefield will be closed Monday, September 6, in observance of Labor

In addition, the Security State and First National Banks will also close. The Texas Employment Commission will also close, though they do remain open on certain holidays.

The Post Office will have no mail deliveries on that date, They will operate on a weekend schedule and first class mail will be put up in post office boxes.

Certain Littlefield merchants will also close Labor Day, but it is entirely up to each individual merchant as Labor Day is not one of the designated holidays.

Though some merchants will be closed, September Dollar Day will remain the sixth,

Court Purchases New Maintainer

The Lamb County Commissioners' Court passed two orders at their end of the month meeting Tuesday.

The first order passed was the approval to purchase a new road grader for District 2. The low bid was submitted by the West Texas Equipment Co. of Lubbock.

The only other bidder on the maintainer was the Plains Machinery also of Lubbock, who submitted a bid of \$14,000 which was two hundred and fifty dollars higher than that submitted by the successful bidder.

The other order passed by County Judge J.B. Davis and (See COURT, Page 6)

ANTON NEWS by MRS. L.D. NELSON

Anton F.F.A. Chapter Is Rated Superior

The Anton F.F.A. Chapter has been awarded a superior rating for an outstanding program of activities during the school year of 1964-65. The award is the highest rating offered by the .F.A. on the State level.

A certificate with a gold emblem for accomplishments in the State F.F.A. program of work was awarded the Auton chapter. In chapter contest, three State emblems are offered, including the gold emblem, silver emblem and bronze emblem. The gold emblem is the highest award.

With the State gold emblem in its possession, the Anton chapter is now trying for National recognition. Already the Anton chapter is one of the finest in the West Texas area, and has good prospects of gain-ing additional recognition this year under the capable leadership of Homer Lowrance. He was recently named winner of the Honorary Star Farmer award at the State Agriculture Teachers Convention in Dallas,

The chapter has outlined a rogram of work for the new chool year. Under the leadership of Drew Dunaway, Dan-ny Markham, Mike Roberts, Ricky Reep, Tommy Kiser and Donnie Buchanan, the chapter is looking forward to a busy year. The program of work for the year includes the following projects: erect a F.F.A. nonument at the edge of town: begin work on a project farm and construct permanent pens: construct a spraying rig for spraying fruit trees for insects and fungus: landscape the agriculture building and construct flower planter boxes along the east side of the building; hold a local project show in co-op-eration with the F.H.A. and 4-H Club; improve shop facil-ities and make the ag building a more enjoyable place towork: sponsor a Turkey Shoot to raise unds for a F.F.A. banquet: and construct the F.F.A. emblem on grounds to the east side of

The first meeting of the Anon Booster Club of the new chool year was held Tuesday light at the High School Caferia, Boyd Goen, president of the club the past year, presided at the meeting which teatured an election of officers Rev. Murrel Johns was elected as president. Charles Couch was re-elected vice-pres, and secretary. After the election. Rev Johns took charge and appointed a membership and tiiance committee. They are Pat Syrum Doug Teague, Bob Bifle. Brad Gilbert and Jim and

When you choose a tractor or a cowhorse, you do so with great care—to be sure it fits your particular need—that it will work for you effectively. When you need to borrow money, the loan should be selected with the same careful consideration. Here are some of the important things to look for in a long-term farm or ranch real estate loan:

- 1. The right to pay "on or before" without penalty.
- 2. A long-term loan with reasonable interest rate and payments geared to YOUR operation.
- 3. Convenient loan service with homefolk who understand your problems.

A Land Bank loan offers all of these advantages and more. See us for details on how you can make money

W.H. McCowan, Manager FEDERAL LAND BANK ASSOCIATION 504 Phelps Ave. Littlefield, Texas

Roundup Program For Boy Scouts

tion and Extension Chairman. and Dr. Davis Armistead, Coun-Commissioner, announce the kickoff of the 1965 Fall Roundup Program. The theme for this year is "Follow the Rugged Road to Adventure.' Cub Packs. Boy Scout Troops and Explorer Posts in every neighbor hood and community will be making an all out effort to recruit boys into their units. Any boy 8, years old is invited to join the Cub Scouts, Boys 11 to 17 are asked to join the Boy Scouts. A select group of boys are asked to join the Explorers. They include all boys 15 to 18 and 14 year old boys who are in 9t h grade in school. A boy doesn't have to be asked to "join the Scouts." He may visit his nearest unit or contact a local Scouter who will help him find a place to join. If all fails, he may contact the South Plains Council Service Center at Box 3055, Lubbock,

The South Plains Council includes 20 of the South Plains counties with Lubbock as the center. Boys have much to gain by being a member of the Boy Scouts of America. The purpose of Scouting is to teach citizenship, character building and physical fitness through scouting skills. The Cub program is a home-centered family and neighborhood oriented program which teaches teamwork. basic craft skills, and fitness through games and skits. The Boy Scout program is oriented through the outdoor program emphasis on camping. with group leadership and scout advancement. The Explorer program is geared to the fast pace of the teenager with emphasis on group leadership. program planning, committee functions and high adventure ac-

bition, a love of the out-of-doors and a willingness to learn and accept leadership.

BOLL WEEVIL CAN BE BEAT

The efficiency and effectiveness of the 1964 weevil control program, together with the continued support of producers, strongly points toward a complete High Plains victory over this most dreaded and costly of all cotton insects.

20% LESS REQUESTED FOR WAR CHEST

Economies effected in the first year's spraying, plus the fact that over 97% of producers helped finance it, made possible a substantial carryover of funds from 1964 to be used in 1965. This in turn has made it possible to reduce the requested producer contribution in 1965 from 50 cents to 40 cents a bale. And there is hope this can be further reduced in 1966.

The following is a financial report from the Boll Weevil Steering Committee of Plains Cotton Growers, Inc. to those who are so wisely investing in this vital program:

BOLL WEEVIL STEERING COMMITTEE FINANCIAL STATEMENT

July 1, 1964 to June 30, 1965 REVENUE FROM PRODUCERS **Boll Weevil Eradication** \$919,655.00 (1) **EXPENSES PAID BY PRODUCERS** Boll Weevil Control - U.S. Department of Agriculture \$500,000.00 (2) **Boll Weevil Control** Plains Cotton Growers, Inc. 39,454.46 (3) 27,191.23 (4) Interest 6,124.90 (5) Check Books 6.02 \$572,776.61 (6) NET INCREASE IN FUNDS \$346,878.39 REQUIRED ESCROW FUND \$100,000.00 (7) AVAILABLE FOR 1965 OPERATIONS \$246,878.39 Producer investments at 50 cents per bale

Paid to USDA in October and November, 1964, pending final audit

Reimbursed expenditures from PCG general fund

Statement of Revenue and Expense

Less than 3% of total contributions

Interest on money borrowed to begin spraying before contributions started Total cost of program in 1964 was \$1,188,435.20, with the difference paid from Federal and State funds

Required escrow fund to remain 2 years beyond termination of the program

These figures are taken from the complete audit supplied by the Certified Public Accounting Firm of Campbell & Robinson. The complete audit is available for inspection in the office of

West Texas State Football Practice Opens September 1

When fall football practice | be ready to blossom into the opened for West Texas State | fine offensive tackle the Buffs early Wednesday (September 1), head coach Joe Kerbel will be grooming his charges for perhaps the toughest schedule ever undertaken by a West Texas

The Buffaloes have 20 lettermen back and have added some outstanding transfers in addition to several fine sophomores.

Kerbel plans to use the twoplatoon system this fall, but also had indicated that a few folks will probably see some two-way duty. Among these are Terry Funk, senior tackle, who is capable of fine work at either offensive tackle or guard or defensive guard, Funk, a two-year letterman, is still growing and will play at 220

need to pair with Funk, George has won a pair of letters and has seen some defensive duty,

his 1965 efforts will be confined The leader of the defensive front foursome is Buth Walterscheid, a 215 pounder from Hereford, Butch won a pair of

letters playing two-ways at end,

but the 1965 plans call for him

to be at defensive tackle,

but because of his fine speed

(10.5 sec. in the 100-yard dash)

Even though Funk and Walterscheld are going to be in relatively new spots. Kerbel is not worried about their performances being below par. "They are two of our finest." says sophomores and transfers will be depended upon in many places

for reserve strength. The key transfers are quarterback Spencer Washington and linebackers Burl and Earl Wood and Dave Gasser. All proved their mettle in the spring and linebacking trio was a real Godsend since the Buffs' linebacking corps was reduced to near zero with the graduation of Charlie Daves and Doc Rowell.

MEET CANYON SATURDAY

Wildcats Sharpen Attack In Morton Scrimage

The maroon and white Wildcats got down to work in a big way Saturday night when they journeyed to Morton to take on squad as they refused to be disthe Indians in the first scrimmage of the infant season.

The scrimmage was designed to show the 'Cat coaching staff little trouble, at the beginning areas where additional work was needed, and this it did. While the offense of the visitors shone all night, the defense, which has not yet jelled, proved to be leaky, and the heavier Indians didn't have great difficulty finding running room when they chose to go wide,

Head Coach John Howle said during the workout he intended to use the entire roster in an effort to find dependable defensive guards and linebackers, In all, the 'Cats ran over 30 prospects into the frey, and according to the coaches all were impressive as they held the Indians to a total offense of 292 yards, on the ground and in the air, in 90 plays with most of the yardage being gained over guard and in the linebackers hole.

The Wildcats appear to be in fine shape at the defensive end posts where Royce Bussey and Wilmer Williams appear to have the spots nailed down. The Indains tried all night to sweep the flanks but the resistance thrown up by Williams and Bussey proved too much for the black clad hometown crew as they were limited to only 18 yards in 21 attempts. On the left side they lost 13 yards in as many tries, but gained 31 yards in eight plays around the right

One outstanding factor of the couraged by the offense of the Indians who followed the Wildcats on the scoreboard with

of the game, Offensively the 'Cats were superior in every way, in addition to completing seven passes for 129 yards, 'Cat ball carriers. led by Larry Schovajsa with 77 yards in 14 carries, ground out 211 yards on the

The performance of Schovaisa, who was used on defense most of last season, kept the Indians off balance all night, and when the 'Cats would rest the fleet wingback. Billy Wayne Henderson would step in to rip the defense. In all Schovajsa and Henderson picked up 110 of the Wildcats' total.

The passing power of the Cats took most everyone by surprise as Steve Lewis, regarded by his coaches to be at the same point now as Ronald Sitton was at the end of the '64 season, showed good form and pin-point accuracy incompleting six of eight tosses and having only one interception.

The passing attack of the Cats could well be the difference in the 3 AAA race this season from the mere reason passing is listed as one of the weak points in an otherwise strong attack.

Howle said if the passing comes around as expected 1965

could prove a fine year for the 'Cats, finer even than was orginally expected,

Saturday night the Wildcats will travel to Canyon for the final scrimmage session of the year and the coaching staff has indicated they hope to have the defense almost set, "One thing that has hurt," Howle said, "is the temporary loss of Al Mann, out with stomach trouble, Last year Mann did a fine job for us and we were counting heavily on him to fill the linebacker slot this season. The doctors say he will be in the line-up this year, but it's doubtful he'll make the coming game with

Borger." The scrimmage this week has been devoted to the defensive phase of the game as spirit continues to run high and the crew aims for a victory in Borger on opening night, Injuries have continued to be light, with only a few 'Cats turning out in sweat clothes and most of them have been shelved with a virus rather than actual injuries. Dr. D.J. Stafford, team doctor, feels most of the boys now out will be hale and hearty on opening night and barring additional hurts will go into the opener

at full strength.

Going For A Buggy Ride

James Stewart and Arthur Kennedy, starred as a pair tier characters, start out in a buggy to lead a "citizen's against oncoming Indians in this comedy scene from "o Autumn". The John Ford epic opens Sunday at the Palace at popular prices after its reserved seat engagement starred in the Technicolor-Panavision release from Bros, are Richard Widmark, Carroll Baker, Karly Ricardo Montalban, Gilbert Roland, Dolores Del Rio, Sil and Edward G. Robinson.

They both showed fine adaptability in spring drills." units. The San Antonio native is a solid 200-pounder who has With the possible exception won two letters at guard. quarterback, the Buffs will Two other two-year veterans will be key men in the offenfield an all-letterman offensive and defensive lines. George Sive unit, however, depth is Allen, 6-7 and now 250, may once again a pig problem and Springlake Opens Tomorrow The Springlake Wolverines, who were rated in the top ten in the state in pre-season ratings get a jump on most of the other schools in Lamb County as they open their season this Friday night at home against Idalou. The Wolverines have been named favorites to repeat as dis-

the strong 1964 Bi-District championship team. The squad has lots of speed and should be able to use it to good advantage operating from the winged T. The only weak

spot is the lack of experienced depth.

FIELDTON NEWS by MRS. RAY MULLER Several Visit Over Weekend Mr. and Mrs. Truman Mc-Don Joyner, and Rev. and Mrs. Gene Joplin.

Cain and Mr. and Mrs. Don Joyner and Chip returned home Wednesday night from a tour of Missouri, Tennessee, and Kentucky, They attended the Grand Ole' Opery at Nashville.

Mr. and Mrs. Henry Crouse of Alva, Okla, visited over the weekend with Mr. and Mrs. G.L. McLelland.

Mr. and Mrs. H.G. Egenbacker of Knox City, visited Tues-day with Mr. and Mrs. G.L. McLelland, They also visited their son, George, of Lubbock. He will enter Texas Tech for the fall semester,

Mr. and Mrs. Ray Muller and sons returned Friday from a trip to Roy. Utah for a visit with his sister and family. Mr. and Mrs. Richard Altman and boys. Enroute to Utah they visited with her sister and family. Mr. and Mrs. A.D. McGraw and sons at Farmington, N.M. John Muller, who made the trip with

them, remained in Utah for a longer visit with his daughter. Mr. and Mrs. Fred Muller and Barry of Hereford visited Saturday with his brother, Mr. and Mrs. Ray Muller and sons.

Funeral services were held Sunday afternoon in the Methodist Church at Brownfield for Mrs. Molly Welcher, mother of Mrs. C.C. Slaughter. Among those from Fieldton who attended the services were Mr. and Mrs. Joe Edwards, Mr. and Mrs. Mack Campbell, Mr. and Mrs. Bud Thomas, Mr. and Mrs. Truman McCain, Mr. and Mrs.

Mr. and Mrs. Gerald Ray Quall's and son of Olida, Texas visited a few days last week with his parents, Mr. and Mrs. Marvin Qualls,

Mrs, Hubert Taylor and Alicia visited recently in Ranger with her daughter and son-inlaw, Mr. and Mrs. Jerry Don Basham, Mr. Taylor and Steve went after them on the weekend.

Mr. and Mrs. Hubert Taylor, Steve and Alicia visited in Borger recently with their daughter, Mrs. Joetta Tadlock, They took Timmie Tadlock, who had been visiting with them, home. They also took a trip to the New Mexico mountains. They returned home by way of Portales and visited with friends there over the weekend.

Mr. and Mrs. S.G. Cowan returned home recently from visiting relatives in Strafford, Madill. Tishomingo and Wilson, Okla,

Mr. and Mrs. Jim Johnson of Olton and Mr, and Mrs. Morris Busk of Spade visited Saturday night with Mr. and Mrs. S.G. Cowan,

Mr. and Mrs. Dee Stamps and children visited Saturday night and Sunday morning at Dickens with his aunt and uncle, Mr. and Mrs. Earl Stamps. They also visited Sunday afternoon at Dimmitt with her parents, Mr.

and Mrs. Marvin Witt. Mr. and Mrs. Jack McCown and children of Lamesa visited Friday night with his mother,

Mrs. R.O. McCown, Mr. and Mrs. Dick McCown

visited recently with her mother, Mrs. Minnie Ball and with his mother, Mrs. R.O. Mc-

Skin divers should be aware of the danger of using ear plugs

while diving, as the plugs can seal the external auditory canal and cause ear damage or they can be rammed deeply into the canal during a deep dive and do direct injury to the middle ear.

Mr. and Mrs. Ernest Bartlett and Jimmy and Mrs. David Featherson of Lamesa visited over the weekend with Mrs. R.O. McCown.

Mr. and Mrs. S.G. Cowan attended the formal openings of the newly re-decorated South Plains Hospital and Ray's Nursing Home at Amherst Sunday. Mr. and Mrs. Duane Field and children visited recently

with his parents, Mr. and Mrs. H.E. Field of Havley.

Mr. and Mrs. Albert Cowan
are fishing at Falcon Dam this

Mr. and Mrs. Dock Bowman and children recently visited "Six Flags Over Texas".

vivors include the wife, ons, four brothers, a daugeight grandchildren, and reat-grandchildren,

eevil Spray ontract Let

USDA's Plant Pest Con-Division has announced letof the contract for the seyear's chemical spraying e High Plains Boll Weevil rol program at a price of per gallon, or about 26,7 per acre.

e contract was let on comve bids and went for the year in a row to Roane's Service of Jeanerette, iana. Roane's bid was cents per gailon below Aerial Service of mield. Texas, second low r. A third company seeke contract, Mueller Fly-Service of South Huron, igan, bid \$2,38 per gallon. low bid was declared ofand accepted by the U.S. rtment of Agriculture's m Administrative Divbusiness office in New Or-

Louisiana. rms of the contract call for ple applications of ultra olume, undiluted malathion tton in a control zone now ated at 250,000 acres. Agne acreage to be sprayed in the contract at one milplus or minus 25 percent, e Boll Weevil Control proa project of Plains Cotrowers. Inc. is an all-out to prevent the dread infrom spreading westward some two million acres igh Plains cotton located the Cap Rock. It is red by cotton producer and funds matched by money the Federal government, Plains producers in 1964 buted 50 cents per bale effort, but PCG's Area-Boll Weevil Committee reduced this figure to 40 per bale for 1965.

increased spray cost about 13 cents per acre to this year's 26.7 cents aid to be largely the reof improvements made in 1965 program, According H. Russell, District Plant Control Supervisor, Lub-Roane will be required to sh a minimum of 24 airhis year with 7 more tandby as compared to 12 raft specified in last year's ract. Accounting for this ease is the fact that the three sprayings this Fall be made at from 5 to 7 intervals instead of 10 to day intervals as in 1964. her requirements added to year's contract include onmechanics to assure conoperation of aircraft, sure gauges in booms to naterial being applied, and tional flagmen and loading

ment, All of these things." Russell L"contribute to higher costs the contractor, but at the most effective program," stomologists believe that ming 1965 sprayings about mys earlier and making more ment applications will break reproductive cycle of the vil. If so, the over all If so, the over all tiveness of the program be increased nine-fold, onald A. Johnson, Executive President of Plains Cot-Growers. Inc., has indicated 40 cents a bale from proers together with a carry-t from 1964 should provide mate funds even at the in-med cost of aerial applica-He commented that this is the due to the high per-lage of producers (over 97 ent last year) who contrito the program.
