

# LITTLEFIELD - SUDAN CONTEST TO BE WEEK'S CLASSIC EVENT

SECTION OFFICIAL NEWSPAPER OF LAMB COUNTY SPORTS SECTION  
**LAMB COUNTY LEADER**

LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, NOVEMBER 3, 1948. NUMBER 33.

## Coach Jay Fikes' Boys Thirsty To Avenge Defeat

Coach Jay Fikes' Littlefield Wildcats will ride into Sudan Friday for a District 4-A North Half encounter with the Sudan Hornets.

The game will be the most important contest for the Cats and the winner of this game will be virtually assured of at least a tie for first place.

## Float To Easy Win Sundown Eleven

Littlefield Wildcats rolled to an easy 66-0 over the Sundown Roughnecks in a District 4-A North Half conference game at Seely stadium.

Coach Jay Fikes' crew started scoring early and until the final quarter.

## Dimmitt Is Winner At Friona

Dimmitt's Bobcats came from behind Friday night to overcome an early Friona lead, then rolled to an impressive 40-7 District 3-B grid triumph.

Scoring twice in each of the last three quarters Coach J. W. Blaine's Bobcats racked up their sixth conference win against one loss to stay close on the heels of the first-place Olton Mustangs.

## Wayland College Plans High School Cage Tourney

Wayland college plans to hold its first annual High School Invitational basketball tournament December 16 and 17.

Each team will play three games making it easier to measure the individual strength for each squad.

First, second, third and consolation honors will gain the winning squads trophies.

The eight teams picked by Wayland Athletic department to compete in the tourney are consistently strong in basketball. Says Coach Harley Redin, "The tournament should bring together some of the top teams in this area."

## This Friday's Program

SUDAN	Wt.	POSITION	No.	LITTLEFIELD	Wt.

Sherrill	150	Tailback	33	Frank Gage	165
Crouch	165	Blocking Back	35	Steven Brock	157

Changes will be made on both sides, depending upon who receives or kicks.

## Sudan Starters

Presented here are the main sparkplugs for the Sudan Hornets, Littlefield's opponents for the game this Friday night.

In the immediate front is Jim Graves, center for the Hornets.

The backs, left to right are: Jack Crouch, blocking back; Clifford Johnson, wing back; Ross Hammock, full back; Tommy Sherrill, tail back; Marlan Pickett, wing back.

## Olton Wins 32-0 Over Bulldogs

Olton's tricky Mustangs moved a step nearer the District 3-B football championship at Olton Friday night by walloping Anton, 32-0, before 2,000 homecoming fans.

It was the seventh straight conference triumph for Coach T. M. Cox's Mustangs, who now need only victories over Friona and Hale Center to capture the district title.

Olton took charge from the start. Ed Burrus opened the scoring.

## LAST WEEK'S RESULTS

Littlefield 66, Sundown 0.  
 Levelland 21, Post 12.  
 Slaton 31, O'Donnell 0.  
 Olton 32, Anton 0.  
 Hale Center 41, Whitharral 6.  
 Dimmitt 44, Friona 7.  
 Farwell 44, Amberst 13.  
 Springlake 40, Spade 6.  
 Dalhart 13, Hereford 13 (tie).  
 Slaton 31, O'Donnell 0.

## Springlake Wins Fifth 3-B Game

Springlake scored its fifth District 3-B victory of the season at Spade Friday by defeating the Spade eleven, 40-6.

The visitors had things all their way from the opening gun.

J. J. Barlow got three touchdowns to lead the scoring. Junior Smith of Springlake scored two touchdowns and Dale Underwood chalked up one.

Spade made its only tally late in the game when Earnest Truell went over from the two. The touchdown came after a 40-yard sustained drive.

Springlake had 10 first downs to the three for Spade. The visitors racked up 254 yards total to 123 yards for the local team.

## Cats In Good Shape

All the Cats will be in tip-top condition, barring last minute injuries, and will be all out to take this very important game.

Coach Fikes, in his sixth year as coach at Littlefield, has never been able to defeat the Hornets of Coach Francis Smith on their home field. In 1945, the year Littlefield won the regional championship, the Cats settled for a 20-20 tie with the Hornets and got the game on one penetration. In 1947 the Hornets handed the Wildcats the worst defeat ever inflicted upon the locals since Fikes arrived six years ago. That one ended 36-6.

Hundreds of fans from Littlefield will journey to Sudan to back the Cats. The game will be regarded as the top Class A game of the section this week.

Past records of the teams follows:

LITTLEFIELD		Opp.

## LITTLEFIELD "B" TEAM TRIUMPHS 18-13 OVER LUBBOCK PIONEERS

Lubbock's Pioneers bowed to the Littlefield B team, 18-13, here last Thursday in the last four minutes of the game.

The loss was the second for the Lubbock squad in as many weeks and avenged an earlier, 12-31, loss by Littlefield at the hands of the same team.

Lubbock scored on touchdowns by Robert Gibson and Charles Northington, and Ken Aldridge booted the extra point following the second six-pointer.

Littlefield opened scoring in the first quarter, but Northington tied the count with a 50-yard dash in the second period. The winners pushed across a tally shortly before halftime to take a 12-6 lead.

Lubbock went ahead in the third stanza on Gibson's plunge from the 10-yard line and Aldridge's successful conversion put the Pioneers ahead.

But in the final period Littlefield put on a drive that ended in a touchdown to sew up the game.

Pioneer Center John Pittman suffered an injury to his left hand in the contest, and an x-ray following the team's return to Lubbock showed a fracture of small bones in the hand. He is expected to be ready for action before the next game, however.

## We Thank You!

The football pictures in this Section have all been taken by Taylor's Studio; and the football boys, coaches, and Lamb County Leader appreciate the effort put forth by this studio in taking the pictures at a convenient time for the boys, and also the quality of the workmanship.

The Leader, Coach Fikes, Assistant Coaches, and the Wildcats wish to thank the business concerns who so generously purchased advertising in this Sport section, thereby making possible this first such section ever published in Littlefield as without their fine spirit of cooperation, the project could not have been a success.

### Baylor University Alumni Honor Fighting 1949 Football Team

Baylor University alumni returned to their alma mater at Waco Friday and Saturday to honor a fighting 1949 football team and pay tribute to three Baylor athletic teams of the 1920's who took South west conference championships.

Members of the 1922 and 1924 football teams and the 1923 baseball teams—all conference champions—were honored in a Homecoming reunion.

The Homecoming celebration centered around the Baylor-T. C. U. football game Saturday afternoon in Waco's municipal stadium. A capacity crowd of 20,000 attended the game—and many more would be on hand if there were seating facilities for them.

But activities started Friday night with a Roosevelt Hotel banquet by the "B" Association—those Baylor athletes who have won coveted letters. Members of the three championship teams

were honored throughout the banquet program. State Senator Fred (Red) Harris of Dallas acted as toastmaster, with Stone (Red) Wells of Houston, president of the "B" Association, and Dr. W. R. White, Baylor president, as speakers.

Traditional campfires lighted the campus Friday night, and reunion breakfasts and a parade were on Saturday's schedule. Twenty-six of the campus most beautiful coeds rode floats in the parade as queen nominees of campus organizations and classes. The winner selected by parade judges was crowned Homecoming queen in a between-halves ceremony at the football game.

Members of the returning athletic teams include:

1922 Football Team: John S. Tanner, Dallas; Wesley Bradshaw, Arkadelphia, Ark.; B. J. Pittman,

### WHEAT KINGS

Crowned at the Tri-State Fair at Amarillo on October 6th, the "Texas F.F.A. Wheat King of 1949" is John Block of Kress, and the "Texas 4-H Wheat King of 1949" is Gale Hurter of Booker in Ochiltree County. Pictured above with their trophies, King John received \$100 from the Amarillo Grain Exchange plus a trophy and an all-expense trip to Houston to study the marketing and processing of wheat to be provided by the Texas-Oklahoma Wheat Improvement Program; King Gale received \$100 from the Amarillo Grain Exchange plus \$100, a trophy, and a trip from the Improvement organization. One hundred dollars for the best F.F.A. long time record to be used for a college scholarship was awarded to Leo Erwin of Canyon.

Other prize winners in the F.F.A. contest included: 2nd, Otis Brown of Crosbyton, 3rd, Dale Smith of Claude; and 4th, Dick Doyle of Claude. In the 4-H contest, 2nd, was won by Edwin Weatherford of Texhoma; 3rd, by his brother, Jim Weatherford; 4th, by Marion J. Branbiddik of Gruver. The second prize winners in each class received trophies and \$50 cash from the Amarillo Grain Exchange. All of these boys and their vocational teachers or county agents will be given a total of 16 free educational trips to Houston and Galveston to study the marketing and processing of wheat at the expense of the Texas-Oklahoma Wheat Improvement Program.

Comanche was the variety exhibited by the top 3 boys in the 4-H division while Westar was the variety winning for the top 3 boys in the F.F.A. contest. All samples were graded first for the grain characteristics and the top 8 samples in each division were then milled and baked in Kansas City by the Doty Technical Laboratories. The final awards gave 25% for the grain grading, 15% for the milling, and 16% for the baking characteristics. Total prizes awarded in the Texas wheat improvement contests were over \$2,300 including prizes to 25th place in some of the junior and adult contests provided by the Tri-State Fair.

### South Conference Schools May Set New Attendance Record

The Southwest Conference is on the way to an all-time football attendance record. Indications are that last year's attendance of 1,099,171 will be eclipsed by close to 200,000.

Twenty-one home games played to date have brought 684,871 paid admissions at the seven schools. Last year in the same period 16 games had drawn 398,178.

The average this year is 32,613 per game. Last year it was 24,761.

There are 19 more home games to be played, including Texas-SMU at Dallas Saturday, Texas A. and M.-Texas at College Station Thanksgiving and SMU - Notre Dame at Dallas Dec. 3. All already are sellouts. Dallas seats 72,000, College Station 40,000.

Baylor, Texas, SMU, Arkansas, TCU and Texas A. and M. show increases this season. Texas is more than 60,000 ahead but the biggest gain is by Southern Methodist which is more than three times greater than in 1948.

SMU has played four games this year compared to two for the same period last season but the total is 229,000—an average of more than 57,000 per game. Last year it was 75,000—an average of better than 37,000.

that doesn't have to blush a polite crimson when thrown with a mixed crowd.

Playing within the confines of their own league Oct. 22, Wake Forest finally managed to give Mary Indians, 35-28.

After lying dormant for the first four forays, the Wake Forest finally managed to give Mary Indians, 35-28.

R. (Bubba) Nash, Waco; George Fall, Caldwell; Ralph Collier, Dallas; George Morris, Seymour; Earl Meharg, Bay City; Ivan Reid, Houston; Carr P. Kitchen, Washington, D. C.; Hubert Connally, deceased, was also a member of this team.

1923 Baseball Team: Curtis (Red) Covington, San Angelo; Teddy Lyons, Detroit, Mich.; F. B. Strickland, Waco; Ralph Collier, Dallas; Roy C. Williamson, Shreveport, La.; Wallis J. Roach, Alice; Carl (Jake) Freeze, San Angelo; Ralph Pittman, Washington, D. C.; W. D. Wilkerson, Conroe; Lane O. Gore, Midland; Dr. Walton O. Stephens, Borger; Frank Creasey, Waco. Hubert Connally, deceased, was also a member of this team.

Coaches: Frank Bridge; Jim Crow; Ralph Wolf; F. B. Strickland; J. B. Burch; W. D. Sims.

There's a fond hope among Baylor exes that the return of championship teams of yesteryear will be an omen of victory for the 1949 Bears who have made an enviable record this season.

Likewise making the 1949 Homecoming significant is the fact that Baylor celebrated 1950 Homecoming in a luxurious new stadium adequate to care for the crowds attending.

### Southern Gridders Have Poor Record

Shed a tear for those former ring leaders of the gridiron syndicate—the Southeastern and Southern conferences.

As the '49 season goes into the stretch, neither of these old gentlemen of football can find a representative that might half do for national honors.

Saturday Oct. 22, the final blocks were thrown when the SEC's banner team, Kentucky, pulled a quick fade-out before the SMU onslaught 20-7, and North Carolina, the Southern's last undefeated eleven, lost to LSU, 13-7.

The LSU win over the vaunted Tarheels did service to mix a few bright streaks of color into the Southeastern picture, but, at the same time, it completely wrecked the Southern tableau.

Fact is, the teams of the Piedmont country have just missed batting out a prodigious .000 in their major inter-sectional tilts this fall, with North Carolina's win over Georgia and Duke's trampling of Tennessee the only two saving factors.

In seven other big league clashes the Southern's best have limped away through the back door.

The Southeastern has fared no better. L.S.U. has accounted for both the top-notch inter-sectional wins, downing Rice and North Carolina.

Vanderbilt was quited by Arkansas, 7-6, while the Georgia Bulldogs, in a joust, were halted by underdog Miami, 13-9. Ole Miss lost out to Texas Christian, 33-27.

All this adds up to just one thing, Virginia, a non-conference aggregation sliding through a light schedule remains as the lone football group below the Mason-Dixon

Dr. J. G. Flowers, president of the Southwest Texas State Teachers College, San Marcos, is the newly elected head of the Texas Society for Crippled Children. Other officers for 1949-50 are S. A. Kerr, Jr., Conroe, and Shine Phillips, Big Spring, vice-presidents; Mrs. Larry Nabholz, Dallas, treasurer; Lon Herbert, Alice; Mrs. Herman Olenbush, Waco, and Alvin Wylie, Kilgore, members-at-large. Martin M. Ricker, Dallas, is executive director of the charitable organization.

**Released Army Officers May Continue Careers**

T/Sgt. Gerald F. Cutshall, in charge of U. S. Army and U. S. Air Force recruiting station here, stated today that officers and warrant officers being released from active duty under the provisions of the reduction of officer personnel program of the army and air force, are being sought to fill vacancies in high enlisted grades.

Many officers to be released have a great deal of time on their records for retirement, and thus can continue their military careers until retirement with benefit to themselves and to the military service.

Additional information and assistance on this matter can be obtained from the Army and air force recruiting station at 310 West 5th street, Littlefield.

**Few Violations Of Laws Reported**

Despite the influx of transients into Lamb county and the weekend rains, which idled many of them, there was little action of a criminal nature as the records of the courts revealed few arrests and only three cases disposed of.

Lucious Ward, (colored), was charged by highway patrolmen of driving while intoxicated. He plead guilty and was fined \$50, costs, and six months suspension of his driving privileges.

Alfred (Jaybird) Johnson, (colored) was charged with possessing intoxicated beverages for the purpose of sale. He plead not guilty and posted \$1000 bond.

Leon Langford, arrested by highway patrolmen, was charged with possession of untaxed liquor. He plead not guilty and made bond.

Several other cases remain on the docket, or held in abeyance, and Bob Kirk, county attorney, stated that these have been set for hearing, November 7.

**Farm And Ranch And Southern Agriculturist Unite**

An old Texas institution and farmer's standby Farm and Ranch magazine, has completed an expansion program which gives it 300,000 circulation in Texas, according to an announcement this week by Frank A. Briggs, long-time editor of the publication.

Published since 1881, Farm and Ranch, beginning with the January 1950 issue, will unite with Southern Agriculturist, a farm publication printed in Nashville, Tenn., since 1896.

Editorial offices will be maintained in Dallas as usual, Editor Briggs reported. The new name of the publication will be Farm and Ranch with Southern Agriculturist. A special Western Edition will be published each month for Texas and Oklahoma readers. Over 75,000 readers in Oklahoma will receive the magazine and 900,000 in the other southern states. Mr. Briggs said. The new united publication will go to 15 southern states all told and to over one and one-quarter million subscribers.

In the past Farm and Ranch went only to the southwestern states, Briggs pointed out.

The editors of Farm and Ranch are Briggs, A. B. Kennerly, H. L. Gantz and Mary L. Smith. Other native Texans who will now help edit the magazine are Melcolm Orchard and Charles E. Ball.

Mr. and Mrs. Wm. Ferguson and Mr. and Mrs. Percy Ferguson, of Plainview, Mr. and Mrs. V. Thomas of Lockney, and Mr. and Mrs. Billy Roach of Lubbock visited Mr. and Mrs. Forrest Ferguson.

**Borger Couple Buy It Cafe**

Mr. and Mrs. M. I. Edwards, recently of Canyon, and formerly of Borger, have purchased the It Cafe and have taken charge of the business.

The bus depot is located at the cafe, and Mr. Edwards has been appointed agent.

Residents of Borger since 1933, Mr. and Mrs. Edwards were in the restaurant business in the northern Texas city. Their most recent activity in Borger was the Black Hotel Coffee Shop, which they owned and operated for three years.

Mr. and Mrs. Edwards have a family of five, two of them at home, Beverly Ann, a senior in high school, and Mary Martha, a seventh grade student.

## Ag Students Are Guests of F. O. Masten

Sixty specially selected students from the agricultural department of Abilene Christian university, who are making a tour of west Texas to acquire first hand information on production methods, yields, and basic practices of farmers in this great sorghum, grain, and cotton producing empire, were honored guests at a morning breakfast served at City Cafe in Sudan, Tuesday of last week, with F. O. Masten, largest West Texas farm owner, as host.

More than 100 were seated at the breakfast table, including prominent men from all sections of the county and surrounding counties.

Following the breakfast the large class of students was taken on a tour and inspection of the grain elevators in Sudan and the Masten farms.

Mr. Masten takes a special interest in Abilene Christian university, and emphasized that interest with a recent gift of 100 bales of cotton, as well as other endowments.

## Basketball Schedule Now Outlined

SUDAN, October 25. —(Special) —The North Half District 4-A Basketball schedule for 1949-50 was worked out in a called meeting of coaches for the various schools which comprise the district, in Levelland recently, according to Coach Francis Smith of Sudan, chairman of the committee.

The schedules are determined on a mathematical basis, according to Smith. The schools are each given a number, and then the numbers are placed in a hat for drawing. For instance: If Sudan was No. 1, Muleshoe No. 2, Morton No. 3, and etc., and No. 1 was drawn and then No. 3 is drawn, No. 1 and 3 would be the clubs meeting each other on a date drawn in like manner.

The 1949-50 schedule for conference games Sudan will play are as follows:

- Dec. 13, Sudan vs Morton, here.
- Dec. 20, Sudan vs Levelland, there.
- Jan. 17, Sudan vs Muleshoe, here.
- Jan. 20, Sudan vs Littlefield, there.
- Jan. 24, Sudan vs Sundown, here.
- Jan. 27, Sudan vs Morton, there.
- Jan. 31, Sudan vs Levelland, here.
- Feb. 3, Sudan vs Muleshoe, there.
- Feb. 7, Sudan vs Littlefield, here.
- Feb. 10, Sudan vs Sundown, there.

## High School Honor Roll Students

High school honor roll students for the first six weeks of school were released Wednesday morning. Students making the honor roll must have an average of 90 or above in each subject.

High average students are as follows:

- Sophomores—Diane Hall and Margaret Nickelson.
- Juniors—Mary Jane Coen, Amelia Flores, Patsy Gregg, Glenda Hulse and Constance Huckabay.
- Seniors—Barbara Bryan, Barbara Dunn, Eudine Glover, Coy D. Orr, Nadine Spann, Jo Ann Schovajsa, Donald Tirey and Lois Will.

## Primary Enrollment Continues Increase

Littlefield Primary school enrollment continues to increase. According to Principal Paul I. Jones, 66 students have enrolled since the beginning of school. The present enrollment is 667.

## Pegues Houston Has Eight Oil Wells On His Farm

In the special recent rural section of the Amarillo Times, of interest to Littlefield and Lamb county folks, was the write-up of Pegues Houston and family; of their success on their farm on the Scrape-Out Ranch, in Cochran county. The article is as follows: "Not to be outdone by his friend, Benham, the county FHA supervisor in Lamb county, Walter Pegues Houston, also resigned his job and bought one of the farm units on the 'Scrape-Out Ranch'!"

"Pegues Houston, a graduate of Texas Tech, who was on the Tech faculty from 1938 to 1941 and later was in New Guinea and the Philippines in the service, also was lucky. For he now has eight oil wells on his farm. Incidentally, his wife also attended Texas Tech before the war and majored in business administration. They now have a nice home on the farm for themselves and their three children, Richard, 9, Mike, 6, and Carolyn, 4. On top of that, he has 190 acres in cotton this year and expects to make 100 bales. But he is sorry about one development this summer. He planted 16 acres of sand to weeping love grass which is now up to a wonderful stand. But the oil company came along and drilled a producer right 'slap' in the middle of the fine grass pasture!"

Mr. and Mrs. Houston lived here several years, and she and the children made Littlefield their home during the time Mr. Houston was in the service. They were active in civic and social affairs of the city, and were devoted workers in the First Methodist church, where Mrs. Houston was organist.

## Gold Star Pins May Be Obtained Here

Application forms for Gold Star lapel buttons have just been received by T/Sgt. Gerald F. Cutschall, NCO in charge of the U. S. Army and U. S. Air force recruiting station in Littlefield.

The button is a means of identification for widows and parents of members of the armed force of the U. S. who lost their lives in World War II. One button will be furnished each of the above upon proper identification, without cost.

the first touchdown. After that, it was no contest. Gallaudet's first—and only—team played virtually the entire game. There are few subs for the 60-minute "iron men."

**Deaf Invented The Huddle**

In Gallaudet's glorious era, roughly between 1904 to 1916 the deaf boys took on the likes of Harvard. Some coaches credit deaf schools with inventing the huddle. Gallaudet, Penn and Navy.

det's president, Dr. Leonard M. Elstad, has this theory. Elstad says two deaf teams had to huddle to keep the other from stealing signals. Others copied the idea.

Clayton's problems arise from the complexity of modern football. He pointed out that deaf players are basically handicapped by poor equilibrium. He said:

"They have trouble judging high punts, and they're unable to react quickly enough to spot passes and fast-opening plays."

Instruction, too, is a laborous process, Clayton said. All students at Gallaudet are winners of scholarships in their respective states. Usually, he said, football prospects have never competed before or they have played against other deaf boys.

**RURAL YOUTH AT FAIR**—The parking lot at the State Fair of Texas was crowded with school buses from all parts of Texas by early morning last Saturday. The buses brought part of the vast contingent of farm boys and girls who attended the Fair in the biggest gathering of its kind in the nation's history. There were 75,000 4H Club members, Future Farmers and Future Homemakers among the Fair's biggest crowd of all time—a total of 276,984 visitors. The rural youth came from 200 counties of the 254 counties of the state.

## Veteran Sudan Ginner Retires

SUDAN, Oct. 21—The influx of "Okies" into the South Plains of Texas, dates back many years, and although thousands of Oklahomans, as well as many from other state, have come to this thriving section to make their homes, Ves Terry, Anadarko, Oklahoma, was one of the first to realize the possibilities and future of Sudan and surrounding area. He came here in 1924 and purchased a cotton gin from John Dean and W. H. Whitesides in September of that year.

In his first year here it was estimated that more than 10,000 bales of cotton would be processed by the two Sudan gins. However, an early frost hit the cotton that year and when the season was completed, neither had reached the 1,000 bale mark. Adversity meant nothing to this young ginner, he continued in his business venture and each year the cotton was better and he increased his business. Last year his gin processed more than two thousand bales and the year prior he set a record by ginning almost four thousand bales.

Last week, after more than 25 year of continuous operation, Mr. Terry announced the sale of his gin to M. M. Shearer, an experienced gin man from Colorado City, Texas.

Mr. Terry is succeeded only by L. E. Slate as the man longest in continuous business in Sudan.

Since he came here in 1924 he has acquired extensive farming lands and is known throughout the southwest as one of the fine breeders of Tennessee Walking horses. Terry horses have won too many blue ribbons in various sections of the country to mention. He started his breeding business more than 15 years ago as a hobby, but today is a very profitable business.

against the University of Tulsa. Sisson played nearly a quarter against the Golden Hurricane, who nipped the Indians 27 to 26. Tulsa went on to chalk up a 21-19 vic-

tory over high-flying Villanova. "I'd like to have credit for developing Sisson," Moore said. "But he came to us well-grounded, a product of good high school coaching."

## Lions Organization Make Plans To Build City Near Chicago

Twenty-seven miles south of Chicago's Loop, a new city is about to be born.

Surveying has already begun on "Liondom," a multi-million-dollar project of the International Association of Lions Clubs. Three to four hundred acres of now-vacant prairie will soon sprout forth homes, shops, office buildings, a parking lot and even a cemetery.

Silver-haired Melvin Jones founder and secretary-general of the organization, says the project "isn't any vision or 'dream city.' It got out of the dream stage long ago and was always more than a gleam in the architect's eye. It's going up—and soon."

Lions international headquarters will remain in downtown Chicago, but the new site will include space for additional office and storage facilities, a postoffice and library, motels for visitors, a hotel with banquet rooms, hospitals, schools, colleges, churches, a printing plant and an old people's home. The envisioned cemetery will be known as the "Garden of Memories."

The project grew out of a need for expansion of present headquarters and to provide for member Lions visiting the Chicago area. The Lions' nerve center now employs more than 225 persons, many of whom are expected to make their homes in Liondom.

Jones has announced that 1000 of the 7454 clubs in 26 countries are raising \$1,000 each to help build the model town.

Realizing that America's population is growing at the rate of a million a year, the directors of Lions International conclude that it would be up to employers and groups like their own to provide housing for employes and members.

Low-cost housing is one of the principal goals. Homes in the \$10,000-class are under discussion, although no specific plans for homes have so far been adopted, William Bird, publicity director of the Lions say that building will probably start next year. The Lions will

hold their 1950 convention in Chicago and the directors intend to have something concrete to show conventioners, he says.

Already more than \$500,000 has been spent for land, and more may be bought. Additional millions will be required for actual building. Negotiations for the property so far acquired were carried on in secret so the price of the land would not skyrocket.

At least \$38,000 was voluntarily contributed soon after announcement of the Liondom project.

The tract for the new city lies along the Illinois Central suburban tracks, with a switchback and a station at which all I. C. trains stop. The Loop is 47 minutes away by rail. For commuters, a 400-car parking lot by the station will provide the finishing touch.

## Luke Sewell Named Cincinnati Manager

The Cincinnati Reds had a new manager in dapper Luke Sewell, an old hand at teaching second division ball clubs pennant tricks.

Sewell, only man ever to lead the St. Louis Browns to a pennant signed a two-year contract Oct. 23 to pilot the Reds in 1950 and 1951. The good-looking 48-year-old former American league catcher succeeds Bucky Walters, who recently was dismissed after Cincinnati finished seventh place.

Not only did Sewell have a new two-year contract today, but a heart-warming sendoff from club President Warren Giles as well.

"We know Luke as a well-educated, intelligent person with a fine background and successful experience," Giles declared. "He has an outstanding record as a major league coach, player and manager."

"He did almost a miraculous job with the St. Louis Browns and did a fine job as coach. He knows our ball club and we are confident he will do a great job."

## Billy Sisson Is Star Player For McMurry Team

ABILENE, Oct. 24—A major factor in McMurry's keeping Abilene Christian outside the Indian 29-yard line Saturday night was the play of Billy Sisson, guard from Littlefield.

Sisson, a freshman, has started the Indians last two games—a 39-14 win over previously undefeated Texas A&I and a 21-0 drubbing of the Indians' crosstown rival, ACC.

Besides getting in hard tackles, Sisson helped pave the way for McMurry's 485 rushing yards.

"Sisson's play this season is all the more significant," Moore declared, "when it is considered that he is only a freshman. The first college game he ever played was

# Whitharral Defeat Keeps Alive Owls Championship Ambition

Coach Ralph Huntington's Hale Center Owls kept alive their District 3-B championship hopes Friday night as they swamped the Whitharral Panthers, 41-6, before 500 fans at Hale Center.

It was the fifth district win against one conference loss for the Owls, defending 3-B champions.

Hale Center was in command all the way, with Huntington using reserves freely from the second quarter on. In fact, two substitutes, End Mathan Owens and Back Dennis Oliver, played leading roles in the Owl victory. Owens caught two passes, one on a spectacular diving catch.

Other Owls who took part in the scoring were Lee Jones, Bobby Johnson and Jerry Johnson.

Hale Center scored in every

quarter.

Whitharral's lone counter came late in the game on a two-yard plunge by Fullback Glen Hughes.

The triumph kept Hale Center in third place in the 3-B race, a half-game behind Dimmitt and a game and a half astern of pace-setting Olton.

Weekend guests in the home of Mr. and Mrs. E. B. Luce, included her sister, Mrs. Beth Crump and daughters, Mrs. J. P. Godfrey and husband and daughter, Linda, and Mrs. Jay Sheppard, and husband and daughter, Susan, all of Memphis.

Mr. and Mrs. Elmer Lewis of Lubbock, formerly of Littlefield, spent Friday afternoon here with friends.

## SLATON'S TIGERS BLANK O'DONNELL IN DISTRICT 4-A TUSSELE, 31 TO 0

### Levelland Defeats Post

The Levelland Lobos powered to a 21-12 win over the Post Antelopes here Friday night in a non-conference title.

The Antelopes, one of the two top title contenders in the South half of District 4-A, could not overcome the defensive play of the North half Lobos, even though they led, 12-7, at halftime.

Levelland opened the night's scoring early in the first period after taking the kick-off and racking up three first downs in a drive from its own 38. Quarterback Dee Windsor powered the final yard in a plunge over the center. Left Half Perry Heard converted, and Coach Truett Rattan's Lobos led, 7-0.

Not to be undone, the Antelopes came back after an exchange of punts to drive 38 yards before Quarterback Jack Kirkpatrick passed to End Gordon Carey for 12 yards and the score. Kirkpatrick missed the try for extra point.

Post failed to capitalize moments later on a fumble by the Lobos of their own 39, but midway of the second quarter the Antelopes recovered after Levelland's James Price fumbled a punt return on his own six. Kirkpatrick passed to Half Norman Cash for the tally and again missed the try for extra point.

A possible Lobo comeback was killed by the gun signaling halftime.

Levelland lost no time getting started the second half, however, driving downfield from its own 25 the first time it got the ball for its second score. After five first downs in succession Quarterback Don Wise went across for the score. Windsor carried over for the extra point.

The final tally of the night was made after the Antelopes were forced to punt from their 10, placing the ball down on the Post 29. Fullback Bobo Johnson went from there for a touchdown and also ran-over the extra point.

Standouts in the Lobo backfield were hard to pick, with Glen Clarkson, Wise and Windsor, supported by Johnson and Heard, all sharing in the running attack.

Kirkpatrick's passing kept the Antelopes in the game, while Carey and End Jerry Adom were outstanding defensive players.

Levelland took to the air 13 times for six completions and 76 yards with one interception. Post threw 14 passes and completed four for 38 yards.

The Lobos made 16 first downs during the game, compared to five for Coach Bing Bingham's Antelopes.

### Mrs. Ray McKinney Hostess To Okla. H. D. Club Women

Mrs. Ray McKinney was hostess to the Oklahoma Avenue Home Demonstration Club, Friday, October 21.

New officers were elected as follows: Mrs. J. M. Griffin reelected president; Mrs. J. J. Renfro, vice-president; Mrs. P. L. Helms, secretary; Mrs. Fred Lichte, reelected as treasurer; Mrs. A. H. Stewart, council delegate; Mrs. W. F. Martin, alternate council delegate.

Miss Hambricht gave the demonstration on "Fitting the Garment." Each lady told about her main sewing problem.

Plans were made for the local "Achievement Day" with buffet luncheon at Mrs. E. C. Ross's, Friday, October 28. Club's halloween party was at Mrs. Rex Matthews, October 25.

Fourteen of the club ladies attended the State Fair and told of their trip. All reported an enjoyable trip.

Refreshments, carrying out the halloween theme, were served to the following: Mesdames A. H. Stewart, C. C. Salesbee, C. E. Jones, Rex Matthews, W. F. Martin, U. E. Kelley, J. W. Bitener, P. L. Helms, Fred Lichte, Clem Dubose, L. B. Davis, Clyde Davis, Leonard McNeese, J. M. Griffin, Dee Myers, Miss Dudley Hambricht and the hostess, Mrs. McKinney.

Mr. and Mrs. Pat H. Boone and Mrs. J. D. Dodgen, all grand officers in the grand chapter of Texas, Order of the Eastern Star, were among the special guests at a Fellowship meeting of Brownfield chapter, Order of the Eastern, last Thursday night.

Slaton's Tigers eased into a first-place tie with Post in District 4-A South Friday night by blanking O'Donnell's Eagles, 31-0.

A crowd of 2,500 spectators saw Coach Clarence Tillery's throw up an air-tight defense to capture their third straight conference win of the year.

Coach W. D. Jeter's O'Donnell crew battled gamely, holding Slaton to a 12-0 margin at the third-quarter mark, but the Eagle defense collapsed in the final stanza as the Tigers shoved across 19 points.

Ed Willis scored for Slaton in the first period on a five-yard run.

Willis also counted the second Tiger touchdown, from 20 yards out in the third quarter.

Cecil Bybee lit the fuse on the fourth-quarter Slaton explosion by scoring on a two-yard plunge. Later, Bobby Thompson went five yards for a counter, with Bob Taylor converting from placement. Curly Lewis intercepted an O'Donnell pass and went 35 yards for the closing Slaton tally.

Left Tackle Leon Moore and Harley Patterson, diminutive end, turned in outstanding line performances for the winners.

Right End Carroll Pearson and Halfback Bobby Gass paced the Eagle attack.

### OLTON WINS—

[continued from page one] ing with a 67-yard touchdown spring on a left-end sweep. Jimmie Millsap converted to make it 7-0.

Huck Nichols scored on another spectacular run in the second quarter when he raced 65 yards after intercepting an Anton pass.

In the third stanza, Millsap scored from the five on a right end run. Later, Raymond Durham blocked an Anton punt, Nichols scooped up the ball and ran 30 yards for a touchdown. A pass from Millsap to Garland Rose added the extra point.

Gerald Allcorn jolted the Anton defense again the third period with a 72-yard scamper around right end to pay dirt.

Anton made seven first downs, but was unable to penetrate Olton's 10-yard line.

The Mustangs registered 11 first downs.

Olton's defense was sparked by Center Jack Duncan and Tackle Max Malone.

For Anton, Billy Ray Estes and Billy Ray Glasscock were outstanding in the backfield, while Center Donald Stone stood out in the line.

### CATS EASY WIN—

(Continued from Page One) threw a screen pass to Tommy Bales who ran eight yards to score. Crossley's kick was good and the Cats lead was 47-0 at halftime.

Early in the third period Frank Gage intercepted another Roughneck aerial on Sundown's 25-yard line. On the first try Crossley ran the remaining 25 yards to score. Try for extra point was no good.

Late in the third period, Charles Askew ran two yards to score after a 50-yard jaunt by Gene Renfro set it up in scoring position. Steven Brock ran the extra point over.

At the end of the third period, Coach Fikes started sending his boys to the shower. He had only two substitutes left on the bench with which to relieve his players. Some backfield men had to play tackle and guard on defense in order to fill the vacant holes in the line.

Charles Askew ran 25 yards early in the last period to score the Cats last touchdown. The kick for point was no good.

In order to hold the scoring down Fikes' lads punted on the first down every time and kept the Roughnecks in their own back yard. However, as the game ended, Billy Frank Davis intercepted a pass and ran it back 40 yards to the one-foot line, but the Cats never got a chance to run it over.

One of the best factors of the game was the fact that Sundown never got inside the Cats 40-yard line. This alone shows the tremendous job the linemen put on.

## LAMB COUNTY LEADER

LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, NOVEMBER 3, 1949.

NUMBER 33.

### Friday Is Designated As Poppy Day In Littlefield

Urged Flower In War Dead To Sell Flowers On Streets

November 5, has been Poppy Day in Littlefield by Mrs. Wayne Butts of the American Legion.

### Lamb Co. Council Of P.-T.A. Meets

The Lamb County Council of Parent-Teachers association was held at Olton, Tuesday, with a good representation of teachers and parents attending.

The program featured was "Teamwork for Today's Child," and Troy Armes, principal of the Littlefield high school, talked on the subject.

A musical prelude was rendered by Mrs. Harold Wilson and Supt. J. T. Jones gave the welcome, and introduced guests. Belle Shirley sang "The Holy City".

The program was followed by a business session and a social hour. The Olton unit gave reports on their work.

### Attend C. of C. Tourist Committee Meeting At Amarillo Friday Last

Pat Mann, manager of Littlefield Chamber of Commerce, attended a meeting at Amarillo Friday of the Tourist committee of the Amarillo Chamber of Commerce, at which C. of C. managers over this area were invited.

At the meeting, which was held in the Herring hotel, Texas highway department officials gave talks, and showed motion pictures in the interest of promoting tourist trade.

It was brought out at the meeting that four-fifths of the American population take vacations; and that 7 percent of the total income is spent in travel, and that \$19,000 was spent in 1948 to maintain Texas highways.

Mann was accompanied to Amarillo by Bill Street, local attorney, who attended to business matters Friday while Mann attended the meeting.

As reported by Mr. Mann, the Texas Highway Department, through their six information centers at the Texas state entry points are having distributed Littlefield Chamber of Commerce pamphlets along with other literature.

#### ATTEND MEETING

J. T. McGowen and Ben Gann, officials of the Lamb county REA, were in El Paso last week attending an area meeting of the national REA. Reports from El Paso would indicate that a great meeting was held.

### Attend Baptist Meeting at El Paso

A number from the First Baptist church, Littlefield, are attending the Baptist State convention this week, which opened Monday, and will continue through Friday, at El Paso, Texas.

Those going from Littlefield were Rev. and Mrs. Lee Hemphill, Rev. E. R. Ingram, Mr. and Mrs. W. E. Heathman, Dr. and Mrs. Roy Johnson, Mrs. Tel McLarty, Mrs. Jack Yarbrough, Mrs. Viggo Peterson, and Mrs. Acree Barton.

Mr. and Mrs. Heathman left here Saturday and visited until Monday with Mrs. Heathman's brother and sister-in-law, Dr. and Mrs. H. H. Conder at Deming, N. M., before going on to El Paso for the Baptist meeting.

The local group will return to Littlefield sometime Friday.

### Would Provide For Permit and Making Bond Refuse To Sanction Increase Of Telephone Rates

A number of matters of importance were discussed at the City Commission meeting last week.

A committee for the Chamber of Commerce met with the city, and pointed out the hardship that the out-of-town laundries were causing local laundries by sending so many pickup trucks into this area.

The city attorney was instructed to look into the law on this subject and check with other municipalities.

#### Seeks City Sanction

G. D. Skelly of the Southwestern Associated Telephone company, also met with the city, requesting a reply to their suggestion sometime ago that the city sign an agreement for increase in telephone rentals. After discussing the matter and comparing rates, the city announced that they would not sanction the increase, but that if the company wanted to put in a new rate schedule and the people would pay it, there wasn't anything the city could do.

#### Make Improvements

It was brought out at the meet-

### WOW Candidates From Amarillo To Be Initiated Here

ing that the telephone company has made considerable improvements, and that they are entitled to make a certain percentage of profit.

According to Mayor A. C. Chesher, at the City Commission meeting, the possibility of drilling for oil in Littlefield was discussed, and the passing of an ordinance was considered, placing some restrictions on the size tracts that might be drilled, forbidding the erection of oil tanks in certain locations, making the drilling of wells orderly and not near improvements which might jeopardize a residence or business.

Such an ordinance, according to Mr. Chesher, would provide that drilling companies get permits from the city and make suitable bond to protect the interest of the property owners, and that it would not be compulsory on property owners to lease.

Mr. Chesher added that the city commission was only concerned in the property owners' welfare, and that some cities anticipating oil had passed such an ordinance.

## UTILITIES OFFICIAL PERFECTS WATER WELL TESTING DEVICE

A new water well testing device, which gauges not only the flow of a well, but through a series of computations will reveal the percentage of efficiency at which a well is operating, has been perfected by Earl Lewis, of the Utilization Department of Southwestern Public Service's Plainview office.

The device, which actually is a simple arrangement, was put to test at several wells in the Plainview - Floydada - Muleshoe irrigation belts during August. Com-

pany officials announced that a testing service is now available to irrigation farmers, without charge.

The measuring device consists in the main of a seamless aluminum tube, eight inches in outside diameter, equipped with a 6-inch circulator outlet. In installing it for test, one end of the tube is slipped into the end of the discharge pipe on the pump and the joint made water tight with packing and with clamps. The tube, a little less than eight feet in length, is equipped about two-thirds of the way toward the outlet end with a small pipe, about one-half inch in size and a few inches long. A few feet of rubber hose (flexible) is attached to the small pipe and the hose is secured to a brace pipe so it will be elevated something like three feet above the outlet tube.

Height of water in the small side tube is used for computation of quantity of water from the well. Actually, it is a velocity test, Lewis will explain, and rise of the water

in the tube is sometimes influenced by turbulence or lack of turbulence of the stream coming from the pump. However, the test will average within two percent of actual flow. Meantime, tests are made on water levels in the well, and total efficiency of the well is based on a series of computations, not so complicated, but hard to explain in words, that the made from per-minute outflow of the well, and static (pre-pumping) water level and amount of draw-down of the water level. Also included in the calculation is the amount of effort contributed by Reddy Kilowatt, the well-known electric power gnome.

## Pioneer Texan Is Taken By Death

Charles Edward Hodge, a son of the first white child born in Stephen F. Austin's colony, was taken by death here last Sunday evening, October 23, at 10 o'clock, at Littlefield hospital. He had been a patient since Thursday, when he became critically ill.

Mr. Hodge was the father of Mrs. S. J. Farquhar, with whom he had made his home since the passing away of his wife, in July 1910. He had made his home here beside his wife, who preceded him in death many years before.

Pall bearers were grandsons, Gordon Grimes, J. D. Grimes, Keston Hodge, Jack McClary, Hodge McClary and a great grandson,

Jack F. Dodgen, and a grandson-in-law, T. C. Smith, and a grand nephew, Larry Hodge.

Deceased was born near Round Top, in Fayette county, October 26, 1856. Had he lived until last Wednesday he would have been 93 years of age. He was married to Miss Lucinda Nicks, in 1878. Six children were born to the union, two sons and four daughters. One son died in infancy, and the other, Oscar Hodge, passed away in 1926. The four daughters are Mrs. Farquhar, Mrs. Mae Grimes of Hull, Mrs. Linnet Shelley of Marble Falls, and Mrs. Alma Roberts of Torrington, Wyo. His wife died in July, 1910. Other survivors include a number of grandchildren, great grandchildren and nine great great grandchildren. Until the time of his death, there were five generations in the family.

Besides members of the immediate family, Mr. Hodge has left a host of friends, both old and young to mourn his passing. He was a general favorite in the neighborhood with the children, and he was fondly known as "Papo".

Even in late years Mr. Hodge was mentally alert and enjoyed walking to town and visiting on

the street with his old friends. He had been growing feeble for the past few weeks, but his condition did not become alarmingly serious until last Thursday.

Mrs. J. J. Farquhar, Mrs. W. H. M. Lubbock business visit day morning.

When you talk about VALVE-IN-HEAD you're talking about

## The Power that made Buick Famous

If you want to know what's "the newest thing" in automobile engines, look at the Buick engine pictured here, and you'll see the words "valve-in-head."

But it happens that this isn't new with Buick. As a matter of fact, the valve-in-head engine was invented back in 1902—U.S. Patent No. 771095—and immediately, Buick adopted the principle, which became the first in a long string of "Buick firsts."

Not everyone went for the idea—then. In spite of the fact that this engine "breathes" more freely—gets fuel in and exhaust gases out more easily—others hung onto their pet ideas.

Then came the airplane, with its

need for maximum power from every drop of fuel—and every maker of internal combustion airplane engines adopted the valve-in-head principle.

And more recently—with the hope that higher-octane fuels will become available—a lot of automotive engine designers are taking a new look at the valve-in-head idea.

But just for the record, we'd like to point out that Buick got there first.

And ever since, Buick has gone steadily ahead, building up a name as "valve-in-headquarters." Buick engineers reshaped pistons to put Fireball wallop in these engines. They stepped up compression

ratios as fast as better fuels along.

So perhaps you'll want to be a member, when you hear the "valve-in-head," that this is the power that made Buick famous.

If others want to climb on the bandwagon, we say "more power to them"—and no pun is intended.

But Buick has been doing with valve-in-head right from the start.

And—we might add—it's the reason that Buick is not just making this type of engine better and better.

#### ARRIVE IN GERMANY

36th Fighter Wing, Furstenfeldbruck Air Base, Germany.—Corporal Roy Lee Grisham, son of Mr. and Mrs. Eugene E. Grisham of Littlefield, Texas, has arrived at this air force base overseas.

Before entering the air force in November 1942 Cpl. Grisham attended Littlefield High school and was employed by the Lamb county health program. Since joining the air force he served at bases in California and Louisiana until September of this year when he was assigned to the European command for duty with the 7499th AF Composite Squadron at Furstenfeldbruck, near Munch, Germany.

THE WINNER . . . Mrs. Romaine Dahlgren Simpson, New York divorcee, will become the bride of the Marquess of Milford Haven, cousin of King George, recognized as Britain's most eligible bachelor.

### Cadet Kenneth Hite Promoted

WEST POINT, N. Y. — Cadet Kenneth F. Hite, son of Mrs. Lena Hite of Earth, Texas, has been recently promoted to the rank of cadet corporal in the United States Corps of Cadets, West Point. Hite received his promotion because of his high standing in both academics and military aptitude.

Prior to his entrance into the academy through appointment of Honorable George Mahon of Texas, Cadet Hite attended Texas Technological college at Lubbock. He attended high school at Springlake, and Earth. He is the holder of the Victory medal and has spent 10 months as an aviation cadet.

Since entering the academy, Hite has earned two letters in track. He is a member of the ski and skeet clubs. Kenneth also holds a high position in the public information office.

Upon graduation in June, 1951, as a second lieutenant, Cadet Hite hopes to be commissioned in the air force.

### Star-Telegram Publishes 480-Page Centennial Edition

The Star-Telegram on Saturday night published a centennial edition of 480 pages, the largest newspaper ever printed in Texas.

It carried more advertising, 61,811 inches, and more full page advertisements, 272, than have been carried by any newspaper anywhere in a single issue.

Notable in many respects, the edition celebrates Fort Worth's 100th birthday, reflects the growth of the Southwest and marks completion of new plants for the newspaper, radio and television.

Staff editors were assigned to the centennial edition last May, with copy desk and assignment men working as if for a regular issue. Early this month 400 column of news material was ready. Historical research included such detail as the exact uniform of the second U. S. Dragoons, now the second Cavalry, who under Major Ripley Arnold, commanded the detachment which established Ft. Worth in 1849.

Publisher Amon G. Carter, who has been with the newspaper since 1906, played an enthusiastic role in the making of the mammoth centennial edition.

He says he was "reactivated" by his advertising staff which shelved him 20 years ago. Friendly competition between the boss and sales staff developed.

The result was that Carter himself sold 229 pages of advertising.

Sunday morning Carter took an arm load of the 7½ pound centennial Star-Telegram, knocked at the doors and delivered them personally to the oldest subscribers in his own neighborhood.

## MUTT AND JEFF

By Bud Fisher

## Had RHEUMATISM' So BAD That He Had To Quit Working

Caused by dietary deficiency.

Mr. Jerry Watkins, chief of detectives of the city of Hot Springs, Arkansas, suffered with rheumatism so much and the aches and pains were so terrible that he had to quit working in an effort to regain his health after he had tried everything which his friends recommended.

Detective Watkins is well known and his countless number of friends throughout the country will rejoice to know that he is now healthy, free of rheumatic aches and pains and now working hard.

Mr. Jerry Watkins

"For several years," Mr. Watkins says, "I suffered from a rheumatic condition in the hip and leg. I was very nervous and finally developed migraine headaches. I tried all kinds of medicines but nothing seemed to do me any good. I seemed to be growing worse and worse and was finally advised to take a leave of absence from my work on the police force in an effort to recover my health."

The pains in my head sometimes were unbearable. I suffered tortures and I was miserable. At night particularly I lay awake and could not sleep."

Mr. Watkins said that someone finally persuaded him to try HADACOL, and after taking the first bottle he said he could see an improvement in his general condition.

"On January 14th of this year," he said, "I felt so much better I decided to go back on the job. The examining doctor told me I was in perfect health. Now I am

working from 8 to 12 hours daily and I am able to sleep as any normal person. I have taken six large size bottles of HADACOL and all my friends know I owe my good health to HADACOL."

Mr. Watkins is one of the many thousands of people who suffered from a deficiency of the B vitamins and the minerals that HADACOL contains and who, therefore, found relief in HADACOL.

It is a well-known scientific fact that the lack of only a small amount of the B vitamins and certain minerals in your system will cause certain bodily disorders such as nutritional neuritis, which causes the aches and pains commonly known as rheumatism, and there is no known cure for the ailment except the administration of the needed vitamins and minerals. This is why people who suffered for years and years never were able to obtain any relief until they took the vitamins and minerals the lack of which was causing the disorders.

HADACOL does not contain only one but has five of the B vitamins and four necessary minerals. It comes to you in liquid form so that it will be easily absorbed by the blood and, therefore, carried to the parts of the body which need them most.

So, it matters not where you live—no matter who you are—if you have tried all the medicines under the sun, you should be fair to yourself and give this wonderful preparation, HADACOL, a trial. And if your disease is caused by a lack of the B vitamins and minerals which HADACOL contains, then don't go on suffering—don't continue to make your life so miserable. Temporary relief for you is not enough. Take HADACOL.

Sold at all leading drugstores. Trial size only \$1.25, but save money; buy the large family economy size, only \$3.50. If your druggist does not handle HADACOL, order direct from The Le Blanc Corporation, Lafayette, La., and when the postman brings your package, just pay the amount plus the c.o.d. and postage. If you remit with the order we will pay the postage.

Then, if you don't feel perfectly satisfied after using HADACOL as directed, just return the empty carton and your money will be cheerfully refunded. Nothing could be fairer.—Adv.

**Rev. Heckmann Speaks On Christian Education Sunday**

The answer to the problem of misbehaving and disobedient children lies in the home, declared Emmanuel Lutheran's pastor last Sunday morning. Speaking on Christian education, Rev. Heckmann continued: "The home will never accomplish its objective until mother feels she can render society and above all her children, the greatest good not by competing with men in the business world, but by occupying her God-intended position of a mother in her home, there shaping and molding the character of her precious children. Furthermore, the speakersaid, the home will fair well indeed when father takes as much interest in the children there as he does in his business and occupation. However, the main answer to all of home's problems lies concealed in the word of Christ, as St. Paul expresses it, "Let the Word of Christ dwell in you richly."

That word of Christ parents can best impress upon the minds of their children above all by their way of life and then also by the actual instruction of this word. What the parents are today and the way they feel about these things will usually be found in the children of today, the leaders of tomorrow. We learn by observing, by doing.

A tremendous aid, the pastor maintained, in developing Christ loving children, is the Christian Day school, not the cure-all, but nevertheless an indispensable aid in view of the position which the word of Christ is given. 9A plea to allow the word of Christ to dwell richly among the children wherever and whenever possible, was the final word of the speaker.

## MACHINE COTTON PICKERS AT WORK

J. D. Jordan, manager of the local Texas employment office, reports that a new type of mechanical cotton picker is at work in the fields four miles south, and one mile west of Monroe. There are two of these pickers, and the men who operate them are doing custom picking. They charge \$40 for a 500-pound bale. These pickers are the International Harvester spindle type, one-row models; get 95 percent of the open cotton, and leave the green bolls and leaves. Mr. Jordan advises farmers who want to employ these machines to pay a visit to the fields where they are at work. The machines can pick about eight bales a day.

To illustrate the need of cotton pickers, human or machine type, only 21,177 bales of cotton had been ginned in the county through Wednesday of last week, according to the employment office. That's only about 12 percent of the total the crop is expected to reach.

## FATHER OF MRS. W. P. NEINAST DIES SATURDAY

Mr. and Mrs. W. P. Neinast and family of the Hart Camp community were called to Sagerton, in Haskell county, over the weekend to attend the funeral services of her father, Frederick William Stegemoeller, 79, who passed away Saturday morning, at 7:00 o'clock.

Services were conducted Sunday afternoon at 3:00 o'clock, from the Zion Lutheran church, at Sagerton, with the pastor, Rev. H. E. Driessner, officiating. Burial was in the Fairview cemetery.

Deceased was born October 3rd, 1870, in Levern, Germany, and came to the United States with his parents, at the age of ten. The family settled in Washington county, Texas. In 1891, December 15th, he was united in marriage to Miss Bertha Stalz.

Surviving is the widow and three sons, Will, Fritz, and Clarence, all of Sagerton, and two daughters, Mrs. Emma Neinast of Littlefield, and Mrs. Betty Balzer of Sagerton. One brother, Louis Stegemoeller,

age 85, of Hamilton, Mrs. Henrietta Elizabeth. Thirteen grand children, seven great grandchildren survive.

## FBI Conduct School Of Instruction Here

Lawbreakers will find the going increasingly rough in this area.

The FBI had representatives here for several days last week conducting a school of instruction for the county's officers. Among the men on the instruction list is David O'Brien, a former TCU football player. With the newest techniques in crime-busting at their disposal, Lamb county peace officers will be better equipped than ever before to maintain the traditional "peace and quiet." The long arm of the law is getting longer.

## Junior C. of C. Board of Directors To Meet Nov. 5

The Texas Junior Chamber of Commerce will open its annual State Board of Directors meeting in Lubbock Saturday, November 5. The keynote luncheon will mark the beginning of activities with the main address for that affair to be given by Clifford D. Cooper, president of the United States Junior Chamber of Commerce.

Dr. J. W. Marshall, president of Wayland college, Plainview, will be guest speaker at the general assembly on November 5. He will speak on the organization's number one state project, Jaycee Universal Understanding.

John Rudisill, executive vice-president of the Kansas State Junior Chamber of Commerce, another guest speaker for the assembly, will discuss the Hoover Commission report and the participation of Jaycee clubs in this program.

Evening activities include a banquet and dance. Melvin Evans, vice president of the United States Jaycees and William Kessler, president of the Ohio State Junior Chamber of Commerce, will be guest speakers.

The following day a breakfast and business session on Sunday, November 6, will conclude the two-day meeting.

Seven hundred fifty Jaycee delegates and wives will participate in the statewide meeting with headquarters at the Hilton, Lubbock.

## Art Department To Meet Wednesday

Hostesses will include Mesdames James Crump, Rhenard McCary, O. W. Still and Elton Hawk.

## Deadline for Xmas Packages Rapidly Approaching

The deadline for mailing gifts to many foreign countries in order to assure their delivery prior to Christmas is rapidly approaching, according to T. U. Purcell, district manager for the U. S. Department of Commerce in El Paso.

"In just a little more than two months, Christmas will be ours once again," Mr. Purcell said, "and to make sure that we do reap the full enjoyment of giving—and, just as important, that our friends and relatives in foreign countries receive our gift packages with a minimum of delay and without expense to themselves, all of us should fully understand the regulations of this and other countries relating to the shipment of gift parcels."

Purcell suggests that anyone thinking of sending Christmas gift parcels to foreign destinations should ask his office for a copy of the commerce department's gift package memoranda for the country to which the package is going. The memoranda contain the regulations of the particular country affecting the treatment of gift packages, and may be obtained from the El Paso district office of the U. S. Department of Commerce, in the El Paso Chamber of Commerce building, without charge.

## SOUTH PLAINS GINNINGS LOWER THAN FOR SAME PERIOD LAST YEAR

South Plains cotton ginnings slowed by a late-maturing crop and wet weather, totaled only 42,163 bales on Oct. 1, compared to 57,040 bales at this time last year, figures of the Bureau of Census, Department of Commerce, revealed Tuesday.

The ginnings were reported by 15 counties of the 19 cotton counties of the South Plains area, no reports on ginnings in Floyd, Farmer, Castro and Briscoe having been compiled.

Dawson county, with 12,616 bales, was leading the area, compared to 4,723 bales at the same date last year. Only three other counties, Scurry, Garza and Gaines, reported more ginnings on the same date this year as last year.

Ginnings in the area were just beginning to start on Oct. 1, however, and the next report is expected to see a substantial increase over the 1948 figures, cotton men said.

Mr. and Mrs. Hardy Swope of Killen, who have been guests in the home of their son and daughter-in-law, Mr. and Mrs. Charles Swope, for the past week, returned home Sunday.

## Poppy Day—

(Continued from Page One) and Flanders, that flourished and bloomed amid the war's desolation. Saturday Proclaimed Poppy Day Saturday was set aside as Poppy Day in Littlefield in a proclamation issued by Mayor A. C. Chesher. The proclamation urged all citizens to observe the day by wearing memorial poppies in honor of those who gave their lives in the two World wars.

**To Honor Dead** Poppies which the people of Texas will wear in honor of the war dead are shipped from the Legion hospital in Kerrville and the Veterans Administration hospital in Waco, where the little red flowers are being made by disabled veterans of both world wars.

Shown in the above picture are: Guy Bridges (in wheel-chair), World War II veteran, who has been making poppies for four years while in the Legion hospital, and Philip Whittlesey (in bed), World War I veteran, who has been making poppies for several years while in the hospital there.

**Provide Employment** "Making these flowers has provided interesting employment for veterans at the hospitals during the winter and spring months," explained Mrs. Frank Sheffield, Poppy chairman of the department. "It has helped keep their hands and minds busy, relieving them of long hours of tedium and contributing its occupational therapy value toward their recovery."

"Poppy making has given these veterans the encouraging experience of being able to earn money again, often after many months of idleness. They are paid by the Auxiliary for each poppy they make and are able to earn helpful amounts during the poppy-making season."

"Much of the money is sent home

by the veterans to help support their wives and children, who often have a difficult time when the veterans require hospitalization and are unable to work for long periods. It gives the veterans a decided lift in moral when they are able to send something to their families. Those without dependents use the money to create a nest egg for themselves against the day when they leave the hospitals and endeavor to re-establish themselves in life.

"The poppies are fashioned by hand, veterans working in their beds, in wheel chairs or in occupational therapy shops. Materials are provided by the Auxiliary and the finished products collected regularly by Auxiliary workers. The flowers are made of crepe paper in replica of the little wild poppies of France and Flanders, which grew on the battlefields and cemeteries of the two world wars."

## NSLI Checks May Go To Cover Veterans Debts To Government

More than a half million veterans who owe the government money as the result of overpayments on subsistence allowances or other veterans benefits or defaults on loans guaranteed by the Veterans Administration may find all or part of their share of the forthcoming special dividend payment on National Service Life Insurance deducted to cover their debts, VA said today.

VA estimates that somewhere between 20 and 30 million dollars of such debts may be collected from the NSLI dividends.

All of the individuals concerned are aware of their indebtedness to the government and know that it is deductible from other VA payments to which they may be entitled, the agency said.

Some 600,000 veterans are currently indebted to VA for a total of about 70 million dollars. The bulk of this amount constitutes overpayments on subsistence allowances for veterans taking educational courses or training under the GI Bill.

Other types of indebtedness are overpayments on pension, compensation or readjustment allowances, and losses made good to lenders on defaulted GI loans.

A considerable number of veterans are now repaying indebtedness by having deductions from their monthly checks. When the overpayment is wiped out, as it may be by the dividend deductions, there will be no further monthly withholding.

**Questions And Answers** Q—I am taking a course in automobile mechanics under the GI Bill, but I am afraid I am not out

to be a mechanic. What must I do to change to a different trade? A—After November 1, 1949, you will have to undergo advisement and guidance from VA before you will be allowed to change to a different field of training. Your nearest VA office can make necessary arrangements for advisement and guidance.

Q—I read somewhere that World War II veterans will get their NSLI dividend checks before this Christmas. Can you tell me when I will get my NSLI dividend check?

A—There is no possibility that any NSLI dividend checks will be mailed before January, 1950. About the middle of January, the checks will be going out at the rate of 200,000 a day.

Q—I have a guaranteed loan on my home and I have suddenly come into some money. May I pay off the balance of my loan at once?

A—Yes, you may pay off the loan before it becomes due and without any unearned interest or other penalty.

Q—I am drawing retirement pay and now plan to begin school in February under the GI Bill. May I also receive subsistence while attending school?

A—Yes.

## Whiteface Farmer Is Indicted

Leon Nichols, 37-year-old Whiteface farmer, was indicted last week by a 72nd district grand jury for murder in the gunshot death of his wife.

Judge Dan Blair ordered the defendant held in denial of bail.

Nichols has been held in Hockley county jail in Levelland on a charge of assault with intent to murder since the Oct. 14 shooting

at his farm home. He was indicted Oct. 22 of a bullet wound to the chest.

The grand jury also returned an indictment of assault on Johnson, 35-year-old negro cotton picker, with the shooting of a Bond of \$2,000 was set.

The victim, James Johnson, was described in good health when taken with a bullet in the chest.

# Concert Association Starts Area Membership Drive

## Considerable Oil Leasing And Royalty Buying Taking Place Here

### Kickoff Dinner Tuesday Night Opens Campaign Goal 600 Members; Don Hayes Is President of Assn.

Approximately 40 attended the kick-off dinner Tuesday night at Dyers cafeteria, when the annual membership drive of the Lamb County Concert association got underway. Those present were officers, board of directors, team captains and volunteer workers in charge of the membership campaign.

Don Hayes President  
Don Hayes is president of the organization, and in an interview with him yesterday morning he stated that the drive for membership would continue through until next Tuesday night, Nov. 8th. There will be no single tickets sold for any one concert. Admission to the concerts will be by membership only, Mr. Hayes said. Memberships will not be accepted after the close of the drive.

Those who are interested in securing memberships are asked to contact workers in the campaign, or they may be obtained at the chamber of commerce office.

Goal 600 Memberships  
Memberships are \$4.80 for adults and \$2.40 for students. Members are assured of three concerts during the season. Artists have not as yet been selected. The goal for membership is set at 600 members.

Officers of the association are the president, Don Hayes; vice president, Mrs. L. B. McClain; secretary, Miss Marilyn Winston; treasurer, Allen Hodges.

Appointive chairmen are Mesdames E. J. Packwood, J. W. Keithley, O. P. Wilmon, C. O. Stone, and Mr. Manell Hall. Each division chairman has appointed team captains, and each team captain has appointed five workers.

### "BIG STORY" OF INTEREST HERE

John Nail, former Clovis newspaper reporter, and now a Littlefield photographer, was probably the most avid local listener, when "The Big Story," one of a series of crime recital and solution programs, aired weekly by National Broadcasting company, was on the air last night.

Mr. Nail's interest was predicated on the fact, that he, personally, had a part in solving the crime, related in the broadcast, as a co-worker with Jack Hull, former Clovis newspaper editor, the pair cracking a crime, which resulted in bringing two colored men to justice and sentence, for the murder of two of their colored companions, whose bodies were found on the railroad tracks in Clovis.

Mr. Nail had planned a radio party in his home here the night of the broadcast, and had invited Mr. Hull to be the honor guest, to hear the broadcast. Ill health of Mr. Hull forced him to advise his friend and co-worker in the crime solution of 1941, that he would be unable to attend.

A group from Littlefield Chapter of the Order of Eastern Star were guests of the Olton chapter at a Friendship program.

# LAMB COUNTY LEADER

VOLUME XXVI.

LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, NOVEMBER 3, 1949.

NUMBER 33.

## REA Cannot Give Rural Telephone Service, Announces J. H. Carl, Mgr.

### ELECTION TO BE HELD NOV. 8

Registered voters of Texas will go to the polls next Tuesday, Nov. 8th, asking the 16 Lamb county precincts to vote For or Against, ten amendments to the state constitution, largest number ever authorized to be voted upon in any one year in state history, all authorized at the last session of the legislature.

The wording of the propositions on the ballot generally are clear, with the possible exception of the No. 2 Amendment, which if carried provides not only for indefinite length of legislative sessions, and also for legislators to draw pay on a yearly basis, instead of per diem as now, a salary increase amounting to several hundred percent. On the ballot the wording is simply "relative to sessions of the legislature and to compensation of its members."

The ten Constitutional Amendments appear first on the ballot, and the voting procedure is merely to scratch out either the "For" or "Against" paragraph on each of the ten numbered amendments.

In addition the voters will have opportunity to vote their choice for a member (from this Congressional District) for the newly to be created State Board of Education, as well as for a candidate (choice of three) for the office of State Representative from this district, to succeed I. B. Holt, resigned, the successful candidate to complete the unexpired term.

The ballot also provides an innovation, which will be new to many voters, in that a small perforated and numbered upper right hand corner of the ballot must be signed on the reverse side by the voter, and this in turn detached from the ballot before it is placed in the box by clerk or judge, insuring the secrecy of the ballot, as no number remains on the ballot after the perforated signature and number are removed.

Two candidates appear on the ballot for State Board of Education, J. N. Rankin of Ralls and E. H. Boulter of Lubbock.

Three candidates appear on the ballot for State Representative, Tom W. Deen, Harold M. LaFonte and Joe Jennings.

Following are the Constitutional Amendments submitted, on which you have opportunity to vote next Tuesday, in the order in which they appear on the ballot, preceded by the words "For" and "Against":

1.—The Constitutional Amendment authorizing the Legislature to provide for Civil Service in counties upon a vote of the people therein.

2.—The Constitutional Amendments relative to sessions of the Legislature and to compensation of

### Girl Scouts To Stage Skating Party

In celebration of National Girl Scout Week, the local Girl Scouts will stage a skating party at the Roller Rink on Saturday morning, November 5, at 10:30. At the same time, the Brownies will have a party at the Girl Scout house on the Littlefield school grounds.

Each Brownie troop will perform a stunt and a prize will be given to the troop with the best stunt. They will bring sack lunches and their cold drinks will be provided by the Girl Scout council.

Girl Scouts and Brownies in Amherst, Anton, and Sudan have been invited to the parties.

### LOW READING 33 DEGREES

The thermometer atop West Texas Gas company offices gauged an official 33 degrees early Monday morning, the low reading of the fall season.

Lubbock reported a low of 25, and Amarillo about the same, with heavy freezing temperatures lasting several hours.

its members.

3.—The Amendment to the Constitution of the State of Texas authorizing the Legislature to provide for the establishment and creation of hospital districts.

4.—The amendment to the Constitution of the State of Texas eliminating the provisions in said Constitution making the payment of poll tax a requirement for voting, and providing for a general registration law.

5.—The Constitutional Amendment authorizing the Legislature to pass laws for the creation and operation of city-county health units and to authorize cities and counties to vote a tax-in support thereof.

6.—The Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees.

7.—The Constitutional Amendment providing that the District Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law.

8.—The Constitutional Amendment authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts.

9.—The Amendment to the Constitution of the State of Texas providing that the Legislature may provide for the trials without a jury in lunacy cases.

10.—The amendment to the State Constitution qualifying women as grand and petit jurors.

J. H. Carl, manager of Lamb County Electric Cooperative, and Ben Gann, J. R. Kuykendall, Charlie Sanders, V. H. Diersing, and Oren Kirk, directors, returned Wednesday night of last week from the regional meeting of Texas, New Mexico, and Arizona, which was held at the Paso Del Norte hotel, El Paso.

Gov. Shivers Speaks  
Main speakers for the three-day session, held Monday, Tuesday and Wednesday, were Governor Shivers, Senator Johnson and Railroad Commissioner Culbertson.

Telephone Bill Topic of Meet  
The passage of the Rural Telephone Bill, which was signed by the president Friday last, was one of the main topics of discussion at the meeting.

In an interview with Mr. Carl Monday, he stated that there was some misconception on the part of the rural population in regard to the recently passed legislation; that the farmer apparently seem to have gathered the impression that the local electric cooperatives are going to furnish the telephones in the rural area, whereas this is not a fact.

No Funds Available

Mr. Carl explained that written into the bill is a provision that during the first year no loans to new companies can be considered until all applications of existing telephone companies serving in the area receive final action, and that from all indications the present telephone companies operating in all areas are going to take up all available funds for several years.

It would, therefore, indicate that persons desiring telephones should seek the cooperation of the telephone companies in that particular area.

REA To Cooperate

Mr. Carl added that "it is possible, wherever it is feasible, for the existing telephone companies to use the existing facilities of the Rural Electric Cooperatives in extending the telephone service to the farmers, but in my opinion it lies in the hands of the farmers themselves and not the REA office to secure this service. We are willing to lend assistance wherever possible."

### Local Man Injured In Car Accident

Jack Dirickson, 18, was admitted to a local hospital soon after midnight Friday suffering from head and face injuries, and a possible fractured jaw, sustained when the car in which he was riding with J. D. Tinker, also 18, was in collision with an automobile driven by Frank Mendez, 22, a transient. Tinker escaped with a few scratches.

The accident occurred at the intersection of West First street and DeLano avenue.

Mendez was arrested at the scene of the accident and was charged with driving while intoxicated, and was lodged in the Littlefield jail.

He appeared before Judge O. F. Dent, Monday, pled guilty, and was assessed a fine of \$50.00 and costs. He paid the fine.

ELECTED TO OFFICE

Neal Rockey of Muleshoe was elected High Priest of the IOOF at the final session of the organization's meeting last week at Brownwood. Thelma Gage of Clrckback was named vice president of the ladies auxiliary.

### WILDCAT BAND SWEETHEART

Photo by Nail Studio  
Pictured above is Miss Yvonne James, Littlefield band sweetheart, who was crowned last Friday night, during the half-time of the Littlefield-Sundown football game, when the Wildcats won by a 66 to 0 victory. Driving on the field in a brand new Mercury convertible, Miss James was escorted to the center of the field by Tommy Brawley, as the band was standing at attention. The sweetheart was presented with an arm bouquet of bronze mums, tied with a maroon ribbon—and a great big kiss by her escort. Miss James was elected by popular vote by members of the Wildcat high school band. She is a senior student, and is playing her third year in the band. She is the daughter of Mr. and Mrs. W. A. James of Littlefield.

### Last Rites Tuesday For Mrs. Witcher

Funeral services for Mrs. B. J. Witcher, 70, were conducted at 2 p. m. Tuesday at the Ninth street Church of Christ, Littlefield, with Bro. Norman Gipson of Amherst officiating.

Interment, in charge of Hammons Funeral home, took place in the Littlefield cemetery.

The pallbearers were: Paul McCormick, W. A. McCormick, Less Barker, J. H. Yeager, and Wilford Turner of Littlefield, and Joe Pinkerton of Plainview.

Flower girls were the following: Mrs. M. S. Garrett, Katherine McCormick, Mrs. Staton, Mrs. Allen Rhodes, Mrs. Ellis Foust, Mrs. Jim Carroll, Mrs. Roy Gattis, Mrs. Bill McCormick, Mrs. W. D. Turner, and Mrs. Shipp.

Mrs. Witcher, a resident of Littlefield for 25 years, passed away at the Lubbock Memorial hospital in Lubbock, Sunday morning at 11:15 o'clock, where she had been a patient since the Monday previous. She had been in ill health for almost a year.

Survivors include six sons and four daughters.

The sons are: Otis and Alvis C. Witcher of Littlefield; V. D. and Jess Witcher of Abilene; and James L. and Norman Lee Witcher of Amarillo.

The daughters are: Mrs. E. W. Yeary, Mrs. B. E. Turner and Miss

### Police Nab Four Men At Plainview, Wanted On Burglary Charges

Ben Chadwick, Jr., Robert Selman, Eddie McClendon, and a juvenile were arrested on a charge of burglary, by Plainview officers at that city Wednesday of last week, on instructions from Randall county sheriff's office.

The three men were taken to Canyon and lodged in jail there, while the juvenile was given into the custody of his parents near Plainview.

In September last, the homes of Dean Robinson, Floyd Chafin and Mr. Bearden in Rocky Ford community were entered, and clothes, guns, and money were taken.

Besides Lamb county, officers report that these men are wanted in four other counties on burglary charges.

The sheriff's department here reports that Deputy Sheriff Truman Cotton went to Dimmitt, to where Chadwick had been transferred, and obtained a statement from him.

Deputy Sheriff Cotton is also reported to have gone to Canyon and secured a statement from Eddie McClendon, after which he transferred the prisoner, Robert Selman, to the Littlefield jail.

Naomi Witcher, all of Littlefield; and Mrs. Tom Pinkerton of Turkey, Texas.

## High School Plans To Be Completed In November

Drawing and plans for the new Littlefield High school building, which was assured for Littlefield early this summer, when voters of the Littlefield Independent school district overwhelmingly approved the issuance of bonds in the sum of \$500,000, and the bonds since sold, are expected to be completed and delivered to the board, on or about November 15, school officials have been advised in a letter from

Atkinson & Atchinson, Lubbock architects.

The normal procedure following would be approval of the submitted plans, with possibly some changes, and then the advertising for construction bids.

It is reported that numerous contractors have already consulted with the planners and the school board, with a view toward bidding on the project, at such time as bids are called for. No notice of

call for bids has yet been made, however, and such a call is still probably several weeks away.

### Arrest Made And 93 Bottles Of Whiskey Recovered Thursday

Elvira Shaw, colored, was arrested Thursday night by city police and Sheriff Sid Hopping in the colored section of Littlefield, and was charged with possession of liquor for purpose of sale.

A total of 93 bottles of whiskey was recovered by police. Defendant appeared before Judge O. F. Dent Saturday morning, and made bond.

Her case will come up in the November term of county court.

## Betty Jo Gray And William Anderson Wed In Formal Church Wedding

Photo by Nail's Studio

### MR. AND MRS. WM. ANDERSON

In a double ring ceremony performed at the First Baptist church Sunday afternoon at 3 o'clock, October 30th, Miss Betty Jo Gray, daughter of Mr. and Mrs. W. J. Gray of near Littlefield, became the bride of William Anderson, son of Mr. and Mrs. C. P. Anderson of this city.

Arrangements of bronze mums, autumn leaves and ivy, formed an archway over the altar, for the setting of the double ring ceremony, which was read by the pastor, Rev. Lee Hemphill.

To the strains of "Ah, Sweet Mystery of Life," played on the Hammond organ by Mrs. Dewey Hulse, Miss Peggy Gray, sister of the bride, and Parker Anderson, nephew of the groom, lighted the candles.

### Mrs. Findley Sings

Traditional wedding selections and marches were played by Mrs. Hulse, organist, who also accompanied Mrs. Weldon Findley as she sang "Oh Promise Me."

Donald Carr, uncle of the bride,

gave his niece in marriage. Her bridal floor length gown of white satin was fashioned with a fitted bodice, with full gathered skirt. The long fitted sleeves were rounded over the hands. The bride's fingertip veil of lace was caught by a tiara of seed pearls, on a band of white satin. Her bouquet was of white gardenias and greenery, tied with a white satin ribbon.

Ring bearers were little Leon Cook, who wore a blue suit and a white shirt, and little Miss Evonne Haight, who wore a formal satin dress, designed as that of the bride.

Miss Eloise Gray Bridesmaid Miss Eloise Gray, sister of the bride, was bridesmaid and she wore a gown of turquoise satin, fashioned after the bridal dress. Her corsage was of carnations.

Orville Bassett served as best man, and Billy Gray and Royce Jennings were ushers.

The bride's mother chose a red gabardine dress with black accessories for her daughter's wedding. Her corsage was of white carnations.

### Reception Is Held

After the ceremony, the wedding party and more than one hundred guests enjoyed a wedding reception in the dining room of the church.

The table laid with a lace cloth over yellow satin, was centered with the wedding bell shaped cake, of white, decorated with yellow roses and surrounded by white net. Tiny wedding bells and white bebe mums and yellow candelabra completed the table decorations.

Miss Marie Olivo served the cake, and Mrs. Bill Weige presided at the punch bowl.

### On Wedding Trip

For travel on a wedding trip to El Paso, Mrs. Anderson chose a rust colored corduroy dress, with green accessories. A corsage was fashioned from her bridal bouquet.

The couple is expected to return home this weekend and they will be at home with her parents.

Mr. and Mrs. Anderson are both graduates of the Littlefield High school. She is a member of the class of '48, and he is a member of the class of '47. Mrs. Anderson attended Texas Tech one semester.

## Local "Stars" Who Will Participate In OES Grand Chapter Meeting

PAT BOONE

No city in Texas will be more represented, with places on the program, and in number of individual members occupying high places in the order, when the Grand Chapter of Texas, Order of Eastern Star, holds its annual meeting in Dallas, opening next Sunday evening, and continuing through the following Thursday.

Mrs. Pat Boone, associate Grand Conductress, her husband Pat Boone, immediate Past Grand Patron, Mrs. Blanche Dodgen, deputy Grand Matron, Mrs. Emma Ruth Bellomy, Worthy Matron of Littlefield Chapter, and Mrs. Grace Findley, member of the local chapter, all will have parts, highly important part, in the elaborate program and ceremonies that have been arranged.

And the more than 200 members of the local chapter will be interested and eagerly awaiting reports from this important gathering from those above, and from others of the local membership, who will attend all or part of the sessions.

The 67th annual session of the Grand Chapter of Texas Order of the Eastern Star will

MRS. GRACE FINDLEY

convene in Dallas next week, beginning Sunday evening, and will continue through until Thursday, November 9th.

Sunday afternoon, an informal tea will be given in the Crystal ball room of the Baker hotel. Heading the receiving line will be the worthy grand matron, Mrs. Esther Baldwin; worthy grand patron, Dr. T. G. Rogers, and all other grand officers.

Registration will begin at 9 o'clock Monday morning, at Fair Park auditorium, where the sessions will be held. The official opening of grand chapter will be Monday night, when a pageant will be presented in the auditorium. At this time all general grand and grand officers present will be introduced. Mrs. Abbie Hanson, most worthy grand matron and Franklin L. Miles, most worthy grand patron and other general grand officers will be present. Miss Mary Jane Truman, sister of President Harry S. Truman, will be in attendance.

Mrs. Flora Best Boone, associate conductress of the grand chapter, will of course fill her station at all the sessions. On Wednesday noon, she will be

MRS. BLANCHE DODGEN

honored with a luncheon, by the "Flora Best Boone girls," to be held in the Mural room of the Baker hotel.

She is chairman of the arrangements committee, for a luncheon, honoring the most worthy grand matron and most worthy grand patron of the General Grand Chapter. Her committee is composed of all the floor officers. She has held a great number of offices in grand chapter, and is one of the most popular grand officers in the state.

Pat H. Boone, junior past grand patron of grand chapter, will be called upon many times during the grand chapter session. He is a member of an important committee, and he has also been asked to give a special tribute to the flag.

Mrs. Blanche Dodgen, who was appointed deputy grand matron, district 2, section 4, last year at grand chapter, will have an important place in the grand chapter this year. One of her duties is to arrange for the district two banquet, to be held on Thursday night, in the Crystal ball room of the Adolphus hotel. Honor guests will be line officers from this district and

MRS. EMMA RUTH BELLOMY

will include the worthy grand matron, Mrs. Esther Baldwin and Mrs. Flora Best Boone. Mrs. Jessie Faye Ackerman of El Paso will serve as co-chairman with Mrs. Dodgen. Mrs. Dodgen, who is a past matron of the local chapter, always has taken an active part in Eastern Star work. She has made many friends over the section and also over the district, in visiting the chapters this year.

Mrs. Emma Ruth Bellomy, worthy matron of Littlefield chapter, will have a special place in grand chapter, when she will serve as page-to Mrs. Flora Best Boone. She will also have a part in the Worthy Matron's drill, which will be composed of all worthy matrons in the state of Texas. The drill will be presented at a night session.

Mrs. Grace Findley has been requested to sing a solo, at the district two banquet. She will be accompanied by Mrs. Annie Reynolds of Lubbock Chapter 76. Mrs. Finley is a comparatively new member of the local chapter. She is a member of the chapter choir, and is an ardent worker in the Littlefield chapter.

### Rev. Ft. Higgins Is Guest Speaker At Altar Society Meeting

"My Trip to Ireland This Summer," was the topic of the talk Rev. Ft. M. Higgins, pastor of Sacred Heart Catholic church, made Tuesday afternoon, at a meeting of the Sacred Heart Altar Society which was held at the home of Mrs. Ruth Zoth, 1112 W. Fifth street.

During the business session, plans were made to have a combination card party and "42" party, and a chili supper, sometime during the month of November. Mrs. Herbert Dolle, Mrs. N. M. Ammons and Mrs. H. J. Miller, were appointed to make arrangements. The time and place will be announced later. The general public is invited. Also plans were made to hold a home-baked food sale sometime during the month.

The local society voted to affiliate with the "Order of the Eastern Star" and this society makes and supplies

linens for missions, that are financially unable to supply their own needs.

Guests were Mesdames Oscar Brown, Walter Schmalsteig, and Herbert, Shamburger of Levelland St. Mary's Altar Society, and Rev. Higgins.

### Considerable—

(Continued from Page One)  
100 acres adjacent to the city limits.

There is even activity in the signing up of city lots, but this detail is largely being handled by local real estate men, who undoubtedly know where there is a market for those leases even on the small tracts.

This paper is being exceedingly careful in reporting these occurrences, even though, we ourselves have recently signed a lease on a small tract we own beyond the city limits.

We are exercising this caution, because just like you and others, we don't know, either the what, the why, or the when, and have also seen other oil bubbles form, enlarge, expand and bloom—but also do the same thing, and then either burst or fade away.

We have had several tests made by drilling crews in all sections of the county, and of course, in one of these a moderate amount of production was obtained.

An oil boom may be around the corner—it may be months or years away—it may again fade away, as some others, here and elsewhere have faded before.

The fact is here beyond dispute, that there are oil lessors and their agents here on the ground, backed up by substantial deposits suddenly placed in local banks, and with unlimited credits behind them, and some of this money, how much or how little we do not know, has already changed hands, and is changing hands with each succeeding day.

Reports are in conflict as to the prices being paid. The highest we have heard of has been at \$50.00. There were rumors of \$100 an acre offer, but these have never been confirmed to our knowledge.

There may or may not be oil ready to flow here in Littlefield and in this section of Lamb county, but there is no denying, nor is there question that oil leasing activity and oil conservation and rumors are here, on tap, in abundance.

### P.-T.A. Carnival Is Big Success

The P.-T.A. Halloween carnival goes down in history as being one of the most successful ever staged in Littlefield. The weatherman, the general public, the spooks and the goblins, all co-operated.

More than \$1100.00 was realized, with the queen race bringing in the most money.

Several hundred children participated and prizes were awarded.

## About People You Know

Mr. and Mrs. C. H. Hale are planning on moving to Portales next week, having sold their home on East Seventh street to Mr. Roberts of Anton. Mr. Hale is operating his ranch near Portales, and living at Portales will be much more convenient to them.

Newt Holloway of Kerens, Texas, arrived Friday for a few days visit in the home of Mr. and Mrs. W. D. Chapman.

Ronnie and Dommie Scribner, twin sons of Mr. and Mrs. C. W. Scribner of Levelland, were admitted to the Payne-Shotwell hospital Wednesday of last week suffering from pneumonia. Much improved, Donnie was dismissed Thursday, but Ronnie remained a few days longer. He is reported as doing fair.

Mrs. Era Lewis spent the weekend with her daughter and son-in-law, Mr. and Mrs. Lynn Nelson, at Brownfield.

Mrs. H. H. Hale is expected to return home this week after spending two weeks at Tulsa, Okla., with her daughter and son-in-law, Mr. and Mrs. W. L. Moore.

Mayor A. C. Chesher attended Rotary meeting at Levelland Tuesday of last week.

Mr. and Mrs. Allan Chalmers returned home Thursday night from Dallas and Fort Worth markets, where they were buying ready-to-wear for Allan's Apparel. They had been gone about a week.

Allan White, Jr., who is employed by the Clark Truck & Tractor Co., and sells heavy machinery and equipment, expects to be transferred from Eugene, Ore., to Spokane, Wash., about the first of next year. Mrs. White is the former Miss Helen Heathman.

Walter Williams, who was dismissed the early part of last week from the Payne-Shotwell hospital after suffering an attack of pneumonia, was re-admitted Friday with a bad cold. He is, however, now doing fine.

Mrs. Dorothy McGarr was admitted to the Littlefield hospital on Thursday morning for treatment.

Mrs. Cash Chappell of Decatur, Ill., visited in the home of her brother and sister-in-law, Mr. and Mrs. Geo. A. Staggers several days; and accompanied by Mr. Staggers left for Enid, and New Kirk, Okla., and Winfield and Wichita, Kans., to visit other brothers and sisters. From there Mrs. Chappell planned to return home; and Mr. Staggers started out on another round of visiting relatives. He planned on going to visit his son and daughter-in-law, Mr. and Mrs. Farnum Staggers, at Lamont, Okla., Mr. and Mrs. Elton Staggers, another son and daughter-in-law at Tonkawa, Okla., and daughter and son-in-law, Mr. and Mrs. A. H. Heusel, and family at Alfalfa, Okla.

Rev. E. H. Costin of Spade has been a patient since the middle of last week of the Payne-Shotwell hospital for medical treatment. He is doing nicely.

Mr. and Mrs. Jodye Jones left Friday morning for Waco, where they visited Mrs. Jones' parents, Mr. and Mrs. Overby, and attended the Baylor University homecoming. They returned to Littlefield Sunday night.

Vicki Jones, 6-months-old daughter of Mr. and Mrs. Glenn Jones of Anton, is a respiratory patient of the Payne-Shotwell hospital. She was admitted the middle of last week.

Scout Troop No. 34, of which Bob Cox is scoutmaster, picked cotton at the Bruce Porcher farm three miles north and one-half mile east of Littlefield, Saturday, and camped out Saturday night.

Harold Robinson of Rt. 1, Littlefield, was injured while working on a gin boll cleaner at a gin west of Littlefield. He is said to have fallen, hitting his right side and hip, and was admitted to a local hospital for treatment Tuesday of last week.

Grady Smith, son of Mr. and Mrs. Ray Smith, was admitted to the Payne-Shotwell hospital Thursday night, suffering from pneumonia. He is reported better.

Mrs. Charles Hauk and Mr. and Mrs. Harry Williams have returned home after visiting relatives and attending the Dallas fair. They visited Mrs. Hauk's daughter and son-in-law, Mr. and Mrs. W. P. Smith at Cumby; spent some time with Miss Luella Hauk at McGregor; and went to Whitney, Texas, where they visited Mr. and Mrs. J. Wallace Clark, and to Blum, where they spent some time with old friends. Mr. and Mrs. Williams returned home Tuesday of last week, while Mrs. Hauk remained until Saturday.

Mrs. Helen Tibey, a registered nurse, is a patient of the Payne-Shotwell hospital, and underwent minor surgery Saturday.

Mrs. Charlie Hauk and Mrs. Harry Williams visited Mr. and Mrs. Rufus Sewell at Amherst Friday. Mr. Sewell has been in poor health some time and is still taking treatments at the Amherst hospital.

Mr. and Mrs. Byron Taylor and three children arrived Thursday to visit her parents, Mr. and Mrs. E. A. Russell.

Regarding the Rural Telephone Bill, which was passed recently and signed by President Truman, Friday last, the rural population seems to have a misconception of the Bill, thinking the local Electric Cooperatives are going to furnish the telephones in rural areas.

## NO REA FUNDS AVAILABLE

Written into the bill is a provision that during the year no loans to new companies can be considered until applications of existing telephone companies serving the area receive final action; and from all indications the present telephone companies operating in all areas are going to use up all available funds for several years.

## REA TO COOPERATE

It is possible, wherever it is feasible, for the telephone companies to use the facilities of the Rural Electric Cooperatives in extending telephone service to the farmers.

While we are willing to lend every assistance to farmers in the obtaining of telephones, it is our opinion that the initiative rests with the farmers themselves and not with the REA office to obtain rural telephones. Please be assured our 100% cooperation in all matters in the interest of rural areas.

**Raisin-Meat Ball Spaghetti**  
A McCall's Magazine Fail-Proof Recipe

**Sauce**  
1/2 lb. salt pork  
1 onion  
2 1/2 can tomato puree  
1/2 cup water  
1/2 spoon salt

**Meat Balls**  
1 1/2 lbs. chopped beef  
1 tablespoon salt  
1/4 cup cracker meal  
1/2 cup raisins  
2 eggs, unbeaten

Put salt pork in skillet over low heat until fat is melted. Add onion to fat and brown. Mix in tomato puree, water, and salt, and simmer slowly for 15 minutes.

Meat balls, mix all ingredients together thoroughly and form into balls. Drop into sauce and simmer 1 hour and 15 minutes in uncovered pan. Serve sauce and meat balls over spaghetti. You'll be surprised at the good flavor of this recipe, a gift to us from one of our Italian cooks. Use this recipe here for 6 staunch spaghetti lovers.
