MILK

Nature's Most Perfect Food
Direct From The Farm To You

Here Are THE FACTS ABOUT HOPPING'S MILK

1 How Rich Is Hopping's Milk?

Hopping's milk contains a much higher per cent of butterfat than the state requires. A cup of cream to the quart!

2 How Pure Is Hopping's Milk?

Hopping's milk is taken fresh daily from government inspected, tuberculin and blood-tested herds. Rigid sanitation regulations including a cellophane wrapped cap insure purity.

3 How Fresh Is Hopping's Milk?

Rapid schedules, combined with skilled help and scientific equipment all aid in quick delivery to you.

4 What Is The Source Of Hopping's Milk?

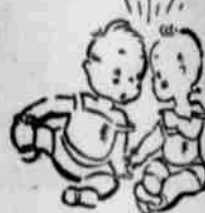

Hopping's milk is from carefully selected herds on a germ-free, rigidly inspected farm. This farm is a model of cleanliness and scientific dairy practices.

5 What About The Flavor Of Hopping's Milk?

Children or grownups won't object to the flavor of Hopping's milk! It will be appreciated by all members of the family. Whether served in the natural state, in cooking or special drinks!

HOPPING'S MILK

Certainly Agrees
With Me!

I'm not only gaining weight, but I am feeling more energetic and happy these days! I'm always ready to take my Hopping's Milk . . . because it stays down, and that is very important to my good health.

"Build-Up" Good News For Suffering Women

Much of women's periodic distress may be unnecessary!

Many who suffer from headaches, nervousness, cramp-like pain, other symptoms of functional dysmenorrhea due to malnutrition are helped by CARDUI.

Main way it helps relieve periodic distress is by increasing appetite and flow of gastric juice. Thus it often aids digestion; helps build strength, energy, resistance to periodic disturbances.

Others find help for periodic discomfort this way: Start a few days before and take CARDUI until "the time" has passed. Women have used CARDUI more than 50 years.

Jack Edward's Car Stolen And Burned Saturday Night

The 1940 V-8 Ford owned by Jack Edwards was stolen late Saturday night, March 30 and found stripped and burned in sandhills 16 miles north of Littlefield, east of highway 51, about 6 o'clock Sunday morning.

Mr. Edwards had driven the automobile in front of his home on West Second Street about midnight Saturday night. The car was found Sunday morning by a woman on the highway, who notified local officers. Several clues were followed, in attempts to locate the party who stole the car.

Mr. Edwards is wholesale distributor for the Panhandle Refining Company in Littlefield.

The car was brought to the Littlefield Fender and Body Company and was declared a total loss. All accessories were taken from the automobile. The car was covered by insurance.

**THE TRUTH
SIMPLY TOLD**
Today's popularity of Doan's Pills, after many years of world-wide use, surely must be accepted as evidence of satisfactory use. And favorable public opinion supports that of the able physicians who test the value of Doan's under exacting laboratory conditions. If more people were aware of how the kidneys must constantly remove waste that cannot stay in the blood without injury to health, there would be better understanding of why the whole body suffers when kidneys lag, and diuretic medication would be more often employed. Burning, scanty or too frequent urination sometimes warn of disturbed kidney function. You may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel weak, nervous, all played out. Use Doan's Pills. It is better to rely on a medicine that has won world-wide acclaim than on something less favorably known. Ask your neighbor!

HART CAMP NEWS

Monday, April 8, 1940

Rain here, accompanied by snow last week, pushed the thermometer down and raised farmers' hopes for a brand-new 1940 bumper crop. Muddy roads and filling lakes were plenty evidence of at least two inches of rainfall.

"POME?"

Said Mr. Rain to Mr. Dust,
As he came down to visit us,
"I'll settle you,
For a day or two!"

Someone's wife came home with a hat like a wreath or a halo or a crown.—It makes her look quite angelic.

Sunday school was held as usual at the First Baptist church last Sunday. The Reverend Curtis Jackson preached his regular First-Sunday sermon to an attentive crowd. Those who did not attend last Sunday are cordially invited to come to Sunday school this Sunday.

Last Saturday the people of this community voted on new members to fill the expired terms of the old ones. Those elected were: Mr. Pool, Mr. Harriston and Mr. Sullivan, while those who had served their terms were: Mr. Pool, Mrs. Nunast, and Mr. Mitchell. Mr. Pool was re-elected.

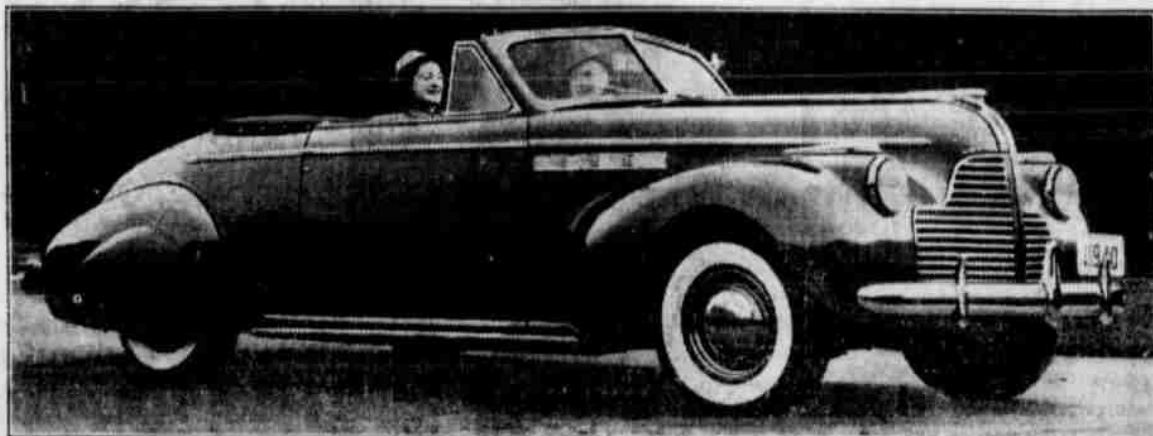

Measles is still the watch-cry by the silent sentinel at the bedside in many homes. Some pneumonia is also reported.

Mrs. C. B. Nutt underwent minor surgery last week. Jimmie Kinsey, 5 year old son of Mr. and Mrs. L. K. Kinsey of this community, had an appendectomy last week. He is convalescing nicely.

Floydada Man Opens Produce House Here

Ernest A. Russell of Floydada has been employed to purchase produce in Littlefield for the Plains Cooperative of Plainview. This concern has leased the corner building across from the post-office, and opened for business Monday. Mr. Russell will move his wife and two daughters, LaVerne and Wilma Lois, here when school is let out for the summer vacation months.

Buick Announces Four New Convertible Models

FOUR NEW convertible models on the Series 50 inch and 126-inch wheelbases, powered by 107 and 141 horsepower Buick valve-in-head, micropoised straight eight engines. Above is the Series 70 Roadmaster convertible coupe with special automatic top.

PLAINS BRIEFS

Hereford and Deaf Smith county, with its climate, water and market, has been declared the kind of country Idaho potato men had envisioned for years. Fred S. Barrett is planning to move from Wendall, Idaho, to Hereford next month and put in 90 acres of Irish potatoes there this year.

Deaf Smith and Oldham counties' plea that highway 51 be paved was answered with the promise to take the matter under consideration, by the State Highway Commission, when a representative group from these counties went to Austin recently.

"A flower and shrub" exchange was held at Slaton Tuesday. This is an annual activity of the Civic and Culture club, whose members are anxious for the people of Slaton to cooperate in this effort to make Slaton a more beautiful town.

A cold storage locker system is virtually assured for Muleshoe, and \$1,600 has been subscribed for the building of the project.

First unit of waterworks improvement in Muleshoe was finished last week, when two water wells were completed in the west part of the city.

Total number of license plates sold in Bailey county for 1940 is

1,258, issued through April 1. Records showed that 936 passenger car licenses had been issued, and 148 commercial trucks and 174 farm trucks.

Through the cooperation of Hockley county officials and the Santa Fe railroad, nine new grade crossings will be constructed in that county. This will relieve traffic hindrances especially around Snyder, near Anton, and west of Levelland.

Receipts of the Levelland post office showed a 35 per cent increase for the first quarter of 1940 over 1939. The receipts for January, February and March this year totaled \$4,222.37, while for the same period in 1939 the office received only \$3,118.58.

Formation of a Hale-Lubbock counties soil conservation district will be discussed at a meeting in Abernathy April 22. The farmers are to apply to the state board for an election, it has been reported.

The state land board meeting in Austin Tuesday, April 2, approved the sales of excess land to ranch and farm owners totaling 8,300 acres at prices ranging from \$2 to \$8 an acre. Three thousand acres of excess in a holding of the W. L. Ellwood farms in Lamb, Hockley, Lubbock and Hale counties was

awarded at prices varying from \$3 to \$8 an acre according to location.

Hale Center Lions club will sponsor a first annual amateur boxing tournament April 22-24. Merchandise and medal awards for first and second places totalling \$75 will be offered in 10 weight divisions. At least 60 bouts will be held, featuring approximately 75 young leather slingers. Entries from all South Plains towns are expected.

Seaborn P. Collins, for several years rural supervisor of Farm Security Administration at Lamesa for Dawson and Gaines counties, has been named project manager of Ropesville community project, succeeding Fred L. Nix, who was transferred to Littlefield as Lamb county rural supervisor. Mr. Nix succeeds Eul Liner, who was promoted to the farm management division of FSA in Amarillo. William Stubbs, formerly of Littlefield, who has been at Canyon, has been sent to Amarillo with the loan division.

Anton City Officials Re-elected Tuesday

Mayor E. L. Roach, and Henry Wright and George Goen, city commissioners of Anton, were re-elected to their respective offices in the city election Tuesday, April 2. T. L. Williams was candidate for mayor, and Coffman and Jack Alexander were candidates for commissioners.

Private Employment Calls 243 Youth From NYA Jobs In March

Nurse, soda-jerker, advertising writer, apprentice mechanic, stenographer—these were some of the jobs entered by Texas youth from the National Youth Administration Work Projects over the State during March, according to J. C. Kellam, State NYA administrator. During that period, Kellam stated, a total of 243 boys and girls left the NYA program for jobs in private employment.

Clerical work took the largest number of the youth placed, with sales work running a close second. Other types of jobs secured included errand, factory, labor, crafts, professional, and service work. Of

A Vote For

Marshall Formby

For
STATE SENATOR
(30th District)

Is a vote for the average farmer, laborer and business man.

Marshall Formby was born on a Hopkins County farm and moved to McAdoo in Dickens county when he was five years of age.

Marshall Formby is serving his fourth year as county judge of Dickens county and during his administration has put the county on a cash basis for the first time in 15 years and has given its citizens the lowest tax rate in 22 years.

Marshall Formby believes in more action and fewer empty promises in immediately solving the old age assistance and other social security problems and in raising the truck limit law to benefit the agricultural interests of West Texas.

A vote for Marshall Formby for State Senator is a vote toward the solution of Texas' problems.

Appropriations Made For Sanitary Work In Lamb County

Lamb County has been granted over \$12,000 to eliminate unsanitary devices in rural and suburban areas throughout the county where sewer systems are impractical, according to an announcement made Thursday from the Works Progress Administration office at San Antonio.

Funds from the WPA will amount to \$8,229; while funds supplied by the State Health Department and county amount to \$3,931. Twenty one workers will be employed on the project.

The Lamb County project was among the 34 that were authorized at an expenditure of \$704,800 in the Works Progress Administration for funds and \$594,966 will be supplied by local government agencies in counties where projects are authorized.

"Wiley And Gene" Is Outstanding Success At Whitharral High School

Wiley and Gene appeared Tuesday night April 2, at Whitharral, in high school gym. With the help of Shorty, they furnished an hour and fifteen minutes of hilarious entertainment.

Gate receipts were about fifty dollars, and there would have been a lot more except there was a lot of 10, 20 and 50c per family. There was a full house, which was appreciated.

The program was sponsored by the senior class and the proceeds help finance a trip after school.

Rites Held For Mrs. S. Davis Olton April 3

Funeral services were held at the Baptist Church Wednesday afternoon, April 3, for Mrs. May Davis, 68, who passed away Monday, April 1, at her home three miles south of Olton.

C. C. Griffiths, Olton Baptist pastor, officiated, and interment was in the Olton cemetery.

Mrs. Davis had been a resident of Lamb County for the past 20 years. She is survived by her husband, Samuel Davis, of Olton, and following sons and daughters: O. and Harry Davis, of Santa Fe, N. M.; Bryan Davis, of Antiar, N. M.; W. H. Dodson, Lubbock, Tex.; Lou Daugherty, Clovis, N. M.; Mrs. Frankie Daugherty and Nell Davis of Olton.

Texas Contributes Large Amounts To Finland's Aid

Texas contributed \$83,302.87 to Finnish relief aside from corporation contributions made direct to Herbert Hoover's committee by the home offices of many concerns having branches in this state. These figures were released by Capt. J. F. Lucey, Texas Director for the Finnish Relief Fund, this week from his office in Dallas. At the same time Capt. Lucey said the state headquarters and the state organization are being discontinued.

The Texas director was profuse in his compliments of the subscription campaign conducted by Texas newspapers. "If we had not had the marvelous cooperation of Texas newspapers," Captain Lucey said, "we could never have got the job done." He also paid his respects to workers at state headquarters and the local committeemen over the state.

While Texas donations were not the largest, nor did Texas lead the states in number of donations, Capt. Lucey said, yet it was one of the ranking states. Only New York, Illinois, California and one or two other states are credited with a greater total in contributions.

In a recent communication from Herbert Hoover, national director of the fund, a request was made that the newspapers continue to keep their columns open for subscriptions and the local committees con-

Milkman Always Prepared For Notes

Just a scribbled note and if you want an extra quart of milk tomorrow it will be there because one of the simplest operations in the household routine is turning the milk on or off at the doorstep.

Unexpected company arrives to spend the night. No need to stretch the cream, just leave a note. Husband decides without warning on a weekend jaunt, so there will be nobody home till Monday. Just leave a note for the milkman.

Because this is a part of the accepted service of American milk distribution, most people take it as a matter of course. Whatever the pencilled note, the distributor's route man deposits the specified bottles.

It would be a different story in other parts of the world, says the Milk Industry Foundation. Along comes a local holiday or festival and you flat know of it because the milk hasn't been de-

livered. Armed with a container you go foraging for milk. If lucky, you get a quart of doubtful sanitary history.

Otherwise, you take your coffee—and the remainder of the holiday—black, with more chicory than cheer. What do you do in this country? When it's time for breakfast, you are not disappointed. Why should a mere blizzard stop the milkman?

The more you think about it, the more you are inclined to accept the daily milk bottle on the doorstep as a symbol of civilized convenience impossible under antiquated methods in countries where dog carts, open cans and other laggard devices are employed.

Widespread daily U. S. milk consumption is probably due to dependability of doorstep distribution. Americans can't resist such efficient services, and who's to blame them?

tinue their organization. In this request Capt. Lucey concurs and is asking these agencies to keep their facilities open for further contributions.

"Finland needs help as badly as ever," Capt. Lucey said. "Rehabilitation must be carried on. Hundreds of thousands of the Finnish people must seek new homes in different localities because their former homes are now part of Russia. This means starting from scratch as their household effects were destroyed in the war. They are penniless and without equipment."

According to information from national headquarters in New York, the Hoover organization has been skeletonized to a few workers. The volunteer workers and Mr. Hoover are returning to private life and business, although Mr. Hoover will keep in touch with the New York office, it is said. Because of the new setup all donations should be mailed direct to the national offices in New York.

Texas fulfilled her pledge, Capt. Lucey said, in that every cent of the collected funds went 100 per-

cent to Finnish relief. Expenses of the campaign were taken care of by private donations made by friends of the cause, largely the membership of the committees.

"The people of Texas responded magnificently," said Capt. Lucey. "They stepped to the side of a stricken people who were fighting against overwhelming odds and gave liberally of their wealth and sympathy. I am proud of Texas and her people and am glad to be one of this great family. I cannot say more."

Certifies Wheat Parity Payments

Running nearly a month ahead of last year's schedule, the state AAA office already has certified the first wheat parity payments under the 1940 program.

First county to get applications into the state office was Fisher county, closely followed by Nolan. The applications were audited, certified and sent to the General Accounting office in Dallas from which point the checks will be mailed to the counties.

All wheat parity payments should be completed by June 1, B. F. Vance, assistant state administrator, predicted. In Texas approximately 50,000 checks, amounting to \$3,500,000, will be paid to wheat producers cooperating with the program. The payments are computed at the rate of 10 cents per bushel of the normal yield of a farm. Premiums on 1940 crop insurance contracts have been deducted from the payments.

Parity payments are made by the AAA, the official explained, to provide farmers with a return for their crop as nearly equal to parity price as possible and thus to place the farmer's income on a more equal footing with the incoming of non-farm people.

Pioneer Resident Of Earth Passes Away Tuesday, April 2

Funeral services were held last Wednesday afternoon, April 3, for Mrs. J. M. Barlow, 69, at the Earth Methodist church, by Rev. C. A. Holcomb, pastor, assisted by Rev. C. T. Jordan, pastor.

Interment was in the Earth cemetery.

Mrs. Barlow passed away Tuesday morning, April 2, at the family home in the Earth community, after a short illness. Mr. and Mrs. Barlow moved to the Earth territory in 1929.

Mr. and Mrs. Luther Roberts and family of Littlefield attended the funeral rites.

Hockley County Car Registration Shows Increase

A 14 per cent increase was shown over last year's record of vehicles registered in Hockley county this year. Two thousand and sixty automobiles were registered for 1940.

Commercial trucks showed an increase of 55 over last year with a new high of 215 for this year. Only 160 were registered last year. Farm license issued showed a slight decrease as only 170 registered as farm trucks, while 188 farm vehicles were licensed last year.

Spring Lake Band Presents Concert Tuesday, April 2

Members of the Spring Lake band, directed by M. Montgomery, were presented in an interesting concert at the Spring Lake gymnasium Tuesday night, April 2. The band made a very colorful appearance, dressed in their new uniforms.

The suits were of military style with West Point caps. Gold with green trim, the suits are spectacular, and give the members of the band an appearance of which to be proud.

At the concert, a one-act play, "A Luncheon For Six," was presented by the Spade school, winners of the county one-act play contest. A male quartet from Amherst sang several selections.

PARTNERS IN A GREAT TEXAS ENTERPRISE

TEXAS farmers and ranchers received last year from oil men the huge sum of \$132,478,000 for leases and royalties as their share in this partnership.

All but seven of Texas' 254 counties now share in this cash return from leases and production on more than 50,000,000 acres of Texas land.

Then, too, the Texas farmers and ranchers sell to oil workers and their families more than \$60,000,000 worth of farm and livestock products each year.

Thus the farmers and ranchers of our state receive nearly 200 million dollars a year as their share of oil's total expenditure of 750 million dollars annually in Texas. These 200 million dollars in turn flow into every channel of Texas trade.

The Texas farmer and rancher and the oil man are partners in the development of Texas.

Spring Lake School Taxes For Next Year Will Not Increase, Board Reports

Announcement was made recently by the Spring Lake school trustees that no increase would be made in the school tax collections in the district for the 1940-41 school year.

This statement was made, due to the present set-up in the state pertaining to granting of aid to schools

that can show need of it. So long as the State of Texas will grant aid for the purpose of equalizing the educational opportunities among the schools of the state, it will not be advisable to increase property valuations for school tax purposes. This year the Spring Lake school qualified for approximately \$4,200 in equalization aid.

Governor O'Daniel Out For Re-election

Governor W. Lee O'Daniel announced his candidacy for a second term in a radio broadcast Wednesday night, April 3.

He declared he was in the new gubernatorial battle to a finish, and called for the election of the legislature which would cooperate with him in meeting in full the state's social security obligations.

The financing of social security, namely, old age pensions, aid to the blind, aid to dependent children and teachers retirement, he asserted still constituted Texas' number one problem.

He advocated "any tax plan" would raise \$50,000,000 a year to carry out the social security program, improve Texas' educational system, wipe out in four years the deficit in the state's general revenue fund and eliminate "fire traps" at eleemosynary institutions.

Scouts To Go To Camp Post May 19

Camp Post, official camp site for the Boy Scouts of the South Plains Council, will beckon scouts and their leaders beginning May 19 to the first period of five weeks of summer camping to be staged there. Scouts may begin their savings by buying a stamps savings book for \$1 and adding to this by purchase of 10 cent stamps.

Spade School To Present Play

The Freshman play, which was scheduled to be presented at Spade school April 11, has been postponed and will be held Tuesday evening, April 16.

The play, which is entitled "A Ready Made Family," promises a very enjoyable evening to all who attend.

The play was postponed due to the fact that Wiley & Gene of Lubbock are to be at Hart Camp April 11.

Everyone is invited to Spade April 16.

Scouts To Enter Contest From 13 Towns On So. Plains

Twenty nine first aid patrols from 13 troops representing 13 towns participated in the annual South Plains Council Boy Scout first aid contest here last week. Troop 5, Lubbock, and Troop 23, Lamesa, scored first and second respectively. Other towns sending patrols were Slaton, Tulia, Plainview, Crosbyton, Sudan, Morton, Brownfield, Matador, Denver City, and Seagraves. Some fifty judges handled the meet.

Hi-Y Club Entertain At Banquet Friday Evening

Members of the Hi-Y club, girls organization at the Littlefield High school, and their escorts enjoyed a banquet at the school cafeteria Friday night.

Miss Velma Lee Lowe, president, presided. Miss Viralyn Patrick sang three numbers, accompanied by Bobbie Taylor, who played the Bell Lyre. Supt. F. A. Hemphill gave an address, "What Next," Miss Lowe introduced everyone who attended with a clever poem.

The banquet table was attractively decorated in blue and white, the Hi-Y colors, and blue and white kites were placecards. Yellow flowers centered the table.

After the program and meal, the group enjoyed the Virginia Reel.

Those attending were Misses Bettye Alice Thaxton, Velma Lee Lowe, Evelyn Griffin, Dora Jo Covinton, Gayle Elter, Zoya Stevens, Norvell Aiken, Lucy Shore, Jervis Nettle, and Laverna Thurman, and Mr. and Mrs. F. A. Hemphill, Melvin Thornton, Curtis Anderson, Byron Lindley, Franklin Patrick, Billie Holder, James Stokes and Wayne Arnold, and Miss Thelma Killough, sponsor.

Mrs. Roy Shahan Entertains In Honor Of Ray Jean

Mrs. Roy Shahan entertained with a party at the Baptist parsonage from 9 to 11 o'clock Wednesday night, April 3, honoring her daughter, Roy Jean, on her 15th birthday.

The honoree was the recipient of many lovely gifts. After various games were played and gifts were presented and unwrapped, the following guests left for their respective homes:

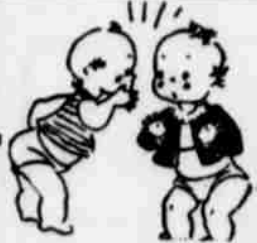

Billie Pruett, Helen Heathman, Kitty Jo Carrell, Ty Juana Fraley, Janith Hewitt, Viralyn Patrick, Bettye Walters, Patsy Batton, Betty Jordan, Joyce Beisel, Linda Beth Stokes, Jo Ann Shook.

Velma Rhodes And Johnnie Dirickson Wed Sunday Afternoon

In a ceremony read by M. W. Brewer, justice of the peace, Sunday afternoon, March 31, at his office, Miss Velma Rhodes and Johnnie Dirickson were united in marriage.

The bride has been employed as waitress in a cafe in Littlefield for the past several years, and for the past month had been working at Odessa's.

The groom, a son of Mr. and Mrs. C. H. Dirickson, is employed by the Magnolia Petroleum company. They are making their home in Littlefield.

Local People To Attend Salvation Army Meet In Dallas

Capt. Eula Trimmel, Lt. Vera Evans, and Misses Irene Weschke, Edith Jackson, Edna Weschke, Dorothy and Bessie Lee Jackson will attend the annual state Young Peoples' Council for the Salvation Army, which convenes in Dallas, April 12, 13, and 14.

Commissioner William C. Arnold of Atlanta, Ga. will attend the meeting.

Littlefield H. D. Club Meets At Roberts Home

The Littlefield Home Demonstration club met in the home of Mrs. W. H. Roberts Thursday, April 4.

Mrs. Ruth Perry gave a very interesting demonstration. She used the "Basic Sweet Dough" to make various different shaped rolls, rings and cakes.

"Basic Sweet Dough"
2 Cakes compressed yeast.
2 1/2 Cups milk scalded and cooled.
1/2 to 1 cup butter or fat.
2 T salt.
3/4 to 1 cup sugar.
2 to 4 eggs.
1 lemon rind and juice.
1/2 T nutmeg or cinnamon.
About 8 cups flour.
1 1/2 cups nuts, raisins, or candied orange if desired.

Scald milk and cool. Cream together, butter, salt, and sugar. Add beaten eggs, lemon, spice, milk and yeast. Add flour and beat. Knead until smooth. Cover and let rise to double in bulk. When double in bulk, shape at once.

CINNAMON ROLLS: Roll dough gently into rectangle 1-4 in thick. Brush with butter and sprinkle with sugar and cinnamon. Roll as for jelly roll. Cut into 1-inch slices.

SWEDISH TEA RING: Prepare as for cinnamon rolls. Sprinkle with cinnamon and sugar mixture, chopped nuts and raisins. Curve long roll into ring, joining ends. Place in greased pan. Cut gashes 2 inches apart almost through the dough. Turn slices partly on side to form star. Let rise until doubled. Bake in moderate oven for about 30 minutes. Frost with white frosting. This was the most delicious recipe demonstrated.

Refreshments were served to the following other members: Mesdames Bolton, Bagwell, Wright, Glover, Byers, Brewer, Dow, Brown, Masengill, Birkbeck, Dorman, Walton, and Cherry. Visitors present were Mesdames Guthrie, Sedgwick, Hannusch, Speed, Allen, Boriack, and Evans. There were eight children present.

The next meeting will be with Mrs. Roy Byers Thursday, April 18.

Anton School Head And Miss St. Clair Wed Saturday, March 30

Paul H. Nixon, superintendent of the Anton school, and Miss Frances St. Clair of San Marcos were united in marriage Saturday afternoon, March 30, at the home of Mr. Nixon's uncle, J. L. Nixon, near Mason.

Mrs. Nixon is a daughter of Mr. and Mrs. Frank St. Clair of Seymour, and a sister to Leighton St. Clair, teacher in the Anton school.

The couple plans to remain in Anton for the summer.

Sewing Club Meets With Mrs. D. Bull Tuesday Afternoon

Mrs. Duane Bull was hostess to the Tuesday Sewing club Tuesday afternoon, April 2, at her home on East Seventh street. The group of women meet every Tuesday and embroidery and have a social hour.

Mrs. Bull served refreshments to Mesdames Jack Edwards, Archie Dale, Morris Pierce, Frazier Tussy, Dodd Weatherly, and Bill Erwin.

The club met last Tuesday at the home of Mrs. L. V. Pierce.

Bridge Luncheon Given By Mrs. Wm. Rumback Thursday

One of the most enjoyable events of the Spring season was the bridge luncheon given by Mrs. William Rumback Thursday, when members of her luncheon club were guests of the occasion.

Flowers and vases of beautiful Snapdragons and Sweetpeas made more inviting the Rumback apartment in the Rumback hotel.

Following the luncheon three tables of bridge were enjoyed. Mrs. Earl Hopping scoring high for club members; Mrs. Sid Hopping high for guests; Mrs. Oscar Wilemon receiving the travelling prize, and Mrs. Payne Wood the bingo prize.

Guests of the occasion were: Mesdames Mancel Hall, Dennis Jones, Earl Hopping, Payne Wood, Jack Henry, Oscar Wilemon, Bill Pass, Max Wood, and Arnold Patten, and Sid Hopping, all of Littlefield; and Mrs. R. D. McDonald and Mrs. L. T. Roberts of Levelland.

Mrs. Ivan Fowler Entertains Club At Bridge-Luncheon

Complimenting members of the Thursday Luncheon club, Mrs. Ivan Fowler entertained Thursday at her home in the west part of town.

Following luncheon, bridge was enjoyed during the balance of the afternoon.

Scoring high in the games were: Mrs. M. M. Brittain and Mrs. Quinton Bellomy.

The guest list included: Mesdames C. E. Payne, I. T. Shotwell, Sr., I. T. Shotwell, Jr., M. M. Brittain, L. C. Hewitt, Quinton Bellomy, Bob Lewis, L. L. Collins, Bill Chesler, A. R. Hendricks, T. Wade Potter, and Ed. Fowler.

Methodist Society Meets In Arnold Home Monday Afternoon

The Methodist Missionary Society met Monday afternoon at the home of Mrs. H. C. Arnold, with Mrs. Orien Dennis, as hostess.

An interesting World Outlook Program, "The World For Christ," was led by Mrs. R. E. Williams.

The opening song was "Savior Like a Shepherd Leads Us."

Mediation, "A Goodly Heritage," was given by Mrs. E. Arnn.

Reports from the Missionary Conference, which was held in Plainview March 27, 28 and 29, were given by Mrs. Orien Dennis, who discussed "Christian Social Relations," and told of Miss Stanford, who has been a missionary to China for the past 20 years.

Mrs. A. G. Hemphill and Mrs. Y. Onstott gave interesting reports.

Following the program, a business meeting was held.

The home of Mrs. Arnold was attractively decorated with spring flowers. Refreshments were served to the following.

Mesdames A. G. Hemphill, Paul Pharris, Fred Wright, Orien Dennis, W. P. Kirk, J. W. Giddens, R. E. Williams, Orien Dennis, J. H. Sharp, J. H. Lippard, E. Arnn, Y. Onstott, D. G. Hobbs, and Velma Cannon, and Miss Camille Arnold.

Ms. Fred Lichte Hostess To H. D. Club Friday Afternoon

The Oklahoma Avenue Home Demonstration club met Friday afternoon in the home of Mrs. Fred Lichte.

Mrs. Ruth Perry, home demonstration agent, discussed refrigeration, and she told the group to never cover ice in a refrigerator with paper or a blanket as the temperature will go up, causing the food to spoil.

Those attending this meeting were Mesdames: C. W. Smiley, Gibson, Dubose, Solesbee, Davis, Fox, Cox, Griffin, Yeasel, Langford, Mills, Collins, Banks and Lichte.

The next meeting will be Friday, April 12, at the home of Mrs. Ruth Prandt.

Local Teachers Attend Educational Conference

All teachers from the Littlefield schools attended the special educational program at the high school auditorium, Lubbock, last Wednesday afternoon, April 3.

Morgan Layfield, director of music in the local school, and 14 local students demonstrated the place of public school, music, as a part of the program.

Dr. L. A. Woods, state superintendent of public instruction, was the principal speaker on the program.

Approximately 900 teachers, trustees and patrons attended the district affair.

Miss Cook's Class Visits Lumber Co.

Miss Cook, teacher of third grade, primary department, accompanied her pupils to the Cicero-Smith Lumber company one day last

week, on an educational tour, in order that they might see and learn about lumber and building materials in connection with their studies at the local school.

FASHION for today BY PATRICIA DOW

KNAPSACK POCKETS

Here's an exceptionally good design (8667) for the casual sports frock that you wear anywhere and everywhere, except for parties, during spring and summer months. Made with action back, front buttoning and convertible collar, it is crisp tailored, well-fitting and youthful.

A high point of chic is the addition of big knapsack pockets, splashed on at the hips with flaps pulled over the belt—a detail that stamps it definitely spring, 1940. Make this stunning dress for immediate wear, in high shade flannel or spun rayon, tailored print or flat crepe. Later on it will be perfect in sharkskin, linen or pique.

Pattern No. 8667 is designed for sizes 12, 14, 16, 18 and 20; 40, 42 and 44.

Pattern 8672—This softly detailed, simple dress (8672) will form the backlog of any smart wardrobe, and because you depend upon it more than upon any single fashion, it has to be just right. The shirred bodice creates the high bustline that women's figures require, the skirt is slim-hipped and gracefully full at the hem.

Like so many of the newest fashions, this dress centres interest at the waistline, being fitted in at the front, with corsette effect, and trimmed with a novel velvet belt. You can, of course, wear a plain belt if you prefer, and trim the V-neckline with frills. Flat crepe, sheer and silk prints are best for this type.

Pattern No. 8672 is designed for sizes 34, 36, 38, 40, 42, 44, 46 and 48.

Christmas Observed Too Early, Says Mrs. W. V. Swart

Mrs. W. V. Swart of nine miles southwest of town thinks Christmas was celebrated far too early, and gives as her reason that her Christmas cactus has just started to bloom. She says every other year this house plant has bloomed between Christmas and New Year's.

This plant has been Mrs. Swart's pride and joy since 1929. When it was three years old it began to bloom, and has bloomed continually each Christmas until 1939. She says

it will start blooming at Christmas and continue to bloom until about April. This year it has turned the tables, by just at this time starting out in its beautiful orchid blooms.

sults will be tabulated according to
classifications. In short, the Class
AA schools are holding their own
vote, as are the Class A's, Class B's
and Class C's.
It is understood that the tabula-
tion will be official and final for
each classification. Thus, it is not
only possible but almost certain that
the Class AA league will play un-
der one age limit and the Class B's
under another.
The ballot contains two questions.
One is on the proposed new limit
of 18 years and no semester regu-

Littlefield Baseball Club To Hold First Meeting Of Season Wednesday Night

Spade Athletic Association To Hold Boxing Tournament

The Spade Athletic club will hold
its 1940 Invitation Boxing tourna-
ment in the Spade High school gym-
nasium, two big nights, April 23
and 24. The matches will start
promptly at 8 o'clock on each night.
Contests will be conducted in two
divisions, schoolboy and Independ-
ent, and all weights will be repre-
sented in both divisions. Competent
officials will be in charge through-
out the tournament.

The Littlefield Baseball club will
hold their first meeting of the 1940
season Wednesday night in the of-
fices of the Southland Warehouse
and Storage Company, Manager
Durwood Howell has announced.
The time will be 8 o'clock.

All members of last year's team
and ones who would like to try
out for the team this year are urged
to attend this meeting, because there
is some very important business to
discuss. The meeting will not take
very long so as not to conflict with
any other important business of the
players.

The response from the various
schools and communities has already
shown that there will be plenty of
good hard fights between plenty of
rough-tough nose bruisers on these
two nights.
The tournament will be held un-
der the Golden Glove rules and regu-
lations, and gold trophies will be
awarded to all winners in each divi-
sion. Appropriate awards will be
made to losers in all final matches.

and a four-year participation rule
starting in the eighth grade for 11-
grade schools and in the ninth for
12-grade schools.

The Spade Athletic Association
will hold an invitation boxing tourna-
ment at the Spade gymnasium on
the nights of April 23 and 24. There
will be two divisions of the con-
tests. One for school boys and the
other for independent boxers from
the various communities. Prizes will
be awarded to winners of both divi-
sions.

The Littlefield Baseball Team
will hold their first meeting of the
season at the office of Manager
Durwood Howell in the Southland
Warehouse and Storage company.
All last year players and ones
wanting to try out for this season's
club are urged to attend this meet-
ing, because there is some very im-
portant business to discuss. The
time will be 8 o'clock sharp.

Improvements Are Underway At Home Of Mr., Mrs. Garland

Considerable improvements are
underway at the home of Mr. and
Mrs. B. D. Garland at the corner
of East Fifth Street and South
Twitchell Avenue.

The porch at the front of the res-
idence has been enclosed in order
to enlarge the living room. A new
front door takes the place of the o-
riginal door, and the residence is
being redecorated and repapered
throughout.

George Neely is the contractor in
charge of the work.

A new porch will also be erect-
ed at the front of the home.

Livestock Prices Advance At Edwards Weekly Auction Sales

Prices of livestock advanced at
the weekly auction at the C. M. Ed-
wards barns Monday, and Mr. Ed-
wards attributed this to the rain.
Muddy roads caused the number of
livestock to be less than usual but
buyers from all parts of the state
paid good prices for cattle and hor-
ses.

Mr. Edwards said that he expect-
ed prices of livestock to continue
to advance, and he promises the
very best sale price to be paid at
all times at his auction sale.

Homer Wright Truck Overturns West Of Town

A truck loaded with lumber, and
driven by Homer Wright, overturn-
ed just west of town, opposite
Vaught's Dairy, about 7:30 Sunday
night.

The truck was slightly dama-
ged. The lumber remained in the
truck through the mishap.

Mr. Wright was coming to Little-
field from Amherst when the truck
hit some soft dirt and eased over.

Piggly-Wiggly Here Observes Anniversary

Preparations are underway by the Piggly-Wiggly Grocery & Market to observe in a big way their first anniversary under the present ownership of W. E. Humphries and J. M. Davis.

The local Piggly-Wiggly Grocery & Market was established in Littlefield eight and a half years ago by J. O. Garlington, with Olen Stewart as a partner. Mr. Garlington later purchased the interest of Mr. Stewart, and a year ago sold to the present owners.

Upon the Davis & Humphries taking possession, Gene Yeager was made manager, with Paul Hyde as assistant, which position Mr. Yeager still holds. Mr. Hyde left the Piggly-Wiggly recently to accept a position in Kerrville, and Vernon Roberts was made assistant to Mr. Yeager.

Besides the manager and his assistant, the present personnel consists of: Nick Toews, general clerk and deliveryman; and A. J. (Toots) Williams, general clerk, who joined the organization on the resignation of Mr. Hyde.

Upon the new owners taking over possession of the Piggly-Wiggly Grocery & Market, many improvements were carried out, including the enlargement of the stock and re-arrangement of the store to make it more convenient for its patrons.

As a special feature of the store's first anniversary program, Wiley & Gene, entertainers who sponsor the Piggly-Wiggly and Everlite radio programs over KFYO, will entertain at the Piggly-Wiggly store here Saturday afternoon from 2:30 to 3:30 o'clock. Wiley & Gene on the air sponsor the Piggly-Wiggly program at 9:30 o'clock Monday mornings, through Friday,

and sponsor the Everlite program at 12:30 noon daily, except Sundays.

Another special feature of the program this week end will be the serving of Admiration coffee and cookies made by the Brown Cracker & Candy Co. through Friday and Saturday. Admiration coffee is a product of Duncan Coffee Co. of Houston.

In observance of its anniversary the Piggly-Wiggly Grocery & Market are staging an anniversary sale of foods, which is being advertised in a page advertisement in this week's issue of the Leader. Housewives are expected to come from great distances to partake of these special offerings.

The Piggly-Wiggly Market was established by Ellis Foust, who is now owner, with his son, E. J. Foust, Jr., in charge.

Mr. Yeager reports a large increase in business during the past year, for which, on behalf of the entire organization, he extends thanks and appreciation to the public who have patronized the store, and favored them with such a large volume of business.

The appreciation by the Piggly-Wiggly for their large volume of business, Mr. Yeager said, will be shown in the future, as in the past, by larger selections of staple groceries, fruits, vegetables and meats, and lowest possible prices.

Besides the regular employees, it is necessary on the week end, according to Mr. Yeager, to employ 10 to 12 extra clerks to take care of the week end business.

Is Owner Of Piggly-Wiggly Market

Ellis Foust, who established the Piggly-Wiggly Market eight and a half years ago, has been in the meat market business in Littlefield 13 years. Previous to his connection with the Piggly-Wiggly, he operated a market in the M. & M. Store for several years. He has also been a stock farmer feeding

"Wiley And Gene" At Piggly-Wiggly Saturday

Wiley Walker and Gene Sullivan, known as the "Joe Davis" and "Bill Humphries" of "Old Possum Hollow," popular program heard each day at 9:30 a. m. over KFYO, Lubbock, will make a personal appearance in the Piggly Wiggly Store, Saturday, April 13, at 2:30 p. m.

Besides their morning broadcast, the two featured hill billy entertainers are heard daily on the "Everlite Program" at 12:30 p. m.

Before coming to KFYO, Wiley and Gene were featured on the Texas State Network.

Is Manager Of Piggly-Wiggly

GENE YEAGER

Gene Yeager, who has been a resident of Littlefield for the past 15 years, and employed by the Piggly-Wiggly store for three years previous to the purchase of same by Davis & Humphries, was made manager on the change of ownership.

Under Mr. Yeager's direction the establishment has prospered, the business showing considerable increase in business.

The owners have spoken in very complimentary terms of Mr. Yeager and his personnel, who they feel have conducted themselves and served the public in a commendable manner the past year.

conjunction with operating meat markets, enables him to offer in his market the very choicest of meats at a reasonable price at all times.

Is Assistant Manager Of Piggly-Wiggly

VERNON ROBERTS

Mr. Roberts has been employed by the Piggly-Wiggly organization for the past five years, as general clerk and stock keeper. He has been a resident of Littlefield for the past nine years.

On the resignation of Paul Hyde, who recently accepted a position in Kerrville, Texas, Mr. Roberts was made assistant manager.

A. J. Williams Now Employed At Piggly-Wiggly

A. J. "Toots" Williams, son of Mr. and Mrs. M. M. Williams of Whitharral, has recently become connected with the Piggly-Wiggly organization in the capacity of general clerk.

Mr. Williams is a graduate of the 1939 class of Whitharral High school, and has been a resident of this section for the past four years.

ROCKY FORD NEWS

Singing convention of Lamb County met here Sunday. For various reasons many of our singers were unable to attend, but a good number was present and a profitable time was had. Rocky Ford will be the next meeting which will be held first Monday in May. Mr. Cotton and mother of the week were Mrs. Pauline Edwards and Joe Nix, returning Sunday evening with them Mrs. Pauline who spent last week among relatives here. Mr. and Mrs. Whit were seeing relatives and here Sunday. Mr. and Mrs. Lester Burl were first of the week among friends and relatives. Everybody is in high spirits over

the fine rain the good Lord gave us last week.

Bro. Moore filled his regular appointment at the Baptist church Sunday.

Newt Dunn of Dimmit spent several days with home folks here last week, returning Monday.

E. T. Bussanmas returned Friday from East Texas where he spent several days with relatives.

We are glad to report little Balford Ray Rochelle much improved from his recent illness.

Clifford Rogers has his new irrigation in operation now. He says the installment of such a well is expensive, but also a crop failure is expensive. We all know the deciding factor here in crop production is in the rainfall, barring a disaster a good well, well managed, assures a bountiful harvest.

Winners In Quilt Show To Be Named This Afternoon

Winners in the Quilt Show at Ware's Department Store will be announced this afternoon, Thursday, when members of the Home Demonstration clubs of the county will be guests at the show.

The quilts were judged by Misses Winolee Sharp and Anetta May, students in the homemaking department at Texas Tech, who declared that the quilts were outstanding this year. Thirty quilts were entered.

Many people have viewed the beautiful quilts this week. Unusual patterns are on display, and three quilts were entered for the oldest quilts. The oldest, an ellusion pattern, is more than 70 years old, and the materials used were handmade.

CARD OF THANKS

Words cannot express my appreciation to my neighbors and friends who so kindly assisted me in the securing of treatment for my eyes, and helped me in many ways, in an effort to regain the use of my eyes, after I had been stricken suddenly with an eye infection which blinded me temporarily.

I thank those who assisted me in going to Oklahoma City for examination, and also Dr. C. E. Payne, who is now treating me.

I am happy to say my eyes are much better.

May God bless each and every one of you.

Curtiss Candy Co. Establishes Branch House In Littlefield

The Curtiss Candy Company of Chicago are establishing a branch house here, with T. G. Shaw, Jr., as factory representative in charge. Mr. Shaw needs no introduction to the business houses of this city, as this young man has been identified with the candy business for the past several years, and serviced the local concerns for some time. He has a large number of friends in Littlefield and surrounding ter-

ritory. Mr. Shaw states that their reason for putting in a branch office was to assure their customers of fresher candy. He spent last week in Chicago taking instruction at the company's factory. He left Chicago Thursday and drove a panel truck through to Lubbock arriving on the Plains Sunday afternoon.

The City And The Country—

We are watching with interest the blending of the city and the country. Just a few short years ago the city was very definitely the city and the rural areas were distinctly the rural areas.

Today there is virtually no difference, with the exception that country residents have a little the best of the bargain in that they enjoy the privilege of the wide open spaces and the air they breathe is a little purer.

The blending of the city and the country has been accompanied by a closer unity between the cities of Lamb County. There was a time when Lamb County was definitely sectionalized; today, more than ever before, Lamb County is one composite unit.

As we look back over the years we can recall that many of us feared that Littlefield would be ruined when paving of Highway 7 between Lubbock and Littlefield was started.

Today hard surfaced roads are being encouraged by Littlefield and every other city in Lamb County. In this movement they have the hearty cooperation of all rural sections.

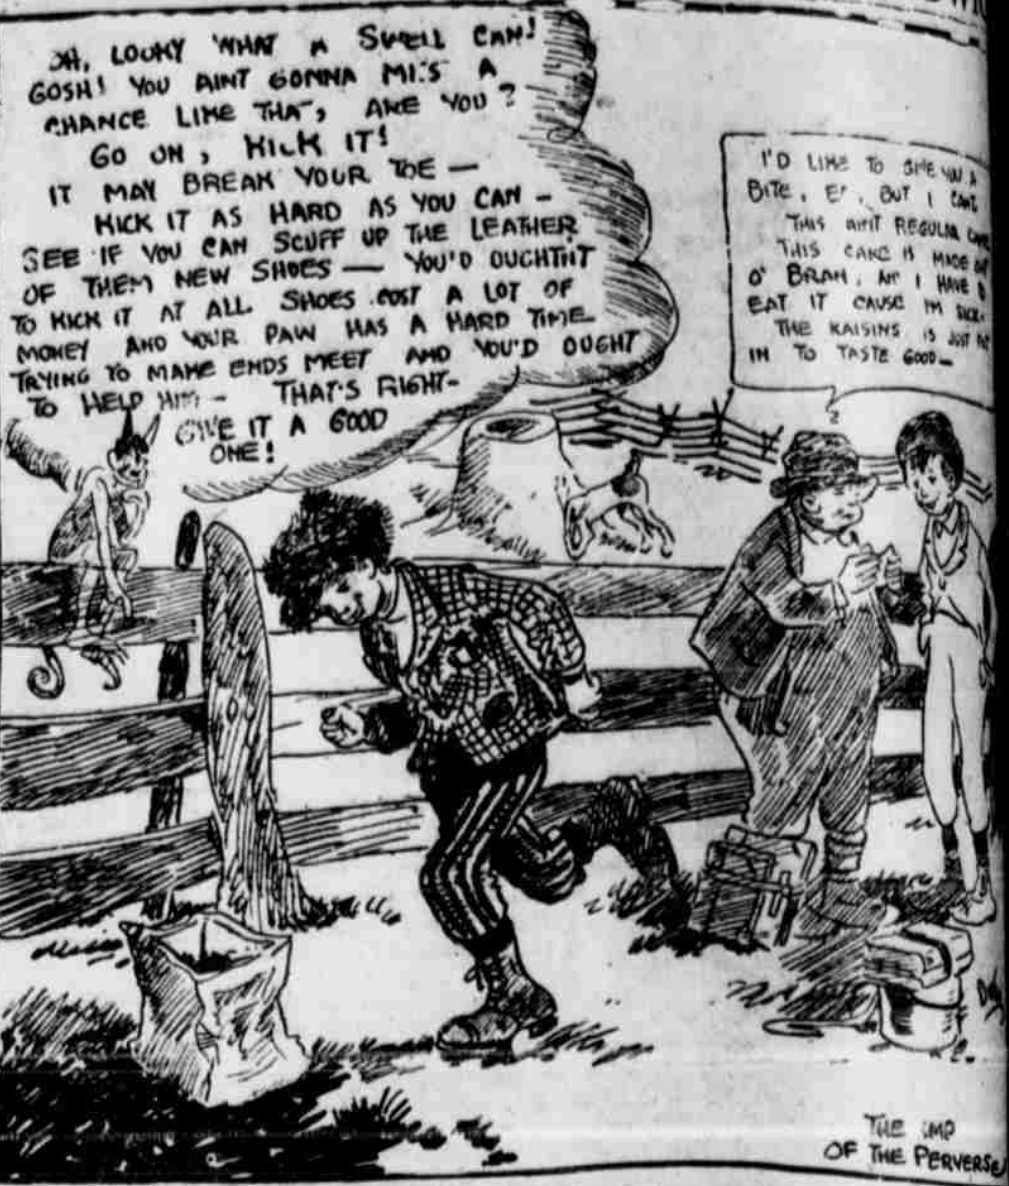

The rural sections of Lamb County today enjoy home facilities on a par with the cities. There is very little difference between city and country life with the exception that the nature of employment is different.

There have been four outstanding contributions to the blending of the city and the country: good roads, the automobile, rural electrification and Butane gas.

Some day, perhaps, Lamb County folks will be floating around visiting their neighbors by airplane.

Monday—"Every man's life is a fairy tale, written by the fingers of God."... My life today hasn't been any fairy story. But, little diary, do you remember years ago, how I would write to you each night, a prayer that some day I might do the very things that I am doing?

Tuesday—lots of talk in town about the building of a new auditorium on community center. Now that the contract is to be let for the construction of the new federal building in Littlefield, mural decorations for the lobby will be next in order.

Wednesday—I always wonder how newspaper people ever get through Wednesdays. A trip to Amherst this morning, with the windows down on the car, helped to clear the cob-

webs from my mental riggings. I left the office tonight as the press started rolling off the second edition for the beginning of the eighteenth year. With this edition, another milestone is started for the South Plains Greatest Weekly.

Last Rites Held For Mrs. Nancy Elizabeth Cavin

Last rites were held at the Ninth Street Church of Christ, Littlefield, Tuesday afternoon, April 2, for Mrs. Nancy Elizabeth Cavin, 81, who passed away at the home of her daughter, Mrs. Cora Clements, at Lubbock early Sunday morning, March 31.

Mrs. Cavin had been ill two months. Bro. Jack McCormick conducted the funeral services, assisted by Bro. Hayhurst.

Interment took place in the local cemetery beside the remains of her husband, who passed away in 1928.

Mr. and Mrs. Cavin made their

home four miles south of Littlefield for eleven years, and until when he died.

Surviving the deceased are two daughters, Mrs. Clements of Lubbock, Mrs. Rhoda McAda of Lubbock, N. M., Mrs. Nannie Smith of Chickasha, Okla.; and four sons, Jess. C. of Wichita Falls, Geo. of Tulare, Calif., Rev. E. H. Whittier, Calif., and L. G. of Chickasha, Okla.

Thursday—up at five o'clock to mail this week's papers. Always enjoy the stillness and solemnitude of the early morning, tripping to town with an occasional glance at the stars and the moon setting in the west, while most people are still sleeping. To the Methodist church at noon to help the women serve Rotary club, for a delectable meal and realizing how much fun it is to sit and listen to these good women discuss politics, latest fashions, what their children are doing in school, their husbands, and—believe it or not, little diary—no gossip!

The person who suggested that didn't even live in West Texas, where the wind whistles tunes through the walls of our houses, and who could sleep in a bedroom made of license plates, as the wind brought out all the funny noises, conversations, and songs, from owners of the automobiles where those license plates had been for a whole year!

The greatest injustice on the face of the earth today is runs in stockings. Just elect me district clerk of Madison County and I'll do something about it!"

Candidates in Lamb County had better adopt a similar platform, if they want my support!

1940 WATERMELON PLANTING CHANGES ANNOUNCED BY AAA

Therefore it has been allowable for the AAA regulations to plant rows of watermelons and skip the intervening space designated as soil conserving rows. According to recent AAA regulations, it will not be permissible

for 1940, C. L. Baker, Secretary of the Lamb County ACA, announced today. The regulations state that all of the land would be classified as soil depleting as watermelons are normally planted in rows twelve to sixteen feet in width.

Transferred Amarillo

Euel Limer, above, who for past two years has been farm advisor for the Farm Security Administration in Lamb County, has been transferred to Amarillo. He will be assistant in the management division in the local FSA office. Mr. and Mrs. Limer and daughter Kay left Tuesday for Amarillo. Fred L. Nix, who has been manager of the project, has been appointed supervisor for this county.

Cooperative Food Lockers Financed

Recent announcements that the State Bank for Cooperatives exist to assist local communities in financing at least fifty cooperative food locker plants during 1940 indicate the tremendous popularity of this movement in Texas.

Before 1939, there were only two food locker storage plants in Texas equipped to give complete service in the handling of meat, according to C. E. Bowles, cooperative marketing specialist for the A. M. College Extension Service, by September at least 16 plants are actually in operation over the state. In addition, recent surveys have revealed that there were 51 plants operating or under construction in Texas prior to the first of the year.

Small plants of less than 200 lockers usually have financial difficulties unless operated in connection with a going business, such as a cooperative gin, creamery, poultry operation or similar concerns. Then the overhead can be borne by the older business. As a separate business unit, 250 to 300 lockers is to be the minimum which should be undertaken.

W. Brewer Enters Race For Co. Judge

W. (Mike) Brewer this week announced that he would be a candidate for county judge in Lamb County, subject to election in the primary election in July.

Mr. Brewer has been Justice of the Peace in Precinct 4 for the past 4 years, and has been living in Littlefield for the past 12 years. He will announce his formal announcement in the near future.

Announcing his candidacy for county judge, Mr. Brewer stated that he felt that his experience as Justice of the Peace made him familiar with the affairs of the county, and that he would like to serve the people as county judge.

He does not intend to make flowery promises to the people of this county, and there will be only three items in my platform, the outstanding "planks" will be economy and service," Mr. Brewer

Orr And Lehman Are Re-elected

The Littlefield school election was held Saturday at the City Hall when 79 votes were cast. Out for re-election were Dr. Wm. N. Orr and Frank Lehman. There were 67 votes cast in favor of Dr. Orr, and 73 in favor of Frank Lehman, who were each elected for a term of three years. Sixteen voters wrote in the name of L. L. Massengill on the ballots.

At a recent meeting of the school board for the Littlefield Independent school district, J. W. James was elected to fill the unexpired term of one year of E. C. Cundiff, who resigned recently.

Extension Officers To Discuss And Work Out Cotton Mattress Plan

V. F. Jones, County Agent, is calling a county wide meeting of representatives of the various agricultural groups of Lamb County to meet in the basement of the Methodist church, Amherst, Thursday, April 11, at 10 a. m.

Mr. Edwards and Miss Cooper, District Extension Service agents will be present.

At this meeting officials will discuss, and plans will be worked out whereby Lamb County may participate in the cotton mattress making program, which is underway in Texas.

This program is sponsored by the Extension Service in cooperation with the Federal Surplus Commodities Corporation, the AAA, and other agencies and organizations.

Open House At CCC Camp Attended By 300 People Sunday

Approximately 300 people of this area attended Open House at the CCC Camp Sunday, when the seventh anniversary of the establishment of the Civilian Conservation Corps was observed.

Many persons enjoyed the band concert at 3:00 Sunday afternoon given by the Littlefield band, under the direction of Morgan Layfield. Rev. Donald Harris, Presbyterian pastor, and W. J. Chesher made appropriate talks.

Parents of the enrollees were special guests at the camp that day. "We wish to take this opportunity to thank Mr. Layfield and the members of the high school band for their splendid performance, and we do appreciate their consenting to give the concert at the camp Sunday afternoon," Lieutenant H. J. McDonald, officer in command, and L. B. Williams, educational adviser said.

Everett Renfro Dies Wednesday

Everett Frances Renfro, 13 year old son of Mr. and Mrs. Jessie Renfro, passed away at 12 o'clock Wednesday at a local hospital, following an illness of about a week, caused from an infection in his right leg.

Funeral services will be held this afternoon, Thursday, at 3 o'clock at the First Baptist church, by Rev. Roy Shahan, pastor, who will be assisted by Rev. Albert Allison, Nazarene minister from Lubbock. Interment will be in the Littlefield cemetery, under the direction of Hammons Funeral Home.

The youth was in the seventh grade in the local school, and would have graduated with the grammar school class this year. Members of his class will probably attend his funeral services in a body.

He was born June 1, 1926, at McKinney, Texas, and moved with his family to Littlefield in August, 1931. He was a member of the Baptist church and was active in BYPU and R. A. work in the church.

Besides his parents, he is survived by two brothers, Hoyt and Curtis Renfro, his grandfather, J. H. Hood of McKinney and a grandmother, Mrs. Mae Renfro of Littlefield, and several aunts and uncles. Those living in Littlefield are Mrs. Brantley Welborn and Mrs. R. L. Patterson, and Norman, Raymond, Alton and Ross Renfro.

Marvin Jones Is Selected Judge

President Roosevelt Tuesday nominated Representative Marvin Jones of Texas to the United States Court of Claims.

The chairman of the House Agriculture Committee was appointed to fill the vacancy created by the death of Judge Thomas S. Williams last week.

Littlefield And South Plains Get Needed Moisture

One And Fifty-seven One Hundredths Inches Fall In This Section

Winter emerged from temporary retirement on the northern and western fringes of the South Plains Friday as rains and snow threw a protective and welcome blanket over many portions of this area.

Snow and rain fell most of the day in Littlefield, bringing to this section moisture precipitation amounting to one and fifty seven one hundredths inches.

Not since mid-February has the South Plains been dampened to this extent.

A cross section of the general precipitation over the South Plains is reported:

Muleshoe, snowfall, two inches; Post, one and one-half inches rain; Tahoka, one and fifty one one hundredths inches rain; Abernathy, one-half; Sudan, one inch; Amherst, half an inch rain and snow; Anton, half inch; Ralls, half-inch; Lorenzo, half-inch; Idalou, half-inch; Bledsoe, inch; Lehman, inch; Whiteface, inch; Seagraves, one half inch; Meadow, inch; Ropesville, inch; O'Donnell inch; Wilson, three-quarters inch and Slaton, half-inch.

Over 250 Homemaking Students Attend Style Show At Ware's Tuesday

More than 250 students from home making classes at the Littlefield, Amherst, Whitharral, Bula and Spade schools attended the annual style show at Ware's Department Store Tuesday afternoon. The Style Show was staged in connection with the third annual Quilt Show.

An interesting program was given by Miss Holloman, home making teacher at Anton, discussed the work in the Anton school, as this is the first year for this department to be there; Miss McGee of Amherst introduced four boys who are in the home making classes there stating that she has 12 boys enrolled in this department; invitations to explain their work was extended to the other teachers present.

A feature lecture had been planned by G. M. Shaw, who was in charge of the program. Rev. Donald Harris, who was reared in Port Rico, was to compare the schools on the island with those in America, but he was called out of town Tuesday morning. Mr. Shaw announced that Ware's Department Store would make it possible for Rev. Harris to go in the near future to each of the schools represented and give this interesting lecture.

Mr. Brooks of the Rice-Stix Dry Goods Company of St. Louis was to have explained to the students the process of dying cotton prints,

Work got underway Monday morning in the hard surfacing of the Anton-Whitharral highway. This is a Hockley County project, and will give a paved road from Anton to Whitharral, when completed.

Building Is Under Construction On Highway No. 7

Will Be Leased To Littlefield Truck & Tractor Company

Plans are underway for the erection of an oval top galvanized building on Highway 7, just west of town and across from the old ice plant, which when completed will be leased by the Littlefield Truck and Tractor Company.

The building, which will be 50 x 120 feet, is being constructed by Glen Young.

It is expected that the Littlefield Truck and Tractor Company will move into this new location the latter part of July.

Dick Beisel And Ernest Gaston In Charge Of Sale

Proceeds To Be Sent To Veterans Home Central Council

At their regular meeting Monday night, members of the American Legion voted to sell Texas Bluebonnets on the streets of Littlefield, Saturday, April 20. Proceeds will be sent to the Veterans Home Central Council, and will be used for the re-establishment of the Texas Confederate Home in Austin.

Dick Beisel and Ernest Gaston were named members of a committee to order the bluebonnets and arrange for the sales.

The Texas Confederate Home is a domiciliary home for the veterans of all wars, and just as Miss Clare Driscoll saved the Alamo, the patriotic citizens of Texas saved the historic spot of Fannin, and his brave men at Goliad, and immortal San Jacinto battlefield, so will the grandsons and granddaughters of Texas save another historic spot in Texas history.

Bluebonnet sales will be staged by members of the American Legion in all parts of Texas April 20.

Donations Of Books Asked By Library

The Littlefield Public Library has in the past month registered 68 new readers and has 1500 old readers who enjoy good reading. In the library there are 1729 old books and 43 new books.

The librarians at the Littlefield library, Mrs. Mary E. Glazener and Mrs. Bessie E. Cook, urges all those interested in the library, and in the providing of the local public with good reading in their homes, to help the library collect more books. The Littlefield library will appreciate very much donations of books at this time.

Local P.-T.A. Elect Officers Wednesday

A meeting of the Littlefield P.T.A. was held in the auditorium of the high school Wednesday afternoon, at 4 o'clock with Mrs. Alph Wright, president, presiding.

Officers for the ensuing year were elected as follows: Mrs. W. S. Patrick, president; Mrs. C. C. Mescher, first vice president; Mrs. Jack Farr, second vice president; Mrs. Sid Hopping, third vice president; Mrs. Warren Rutledge, treasurer; W. H. Frazier, parliamentarian.

The program included selections by the Primary rhythm band and the style show by homemaking girls of the high school, under the direction of Mrs. Nina Young.

At the May program, officers will be installed.

Sustains Injury In Car Accident

J. F. Wiles, postmaster at Olton, and Mrs. Wiles were injured in an automobile collision at Texarkana Saturday morning.

Mrs. Wiles sustained serious injuries and is in a Texarkana hospital. The knee cap of her right leg was broken, her left shoulder was broken, and a number of stitches were required to close lacerations about the face.

Mr. Wiles escaped with leg bruises.

The accident occurred when a car driven by an automobile agency employee and the Wiles collided headon.

W. D. T. Storey, Littlefield postmaster, learned of the accident when they reached Texarkana following the postmasters convention. They were making a trip through Arkansas to visit relatives and friends.

Contract Let For Building On Phelps, Corner Of Fourth

Contract was let Friday to Joe Wells, local builder, for the erection of a modern business building 24 x 125 feet at the corner of Phelps Avenue and East Fourth Streets, and adjoining Jones Hardware on the south.

The building will be of brick and tile construction, with modernistic front design. Glass brick will be featured on the exterior of the building.

O. R. Walker is the architect, and Foxworth-Galbraith will furnish the materials on the job.

When completed the building will be divided into four stores; one 24 x 35; another 24 x 54; and two stores each 24 x 17 1-2.

It is expected that the structure will be completed within ninety days.

Shortage Of Funds Delays Farm Checks

Delay in the receipt at Amherst of parity and soil conservation checks, as explained Wednesday by C. L. Baker of the AAA office, Amherst, as a shortage of funds. As soon as a further appropriation is made by the government, the checks will be forthcoming.

Mrs. Florine Gentry Passes Away Enroute To Local Hospital

Mrs. Florine Gentry, 25, of Sudan died about 7:30 o'clock Monday night as she was being brought in an Ambulance to the Payne-Shotwell hospital.

Funeral services were held Wednesday afternoon at Sanders Funeral Chapel, Lubbock, and interment was in the Lubbock cemetery.
