Homecoming Planned Friday

TOWN and COUNTRY by Wendell Tooley

THE HOMECOMING celebration continues to increase in importance and size of attendance in Littlefield as more graduates get out of school and return each year to this traditional event.

Littlefield is set for a homecoming celebration Friday and the first district football game with Perryton.

Through the wife and I did graduate from Littlefield, we usually involved in it in a way . . . I usually wind up in the bacon grease at the school cafeteria when the Lions try to feed the homecomers all the pancakes they can eat. (Incidentally, I just happen to have some tickets to the supper and the Lions will frown on me if I get them sold. Call me if you live in town and see that you get some tickets.)

We join with others in your hometown to attend the homecoming festivities, have a big party, the latch string is out . . . your best wishes go with our fears to bear the Rangers.

LAST WEEK when it was Judd Walker figured he had as well pack his gun and down into East Texas to hunt for squirrels.

Well, it seems that Judd got into his brother's house and had a well fish story about the bass were biting on a near Palestine.

Judd liked to fish too, so he took out his rod and reel and if a try. Sure enough the bass were biting and Judd says he caught gobs of one pounders.

It is a good word, if you want to say exactly how many squirrels? Yep, I guessed it, fishing was so good that Judd never did get gun out of the car.

While we're on the subject of hunting, believe the recent hunting adventure of Elma Fieson of Hart Camp should hold. Elma, J. W. Johnson, J. W. Johnson, Jr., were out hunting at Cortez, Colorado this week and Elma was almost shot by a deer hunter from Worth. Elma says the bullet missed him about 12 inches and sprayed dirt all over him.

Of course Elma was pretty mad and when he got through the hunter who shot at him about it, think he also was a pretty badly. Well, (See Town on Page 8)

Wildcats' Open District Play

"Get a Ranger" is the go-word for the Littlefield Wildcats as they prepare to open district competition before a Homecoming crowd Friday night.

This will be Perryton's first AAA district game in the history of the school. They were moved into AAA competition this season after playing for many years in AA.

Two Injured In Accident

Four more accidents were investigated by Littlefield Police over the weekend and the early part of this week.

Two persons were hospitalized as the result of one of the accidents, but neither was injured seriously.

Those injured were Mr. and Mrs. Joel Thomson of Littlefield. Thomson received back injuries and remains in a local hospital. Mrs. Thomson was released Tuesday.

According to police the Thomsons were heading west on Highway 84, and were stopped at the sign at the intersection of Highway 84. A car driven by Raymond Costello of Littlefield was going east on 84 and attempted a right turn onto 54.

The Costello vehicle hit the left side of the Thomson car. Damages were estimated at \$150 to the Thomson vehicle and \$250 to Costello's.

Three cars sustained heavy damage in an accident at the intersection of Farwell and (See Accidents on Page 7)

Police Chief Issues Plea, Warning

"We are going to crack down harder on traffic violators," F. A. Fitzgerald, Littlefield police chief, said Wednesday morning.

The statement came after a series of auto accidents hit the (See Warning on Page 11)

Priorities Group Sees Organization Charts

The Priorities committee wound up the first phase of its reorganization study of the chamber of commerce with the approval of two organizational charts in its meeting Monday night.

The two charts will be presented to the chamber board for its approval at the next regular meeting. The organizational charts are combined with a series of responsibilities for the membership, board of directors, executive committee, president, program of work committee, committee chairmen, committee members, bud-

C-C Ballots Mailed For Director Vote

Ballots are being mailed this week for the annual Chamber of Commerce Board of Directors election according to Kenneth Ware, chamber president.

The ballots will be sent to every member of the chamber and will contain the top 12 names from a previous voting. Members will select four names with the four receiving the most votes being elected to the Board.

Names of the ballots to be returned to the chamber office by (See Chamber on Page 6)

Anniversary Meet Called For Tonight

A planning session concerning the 50th celebration for the city of Littlefield has been called for tonight at 7:30 in the District Courtroom by Kenneth Ware, chamber of commerce president.

Ware called for the leaders of every civic, social and church organization to attend this planning session.

"This type of celebration is far too large for any single local organization," he stated. "We need the participation of the entire town."

"We are asking just one question," Ware continued. "Do we want to have a huge celebration marking our 50th birthday?"

Fire Destroys Whitharral Gas Station

A roaring fire swept through the Charles Landers Service Station at Whitharral early Wednesday afternoon and completely destroyed the interior of the nearby Hi Way Cafe. The Cafe is owned by Buck Bryant.

Landers was in the Post Office at the time the fire was discovered by Coach Max Dickerson who was driving by. Dickerson said that black smoke was coming out of the rear of the building and he first thought it (See Fire on Page 6)

United Fund Drive Hits \$10,000 Wednesday

Littlefield's United Fund Drive continues with the advance gifts division reporting a total of \$10,562 collected at a report meeting Wednesday morning.

Head of this division, Charlie Duval reported that many cards were yet to be worked and urged every worker to finish their contacts and report in to the UF office located in the Pioneer Natural Gas building.

Bob Saunders' "employee division" leaders met Wednesday morning and mapped out plans for that drive which begins with

a breakfast on November 5. The group decided to appoint a chairman for each place of business to make contacts of the employees.

Monday morning, October 29 the General Gifts division swings into action, with a kick-

off breakfast. David Casey, a leader in the Texas United Fund from Lubbock will speak. This drive is to be finished by November 2.

This is the second annual United Fund in Littlefield and the (See United Fund on Page 5)

Polio Clinics Slated For Area Sunday

Mark your calendars for Sunday! A red letter day for everyone in the Littlefield and Lamb County area.

Sunday is the day scheduled for the second Sabin Oral Polio immunization clinic. The stations will be open from noon until 6 p.m. with qualified personnel on hand at each clinic to administer the oral vaccine.

The clinics are for the purpose of administering the polio vaccine to as many persons in the area as possible and thus virtually eliminating the threat of this once dreaded disease.

Most Feel Action Late In Coming

"I repeat what I have said many times, that the U. S. cannot and will not permit the construction of a dangerous military base in Cuba."

"The President has been very patient. In my opinion, he will have the support of Congress and the American people in carrying out the strong and unequivocal program of action which he announced in his statement Monday."

Answers from local citizens included:

Judd Walker -- "I agree with the speech. We should let them (Russia) have it. But I feel that it is two years late in coming."

Billy Lynch -- "I agree with everything the President said but I think it should have been done earlier."

Citizens Approve Speech

Littlefield and area residents voiced approval of President Kennedy's action Monday in the Cuban crisis . . . with the only criticism being that "he should have done it sooner."

Staff members of the Lamb County Leader jizzed many persons concerning the content and possible results of the President's grave, but necessary pledge to halt the flow of "offensive weapons" to Cuba.

Congressman George Mahon issued his official statement early Tuesday morning regarding the speech, Mahon stated:

"The president is our spokesman in foreign affairs and I shall support him to the limit."

"I am pleased with the decisive action which he has taken. It was made mandatory by the recent assessment of developments in Cuba. It is fraught with grave risks, but it is safer than a policy of weakness."

Women Set Rally On Amendments

A rally will be held for the Democratic women of Lamb County at 10 a.m. Wednesday, October 31st, in the Community House in Earth.

Highlighting the program will be a discussion of the proposed amendments which will be on the ballot of the upcoming election. Mrs. M. E. Kelly is in charge of the program.

A salad luncheon will be served by Earth residents. Mrs. Bruce Higgins is chairman of the committee.

Arrangements for the rally were made at a meeting held Sunday afternoon in the home of Mrs. G. C. Green of Earth.

Seventeen Cast Votes By Absentee

At noon Wednesday, 17 persons had voted by absentee ballot according to Charles Jones, County clerk. One week has elapsed since the absentee vote began but there is only a little more than a week left before this balloting ends.

Jones urged all persons who are unable to go to the polls or those who will be out of town on election day to "exercise their Constitutional right" and vote by absentee ballot. The final day for voting absentee is November 2.

Voters will face a blanket-sized ballot with candidates from three parties given. By parties and offices the candidates are:

DEMOCRATIC PARTY
John Connally for governor, Preston Smith for lieutenant governor, Waggoner Carr for attorney general, Joe Pool for congressman - at - large, Meade F. Griffin for supreme court justice place 1, James R. Norvell for supreme court justice, place 2, Zollie Steakley for supreme court justice place 3, W. A. Morrison for court of criminal appeals judge, William J. Murray, Jr., for railroad commissioner, Ben Ramsey for (See Vote on Page 6)

Crowd Expected For Events

A huge bon fire and pep rally tonight at 7:30 in the vacant lot across from the school will sound the opening of Homecoming activities for the Littlefield Schools.

Former students of Littlefield High School, dating back to classes in the 1920's will return to Littlefield today and tomorrow for the fifth annual Homecoming ceremonies and officers hope at least 500 out-of-towners who formerly attended school here will be on hand for the occasion.

A business meeting will be held immediately following the football game in the High School Library. A registration and coffee will be held at that time. Following the business meeting there will be a dance at the Littlefield Country Club. A 1963 model car will be given away to some ex attending the business session.

Jarold Jones, president of the Ex-Students Association urged all former students to attend the business session at which time election of officers for the coming year is scheduled.

Other officers of the association include: Tommy Brawley, vice-president, Mrs. Norma Key Terry, secretary, and Mrs. Gloria Jackson, treasurer.

A second pep rally will be held Friday at 2:30 p.m. in Wildcat Stadium. All present and former students have been urged to attend. Color pictures to be used in the Wildcat annual will be taken at this rally. From 5 - 7:30 p.m. Fri. (See Exes on Page 8)

He's In The Army Now

Gregg Wilemon, son of Mr. and Mrs. Oscar Wilemon, was a bit relieved to get where he was going this week even though it was to Fort Gordon, Augusta, Ga., and a stint with the U.S. Army.

Wilemon graduated from Texas Tech last spring with a degree in finance and an ROTC commission.

When he received his call to active duty this fall he was assigned to the signal corps. Promptly, he put in a request to be transferred to the finance corps.

On October 10, he was notified that his request for transfer had been approved with orders to report to Fort Gordon.

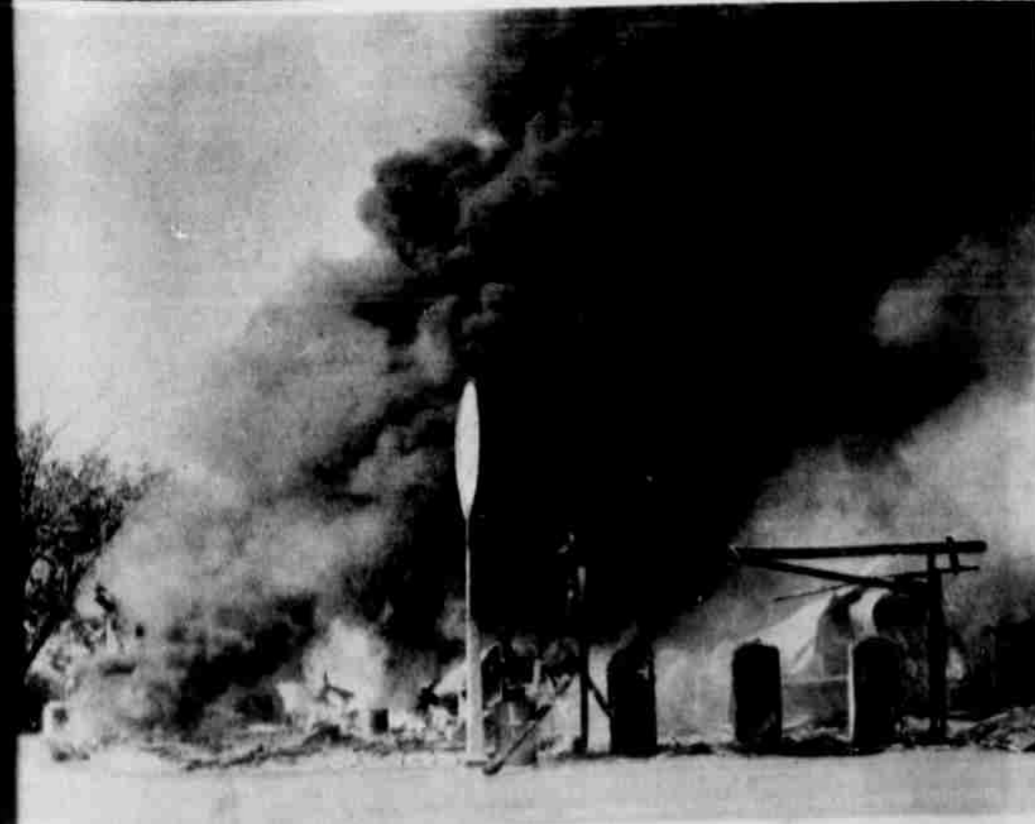

On October 14, he received word that his orders had been revoked and he was ordered NOT to go to Fort Gordon.

Two days later, just as Wilemon was completing an about face, a third wire arrived saying something to the effect that "We are revoking your request. Proceed to Fort Gordon on October 22."

Before the army could change (See Wilemon on Page 6)

Getting Ready For The Griddle

Miss Cutting-Mr. Hedges Exchange Vows Saturday

A double ring ceremony united in marriage Miss Cheryl Cutting and Bobby Wilson Hedges at 7 p.m. Saturday evening in the First Baptist Church with the pastor, the Rev. John S. Rankin, officiating.

Parents of the couple are Mrs. Linda Cutting, Littlefield and Mr. and Mrs. Arthur W. Hedges, Amherst.

Miss Poni K. Phillips was the bride's attendant, and the groom's uncle, Jerry Jones, Earth, was best man.

The bride was given in marriage by her grandfather, J. M. Stokes of Littlefield. Wedding music was played by Miss Jan Holland.

The bride was attired in a white wool suit and carried a bouquet of yellow roses.

Her attendant wore a white dress and her bouquet was of yellow roses.

The bride's sister, Vicki Cutting lighted the candles.

A reception followed in the parlors of the church. Kathy Davis registered the guests in the bride's book.

Katie Sue Hardwick, Connie Winfield, and Glenda Simpkins served the wedding cake and punch.

After a short honeymoon trip to New Mexico, the young couple are at home on Wood Street Amherst.

Loyalty Grove Session Held

Loyalty Grove 2178 met in regular session Friday night, Oct. 19, in the home of Lola E. Prentice with seven members present.

The group voted to send a Christmas box to the home in Sherman, Tex., to give to the Heart Fund and the Cripple Children Fund.

The next meeting will be Dec. 7 in the home of Mrs. Ellen Yearly. This will be the Christmas party and everyone is asked to bring a covered dish and a gift.

Reeves Is Guest Speaker At Whitharral P-TA Meet

Glenn Reeves, superintendent of the Littlefield Schools, was guest speaker Thursday evening at the Whitharral P-TA meeting held in the community building.

Proverbs 23 was read for the devotional by Rev. Wayne R. Williams, pastor of the Whitharral Baptist Church.

Mrs. Ralph Wade presided at the business meeting. Mrs. Robert Avery read the minutes of the last meeting. The treasurer's report was accepted as given by Mrs. George Wade, Jr.

The executive committee which met Monday afternoon, recommended that they appoint Mrs. Coy Grant to assist Mrs. J. E. Wade on the homecoming float; that the student council furnish a \$10 first prize and a \$5 second prize and that a representative be appointed in Mrs. Heard's room. Mrs. Adolph Dukatnik volunteered.

Reeves spoke on "Citizenship and Communism." He stated that the world is facing a very serious problem with the Communists ready to take over the entire world; that they believe what they say they do and that they are not ashamed of their moral code. Their laws are simple in that any creed that promotes communism is legal. They are devoted to a godless cause. They believe that they are at war with us but they want peace. Peace is that time when there is no resistance to communism. An idea or cloud in the mind of the individual is enough for war. Lenin's plan was to take Europe, Asia, then America he said. From Lenin's meeting with the Communists in 1906 with 20 members, communism has spread to more than 40,000 in 1917. In 1947 - 48 expansion in Europe was right on schedule; Asia is moving on schedule and the primary target is to take America.

Reeves stated that now, in 1962, over half of the land area, 60% is dominated by communism. The Communists have the biggest problem already worked out, dispose of any who are in the way. Murder, treachery and torture are good moral reasons for the spread of communism. In our own minds we have no scope of the torture people have suffered from them.

He pleaded with the American people to reaffirm their beliefs in God, country, family, and in the good old American heritage, to bring the young people up in this idea and to train them to respect God, man and country. He challenged the people to study infiltration, get others acquainted, write letters, share views, contact people in public life, give factual information and continue to be active politically. He concluded his talk with "Don't get discouraged, right will triumph if we have courage and stamina, pray to God each day, let him rule."

The junior class won \$2 for percentage basis of attendance.

Springlake P-TA Meeting Held In Auditorium

Mary Clark and Lynn Gowdy were elected to represent the Springlake P-TA unit at the Lamb - Bailey Bi - County Council at a meeting of the unit held at 4 p.m. Thursday, October 18 at the school auditorium.

Program for the meeting was "The Job for Junior," an ex-

planation and demonstration of the vocational guidance program at the school. Speakers were John Lawrence, high school principal and Enos Harper, school supervisor. Lawrence pointed out that according to statistics, only six out of every 100 students find the life's work they are best suited for, hence the vital importance of the program. Harper extended the audience an invitation to visit the school and learn more about the program.

Homemakers Meet Monday

Mrs. Dewayne Dixon presided for the Monday evening meeting of the Young Homemakers at the home ec cottage in Whitbarral. Under the direction of Kip Cutshall of Chisholms Floral, Littlefield, each one present made a flower arrangement for her own use. Cutshall met with the group several weeks ago and demonstrated flower arrangements.

The Young Homemakers and the Young Farmers plan a covered dish supper and "42" party Monday evening, Oct. 29, at the Community Building.

Mrs. Norman Thetford was hostess for the event and served pineapple cookies and coffee to Cutshall and Mesdames Dixon, Max Dickerson, Lloyd Hood, Ralph Ussery, C. W. Stafford, John Waters, Dale Hewitt, Bob Grant, Roger White, Doyle Hewitt, Ernest Kristenek, Robert Bebout, Warren Hunkapiller, and C. E. Keeney.

Being tired often, often causes people to be broke often. Writing is bad anytime; when it is against time, it is worse.

There is one sure way for young people to get ahead in life: Work and save.

November 15th meeting time has been changed from 4 p.m. to 8 p.m. for the convenience of Dr. Kirellis, head of the Department of Physical Education at Texas Tech. He will speak on the "New Frontier P. E. Program" at that time.

Entertainment for Thursday's meeting was furnished by a group of eighth grade girls including Kathy Clayton, Diana McNamara, Joan Dawson, Linda Starkey and Carolyn Cowley. Miss Cowley accompanied the others in two vocal selections: "I'll Whistle a Happy Tune" and "Bull Dog on the Bank." Dean Foshee provided a base voice for a bit of pantomime in the last selection.

Mrs. W. D. Holt gave a reaction to the P-TA letter. A coffee period was held to the meeting. A movie, "The Power of Mind -- Our Last Line of Defense," was shown following the meeting to those wishing to remain.

Bula School Homecoming Attended By 100 Students

DONNA SPENCE

Bula - One hundred ex-students registered Saturday afternoon Oct. 20 at 4 p.m. for the Bula School Homecoming. A program and business meeting followed the registration for the evening's events underway. Rev. R. D. Thommarson, pastor of the Bula Baptist Church opened the meeting with prayer, followed by Don Grusendorf offering a tribute to all deceased ex-students. Linda and Patricia Grusendorf gave two vocal selections.

Model To Sleep All Day In Local Store

She sleeps all day and gets paid for it! June Leach has the enviable title of the Sealy Mattress Company Posture - Princess. And her days are devoted to sleeping in store windows across the country.

That's her job. Miss Leach is scheduled to appear in E. C. Rodgers Furniture store window between 10 a.m. and 6 p.m. Saturday.

She will be performing a pantomime skit, "The Posture - Princess" in which Miss Leach spends most of her time emulating luxury sleep before the public eye with a few brief moments out of each hour devoted to demonstrating the effect of bedding on posture, health, appearance and sleeping comfort.

The more serious aspect of the act is to demonstrate the importance of orthopedically correct bedding during the one-third of each person's life which is spent abed. Medical authorities estimate, according to Sealy, that one out of every third person in the United States suffers from some back problem related to incorrect alignment of the spine.

Looking one's level best in a store window for hours requires concentration while feigning sleep. There's always someone outside the window, who tries to distract the model while she sleeps.

The biggest pitfall Miss Leach has to avoid, however, is actually falling asleep. To keep from doing this she breaks up the sleeping routine with periodic pantomimes with a pre-arranged narration.

Each visitor to the showing will be given an opportunity to register for a free Posturepedic innerspring mattress to be given away at the close of the show.

Dorcas Class Holds Meeting in Whitharral

The home of Mrs. Elva T. Hank was the scene for the monthly business meeting and 74th of the Dorcas Sunday School Class of the Whitharral Baptist Church Saturday evening. Mrs. Crank read a chapter of religious verse followed by prayer by Mrs. John. Bible questions and answers followed. Secret pal gifts were distributed. Mrs. A. B. Roberts presided for the business meeting. She will be hostess for the November meeting at her home at Whitharral Nov. 17. The Christmas party was set for December 15 with other ladies of the church as guests. Coffee, cookies, brownies, and hot chocolate were served to Mrs. Eula Fyke, Mrs. H. Kugore, Mrs. Henry

Homecoming Planned At Springlake Friday

EARTH (Special) A colorful program of music and comedy with a special attraction, "The Tex-Anns" all girl drill team from South Plains Junior College, Levelland, has been planned for the homecoming crowd this year.

Beginning at 5 p.m. Friday at Springlake School Auditorium, the program will be divided into four quarters and a half time show, all of which will depict the "Harvest Bowl" theme.

Bill Clayton will serve as "chief referee" (master of ceremonies) and Ted Rowan will be in charge of music. Dwane Jones president of the Ex Students and Teachers' Association will be on hand to welcome the crowd.

Special recognition will go to the class with the most members attending the program, also exes who traveled from out-of-state.

Free tickets for the homecoming barbecue to be served at 5:45 following the program will be given the ex-student and ex-teacher and their immediate families who traveled the greatest distance to attend homecoming activities.

At 7:30 the Springlake Wolverines will meet the Kress Kangaroos, in what promises to be an exciting game.

Half-time activities will include performances by the Kress Band and the 77-piece Springlake Wolverine Band. The High School football queen, chosen the preceding evening at the pep rally and bon fire, will be presented. Also at this time, an ex-student homecoming queen will be crowned.

Jones, Mrs. Martin Moore, Mrs. John Waters, Mrs. T. E. Howard, Mrs. Vick Matthews, Mrs. J. D. Waters, Mrs. Neta Morgan, Mrs. A. B. Roberts, Mrs. Will Raines, Mrs. W. R. McDaniel, and the hostess.

Vying for the honor are candidates representing the honor classes: 1952, Mrs. G. C. Green; 1942, Mrs. Russell Haberer; 1952, Mrs. Ronald Cleavenger and 1962, Miss Joan Gover. All are local residents. Miss Gover, daughter of the Allan Govers, is a freshman student at West Texas State College, Canyon.

Cubs Entertained With Halloween Party Monday

Members of Cub Scout Den No. 9, Pack 666, were entertained with a Halloween party Monday afternoon by Mrs. James Crump, den mother. The den is disbanding and the members are moving up to the Webelos Den.

Attending the party were Gary Crump, Jimmy Collins, Steve Owens, Keith Woody, John Turner, Bobby Saunders, Larry Bob Nichols, and Steve Collins.

From Your Chamber Office

By Gene Garrison

Every member of the Chamber has received a copy of the official Directors' election ballot.

There are twelve (12) names on the ballot and each member is requested to vote for the four (4) men he or she prefers to have serve in this leadership capacity for three (3) years.

Each member of the Board, if he is to serve the Chamber effectively, must take an active interest in the organization of Chamber committees, as well as in the operation of the committees. Further, being on the Board of Directors, does not mean that the director is exempt from specific committee assignments. This practice provides good liaison between the committees and the Board, and a means of giving the Board full information on committee proposals, plans and problems, such information not only aids members of the Board to make sound decisions, but also helps motivate the action and cooperation that is so essential to the success of committee projects and activities.

In a nutshell, the Directors of the Chamber of Commerce should consist of the highest caliber of men in the community. Most chambers lose their effectiveness and disintegrate when they elect Board Members who are not leaders or will not lead, or who are too dignified, aloof, or are too preoccupied to apply themselves to the business of the community.

Any community businessman or professional man, regardless of how busy, should be willing to spend the portion of time the Chamber demands to build the community, if he believes that he has the qualifications for leadership. Many times when a man spends time building his community, he is actually of greater benefit to the tasks related directly to his own office or store. This is not to say that the best place for anyone and everyone to serve his community is on the Board of Directors of the Chamber of Commerce; he may do a better job somewhere else in the organization.

We readily appreciate men who will say they cannot or will not accept the responsibility of leadership. You will agree, I believe, that it is far better for someone to decline the opportunity to serve than for them to accept the title and refuse to do the job.

You may be sure that each person on the ballot has stated that he will serve if elected.

The priorities Committee has spent a lot of time and done a tremendous amount of work studies and determining how the communication, responsibility, efficiency and the amount of production can be improved, it is my opinion that when the Board of Directors and the members consider these recommendations they will readily see the values that can be derived from adopting their proposals and making them work.

It should be kept in mind that organization structure, communication, etc., is not a major goal within its self, instead it is a means whereby better goals can be obtained. The goals of course are to do a bigger job, a better job, and to do it more efficiently. In addition it should mean to use more of the available membership to some extent and to cease to over work some of the workers who are carrying a large portion of the Chamber program.

The Priorities Committee will submit their report to the Board at their next meeting, November 15th.

Includes over 16,000 who participated in the first clinic those who contacted their physicians for the type I vaccine.

Stafford urged all citizens to turn out at the immunization stations throughout the county to receive their second dose of the new Sabin oral polio vaccine.

Stations will be set up at the school, the Amherst school, the Sudan school, the community center, the Littlefield school and the Littlefield school cafeteria. The immunization will be given in a cube to everyone except small babies who will be given three drops of vaccine in an eye dropper.

Registration blank is printed in today's edition of the County Leader, and will be distributed to all children and will be available in all local churches.

Stafford pointed out that the best deal of time can be had if the blanks are filled before coming to one of the immunization stations.

Three doses of the vaccine are necessary and the date of the final Sunday program will be announced later.

ACCIDENTS

(Continued from Page One)

E. 16th.

An auto driven by Jerry Douglas Cox was going south on Farwell as a car driven by Margie Chester was heading east on 16th. Police said the Chester vehicle failed to stop at the sign and the Cox vehicle hit the left side of the Chester car.

After impact, the Chester vehicle slid around and hit a car belonging to Hazel Kimbrough, parked at the curb. Damage was estimated at \$200 on the Cox auto, \$400 to the Chester car and \$200 to Mrs. Kimbrough's. All are Littlefield residents.

John Forrest Wall of Portales was going south on Highway 54 and Jackie Dean Weaver of Littlefield was going south on Hall Ave. After stopping at the sign, Wall pulled into the intersection in front of Weaver.

The Weaver car struck the side of Wall's truck. Damage was estimated at \$250 to Weaver's auto and \$10 to the truck.

Henry Matthew Gilbert of Sudan was going east on 84 as Mary Ellis Myers of Earth was attempting a left turn on 385 from 84. The Gilbert auto was hit in the left front fender.

State Fair Pig Winners Announced

Charles Axtell and Ray Tom Packard, both of the Springlake FFA set the pace of Lamb County entries in the State Fair of Texas Junior Barrow Show. Axtell showed the champion Berkshire barrow and Packard had the reserve champion Berkshire.

The Junior show was a West Texas triumph with the grand champion barrow and reserve grand champion barrow coming from Lazbuddie and Lubbock respectively. Charlotte Seaton of the Lazbuddie FFA chapter saw her animal named champion Hampshire of the show and then grand champion. Dick Bolton of Lubbock had the champion Duroc and reserve grand champion of the event.

E. C. Rodgers -- "I don't know what else he could have done. I think if we let them keep building up in Cuba then they could move in and take us without firing a shot."

R. W. Wood -- "I think it's the grandest thing the President has ever done. I believe that this time he will do what he says he is going to do and literally stop Russian ships on the high seas."

Huston Hoover -- "I think he did the only thing he could do, but feel it is a year late."

Clarence Sperling -- "I agree with the President, but think he is a way too late."

Alan Roberts -- "I think it came too late. It should have been done several months ago when they first started moving the materials into Cuba."

Mrs. Fred Gerlach -- "I don't think the President could have done anything else. Castro and Khrushchev have pushed us around long enough."

Hershel "Josh" Randall -- "Amen."

Boyd Allen -- "I agree, but feel like we are a little late in taking a firm stand. The longer we prolong it the more we will be confronted with."

Conservatives Vote For The Man

This We Believe:

1. The Democratic Party has deserted the beliefs of Thomas Jefferson.
2. The Democratic Party advocates more federal spending, more federal control.
3. The Republican Party today exemplifies the principles of Jefferson on federal spending and checking the growth of bureaucracy.
4. Southern Democrats talk conservative at home but vote liberal in Washington, (44% conservative for Southern Demos versus 79% for ALL Republicans - ACA voting records).
5. CONSERVATIVE POLITICALLY MEANS TO CONSERVE STATES RIGHTS, THE RIGHTS OF OUR LOCAL GOVERNMENTS AND OUR INDIVIDUAL RIGHTS... MORE AUTHORITY AT HOME AND LESS AUTHORITY IN WASHINGTON, (Pd. Pol. Adv.)

Elma and the Johnsons managed to get five deer in three days, so the trip turned out okay. (Moral of the story is don't shoot a deer until you see his antlers . . . too many hunters shoot when they see something move in the brush.)

OF COURSE we have all been concerned about the Cuban situation and with the events moving so swiftly it would be impossible to make an intelligent appraisal of the situation at the time this column is written, I can only say that I agree 100% with the President's decision. Certainly it is a grave decision to make a declaration that may affect the lives of over 180 million people . . . we can understand the gravity of such a decision.

It is certainly gratifying to see how the people of the land . . . no matter what their political thinking . . . have banded together behind our leader.

E. C. RODGERS' family has just returned from a trip around the "Aspen Trail" in New Mexico and said it was most beautiful.

off - tackle dive play and Roger Wright, who is a hard running, fast - thinking quarterback," the coach stated.

"Linemen who have been tough on offense and defense, include Kenny Watkins and James Fontaine at tackles," Howie said.

"These boys have been stand-outs during the Rangers' first five games, but their entire team is composed of fine grid-ers and none should be overlooked," he concluded.

Howie said he planned to start the same squad he did against Plainview.

This includes Billy Thompson and Billy Bankston at ends, Robert Bolton and Johnny Basden at tackles, Steve Lowe and Gary Fitzgerald at guards, Jim Melton at center, Pete Estrada at wing back, Gary Schovajsa at halfback, Tony Estrada at fullback and either Ray McKinney or Larry Wood at quarterback.

Amherst and Sudan are idle this week but other area teams continue district competition as the season draws into final stages.

Oilton will travel to Morton Friday night in an attempt to square themselves in district play after losing a 22 - 2 battle to Dimmitt last week. Oilton will be trying to avenge a 26 - 15 loss to Morton last season. Most sportscasters call the game a squeaker with Oilton being barely favored.

Springlake will entertain Kress during a Homecoming battle Friday as the Wolverines battle for their first conference victory after losing a close game to Sudan last week. Kress won last year's contest 28 - 14 and is favored to win this year's clash.

Bula's Bulldogs will travel to Nazareth for their contest Friday. Nazareth is favored to take the contest.

Anton's Bulldogs will go to Whiteface to continue district play. The Bulldogs are favored to take the contest thus squaring them in district competition after losing last week's game to Amherst. Anton slugged Whiteface 40 - 0 last season.

Whitharral, only undefeated team in the area, will take on New Deal in their Friday night tilt. The Panthers are favored to take the game played at New Deal, but both teams sport excellent records. In this area Whitharral is ranked second in their class and New Deal is ranked fifth.

PRIORITIES

(Continued from Page One)
organizational plan was better, it was unanimously agreed that both would be presented to the board for its consideration. Chart A would put most of the responsibility and leadership on four or five members of the board, while Chart B would delegate the responsibility of the chamber to an executive committee and every member of the board would be actively responsible for one of the main programs of work of the chamber. Both charts specify the line of communication and responsibility which the present organization structure does not do.

Other proposals to the board include changing the name of the chamber manager to executive vice president and changing the end of the physical year to January 30.

Chamber manager Garrison commended the Priority Committee on its diligent work and understanding of the problem or organization that has been considered for the past month and a half.

Attending the Monday night meeting were: Garrison, Betty Teck, Jim Joyner, James Lee, The Rev. Jack Ellzey, Hubert Henry, Wendell Tooley, Dr. James Showell and two non members of the committee Jim Black and J. W. Harrison.

Hatla Wins Press Grid First Prize

Tie - breaker game scores broke a three - way tie for first place money in the weekly Littlefield Press grid contest. The trio, L. F. Hatla of Star Route, Littlefield, Don Hevern of Amherst and James Collins of Littlefield, each missed just three games.

Hatla was declared the winner . . . by one point, as he picked Baylor to dump Texas Tech 21 - 7. Hevern picked Baylor to win 20 - 7 and Collins said it would be Baylor, 19 - 12. The actual score was Baylor 28, Tech 6.

Hatla missed Yale's defeat over Cornell, Sudan's victory against Springlake and SMU's upset win over Rice. He will receive \$7.50 first place money for his efforts.

Hevern slipped up on three upset contests. He missed Northwestern's victory over Ohio State, SMU over Rice and North Texas State's homecoming win against Cincinnati. He will get a check for second place, \$5.

Collins must have pecked over Hevern's shoulder as he missed the same three upsets. He will get the third place money of \$2.50.

 (Continued from Page One)
 city. To date for October, 14 accidents have been investigated by police. This is more than for any month so far this year.
 "We have to put a stop to accidents," the chief continued, "since many of these accidents have been caused by some violation of our laws." Twelve of the accidents occurred in the same number of days.
 "We are asking every driver in the city to obey all the traffic laws," he stated, "watching especially at intersections." He expressed the hope that all drivers would exercise courtesy when behind the wheel.
 "We had hoped to hold the number of accidents to under 100 for this year," the chief added, "but our department has already investigated 103 for the year."
 Sworn to and subscribed before me this 24 day of Oct. 1962.

Brother Of Local Man Undergos Heart Surgery

Coy Roberts of Dennison, brother of Alan Roberts of Littlefield, is recuperating rapidly from a rare heart operation which he underwent recently in Baylor Hospital in Dallas.

During the nine-hour surgery, Roberts was kept alive with a mechanical heart while

his heart was removed from his body and repaired. He was the 27th person to undergo the unique surgery, the 21st to survive.

According to the attending physicians, a large hole had developed in his heart as the result of a childhood attack

of rheumatic fever, Roberts is scheduled to be released from the hospital Friday.

Alan Roberts was flown to Dallas for the operation by Doss Maner. Another brother, Boyd Roberts of Houston, formerly of Littlefield, was also there.

Mr. Clean Meets The Viking In Main Event

Littlefield wrestling fans are in for another big weekend of wrestling this week as Mr. Clean meets The Viking in a main event and Killer Karl Kox and Sir Nelson Royal take on the two Cowboys, Carlson and Bob Ellis.

In last week's tag team match The Viking was the Referee when Carlson and Carreon threw the Viking from the ring and Carreon had Jim Dalton pinned when Mr. Clean came into the ring and counted Dalton out.

The Viking came back to the ring and disqualified Carlson and Carreon. Mr. Clean, thinking he was helping The Viking, got into an argument with the Viking, and in the argument, the Viking raised the arms of the Daltons, giving them the match.

Clean and The Viking continued their fight and The Viking reached for his Viking helmet and cut Mr. Clean over the eye and on his head, knocking Clean to the floor. The Viking left the ring and after Clean came to his feet and his head cleared, asked for a match with the Viking this week.

John Ussery, promoter, said the match would be arranged and it was, with the Viking meeting Mr. Clean in the first main event this week in a two out of three fall one hour time limit.

MR. CLEAN

Killer Karl Kox and Sir Nelson Royal return to the Sport Arena again this week after several weeks. Roy and Kox team up this week for the first time as tag team partners when they meet the popular team of Cowboy Ellis and Cowboy Carlson. Fans will see plenty of action when these four meet for the first time in a tag match.

The opening event this week will see Sir Nelson Royal meet Cowboy Carlson in the opener, a one fall 20 minute time limit match. Matches start at 8:30 p.m.

Dr. Shotwell Is Attending Texas Medical Meet

Dr. I. T. Shotwell, Jr., is attending the annual convention of the Texas Academy of General Practice, state association of family physicians, being held in Fort Worth this week.

Academy of General Practice members participating in the lecture program will receive 12 hours of credit toward continuing membership.

The Academy is the only medical organization which requires continuing medical education of its members. They must complete and document

150 hours each three years or be dropped from membership. Dr. Shotwell was accompanied to Fort Worth by Mrs. Shotwell.

AT SPADE

Mr. and Mrs. Oscar Tomlinson attended funeral services at Post Sunday for his uncle, E. E. Pierce, of Post, who passed away Saturday.

LOW PROFILE TIRES

These totally new premium tires made of Phillips Cis-4* rubber wear longer and run cooler than competitive nylon tires at turnpike speeds. They're safer driving because they're made with CVC, the new bonding agent that provides up to 30% more body strength. And they ride smoother because of their low profile construction, specially designed ribs and flexible traction tread.
